Spelling Bee Director Named

Director for the 1982 Castro County National Spelling Bee has been named by the Amarillo Globe-News and West Texas State University (Canyon), sponsors of the annual educational program.

In charge of the county's bee arrangements will be County Judge M.L. Simpson, Court House, Dimmitt.

The director will choose a date for the county contest and name a winner prior to April 3, 1982. The county champion will participate in the 34th Regional Spelling Bee in Amarillo on April 24 and will compete for numerous awards, including the top prize - an all-expense paid trip for two (courtesy of the newspaper) to Washington D.C. in early June for the national event.

Rules for participation are established by the national sponsors, the Scripps-Howard Newspapers, Cincinnati, Ohio. The two basic requirements are (1) students must not have passed beyond eighth grade at the time of their individual school finals; and (2) they must not reach their 16th birthday on or before the date of the national finals (June 1).

Contests begin with classroom eliminations, then school spelldowns and finally the county event.

Words for study are prepared by the national sponsors. This is a small booklet containing in excess of 3,000 words. The cost is 40 cents each and the list may be purchased from Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79166. Interested students who wish to take part in the educational promotion

Roy Martinez Wins Contest

All contestants received three free points when last week's football contest was graded. Mis-matched games appearing in the contest were credited as correct guesses. Every contestant also was assured of one miss with the tie game between Odessa and Abilene Cooper.

It was still an "upsetting" week for most contestants. Roy Martinez was the lone contestant missing as few as three games. He claims this week's top money.

Four contestants missed four games each and were also close on the tie-breaker predictions. Head football coach Ken Hoskins and David Hernandez remained tied after the tie-breaker was counted and will equally divide second and third place winnings.

Hoskins and Hernandez were off 17 points on the actual score of the Longhorns and Mustangs. Each predicted the score at 14-8.

Arnold Ehly missed by 18 points with 12-7; Cleve McLain was off 19 points with 12-6.

Chad Black survived a poor week and still holds sole possession of the season standings. He has 64 correct predictions. One point back, Ehly and Bobby Allensworth have 63 correct picks.

Contestants within 10 points of the lead also include Glen Black, 62; Bob Bowden and Hernandez, 61; Rusty Ammons, Jerry Mathis, Mark Stroebel, 59; Johnny Carrasco, 56; and Deanna Huseman and Hoskins, 54.

Band Boosters To Take Orders For Pecans, Fruit

Band Boosters will accept orders for pecans and fruit from Oct. 27 through Nov. 9. Fresh oranges, grapefruit and apples may be purchased separately or mixed.

Persons desiring additional information may contact Mrs. Wamon Foster, 938-2392, or Mrs. L.D. Lacy, 938-2271.

Dimmitt Women Set Craft Bazaar

Dimmitt Young Homemakers are sponsoring an Arts and Crafts Bazaar Dec. 5 in the Castro County Expo Building in Dimmitt.

Booth spaces are available at $20 for one person booths; $15 for booths with more than one person. Deadline for reserving booths is Nov. 15.

To reserve space, contact Sherri Baldridge, at 647-3686 after 4 p.m. or Teresa Parsons, 647-4553.

There will be no admission charge to attend the bazaar. Door prizes will be awarded. A concession will serve food and drinks.

Hart High School Students Participating In Program

Selected students of Hart High School are participating in the Gifted/Talented Seminars program for the second year.

The 1980-81 school year was the first participation in the seminars program sponsored by Region XVI Educational Service Center. Don Ickles is coordinator for the program in Region XVI.

According to guidelines laid down by TEA and Region XVI Service Center selected students should be in the top five percent of their school based on their academic ability. In HHS this five percent would be about eight students, with two alternates permitted.

In the selection process, a faculty committee had a list of five students from each class who made the highest composite score on the SRA achievement tests. From this list the committee selected eight members to participate in the program for the 1981-82 school year. In addition to the eight, two alternates were selected to attend the seminars in case a regular member is unable to attend.

