Bond election near

Before April 1st, Colorado City voters will have an opportunity to vote on a sewer bond

issue in the amount of approximately \$695,000, according to City Manager Rick Crowley.

Crowley made the announcement during the regular session of the city council at its Tuesday night meeting.

Crowley informed the council that Monday's trip to Austin had been successful and that the Texas Water Commission had granted Colorado City a 30-30 permit to discharge fifty per-

cent of its treated water into the Colorado River.

The 30-30 permit refers to the purity of the water after treatment, specifically, that the treated water will contain 30 milligrams of biological oxygen to 90 milligrams of suspended solids per liter.

Crowley told the council that the option to

purchase various easements and a small 13.2 acre tract of land from Mr. and Mrs. Morris Hammond had been completed and that the Hammonds had been paid \$500 for the option.

If the purchase is made, part of the treated water, (up to 50 percent) may be pumped to the Hammond farm, for

possible use in irrigation.

The council approved an election ordinance for city councilmen for April 2. Those councilmen whose terms expire in April are: Mayor Elmer Martin, Ray Mason, Don Bennett, and Macca Findley.

The council also passed BOND, Page 2

County jail inspected

The facilities of the Mitchell County jail were inspected Monday, February 7 by Joseph Slater of the Texas Commission on Jail Standards and although some deficiencies were found, the inspector noted that the jail had good sanitary conditions, was well maintained and in good shape.

The three areas of non-compliance are:

-The intercom system needs to be extended to the detox cell: Sheriff Wendell Bryant said that the system is being upgraded but is not completed yet.

-Jail rules do not show how to file a grievance.

-When there are 10 or

more inmates on the second floor, there is not a jailer on the second floor 24 hours a day. Bryant said that there are 10 or more inmates on the second floor only about one-third of the time and the jailer has to work both floors.

Bryant stated that, "Items one and three can be corrected as soon as the local contractor finishes updating the present intercom system. Number two can be corrected by paperwork that consists of rules for the Mitchell County jail."

"Hopefully, after we get these three areas corrected, we will be certified," Bryant concluded.

Regular election slated in April

Although the special election for two positions on the Loraine City Council is only a few weeks past, Loraine City Secretary Kaye Nell Cornutt, says that it is already time for those who would like to run in the regular election coming up in April to file at city hall.

There are four positions open for the April 2 election, one of them being the mayor's office. Besides Mayor Royce Beights, the other

three councilmen whose two-year terms are almost completed are Jack Brewer, Tommy Green and newly-elected Kent Boyd.

Mrs. Cornutt noted that filing officially began on January 31 and will run through March 2.

She added that those who have not registered to vote must do so by March 3 to be able to vote in the council election.

COMPUTER CLASS-Pictured are four members of the BASIC computer class with the new Apple II Plus computers at Colorado High School along with their instructor Joan Pylant. Students are (left to right) Patty Arispe, Ruth Olivas, Jana Bruce (standing) and Stacy Hamrick.

CHS students are being taught basics of BASIC

The computer age has hit Colorado High School this school year with the school board purchasing four Apple II Plus computers for the BASIC computer course offered at Colorado High School.

The course is taught by first year instructor Joan Pylant, and is the first year it has been offered at CHS. Mrs. Pylant, a recent graduate of Angelo State University and the daughter of Mr. and Mrs. Stanley Merket resides in Snyder where she also teaches accounting, business machines and shorthand nights at Western Texas Junior College.

There are only five seniors taking the course at CHS now because at the beginning of the school year, there was only one computer, and

the ratio is four students per computer. The five seniors taking the course are Charlotte Balantac, Stacy Hamrick, Patty Arispe, Ruth Olivas and Estella Aguilar.

The other three computers were purchased in January and the bookkeeping class uses the machines. Mrs. Pylant says the students in her course are learning to write their own programs, data processing and software projects.

They have already mastered graphics, payroll, letter writing, themes, labels, how to set up an inventory file, address file and some accounting. Later on the class will be writing on educational programs.

"We learn a variety of things in class. That way it appeals to boys and girls. When they go to college or into the

business world they will be prepared," explained Pylant.

Since this was the BASIC computer course's first year it was offered to everyone, but next year Mrs. Pylant said the class will be offered to juniors and seniors with a prerequisite of typing and at least one year of high school math.

