

THE KNOX COUNTY HERALD

VOLUME 52

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, OCT. 31, 1957

NUMBER 48

The ominous threat, "Trick or Treat," will again be heard in Knox City tonight when Halloween spooks and goblins—and just plain kids—are on the prowl.

Even with the high price of cookies these days, treats are cheaper than tricks . . . so you are strongly advised to have a bountiful supply of cookies, candy or something on hand.

The Halloween carnival at the American Legion Hall should occupy a part of the Halloween pranks' time . . . but after the carnival is over will be the time for pranking.

Leroy Melton, Benjamin drug-gist, has sold his stock and will move to Seymour, where he will be associated with Ferguson Drug.

And we wouldn't have been more surprised if we had heard the county courthouse was moving . . . because one seemed to be about as permanent a fixture of Benjamin as the other!

Leroy and Ruby have operated the drug store in Benjamin for 28 years. We call it a drug store, but it was also the bus station ever since buses have run through Benjamin, a news stand, collection office for the utilities company, mayor's office, because Leroy was mayor or city councilman for more than 20 years, and County Democratic headquarters, because he was chairman of the County Democratic Executive Committee.

He was also "sort of" a messenger, sort of a doctor and sort of a veterinarian.

He regularly delivered medicines and other drug store items to the aged and ill in Benjamin, and has been up all hours of the night getting medicine for crying babies.

Ruby, too, has been active in operation of the drug store and in just about everything else in Benjamin . . . so we doubt if the town is ever quite the same without the Meltons and their "drug" store.

Another place that will never be quite the same to a lot of people is the Buzzard Peak area in King County, since the death last week of our Uncle Charley Dowding.

Uncle Charley was just one generation removed from being an Englishman, but he was a genuine Texas cowboy. He was born, went to school, and died on the homestead in King County.

He moved to town once when he was a young bachelor, but two days later packed up and moved back home, because he missed the howling of coyotes and the smell of cedars.

Among our earliest memories is riding home with Uncle Charley, along with a brother or sister, one of us in front of him in the saddle and the other behind. We enjoyed his dry humor and homespun philosophy, and spent hours listening to his tales of the early days in King and Knox Counties and of the rugged early-day ranch life . . . of a great blizzard when cows drifted and died by the hundreds, and of droughts so bad he dipped water from a spring with a bucket, watering his cows one by one.

He was lonesome when out of sight of Buzzard Peak, and loved everything about the country—cows, horses and wildlife—probably even the "varmints."

He didn't like to see quail killed because, he said, as he boy he listened to the quail on the ranch for hours at a time . . . and instead of "Bob White" it seemed to him they said "Poor Charley!"

He died the way we know he would have wanted it—within sight of Buzzard Peak.

PUPS WIN ONE, LOSE ONE

The Knox City Junior football team beat Rule last Thursday night, 20-12, but lost to the Rochester Juniors Tuesday night, 25-7.

In the Rule game Glendale Large made two Knox City TD's, with Joe Tidwell accounting for the third. Tidwell made the lone score against Rochester.

Many Attractions Slated At Hallowe'en Carnival

Area residents—grown-ups and children—are reminded of the second annual Hallowe'en Carnival sponsored by the 1946 Study Club, which will be held at the American Legion Hall tonight (Thursday) beginning at 7.

Proceeds from the affair will benefit the youth center fund.

Egenbacher Motors To Display New Plymouths, De Sotos

Two new cars, the 1958 Plymouth and the 1958 De Soto, will be introduced in Knox City by Egenbacher Motors tomorrow (Friday).

Both cars will have substantial styling advances in keeping with the trend-setting characteristics of the 1957 models, Erwin Egenbacher, dealer, said.

The Plymouth, in the low-price field, will have a broad new lineup of six engine options and other important new engineering features.

"The new Plymouth is improved in appearance, performance, comfort and safety," Egenbacher said, "yet retains many of the outstanding styling, handling and riding features that were so enthusiastically accepted by car-buyers this year."

Styling features of the new Plymouth include a bright new "Silver Dart" side moulding treatment, sweeping upward at the rear on Belvedere and Sport Suburban models to the tip of Plymouth's familiar high-flying directional stabilizer fins, with optional dart inserts of silvery anodized aluminum or compatible colors.

Plymouth's new engine lineup offers six power options, including the 350 cubic inch Golden Commando V-8 at extra cost. New fuel injection is available with this engine as a limited option.

Standard V-8 engine for 1958 is the 318 cubic inch Fury V-800 with dual carburetion, rated at 225 h.p. Super Pak, with four-barrel carburetion, is available as extra equipment.

Standard on all six-cylinder models is the smooth and economical Power-Flow 6, with 132 h.p.

Egenbacher invited everyone in the area to see the two newest cars in the low and medium-priced fields.

Bennett Earl Davis, Former Resident, Dies in Wichita Falls

Funeral services for Bennett Earl Davis of Wichita Falls, former Knox City resident, were held at 3 p. m. Sunday at the Gillespie Baptist Church. Rev. Billy Frazier, pastor of the Knox City Baptist Church, officiated. He was assisted by Rev. Marvin Burgess, pastor of the Gillespie church.

A resident of Wichita Falls for the past seven years, Davis died at 3 p. m. Friday at Sheppard Air Force Base, where he was a civil service worker. He was a steam-fitting foreman of the 3750th Installation Group at Sheppard, and had been an employee of the base since 1950. His automobile went out of control and crashed into a barracks when Davis, the lone occupant, suffered a heart attack.

He was born Jan. 21, 1908 in Duncan, Okla. Prior to moving to Wichita Falls he was employed at Pyote AFB.