Students selected in the final screening by the committee members present were seniors, Clay Barnes, Suzahn Rowland, Teresa Mapp, Derek Rich; juniors, Jennifer Davis, Dan Jones; sophomores, Denny Lacy and David Wall. Alternates are Linda Booe, a junior and Darrell Ethridge, a freshman.

Though the program will have several changes from last year the goal and objectives are essentially the same. The seminars are designed to offer programs that will enable each individual to further develop potential and special abilities; to develop within students a desire for excellence and a sense of individual responsibility to the school, community and to the changing society.

Electricity. Knowing what it's worth is worth knowing.

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise.

1. How much was your electric bill last month? $_____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. $_____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. $_____

Knowing what electricity is worth is worth knowing. Just look around.

COOPERATIVES ARE PEOPLE!

All kinds of people belong to cooperatives. More than 23 million American families are members of one kind of co-op or another. They have joined together to provide themselves with all kinds of goods and services.

Through cooperatives, people market farm products and buy farm supplies, fuel oils, gasoline, and even groceries.

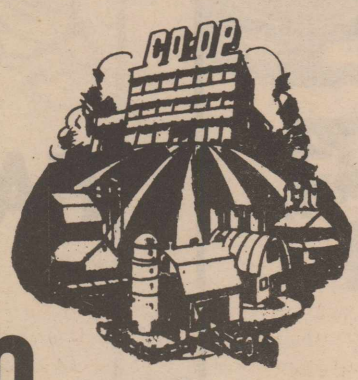

Other cooperatives provide their members with credit, health care, electricity and telephone service. Still others provide housing, insurance and other services.

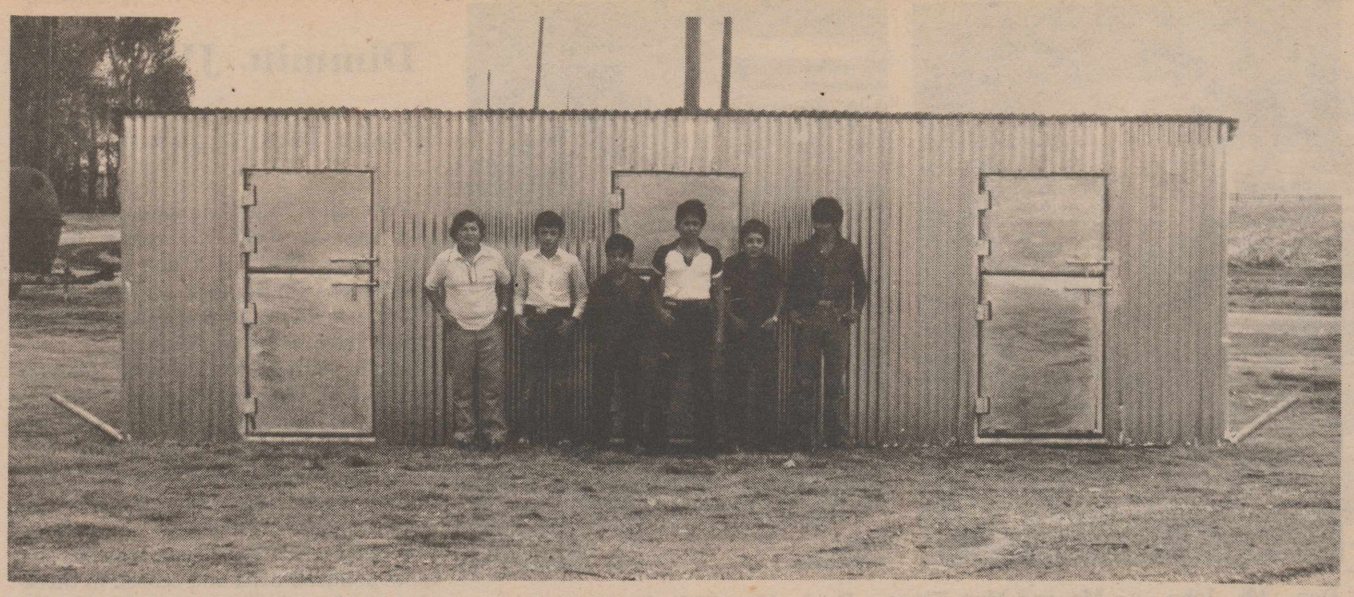

Whatever the human need, people can fill it themselves through cooperatives.