"I feel like the class will really be big next

year," said Pylant. "A lot of interest has been shown. Colorado City ought to be commended on all the fine machinery that they have in their schools. They have a lot more than other schools their size. The students are very fortunate to have this. So far this has been a super year, and this is a super place to work," concluded Mrs. Pylant.

Two members to be appointed to Board

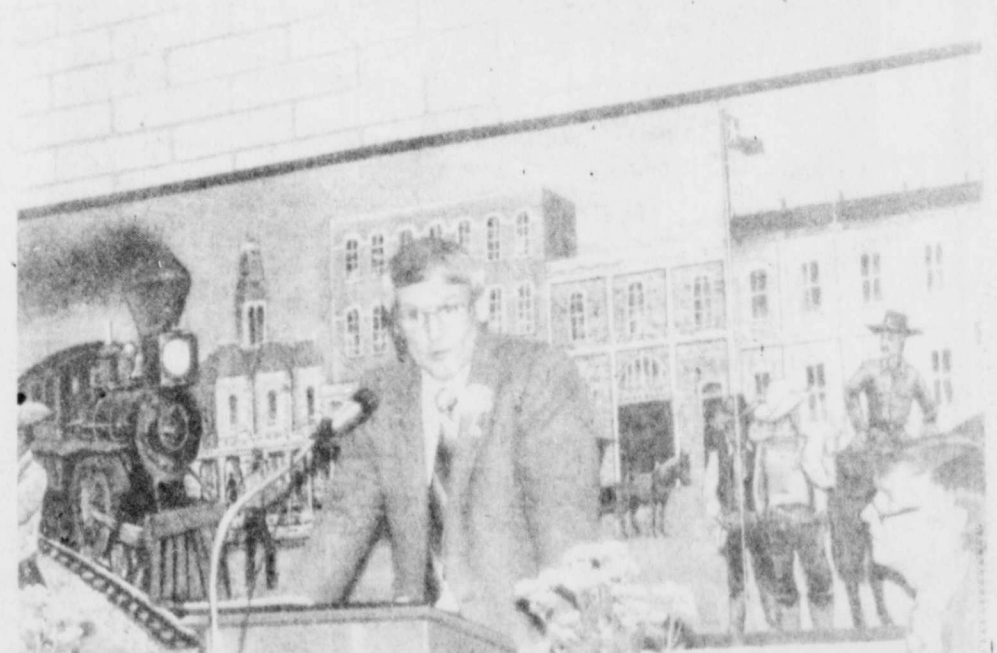

The Mitchell County Tax Appraisal District will meet Thursday, February 10 in the Curriculum Room of the CUSD Administration Building to appoint two members to the Board of Review.

Members of the Board serve two year terms and the terms of Bobby Lemons and Ray Preston expire this year.

The other member of the Board of Review is W. R. Powell.

HOLLIS GAINES was guest speaker at the Chamber of Commerce banquet at the Civic Center. Gainey's ex-high school coach Bob Reilly looks on.

Letter to the Editor

Dear Sir:

Again, we at Western Texas College have reason to give thanks for folks in Colorado City!

This time, I refer to the fine halftime show provided at our Western Texas College-Howard College Basketball game February 3. This show provided the "pazz" to cap off a great evening, which included victories over Howard College in both the men's and women's games.

The show included clever routines by Kitten Arthur's cheerleaders.

They did such a fine job, and we know you are very proud of them. Come see us!

Sincerely,
Don Newbury

French Connection too much for Pack Wolves fall to Sonora, 76-60

It was a case of too much of the French sisters Friday night in Sonora as the Sonora Broncos bucked the Wolf girls 76-60 in district 6AAA action.

Lorri and Lindy French combined for 44 points, making 25 and 19 respectively in leading the league leading Broncos to the victory. The Broncos started out hot as they jumped to a 20-12 first quarter lead. Tomika Randle kept the Pack in the game with six points.

Randle scored a personal district high of 17 points while adding three assists and 13 rebounds. Randle hit 50 percent of her shots, going eight of 16 from the floor. "Tomika proved that she can score points in this game," said Wolf coach George Martin.

Laura Baum led all Wolf scorers with 21 points, hitting seven of 13 from the floor while adding off five assists.

The second quarter, the Pack only scored three baskets, one each by Baum, Stacy Ham-

rick and Rebecca Erwin. Baum made five of six free throws in the period, as Sonora took a 42-23 halftime lead.

