Seven Member Board Formed Under Ruling

Mitchell County has a new Appraisal District Board of Directors as indicated under Senate Bill 691 (Tax Relief Legislation).

A quorum from each taxing entity in the county met at the Civic Center Thursday.

The purpose of the meeting was to determine if the entities wished to invoke a three-quarter ruling clause in the tax code

which allows them to set aside normal procedures and speed up the process of initiating the new system.

Loraine School Board member Ronald Bruce opened the discussion with a motion that the three-quarter ruling be invoked.

Under the legislation a five man board would be elected by the taxing bodies with five candidates per entity set as the limit for nomination.

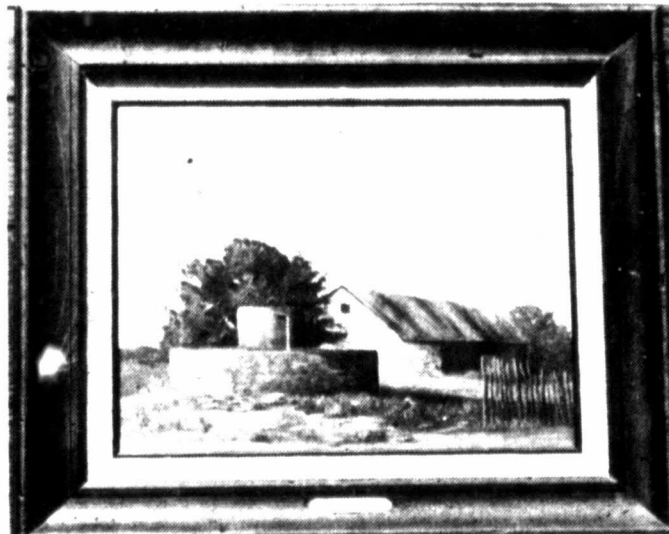

Of these five members, Colorado Independent School District would have 3.06 votes per man; Mitchell County would have 1.38 votes per man; Westbrook Independent School District would have .72 votes per man; Colorado City would have .42 votes per man; Loraine Independent School District would have .36 votes per man; Loraine would have .06 votes per man and Westbrook would have no vote.

The cost to each entity to establish the new system is allocated with CIST paying 45.20 per cent of the cost; Mitchell County paying 19.94 per cent of the cost; Colorado City paying 5.89 per cent of the cost; CSD paying 5.30 per cent of the cost; Loraine paying .92 per cent of the cost; Westbrook paying .07 per cent of the cost and the Hospital District, who has

one category will be for merchants and civic clubs and the other will be for school organizations and classes.

Those wishing to enter a float should contact Kathy Wilson at Colorado High School.

As of Friday afternoon, five organizations had submitted float entries: the Junior Class, Spanish Club, Art II Class, Science Club and Sophomore Class. There is no entry fee to enter the parade.

ABILENE ARTIST BILL MITTAG (bottom photo) painted the picture in the top photo which is an example of the type of exhibits which will be on display at the Railroad Arts and Crafts Round-up set for the Mitchell County Fair Barn on Oct. 27-28. Other paintings by Mittag will also be on display at the round-up.

Homecoming Plans Set For Week End

This is Homecoming Week in Colorado City.

Plans are well underway for the annual event which will begin with a pep rally in Colorado High School at 7 p.m. Thursday. Following the pep rally there will be a bonfire at the Curt Shaw farm near Buford at 8 p.m.

The big event of the week will be the Homecoming contest at 8 p.m. Friday between the Wolves and the Anson Tigers.

As the highlight of the halftime ceremonies at this contest, the 1979 Homecoming Queen will be chosen from among five senior girls.

This year's candidates are Terry Munciel, Penny Laws, Dee Ann Griffith, Holly Nef and Mary Holder.

Railhead Round-up Previewed

The 1979 Railhead Arts and Crafts Round-up is set for Oct. 27-28 at the Mitchell County Fair Barn on West Highway 80.

The event will run from 10 a.m. to 6 p.m. on Oct. 27 and from noon until 6 p.m. on Oct. 28.

Persons interested in submitting entries to the Roundup should contact Pam Beasley at 644-3331 or Carolyn Smith at 728-3323. Entries should be submitted about one week before the Round-up.

Thus far there have been about 30 entries submitted from Clyde, Midland, Anson, Sanderson, Odessa, Big Spring, Fluvanna, Clovis, N.M., Roscoe, Sudan, Snyder, Abilene, San Angelo, Lubbock, Kermit and Crosbyton as well as the entries from Mitchell County.

Local entries so far include Sherman Hart exhibiting belt buckles, necklaces, and chimes; Patty Bodine Henager exhibiting hand painted plaques and woodstools; Clydene Kimbrell exhibiting quilts; Modell Shurtleff exhibiting ceramics and lighted trees and Mrs. Gus Chesney exhibiting porcelain articles.

County Fair Is Due Thursday

County Fair festivities are scheduled to begin Thursday and run through Saturday.

According to Bobby Lemons, judging and tagging for all entries will be held Thursday afternoon at the County Ag Barn.

Contestants will bring entries to the barn between 7:30 a.m. and noon Thursday and the barn will be closed that afternoon.

Items will be left on exhibit through Saturday and picked up Monday morning, Lemons noted.

A children's pet contest will be held Saturday at 10 a.m. The contest will be divided into several classes, Lemons stated. All children are encouraged to enter any type of pet.

Saturday at about 10 p.m. members of the 4H and FFA Clubs will hold a drawing with a rifle given as prize, Lemons stated.

"We have over 3,000 items entered so far," Lemons commented, "everything from a stalk of cotton to a hand made gown," he said.

Booths are available at \$25 for a single and \$40 for a double. There will be both commercial and individual booths, according to Lemons.

"This year we have established a men's department too. That is so if a man has cooked, canned or sewn something he can compete on his own level," Lemons commented.

"Judging will be made on individual merit of the product and each division will have a sweepstakes in both junior and senior divisions.

There are over 400 classes," Lemons indicated.

Entry fee for general admission will be 50 cents each or \$2 a carload.

