

COLLINGSWORTH COUNTY'S NEW JAIL

The new Collingsworth County Jail has been completed and final inspection will be made this week. Open house is planned for 1 to 5 p. m. Sunday, June 21, and the public is invited to see the building, which also has quarters for the sheriff and his family. On Monday, Sheriff John Rainey will

move in prisoners now held at Memphis. The \$65,000 jail was financed jointly by the county and the Housing and Home Finance Agency, made possible by the county's participation in the federal ARA program.

1964 Grain Sorghum Price Support Set

Prices for the 1964 crop of grain sorghum will be supported in Collingsworth county through loans and purchases at \$1.75 per hundredweight for grain sorghum grading No. 2 or better, W. C. Harwell, chairman of the Agricultural Stabilization and Conservation County Committee, has announced.

This compares with the average county loan rate of \$1.69 per hundredweight for the 1963 grain sorghum crop.

The chairman pointed out that the total national support for the 1964 grain sorghum crop is unchanged from the 1963 crop level of \$2.00 per hundredweight. However, the 1964 crop support reflects an average loan rate of \$1.77 per hundredweight with a payment-in-kind of 23%.

Farmers wishing to store their price-support grain sorghum in a terminal warehouse may obtain terminal rates from the ASCS county office. The 1964 county and terminal rates reflect the 6% increase in the loan portion of the support above the 1963 level.

As in the past, county loan rates for major producing areas will reflect terminal loan rates less the freight and handling charges needed to get the grain sorghum to terminal markets. Both county and terminal rates will be adjusted for grade and quality to determine rates for individual producers. The discount schedule is unchanged from that in effect for the 1963 program.

Harwell reminded growers that the price support on the 1964 crop will be available to those grain sorghum producers who participate in the 1964 feed grain program by diverting the amount of acreage as shown on the agreement for their total grain sorghum, barley, or corn acreage to conserving uses and meeting other provisions of the program.

Price support will be carried out through farm and warehouse-storage loans and purchases. Support will be available from time of harvest thru Jan. 31, 1965. Grain sorghum price-support loans will mature Mar. 31, 1965.

Judge Robinson Demo Speaker

Judge Mary Lou Robinson, 108th District Court of Amarillo, will be guest speaker for the League of Democratic Women on Tuesday, June 23 at 3:00 p.m. in the Greenbelt Electric Building.

This will be an open meeting for all ladies of the community interested in the Democratic Party. This will be an opportunity to hear a very distinguished speaker in our own community.

New Jail Completed; Open House Sunday

Open house will be held at the new Collingsworth County jail Sunday, June 21 from 1 to 5 p.m., and the public is invited to visit at that time, Sheriff John Rainey announced this week. It is considered one of the finest and most modern jails in the Panhandle.

Mr. and Mrs. Rainey, Police Chief Donald Nunnelle and others will be there to show visitors through the building. Waco Construction Company, the contractor, completed work late last week, according to Joe Brownfield president. Representatives of the Housing and Home

Finance Agency, through which part of the cost was financed, were due Wednesday for the final audit and inspection.

Monday, the sheriff and his family will move into the living quarters and prisoners now being held at Memphis will be brought here.

"This is a maximum security jail," Sheriff Rainey pointed out. "It was built, keeping in mind the safety of the public and law enforcement officers handling prisoners, as well as the welfare of the prisoners themselves."

The one-story rose-buff brick building, designed along modern lines, is on the site of the old jail, two blocks east of the square. The old building had not been used since 1960.

The entrance is through the glass and brick-walled office, with the jail section forming the north wing. There are 7 cells with a capacity of 21 prisoners. These include one cell for women and one for juveniles, along with one solitary confinement cell.

There is also a run-around and kitchen.

First, an Alert

City Revises Storm Warning System

Clarification of the city's storm warning system and several changes were announced this week by Buster Hughes, chief of the Wellington Fire Department, which operates the warning system. It concerns a two-warning system rather than one as in the past.

In the future, the siren will be sounded the first time as an alert, warning local residents to watch approaching clouds and be ready to go to the cellar or seek other shelter if necessary. The siren warning remains the same — two long undulating blasts.

"If a warning is sounded a second time, you know a twister is coming in," said Johnny Cagle, who is in direct charge of sounding the warning.

County and city law enforcement officers watch all potential storm clouds and receive reports by two-way radio from units in adjoining counties. These reports are relayed to the fire station.

A tornado was not sighted Thursday, June 11, when the storm warning sounded for the first time this year, but the clouds became so turbulent that watchers could not tell what might lie behind them, Hughes said.

There are other reasons for adopting two warnings. "We have quite a few old people and it takes time for them to get to the cellar," said Cagle. The first warning will give added time.

Hughes also explained that if electric power is cut off during an electrical or wind storm, the fire department siren can not be blown.

The dual warning system is in operation in many towns of the area.

At the same time, Cagle requested local residents not to use the fire department telephone when the storm warning sounds unless they are reporting a fire.

Seek Woman for Theft of Purse

The sheriff's department is seeking a young woman for questioning in connection with the theft of a purse as she was waiting in a doctor's office, Sheriff John Rainey reported. The purse, containing more than \$100, along with credit cards, was taken from Mrs. Alton Wilkins, on the office staff of Dr. C. B. Jones. She had stepped from the room at the time of the theft, she told the sheriff.

Sheriff Rainey said the woman is also wanted for passing a forged check in the amount of \$20 at Parsons Drug, and for using the credit cards issued in Mrs. Wilkins' name for identification in passing checks in Amarillo Saturday. Tuesday morning the checks totaling \$111 had come in.

Braves, Cubs Win Monday's Double Header

In the first game of a double header played Monday night, June 15, the Braves beat the Dodgers 12 to 4. The Dodgers made one run in the first inning and three in the fourth, while the Braves scored steadily in every inning but the last.

In the nightcap the Cubs won over the Eagles, 12-8. The Eagles gained an early lead with 6 runs in the first to none for the Cubs.

