NUMBER 21

Proposed legislation just submitted to Congress by President Nixon includes a suggestion to plug loopholes in income tax regulations. It's a long overdue reform which has the enthusiastic approval of millions of people. For many years they have been unhappy with the fact that lots of big income people manage to pay little or none of the tax.

That, of course, is only one of the many gripes concerning the income tax. With the tax-paying deadline just past, complaints are still fresh on the average person's memory. He can state very bluntly that the tax is too high in the first place, especially in view of the fact that a large percentage of it is goofed off in wasteful government spending. He recalls with indignation how millions in poverty payments were made to big city gangs who used the funds for high living or even to promote violence. Also how hundreds of millions, perhaps billions, are used to support professional welfare recipients who make a business of having illegitimate children or able bodied loafers who refuse to work for a living.

In addition there are dozens of whacky appropriations, adding to many millions of dollars for projects like teaching bead work to Indians or studying the love life of monkeys in some jungle. This column can't name them specifically here, but all of us can remember reading about them.

Another income tax abuse that urgently needs to be eliminated is diversion of millions to tax free foundations. Theoretically such donations are supposed to be used on educational and charitable projects, but we have heard too often how the funds come under supervision of left wing crackpots and are actually used in supporting radical or subversive activity.

Some foundations are notoriously consistent in propagandizing the communist line of global politics and the socialist line of domestic economy, and spreading Marxist ideology in the name of academic freedom. They are a detriment to the American way of life.

The highly objectionable nature of their activity becomes even more objectionable by the fact that they divert the cost of financing to people like you and me. Taxes they are evading represent the increased taxes the rest of us are assessed in the government's effort to balance the budget. They are somewhat like shoplifters, who cause merchants to increase prices so they can stay in business. Indirectly we average people have to pay for their misdeeds.

The President's program also asks for an overhaul of the postal system to remove it from the government's liability list. A suggested change which gets more popular daily is turning the department over to private enterprise. The feasibility of such a change has already been indicated by the success of a concern which is doing a fine job of handling a portion of the country's mail. The most significant point here is that this is second class mail, the kind which is blamed for postal service deficit. Well, this private service has been doing the job cheaper and faster than Uncle Sam, and makes money on the operation. The fact suggests very strongly that private business could do very well with the job of handling all mail.

This idea is intriguing. We see visions of eliminating a billion dollar deficit from the federal budget while the country gets an improvement in postal service. We can even imagine a reduction in postal rates. Why not? Savings from efficiency in other public services have been shared with customers.

The idea brings back memories of the proposed Liberty Amendment, which received some attention about a decade ago. The suggestion was to get the government completely out of all business which can be operated by private enterprise. First benefit from that is to use the enormous amount from sale of all those properties to reduce the national debt, thereby also reducing the annual interest on debt by several billion a year. Next benefit is to eliminate the annual operating deficit of all those federal businesses. Still another big benefit is changing all those businesses from the

J. H. Wimmer Is New Commander Of Muenster VFW

John H. Wimmer has been elected new commander of Muenster Veterans of Foreign Wars Post. The annual election Monday night put seven new names on the official roster and kept one officer for another year.

Serving first terms with Wimmer will be Larry Yosten, senior vice commander; Charles Knabe, junior vice commander, Donald Hennigan, chaplain; Clarence E. Hudspeth, surgeon; Frank Felderhoff, judge advocate; Don Flusche, three-year trustee. Herbie Herr continues as quartermaster. Holdover trustees are Virgil Henschel and Bernard Hesse.

In other business members made plans for the annual observance of Memorial Day on June 1. Retiring commander Don Flusche presided.

A program was presented by four of Sister Richard's speech and drama students of Sacred Heart High: Dianne Sicking, Darlene Hess, Diane Hess and Beverly Koelzer who gave poetry and dramatic interpretations. Sister Richard attended with them.

Special guests for the men's meeting were J. T. McDonald, district quartermaster and John Walker, post commander, both of Denton.

Many a man's charity is to give unto others the advice he can't use himself.

SH Teams Are TISC Volley Ball Champs

*Teams of Sacred Heart High are the champs in both divisions of volleyball in the TISC this year. They returned home with the two top trophies of the conference tournament held last Saturday at Fort Worth Country Day School.

The Tigers, under direction of Coach Joe Felderhoff, competed in a double elimination

16 Students Will Represent MHS In Regional Meet

Muenster High School will send sixteen students to the Interscholastic League regional meet at Tareyton State College, Stephenville, this weekend.

Seven of them, who were first place winners in scholastic events of the 18-B district meet last week, will compete Friday afternoon and night. The remaining nine, plus one of the literary events entries, will compete in the track meet Saturday, and will go to Stephenville the day before in order to be rested for the meet.

Eligibility in track is first or second place in the district meet. Muenster got no second places at the district meet, hence its entries were first place winners.

Entries in literary events will be Lynn Joe Klement in number sense and science, Gerry Cash and Carmen Wimmer in poetry interpretation, Beverly Bruns in informative speaking, Bobby Bruns and Jan Wilde in prose reading, Elaine Otto in typing.

Entries in track are Clifford Sicking in 100 yard dash, 330 intermediate hurdles and 440 relay, John Felderhoff in 440 dash, 440 relay and mile relay; Dennis Lutkenhaus in 880 yard run and mile relay; John Monday in 120 high hurdles; Don Hartman in mile run, John Dangelmayr in discus; Mark Hellman and Earl Koelzer in 440 relay; Bobby Bruns and Andy Knabe in mile relay.

tournament beating Cistercian Prep, Greenhill and the Day School, then beating -Day School again to clinch the title. Meanwhile Tigerettes, coached by Mrs. Tommy Herr, were in another court of the big Day School gym playing a round robin with the other three entries, Day School A, Greenhill and Day School B in that order. Like the Tigers they made a clear sweep of their series. Playing in both divisions was governed by Olympics rules.

Members of the boys team were Lee Roy Hess, Kenny Schmitz, Jerry Schmitz, Danny Schmitt, Tim Endres, Don Schneider, Melvin Bayer, Fred Fuhrmann and Ronnie Hess.

The girls were Kaye Klement, Doris Schilling, Beverly Koelzer, Donna Endres, Judy Klement, Denise Walterscheid, Darlene Walterscheid, Peggy Sicking, Diane Sicking, Margaret Kralick and Nancy Endres.