Survivors include his wife, of Monahans; one son, Benny Donald Davis of Ft. Worth; four brothers, Grady Davis of San Gabriel, Calif., M-Sgt. Delman Davis of Washington, D. C.; Vernon Davis of Ft. Walters, Fla., and Arnold Davis of Anaheim, Calif.; three sisters, Mrs. T. J. Partridge of Munday, Mrs. Tat Bivins of Christoval and Mrs. Lester Savage of El Monte, Calif.

Burial was in the Gillespie cemetery under the direction of Pinkard-Smith Funeral Home of Knox City.

His mother, Mrs. J. L. Davis, died of a heart attack at her home here in August.

Carol Jan Carter, 11-year-old daughter of Mr. and Mrs. T. C. Carter Jr. of Knox City, was admitted on Wednesday, Oct. 23, to the Scottish Rite Hospital for Crippled Children, Dallas.

Mrs. Neil Perdue, president of the sponsoring club, said. Cooperating with the 1946 Club will be the Knox City Study Club, American Legion, Legion Auxiliary, Lions Club, Fire Department, FHA chapter, and merchants of Knox City.

Mrs. Henry L. White, carnival chairman, said prizes will be given for the "spookiest" costume and the funniest costume. Booths, manned by the various organizations, will be country store, candied apples, fortune telling, balls in the basket, fishing, doughnuts, coffee and cokes, spook house, pitching pennies, rides on the fire truck, grab bag, bingo, dominoes and pool.

"There will be activities for both young and old," Mrs. Perdue said. "Bring your family out for the fun and at the same time have a hand in providing recreation for our young people."

Formal Opening of New Gulf Station Set for Nov. 1-2

Hardy Day invites everyone in this area to attend the grand opening of his new Gulf service station Friday and Saturday, Nov. 1 and 2. The station is located at Central and 3rd, across the street from Knox City Motor Co.

Besides free gifts for all, there will be a set of glasses for the first 100 customers purchasing 10 gallons of gas, an oil change or grease job. Grand prizes will be given Saturday night following a drawing.

As a special attraction, Day will have a clown to entertain all day Saturday. That night a square dance will be held.

"We are going all out to make our grand opening an affair to be remembered," Day said. "You are urged to bring the family and attend the opening, and to try our products and service."

Day is the son of Mr. and Mrs. Roy Day. P. V. Williams of Munday is Gulf consignee for this area.

'Hounds to Meet Top-Ranked Rule Tomorrow Night

With a 13-7 win over the Aspermont Hornets in their first district football game of the season, the Knox City Greyhounds will tangle Friday night with the Rule Bobcats, pre-season favorites to win the District 7-B championship.

The Greyhound-Hornet game Saturday night was a feature of Aspermont's annual homecoming. The 'Hounds led off scoring in the first quarter as Bobby Day plunged across from two yards out. The try for extra point failed.

Aspermont took a brief lead in the second quarter as Arvel Williams passed five yards to Ned Galloway for a TD. H. W. Swink kicked the extra point.

With four seconds left in the half, Montie White passed to Jim Anderson for five yards and a TD. Day ran the extra point to give Knox City the final margin.

Knox City drew frequent penalties during the game for being off-sides and for other infractions.

The game with Rule, which will be played at Rule, will be the next-to-last game for the Greyhounds this season. Their final contest will be with the Rochester Steers, on the Knox City field Nov. 8.

Revival Slated at Benjamin Church

Karel Desgrange, minister of the Halton City Christian Church, Ft. Worth, will conduct a one-week revival meeting at the Benjamin Christian Church. It was announced this week.

The meeting will begin Sunday, Nov. 10, and will continue through Sunday, Nov. 17. Rev. Desgrange is a former minister of the Benjamin church.

Services will begin at 7 p. m. daily, and will include gospel singing led by Desgrange, with Miss Barbara Waldron at the piano. There will be special music at each service.

Everyone was cordially invited to attend the series of services.

Funeral Services Held Saturday for Phillip Louis Herring

Funeral services for Phillip Louis Herring of Knox City were held at 4 p. m. Saturday, Oct. 26 at St. Joseph Catholic Church in Rhineland.

Mr. Herring, 48, died Friday night in the Knox County Hospital following a short illness.

Father John Walbe, pastor of St. Joseph Church, officiated. Burial was in Rhineland Cemetery under the direction of Pinkard-Smith Funeral Home of Knox City.

Born July 23, 1909 in Bastrop, Herring had lived near Knox City since he was three. He farmed most of his life.

Survivors include his father, Will Herring of Knox City; four brothers, Charley of Knox City, Richard of Miles, Bill of Miami, Fla., and William of Henrietta; and two sisters, Mrs. L. E. Groves, teacher in the Knox City School, and Edna Herring of Knox City.

Late Cotton Hurt By Early Frost

Knox City area farmers are agreed that the cotton crop was damaged by the killing frost and freeze last week end, but estimates of the degree of damage vary from 10 percent to 25 percent or more.

The mercury dipped to a low of 29 degrees both Friday night and Saturday night.

The frost, a full 15 days ahead of normal, caught many underdeveloped bolls on late cotton. Full extent of damage to the crop, farmers say, will not be known until January.

Oil Notes . . .

Potential, has been taken at the Katz Oil Co. No. 1-B O. A. Green, second well in the Knox City Northwest Tannehill field.

The well had a daily potential of 83 barrels of 35.3 gravity oil, flowing through a 13-64 inch choke with 220 pounds casing and 55 pounds tubing pressure. It is producing from perforations at 2,229 to 2,304 feet.

A re-entry project five miles east of Knox City has been completed as a Tannehill discovery. It is Anderson Petroleum Co. No. 1 Ada Jarvis, which pumped 53 barrels of 35 gravity oil daily on a potential test. Producing from perforations at 2,067-74 feet, the strike was originally drilled to 2,207 feet by Bridwell Oil Co. and abandoned in June, 1957.

