Crowded Program For P-TA Conference Here

Plans have been completed for the Annual Spring Conference of the 21st District of the Texas Congress of Parents and Teachers to be held here April 3-4.

The first general session is scheduled for Tuesday morning, March 3, at 10 a.m. in Aransas County High School Auditorium with President Mrs. J. W. Eakin of Sinton, and presidential aides Mrs. A. W. Aust, Corpus Christi, presiding.

Presentation of colors by members of Explorer Troop 49, will be

followed by the pledge to the flags and the singing of "The Star Spangled Banner" and "Texas, Our Texas", led by Mrs. Ted Randall, Point Comfort, accompanied by Mrs. J. Allen Frye, Rockport.

Reverend Cecil Lang, Jr., pastor of the First Presbyterian Church here, will give the invocation.

Mayor Herman C. Johnson will extend greetings, assisted by Aransas County School Superintendent J. D. Gray, and Mrs. S. F. Jackson, founder of the Parent Teacher Association in Aransas County.

Chamber of Commerce Issues Appeal For Advertising Material

The Chamber of Commerce is appealing for brochures, post cards, or literature to advertise Rockport until it is possible to get more Chamber of Commerce brochures printed.

The material, Mrs. Mary Juergens says, is needed in time for her to take to the Dallas Sports and Vacation Show, at which the Chamber will have a booth.

She will leave here April 6 to take part in the ten-day show.

She asks that any motel or business house having maps, brochures, postal cards, or other advertising material that they wish to have distributed at the show, contact her immediately, or deliver the material to the Chamber of Commerce office.

The members of the tourist promotion committee asked that this be done, aware of the fact that there were insufficient of the usual folders with the pretty fisherwoman on the front.

State P-TA Official To Attend Convention

Mrs. L. L. Ledger of Copperas Cove, recording secretary of the Texas Congress of Parents and Teachers, has held many positions in parent-teacher work. At present she is also serving as chairman of the state membership committee, and is one of the state officials that will be here next week.

She has been president of a local unit, county council, and district and state vice president.

Besides her parent-teacher work, Mrs. Ledger is active in the work of the Baptist Church, is a member of the Business and Professional Woman's Club Delta Kappa Gamma and owns and manages a dress shop.

She has B.A. and M.A. degrees, is a former teacher, is a graduate of a business college and has done work toward a degree in library science.

Mr. and Mrs. Ledger have two children, a boy and a girl. She says her hobbies are children—"my own and yours".

All field events will get underway at 12:30 p.m. Preliminaries in the running events will begin at 1:45 and end at 4:30 p.m. The finals will be held that night at 7:15 p.m.

Defending state Class A champs at Bloomington are heavily favored to repeat, with weight thrower Gerald Wynn and runners Bill Mike and Otis Shelton leading the pack.

B. T. Hardeman Honored By Company Award

Byron T. Hardeman, manager of the Central Power and Light Company in Rockport, was honored recently by his company, when he was presented with a desk pen set by his company for being one of the outstanding "men of the year" in sales.

Hardeman's picture, along with that of another winner, W. S. Proctor, are shown on the cover of this month's CPL News, as they received congratulations from general sales manager R. L. Dunten.

The two top CPLers were selected from a field of 11 finalists. Top managers and department heads had earlier been nominated by the districts on the basis of participation in the Target Program activities during 1961.

Both Hardeman and Proctor were presented with desk pen sets by J. L. Bates, CPL board chairman and president, at the Management Conference. A miniature statue of a salesman was on each pen set with an appropriately engraved plaque.

Hardeman was chosen for the results achieved by his office in the Gulf Coast District's sales contest. He achieved outstanding results in promoting sales of electric water heaters, Medallion Homes and electric heating installations. As a result of his efforts, average increase in residential revenue in Rockport was almost twice the average for the district.

MARCH 31 DEADLINE FOR CAR LICENSES

The tax collector's office has received a bulletin from the State Highway Department warning car owners that they must obtain their 1962 car license by March 31.

Many car owners have not yet purchased the new tags and are subject to a 20% penalty and fine if apprehended driving their car without the new plates, after March 31.

County Library Is Sponsoring Poster Contest

The Aransas County Public Library, as part of plans to celebrate Library Week, is sponsoring a poster contest, open to all students in the schools from grades One through Eight.

Posters will be on the theme: "Read and Watch your World Grow."

According to Mrs. Everal West and Mrs. Ellis Clark, members of the library board in charge of the contest, the posters may be of any size, and will be judged on originality and neatness.

They must be turned in at the library in the Courthouse no later than 2 p.m., Monday, April 9, and they will be displayed in downtown windows later, Mrs. Clark said.

