MAINLY ABOUT PEOPLE

By H. N. F.

George D. Campbell of the Guaranty ...ate Bank of San Antonio, member ...the War Finance Corporation com...ittee to pass on loans to Southwest... Cattlemen says within a week aft... an application is made and ap...oved the money will be available for ...e applicant. Marion Sansom who ...ds the committee, has explained ...w operations will be carried on and ...w the vast government fund of one ...illion dollars will be placed in the ...nds of the agricultural and live...ock men of the country. Livestock ...en must apply to their banks, he ...id. Bankers will pass upon and in...rse the application. It then will be ...rwarded to the agricultural and live...ock agency in Fort Worth, where ...e committee of three will act. In ...e event it meets the approval of the ...mmittee, the loan will be forwarded ...the War Finance corporation at ...ashington and, with approval of the ...an there, the money will be placed ...the credit of the applicant at any ...nk he names. Loans will be made ...agricultural products and livestock, ...e amount to be fixed by the banker, ...terminate upon the value of the se...urity, the moral responsibility, etc. ...ey will bear 6 per cent interest, ...ith an added charge by the bank ...hich must not exceed 2 per cent. ...ey are to be for periods of one year, ...ith the privilege of renewal.

Not only will the loans be made to ...vestock men and farmers, but they ...ay be made to bankers, trust com...anies and loan companies, on paper ...hich they already are carrying. In ...is way, banks which have paper ag...regating thousands of dollars will be ...le to liquidate it through blanket ...ans covering all notes they hold.

Al McFaddin of Victoria is a ...rmer president of the Texas Cattle ...aisers Association and widely known ...live stock and political circles ...roughout the southwest. Looking ...esh as a mountain daisy on a dewy ...lay morn, George D. Armstrong ...ound Al in San Antonio gossiping ...ith the boys. Al made an auto...obile trip in the early summer weeks ...at took him through the states of ...ew Mexico, Arizona, California, Ore...on, Washington, Idaho, Montana, ...yoming and Colorado. The speed...eter registered 7,896 miles and he ...ever had any serious breakdowns or ...her trouble. He was able to find a ...ood hotel every night, and at the ...nd of every day's run—but he took ...otice that always the price of a room ...nd accessorial utilities amounted to a ...m more than did the price of any ...ree meals he could eat. The only ...imes he saw any rain on the trip ...ere at Yellowstone Park and at Bos...n, New Mexico. But back to the hotel ...nd of the story—At one out-of-the-...ay place in New Mexico, 120 miles ...om a railroad, he found a dandy ...brick hotel with electric lights, bath ...neverything. "Down in our country we ...are in the very finest sort of condi...tion," he said. "The grass is fine as ...ilk and the corn crop is a hummer—...e've all gone back to eating corn...read. The cattle are fat—I've got ...00 Brahma calves that are the fat...test I ever had. Of course, we haven't ...any money, but we've decided to forget ...hat and just be happy, anyway."

It is a long call from Henrietta to ...an Antonio, but Lucian W. Parrish ...as supporters in the Alamo city. ...ormer Mayor Clinton G. Brown is ...ading the fight in Bexar county for ...he nomination of Parrish for the sen...te. Brown and Parrish were class...ates at the University of Texas. ...ormer Judge Howard Templeton is ...the law pardner of former Mayor ...Brown. Templeton is a veteran politi...cian and a life long friend of Charles ...A. Culberson. He is leading the fight ...for Culberson in Bexar county and ...he gives this as a reason. "I am for ...Senator Culberson. I have always ...been for Culberson and I am stronger ...for him now than ever. It is a credit ...to any state to have such a man as ...Charley Culberson as its representa...tive. I have nothing against any ...other candidate—I am just for Culber...son. The boys are a little excited now ...and I look for a very entertaining ...campaign. But when the plum falls ...it will go into the Culberson lap once ...more and then all Texas will be calm ...again and all will say, most of them ...with relief, that a good day's work ...has been done. We are supposed, and ...I believe correctly, to elect a man to ...the senate for what his head and his ...heart hold rather than on account of ...any physical prowess. Nobody is say...ing anything against the heart or the ...head of Culberson, and they will not ...say anything.' Brown has a strong ...personal following in the Alamo City ...and in Bexar county and if he puts up ...one of his old time fights the fur is ...going to fly in that section of the ...state.

This is the open season for fairs ...and the tri-county fair at Shamrock is ...drawing larger crowds and the exhibits ...are better than ever before. Progres...sive citizens of the counties of Wheel...er, Collingsworth, and Gray are respon...sible for the Shamrock Fair. Live ...stock exhibits are specially large and ...agricultural exhibits very fine. Crops ...throughout that section of the Pan...handle were excellent this year and ...these exhibits are the result. A. C. ...Clark is in charge of the agricultural ...department. E. H. Small, known ...throughout the United States as a ...breeder of Angus cattle has his noted ...show herd at the fair here, this is the ...same herd that he will show at the ...Dallas fair, Shreveport, La., and In...ternational at Chicago. O. T. Nicol...son, cashier of Farmers and Merchants ...State bank is exhibiting a noble of ...Oakland Linebred Jersey bull whose ...sire recently sold for $35,000. Swish...er County Fair opened at Tulia, ...Thursday morning and will close Sat...urday night. It is the best fair ever ...staged in Swisher county and ex...hibits in all departments are of the

BURKBURNETT REVIVES ITS FALL ROUNDUP

Thousands Gather in Picturesque Oil Town to Witness Rodeo and Partici. pate in Annual Barbecue.

Entertainment Will Continue Through Saturday Night, Culminating in Masked Ball in Streets.

Special to the Record News

BURKBURNETT, Texas, Sept. 23.—Burkburnett's first fall roundup and carnival in five years, since the opening of the war, and then the oil developments made it impossible for the celebrated watermelon carnival and roundup to be held, opened Friday morning for a two days' program, and the initial day's festivities were attended by a crowd that would rank favorably with the heaviest in the hey day of the Burkburnett townsite boom, in the fall of 1918. The Chamber of Commerce and the Y. M. C. A., which is staging the carnival, announced Friday night that around $500 was secured for the united charities fund through the sale of booths which lined the streets, and that the affair was assured of complete financial success, as well as being a triumph of a revival of neighborliness and good spirit, such as there had not been time for since the days fo the beginning of the oil boom.

Between five and ten thousand people were estimated to have participated in the Friday events, which opened with a parade of the rodeo riders, which staged their show in Hardin Park, and at least ten thousand are expected for the Saturday attendance.

Saturday night will come the crowning event of the two days, a masque street frolic, after Mardi Gras fashion.

Free barbecue was served in the business district at the noon hour. Between fifty and seventy-five riders participated in the rodeo, band concerts entertained the carnival visitors throughout the day, and a "daredevil of the air" gave lofty exhibitions that were thrilling.

The booths that lined the streets of the business section were liberally patronized throughout the day, as were all the places of refreshment.

The women and girls, and a number of the men as well, or as many of them as could be accommodated, were entertained with a style show at Anderson's, where attractive living models displayed new fall styles.

Friday night the carnival spirit of the crowds on the streets was added to by G. A. Freese and Miss Polly Moody, as "Samantha and Hiram" in hayseed attire.

Saturday night practically everyone will join in the masque, it is announced.

Confetti, balloons, whistles, ticklers and various other adjuncts of carnival time were much in evidence.

NAMED MASTER MECHANIC

By Associated Press.

CLEBURNE, Texas, Sept. 23.—F. M. Mosley of Gainesville, Texas, today was appointed master mechanic of the Santa Fe railroad to succeed the late Maynard Robinson of Temple, who was drowned near Cameron in the recent flood.

GRAND JURY INDICTS CHURCH FOR MURDER

By Associated Press.

CHICAGO, Sept. 23.—Two true bills charging murder were voted today by the grand jury against Harvey Church, held for the deaths of Bernard J. Daugherty and Carl C. Ausmus, automobile salesmen.

FIND AVEN GUILTY OF WIFE'S MURDER

By Associated Press.

WACO, Texas, Sept. 23.—The jury in the case of the state against W. T. Aven, charged with the murder of his wife, found him guilty and assessed his punishment at death. The jury was out about thirty-minutes and was unanimous on the first ballot.

BUY BONDS WHILE SECURITIES CHEAP, BABSON ADVISES

WELLESLEY HILLS, Mass., Sept. 23.—"Buy bonds now," says Roger W. Babson. The famous statistician sees danger in callable issues. This is what he says to the readers of the Wichita Falls Record News:

"Business today is dragging on bottom—our index figure standing now at 75 points below normal compared with 100 points above a few months ago. This means that we are in the sixth period of the Business Cycle and that a period of lower money and higher bond prices is at hand.

"You have an opportunity here that will not be equaled in the investment field for several years to come. Buy all the long time bonds you can carry, right now!

"When interest rates are low, bonds are high priced so that they yield only the current rate of interest. Likewise, when interest rates are high, as at present, bonds are cheap, so that they yield a high rate of interest. When interest rates are low, as they were a few years ago, one should buy short time bonds because it is not advisable to tie one's money up for a long time at a small return. Today, however, when interst rates are high, the shrewdest investors are buying as long term bonds as they can possibly get. Rockefeller, Morgan, Mellen and the other rich men of the country are seeking long term investments and buying not only bonds that pay a high rate of interest, but bonds that do not become due for twenty or thirty years.

"Recently I have been hunting such good issues for some very careful investors and have been surprised to find that most of the new issues have "callable" features. Many of these issues are callable at any time or after five years, at par or a small premium. The bonds have a great big six, seven or even eight per cent on them and the date when due, twenty or thirty years hence, is in great big type. This gives an investor to understand that he will get the high rate of interest for twenty or thirty years. Careful examination of bond, however, shows that in very small type is a statement that the company, if it desires, can redeem the bond at par or with a small premium at any time after a few years.

"Investors should watch for these callable features when they buy bonds. They are simply a "heads I win tails you lose" proposition in favor of the companies. If we should get into another war and interest rates remained high, or if the Company, should have hard luck, then it would pay the investor for twenty or thirty years. But if interest rates should go down as they probably will, and the company is prosperous, as the investor of course hopes it will be, then it will simply call the bonds and leave the investor to take a lower rate of interest for the balance of the time. Thus the big six, seven or eight per cent and the twenty or thirty years does not mean anything.

"Investors who have trouble in finding new high rate long term issues with reasonable and fair callable features should revert to their old friends, the three, four and five per cent bonds that were put out years ago when money rates were low. When companies could borrow for three, four or five per cent they made the bonds just as long term as possible, and they didn't bother to put in any clauses in fine print. For instance, the Northern Pacific R. R. Co. three per cent bonds do not become due until the year 2000, while most of the good railroad bonds were put out for periods of fifty years. As these bonds can now be bought at a discount so as to yield six, seven or eight per cent even, they should not be forgotten. A 3½% bond at fifty, which means that it can be bought for $500 is a better investment than a 7% $1,000 bond at par."

RECOMMEND ADOPTION OF PEACE TREATY

Senate Foreign Relations Committee Makes Favorable Report on All Agreements Ending War.

By Associated Press.

WASHINGTON, Sept. 23.—The treaties of peace negotiated by the administration with Germany, Austria and Hungary, were approved today by the senate foreign relations committee but with two reservations.

One reservation — similar to the Lodge reservation to the treaty at Versailles—would require an act of congress prior to representation or participation in any foreign agencies or commissions by an American representative whose nomination would have to be confirmed by the senate. The other designed to protect the property rights of American citizens as well as of the American government in the three former enemy countries.

Adoption of the two reservations brought from the White House the statement that while President Harding had not seen their text he favored the principles involved and no objection would be raised by the administration to ratification with the proposer reservations attached.

Senator Borah, Republican, Idaho, a leader of the "irreconcilables in

NATIONS ASK MEANING OF 'NEW AGENCY'

Invited Governments Seek Information on Proposed Subjects for Disarmament Conference.

By Associated Press.

WASHINGTON, Sept. 23.—Inquiries as to the meaning of the section relating to "new agencies of warfare" in the program suggested by Secretary Hughes for the armament conference has been made at least two of the invited governments.

While none of the governments has manifested dissatisfaction with the list of topics suggested, it was learned today that there have been requests for somewhat more definite information regarding certain suggestions relating to commitments. In response the United States government has advised the inquiring powers of its conception. However, the United States considers it advisable that the program be left in an elastic form.

As to "existing commitments" mentioned in the agenda the inquiring governments are understood to have indicated the long list of treaties and other agreements, many of them entered into long before the European war and a few since then.

It is believed that the submarine will take first place in the discussion of the topic entitled "new agencies of warfare." To Great Britain and Japan the development and use of underseacraft in warfare have particular significance when considered with problems concerning blockades.

It also appears certain that a discussion of chemical warfare will be an important feature. The American policy has been clearly indicated as favoring its development, but its use only when forced by the enemy's methods.

FIND BODY OF MAN WITH $1,193 IN CLOTHES

By Associated Press.

OMAHA, Sept. 23.—A man believed to be Leroy Bennett of Rushing, Ark., dressed in laborers clothes and with $1,193 in currency tied in his clothes, was found crushed to death in a freight car of lumber by five tramps at Alliance, Neb., yesterday.

GALVESTON INSURANCE MAN DIES IN SHERMAN

By Associated Press.

SHERMAN, Texas, Sept. 23.—Thomas J. Gross, 60, an insurance man of Galveston, died suddenly at a hotel here last midnight. He is survived by his widow and one daughter.

KING HAS RELAPSE.

By Associated Press.

PARIS, Sept. 23.—King Alexander of Jugo-Slavia has had a relapse and he will be confined to his room for some days.

"First Monday" Idea Suggested As Trade Booster for This City

E. S. Goodner, of the Goodner Wholesale Grocer company, believes that if an institution is fundamentally right it is good for any size town, whether it be a village, or a city such as Wichita Falls claims to be. "First Monday" is an institution in small towns. Farmers come to town in their buggies or automobiles, on the first Monday of every month, with their farm products, chickens, butter and eggs, look around, visit with Jim, the grocer; Tom the dry goods man, and so on down the line, make their purchases, take a movie show perhaps and go back at the end of the day with a happy feeling of good will toward everyone.

A booster for Wichita Falls as a jobbing center for this section and a town builder, Mr. Goodner says that this city is not too large but that some sort of a "First Monday" idea can be started here. We depend on the rural population of this country for a good portion of what we eat, and wear, he says, and we should invite them in here once a month to make they feel like this is their town, not only because they buy needed supplies here, but because it is the largest town in this section, close enough to them so as to enable them to visit here frequently.

"If possible we should secure the co-operation of the railroads entering Wichita Falls in giving reduced rates on those Trade Days. If people of this section s.e where they can make a trip here at a saving a number will be attracted here. They may not need everything particularly at the time they make the trips. Maybe they will just come to visit some of their friends, or go to a good show. To give the railroads some authourity for reducing the rates, it would perhaps be necessary for some sort of a program to be carried out, a barbecue or something of that nature. These details, I am sure can be worked out by the Chamber of Commerce or the Retail Merchants association.

"Any way to secure the good will of the people in this trade territory, to let them know they can profit by making their purchases here, whether it be trade trips, barbeques, fairs, or 'First Mondays,' I am strong for. We have the goods here and can make it worth their time to trade here. What we want to do is to show them"

FATAL PARTY BOHEMIAN IN ALL RESPECTS

Witness Declares Comedian and Sherman Received Guests in Bedroom Clothes Entertaining With Liquor.

"The Rest Were in Street Attire, Except Mrs. Del. mont," Semnacher Tells Court.

By Associated Press.