Rev. Bailey Begins 18th Year as Pastor Of Local Church

Rev. Floyd V. Bailey, pastor of the Foursquare Church, will begin his 18th year of service with the Knox City church Sunday, Nov. 3.

The pastor said Tuesday that no special services or observance has been planned, due to the illness of Mrs. Bailey's mother.

Rev. and Mrs. Bailey remained in Knox City three years when they first moved here. They moved to Amarillo where Rev. Bailey helped build the first Foursquare Church building. After a three-year tenure there they returned to Knox City, and have lived here since.

Knox City to Get New Post Office

Postmaster Jeff Graham announced this week that the long-sought new postoffice building for Knox City will soon be a reality.

Graham was notified by Congressman Frank Icard that the Post Office Department has negotiated a contract with W. L. (Rip) Collins for construction of the new building, which the department will lease for a ten-year term with two five-year options.

The building will be located on the east side of Austin street, between Fourth and Main, and will be 60 feet from the street. A paved parking area, 60x140 feet, will extend to the corner of Fourth and Austin.

Graham said the building will be of modern masonry construction, with 2,171 square feet of

Texans to Vote Tuesday on Three Constitutional Amendments

Knox Citians and other Texas voters will ballot next Tuesday, Nov. 5, on three proposed constitutional amendments.

The election in Knox City will be held at the regular polling places. At O'Brien, the election will be at the Woman's Club House instead of at the gin office, election judge Dwight Gothard said.

The first proposal on the ballot concerns establishment of a retirement, disability and death

compensation fund for officers and employees of the state.

The amendment, which would replace the present retirement plan, is said to reduce inequities in the present plan. Among other things the measure would allow the employee to select the highest salary he has received for five consecutive years, of the past ten, as a basis for his retirement scale; the amount paid

in by lower salaried employees would be reduced; reduce the employee's contribution from 5 to 4½ percent and eliminate the \$3,600 ceiling that is imposed under the old plan. The state would match the funds paid in by employees.

Proponents say the amendment would help state agencies secure competent personnel, by creating incentive for promotion and tenure of service.

Number two on the ballot would provide for an increase in aid to the needy aged, needy blind and needy children. Under the amendment, every aged person receiving an old-age pension would receive a \$2.00 per month increase beginning in December. \$1.00 of the increase would be from Federal funds already appropriated and ready for payment when the state matches it with \$1.00 per pensioner.

Supporters say that due to inflation, this increase is very important to the 225,000 old age pensioners in Texas who are now receiving an average of \$45.00 per month.

Amendment No. 3 would create a revolving fund for financing water reservoirs. The amendment provides for issuance of up to \$200,000,000 in bonds by the state for construction of facilities for storage and preservation of surplus water. The funds would be loaned to municipalities and water districts to augment local funds. In effect the state will function as a second lien holder, taking revenue bonds on a given project over and above the amount of money that can be raised on a community's own credit rating.

Supporters say the amendment, which was endorsed by the Governor's 150-member, state-wide water committee, would provide a sound approach to the state's water problem, while leaving control of local problems to local people.

S. N. Reed to Speak At State Brotherhood Convention Nov. 5

Sam N. Reed of Knox City and O'Brien will have a major part in the 17th annual state Baptist Brotherhood Convention in Ft. Worth's Will Rogers Coliseum Nov. 4-5, officials announced from Dallas Friday.

Mr. Reed will speak at 1:50 Tuesday afternoon on the subject, "God's Need of Right Hand Men." His speech will be followed by an address by Governor Price Daniel at 3:30.

The Brotherhood convention will be the first of three statewide Baptist meetings set for Ft. Worth the same week. A combined total of 15,000 persons is expected to attend the annual meetings of Brotherhood, Woman's Missionary Union, and the Baptist General Convention of Texas.

Evangelist Billy Graham heads a list of prominent speakers who will appear before messengers from more than 3,807 churches in Texas.

Rev. Billy Frazier, pastor of the Knox City Baptist Church, plans to attend the 4-day series of conventions.

Annual Carnival At O'Brien Set For Friday Night

There will be lots of activity in the O'Brien School gymnasium tomorrow (Friday) night from 7:30 until 10. That is the date for the Community Circle's annual Hallowe'en Carnival.

Activities will actually begin at 6, when cooks of the community will serve a chicken and dressing dinner. Carnival booths will open at 7:30.

Among the many carnival attractions, which will be sponsored by various classes in the school, are bingo, cake walk, basketball pitching, dart throwing, doll tossing, picture booth, grab bag, popcorn booth, ice cream stand, the lemon tree, country store, fishing pond, and "The Greatest Show on Earth."

The Community Circle will have charge of the concession stand, with plenty of cold drinks, coffee, and home-made pies and cakes. The circle will also have a booth called "The Jail House," where you will need a friend to bail you out. Jack Underwood will act as sheriff.

The coronation ceremony, when the Hallowe'en king and queen will be crowned, will be at 10 under the direction of the decoration committee.

O'Brien, Weinert Tied for Lead in Six-Man Football

The O'Brien Bulldogs, with a 44-18 victory over Mattson Friday, is tied with Weinert for first place in District 4 six-man football. Each team has a 3-0 season record.

Against Mattson Walsworth scored on runs of two, 35, 50 and 52 yards. He threw a 30-yard scoring pass to Sammy Grindstaff and a 5-yard touchdown aerial to John Tom Johnston. Center Roy Manning blocked a punt for another Bulldog touchdown.

For Mattson, Loyd Klose scored all three touchdowns on runs of 20, 11 and 51 yards.

Tonight (Thursday) the Bulldogs will be hosts to the Benjamin Mustangs. So far this season Benjamin has won two and lost two, but tonight's game, a crucial one for O'Brien, is expected to be a close, hard-fought contest.

Game time is 7:30, and all fans in the area were invited to attend.

