Chamber In Civic House?

State Passes Buck Back To City Council

The attorney general's office this week informed Dell Barber, attorney for the city of Colorado City, that they will not give an opinion on the legality of housing the Chamber of Commerce office in the city's planned new civic center.

In a letter to Barber, the attorney general's office said the state cannot rule on a case like this.

Barber has told the council he believes it is legal to house the chamber office in the city owned structure as the city and chamber have the same purpose, promoting Colorado City for the benefit of Colorado City residents.

The city council probably will hold a meeting to discuss the civic center next week sometime. A meeting this week is not expected as City Manager J. A. Sadler Jr., is attending a conference in Houston.

The council had earlier sought an opinion from the Texas Municipial League. TML refused to put anything in writing but told several council members that the council could find a way to put the chamber office in the civic center that would be perfectly legal.

The construction of the civic center has been delayed for two months now over the debate between council members over the legality of putting the chamber office in the center.

Plans for the new civic center were ready for adoption in July when the chamber asked the city for space in the new civic center. Various other plans have been considered since that time to accomodate the chamber.

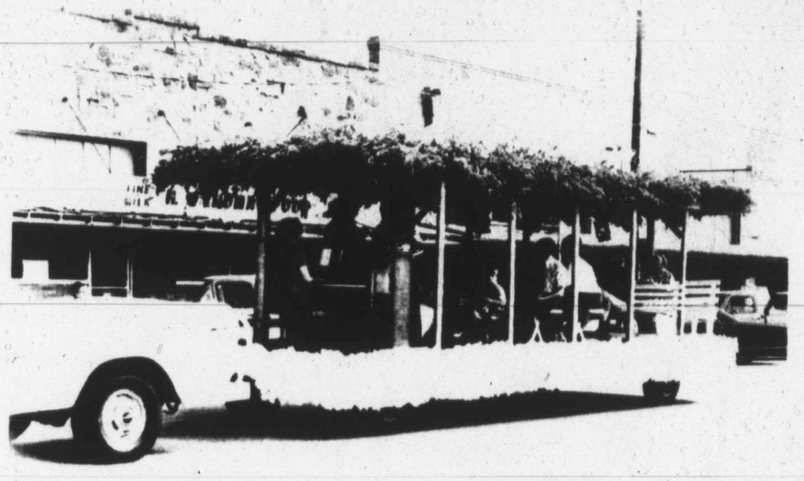

In August, Councilman Eddie Piland made a motion that space in the plans that were ready for adoption be declared excess and rented to the chamber of commerce and that the council seek a legal ruling on that proposal.

Piland's proposal met with criteria that had been outlined vocally by a TML attorney.

Under the excess space plan, the chamber office would be housed in a certain area of the civic house until the city needed the space for future expansion.

The council has been split over the matter with Mayor C. C. (Mike) Burt and Mayor Pro-Tem Buck May against the chamber being in the civic house, as they considered it illegal; Hank Bryant is against building the civic center with or without the chamber office in it; Eddie Piland, Rick Perkin and Mrs. Tom (Jody) Neff are for housing the chamber in the center as they believe it is legal, and Lloyd (Pint) Richards is for having the chamber office in the center if he can be convinced it is legal.

The center will be located at Second and Oak and will be built at a cost of about $150,000 with about 9,500 square feet.

Hospital Expansion Contract Signed

The Mitchell County hospital District Board of Directors in a special meeting Saturday night voted to accept revised bids for the construction of two new wings on Root Memorial Hospital and then the board and low bidders signed the contracts.

One wing will be a patient wing with 10 beds and the other will be a lobby wing. Both wings will be built onto the north-northeast side of the hospital along Chestnut Street.

Total cost of the expansion including architects fee and furniture total some $370,000, all of which will be paid out of existing funds that includes a $100,000 gift last year from Mrs. Marion Bassham in memory of her husband, B. D. Bassham, after whom the addition will be named.

The hospital district board met to hear the results of the election held Saturday on the proposal of Loraine joining the hospital district. Loraine did not join the hospital district when it was formed as a hospital existed in Loraine at that time. However, the hospital has since closed and early this year, Loraine residents petitioned the hospital to hold an election on the matter.

