

Arispe turns tie breaker into win

For the third consecutive week, the Jackpot Football winner resulted from the tie breaker prediction and this week's winner is Benny Arispe.

Arispe, along with Randy Griffith, Light Rivera and Bob Benson, all correctly predicted 18 of the 23 contests. But Arispe, because he had

the closer tie-breaker prediction of the Texas 15, SMU 12 score.

Arispe's prediction was Texas 17, SMU 13. For winning, he picks up a fast \$25.

Consolidation put on hold

By LUIS RIOS

The Loraine Independent School District consolidation issue was put on a "back burner" when the LISD board met to discuss alternate measures to the problem, Tuesday night.

The school board met in a special session. Present at the meeting were three members of the Concerned Citizens Committee which sub-

mitted a paper to the school board asking for them to look into the possibility of consolidation.

The school board did as it was instructed. Four school board members traveled to Austin Thursday and Friday to meet with the Commissioner of Education, Raymon Bynum.

Bynum told Royce Beights, Ronald Bruce,

Glenn Sanders and Robert Dale Finley that the LISD could possibly be helped.

School Superintendent Sanders said Bynum said that the LISD could possibly get more money through the Equalization Aid program. The school district presently gets \$105.50 per student. However, a suit is coming up in the courts that could change the amount of money the LISD will get, Sanders said.

Also, Sanders said Bynum told the group that

he believed a bill would be introduced during a special session of the Legislature in June that would ask to change the formula of handing out the Equalization Aid money.

If such a tax bill passed it would add an additional \$10,000 to \$15,000 to the possible \$30,000 the LISD could get, Sanders said.

Ultimately, Bynum

told the committee that a study could be done on the LISD. The nature of the study was not known by Sanders, but he said it would include the school's finances.

The board will ask the commissioner of Education for such a study, Sanders said.

Four arrested for controlled substances

By LUIS RIOS

Four persons were arrested in connection with a disturbance that occurred at the Cattleman's Restaurant on West Interstate 20, Sunday morning.

Making the arrests were officer Doyce Gillilan, and other C-City Police Department reserve officers.

The four persons which were reportedly in a white vehicle, were later stopped on Highway 80. During the questioning that followed, the vehicle was searched and a weapon was found and a substance thought to be a controlled substance and another substance thought to be marijuana were also found in

the car.

The four were arrested and later arraigned before Justice of the Peace Charles Ray Watlington.

Kenneth Rayburn Rich was charged in the connection for possession of marijuana, Driving while intoxicated and possession of a controlled substance. See ARREST, Page 2

Liquor store owners robbed at gunpoint

B&J's Liquor Store located at 405 E. 2nd St., was the scene of an armed robbery at 8:30 p.m. Monday, according to Colorado City Police Department reports.

The owners of the store are Mr. and Mrs. John Snyder. They said the robber was thought to be a black male between the ages of 25 and

30. He is thought to be 5'6 or 5'7 and weighing between 160 and 170 pounds.

The robber was wearing a red and black ski mask during the robbery. He took an undetermined amount of money out of the register before leading them into the main room and taking Mr. Snyder's bill-

fold.

He later locked the couple in the store's cooler. When he left, he reportedly took a rifle. No vehicle was seen at the scene before the robbery.

Anyone having any information about the crime should notify the Colorado City Police Department.

Halloween...more than just treats

Halloween - children's night for trick or treats, ghosts and goblins, haunts and horror. Unfortunately, some of these horrors are all too real.

Every Halloween, children suffer from such dangers as auto accidents, falls, fire injury and poison treats.

It is very important that parents insure a safe and enjoyable evening.

According to Police Chief Ed Wheat, the following tips are imperative for preventing any mishaps on Halloween.

1. Be sure they know of possible dangers and how to avoid them.
2. Know your child's plans for the evening; what route he or she is taking, what companions he or she is going with (the groups shouldn't be larger than three or four people).
3. Be sure they are supervised and what homes they are going to. Never allow them to go to strangers homes or go into any house.
4. Make sure your

child understands your rules. Set a reasonable curfew and enforce it. Chief Wheat also gave some Halloween hazards.

1. Risky roadways. Children get excited and become careless. They may dart out into the street.
2. Poor visibility. Do not wear dark clothes.
3. Open flames from jack-o-lanterns.
4. Flammable costumes and toy weapons with sharp edges.

The major problem at Halloween is poisoned candy. Some of the most widely poisoned or dangerous foods are poisoned popcorn, razor blades in apples and tacks in popcorn.

All treats should be inspected before eating. If anything appears to be HALLOWEEN, See HALLOWEEN, Page 2

Sewer plant bid awarded by council

Colorado City Council members opened bids Tuesday night for the construction of phase I of the Sewer Treatment plant.

