On The BEAM

By J. W. King, Sr.

There is some discussion every now and then about those politicians who lean to the far right or to the far left.

Both groups advocate things that a large segment of the people cannot believe in. Those who consider themselves conservatives believe that it is all wrong for the government to have anything to do with regulating business of any kind. Those who consider themselves liberals believe it is all right for the government to have some regulations on business.

Those on the far left or the far right are both wrong. Moderate left or moderate right might be tolerated. Those conservatives, however, who believe anything a liberal does is sure to head the country toward communism and that what we need is conservatism should call back a few years when conservatism just about had the country on the rocks.

The nearest this country has ever come to turning to communism was back in the late 20's and the early 30's when far right conservatism was in full power in Washington. Had not a liberal come into power and got things moving again I hate to think of what might have happened with another year or two of Republican conservatism at that time.

Maybe things have swung a little far to the left but brother it's no worse than it was when things were too far right. The far righters need to swing a little to the left and the far lefters need to swing a little to the right.

The threat of communism is real and both sides need to stay as far away from it as possible. Communists are clever, they stir things up so each faction will be fighting the other so hard they fail to see the communists slip in. Lets all wake up to the danger.

PADRE ISLAND PARK

There is no sensible reason for further quibbling over legislation to add Padre Island on the Texas Gulf coast to the National Park System. Here is one of the finest of our undeveloped shoreline areas that can yet be saved for the public. Senator Ralph Yarborough is sponsor of a good Padre Island bill that has now been cleared by committee and is ready for Senate passage.

The House subcommittee on parks has held hearings on some what similar bills that should be set aside unless amended to conform to the Yarborough measure. Whereas the Senate bill would preserve eighty-six miles of the barrier island for future generations, the House bills would save only sixty-five miles and relinquish the best beaches and dune lands to commercial development. One House measure would require the construction of a paved highway from one end of the island to the other. Not only would such a road despoil the scenic grandeur and wilderness; it would be costly to build and to maintain.

The plan advocated by the Texas Senator is sound and in line with Park Service recommendations. It deserves prompt approval.

CLOVIS HALE PLEDGED L.H.R. MEN'S SOCIAL CLUB

Clovis Hale, son of Mr. and Mrs. R. J. Hale, Route 1, Lorraine, Texas, pledged L.H.R. men's social club at McMurry College during spring rush week activities at the Abilene school.

New pledges of McMurry's ten clubs will be admitted to full membership after a ten-week pledging period.

Mr. Hale is a sophomore student, and his major course of study is Physical Education.

LAST WAGON WEST

The Last Wagon West which started from Providence Forge, Virginia, September 26, 1961, rolled into Lorraine about 6:30 p.m. Friday, March 23. The wagon was parked on vacant lots back of the drug store and remained there until 10 a.m. Saturday.

The wagon is pulled by two large horses. The wagon is the home of Mr. and Mrs. Leon Gillis and their six children George, Barbara Gail, Janet Kay, Lee Ann and Alan Dale, while they are on their trip to California. They hope to reach the coast in about another two or three months.

Minta Jane Dobbs of Mid-Western University, Wichita Falls, spent the weekend with her parents, Mr. and Mrs. Martin Dobbs.

Mr. and Mrs. Ellis Carroll and children of Muskogee, Oklahoma visited her parents, Mr. and Mrs. J. W. King, Sr. and Mrs. Charles Coley of Big Spring and another daughter and family, Mr. and Mrs. Charles Vigler and daughter Lora Lee of Sweetwater.

Fallout Shelters May Be Needed North Lorraine H.D. Club Told

"Civil Defense and the Family fallout shelter", was the subject of panel discussion led by Mrs. Rosie Hamrick, Civil Defense chairman, at the regular meeting of the North Lorraine Home Demonstration Club Wednesday, March 21.

Mrs. Wilma Adams was hostess for the meeting. Others on the defense committee of the club are Mrs. Alva Bennett and Mrs. Frank Story.

Fallout shelters may be needed everywhere, according to this committee. If an enemy should come to this country, fallout from his nuclear bombs would threaten life in the entire country. Ordinarily, a basement fallout shelter can be constructed for less than \$200.00 on a do it yourself project.