SAN FRANCISCO, Sept. 23.—Alfred Semnacher, reported to have told the grand jury in Los Angeles of admissions he said Roscoe (Fatty) Arbuckle had made, was called as the first witness today when Arbuckle's preliminary hearing in police court on a charge of the murder of Miss Virginia Rappe was resumed.

Arbuckle entered the court room with more apparent cheerfulness than yesterday, and kissed his wife and her mother, saying to the latter, "Hello, Mamma."

Aside from court attaches, attorneys and newspaper men, less than half a dozen men were in the room.

Semnacher, who was Miss Rappe's manager, attended the party in Arbuckle's suite at the Hotel St. Francis, from which ensued the death of Miss Rappe.

He began the story of his arrival in San Francisco with Miss Rappe and Mrs. Bombina Delmont from Los Angeles.

Called to St. Francis

While having breakfast in the Palace Hotel, he said, about noon, September 5, Miss Rappe was paged with a call to go to the St. Francis to which hotel he drove her and Mrs. Delmont.

Leaving them at the St. Francis, he said, he returned about 1:30 and called up Fred Fishbach on the house telephone. Fischbach invited him up to room 1220, he continued, where he found Arbuckle, Fischbach, Lowell Sherman, Ira Fortlouis, Miss Rappe, Mrs. Delmont, Miss Zeh Prevost, Alice Blake and Mrs. Mae Taube, and he thought one or two others.

Arbuckle and Sherman dressed in pajamas and bath robes and slippers, were eating at a table, Semnacher added. The rest were in street attire, except Mrs. Delmont, according to the witness.

All of the party except Mrs. Delmont, he said, were eating while some were drinking liquor, which he defined as orange juice, "that could have contained gin or anything else."

Semnacher testifed that he stayed perhaps an hour, having something to eat and coffee to drink.

Then he took Alice Blake out for rehearsal at a cafe, but learning the rehearsal had been postponed, they returned in about half an hour, he said, finding that a Miss Clark and

(Continued on Page Two.)

KABER SLAYER GETS SENTENCE OF LIFE IN JAIL

CLEVELAND, Sept. 23.—Salvatore Cala, confessed slayer of Daniel Kaber, was found guilty of first degree murder today and sentenced to life imprisonment.

Kaber's widow previously had been sentenced to life imprisonment for the same crime.

ASKED TO LOOK FOR MISSING MAN FROM ENID, OKLA.

By Associated Press.

WHARTON, Texas, Sept. 23.—Mayor Joe Burger of Wharton announced today he had been requested to institute a search for T. E. Foster, of Enid, Okla., who left his home August 23, for this city with the intention of investing in land here. The request came from the wife of the missing man and said Foster had considerable funds in his possession when last heard from. The wife said she feared foul play.

Mayor Burger, after canvassing real estate men, said he had found no trace of Foster. He said he understood Foster was the owner of a manufacturing plant in Springfield, Mo.

CORSICANANS HAVE NARROW ESCAPE AS TRAIN RUNS WILD

By Associated Press.

CORSICANA, Texas, Sept. 23.—Two hundred Corsicana citizens had narrow escape yesterday when the end coach of a Corsicana-Mexia special became uncoupled from the train at Mexia and ran wild about eight miles south toward Groesbeck. The speed of the heavily loaded coach decreased on an upgrade and the main part of the train finally was recoupled onto the runaway. A number of passengers suffered bruises in jumping from the car.

FIRE DESTROYS RESORT HOTELS

By Associated Press.

LOCKHART, Texas, Sept. 23.—Three buildings of the Burdette Wells Hotel company, situated at a health resort seven miles south of here, were destroyed by fire early today with an estimated loss of $25,000.

TRAGEDY ENDS TRIANGLE FOR GOTHAM COUPLE

By Associated Press.

NEW YORK, Sept. 23.—Shot and wounded three times by her former chum who then ended her own life with a bullet, Miss Mildred E. Hanan, daughter of the late Alfred P. Hanan, shoe manufacturer, tonight hovered between life and death in a Brooklyn hospital. With the outcome of the girl's injuries in doubt, police took up a back trail from the scene of the nocturnal tragedy into the world of "high life" blamed by Miss Hanan's assailant, Mrs. Grace Lawes, for the accumulated misery and heartache which impelled her to attempt her friend's life.

"The pace is too fast and the liquor has driven me crazy," she had written in a letter addressed to her mother.

Still another possible motive for the deed, that of jealous rage over the attention of a man who was with Miss Hanan when the shooting occurred, is being scrutinized by detectives who are trying to clear up many unexplained points

For more than three hours this man John S. Borland, importer and exporter, was questioned regarding details of the affair, as well as the circumstances of the acquaintance with the two women.

A further complication developed when San Francisco newspaper men reported they had located and questioned Mrs. M. E. Dittmar, to whom calling her, "Mother Darling," Mrs. Lawes had addressed a letter found among her effects.

First Denies Relationship

Mrs. Dittmar at first denied any relationship and then told her questioners she was a sister of the dead woman and volunteered the information that jealousy was not the motive of the killing.

That information was at variance with the salutation of the "Mother Darling" letter and the contents of another, addressed to Mrs. Birdie Williams, a former nurse in the Hanan household, of which Mrs. Lawes had also been a member for four years.

"Make it easy for my darling mother," Mrs. Lawes had written in the second letter, which began with a request that her body be sent home to California cremated.

The stories of the tragedy and the events preceding it told by the injured girl and Borland, a Dartmouth graduate, coincided closely. With Miss Dorothy Gottschalk, Miss Hanan told detectives, she and Borland had dined at her home in one of the most exclusive residential districts of Manhattan. At 11 o'clock last night she said and Borland drove Miss Gottschalk to her home in Schermerhorn street, Brooklyn, where they stayed until shortly after one o'clock.

Hears Three Shots

"We had just emerged from the vestibule when I saw Mrs. Lawes step from a rearway," Miss Hanan continued. "The next thing I heard three pistol shots. I dropped to the sidewalk and when I got up I saw blood running from my arm.

"I ran for a hundred feet and col-

SEEK TO STOP INTERFERENCE WITH MINING

West Virginia Corporation Seeks Injunction Against United Mine Workers' Officers and Members.

By Associated Press.

INDIANAPOLIS, Sept. 23.—Suit asking an injunction against the United Mine Workers of America, its officers and members was filed in the United States district court for Indiana here late today by the Borderland corporation of West Virginia to prevent the Union from interfering with the employes of the corporation in the Thacker and Williamson coal fields of Mingo county, West Virginia, and Pike county, Kentucky.

It is asserted that the mine workers' organization is an "unlawful combination and conspiracy acting in violation of the Sherman anti-trust law, the Clayton antitrust law in violation of sound public policy."

The plaintiff asks that the court enjoin the organization from "further continuing in anyway or manner whatsoever its activities ad policies against the plaintiff or from seeking further to obtain the objects of said policy."

The plaintiff avers that it brings the suit on behalf of itself and 62 coal mining companies and operators having their mining plants in the Thacker and Williamson district

The court is asked to adjudge as illegal and void contracts heretofore entered into between the operators of the central competitive field and the operators of other unionized districts and the United Mine Workers' organization which contracts, it is averred, provide for a closed shop and the payment of the "check off."

Read The Sunday Record News, a Modern Newspaper Printed For All the People.

It is Courageous, Clean, Progressive and Believes in Building at All Times. Its Ambition Is to Cover This Country Within a Radius of One Hundred and Fifty Miles of Wichita Falls and to Give the People of This Vast Territory an Ever Reliable and Ever Representative Champion of the Best Interests of All the People.

Read the story of the life of Queen Victoria of England and Empress of India, taken from the secret archives of Great Britain by one of the foremost biographers of Europe. It is thrilling, it is holding, it is worth while. There were two Victorias—the queen and the woman, and the life of the woman is given faithful portrayal by her biographer.

Read Robert Quillen's "Small Town Stuff." It is amusing, it is sarcastic, its quaint humor is biting as well as pleasing and Quillen's creations are ever of the best.

Read H. N. F.'s fourth story on "Senatorial Possibilities" with political sidelines concerning one of the ablest of the younger leaders of Texas democracy. H. N. F. contributes another story which is in part an interview with Col. Luke F. Wilson, who tells why the large ranch is doomed and predicts the coming partition of large holdings into small farms. And yet the Colonel says: "It is hell to convince some of the young men that the spurs should be discarded and the plow substituted as a maker of fortunes." These are features in addition to a page of editorial comment and the public's favorite department, "Mainly About People."

Read Nick Carter's sporting pages. All the events of the sporting world are handled by this pungent writer and all sporting news up to the hour of going to press is placed before Record News readers.

Read the auto pages, the doings of society, the boy scouts' department, the page devoted to the church world and woman's work. These are all crispy and up-to-date and well worth the time spent by the reader in keeping pace with the times.

BOOSTERS JOIN 10,000 OTHERS IN SEEING FAIR

Wichita Falls Visitors to Childress Overcome Numbers With Enthusiasm in Watching Stunts.

Rodeo Program Declared by Veteran Spectators to Be One of Best Shown in Texas.

BY A. B. GRIFFINS,
Record News Staff Correspondent.

CHILDRESS, Sept. 23.—Overcoming in enthusiasm whatever they may have lacked in numbers, the Wichita Falls booster delegation arrived here at 8 o'clock Friday morning to join the approximately 10,000 people who witnessed the third day of the annual Childress state fair. Not permitting their enthusiasm to lag, the Wichita Falls boosters spent the morning shaking hands with local business men repairing to the fair park at noon shortly before the program was to begin under the direction of Tom Jefferies, veteran plainsman and resident of Childress county for ry years.

On reaching the park, they visited every booth in which it was possible to throw at the dolls, visited the pens in which were kept the blooded cattle, hogs and horses, than which Mayor Mitchell declares no finer can be grown in the world. With the beginning of the program they were congregated in one end of the grand stand where they made more noise than the remainder of the audience combined.

Mingling hors races, boxing matches, trapeze stunts by the Allen sisters and comedy by Red Randolph of Amarillo, well known rodeo clown and bronco buster who facing the east, rides his steer towards the west, with bull dogging and horse and wild steer rining. Mr. Jeffries is staging what veteran rodeo attendants declare, is one of the most interesting programs they have seen.

Horse Race Interesting.

The horse racing drew the closest attention on Friday afternoon and several of which were won by a mere scratch brought wild cheers from the thousands who crammed the grand stands and lined the fence around the track.

An especial feature announced for the Saturday events will be the entry of Uncle Reese Barton, 92 years old, who first came to Childress county in

KEMP RESIGNS FROM BOARD OF THE C. I. A.

By Associated Press.

AUSTIN, Texas, Sept. 23.—The resignation of J. A. Kemp of Wichita Falls as a member of the board of regents of the College of Industrial Arts at Denton, was accepted by Governor Neff today. He has not as yet appointed Mr. Kemp's successor.

Mr. Kemp said that the condition of his health forced him to resign.

FIRE DESTROYS STAMFORD HOME

Special to the Record News.

STAMFORD, Texas, Sept. 23.—The second fire of the week occurred in Stamford last night. The residence of S. P. Hillion, north Webb street, being entirely consumed with its contents.

Effective work by the firemen saved a large two-story building adjoining the burning building and this narrowly averted the burning of an entire block of residences.

S. P. Hill had his residence and contents partially insured the loss being about four thousand dollars.

COX WILL ENTER PULITZER RACE WITH TEXAS PLANE

By Associated Press.

OMAHA, Sept. 23.—S. E. F. Cox, oil man and aviator, living at Houston, was in Omaha yesterday to file for entry in the Pulitzer trophy race which will be held here in conjunction with the International Aero Congress in November.

Cox will enter the "Texas Wildcat" a speedy plain designed by his wife.

He stopped in Omaha en route from Chicago, where he had been on a business mission.

FIND YOUTH GUILTY OF KILLING MOTHER

By Associated Press.

BOONEVILLE, Ind., Sept. 23.—William Deffendol, 17, was found guilty of the murder of his 70-year-old mother, by a jury this afternoon. The jury fixed his punishment at imprisonment for life in the state prison. The case went to the jury early this afternoon and the verdict was reported shortly before 4 o'clock.

The Weather

East Texas and West Texas: Saturday and Sunday, partly cloudy.

Clark, Mrs. Ernest Butcher, Mrs. J. A. McCord, Mrs. W. A. Panenke, Mrs. J. W. Mitchell, Mrs. Cherry, Miss Ona Slaton, Mrs. F. M. Phillips, Mrs. Ova Vernon, Mrs. S. W. Privitt, Mrs. Floyd Mashburn, Mrs. Bettye Moran, Mrs. S. B. Barnes, Mrs. W. D. Wright, Mrs. Wade McConnell, Mrs. Mary Knight, Mrs. M. A. Newberry, Mrs. I. S. Heath, Mrs. J. S. Stotts.

Flower Department.

Mrs. A. B. Ward, Superintendent.

Following blue ribbon winners were announced: Mrs. T. F. Collett, Reba Z. Haralson, Mrs. Thrasher, Mrs. L. T. Wilson, Mrs. Walker Green, Mrs. Robert Green, Mrs. U. S. Weddington, Mrs. A. D. Ward, Mrs. Gasway, Mrs. Terry and Mrs. Long.

Culinary Department.

Mrs. I. S. Heath, Superintendent.

Winners of blue ribbons in this department follow: Mrs. V. H. McMillen, Mrs. L. McMillon, Mrs. V. H. McMillon, Minnie McCow, Mrs. J. M. Stringer, Miss Abra Hankins, Mrs. Charles Badgett, Mrs. Glenn Privitt, Mrs. Tom Jones (2), Mrs. Carter (2), Mrs. Miller, Mrs. C. O. Moore, Mrs. R. M. Hunter, Mrs. Crisp, Mrs. W. H. Welchel (2), Mrs. S. A. Pittman (3), Mrs. Weddington, Mrs. Czweski, Nellie Fromm, Mr. Henry Given, Bertha Filge, Mrs. Ruth Gross, Mrs. W. W. Bradshaw.

MAINLY ABOUT PEOPLE

(Continued From Page One.)

highest class. Agricultural displays are elaborate and bears out the statement of Panhandle people that anything that will grow in Texas will grow on the Plains. Another Fair, a striking success, was the Hedley Community Fair, which started Tuesday and ended Thursday. There were large exhibits as well as large crowds. Some of the best hogs in the country were shown and ground was broken for the laying of a hard surfaced road on the Colorado Gulf Highway. Crop conditions are exceptionally good in this section of the state and correspondents say the only trouble is that everybody is wondering what to do with such an extensive yield. Potter county agricultural display to be shown at the State Fair of Texas at Dallas next month is now being arranged by County Agent Harmon Benton and will be ready for shipment to Dallas by October 4, he said Thursday morning. Included in the exhibit will be all the agricultural products raised in Potter county, the most prominent of which will be small grains, fruits and vegetables.

Congratulations to Editor Tom W. Perkins and his comakers of the McKinney Daily Courier Gazette on the current number of that stalwart and flourishing newspaper. It contains 48 pages in six sections and would be a credit to a city of 150,000 inhabitants. Announcement is made that in the entire history of the Daily Courier Gazette there has never been a number issued that contained so many well written and attractive advertisements. More han 100 special advertisements appear in the McKinney feature number in addition to the regular line of local and foreign advertising. Tom W. Perkins and Walter B. Wilson should feel proud of themselves, their newspaper, their city and their county. They are proud of their style shows, their clubs, their paved streets, their pike roads, street railways, interurbans, fraternal orders, parks, schools and churches and now they are predicting that McKinney will be a city of 25,000 people in a few years and Collin the most prosperous of black land counties. They are the publishers of the Weekly Democrat Gazette as well as of the Daily Courier Gazette and their newspapers are progressive, abely edited and ever on the firing line of development. There is no more to be said; no more could be said.