Twelve bids from construction companies throughout West Texas were opened during the called meeting of the council.

Lowest bidder was Rhodes Pipe Co. of Silvertown, Texas. The amount of the bid was \$324,000. The bid was about \$100,000 more than anticipated by council members.

According to Lee Head of Freese & Nichols Engineering Firm, the state put additional

requirements on the construction of the sewer plant.

The state also set up requirements for an additional pump, a two foot clay liner inside the pond and approximately 6 foot of additional excavating.

Head also stated the See SEWER, Page 2

Loraine native aware of embassy duty danger

Michael Britton

By LUIS RIOS
Sgt. Wayland Michael Britton joined the United States Marine Corp 13 years ago when ter-

rorists' attacks on U.S. embassies in foreign countries were unthinkable.

But the Loraine native knows that the possibility of bombings are ever so present in this day and age. Britton, is the son of Mr. and Mrs. Gene Britton of Loraine.

Britton, 30, has served as a Marine security guard for the U.S. embassies in Indonesia and New Zealand. He is presently stationed in Germany. He served 18 months at each embassy in those countries.

Britton said the Ma-

rines considered it their highlight of their career to serve for an embassy on a volunteer assignment.

"I had really always wanted to do that," he said. "But I needed a couple of years behind me."

"There are some inherent risks (about taking a job at an embassy). But New Zealand was quiet and peaceful. The risk was non-existent."

"Indonesia, however, was an Islamic country and problems cropped up from the radicals.

But it was nothing major."

Britton, who is married and has two children, Michael and Christy, said there was alot of shock and disbelief when the Iranians took over the U.S. embassy in Tehran.

"If it had happened in the past, the country would have stepped in and the peace would have been restored," he said. "But the Iranians headed the hostage situation."

"There was a feeling of helplessness. There was also a feeling of

apprehension. The natural thing I felt was anger at the country for letting it happen. Some people felt the Marines had not their job there,

but I felt they had done their mission."

Britton was not available for comment when the U.S. Marines in Beirut, Lebanon were attacked where almost 200 of them were killed. The U.S. embassy in Beirut was bombed earlier this month.

Germany, where Britton is currently stationed as a satellite controll-

er, is an Eastern block country where the deployment of nuclear missiles is of major concern.

Mike mentioned that last week Germany kicked off National Unity Week. The week included various demonstrations by different peace groups. However, the sentiment is not an indication of the German people.

"You never see them demonstrating against the Russians," Britton said.

"He (Bynum) indicated it would be a complete study of finances. I believe it will also look into the feasibility of consolidation. We are optimistic about it. I think it is an excellent study; it is an unbiased study."

"We think the Board is acting in good faith and we are pleased."

Sanders said he thought the study idea was a good move also.

"I feel we've done our part," Sanders said. "It will look into the feasibility of it."

Sanders said the Concerned Citizens Committee had pretty well agreed to back off and keep quiet before and during the study.

"We have discussed it with Dr. Smith and he has agreed to it," Sanders said.

The School board also voted to seal the house belonging to the Johnson Estate and deeded to the school.

city would still be able to meet state requirements to complete all phases of construction on the sewer plant.

Contracts with Rhodes Pipe Co. will be signed at the next regularly scheduled meeting of the council and construction work should begin in November.

In other action, the board awarded the city employee insurance program to American Security Life Insurance Co., represented by Bob Reily of Colorado City. American Security is the present carrier for the employer insurance. They were the low bidder.

The council members heard a report from city manager Rick Crowley on the progress of the Rogers Road expansion. Crowley stated the city will have to enlarge the existing right-of-

way and all utility companies have responded except the phone company. Lone Star Gas and Texas Electric Service Co., have agreed to move their respective

utility lines at no cost to the city. The cities only cost so far will be \$121 to move a street light. Crowley said he hopes to hear from the phone company soon, so a minute order can be approved at the next city council meeting and the

Highway Department may begin designing the road.

Also the board approved the closing of dedicated alley, block 3, Hart-Costin addn., No. 1 and dedicated street, block 1, J. O. Robinson addition.

Wolves drop to 58th in Harris Poll rating

The Wolves are a slim two point favorite over Sonora, according to the Harris Rating System.

After last week's loss to no. 25 Ballinger, the Wolves dropped five places from 53rd to 58th. Sonora is ranked 64th.

The Ballinger-Crane match-up is one of the biggest games around the state this week. Both teams are 7-0 and the Harris System has installed the Bearcats as two point favorites over number 29th ranked Crane.

In the other district

6-3A game, Harris forecasts number 101 Ozona is a four point favorite over 130th ranked Coahoma.

A top game in district 4-5A is number nine San Angelo being a three point favorite over number 10 Odessa.