22 Boys Report for 1969 Baseball at Sacred Heart High

Twenty two eager Tigers reported to Coach Joe Felderhoff Monday for the first day practice in Sacred Heart's 1969 season. Included in the group were ten lettermen making up most of the team which closed out its 1968 season with four straight wins. Felderhoff and his Tigers have strong hopes of going on from where they stopped last year.

They will depend strongly on the steady pitching arms of Lee Roy Hess and Don Schneider and the catching of Jerry Schmitz for most of their defensive work and the over-all good hitting record for their offense. Those other lettermen are Kenny Schmitz, Tim Endres, Melvin Bayer, Glenn Schoech, Melvin Schilling, Andy Truebenbach and Paul Bayer.

Boys who will compete for places on the lineup are Bobby Sicking, Mike Endres, Jim Dangelmayr, Fred Fuhrmann, Allen Hess, Tim Bindel, Ronnie Hess, Jim Schmitz, John Luttmer, Wayne Grewing, Gene Hess, Glenn Miller and Cletus Bayer.

The season's schedule still is not complete. A game is booked with Dallas Christian and more are expected with other members of TISC, however, no official conference schedule will be played this year. In addition the Tigers hope to find open dates on schedules of other teams in this area.

One of the easiest ways to get into trouble is to be right at the wrong time.

Muenster 4-H's Shine in County Going to District

Muenster 4-H Club boys and girls gathered up 17 wins in the county eliminations contest and will test their skills again in district competition at TWU in Denton Saturday.

Winners at CCJC are Ernie Martin, SH, blue ribbon in Senior Electricity; Dolly Bayer and Shirley Swirczynski, CC, red in Junior Safety; Linda Miller and Laura Kralick, SH, blue in Junior Community Improvement; Peggy Endres, SH, blue in Senior Foods and Nutrition.

Beverly Walterscheid, SH, blue in Junior Money Management; Alan and Sharon Rohmer, SH, blue in Junior Natural Resources (team); Lyle Klement, CC, blue in Junior Natural Resources; Kathy Rohmer and Peggy Sicking, SH, blue in Senior Cooperatives; Lenora Fleitman and Carolyn Bayer, CC, red in Junior Cooperatives.

Other entries from Muenster clubs in the county contest were: Darrell Walterscheid and Doyle Klement, SH, red in Junior Safety; Marge Hesse and Shirley Becker, SH, white in Junior Safety; Shirley Sicking and Darlene Felderhoff, SH, red in Junior Vegetable Production and Marketing; Joey Koesler and Chris Felderhoff, SH, red in Junior Natural Resources; Elaine Sicking and Terry Grewing, SH, white in Junior Poultry Marketing.

Jaycees to Play Scholarship Fund Basketball Game

Muenster and Gainesville Jaycees will clash in a basketball game in Sacred Heart High gym next Wednesday, April 23, 8 p.m.

The game, sponsored by the school's National Honor Society, is a benefit for the scholarship fund to be given to a 1969 Sacred Heart graduate who will be attending Cooke County Junior College in the fall.

The fund will total \$200 when completed. Fifty dollars donated by each of the Jaycees clubs to be matched by the school or a school organization.

Advance ticket sales are in progress at 35 cents each. Tickets will be fifty cents at the door on game night. Tickets may be obtained from a Muenster Jaycee, from Margaret Kralick or Cynthia Bindel.

1.38 Inch of Rain

More rain during the past weekend added 1.38 inch to the local moisture with readings of .11 on Saturday and 1.27 on Sunday. Present records show 1.42 for the month and 10.89 for the year.

MHS All Awards Banquet April 25

Tickets went on sale this week for the annual all awards banquet at Muenster High School. This is the event in which all awards of the year are recognized or presented — except those which are to become part of the graduation exercise.

The event will be held Friday night, April 25, at 7:30 in the MHS gym. The preparations committee asks people who wish to attend to get their tickets next Tuesday or before, so they will know how many meals to order from the caterer. Tickets are available at Fisher's Market, Hamric's and the school.

Overweight is like sugar in a coffee cup. After a while, it settles at the bottom.

VFW and Auxiliary Present Awards in Democracy Contest

The Voice of Democracy awards, which are sponsored annually by the Muenster VFW Post and Auxiliary, were presented to six students this week at assemblies in Sacred Heart High and Muenster High. The awards were gift certificates to the Charm Shop or Hamric's in amounts of \$15, \$10 and \$5.

Winners of first, second and third places respectively at Sacred Heart were Donna Rohmer, Mary Jane Swirczynski and Peggy Sicking. At Muenster High they were Sandra Sloan, David Fette and Pam Stoffels. Mrs. Don Flusche, Auxiliary president, made the presentations at Sacred Heart. Principal Charles Cash presented them at Muenster High.

Voice of Democracy is an oral contest. Speeches written by the contestants are put on tape and judged locally for the local awards and first place winners become eligible to advance to district, state and national competition. The title this year is "Freedom's Challenge." Locally the VFW post provides the award money and the auxiliary does the work.

Chico, Greenwood Teams Win Local V'Ball Tourney

Malloy Pump of Chico and The Hustlers of Greenwood took the big trophies in this year's volleyball tournament sponsored by Sacred Heart Alumni. They were survivors of the men's and women's divisions respectively in the hottest schedule of contests ever in the local gym.

Their victims were First National Bank of Henrietta in the men's division and KN Root Beer of Bowie in the women's division, who received the runner up trophies of the championship bracket.

Four more trophies rewarded final contestants in the consolation brackets ... two for the consolation winners and two for the consolation runners up. In the men's division final Prairie Valley beat Sacred Heart Alumni, in the women's final Whizettes of Gainesville tripped Russell Newman No. 1 of Saint Jo.

Eighteen men's teams and sixteen women's teams from seven counties participated in the tournament.

"IF HE'D JUST HEARD EARLIER"

"Because you have no previous convictions, I am permitted to give you parole ... But if you never see the inside of a penitentiary, you will not have escaped the penalties

of your crime."

These words were said by a judge in Iowa to a convicted 16-year-old felon and were reprinted, along with the judge's other remarks, in the St. Francis (Kan.) Herald and the Kentucky Bar Journal. A reprint of the article came across my desk the other day, and I found the judge's words so penetrating that I decided to use some of them, for whatever impression they might make on any young man.

