DISCREDITS PART OF NEGRO'S CONFESSION

(By Associated Press)

WACO, Feb. 10.—There was no demonstration last night indicating danger of mob violence in the case of Roy Mitchell, negro, confessed slayer of five victims, and assailant of three white women.

Sheriff Stegall has notified Gov. Neff that rangers and troops are not needed, and stated that the local officers were prepared to handle the situation and protect the negro from any mob violence. Gov. Neff had given orders for rangers to come here, but upon receipt of the sheriff's message he immediately countermanded the order.

The McLennan county attorney has not filed a complaint against the negro for killing W. H. Baker, wife, and Homer Turk at Concord last February. Mitchell's statement that he also committed this crime is not given credence, and the officers say that circumstances in the case do not tally with the negro's confession.

DEAD BANDIT HELPED CRACK WINTERS BANK

(By Associated Press)

TULSA, Okla., Feb. 10.—Federal agents were hot on the trail of Frank Holloway, the Southwestern bandit, when he met his death a week ago, it was learned today. Holloway was wanted in connection with big Liberty Bond thefts in New York, and the officers believe that he was slain by those involved in the bond deal to prevent him from talking.

Sheriff Hartson of Dallas county, will file his claim for the $10,000 reward offered for the arrest of Holloway. The reward was offered in connection with two train robberies at Denison and Texarkana. Hartson is said to have caused Holloway's arrest on evidence gathered by the officer, and it is believed that the desperado would have been convicted, but his pals killed him ifor fear he would turn state's evidence.

Frank Holloway, whose body was found in a shallow grave Thursday, was a member of the band of bank robbers who robbed the Winters State Bank a few years ago, and at which time Al Inman, a member of the gang, was killed by a member of the posse who chased the bandits into the mountains at Buffalo Gap. Holloway had figured in many robberies throughout the country. He had been apprehended and was being used by officers to catch other members of the band of robbers when he was slain by a member of the outlaw band.

KEEPS UP FIGHT TO RESTORE JIM

(By Associated Press)

AUSTIN, Feb. 10.—The attempt to restore citizenship to former Governor James E. Ferguson in the Senate is a closed matter as far as the present Senate is concerned. Lieut. Gov. Davidson said today that he considered the proceedings on resolution expunged from the records of the Senate. Senator Parr, who presided during the action on the resolution yesterday, declared he considered the action legal and the action to expunge was without effect. Reports are current today that court proceedings will be instituted to determine the legality of the Senate proceedings yesterday.

The resolution to restore Mr. Ferguson to citizenship came up yesterday afternoon while Senator Archie Parr of Duval county, was presiding in the Senate, and the resolution was adopted. When Lieut. Gov. Davidson returned to the chair of the upper house a motion was offered to undo what the Senate had just done and expunge from the records the action during the absence from the chair of Mr. Davidson, and the motion carried, and the Senate adjourned until Monday.

TICKETS ARE SELLING FAST FOR AMERICAN LEGION MINSTRELSY

The sale of tickets for the American Legion Minstrel show is well underway and almost all of the center section of the reserve seats is sold and there is still a whole week to go. A prize will be given to the young lady selling the most seats and some of the girls have already reached around the 40 mark. The prize will be a doughboy parlor lamp and will be given by the Ballinger Electric Co.

Rehearsals have been underway for two weeks now and the management announces that the show will be in tip-top shape and will far surpass the show given by the local post in 1921. 75 people will be used in the cast and these people have been carefully picked.

An artist will commence Monday to prepare the special scenery to be used in staging the show, and nothing will be spared to give the people one of the best shows ever staged in Ballinger. One of the big features will be the school children's matinee. Prices have been cut to 25 and 50 cents for students and children at this matinee thereby putting the big show in reach of all the children. Ten per cent of all the school tickets sold will go to the Annual fund of the High School.

If you have not secured your seats you should phone the Weeks Drug Store and make your reservations.

Takes Pleasure in Presenting

PRISCILLA DEAN

as Cigarette, the Daughter of the Regiment, in the romantic story of adventure and thrill that will live forever—

"UNDER TWO FLAGS"

From the immortal novel by OUIDA. Directed by Tod Browning.

The Cast

Cigarette	PRISCILLA DEAN
Victor	James Kirkwood
Ben Ali Hamed	John Davidson
Marquis de Chateauroy	Stuart Holmes
The Colonel	W. H. Bainbridge
Princess d'Amague	Ethel Grey Terry
Corporal Louis	Fred Cavens

7,000 horsemen—3,000 Arabs—4,200 soldiers
The Famous Oriental Ballet
Thousands of extra players, etc.