There will be food booths and a carnival starting Wednesday for everyone to enjoy, he stated.

Members of the Volunteer Fire Department will put on a display using the "Jaws of Life" at about 7:30 p.m. all three days of the Fair.

They will demonstrate on three cars how effective the hydraulic tool works to cut, pry and open crushed vehicles, Lemons commented.

Lemons urges anyone interested in entering any item in the Fair to be at the County Ag See FAIR Page 9

Lone Wolf Due Funds

Lone Wolf Electric has been awarded a loan of \$554,000 from Rural Electrification Administration to be utilized in the six counties it serves.

These six counties are Mitchell, Scurry, Howard, Borden, Nolan and Fisher.

"These monies were requested in a long range forecast," Manager Kenneth Rogers commented.

"They will be used over a two year period to help extend service to an estimated 275 new customers," he said.

Barber Gives City Airport Proposal

Dell Barber has presented Colorado City Council with a proposal to end ownership dispute over the Webb Auxiliary Airstrip, currently used

as the city airport.

The eight part proposal was considered at length by the council, then a trip was made by the group to the airstrip

to try to determine the exact boundaries of the proposal.

During an emergency meeting held Wednesday, the council voted to agree with most of the proposal parts and submit a counter proposal.

The dispute over the ownership rights began when the airstrip was vacated by the United States Air Force and granted to the city.

Barber, who originally held title to the property, had a clause included in his deed to the government stating the property would revert back to him if it was abandoned by the government.

This reversion clause constitutes a cloud on the title which the city holds, according to City Attorney Pete McKinney.

If the city cannot obtain a release from Barber through negotiation, court action will become necessary, McKinney told council members.

In his proposal to the city, Barber agreed to pay \$25 an acre to the city for the portion of the field they agreed on and decided the city did not require for a municipal airport. This was termed abandoned acreage.

He also agreed to pay one half of the survey cost to divide the strip.

Number three in the proposition states Barber will furnish supplies and equipment and supervise the removal and replacement of all fencing around the airfield. The city is to furnish at least two helpers.

The city is obligated under the agreement to maintain the fence and assumes all responsibility

for keeping livestock out of the airfield.

Barber's proposition requests the city turn any money he tenders for the abandoned property back to him as compensation for restoration of damages. This amounts to about \$5,000, according to City Manager.

Revenue Sharing Budget Discussed

The county will have a new D6D Caterpillar tractor and a revenue sharing budget totaling \$110,892 as a result of a Commissioners' Court meeting held Friday at the county courthouse.

Treanor Equipment Company submitted the only bid in reply to commissioners' request for a tractor.

The bid was for \$108,517 less trade in on the County's D6 tractor of \$50,517. Total cost to County is \$58,000 with delivery to be effected shortly after October 11.

A revenue sharing budget extending from October 1, 1979 to September 31, 1980 was discussed during the workshop session of the meeting.

Commissioners proposed \$13,500 be budgeted for Mitchell County Ambulance Service, \$5,000 for City Dispatcher and \$12,000 for Mitchell County Rural Fire Call Fund.

Other items proposed for the budget are \$1,200 for city dump ground use, \$5,700 for replacement of one sheriff's automobile, \$6,131 for social service to aged

and \$3,000 to library fund.

"We need to retain at least 50 per cent in the Road and Bridge fund because with the amount of equipment we have and considering depreciation, we are going downhill," Commissioner Mark Vest said.

\$64,361 was allotted to the roads and bridges fund in a proposal made by County Commissioner Paul Hunter.

"We need this money there because the R&B account acts as a pad for the other accounts. We can control the amount spent on roads but we cannot control other accounts."

"This is where we get the money which is not budgeted for things that come up during the course of the year," Hunter commented.

Other items discussed for approval were a cot for the Loraine ambulance and a tank and pump to replace the one currently used on the water truck of the Westbrook Volunteer Fire Department.

This was just a workshop and no budget was set.

COLORADO CITY JAYCEES and the Mitchell County Boys' Club have joined forces to renovate the former American Legion Building at 3rd & Chestnut. The building has been used by the Boys' Club for a number of years but they needed help and the Jaycees needed a building to help carry out their projects so an agreement was reached. In picture above, Jaycees' President Dr. Don Bennett, right, and Boys' Club President Pat Barber, left, are shown with members of the Jaycees after both organizations approved a contract on their agreement Wednesday.

Jaycees To Sponsor Boys' Club Program

Colorado City's Jaycees Wednesday voted to become a sponsor for the Mitchell County Boys' Club.

The Boys' Club is located in the former American Legion building at 3rd & Chestnut. In the

past three years, most of the activities of the club have included boxing and weightlifting.

The agreement between the Boys' Club and the Jaycees notes, "For the past three years, the Boys' Club

has offered two programs: a boxing team and weightlifting. The boxing team is the current primary program of the Boys' Club, culminating last season with 26 active members, and participating in several area tournaments and one local tournament."

The agreement also notes, "Notwithstanding the fact that the Mitchell County Boys' Club is a viable and on-going organization, it is evident to the Boys' Club leadership and to the Jaycees that formal sponsorship of the Boys' Club by the Jaycees would be beneficial to both organizations."

The agreements consist of the Jaycees having use of the top floor of the building and the Boys' Club having use of

My World

By GARRY PEEBLES

It seems like everytime I pick up a newspaper or magazine lately I read about how it's almost a dead certainty that Ted Kennedy will be the Democratic party's Presidential candidate in 1980.

Everybody seems to have completely forgotten his little escapade at Chappaquiddick in 1969.

I think that if the Democrats nominate Kennedy, the Republicans should nominate Spiro Agnew so the voters of this country will have a choice between two really "top notch, first class individuals" in next year's election.

For this edition of my column I thought it would be interesting to go back to a previous edition of the Colorado City Record and see what was going on then. I went back 25 years.

Anyway, here are some of the things I found on the yellowed pages of the Sept. 30, 1954 edition of the Record.

One of the front page stories concerned two 11-year-old boys who had smashed open a penny chewing gum machine at Kelley's Shoe Store and presumably helped themselves to its contents.

