Along The Waterfront

The wind and gafftop continue at Sandollar Good Luck Pier in Fulton. Willie and Edna Folk of Gregory visit the pier regularly, they caught a reported 27 gafftop running large, for their last three visits.

Three of our steady fishermen, Mr. Mars, Tom Oliver and his visitors from California, and Mr. and Mrs. G. L. Bragg of the Dunes Trailer Court, all residents of Fulton, have filled their stringers several times recently.

Mr. Goff of Victoria landed several trout and two flounder. John Redeker and Jim Walk fished the night through Saturday and took home 14 gafftop, to Austin.

Jake Pierce and his brother-in-law of Pierce Courts took their boat out Thursday and came back with 56 trout and gafftop.

W. E. Hatfield of Waco, strung up 12 gafftop and had great sport landing a shark—one less now to (continued on page 8)

Summer Art Classes To Open At Rockport School of Fine Arts

Director Simon G. Michael, of the Rockport School of Fine Arts, said today that the first summer session of the school will last from June 11-22, and will be devoted to landscape and marine classes at Rockport and in the surrounding area.

He said that enrollments are coming in rapidly, and that he expects a large class for this first session.

The second session will be held here from July 9-20, and consist of instruction in portrait, figure, still life and landscape painting, both at the studio in Rockport and in field classes in the Rockport-Fulton-Aransas Pass-Ingleside area.

The last session of the year will be landscape and marine painting at various locations within the same area, and will be held August 6-17.

Michael's students in his winter classes have had an exceptionally successful year, winning most of the prizes at the Goliad Fair, the Victoria Sidewalk Art Show, and various other shows in the area, and many of them are looking forward eagerly to the summer sessions here.

In past years, they have come from as far away as California and Virginia to take part in the classes, drawn by the picturesque Texas coast and the school's reputation for teaching.

ARANSAS WILDCAT FAILS AT 9,618

Cities Service Petroleum Co. No. D-1 Taton, Aransas County wildcat nine miles northwest of Lamar in Luke A. Flavel Survey, A-233, has been plugged and abandoned at 9,618 feet. The project has been tested extensively through 5½ inch casing at 9,096 feet.

Hunt Oil Co. No. 2 State Tract 72, Fulton Beach Field well in Copano Bay, has been completed for a daily open flow of 5.5 million cubic feet of gas plus one barrel of 57 gravity condensate to 60,000 cubic feet of gas.

Production was through perforations from 6,949-58 feet in 5½ inch casing at 7,225 feet. Flowing pressure on 12-64 inch choke was 1,127 pounds and shut-in pressure was 1,302 pounds.

BAILEY SAYS SUNFISH FLEET TO BE HERE

Travis Bailey, on the Rotary Club's committee handling the Sea-O-Rama boat parade, says that a considerable number of the colorful little "Sunfish" sailing vessels will be here from Corpus Christi, to take part in the festivities on June 9-10.

SENIOR HIGH DANCE TO BE HELD SATURDAY

There will be a senior high dance this coming Saturday night. Last Saturday, the door prize was won by Susan Armintrout and Johnny Ballou. There will be door prizes again.

FIRST NATIONAL BANK TO CLOSE MONDAY, JUNE 4

The First National Bank will be closed Monday, June 4, in celebration of Jefferson Davis' birthday, which falls on Sunday, June 3.

35 Entries For Mermaid Beauty Parade June 9

Late entries have brought the total of beauty contestants that will take part in the Toast-of-the-Coast Sea-O-Rama on June 9-10 to 35, according to Mrs. Roy Lee Hart, B&PW representative, who with President of the Jayceettes, Mrs. E. W. Carter, has been compiling the entries.

Some of these are from out of town, Mrs. Carter said.

Among those not listed as entrants in the Mermaid Beauty Parade contest, which gets under way at 3 p.m. Saturday, June 9, are:

Betty Ann Armintrout, daughter of Mr. and Mrs. F. G. Armintrout, who is sponsored by Anderson's Filling Station; Jean Miller, daughter of Lawrence Miller, sponsored by the Rockport Lions; Willie Ann Iles, daughter of Mr. and Mrs. Dewey Iles, sponsored by Mary's Malt;

Cynthia Gail Stanick, daughter of Mr. and Mrs. Steven L. Stanick, Piecton Lumber Company; Linda Shipp, daughter of Mr. and Mrs. C. P. Shipp, sponsored by Sparks Dry Goods; Sandra Hammac, daughter of Mrs. Ada Hammac, sponsored by Del Mar Grill; Jerry Lynn Harrell, daughter of Mr. and Mrs. Milton Harrell, Leona's Beauty Salon; all in the senior division.

New entries in the junior division include Sallie McCord, daughter of Mr. and Mrs. F. L. McCord, sponsored by Amalia's Beauty Shop; Kay Huffmeyer, daughter of Mr. and Mrs. Fred Hayes, sponsored by Surf Courts; Phyllis Striano, daughter of Mr. and Mrs. Striano, sponsored by Sea-Sun Sports Inn;

Joyce Ann Jones, daughter of Mr. and Mrs. M. P. Jones, Mary's Malt; Mary Lou Johnson, daughter of Mr. and Mrs. Chester Johnson, Rockport Lumber Company; Becky Sue Rouquette, daughter of Mr. and Mrs. Monte Rouquette, Fulton Lions Club.

Other entries on which data sheets are still lacking are Joyce Findly, of Rockport, and Miss Laura Slovak, of Corpus Christi, who is being entered by Jack Blackwell Photography.

Parents of Miss Tamara Camehl, mentioned in a previous article, are Mr. and Mrs. Henry Camehl, of Rockport.