In the fourth inning the Cubs added 6 runs to the 2 they scored in the third inning, and the Eagles scored 1. At the end of the fourth and fifth innings the score was 8 to 7 for the Cubs.

In the sixth and usually final inning, the Eagles made a run which tied the game. An extra inning was played and the Cubs scored 4 runs while the Eagles scored none. The final score was Cubs 12, Eagles 8.

Glover Heads Maintenance at Highway Dept.

Lawrence Glover of Crowell has been named maintenance foreman for the State Highway Department, succeeding the late Byron House.

Glover has been with the highway department 16 years, beginning as a truck driver and working up through the ranks. At Crowell, he was maintenance patrolman.

Both he and his wife grew up at Crowell and Glover is a veteran of World War II, having served with the 35th Infantry in Europe.

The Grovers have five children: Sharon, 17, who will be a senior in high school; Mary Jo, 12; Jimmy, 11; Delbert, 6; and Terry, 4.

They are members of the Assembly of God.

The family is living at 1203 El Paso Street.

Bobbitt Here With Phone Co.

E. C. Bobbitt has been transferred to Wellington as installing repairman for General Telephone Co., replacing Nathan Hamilton, who was promoted and transferred to Panhandle as central office repairman.

Bobbitt was a lineman at Ralls for the last year and prior to that he spent three years on an unlocated construction crew working over most of the state.

Both Bobbitt and his wife are from Clarendon, where he was graduated from high school in 1959 and she in 1963.

They are members of the Church of Christ.

Bryan Denley Has Surgery

Bryan Denley, who is employed in the City Barber Shop, underwent abdominal surgery in Groom Memorial Hospital Friday, June 12.

His condition is improving, and he will return home Monday if there are no complications, according to his daughter, Miss Molly Denley.

Deck's DIDACTICS

—By Deskins Wells

The state convention of the Democrats was held Tuesday with Gov. John Connally in firm control and with the usual rum-pus becoming only a riffle. Collingsworth county was in line with the state meeting although several Panhandle counties with liberal delegations cast dissenting votes in the seating of delegates. The resolutions passed at the state meeting were approximately the same as those at the recent county convention here so you might say the state meeting was in line with Collingsworth. This county was represented by Mr. and Mrs. John Coleman. Paul Spillman, the other county delegate, did not attend due to legal business here at home.

My paragraph about the long range maps being wrong in saying June would be wetter and cooler than normal was correct at the time it was written for we had just completed five days of record breaking heat; but it was entirely incorrect by the time the people on the rural routes received their papers. It started raining Wednesday night and now the whole area is wet. Farmers are hoping for some dry weather so they can get after the weeds which have been growing at a phenomenal rate. One patch of silage sorghum on my place near Fresno has grown a foot.

Cattlemen think the rains will relieve the distressed prices of cattle for the time being; but they know the relief is only temporary for the imported beef is still pouring in at the rate of a billion pounds a year. And there is a surplus of U.S. cattle even if there were no imports. Heard some cowmen talking the other day about the ranches the big packers such as Armour, Swift, etc., own and operate. That is where much of the beef that goes into our canned corned beef, weiners, and beef stew is grown. Why not start buying the products that are processed here in the Panhandle? It is like insisting on cotton shirts, dresses and fabrics.

Police Chief Cites Rules

Highway 83 Marked for Four Traffic Lanes

Highway 83 has been marked for four lanes of traffic and two parking lanes from Lucky Corner to the railroad track, Police Chief Donald Nunnelle said this week as he asked co-operation of drivers in observing the traffic laws.

Only the lane next to the curb is a parking lane, Chief Nunnelle pointed out, adding that a number of people have been parking in the second, or right-hand traffic lane.

A double center-stripe extends the full length of the 4-lane section, and it should not be crossed by one vehicle passing another.

Slow vehicles should stay in the right traffic lane, leaving the left lane for faster moving traffic. However, passing in the right lane is legal, the police chief said.

Vehicles pulling onto this section of Highway 83 should turn into the right moving traffic lane, permitting a smoother flow of oncoming traffic.

There have been no motor vehicle accidents on this portion of Highway 83 since it was widened to four traffic lanes, Chief Nunnelle said.

Annual Camp Fire Girls Day Camp Planned June 23 to 26

The annual Camp Fire Girls day camp will be held Tuesday through Friday, June 23 through 26 on the Willie Smith farm on Buck Creek. Plans for the camp were completed this week, according to Mrs. J. B. King, president.

As in the past this will be a four-morning camp, with the girls leaving the elementary school at 7 a.m. and returning at 11 a.m.

The five groups of Camp Fire

Girls will ride school buses with their leaders and assistants. Each person attending will pay \$1.00 camp fee which includes insurance.

This year each leader will be in charge of her own group's craft work and cook-outs with no over-all director. These include Mrs. Cecil Masten, Mrs. James Sullivan, Mrs. J. B. King, Mrs. Bobo Castleberry, Mrs. Tim Cochran and Mrs. Marshall Peters.

In the event of rain during that week, the dates will be changed to the following week, Mrs. King said.

Billy Joe Thogmartin will be in charge of the camping committee again this year.

Car Demolished in Accident

A spectacular one-car accident left the vehicle broken in two parts, mashed and partially wrapped around a tree, but the lone occupant, a young Wellington woman, walked away to get help.

The car, driven by Miss Glynne Elbert, went out of control Friday night, June 12, in front of the Ray Peoples home just north of town, veered to the left across the highway and bar ditch, then struck a tree, Sheriff John Rainey said.

Miss Elbert, daughter of Mr. and Mrs. Harold Elbert, was taken to St. Joseph's Hospital, for treatment of bruises and observation.

The car body broke in two at the point where the doors latch, and again where the windshield connects with the hood. The radiator, hood and front fenders, dash, transmission and drive shaft landed in one piece about 60 feet in front of the remainder of the wreckage, the sheriff said.

Miss Elbert went across the road to the Peoples home and members of her family, a doctor and Sheriff Rainey were called.

The accident drew a large crowd of spectators Saturday morning until Sheriff Rainey had the wreckage removed to prevent additional accidents.