Winners will be announced the afternoon of Friday, April 13, and prizes will be presented at school assemblies the following week.

Prizes will be awarded in three classes: Grades 1 through 3; grades 4 through 6; and grades 7 through 8.

The first prize in each class will be \$5; the second prize in each will be \$3; and the third prize in each class is \$2.

Other plans for celebration of National Library Week, which runs from April 8 through 14 will be announced later, Mrs. Clark said.

MR. HARRY CARTER TO EXCHANGE PULPITS WITH REV. McALLISTER

Mr. Harry Carter of St. Peter's Episcopal Church will exchange pulpits with the Reverend Gerald McAllister, Priest in Charge at St. Francis Episcopal Church of Victoria, on Wednesday, April 4, as part of the pre-Lenten services.

Mr. Carter will preach in St. Francis at 7:30 that evening, while the Reverend McAllister will fill the pulpit here at the same time.

The city election will be held Tuesday, to elect councilmen for Precincts One and Two, and a mayor. Herman Johnson is mayor-alty candidate; Jimmy Hunt is council candidate for Precinct One, and Ernest Harritt is council candidate for Precinct 2.

All of them are unopposed for re-election.

Polling place is the City Hall. Mrs. Faye Brundrett is presiding judge; Mrs. Fred Diederich is judge, and Miss Floy Kennedy and Mrs. Clara Brymer are clerks.

Sportsmen Hear South Texas C of C Representative Tuesday

Monday night, a large group of interested citizens met to study the relative merits of Regulatory Responsibility for the Game and Fish Commission. Civic clubs of this area and county officials were represented.

Pat Greene presided over the meeting.

George Jambars, Jr., representative of the South Texas Chamber of Commerce, was principal speaker, and explained the group he represented had listed statewide regulatory responsibility as their number one legislative goal for the past several sessions of the Legislature.

They still believed, he said, that this was the prime need of wildlife conservation in Texas. He went on to point out that trained biologists were most capable of making correct regulations so as to insure a maximum harvest of our wildlife resources and still leave enough brood stock to provide next year's harvest. Jambars stated that 129 counties in Texas now had regulatory responsibility and that every state in the Union, except Texas, had state-wide regulatory responsibility.

L. D. Nuckles, Game and Fish Commission, explained the biological need for this type of control. He pointed out that wildlife did not recognize political boundaries and that county lines should not be used as boundaries in its harvest and management. All interested parties would benefit, he said, since the regulatory responsibility laws required the Game and Fish Commission to make regulations which would allow the maximum harvest to prevent waste with just enough restrictions to prevent depletion of the species.

Senator Bill Patman urged caution and calm deliberation before asking for this type of legislation. He pointed out all the things that could go wrong; he stated he was in favor of what was best for the people of this area and would consider their wishes in the matter.

VFW Elects New Officers Wednesday

Veterans of Foreign Wars Post 3904 Rockport, elected E. H. Carter commander by a unanimous vote Tuesday night.

Other officers elected and appointed include:

V. A. Dully, senior vice commander; Frank McLeod, junior vice commander; H. C. Mullinax, quartermaster; Chester Johnson, post advocate; Pete Boggus, chaplain; Don Banning, surgeon;

Frank Kresta, trustee; Vernon Kleypas, adjutant and public relations; Bill Gray, patriotic instructor; H. W. Hampton, officer of the day; Ed Barnard, service officer; Hollis Collum, legislative officer; Louis Solis, guard; Green McGehee, post historian; and V. A. Dully, Buddy Poppy Chairman.

Members were alerted to the county council meeting to be held in Mathis on Monday, April 2, and were asked to be at the VFW Hall at 6:15 p.m. to leave in a group.

Louis Solis missed the attendance prize by not being present.

A joint installation of officers will be held with the Ladies Auxiliary of the VFW on Tuesday night, April 10.

Carter Yountz, junior vice commander of the State of Texas, VFW will be the installing officer.

Jaycees Seeking Outstanding Man To Make Award

The Aransas County Jaycees have been conducting a poll during the past two months, in an effort to locate the outstanding young man in the area.

The poll included representatives of churches, businesses, and people contacted in a house to house canvass.

To qualify, the nominees must be over 21 and less than 35, and they will be judged on their contributions to the community, the state and the nation, as well as by their personal conduct.

The winner will be announced at the dinner when Jaycee officers are installed in the early part of May.

Nominees so far include Jimmy Reid Simmons, James T. Little, Cecil H. Cole, Del McClain, Leon Bateman, C. B. Matchlesski and Gene Carter.