The beauty contest starts at 3 o'clock, Saturday afternoon, and the finals for the senior division will be at 8 p.m.

A last minute entry from Woodboro was Miss Regina Guereite, salutatorian of this year's graduating class at Woodboro High School, who will represent the Woodboro Chamber of Commerce and make 35 in the junior and senior contests.

Council Lets \$10,000 Water Well Contract

Faced by a need for more water, the City Council awarded a \$10,116 contract to Lane Texas for the City's fourteenth water well, Mayor Herman Johnson said today.

The well will be drilled in block 152, Smith and Wood Addition, Johnson said, and will be slightly over 200 feet deep. It will be capped with a 15 h.p. pump, and draw from the water sand through a sixteen inch casing.

"This is exactly the same price as we paid for well No. 13, which was drilled in 1958," Johnson said.

In other action, the council approved appointment of four deputy policemen for June 9-10, when the Sea-O-Rama will be in full swing here.

Councilmen also voted to allow the county to use a portion of the city's dump ground for a county barn and truck yard.

An ordinance setting up a board of equalization was also passed, and three people were appointed to act on the board. These are George Dickey, Bobby Landrum and Don Banning.

It was also decided at the meeting that disciplinary action would be taken against the two boys who painted a sign across the water tower. The council felt that it was only fair that they have to pay for the repainting, and so ordered.

METHODIST MINISTERIAL CHANGES ANNOUNCED

The bishop of the Southwest Texas Conference of the Methodist Church, at the end of the groups meeting in San Antonio, read the list of changes in ministerial appointments.

Included among them were changes in the local pulpits.

The Rev. Albert Bankert is transferred from Rockport to Ingleside, while the Ingleside minister, the Rev. Ben Bohmfalk is transferred from Ingleside to Rockport.

WITH WINGS?—It is not some revolutionary variation of the helicopter. The plane wings lashed to the sides are part of a wreckage being hauled out of the desolated mountain area at Trout Creek Basin, in Wyo.

Chester Johnson Elected District VFW Official

At a district 6 VFW meeting, held in Falfurrias Sunday, May 27, Chester Johnson of the local Stewart-Wendell VFW Post, was elected to the post of senior vice commander of District 6.

This district is composed of 25 VFW Posts in the southern part of Texas, all the way down and including Laredo.

Other local members attending the convention were, Commander E. H. Carter, Quartermaster H. C. Mullinax, Adjutant Vernon Kleypas and J. J. McCabe.

The next county council meeting will be held here Monday night, June 4 and all members are cordially invited to attend.

At this meeting, H. C. Mullinax will take over as the new Commander of San Patricio County Council.

Summer School Classes Start In Sinton June 1

There will be no summer classes held here, Aransas County High School Principal A. B. LeFevre said today, but students wishing to catch up may attend those classes held at Sinton. The schedule there is as follows:

Registration for summer school will be held Friday morning, June 1, beginning at 9:00. Classes will begin on Monday, June 4 and continue six weeks, six days a week. Four-hour class periods will be held each morning from 8:00 until 12:00.

The tuition for summer school will be twelve dollars for a half credit or 24 dollars for a full credit. A maximum of one credit may be earned in summer school. Tuition should be paid at the time of registration if possible; weekly payments may be arranged with the principal, however.

Subjects which will be taught in summer school are: General History, ½ or 1 credit; American History, ½ or 1 credit; World History, ½ or 1 credit; Civics, ½ or 1 credit; Algebra 1, ½ or 1 credit; Algebra 2, ½ or 1 credit; General Math, ½ or 1 credit;

Literature, ½ or 1 credit; Typing, ½ or 1 credit. Any high school course for which there is sufficient demand will be taught in summer school.

Speed Reading for high school students (non-credit) two hours per day, six days per week for six weeks will be taught also. The tuition for this course will be \$24.00.

Grade school: Grades one through eight in summer school will include all subjects. Each subject will be ten dollars, except for (reading, spelling, and Phonics), which will be \$15. Remedial reading for grades 6-8 will be offered. Tuition will be \$20.

LARRY ILES LEAVES HOSPITAL ON RECOVERY

Larry Iles, 15, who suffered poisoning during an athletic initiation a week ago, was released from Spohn Hospital in Corpus Christi last week, after spending considerable time there. His condition was considered serious when he was admitted. Twelve other youths suffered milder degrees of poisoning at the same initiation.

Aransas County Public Library In Summer Program

The Aransas County Public Library, according to Mrs. Everal West, vice-president of the Library Board, will take part in the vacation reading program for teenagers and children that is being sponsored by the Texas State Library.

The main features of the program, Mrs. West said, are as follows:

Program dates are from June 1 through August 31.

Children and teenagers who choose to join, and who read twelve books of their choice and of their reading level, will receive a certificate from the Texas State Library, suggests that two of the books should be in the field of career and vocational guidance.

These teenagers and children should keep a list of the books they read on a reading log, which may be obtained from the librarian, Mrs. C. C. Atchley, and which will be official forms, provided by the Texas State Library. Only one book list per child will be accepted, and there will be no stars for extra books read.

When the log is completed, it should be turned in to Mrs. Atchley, who will send it in to the Texas State Library, after all twelve books have been read. All reading logs must be in her hands by not later than the first of September, so she may send them in before a Sept. 15 deadline.

Certificates will then be sent to Mrs. Atchley, who will distribute them. Mrs. West said the local library will have 200 of these reading logs for distribution.

SEA-O-RAMA BOOSTERS TO LEAVE ON FRIDAY CARAVAN IN THIS AREA

Jimmy Kautz said at a meeting of the Sea-O-Rama committee, that approximately 20 to 25 cars would leave Rockport Saturday morning on a Sea-O-Rama booster trip to surrounding towns.

