TRACTOR-TRAILER ON TOP

Annabel Primmer, 39, Herkimer, N. Y., and George Boggiano, 47, of Adrian, Mich., escaped death when a car in which they were riding was crushed beneath a tractor-trailer driven by John Bonacorsi, Oswego, N. Y., in East Herkimer, N. Y. According to State Police the car slowed down and pulled to the right side of the road. As the truck started to pass the slow moving car pulled to the left. The truck also pulled to the left and the driver applied his brakes. The truck slid into a pole and overturned onto the car, crushing the car into a three-foot pile of twisted metal. Two truck drivers using a jack inched their way under the trailer and relieved the pressure on the sedan, so that its occupants could be removed.

New City Council Is Elected In Light Vote

Six new city councilmen and a new mayor will probably be sworn in office by the city secretary today, W. W. Park, city attorney, said.

In an unusually light vote yesterday all the men whose names appeared on the official ballot were elected to the posts they sought.

A few write-in votes were cast, but only Forest G. Sears, retiring mayor, received a sizable amount. He got 63 unsolicited votes.

Harry T. Holbrook, owner of Sunset Courts on Twenty-fifth Street in West Snyder, was elected mayor with 151 votes of the total of 218 cast.

Park said all the men had been officially notified of their election, and that all will probably be sworn in to office late today if they can be assembled. Holbrook, out of town attending the funeral of his mother, may not be back today. Councilmen may be sworn today and the new mayor later, Park stated.

Councilmen elected were: Eugene Harper, owner of Pal-O-Mar Cortel, to place No. 1 with 207 votes; J. L. (Broadway) Browning, real estate dealer, 213 votes for place No. 2; C. N. von Roeder, rental property owner, 202 votes for place No. 3; Dr. Robert H. Hargrove, dentist, 213 votes for place No. 4; Malven K. Stevenson, owner of Sunbeam Cash Food Market on Twenty-fifth Street in East Snyder, 211 votes for place No. 5; and James W. Phillips, owner of Phillips Bros. Hardware, 212 votes for place No. 6.

The unusually light voter interest in the election was probably caused by the fact that no contests appeared on the ballot and no vigorous write-in campaigns were conducted.

The election was called when a city charter was adopted by voters here Oct. 21.

A short meeting of the old city council was held last night to canvas the vote in yesterday's election.

When C. H. Callis, election judge, brought the vote count to the council, R. B. Sears councilman, quickly made a motion that the council accept his count. John P. DeShazo seconded. The councilmen and Forest G. Sears voted unanimously to approve the election of the new officials.

Mayor Sears had to vote, because only three councilmen were present, which under the old council would not have been a quorum, but the city has been operating under the city charter since it was adopted, and the city charter states that four of the seven city elected officials constitute a quorum.

The city council, while waiting for the votes to be tallied, passed a resolution forming a contract with Harrie Winston to repay Winston for water and sewer lines he laid to his property. Under the contract Winston is to receive 60 per cent of the income from services rendered by the city on the lines until his original cost is repaid, or until the contract has been in effect 20 years. The contract is identical with many other contracts held by the city. Highland Park's and Towle Place's developers have similar contracts.

Vote tally in the election was:

For mayor: Holbrook, 151; Sears, 63; Marshal Erwin, one; J. Elmo Crowder, one.

For Councilman place No. 1; Harper, 207; Frank Stevenson, one.

Place No. 2: Browning, 213; Claud Lloyd, one.

Place No. 3: Von Roeder, 202, Dewitt Wells, one.

Place No. 4: Hargrove, 213; Jack Contella, four; John Blum, one.

Place No. 5: Stevenson, 211; Claud Lloyd, two.

Place No. 6: Phillips, 212.

Complete Well As Pumper In Fluvanna Field

Superior No. 2-517 E. W. Lemons, Northeast Borden County project in the Fluvanna field, has been completed for a 24-hour pumping potential of 123 barrels of 40.2 gravity oil with no water.

The pay section in the Mississippian was treated with 1,500 gallons acid. It fractured with 31,000 gallons.

Gas - oil ratio was 84-1.

It topped the pay at 8,188 feet and set and cemented seven inch casing at 8,188 feet. Total depth is 8,207 feet.

It is 660 feet from north and west lines of section 517-97-H&TC, two miles northwest of Fluvanna.

CORONET LOCATION

Cosden has set another location in the Coronet 2900 field of Northeast Howard County.

It is the No. 3-B Chester L. Jones, 330 feet from west and 1,650 feet from east lines of the south half of the northeast quarter of section 5-25-H&TC, three miles east of Vincent.

Rotary tools will begin operations by Dec. 28 to drill to 3,000 feet.

PLUGGED AGAIN

Standard of Texas No. 1-1 Dunn, wildcat which was re-entered in Northwest Mitchell County, has been plugged again after it cleaned out to 3,000 feet and found nothing.

It was 660 feet from south and west lines of the northeast quarter of section 64-20-Lavaca.

DRILLING REPORT

Standard of Texas No. 7-6 Griffin, stepout to the Hobo field of Southeast Borden, has deepended to 7,169 feet, where it is preparing to drillstem test.

It took one test at 7,150-166 feet with tool open three and one-half hours and recovered 20 feet gas cut mud, 90 feet heavily oil cut mud, 30 feet oil and gas cut mud, and three feet free oil, with no water.

Hickey No. 1 Haden in Northwest Nolan County is on total depth of 7,178 feet and preparing to take a drillstem test.

It topped the Ellenburger at 7,135 feet on a datum of minus 4,731 feet and had a show of oil and gas in samples.

In Scurry County, Magnolia No. 2 Martin is coring at 7,161 feet in lime, Texaco No. 2 M. A. Fuller is at 5,447 feet in lime, and Standard of Texas No. 2 Goldie West is plugging back to test above 1,603 feet, where it found no shows for production.

In Borden, Superior No. 8-580 Jones is at 6,333 feet in lime, shale, and chert. Superior No. 10-535 Jones is drilling at 2,350 feet in lime and Roden No. 1 Belew is preparing to drillstem test at 8,180-258 feet in a lime which is probably Mississippian.

In Howard, Cosden No. 2-B Jones is coring at 2,840 feet in lime, Cosden No. 2 Guffey is at 1,710 feet in anhydrite, Cosden No. 1-B Jones is drilling at 3,852 feet in lime and shale, and Cosden No. 1-E Jones is at 3,890 feet in lime and shale.

Chances Good For Big Rain

By The Associated Press

A cold front with frigid temperatures and possible heavy rains headed for Texas Wednesday.

As the norther passed through Kansas, the Weather Bureau said there was a good chance for statewide rains in Texas within the next 48 hours. Cold air from the front, the bureau said, would cause rain when it struck the warm, moist Gulf air now circulating over Texas.

There was no rain in the state Tuesday and none was in the forecast. But Laredo and Brownsville reported light sprinkles Wednesday before daylight.

Generally, the eastern half of the state was cloudy while West Texas stayed clear to partly cloudy.

Wednesday's rising temperatures probably would last through Thursday, the Weather Bureau said, with effects of the norther due to be felt Thursday night.

WEATHER

WEST TEXAS: Partly cloudy and mild Wednesday. Cooler Panhandle Wednesday night and in South Plains Thursday. Lowest 28-32 in Panhandle Wednesday night.

EAST TEXAS: Partly cloudy, warmer Wednesday and Wednesday night. Occasional rain in south portion on Thursday. Moderate southerly winds on the coast.

SOUTH CENTRAL TEXAS: Partly to cloudy, occasional rain Wednesday night in South portion and in east portion Thursday. Warmer Wednesday and in northeast portion Wednesday night. Moderate southerly winds on the coast.

NORTH CENTRAL TEXAS: Partly cloudy Wednesday, Wednesday night and Thursday. Little warmer Wednesday. Cooler north portion Thursday.