The judge went on to explain to the young parolee the tragic effect of a felony conviction. Listen:

"The record of your conviction will be here as long as the

courthouse stands. No amount of good conduct in the future can erase it ... If you are ever called to witness in any court some lawyer will point his finger at you and ask: 'Have you ever been convicted of a felony?' ... And the question will be asked for the purpose of casting doubt on your testimony. Convicted felons are not believed as readily as other persons.

"It may be that someday ... you will apply for a passport. You will not get it ... No country will allow you to become a resident.

"Your world is, oh, so much smaller than it was.

"Some day you may seek a position in the civil service ... You will find the question: Have you ever been convicted of a felony? Your answer will bar you from examination.

"You may want to take a position of trust, where a surety bond is required. On the application will appear this question: Have you ever been convicted of a felony?

"In a few years you will be 21 and others your age will have the right to vote, but you will not ... You will be a citizen of your state and country, but you will have no voices in public affairs.

"Your country is calling men to colors ... But the Army will never accept you, nor will the Navy ... You may serve your country in a labor battalion perhaps, but never behind guns. Yours may be the drudgery of war, but never the honor that comes to a soldier.

"I am granting you a parole. A parole is in no sense a pardon. You will report to the men who have accepted your parole as often as they may ask. Your convenience is not a matter of importance. You will answer fully and truthfully any question they may ask. Should they suggest that you refrain from going to certain places or with certain companions, you will follow their suggestions and without grumbling.

"You will also obey your parents ... You will perform tasks as are assigned to you. Your parole is a fragile thing.

"Should the slightest complaint of your conduct reach this court, your parole will be revoked immediately ... You will not be brought back here, for questioning or explanations. You will be picked up and taken to prison without notice to you and without delay."

... Those were the judge's words, said to his friend's young son who stood before him for sentencing.

The judge remains anonymous. So does the young prisoner. But we can imagine the heartache that the judge must have felt, passing judgment on a family friend. We can imagine the family's heartache. Even the young boy's.

We can imagine, too, that if the young boy had heard or read words like this before he committed his crime, he might have stopped to reconsider.

Perhaps someone else will stop to reconsider. That's why I have passed the words along. —Tom Coffey.

NEA TO DEAL WITH "EXTREMISTS"

Is the super-liberal National Education Association (NEA), the most powerful education lobby in the country, waking up to the danger of radical

infiltration of the schools?

As campuses across the country are under siege from revolutionaries who are physically assaulting teachers and administrators, closing down classes through Gestapo-like tactics and preaching Marxist gospel, the good old NEA has finally decided to hold a meeting on how to deal with "extremists." A recent press release related that "With assault on the schools increasing, some 200 persons will meet here (Washington D.C.) to consider strategy for 'Dealing with Extremist Attacks.'"

An invitation to the conference at Crabtree Auditorium in NEA building explained that "Extremist attacks on education are growing. The curricula of schools have been curtailed or eliminated in five communities and the extremists are particularly active in 14 states."

Encouraged by this apparently new outlook of the NEA's Human Events contacted spokesman Paul Putnam to find out just who some of the speakers might be. Who, for instance, would speak on the Black Panthers, the Black Students Union, the Communists party, the SDSers and all the other left-wing groups attempting to seize the schools?

Well, Mr. Putnam explained, the conference isn't really going to deal with these groups — though it may at some future and undetermined date. For the real threat the conference hopes to expose that favorite bogeyman of the NEA, the "far right."

These "extremists," according to literature handed out through Putnam's office, have been engaged in such terrible demonstrations like "mass mailing to teachers attacking their professional education associations" and trying to prevent schools from "adopting a curriculum on Family Life and Sex Education." Moreover, they have been successful in "some communi-

ties" in curbing these courses.

In order to alert the public to these dangerous doings, the NEA has scheduled a number of special "far right watchers" for the conference, including Wesley McCune, director of Group Research, Inc., and Jerome H. Bakst, director of research and evaluation for Anti-Defamation League. Much of the conference, reportedly, will also dwell at length on the "sins" of the John Birch Society and one of its films.

Meanwhile, of course, Marxist-minded revolutionaries continue to disrupt high schools and colleges from coast to coast.

WORK OR STARVE

An editorial in The Christian Science Monitor comments on a contemporary from of oppression that has no place in the United States. It says, "The Supreme Court has agreed to decide whether a labor union has the power to fine members for (what the union considers) overproduction on the job. What an amazing — and saddening — commentary on affairs today! In a land which perhaps more than any other on the face of the earth, has always prided itself upon hard work, and upon what hard work can accomplish, how chilling it is to find that there are those who believe they have the right to require laziness and time-wasting."

Anyone who feels a deliberate slowdown on the job is irrelevant to today's soaring prices should be interested in a brief from the publication Steel Facts which reports: "Hourly employment costs for production and maintenance employees in this country's steel industry during the past two decades have been rising more than three times as rapidly as output per man-hour of all employees."

We care where our product is served.

Beer served in pleasant and wholesome surroundings is the aim of the United States Brewers Association. And we are always striving to do something about it.

The USBA is represented by field men around the country. They meet with proprietors of establishments where beer is sold. They work in every way possible to promote a set of high standards wherever beer is served.

This USBA effort means even more enjoyable places for America's great beverage of moderation.

Tip of the week — Melted synthetic fabric can be cleaned from the soleplate of an iron if you heat the iron on the warm or low position. Dip a steel wool pad into acetone and lightly rub the soleplate. Wipe clean with a damp towel, and repeat if necessary. —Dorothy G. Blackwell, OSU extension specialist.

Electronics Talk Given at SH High

A talk and film on electronics was presented to Sacred Heart High sophomores, juniors and seniors Monday by I. H. Kramer of DeVry Institute of Technology, Dallas.

Theme of his talk and title of his film was "The Place for Electronics in the World Today."

On invitation from Mr. Kramer, students will tour the Dallas facility, a branch of Bell-Howell, next Tuesday.

Three FHA Girls Earn State Degree

Three of Muenster High School's FHA Chapter members have passed requirements for the state FHA degree, the highest honor a Future Home-maker of America can earn.

Sandra Sloan, Pam Stoffels and Susie Yosten were cleared Saturday by the area 5 Evaluating Committee meeting at Grand Prairie with degree candidates from the area. There are 30 from Area 5 this year.