Mrs. McPherson to Hobart; Mrs. Gray at Ritz

Mrs. Lydia McPherson, manager of the Ritz and Bronco Theatres has been promoted and transferred to be manager of the Esquire Theatre in Hobart, Okla.

She will be succeeded as manager here by Mrs. Wayne Gray, who is now training for that work. The change will be effective July 1.

Mrs. McPherson came to Wellington from Sayre, Okla., four years ago. She has been in theatre work for 19 years. The Hobart Theatre, like those here, is a member of the Video Independent Theatre chain.

Mrs. McPherson has been active in the Business and Professional Women's Club and the First Christian Church here.

A Wellington resident since childhood, Mrs. Gray has been employed at the Dairy Mart for the past year, but prior to that she devoted her full time to her family. She is active in Bluebird and Cub Scout work.

THE DRIVER WALKED AWAY FOR HELP

This twisted wreckage was described by local enforcement officers as the worst they had ever seen in which no one was killed, but the driver, Miss Glynne Elbert was able to get to the Ray

Peoples home to summon help. The accident occurred Friday night, June 12. The front portion of the car body was hurled about 60 feet farther, Sheriff John Rainey said.

Rites at Quanah June 10 for Gun Accident Victim

Sgt. Billy Fred Thomas, 35, stationed at Fort Sill, Okla., died in a gun accident while visiting friends on the county line west of Quail Sunday, June 7.

The accident occurred at the Patton farm, just west of the Donley county line, according to friends, when the deer rifle that Thomas was putting in his car discharged, the bullet striking him under the heart.

Thomas was reared at Quail and graduated from high school there. He was an Army career man. While on leave recently he attended the Quail graduation exercise and had been visiting friends at Quail, Hedley and Clarendon, friends said.

He was a member of the Baptist Church.

Funeral services were conducted Wednesday, June 10 for Sgt. Thomas at the Quanah Baptist Church. Military graveside rites were conducted by the Amarillo Air Force Base personnel and burial was in the Quanah Cemetery.

Survivors include his mother, Mrs. Alma Murphy of Quanah; a son, Randy of Clarendon; his twin brother, Ted Thomas with the U.S. Navy in Corpus Christi; and a sister, Mrs. W. P. Gilbreth of Panhandle.

Mr. and Mrs. Joe Terry have as their guests this week their two sons, Mr. and Mrs. Herman Claude Terry and children of Kermit, and Mr. and Mrs. Donald Joe Terry and children of Kincheloe Air Force Base in Michigan. The Herman Claude Terrys are also visiting her parents, Mr. and Mrs. D. E. Scott.

We Congratulate Collingsworth County On Its New Jail

We join the Commissioners Court and Sheriff's Department in inviting you to attend the open house at the new jail.

We, too, want you to see this handsome new building, financed in part by your tax dollars. We commend the Commissioners Court on its course of action.

Concrete, steel and brick combine to give the jail a handsome appearance, yet it is utilitarian and practical. It is a maximum security jail, second to none in this part of the state. It was planned and built for your protection and the protection of those who handle prisoners.

This new jail will serve your needs now and the needs of the foreseeable future. It was indeed a pleasure to work with you on this project.

Miss Witholder, Douglas Handley Wed June 11 in Ceremony at El Paso

Miss Mary Jane Witholder became the bride of Douglas Handley at 7:30 p.m. June 11 with the Rev. Stewart Coffman officiating in the First Presbyterian Church in El Paso. The bride is the daughter of Mrs. A. H. Witholder of El Paso and the late Mr. Witholder. The bridegroom is the son of Mr. and Mrs. Felix Handley of Wellington.

The altar was decorated by baskets of white gladioli and majestic daisies. Wedding music was presented by Miss Dorothy Learmonth at the organ and Miss Sally Haraway, soloist.

The bride, given in marriage by her brother, Alfred H. Witholder, wore a long gown of

silk organza over taffeta, hand embroidered, with a taffeta train attached at the waist. She wore a veil of illusion held by a crown of pearls and carried a cascade of lily of the valley centered with a white orchid over a white Bible.

Miss Penny Cannon was maid of honor; Mrs. William Bindler of Dallas was matron of honor, and Miss Patricia Ann Henry of Rockford, Illinois, niece of the groom, was junior bridesmaid. They wore dresses of aqua silk organza over taffeta with matching headpieces, and carried corsages of pink carnations.

John Vitullo was best man. Groomsmen were Victor Copping and Bill Witholder. Ushers were Richard Wynne, Dan Carpenter and Don Smith.

A reception in the Fellowship Hall followed the ceremony. After a wedding trip to the west coast the couple will be at home at 10017 Belfast.

Out of town wedding guests included the bridegroom's parents, Mr. and Mrs. Handley; their daughter and family, Mr. and Mrs. James Henry, Michael, Kevin and Patricia of Rockford, Ill. Other relatives were Mr. and Mrs. Wallace O'Rear of Shamrock, and Mr. and Mrs. John Lee and daughters, Mrs. Ray Sparlin and Mr. and Mrs. Alfred Herndon of Alamogordo, N.M.

Miss Emanuel, Mr. Whitaker Wed in Chapel Rites at Little Rock

Miss Elaine Emanuel, daughter of Mr. and Mrs. Alfred Thorne Emanuel of Little Rock, Arkansas, was married to John Nicholas Whitaker, son of Mr. and Mrs. Nicholas Earl Whitaker of Harrisburg, Arkansas at four o'clock on Sunday afternoon, June 14 at Greene Chapel, Hendrix College. A reception followed at Trieschmann Hall.

The bride's family formerly lived in Wellington and she is the granddaughter of Mrs. A. V. Cocke, now of Mineral Wells, and the late Mr. Cocke, and of Mrs. Frank Emanuel of Iowa Park and the late Mr. Emanuel.

Given in marriage by her father, Miss Emanuel wore a

simple empire gown of silk linen accented with Venice lace at the raised waist and again across the base of the train. A brief crown of seed pearls held the pearl-scattered, shoulder length illusion veil. She carried a white Bible, a childhood gift from her parents, centered with a white phalaenopsis orchid and showered with Stephanotis.