That crime spree ended, however, when they were apprehended by the police and turned over to the county juvenile officers.

Probably the most interesting front page story concerned the Wolves football squad of that year.

Sammy Baugh had been the guest speaker at that week's quarterback club meeting and the story concerned his speech and his words of praise for the Wolves' team.

He began, "People all over West Texas are talking about Colorado High's good football team." Sammy Baugh continued, "You have the makings of a championship team and I would like to see you go through the season undefeated. It would be a wonderful thing for your boys...and a wonderful thing for the town."

As it turned out, the 1954 Colorado Wolves did go unbeaten through the regular season. They then defeated Seymour 41-27 in bi-district.

In regional they played the Phillips Blackhawks at See COLUMN Page 10

MOVE OUT!

Rev. G. G. Flores Pastor Christian Temple Church

God has sent forth His Word that unto Him, "every knee should bow... and every tongue shall confess..." (Rom. 14:11). When He speaks, we must listen. It is not our thing to alter or minimize the message, nor are we called to defend what God says, for the Bible is not on trial, we are. Our responsibility is to obey the order, not give the command.

Far too many of us are unwilling to cut loose from our self-reservations and actually let God have his way. Complacency is the "IN-THING", all the emphasis is upon our rights, our privileges, our security and this leaves little or no concern for the stern demands of our Discipleship. Oh, yes, the rugged obedience of the cross may still be found in our creeds, but it is hard to find in our daily lives. We are so tamed, that the world finds it hard to hate us and many of us like it like that!

With such a compromising attitude toward the word, it is not surprising that so many Christians live a defeated life. Many Christians, in trying to protect the glitter of our own desires, have lost the glory of the heavenly vision. Someway, somehow, the frustrations of living in a divided kingdom has punctured the beauty of devotion, and the joy has leaked out. There is no song in our step, no praise in our soul, faith survives but without power.

We've got to look to the Bible, back to the Power that turned the world upside down; back to the promise of the Father which when received fills life with the presence of our Loving Savior. For until the Spirit of God ignites our whole being with God's love, there is no way to rouse the Church to action. We must go deeper before we can go farther and this means, that Christ must be Lord of all, every known hindrance to the will of God must be laid aside in adoring submission to his sovereignty.

Selfishness must die, and all that we are must be freely offered to Him, for only to the extent that we allow ourselves to experience this depth of consecration can we the Church truly recapture the dynamics of the New Testament. To look at it objectively, church growth and renewal...not the acquisition of numbers through cheap membership drives; but the real conversion of men by the Power of the Holy Spirit.

Too many, too long, have been playing Church too much. The time has come for the Church to prepare for spiritual conquest! Oh yes, we may get hurt in the fray, but great revivals are unusually born out of great adversity. I believe God can do it again, and in this expectation, we should set our course with Him. "ONWARD CHRISTIAN SOLDIERS".

Deposit Up To \$1,500 TAX FREE IN THE CITY NATIONAL BANK IRA INDIVIDUAL RETIREMENT ACCOUNT

If you're not covered under any other retirement plans, start your own.

It is an account called Individual Retirement Account (IRA) approved by the Internal Revenue Service. It is now possible for wage earners to add to their financial security by establishing their own personal retirement plans. Federal Legislation now permits employees and self-employed persons receiving compensation and not covered under any other retirement plan to establish their own INDIVIDUAL RETIREMENT ACCOUNT. And you can save immediately on income taxes while planning a secure future for you and your family.

What is an Individual Retirement Account?

An Individual Retirement Account (IRA) is a personal tax sheltered retirement plan. It was developed to bring every American worker the opportunity to build a more secure future for themselves and for their family.

Who can establish an IRA?

IRA's are available to any wage-earner. The only requirement is that you not currently be a participant in an employer-sponsored plan.

Can my spouse establish one?

Your working spouse may establish a separate IRA, too, provided he or she is not currently a participant to an employer-sponsored plan.

How much can I contribute to my IRA?

Federal laws allow a maximum annual contribution of \$1,500 or 15% of wages, whichever is less. Of course, smaller amounts can be contributed each year.

Are my contributions tax deductible?

For Federal income tax purposes, contributions to an IRA are fully deductible for gross income up to the maximum allowed by law. You can deduct your contribution even through you don't itemize deductions.

American Heart Association Is Organized For Mitchell County

Janet Odum of Abilene, Regional Director of the American Heart Association, met with a group of Mitchell County Citizens last Tuesday evening to organize a Mitchell County Division of the American Heart Association.

The meeting was held in the C.C. Thompson room of the City National Bank annex. Mrs. Odum told the group that Mitchell County was one of three counties that raised over 33 per cent of its total contributions through

memorials during the last year.

The group discussed possible aims and goals that could be accomplished by a local chapter.

Selected to serve on the Board of Directors were Monte Jones, president; Brian Basham, vice-president; Leigh Erwin, secretary and Carolyn Smith, treasurer.

Committee chairmen appointed were Patrice McKinney, campaign committee; Jolyn Mikow, program committee and Anita Richardson, public information committee.

The next meeting of the group will be on Oct. 2 at 7 p.m. at the Sweetwater Savings and Loan building.

The authorized person in Mitchell County to receive donations for the memorial fund of the association is Janie Henderson at the City National Bank. Donations to the association are tax deductible.

Mr. and Mrs. R. S. Wallis

...celebrate 50th anniversary

Lil Vest Is Tops Queen

The TOPS TX 691 met Monday evening with Frances Brooks and Sue Compton weighing in each member.

The new Bingo Weight Control contest has started and the winner of this contest will be the Lucky Lady of a miscellaneous shower.

Mrs. Elma Adams was

welcomed as a new member.

Lil Vest was again Queen for the third consecutive week.

Joyce Vaughn wore the crown Monday evening for the most weight lost.

Sue Compton's team will serve a salad supper Oct. 1 at 6 p.m. for Dottie Acuff's team.

Members present were Louise Sweat, Juanita Schafer, Frances Brooks, Joyce Vaughn, Dottie Acuff, Sue Compton, Jo Hill, Vera Carroll, Louise Logsdon, Mattie Hines, Linda Ring, Lil Vest and Elma Adams.