Czechs Admit Much Trouble And Discontent

VIENNA, Dec. 17 (AP)—Czechoslovakia's Communist premier admitted today there are "discontent and rebellion" in the nation, and indicated the Red regime has not yet been able to bring popular defiance under control.

This startling admission was published in Rude Pravo, official Czechoslovak Communist newspaper. Premier Antonin Zapatocky was quoted as blaming the rebellion on shortages of food and coal.

The Communist president, Kelment Gottwald, previously admitted that the production of milk, eggs and farm goods in Czechoslovakia has fallen lower than it was in 1947, before the Communists seized power.

The admissions lent weight to western reports that the Soviet Union's industrial demands on Czechoslovakia have been severely milking the nation and producing chaotic conditions. The production of heavy industry goods for Russia has cost the satellite country terrifically, pushing down its former high standard of living. There have been reports of open "hunger demonstrations" in defiance of Communist police.

Prospects For Ambassador To Mexico Talked

HOUSTON, Dec. 17 (AP)—The Houston Post said today three Houston men are being considered by President-elect Dwight Eisenhower for possible appointment as ambassador to Mexico.

William H. Gardner, the Post's Austin correspondent, said "a belief is strong on both sides of the Rio Grande that the next ambassador to Mexico will be a Texan, and probably a Houstonian."

He listed these prominent Houston men as being under consideration by Mr. Eisenhower:

Wright Morrow, attorney and national Democratic committeeman.

George W. Strake, oilman and prominent Catholic layman.

Dillon Anderson, attorney, bank director and author.

The names of Morrow and Strake have been mentioned frequently of late in connection with the ambassadorship," Gardner wrote. "Anderson is a dark horse but according to reliable information here, is in the running."

Executives Run Struck Trains

LONE STAR, Dec. 17 (AP)—Engineers and firemen picketed the Texas & Northern Railroad today and company officials climbed into overalls to operate the 8-mile line in East Texas industry.

F. E. Newcomer, company auditor, said the strike began at 10:30 p.m. last night.

He said company officials would make up probably two train crews.

Newcomer said he didn't know what schedules would be attempted "but the operation will be damn skeletonized."

The little railroad whose 23 operating employes struck because of deadlocked contract negotiations is highly important to the Lone Star Steel plant here as well as several other plants that process steel byproducts.

The employees could have walked off the job at midnight Dec. 11. They stayed on, however, without making any statement.

Newcomer said the strike, when it came, was "no surprise to us. We'd been expecting it."

The Brotherhood of Engineers and Firemen sought a wage increase retroactive to July 16, 1951. The railroad agreed to the increase asked—enough to bring the scale up to that prevailing on long-line railroads in the Southwest—but refused to make it retroactive to the date the union asked.

Jersey City Mayor Described As Protector Of Racketeers

NEW YORK (AP) — A picture of Jersey City's Mayor John V. Kenny as a protector of waterfront racketeers, even to the extent of breaking a vigilant public safety commissioner, was etched today in State Crime Commission records.

It was a picture described as completely unrealistic by Kenny, who defended himself from New Jersey while showing no inclination to take up the commission's invitation he come to New York today to give his side.

Kenny was the chief topic at yesterday's public hearing of the New York State Crime Commission Witnesses — whom Kenny later called irresponsible — gave testimony that Kenny associated with underworld figures and that his election in 1949 unleashed lawlessness on the Jersey City waterfront.

One witness Charles S. Witkowski, said Kenny brought about his demotion from commissioner of public safety to commissioner of public works because he refused to break up a special gambling squad at Kenny's insistence.

The commission was expected to dig deeper into waterfront corruption in Jersey City at the public sessions today. The probers last week sent Kenny a written invitation that he appear today. Kenny immediately turned down the offer, but it still stands.

Although the New York state body is conducting the inquiry with the approval of Gov. Alfred E. Driscoll of New Jersey, it does not have power to serve subpoenas in New Jersey. Kenny, however, has been subpoenaed by the New Jersey Law Enforcement Council to testify before it in Newark Dec. 29.

Driscoll and New York's Gov. Thomas E. Dewey agreed to the waterfront inquiry to clean up rackets which milk the seven billion dollar shipping industry here of an estimated 350 millions a year. The Port of New York, largest in the world comprises miles of piers in both states.

Witkowski, who now is Jersey City's public works commissioner, said crime was so rampant on the docks that in August, 1950, he organized a special police squad to deal with the pier thefts, loan sharking, gambling and other waterfront evils. At the time Witkowski as public safety commissioner, was in charge of the police and fire departments.

His crackdown, and the ensuing arrests, Witkowski testified, first brought a personal protest from Frank (Buffo) De Lorenzo, a waterfront figure. Witkowski quoted De Lorenzo as telling him to call off the special squad or "I'll tie up the waterfront."

"I told him," Witkowski testified "the squad can go anywhere and if you're not doing anything wrong, you have nothing to worry about. Now get the hell out of here."

The witness added that De Lorenzo replied he'd remember that "the next time I came up for re-election."

6 SHOPPING DAYS TO CHRISTMAS

Bank In East Texas Is Skillfully Robbed Today

Wife's Plea Brings Results; Pardon Is Being Recommended

AUSTIN, Dec. 17 (AP)—A sobbing Dallas housewife joyfully heard the chairman of the State Board of Pardons recommend continued freedom for her husband, 57-year-old Ernest Vickers, today.

Vickers, a parole violator, was in a Dallas jail awaiting the board's decision on whether he would go free or have to return to Huntsville to serve the remainder of a life sentence for murder.

He had been free 12 years since his release on a six-month reprieve in 1939. Full pardons often followed good behavior during the parole period, and Vickers claimed he thought he had paid his debt to society. Discovery that he was a parole violator came accidentally about two weeks ago.

Mrs. Vickers, accompanied by two attorneys, pleaded for mercy for her husband today and quickly won it in separate hearings before two members of the three-man board.

The boards recommendation was to be speeded to Gov. Shivers' office for possible final action by the governor today.

Vickers was arrested and identified as a parole violator after he became embroiled in an argument outside a Dallas tavern. He insisted that police be called. He was taken in for fingerprint when police discovered that he had accused a Catholic priest of attempting to steal his automobile.

The priest—Father John O'Rourke—had his car, similar to Vickers; parked nearby and had entered the wrong car.

Roman Holiday Funeral Called Off By Family

OKLAHOMA CITY, Dec. 17 (AP)—The public funeral for killer William E. Cook Jr., scheduled for this afternoon at Comanche, Okla., was called off today after his grieving family learned what their lawyer called a "Roman holiday" atmosphere and asked that the services be halted.

The body of Cook, who was executed last Friday in the gas chamber at San Quentin Prison in California, had been on public display since Sunday and an estimated 12,000 persons viewed the body of the one-time bicycle thief who killed six persons.

Cook's family drove all night from Joplin, Mo., to Oklahoma City after learning the body had been on public display at the Boydstun Funeral Home at Comanche.

They appealed for aid in stopping the funeral as preparations had been made for 10,000 persons.

After a talk with Cook's attorney, John Connolly Jr., and Glen E. Boydstun, owner of the funeral home, the family said the funeral was called off.

Mrs. Joe Stevenson, Cook's sister-in-law, said the body would be taken immediately to Galena, Kas., mortuary and then private services would be held later at Peace Cemetery near Joplin.

Connolly said the new arrangements were made after he talked with Boydstun. The attorney said he was prepared to take legal action to halt the public funeral.

Boydstun said he was happy to grant the wishes of the family. He told Mrs. Stevenson he would leave Comanche immediately with the body for the trip to Galena.

Four loud speakers had been planned for the funeral services.

UN Jets Bring Down One Mig

SEOUL (AP) — Allied Sabre jet pilots shot down one Communist MIG15 jet and damaged four in four dogfights over North Korea today, the Fifth Air Force said.

The destroyed MIG went down in flames. Pilots said it crashed just north of the Yalu River, the Korean-Manchurian boundary.