The maid of honor was Miss Ann Barnett of Little Rock. Bridesmaids were Miss Roselle Taylor of Heber Springs and Miss Carol Oliver of Little Rock. The flower girl was Jennie Raymond of Conway, and the ring bearer was Mark Sifford of Jonesboro, a cousin of the groom.

The best man was Frank W. Keel of Newport. Groomsmen were Joe Ronnie Bumgardner of Little Rock and James J. Kane Jr. of Conway; ushers were Robert G. Griffin of Dallas, T. Pearce Wilson of Texarkana, James E. Anhalt Jr. of Monterey Park, Calif., K. David McKelvey of Harrisburg, and A. Estes Felker of Cleveland, Tenn.

Among the guests were Mr. and Mrs. Clyde Drake of Wellington and their daughter and son-in-law, Dr. and Mrs. John Beauchamp and their infant son Robert. At the reception, Mrs. Drake cut the bride's cake with a server belonging to the bride's paternal grandmother, Mrs. Emanuel.

Carlsbad Caverns National Park

Renowned throughout the Nation, Carlsbad Caverns is proclaimed by millions to be the world's first natural wonder. Created through countless centuries by giant earth upheavals and water erosion, the Caverns have rooms as big as 14 football fields and ceilings as high as a 22-story building. Several tours are offered visitors. There is even elevator service, to a lunchroom deep in the heart of the cave. Overnight accommodations in hotels, motels and trailer courts are nearby. Shops, restaurant, nursery and kennels are at the service of visitors. Situated in Southwestern New Mexico, open the year 'round, Carlsbad Caverns is readily accessible, by major highways from any point. It is an underground fairyland — one of the truly great places to go and things to see in General Telephone Country.

Mrs. Eva Starr Installed as Worthy Matron of Eastern Star Chapter

Mrs. Eva Starr was installed as worthy matron of the Wellington Chapter No. 238 of the Order of the Eastern Star at a called meeting Tuesday evening, June 9.

Mrs. Deloyce Savage was installing officer, along with Paul Starr, installing patron. Dorothy Clements of Memphis was installing marshal; Annie Clark, secretary; Fannie Pettitt, chaplain; Lee Ella Seale, organist; Ola Parker, warder; and Ben Hurst, sentinel. Mrs. Clements is deputy grand matron for District 2, Section 5.

Taking office with Mrs. Starr

were R. T. Savage, worthy patron; Nell Land, associate patron; Rosco Land, associate patron; Jennie Holcomb, secretary; Mary Jones, treasurer; Sharlene Marsh, conductress; Dorothy Parker, associate conductress; Ethel Lowrie, chaplain; Deloyce Savage, marshal; Dorothy Davis, organist; Ethel Strong, Adah; Evelyn Parker, Ruth; Cora Hurst, Esther; Tommie Coburn, Martha; Otha Brewster, Electa; Edna Rudy, warder; and Johnny Parker, sentinel.

A program followed the installation, with vocal selections by Mrs. Seal and Mrs. Davis, and a poem read by Mrs. Seal.

Gifts were presented to the new worthy matron, to the junior past matron and patron, and to the officers.

The hall was decorated with roses and other Spring flowers carrying out the worthy matron's chosen colors of aqua and American Beauty.

A reception followed the installation and program, and floral decorations repeated the colors of aqua and American Beauty.

Twenty-four members attended.

Dodson NFMS Installs Officers

The Dodson Nazarene Foreign Missionary Society met Tuesday, June 9 in the church auditorium for installation of officers for the coming year.

Mrs. Georgia Owens gave the history of the NFMS of the Dodson church. It was organized in 1914 and Mrs. Owens was the first president. This is the fiftieth anniversary of the society.

The theme of the program was "The Challenge of the Cross." Bro. Maurice Moore sang a solo, "Take Up Thy Cross and Follow Me."

Refreshments were served in the parlor of the church to 14 members.

Fitz Announces Art Classes

Dord Fitz, noted artist and instructor, will teach classes in portraits and water colors here this summer, he has announced.

The classes will be held in the basement of the John Sherman home, and the organizational meeting will be Friday, June 19 at 7 p.m.

Anyone interested may enroll—either beginners or advanced students, it was pointed out.

Fitz has taught both Winter and Summer classes here for several years, and work of Wellington students has been exhibited in Amarillo and New York City during the last year.

Party Honors 2 Amarilloans

Gary Brewer and his cousin, Mary Karen Bearden honored two of their cousins, Anna Marie Craven and Stanford Brown of Amarillo at a party in the home of Mr. and Mrs. Quinton Brewer Thursday, June 11.

The evening was spent playing games and records and dancing.

Those attending were Mary Lou Hanna, Mickeye Ann Kendrick, Debbie Lewis, Elaine Karnes, Vickie Sherman, Jennifer Leeper, and Kay Taylor.

Also Chuck Wilbur, Jerry Hughes, Jerry Wooldridge, Teddy Martin, Tony Hurst, Rickey Brown, Greg Roberts, and the honor guests and hosts.

Mrs. H. D. Duckworth, accompanied by her daughter, Mrs. Virgie Gosnell of Cisco, and a granddaughter, Vickie Seale, returned recently from Tulare Calif., where they visited another of Mrs. Duckworth's daughters, Mrs. Coot Adkins and family.

Mrs. Frank Fourmentin and Mrs. V. J. Simpson returned home last Friday after spending a week visiting relatives in Beaumont and Houston.

Check 2 Rural Accidents Here During May

The Texas Highway Patrol investigated two accidents on rural highways in Collingsworth county during the month of May, according to Sgt. J. W. Wilson, Highway Patrol Supervisor of this area.

These wrecks accounted for an estimated property damage of \$875.

The rural accident summary for Collingsworth county from January through May of 1964 shows a total of four crashes, resulting in one person injured, and an estimated property damage of \$2,360.

The Sergeant expressed serious concern over the increase in fatal motor vehicle accidents and deaths throughout the state.