Reception Will Honor The Wallis' On Golden Celebration

Mr. and Mrs. R.S. Wallis will be celebrating their 50th wedding anniversary Friday. The couple will be honored on Sunday with a reception at the Lone Wolf Medallion Room.

Hosting the occasion will be their daughter and son-in-law, Mr. and Mrs. Bo Market of Colorado City, son and daughter.

in-law, Mr. and Mrs. Joe Wallis of Coahoma; grandchildren, Rodney and Lesley Market, Mr. and Mrs. Craig Market all of Colorado City, Mr. and Mrs. Steve Wallis and Stevie of Big Spring and Kathi Wallis of Coahoma.

Richard Wallis married Eva Muriel Brooks in Coleman County on Oct. 5, 1929. The couple lived in

Coleman and Brownwood before moving to Colorado City in 1947. Wallis was a truck driver and is now an Electroflux representative. Mrs. Wallis is a nurse and has worked in the nursery and pharmacy of Root Memorial Hospital since 1948.

Friends of the couple are invited to attend the reception between the hours of 2 p.m. and 4 p.m. on Sunday.

Loraine Ex's Set Plans

The Loraine ex-students and teachers along with guests are invited to activities scheduled for Homecoming Oct. 12 and 13.

Beginning Friday will be the homecoming football game with Sterling City at 7:30 p.m. in Johnson Field.

Registration will begin Saturday morning at 10 a.m. in the school cafeteria.

Lunch will be served in the school cafeteria at noon. The program and business meeting will get underway at 1 p.m.

The class of 1949 will

be in charge of the program according to Patsy Walker, secretary of the Ex-student Association.

Driver's License Office Will Be Closed

The Driver's License Division of the Department of Public Safety will be closed all day Thursday.

The office will also be closed on the following Monday, according to THP Official.

Members Attend Convention

Minnie Howell, Della Fox and Dona Reed attended the volunteer Services State Council Convention held at the Emerald Beach at the Holiday Inn in Corpus Christi.

Hosting the event was the Corpus Christi State School Thursday through Sunday.

The convention began on Thursday with a tour of the Corpus Christi State School.

There were many interesting workshops on such topics as "how to make grant requests different," "volunteers in community MHRM Centers" and "using auditory communication devices to work with multiple-handicapped clients."

A harbor cruise aboard the "Marlin Queen", a twilight tour of Corpus Christi's bay-front area and other sites were enjoyed.

TEHACouncil Meets To Finalize Plans For The Mitchell County Fair

The TEHA Council met Thursday in the Medallion Room of Lone Wolf Electric with Mrs. J.D. Gibson, chairman, presiding.

Seven clubs were represented at the meeting. They were Mrs. Floyd Griffin and Mrs. Flora Butler of the Baumann club; Mrs. Lindley Webb and Mrs. W.E. Cooper of the Buford club; Mrs. E.E. Cummings of the Colorado City club; Mrs. Versie McMillian of the Fairview club; Mrs. W.H. Prescott

and Mrs. Bill Hames of the Looney club; Mrs. Arthur Shephard and Mrs. Raymond Wheeler of the North Loraine club and Mrs. Billie Sweek and Barbara Casey from the newly organized Westbrook club.

Each club answered roll call with their monthly reports.

Final plans were made for goods to be served at the county fair with all clubs participating.

Mrs. W.H. Prescott and Mrs. Mabel Givens were named co-chairman of the annual Christmas luncheon.

Mrs. Givens, TEHA chairman, announced

that three delegates will be attending the State Convention in Dallas. They are Effie Wheeler, Pauline Griffin and Frankie Cummings.

***CITY.** From Page 1
ager Ray Mason. This would release the city of any further damage payments on the abandoned property.

The existing fence will be moved to about 85 feet from the pavement on both sides of the runway and about one mile of runway will be retained by the city.

About the first 800 feet of fencing will be moved to within 50 feet of the pavement on the taxiway and after that to within about 50 feet. This is all according to Federal Aviation Regulations.

This regulation also states that any structure erected on the property must set 34 feet back from the flight path, at either end, for every one foot of height the structure is.

The council has proposed to retain a total of about 5,280 feet of property at the strip.

The city is to keep its cattle guard and gates across the easement on the north end of access road in good repair under the agreement.

Number seven in the proposal requires the city to keep the surface of the airfield in such a condition that there will

be no wind erosion of sand.

Number eight in the agreement is a part the council took exception to.

It states, the deed, or contract of possession under which the city holds possession of such airfield is to be enlarged in the following manner, and no other, and is to remain in full force in all of its terms and wording, subject to the following amendments, to wit:

Barbers agree that there will not be any drilling for oil or other exploration upon the runway, or taxiway, nor within 200 feet of any building placed thereon.

That no drilling rig or tank battery will be placed upon the airfield EXCEPT for temporary use, but Barbers will have the right to lay pipelines across such airfield to be used in the exercise of their rights as mineral holders, but such pipeline or pipelines shall be placed below the surface of the ground.

During City's possession under this instrument, it is hereby given a flight area at each end of such one mile runway of two hundred (200)

feet plus an ascending height of one (1) foot in height to every thirty-four (34) foot in length.

The above amendments shall become a part of the original Deed or Contract of Possession and shall be in full force and effect as long as the City complies with every other part of the Deed or Contract of Possession, but not otherwise.

These revisions were added and a proposal was made by the City of Colorado City in response to the proposed contract by Dell Barber.

The CITY will accept a Warranty Deed to the surface estate, granting to the City unencumbered free simple title to the property attached hereto as "Exhibit A." The BARBERS will pay \$25 per acre for the abandoned acreage originally conveyed to the city as an airport. A survey will be done of the property, and payment shall be made pursuant to said survey. The CITY and the BARBERS will pay one-half each for the survey costs.

The CITY will pay such amount of money

as is received from the BARBERS to apply upon restoration damage and assist in construction of the fence. The BARBERS will release the CITY and any and all agencies of the United States Government from any claim of damages for restoration of the abandoned area.