In the second half, the Wolves fell behind by as much as 26 points, but gamely battled back behind the scoring of Baum, Hamrick and Randle. The Pack cut the lead to nine points in the final stanza before they ran out of gas.

"We just have to take

our lumps. We are gaining valuable experience for next year. I was proud of the way Stacy Hamrick, Anita Silva, Rebecca Erwin and Sonora Mercer played down the stretch. With our J.V. squad and the players we have coming

back, we have some possible district champs," said Martin. Scoring for the Wolves were Erwin with four,

Hamrick 10, Silva four and Mercer four. Hamrick added nine rebounds and Silva eight.

In girls J.V. action the Wolves placed three players in double figures to drop Sonora 52-42.

Denise Jackson led the scoring with 16, Lynn Scott had 15 and Cres Aguilar added 14 points. The junior Wolves improve their district record to 6-2 and season record to 9-8.

Varsity boy hoopsters keep winning, edge Sonora 49-46

The Wolves varsity boys started out the second half of district 6AAA play with a close 49-46 win over the Sonora Broncos.

The Pack had a much harder time with the 'Broncos the second time around as they had to "scrap" the entire way for the victory. C-City had beaten the Broncos by more than 20 points in their first meeting.

Wolf Gym.

Wolf coach Mike Hart said that his team suffered some from "bus lag" during the three hour trip. "That, and we might have been lax because of the first contest, and we were a little flat from the big win over Ballinger," explained Hart.

Stacey Tarter again proved he is one of the top players in the conference with his second

consecutive 23 point contest. He was a mainstay for the Pack as he hit nine of 18 shots and dominated the boards with 18 rebounds.

Tom Rees added 10 caroms and Don Randle and Tim Beights contributed six rebounds each, as the Pack outrebounded their opponents 46-27. Hart was not pleased with his team's overall shooting performance. The Pack shot 32 percent from the floor, and made just eight of 21 free throws for 40 percent.

The Wolf mentor felt defense paved the way to the win. "Our defense held out. It has been holding us together through all of the road games. We have been playing pretty consistent. We have not been flat many nights. It has been three or four nights that we haven't performed, but usually it's our offense that suffers and not our defense," he said.

Others scoring for the Pack were Dennis Rivera four, Jardy Powell two, Beights one, Randle eight, Doug Chitsey four, and Rees five.

MEMBERS OF THE WESTBROOK VARSITY AND J.V. BOYS BASKETBALL team are front row, left to right, Donald Burnett, Steve Cook, Vince Goana, Billy Sweek and Roger Cantu. Back row, left to right, Bo Hearn, Donald Ginkinger, Kelvin Pole, Charles Rice, Don Zant, Steve Hayes, Dwaine Pierce, Nick Aucamp, Roger Rogers, Philip Vigil, James Boon, Ramon Vigil and Edward Cannon.

Wildcat girls upset Ira 25-24

The Westbrook Wildcat girls pulled off a mild upset Friday night in Wildcat Gym as they edged the Ira Bulldogs 25-24.

Clutch free throw shooting down the stretch helped the Wildcats take the win. With the Wildcats leading 14-13 going into the final quarter, Lynn Dawson and Evonne Bradshaw hit seven of 11 charity shots in the final quarter. Dawson was five of eight, while Bradshaw was two of three.

Neither team had good shooting nights from the floor, with both squads hitting less than

20 percent. Another big reason for the Wildcat win was that the home team held Ira leading scorer Kelly Bryant to only one basket. The last time the two teams met, Bryant scored 17. "We did a good job on Bryant. We kept putting pressure on her every time she got the ball, we were right there," commented Wildcat coach Keith Bundas.

Dawson and Bradshaw scored all of the Wildcat's fourth quarter points. To go along with their free throws, Dawson sunk a jumper from the free throw line, and

Bradshaw rebounded a missed Dawson shot and put it back in for a basket.

The win ups Westbrook's district record to 2-6, and moves them into fourth place. Dawson led the scoring with 11, Bradshaw added seven points. Gracie Fuentes scored four. Elena Lopez two and Julia Gonzales one point.

On the other hand the Wildcat boys dropped a close 50-47 decision to the Bulldogs.