Tentatively, this includes five cars from the Business and Professional Woman's Club, five from the Jaycees and Jaycee-ettes, four cars from the Seamen's Lions Club, two cars from the Rockport Lions; two pick-ups, carrying the local high school pep band; two cars from the Fulton Lions Club; and three cars from the 813th AC&W Squadron at Rockport AFB. Police Chief E. A. Stautzenberger will accompany the group.

Kautz asked all car owners who intend to go with the caravan to be at the Rockport Chamber of Commerce by 9:30, Saturday morning.

The caravan will visit Aransas Pass, Ingleside, Gregory, stop for lunch at Portland, and then go on to Refugio, Woodboro and towns in that area.

In addition to the high school pep band, there will be ten Greenbackers with the procession, to distribute bills and other literature.

MEETING OF BATHING BEAUTIES MONDAY NIGHT

There will be a meeting of all the local girls competing in the Mermaid Beauty Parade contest in connection with Rockport's Sea-O-Rama at the courthouse Monday night, at 7:30 o'clock. This is a must. Final plans and schedules will be discussed.

Aransas County Ballots To Carry Five Races June 2

Democratic second primary ballots will carry five races Saturday, with the only one of any particular local interest the hassle between Leroy J. Wieting, Portland city manager, and Tom Andrews, Aransas Pass attorney, for the post of State representative from the 35th District. Andrews is seeking a second term.

Indications are that the vote will not be nearly as heavy as in the first primary election May 5, when Wieting polled 2720 votes against 2565 for Andrews in San San Patricio and Aransas Counties. Up for grabs in this election are the 2453 votes polled by the third man in the May primary, Martin Haskett, who was high man in Aransas County.

State wide races appearing on the ballot Saturday are headed by the bitter campaign between John B. Connolly, former secretary of the Navy, and Don Yarbrough, youthful Houston attorney, who is the acknowledged hope of the liberal labor element in the Democratic party.

Another hard-fought race is on for lieutenant governor, with State Senator Preston Smith of Lubbock competing against Speaker of the House James A. Turman, of Fannin County.

Waggoner Carr, former speaker of the House from Lubbock, ran far in front of the field in the first primary, in the race for Attorney General. He is opposed in the run-off by Tom Reavley, Austin attorney.

The fourth state race is for congressman-at-large, with Joe Pool, former Dallas legislator, opposing El Paso County Judge Woodrow Bean.

Polling places are as follows: Precinct 1-A, Voting Center, Aransas Pass, Mrs. Glenn Ellis, presiding judge; Mrs. E. N. Qualine, judge.

Precinct 1, Rockport Fire Station, Mrs. Faye Brundrett, presiding judge; Mrs. Fred Diederich, judge.

Precinct 2, Aransas County Courthouse, Mrs. Alma Ratliff, presiding judge; Mrs. Elbert Munde, judge.

Precinct 3, Fulton Fire Station, Mrs. Harry McDow, presiding judge; Mrs. E. G. Cooke, judge.

Precinct 4, Concession Hall, Lamar, Mrs. E. N. Adams, Jr., presiding judge; Mrs. Harry Mills, judge.

Polls open at 8 a.m. Saturday, June 2, and close at 7 p.m.

Rockport Boats Now In Laguna Madre

Two former Rockport boats, the Beppy and the Roughneck II, are now in the Laguna Madre, fulfilling a purpose far different than the one for which they were designed.

The hull of the Beppy, originally an 85-foot crash boat, has been towed to the Kennedy Land Cut. This begins about 35 miles south of the Padre Island Causeway and extends for another 25 miles through mud and sand flats that used to separate the upper and lower portions of the Laguna Madre, before the Intracoastal Canal was cut through.

The Beppy, formerly of the Caspary and Wendell fleet of rig tenders, now belongs to Captain Eddie Eunsall, of Corpus Christi, and he beached her hull at Marker 205, about 40 miles down the Intracoastal Canal, in the midst of some of Texas' best fishing territory. There the former crash boat is serving as a boatel for non-boat owning fishermen who want to fish the Laguna.

The Roughneck II, formerly belonging to the Storm Drilling Company, and designed for a crew boat, used to dock at Fulton Harbor. Now, Bounnell is the owner, and he utilizes the 42-foot, diesel powered craft to carry fishermen from the causeway to the Beppy.

Capable of carrying 36 passengers at a time, the Roughneck leaves the causeway every morning around 10 a.m., and the run down the canal takes 3½ hours.

The Beppy has bunks for 45, and a galley and cook that serves meals to fishermen in the area. Meals are charged for separately.

LOCAL PEOPLE TO BE ON TV

Jimmy Kautz, president of the Toast of the Coast Sea-O-Rama Association, and Mrs. Eugene Everett, of Everett Realty, will be on Lynn Pentony's "Press Conference," at 12:15, Monday, June 4, to say a few well-chosen words about the Sea-O-Rama which will be staged here June 9-10.

Development Group Recommends Election

Committee Hears Needs From Firemen, Library Board, and Recommends an Election for the Purpose of Financing These Needed Improvements

Members of the Aransas County Library Board and of the volunteer fire department, in a joint meeting Tuesday, told the Aransas County Area Development Board of the need for an expendable fire department and library.

In presenting the case for the library, Chairman Jack Baughman told the group that the library, starting as a do-it-yourself operation, had grown until circulation per card here was one of the highest anywhere in the area.