Col. James K. Johnson of Phoenix, Ariz., was credited with the MIG kill. He is commander of the 4th Fighter-Interceptor Wing.

Credited with damaging MIGs were 2nd Lt. Paul J. Jacobsen, Elmore, Minn.; Capt. Vincent E Stacy, Crystal Falls, Mich.; Maj. Vermont Garrison, Mt. Victory, Ky., and Marine Maj. Edwin H. Finlayson, Monticello, Fla.

Yesterday, Sabres shot down at least four MIGs and damaged one.

Short, sharp patrol clashes spotted the frozen battlefront, but the U. S. Eighth Army reported that only a few troops were involved.

The sharpest Red probes fell again in the Sniper Ridge area of the Central Front, where six assaults were turned back. On the Western Front, an Allied raiding unit opened up with flamethrowers to overrun a Chinese Communist position northwest of Korangpo.

The Eighth Army announced that from Dec. 8 through Dec. 14, United Nations ground forces inflicted 3,462 casualties on the Reds —2,215 killed, 1,240 wounded and 7 captured.

Foreign Aid Cuts Favored

WASHINGTON (AP)—A reduction in United States foreign aid funds is favored by 9 out of 10 incoming congressmen willing to take a stand in an Associated Press survey.

Some of this 90 per cent protested hotly what they called waste and poor results in the 87 billion dollars America has sent its allies during the past 12 years.

Others, among the 10 per cent, defended the program as providing the most defense per dollar.

Thirty-one senators called for foreign aid cuts in their replies, while Sen. Langer (R-ND) said flatly, "Nothing for foreign aid."

Six House members urged no new foreign assistance appropriations and 143 proposed cuts using words like "severely" and "drastically."

Four senators, some with reservations, opposed reductions, while replies from 22 senators showed no pronounced leanings now. Only 16 representatives—13 Democrats and three Republicans—indicated support for anything like the present program. Forty-two representatives made noncommittal replies.

Five Killed In Tenement Fire

HOUSTON, Dec. 17 (AP)—Five persons, including a three-month-old infant, were burned to death early today and five others were injured in a blaze that raged through a Negro apartment house.

Sixteen others were routed from their living quarters to huddle, scantily clad, in the reflection of the blaze while firemen poured water into what had been their home.

The charred bodies of four of the victims were taken from the ruins by firemen after they brought the flames under control. A fifth victim died at 4:45 a. m. in a hospital, four hours after his crumpled body, covered with third degree burns, was found on the sidewalk as firemen reached the scene.

The dead:

Mrs. Eugene Walker, 42, resident manager of the apartment house.

Willie Gilbert Davis, three-month old son of a woman now held as a patient at Rusk State Hospital.

Mrs. Carrie Belle Mikle, 19.

Jack Adams, age undetermined.

Ernest Mikle Jr., 23, believed to be the husband of Carrie Belle. He died in the hospital.

Indochina War Declared As Important As War In Korea

PARIS, Dec. 17 (AP)—The North Atlantic Treaty Organization declared today the French fight against the Communist-led Vietminh in Indochina is as important to the west as the Korean War.

There was no indication that NATO was planning any collective action in Indochina. But a resolution passed at today's council of Foreign Ministers declared that "resistance to direct or indirect aggression in any part of the world is an essential contribution to the common security of the free world."

Both French Foreign Minister Robert Schuman and Jean le Tourneau, minister for overseas territories had appealed to the Western Allies for as much material and financial support as possible in the war against the Vietminh.

The United States and Britain are aiding France—the U. S. with money and arms and Britain with naval support.

The council also heard British Foreign Secretary Anthony Eden say the United States, Britain and France are still ready to meet with Russia to plan free all-German elections.

Eden recalled that Russia has made no final reply in the lengthy exchange this year over unification of Germany. In their latest note, the Western powers said they wanted discussion limited to the issue of free all-German elections.

The ministers, who will end their meeting here tomorrow, also passed a resolution urging European nations to take quick action toward ratification of the treaty which would bring Western Germany's armed forces into the defense of non-Communist Europe.

The resolution was believed aimed chiefly at France and West Germany, where action toward ratification of the European defense community treaty is lagging. Western Germany would contribute a half million men to a European army under the treaty. This force would be available to NATO.

Donald Schermerhorn Crosby, 16, a high school student, stands in the San Diego, Cal., jail after his arrest on suspicion of killing Mrs. Ida C. MacKeown, 67, La Jolla, Calif., artist. Her body, with 29 stab wounds, was found in her home. Police Chief A. E. Jansen said Crosby admitted the slaying in oral confession. This picture was taken from an alley outside the jail and shot through the bars.

Court Stands On Bail Ruling

AUSTIN, Dec. 17 (AP)—The Court of Criminal Appeals today stood pat in its decisions granting bail to Nago Alaniz but refusing bail for Mario (El Turko) Sapet in the South Texas political slaying of Jake (Buddy) Floyd Jr.

The high court overruled motions for rehearings in both cases without written opinion.

The court's earlier rulings had set bail for Alaniz at $15,000 after trial court had refused bail. The trial court refusal of bail for Sapet was not disturbed.

Former U. S. Attorney Accused Of Abuses

WASHINGTON, Dec. 17 (AP)—House investigators today confronted a former U. S. attorney in Iowa with accusations that he abused his official post.

Robert E. Collier, chief counsel, told a judiciary subcommittee investigating the justice department he obtained sworn testimony to the effect that Tobia E. Diamond, the attorney, tried to force settlement of a civil claim by threatening members of a Miami, Fla., firm with prosecution. Diamond, who is 74, resigned as U. S. attorney on Nov. 9.

Officer Not Telling How Much Taken

OAKWOOD, Dec. 17 (AP)—Two armed, masked robbers—working with precision—today robbed the Oakwood State Bank of an undisclosed amount of money and fled in a stolen automobile toward Corsicana.

R. R. Wiley, president of the bank, refused to say how much cash the men got.

"That would just tell would-be bank robbers how much money the bank keeps," he said shortly after the men broke into the bank around 8:35 a. m. "It was insured if any depositor is worried."

The bank was just beginning to ready for its regular opening when the robbery took place.

Cashier R. R. Tubbs was in the bank. The robbers gained entrance when the assistant cashier, Miss Maxine Barnett, started to open the door.

Wiley said that one of the bandits — he didn't know which one — apparently had been loitering on the sidewalk, watching for someone to enter the bank in this little town of about 750 people in the northern tip of Leon County in the lumbering area of East Texas.

Wiley, who arrived at the bank just after the robbery, said Miss Barnett noticed someone coming up behind her and tried to get into the bank and shut the door before the man could enter. But he said the man shoved a gun against her body and forced his way in.

The bandits were described as being "average". Wiley said they were about 32 or 34 years of age. "One of them had on a plaid shirt," he said.

The second man came in after the first robber forced Tubbs to open the safe.

"He threatened Tubbs if he didn't," said Wiley. "But the safe was about ready to open anyway. It's automatic and the bank was fixing to open."

The bandits forced Tubbs and Miss Barnett and R. R. Wiley, Jr., the bank's vice-president, to lie on the floor while one of the men scooped up cash from the vault and the other kept the three covered with a gun.

Young Wiley came into the bank in the midst of the robbery.

Wiley said the men fled in a 1949 Ford automobile, license JA 3239. He said the car had been stolen in Palestine, about 11 miles from Oakwood, last night and was parked across the street from the bank during the robbery.

Communists Make Most Of Faster's Death

MADRAS, India, Dec. 17 (AP)—Three persons were reported killed and 10 others injured last night in a wave of riots and demonstrations that swept the Madras area after the death by fasting of Potti Sriramulu, a 51-year-old disciple of the late Mohandas K. Gandhi.

Sriramulu died Monday after going without food for 58 days in protest against the Indian government's refusal to create a new state, to be called Andhra, out of 11 districts in Madras state whose 22 million people speak the Telegu language.