Concrete or bricks, earth or sand are some of the materials heavy enough to afford protection by absorbing radiation. If you can't get to a fallout shelter, the safest place would be in a below ground basement corner least exposed to windows. The meeting was opened with

the club prayer led by Mrs. Willie Taylor. The president, Mrs. Raymond Wheeler presided, and secretary, Mrs. J. E. Price called the roll and members answered with "A new vegetable that I have served my family this year".

Mrs. Rosie Hamrick gave the council report.

Plans were completed for the candidate rally to be held on Saturday night, April 28.

The club voted to continue to fill a box with gifts for the McKnight Hospital at Sanitorium, Texas at Christmas time.

Mrs. Wheeler announced that the county agent, Mrs. Cricket Taylor would teach a sewing school in Lorraine if enough women were interested. Either basic or advanced course.

Refreshments of sandwiches, cookies and hot spiced tea were served to the visitors. Mrs. J. L. Tillison, Mrs. Mattie McLeod and Frankie Bennett and members, Mmes: J. E. Price, Roy Wells, Raymond Wheeler, Jack Linam, Rosie Hamrick, Alva Bennett, Frank Story, Willie Taylor, F. M. Richey, Myrtle Martin and Bernice Hallmark.

Journalism Scholarship Offered Lorraine Seniors

Midland, Texas.—Sixth annual scholarship contest of the West Texas Press Association is now underway. High school seniors who plan to go into newspaper journalism may compete for the \$600 scholarship. Deadline for entry May 1.

All applications are to be sent to the scholarship chairman, James N. Allison, Jr., The Reporter-Telegram, Midland. Announcement of the winner will be made by May 25.

Students who are interested in trying out for this scholarship should talk with their high school principal or editor of the hometown paper, who will be glad to help them with the necessary details.

The winner will receive a \$600 scholarship over a four-year period or \$150 a year as long as requirements are met.

One scholarship winner has graduated from college, another graduates this year, which will leave four current scholarship holders in West Texas Colleges.

In submitting his application, the student should send a biographical sketch, a picture of himself, a letter telling of his intent to go into newspaper journalism and to attend one of the ten designated colleges. He should also have letters from his journalism teacher or publication sponsor, from his high school principal or superintendent, and from his hometown editor or a nearby editor if there is no newspaper in his hometown. A personal interview with the editor is recommended.

The candidate must be in the upper 25 per cent of his class, must have demonstrated ability in newspaper journalism and a desire for a newspaper career.

The designated colleges are Abilene Christian College, Hardin-Simmons University, Howard Payne College, McMurry College, Midwestern University, Sul Ross College, Texas Tech, Wayland Baptist College and West Texas State College and Texas Western College.

PARENTS-TEACHERS ASSO.

The last project of the year sponsored by the local Parents Teachers Association is a sale of candy.

The candy, Mrs. Leland's "Butter Bites" come in colorful canisters with plastic lids, which may be used for a multitude of purposes after the candy is gone.

The proceeds from the sales will go toward the equipment of the science room in high school, which will be open for use at the beginning of the Sept. school term.

Home Agent Gives Pointers On Landscaping

By Cricket B. Taylor
County Home Demonstration Agent

Well developed home grounds not only add comfort and convenience to daily living but increase the value of the property dollar-wise, according to County Home Demonstration Agent, Mrs. Cricket B. Taylor.

Landscaping is merely creating a living picture of the entire ground by the use of shrubs, trees, grass and other materials.

Property for each family presents different situations and problems, however, certain basic principles may be applied even by the amateur with some knowledge of shrub arrangements.

The following information may serve as a guide to those who want to improve their landscape:

1. A beautiful home landscape is one which is well kept. Don't plan more than you will be able to keep up.

2. Simplicity, convenience, and comfort are the main aims to achieve.

3. Shrubs may be planted about the foundation of buildings, for without it the building has the appearance of being stuck into the picture. Do not plant shrubs in exact rows, but in irregular groups. Evergreen shrubs are more desirable about the foundation of the house.

4. Annual flowers should be planted in a garden arranged for that purpose. They are hard to keep and make shrubs look ugly when the flowers die.

5. Use as many pecan and fruit trees as possible for they serve a dual purpose - beauty as well as food.

6. Tall slender trees, such as poplar, Italian Cypress have no place in rural landscape for they are too formal. If you still desire them, plant them in groups and at the back of the house.