The outcome of the contest might have been different if Westbrook had been able to convert its free shots. The Wildcats shot a cold five of 22 from the line.

The game was nip-and-tuck all the way with Westbrook holding two to three point leads during the first half, and holding a 26-25 halftime lead. Westbrook lost leading scorer Donald Burnett to a sprained ankle with two minutes remaining in the half. Burnett exited the game with eight points. Roger Cantu and Steve Cook took up the scoring slack as they finished the night with 22 and 10 points respectively.

Wildcat coach Jerry Tucker was pleased with his team's rebounding. "We hit the boards well tonight. We outrebounded them," he commented. Cantu had 14 rebounds, Cook had 10 rebounds while Dawayne Pierce nabbed eight caroms.

Bulldogs pluck 'Cards to gain third place

The Loraine Bulldog boys assured themselves of third place in district play with a 74-53 win over the Hermleigh Cardinals Friday night in Bulldog Gym.

The contest was quite different from the first time the two teams met and the Bulldogs came away with a 58-53 victory. The difference in the two games was shooting, according to Bulldog coach Ronald James. "We shot well, in fact it was one of our better shooting performances for the entire year. We shot 50 percent during the game, and you can't beat that," explained James.

The 'Dogs vaulted to a 20-9 lead after one quarter of play, and never looked back. Going into the final quarter Loraine led 66-32 as James played his reserves the rest of the night.

James Griffin and forward Jerry Darnell got things rolling for Loraine in the first stanza. Griffin, who usually hurts the defense with his outside shooting, played down low and scored three quick baskets. Darnell hit three outside jumpers and the Bulldogs were on a roll.

The Bulldog press was simply too much for Hermleigh as Ruben Garcia, Aundra Rose, Darnell and Steve Morris combined for 15 steals which helped result in a 37-21 halftime lead. Loraine also dominated the boards as Morris grabbed 15 missed shots and Darnell added 11 rebounds. Griffin had nine and Rose contributed five rebounds.

"We rebounded well. We didn't do that in the last game and we worked on it in practice. We could have beaten them

worse at their place, but we took them too lightly," explained James. James said he was particularly pleased with the fourth quarter play of freshmen forward Landy Smith and sophomore guard Tommy

Munoz. Each player collected five rebounds.

Scoring for the Bulldogs were Griffin 23, Steve Morris 13, Garcia 12, Darnell 10, Tony Morris seven and Rose six. The win improves the Bulldogs district mark to 5-4 for the season.

Bulldog girls win, will face Roscoe again

The Loraine Bulldog girls kept their playoff hopes alive with a commanding 87-46 win over the Hermleigh Cardinals Friday night in Bulldog Gym.

Loraine coach Jimmy Fine says he was impressed with the 'Cards outside shooting. But again it was Loraine's dominance under the basket that led to victory.

Leslie Rose and Stephanie McAdams controlled action underneath as they combined for 35 rebounds. Rose had another "super" shooting night as she made 17 of 26 from the field for a game high 35 points, while playing a little over half of the game.

McAdams added 13 points, seven assists and impressed Fine with her scoring. "This was Stephanie's best game. She showed me some power moves I didn't think she had. She also gets excellent position under the boards," he added.

Rose started things off for the winners by scoring the first 10 points, getting a lot of her points from good passes from forwards McAdams and Julie Wells. "This year Leslie has turned into a complete player. She plays good defense, leads us in sc-

oring, rebounding and steals," explained Fine. "The girls know that the only way to win is teamwork, and they play as a team. They will be up for the challenge Thursday night."

Other scorers for Loraine were Janie Barrera 10, Wells three, and Margie Oliver, Martina Vallejo and Tency DeLoera all scored two points. The win puts the 'Dogs district mark at 6-3.

The win coupled with Highland's victory over Roscoe forces a playoff for second place between Loraine and Roscoe Thursday night at 7 p.m. at the Scurry County Coliseum in Snyder.

Supper is planned

On-Site Manager, Darlene Hamrick, announced this week that the February dinner and social meeting for Loraine Senior Citizens members will be held at the Center at 6 p.m., February 15th.

A pot luck supper will be served. Raymond and Effie Wheeler are hosts for the evening and have secured entertainers for the evening's program.

All Loraine citizens 55 years of age or over are invited to attend

WELL KNOWN ARTIST—Charles Pruitt will present an artist oil workshop sponsored by the Colorado City Brush and Palette Club on March 1 and 2.