Precinct 4 (Loraine) voted by a margin of 117 to 99 to come into the hospital district and Precincts 1, 2 and 3, which were already members of the hospital district, voted 257 to 4 to accept Loraine intc the hospital district.

Regarding the additions, bids were taken in August but the bids were too high for what the hospital district had to spend. The board directed architect Don Hamilton of Sweetwater to work with the contractors to eliminate items from the construction that could be added later when money becomes available.

In the initial plans, a basement was planned under the new patient wing. The basement was to be completely finished with a family room and chapel; a doctor's lounge; a director's room and teaching room; a room for

Wolves vs. Ballinger

Four Other Games Thursday

The Colorado City Wolves will be looking for their first win of the season when they face the Ballinger Bearcats at 8 p.m. Friday in Wolf Stadium here.

The Ballinger team is coming off a loss last week to Big Lake. However, Ballinger won their first game of the year, defeating Brady.

The Wolves lost their first game to Monahans and then lost again last week to Coahoma, both losses being caused by pass interceptions suffered by the Wolves.

Last week's game against Coahoma was a physically bruising game as Arnold Parker suffered an elbow injury and will be out of full contact for about three weeks, although he is expected to see limited action Friday, probably in kicking situations as he is the punter.

Bill Griffin will see action Friday for the first time this year for the Wolves. He has been suffering from a back injury.

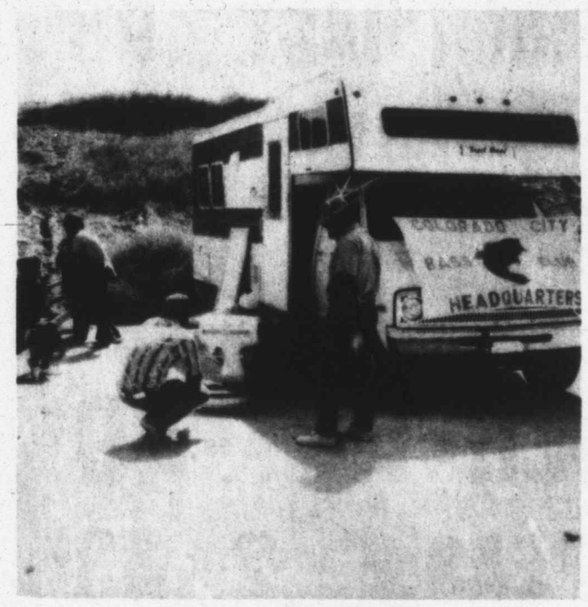

Vicente Garcia, who also was injured in the Coahoma game, is expected to see some action Friday night but probably will not play as much as usual due to his injury.

According to Colorado High Athletic Director Weldon Brevard, Ballinger has an experienced team as there were eight sophomores on the varsity last year. The Bearcats run out of the Power I with a strong fullback being the main offensive punch of the Ballinger team.

This will be a full week for Colorado City football teams with three games to be played at Wolf Stadium Thursday; 7th grade vs. Coahoma at 5 p.m.; 8th grade vs. Snyder at 6:30 p.m., and the Junior Varsity against the Hamlin Junior Varsity at 8 p.m.

Also Thursday, the "B" team will travel to San Angelo to take on the Lake View "B" team at 7:30 p.m.

Bass Tourney

Twenty-nine fishermen, 18 from Colorado City and 11 from Big Spring competed Saturday and Sunday in the monthly Colorado City Bass Club fishing tourney at Lake Colorado City. Some of the fishermen are pictured weighing in catches in the best three-fish tournament. Winners were first, Dale Byrd, 9.9 pounds, won a fishing temp; second, Larry Raschke, 9.2 pounds, a Garcia 5,000 reel; third, Maxey Ware, 8.4 pounds, a worm rod; and fourth Jerry Hammond, 8.1 pounds, a worm box full of worms. The bass club meets the second Wednesday of each month at the Texas Electric Service Co. Reddy Room.

Absentee Deadline Friday

Friday is the deadline for absentee voting in the $1.75 million bond issue for the building of a new Colorado High School and the renovation of existing school facilities.

Thus far, 19 persons have voted absentee.