Communists, who have scored major victories in recent Madras state elections, seized on the incident to make political capital.

TRAPPED

Soaked with gasoline and water, E. G. Johnson is shown trapped in his wrecked car at Jacksonville, Fla., where he spent two and one-half hours before being rescued. Police said Johnson failed to make a curve traveling at a high rate of speed. He suffered only a foot injury.

ON THE ROCKS

The refrigerator ship Grommet Reefer, split in two rests on the rocks, 200 yards off Leghorn, Italy, with 37 cold and weary seamen still aboard the stern section (right) after three others were removed by breeches buoy. A rescue line parted after only three were taken off. The ship was driven on the rocks by winds of gale force. The bow section, with no one aboard, is breaking up, but the stern remains afloat and water tight. The cargo includes 176 tons of perishable food including Christmas turkeys for GIs in Italy and Austria. All crewmen were rescued safely.

Lattimore Indictments Come After Many Probes By Senate

By JAMES MARLOW

WASHINGTON (AP) — Owen Lattimore has been in a running tongue-battle with some senators for two years. Now he's in the worst jam of his life. A federal grand jury has indicted him on seven charges of lying under oath.

At 52 Lattimore is a vigorous, stocky, balding man with eyeglasses. And he's an emotional man, judging from the heat with which he has always responded to senators' attempts to link him with communism.

Besides being a specialist on Far Eastern affairs and, in the past, a state Department consultant, he is a lecturer at Johns Hopkins University.

Many times, facing a committee in the Capitol, he has sounded like a professor denouncing a mob of disorderly freshman. This didn't endear him to the senators.

Lattimore's bad days began in March, 1950, when Sen. McCarthy called him a security risk.

McCarthy created a national sensation for himself and Lattimore when he said the Far Eastern specialist was the top Soviet espionage agent in this country. Shortly afterwards he called Lattimore the chief architect of our Asian policy.

Needless to say, Lattimore denounced the Wisconsin senator.

But a subcommittee of the Senate Foreign Relations Committee, headed by the then Sen. Tydings, Maryland Democrat, began hearings on the whole range of charges made by Republican McCarthy.

When the hearings ended the Democratic senators on the committee gave Lattimore a clean bill of health. That might have been the end of Lattimore's troubles, except that another committee began an investigation of U. S. policies in the Far East, where the Communists had taken over China and we were in a war in Korea.

This committee—the Senate subcommittee on internal security, led by a Democrat, Sen. McCarran of Nevada—seized in a barn in Lee, Mass., in February, 1951, some files of the Institute of Pacific Relations.

The IPR, an international research organziation, was founded in 1925 with the avowed purpose of promoting greater knowledge of the Pacific area. Lattimore, an IPR trustee, was editor of Pacific Affairs, an IPR magazine, from 1934 to 1941.

Witnesses told the McCarran Committee IPR had been infiltrated by Communists. So the committee was investigating it as part of its inquiry into Communist influences on our Far Eastern policy.

Several witnesses—one of them was Louis Budenz—told the committee Lattimore had supported pro-Communist views. Testifying under oath, Lattimore swore he was not a Communist, not a Communist sympathizer and not a Soviet agent. In addition, he said Budenz had perjured himself.

In the end the committee decided it was Lattimore who had perjured himself. It urged the Justice Department to ask a grand jury to indict him for perjury. This the grand jury did yesterday, on seven counts.

LEGAL NOTICE

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Commissioner's Court, Scurry County, Texas, Attention M. R. Estes, Consulting Engineer, will be received at the Office of Edgar Taylor, County Judge, Scurry County, Snyder, Texas, until 10:00 o'clock A.M. Monday, Dec. 22nd, 1952, for furnishing all necessary materials, labor, equipment and superintendence for constructing a sewer line for the County of Scurry, the duration of this contract shall be 45 calendar days from date of award.

Bidders must submit Cashier's or Certified Check issued by a Bank satisfactory to the Owner, for 5 per cent of the amount of the base bid, payable without recourse to the order of Scurry County, Texas, or a Proposal Bond in the sum of the same amount, from a reliable Surety Company, as guaranty that Bidder will enter into contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required check or proposal bond will not be considered.

The successful bidder must furnish bond in the amount of 100 per cent of the contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Sureties acceptable to the Owner.

All unit prices must be in both script and figures. The Owner reserves the right to reject any or all bids and to waiver formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or unbalanced") unit prices will authorize the Owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding the local conditions and conditions under which the work is to be performed. Attention is called to the provisions of Acts of the 43rd Legislature of the State of Texas, page 91, chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing wages established by the Owner. Said scale of prevailing wage is set forth in the specifications.

Instructions to bidders, proposal forms, specifications, and plans are on file in the office of M. R. Estes, Consulting Engineer, Snyder, Texas.

Copies may be secured upon deposit of $10.00 to be returned to the Contractor on submission of bona fide bid on the work with such plans and specifications, or upon returning the Plans and Specifications immediately after examination of same, before the date of receiving bids and advising the Engineer that bid will not be submitted; otherwise, the deposit shall be forfeited.

Lions Give To Other Groups, Reduce Dues

No meeting of the Lions Club will be held next Tuesday at noon because the date is so near Christmas, the Rev. W. W. Adcock, president, announced yesterday.

A directors meeting scheduled for Dec. 26 will not be held either, for the same reason, he said.

Glenn C. Snyder, Lions secretary, reported that the directors of the club voted in their last meeting to donate $100 from the club treasury to the Kiwanis Christmas fund because the Kiwanis Club lost money on the annual Negro football game here this year. The Lions Club will also donate $10 to the County Library project. All service clubs have been asked for this amount.

Snyder said that the directors also recommended that club dues be reduced from $8 to $7 per month, and that the building fund be discontinued. Members of the club voted unanimously in favor of reducing the monthly dues at the luncheon.

Next meeting of the club will be Dec. 30, when Harry Holbrook and C. O. Holder will be in charge of the program.

Mrs. E. N. Baker and her daughter Donna Baker gave the program yesterday. Donna sang a number of songs. Mrs. Baker accompanied.

J. W. Huff, and Ray Lunsford both of Snyder, and H. A. Baron highway patrolman from Sweetwater, were guests at the luncheon.

PERSONALS

Robert Peebles, a student at the University of Texas, will arrive this week end to spend the holidays with his parents, Mr. and Mrs. W. N. Peebles, Avenue R.

Mrs. J. O. Carter, 1109½ Thirtieth Street, left yesterday for Oklahoma City to visit her daughter-in-law, Mrs. James Burnett.

Escort For Sen. Nixon

LONG BEACH, Calif. (AP)—The City Council voted $7,600 yesterday to send the city's mounted police troop of 49 palomino horses to march in the presidential inaugural parade in Washington, D. C., Jan. 20.

It will act as escort to Vice President-elect Richard Nixon.

Scout Leaders Preparing For Funds Drive

Plans for the annual Boy Scout fund raising campaign were mapped at a meeting in the Village restaurant at noon yesterday, Harold Bennett, publicity chairman, said.

Dates for two divisions of the complete campaign were set. Advanced gifts campaign will begin on Feb. 10, and the general solicitation campaign will start on Feb. 17, Bennett stated.

Present at the meeting were: Bob Eastus, Scout field representative, Nolan von Roeder, campaign chairman; H. W. Cargile, vice chairman; Herman Doak, general solicitation chairman; Walker Dabbs, industrial gifts chairman; J. M. Newton, advance gifts chairman; and Bennett.

Majors selected for the general solicitation campaign will meet on Jan. 27 to select captains for the campaign, and on Feb. 3, the chairman, majors, and captains will meet to select workers and map plans for the general drive.

Innocent Plea By Man Charged With Theft

Dewitt Patterson Wells, 41, Bootheland addition, has been released on appearance bond after pleading innocent to a county court charge of misdemeanor theft.