7. Plant roses in a bed planned especially for them.

8. Plant trees and shrubs in public area for they are easily kept.

9. Don't border walks with stones or hedges or hedges for they are very difficult to keep.

10. Walks should be made inconspicuous in order to have an unbroken lawn.

11. Rural landscaping is informal and trees should be so planted to seem as if the house was just dropped down among them. They should have a two-fold purpose: for protection from wind and sun and for framework for the house. A sufficient number of trees should be planted to make enough shade to invite outdoor life near the house. They should not be planted directly in front, but somewhat to each side so as to make a frame through which a view of a portion of the front is obtained. Then when they are grown they partially shade the house without entirely covering the front.

12. Keep in mind the picture as a whole and not individual plants or trees.

13. Plant low growing shrubs under windows and near doorsteps.

14. Plant taller shrubs at corners and between windows.

15. Have door steps the center interest and shrubs getting smaller as the eye leads to it.

16. Shrubs near the house "tie" the house to the ground but should leave open space occasionally.

17. Don't plant too many shrubs and don't get them too near the house. Larger shrubs should be 3 to 5 feet from house. Smaller ones are at least 18" from the house.

18. Don't use too many plants of kind of shrub for it becomes monotonous but try to use contrast in color and different seasons for flowering.

19. Don't try to use in your landscape every shrub you hear about. Stick to the faithful few and keep them well.

Information on shrubs and trees best suited to the area are available at the Home Demonstration Agent's office. A new study guide is also available to those who are planning for the development of good landscape areas.

Mr. and Mrs. Darrell Owen of Tarleton State College spent the weekend with their parents, Mr. and Mrs. Harney Owen and Mr. and Mrs. John White.

John Jones left last Thursday for Bellevue, Texas to visit a sister. Mrs. W. J. Jones accompanied him to Wichita Falls where she will visit her sister.

First State Bank Remodeling Building

The First State Bank of Lorraine is preparing to do considerable remodeling of the building and fixtures all of which will be done over a period of several months.

The old windows will be taken out and solid plate glass installed. On the inside the ceiling will be lowered and the bank fixtures rearranged for more convenience of customers.

The first stage of the work is now going on. A new heating and cooling system is being installed.

When completed the First State Bank will present an appearance comparable to any in the area.

Baptist Revival Set For April 1 Through 8

The First Baptist Church will begin a revival and life commitment week this Sunday, April 1. It will be an eight day meeting. The Pastor of the Church, Rev. H. M. Farrington will preach each morning at 9:30 and each evening at 7:30.

A 7:00 coffee and prayer meeting will be sponsored by the men's Brotherhood, each morning Monday thru Friday, prayer meeting each evening before the services will begin at 7:00 in the Sunday School Departments.

The Youth Choir under the leadership of Mrs. J. C. Hall, Jr. will meet for rehearsal at 7:00 each evening and will furnish the gospel singing throughout the week.

A goal of 350 in Sunday School has been set for the last Sunday of the revival.

Members of all denominations and churches of the area are invited to attend the services. Bible filled messages and inspirational singing are the goals of those leading in the crusade.

MRS. HART CELEBRATES 86TH BIRTHDAY

Mrs. S. S. Hart, a resident of Lorraine since 1903, celebrated her 86th birthday, Saturday, March 24.

Celebration of her birthday started Sunday, March 18, when several of the family who could not be here this week came and brought a prepared dinner.

One daughter, Mrs. Euel Coles of Iran visited with her through Wednesday and hosted a dinner for her mother on Tuesday with several members of the family present.

Those visiting last Sunday were Mr. and Mrs. Bruce Hart of Andrews and daughter, Mrs. Paul Crenshaw and son of Midland; Mr. and Mrs. Kyle Hart and daughter and family, Mr. and Mrs. Grady Elder and sons, Lubbock; Mr. and Mrs. Wiley Walker and Mrs. Kenneth Butler and Danny, Lorraine and their daughter, Mrs. Max Irving, Abilene.

Others visiting in the afternoon were Mr. and Mrs. Charlie Tate of Brady.

Mrs. Hart was born in Atlanta, Ga., March 24, 1876. She and the late Mr. Hart moved to Lorraine from Ellis County in 1903.

They reared their 16 children and two grandchildren on their farm North of Lorraine where they lived 38 years. It is now owned by a son-in-law and daughter, Mr. and Mrs. Kenneth Butler.