The election will be held Tuesday, Sept. 25 in the school tax office, 250 Walnut. Polls will be open from 8 a.m. to 7 p.m. Tuesday.

Loraine Fair Winners Given

A large crowd was on hand for the Loraine Community Fair last Friday and Saturday.

A parade was held on Saturday morning, led by a car driven by the Loraine law enforcement officers, followed by horseback riders Howard and Billy Preston carrying flags, the Loraine High School band and the Colorado Junior High band.

Winning first place for floats was the Loraine Gospel Mission with a float set up as a church service being held under a brush arbor.

The FHA chapter won second place, with third place awarded to the football boys' float.

An unusual entry was the Methodist Church entry. One of the members, Bennett Blair, dressed in the dark suit and derby hat of a circuit rider and was carrying his Bible.

A bicycle race followed the parade. The Geritol group was won by Mrs. Billie Ruth over Mrs. Ray Preston, who took second.

In the young adult group, Ira Purdy was first, Virgil Troutt second, Ed Newton, third.

The teen age group was won by Jay Sanford, with Gilbert Galvan second and Paul Haden third.

The intermediate group was won by Bucky Owen of Roscoe, with Marguerite Rodriguez second.

In the 10-12 age group, David Barrera was first, Curtis Haden

relatives of out of town patients to spend the night.

However, these items were eliminated from the plans with all electrical and plumbing work to be done so that these items can be put into the basement at a later date.

There will also be a basement under the lobby wing which Hospital Administrator Charles Root hopes to eventually make into a surgical suite where all operations will be conducted.

Saturday night was the 30th day since the bids were initially opened and the hospital had to act on the bids are face even higher bids as the costs of materials have gone up since August.

Here are the totals of the revised bids which do not includ furnishing or the architects' fees.

--General Contractor, Virgil Stone, Colorado City, $206,164.

--Electrical Contractor, Sam Smith Electric, Sweetwater, $38,200.

--Mechanical Contractor, Abilene Shexet Metal, $81,626.

The additions are expected to be completed within a year.

To the Editor:

The Mitchell County Hospital District Board of Directors would like to take this opportunity to welcome Precinct 4 into the hospital district.

We pledge to all residents of the hospital district to continue offering the best in medical care, services and facilities at Root Memorial Hospital.

The faith shown in the hospital district by voters throughout the county in Saturday's election is gratifying and is appreciated.

The hospital district board appreciates the work by the many, many persons in preparation for Saturday's election, and expecially the work of election judges, Ted Lefevre in Loraine and R. B. Baker in Colorado City.

Charlie Goodman, 104 Years Old

Loraine Citizen, 104 Years Old

Perhaps Loraine citizens who have known Charlie Goodman since he moved to Loraine in 1945, are not aware that he has reached the age of 104 years.

He observed his 104th Birthday July 10, 1973 at Roland Nursing Home where he and his wife, Harriett have lived the past two years.

Charlie, as friends call him, and Mrs. Harriett Gibbs were married August 25, 1945 in Snyder.

He has one son, Willie Goodman in Abilene, two grandchildren and several great-grandchildren.

He recalls instances when he served in the Civil war, the hardships endured back in those years, worked at any thing he could get to do, cutting cord wood, worked on the railroad, farmed and after coming to Mitchell County he said he picked cotton, a lot of it in a day, and could pull six or seven hundred pounds a day.

Charlie is an ordained deacon in the Canaan Baptist Church in Loraine where he attended as long as his health permitted.

Emergency Wagon

Fire Department Purchases Wagon

The already well-equipped Fire Department in Loraine has a new emergency wagon that they are very proud of.

They purchased a Pontiac Station wagon and have equipped it with a good supply of both small and heavy hand tools, a 4 ton power Pak hydrolytic tool, two fire extinguishers, oxygen, blankets, a new air pack mask, capacity 30 minutes, in fact all tools and equipment necessary for emergency. Lights and flash with siren.

All this fine addition to their equipment has been made possible without a cent cost to the city.

Mitchell County Commissioners are always ready to help firemen in Colorado City, Loraine and Westbrook and it was with the County revenue money, Loraine's part $3500, which made possible the purchase and equipment for the new wagon, with some $500.00 left.