Lions Club Hears Wichita Falls Editor Analyze World News

Curtis Cook, managing editor of the Wichita Falls Record-News, gave an up-to-the-minute analysis of current world news at the Wednesday noon meeting of the Knox City Lions Club.

Cook said Russia's "sputnik" has had the greatest propaganda value of anything ever developed by any nation. The tragic thing, he added is that the United States could have launched a similar device 18 months ago. Scientists and military leaders, he said, elected to pass up the propaganda value and wait until the satellite was perfected. He predicted that when a U. S. satellite is launched, probably next March, it will be far advanced over the Russian model and will furnish scientists with complete, detailed reports on 67 things of vital importance.

Among other things, he said, after only a few revolutions of the satellite, we will know whether a man can be sent into space and brought back alive.

Cook credited much of Russia's success in Syria and elsewhere in the east to the sputnik and Russia's claim that she has perfected an intercontinental ballistic missile. He added that the Russians have a deep hatred of long standing against Turkey, which is the only place today from which the U. S. could launch an ICBM against Russia with any degree of accuracy.

With the present situation in the mid-east, he said, Americans have a very tenuous hold on peace, since a third world war could be touched off by a Syrian military leader hired by Russian gold.

The best hope of the world, he concluded, is that man's attempt to conquer space may turn nations away from the conquest of each other.

The Lions Club's membership and attendance contest ended Wednesday with the team headed by Bill Ams the apparent winner. Complete results will be announced next week.

BAND BOOSTERS TO MEET

Members of the Band Boosters were reminded that the regular meeting of the club will be held Monday, Nov. 4 at 7:30 p. m. in the band hall.

A report on the birthday calendars will be made. All members were urged to attend.

HOW MUCH WOULD YOU CHARGE—

TO WASH THESE CLOTHES...?

TO BEAT THESE RUGS...?

TO WASH THESE DISHES...?

Electricity does it for only a few cents!

Electricity is the biggest bargain in your budget—and even more of a bargain today than it was years ago—in fact in homes served by WTU, the average cost of a kilowatt hour of electric service is 20% LESS than it was 10 years ago. Your electric bill may be higher, but that is because electricity is so inexpensive you can afford to use much more of it these days. Don't you think so?

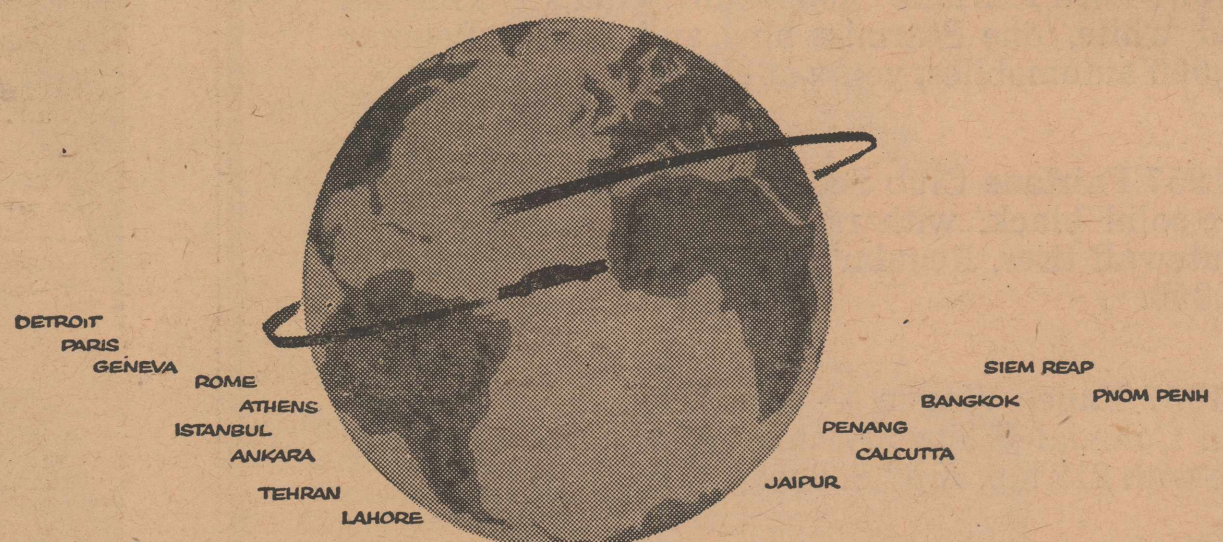

West Texas Utilities Company

58 FORD
COMING
NOV. 7

Nothing newer

AROUND THE WORLD

The 58 Ford has been proved around the world. This is the most dramatic and most grueling test ever given a new car before its public announcement.

The whole world was used as a test track for the 58 Ford. The car drove through England, France, Switzerland, Italy, Yugoslavia, Greece, Turkey, Iran, Afghanistan, Pakistan, India, Malaya, Thailand, Cambodia, Vietnam, and finally back to the place it started—Detroit, Michigan, U.S.A.

The Ford powered over the great mountain ranges of three continents: from the Alps to the Himalayas and the Rockies. It crossed the great rivers of history: the Thames, the Seine, the Tiber, the Arno, the Tigris, the Euphrates, the Indus, the Ganges.

This car stood at Buckingham Palace, rolled up the Champs Elysees to the Arc de Triomphe, and paused at the Eiffel Tower. It was greeted by the great Paris couturiers at the famous fashion salons where its "sculptured in steel" styling was applauded by the most style-conscious audience in the world.

The 58 Ford rode smoothly down the rugged, beautiful seacoast of Tito's country, to a festival in Dubrovnik, and into Greece to Athens, where this newest classic met such ancient classics as the Parthenon and the Temple of Poseidon.

Into Turkey: and the 58 Ford passed the great white lacework palaces of the Sultans along the Bosphorus and the Golden Horn. Then the Ford went where few but nomads travel, up into the hot days and chill nights of the ancient mountains of Afghanistan. And thence along the route Alexander the Great followed with his chariots to cross the historic Indus river.