Top games in district 4-4A is number 29 Andrews being a three point upset victor over 22nd rated San Angelo Lake View. Also number 27 Monahans and number 28 Sweetwater is rated a toss-up.

Wolves to face Broncos, playoff spot still hopeful

By STEVE BELVIN

The Wolves will continue their chase for a playoff spot this Friday when they meet up with a "physical" Sonora Broncos team.

The Broncos, under the direction of Jerry Hopkins, have one of the hardest hitting teams in the district, according to Wolves mentor Tom Ramsey.

Ramsey and his troops will be trying to get back on the winning track after suffering their first district loss to number four rated Ballinger.

Meanwhile, the Broncos recorded their first district win of the season, a 32-18 drubbing of Coahoma.

The Wolves are currently 2-1 in district play, behind Ballinger 3-0, and Crane 3-0. Victories over Sonora and Crane in the final district game will give the Pack a good chance at the state playoffs.

Crane and Ballinger meet this Friday. If Ballinger defeats Crane and the Wolves down Sonora, then the final playoff spot will be decided by the contest in Crane.

But if Crane defeats Ballinger and Colorado City defeats Crane, causing a three way tie, the playoff spots will be

determined by a coin flip.

But on the other hand, Hopkins is thinking of a new route. The Broncos have already suffered two heartbreaking defeats, Ballinger 22-15 and Crane 7-3. He feels with a little luck, his team may still have a playoff chance.

For this to happen the Broncos will have to defeat the Wolves and Ozona, while Ballinger and the Pack would have to defeat Crane, thus throwing the race into a three way tie for the runner-up spot with Crane, Colorado City and Sonora with all three teams having two losses.

So as far as the Broncos are concerned, they are still in the playoff picture.

Mathematically we are not eliminated from the playoff picture. We haven't given up yet and we will be ready to play," said Hopkins.

Hopkins is hoping that he can get his teams healthy for their upcoming clash. Last week, the Broncos had five starters out, including noseguard Ronnie Munns, 5-10, 185 and linebacker Royce Bayless.

Offensively, the Broncos are not fancy. They line up in their Wing-T and run right at the defense. The key is simple, a good offensive line whom Ramsey says is comparable to that of previous opponent Clyde.

Center Ronnie Pollard, 175, tackles Rodney Jones 225 and guard

mentor said.

The Pack comes into the contest with the third rated quarterback in West Texas. Chitsey has now passed for 1,300 yards while completing nearly 50 percent of his passes.

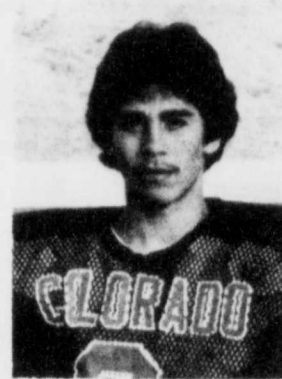

The elusive D. Rivera continues to lead the West Texas receiving ranks with 40 catches for 786 yards. Randle has snagged 19 passes while Conner has caught seven, including his first TD catch of the year last week.

Running back Larry Hamilton is hobbled by injuries, but continues to lead the Pack's rushing attack with 766 yards and a 5.7 average per carry.

Defensively, the Pack will be without the services of offensive and

Injuries add to Bulldogs woes, Game with Sands cancelled

The phrase "If it ain't one thing it's another," could definitely be associated with the Lorraine Bulldogs football team.

The Bulldogs have been having their problems over the past couple of weeks. The Bulldogs started out the season with 23 players. A few left in the early going but the major shake up came last week when four players quit the squad dropping the number to 15.

After last Friday's 45-0 loss to Roby, linebacker Buck Trice, cornerback Martin Leija, safety Aundra Rose, cornerback Tray Rose and tackle Danny Vasquez are all out with injuries cutting the squad to 10 active players so the Bulldogs have to forfeit this week's scheduled contest with Sands.

The automatic loss will drop the Bulldogs' record to a dismal 1-8. Ironically, the same thing happened to the Bulldogs last year when they forfeited a non-district game to Abilene Christian High School.

But with all the surrounding adversities, Bulldog coach B. D. Trice is still optimistic

about his team. "The boys spirits have been very high, even after we lost 45-0 they felt good about themselves because they never gave up and played like gentlemen," said Trice.

It's so hard to keep the players healthy because we have so few players and most of them play the entire game. Most of your injuries occur when you are fatigued," Trice said.

In last Friday's loss to

Roby, a poor first quarter led to the downfall. The Lions racked up 21 first quarter points. "After the first quarter, we came on and played pretty good. But near the end, the boys just

got tired," said Trice.

Roby racked up 354 yards on the ground while the Bulldogs managed just 57 yards total offense. Most of the yardage came on passes from Ruben Garcia to

A. Rose, Joe Espinoza, Leija and Trice.

Despite the Roby onslaught, Trice credits defensive linemen Phillip Sanders, John McAdams, Jesse Castro and Armando Castro with having good games. He also singled out the play of freshman cornerback T. Rose.