"For the first five months of 1964, 1025 persons have died in traffic, compared to 871 for the same period of 1963," the Sergeant stated. "This 18% increase is very alarming and when you realize our heavy volume traffic months are still ahead, we must anticipate increasing problems in the accident picture. There is an increase in all types of accidents throughout the state and it is something that merits our greatest concern," he said. "The driving public must assist in the reduction of this trend if we are to turn it downward. Otherwise our death count at the end of the year will far exceed the record number of 2,729 deaths in Texas traffic

NEWS OF MEN IN SERVICE

Delmer B. Duckworth, Fm, U.S. Navy, is here on two weeks leave to visit his mother, Mrs. H. D. Duckworth, and his sisters, Mrs. Malcolm Seale, Mrs. Billy Seale of Vega, and Mrs. Virgie Gosnell of Cisco. He is stationed aboard the USS Randolph.

M/Sgt. George Sturgill, Army career man who enlisted 20 years ago from Quail, is now stationed at Fort Benning, Ga. The 43-year-old Wellington native plans to remain in service 30 years, he tells friends. His mother, Mrs. Frank Sturgill, now lives at Pampa.

during 1963. If you are driving, your life literally is in your own hands, so won't you help yourself and others by resolving not to become one of our statistics?" the Sergeant asked.

Here is the record for nearby counties:

Childress: 5 accidents, no deaths, 1 injured, \$3,745 property damage.

Cottle: 3 accidents, 3 injured, \$845 damage.

Donley: 4 accidents, none killed, 2 injured, \$2,705 property damage.

Gray: 13 accidents, none killed, 6 injured, property damage \$4,575.

Hall: 5 accidents, 1 injured, none killed, \$1,595 property damage.

Wheeler: 12 accidents, 1 killed, 4 injured, \$10,175 property damage.

Mrs. J. A. Lowe Entertains Circle

The Mary Martha Sunday School class of First Baptist Church met in the home of Mrs. J. A. Lowe June 11 for their regular monthly business meeting.

Mrs. Charles Slay opened the meeting with prayer and Mrs. P. E. Lowrie gave the devotion.

The next meeting will be in the home of Mrs. R. W. Brantley.

CROSSROADS REPORT

Dear Editor:

News is that many folks in New York City are being robbed and killed and otherwise inconvenienced by some of their deprived and frustrated young neighbors.

And they don't know what in the world to do about this situation; which shows that modern cultured living tends to wither the human ingenuity gland.

Because the pre-sociology American knew exactly what to do when deprived and frustrated youth went on the warpath or turned outlaw. He just gang-banged on them and made their frustration permanent.

Judging from the news, you might say the street demonstration form of government is getting very powerful these days.

But my remembersome neighbor says this easy way for peo-

ple to get what they want without bothering to deserve same is not exactly a modern discovery.

He says children have long used the lie-in demonstration plan. They lie in the floor and kick and scream when dissatisfied with their freedoms. But most outgrow it by about age six, which shows that some people mature earlier, and further, than others.

I see where there is considerable of a movement on to outlaw God, and to get Him out of government, schools, churches, and other places where He tends to inhibit Modern Progress.

Of course, He has still got many friends left, but as more and more people get to be smarter than He is, it is being noticed that many of His old principles have a very Conservative taint.

And likely there are some people who feel like the Lord ought to be retired on account of His poor management practices, like creating too many petty impediments to social progress, such as self-thinkers and Goldwaterists.

It comes out in the news that President Johnson wants everybody to quit worrying about big government is fixing to take away our individual liberties.

THE WELLINGTON (TEXAS) LEADER Thursday, June 18, 1964

Which is mighty good advice, because it is well known by one and all that worrying promotes ulcers and stuff, which is bad for the health.

My plainbrain neighbor says once he was ulcerating a lot because of worrying that the finance company might take his car away from him, and then he decided to just quit worrying about this, and he finds that walking is real healthy.

Tommy Thomas, son of Mr. and Mrs. Truett Thomas, left

last week for Lubbock where he has enrolled for the summer session of Texas Tech. He was graduated from high school here this spring.

Mr. and Mrs. Earl Arthur and their granddaughter, Anne Arthur of Wichita Falls visited this week with her aunt Mrs. A. Y. Bell.

Mr. and Mrs. John Alf Thomas and LaVonda are living in Lubbock for the summer while he attends Texas Technological College.

Cards of Thanks

I wish to express my deepest appreciation to my many friends who have been so thoughtful in every way during my recent illness, for the beautiful flowers, cards, visit and prayers.

I also wish to thank Judge Bishop and the Commissioners' Court for their thoughtfulness and cooperation. And to all who have helped in any way, I say thank you and God bless you. Mrs. R. H. Isbell

I wish to express my sincere thanks and appreciation to all who sent flowers, cards and gifts, and to all who visited me during my recent illness. Your thoughtfulness has meant much to me. Ben Morris

Storm Warning NOTICE

The following storm warning system will be used to warn Wellington residents of approaching stormy conditions.

TWO LONG WAVERING BLASTS FROM THE FIRE SIREN will be sounded to alert citizens of approaching storm clouds, to warn them to get ready to go to the cellar if necessary.

It does not necessarily mean a tornado funnel has been sighted, but it does mean that clouds should be watched closely and preparations made to take shelter.

If the warning is repeated, it means a funnel has been sighted and get to shelter immediately.

The first alert will be sounded because many of our older citizens need a little time to get to a cellar. If we wait, it may be too late.

There is also the possibility the electric power will go off and the siren cannot be sounded at all. Two warnings are standard procedure in many towns.

Don't totally depend on this system. Use your own good sense and observe the cloud yourself.

Do not phone the fire department number when you hear the siren. In case of fire it could get out of hand if the telephone lines are jammed.

Wellington's Little League Baseball Offers Sports Thrills

The exciting play of baseball comes in all sizes and ages and degrees of skill. There is pleasure in sitting in a cool room and watching the big league play on television.