However, he said the library,

CORPUS CHRISTI GROUPS TO BE AT SEA-O-RAMA

The Corpus Christi Shriners Motorcycle Drill Team, the Legionettes, a girls precision rifle drill team, and Brigadier General Bill Pennington with his Confederate High Command will be among the features of Rockport's first annual Sea-O-Rama, June 9-10.

Pennington is state commander and member of the continental provisional military government, who, with members of his command, will hold an encampment here for three days during the Sea-O-Rama.

The group is devoted to the study and perpetuation of the memory of the Confederate Army, and to the furtherance of civic progress.

In Corpus Christi, where Pennington and his unit appear at many functions in full Confederate uniform, they have helped with the March of Dimes, the New Year's Swim staged each year by the Chamber of Commerce, aided any civic project that has requested man power, and hold field trips to historical places in the area.

The men are trained by the Confederate manual of arms, and have a cannon used to start various events where lots of noise is indicated.

The Legionettes were started seven years ago as the Elkadettes, of Corpus Christi, and since then have been taken over by the American Legion.

Under the direction of Major J. E. Bair, who has worked with them from the first, the Gragg Sherrill American Legion Post 248 took over their sponsorship a year ago, and recently Governor Price Daniel designated the Legionettes as the official representatives of the State of Texas at the National American Legion Convention in Nevada in October.

In making the appointment, the governor said: "This excellent all-girl rifle team is the only such organization in our state, and one of three in the nation."

"This organization has received much credit for its outstanding work in the state, and I am pleased that members have now been invited to perform at a National convention. This is a great honor to Legionettes and to Texas."

The Legionettes will take part in the Saturday morning parade that will get Rockport's first annual Sea-O-Rama under way on June 9, and will perform later at Fulton, before the Lion's Club fish fry that will be held there at noon.

LT. MASLONKA PURCHASES INTEREST IN MARINELAND

Homer Faber, owner of Marineland of Rockport, has announced that his son-in-law, Lt. Charles Maslonka has purchased half interest in that business from him.

L. A. Maslonka expects to be released shortly from duty with the Air Force in the Philippine Islands at which time he will assume an active part in the operation of the business.

Maslonka, a former resident of Fullerton, Neb., was stationed at the local radar station for about two years.

POPPY SALE BIG SUCCESS

V. A. Dullye, chairman of the VFW Buddy Poppy Sale, reports that this year's sale was the largest and most successful ever held in Rockport.

Dullye, in behalf of the VFW post, wishes to thank each and every one for the splendid help and cooperation received on this very worthwhile project.

LOCAL SCOUTS PREPARE FOR ANNUAL CAMP

The summer camp season at Camp Karankawa on Lake Mathis opens Monday, May 27, and runs until the last week in July, with local scouts of Troop 49, scheduled to go from June 10-16.

while immeasurably better than no library at all, was not able to fulfill the demands made upon it, particularly by the children of the community, and by the tourist population.

The schools, the chairman stated, had asked for the past two years that a summer reading program be planned at the library, but this was not possible because of lack of funds and space. At present, he said, the library was open only nine hours a week.

Mrs. Ellis Clark stated that of this, only about three hours could be used by the children, as most of them were not out of school until an hour before the library closed.

Baughman said that the library besides becoming an attraction and fulfilling a need of children in the county, had paid an unsuspected dividend since it has been founded, furnishing a recreational resource on which winter tourists especially relied.

Fire Chief Dick Fox, speaking of the needs of his group, said that brush fires this spring, necessitating use of equipment over rough terrain, had damaged it considerably.

Fox estimated that it would take at least \$20,000 to \$25,000 to put the present equipment back in first class shape, and to purchase the two additional brush wagons needed for rough work off the streets and highways. These would carry their own water supply, he said, and by rigging one of them as a pumper, a favorable reduction in insurance premiums could be obtained.

Asked to estimate what the community would save every year in premiums if the additional equipment was bought, Fox said premiums would probably be some \$15,000 less, because of reductions in the key fire insurance rate.

Speaking of the library needs, Baughman suggested that another building was needed, in which most of those present concurred.

Judge John D. Wendell said that this could be built on the northwest corner of the courthouse grounds, and that architect Lynn Evans, of Corpus Christi, had estimated tentatively that it would cost around \$35,000 to build and equip a library there.

County Auditor J. R. Millikin and Judge John D. Wendell then went into the method of financing these improvements.

It would be possible they said, and legal, to raise the assessment on property throughout the county, and obtain the necessary money, but neither of them looked with favor on this procedure. In the first place, they said, although such a raise could be accompanied by a drop in the county (Continued on page 8)

Library Board Plans Reviews, Book Drive

At a meeting of the Aransas County Public Library Board Tuesday afternoon, members endorsed the action of the Area Planning and Development Committee in calling for an election on a 30c ad valorem tax, discussed a series of book reviews, and laid preliminary plans for a book drive.

Mrs. George Dickey told the board that she had been in touch with Mrs. Phyllis Burson, Corpus Christi librarian, who heads La Retama Library and had obtained a list of top notch book reviewers whom she would contact in attempting to plan a series of three reviews. These would be held on the third Tuesday of September, October and November.

In other business, a brief discussion was held in regard to a book drive, of which Mrs. C. E. Nickerson will be chairman.

Chairman of the Board Jack Baughman told the members that while space was at a premium in the present library, that more books were needed, and the only way to obtain them at present was by donations of either books or money. All sorts of books are needed, from hard cover to paper backs, he stated.

Mrs. Nickerson has already begun to lay plans for the drive, and those wishing to help, either with books, money, or work should contact her at SO 4-6468.

WE INVITE—

We invite Steve Clark and guest to see "Errand Boy" and "Master of the World," playing Sunday, and Monday at the Cove Drive In Theatre.