Honors will be formally accorded at the state FHA convention in Dallas next month.

Mrs. Henry Weinzapfel, local chapter advisor, accompanied the Muenster trio and served on one of the evaluating committees.

Drive Starts for STAGE Members

The annual drive for membership in STAGE (Something Around Gainesville Exciting) is under way now and will end Saturday, April 26.

As the name suggests, STAGE is a local organization formed to sponsor stage presentations of concerts and other outstanding programs. Four programs are on schedule for this year and efforts are under way to add another.

Membership in the organization is \$7.50 a year for adults and \$3.50 a year for students, including college students. Interested persons of the Muenster area are invited to contact Mrs. Earle Otto.

At Kin's Funeral

Mr. and Mrs. Lee Toothaker who had been making frequent visits to Sherman to attend the bedside of her brother-in-law, Bob McAfee, were at his funeral last Tuesday. McAfee, 72, died on Easter Sunday after an extended illness. He was a former manager of TP&L at Sherman. Services and burial were held there. His wife survives. She's Mrs. Toothaker's sister.

Teacher: "If you have seven pieces of candy and I asked for four, how many would you have left?"
Student: "Seven."

SH Science Dept. Enriched by Gifts

Recent gifts to Sacred Heart High School have enriched the science department to the delight of Sister Theresina and students.

Recording Timer
Father Andrew again presented the physics class with apparatus. This time it is a recording timer, a device which is useful for measuring the small intervals of time it takes a moving body to cover a very small distance.

It is essentially a clapper that is kept vibrating at a regular rate. It strikes a ticker tape that is pulled through guides over a wooden block by the body whose motion is to be timed. A piece of carbon paper placed between the clapper and the moving tape enables the clapper to make a dot on the tape for each vibration.

Mercury
Ray Voth salvaged between five and six pounds of mercury from discarded equipment and sent it to his former teacher through his son Danny who in turn is taught general science by the same teacher.

In case one is not familiar with the value of this donation, Sister Theresina points out that a pound of mercury is worth from 17 to 22 dollars ... and it's hard to find a single pound of the heavy metal.

Books
Paul Luke, professor of physics at a Junior College in Dallas, on a recent visit to his former science teacher, presented Sacred Heart Library with three up to date valuable textbooks on Algebra and Physics, College Algebra and College Physics.

Frank Medders again applied his painting skill to the newly acquired recording timer while Andy Truebenbach repaired stools in the science department.

To all these benefactors Sacred Heart Science Department is most grateful.

Wanted in the department are a discarded ammeter or voltmeter which would still serve ... or anything else that could be put to use in the various fields of science taught at S. H. School.

Nothing puts a family in debt as much as a small raise.

Mary Knabe, Bride Of Claude Bayer In Vows at Mass

A 5 p.m. wedding solemnized in Sacred Heart Church Saturday united in marriage Miss Mary Knabe, daughter of Mr. and Mrs. Norbert Knabe, and Claude Bayer, son of Mr. and Mrs. John H. Bayer. Father Andrew Wewer was celebrant of the Nuptial High Mass and directed the exchange of vows in a double ring ceremony. Sacred Heart school choir directed by Sister Maureen provided music for Mass. Janice Grewing was organist.

Pre-nuptial and post-nuptial solos were sung by Mrs. Norbert Walterscheid accompanied by Anthony Luke on the

organ. After the service the bride placed the traditional floral offering on the Blessed Virgin's altar.

Given in marriage by her father, the bride wore an Empire gown of white peau de soie with a scalloped neckline and elbow length sleeves of Chantilly lace. Lace ornamented the skirt front and formed the chapel train. Her bouffant veil was waist length and her flowers were white roses. For something old and borrowed she wore a necklace belonging to her grandmother, Mrs. Matt Muller.

Miss Barbara Knabe was her sister's maid of honor and Miss Cynthia Stoffels was bridesmaid. They wore blue chiffon Empire dresses over peau, daisy headpieces, and carried baskets of daisies.

Bernadette Knabe, sister of the bride, was flower girl in yellow and Craig Bayer, nephew of the bridegroom, was ring bearer.

Clinton Bayer and Pat Knabe, brothers of the couple, were best man and groomsmen.

Wedding reception and buffet were held in the Parish Hall for 250 relatives and friends. The wedding dance was in the VFW Hall.

When the couple left on their honeymoon she was wearing a pink dress with a pink and white cape and white accessories.

They will reside northeast of Muenster in a mobile home. He is associated with J. H. Bayer & Sons following a tour of Army duty with overseas service in Germany. She is employed at Evelyn's Style-room.

Pre-Nuptial Shower

A pre-nuptial gift party honored the bride Thursday in TP&L building. Sharing hostess duties were Mrs. Jerry Sicking, Mrs. Martin Becker,

—Launer-Dare Photo

Mrs. Charlie Pagel and Mrs. Tommy Knabe.

They served refreshments to 25 guests. Centerpiece for the refreshment table was a basket of yellow daisies, the hostess gift to the honoree.

Out Of Town Guests

Out of town wedding guests included Major and Mrs. C. C. Blanton and daughters of Mineral Wells, Messrs. and Mmes. Joe Schroeder of Windthorst, C. D. Richards and family of Arlington, Pete Helling of Lindsay, Clyde Muller and children of Bedford, Angelo Nasche and sons of Hurst, Dale Hess and children of Lewisville.

Donna Knabe, bride's sister and Cheryl Bayer presided at the guest book.

Also Jim Gehrig and the James Dennisons of Fort Worth, Dianne Gehrig and Annette Sicking of Sherman, the Randy Bayers of Grapevine, the James Bayers of Valley View, Clarence Bayer and Frieda Forcht of Arlington, the Allen Reiters of Dallas, Miss Mary Wimmer of Denton, and others from Gainesville and Lindsay.

Mrs. Wilder Back From Mexico Trip

Mrs. Katie Wilder has returned from a month's visit in Tecoman, Colima, Mexico, with her son and family, the Fritz Zimmerers. They took her sight-seeing including Cuyutlan Beach, ate a fish dinner at Pascualas and drank coconut milk from huge coconuts at El Real Beach, all in Colima.

Going she visited at Houston with a daughter, Sister Madeleine and met her son at Brownsville for the trip to Colima.