Mrs. Hart still maintains her philosophy of life, that "a laugh is better than medicine". She is still in her place for Sunday School and church at the First Baptist Church each Sunday and always wants some one "to go home with me, and spend the day". She admits she is happiest when there is a house full of people. Rearing 18 children with all the noise and confusion involved, she says she can't get accustomed to a quiet house.

Others of the children who visited during the week were: Mr. and Mrs. A. C. Caswell, Mr. and Mrs. Homer Hart, Lorraine, Mr. and Mrs. Chester Hart, Colorado City.

Other daughters are Mrs. Mae Bridges, California, Mrs. Ella Drake, El Paso and a son H. L. Hart, Midland.

Guests of Mrs. Pearl Johnson over the weekend were three sisters-in-law, Mrs. Chester McLendon, Fort Worth and Mrs. George Walker and Mrs. N. O. Graham of Sweetwater.

Mr. and Mrs. Will Albright of Andrews visited his mother, Mrs. Pearl Albright Wednesday.

Prose Interpretation: Loretta Tarrt.

Shorthand: Sandra Cushing, Annette Browning, Ruth Browning.

Typing: Peggy Phillips, Judy McDaniel, Alternates, Carla Britton, Ruth Ann Cornutt.

Number Sense: Kitty Taylor, Jackie Bass, Harold Brewer. Alternate, Dennis Worrell.

Science: Tolly Padgett, Kitty Taylor, Glenda Chapman.

Slide Rule: Tolly Padgett, Jackie Bass, Don Small. Alternates, Larry Beights, Stanley Moore.

Persuasive Speaking, Tolly Padgett, Joretta Hall.

Ready Writing: Annette Browning, Sandra Cushing, Alternate, Kitty Taylor.

The High School girls will participate in the Girls Volleyball tournament at Blackwell Friday and Saturday.

Winners in these events will be announced next week.

Canaan Baptist Church For Negroes Burned In Early Morning Fire Thursday

MRS. ANDERS DIES IN FORT WORTH

Mrs. J. L. Anders, mother of Luther Anders of Lorraine died of a heart attack at her home in Fort Worth Monday night.

Mr. and Mrs. Anders left early Tuesday for Fort Worth after receiving the message and Mr. and Mrs. Harold Johnson, Terry and Kim went to Fort Worth that afternoon.

Funeral was held at Grand Saline at 2 p.m. Wednesday.

Mrs. Anders was well known in Lorraine, having one time made her home here and was a frequent visitor with her son and wife until her health failed a few years ago and she has been unable to make the trips.

The church was located across the railroad and highway in Negro part of town.

The fire originated in the rooms adjoining the main building but the cause of the blaze has not been determined.

The buildings and contents carried \$3,000 insurance. Rev. George Hearn is pastor of the church but at the time of the fire was in East Texas visiting his mother who is ill.

The firemen also made three runs on grass fires since last Thursday.

Fire Chief J. C. Hall, Jr., would like to remind the people of this area on the procedure of reporting fires until the new alarm system is in effect. During working hours at City Hall call 2700. Any other time or no answer at City Hall call 2301. Troy Jones, or 2755, J. C. Hall, Jr., don't delay in calling for the Fire Department will be more than glad to help.

Neighbors Work GALVAN LAND

Approximately 12-15 tractors and operators were on hand Monday at the Victor Galvan farm to bed the Galvan land.

The land is now put up in good shape and ready for the Spring rains that all farmers are wishing for.

This is the second working neighbors and friends have done for Mr. Galvan, who was injured in a gin accident and had undergone surgery for the amputation of his leg more than two months ago.

Olen Mayes Butane was again on hand Monday and furnished the butane for operation of the tractors.

At the first working six weeks ago, Mr. Mayes and Roberts Butane of Colorado City furnished the butane. All operators of tractors know this is no small item of expense.

The women were on hand again and served a bountiful meal at noon to the workers.

JORETTA HALL ON STAFF AT McMURRY TWIRLING SCHOOL

When the annual summer band and twirling school opens at McMurry College, July 15-29, a Lorraine girl will be one of the twirling instructors.

Joretta Hall, senior at Lorraine High School was at the college Saturday where she tried out for clarinet player in the McMurry Indian Band for the fall term and also as a member of the maidensettes. She has been notified she has been chosen for both these places and has been asked to be one of the twirling instructors for the summer school.