This clipping from the Pilot (good for persons named above only) will serve as your admission.

Are You Interested In the Future of Rockport And Aransas County?

Do you remember when the Game and Fish Commission used their authority to close Aransas Bay to oystering? Think how your livelihood would be affected if all the salt water in Aransas County was closed to all kinds of fishing.

Do you favor legislation which will prohibit a man from following his chosen profession?

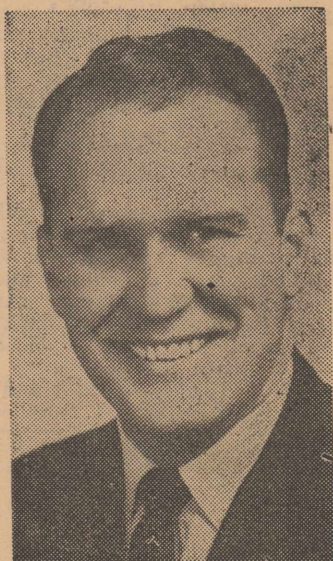

Should it be unlawful to fish in Aransas County?

Which do you prefer — representative government through your elected officials or discriminatory regulation by uninformed beaurocrats?

Do you remember what happened to duck hunting on the Texas Coast when bag limits were reduced by beaurocratic order of The Texas Game and Fish Commission?

MY OPPONENT HAS APPARENTLY PROMISED A SMALL GROUP OF ARANSAS COUNTY RESIDENTS THAT, IF ELECTED, HE WILL GIVE REGULATORY AUTHORITY OVER ALL THE SALT WATERS LOCATED IN ARANSAS COUNTY TO THE TEXAS GAME AND FISH COMMISSION.

How does this affect you as a resident of Aransas County?

Can your vote for a man that has promised to pass discriminatory legislation?

Tom Andrews has always opposed legislation which would deprive a man of his lawful right to work at an honest occupation.

Tom Andrews has always opposed legislation designed to benefit a special interest group of any kind.

What does it mean to you if regulatory authority is granted to Game and Fish Commission over all the waters in Aransas County? It means that at any time the Commission can set a bag limit on trout, redfish or any other marine life; they can say at any time that there will be no fishing of any kind in Aransas County for as long a time as they dictate, and these decisions are not subject to review by one or any court.

How would it affect the economy of your county if it was closed to all fishing during the tourist season — the most famous fishing spot in Texas.

On Saturday, June 2, you will have an opportunity to express your voice in your government. You will be choosing your employees in your government. When you hire someone to do a job, you would of course prefer a man who has had some experience on the job. As we all know, experience is an invaluable asset in any occupation. Tom Andrews has experience in your legislature. He knows legislative procedure; he knows the men of the legislature he would be working with.

ROCKPORT PUBLICITY
CONTINUES TO SPREAD

Rockport publicity continues to spread, with the Sea-O-Rama taking up considerable space in the Corpus Christi, San Antonio, and Houston papers, as well as in some of the other dailies throughout the state.

Pictures of the girls who will take part in the Mermaid Beauty Parade on Saturday afternoon, seem to be favorites of the editors.

And, as we pointed out last week, bad news spreads farther and faster than good. Clippings have been received at the Pilot office (on the hazing of football players) from Korea and from the daily paper in Nashville, Tenn., this week.

In other news, two signs has been ordered by the Chamber of Commerce from the Pitluk Advertising Agency, in line with the program outlined earlier this year by the Chamber's advertising committee, headed by Jack Sanders.

One of these signs will be at the intersection of Highways 77 and 113, between Victoria and Refugio, about where the Chamber has had a small sign for years.

The other is to be placed at the point where Highway 35 leaves Highway 181, at Gregory. Construction of these signs is expected to start soon, according to Mrs. Mary Juergens, Chamber of Commerce manager.

Mr. and Mrs. Buddy Haynes of Harlingen visited with his grandparents, Mr. and Mrs. John Weber, and Hettie over the weekend.

Miss Patricia Webb of Port Lavaca attended the graduation exercises Thursday night and also visited with her parents, Mr. and Mrs. Tommy Webb.

JOHN CONNALLY

DON YARBOROUGH

BACKGROUND: Native Texan. Born on farm in Wilson County, near Floresville. One of 7 children of J. B. and Lela Connally. Family Bible shows birth date as Feb. 27, 1917. Connally family in Texas dates back more than 5 generations. Connally family still lives in region settled by forebears in 1849.

FAMILY: In 1940 married Idanell Brill, daughter of Austin leather dealer. Sweetheart of John at University of Texas and elected sweetheart of University. The Connallys have three children—John III, 15—Sharon, 12—and Mark, 9. All three attend Fort Worth Public Schools.

EDUCATION: Attended public school in San Antonio and Floresville, graduating in 1933 as salutatorian. To help pay his way through the University of Texas, Connally worked part-time as a candy and chewing gum salesman and on a highway construction crew as a batch weigher.

Was elected president of the University Student Body in 1938. Received his law degree the same year. Was also president of his law class, assemblyman from the School of Law, chairman of the Students' Assembly in 1938-39, and chairman of Student Publication Board. Connally was dean of his legal fraternity, was elected to Friers in his junior year, and appeared in Who's Who in American Colleges.

RELIGION: Methodist.

MILITARY SERVICE: Volunteered for active duty in the Navy months before Pearl Harbor. Served in Atlantic and Pacific combat theatres. Was awarded numerous combat decorations, including the Legion of Merit and the Bronze Star for heroic performance under pressure of battle. Rose through ranks to lieutenant commander by time of his discharge at war's end.