Horns Lasso Mustangs

Hart was on home field Friday evening to face the Olton Mustangs. For the first time in four years the Longhorns made their Homecoming a sweet success with a very convincing and exciting 30-7 victory. With the win Hart now stands at 3 and 2 on the year.

The Longhorns received the opening kickoff, but fumbled on their second play from scrimmage. Olton took over at the Longhorns' 22 yardline and promptly moved to the 7 yardline before the Hart defense dug in. On fourth down, the Mustangs turned a bobbled field goal snap into a 14 yard touchdown run by holder Marty Crowder. Mike Williams added the PAT to put Olton on top 7-0 with 9:43 still remaining in the first quarter.

After several punt exchanges the Longhorns' specialty teams came through once again. With Olton punting from its own 37 yardline Robert Gonzales broke through the middle and blocked the punt. Reent Upshaw recovered it at the Mustangs' 28 yardline. Five plays later, Derek Rich hit Jorge Barretero for a 20 yard scoring toss. Rich then ran around left end for the two-point conversion giving Hart an 8 to 7 lead with 1:43 to play in quarter number one.

Hart held the Mustangs on their next possession and began to move from their own 47 yardline. The Longhorns put together a very impressive 13 play drive, using up almost five minutes, with Rich throwing his second TD pass of the evening. This one went for 12 yards to Chris Clifford. The run for two points failed leaving the score Hart 14 - Olton, 7, with 5:53 remaining in the second quarter.

On the ensuing kickoff the Mustangs' Jonny Hutson fumbled and Hart's Arnie Gonzales recovered at the Mustangs' 40 yardline. Aided by a 32 yard run from Clay Barnes after a clipping penalty, the Longhorns moved down to the 21 yardline before the Olton defense stiffened. The Longhorns used another special teams' weapon as Barnes was called upon, and he calmly booted a 28 yard field goal pushing the score to 17-7 with 2:53 left in the half.

After two possession exchanges, the Longhorns ended the first half on a good note when defensive end Ferny Coronado caused Mustang QB Mart Cordova to fumble. At the half the scoreboard read Hart 17 and Olton 7.

Olton received the second half kickoff. They moved for one first down after being aided by a 15 yard penalty. On their fourth, Crowder fumbled and the Longhorns recovered at their own 37. The Longhorns picked up where they had left off in the first half. With excellent blocking from Jorge Barretero, F. Coronado, J. Valadez, A. Sarabia, A. Reyna, Roy Martinez, C. Clifford and C. Reyna, the much smaller Longhorns moved 63 yards in 11 plays with fullback Clay Barnes going the final three yards for the score. Barnes then booted the PAT to stretch the Hart lead to 24 to 7 with 5:50 left to play in the third quarter.

The Longhorn defense led by A. Gonzales, R. Gonzales, R. Rogers, R. Upshaw, D. Scott, D. Hernandez and Robert Martinez kept the Mustangs in check throughout the second half.

The Longhorns added the final score of the evening on Rich's third TD toss of the night. This one went to Barretero for 15 yards and the score. The PAT kick was no good, leaving the score Hart 30 and Olton 7 with 4:41 left in the game.

The Mustangs put together their only real drive after the ensuing kickoff. Olton drove from its own 42 yardline down to the Longhorns' 15 before the Hart defense rose and held the Mustangs on downs.

When the game ended, Hart had provided their Homecoming crowd with a very impressive 30 to 7 win. It was the first Homecoming victory since 1976.