Returning she flew to San Antonio, then to Houston, and joined by Sister Madeleine, rode the bus to Westphalia to visit another daughter Sister Benedict over the weekend. She came back to Muenster in company of two nuns returning to Bethany, Okla., after a visit in Westphalia.

Father Placidus Is CDA Speaker

Members of Muenster court Catholic Daughters of America had their chaplain Father Placidus Eckart as speaker for the program at their April meeting Thursday night. He themed his talk on the Resurrection.

Mrs. Alvin Fuhrman, grand regent, presided and gave a report on the district meeting the local court hosted recently.

Mrs. Joe Luke gave the library report and the nominating committee reported on a slate of officers to be presented to the membership at the annual election next month.

About 25 members attended and Mrs. Martin Becker's name was drawn for the door prize.

Mr. and Mrs. Larry Yosten and daughters Marianne and Mrs. Pat Klement spent the weekend at Jonesboro, Ark., and Memphis, Tenn. They went to Jonesboro to help their daughter and sister, Sister Janice, celebrate her birthday. They took a decorated cake with them. Saturday the five went sight-seeing in Memphis where Sister Janice attends Sienna College.

Miss Dorothy Hartman returned to duty in Dr. Kralick's offices Tuesday after being on a forced vacation following surgery.

Visitors this week with Mr. and Mrs. Lee Toothaker are her sisters and brothers-in-law, Mr. and Mrs. C. D. Potts of Boulder City, Nev., and Mr. and Mrs. Hugh Tims of Crowley.

4-H Club News

Intermediate Clubs

Sacred Heart intermediate boys club had 14 members present for a joint meeting with intermediate girls of Sacred Heart. Waymon Moore and Mrs. Dona Brewster, county extension agents, met with the group to discuss method demonstrations and review some of the entries members had planned for the county contest. This was the last joint meeting for the two fifth and sixth grade groups, according to Gary Fetsch, reporter.

Ricky Walterscheid presided, Leon Bayer led the inspiration and Linda Miller closed with the 4-H pledge.

Senior Girls

Sacred Heart senior 4-H girls had a practice session on method demonstrations at their April meeting in preparation for the county contest. Mrs. Donna Brewster offered helpful suggestions.

During business, Linda Sicking presided, Gayle Sicking led the inspiration, Margie Felderhoff called the roll, Yvonne Gehrig reported on the county council meeting and Kathy Rohmer counted 10 members present.

Local CYC Hosts Holy Hour, Social

Muenster CYC hosted the April deanery meeting Sunday evening. The holy hour consisted of a Mass which began at 7 p.m. Afterwards the officers of all clubs present attended a meeting. Plans for summer activities were discussed. A dance concluded the evening with the Paper Sun providing entertainment. Members from Lindsay, Pilot Point, Frisco and Muenster were present. Refreshments were served.

NOTES FROM THE LIBRARY

By Bettie Luke

Herbert Meurer has presented Muenster Public Library with two booklets, "Memories and History of Muenster, Texas," which he authored. These are greatly appreciated. Old-timers will enjoy reading these and it's a source of information for students. The history deals principally with early-day business in Muenster.

The Library also has the Silver Jubilee, Golden Jubilee and Diamond Jubilee books of Sacred Heart Parish.

New on the shelves are some more Caldercott and Newberry Awards books completing the sets.

Library staffers are proud of their book cart and magazine rack which are so convenient.

April 20-26 is designated Texas Library Week and everyone is invited to check out at least one book during this week. And teachers of both local schools are invited to bring their pupils to visit the library.

Telephone Visit

A telephone visit — Guam to Muenster — was enjoyed Wednesday night by Mr. and Mrs. John Fisher and their daughter Ruth, Mrs. Max Rumelhart, Lt. Com. Max Rumelhart and his family are stationed on Aquana, Guam. The call was through a ham radio operator in Nevada. It was 11 p.m. Wednesday here, 2 p.m. Thursday there.

HD Club Members Reelect Officers

Principal business at the April meeting of Muenster Home Demonstration Club was election of officers and all were reelected for another year.

They are Mmes. Bill Lutkenhaus, president; Mrs. Al Walter, vice president; Mrs. Henry Pick, secretary-treasurer; Mrs. Rudy Hellman, council delegate; Mrs. Joe Hoenig, alternate delegate.

During her report on the council meeting Mrs. Hellman extended a general invitation from Gainesville Council of Garden Clubs to attend their flower show, "Visions of Beauty Around the World," on April 24, 3 to 9 p.m. in the National Guard Armory. Also an invitation to attend a party — bridge, 42, etc. — sponsored by the Newcomers Club of Gainesville as a benefit for the Boys Club on May 8, 9 a.m. to 1 p.m. at the Boys Club.

Mrs. Gus Lutkenhaus reported on visits she and Mrs. Arthur Endres made to senior citizens during the month.

Paper and pencil games furnished recreation with prizes going to Mrs. Pick and Mrs. Hellman. Mrs. Walter won the door prize.

Mrs. Albert Dangelmayr was hostess in the home of Miss Dorothy Hartman and served a dessert course to 16 present.

Mr. and Mrs. Andy Schoech had as visitors the past week a few days their son-in-law and daughters Spec. 4 and Mrs. Peter Wall of Fort Knox, Ky., spending a part of his leave here. And during the weekend their son and daughter-in-law, Mr. and Mrs. Richard Schoech of Austin joined them.

Tips From Muenster Hatchery

Rather go fishing Saturday instead of hauling off the garbage? Get a pack of those strong 20 gallon size plastic bags. Then the Mrs. can haul it off in the family car. 79 cents plus a small donation for the governor and the mayor. Better check your shade trees for long silk threads hanging down with little leaf eaters at the end. Good time to fertilize your lawn and trees. Past time to take the covers off under-house ventilators. Could be a little damp under there. —Clive

Hornets Lose 14-9 To Saint Jo in Baseball Opener

Muenster High's first try at baseball this season was rather feeble. The Hornets were blasted 14-9 at Saint Jo last Friday.

Until the sixth it was a fair ball game with the score at 7-7. Then a grouping of Panther hits and walks with Hornet errors brought in 7 more scores for the Panthers. A final inning effort by Muenster produced only 2 runs.