The fine equipment and good quick service rendered by the Loraine fire dipartment is responsible for the low rate fire insurance in Loraine.

J. C. Hall Jr., is Fire Chief and for years has attended and been instructor in A&M College and other firemen schools. In July he was instructor at A&M for a weeks course in house fires.

On September 24-25 Donnie Phillips, member of the local Dept. will be an instructor for transport fires in a two day school hosted by the Abilene Fire Department.

Dale Mathis, Fire Chief of the Colorado City Fire Dept. will be an instructor for pit fire at this school.

Mitchell County can well be proud of the fine equipment of the three cities in the county. The new wagon here will be used anywhere in the county there is an emergency or need.

Assistant Fire chief is Clay Graham. Troy Jones is President; Wendell Banks, secretary-treasurer.

Wendell Banks and Donnie Phillips are Captains.

Mrs. Donnie Phillips(Sandra) the only woman of the 22 members is Radio Dispatcher.

Our fire department is an asset to our city, and is due a lot of credit and thanks for the free service they render to our town and community.

Dr. Lawrence Speaks To Teachers

Dr. Tom Lawrence, Educator for 24 years, was speaker for Mitchell County TSTA Monday night at the Loraine cafeteria. He spoke on operational organization of the Regional Service Center for Region 14 in Abilene, of which he is current director.

The remainder of his talk was devoted to trends in education which he listed as accountability of teachers, evaluation of performance as well as self evaluation and a greater devotion to hard work.

Approximately 130 teachers and guests from Colorado City, Loraine and Westbrook attended.

In the business session delegates to the District Convention were elected which included Margaret Latimer, president; Billie Ruth Tartt, L. R. Dunn, Wilma Reynolds, Bill Everett and Tom Harkey.

The tables were decorated with Harvest theme arrangements made by the Homemaking department, centered around hand made corn husk dolls dressed as teachers.

Yearbook

Members of the Zeta Delta Study Club construct the year book for the 1973-74 club year. They are, left to right, Janie Farda, Jennie Wright, Brenda Tarter, Tina Raschke and Sharon Bautisto. Janie Farda, chairman, presented year books to all members after they were completed.

Constructing Goods

Members of the Zeta Delta Study Club construct items to be auctioned off when the club held its popular Chinese Auction to help raise money for the scholarship to a graduating senior. They are left to right, Sharon Bautisto, Brenda Tarter, Janie Farda, Tina Raschke and Jennie Wright.

Displaying Items

President, Brenda Tarter arranges items at the Chinese Auction that was held in the Reddy Room of the Texas Electric Company. Members brought two handmade items to be sold for a fund raising project. The club will have another Chinese Auction in the future.

Installation

Officers were installed for the new year Monday, September 11, in the Reddy Room. They are, top picture left to right, Brenda Tarter, president; Janie Farda, vice president; Tina Raschke, recording secretary; Jolyn Mikow, corresponding secretary and Jennifer Hart, installing officer. Bottom picture, left to right, Jennifer Hart, left, installs Pat Geiger, historian; Jean Robinson, reporter and Nancy Hamner, treasurer.

"Yesterday, Today, And Me", Theme For Coming Club Year

Zeta Delta Study Club has begun work for the 1973-74 club year. Enthusiasm and anticipation are very evident among the club members.

Zeta Delta has many goals to achieve and much work to be accomplished for both the club and the community. Their club year officially began with a salad supper, September 10, at the Reddy Room of the Texas Electric Service Company.

Officers were installed for the coming year by Mrs. Mike Hart, outgoing president. They are, Mrs. Joe Tarter, president; Mrs. Mike Farda, vice president; Mrs. Larry Raschke, recording secretary; Mrs. John Mikow, corresponding secretary; Mrs. Larry Hamner, treasurer; Mrs. Rick Robinson, reporter; Mrs. Dale Geiger, historian and Mrs. Mike Hart, parliamentarian.

A Chinese Auction was held as the club's first fund raising project of the year. This has been a big success for the club and delightful for each member. Each member brought two handmade items to be sold.