GOVERNMENTAL AND PUBLIC SERVICE: Served as Secretary of the Navy in the Kennedy administration, for which he received public and official acclaim for outstanding leadership.

Following graduation from Law School, Connally became congressional secretary to then Congressman Lyndon Johnson. Also served as administrative assistant to Senator Johnson for 8 months in 1949.

1962 governor's race is his initial effort to seek public office. Led the first Democratic primary, May 5, by 114,000 votes.

BUSINESS BACKGROUND: From 1949-1952 he was a partner in the law firm of Powell, Wirtz and Rauhauf in Austin. Formed radio station with veterans. From 1952 until appointed Navy Secretary by President Kennedy, Connally served as attorney for Richardson and Bass, independent oil operators in Fort Worth. An executor of the Richardson estate. Has participated in management of companies and corporations engaged in salt water control, carbon and carbon black, radio and TV, insurance and investments, and oil and gas. As Navy Secretary was responsible for an annual budget of \$5.5 billion dollars. His personal and business life was checked and cleared by the FBI, Naval Intelligence, Central Intelligence Agency, and the Senate Armed Services Committee. Appointment was unanimously confirmed.

CIVIC AFFILIATIONS: Director, Southwestern Exposition and Fat Stock Show; honorary chairman, Gonzales Warm Springs Foundation; director, Boys, Inc., a charitable organization devoted to elimination of juvenile delinquency; member, executive committee, and councilman-at-large, Ex-Students Association, University of Texas.

PROFESSIONAL AFFILIATIONS: Member and director, Southwestern Legal Foundation, State Bar of Texas, Fort Worth & Tarrant County Bar Association, American Bar Association, American Judicature Society.

RANCH AND FARM AFFILIATIONS: Member, South Texas Hereford Breeders Association, Santa Gertrudis Breeders International and Galiceno Horse Breeders Association of America.

OTHER PUBLIC SERVICE: Served as attorney for organization of Texas Electric Co-ops. Served as director of the Lower Colorado River Authority, participating actively in extensive floor control and water conservation projects on the Colorado River.

DEMOCRATIC PARTY RECORD: Active in party affairs since childhood, when helped father campaign for election as Democratic county clerk of Wilson County; has attended every national Democratic convention since 1940, with exception of war years.

Rockport "Ain't" What It Used To Be

A copy of the Rockport Aransas Pilot, forerunner of the present Rockport Pilot, was brought to this office the other day by Elmo Brundrett who found it among his family possessions.

Dated Thursday, Oct. 13, 1881, it was number eleven in the thirteenth volume of Rockport's journal and proclaimed that "the press, the mightiest of the means on which the arm of progress leans," was published on Austin Street, between St. Mary's and Main, and O. F. Bailey and Sons were publishers and proprietors.

As is usual with old newspapers of this type, news was a minimum, although the tragic death by fire of Mrs. John Brundrett, and the extremely bad burns suffered by her daughter were chronicled. Mrs. Brundrett was lighting a wood fire, used coal oil, which exploded.

In another paragraph it is noted that "an English Steamer, a Bark, a Brig, and a schooner have arrived during the week off Aransas Pass, all loaded with railroad material for the Texas Mexican (railroad)."

The Bailey's, or rather O. F. Bailey, was the grandfather of Travis Bailey, who still lives in Rockport, and Dr. John A. Clarke, grandfather of our present Miss Katie Lee Clarke, had a modest professional announcement in the issue.

John Kleaser, father of John and Miss Veronica Kleaser advertised as a "fashionable boot and shoe maker," and "whilst thank the population of town and county for past favors and patronage, invites the attention of the section to his workshop. As none but the very best material that can be procured is used, he hopes to deserve a still more liberal patronage of the public by close attention to business and promptness in the delivery of goods."

Kleaser said that "a good fit is his principal aim, and particularly at a distance, especially stockmen can send in their measure carefully taken."

Messrs. Perrenot and Bailey were manufacturers and proprietors of the "The Perrenot-Bailey Laundry Machine Company." They devote almost half a column to testimonials from surrounding towns, including some that have been ghosts many years, extolling the virtues of "The Best" washing machine offered for sale.

In Corpus Christi their agents were C. C. Reath and Son and the J. B. Mitchell Company. J. C. Fulton operated the Aransas Mill at Rockport and manu-

factured bolted corn meal, graham flour, grits, cracked corn and ground oats, beside dealing in bran, oats, corn and cotton seed meal at wholesale and retail. Free delivery to any part of the city was advertised, and orders from the interior were solicited and promptly attended to.

The Al Schooner "Francis," Theodore Johnson, master, was listed as the St. Mary's packet, making regular trips between Rockport and St. Mary's with close connection with the Morgan Line of steamers at Rockport, carrying freight or passengers.

From Rockport to Corpus Christi, other Morgan steamers ran, but, says the editor of the Transcript:

"Today is the regular day for the return of the Aransas to our wharf, but after the sweet experience she received in Corpus Christi Bay, and her detention at the bar on account of high winds, it is hardly to be expected she will make her appearance on time this week."

In an earlier paragraph, the editor said: "The steamship Aransas left Corpus Christi at 8 o'clock this morning (Thursday,) and at this writing at 8 o'clock in the evening, she still lies hard and fast aground in the Corpus Christi 'Dug Out.' We hate to have our commerce obstructed by such an excuse for a seaport."

There was no mail from Corpus Christi on one day, "on account of the reef between here and Corpus Christi being up." This was in the days when communication was by horse and buggy or horse and wagon over the oyster reef at the mouth of Nueces Bay which formed a ford from about where Portland now is to Corpus Christi.