The game featured a bunch of errors on both sides, reflecting lack of practice. Another factor, according to Coach Dan Hamric, was absence of players who will go to the regional track meet and the junior meet.

Players Friday were Mike Cason, Carl Endres, Paul Rennels, Dale Cash, Dale Hellman, Gerry Cash, David Fette, Lynn Joe Klement and Herbie Fisher. Others who will join the squad next week are Gary Walterscheid, Kenny Walterscheid, John Monday, Mark Hellman, Bobby Bruns, Glenn Felderhoff, Roger Harrison and Mike Jaska.

Next game on schedule is with Sanger, there, next Tuesday, then district competition begins. The loop race consists of one game each with the other four members as follows.

March 25, Krum, here.
March 29, Alvord, there.
May 2, Lindsay, here.
May 8, Era, there.

Local News BRIEFS

Mr. and Mrs. Bernard Haverkamp have named their new daughter Kerry Ann. She was baptized Sunday afternoon in Sacred Heart Church, Father Placidus officiating, and Mrs. Frank Stoffels and Leonard Haverkamp attending as godparents for their infant niece.

Charlie Herr of Miami, Okla., spent the weekend with his parents, the Frank Herrs, and went on to attend the San Antonio Fiesta while he has a week's vacation. He couldn't make it home the weekend before when all the rest of the family was together for an Easter reunion at the parents' home. Attending from out of town were the Eddy Dunhams and daughters of Fort Worth, the Melvin Herrs and children of Denton, the Ronnie Herrs and family of Gainesville. Also the Tommy Herrs and the Dennis Waltescheids and their families.

Visitors with Mr. and Mrs. Joe Linn Friday overnight and Saturday were her brother and family, Mr. and Mrs. Bill Clark, Kevin and Eva of Bonham.

Mrs. Joe Luke has returned from a five-day visit in Houston with her son and family, the Norman Lukes, seeing their new home for the first time. She traveled by train.

Father Harry Fisher of Fort Worth visited here Friday and overnight with his relatives.

Mr. and Mrs. Ed Cler had their grandchildren Tommy, Bobby and Dianne Youngblood of Fort Worth with them several days while the youngsters' parents, Mr. and Mrs. Tommy Youngblood were in Oklahoma following the burial of his parents, Mr. and Mrs. Tommy A. Youngblood of Bowie. The couple was killed in a car crash near Benjamin last Tuesday. He was 63, a retired Service Pipeline Co. employee and she was 51, a licensed vocational nurse employed at Bethania Hospital in Wichita Falls. They were returning to Bowie after taking a son, David, to Texas Tech after spring vacation. Mr. and Mrs. Cler were among those attending the funeral services at Bowie. Burial was in Oklahoma.

Visitors with Mr. and Mrs. Don C. Cooke Wednesday and Thursday were their son and his wife, the Harold Cookes of Fort Worth, on their way home after a vacation trip to Palo Duro Canyon. Other visitors with the Cookes Tuesday evening were Mr. and Mrs. Curtis Martin of Saint Jo, and on Sunday Lester Epps and son Milton of Spring Creek. They reported that J.R. Winstead who was 91 in November is doing well. The Winstead family formerly resided north of Muenster. Mr. Winstead lives with his daughter and family, the Epps.

Mr. and Mrs. Charles Jetzelsberger and son Robert Wayne of Fort Worth were Sunday visitors with his parents, the George Jetzelsbergers.

Mr. and Mrs. John Rohmer had as guests during the Easter holidays their daughter, Sister Fidelis of New Iberia, La., and Sister Romana of Lake Arthur, La., who came especially to see their mother while she was a patient at Muenster Hospital and after returning to her home. Other

visitors at the same time were daughters Miss Ida Rohmer of Fort Worth and Mrs. Morton Wright, her husband and children of Irving.

Gloria Yosten who flies for American Airlines as a hostess is back on the job this week recovered from injuries she received in Greece during a visit abroad. She was hospitalized on the Island of Rhodes after a car accident. Gloria lives in San Francisco, Calif. She's the daughter of Mr. and Mrs. Felix Yosten.

Recent visitors with the Ed Ciers and Mrs. Joe Lehnertz, dividing a weekend stay were Mr. and Mrs. William Skully of Spokane, Wash. The Skullys are friends of the Lehnertz brothers and are grandparents of the Ciers' daughter-in-law. It was the couple's first visit in Muenster.

The big difference between gossip and news depends on whether you hear it or tell it.

Announcing the first car of the '70s at 1960 prices.

FORD MAVERICK \$1995*

(You don't have to read it all—but it's nice to know it's all there.)

Most new cars look like other cars. But when the word gets out that something really different is on the way, rumors run wild. Few cars have caused as much talk as Maverick. Ford's new entry in the small car field rivals the economy imports in price . . . but tops them in power, performance, passenger room and luggage capacity. We've been bombarded with questions about Maverick. Now, for the first time, here are the answers.

Q. Why did you build the Maverick?

A. We think of Maverick as another one of Ford Motor Company's answers to the gold drain. Now Americans who want small car economy don't have to send their U.S. dollars overseas.

Q. Why did you call it Maverick?

A. You know what a maverick is. A maverick breaks the rules. A maverick is different. Maverick plugs the big gap between the compacts and the imports. It has a wheelbase eight inches shorter than a '69 Falcon, eight and one-half inches longer than a VW 1500. Nothing else like it.

Q. Why did you make it this size?

A. Maverick pinches pennies, not people. We gave Maverick more leg room. More shoulder room. More luggage room. Good example: the front seat of a Maverick offers you nine inches more shoulder room than the front seat of the leading economy import and its trunk can handle all the luggage for a family of four, including a set of golf clubs.

Q. What do I get for the price?

A. You get your money's worth. A complete, built-for-Americans kind of car. Room. Hot styling. Color-keyed interiors. Even the heater is included. Some economy car interiors are about as luxurious as a park bench. Not Maverick's. You get plush seats. Cloth and vinyl upholstery with unique tartan plaid cloth inserts. You also get safety features like smart pull-out door handles. Strong safety door locks. Two-speed electric wipers. Safety belts. Head restraints. Plus conveniences like armrests, coat hooks, lighted heater controls . . . important little things that add so much to your driving comfort.