Coach Hoskins commented that good team defense played an important part in the win. "Olton only ran 13 plays in the second and third quarters combined. It is extremely hard to score when you cannot keep the ball." Coach Hoskins added that the offensive line blocked extremely well and the backs, D. Rich, D. Myrick, C. Barnes, A. Carrasco and D. Hernandez, blocked really good for one another. "In our offensive scheme all our backs must block, and they all did a really super job, especially Coy Myrick." Clay Barnes led all rushers with 106 yards on 24 carries, while Alex Carrasco had 53 yards on 19 carries. "I'm really proud of our youngsters. Olton outweighed our kids almost 30 pounds per man. Coach Browning and Coach Stroebel have really worked hard with the ends and linemen and the hard work is really becoming evident."

Hart opens District 3-AA play on Friday, Oct. 16 in Hart. The Longhorns will entertain always tough Vega. Game time is 7:30 p.m. Get out this week and back the Hart Longhorns and cheer them on to a District win!!!

Mrs. Claude Ray went to Odessa Wednesday to visit a few days with her son and family Mr. and Mrs. Clifford Ray and Sharlie, and her mother, Martha Ellis and other relatives. She helped granddaughter, Sharlie celebrate her seventh birthday and brought her mother home with her for a visit.

SUNDAY GUESTS

Visiting Sunday with Mr. and Mrs. Wayne Beavers were their son, Terry of Lubbock; her mother, Mrs. Ruth Shive; her sister, Mrs. Doris Lacy and nephew, Mr. and Mrs. Carl Lacy and Cally of Halfway.

During Mark Twain's days as a newspaperman, he was editor of a small Missouri paper. One day he received a letter from a subscriber, stating that he had found a spider in his paper, and asked if this was an omen of good or bad luck.

Twain replied: "*Finding a spider in your paper is neither good nor bad luck. The spider was merely looking over our paper to see which merchant was not advertising so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward.*"

Dimmitt JV Pass Hart 10-6

Football is called the game of inches, and that is what it proved to be Thursday night in Olton with the Shorthorns coming out an inch short; Olton won 14-12. It was a hard fought battle from start to finish.

Hart scored first when Manual Ramirez blocked an Olton punt. Ronnie Rodriguez pounced on the ball on Olton's 30 yardline. This started the fire going for the Shorthorns when only in four plays Abel Martinez went in from the three yardline.

Shortly after the Horns scored, the Colts pounced back and scored in three plays and made the two point conversion, making the score 8-6. The Colts scored again in the second quarter, ending the half with the score 14-6.

The Horns came out all fired up the second half. They received the opening kickoff and drove the ball 70 yards and scored when Pete Barretero dove over from the two yardline, the extra point failed.

The Horns kept the ball 12 minutes of the last 18, allowing Olton to gain only one first down the second half. Even though, the Horns out-played the Colts during the last two quarters, the Horns still came up short by two points.

DEFENSIVE STANDOUTS - Manual Ramirez, Angel Gaurrieta, Abel Martinez and Arnulfo Corrosco.

OFFENSIVE STANDOUTS - Arturo Guzman, Abel Martinez and Lolo Esparza.

Next game is at Vega Oct. 15.

Olton Nips Hart Jr. High 14-12

Dimmitt scored early in the first period with a two yard field goal, in JV action last week.

Hart came back in the second quarter, scoring with a six yard run from Daniel Guzman, making the score 6-3 in favor of Hart. After a blocked punt, Hart failed to capitalize on a drive which took them inside the 20 yardline and the first half ended with a score of 6-3.

In the third quarter it was Dimmitt dominating the action and the clock. They scored on a 65 yard drive, but failed to make their extra points which made the score 10-6 in favor of the Bobcats.

The Longhorns never capitalized on moving the football again.

Spelling

are encouraged to obtain the booklet directly from the newspaper. The booklet, "Words of the Champions" may also be obtained by principals and county bee directors.

The sponsors also conduct a Junior Bee for students in the sixth and lower grades. These county winners will be guests of the sponsors at the regional contest on April 24, but will not compete unless they are also winners of the secondary contest. Annually there are about 10 who are declared dual county champs.

Additional information may be obtained from Mrs. Jeane Bartlett, Amarillo Globe-News Spelling Bee Editor, or Gene Parker, WTSU.

OUT OF HOSPITAL

Lesley Franks was dismissed from Methodist Hospital in Lubbock on Saturday.