The DEED to the property shall be for the surface estate only, however, the BARBERS will specifically release all rights of ingress and egress upon the property retained by the CITY for exploration of oil, gas and other minerals. The BARBERS will have the right to slant or directionally drill outside the property lines of the CITY.

The CITY shall grant to the BARBERS a pipeline easement across CITY property, but such pipeline or pipelines shall be placed at three (3) feet below the surface of the ground and be double cased.

The BARBERS in laying such pipeline or pipelines, shall not disturb the surface of the taxiway or runway, but may only bore underneath the runway or taxiway surfaces, so as not to disturb the pavement.

The double casing is necessary as a precaution against leakage of the pipelines as the CITY could face liability for personal injury and property damage caused by any oil slick on the runway or taxiway.

This pipeline easement is subject to FFA regulations, and if not approved by the FAA, is void.

BARBERS will grant to the CITY an easement for water rights for a now existing well. The cost of laying the pipeline to CITY property will be borne one half by the CITY and one half by the BARBERS.

The CITY will not have the right to actually drill a well on BARBER property, unless said right is given in

the future.

The BARBERS shall grant to the CITY an easement of access across their property to the South end of the CITY property. The CITY shall construct and maintain a roadway, specification of such to be detailed at the closing of this transaction.

"The council did not feel they could accept Mr. Barber's proposal because of the way it was worded," City Manager Ray Mason, spokesman for the council, said.

"They felt it would allow Barber to erect a drilling rig in the 800 feet which divides the hard surface. This would be a hazard to

aircraft using the strip."

"They also felt a need for clear title to the property because of the grant under which it is obtained. A clear title is required before any changes can be made at the strip," Mason noted.

"The stipulation about pipelines is indicated because the council felt the city would be liable for any accidents occurring from oil leaks, spills or weak spots in the runway created by a pipeline below the surface," Mason commented.

"Mr. Barber has refused the counterproposal," Mason stated.

"We have refused the proposal and will make a statement later," Barber commented.

distribution lines and other system improvements will be added to the present system, Rogers noted.

"We borrow about 80 per cent of our funds from the R.E.A. of the United States Department of Agriculture," he stated.

"The other 20 per cent comes from our own Co-Operative Finance Corporation," Rogers said.

"These monies will be used to extend service to both commercial and private residences as well as for maintenance and repairs," he noted.

"We hope to increase the distribution line capacity also," Rogers said.

Last Minute Effort Almost Wins For Wolves, Score Tied 14-14

Colorado City's Wolves beat the Post Antelopes Friday night...almost.

The feeling you get reading that is about the same feeling a large crowd of Wolf fans had at Wolf Stadium Friday night as the Wolves scored an apparent touchdown on fourth down with 59 seconds to go in the game that would have broken a 14-14 tie.

On the play, Wolves Quarterback Chuck Claxton on a screen passed to Doug Johnson who went some 18 yards to cross the goal line but at the nine yardline, a yellow flag appeared and a clip was called.

The situation had been set up after the Wolves took the ball on their own 46 and drove downfield as time was expiring. After the penalty and again on fourth down, the Wolves attempted another pass but it was intercepted to end the Wolves' threat.

Post spent most of the fourth quarter on the Wolves end of the field, courtesy of fumbles by the Colorado City squad but the Wolves' defense rose to the occasion.

The first and third quarters were a rather boring exchange of punts from a fan's point of view with all the scoring coming in the second quarter and the only other threats happening in the final stanza.

Post got the kick-off to start the contest and promptly lost nine yards of their first three plays before having to punt.

The Wolves got the ball and moved about seven yards forward before having to punt. And so the game went. On the Wolves third possession, they moved to the Post 24, but fell short of the needed yardage on fourth down.

As the second quarter started, Post got the ball on their own 24 and moved quickly in to score with one big play setting up a touchdown, that being a 45 yard pass to the Wolves two yardline. It took four plays, one of which involved a penalty setting Post back to the nine before Rance Adkins dived over from the two and Larry Rodriguez adding the extra point with 10:26 to go in the second quarter.

On the second play after the Wolves got the

kick-off, Jay Green broke through the left side of his line and raced 76 yards to score and Britt Chaney kicked the PAT to knot the score at 7-7 with 9:34 left in the second stanza.

However, that situation didn't last long as on the kick-off, Post tried a little razzle-dazzle with the receiver faking to three backs before handing off to Luna Alonzo who raced 85 yards along the visitor's sideline for a score and Rodriguez again added the extra point, giving Post a 14-7 lead with 9:20 left in the second quarter.

The Wolves couldn't move on their next possession, despite a good kick-off return by Doug Johnson to the Wolves 47. Post got the ball at their own 13 and two plays later an Antelope fumble was recovered by Squeaky Hanks at the Post 17 and from there, the Wolves moved on in with Green going the final two steps and Chaney again adding the extra point to once again knot the score, this time at 14 each with 5:40 left in the first half.

The Wolves got good field position early in

the second half after the Wolves Mark Piland hopped on a Post fumble at the Antelopes' 34 but the Wolves got to the 29 and punted with Russell Noel hitting the "coffin corner" and Post was deep in the hole at their own one.

Post got the ball at the Wolves 23 and again at the Wolves 25 on fumbles and were unable to move. Colorado City started the drive that ended once on the apparent touchdown and then for sure on the interception as the game came to a close.

On paper, the Wolves dominated the game, piling up 253 yards on offense compared to only 113 for Post.

Jay Green was the Wolves leading rusher with 154 yards on 17 attempts while Doug Johnson had 81 yards on 18 totes of the pigskin. Next week, the Wolves open District 6-AA play here against Anson in the homecoming game. Kick-off will be at 7:30 p.m. Friday.

The Colorado junior varsity football squad spotted Post two first half touchdowns Thursday and then came back to take the game by the score of 14-12.

Both of the Wolves' touchdowns came in the third quarter on passes from Jeff Hammond to Victor Jackson. The first TD pass traveled 60

yards and the second one went 40 yards.

Both of the extra points were kicked by Kirk Evans.

Hart praised the offensive line which was made up of Randy McPhaul, Gary Rowe, Jerry Pharris, Ray DeLoera, Victor Huff and Tim Nobles for doing an outstanding job.