Bond was set at $250 for Wells, accused of the theft of plastic door panels and other articles for automobiles, the value of the stolen articles listed in the charge at $11. The charge alleges Wells stole the articles June 15 from Richard T. Howard, doing business as Howard's Trim Shop.

A Dewitt Wells received one write-in vote for councilman from place No. 3 in yesterday's special city election.

Death Claims Man, 71, Here

James Fortte Pappajohn, 71, died this morning at 9:15 o'clock in Battenfield Hospital following an illness of about a month.

Operator and previous owner of the State Cafe, he had lived in Snyder since 1949. He lived at 2104 Avenue O. He was a master Mason and belonged to Masonic Lodge No. 107 in Shawnee, Okla. Born in Greece, Mr. Pappajohn had been a resident of Texas for 45 years.

He is survived by one brother, Theodore F. Pappajohn of Snyder.

Services will be held at 3 o'clock Thursday afternoon in the Trinity Orthodox Church in San Angelo with the pastor there officiating. Burial will follow in Fairmont Cemetery in San Angelo.

Funeral arrangements are under the direction of Bell Funeral Home.

Pedestrian Hit This Morning

A pedestrian, Victor Oquist, 62, of Avenue E in Northeast Snyder, was injured when struck by an automobile at Twenty-fifth Street and Avenue R about 9:15 this morning.

Oquist was taken in a Bell ambulance to the Battenfield Hospital, where his condition was described as not serious. Injuries included lacerations and abrasions of scalp, lacerations and contusions of back and chest, and cerebral concussion.

Mrs. O. T. Estep, 45, of the 1700 block of Avenue S, was driver of the 1952 Hudson sedan. She said she was making a left turn from Avenue R eastward onto Twenty-fifth Street, was blinded by sunshine on her windshield, and did not see the man until after the accident. She stopped the car immediately.

HOSPITAL NOTES

The following admissions and dismissals at Battenfield Hospital are those whose names were released by the hospital.

Patients admitted: Linda Jean Redden daughter of Mrs. Myrtle Redden of 2700 Avenue G, surgical; James Redden, son of Mrs. Myrtle Redden, medical; Mrs. George Wild, Snyder, medical; Miss Dana Jones, 3115 Thirty-nineth Street, surgical.

Patients dismissed: Mrs. Lester Page and son of Snyder; John Sturdivant 2402 Avenue L, medical; W. B. Miller, 2504 Filmore in Amarillo, medical; Robert Doonan, 1303 Eighteenth Street, medical.

Veterans Push Xmas Fund To Record Mark

The Kiwanis Club Christmas fund for underprivileged children took another $203 boost today and grew to more than was in the fund last year.

The fund's total now amounts to $1,609.35, a little more than Kiwanians used last year to buy baskets to distribute to needy children and their families.

Included in today's contributions were gifts of $106 from the Veterans of Foreign Wars and $70.25 from the VFW Auxiliary.

Several civic groups have donated to the fund, and more are expected to give to the fund this week.

Donations are being accepted at the West Texas State Bank, Snyder National Bank and Snyder Daily News, and names of those needing aid are being accepted at any of those three locations or by telephone at 3-5305 or 3-4185.

Clothing is being taken at 1921 Twenty-sixth Street, or by calling 3-3452. Toys are being collected at the fire station, where usable toys are being left, and the veterans clubhouse, where the American Legion is taking damaged toys for repair.

Third Day of Testimony In District Court

Civil district court began this morning its third day of testimony in the suit of H. J. Brice and others vs. J. S. Abercrombie and others, trespass to try title on 6.87 acres of oil producing land about five miles north of town.

The suit involves a large number of plaintiffs and defendants. A. S. Mauzey of Sweetwater judge of the 32nd judicial district, is presiding in the place of Ben F. Thorpe, district judge here, disqualified as having filed papers in connection with the suit before his appointment as judge.

PERSONALS

Mr. and Mrs. E. C. Nobles of Snyder are parents of a son, John Franklin Nobles, born in Battenfield Hospital at 12:04 o'clock yesterday afternoon. The baby weighs five pounds and six and one-half ounces.

Mr. and Mrs. Oliver McClinton, 2306 Twenty - seventh Street, will leave tomorrow to visit their son, L. H. McClinton, and other relatives in Fort Worth.

Communists Play Up Prison Camp Deaths

MOSCOW (AP) — The Communist party newspaper Pravda today printed in heavy black type a report that 82 Red prisoners had been killed on Korea's Pongam Island and again bitterly attacked United States' treatment of Chinese and North Korean war prisoners.

In a lead editorial, the newspaper said, in part, "American aggressors are committing crimes against the 'conscience of humanity.'"

The United Nations Command in Korea announced that Allied guards last Sunday killed 84 Communists and wounded 120 others in quelling a mass breakout attempt by war prisoners at Pongam Island.

Pravda said the Pongam incident was a new "link in the monstrous chain of crimes by the American military who are following the road of Hitlerite tyranny and blood terror."

In addition to fruit cake, I want to make a Christmas pudding and would like a recipe for one. Mrs. M. V. McG.

For your pudding, use the following ingredients:

3 cups raisins
3 cups currants
2 cups sliced citron
3 cups brown sugar
1½ pounds suet, chopped fine
4 cups flour
1 teaspoon salt
2 teaspoons cinnamon
1 teaspoon allspice
1 teaspoon nutmeg
12 eggs, well beaten
1 cup soft bread crumbs
Milk to mix (about 3 cups)

Mix fruits with a little of the flour. Cream sugar with suet. Sift remaining flour, salt and spices together. Soak crumbs in 1 cup of milk. Add to eggs. Add egg mixture alternately with flour mixture to sugar mixture. Add fruits. Mix well. Place in 2 large oiled molds. Steam 7 hours.

Serve with hard sauce.

CONTROL LINT

with an automatic GAS clothes dryer

Line-dried clothes shed lint... making an extra house-cleaning chore. Lint from this source can be controlled with an automatic gas clothes dryer.

Tumble action in gas dryer extracts lint produced during laundering... air current in the gas dryer picks up the lint and carries it to lint trap. After drying remove the lint trap and in one swish of a brush you clean up all the lint that otherwise would collect under furniture and in corners.

GAS dryers are faster! It takes 4 minutes or less to preheat a gas dryer, while other dryers take up to 18 minutes.

GAS dryers cost less to operate! In most cities and towns on Lone Star's system a gas dryer saves up to 75% in operating cost.

THE ADVENTURES OF PATSY

Underwood Sparks Tigers To 75-65 Win Against Levelland

Pulling out of a first quarter deficit, the Tiger cage squad rallied last night to defeat the Levelland Lobos 75-65.

The Levelland team was the crew that downed Snyder 55-43 last year to eliminate them from the regional tourney at Lubbock after Snyder had taken the championship of District 5-AA.

Ned Underwpod, 6-2 center who is still hindered by a weak ankle, did not let his ankle keep him from moving in to score as he tallied 29 points. Douglas Ayers, 5-9 guard, followed with 16.

Curt Israll, 6-foot forward, was the damaging player for Levelland. He scored 28 points during the game.

The Lobos showed a strong defense in the first period, and they jumped into an immediate lead over the Tigers. They led Snyder by 11 points midway in the first quarter and 18-10 when the quarter ended.

The Tiger team began to pick up as soon as the second quarter began, taking the lead before two minutes of the period had elapsed.

The game was tied for its third time halfway through the second period, but the Tigers again took the lead then and never let it go.

The win evened up the Tiger game record at 2-2. They defeated Slaton and lost two games to Lubbock.

The teams will be back on the court here again tomorrow night when Colorado City visits.

The B squad, moving away from seven ties in the first and second periods of their game, grabbed a firm hold on the lead and sailed ahead of the Levelland five.

The Tiger B teamers held a 15-point lead at one time, but Levelland began to catch up as the fourth period began.

The Tiger B squad finally won 47-40.