Mrs. Cornelia Adair, owner of the famous "JA" ranch and pioneer woman rancher of West Texas, who died early Thursday morning in London, had attained an advance age. Her nephew, United States Senator James W. Wadsworth of New York, was manager of the "JA" outfit for a number of years. Mrs. Adair, who was born in Ireland, nevertheless had taken out citizenship papers in the United States and she divided her time between England and the Panhandle ranch. In 1877 Colonel Charles Goodnight of Texas met John Adair of Ireland in Denver and sold him two-thirds interest in his Texas ranch, which then comprised approximately 1,000,000 acres. Mr. Adair, accompanied by his wife, moved to Texas. Mrs. Adair went with her husband on most of his trips, and was very much interested in the cattle business. She was the daughter of Major General James S. Wadsworth of Geneseo, N. Y. Mr. Adair died in St. Louis in 1885, and Mrs. Adair took control of the ranch. In 1887 the Adair-Goodnight partnership was dissolved, and Mrs. Adair became owner of two-thirds of the famous ranch. Richard Walsh, who recently died in South Africa, managed the ranch for Mrs. Adair for eighteen years. During this time he raised one of the finest herds of cattle in the United States. The ranch now contains approximately 500,000 acres and 25,000 head of cattle. It is said that Mrs. Adair was visiting relatives in England at the time of her death. Of late years she has not spent much of her time on the Texas ranch. The ranch is said to be one of the largest in the world, and the ranch house has entertained as guests many English noblemen and American statesmen.

TRAGEDY ENDS TRIANGLE FOR GOTHAM COUPLE

(Continued from page one.)

lapsed. I then heard another shot fired."

It was this last shot that ended the life of Mrs. Lawes.

One other person witnessed the tragedy. A neighbor of Miss Gottschalk's said she was at her window and saw Mrs. Lawes sit down on a nearby stoop, take a cup from her handbag, drink something from it and then dash the vessel to the gutter. Searchers later found fragments of the China and in the dead woman's bag a phial labelled with the name of a drug.

Borland, while admitting that he and Mrs. Lawes had quarreled over Miss Hanan, emphatically denied any feeling concerning himself had led to the shooting. He said the motive was "positively not jealousy." Expressing the belief that she was temporarily deranged mentally.

Related by Marriage

Mrs. Lawes was related to Miss Hanan by marriage and lived with the Hanan family until two weeks ago when she moved to an apartment at the Vanderbilt hotel. She was divorced several years ago, from her husband, Edgar E. Schuitt, and resumed her maiden name of Lawes.

RECOMMEND ADOPTION OF PEACE TREATY

(Continued from page one.)

the treaty of Versailles ratification fight, alone of the foreign relations committee members stood out against the recommendation that three treaties be ratified with the proposed reservations. Democratic committee members joined with the other Republicans in ordering the pacts reported favorably to the senate where they were presented late today by Senator Lodge of Massachusetts, Republican leader and committe chairman.

The treaties Senator Lodge announced are to be called before the senate tomorrow when he plans to make a preferential motion for their discussion ahead of all other business. It is proposed, however to the right of way next week to the tax bill and to have night sessions, beginning probably next Tuesday in an effort to hasten ratification.

ECZEMA AND TETTER DUE TO IMPURITIES IN THE BLOOD

To Get Absolute Relief You Must Clear Your Blood of Waste Products.

The blood is the means by which all the tissues of the body are directly or indirectly nourished. You will at once realize that unless the blood is pure, some part of the body will become diseased.

Fiery skin diseases denote with unfailing certainty a weakened and impure state of the blood.

To correct the basic trouble—waste products—the blood must be purified. Don't clog your blood. Just clean it out. Nature will do the rest. Pure, rich, red blood nourishes the body and fights off disease.

S. S. S., the standard blood purifier and system builder, is the ideal remedy for skin eruptions. The effect of S. S. S. is to rid the system of the waste products which are causing the trouble. For over 50 years S. S. S. has proven to be of unusual merit. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address Chief Medical Director, Swift Specific Co., 742 S. S. Laboratory, Atlanta, Ga. All drug stores sell S. S. S.

URGE EARLY SETTLEMENT OF MANDATES

By Associated Press.

GENEVA, Switzerland, Sept. 23.—Debate on the resolution urging the council of the League of Nations to work for an early settlement as to the terms of the mandates for former German colonies between the mandatory powers and the United States was opened in the league assembly today by Madame Bugge-Wicksell, of Sweden. She expressed satisfaction with the offers of France, Great Britain, and Belgium to allow the commission on mandates to examine into the administration of the territories in their charge, and urged the passage of the resolution.

Lord Robert Cecil, representing South Africa, expressed regret that the proposed class B mandates were not more explicit on the prohibition of slavery. He said, however, the commission had obtained the consent of the mandatories to open their administrations to investigation.

Leon Bourgeois of France predicted that the mandates would be agreed upon very soon and adopted after the reaching of an accord between the United States and the mandatory powers.

Speaking for the colored race, Delegate Bellegarde of Haiti said the mandates ought to be administered so as to make the populations collaborators with the administrators and in such a way that the population would receive the benefits of the exploitation of the mandated territories.

The colored orator held the closest attention of the assembly particularly when he touched upon the racial question saying: "The time is approaching when the League of Nations must put an end to class and racial distinctions."

Mlle. Averse of Rumania made the first official report presented by a woman to the assembly. It had to do with the suppression o. the white slave traffic.

DR. ROYAL DYR WILL PREACH AT CHRISTIAN CHURCH SUNDAY

Dr. Royal J. Dye, noted missionary, who spent over twenty years in Africa will occupy the pulpit of the First Christian church Sunday according to an announcement made Friday by J. Lem Keevil, pastor of the church.

Dr. Dye has had wide experience as a missionary and preacher and his address here will be largely attended. He will be accompanied by S. W. Hutton and Mrs. McMasters.

WOMEN WHO CANNOT WORK

Read Mrs. Corley's Letter and Benefit by Her Experience

Edmund, S. C.—"I was run down with nervousness and female trouble and suffered every month. I was not able to do any work and tried a lot of medicines but got no relief. I saw your medicine advertised in a little book, and I had not taken two bottles of Lydia E. Pinkham's Vegetable Compound before I could see it was helping me. I am keeping house now and am able to do all of my work. I cannot say enough for your medicine. It has done more for me than any doctor. You may print this letter if you wish."—ELIZABETH C. CORLEY, care of A. P. Corley, Edmund, S. C.

Ability to stand the strain of work is the privilege of the strong and healthy, but how our hearts ache for the weak and sickly women struggling with their daily rounds of household duties, with backaches, headaches, nervousness and almost every movement brings a new pain. Why will not the mass of letters from women all over this country, which we have been publishing, convince such women that Lydia E. Pinkham's Vegetable Compound will help them just as surely as it did Mrs. Corley?

EIGHTH STREET

WISEMAN SAYS HE'S AS SOUND AS A DOLLAR

"Since I got rid of dyspepsia I feel like a brand new man," said Penton E. Wiseman, 1618 Sawyer St., Houston, Texas.

"I suffered terrible from stomach trouble and complications and never found a thing to help me until I ran across Tanlac. I had a dull headache nearly all the time, too, my back hurt me and my kidneys bothered me constantly. I got little sleep at night and in the mornings felt so tired and worn out that sometimse I couldn't stand on my feet and had to lose a lot of time from work.

"Tanlac got in behind my troubles in a hurry. In a short time I was eating anything I wanted and never having the slightest discomfort afterwards. My headaches and backaches are all gone and my kidneys don't bother me any more. I have even stopped the use of laxatives. The fact is I'm as sound as a dollar, full of life and energy and able to work better than I have in a long time."

Tanlac is sold in Wichita Falls by Miller Drug Store; in Electra by Tarlton Drug Store; in Burkburnett by West End Drug Store; and by all leading druggists.—Adv.

Getting Started

In school will be lots easier for the children if you will send them to us with their full list of requirements. We have a complete line of school supplies with new goods arriving daily. It is a pleasure to help the youngsters pick out the things they need to do their best work.

See us for book satchels, book straps, paints, paint pans, drawing tablets, paint brushes, erasers, note book covers and paper, tablets, inks, pens, pencils, waxed paper, napkins, fruits, candies, etc.

We have rules, pencil boxes, tablets, crayolas, manual oils, crayons, black boards and crayons, paste, glue, muscilage, slate pencils, etc. All of the best in school supplies and priced to save you money.

TIMELY VIEWS NOT IN THE NEWS

CONFISCATION FEAR GROUNDLESS, SAYS PRESIDENT OBREGON.

DEVELOPMENTS which have taken place in Mexico in the last few months are looked upon in financial and banking quarters as both helpful and constructive. Reports coming to hand are regarded as agreeing that the pacification of the country is complete and that agricultural, industrial and commercial occupations are being pursued with renewed vigor and in perfect safety.

President Obregon, in an authorized interview with Harold C. Bodman, published in the current issue of System, says:

"In Mexico's commercial development, Mexico looks to the United States more than to any other country." He adds: "Not a country in the world offers so many opportunities for business enterprise as Mexico. And no other country has such a surplus of money for investment as the United States. There is no excuse for the two countries not to meet on common ground. If they fail to do so, the fault will not lie with Mexico."

GEN. OBREGON

In connection with the confiscation of American property, President Obregon is quoted as saying:

"Under this administration, no land, no office building, no property of any sort whatsoever has been confiscated. During the years of revolution, yes, property was confiscated, as it has been all over the world in warring nations. But in Mexico, since the disturbance of the revolution, all property has been turned back to the owners.

"I believe that Mexico today offers absolute security for business investment and enterprise. The country is at peace; a stable government has been established; every effort will be made to give guarantees to all business men who come here with the object of making investments, and every facility will be granted them for the development of their projects."

Commenting on the relations between the United States and Mexico, President Obregon said:

"It is greatly to be regretted that there has been so much unfortunate misunderstanding between the peoples of the United States and Mexico. This has been due in part to the revolutionary entanglements which have affected Mexico for ten years, and in part it has been due to propaganda that has been directed against us, with the main intent of preventing the establishment of cordial relations upon the basis of mutual respect and estimation.

"There are two conflicting elements that should be considered with these controversies. On the one hand, are the partial and selfish interests of a group. On the other hand, are the national interests of the United States. Oftentimes the two are confused in the minds of the Mexican people.

"The special interests are the enemies of Mexico, but in their desire to keep everything to themselves they frighten away other investors, and through their worldwide propaganda have deprived Mexico, of its good name and friendly relations with the world, in order to take the time necessary to monopolize her riches."

RECOVER 500 BODIES FROM PLANT RUINS

By Associated Press.

MAYENCE, Germany, Sept. 23.—More than 500 bodies have been recovered from the vast ruins of the Badische plant at Oppau and it is considered certain that three hundred persons are still missing.

Two thousand injured, four hundred of them seriously, are scattered in temporary hospitals for miles around the scene of Wednesday's explosion. There is a military cordon around Oppau keeping out the curious and restraining relatives from carrying out their desire to search the wreckage for the bodies of their missing.

The 150 acre plant site and a vast area around it present a picture not unlike that of a shell torn battlefield. Earth is mixed with pulverized concrete and bits of metal from hundreds of shattered machines. Some bodies have been recovered at a depth of 20 feet.

Engineers add little to the explanations already made of the disaster. There is said to have been 4,000 tons of salt in two reservoirs, one of them causing the other to explode and that six great gas tanks and other chemicals detonated from the concussion. The chief engineer of the Badische company is quoted as declaring himself mystified as it was believed the salts could not explode.

TEXAN HELD ON ASSAULT CHARGE IN CALIFORNIA

LONG BEACH, Calif., Sept. 23.—Albert D. Pickard of Moonshine Hill, Texas, was bound over to the superior court today on charges of assault with intent to commit murder and extortion.

According to the complaint of Ira M. Bradley of Fort Worth, Texas, Pickard went to his office, and, following threats, demanded $20,000. Later Bradley took Pickard to a bank and Pickard was arrested after taking $20,000 in marked currency from Bradley.

RESUME ARGUMENT IN TRIBUNE SUIT

COUNSEL FOR CITY PRESENT PLEA THAT LITIGATION BE PERMITTED

By Associated Press.

CHICAGO, Sept. 23.—Disclaiming any intention to attempt suppression of the Chicago Tribune and declaring that the city administration of Chicago had stood for free speech when it was dangerous to do so, Chester E. Cleveland, special counsel for the city, today began his answer to arguments by which counsel for the Chicago Tribune sought to have thrown out of court the city's $10,000,000 libel suit against that paper.

Earlier in the day Weymouth Kirkland, of counsel for the Tribune, had ended an eight hour argument in which he asserted that a city had no right to sue for libel and that to grant such right would jeoparize liberty of expression and be against public policy.

Mr. Cleveland asserted opposing counsel had interjected much masterial that did not properly belong in an argument on a demurrer. He said that the only question before the court was whether the city was entitled to recover any damage sand that it would be the province of the trial judge and jury to determine whether the full $10,000,000 should be assessed or only part of it.

He refused to answer what he termed the political portions of Mr. Kirkland's address but said he considered that the latter had been unduly enthusiastic when he inferred that some of the candidates for judgeships at the last local election would have proved venal had they been elected.

"This suit," said Mr. Cleveland, is not by nor on behalf of any political organization btu is by the city of Chicago and its three million citizens. They are not asking the suppression of any publication of truth, fair comment or criticism. But they maintain that this defendant newspaper should not have the right deliberately, falsely and maliciously to tell lies.

"It is not necessary to the prosecution of government that newspapers should tell lies about the government. In fact, Mr. Kirkland said the people are entitled to know the truth about their government but there is nothing more against public welfare than perversion of that truth.

"Millions Now Living Will Never Die!"

You may be one of them. Go! Hear the proof of these most marvelous tidings. Testimony upon testimony, evidence upon evidence, Biblical, historical, scientific—appealing to your reason as well as to your heart—will be presented without cost in the lecture by

Sunday Afternoon, Sept. 25, 3 P. M.

NO COLLECTION—SEATS FREE

This lecture has comforted multitudes bereaved by the world war, epidemics and attending sorrows. So great has been the demand that it has been amplified and published in book form, including 500 Scriptural proof tests. Those unable to hear the lecture may have a copy by sending 25 cents to I. B. S. A., 503 Lee St., Wichita Falls, Texas.

FATAL PARTY BOHEMIAN IN ALL RESPECTS

(Continued from page one.)

a Miss Campbell had joined the party.

Isadore Golden, the assistant district attorney asked:

Never Forget Testimony

"Do you remember the testimony you gave before the coroner's jury?"

"I'll never forget it," replied Semnacher.

Golden then read the inquest testimony of Semnacher that "all were having drinks."

The witness asserted first the short hand reporter must have been wrong because all were eating as a matter of fact, but he added later that he himself might have been mistaken.

Semnacher explained his omission of Mrs. Taube's name at the inquest as due to the fact that he did not know her name until later when he saw a newspaper picture of Arbuckle leaning out of a Hotel St. Francis window in company with Mrs. Taube and others.

Liquor in Bottles

"The liquor on the table at the party came out of bottles," Semnacher testified regarding the appearance of the room on his return. Some of the labels said whiskey, others gin and mineral water, and some unlabelled contained orange juice."

"The people were walking around the room and Miss Blake and Miss Prevost danced together, and, I believe, Arbuckle and Sherman danced with the ladies," he added. Pressed further he said his memory about Arbuckle was "vague."

Before Semnacher's second departure half an hour later, Fischbach also left the room, Semnacher said.

Semnacher said he went out with Ira Fortlous, returning about 4 o'clock, finding the party still drinking, dancing and enjoying phonograph music. Arbuckle was present, according to Semnacher, but he was not sure about Mrs. Delmont and Miss Rappe.