Bureau celebrates fiftieth anniversary

The Texas Farm Bureau is 50 years old this year, and County Judge Bill Carter has signed a proclamation designat-

ing February 7-12, 1983 as FARM BUREAU WEEK in Mitchell County in recognition of the anniversary.

The week is part of a state-wide observance during which county Farm Bureaus will make a special effort to enroll new members, according to Alton Raschke of Colorado City, president of Mitchell County Farm Bureau.

Tommy Morris of Colorado City is chairman of the membership committee which is responsible for membership acquisition and maintenance. Other committee members are Gerry Ritchey and Carl Guelker.

"For the first time in its history, the Texas Farm Bureau is now the largest state Farm Bureau in the nation, with more than 300,000 member families enrolled," the proclamation reads.

"The Farm Bureau is a grass-roots organization, and its foundation is the county Farm Bureau. There are 216 organized county Farm Bureaus in the state, including Mitchell County Farm Bureau," the proclamation states.

Alton Raschke said the local county Farm Bureau has 992 member families and is seeking to exceed that figure in 1983.

He said that the Farm Bureau is a general farm organization that seeks to improve income and living conditions of farm and ranch families. It represents the farmer and rancher at the local county court house, at the State Capitol in Austin and in the nation's capital, Washington, D.C.

Root Fair Valley Lodge

By PAM JARNAGIN

The charm of cupid hasn't missed Root Valley Fair—the residents are making valentines for their special ones. A Valentine Box sits in the lobby and is rapidly being filled.

Our valentine party is planned for February 14, at which time valentines will be exchanged and cookies and punch will be served.

Our musical was a great success! Plenty of toe tapping, foot patting and hand clapping told the story of pleased and happy people.

We sincerely want to thank Porky Proctor, Curt and Curtis Shaw, Gary Oliver, Eual Blair, Charles Dunn and Everett Haggerton, all of whom volunteered their time.

All of our volunteer groups are special and essential to us. There is no way to measure the good they do here.

If I may take a quote from Winston Churchill: "Never have so few

done so much for so many."

There are two more of our people we want to wish a happy birthday this February week—our administrator, Jerry Woodell and our president, Ronald Reagan.

One of our residents, Mrs. Bess Hammans, a nurse in 1938, remembers the cost of delivering a baby then was \$10; the operating room was \$10, anesthetic was \$10 and the total bill for a month's stay in the hospital was \$71.90. Her salary was \$40 per month.

"Reaganomics" or not, we at Root Valley Fair feel every day falls under the heading of "The Good Old Days."

Probationers paid \$64,453 in 1982

Adult probationers in the Colorado City area paid a total of \$64,453 in restitution, court costs, fines and attorney fees during 1982, the Texas Adult Probation Commission reported.

"The total number of adults on probation was greater in 1981, something like over 20,000 more probationers," explained Dick Lewis, TAPC spokesman.

Adult probationers paid \$24.5 million in restitution, court costs and attorney fees during 1982, up 71 percent from \$17.6 million collected in 1981 statewide.

Restitution payments in the Colorado City area for 1982 were \$16,929. Court-assessed restitution payments are an effort to return property to the crime victim. Probationers make monthly or quarterly payments as scheduled by the courts. Restitution payments amounted to 26 percent of the Colorado City area total TAPC collections. The state total was \$9,019,939.

Court costs of \$5,900 were collected during 1982 locally. Assessed for the maintenance and use of the court, the payments by probationers make up nine percent of the area total. The state total was \$2,876,834.

Fines totalling \$28,247 were collected in the area during 1982. The fines leveled by the court are 44 percent of the area's total collections. More than \$12 million in fines were collected statewide.

Attorney fees totalling \$13,376 were paid by Colorado City area probationers in 1982 if court appointed attorneys were assigned them. Statewide attorney fee collections stood at \$647,145 in 1982.

"I believe the local departments have intensified their supervision of the probationers and as a result, collections have intensified. At the same time, I think the courts are placing more emphasis on restitution to victims than in the past," Lewis said.

Court costs payments rose 98 percent from \$1,447,354 in 1978. Fine payments increased 267 percent over \$4,497,935 in 1978. Attorney fee payments have risen 309 percent from \$209,189 in 1978.