The Story

Victor, a derelict in Algiers, shakes dice with Cigarette, the Daughter of the Regiment, to determine whether he shall fight with France or with her enemies, the Arabs. Cigarette wins, and subsequently learns to love the quaintly forceful Victor, who is a man of mystery. Princess d'Amague arrives from England at the height of the intrigue against the Chasseurs promoted by the Arab Sheik Ben Ali Hamed, and it is revealed that Victor is in reality a British nobleman. His favor with the Princess earns him the hatred of his colonel, who conspires to have him shot for treason. Cigarette, apparently accepting the advances of her enemy, the Sheik, learns of this and riding wildly with a stay of execution, arrives just at the crest of the Arab attack. What follows both in the way of stupendous action and beautiful love scenes helps to make this a picture that will live forever in the memory of all who see it.

FOOD FOR THOUGHT

In 1912 the Santa Fe Railroad's tax bill was $414 per mile for every mile of railroad operated, or a total of $4,438,000.000. In 1921 the tax amounted to $1,270 per miles, or a total of $14,836,000.00. The 1922 figures are not yet available, but they will greatly exceed the amount paid in 1921. What is true of the Santa Fe railroad is true of every other line of business and with the individual tax payer. And we should remember that Jones pays the freight.

"I am glad to recommend anything that has been the help to my family that Black-Draught has.

"My present health is good. Have two boxes of Black-Draught in the house now."

TWO FORMER PIONEERS OF THIS CITY DEAD

Mrs. Ben Smith received notice Saturday morning that her father, C. E. Abernathy, was dead. Mr. Abernathy died at Sterling City Saturday morning at six o'clock. Mrs. Smith left for Sterling City, but later information received in Ballinger stated that the funeral would be held Saturday afternoon and interment made at Garden City. Mrs. Smith will not reach there in time to attend the funeral.

Mr. Abernathy died of cancer, and due to the inability to get an undertaker at Sterling City the physician advised immediate burial.

Deceased formerly lived at Ballinger and was one of the pioneers of this country. He left several years ago and moved further West, locating in Sterling, and for the past few years he has been making his home with his son at Sterling City, and frequently visited his daughter here.

The young man went out in the pasture to cut some wood and carried his gun along to shoot rabbits. He ran onto the fox eating a rabbit and shot it. The pelt measured four feet from tip to tip.

The Commandments

"Fear not; for God is come to prove you, and that this fear may not be before your faces, that ye sin not."
—Ex. 20:20.

GOD has planted on either side of the pathway in our life the Ten Commandments like thorn bushes, buttresses and guards, that the pilgrim may be confined to the path that leads to prosperity, safety and peace.

1. Thou shalt have no other gods before me.
2. Thou shalt not make unto thee any graven image.
3. Thou shalt not take the name of the Lord thy God in vain.
4. Remember the Sabbath day, to keep it holy.
5. Honor thy father and thy mother.
6. Thou shalt not kill.
7. Thou shalt not commit adultery.
8. Thou shalt not steal.
9. Thou shalt not bear false witness against thy neighbor.
10. Thou shalt not covet.

The church stands as a great restraining force against the violation of the commandments.

DECLINE OFFER TO HELP BOYS

The father would not consent for his boys to go, nor would the boys agree to leave their father, when an offer was made to place the two boys of a family which is in need, with the Salvation Army, Friday. The attention of the public was called to the case several days ago, and charitable aid offered. Several ladies called at the home where the family resides, and where one of the little boys is lingering on a cot recovering from a fractured hip. The family reluctantly accepted some bedding which the ladies carried out. "We appreciate your kindness," said the father of the boys, "but we can get along all right, and I do not want to give my boys up."
The mother of the boys has been dead for ten years, and the father says that he has cared for them so far, and can continue to do so. The officers recently found two quarts of liquor and parts of a crude still in the house where the family is temporarily living, and if the law should be enforced the boys would be left helpless. The citizens who called Friday afternoon and offered to see that the boys were placed in a good home, where they would receive schooling and be properly cared for, told the father and the boys to think it over, and if they decided to accept the proposiition, to let it be known. They have not made known their decision.

FIFTH JUMP FOR PRICE ON CRUDE

(By Associated Press)
TULSA, Okla., Feb. 10.—The Prairie Oil & Gas Company advanced the price of Mid-continent crude oil ten cents per barrel today. The new prices range from $1.40 to $2.50, and this is the fifth ten cent raise made this year.
The failure and falling off in production to keep up with the demand caused by a lack of further development in producing territory, and the report that salt water was filling Mexican wells, is responsible for the increase, oil men said here today.

NEW HOMES PLANNED FOR TOWN OF NORTON

Rev. J. N. Hester, pastor of the Methodist church at Norton, who was here Saturday en route to his home from Brownwood, where he had been in the interest of church work, reported that things were looking mighty good in the Norton country for a successful year.
Norton farmers have their land in good shape, the seasons have been the best in several years, and the outlook for a good crop was never better. The farmers are organizing a stock company and will construct a $20,000 gin at Norton.
Rev. Hester stated that plans were on foot for the construction of at least five new homes at Norton. L. C. Underwood recently contracted for a strip of land from Tom Setser, adjoining the town, which will be cut up into lots and sold out for homes.