YOUTH FOR CHRIST

The Youth For Christ organization of the First Baptist Church met at 5:00 p.m. Sunday afternoon, March 25, for rehearsal. Work was continued on songs to be sung during the Spring Revival, which begins next Sunday morning. Following rehearsal, refreshments were served to thirty members, one visitor, and the director, Mrs. Chrystene Hall.

Sunday evening, Mike Mearse led the procession into the church auditorium. Don Small directed a congregational hymn; Carolyn Sue Schroeder read the Scripture. Mike Mearse was head usher, assisted by David Terry, Danny Tarr, and Kenneth Brame. Special music was "The Your Sins Be As Scarlet" sung by Sherry Graham, joined by the choir on sections of the music.

Beginning Sunday morning, the Youth Choir will have charge of all music for our Revival. There is a possibility of 65 youth who should be coming to our Youth Choir. Parents, if your child received a card from the Choir this week, please urge them to come and join us as we sing for the Lord. We need your youngsters! The Youth Choir will meet for rehearsal each evening at 7, April 2-7th. Please be there promptly for practice!

T.E.L. CLASS MEETING

Each member read her favorite scripture from the Bible Friday afternoon when the T.E.L. Sunday School class of the First Baptist Church met in the home of Mrs. Alfred Richey for their regular business and social meeting.

The secretary read the minutes of the last meeting and the two group leaders gave their report for the month of February. Mrs. Dan Butler, president, presided. \$2.55 was given for the offering for the Mexican Mission fund which made a total of \$18.12. Mrs. Edwin Hallmark is the chairman

CARRIKER NAMED TO ADVISORY COMMITTEE

Speaker James A. Turman today announced the appointment of Representative Max D. Carriker to the Advisory Committee which will assist the Texas Legislative Council in its study of coordination of the health and welfare agencies of the state. The Committee will have three members appointed by the Speaker of the House, six by the Governor and three by the Lieutenant Governor.

Representative Carriker is serving his second term in the House. He is Chairman of the Standing House Committee on Judicial Districts and Vice-Chairman of the Committee on Agriculture. He serves as a member on the Committees on Education, Penitentiaries, and Revenue and Taxation. This study of coordination of the health and welfare agencies of the State which is being undertaken by the Council was requested by the 57th Legislature in view

Max Carriker

of the fact that 90% of every State dollar expended is for highways, education, and public health, and welfare agencies of the State government are not centrally coordinated. State highway administration is through the State Highway Department, and educational endeavors of the State are controlled for secondary schools through the Texas Education Agency, and for the State's colleges and universities through the Commission on Higher Education.

YOU CAN EARN AND GET SOCIAL SECURITY TOO

Heeding the slogan, "Don't delay, check today", could very well put some social security payments in your pocket, according to Erven L. Fisher, District Manager of the Big Spring Social Security Office. This slogan was made especially meaningful by Congress when it passed the new retirement test law. Basically, this law allows many persons over 65 to receive some social security payments even though their earnings are substantially in excess of \$1200 a year. The new provisions are effective with 1961 and provide that \$1 of the total social security benefits payable to a family during a year be withheld for every \$2 the old age beneficiary earns between \$1200 and \$1700. Deductions for earnings in excess of \$1700 will be on a dollar for dollar basis. Perhaps an example of how this works will explain it better. Let us suppose that John earns \$3000 a year. He has had this job for years at the same salary and wants to continue. On the basis of a \$3000 a year salary his monthly social security check at 65 will be \$95. His wife at 65 will receive 1/2 of her husband's benefit or \$47.50 - total monthly benefits to both - \$142.50. In this example,

if John retired and kept his earnings under \$1200 a year, he and his wife could receive checks for all 12 months of the year, or \$1710; but John wants to continue his \$3000 a year job. Can he receive any social security payments? We'll apply the test and see.

Step 1. Since John is earning over \$1200 a year, he and his wife will not be able to receive the full \$1710.

Step 2. For the first \$500 he earns over \$1200, a deduction of \$250 must be made (\$1.00 for each \$2.00 earned.) Subtracting \$250 from the \$1710 leaves \$1460.

Step 3. Since his total earnings are \$1300 over the \$1700, we must subtract an additional \$1300 (dollar for dollar) from the \$1460 remaining from Step 2. This leaves \$160, the amount of social security payments due John and his wife for the year.