He paid no attention to further movements in the room and left soon after to buy cigarettes.

Women Entered Room.

He came back again in about an hour. The party was still in progress, the witness continued, but about ten minutes later two of the women went into room 1219 (where Miss Rappe later was found.

"My best recollection is that on my return the door to room 1210 was shut," he testified.

"The door closed behind the two women and from two to ten minutes elapsed without a sound.

"Arbuckle was in room 1220," Semnacher declared. "My recollection is that the women came out from room 1219 in excitement," Semnacher continued. "They said we should all come in, as Miss Rappe was ill," he said. All rushed in, Semnacher said, finding Miss Rappe on a bed. "I saw Miss Rappe lying on the bed moaning in a voice between loud and soft," he testified.

"It was a moan of pain, but not a shriek and she tossed from side to side with her hands clasped to her abdomen."

Remain With Miss Rappe.

All the men went back into room 1220, Miss Blake, Mrs. Belmont, Miss Prevost and one other woman remaining, Semnacher said.

Miss Rappe was unclothed, her garments being scattered around the floor and the furniture, he added.

"I am dying, I am dying," Miss Rappe exclaimed, according to the witness. "Arbuckle requested someone to get a physician," Semnacher asserted, "the ladies offered various suggestions for relieving Miss Rappe. Some one proposed giving her ice."

"Someone called a physician and I heard some one call Assistant Manager Boyle of the hotel on the telephone to get a room for her.

"After we returned to room 1220 we could see through the door the girls putting Miss Rappe into the bath tub. I believe they were Miss Blake, Miss Prevost and Mrs. Belmont."

Before being removed to room 1227 Miss Rappe became sick at her stomach when given a glass of water, the witness went on. Arbuckle was still in his pajamas, he said. He told of gathering up her garments, some of which were in a waste basket, torn.

"Mr. Boyle assigned a room for her and I saw someone carry her out."

"Was it a man, woman or child?" persisted Golden and even Arbuckle smiled faintly.

Semnacher recollected that it must have been a man or a woman.

The garments he left in room 1227, where Miss Rappe and Mrs. Belmont were, Semnacher testified, and then joined the rest of the party in room 1220.

Subsequent, he said, he had his baggage brought to the St. Francis and the entire party, including Arbuckle, had supper in the comedian's rooms.

From time to time, he explained, he visited Miss Rappe. Arbuckle went down stairs in evening clothes after supper, according to Semnacher's testimony.

A. & M. COLLEGE OPENS WITH 1460 IN ATTENDANCE

By Associated Press.

COLLEGE STATION, Sept. 23.—The largest student body ever assembled for the opening exercises of A. and M. college faced President W. B. Bizzell when he delivered his annual opening address today. A total of 1,460 students were present.

PUBLIC CONSIDERED IN LABOR AWARD.

Judge Kenesaw Mountain Landis has handed down his wage award. It is a momentous document for the construction industry to ponder over, for it is not a mere award in the sense that scales of wages are set. On June 14, taking up his office as arbiter to settle the deadlock which had existed since May 1, Judge Landis heard the presentation of argument from the employers and the employes. At that time many statistics were recited showing the cost of living trend and showing how building was stifled by high wage scales out of proportion to general levels of wages and prices. When the several coteries of men left the courtroom on that day they expected to hear at any time the announcement of a wage award. But instead of merely fixing a new scale for the several trades the arbiter looked to the trade agreements which regulate and rule all relations between the employer and the employe. Looking convinced him that fixing wage scales was but a superficial pain allayer for what ailments the building industry suffered and in no wise would remove the cause of disease. Reliable testimony showed that a 20 per cent reduction in wages, other things remaining the same, would produce but a 6 or 7 per cent reduction in building cost.

The contractor says Judge Landis, deserves highest tribute not only from the building industry and the general public or thtcago, but from the building industry and the public of the nation for not pursuing the super-official course. One by one he took up the agreements existing between the 47 building trades and the employers' associations and called in the interested parties.

Always with the thought of equity to the two direct parties and equity to the unrepresented party, the public, be sifted from these agreements such clauses as savored of monopoly fixing, which tended to restrict and hedge as against the true interests of all parties, and classes which would necessarily lead to bickering and interruption of work. It took courage and hard effort to take the objectionable from 47 agreements and convince both parties that new agreements should be substituted. But with few exceptions the trade and the employers rewrote their agreements in line with the arbiter's idea of what an untrammeling agreement should stand for. All of such agreements were made to conform to the "uniform agreement" applicable tto all trades.

The wage award itself is fixed on a differential basis following an intense study of the skill required, hazards of the trade, term of apprenticeship, steadiness of employment and length of season, practices which produce or permit waste, rules in trade which serve to curtail work, rules in trade which require skilled men to do work unskilled men might do and other peculiarities of the several trades. Recognition of these underlying conditions makes the award rest on a scientific base as regards distribution. Part of the award follows:

"This is an arbitration of wage differences between employers and employes in building construction. The agreement was entered into between the Building Construction Employers' Association, the Associated Builders, and the Chicago Building Trades Council after several weeks of idleness in the industry, and authorized the undersigned, as umpire, to fix the wages to be paid in the several trades represeated, the award to become effective when made and remain in force until May 31, 1922.

"It was also agreed that on or before February 1, 1920, the umpire shall determine the rates to control from May 31, 1922 for the period of one year. Further, there was a provision that the principles and conditions of all trade agreements shall be made as nearly uniform as possible, and the parties stipulated that, should any trade arbitration board be unable to agree ing conditions, working rules, etc., such dispute upon any provisions of their agreement involv- should be submitted to the umpire for his final decision.

"This latter provision was most important for it put it in the hands of either the employer or the emplove to free any trade from all detrimental working rules and conditions by the simple process of withholding assent to such provisions.

"It is the violation of no confidence to say that building construction had gotten into bad repute in this community. There was a general disposition to keep away from it as a thing diseased. Capital avoided it as a thing diseased. Capital avoided it. The wise dollar preferred most any other form of activity, or no activity.

"And this applied to the whole range of building construction from the cottage to the skyscraper. This attitude of the public added to the profound commercial and industrial depression generally existent, resulted in a virtual famine in housing accommodations and brought about the idleness of many thousands of men willing to work.

"It was in view of these conditions that the umpire conceived it to be his duty to aid those parties to rehabilitate the industry in the esteem of the public, the great unrepresented party to this arbitration, but nevertheless the one upon whom the consequences of the award would fall.

"This loss of the public faith was not due entirely to the wage question. The men making of a wage award would not have placed the industry on solid ground. Reliable testimony showed a 20 per cent reduction in wages, other conditions remaining the same, would produce but a 6 or 7 per cent reduction in building cost.

"The real malady lurked in a maze of conditions artifically created to give the parties a monopoly and in rules designed to produce waste for the mere sake of waste, all combining to bring about an insufferable situation, not the least jurisdictional dispute between trades members of the same parent organization.

MOVING AGAINST THE RAT.

The Biological Survey of the United States Department of Agriculture is starting a big campaign against rats throughout the eastern United States. Much already has been accomplished in the matter of control in the western and middle western states, where effective co-operation was secured. On the other hand, residents of the eastern and southern states, as a rule, have been exposed to widespread ravages and attacks from rodents for such long periods that they have become so accustomed to the nusance as to accept them as a matter of course. The department is doing its utmost to awaken these sections to the need for eradicating rats.

To illustrate the enormous damage which rats annually accomplish in grain and corn fields, the experience of the State Penitentiary Farm covering 2,500 acres, at Baton Rouge, La., is of interest. Last year a 200-acre field of corn was planted on this farm. The rats worked their way through the field, stealing all the seed before the kernels could germinate. The field was planted a second time, and again the rats overran the prospective corn field, leaving in their wake paths of destruction. Undeterred, the farm manager planted the field of corn a third time, and ultimately secured a poor stand, which resulted in the production of about one-third of a normal corn crop.

This year, just before planting, a drive on the rats was organized, following methods recommended by the Biological Survey. Convict labor was used in distributing poisoned bait over the entire 2,500-acre tract, and as a consequence the place was practically freed of rats.

As a direct result of this rat eradiction drive the farm this year obtained from a single planting an excellent stand of corn that bears indications of an early harvest of a good crop.

"Can the world compete," asked R. H. Hecht in the Journal of the American Bankers Association, writing of Germany and the future. Of course he says the question of whether the rest of the world can successfully compete ith Germany depends not only on technical efficiency, but also on the standard of living of her working people and the size of the wages which they receive. Before the war, a German workman receiving eight marks a day was very well paid. A skilled mechanic now receives about eight marks an hour, or sixty-four marks a day, which is just about the purchasing power of the depreciated mark at home. Sixty-four marks based on the pre-war exchange would be about $15. But figure this so-called "living wage" into dollars at the present rate of exchange and you will find at the equivalent of this day's wages is just about 82 cents. The same class of workman in the United States receive about $8 a day, or nearly ten times as much. "Could there be a more convincing example of how much the position of the foreign exchanges means to us in our export trade?" inquires the writer.

Notice has just been received by the Texas Chamber of Commerce of permission granted by the Interestate Commerce Commission to intervene in the case filed by the Wichita Motors Company versus various railroads relative to export rates on freight motor vehicles, chassis, freight bodies, etc., from Wichita Falls to Gulf Ports for export to various foreign countries. The intervention of the Texas Chamber of Commerce is on behalf of the Wichita Motors Company, and it is hoped that as a result of this case, rates from Wichita Falls on these commodities will be established which will enable them to compete on an equal basis with manufacturers located in North Central States.

A Stephen county jury gave a mankiller fifty years in the penitentiary and the penitentiary is the place where mankillers and highjackers belong. No sympathy should be extended or mercy shown coldblooded criminals. They should be put away and kept away.

THE ROADS.

(From the Open Road.)

At the time the cool of evening drove away the heat
I came to the place where four roads meet;
I looked to the eastward, I looked to the west,
I pored and wondered which road was best.

A long road led up the hill, with power at the top—
Who undertakes to climb it must never wish to stop!
A pleasant road led down the hill and through the deep grass—
It is easy to loiter when that way you pass!

A fair road led seaward—oh, ships call the heart!
But you leave love at home when by that road you start!
Men upon a thousand roads were going to a town—
They looked behind them sadly when the sun went down.

Oh, some passed that way, and some passed this,
And for each thing they gained there was something to miss.
A strange mood was on me and I longed to turn and go.
But which road was the road for me I did not know.

Split-Second Editorials
By ROBERT QUILLEN

High rates drive freight traffic to the highway.

Positive, fleet; comparative, bigger fleet; superlative, taxes.

Great thoughts doubtless have their use, but plain old common sense rules the world.

The only thing in America as insanitary as middle Europe is a small-town barber shop.

At times the business of elevating humanity seems to require a lot of low down methods.

If only they would change the air in movie theatres as often as they change the program.

The word bier suggests sorrow and loss. So, for the matter, does the word beer.

Civilizing the world: The process of carrying the white man's cases to outlying portions.

Deflation has its compensation. We don't have to worry about what to do with our clothes.

There are two classes of people: Those who fake their tax returns and those who have nothing to tax.

In time of war, the nations trust in God; now if only, in time of peace, they will trust one another.

The way America is taking its dose of deflation may lead outsiders to suspect that we put the yell in yellow.

The chief fault of our immigration policy is that it makes no effort to distinguish between common stock and preferred stock.

The Filipino isn't ready for self-government. Why, the poor nut doesn't know the first principle of applying tar and feathers.

Diplomacy is the art of persuading the wife that she appeared unusually charming in the coat suit she bought last fall.

It was, you will remember, a "melting pot" policy that changed Greek fair headed philosophers to black-headed bootblacks.

The difference between an Irishman and an American is that the Irishman thinks he isn't free and the American thinks he is.

It may be possible to establish Utopia, but America's history demonstrates that a multiplicity of laws won't turn the trick.

A financier remarks that getting up in the world requires great will power. So, for that matter, does getting up in the morning.

It is charged that America keeps Europe down and out. We may permit her to stay down, but not keeping her out successfully.

A New York preacher says it is all right to call a man a damned fool if he is one. This new theology is very confusing to the lay mind.

(All rights reserved.)

Missouri grand lodge of Masonary unanimously passed a resolution prohibiting any member of that organization in the state from joining the Ku Klux Klan. There are said to be 5,000,000 idle men in America. When all these men are given employment this period of unrest will be over. An idle man must do somtehing to keep his mind working.

Representative C. E. Dinkle of Hunt county favors five years closed season on doves and quail. He says the only opposition he expects will be from the gun and ammunition houses. Representative Dinkle is a farmer. His argument is that the birds destroy insect pests and that the farmers should protect the birds.

Governor Henry J. Allen of Kansas has a new slogan: "Kick the radical, slacker out of labor. Break down the philosophy that a workman is entitled to do as little as he can for the most he can get. Put the labor boss to work. Make the profiteer let go." A workman who will not return honest effort for an honest wage should go without employment. All men should be workers, intelligent and earnest workers.

Postmaster General Will H. Hays is responsible for the following: "This much is certain. The mails are sacred and robbery has got to stop, even if we must go back to the frontier express days to do it, as was the case near Fort Worth." There is a way to do it. Arm the railway mail service men with sawed off shot guns, arm the guards with saw off shot guns and give them orders to shoot on sight.

By WALT MASON

THE QUIET LIFE.

When village clocks are striking nine, I to my room repair, and on my downy couch recline, and throw some nightmares there. And people say, "You miss so much, who sleep the hours away! You should wake up and keep in touch with night life, which is gay! Then all the live wires are on deck, and bands play jazzy tunes, and you should through the village trek, and blow in some doubloons." The lights are glaring, white and red, throughout the noisy night, but I have parked myself in bed and there I'm sleeping tight. And in the morning when I read the night-life tales of crime, I say, "A man must sleep, indeed, to have a high class time. Bill Jimpson had his pockets picked while looking at a game, and Jasper Jinks was badly licked for smiling at a dame. I see that Boggs, whose car's a treat, it has such wondrous power, was pinched while coming down the street at forty miles an hour. And Mike was knifed and Pete was shot by gangsters, it is said; why should a man through dangers trot when he can sleep in bed. By night all perils dire are loosed, and evil runs amuck; sane is the wight who goes to roost when curfew's hour has struck."—Copyright by George Matthew Adams.

Johnny Buff Wins World's Bantam Crown

JERSEY FLYWEIGHT'S SLASHING ATTACK TOO MUCH FOR HERMAN

NEW YORK, Sept. 23.—Johnny Buff of Jersey City, American flyweight champion, won the world's bantamweight title tonight when he received the judge's decision over Pete Herman of New Orleans at the end of their 15-round bout. Buff weighed 113½ pounds and Herman weighed 117 3-4 pounds.

Buff brought the crowd to its feet time and again by his lightning work and aggressiveness. He had the better of ten rounds, four were Herman's and one was even.

The New Orleans boy appeared unable to use his right effectively and while Buff missed oftener, his blows were clean and hard and worried Herman.

Herman showed best in the fourth round when on the offensive he clipped Buff with a right to the jaw upsetting him. Buff was up immediately, however.

Herman, who won the bantamweight championship from Kid Williams of Baltimore in a 20-round fight at New Orleans in 1917, lost it on a decision last December in a 15-round contest won it back again when he received with Joe Lynch of New York, but the judge's decision over Lynch in a 15-round bout in Brooklyn a few weeks ago.

—Pick up Fight by Rounds .....

Round One

They met in the center of the ring and exchanged light body blows. Herman landed two light rights to the body. Buff missed a right for the head but connected with a light left. Buff landed a right in Herman's stomach at the bell.