Fred Salazar had three interceptions and Michael Scott, McPhaul, Pharris, Sammy Lujan and Dane Powell also had good defensive performances.

The junior varsity squad is now 2-1 for the season and will play Sweetwater on the road Thursday at 7:30 p.m.

xxx
The Colorado ninth grade football squad was beaten by Post 22-0 in a road contest Thursday.

Coach Rick Robinson had no comments about the game. The ninth graders are now 1-2 for

the season and will play Sweetwater there this Thursday.

xxx

Coach Raymond Zamarrilla's eighth grade football squad lost a close one to Post Thursday by the score of 18-16 in Post.

The Wolves took the lead in the first quarter when Ben Gonzales went over from 10 yards out to finish off a 50 yard drive. Larry Hamilton ran over the two points to make the score 8-0 in favor of Colorado.

The score at the end of the first quarter was 8-6 Colorado but by half-time Post had forged ahead 12-8.

The Wolves scored again in the third quarter on a seven yard run by Larry Hamilton. Ben Gonzales ran the two points.

Coach Zamarrilla commented that both the offense and the defense played well but

the thing that hurt the Wolves was that they had 10 penalties.

The eighth graders are now 1-2 for the year and will play Sweetwater here Thursday.

xxx

The Colorado seventh grade football squad had a good effort against Post in a road contest Thursday but still came out on the short end of a 12-0 score.

Coach Gaine noted that, "We whipped them all over the field, they had only two first downs."

Those two first downs, however, were also touchdowns.

Gaine added that Kevin Norman did a good job from his runningback position and Jay Piland played very well on defense.

The seventh graders are now 0-3 for the season and have an open date next week. They play Ballinger, there, on Oct. 11.

COLORADO HIGH SCHOOL'S JUNIOR VARSITY squad for 1979 is pictured above. They are as follows: (Front row, left to right) Mitchell Williams, Eddie Rivera, David Wilson, Buddy Holloway, Dalton Maddox, Victor Jackson, Michael Scott, Fred Salazar and Jeff Hammond; (Middle row) Kirk Evans, Todd Neff, Doug Tucker, Billy Gilstrap, Manuel Molina, Rey DeLoera, Jerry Pharris, Dennis Heredia and Coach Mike Hart; (Back row) Robert Taylor, Mike Smith, David Albin, Sammy Lujan, Victor Huff, Gary Rowe, Randy McPhaul, Marty Martin, Dane Powell, Tim Nobles and Ricky Thompson.

LORRAINE'S JUNIOR HIGH BULLDOGS for 1979 are as follows: (Front row, left to right) Tony Morris, James Griffin, Ramon Vasquez, Ted Mosher, Ruben Garcia, Martin Leija, Jeff Butler, Jessie Castro, Joe Espinoza, Manager Tommy Munoz, and Manager David Gamez; (Back Row) Coach Roddy Clack, Lupe Rodriguez, Ricky Banks, Danny Vasquez, John McAdams, Sammy Castro, Billy Jennings, David Barrera, Richard Batnett, Aundra Rose, Jerry Munoz and Coach Victor Munoz.

Banks, McAdams, Preston Are 'High Sales' Girls For FHA

The Loraine Chapter of the Future Homemakers of America has just concluded a highly successful drive in sales of "Home Economics Teachers' Cook Books."

The club formed groups of approximately eight member teams, who, then, competed with each other for the highest sales record. The drive was a concentrated three day effort. The winning team was headed by Jennifer Hackfeld with members Carla Banks, Teresa Clifton, Clarence Darnell, Sylvia Barrera and Sarah Munoz. This group sold 151 total cook books. Their award was a free class period, given by their sponsor and a free pizza party at the Pizza Hut in Sweetwater from the sales profits.

Carla Banks, member of this team, was not only high sales person within the club but broke the state record for "all time high" sales of these cook books, having sold 106 copies. This is possibly among the high sales for the company, which is the Favorite Recipes Press of Nashville, Tenn.

She will also win a cash award plus an engraved trophy from the company.

C-City Club Has Meeting

The "C-City Lake TEHA met Monday in the Westbrook Golden Age Club with Billie Patterson and Doris Penny serving as hostesses.

The club finished a quilt and made final plans for a booth at the Mitchell County Fair.

Refreshments of coffee, tea and doughnuts were served to Frankie Cummings, Billie Woods, Sheila Carver, Opal Montgomery, Doris Penny, Fannie Morris, Mary Dally, Bobbie Norman, Billie Patterson, Bea Harlow, Benita Smith, Linda Hearin and Candace Griffin.

1970 Class To Have Reunion

The 1970 graduation class will hold their ten year reunion immediately following the Homecoming football game Oct. 5 at the Civic Center.

All graduates, spouses and or dates of the class are cordially invited to attend.

A special invitation is extended to all sponsors and teachers of the class.

For further information, please contact Janie McVean by phoning 728-5749.

Holder Receives Degree

Gynthia Ann Holder was among the 113 students to receive a Bachelor of Science in Education degree from the University of Texas at Austin at the close of the 1979 summer session.

She received her degree with the highest honors.

She is the daughter of Mr. and Mrs. Kent Hold of 788 East Fifth St., Colorado City.

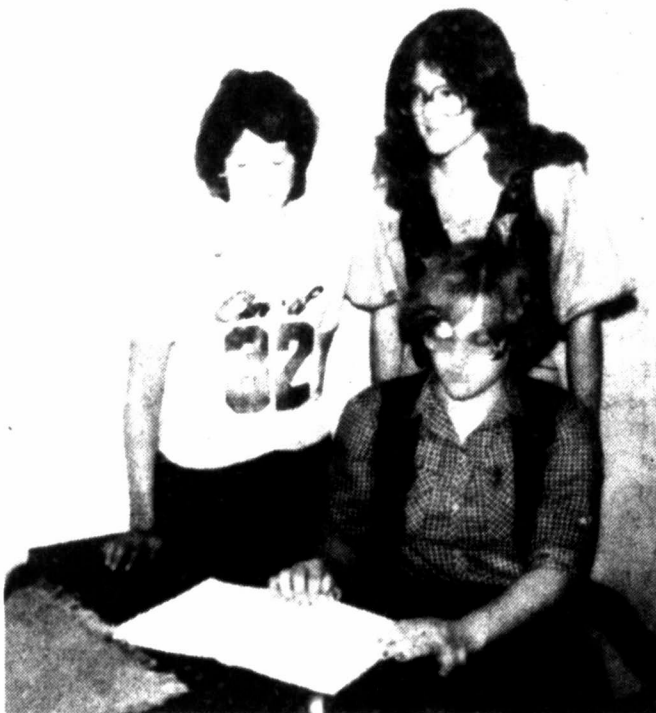

Cynthia Ann is a 1975 graduate of Colorado High School and she was valedictorian of the class.