The Bulldogs are scheduled to close out the season Friday, November 4 against Forsan at Johnson Field.

Daniel Garza are the leaders in the Broncos line. Garza is the strongest of the lot bench pressing 300 pounds.

Tight end turned quarterback Jeff Brittain will be filling in for Scott Miller who broke his arm early in the season.

Fullback Tino Martinez carries the brunt of the rushing attack with 720 yards. Split end Esau Ramirez is a top notch receiver.

Defensively, the Broncos secondary will be tested by the arm of Doug Chitsey and receivers Perry Conner, Dennis Rivera and Don Randle.

"Colorado City is such a versatile team. They run and pass equally well. They are the same caliber of team as Ballinger," Hopkins said.

Cornerback Victor Lira leads the Broncos secondary with three thefts.

Ramsey said the Broncos' secondary will be put to the test. "We will air it out," the Wolves

defensive tackle Franklin Marsh who is lost for the remainder of the year with torn knee cartilage. Surgery was performed Monday on the 195 pound senior.

With the loss of Marsh, running back Kevin Norman will be moved to a defensive tackle spot. Norman played some last Friday and recorded a quarterback sack as he along with ends Fred Pineda, Raymond Bassinger and tackle Danny Stice put good pressure on the quarterback.

But the pack did have some pass protection problems of their own last week as Chitsey was sacked five times and threw under heavy pressure several other times.

Other bright defensive spots for the Pack were interceptions by Armando Rivera and Michael Luera.

Hopkins says his team will be ready to play and Ramsey says from now on, every game is a playoff game. The stage is set, two teams fighting to stay in playoff contention. After Friday, it will be one.

Ladies of the First Baptist Church met in the home of Mrs. Peggy Magging Tuesday at 2 p.m. for the purpose of organizing a Baptist Womens Organization.

There was some very constructive discussion and they will meet again on Monday, November 7, for the organizational meeting.

Those present were Mmes. Nell Rollins, Velma Davis, Bessie Shaw, Edith Dawson, Lucille Stone, Ruth Buchanan and the hostess Peggy Manning. Refreshments of chocolate chip cookies, tea and coffee were served.

Mr. and Mrs. Charles Ranne and granddaughters, Amy and Natalie were in Lewisville last weekend visiting their son and father, Eddie Ranne.

G. A.'s met in the church Wednesday of last week after school. They worked on their mission adventures.

Those present were Shana Smith, Tammy Harrison, Tami Putman, Sheila Hale and Laura Beth Conway. Russell Whitesides was a guest. Their leader is Marlena Rice.

Mrs. Juanita Candler of Monahans visited her parents, Mr. and Mrs. Alvin Byrd this weekend. They all visited in

the home of Mr. and Mrs. Marvin Hale of Lake Colorado City on Sunday.

Mr. and Mrs. Floyd Rice, Debbie and Charles visited with Mr. and Mrs. Tom Rice and Barbara of Midland on Monday night. Others present were Mr. and Mrs. Conally Rice of Ga., Mr. and Mrs. Paul West and John of Lamesa and Mr. and Mrs. B. J. Rice of Midland.

Mr. and Mrs. Floyd Rice spent last weekend in Cloudford, New Mexico.

Mr. and Mrs. L. M. Dawson are in Austin two days this week on school business.

Miss Lynn Dawson, student at Western Texas College, was at home this weekend.

Tommy Davenport

was a patient in Root Memorial Hospital this week.

Mr. and Mrs. Tom Stone were supper guests of Mr. and Mrs. Lester Horn of Colorado City Saturday night.

Gerald Rollins and Rev. Bob Manning spent the week in Arroyo City fishing.

Mr. and Mrs. Rex McKenney were in Lubbock last Thursday for Rex to have a check-up. His report was very good.

Mr. and Mrs. Sid Jones has had several visitors this week. They were Mr. and Mrs. M. S. Martens of Brazoria and Mrs. G. C. Roberts of McCarney. Mrs. Martens and Mrs. Roberts are sisters of Mrs. Jones.

VFW Post presents flags to Brownie troops

The Wilson Wyatt VFW Post 9178 and its Ladies' Auxiliary presented the First Grade Brownie and Second Grade Brownie Troops each with an American

flag and a flag stand on Monday, October 24 at the Kelley Elementary School.

Ann Ingram presented a short flag presentation followed by the Ple-

dge of Allegiance.

Estella Rivera and Virgie Mosley gave a demonstration on how to fold the flag and then each girl was given the opportunity to practice

what they were shown. Patriotic literature was given to the three Brownie Leaders for future reference.