Q. What about options?

A. You can get 'em if you want 'em. You can order integral air conditioning. (It's built in, not hung on.) Other options include 3-speed automatic or low-cost semiautomatic transmission, and a hefty 200 CID Six. But lots of people won't put an extra cent into this

car. Because it's all there. A complete car all ready to drive home.

Q. What kind of gas mileage can I get?

A. That depends on you as well as the car. You can get as much as 25 or 26 miles per gallon—if you have an educated toe and the right road conditions. If you have a lead foot, or do a lot of city driving, you will get a lot less. In tests by professional drivers at our tracks, where we do our best to duplicate actual driving conditions, Maverick averaged 22.5 mpg.

Q. What kind of power does Maverick have?

A. Maverick's Six lets loose 105 galloping horses. That's 52 more than you get in the 4-cylinder VW 1500. Maverick can cover 417 feet in ten seconds from a standing start. That means you can get up to highway speed in a hurry. When you enter a 70 mph turnpike, you won't feel like a retired bookkeeper thrust into the middle of a pro football game.

Q. If it has an eight inch longer wheelbase than the leading import, does it still handle and park easily?

A. Maverick can U-turn in a tighter circle (35.6 feet) than the leading economy import (36.0 feet). Maverick can slant through traffic like a halfback. It can turn on a dime and give you nine cents change. If you've been driving any other American car, you'll find Maverick's neat size adds up to 5½ feet to any parking space.

Q. Can Detroit really build a small economy car that's tough and long lasting?

A. It's not easy, but we did it. Maverick's unitized body construction makes it light, strong and durable. It's welded like a battleship. Rustproofing compound goes into deep crevices that never see the light of day. Then all that strength is covered with four coats of paint for lasting beauty. Result: one tough little car that's put together to stay together. (The service schedule in the Maverick owner's manual goes up to 108,000 miles or nine years; that ought to tell you something about its rugged durability.)

Q. How about parts and service?

A. Maverick is designed to be unusually easy to service. You're dealing with made-in-America parts and 6,000 easy-to-find Ford Dealers. Fast repairs and easy replacements mean extra savings in both time and money.

Q. Is Maverick really easier and less expensive to maintain than an economy import?

A. Definitely. Maverick oil changes come only every 6,000 miles and chassis lubrication once every

36,000 miles. The leading economy import recommends oil changes every 3,000 miles (twice as often as Maverick) and chassis lubrication every 6,000 miles (six times as often as Maverick!). Those are just a few examples of the many ways Maverick lessens inconvenience and lowers operating cost.

Q. Can I do my own maintenance work?

A. Yes, if you have an average amount of mechanical ability. The Maverick owner's manual contains 24 pages of detailed diagrams and easy-to-follow instructions for routine maintenance jobs you can do yourself, if you wish. You'll find it easy to change spark plugs, replace ignition points . . . plus many other do-it-yourself repairs and replacements.

Q. Can a small car be safe? And how safe is safe?

A. This small car incorporates the latest advances in engineering. Maverick's brakes are as big as a standard compact's—designed to stop cars weighing hundreds of pounds more. Maverick gives you weight . . . power . . . stability. Designed for American driving conditions.

Q. How does Maverick ride?

A. Here's where Maverick's longer, wider stance really pays off. You get a smoother, quieter ride. Maverick's tight, strong, unitized body helps eliminate squeaks and rattles. Special insulation blocks out road noise. The people who brought you a Ford that was quieter than a Rolls-Royce now bring you a small car that doesn't sound like a power mower.

Q. Is there an advantage in the fact that Maverick is really a 1970 car?

A. Slower depreciation is one money-in-the-pocket advantage. Maverick's 1970 model designation means it keeps its trade-in value higher, longer. (Maverick is built to be a good investment from the minute you buy it to the minute you sell it.)

Better come take a look at this one. You'll find it where the action is . . . right in there with other great Ford values like specially equipped Ford Galaxie 500's . . . Fairlanes . . . Mustangs and Falcons.

You'll find them at your Ford Dealer's . . . the place you've got to go to see what's going on.

For an authentic 1/25 scale model of the new Ford Maverick, send \$1.00 to Maverick, P.O. Box 5397, Department N-60, Detroit, Michigan 48211. (Offer ends July 31, 1969.)

*Manufacturer's suggested retail price for the car. Price does not include: white sidewall tires, \$32.00; dealer preparation charge, if any; transportation charges, state and local taxes.

Joe Trachta Is Birthday Honoree

A party honored J. C. (Joe) Trachta Saturday night in ob-servance of his 81st birthday and about 30 friends helped him celebrate.

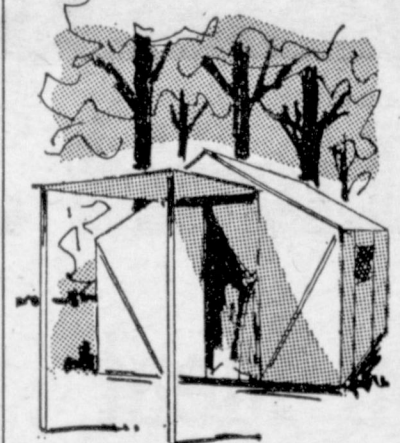

Hosting the dinner party at A-OK Motel were friends from Dallas. In charge of hostess duties were Miss Bonnie Levine, Mrs. Grace Scheggs and Mrs. Louise McBride who brought a decorated cake with them. Mr. and Mrs. Hugh Lee Tuggle of Gainesville were a-mong guests. They also brought a decorated cake.

Joe Trachta has been a Muenster resident 80 years, coming from St. Paul, Minn., with his parents. He's a long-time Muenster business man and still operates his drug store. He served as a member of Muenster Volunteer Fire Department until he was re-tired.

Greetings came from family members from a distance in-cluding Miss Clara Trachta of Los Angeles, Calif., the Pat Keoughs and Paul Rettigs of Springfield, Mo.

Two secretaries were talk-ing about their dates. The first explained: "My date was terrible, really terrible. He not only lied to me about the size of his yacht, but he made me row!"

Uncle Charlie is very concerned about world problems...

We're very concerned about Uncle Charlie!

You see, being concerned is about as far as Uncle Charlie ever goes. He worries about this...he gripes about that...but actually getting out and doing something to solve some of those problems...well...that never occurs to him. So, the problems remain...some get worse...new ones arise...and good old Uncle Charlie always has plenty to voice concern about.