But there are pint-size thrills galore to be seen from the bleachers of Marian Airpark Ball park . . . and when you watch from there, your presence is felt and appreciated, and 18 players down on the field play just a little bit harder.

More than 200 boys from six to about 15 years old are playing on one or other of the teams in Collingsworth County, and for the first time, all four communities are represented.

But the need does not stop with a bleacher full of spectators. Little League officials, and that includes Pony League and Pee Wee, always need more men to help with the program.

But whether it is as a spectator or an adult leader, Marian Airpark Ball Park is a good place to spend an evening on four nights out of the week, every week from now until August.

Family Night at Trinity Methodist

A family night supper Wednesday, June 10 ended Vacation Bible School activities at Trinity Methodist Church.

Approximately 75 boys and girls attended the school during the preceding week.

Mrs. R. H. Knight was director of the Bible school and workers were Mrs. Richard Peters, Mrs. Howard Jones, Mrs. Louise Isbell, Mrs. Billy Waters, Mrs. Wayne Cummings,

Mrs. G. A. Smith, Mrs. Mabel Emmert, Mrs. B. J. Patterson, Mrs. C. A. Kessler, Mrs. Clarence Wilbur, Mrs. Melvin Kiker, and Mrs. Gene Morrow.

Bryan Stewart Dies at Dallas

Bryan Stewart, 67, a native of Dodson, died in Veterans Hospital at Dallas Tuesday, June 9. He had lived there a number of years and was a retired mechanic for Braniff Airways.

He was a brother of Mrs. Fletcher White of Kelly community.

Mr. Stewart moved to Dallas about 1920 and lived for a number of years in Hot Springs, Ark., before going there.

Funeral services and burial were at Hot Springs.

Surviving are five brothers and two sisters: Mrs. White; Mrs. Murriel Kassau of Burnet; Jack Stewart of Midland; D. L. Stewart of Odessa; Jeff Stewart of St. Louis, Mo.; Bill Stewart of Houston, and George Stewart of Hot Springs.

Mrs. White and her daughter-in-law, Mrs. Peck White, went from here.

NEWS OF MEN IN SERVICE

Artis Pipkins, Jr., son of Mr. and Mrs. Artis Pipkins, who formerly resided in Wellington, has completed the Navy's Recruit Training program at San Diego, Calif., and has been promoted to Seaman Apprentice.

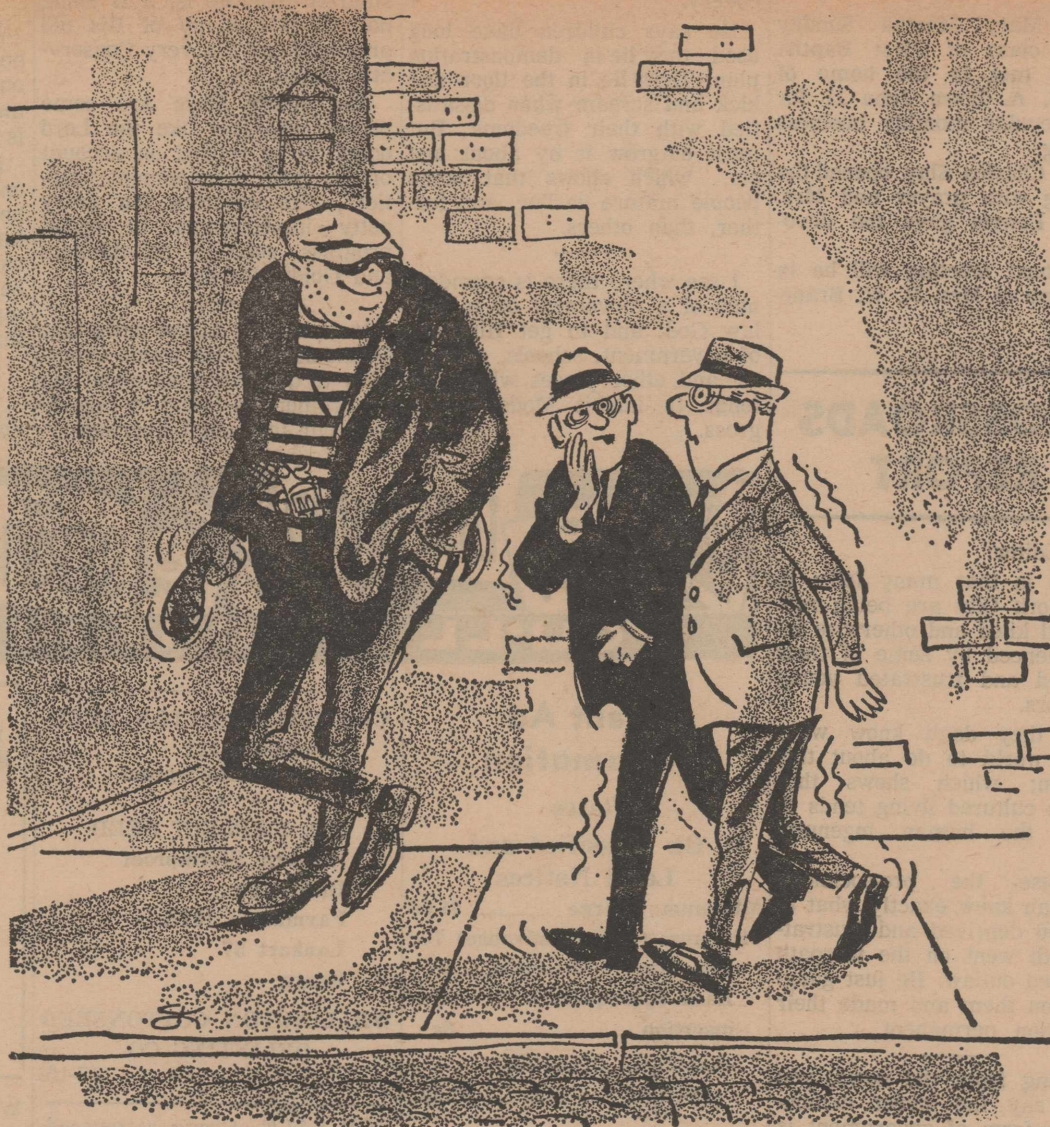

Prior to entering the Navy in February of this year, Pipkins was employed by the Cudd Brothers Trucking Company of Wellington.