"Probation is becoming more sophisticated through better surveillance and collection. They (the departments) are looking at the probationers for all of their actions. Payment is one of these," Lewis said.

action, the eighth grade boys downed Stanton 32-30 behind Terry Jackson's 11 points. Wylie Dakan scored 10, Clifford Miles, Danny Salazar and Michael Swann all scored four points, and Scott Dennis added two points. The win ends the eighth grade season with a 4-8 record.

The seventh grade girls were bested by Stanton 20-5. Michelle Casey scored three and Christa Molina added

two points.

The eighth grade girls fell to Stanton 32-23 despite 16 points by Kelly Beights. Holly Tarter scored four, Robin Edwards one and Ray Lee Marion two points.

The Loraine junior high boys finished the season out at 14-1 with a 45-42 win over Westbrook. The loss ended Westbrook's season at 12-2.

Tracy Rose had 20 points for the winners,

while Terry Rose and Freddie Benitez scored 10 points each. Frankie Fuentes scored 20, and Ruben Cantu and Buddy Lopez scored 10 and eight respectively for Westbrook.

The Loraine junior high girls defeated Westbrook 27-6 behind the scoring of Beverly Griffin and Michelle Williams who scored 12 and seven respectively. The win ends Loraine's season at 10-5.

In freshmen basketball action, the Colorado City boys upped their record to 6-7 with a narrow 35-34 win over Ballinger. Ruben Rivera and Mike Ligon led the scoring with 12 points each.

The Wolves freshmen girls dropped a 40-13 loss to the Bearcats.

Cheryl Bentley and Jodi Huff led the Pack with six points each as their record falls to 4-13 on the season.

Jeffries honored on birthday

Mrs. Eleanor H. Jeffries was honored with a birthday party on Saturday, January 29 from 1:30 p.m. until 3:30 p.m. in the C. C. Thompson Room with her sisters, Mrs. Joe Gunn of Pecos and Mrs. Mildred Stafford of Stephenville, and their families and her brother, Truman Henderson, hosting the celebration.

Coffee, served from a silver service, and peach punch, served from a crystal bowl, were served by Mrs. Jeffries' nieces from a refreshment table covered with a white cloth.

The honoree's chosen colors of peach and white were used in the decorations.

The peach and white birthday cake, baked by Billie Ruffin, was served with mints and nuts. Peach colored napkins with the honoree's name inscribed in white were used.

The registration table, presided over by another niece, was covered with a white linen needlepoint cloth and centered with a January birthday bell and the registry.

On another table covered with a white cloth was a money tree sprayed with gold and covered with white bows and ribbons.

Mrs. Jeffries was attired in a peach colored nylon jacket dress and wore a corsage of white mums.

Eleanor Henderson Jeffries was born in Mitchell County and has lived here all her life. She is one of the four daughters and one son born to the late Mr. and Mrs. Monroe Henderson.

She graduated from

Colorado High School with the class of 1932 and married C. I. Jeffries on June 1, 1940 in Colorado City. He died on December 28, 1963.

Although Mrs. Jeffries is retired now, she was employed by Jerald Riordan Hardware for 10 years, Lone Star Gas Company for eight years and the Colorado Compress for 25 years.

She has been an active member of the First Presbyterian Church for over 60 years and is a Past Matron of Colorado Chapter No. 58, Order of the Eastern Star.

At present, she is an active Senior Citizen at

Wallace Center, mailing all their birthday cards, secretary of Mitchell County Chapter No. 1461 of the American Association of Retired Persons and is an active B.A.S.I.C. member.

Linam hosts Loraine TEHA

The North Loraine TEHA Club met in the home of Mrs. Jack Linam on Wednesday, Feb. 2 for a regular meeting. Mrs. Raymond Wheeler, club president, presided. Mrs. Roy Wells led in the club creed.

The roll call was answered with "Something I would like to do, but don't."

For entertainment, Mrs. T. L. Holman read "How to be an Obnoxious shopper."

During the business Mrs. Hubert Meadows was elected as a nominee to be a delegate to the Spring Convention of District 7. Nominees will be voted on at the next Council meeting.

Mrs. Jack Linam brought the program on "More Personal Happiness." Questionnaires

Holman presides over Baptist Women

Loraine Baptist Women met at the church at 2:30 p.m. Monday, February 7 for their regular monthly program.