Development Board Approves Library Planning At Meeting

The Aransas County Planning and Development Board approved plans for a public library building to be built here at its meeting Tuesday night, and recommended its construction and purchase of more fire fighting equipment at a Tuesday night meeting.

The plans were presented by architect Lynn Evans of Corpus Christi, and called for a building with 2900 feet of floor space, to conform architecturally with the courthouse and jail. Suggested location is on a corner of the courthouse block.

Pending further investigation of means by which to finance the building, however, the 8000 volumes now housed in two rooms in the courthouse must continue to serve.

Aransas County Judge John D. Wendell, also at the meeting, explained to Board members that the best method of financing and the one that would be cheapest for all taxpayers, would be a return of the old ad valorem tax that the county formerly used as a source of road and bridge funds.

This would release money in the general fund that could be devoted to library purposes, and other badly needed improvements in the county.

Baseball Association To Meet Friday

There will be a meeting of the Aransas County Baseball Association on Friday night March 30 at the Methodist Church Fellowship Hall. This is a very important meeting to organize the activities for the Summer. All fathers of boys who will play little league or pony league ball this summer should be present.

The Association has provided summer baseball for the boys of Aransas County for the past few years with as many as 160 boys participating in a season. Last year major improvements were made to the ball park including enlarging of the concession stand, a fence in the outfield, water, fountains, and improved lights.

Serving as commissioners last year were Jim Adams, Jack McDavid, and Bill Parker. New commissioners will be elected Friday night and plans made to register players. It is anticipated that two sets of commissioners will be elected this year, one for the Junior Division, (little league) and one group for the Senior Division (pony league).

ROTARY HEARS ABOUT SCOUTS

The Rotary Club speakers at the regular Wednesday luncheon were Chester Barre and Tom Dannelly, who discussed the organization and function of scouting in Aransas County.

Visitors were Herman Johnson, Rockport; R. D. Hatch, Aransas Pass; R. J. Kroeger, Harlingen; J. Allen Simpson, Racine, Wisconsin; A. C. Blansett, Ingleside; and Merritt Huelt, Saratoga Springs, New York.

Planning Board Endorses School

Bond Issue To Be Asked Soon, School Board

President Says, And Will Be Based on 12

Year Financing Plan To Cover \$650,000 Cost

The Aransas County Planning and Development Board, at a called meeting Tuesday night, endorsed school plans for a \$650,000 bond issue, and an election will be called in April, probably Saturday, April 28, according to Dr. H. F. Elliott, president of the Aransas County Independent School Board.

Elliott said the exact date would be set at the next school board meeting.

The planning board passed a resolution endorsing the issue, and

recommending that bonds be issued on a twelve-year maturity basis to cover the cost of the expense.

Main items on the building program are a new junior high school plant, to cost in excess of \$300,000, counting land acquisition and equipment, and a new elementary school at Rockport, to cost in excess of \$150,000, to supplement facilities already on that campus.

Additional building plans call for two new classrooms at Fulton elementary school, enlarging of the band room and library at the present high school, where additional class rooms for senior high students will be released when students move to the new junior high plant, and building of a room for mechanical drawing students on the campus, next to the present shop.

In schedules prepared by the school's financial agents, The First Southwest Company of Dallas, two methods of payment were outlined, one on a ten-year basis, with a raise of 17 cents per \$100 of assessed valuation, and another on a 12-year plan, where the raise would be only 11 cents per \$100 valuation over the present school tax rate of 1.70.

This was the one recommended by the planning and development board and the one that Dr. Elliott says will be included in the election call.

This schedule, as outlined by L. T. Janacek, of the First Southwest Company, calls for payments on the bonds, if issued, as follows:

1963, \$27,750; 1964, \$37,575; 1965, \$27,050; 1966, \$36,875; 1967, \$61,350; 1968, \$94,950; 1969, \$92,325; 1970, \$94,700; 1971, \$91,900; 1972, \$94,100; 1973, \$91,125; 1974, \$93,150.

Payments during the years 1963-1967 were kept low in order to cut down the school's total debt service during those years, during which bonds issued for the school's last building program will fall due.

Dr. Elliott emphasized that the school system is in excellent financial condition, and that even with issuance of new bonds, if the election carries, money needed for bond service each year will never exceed the \$97,225 payment due in 1967, the year that will see all previous bond issues amortized.

Janacek's figures are based, he said, on the assessed valuation of \$26,370,595 for the year 1961, and a 92% collection of taxes.

Local NHS Members Attend District Meeting

On Saturday, March 24, five members and two sponsors of the Paladian Chapter of the National Honor Society of Aransas County High School attended the spring meeting of District XII, Gulf Coast, of the National Honor Society. The meeting was held at Cuero High School in Cuero.