Many creations appeared including plaster works, baked goods, decapague, art, hand paintings, bulletin boards, terrariums and recipe holders. Proceeds from the auction will be used to build the scholarship fund which is given to a high school Senior each year at graduation.

Zeta Delta Study Club meets in the homes of members on the second and fourth Tuesday nights of each month. The club's theme is "Yesterday, Today and Me." The course of study is "The Last Whole Earth Catalog."

Each individual program carries out the year's theme. Many interesting programs are planned for the year including: demonstration and instruction of oil painting and acrylics; breadmaking; cooking with herbs and spices; Texas Indians; Christmases of Old; tips for a more beautiful you; organic gardening, book review and psychological analysis.

Club projects for the year are; scholarship to graduating senior girl; room favors for rest home resident; decoration of window in vacant store; participation in the Mitchell County Fair and two Chinese auctions.

The highlight for the year will be on April 9 when the club will present a Nostalgia Fair entitled "AMERICANA: A TOUCH OF NOSTALGIA, A TOUCH OF NOW." This will be a live demonstration and exhibit open to the public at the Lone Wolf Cooperatorium.

Everyone will be able to view live demonstration and exhibits being done by club members. There will be drying of flowers, making candles and soap, braiding rugs, quilting, making silhouettes, canning and jelly making. Also sewing with knits, fondue cookery and furniture refinishing.

This is a new project for the club originated by the yearbook planning committee composed of Janie Farda, Brenda Tarter, Jennie Wright, Shana Bassinger, Jean Robinson and Marilyn Hicks.

Some of the guest speakers for the year include Joy Culwell and a representative from Charle's and Sue's School of Beauty in Snyder. However, Zeta Delta is a young, active club and most of the programs are presented by club members.

Programs on Texas Day, Americanism Day and Texas Federation Day will also be presented throughout the year. On Americanism Day the entire club will visit a regular session of the Colorado City Council meeting.

Zeta Delta Study Club has presently eighteen members. They are: Shana Bassinger, Sharon Bautisto, Janie Farda, Pat Geiger, Nancy Hamner, Jennifer Hart, Marilyn Hicks, Cheryl Kennedy and Jolyn Mikow.

Also, Ann Nobles, Tina Raschke, Jean Robinson, Brenda Simmons, Janet Stockton, Brenda Tarter, Jennie Wright, Pat Armitstead and Sue Ingram.

Important Election

Next Tuesday is a very important day in the history of Colorado City.

That is the day voters will go to the polls to express their opinion on the $1.75 million bond issue that, if passed, will build a new high school and will pay for the extensive renovation of existing school facilities.

If you have any questions on the bond issue, school officials have urged that you call the superintendent or any school board member.

It is very important that everyone exercise their right to vote. In this election, as in all elections, the vote of every single person is important.

1974 Chevrolet
A better-than-ever way.

GM

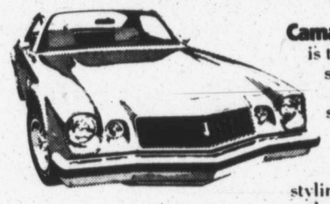

When the wheel belongs to you, the road goes anywhere you say. And it's so much better with a '74 Chevrolet.

Caprice Classic. Introducing an elegant motor car, just asking to be enjoyed. Outside: an imposing new grille, and on the Coupe, a distinctive new roof line. Inside: peace, quiet and convenience. With standard power steering to do most of the turning, standard power front disc brakes to do most of the stopping, and a standard Turbo Hydra-matic transmission to do the shifting. If you want the luxury and comfort of a car that leaves little else for you to do but enjoy the ride, you don't have to look beyond the '74 Caprice Classic. However, the freedom of the open road begins with the freedom of choice:

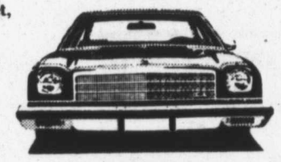

Vega GT. This year's version of last year's *Motor Trend* Economy Car of the Year. (And *Car and Driver* Readers' Choice as Best Economy Sedan for the last three years.) With a reshaped nose, bigger bumpers, nicer carpeting, new stripes and new colors. Plus more good things to make it better. See what it's like to drive a winner.