Mrs. T. L. Holman, president, presided and gave the opening prayer. She announced the program entitled "Iowa; Becoming a State Convention," and gave the Introduction.

Others discussing this subject were Mmes. Frances Porter, David McNary, Charlie Harris,

edwin Hallmark, Lynne Compton and Bernice Hallmark.

In the discussion it was found Iowa is a state second only to California in value of crops and livestock. It produces seven percent of the nation's food supply. Chief crops are soybeans and corn. Nine-five percent of Iowa's 56,290 square miles is farmland, but only one fifth of the people live on

farms. Almost half of the 2,900,000 people live in large cities such as Des Moines, Sioux City, etc.

The 75 Southern Baptist Churches and missions in Iowa are working faithfully and are looking forward to becoming a State Convention, a process that takes years of hard work and dedication. Southern Baptist work started in Iowa in 1954. On June 12, 1954 the Fairview Baptist Church in Anamosa was organized with 16 members. In 1981 the church had 61

members, gave a mission gift of \$905 and had a Vacation Bible school enrollment of 67.

The First Baptist Church of Bettendorf was organized in 1959. The congregation met for three months without a pastor. In January 1960 Mr. Nail from Michigan resumed duties as pastor there. As in New Testament times most churches in Iowa began in homes, some met in lodge halls, garages, store buildings, etc. until they could get a permanent building.

Work there has grown and they have met most of the requirements to organize as a State Convention, planned for October 20, 1984.

Mrs. Edwin Hallmark read the Calendar of Prayer and prayers were said for missionaries whose birthday was on this day. She resigned as Prayer chairman and Mrs. McNary will assume this duty.

The group also voted to take valentines to the Loraine Nursing Home next Monday Feb. 14. Mrs. Hallmark told of her niece and husband, Mr. and Mrs. Jim Hines of El Paso who were now serving as missionaries in Egypt. Mrs. McNary said her parents will be leaving soon to do mission work in the state of Washington.

The Mission and Bible study meeting will be at Mrs. Holman's at 9:30 a.m. Wednesday, February 16th.

Mrs. Chris Alexander led the closing prayer.

Nine members were present.

Baumann TEHA hosted by Mrs. Charlie Harris

Mrs. Charlie Harris was hostess for the regular meeting of the Baumann TEHA Club, Tuesday afternoon, February 1st.

Mrs. Harris presided and led the club prayer. Mrs. Vada Preston led in recreation by giving a quiz and roll call was answered by each giving "Something I would like to do, but don't."

Mrs. Linam served refreshments to Mmes. Rosia Hamrick, Roy Wells, T. L. Holman, Hubert Meadows and Raymond Wheeler.

The next meeting will be with Mrs. T. L. Holman on February 16.

Lynn Compton read minutes of the last meeting.

Mrs. Harris brought the program on "Happiness." She stated there were many ideas of happiness. Can we make our own happiness? Why are we not happy when there are so many things in life to make us happy? Can happiness

be bought? She stated that happiness cannot be bought, but it must be lived. We should never say we will never attain happiness, but reach out each day for happiness that may come our way, and determine to attain it, one day at a time. She quoted Lao-Tze as saying "A journey of a thousand miles begins with one step," at a time to attain happiness.

Refreshments were served by the hostess to Mmes. Willis Cornutt, Clara Butler, Bernice Hallmark, Pauline Griffin, Harvey Leach, Mabel Givens, Gladys Payne, Vada Preston, Pauline Smiley, Lynne Compton, Stella Harris, Adell Thompson and Inez Webb.

Vada Preston will host the next meeting February 15th.

and they have met most of the requirements to organize as a State Convention, planned for October 20, 1984.

Mrs. Edwin Hallmark read the Calendar of Prayer and prayers were said for missionaries whose birthday was on this day. She resigned as Prayer chairman and Mrs. McNary will assume this duty.

The group also voted to take valentines to the Loraine Nursing Home next Monday Feb. 14. Mrs. Hallmark told of her niece and husband, Mr. and Mrs. Jim Hines of El Paso who were now serving as missionaries in Egypt. Mrs. McNary said her parents will be leaving soon to do mission work in the state of Washington.

The Mission and Bible study meeting will be at Mrs. Holman's at 9:30 a.m. Wednesday, February 16th.