On and on the Ford moved, down into the heat of mysterious India, through New Delhi to the Taj Mahal, and to the great pink palace of the Maharajah of Jaipur.

This great new car met the challenge of the monsoons—rains that for centuries have stopped all road movement throughout Indo-China, but didn't stop the 58 Ford. It drove on to Penang in Malaya, and then north to Bangkok.

Further on came Saigon, the Paris of the Orient, at the farthest tip of Southeast Asia. Finally, it powered across the great Rockies and plains of North America and back, at long last, to Detroit, Michigan.

The 58 Ford . . . has been proved and approved around the world. A natural question arises. Why did Ford go to such great lengths with its 1958 model? Why spend so much money and time and go through all the problems of negotiations, customs, border transit, diplomacy in so many countries?

The answer: in the competitive automobile market of today, only the best in all-around value can survive. And this round-the-world test is the most decisive possible demonstration of the best.

The 1958 Ford is value: hard-dollar value. It is also style, power, performance, and a dozen great new features. But above all, it is value.

This is the car you've been waiting for. See it November 7—there's nothing newer in the world than the 58 Ford!

KNOX FARMERS, RANCHERS ELIGIBLE FOR NEW CONSERVATION PROGRAM

Technicians of the Wichita-Brazos Soil Conservation District expect to receive complete details soon on the Great Plains Conservation Program which was authorized by Congress last year to provide farmers and ranchers long-term assurance of assistance in carrying out a complete plan of operations for farm and ranch units.

Two hundred and twenty-one counties in ten Great Plains states are eligible to receive program assistance, with Knox County just in the eastern edge of the designated area.

The program is designed to aid farmers and ranchers in carrying out conservation measures through long-term, cost sharing contracts that will help to mini-

mize climatic hazards and protect the land from erosion.

The Great Plains Conservation Program supplements existing programs and does not replace any of them. It establishes no new agency, since it will be carried out in cooperation with local, already established agencies and farm organizations.

To participate, a farmer or rancher must have a workable plan that incorporates needed land use changes, cropping and grazing systems and soil and water conservation practices in proper combinations. The plan agreed upon and contracted with the Secretary of Agriculture must be completed in ten years. However, contracts may be made for a period of less than 10 years. The farmer or rancher must agree to carry out the plan within the contract period; however, there are provisions for changing the plan when the practices cannot be applied through no fault of the landowner.

The program will be initiated approved and supervised on a local county level by a county committee composed of the work unit conservationists with Soil Conservation Service, chairman of the County Agricultural Stabilization and Conservation Committee, and County Supervisor of the Farm and Home Administration. This committee will work with the County Agricultural Agent, Soil Conservation District Supervisors, and other local farm leaders.

The Soil Conservation Service will provide available technical assistance to a farmer or rancher in developing and carrying out a plan of operations under the program.

Now Is The Time To Purchase a New Ford

We have 7 New 1957 Fords in stock that need a new home! We still have a variety of colors and body styles to go at a tremendous savings! If you want a new car that's "way out front" in style, comfort, performance and re-sale value... SEE US TODAY!!

- ♦ 1 1957 Ford Fairlane "500" Club Victoria — solid white, with a luxurious red nylon and leather interior. 270 h.p. engine, heavy duty Thunderbird Ford-O-Matic transmission, and loaded to the gills with extras. Regular \$3,375 value, close out at \$2,650. This price will not pay for a comparable '58 model at dealer net.
- ♦ 2 1957 Ford Fairlane "500" Club Sedans — One tan and white, one Starmist blue and white. Regular \$3,000 automobiles, yours at close-out for \$2,350.
- ♦ 1 1957 Fairlane Club Sedan — Beautiful, conservative solid black, with radio, heater, overdrive and whitewall tires. Regular price \$2,975, going at only \$2,350.
- ♦ 1 1957 Ranch Wagon — In a lovely Willow Green and Colonial White Styletone paint. An 8-cylinder job with 212 h.p. A \$2,800 wagon going at \$2,250.
- ♦ 1 1957 Ford Custom Fordor — 8 cyl., solid black, with a heater and defroster. Regular \$2,350 value, going for only \$1,995.
- ♦ 1 Custom 300 Tudor — 8 cyl. 190 h.p., in a lovely Styletone Starmist and Colonial White, with whitewall tires. Regular \$2,450 value, going at an unheard-of low of \$2,095.
- ♦ 1 1957 Ford Fairlane "500" Town Sedan — Cumberland Green and Colonial White, overdrive transmission, factory air conditioner. Few miles, but carries a new-car warranty. Regular \$3,450 price, going at just \$2,650.

Get on the band wagon now—for a 1958 model is going to be higher. So get a 1957 at a savings—either outright sale or a long trade.

Benjamin News

BENJAMIN, Oct. 28. — Mr. and Mrs. Doyle Pyatt of Whitney were here last week visiting friends. They were enroute to Muleshoe to attend a homecoming.

Mr. and Mrs. Charley Hamilton of Wichita Falls were attending to business and visiting friends here one day last week. Mr. and Mrs. A. C. Turner of Farmington, N. M., were week end visitors of Mrs. Anna Hunt

and Mrs. Minnie Hatfield. Mr. and Mrs. Charles Jones and son of Jacksboro spent the week end with their parents, Mr. and Mrs. Walter Trainham and Mrs. Myrtle Jones.

Mrs. Jess Boykin of Rule visited her sister, Mrs. Lillie Ryder, last Wednesday.

Visiting Mrs. Myrtle Meinzer last week were Mr. and Mrs. Wylie Joe Meinzer and Mr. and Mrs. Walter Buck Meinzer of Graham and Mr. and Mrs. Penny Meinzer and daughter of Childress.