Jimmy Bennett led the Snyder B scoring with 12 points, followed by Alan Snead and Ray Courtney with 11 each.

OPEN SEASON

By DALE WALTON

The Colorado City Wolves, members of District 5-AA of which the Tigers were former members, will be in town tomorrow night for cage games here.

Head basketball coach Gene Gibson said the Tigers are already scared up because of the game.

It seems that Colorado City is usually able to defeat Snyder, one way or the other. Last year, the favored Tigers lost to Colorado City twice, C-City lost to Stamford twice, and Stamford lost to Snyder twice, and added a third loss to the Tigers in the playoff for the district title.

The Wolves have spent most of their early season practicing on smaller teams, and they have defeated Ira 30-24, Westbrook 30-25, and Hobbs 30-26. Big Spring downed C-City 30-28.

The Tigers are heavily favored in tomorrow night's games, and we hope the C-City jinx don't keep them in a trance in the tilt.

* * *

Allie White, TCU line coach, stayed in Snyder last night while he was in the West Texas area looking over football material. He sat in on last night's Tiger game.

* * *

The Lamesa Chamber of Commerce has not yet released the all-district football team selections. They sent out ballots last week.

* * *

The time and score clock in the high school gym has not yet been put into running shape. It's been out for repair since last week, although it was known last spring that it needed repair.

Yanks Appear Sure To Take Italian Team

SYDNEY (AP)—The No. 1 tennis players of the United States and Italy, Vic Seixas and Fausto Gardini, meet tomorrow in the opening singles match of the interzone finals, but the Australian headlines of the moment concern one Frank Sedgman.

Generally considered the finest amateur racquet swinger in the world, Sedgman has this whole nation buzzing over the prospect that he will turn professional and tour the U. S. and other countries after the Davis Cup Challenge Round to be held Dec. 29-31 in Adelaide.

There is little doubt that the Australian cup holders will meet the U. S. for the big vase which is emblematic of world supremacy for the amateurs. Tony Trabert of the U. S. plays Italy's Gianni Cucelli in tomorrow's second match.

Pino Bono, manager of the Italian cup forces, already has booked passage to Rome for Sunday night.

"We have not made any bookings to Adelaide because we think the Americans will be very difficult to beat," Bono told a reporter. That view is shared by all after Italy barely defeated India for the right to play the U. S.

On the other hand, the American captain, Seixas, said he had made tentative plans to fly his squad to Adelaide Sunday morning.

Sir Norman Brookes, president of the Lawn Tennis Association of Australia, was the latest to comment on the prospect that Sedgman might turn pro. He said the LTAA would not review Sedgman's status unless requested by Alrick Man, U. S. Davis Cup manager.

Sedgman has obtained a tax permit to leave Australia Jan. 3, but has refused to admit he will sign professionally. Reports have had Sedgman and Ken McGregor, Aussie No. 2 player, signing with Jack Kramer and Pancho Segura of the U. S. after Jan. 1.

"Personally I can see nothing in the rules to alter my belief that he (Sedgman) is an amateur until he contracts to receive money for playing tennis," Sir Norman said.

Baytown Star Improved

BAYTOWN, Dec. 17 (AP)—Fullback Jimmy Morris, ailing with a virus infection, appeared improved yesterday as Baytown practiced for the Class AAAA football championship games in Dallas Saturday.

The 184-pound junior became ill over the weekend. His fever subsided yesterday. Coach Dan Stallworth planned a long defensive drill today against Lubbock plays.

The team will leave Baytown Friday morning by bus.

Robinson Is Hushed Up By Front Office

NEW YORK (AP)—Jackie Robinson, who recently stated in a television interview that the New York Yankee front office was against the hiring of Negro players, will not make any such criticisms henceforth.

The brilliant Brooklyn second baseman will refrain from referring to the absence or presence of Negro ballplayers in the major leagues as long as he remains in baseball.

A suspicion that Robinson had been silenced on orders of higher-ups stemmed from Commissioner Ford Frick's reply to a question whether he had discussed the matter with Jackie.

"I prefer not to discuss the matter," answered Frick. "It has been handled."

Ralph Kiner of Pittsburgh, not Stan Musial of the St. Louis Cardinals, was the highest salaried player in 1952, it is now revealed. The major leagues' home run king drew $90,000 last year, $10,000 more than Musial earned.

The $90,000 figure came to light when a Pirate spokesman, discussing the club, remarked:

"Kiner wasn't a $90,000 ball player last year and I think he knows it as well as we do. I have a hunch he's prepared to take a cut but I don't know whether he'll accept the full 25 per cent."

There will be no austerity program at the Philadelphia Phillies' training camp in Clearwater, Fla., this spring. Manager Steve O'Neill told this writer in Phoenix, Ariz., last week that he planned to erase all the "don't" and "shall not" rules which were imposed upon the players by Eddie Sawyer, former Phil pilot, last year.

"The players will be allowed to bring their wives and families to camp," said the fatherly O'Neill. "They will be permitted to swim, play golf, cards, fish and relax on the beach if they wish. As a matter of fact, this is nothing new. I threw out the old rules the day I took over."

Maxim Has To Defend Title Again Tonight

ST. LOUIS (AP)—Old man Archie Moore, fulfilling a youthful ambition at 36, ends a 10-year trail to the championship ring tonight in his 15-round title scrap with Light Heavyweight Champ Joey Maxim.

This is a chance of a lifetime for Moore, and it almost took the St. Louis Negro a lifetime to gain it. For almost a decade Archie has been brushed off by light heavyweight champions, a sad fate for an 18-year-old beginner who had planned to get a title chance and retire at 25.

Despite the time lag, now that Moore has the opportunity he's favored to take the 175-pound crown from Maxim, a 30-year-old gent from Cleveland. The odds give Moore the edge at 8-5, but they'll probably vary to close to even until the two men enter the ring.

A crowd of about 14,000 fans is expected to pay about $85,000 to see the International Boxing Club's attraction at the arena. The 9 p.m. CST (10 p.m. EST) bout will be telecast and broadcast nationally over CBS with only the St. Louis area blacked out.

More than $60,000 in receipts has been iced away already, and that was enough to establish a new St. Louis record.

To that expected $80,000 haul you probably can safely add a minimum of $50,000 to the purse. That represents the radio-TV sponsor's reported purchase price for the air rights.

SW Conference Cagers Keep Up Two To One Win Average

By CLAYTON HICKERSON
Associated Press Staff

Southwest Conference basketball teams maintained their two-to-one margin over non-conference cage rivals today after taking two of three Tuesday night games.

It took final-minute action, but Texas A&M took a 60-55 victory over Trinity University of San Antonio and Arkansas beat Missouri, 65-64, with a last-second field goal.

Only Texas Christian University, playing far afield in Peoria, Ill, lost. The defending champion Horned Frogs bowed, 89-76, before Bradley University's potent Braves.

Wednesday night's only game involving a Southwest Conference quint pits Southern Methodist against Colorado A&M at Dallas. The Colorado team lost, 46-63, to Texas Monday night.

FROGS FIRST LOSS

Guard Bob Carney pumped in 29 points Tuesday night to lead the Braves over TCU, the first defeat for the Horned Frogs in three starts and the fourth win for Bradley in five games.

Henry Ohlen and Chuck Brown shared Christian scoring honors with 17 points each. Ohlen, along with Ray Warren of TCU, fouled out in the third period.

Bradley connected with 31 of 64 shots from the field while the Frogs got only 30 out of 91 attempts.

The Razorbacks turned back Missouri in the narrowest of victories as Carroll Scroggins hit a field goal to overcome a one-point deficit and go ahead for the victory in the last second.

The lead changed frequently and the score was tied seven times in the hectic Tiger-Hog fray. Missouri took a 64-63 edge as the two teams battled in the last minute.

TIGERS TRY STALLING

The Tigers started a desperate keep-away effort, but a wild pass gave Arkansas the ball with 30 seconds to go.