Round Two

They sparred for an opening and Buff sent a left to the body. They fought lightly in a clinch. Buff caught Herman on the jaw with a left and came back with a right to the head. Buff missed a left to the body. Herman's left eye was bleeding. Herman missed an uppercut and they were sparring at the bell.

Round Three

Herman was short with a right hook. Buff sent hard right to the stomach. Herman landed several rights to the stomach. Buff landed left and right to head, and Herman countered with right to jaw. Buff had the better of the infighting at the bell.

Round Four

They exchanged hard rights and lefts to the body. Herman landed two hard rights to the jaw, then peppered Buff's body with rights and lefts. He floored Buff with a right to the jaw but the New Jersey boy was soon on his feet. Buff crashed two lefts to Herman's jaw.

Round Five

They exchanged light body blows and clinched. Herman slammed right to the jaw and followed with rights and lefts to stomach. Herman's right then found Johnny's jaw twice and they exchanged left hooks. Herman sent a right to the body.

Round Six

Herman started with a right to the body and Buff sent a right to the jaw in return. Buff landed right to chin and followed with hard right to body. At close quarters they exchanged rights and lefts to jaw.

Round Seven

Herman used a left jab effectively. Buff sent a straight right to Herman's jaw and they clinched. Both missed rights for the head. Herman staggered Buff with a right hook and they fought furiously at close quarters at the bell.

Round Eight

Herman crashed a right to Buff's jaw and Johnny returned the compliment. Buff found Herman's jaw with a short right. Herman caught Buff with right hook and Buff was short with left uppercut. They fought at close quarters, Herman landing hard rights.

Round Nine

They exchanged rights to the stomach. Buff sent a left to the jaw followed by hard rights to the body. Herman landed a right to the jaw and Buff countered with a right to the head. Both landed hard lefts to the jaw at the bell.

Round Ten

They staggered each other with rights and lefts to the head. Herman missed right to jaw and Buff landed left to the body. Buff missed two rights and Herman a left for the head.

Round Eleven

Buff staggered the champion with a right to the jaw, following with uppercuts. Herman landed right to body. Buff missed right for the head. Herman hooked Buff with left, followed with hard rights to the jaw and staggered Buff with rights and lefts at the bell.

Round Twelve

Herman took the offensive and caught Buff with left to jaw. Herman sent hard rights to body. They exchanged hard body blows. Herman missed right to jaw. They exchanged lefts to jaw. Buff landed hard left to the jaw and took one in return.

Round Thirteen

Buff sent hard left to chin and received one in return. Buff's left found Herman's jaw and Herman landed two right to body. Buff shot a left to the jaw and Herman countered with a right to body. Buff staggered Herman with left hooks to jaw at the bell.

Round Fourteen

Herman could not evade Buff's left hooks. Herman sent light lefts to chin and both landed rights to the jaw. Herman landed right to jaw and caught left hook on the chin.

Round Fifteen

Herman sent left to Buff's jaw and took a right to the head. They exchanged rights and lefts to the body. Buff hooked Herman with right. Buff sent rights and lefts to head. Herman fought like a tiger at the bell.

KNICKERBOCKER WILL PREACH AT VARSITY OPENING

"Next Sunday," said Rev. H. D. Knickerbocker, pastor of the First Methodist Church, South, to a Record News reporter, "I am going to give the people of my congregation and the public a rare treat. I am going to Dallas to preach the opening sermon for Southern Methodist University, an opportunity and honor which I greatly appreciate. But the treat that I promised the folks isn't simply to get rid of me for one Sunday but coming to fill my pulpit is the vice president of Southern Methodist University, the Rev. H. M Whaling, Jr. Brother Whaling is one of the brightest, most scintillating preachers in the church. He is witty, epigramatic, philosophic, inspiring and strong. He will fill my pulpit both morning and evening.

"There will be extra special attractions for the day, and the night service will be a kind of home coming affair because it will be held in the church for the first time in several months instead of at the 'al Fresco' tabernacle, where all the night services have been held since the great revival meeting.

"The Sunday school is increasing every Sunday. We expect it to continue to do so until we pass the 1300 mark, which is our present goal.

"Sunday, October 2nd, we expect to make one of the greatest days in the history of the church in every department, and the whole week beginning that day will be given up to unusual activities and preparations for our coming conference which closes the ecclesiastical year on October 26th."

MEDAL OF HONOR SOLDIERS WILL ATTEND SERVICES

WASHINGTON, Sept. 23.—All holders of the Congressional Medals of Honor living in continental United States, will be asked by the war department to attend ceremonies in Washington, November 11, when the American unknown dead soldier is buried at Arlington cemetery. The medal of honor men will be guests of the government.

An announcement issued today by the war department said it would be necessary for those who accept the invitation to reach Washington not later than the night of November 10. They were requested to furnish the adjutant general with their addresses so that further information and arrangements for their traveling expenses might be taken care of.

EX-SECRETARY WESTERN LEAGUE MUST REFORM

DENVER, Sept. 23.—Julius Epstein, former secretary of the old Denver Western League basball club, and Louis B. Pardue today were sentenced to attend church every Sunday for six months in lieu of a fine and jail sentence for gambling and keeping a gambling house. The sentence was imposed by Judge W. Dunn.

RICHIE MITCHELL BREAKS ARM IN BOUT WITH RICE

MILWAUKEE, Wis., Sept. 23.—Richie Mitchell, Milwaukee lightweight boxer, broke his right arm just above the wrist, in the third session of a ten-round, no-decision bout with Ernie Rice, champion of England, here tonight. The state boxing chairman stopped the bout in the middle of the fourth round when it was discovered Mitchell using only his left arm.

ATHLETICS POUR IT ON KID GLEASON

PHILADELPHIA, Sept. 23.—Philadelphia took both ends of a double-header from Chicago today by scores of 4 to 0 and 9 to 1. Score:

HOYT'S BRILLIANCY IN BOX AND BABE RUTH'S BIG BAT BEAT INDIANS

NEW YORK, Sept. 23.—Splendid pitching by Waite Hoyt and strong hitting by "Babe" Ruth and Walter Pipp enabled the New York Americans to win the first of an all-important four-game series with Cleveland today, 4 to 2. Hoyt was in trouble in only one innings, the fourth, when Cleveland scored its two runs on Gardner's single, Sewell's triple and a wild pitch. In the last five innings Cleveland only got three men on bases. Coveleskie also pitched well for Cleveland, but met with his usual poor luck against the Yankees, who have defeated him five times in six games this season.

New York also clinched the year's series from Cleveland, today's victory being their 12th as against seven for the Indians.

Ruth emerged from a batting slump, knocking three doubles and drawing a base on balls in four times up. He scored after each of his three hits though be pulled up lame after running to second on his third two-bagger. Pipp also was a strong factor in New York's victory, as he drove in three of New York's runs. New York scored its first run in the fourth on doubles by Ruth and Pipp, and took the lead with two runs in the sixth, scored on Ruth's double and singles by Meusel and Pipp. Ruth scored again in the eight on his third double, Meusel's sacrifice and Pipp's sacrifice fly. The fielding on both sides was sharp and clean, Ward excelling with several brilliant infield plays.

First Inning

CLEVELAND—Jamieson struck out. Wamby safe on Pipp's error of Pecki's throw. Wood struck out and Wamby stole second. Smith fanned.

NEW YORK—Miller fouled out to O'Neill. Wood made a sparkling catch of Peck's hoist. Ruth strolled to first on four pitched balls. Meusel forced Ruth, Sewell to Wamby.

Second Inning

CLEVELAND—Gardner crashed a single into right. Sewell forced Gardner at second, McNally to Ward. Johnston popped to McNally. O'Neill walked. Coveleskie fanned.

NEW YORK—Pipp flied to Wood, who gathered Ward's fly and also McNally's long drive.

Third Inning

CLEVELAND—Jamieson walked to first. Wamby sacrificed, Hoyt to Pipp. McNally took Wood's roller and threw him out on a dazzling play. Ward threw out Smith at first.

NEW YORK—Schang out, Wamby to Johnston. Hoyt hoisted to Smith. Miller fanned.

Fourth Inning

CLEVELAND—Gardner singled into right, his second hit. He scored on Sewell's three base hit to left. Sewell scored on a wild pitch. Hoyt threw out Johnston. O'Neill got a long double to left. Coveleskie whiffed. Jamieson went out, Pipp to Hoyt.

NEW YORK—Peck flied out to Jamieson. Ruth went to second on a two base hit that hopped over Sewell's head. Meusel flied out to Smith and Ruth raced to third. Ruth scored on Pipp's double to center. Ward flied out to Wamby.

Fifth Inning

CLEVELAND—Wambsganss singled sharply to right. Wood sacrificed, Pipp to Ward. Smith flied out to McNally. Gardner breezed out.

NEW YORK—Smith took McNally's high fly. Schang walked to first. Hoyt forced Schang at second, Coveleskie to Wambsganss. Sewell took Miller's grounder and touched second.

Sixth Inning

CLEVELAND—Sewell cracked a single to right. Johnston lined out to Meusel. Sewell went out stealing, Schang to Peckinpaugh. Ward tossed out O'Neill at first.

NEW YORK—Peckinpaugh fouled to Sewell. Ruth bounced a double off Wambsganss' hand. Ruth scored on Meusel's single to left, Meusel going to second on the throw-in. Meusel scored on Pipp's hot drive to center for one base. Coveleskie knocked down Ward's drive, Wambsganss taking the ball and throwing him out at first, Pipp going to second. Sewell threw out McNally at first.

Seventh Inning

CLEVELAND—Coveleskie fanned, Schang dropping the third strike, but throwing him out at first. Ward tossed out Jamieson at first on a pretty play. Wambsganss strolled to first. Pipp took Wood's grounder and touched first.

NEW YORK—Wood came over into right field and took Schang's fly. Hoyt lofted to Wambsganss. Miller walked. Peckinpaugh flied out to Jamieson.

Eighth Inning

CLEVELAND—Ward threw out Smith at first. Peckinpaugh threw out Gardner at first. Miller gathered in Sewell's sky scraper.

NEW YORK—Ruth doubled along the left field foul line, his third two bagger. Meusel sacrificed, Coveleskie to Wambsganss, Ruth going to third. Ruth scored on Pipp's sacrifice fly to Jamieson. Ward flied out to Jamieson.

Ninth Inning

CLEVELAND—Johnston fouled out to Meusel. Ward threw out O'Neill. Speaker batted for Coveleskie. Speaker flied to Peckinpaugh.

SPEAKERS' CLUB BEGINS YEAR'S WORK

The Speakers Club of the Wichita Falls high school started off the year's work with an enthusiastic and largely attended meeting Friday morning at the high school auditorium. An informal program consisting of extemporaneous talks by members, chiefly concerning their experiences during vacation, was carried out by Edward Kadane, the president.

Hollis Clark chose as his topic the restriction of immigration; Floyd Harrison expounded on the value of manual training as a part of the curriculum of the school; age McDermott provoked much laughter by relating his career at a business college; Joe Bashara gave first hand tales of what happened in the harvest field last summer; Misses Dorothy Eargle and Louise Scott rendered a few selections and Miss Juanita Kinsey, sponsor of the club, told of spending the summer in California.

Member of the club express themselves as gratified with the willingness with which the members responded to the calls for talks and believe that the club this year will be even more successful than last year.

This is the third year of the existence of the Speakers' Club, it being started, named and fostered by Miss Juanita Kinsey, head of the department of public speaking of the high school. The excellent record made by members of the club in the county, district and state interscholastic meets last year is expected to be improved materially this year.

J. M. HOBSON SUCCUMBS TO ILL HEALTH

News of the death of J. M. Hobson formerly of this city and father of Mrs. J. T. Carter, 2014 Ninth street, at Manitou, Colorado, Thursday night was received here Friday. Mr. Hobson, who is also well known at Oklahoma City and Roosevelt, Oklahoma, where he was engaged in the drug business for several years, has been in poor health and has been at the Colorado resort in hope of recovery during the summer.

The body will arrive here Sunday afternoon from Manitou. Funeral services will be held at the Rosemont cemetery in charge of the Rev. J. Lem Keevil, pastor of the First Christian church. Pall bearers will be George Keith, C. M. Miller, H. H. Bray, C. C. Willis, R. J. Claypool and W. W. Shuler.

Mr. Hobson while a resident of this city made his home with his daughter, Mrs. J. T. Carter. He retired from the drug business at Roosevelt, Oklahoma, in 1918.

He is survived by his wife, one son, W. R. Hobson, two daughters, Mrs. F. A. Ray and Mrs. Carter, and three grandchildren, Wilbur, Elizabeth and J. W. Carter, of this city.

LODGE FEDERAL PRISONER IN JAIL

J. R. Cottle, said to be a fugitive from justice, who was arrested several days ago by officers in Cottle county, was brought here Friday by Deputy United States Marshall Allen and lodged in the county jail. Lewter, according to federal officers, is under indictment in the Southern District at Houston for the alleged transportation of whiskey in interstate commerce.

His bond for his appearance at the federal court at Houston was set at $750 by United States Commissioner Lantz.

PIRATES WIN ANOTHER ONE FROM PHILLIES

PITTSBURGH, Sept. 23.—Hamilton's effective pitching enabled Pittsburgh to defeat Philadelphia today 2 to 0. Score:

MARINES WIN NATIONAL RIFLE TEAM MATCHES

CAMP PERRY, Ohio, Sept. 23.—The United States marine corps today won the national rifle team match with a score of 3219, fifteen points ahead of the United States infantry team which finished second with a score of 3204.

WILLIE HUNTER AND CHICK EVANS BEATEN IN NATIONAL AMATEUR

ST. LOUIS, Sept. 23.—Both Chick Evans, the American champion, and Willie H. Hunter, the British titleholder, were eliminated today in the semi-finals of the national amateur golf championship played in a driving rainstorm over the links of the St. Louis Country club. Jesse Guilford of Boston defeated Evans 7 up and 5 to play, while Robert Gardner of Chicago sent the Briton back empty handed, 5 up and 4 to play, neither match being in much doubt after the neen intermission when Guilford was 4 up and Gardner was 3 up.

Evans was not able to putt at any stage of the contest and after watching one shot putt after another refuse to go down while Guilford sank his ball in two and sometimes one from any part of the green he happened to reach, the champion's whole game went stale. He was off direction with his wooden clubs, topped a brassie or two, and although pronounced by Harry Vardon and Jerome Travers the most exact iron player in the world, he eventually went astray with both mid-iron and mashie and was playing from away on many holes in contradistinction to his first dozen holes on which he was almost always inside with a chance for a win with two putts, only to take three or more.

Gardner, who barely failed of winning the British title last year, prevented the British champion from taking home the championship by finally defeating him 5 and 4 in the semi-final and will play Guilford for the title tomorrow.

The afternoon out cards of the two semi-finals matches follow:

Evans out: ....544; 434; 546—39
Guilford out: ...533; 465; 345—38
Gardner out: ...443; 564; 335—36
Hunter out: ...533; 555; 545—40

GALLENKAMP AND LEWIS NET CHAMPS

C. O. Gallenkamp and Delbert Lewis yesterday won the city tennis championship in doubles, defeating J. W. Akin jr. and Henry Akin in a brilliant match that brought to a close the title events of the annual championship tournament of the Wichita Falls Tennis association.

After being swept off their feet in the opening set and losing it 6-8, Gallenkamp and Lewis, the former especially playing a brilliant, driving game, came back strong and earned the crown by taking the next three sets in a row, 6-3, 6-1, 6-2. Henry Akin led the defense of the two brothers, but the placement shots and speed of Gallenkamp, coupled with the steadiness of Lewis, were too much for the Akins.

Gallenkamp and Lewis incidentally won the June tournament in a final match that also ended with a victory over the Akin brothers.

Only one event is now left on the program of the association, the singles consolation, which will be played this afternoon.