Following registration, a general meeting was held. Mrs. Lois Rowland of Victoria College spoke to the group on "Leadership."

After a short break, discussion groups led by local citizens brought out the ways in which character, service, leadership, and scholarship enter into the life of a successful person.

Following a break for lunch, another general meeting for the purpose of electing officers was held. Cuero High School was elected President; Bay City High School, Vice President; El Campo High School, Secretary; Calhoun High School, Treasurer; and Aransas County High School, Parliamentarian. Aransas County will be the host for the fall meeting in 1962.

Those attending from Rockport were Mrs. Ruth Hayden, Mrs. Alvin Ericson, Betty Armintrout, Carol St. John, N. F. Jackson, Jr., Betty Stryker, and Sue Johnson.

Wheeler Family Black Sheep Keep Everyone Hopping

The black sheep in the Wheeler family kept everyone hopping for awhile.

Earlier this spring, Martin Wheeler, who farms out Copano Bay way, spotted a lone black lamb just a few hours old, without a mother, and took him home for Mrs. Wheeler to raise. When he returned to his flock, he found that there was another black lamb wandering around on wobbly legs, but that its mother had died. So he took this second one home, and instead of one black sheep, the Wheeler now had two, twins born from the same mother.

Mrs. Wheeler soon had a lamb nursery in full swing, but it wasn't long before the lambs outgrew the baby bottles with which she started.

"So," she said, "I transferred the nipples to a Log Cabin syrup bottle, and for once the lambs could get enough milk. But it just took them a few minutes to empty one of the bottles."

The lambs' appetites outgrew the source of supply, and Wheeler had to bring another cow in from the pasture to add to the one he was milking for his own family, so that the lambs would get enough to eat.

But now they have attained the status of full grown sheep, and have been returned to the flock.

Mrs. Mary Goff has been visiting her daughter, Mrs. Suzy Spinks in Cuero.

RELIEVE THE PRESSURE OF ONE-PHONE HOMES

They bring step-saving convenience, more personal freedom and pleasure to your telephone talk. Often let you do two things at once by taking calls in the room where you are. Economical, too. You can have three extension phones in your home—in the living, sleeping and working areas—for just pennies a day!

Who needs extension phone service most?

- Families that make or receive five or more calls a day.
- Families with one or more members active in school, church, civic or club work.
- Families with active, popular teenagers or young adults.

If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extension phones—Princess, wall or table models, in a wide range of colors—call the telephone business office, or ask any telephone service man.

Rockport P-TA Clears \$375 On Music Festival

The Rockport P-TA cleared approximately \$375 on the spring music festival presented by students under the direction of Miss Jean Venable.

From first to last the performance was a sparkling one, with brilliant costumes, good choreography and excellent singing. Especially outstanding performances were turned in by the fifth and sixth grade choirs, and by some of the folk dancers.

Great applause was given to many of the numbers by a crowd that filled the high school auditorium to overflowing, and many people commented favorably on the junior high choir's presentation of "Go Down Moses".

Three first grade groups, those of Mrs. Jenkins, Miss Vidaurri, and Mrs. Eller, were also particularly appealing in their folk dancing while Mrs. Currie's second grade did a most creditable "Sailor's Hornpipe", and the Can-Can, as danced by the second graders in Mrs. James' room was also another show-stopping performance.

Specialty numbers like "Waiting For the Robert E. Lee", with Eddie Lee, Gilbert Arispe, Modesto Lizcano and Danny Stephens, and "North to Alaska", with Bobby Jackson, Denny Elliot and Isabel Hernandez, also received much applause.

ROCKPORT FOURTH GRADERS TAKE JAPANESE TOUR

Monday, March 26, the fourth grade classes of Rockport Elementary School made a visit to Japan by visiting Mrs. T. E. Griffith's six grade class.

The visitors were greeted in Japanese by students wearing kimonos and were asked to remove their shoes.

Six guides took them on a tour of the room, where there were boys and girls waiting to explain the displays.

Two boys, dressed as Japanese, were seated before a low table. They explained eating customs.

Two girls told about the articles displayed on a table. There were dolls, dishes, fans, jewelry, lava, knives and so forth from Japan. They were shown maps of industrial areas, vegetation, physical features, rainfall and cities.

On the wall were charts showing exports, customs, problems, dress, maps, natural resources, sports, and games.

There was displayed a miniature room of a Japanese home along with pictures of many different kinds of homes.

A folio of pictures took them on a scenic tour of Japan.

The room was also decorated with two large scenes from Japan. They were done by two students in Mrs. Griffith's class.