Mr. and Mrs. Donnie Hertel and son of Wichita Falls spent the week end with their mothers, Mrs. Leola Isbell and Mrs. Nora Hertel.

Recent guests of Mrs. Myrtle Kuykendall and Cora Bell were Mr. and Mrs. Shorty Nelson of Archer City.

Joe and Hazel Ballard visited Mr. and Mrs. Boyd Mason and children in Goree Saturday.

T. W. Templeton and Von Ray Terry were in Quanah on business one day last week.

Mr. and Mrs. Jim Cash and children and Mrs. Lillie Ryder spent Sunday with Mr. and Mrs.

Edwin Jones and children in Seymour.

Airman and Mrs. L. J. Johnson and son of Abilene accompanied his mother, Mrs. Muriel Johnson, home one day last week.

Mr. and Mrs. J. D. Brown spent the week end with Mr. and Mrs. Curtis Brown and Diane in Lubbock.

Grady Hudson visited relatives and friends in Seymour Saturday.

Jerry Kilgore of San Antonio is visiting his parents, Mr. and Mrs. J. A. Kilgore, and his sister, Nelda. Jerry was transferred from Lyman, Neb., to the hospital in San Antonio.

Mr. and Mrs. Bill Dodd and children visited Mrs. Dodd's parents, Mr. and Mrs. C. D. Hall in Crowell Sunday.

Mr. and Mrs. Pete Barnett and Mrs. W. A. Barnett spent Sunday with Mrs. L. L. Howard in the home of Mr. and Mrs. Jim Horton in Whitharrel. Mrs. Horton celebrated her 89th birthday Sunday.

Mr. and Mrs. Roy England and children spent Sunday with Mrs. England's mother, Mrs. E. W. Gill Jr., in Brownwood. Their daughter, Jenna, who had been visiting her grandmother, returned home with them.

SUNSHINE CLUB MEETS

Mrs. A. A. Cox and Mrs. Ford Waldrip were hostesses to the O'Brien Sunshine Club Saturday afternoon at the club house.

A "Treasure Hunt" patterned after the well-known TV program, was the highlight of the party. A surprise shower for Mrs. James Hewitt was included in the party activities.

Refreshments of pumpkin pie, cocoa and Hallowe'en candy were served to Mmes. J. L. Grindstaff Sr., A. S. Logan, Roy Hester, Dwayne Johnston, Peggy Grindstaff, Sydney Joe Hester, Laura Proffitt, Truett Hester, Jimmy Burt, Sam Johnston, Arnell Denton, James Hewitt, and Misses Carol Cox, Shirley Johnston, Denise Grindstaff, Debbie Johnston and Peggy Hester, and Rodney Roberts, Tommy Proffitt, Joe Hester and Gary Hewitt.

Visiting in the C. W. Garrison home last Thursday were their daughters, Mrs. Jim Stephens and Mrs. Vergil Stephens, both of Lubbock, and Harry Garrison of Tucumcari, N. M. They were here to attend funeral services for Charley Dowding.

Mr. and Mrs. Cleon Watson and daughter, Felecia, visited her parents, Mr. and Mrs. T. C. Posey, and other relatives and friends over the week end.

Attends Funeral For Husband's Kin

Mrs. S. P. Keller returned home Wednesday of last week from Clayton, N. M., where she attended funeral services for J. H. Deam, affectionately known as "Uncle Jim" by all who knew him.

He was a relative of Mrs. Keller's late husband. To get relief from asthma, he moved from Lancaster to Clayton in 1898, homesteading 160 acres of land and establishing a saddle shop. He furnished people near and

far with hand-made and hand-stamped saddles until his eyesight began to fail a year ago.

He fell Monday, Oct. 14 at the home of a son in Independence, Mo., and fractured a hip. He passed away Saturday, Oct. 19, at the age of 88.

Mrs. Mary Parsons and Miss Carol Finley spent Sunday in Wichita Falls with Mr. and Mrs. Ned Herr. Mr. Herr is a patient in Wichita General Hospital.

Mrs. Marlin Hester of Plainview visited Knox City relatives and friends this week.

THE KNOX COUNTY HERALD, THURSDAY, OCT. 31, 1957

ALETHA FULLER CIRCLE OF BAPTIST W.M.S. MEETS

The new chairman, Mrs. Hazel Long, presided at a meeting of the Aletha Fuller circle of the Baptist WMS in the home of Mrs. W. E. Lovelace Monday night.

She gave the watchword for scripture reading from the 8th chapter of Revelation. Miss Ethel Lemond gave the first Bible lesson from the circle's new book, Soul Winning Experiences.

Ten members were served refreshments.

FUTURE FARMERS TO SPONSOR COMMUNITY FAIR AT O'BRIEN

A Green Hands initiation ceremony highlighted the regular monthly meeting of the O'Brien FFA chapter Thursday night, Oct. 24.

Initiated into the chapter were Royce Cox, Joe Lopez and Jerry Rowan. Special guests for the impressive ceremony were dads of chapter members and Supt. Elvin T. Mathis.

Following the initiation the chapter made plans for a community fair to be held some time between January 1 and 12. Members' dads took part in the planning. It was decided that livestock, crops and homemaking exhibits would be included in the fair. There will be classes for breeding beef animals, dairy cattle, steers, lambs, barrows,

gits and poultry in the livestock division.

In the crops division there will be cotton stalks, grain sorghum heads, threshed grain sorghum and guar.

The Future Homemakers will be in charge of the homemaking division and will announce plans later.

Everyone in the O'Brien School District was invited to enter, George Piller, VA instructor, said. The adults and juniors will compete against each other in all classes, but the adults will be eligible for ribbons only.

A committee composed of Ross Walsworth, Dwight Watson and Jerry Carver was appointed to make arrangements with Northern Star Seed Farms or O'Brien Gin for a place to exhibit the livestock. Supt. Mathis offered the use of the school for exhibits which could be put inside.