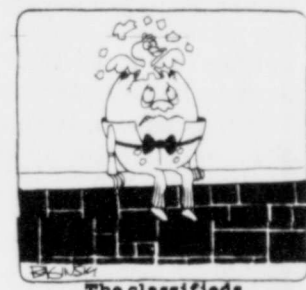

Leaders present were Judy Bennett, Debbie Harris and Janie Watson.

Brownies attending were Melisa Bennett, Laura Davila, Candy Fugate, Jeri Lynn Graham, Misty Hall, Court-

ney Harris, Christen Hubbard, Talva Hurt, Lisa Jones, Renee Lindsey, Jana McGowen, Christina Mendoza, Shea Ortiz, Kam Ramage, Jennifer Rivera, Shannon White, Leah Watson, Jodi Cade, Cole Marie Latimer, Lori Ortiz, Monica Mendoza, Angela Anderson, Regina Burt, Lori Godsey and Alva Marie Chaney.

Pipelines... make good neighbors

America has over 220,000 miles of petroleum pipelines carrying crude oil and products to refineries and storage terminals across the United States. Each day, more than 1.5 billion ton/miles of crude oil and products move through this network. These pipelines have a safety record second to none in the transportation industry . . . and we want you to help us keep it that way.

- liquids on or a mist above the ground in the area of a pipeline.
- Flames originating from an opening in the ground.
- If you become aware of a pipeline leak . . .
- LEAVE THE LEAK AREA IMMEDIATELY.
- Avoid driving into vapor clouds.
- Avoid direct contact with the escaping liquids.

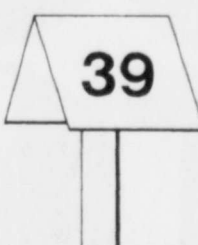

GROUND MARKER

GROUND MARKER

CASING VENT

AERIAL MARKER

When you see signs like those shown above, they tell you that there's a pipeline nearby. If it's underground, you can't see it, of course. But it's there, working quietly to provide energy for you and other consumers throughout this nation.

Some of these signs list the commodity transported in the pipeline, the name of the operator, and a telephone number where the operator's representative can be reached at all times.

Although pipelines have an exceptionally good safety record, once in a while a leak can occur. Indications of a leak might include:

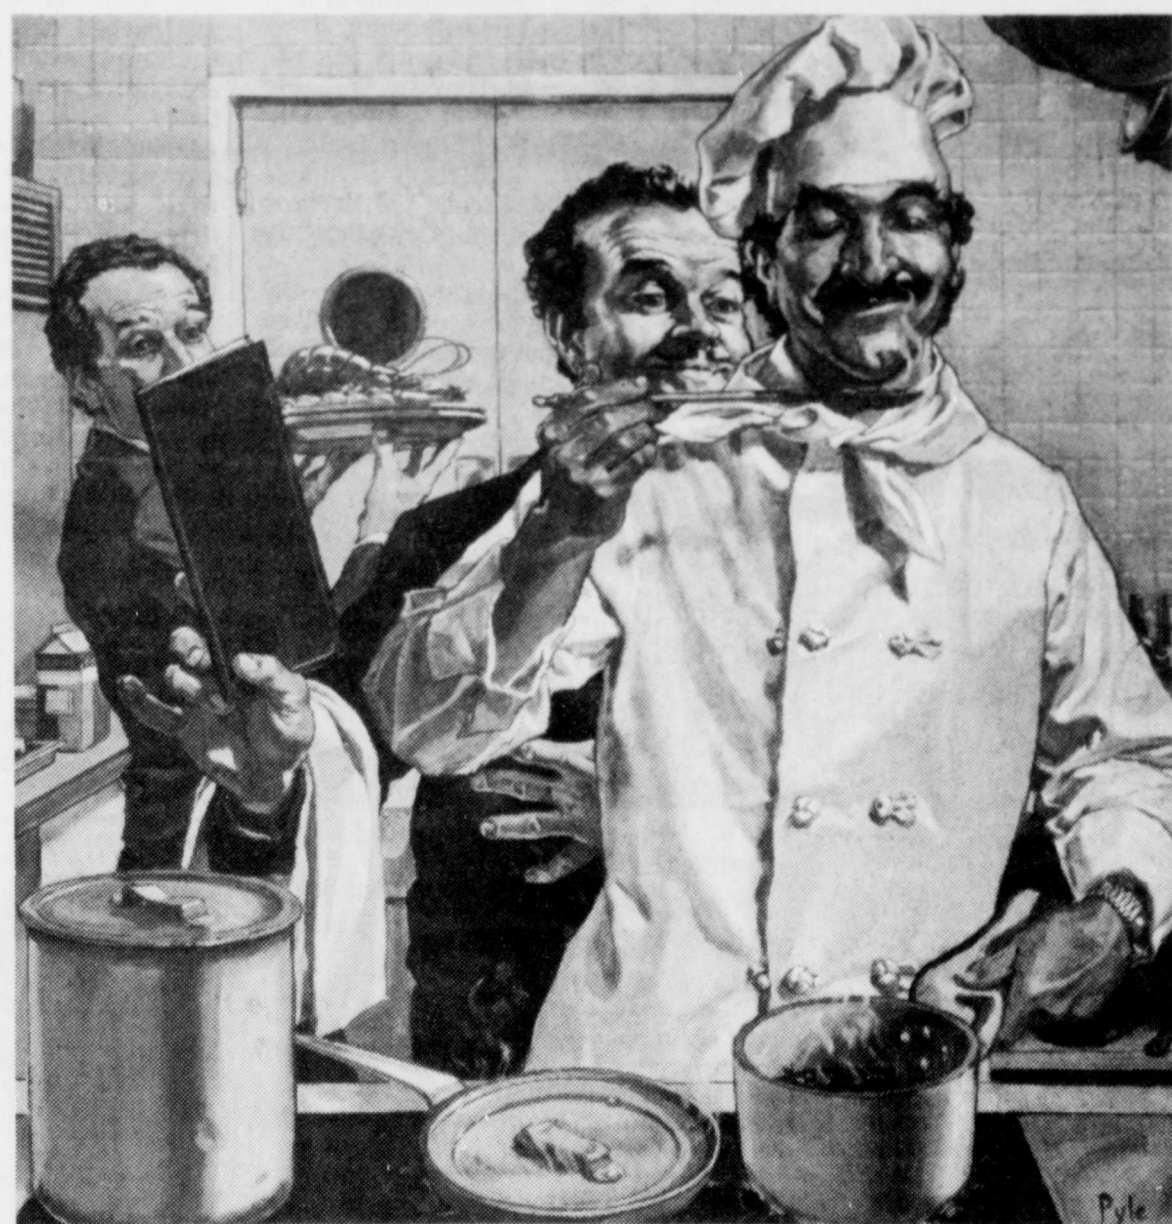

- A strange or unusual odor in the vicinity of a pipeline.
- A hissing or roaring sound (caused by petroleum or product escaping from a pipeline).
- A dense white cloud or fog.
- A spot of dead or discolored vegetation.
- An accumulation of petroleum

- Avoid creating sparks or sources of heat which could cause the liquids or vapor to ignite and burn. If you find yourself in a suspected vapor area, do not light a match, start an engine or even switch on an electric light.
- Notify the pipeline operator as soon as you reach a safe area. Call collect. Give your name, a description of the leak and its location. If you do not know who the pipeline operator is, call your local fire, police or sheriff's department, or the state police. Advise them of the nature and location of the emergency.

If you see someone digging near a pipeline or doing other construction work . . . or if you plan to do such work near a pipeline yourself . . . please call the telephone number shown on the sign and let the pipeline company know so damage can be avoided. It's in your interest . . . and the nation's.

America's Petroleum Pipelines

Pipelines are the safest way to move petroleum and products and you can help keep it that way!

Gas ranges keep temperatures under control.

Almost all great chefs insist on natural gas ranges. Because gas gives them temperature control, par excellence.

The low flame keeps even the most delicate sauces warm without burning them. While the high flame gives immediate, intense heat for a rapid boil.

And when the flame is off, it's off! There's no hangover heat to spoil the

creation. But control isn't the only reason they cook with gas. Gas saves money. In fact, you can cook 1 1/2 meals on a high-efficiency gas range for the cost of cooking one on a non-gas range.

So get more for your money and get a gas range for your home. Today. We promise you, you'll be in better control of your temperature.

The Loraine FHA ended their selling project this week. They made a lot of money; therefore, it was a success.

Tuesday night the Loraine High School marching band performed the contest show. Everyone enjoyed it.

LHS Class of '55 holds 30 year reunion

Several classes held reunions after the program at Homecoming of Loraine High School last week.

The class of '55 and guests met for their 30th year reunion October 14-15. Their first meeting began at the Loraine ballgame Friday night. After the game they met in the home of Orvel and Georgie Griffith in Colo-

rado City for refreshments and visiting.

Saturday morning they met at the school for the remainder of Homecoming activities. After lunch and business, their class had charge of the program which included singers, Don Richard and Genda Richard Pruitt and Golda Cary Redwine accompanying.

Hal Haralson, class president, introduced the class and each member made brief talks. Hal concluded with a touching, witty and informative presentation concerning the happenings in his life, his illness and recovery.

At the close of the scheduled activities at school, they met at the Loraine Center for cake,

coffee and more visiting. They brought school annuals of those years, scrapbooks, pictures, etc.