SPACE CAPSULE TO BE FEATURED AT NAVY RELIEF FESTIVAL

McDonald Aircraft Company of St. Louis, manufacturers of the Mercury Capsules used in the Nation's "Man in Space" program said today that they will provide a specially built display model capsule for exhibit at the Corpus Christi Navy Relief Festival.

The 2,000 pound, full-sized, replica of the vehicle that Astronauts John Glenn and Malcolm Carpenter rode into orbit will be on display at the Naval Air Station June 15th through the 17th.

Since all authentic Mercury Capsules are under control of the National Aeronautics and Space Administration and not available for exhibit, McDonnell has manufactured three exact, full-sized models of their capsule so that the public will be able to get a true picture of what a real space ship looks like.

Navy officials said today that everyone who attends the Festival will have an opportunity to

inspect the model closely and look inside.

The spacecraft measures more than six feet in diameter at the base, stands over nine feet tall without the escape tower, and weighs a little over 2,000 pounds.

Other feature events at the Festival will be the Navy's flight demonstration team the "Blue Angels" and the newly formed sky diving team, the "Chuting Stars." Both will give perform-

ances on Friday and Saturday, June 15th and 16th.

The maximum lump-sum death payment under Social Security is \$255.00.

The total strength of the Axis during World War II, was 22,850,000.

Herion is used by 91% of active drug addicts.

TEAM WORK

Have you ever seen a successful football, baseball or basketball team with a member of the team missing? Chances are you haven't. If you had, it would be obvious that the possibilities of success is doubtful. It's the same way with a town that is striving for growth and expansion. It takes concentrated team effort with a will to win. No one can afford to let down.

The recent drive by the Rockport Chamber of Commerce to erect bill boards to attract tourists is a perfect example of concentrated team effort. Mr. Jack Sanders, Chamber Vice-President, explained that 90% of the people traveling to Mexico and points south, travel by automobile. Most of these vacationers don't know where Rockport is located. By taking advantage of area wide publicity, the bill boards will help direct these travelers to Rockport. It's a well known fact that many visitors to Rockport have decided to become permanent residents.

Team Work is the answer, and the citizens of Rockport can be proud of the part the Chamber of Commerce is playing in the growth of the area.

FARM INTERPHONE

In one of my Telephone Talk columns last year I mentioned a new communications service the Bell System developed for farms. Since that time the Farm Interphone has really caught on.

This new communications system ties together the whole farm operation from strategic points around the farmstead.

With the Farm Interphone, you can talk from the barn or elsewhere without taking a step or interrupting your work. Your wife can handle calls and talk with you without running to farm buildings and trying to locate you.

Interphone helps you run things more smoothly. Often, fewer hands are needed. Time is saved and money, too.

Call us to learn how the Farm Interphone can be tailored to fit your needs. Like other farmers all over the country, you'll find it's the handiest helper you've ever had.

TELEPHONE FILMS

Ever stumped for a program for your club, church or civic group? Next time this happens, call us at the telephone company. More than 5 million Texans watched telephone films at their organizations' meetings last year.

These films cover a variety of informative and entertaining subjects—from the award-winning television Science Series to the tracking system in John Glenn's historic space flight. And, they're available on a free-loan basis.

Here's a list of just a few of the more popular films:

Seconds for Survival —An enemy attacks the United States, and our defense system goes in action.

Voice for Mercury —Be an eyewitness to John Glenn's flight into outer space and watch the tracking system in operation.

Anatomy of an Accident—A top-notch film on safe driving.

A Manner of Speaking —This film dramatically shows how you can get the most effective use from your business telephone.

Science Series —An award-winning TV series covering such subjects as the sun, blood, genetics, time, cosmic rays, the senses, weather and language.

To order telephone films for your group, just pick up your telephone and call the telephone business office. Or write to Southwest Soundfilms, 1709 South Lamar, Dallas 15.

T. C. KELLYS RETURN FROM FUNERAL IN OKLAHOMA

Mr. and Mrs. T. C. Kelly returned home Monday from Oklahoma City, where they attended the funeral of Mr. Kelly's niece, Mrs. Francis Segesman of Ridgefield, Conn.

They were accompanied by Mr. and Mrs. F. E. Ferguson of Corpus Christi.

Mrs. Segesman was killed in an automobile accident at Stephenville, Texas, along with her father and step-mother, as they were enroute from Corpus Christi to Oklahoma City on May 21st. They had been to Corpus Christi to attend a family reunion at the home of Doyle White, 4902 Carroll Lane, Corpus Christi, another sister Mrs. Chas. Mills of Los Angeles, Calif. was also there, the first time they had all been together in 34 years.

Mr. White apparently failed to see the stop sign at a crossing and hit an empty gravel truck, the car was lodged underneath the truck which dragged it 186 feet.

They were interred in the Crypt of the Mausoleum at Rose Hill Cemetery, at Oklahoma City.

Mrs. Segesman leaves besides her husband, a son, 19, of Virginia Military Academy in Virginia, and a daughter 15, of Ridgefield.

RAIN COMES, GOES LEAVING COUNTRY DRY AS EVER

The first good rain since last October arrived on Tuesday after days of high winds, when gusts went to 30 miles an hour or more. Total precipitation was 1.16 inches, and from the looks of things, it didn't happen, for the area looks about as dry as ever.

This looks like the forerunner of a cloudburst later, probably when the Sea-O-Rama is going on.

MRS. J. H. MILLS, SR. HAS HI-LOW BRIDGE CLUB

Mrs. J. H. Mills, Sr., was hostess to the Hi-Low Bridge Club at her home on Wednesday afternoon.