Camaro. The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering. And comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut-pile carpeting up.

Malibu Classic. A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut-pile nylon carpeting. That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all Chevelle. With Chevelle handling and at a Chevelle price. Now that you've looked, come and see the new Malibu Classic—and all the 1974 Chevrolets. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.

PUBLIC NOTICE

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 6, 1973

NUMBER ONE ON THE BALLOT (S.J.R. 8)

Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to:

Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days;

Provide an annual salary for members of the Legislature not exceeding $15,000 per year and a per diem not exceeding $18 per day for each day of each regular session or special session;

Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for annual regular sessions of the legislature; and to provide an annual salary of $15,000 and per diem for the members of the legislature, effective in January, 1975."

NUMBER TWO ON THE BALLOT (H.J.R. 7)

Article XVI, Sections 50 and 51 of the Texas Constitution are amended to:

Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

Presently a single adult person is not entitled to claim a homestead exemption and a married man can abandon a family homestead without the consent of his wife.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

NUMBER THREE ON THE BALLOT (S.J.R. 13)

Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to:

Extend the $3,000 ad valorem tax exemption to the residential homesteads of unmarried adults.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the $3,000 ad valorem tax exemption to the homesteads of unmarried adults."

NUMBER FOUR ON THE BALLOT (S.J.R. 1)

Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which:

Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."

NUMBER FIVE ON THE BALLOT (S.J.R. 12)

Article XI, Section 7 of the Texas Constitution is amended to:

Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds for the construction of sea walls and breakwaters upon a vote of the resident property taxpayers."

NUMBER SIX ON THE BALLOT (S.J.R. 26)

Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which:

Provides that the district court, concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such matters shall be to the courts of (civil) appeals."

NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Article III, Section 49-b of the Texas Constitution is amended to:

Provide for an additional $100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present $400 million authorization to $500 million;

Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who serve after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified;

Provide that, in the event of the death of an eligible Texas veteran after the veteran has filed with the Board an application and contract of sale to purchase through the Board the tract selected by him or her and before the purchase has been completed, then the surviving spouse may complete the transaction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for an additional $100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund."

NUMBER EIGHT ON THE BALLOT (S.J.R. 29)

Article XI, of the Texas Constitution is amended by adding a new Section 5(a) which:

Authorizes and requires incorporated cities, towns, and villages, regardless of population and notwithstanding the constitutional limitations on total tax rates, to levy such annual ad valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations hereinafter issued by the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows:

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

People shouldn't be pressured into marrying at any age. When too young, usually they're not psychically prepared to bear family responsibilities. Therefore they sometimes fail, points out Dorothy Taylor, family life education specialist, Texas Agricultural Extension Service, Texas A&M University System.

WTC Offers Adult Courses

A new season of Community Service courses will be starting soon at Western Texas College, and J. M. Kayser, director of Community Service programs, is interested in talking to area residents about courses they would like to take.

Community Service courses are not taken for college credit. They can be arranged to offer instruction in almost any subject if there are enough interested people to enroll for a class.

Classes are scheduled to begin Sept. 25 in Radio Communications and Aviation Ground School. A new session of Defensive Driving will start Oct. 4. Defensive Driving is offered on a monthly schedule, and interested persons may reserve space by calling or writing at any time.

Interior Decorating, a course designed primarily for the homemaker, is to begin Oct. 2.

Classes in Adult Basic Education are planned to begin in October, but no date has been set. This program offers instruction at no cost to students have never attended school or who need help to pass the General Education Development (GED) test.

How to make your electric payment the same every month.

As temperatures go up and down during the year, your electric bills do, too.

That's why we offer our residential customers a Level Pay Plan — an option that lets you pay for your electric service in equal monthly payments.

Here's how it works: Based on an analysis of all the information we have regarding your account, we estimate your yearly electric costs and your monthly average — and if you agree, that's what we bill you.

During periodic reviews, if we find you've used more or less electricity than first estimated, we'll work out an adjustment.

If you think you'd like the convenience of "Level Pay," give us a call, or simply let us know on the comment portion of your electric service bill.

Dock McWilliams

McWilliams Services Monday

Dock L. McWilliams, 76, of Colorado City, a retired Burns Detective Agency employee, died early Sunday in Root Memorial Hospital after a long illness.