Members of the class were: June Alsobrook Felix, Joe Ed Coldey, Hal Haralson, Bobbie Kidd Armstrong, Fern Miles Reeves, Georgie Miles Griffith, Patty Moore Reese, Beth Nar-

rell Price, Doyce Nix, Donald Richard, Dixie Templeton Smith, Gloria Wheeler Compton, Billie Joe Epperson, Joyce Epperson Bracken, Turner Noel, Doug Chitsey, Mr. and Mrs. J. M. Templeton, Mr. and Mrs. Raymond Wheel-

er, Mrs. Nannie Miles and husbands and wives of the class members.

Lankfords honored at 50th anniversary fete

Mr. and Mrs. Ralph Lankford of Loraine were honored at a reception at the home of their daughter and son-in-law, Mr. and Mrs. Billy Cornutt from 2:30 to 4:30 p.m. Sunday,

October 23, a compliment on their 50th wedding anniversary. Hosting the affair with the Cornutt's was their son

and wife, Mark and Pam Cornutt.

Congratulations and best wishes were expressed to the couple as they received guests. Mrs. Lankford was wearing a two tone blue street length dress and a gold silk shoulder corsage with the traditional "50." Mr. Lankford wore a gold single rose

boutonniere also with the number "50."

Mrs. Robert Dale Finley, niece, of Loraine registered guests from a table laid in yellow lace over linen. The table was centered with a three branched candelabra. As guests were registered, she presented scrolls tied with gold wedding bands and gold ribbon, holding words of

thanks from the honored couple.

The refreshment table was laid in gold cloth with overlay of white lace. The three tiered wedding cake on columns was served with nuts and gold punch served from a gold punch bowl. A three branched candelabra centered the table. Appointments were crystal and gold. Serving were nieces, Mrs. Beth Price of Sweetwater and Mrs. A. J. Pirkle of Big Spring.

The array of beautiful anniversary gifts were displayed and shown by a niece, Mrs. Gaylon Seaton of Abilene and Jill McWhirter of Sweetwater. Other members of the houseparty were Mrs. Homer Hart and Mrs. Troy Lankford.

Mrs. Lankford was born May 13, 1913 in

Cumby, Texas, daughter of the late Mr. and Mrs. W. L. Stewart. The family came to Loraine in 1922. Mr. Lankford was born November 26, 1913 at Joshua, Texas, son of the late Mr. and Mrs. Fred Lankford. The Lankford family moved to Loraine in 1918.

The couple married at the home of Mr. and Mrs. Clarence Lankford in the Lone Wolf Community, north of Loraine on October 19, 1933, with the Rev. H. H. Linder officiating. They have lived in the Loraine community since.

One hundred-forty were registered from Groom, Cumby, Tahoka, Abilene, Sweetwater, Roscoe, Big Spring, Colorado City, Westbrook, Coahoma, Post and Munday.

Holmans return from vacation

Mr. and Mrs. T. L. Holman arrived home Sunday after a 12 day visit in Simsbury, Conn., with their son and family, Mr. and Mrs. Bob Holman and son, Robert. The other grandson, Scott was in college and they missed seeing him.

They said this was surely the right season to be in that part of the country. The mountains, trees and countryside covered with growth and the autumn colors at their peak.

They visited many places of interest, one of the interesting places

was the Norman Rockwell Museum in Rockwell, Mass., where they viewed his art collection. In Massachusetts, they visited in the Stirbridge village, a town of people who live as if they were in the 17th

century. They never change their mode of living. They make their soap, candles, brooms, grind their wheat for flour, they garden and they work their fields with oxen.

They had a wonderful visit and trip.

Save energy with a heat pump.

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is a regular air conditioner, removing unwanted heat from the inside air.

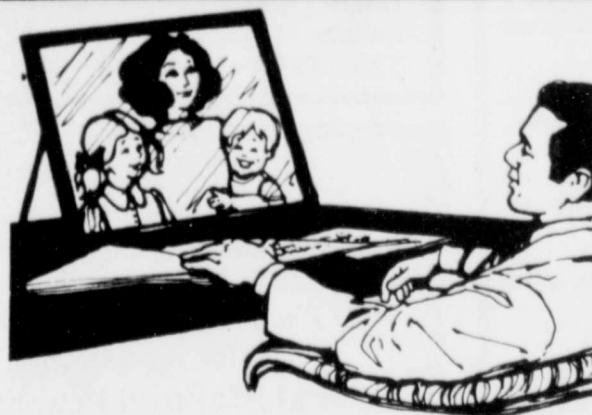

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor. And when you call, ask about the year-round heat pump that qualifies for a bonus check from Texas Electric.

Obituary

Hogue

Funeral services for Edward W. Hogue, 86, of Colorado City, were at 2 p.m. Sunday in the Kiker-Seale Funeral Home Chapel.