FILE PERMITS FOR BUTCHERS

Several permits to butchers of the city issued in accordance with the instruction from the county attorneys office were filed Friday at the office of the county clerk. In connection with the campaign here for a rigid enforcement of the state laws regulating the issuing of permits to butchers, Dr. A. H. Douglass head of the city health department announced Friday that all permits that have been issued by the city will be revoked Monday.

The 25 butchers of the city will be required to obtain new permits at once, Dr. Douglass announced. This action is taken so that care can be taken in the future that no permits are issued except to those who have complied with state laws, regulating the slaughter of cattle and the sale of meat.

MIKE GIBBONS TO MEET JOE HERRICK OCTOBER 1

OMAHA, Sept. 23.—Mike Gibbons, St. Paul, will meet Joe Herrick of Omaha in a ten round bout here October 6.

TUERO DUE TO TACKLE CATS AGAIN TODAY

MEMPHIS, Tenn., Sept. 23.—Spencer Abbott and his Memphis Chickasaws, southern association pennant winners, were back home tonight making ready for the resumption tomorrow of the series for the baseball championship of the south with the Fort Worth Texas league champions, confident, but, according to Fort Worth admirers, no more than Jake Atz and his Panthers, of the outcome of the three games to be played at Russwood Park here.

The Memphis club arrived late today from Fort Worth where the first two games of the series Wednesday and Thursday ended in a tie dogfall, each team taking one game. The Fort Worth club left this afternoon, accompanied by a delegation of fans and should reach here early tomorrow. A capacity crowd is expected to witness the game. It was said tonight that all the reserved seats for the three games had been sold and general admission tickets "going fast." The normal capacity of the Memphis park is about 10,000. Weather predictions are forecast and warm weather.

Oscar Tuero, who pitched the Memphis club to victory in the opening game in Fort Worth, is expected to draw the pitching assignment for the locals tomorrow with Paul Wachtel regarded as one of the premier spitball pitchers of the Texas league, as his probable opponent.

RETIRED MAJOR DIES

KANSAS CITY, Sept. 23.—Major Samuel A. Smoke, U. S. A., retired, who has been in charge of the instruction of high school cadets here for more than a year, died suddenly at his home today. Heart disease was the cause of death.

WISDOM and WORSE

By C. F. C.

Oscar Tuero, who beat the Cats in the opening game at Fort Worth, and Paul Wachtel are being picked by Memphis scribes as the opposing twirlers in this afternoon's Tennessee-Texas tangle. There is a possibility, however, that Jakey Atz may start young Lefty Johns against the Chicks. In the two games at Fort Worth the Chicks showed no fondness for southpaw slants, both Pate and Johns making many of the Memphis heavy stickers look foolish—and the wise Jakey may decide to shoot Johns back at 'em today, realizing that if he can win the opening game on foreign soil it will mean a lot in added confidence to his ball players.

Many fans who saw the two games in Fort Worth and whose baseball judgment is sound have agreed that the Chicks have the more brilliant fielding club, while the Panthers apparently have a decided edge in the ability of their boxmen—which should about even matters.

But we hope there'll be no more 8 to 2 and 16 to 1 scores. That hardly looks like southern championship baseball, does it?

Speaking of championships, the second battle of the city semi-pro championship between the All-Stars and the University Club teams will be served Sunday afternoon at 3:30 o'clock at Athletic park. It is expected more than 500 local fans will witness the game, as those who saw the opener between these teams a week ago left the park with a decidedly pleasant basball taste in their mouths. Both teams played fast ball throughout, the All-Stars winning 5-3. Tomorrow's battle should be even harder fought, as a victory for the All-Stars means the city title, while the University club must win the second game in order to obtain their final shot at the championship a week later.

Despite last season's defeat at the hands of the Vernon pigskin chasers, the Wichita Falls high school will take the field against Vernon at Athletic Park this afternoon favorites in the betting. The local eleven appears stronger on paper this year than it has been for a number of seasons, and the regular, systematic coaching they have been receiving from Harbaugh has been of immense benefit to the individuals and to the team play as a whole.

The locals will line up as follows: Capt. Leo Haney, center; Hildreth, left guard; Baldwin, right guard; Sims, left tackle; Coffey, right tackle; Mackenchney, left end; Hembree, right end; Miller, quarter; Cauble, left half; Moore, right half; Walker, fullback. Substitutes, Johnson, Chewning, Howe, Tyson, Shaw, Waggoner, Bashara.

The Wichita Falls Tennis Association is to be congratulated on its splendid work this summer, and the interest it has shown in promoting tennis in this city. Both the June tournament and the city championship tournament brought out a wealth of hitherto unknown tennis talent, and the two events were unusually interesting to lovers of the court game. C. O. Gallenkamp and Delbert Lewis stamped themselves as easily the best balanced doubles team in Wichita Falls by capturing both the June doubles and the city title in that event—and many spectators who watched the play of these two were convinced they should make a powerful showing next year in the state tourney.

The local tennis association deserves full credit for arousing interest in the sport here, and for promoting successful tournaments that brought a great deal of pleasure to the city's racket enthusiasts.

FRUIT SUPPLY ON INCREASE IN LOCAL MART

Apples of the eating variety are coming in to the local markets in much more regularity at the present time than for some time past, and the supply of this fruit is reported to be good. The grades run extra fancy, fancy and staple, with prices at wholesale running from $4.25 to $3.75 a box. Most of the apples on the local market come from Colorado.

Other fresh fruits continue in good supply with the demand reorted as steady. There have been no rice changes for some time.

Price changes missing in the Friday markets and the prices to go into effect Saturday are the same as on Friday.

The following prices were obtained at the opening of the day's business from local jobbers and can be relied upon as official, although subject to fluctuation:

Fresh Vegetables.

Selling prices in Wichita Falls to retailers: lettuce $1.25 a dozen turnips 5 cents a pound; cabbage 4 cents a pound; yams, $2.00@$1.75 a bushel; onions 5@5½c lb.; parsley 75 cents a dozen bunches; tomatoes 10c a pound, new potatoes $3.25 a hundred pounds; string beans, $1.50 per 12 lbs.; cucumbers 10 cents a pound; beets, 5 cents a pound; celery $1.50 a dozen.

Fresh Fruits.

Selling prices to retailers: Bananas 8 cents a pound; limes $1.00 a basket lemons $7.00 a box; grape fruit $9.00 a box; oranges, California $6.75@7.00; apples $3.50@$4 a box; canteloupes $1.00 a dozen; California grapes, $3.50 a crate; crab apples $3.00 a box; cranberries $17.50 a bbl.; persimmons $3 a box.

Flour and Meal.

Selling prices to local retailers: Flour, extra high patent, $8.50 basis 196 pounds; bakers, $8.00; high patent, $8.00; 196 pounds; meal 65 cents a 28-lb. sack.

Canned Vegetables.

Selling prices to local retailers: Asparagus, fancy quality, No. 1 round, white $3.85, green $3.10; stringless beans, No. 2 fancy, $2.50; No. 2 standard, $1.75; corn, extra fancy No. 2 standard $1.65; corn, extra fancy No. 2 $2.25; standard No. 2 $1.35; No. 2½ $1.50; okra and tomatoes, fancy No. 1, $1.10. Tomatoes, standard, $1.30 a dozen.

Sugar and Syrup.

Selling prices to retailers: Sugar, beet, $7.30 a 100 pounds; pure cane, $7.50 a 100 pounds; Louisiana plantation, $9.50 a 100 pounds. Syrup, Louisiana pure, No. 10 cans $6.00 a case; No. 5 cans $6.25 a case; No. 2½ cans $6.50; Georgia pure cane $7.75; corn syrup No. 10 cans $4.80 a case; No. 5 cans $5.00.

NEW YORK SUGAR

NEW YORK, Sept. 23.—Raw sugar was less active today but prices were unchanged, at 2½c cif equal to 4.50 for centrifugal. Porto Ricos were quoted at 4.13 for centrifugal and Cubas at 4.86.

Raw sugar futures were irregular, but aside from a little steadiness in near positions on coverings, prices generally lower under liquidation and selling by trade in this and commission houses. Final prices were 10 points higher to 8 net lower. October closed at 2.80; December 2.35; March 2.39 and May 2.45.

Demand for refined is moderate and prices were unchanged at 5.60 to 5.65 for fine granulated. There were no transactions in refined futures and closing prices were unchanged to 5 points net lower. October closed at 4.40; December and later months 5.30.

NEW YORK COFFEE

NEW YORK, Sept. 23.—There was a further advance in coffee futures today, attributed to the bullish influence of yesterday's report that the Brazilian government was now buying Victoria as well as Rio and Santos coffee under the valorization plan, and after opening unchanged to 1 point higher active months sold 11 points above yesterday's close and December touching 7.73. The close was 6 to 11 points net higher. Sales were estimated at about 27,000 bags. September 7.43; October 7.45; December 7.73; January 7.81; March 7.96; May 8.11; July 8.24.

Spot coffee firmer; Rio 7's 8 to 8½, Santos 4's 11 to 12¼.

CHICAGO PRODUCE

CHICAGO, Sept. 23—Butter easy; creamery extras 43c. Eggs unchanged; receipts 8,510 cases. Poultry alive, lower; fowls 19@26c; springs 21c.

DRY GOODS MARKET

NEW YORK, Sept. 23.—Cotton goods held firm today with more activity for early deliveries. Yarns were higher, combed yarns being firm on a higher range. Burlaps were slightly easier, following resale offerings of small lots. Jobbers reported a seasonable demand for small quantities from retailers.

DUN'S REVIEW

NEW YORK, Sept. 23.—Dun's tomorrow will say:

"After a period of slow and irregular improvement, added momentum to the business recovery has materialized with the advancing season. While reports from separate trades and industries are not yet of one tenor, encouraging features are increasingly prominent and the outlook for continued gains is favorable. Except in certain speculative channels where prices have fluctuated widely, current developments are along conservative lines, suggesting a purpose to avoid unwholesome excesses and to establish conditions on a sounder basis. Evidence of such a policy appears in the prudent action on the part of most interests who are still limiting commitments closely to actual and well defined requirements following months of readjust and liquidation. The number of spot transactions, however, is enlarging, and there is also less hesitation in some instances with regard to anticipation of the wants of the future. Recognition of the fact that existing unemployment has appreciably curtailed the public consuming power makes for caution in forward purchasing. Weekly bank clearings $6,380,278,000."

STOCKS MAKE LARGE GAINS ON TURNOVER

NEW YORK, Sept. 23.—The stock market today registered numerous substantial gains on a large and varied turnover. Shorts fought the advance during the forenoon and towards the close final prices showed irregular recessions from top levels.

The market derived its greatest impetus, however, from the prominence of rail. One block of 500,000 shares of Southern Pacific changed hands at advance of 1⅜ and kindered issues scored extreme gains of one to two points, junior rails following at a more moderate pace. Industrials continued to be featured by steels, equipments and oils. Mexican Petroleum steered its recent erratic course, rising half point, reacting two points and closing at a fractional gain. The few backward stocks comprised consolidated textile, Sumatra tobacco and food products, the latter at a new low record. Sales 635,000 shares.

Sales 635,000.

Call loans were made at 5 per cent, but slight concessions were reported for merchants paper and bank acceptances. Italy again was the only important exception to the higher trend shown by foreign exchanges, although sterling receded later.

The bond market again turned upward under influence of lower discounts. Liberty issues led, all except the 3½s showing strength. Rails and some industrials also improved but internationals were irregular. Total sales, par value $12,700,000.

LIBERTY BONDS

NEW YORK, Sept. 23.—Liberty bonds closed: 3½s 88.38; first 4s 89.48 bid; second 4s 89.48; first 4¼s 89.69; second 4¼s 89.64; third 4¼s 93.64; fourth 4¼s 89.88; victory 3¾s 99.30; victory 4¾s 99.30.

MONEY AND EXCHANGE

NEW YORK, Sept. 23.—Prime mercantile paper 5½@6 per cent. Exchange irregular. Sterling 60 day bills and commercial 60 day bills on banks $3.69⅞; commercial 60 day bills $3.69⅝; demand $3.73⅝; cables $3.73⅞. Francs demand 7.13½c; cables 7.14c. Belgium francs demand 7.10½c; cables 7.11c. Guilders demand 31.82c; cables 31.88c. Lire demand 4.12½c; cables 4.13c. Marks demand 91¾c; cables 92¼c. Greece demand 5.08c; Sweden demand 21.90c; Norway demand 12.65c; Argentine demand 30.75c; Brazilian demand 13.25c; Montreal 9 15-16 per cent discount.

Government and railroad bonds irregular.

Time loans easier; 60 days, 90 days, 5¼@5½ per cent; six months 5½ per cent.

Call money steady; high 5; low 5; closing bid 4½; offered at 5; call loans against acceptances 4¼.

COTTON LOSES 45 POINTS ON BIG OFFERING

NEW YORK, Sept. 23.—Opening declines were followed by recoveries in the cotton market today but increased offerings were again encountered around the 20 cent level and after selling at 20.05 December contracts broke to 19.70 in late trading. They closed at that level, with the general market closing easy at a net decline of 27 to 45 points.

Early cables from Liverpool were considerably higher than due and were accompanied by reports of an improving Far Eastern demand in Lancashire with active trade buying on continued bullish crop advices. The English market eased off just before the opening here, however, and the local market opened easy at a decline of 8 to 37 points under southern selling. There was heavy realizing by recent buyers but after selling at 19.50 for October and 19.74 for January prices rallied on trade buying and bullish southern spot advices. October advanced to 19.71 and January to 20.18 but offerings increased at these figures, and the report of a prominent southern authority placing the condition of the crop at 42 was evidently a disappointment to people who had bought on yesterday's report of 40.5. For a time the market held fairly steady at reactions of 20 or 30 points from the best, but New Orleans sold here, and offerings were heavier late in the afternoon when October broke to 19.35 and January to 19.73 or 27 to 45 points net lower on the general list. Much of the later selling was attributed to southern hedging, which local brokers say has shown a marked increase during the past few days. Private reports received here during the morning from both southwestern and eastern belt points commented on a continued good demand for spot cotton with a well maintained basis.

LIVERPOOL SPOTS

LIVERPOOL, Sept. 23.—Spot cotton firm; prices steady. Good middling 16.00; fully middling 15.30; middling 14.80; low middling 13.70; good ordinary 12.65; ordinary 11.90. Sales 14,000 bales, including 10,500 American.

NEW ORLEANS COTTON

NEW ORLEANS, Sept. 23.—Selling pressure was felt by cotton today throughout the session, overnight selling in large volume being felt on the opening, while heaviest selling of the day materialized in the last half hour of business, driving prices to new low levels. The close was at the lowest at net losses of 45 to 52 points, with October off to 19 cents a pound. The main reasons for the selling were the nearness of first notice day for October, and a private bureau report on condition, first reported at 4.25 per cent of normal, but afterwards said to indicate a crop of around 6,500,000 bales. Liverpool was much better than due but in the face of its strength the market fell on the opening and continued to recede until 35 to 37 points down.

This report on the crop was construed bearishly because of recent rumors of private condition reports of as low as 35. Following the first decline, fairly good buying was met and it caused a recovery on the most active months until they were 2 points over yesterday's close. October traded up to 19.54. A little later under leadership of October, the market softened again and thereafter displayed little strength. This selling especially of October, was generally accepted as meaning that longs were getting out in preparation for first notice day and possible tenders in that month.

STEERS AND COWS READILY DISPOSED OF

FORT WORTH, Sept. 23.—Steers and cows were disposed of on a steady basis today and the calf market displayed a little strength. It was late before the run was finally cleared, however, owing to the fact that trains were delivering stock at all hours during the morning. Receipts amounted to only 500 head of cattle and 1,000 calves.