School, stated that the drive was highly successful in several ways: the groups worked in healthy competition within the club; they were genuinely enthusiastic over getting out and selling for the furthering of class projects and programs; they uncovered some individual talents which might lead toward a career choice; teams worked loyally and encouragingly, supportive and unselfish of individual efforts; the success of the team efforts reinforced self confidence individually and collectively, and established good relationships and rapport within the community and the county as a whole.

Monies made through this and other drives are

used for the many projects of the club year including the West Texas Rehab Center in Abilene, the Leisure Time Nursing Home of Loraine, the State and area FHA Convention; the Areas of Encounter growth which is a program within the FHA organization encouraging individual growth of members in the areas of personal improvement, home, community, and school life.

The three "high sales" girls for the entire drive were Carla Banks, junior, Ginger Preston, sophomore and Stephanie McAdams, freshman. Carla was the high score girl with 106 sales, Stephanie was second with 39 and Ginger has 20 book sales to her credit.

THE LORAIN FEA CLUB had a cook book sell recently with three top winners. Pictured above are Carla Banks (seated) top sales winner, Ginger Preston (standing left) who had 39 sales, and Stephanie McAdams who sold 106 for second top winner.

Haggard Speaks At Cancer Society Meeting

The Mitchell County Cancer Society met Wednesday in the C.C. Thompson room of the City National Bank annex.

During the business meeting a bike-a-thon, walk-a-thon or bass tournament was discussed. One of these will be held before Thanksgiving.

The Cancer Society will sponsor a booth at the Mitchell County Fair Oct. 4-5-6.

Charles Haggard, Nolan County Cancer Society president and District Events Chairman, related success stories of Thon-activities.

Haggard said a screening machine for breast cancer was in Sweetwater.

He also stressed value of youth against cancer organizations one of which is in Sweetwater. It is an active and helpful club.

Lessons To Begin

Gymnastics classes for children ages three and over will begin October 11. Instructor will be Sharon Truelove, a teacher in the Westbrook Schools. Sharon has taught gymnastics in the Spearman Schools for a number of years.

Classes are offered to beginners and intermediate students. Tuition fee for the 6 week long class is \$18.

Classes will begin at 4:15 p.m. and 5:15 p.m. Register by coming by the Wallace Center before October 11.

REST TAKE A AREA BREAK
Texas Office of Traffic Safety

T.P. Fowler, past president of the local society and Nadine Gordon, publicity director, were presented paper weights from the American Cancer Society for "service to the cause of cancer control" by Bart Jones, area director of Abilene.

Present were Nina Merket, Etta Jones, Nadine Gordon, Mike Burt, T.P. Fowler, Charles Haggard and Bart Jones.

Alton Ausbie Receives Awards

Pvt. Alton Ausbie has recently completed seven weeks of basic training in Fort Dix, New Jersey. He received a medal for Marksman in Rifle Fire and a medal for Expert in Hand Grenade Throwing.

He has been visiting his family in Colorado City while on a week's leave.

He returned to Maryland for nine weeks of school and is stationed at APG in Maryland.

Ausbie is a 1979 graduate of Colorado High School. He is the son of Mrs. Queetie Ausbie of Colorado City.

THESE LORAIN FEA MEMBERS ARE shown bursting with pride having captured the Winning Team Award for selling a total of 151 cook books. A free class period and pizza were among their rewards. Front row (left to right) is Clarence Darnell, Cindy Hackfeld, Teresa Clifton and Carla Banks. Back row is (left to right) Sarah Munoz and Sylvia Barrera. Margaret Latimer is sponsor.

Letter To The Editor

Sometime ago we printed an item about one of Congressman Charles Stenholm's votes being a source of confusion. Remember?

Since then the Congressman and I have discussed his vote, my articles and our ideas

about many things. I tell you this, not to imply any importance on my part, but to indicate that Charles Stenholm is a listening and concerned Legislator.

On September 19, 1979, he, along with 186 others, voted to accept the Substitution to the Second Budget Resolution offered by Representative Delbert Latta of Ohio. This would have cut \$19 billion from next fiscal year's spending, and cut taxes by twenty billion dollars. There was nothing confusing about his stand on behalf of the American Taxpayers this time. Unfortunately 230 members of Congress voted not to accept it.

The budget for next year will be about 542 billion dollars with approximately a 30 billion dollar deficit. Your next year's dollar will take another beating.

But, at least, our Congressman came, he listened, and he acted as his constituents wanted. That's really all you can ask from him.

During my brief and limited association with Charles Stenholm, I have found him to be a reasonable, informed and sincere man. He is concerned about his Congressional District, his country and his performance of the job he was elected to do.

And if I were going to be here next year, and if he were running for reelection, I would vote for him. Because Charlie is my kind of person and he's doing a pretty darned good job.

Gandy Is Speaker At At Looney H.E. Club

The Looney E.H. Club met in the Lone Wolf Medallion Room recently.

Mrs. Iva Prescott presided over the business meeting. Mrs. J.D. Gibson lead the club prayer.

Roll call was answered with a "a costly mistake by not reading labels."

Nelma Gandy, registered nurse from the Wallace Center presented a program on "The Art of Being an Informed Patient."

"Each person should know what medicine they are taking and should know what the side effects are on certain medicine," she stated.