Rev. Glenn Roenfeldt, pastor of the First Baptist Church, officiated. Burial was in the Westbrook cemetery under the direction of Kiker-Seale Funeral Home.

Mr. Hogue died Saturday morning at 1:55 a.m. in the Root Memorial Hospital.

Born February 12, 1897 in Cornice, Oklahoma, he had been a resident of Colorado City since 1961. He was a retired groceryman. He was a veteran of World War I. He married the former Agnes Durham on August 28, 1922 in Clovis, New Mexico.

He is survived by his wife; one son, Jimmie Hogue of Big Spring; a brother, Pat Hogue of Waco and 10 grandchildren.

Phillip's teaches class at LHS cafeteria

Donnie Phillips, who has taught Emergency Medical teams at Western Texas College three times and under Dr. Joe Terry twice, and at TSTI, three times, was assisted by his wife, Sandra, Monday night when he taught another class in the Loraine High School cafeteria.

Sandra demonstrated how to blow only the breath in your mouth to revive a baby, your upper body's breath for a child and as much breath as you can blow for an adult.

Several members of the audience came forward to see if they understood how to render resuscitation on the different mannequins that were furnished.

Numerous ladies brought baked goods, handmade items and

"white elephants" which were "Auctioned off" by Loraine Agriculture teacher, Mike Herrington, during the breaks of the lecture.

Two hundred and fifty dollars was raised by the auction. Half of this amount was donated to the Emergency Medical team of the Loraine Fire

Department. Pam Butler was the chairman of this program while Doris Henderson was the finance chairman.

15 year reunion held for class of 1968

Members of the class of '68, their husbands and wives and other guests met at Ninfa's for a time of visiting and refreshments Saturday afternoon.

Present for this reunion were Mary Helen Lunan Gomez, Cecelia Lujan Munoz and John, Mary Lou Costabile, all of Colorado City; Gayle Richard Troutt and Virgil, Danny Butler and Pam, Loraine; Sharon Sanford Montis, Shallowater; Stanley Long and wife, Andrews; Irene Chavez Rosas, Mi-

dland; Chris Huber, Big Spring; Jessie Munoz, Jr., and wife, Colorado City; Donnie Mac Bowles and wife, Pam, Rule; Pete Castro and wife, Colorado City; Ninfa Marentes Esquivel and husband, Loraine; and Chester Jernigan and wife, Sue, Sweetwater.

The 1968 classes will and prophesy were read. They made pictures and all agreed another reunion will be held five years from now.

Mary Lou Costabile

planned ahead and brought awards to be presented to the one who had the most children, which went to Ninfa, who has five children; the one who came the farthest distance, this went to Stanley Long who traveled from Andrews; the one who had changed the most and

Cecelia received this award.

A great evening for this group, as this was their first time to be together since the graduation 15 years ago.

Let's talk.

Information about your changing telephone service from Jim West, Community Relations Manager

A look at the future

When Southwestern Bell is divested from AT&T next January and becomes a separate company, you can be sure that your local telephone service will continue working the way it always has. We're committed to providing high quality, dependable local service at affordable rates.

But there will be some changes in the way you do business with us... from how to handle telephone repairs to the way you're billed. Here's a quick look at what will and won't change:

Local service

As mentioned, Southwestern Bell will continue to be responsible for providing local telephone service. To start, stop, change or move service, you will do the same as you do now — call your Southwestern Bell business office.

Long distance service

Beginning January 1, Southwestern Bell will still provide long distance service within your surrounding area. However, calls outside this area will be handled by AT&T or other long distance companies. Since there will be more competition in the long distance market, there will be more choices for you as a customer.

Telephone sets

Between now and the first of the year, all single-line customers have the option of buying the telephones that they currently lease on a monthly basis from Southwestern Bell. If you decide to continue leasing your telephone sets, ownership of this equipment will be transferred to AT&T January 1. Of course, you'll still have the option of purchasing new telephone equipment from a variety of other suppliers. Pending agreement from the Federal Communications Commission, Southwestern Bell may also offer telephone equipment for sale, beginning in 1984.

Telephone repair

If you continue to lease the

Billing

You'll continue to receive one bill for all services provided today by the Bell System, except for purchases of new equipment from AT&T. This single bill — to be produced by Southwestern Bell — will list Southwestern Bell's charges separately from AT&T charges. In the future, Southwestern Bell may serve as a billing agent for other long distance companies as well. Toll-free telephone numbers of each company will be featured on your statement in case you have questions about your bill.

We want you to know

At Southwestern Bell, we want you to know about these and other changes that will affect the way we do business with you. Watch for more details in the months ahead — both in this column and in your bill insert.

Remember, if you have something to talk about, don't hesitate to drop me a line.