Mrs. Chris Alexander led the closing prayer.

Nine members were present.

News from... Loraine High School

By SHELLY MARTIN, DEE ANN PULCHER & MELISSA CLIFTON

The Loraine Jr. High basketball teams wrapped up their season this year when they played Westbrook here at Loraine. Both Loraine

teams came out with victories over Westbrook. This puts the Loraine boys with a record of one loss and 14 wins and the girls with a record of 10 wins and five losses.

The Loraine High School girls basketball

team will decide their fate this Thursday when they play against Roscoe for district runner-up. The game will be held at the Snyder Coliseum at 7 p.m. We wish the Loraine girls the best of luck.

The Loraine Student Council has decided to celebrate Valentine's Day with a dance. The dance will be held Saturday from 8 to 12 p.m. All Loraine students are invited to attend.

Is your heating/cooling system gobbling up too much money?

If electric bills are taking too big a bite out of your budget, consider equipment with a higher energy-efficiency rating. The higher the rating, the less electricity it takes to heat and cool your home. And using less electricity will help hold down your bill.

High-efficiency equipment costs more, but when the equipment qualifies, Texas Electric will give you a bonus check to help pay the

difference. So if you're planning to install a room unit, or replace central air conditioning or a year-round heat pump, ask your dealer about equipment that qualifies for a bonus check from Texas Electric.

And put money back in your pocket.

If You Don't Teach Him To Save Money Who Will?

We can help. The younger years are the best time in life to prepare your children for the future. A savings account that you open in their names and then insist they save regularly is a fine way to get started.

Here on this end, we will praise and encourage them in every possible way. You are cordially invited to bring your youngsters in so we may become acquainted.

Public Notice

In order to implement prior orders of the Public Utility Commission of Texas in Docket No. 3957, notice is hereby given of Southwestern Bell's proposal to implement a new schedule of intrastate long distance rates, effective April 1, 1983, unless otherwise determined by the Commission.

It is expected that the proposed rate schedule will not increase the company's net intrastate revenues, but rather, the increased rates will offset increased settlements paid to certain other telephone companies.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

Changes in intrastate long distance rates would also affect customers of other telephone companies because such companies provide intrastate long distance service in accordance with rates specified in Southwestern Bell's tariffs.

Southwestern Bell

Aviso Público

Southwestern Bell, con el objeto de cumplir con el decreto previo del Public Utility Commission (Comisión de Servicios Públicos) del Estado de Texas, Acta No. 3957, por la presente hace saber su intención de establecer un nuevo arancel de tarifas para servicio intraestatal de larga distancia, con vigencia a partir del 1o de abril de 1983, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel de tarifas que Southwestern Bell se propone establecer no aumentará sus ingresos netos intrastatales, sino que servirá para compensar el aumento de los ajustes que se les paga a algunas otras compañías de teléfono.

Una copia completa del nuevo arancel de tarifas se ha archivado en las oficinas del Public Utility Commission (Comisión de Servicios Públicos) en Austin, Texas, y esta disponible para inspección pública en todas nuestras oficinas en el Estado de Texas.

Aviso a los Clientes de Otras Compañías de Teléfono

Cambios en las tarifas para servicio intraestatal de larga distancia también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen servicio intraestatal de larga distancia en conformidad a tarifas especificadas por Southwestern Bell.

Cancer Crusade to begin Feb. 14

Cancer Crusade '83 will begin February 14 with an intensive drive to contact every home in Colorado City, Westbrook and Lorraine.

Literature on cancer awareness through the seven danger signals will be left at each home and place of business contacted.

Fleta Lewis, local real estate agent, will spearhead the drive. Not new to community endeavors, Mrs. Lewis is an experienced leader in local affairs. She has served on the local school board, has been a director of the Chamber of Commerce and is currently serving as a member of the Wallace School Educational Board.

Her husband, Vernon

Lewis, former owner of E-Z Way Superette, is now operating a greenhouse located on their lake property. They have a daughter, Sherri Copeland of Sterling City, and a son, Jerry Don.

"If we enable one person to recognize a cancer symptom and act immediately, we have helped that person to have a better chance for recovery," Mrs. Lewis stated, "for awareness is the key to cure."

"We want our educational program to go forward. We need people to help, and we need money. So please help us by having a check-up, and when the block captain comes around, give a donation," she said.