"Know when you should go to the doctor when there is a sign of illness. Let your doctor know how you feel. The body is real good in healing its own injury," she commented. "Don't ever mix medicine bought off the counter with a prescribed prescription from your doctor unless under a doctor's order," she added.

Hosting the meeting was Mrs. Emery Sweat. Cookies, snacks and coffee were served to Mrs. N.O. Brown, Mrs. Sidney Compton, Mrs. Bill Claxton, Mrs. Henry McGuire, Mrs. Catherine Shurtlett, Mrs. J.D. Gibson, Mrs. W.H. Prescott and visitor Nelma Gandy.

RAYMOND & VIRGINIA FULLER, of Fuller Foods, are donating the food and the booth space at this year's Mitchell County Fair for the Mitchell County Chapter of the American Cancer Society. The food will be given away in a drawing. Just go by the Cancer Society Booth and register.

The Jaycees will maintain the building and pay utilities as well as sponsor three two-night local boxing tournaments each year.

The Jaycees in recent weeks have worked to clear weeds and debris from the grounds of the building and are currently working to repair windows, some of which will be sealed and boarded over with shingles.

Part of the agreement also stipulates that the membership of the Jaycees also will serve as members of the Boys' Club Board of Directors.

President of the Boys' Club board is Pat Barber. Dr. Don Bennett is president of the Jaycees.

*FAIR, From Page 1

Barn Thursday morning.

Sanderson Schedules Lessons

JoAnne Sanderson has announced that the second session of Tennis lessons will begin October 8. Two one hour lessons per week for three weeks will cost Adults \$15. and Children \$12., includes ball fee.

Adult classes are scheduled for Tuesdays and Thursdays and children, Monday and Wednesdays.

Days and times will be flexible according to number enrolled. Register by coming by the Wallace Center by October 8.

no right to nominate or vote, paying 12.11 per cent of the cost.

Under Bruce's motion the board would be reallocated so that one member was appointed from each taxing entity. Tom Rees of the CISD indicated it was his feelings that the CISD should be allowed representation according to the apportionment of expense.

City Councilman Elmer Martin moved to amend Bruce's motion. He proposed a seven member board, with three from the CISD; one from Colorado City; one from the county; one from Loraine and LISD combined and one from Westbrook and WISD combined. "To me this is a compromise," Martin commented.

Martin's motion carried and the entities voted unanimously to invoke the three-quarters ruling and use the seven man board.

Financial apportionment remains the same unless all the taxing bodies pass another resolution to alter it.

A three member Review Board will be ap-

pointed by the Directors. This Review Board will serve the two year terms with compensation.

The five members appointed to serve on the board are: James D. Clifton, Loraine; William D. Conaway, Jr., Westbrook; R.B. Baker, Colorado City; Curtis Latimer, CISD; Jay Craddock, CISD; Fleta Lewis, CISD and Willie Landau, County.

Each of the entities indicated they had come to the meeting prepared to submit their nominees and all but the CISD indicated they had decided during previous meetings to invoke the three-quarter ruling.

Board members will take office officially January 1980.

The Board of Directors will serve two year terms without compensation. They may be reimbursed for expenses under Senate Bill 621.

Directors will hire a chief appraiser and establish a district appraisal office and staff to assist the appraiser.

Each year the appraiser will submit a proposed budget to the Board of Directors for approval.

Jones Stadium in Lubbock on Dec. 5 and in, "A howling 40 miles per hour sandstorm," finally went down to defeat, 34-21. Phillips eventually won the state championship.

There were other things in that edition of the paper, however. Piggly Wiggly was advertising ground beef for 29 cents per pound and eggs for 35 cents per dozen.

Woody's Drive-In Grocery and Market (North Hickory Street on Snyder Highway) was advertising T-bone steak for 59 cents per pound.

At the Lone Wolf Drive-In Theater the feature was "Alaska Seas" starring Robert Ryan and Jan Sterling and The Texas Drive-In Theater was showing "Yankee Pasha" with Jeff Chandler and Rhonda Fleming.

In another police matter, someone had run over a skunk in front of Walker-Hammond Furniture Store on Walnut Street and City Policeman Dave Shackelford had the "smelly" assignment of removing it from the premises.

Finally, at that time an issue of the Record cost 5 cents and a year's subscription cost \$5.

Public Notice

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

On or about October 4, 1979 the above-named City of Colorado City will request the U.S. Department of Housing and Urban Development to release Federal funds under Title I of the Housing and Community Development Act of 1974 (PL-93-383) for the following project: Extension of Water and Sewer Facilities, Extension of Facilities to Shopping Center, Colorado City, Texas, estimated cost of project equals \$156,329.00.

An Environmental Review Record respecting the within project has been made by the above-named City of Colorado City which documents the environmental review of the project. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request.

City of Colorado City will undertake the project described above with Urban Development Action Grant Funds from the U.S. Department of Housing and Urban Development.

xxx
TO: CHARLES RICHARD FEW, Respondent, GREETINGS:

YOU ARE HEREBY COMMANDED to appear and answer before the Honorable District Court,

Public Notice

ment (HUD), under Title I of the Housing and Community Development Act of 1974. City of Colorado City is certifying to HUD that City of Colorado City and Marion Bassham, in her office capacity as Mayor, consent to accept the jurisdiction of the Federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decisionmaking, and action; and that these responsibilities have been satisfied. The legal effect of the certification is, that upon its approval, City of Colorado may use the U.D.A.G. Grant funds, and HUD will have satisfied its responsibilities under the National Environmental Policy Act of 1969. HUD will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) That the certification was not in fact executed by the chief executive officer or other officer of applicant approved by HUD; or (b) that applicant's environmental review record for the project indicated omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and may be addressed to HUD at Dallas Area HUD Office, Department of Housing and Urban Development, 2001 Bryan Tower, 4th Floor, Dallas, Texas 75201. Objections to the release of funds on bases other than those stated above will not be considered by HUD. No objection received after October 19, 1979 will be considered by HUD.

Signed: **MARION BASSHAM, Mayor**
P.O. Box 912-180 West 3rd Street
Colorado City, Texas 79512.