Besides the Green Hands, others attending the meeting were Danny Walsworth, president; Jerry Covey, vice-president; Jerry Carver, treasurer; Dwight Watson, secretary; John Tom Johnston, reporter; Junior Hester, sentinel; Dempsey Herpeche, Milton Rowan, Walsworth, Piller and Mathis.

O'Brien Cooks to Serve Dinner Prior to Hallowe'en Carnival

Everyone in Knox City and surrounding area knows that O'Brien has about as many superb cooks 52 weeks in the year as it does bracers in the fall.

And those cooks will combine their talents to prepare and serve a full dinner at the O'Brien school tomorrow (Friday) night.

The supper is sponsored by the Community Circle, a parent-teacher organization. It will be served in the lunchroom from 6 to 8 p. m., preceding the annual Hallowe'en Carnival in the school gymnasium.

The menu for the evening will be chicken and dressing, green beans, cranberry sauce, hot rolls, butter, home-made pie and cake, coffee and iced tea. Prices per plate will be \$1.00 for adults and 50 cents for children.

"Bring your entire family to the supper and stay for the carnival," circle officers said. "Excellent food and a good time is promised all."

Mr. and Mrs. Roy Tankersley

Auxiliary Reports Successful 'Gift Shop'

Mrs. Guy Robinson, president of the American Legion Auxiliary, Wednesday expressed her thanks to those who helped make the annual Christmas Gift Shop the best ever held in Knox City.

The gift shop was held at the Legion Hall Saturday, Oct. 26. The program was opened with the group singing The Star Spangled Banner. The Pledge to the Flag was led by Mrs. J. R. Hitchcock's kindergarten pupils. The children also sang three songs.

Mrs. Chas. E. Silk, gift shop chairman, and the FFA girls served refreshments. A group of FFA girls sang Have I Told You Lately That I Love You, and A Rose and a Baby Ruth.

Former Resident Wins Humble Contest

Mrs. Eddie Graham of Abilene, former Knox City resident, was a first-prize winner in Humble Oil Company's football season contest recently. Otis Cash, local Humble dealer, said this week.

Mrs. Graham will be remembered as Edna Earle Travis, daughter of Mrs. H. C. Travis. She was presented a portable television set and Cash, listed on her entry as her Humble dealer, received a small radio.

CARD OF THANKS

We are thankful beyond measure for all of our good friends who helped us so much during the illness and loss of our loved one. May we offer our humble thanks for your comfort and love.

Will Herring and Family p

'Green Hands' Are Initiated by FFA

A Green Hand program was presented by the local chapter of Future Farmers of America Monday night, with parents of FFA members as guests.

L. E. Groves, chapter adviser, opened the program with an introduction. The opening ceremony was conducted by Dicky Goodson, Billy Joe Large, Garry Johnson, Ralph Contreras, Danny Burt, Curtis Smith, and Mr. Groves.

Jimmy Hollis gave the meaning of the emblem, which is made up of five symbols, the owl, the plow, the rising sun, all within the cross section of an ear of corn, which is surmounted by the American eagle.

The FFA creed was given by Gene Poteet, Lyndol Cypert, Dennis Anderson, Danny Burt, and Sammy Bolin. Horace Wheeler gave the colors and Pete Acosta gave the motto, "Learning to do, Doing to learn, Earning to live, Living to serve."

The requirements for a Green Hand degree were told by Buddy Moon, and Bobby Robinson gave the requirements for Chapter Farmer degrees.

Groves presented pins and membership cards to the Green Hands.

CARD OF THANKS

Our hearts are filled with humility and appreciation for our many friends whose comfort during our recent sadness meant so much to us. We thank each of you from the bottom of our hearts.

Mrs. Charley Dowding
Mrs. Mabel Dearing
Mrs. Land Hight
Mrs. J. J. Justiss

Football Schedule For 1958 Arranged

Representatives of schools in new football district 10-B met in Rule Wednesday night to schedule district games for 1958.

Attending from Knox City were Supt. Chas. E. Silk, E. A. Youngblood, high school principal, and Les Cowan and Bob Johnson, coaches.

Teams in the new district are Knox City, Rule, Rochester, Aspermont, Throckmorton and Woodson.

Knox City's 1958 schedule, including practice games, was announced by Supt. Silk as follows:

Sept. 12 Trent at Trent; Sept. 19, Hermleigh at Hermleigh; Sept. 26, Lockett at Knox City; Oct. 3, Chillicothe at Chillicothe; Oct. 10, Throckmorton at Knox City; Oct. 17, Munday at Knox City; Oct. 24, Aspermont at Knox City; Oct. 31, Rule at Knox City; Nov. 7, Rochester at Rochester; and Nov. 14, Woodson at Woodson.

We Welcome You

Skit Presented at F.H.A. Meeting

"ABC of Charm" was the title of a skit presented at the October meeting of the Knox City chapter, Future Homemakers of America, Tuesday, Oct. 29.

The skit was presented by Mrs. Chas. E. Silk, chapter adviser, Kay Dean Hester, Beverly James and Lynelle Tankersley. It was a review of points they learned during a charm school in Hamlin recently. The school was directed by Mrs. Bess Rothman, Dallas.

Yearbooks were issued and the FFA scrapbook was presented.

Mr. and Mrs. B. M. Humphries of Wichita Falls spent Sunday with his mother and his sister, Mrs. Paul Fitzgerald, and family.

Bel Air Impala Sport Coupe—new luxury in the low-price field

ALMOST TOO NEW TO BE TRUE! '58 CHEVROLET!

The biggest, boldest move any car ever made!

Meet the '58 Chevrolet . . . panther-quick, silk-smooth . . . with a V8 unlike any other, a Full Coil suspension, a real air ride . . . two new super models! Here today!