At Lone Star Gas, we believe in concern plus action. And we put that belief to work in the communities we serve, and for our more than one million customers. There are over 6000 of us at Lone Star Gas, and we like to think there isn't an "Uncle Charlie" among us!

Families Observe First Communion At Lindsay Sunday

First Communion Day at Lindsay inspired family gatherings and other honors for the communicants Sunday after their ceremonies during the 9 a.m. Mass in St. Peter Church.

Mr. and Mrs. Damond Fuhrmann entertained for their daughter Jo Ann, hosting a noon dinner. Guests included Mr. and Mrs. H. S. Fuhrmann and Mrs. Pete Block, grandparents, Eugene Block, Mr. and Mrs. Ray Hess and family of Muenster, Mr. and Mrs. Bill Hemmi and sons Greg and Alan of Wichita Falls. Grandpa Pete Block missed the gathering. He is a patient at Flow Hospital in Denton where he underwent surgery and is recovering.

Sunday evening dinner at the home of Mr. and Mrs. Julius Metzler honored their daughter Mary Lou. Guests included her godparents Mr. and Mrs. LeRoy Neu and their children Stephen and Beverly, Mr. and Mrs. Clem Hermes Jr., daughter Danita, also a first communicant, and son Mike, and the grandparents Mr. and Mrs. Phillip Metzler and Mr. and Mrs. John Hess.

Cousins Chris Martin and Stephen Hermes shared honors in the home of Chris' parents the Bill Martins who were dinner hosts. Stephen's parents Mr. and Mrs. Julius Hermes Jr. who are Chris' godparents attended with their family. Also present were Chris' grandparents the J. P. Flusches of Muenster and the W. B. Martins of Gainesville. Also Bill and Ronnie Flusche of Muenster.

Stephen Hermes was honored again at supper in the home of his parents. Guests included the J. P. Flusches and sons of Muenster and the other grandparents Mr. and Mrs. Julius Hermes Sr., Mr. and Mrs. J. D. Fleitman and their son of Muenster and Pat Hermes. Mrs. Fleitman and Pat Hermes are Stephen's godparents.

Janet Schmidkofer was the honored First Communicant in the Joe Schmidkofer family Sunday. Her parents were hosts for a dinner in her honor. Godparents Mr. and Mrs. Joe Fuhrmann and their family attended as did grandparents Mr. and Mrs. Conrad Flusche of Decatur, and brothers and sisters of the honoree. Home movies were made. Paternal grandparents Mr. and Mrs. J. C. Schmidkofer were unable to attend on account of illness.

Charlotte Sandman And Dale Klement To Marry July 5

Mr. and Mrs. Julius Sandmann of Lindsay have announced the engagement and approaching marriage of their daughter Charlotte and Dale Klement of Dallas, son of Mr. and Mrs. Ray Klement of Muenster.

The wedding is planned for Saturday, July 5, in St. Peter Church at Lindsay, 5 p.m.

The bride-to-be is a graduate of Lindsay High School and is employed at Texas Instruments in Sherman. The future bridegroom is a graduate of Muenster High School and is a student at NTSU in Denton. He is employed at Texas Instruments in Dallas.

Chosen as attendants for the wedding are Miss Mary Jo Sandmann, sister of the bride-to-be, Miss Emily Conrady of Windthorst and Miss Doris Trubenbach of Muenster, Lynn Joe Klement, brother of the future bridegroom, Leroy Sandmann, a brother, and Wayne Klement a cousin.

Stacie and Joey Lamana of Denver, Colo., niece and nephew of Mr. Klement, will be flower girl and ring bearer.

Lindsay News

Mrs. Gus Berend and children Sue Ann and Rodney returned to Windthorst Sunday evening after spending most of the week with her parents, Mr. and Mrs. Henry Hess and other relatives. Gus Berend spent Sunday with the relationship and took his wife and children back with him.

Father Aloys Fuhrmann is assisting Father Carl Vogel at Good Shepherd Church in Garland this week until Friday when he will return to Lindsay.

Mr. and Mrs. Clarence Zimmerman have named their infant son David Gerard. He was baptized Sunday in St. Peter Church by Father John. Attending as godparents were Mr. and Mrs. Carl Klement of Mesquite.

Hoenigs on Visit In Corpus Christi

Mr. and Mrs. Alphonse Hoenig and Mr. and Mrs. Joe Hoenig returned Tuesday night from a visit in Corpus Christi where they were guests of the men's brother Abbot Alfred Hoenig and attended a noon barbeque Sunday observing the 25th anniversary of the Cavalier Booster Club. Some 4000 people were served.

Among those attending was Father Alcuin Kubis of Little Rock, Ark., who initiated the annual event 25 years ago. Attending with him was his brother Albert Kubis of Lindsay.

The Muenster couples and Abbot Alfred made a tour of Spohn Hospital Saturday and visited with Father Thomas Buergler, former Muenster pastor, who was there for a checkup. He returned to his parish Monday. They also visited with Father Lambert, hospital chaplain, a relative of Mrs. Al Walterscheid.

Most of us know how to say nothing but few of us know when.

Mrs. Mosman Gives Book Review at Garden Club Meet

Mrs. John Mosman was hostess for the April meeting of Muenster Civic League and Garden Club in her home Monday night and presented the program.

She gave a book review on "Green Medicine — the Search for Plants that Heal," by Margaret Craig.

Mrs. Ernest Jaska presided for business and read an invitation to attend Gainesville Council of Garden Clubs

flower show "Visions of Beauty Around the World," on April 24, 3 to 9 p.m. in the National Guard Armory.

It was announced that the May meeting will feature the installation of new officers and a specimen flower show by members. Mrs. Steve Mosman and Mrs. Arnold Rohmer will be co-hostesses.

Mrs. Mosman and her daughter-in-law Mrs. Tommy Mosman served dessert and coffee to 14 as members arrived. There were three guests Mrs. Tommy Mosman, Mrs. Ben Seyler and Mrs. Arthur Endres.

status of tax eaters to taxpayers.

We have no idea how far the Nixon administration wishes to go in matters of tax and budget reform, but we can imagine wonderful possibilities. The nation could have a new birth of fiscal responsibility if it stopped the tax dodging and wild spending and converted its own tax consuming business into tax paying enterprise.

A poor speaker makes you dumb at one end and numb at the other.