Arkansas got the ball out of bounds after three quick jump balls and Scroggins took the throw-in and potted it as the final horn sounded. Gene Lambert, one of last season's conference scoring leaders, led the Arkansas attack with 27 points.

Don Heft's three straight free throws with 36 seconds left in the game furnished College Station fans with almost as thrilling an evening as Bradley and TCU had in Peoria.

Kefauver Tells Role Stevenson Ought To Play In Party Now

WASHINGTON (AP)—Sen Kefauver (D-Tenn), whose bid for the Democratic presidential nomination fell short, said today he recognizes Gov. Adlai Stevenson as the party's nominal head—but with no authority "to dictate or determine party policy."

Kefauver told a reporter he will recommend that the Democrats rely heavily on their national committee to chart policy with the aid of a special new committee of some sort. He said the chairman of the national committee might also head the special policy group.

Of Stevenson, who headed off Kefauver's front-running bid for the party nomination and then lost in the election, Kefauver had this to say:

"As a matter of custom, Gov. Stevenson as the defeated nominee is the titular head of the party.

"However, he has no right of or in himself to dictate or determine party policy. That is for a policy committee—the national committee and its executive committee, and perhaps others.

"But his views should carry a lot of weight in policy consultations."

In that view, Kefauver differed in degree from Sen. Maybank (D-SC), who has said he does not acknowledge Stevenson as the party leader. Among other reasons, Maybank said he thinks Democratic members of Congress, by the nature of their jobs, will establish in day-to-day votes much of the policy on which the party's 1956 standard bearer will have to run.

Kefauver said he hopes the Democratic National Committee will consider the whole problem at an early date.

He said he believes many broad policy matters can be settled by the national committee. A smaller group, which might be termed a policy committee, could handle some others "of a more changing nature, such as certain phases of foreign policy," he continued.

Kefauver said such a policy committee, if one is formed, should give representation to the national committee, Democratic governors, Democrats in Congress and some others.

Kefauver wouldn't comment on talk of booming Stevenson for a second try at the White House in 1956. Asked whether he himself might again be a candidate, the senator replied:

"I have no plans to become one."

CARRIES MAIL BAG

Rep. Laurie Battle (D-Ala) (left) shoulders a bulging mail bag and gets final instructions from mailman Newton Carmichael before they go out on Carmichael's route in Jonesboro, Ala., a suburb of Bessemer, Ala. Residents of the area asked for a branch postoffice and Battle decided the best way to find out if they needed it was to walk the route.

Smooth Rides For Senators

WASHINGTON (AP)—Senators are going to be riding to and from their work more smoothly next year but that isn't guaranteed to smooth the business of lawmaking.

The easier riding will be on newly laid tracks for the senators' 700-foot monorail subway line which connects their office building with the Senate wing of the Capitol.

The new rails have just been installed at a cost of $7,500. They are the first complete track replacement since the monorail system was installed 40 years ago. Time had thinned the rails and rotted the ties.

The two 18-year passenger cars are going to remain, although they are being overhauled and repainted.

These cars make an average of 225 trips a day and are one of the big tourist attractions of the capital, especially with youngsters. Rides are free to all who can crowd on.

The new tracks are part of the Capitol's biggest general cleanup and rehabilitation in 14 years.

David Lynn, architect of the force has been able to accomplish more this year than in any year since before World War II. The reason: Congress was out of session for six months in 1952—longest recess since 1938.

All told, $695,000 was voted for Capitol maintenance in the fiscal year which began last July 1 and most of it is being spent in the curret six-month period. Here are some of the other jobs:

Repainting of the dome and all of the central portion of the building.

Painting of 77 offices and stairways and corridors.

Converting some elevators from manual to automatic control.

Cleaning of 60 ornate crystal chandeliers.

A complete soap - and - water scrubbing for every statue—there are dozens of them.

Drive-In Bank InPhiladelphia

PHILADELPHIA (AP)—There are drive-in banks where a customer pulls his auto into a parking area and then turns his money over to a cashier.

There's banking by mail where you simply put deposits into an envelope and drop into the nearest letter box.

Now comes a more modern idea. The First National Bank of Philadelphia, in announcing today a planned $1,700,000 expansion of its downtown office, is going to let its customers drive right inside the building and do business without getting out of their cars.

The bank will be more than doubled in size. It is located in the heart of what once was the banking center of America and is close by Independence Hall.

A two-lane, street-level driveway under the upper floors of the bank building will enable customers to drive right inside. On the left of the drive—radiant-heated and as long as a football field, architect's plans show—will be four teller's windows. At the rear of the drive-still inside the building—will be a parking area in case customers want to go upstairs into the main offices for specialized services.

Woman Named 20 Years Ago Names Another Now In Divorce Suit

LOS ANGELES (AP) — Film director King Vidor, 57, is accused of adultery with Mary Anderson, 31, petite redhead, in an amended divorce complaint filed by his third wife Betty, 51.

Twenty years ago Mrs. Vidor, then Betty Hill, who served as the director's script girl, was named correspondent by actress Eleanor Boardman, Vidor's second wife.

Vidor's attorney was granted a continuance yesterday until next May 14 to prepare his case in view of the new charge.

Miss Anderson, a screen actress, issued a statement saying, "This comes as a complete shock. I do know Mr. Vidor. We are just friends. There is no truth to any charge that we were or are more than that."

BOYLE'S COLUMN

Desperate Men Still Wonder What To Get Wife For Xmas

By HAL BOYLE

NEW YORK (AP)—The ordinary worries of the world are as nothing now to millions of American husbands face to face with the hardest problem of the year:

"What shall I get the missis for Christmas?"

No other emergency offers so stern a test of a husband's real mettle.

Buying a wife a present of some kind is easy. The stores are stacked with thousands of lavish gifts. They have hired thousands of lady shopping advisers to help distracted husbands.

But the whole art of a successful family Christmas is to buy a wife exactly the gift she wants. And what is that? Just try and find out. The children subtly make their wishes known by frank and open letters to Santa Claus. But their mother won't do that.

Usually it is no task at all for a husband to find out what is on his wife's mind. He would have to put on earmuffs to keep from knowing.

CLAMS UP

But just before Christmas she clams up. On the question of what she would like to find under her Noel tree she plays a game of "you find out."

If you ask her bluntly, she says evasively:

"Oh, don't you bother about me. I really don't want anything."

Translated from feminine Engmeas:

"Well, dunderhead, if you come home this Christmas eve with another bottle of that cheap perfume, I'll open it and pour it all over you while you're asleep.' "

What can a man do? Well, I know one man who asks a ouija board, another who consults an astrologer, a third who seeks the advice of a fortune teller and a fourth who just goes into a store blindfolded and buys the first thing he bumps into. But all of them say:

HOW ABOUT A YACHT?

"My system doesn't really work. You better try some other one."

There are, of course, a few sound rules to follow. The first few years of marriage a wife is always glad to get things like a television set, an electric oven or new rug. After that she warns, "If you think my idea of a Christmas present is something to furnish this old house, that shows you really were thinking of me as a person, not as a business partner. I need furnishings more than the house does anyway."

The sure fire way out of this dilemma is to buy her a ermie coat or a yacht, and if they are the wrong size she doesn't mind going back later to exchange them herself. But these gaudy trifles are beyond the reach of the average man's purse, even in the dawn of a new Republican regime.

The only thing a fellow can do is to make the best guess he can and go ahead and buy it. In my own case I have an even toughter problem. I know what my wife would like to have, but there isn't a store in town that stocks it.

When I asked Frances what she would like for Chrismas, she said:

"The only thing I really want this year, Rover, is a better husband."

Rocket Goes 135 Miles Up

WASHINGTON (AP) — The Navy's Viking 9 has soared 135 miles straight up to equal the altitude record for single-stage rockets set more than a year ago by its Viking 7.