High score winner was Mrs. Arthur Bracht; Mrs. F. L. McCord was low.

Members present were Mrs. Charles Cleveland, Mrs. Arthur Bracht, Mrs. H. H. Dick, Mrs. H. F. Elliot, Mrs. Orvil W. Haynes, Mrs. F. L. McCord, Mrs. Harry McDow, Mrs. E. W. Means and Mrs. H. D. Smith.

Special guests were Mrs. Chester Johnson, and Mrs. Harry L. Mills.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Julio Pena announce the engagement of their daughter, Lynda Castaneda to Mr. Tony Mejorado. The wedding will take place some time in September.

NOTICE OF BOARD OF EQUALIZATION MEETING CITY OF ROCKPORT

In obedience to an order of the Board of Equalization regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place at the City Hall, City of Rockport, Aransas County, Texas, at 8:30 o'clock A.M., beginning on Monday the 11th day of June, 1962, and from day to day thereafter through the 15th day of June, 1962, for the purpose of determining, fixing and equalizing the value of any and all taxable property situated in the said City of Rockport until such values have finally been determined, for taxable purposes, for the year 1962, and ANY AND ALL PERSONS INTERESTED OR HAVING BUSINESS WITH SAID BOARD ARE HEREBY NOTIFIED TO BE PRESENT.

levy which would leave the actual tax level where it is at present, this would simply result in putting more money in the state's tax fund.

They pointed out that there was another method by which these improvements could be financed without this, and at an actual saving to taxpayers over what they paid in 1961.

As things are now, the county receives the 80c constitutional tax levy, and a 15 cent special road and bridge fund, approved by vote in this area approximately 30 years ago.

By voting in a 30c ad valorem tax on property, it would be possible to drop the 15 cents now collected for the special road and bridge fund, and, as the navigation district tax had been cut another 15 cents per \$100 recently, these two things would offset the ad valorem tax.

The money obtained for the ad valorem tax could be used for roads and drainage, thus releasing money now earmarked in the general fund for that purpose, making available funds that would be sufficient over a period of some years.

GRADUATING CLASS OF 1952 HAS TEN YEAR REUNION

The class of 1952 had their ten year reunion Saturday night, May 26, at the Big Tree Restaurant with dinner and dancing. Those attending were:

Mr. and Mrs. Philip Baldwin, and Mrs. Seth Steele, sponsors; Mr. and Mrs. B. W. Hamblin, Mr. and Mrs. R. L. Hart, room mothers.

Mr. and Mrs. Gary Smith, Mr. and Mrs. Pat Smith, Mr. and Mrs. Dudley Prophet, Mr. and Mrs. Daune Heasley, Mr. and Mrs. Jimmie Simmons, Mr. and Mrs. Woody Hunt;

Mr. and Mrs. Dick Ballou, Mr. and Mrs. Royce Harrell, Rockport. Seth Steele, Jr., and Carl Svensen, San Antonio; Mr. and Mrs. "Doc" MacDow, Mr. and Mrs. Benson, Mr. and Mrs. Love, Tommy Cron, Corpus Christi; Mr. and Mrs. Tommie B. Winkle, Kingsville. A good time was had by all.

Those unable to attend were Kathryn Albin, Dolly Close, Beatrice Garza, Frankie Rowe, Linda Bostic, Jessie Bishop, Ozzie Williams, Dorothy Baker, Billie Driver, and Mrs. Charles F. Cron.

Mr. Wieting, Let's Stick to Facts!

In this campaign, you have made a race for State Representative on the qualification that you are City Manager of the City of Portland, San Patricio County, Texas.

Under the statutes of the State of Texas, the City of Portland is chartered under the Mayor-Alderman form of government and the position of City Manager as defined by Texas law cannot legally exist.

Is it possible for the people of the 35th District to have confidence in a candidate who has misrepresented his qualifications for elective office?

The people of the 35th District do not need misrepresentation in Austin.

Quonset Point, R. I.—Arthur L. Roberts, chief aviation storekeeper, USN, son of Mr. and Mrs. Raymond A. Roberts of 607 North Magnolia St., Rockport, Tex., is presented the Navy Unit Commendation Ribbon, April 23, by Cmdr. M. D. Greenwell (left), while serving with Air Development Squadron Six at the Naval Air Station, Quonset Point, R. I.

The unit commendation was awarded to the squadron by the Secretary of the Navy for "exceptionally meritorious service" during Operation Deep Freeze in the Antarctic region.

The most significant feature of the award is that it is rarely presented to a Navy unit during peacetime.

**BROOKS BROWN JOINS
PERCH CLUB OVER CRAB**

The crabs of Copano are evidently bigger, fatter and tastier than crabs from other waters in these parts. Else why would Brooks Brown, of the Anchor-Hocking Glass Company, visiting at John Nolan's summer cottage on Copano Bay this weekend decide that he wanted one badly enough to join the Perch Club.

As John tells the story, Brooks got a crab in his net that was so big he couldn't hold it. The bad-tempered crustacean objected, as crabs generally do, and scrambled over the edge of the netting. This was too much for Brooks, who already had visions of that crab boiled, and before he thought he went overboard from the Nolan Wharf and came up gasping, without either crab or breath.

**GOVERNMENT BONDS
SALES \$2006 IN APRIL**

April Savings Bonds sales in Aransas County were \$2006, according to Fred Bracht, chairman of the Aransas County Savings Bonds Committee. During the first four months of this year the citizens of this county purchased \$45,657, which represents 76.1% of the 1962 goal of \$60,000.

Sales in Texas for the four month period, January through April were \$53,240,439, which represents 71% of the Freedom Bond Drive goal of \$75,000,000.