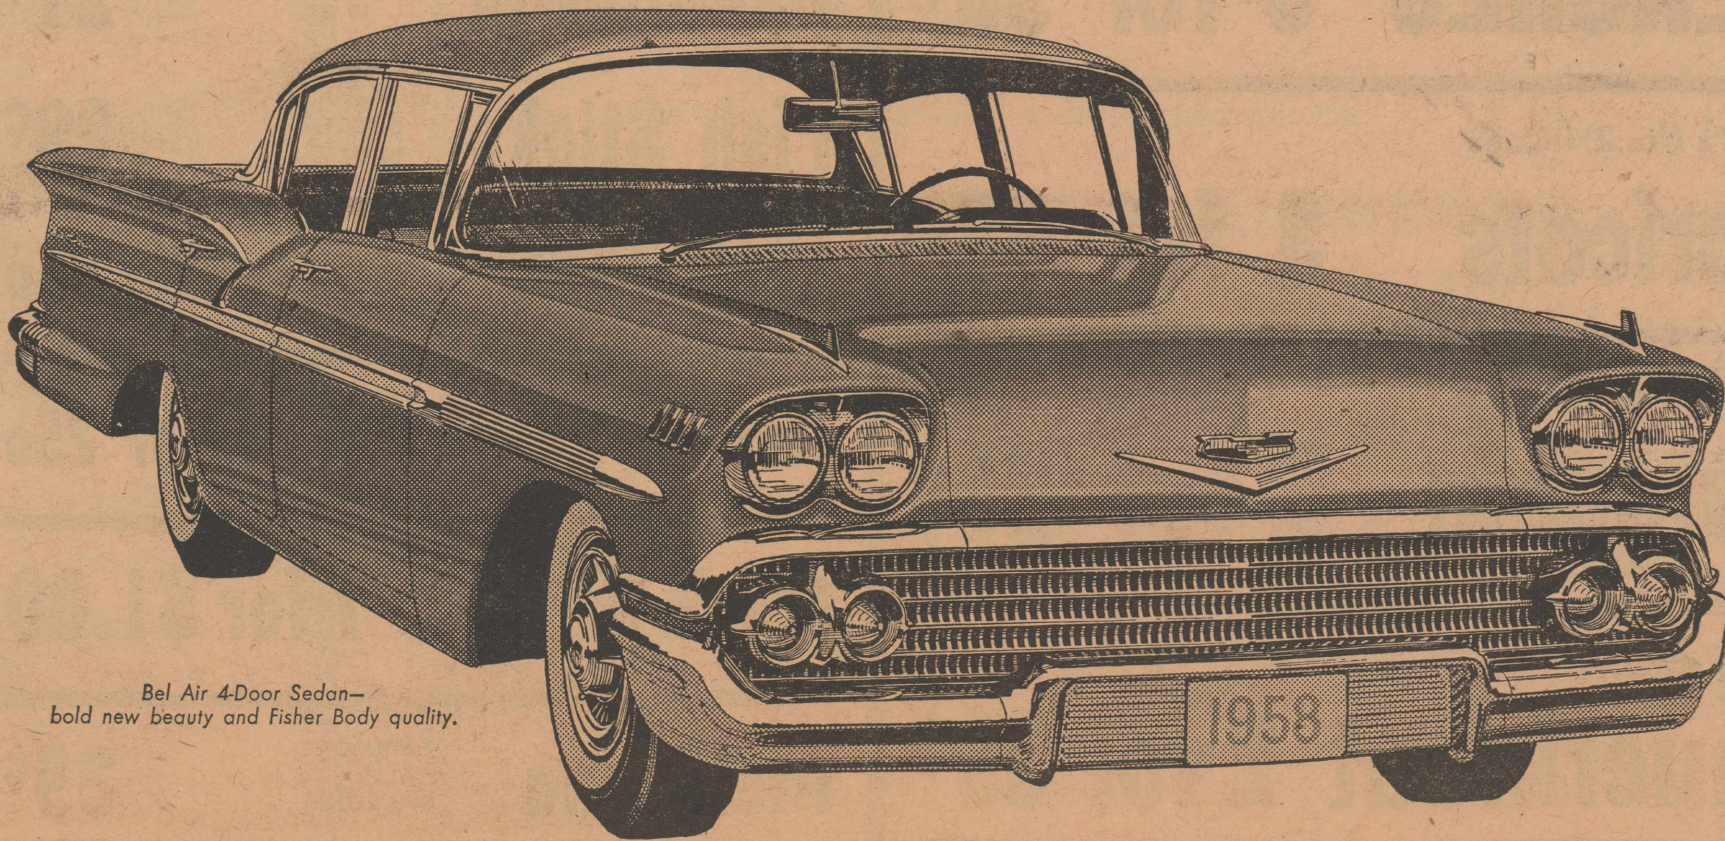

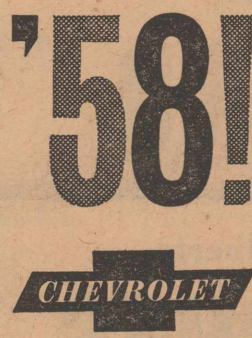

Look at Chevrolet's airy new styling. That's how new Chevrolet is all over! It's lower, wider—nine inches longer.

There's an all-new Turbo-Thrust V8* engine. Pair it up with Turboglide*, and you'll command the quickest combination on the

road. There are two new rides—Full Coil suspension and a real air ride*. The body-frame design is new, the wheelbase is longer.

There's a new 4-headlight system, new 6 and V8 power, foot-operated parking brake. And two new super models—the Bel Air Impala Sport Coupe and Convertible, most luxurious and distinctive Chevrolets of all. See all that's new at your Chevrolet dealer's soon!

*Optional at extra cost.

Bel Air 4-Door Sedan—bold new beauty and Fisher Body quality.