The Defense Department said the second record loft, equaling the height reached Aug. 7, 1951, was made yesterday at the same place — the Army White Sands Proving Grounds, Los Cruces, N. M.

The Army's WAC Corporal has gone 250 miles up but not in one stage. It took off from an already-airborne German V-2.

The Viking 9, which weighs 7½ tons and is 42 feet long, carried instruments for measuring upper-air sunlight. The Defense Department said it was traveling 3,900 miles an hour when its fuel ran out.

Reptiles Are Stolen From Calif. Aquarium

HOLLYWOOD (AP)— Burglars, apparently intent on starting a jungle, broke into the Hollywood Aquarium, stole a six-foot Anaconda water boa snake, an eight-foot indigo snake, a six-foot indigo snake, two five-foot boa constrictors and a rare Siamese gekko lizard.

The gekko, said owner Sylvester Chichester Lloyd, will be easy to recognize, because it's the only one in captivity here.

"It has big feet," Lloyd explained to a puzzled police sergeant. "Its underside is like a venetian blind and it also runs up and down walls like a venetian blind. In Southeast Asia the gekko is kept in hotel rooms to eat the roaches. He runs around the room all night making a noise that sounds like "gekko, gekko, gekko."

Citrus Growers Fight Continued Cold Wave

MIAMI, Fla. (AP)—Smudge fires burned in Florida's rich citrus groves and on vegetable farms last night as a record cold spell hung on for another day.

The Federal-State Frost Warning Service predicted frost again this morning as the year's most prolonged cold wave continued.

Pair Celebrate 73rd Wedding Anniversary

LOMA LINDA, Calif. (AP) — Mr. and Mrs. William W. Lambeth are celebrating their 73rd wedding anniversary today—a little quietly. They're still a bit tuckered from observing his 101st birthday.

On that occasion, Dec. 4, all six children were on hand. There was open house, with friends coming and going, and dinner and a cake. Today there would be a good dinner, at least five of the children present but otherwise "a nice quiet day," said a daughter, Miss Ellen Lambeth.

She said her father, who weighs 113 now, weighed only 70 pounds when he was 19 years old.

"The doctors thought he had heart trouble. If he did, he outgrew it. They say he has a very good heart now—and the blood pressure of a young man."

The Lambeths, born in different Alabama towns, met and married in Deport, Tex. Lambeth was a cattle rancher in Texas, then Arizona, and later a landscape gardener in Palm Springs, Calif. He worked in his vegetable garden through his 99th year.

Now bedridden most of the time, with impaired vision and hearing, he keeps up with current events by quizzing callers.

His wife Ellen, 94 and blind, is cheerful and manages to be up and around. She likes music. Their Christmas gifts will include a record player with both musical records and the talking kind that relate books and current events to the blind.

The recipe for a long marriage? Miss Lambeth, a retired school teacher who lives with her parents, said:

"They say it comes from healthful living, trusting in God and loving each other."

They have 10 grandchildren and six great-grandchildren.

Eskimos Like West Virginia Station

WHEELING, W. Va. (AP)—Radio station WWVA will have a special Christmas greeting Saturday for the 7,000 Eskimos who live around Hudson Bay.

The word here is that practically all the 7,000 will be listening at missions and trading posts.

The Eskimos, it turns out, love mountain music and have been regular fans of WWVA musical programs.

Hearing of its special fans more than 2,000 miles away, WWVA asked Bishop Scheffer of Montreal to prepare the Christmas message. A priest, Father Thibert, who has served in the missions maintained by the Oblates of Mary Immaculate in the barren land, translated the message into Eskimo talk and recorded it in Montreal for the broadcast Saturday night.

Danes Applaud Christine For Movie Attempt

COPENHAGEN, Denmark (AP)—Danish movie critics agreed today that the color film on Denmark made by Christine Jorgensen, the New York boy turned girl, was amateurish in spots but good publicity for their country.

More than 500 Danes applauded the first public showing Monday night of the film made by the young American who recently underwent a series of operations and treatments here that changed her sex.

"It was fun to see Denmark with the eyes of an American," wrote Politiken's critic, Edvard Andersen, "but it must be admitted that the film is vulnerable to professional criticism. Miss Jorgensen picks her motifs excellently but she needs a lot to get beyond the amateur level."

Miss Jorgensen has said she plans to exhibit the film to Danish-American groups in the U. S. She says she wants to make a career as a photographer.

Before the showing began, Miss Jorgensen wearing a long dress of flowered greenish - grey taffeta, long black gloves and pearl earrings, asked the audience to forgive the fact that some of the pictures were too dark or jumpy. Many were just that. But there also were many beautiful Danish scenes.

Throughout the showing she commented in a mixture of Danish and French, nervously at first but later rallying in great style. The audience applauded several times and two bouquets were presented to Miss Jorgensen when it was over.

Another Bottom Hole Pressure Check Set

AUSTIN, Dec. 16 (AP)—The seventh bottom hole pressure survey for the Reef Lime Fields of the Goodell, Kelly-Snyder and Diamond "M" Canyon Lime areas, Scurry and Kent counties, was ordered yesterday by the Railroad Commission.

The commission said it is of the conference the National Rural Potions are necessary at six-month intervals.

Reports are required not later than Feb. 15.

Experts On Finances, Such As GrouchoMarx,HandOutAdvice

NEW YORK, Dec. 16, (AP) — Tips for investors come today from such eminent sources as Groucho Marx and the Federation of Women Shareholders in American Business, Inc.

The radio and movie comedian advises that he buys stocks when the wind is from the north.

The federation advises its lady members to get stocks out of their husband's name and into their own.

Groucho's discussion of the fine points of corporate investing and management comes in answer to a solemn questionnaire sent him, a Pitney - Bowes shareholder, by the management of the Stamford, Conn., makers of postage meters and business machines.

His replies are released today by the company in a report on their "stockholder opinion survey."

Asked why he bought Pitney-Bowes stock, he says "the wind was from the north."

TWO DRY WELLS

To a question about his other stock ownership, Marx lists "two dry holes in Texas."

The curious management wanted to know, "How capable do you consider the present management?" And their Beverly Hills, Calif., shareholder wrote back, "Good golfers." He also rated their annual report as "tops in fiction."

Practical advise was handed out, too. Money can be raised for growth, he told the management—ignoring the orthodox methods of issuing debentures or selling common and preferred stock—by resorting to "bank robbery."

The advice to women was aired at a meeting of the federation here yesterday. The advice in this case was entirely serious.

SHOP FOR COUNSEL

"Don't be afraid to shop for investments or for investment counsel the way you do for anything else," Mrs. Wilma Soss, president of the federation, told her following.

"Read the news, editorials and financial pages of a newspaper every day," she said.. "Read a newspaper with whose editorial policy you disagree at least once a week.

"Buy more of your company's products and services this year.

"Whether you invest yourself or some one does it for you, learn to ask questions.

"Attend stockholder meetings."

And then the lady investors got the real dope on how to be a success in the financial world.

"If you are a stockholder by marriage because the stock is in your husband's name," Mrs. Soss advised them, "act as his proxy if he cannot attend, or go together."

Then she looked her lady investors right in the eye and let them have it:

"Or, better still—get the stock in your own name."

So there, ladies, you have it—buy stock when the wind is from the north—and be sure your husband puts it in your name.

Pair Released After Lie Test

SAN FRANCISCO (AP) — Police have released a father and son who were questioned three days in connection with the $7,128 robbery slaying of grocer Gard Young and three children.

Wendell Hall, 49, was freed yesterday at Fresno after lie detector tests. His 27-year-old son Travis was freed here shortly afterward.

The Halls were arrested Saturday after an anonymous informer told San Francisco police that two men had asked him to join them in a plot to rob a man named Young.

Inspector Michal Deoberty said both men had excellent alibis for Oct. 10—the date Young, his two small daughters and a neighbor boy were slain near Chester, Calif.

The cottonwood is a kind of popular tree.

The earliest records of the game of polo are Persian.