Funeral services were at 2:30 p.m. Monday at Oak Street Baptist Church with the Rev. Don Timberlake officiating, assisted by Rev. Glenn Roenfeldt. Burial was in Colorado City cemetery under direction of Kiker- Rains-Seale Funeral Home.

Pallbearers were Gene Parham, H. B. Graves, A. E. Danborsky, R. C. Noel, Robert Sayger and Holly Howell.

McWilliams was born in Canton and married Mary Dubouse July 31, 1916 in Martin Mills. They came to Colorado City in 1929.

A member of Oak Street Baptist Church, he is survived by his wife; two sons, Victor of Stinett and Morris of Clovis, N. M.; two daughters, Mrs. Royce Mahon of Loraine and Mrs. Bob Schooling of Perryton; by 11 grandchildren, 6 great grand children and two nieces and two nephews.

Joint Meeting Held

A joint meeting of the VFW and the Ladies Auxiliary was held last Thursday evening, with guest speakers Lloyd McKee and Bob Motley, superintendent and board member, presenting members with information concerning the proposed school bond issue.

Polling Place

Mitchell County Commissioners met in a special called meeting Tuesday morning to discuss complying with the new election code passed by the 63rd Legislature.

The amendment to the code requires that a voting precinct whall not number less than 100 voters registered in the last presidential election. This amendment applies to Cuthbert, which had only 77 registered voters in the last presidential election.

Motion was made and passed to abolish the election precinct No. 6 (Cuthbert). All registered voters formerly in precinct 6 will now vote in Precinct 2, Westbrook.

Adams To Play

Jay Boy Adams and Friends will present a 30-minute concert from 4-4:30 p.m. today at Adams Chevrolet-Oldsmobile.

The concert will be held in conjunction with the showing of the 1974 Chevrolet and Oldsmobile line by Jay Adams and Joe Weaver.

Jay Boy Adams has just completed a nation-wide tour with Z-Z Top and will include his own compositions in the concert.

Kelley Sr. Honored By Hall Of Fame

Four of the five living honorees will attend the 1973 Hall of Fame Dinner sponsored by the Permian Basin Petroleum Museum, Library and Hall of Fame on Thursday, Sept. 27, in Midland.

Morgan J. Davis of Houston, retired Humble Oil executive, Paul Kayser of Houston, founder and chief executive of El Paso Natural Gas, C. J. Davidson of Fort Worth, independent producer responsible for several major basin discoveries and H. B. Fuqua of Fort Worth, formerly with Gulf Oil and now chairman of the board of Fort Worth National Bank, will be present at the dinner.

The fifth living honoree, Charles Beyer of Arlington, will not be able to attend for health reasons.

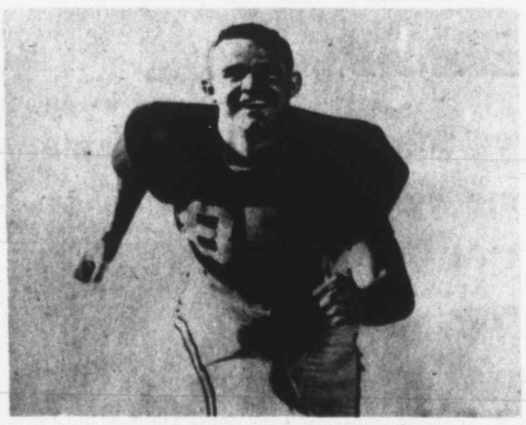

The other 1973 honorees, all deceased, are:

Dr. Jim Camp, physicaian of Pecos, Texas; Howard R. Hughes Sr., inventor and executive of Houston; Frank H. Kelley, landman and civic leader, of Colorado City, will be represented by his widow, Mrs. Kelley of Colorado City and Ralph F. Lowe, oil explorer and producer of Midland.

The 1973 electees bring the total to 35 persons whose portraits and biographies will appear in the Midland oil museum on its completion in 1975.

Tickets to the 1973 dinner are on sale to the public through the museum office, 408 Gihls Tower East, or by calling 682-5172. The affair will be at Midland Country Club.