Shippers took over most of the day's hog run of 500 head at prices that were about steady. Packers were bidding 25c lower. The top to shippers was 7.85 and bulk sales ranged from $7.25 to 7.85. Pigs remained steady.

Steady prices were paid for the few sheep on offer, ewes and wethers selling at $3.85 and ewes going at $3.30 to $3.75. Receipts reached 500 head, about half of the supply coming direct to a packer. Quotations:

Cattle—Beeves $3.00@5.75; stockers $3.00@4.50; cows $2.00@4.00; canners $1.50@2.00; heifers $3.00@6.00; yearlings $3.50@6.50; bulls $1.50@5.75.

Hogs—Light $7.50@7.85; medium $7.25@75; mixed $6.25@7.25; common $5.50@6.25; heavy $7.00@7.25; rough heavy $5.50@6.00; stags $5.00@6.00; pigs $5.50@6.75.

Sheep—Lambs $5.50@7.50; yearlings $4.50@5.00; wethers $4.50@4.85; ewes $3.00@3.75; culls $1.00@2.00; goats $1.25@1.75; stocker sheep $2.00@3.00; stocker lambs $4.00@6.00.

K. C. LIVESTOCK

KANSAS CITY, Sept. 23.—Cattle 1,500; all classes steady; beef fed steers $8.50@9.40; grassers $4.75@6.75; cows $3.00@4.50; heifers $4.00@5.00; odd vealers $10.00; good heavy calves $5.75@6.00.

Hogs 2,000; fairly active, mostly 10@15c lower; medium weights $7.80@7.90; packer top $7.80; bulk of sales $7.00@7.80; pigs mostly 25c lower; best kinds $8.25.

Sheep 2,500; sheep 25c lower; western wethers $4.40; ewes $3.60; yearlings $5.40; lambs steady; western $8.00@8.40.

WHEAT GAINS ON INCREASE FOR EXPORTS

CHICAGO, Sept. 23.—Indications of good sized export business had a bullish effect on the wheat market today. Prices closed firm, 1¼ to 2¼ cents net higher, with December 1.27⅝ to 1.28 and May 1.31½ to 1.31⅝. Corn gained ⅜@½c to ¾ cents and oats ¼@⅜c to ⅝c. In provisions the outcome was unchanged to 30c lower.

Wheat prices began to show an upward tendency as soon as the market opened, and although moderate setbacks took place at times, the finish was at the top level of the day. Offerings were light at the start and this fact encouraged buying in which a strong commission house acted as leader. Later signs of improvement in export demand especially calls for hard winter grades, to be shipped by way of the Gulf of Mexico, became the chief stimulating influence. Milling demand, too, was said to be picking up. It was pointed out that today for the first time in many weeks the primary receipts were smaller than a year ago. Corn and oats reflected the wheat advance. New Orleans export interests were said to be outbidding Chicago for corn in Central and Southern Illinois. Provisions had a downward slant.

Why do you like Coffee?

Some people say on account of its flavor, others for its appetizing aroma, many because of the zest it adds to any meal, but all will agree that coffee is liked because it is an enjoyable drink. To make it a perfect one care must be used in preparation and the coffee must be of the highest grade. If

Hills Bros. Red Can COFFEE

is used, the most critical will be pleased.

Dated Aug. 30th, 1921.

CITATION BY PUBLICATION
THE STATE OF TEXAS
To the Sheriff or any Constable of Wichita County Greeting:—
YOU ARE HEREBY COMMANDED to summon the Unknown Heirs of H. M. Templeton by making publication of this citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county to appear at the next regular term of the 30th District Court of Wichita County to be holden at the Court House thereof in Wichita Falls on the 3rd Monday in December A. D. 1921 the same being the 19th day of December, A. D. 1921, then and there to answer a petition filed in said Court on the 5th day of July, A. D. 1921, in a suit numbered on the docket of said Court No. 11138-A, wherein G. E. Friberg is Plaintiff and the unknown heirs of M. M. Templeton is Defendant, and said petition alleging that on or about the 10th day of December, 1919, plaintiff was lawfully seized and possessed of the following described real estate situated in Wichita County, Texas, owning and claiming the same in fee simple, same being all of Lot 12 out of Block 32 as per the amended plat made by J. A. Kemp to the Barwise and Jalonick Addition to the City of Wichita Falls, Texas. That on the day and year last above mentioned, the defendants entered upon said premises and ejected the plaintiff therefrom and unlawfully withheld from plaintiff the possession thereof to plaintiff's damage in the sum of $1000.00. Plaintiff further alleges that defendants seized upon and claim all rights to said premises. Plaintiff specifically alleges that he has had and held peaceful and adverse possession of said real estate above described cultivating, using and employing same and paying taxes thereon and claiming same under deeds duly recorded for more than 5 years next before filing this petition.

Plaintiff also alleges that he has had and held peaceful and adverse possession of said lot 12 of Block 32 of the Barwise & Jalonick addition, in the city of Wichita Falls; cultivating, using and enjoying the same for more than 10 years next preceding the filing of this petition. Plaintiff alleges that by reason of the adverse claims of the defendants that the title of plaintiff is clouded.

WHEREFORE premises considered, plaintiff prays that citation be issued by publication to the heirs of M. M. Templeton, deceased, and after due hearing, that plaintiff have judgment for the title to and possession of the said premises, and that all claims of the defendants be cancelled as a cloud on plaintiff's title and that he be quieted in the title thereto and for such other and further relief as he may show himself to be entitled to.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court at office in Wichita Falls, Texas, this the 21st day of September, A. D. 1921.
A. F. KERR,
Clerk District Court, Wichita County, Tex.
By EUNICE JACKSON, Deputy.
(Seal)

CITATION BY PUBLICATION.
THE STATE OF TEXAS.
TO THE SHERIFF OR ANY CONSTABLE OF WICHITA COUNTY, GREETING:
You are hereby commanded to summon McBest, J. B Robertson, A. A. Brashear and Frank R. Dunlavy, composing the firm of Block 818 Water Company, a co-partnership, G. B. Runnels and J. H. Runnels, composing the firm of Runnels Brothers, a co-partnership, Producers' Supply and Tool Company, a corporation, J. F. Darby and Walter K. Campbell and George W. Snedden, composing the firm of Western Oil Corporation, a co-partnership, J. H. Enderli and R. D. Ragan, composing the firm of Enderli & Ragan, a co-partnership, W. T. Walton and V. E. Hutchings, composing the firm of W. T. Walton & Company, a co-partnership and Fort Worth Well & Machinery & Supply Company, a corporation, by making publication of this citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Wichita County, to be holden at the court house thereof in Wichita Falls, on the first Monday in October, A. D. 1921, the same being the 3rd day of October, A. D., 1921, then and there to answer a petition filed in said court on the 31st day of August, A. D., 1921, in a suit, numbered on the docket of said court No. 11493-C wherein, C. Rick and Frank L. Dittmeier are plaintiffs and George E. Smith, Humble Oil & Refining Company, McBest, J. B. Robertson, A. A. Brashear and Frank R. Dunlavy, composing the firm of Block 818 Water Company, a co-partnership, Sioux Oil & Refining Company, a corporation, G. B. Runnels and J. H. Runnels, composing the firm of Runnels Brothers, a co-partnership, Producers Supply & Tool Company, a corporation, J. F. Darby and Walter K. Campbell and George W. Snedden, composing the firm of Western Oil Corporation, a co-partnership, J. H. Enderli and R. D. Ragan, composing the firm of Enderli & Ragan, a co-partnership, W. T. Walton and V. E. Hutchings, composing the firm of W. T. Walton & Company, a co-partnership, Fort Worth Well & Machinery & Supply Company, a corporation, and The First State Bank of Iowa Park, Texas, a corporation, are defendants, said petition alleging:

That, heretofore, on the 17th day of September, 1919, the plaintiff, Frank L. Dittmeier entered into a contract in writing with the defendant, George E. Smith, a copy of which, marked "Exhibit A," is attached to plaintiffs' original petition and expressly made a part thereof: that under the terms of said contract the plaintiff, Frank L. Dittmeier agreed to purchase an oil and gas lease covering the south five acres of the west 10 acres of the south 30 acres of the north 60 acres of the A. A. Morgan tract, adjoining Block 7, Red River Valley Lands, Wichita County, Texas, and the defendant, George E. Smith agreed to drill two wells for oil and gas on three acres of the above described 5 acres of land and to furnish all machinery, tools, material, fuel oil, water, and labor to complete said wells in full, agreeing to pay for all of it, and that same would be first class in every particular, and that he would complete said well fully to tankage without cost to Frank L. Dittmeier, and as a consideration therefor said George E. Smith was to receive 7-16 of all oil and gas produced from said premises; that plaintiff, Frank L. Dittmeier performed his contract and executed and delivered to defendant George E. Smith an assignment of 7-16 interest in said oil and gas lease, a copy of which, marked "Exhibit B," is attached to plaintiffs' petition and made a part thereof.

That on November 21, 1919, plaintiff, Frank L. Dittmeier and defendant, George E. Smith, entered into a contract in writing, a copy of which, marked "Exhibit C," is attached to plaintiffs' petition and made a part thereof, under the terms of which defendant, George E. Smith agreed to drill two wells on the south 2 acres of the above described 5 acre tract; said 2 wells to be drilled and completed by defendant George E. Smith wholly at his expense and upon completion of the second well the plaintiff, Frank L. Dittmeier agreed to pay him $5500.00, and upon completion of said two wells to make an assignment of an undivided 7-16 interest in all oil and gas that may be produced from said two acres.

That on February 10, 1920, plaintiff Frank L. Dittmeier, together with George Grassmuck and E. P. Peers, sold and assigned to defendant George E. Smith, the remaining one-half interest in said oil and gas lease as to the entire 5 acres in consideration of $225,000.00, of which amount $50,000.00 was paid in cash, the balance of $175,000.00 to be paid out of 7-16 of the oil produced and saved from said premises, a copy of said assignment being attached to plaintiff's petition, marked "Exhibit D," and made a part thereof.

That defendant George E. Smith has wholly failed and refused to carry out and perform the several terms, conditions, and stipulations of said contract and assignments hereinabove mentioned, notwithstanding that plaintiff Frank L. Dittmeier and his successors in interest have in all things carried out all the terms, conditions, and stipulations of said contract and assignments and have made frequent and repeated demands of the said George E. Smith and his successors that the terms be carried out and performed.

That said oil and gas lease and leasehold estate is now owned by the plaintiffs herein as the successors in interest of said Frank L. Dittmeier who owned said oil and gas lease at the time of the execution of said contracts and assignments.

That since the execution of said contracts and assignments the defendants Humble Oil & Refining Company, McBest, J. B. Robertson, A. A. Brashear and Frank Dunlavy, composing the firm of Block 818 Water Co., Sioux Oil & Refining Co., G. B. Runnels and J. H. Runnels, composing the firm of Runnels Brothers, Producers Supply & Tool Company, J. F. Darby and Walter K. Campbell and George W. Snedden, composing the firm of Western Oil Corporation, J. H. Enreli and R. D. Ragan, composing the firm of Enderli & Ragan, W. T. Walton and V. E. Hutchings, composing the firm of W. T. Walton & Co., Fort Worth Well & Machinery Supply Co., and the First State Bank of Iowa Park, Texas, have been asserting some claim or interest in said oil and gas lease, the exact nature of which is unknown to plaintiffs, but said claim is inferior and subject to that of plaintiffs herein.

Plaintiffs pray that defendants be cited in terms of law to appear and answer herein, for judgment cancelling and rescinding said contracts and assignments herein referred to, for the title and possession of the oil and gas lease and leasehold estate as to said 5 acres, for cost of suit, such other and further relief, general or special, in law or in equity, as they may be entitled in the premises.

Herein fail not, but have before said court, at its aforesaid next regular term, this writ with your return thereon showing how you have executed the same.

Given under my hand and the seal of said court, at office in Wichita Falls, Texas, this the 31st day of August, A. D., 1921.
A. F. KERR, Clerk.
District Court, Wichita County, Texas.
By WINIFRED PICKENS, Deputy.

THE STATE OF TEXAS.
To the Sheriff or any Constable of Wichita County—Greeting:
You are hereby commanded to summon T. D. Brown by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the County Court of Wichita County at law, Wichita County, to be holden at the Court House thereof, in Wichita Falls, Texas, on the first Monday in October, A. D., 1921, the same being the 3rd day of October, A. D., 1921, then and there to answer a petition filed in said Court on the 9th day of September, A. D., 1921, in a suit numbered on the docket of said Court No. 4989, wherein A. H. Docker is Plaintiff, and T. D. Brown is Defendant, and said petition alleging, in substance: That heretofore, to wit, on or about the 15th day of August, A. D. 1921, defendant listed with plaintiff, as a broker engaged in the buying and selling oil and gas leases and oil field equipment and appliances, one No. 30 Star Drilling Rig with all tools and equipment, then located at Sunshine Hill in Wichita County, Texas, at the agreed price of $3,500.00, and with the understanding that in case of sale by plaintiff at that price, then $3,000.00 of said amount would go to defendant and $500.00 to plaintiff as his commissions; that in conformity to said agreement, plaintiff did on the 2nd day of September, A. D. 1921, introduce one A. B. Womack, as a prospective buyer, to defendant, telling said defendant that he had priced said rig to said Womack at $3,500.00 and the defendant confirmed the price named by plaintiff, and said Womack indicated in the presence of plaintiff and defendant that he would take said rig at that price if on examination he found said rig and equipment as represented; that notwithstanding said agreement, defendant afterwards closed a deal with said Womack at $3,000.00 and is attempting to deprive plaintiff of any commission whatsoever arising from said sale. Plaintiff here now sues for $500.00 due him by agreement and also on the ground that $500.00 is a reasonable commission in the case.

Herein Fail Not, but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Wichita Falls, on this the 9th day of Sept., A. D. 1921.
W. I. HARRIS,
Clerk, County Court,
Wichita County, Texas.
By M. F. YEAGER,
Deputy.

GOVERNMENT MAKING MAP OF PANHANDLE

Special to the Record News.

STAMFORD, Texas, Sept. 23.—A map of the north panhandle of Texas of an absolutely correct nature, from an engineering standpoint, is being made by the United States Coast and Geodetic Survey department, the territory to be covered by the survey to run from Oklahoma City to Albuquerque across the north panhandle. A great deal of wonderment among people of that section of the state has been occasioned by the building of 100-feet tours across the country and until recently no explanation had been made. The story as revealed to the West Texas Chamber of Commerce is as follows:

"The United States Coast and Geodetic Survey department is running a line triangulation from Oklahoma City, through Amarillo and the panhandle to Albuquerque, N. M., for the purpose of establishing a perfect base map of this section of the country, according to E. O. Heaton, junior hydrographic and geodetic engineer for the government, who has been in Amarillo for the past two weeks in charge of the work here.

"A series of towers, approximately 100 feet high have been stationed at intervals of from ten to ninety miles apart throughout the panhandle for observation purposes. One of the observation towers has been erected on the Benton farm about two miles east of Amarillo, and others have been erected at Washburn, Shamrock, Jericho, Hedley, Lark, Bushland, Vega, Clarendon and near Canyon. About thirty towers will be erected between Oklahoma City and Albuquerque, covering a distance of approximately 550 miles.

"The running of the lines of triangulation and the establishing of latitudial and longitudial positions is primarily for the purpose of setting points to be used in compiling of topographical maps by the Geographical Survey departments and the furnishing of any information in the matter of correct mapping and other engineering projects, Mr. Heaton declared. The curvature of the earth's surface is one of the prime factors of the work of the government engineers in the geodetic survey, Mr. Heaton declared, and when the stations are once established, the lines are absolutely perfect from an engineering standpoint.