Pipkins will now report to the Administrative Command at the training center in San Diego where he will be assigned to on-the-job training.

Examine 18 Year Olds for Draft in July

AUSTIN.—The first official call directing the physical and mental examination of 18-year-old males by state draft boards have been mailed, Col. Morris S. Schwartz, state Selective Service director, said.

The quota, effective in July, directs the examination of 1,816 Texas 18-year-olds in that month. These youths will not be considered for armed forces service at this time Col. Schwartz pointed out. Normally, a man is not reached for draft induction until about age 22.

Instead, their examination is the result of President Johnson's action of Jan. 5, announcing that he was ordering the Director of Selective Service and the Secretary of Defense to examine all newly-registered men who are out of school and otherwise available for service.

Men married at age 18 and those known to be continuing in school currently will not be examined under the program.

Also, high school graduates whose draft files show they intend to enter college the following semester will not be ordered for examination. If a high school graduate plans to enter college this summer or fall, he should notify his draft board immediately.

The 18-year-olds going for the examination in July will be primarily those who registered with draft boards in January 1964.

"The 18-year-olds who will be sent for examination in July and succeeding months," Col. Schwartz said, "are those in Class I-A, I-A-O, and I-O who became 18 years of age on or after Jan. 1, 1964, the oldest first."

The examination of these 18-year-olds is a part of the President's actions on manpower conservation, generally referred to as the "war on poverty." The 18-year-olds who fail the mental examination in July and subsequent months will be referred by draft board letters to

FHA Officers to Workshop

Officers of the Wellington Future Homemakers of America and their sponsor, Mrs. Dee Coleman, are attending the FHA officers' leadership workshop now in session at Texas Technological College, Lubbock. The meeting opened on Tuesday and will end Thursday, June 18.

The workshop offers incoming officers assistance in helping members develop their potentials and assistance in in-

terpreting the functions of FHA. Advisors have the opportunity to exchange ideas and contribute to leadership development.

Consultants include national and area FHA advisors and consultants, and faculty members from the school of home economics at Tech.

Officers attending are Jan Lindsey, president; Carolyn Christian, first vice president; Anna Kay Kelso, second vice president; Karen Childress, third vice president; Rebecca Brewer, fourth vice president; Linda Sikes, historian, and Susan Sullivan, parliamentarian.

Attending as alternates are Mildred Lewis, fifth vice president; LaJuanda Peters, secretary; and Mitzie Hartman, treasurer.

Pony Game Rained Out

New Concession Stand Opens at Ball Park

This week marks the third week of play in Little League and Pony League schedules. A new brick concession stand and equipment room just west of the stands is now in use. This is a big improvement since equipment and concessions can be left over night.

The game between Wellington Pony and Samnorwood Pony was stopped in the third inning because of weather Thursday, June 11. The game was rescheduled Saturday night but was rained out again, so it will be played later in the season.

The Braves met the Cubs Tuesday, June 9. Both teams scored a run in the first inning, the Braves pulled ahead in the second by a run, but the teams were tied through the third and fourth. In the fifth inning the Braves scored 9 runs and the final score was Braves 13, Cubs 4. Pitching for the Cubs was Bowen and Harper, while the winning pitcher was Martin.

Dodson Pony played Samnorwood Pony Tuesday night also. The score was tied in the second inning with Dodson ahead by 4 runs in the third. In the fourth Samnorwood pulled ahead by 7 points and the game ended Samnorwood 18, Dodson 10. The winning pitcher was Tate, while Gully and Sexton pitched for Dodson.

On Thursday June 11 it was Quail Pony vs. Dodson Pony. Quail led throughout the game and the final score was Dodson 1, Quail 11.

On Friday, June 12 the

Social Security Schedule Given

The schedule of visits of Curtis Watts, field representative of the Amarillo Social Security district office, was announced this week by Hal S. Geldon, manager.

Watts may be contacted in the courthouse from 8:30 to 11 a.m. He will be here on Thursdays, July 9 and 23; Aug. 6 and 20; and Sept. 3 and 17. Those who need to contact Watts and miss him here may meet him at one of the other near-by cities.

He will be at the Clarendon courthouse from 9:15 to 11 a.m. Mondays, July 6 and 20; Aug. 3 and 17 and Sept. 14 and 28. Shamrock community building Tuesdays, 10 a.m. until noon July 7 and 21, Aug. 4 and 18 and Sept. 1 and 15.

Childress city hall, Wednesdays, 9 a.m. until Noon, July 1, 15 and 20; Aug. 12 and 26, and Sept. 9 and 23.

Memphis American Legion Hall, Thursdays, 8:30 until 11 a.m. July 16 and 30; Aug. 13 and 27; and Sept. 10 and 24.

First Methodist Church

Junior Choir Program Ends Bible School

The Vacation Bible School of First Methodist Church closed with a program by the Junior Choir at the evening service Sunday, June 14. Directing the program were Mrs. John Holton, Mrs. L. E. Ward and Mrs. Raymond Ford.

Choir members sang "So Many Happy Children Sing," followed by the scripture, read by the Rev. Ellis Todd.

In the choral reading of the twenty-third Psalm, Brad Kopp was the first narrator and Kathy Singley the second narrator. After the choir sang "Bread of the World in Mercy Broken," a communion pantomime was presented with Kathy Singley narrating. Taking the parts of the disciples were Barry Long, Steve Hunter, Steve Holcomb, Carlos Hotch, John Holton, Marcia King, Keith Davis, Brad Kopp, Jane Campbell, Katie Sullivan, Juliana Baumgardner, and Gwen Lew-

is. During the remainder of the program the choir sang "Lord Jesus I Love Thee," Kathy Singley read the scripture, and again the choir sang, "Be Known to Us in Breaking Bread," with Brad Kopp narrating the scripture. "Jesus Stand Among Us" by the choir was followed by the response reading led by Rev. Todd, and the response by the choir.