John and his wife received some social security benefits for the year. Maybe you can too. Heed the slogan "Don't delay, check today" with your social security office in Big Spring. Every employed person over 65 who has not already done so, should visit his social security office to find out if he can collect some benefits.

Mrs. Max Irwin of Abilene spent the weekend with her parents, Mr. and Mrs. Kenneth Butler.

NO PREMISES QUARANTINED IN SCREW-WORM

ERADICATION PROGRAM
Austin, March 22-Individual premises on which screw-worms are found will not be quarantined, advises Dr. R. G. Garrett, executive director of the Texas Animal Health Commission in Austin.

State and federal animal health authorities must have reports on all suspected screw-worm infestations to conduct the eradication program properly. Livestock owners who make such reports will get the earliest and most thorough relief, Dr. Garrett said. A screw-worm transport patrol line has been established by the Commission across Texas from Del Rio generally east to Columbus and south through El Campo and Bay City to the Gulf of Mexico. This action was taken to contain known infestations in the southern part of the State, where their presence has been confirmed, and to prevent their transportation by truck or rail to the free area north and east of the patrol line.

Dr. Garrett requests that all animal handlers be especially watchful for animal wounds. He suggests that, where possible, such wounds be treated immediately with screw-worm remedies and fly repellents so they will not become infested.

If worms are found in animal wounds, their identity should be established as quickly as possible, Dr. Garrett said. Free mailing

kits may be obtained from county agricultural agents, livestock inspectors and others. Samples of the worms found will go to Screw-worm Identification, ADE-USA, Box 969, Mission, Texas. Identity of the worms will be made known to the owner immediately.

Veterans News**QUESTIONS AND ANSWERS**

Q. I see that World War Two veterans have just been given another two years in which to get a GI loan, and that at the same time VA has given new authority to make direct loans. What is the direct loan program?

A. It is a much smaller program than VA's loan guaranty program. Direct loans are made only to veterans who live in certain rural and small town areas where GI loans are not obtainable from local lenders. Eligible veterans apply directly to VA.

Q. Does the VA in Washington, D. C., have a list of all courses approved for veterans under the Korean GI Bill?

A. No. Each regional office maintains a list of State-approved courses for veterans under the Korean GI Bill. To get the information, contact your VA regional office, and not VA headquarters in Washington, D. C.

Q. I am a Korea veteran, discharged in 1956, and have a disability which VA has just rated service-connected. What is my deadline for finishing vocational rehabilitation training under Public Law 804?

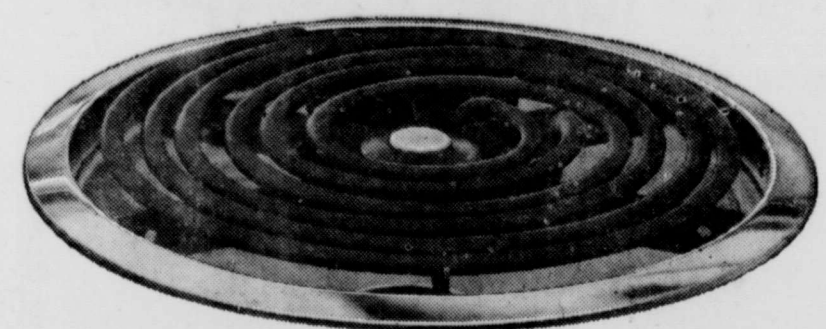

A. Your deadline is January 31, 1964, or nine years after separation, whichever comes first. There are exceptions to this deadline for certain veterans, but apparently they do not apply to you.

Q. I understand that special restorative training is available under the War Orphans Education program to handicapped young men and women in need of it. Does this restorative training include medical care?

A. No. Special restorative training does not include medical care. It does include special courses, such as braille reading, language retraining and the like, designed to help a person overcome his handicap so that eventually he can take regular training at school.

COOK CLEAN THE FLAMELESS ELECTRIC WAY WITH HEAT AS CLEAN AS ELECTRIC LIGHT

Most homemakers will admit they have a hard enough job cleaning the inside of cooking utensils. Scouring fuel grime from outer surfaces, too, just adds unnecessarily to kitchen chores. But clean, flameless, electric heat is free from by-products of combustion that smudge and soil utensils. Pots and pans, walls and curtains, and the range itself, stay cleaner. You'll be surprised how much time you'll save for other household activities when you cook the clean, flameless electric way. See your electric appliance dealer today.