"The towers used in the observation work are donated to the owners of the land on which it was erected, when the survey work is finished, the engineer declared. The tower on the Benton farm will be replaced with a brass plate set in concrete, three feet in the ground, and will be a permanent marker, known to the government as the Benton Primary Triangular Station.

"Twelve men and four motor trucks are required to conduct the survey here. All work is done at night, and lights are used as signals, five stations being under observation at the same time, covering a vision range of about twenty miles, the engineer declared."

STEADY INCREASE IN SHIPMENTS IS NOTED

CHICAGO, Ill., Sept. 24.—Continued improvement in the automobile business is shown in trade reports received at the National Automobile Chamber of Commerce directors' meeting this week. Automobile shipments for August show a 2 per cent gain over July, reaching 72 per cent of last year's August business. Normally the August sales are less than in July.

Town Topics

Mr. and Mrs. J. T. King of Okmulgee, Okla., who have returned from the western coast, where they have spent the summer, are guests of Mr. and Mrs. J. L. McMahon at 1805 Tenth street.

Misses Lona Brown, Rela Denton and Cleta May Wilson, the latter of Electra, left Wednesday for Dallas where they will enter S. M. U.

Among the young people leaving this week to enter state university are Misses Katherine Moore, Ethel Owen, Etta Maddrey, Ruth Barnard, Alice Downing and Paul Pond, Frank Patton and Abe Bashara.

Miss Lois Moore will leave Sunday for New York where she will enter Columbia university.

WILL PARADE IN FAVOR OF DISARMAMENT

Decision to hold a parade in favor of world disarmament on November 11, Armistice Day, the date on which the German government surrendered to the allied forces, and the day on which the world disarmament conference convenes in Washington, was made at a called meeting of the local trades and labor council Friday night, according to an announcement by A. M. Reynolds, president.

The decision was made at the instance of the executive body of the American Federation of Labor, which, it is announced, is calling on all central organizations of labor organizations in America to organize such a parade.

The parade will be an entirely non-partisan and non-sectarian affair, according to the announcement. Co-operation of city officials and of the American Legion is to be asked in this connection.

The parade is scheduled for 2:00 o'clock in the afternoon of armistice day.

LABOR CONDITIONS IN MEXICO ARE BAD

REPATRIATED NATIVES RETURNING HERE TO SEEK WORK

Working conditions in this country may be bad but they are apparently worse in Mexico, according to Jimmy Gonbaulleg, Mexican janitor at the city hall. According to Gonzaullez, Mexicans who were taken back to Mexico several months ago from several points in the southwest are returning to the United States.

Gonzaullez estimated Friday that approximately thirty of the 300 Mexicans that were repatriated from here have returned to this city. The returning Mexicans report that there is little to do in Mexico.

WILL AID IN FORMING POST AT BURKBURNETT

Mrs. H. J. Weyler, county chairman of the auxiliary organizations of the American Legion and Mrs. R. C. Thaxton, chairman of the Women's Auxiliary of the Pat Carrigan Post will go to Burkburnett today to aid in the organization of a women's auxiliary in that city. A tentative organization has already been perfected and it is expected that its organization will be completed today.

HOLD SERVICE FOR BODY OF SOLDIER

The funeral service for Will Grey, killed in action in France on September 26, 118, while on duty with his company, held Friday afternoon, was largely attended by ex-service men. The services were in charge of the Pat Carrigan Post of the American Legion.

The Rev. J. Lem Keevil, pastor of the First Christian Church, officiated.

COUNTY PRISONERS GIVEN SERENADE

A vacancy in the more or less dull routine of life in the county jail was recently noted by one of the temporary residents of that institution, it was indicated Friday night when the one in question and a fellow musician appeared beneath the jail windows to serenade the present residents.

Permission to use their voices and stringed instruments for the edification of those confined within was asked of the night jailer, and was readily granted, there apparently being no legal restraints covering a case of this kind.

CHANNEL FILLS WITH DIRT FROM BRAZOS FLOODS

By Associated Press.

GALVESTON, Texas, Sept. 23.—The main channel at Freeport has shoaled to a depth of 11 feet where 18½ feet formerly prevailed, Major L. M. Adams, U. S. engineer for the district, reported today after an investigation. The shoaling resulted from recent floods in the Brazos river. The inter-canal in that section is not now navigable because of the condition at Freeport.

TELLS POLICE TO ELIMINATE PERSONALITIES

The elimination of personal feelings in carrying on their work, coupled with courtesy and tact and a greater knowledge of their duties as officers was stressed by Judge C. B. Felder, former county judge in a talk Friday evening at the police school held at the city hall.

Thirty-five members of the city police force were in attendance at the school at which Police Commissioner J. B. Fitts and I. C. Crook also made brief talks.

"I believe there is less crime in this city than in any other of similar size," declared Judge Felder in commending members of the department for their efforts "in making this city safe for its 40,000 inhabitants."

The speaker spoke of the limitations established by law surrounding an officer in carrying out his duties. He said that in some cases there was a tendency on the part of officers to abuse and exceed their authority with resulting injury to the public and themselves. He took up in detail some of the laws which are commonly abused by officers, including the practice of entering private homes and searching automobiles for liquor without warrants.

"There is no excuse for police officers making arrests simply to obtain the financial gain that accrues from fines," Judge Felder declared in voicing his objections to the fee system of paying officers.

"Arrests should only be made as a punishment for crime actually committed or to prevent acts when there is a certainty that the laws of your city, state or nation are going to be violated."

"Judge Felder has told you what you owe the public but there is even a greater duty which the public owes to you," declared I. C. Crook, attorney and new resident of the city, in a brief talk on how a city police department can secure greater cooperation from the public in building up an efficient department.

The speaker said that the public through the newspapers and other sources should be kept in touch with the work of the police department. He said in this manner the public would come to realize the difficulties confronting police work and would be less quick to criticise.

Commissioner Fitts explained the new traffic laws which go into effect on October 1. He stated that a rigid enforcement of the traffic laws both old and new would start at that time.

Chief of Police Morgan announced at the close of the meeting that all officers would be compelled to wear the regulation blue cap beginning October 1.

REMOVAL OF PAVING WILL BEGIN MONDAY

Taking the the paving for the traction company's short line from Floral Heights direct to the business district down Ninth will begin Monday, according to L. L. Albritton, general manager of the company. The section of the pavement to be removed has been marked by the workmen of I. M. Roberts, the contractor on this work and everything is ready for the cutting of the pavement, which will be done by machinery. The trolley wires were placed some weeks ago.

The concrete and earth taken from the excavation will all be thrown on one side of the cut in order that only half of the street will be blocked. All materials needed for putting in the new line are on hand, according to Mr. Albritton, and there is no reason for any delay in the completion of the work. It will require nearly 30 days for completion of the work, and another 30 days before the concrete will have set sufficiently to permit use.

The new downtown loop will be from Indiana on Ninth to Ohio, back to Eighth on the present loop, back Eighth to Indiana, and thence back to Ninth.

SALESMAN DROPS DEAD HERE FRIDAY

Frank D. Crawford, 55 years of age, a veteran travelling salesman in the employ of the Frank Tea & Spice company, with headquarters in Muskogee, and working this territory in conjunction with the Goodner Wholesale Grocer Co., dropped dead in his room at the Eldora hotel shortly before 6:00 o'clock Friday afternoon.

Mr. Crawford came from work feeling apparently all right, according to his wife, who was with him. He sat down on the bed, and mentioned their having a dinner engagement with a friend whose name she did not understand. With hardly another word, he fell back on the bed dead.

Mr. Crawford has been a salesman throughout this part of the United States for the past 25 or 30 years, and had a wide acquaintance among travelling men in his territory.

Funeral arrangements are being held up pending advices from other relatives.

FOR YOUR FEET'S SAKE
Sore or tender feet demand comfortable shoes. What could be more sensible than a pair of repaired shoes? What could be more desirable than a pair of repaired shoes made good as new? They will save you the agony of breaking in a new pair. Shoes properly repaired are shoes re-made. They save you money. They save your health and give you comfort. Who can in truth say that shoe repairing is not a real service?

FROM AROUND THE STATE

QUANAH

QUANAH Texas, Sept. 23—Hardeman county wheat crop this year approximated more than 625,000 bushels and it is the general opinion that fully as much land will be planted in wheat for the next crop.

Edward Short and family have gone to California their old home. The fare for himself and four others netted the railways $320.

Pile driving has begun on the Pease river bridge and work on the bridge will proceed as soon as material for it reaches this city.

Two men and two women are in jail here on charges of vagrancy and white slavery. H. D. Bishop of Wichita Falls, agent for the department of justice will take them in custody on white slavery charges.

Mrs. Susie Butler, wife of J. B. Butler, died in the sanitarium this morning. She is survived by her husband and several children.

STAMFORD

STAMFORD, Texas, Sept. 23.—Stamford is soon to have another hotel. Mr. and Mrs. Brown will be the builders. The new building will be located on South Ferguson street, opposite St. John's Methodist church.

Cotton pickers are coming in by the hundreds. Most of these workers are negroes and come from Central Texas points. There is a great deal of cotton around here, while the crops around Jaytown, Spur, Rotan, Roby and other places are extra good.

Cleo Thompson has gone to Washington, D. C., where he enters Georgetown University. He gets tuition in this university, which costs more than $700 a year, free. He won a name and fame in the navy as a football player.

Thousands upon thousands of doves have been slaughtered within the last fifteen days. Hunters say the birds are very fat and they were never more plentiful. There are many ducks coming in this country, while further west the arrival of ducks is a great deal more noticeable.

W. D. Thomas died at the Alexander sanitarium this week. The funeral took place at Anson. He was for nearly ten years editor and publisher of the Anson Western Enterprise. He abandoned the newspaper work for politics and was tax assessor for Jones county at the time of his death.

John Vard, one of the old timers, is reported to be near death's door at his home near Aspermont.

CHILLICOTHE

CHILLICOTHE, Texas, Sept. 23.—Rev. R. M. Lipscomb has returned from Fort Worth. The revival at Sagamore Hill won 50 converts and the congregation has planned for a $50,000 church building.

Cotton is selling at 21.60 on the streets at Chillicothe and the claim is made that Chillicothe has always paid more for cotton than any other town in the state.

Wilbarger has called an election to vote on a road issue of $600,000. Speaking of the election the Valley News says: "The bond should carry as Wilbarger has the worst roads of any county in the state."

The Country Club is contemplating fencing a portion of the land in order "to run a bunch of fine sheep for commercial purposes."

Sheriff Gober pleaded guilty in the city court charged with driving his Ford on the wrong side of the street and was fined $1 and costs.

ROAD PLANS APPROVED BY ENGINEERS

The distance yb highway between this city and Burkburnett will be shortened one and half miles and the distance to the Red River bridge, north of Burkburnett, will be shortened two miles when the concrete paving to those points are completed, according to road plans finally approved Friday by Henry J. Cox, district engineer for the state highway department and N. Mayo, engineer from the federal district office at Oklahoma City.

The state and federal engineer spent Thursday and Friday here inspecting the completed improved roads and those projects which will be completed during the coming year.

The route laid out by the engineers between this city and Burkburnett ends finally the contentions of Burkburnett citizens as to the route to be taken from Cashion school house into that city. The route varies from that suggested by County Engineer Isbell and which had been tentatively approved by the county commissioners' court.

Beginning here the present highway will be used to the Cashion school building. From there the pavement will extend to the Daniels farm house 14 miles north and a short distance west. From there the road will extend to the northwest through the Daniels, Willis and Powell farms, terminating at the cemetery. The exact route from there to the city paving has not as yet been determined.

The federal and state engineers accepted the new route decided upon by Mr. Isbell from Burkburnett to the bridge. This route is direct out Third street to the bridge shortening the present distance one-half mile. When the road is completed it will be 15.5 miles to Burkburnett and 17.6 miles to the bridge.

Both engineers expressed themselves as pleased with the paving from this city to the lake and from the city to Iowa Park. They also inspected paving under construction between Iowa Park and the Wilbarger county line.

ACCIDENTAL DISCHARGE WOUNDS MAN

P. A. Arbrogast, bridge inspector of the W. F. & N. W. railway, was seriously wounded in the right knee when a shot gun, which was carried on the motor car in which he and District Engineer C. W. Campbell were making a trip Wednesday afternoon of the road near Laverne, Okla., accidentally discharged, according to word received here Friday.

He was carried to a hospital at Woodward, Okla., where it was decided amputation of his right leg above the knee was necessary. His condition is said to be serious, owing to his having lost a large amount of blood.

According to information received at the local office of the W. F. & N. W., Mr. Arbrogast and the inspection party were nearing Laverne when the shot gun, in some manner was fired, striking the full load at close range.

COMPLETE PAVING ON NEW ROAD

The concrete paving of the county from the Wilbarger line joining with the paving at Electra was completed Friday by the McCollum Construction company. The contractors, according to information from the county engineer's office, have completed the two miles of paving in less time than specified under the sub-contract which the company has with the county.

It is expected that the company will start Monday on the construction of the paving east from Electra to join with the Potts and Prentice paving which will be completed to within a mile and half of the present east limit of the city paving. The company barring unfavorable weather will complete the work within six weeks.

According to County Engineer Isbell approximately 1,000 feet of grade between Electra and Iowa Park in what is commonly known as the Buffalo creek bottom, will not be paved by Potts and Prentice until a rain has settled the grade. Mr. Isbell said Friday that it had not rained since the three foot grade was constructed and that it would be unsafe to pave the road at this time. One of the Potts and Prentice mixers is within a short distance of Buffalo creek. The 1,000 feet will be passed up, paving being resumed on the other side of the grade.

WHERE TO GO

Olympic—D. W. Griffith's "Dream Street."

Strand—Pola Negri in "Gipsy Love."

Empress—Tom Mix in "The Night Horsemen."

Majestic—William Fairbanks in "A Broadway Buckaroo."

Gem—"The Valley of Doubt."

TOTAL OF 167 CIVIL CASES FILED

A total of 167 new civil cases have been filed in the 89th District court for trial during the coming term which opens October 3. Friday was the last day in which cases could be filed in that court so as to secure service for the coming term. Of the total cases filed during the last few weeks 39 were divorce cases.

The number is approximately the same as were usually filed for the same term in the past in the civil court business in the county, showing no decrease over the boom period of one and two years ago.

No cases have been set from the docket for the remainder of the present term which ends October 1. Several postponed cases and various motions will be heard during the next ten days.

HABEAS CORPUS FOR WAGNER NOT ASKED

PROPOSED PETITION SEEKING LIBERTY HAS NOT BEEN FILED.

The announced intention of attorneys representing C. M. Wagner, former city policeman held at the county jail without bail for the alleged murder of W. J. Webb, to file habeas corpus proceedings to secure his release on bond had failed to materialize up to Friday night.

It had been expected that the hearing in connection with the proceedings would be held Friday before Judge Ed Napier of the 78th District court.

It is understood that the proceedings will be filed later.

SUNDAY, SEPTEMBER 25

Announcement Extraordinary

Dr. Royal J. Dye, missionary, who spent a decade in the heart of darkest Africa, and who was stricken with that terrible disease, the sleeping sickness, will be with us.

The message will thrill every hearer.

With him will be Mr. S. W. Hutton and Mrs. McMasters.

We invite you and every member of the family to be at the Bible School promptly at 9:30 a. m., when the rally will begin.

Tell your friends about this. Crowd the building at both morning and night service. Do not miss this. You may live a lifetime and never meet a greater man than Dr. Royal J. Dye.

Only the regular offerings of the day will be taken.

O. W. SMITH Says:

It's an absolute fact that you can get the best goods for less money at this store. All pure food regulations are complied with—and then some.