The communion service followed with "Bread Touth the Bread of Life" as the communion hymn.

Younger children then presented an action song and "Jesus Loves Me," under the direction of Aleta Owens and Susan Sullivan, with Beverly Singley at the piano.

Approximately 55 children were enrolled in the Vacation Bible School, which opened on Monday, June 8 and continued through Friday, June 12.

rics. It could help your own pocketbook.

It is pleasant to sit out and watch the summer skies if you can find a clear night. This is the best time of the year to observe the constellations known as the Virgin and the Crow. And of course the Big Dipper and the North Star or Pole Star are always visible on a clear night. The difference is that at a given hour, say 10 o'clock at night the Big Dipper is actually in an entirely different position in June from what it was in January. The Big Dipper is actually a celestial clock. A seafaring man can tell the time by glancing at the Big Dipper and noting its position in relation to the North Star; but so can a plainsman, a hunter or a shepherd.

When I was a boy I could tell the time of day by two different methods. One was by observing the position of the sun and the other was by my stomach.

The stars remind me that next Sunday, Fathers Day, will be the longest day in the year and that is the time when the year starts dying. Or does the year start dying on January 1?

This newspaper has won some kind of a prize in the state contests and Virginia Robey is off to Houston to receive the award. So this week end phone your society news to Dela Bee Ford and your other news to me or someone else on the paper. This reminds me. We have a second phone; but it is not listed in the directory and will not be until next March. If our listed phone is busy try 447-5493.

There is something brand new about this week's issue of The Leader. Place it beside last week's paper and see if you can tell what it is.

Here is a letter from Eunice Bird Pickering about the Worlds Fair:

Dear Deck,
I thought from your article about the fair that I should let you in on a proverb—don't believe all you read in the papers. I have spent two days at the fair, April 26 and 27. On the 27 I took 4 adults and 31 children on a class trip. We went into about 20 buildings and could have seen more had the children not had so much money for souvenirs, and shopped so often.

Beth O'Neil Atkins spent this week end with us so we could show the children the ocean and Philadelphia. They had spent 3 days at the fair and had had little trouble with lines either. It is the week end and holidays that you must avoid. Those are good days to see the city though.

I'm mailing you a guide book so you can enjoy your trip before you start. By the way, you will notice that few things have an extra charge. Even eating at the fair isn't as expensive as we had expected.

Have a good time. Do you have time to come down to the shore?

Regards,
Eunice Bird Pickering.

HIGHWAY MAINTENANCE FOREMAN

The new maintenance foreman in the Wellington office of the Texas State Highway Department is Lawrence Glover, transferred here from Crowell. He has been with the Highway Department 16 years.

MARIAN AIRPARK NOTES

Jess Colwell of Silver City, N.M., flew in and visited his folks, Mr. and Mrs. Ira Colwell. He was en route to Fort Worth, and was flying a Cessna.

George Roberts, Altus, Okla., flew in for some maintenance on the plane he was in.

Ernest Kendrick visited over the week end with his dad, Mickey Kendrick.

Sunday, Jess Colwell returned from Fort Worth and spent the week end. Accompanying him were his sister, Mrs. Jo Ann Smith and three children.

Harvey Spraying Service of Gruver has been in twice, on Saturday and again Monday for plane maintenance and inspection.

Roy Taylor, Vega, brought a plane down for maintenance. He is a brother of Matt Taylor who used to fly here.

A. L. Myers of Kirkland stopped at Marian Airpark. He was in Wellington to buy a truck bed and visited at the Airpark.

El Paso Natural Gas was due to have landed a Cessna 310—but due to wet runways had to go on to Childress to land.

The Wellington Flying Club members are progressing in their flight instructions. Several are almost to the point of soloing, but the weather has slowed down flying this week.

Mr. and Mrs. Burt Brinson and Brooks of Borger visited Wednesday of last week with his grandmother, Mrs. J. L. Burt.

Black Buys 8th & Arlington Mobil Station

Bill Black announced this week that he has the Mobil Service Station he formerly operated at 8th and Arlington streets and will return to that location.

He will operate it as Bill's Mobil Service.

Black has been in the service station business here for a number of years, and he stated that the same friendly, prompt, and careful service that his customers have always known will be continued.

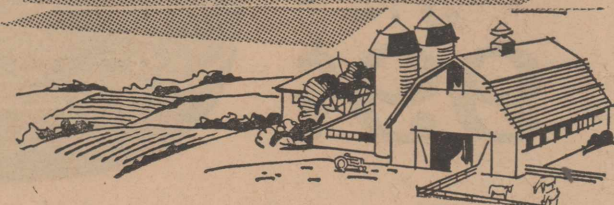

Wash and grease service will be featured, and all Mobil products will be carried.

Black extended an invitation for his friends and customers to visit him in his new location.

Miss Peggy Jeffers of San Antonio spent last week in the home of her mother, Mrs. Ina Jeffers. A week end visitor in the Jeffers home was George Collier, also of San Antonio. Miss Jeffers returned to San Antonio with him.

Jim and Jan Phipps of Amarillo spent last week with their grandparents, Mr. and Mrs. C. O. Wilkerson and Mrs. Amos Phipps.

Clark Chevrolet Wins Company Sales Contest

Mr. and Mrs. Skeet Clark left Sunday, June 14 on a Chevrolet sponsored trip to the World's Fair in New York.

They represent Clark Chevrolet, which was first place winner in district-wide sales competition during January and February.

They will be in New York three days and in addition to visiting the Fair, they will be taken on tours of the city.

Clark Chevrolet was matched with 30 other dealers of comparable size in Texas and Oklahoma, explained Henry Sullivan, a partner in the business.

"Clark Chevrolet exceeded its sales quota 200% to win first place in the contest," he explained.

Second and third place winners also were from this area. Blakemore Chevrolet, Shamrock, was second and Jim Blakemore is representing that company, while Mr. and Mrs. Arvis Davis represent Davis Chevrolet of Paducah, third place winner.
