KC Wins First Half

By COACH TOMMY SLOAN

The Knox City Greyhound basketball team won the first half of the District double round robin this past week. Knox City finished the first half with a record of 6-0 with Quanah second with a record of 5-1 and Crowell third with a 4-2 record. This gives Knox City a sure playoff game with the winner of the second half; hopefully, it will be Knox City again.

Knox City had another exciting game against Crowell, winning in overtime by a score of 61-60. With just eight seconds left in regulation time, Crowell

scored to go ahead by two. Knox City then came back and Tim Roberson scored from the corner at the buzzer to send the game into overtime. In the overtime, Jay Rutherford made a three point play with Crowell coming back for two before time ran out. High point for Knox City was Dwayne Johnson with 20 and Adam White right behind him with 17. High point for Crowell was Eugene Johnson with 22 points.

Scores:

Knox City 13 15 14 16 3 61
Crowell 14 16 14 14 2 60
KC-Dwayne Johnson 6-8-20,
Jay Rutherford 2-1-5, Ricky
Gonzales 4-0-8, Tim Roberson
5-1-11, Adam White 6-5-17.
Crowell - John McGhee 2-0-4,
Howard Sparkman 6-6-18,
Robert Newman 2-0-4,
Eugene Johnson 11-0-22, John
Halsell 5-2-12.

Knox City also defeated Paducah last week by a score of 74 to 57. As the score indicates, there was not too much defense, but a lot of offense. The game was close until the fourth quarter when Knox City pulled away lead by the shooting of Adam White. Adam was the leading scorer with 27 followed by Dwayne Johnson and Tim Roberson who both had 19. High point for Paducah was Smart with 26.

Scores:

Knox City 17 22 13 22 74
Paducah 10 19 16 12 57
KC-Scott Lynn 0-1-1, Dwayne
Johnson 8-3-19, Jay Rutherford
2-0-4, Chuco Magana 1-0-2,
Sam White 0-1-1, Tim Roberson
8-3-19, Adam White, 13-1-27,
Chuck Hutchinson 0-1-1.

Knox City starts the second round this week. The schedule is as follows: January 22, Quanah, there; January 25, Munday, there; January 29, Haskell, there; February 1, Aspermont, here; February 5, Guthrie, there; non district; February 8, Crowell, there; and February 12, Paducah, here.

me to use if I wanted to. It is a little late but since this lady lived in O'Brien so many years, I believe that most people will enjoy reading it. Lois Manly mailed it and it is her mother that is doing the talking or whatever you want to call it.

"Christmas Eve arrived finally and I was on my way home! Home is where the heart is as someone had adequately stated and I enjoy my 'home away from home,' but being home with my family and friends was exciting. The excitement grew as we got closer home. I think I felt as a small child waiting for Christmas to finally arrive. As I met some of my children in my old home at O'Brien it was a happy time! The weather and my health cooperated beautifully for my 89th celebration of this special season. (Mrs. Elmore will be 90 years young, April 20, 1980.) Traditionally, as families get together, we spent the time as others do, visiting and visiting. We laughed a great deal and cried some as we remembered that one member of the family had passed on since last Christmas. (J.B. Elmore died June, 1979, and he was the first of 11 children.) Three days was not very long, but it was long enough for me to see some of my friends and several of my children and their families.

"I trust in the Word." (Ps. 119:42)

Just in proportion in which we believe that God will do just what he has said, is our faith strong or weak. Faith has nothing to do with feelings, or with impressions, with improbabilities, or with outward appearances. If we desire to couple them with faith, then we are no longer resting on the Word of God because faith needs nothing of the kind. Faith rests on the naked Word of God. When we take him at his Word, the heart is at peace.

God delights to exercise faith, first for blessings in our own souls, then for blessings for others. Trials may come, but trials are the food of faith. We must leave ourselves in the hands of the Heavenly Father. It is joy of His heart to do good to all his children. By reading of the scriptures we acquaint ourselves with God as He has revealed Himself in His Word. Then you can wait and see what God will do, and be assured He will do it. That is what David did, and was blessed of God.

MORE ABOUT FIGHTING COLD SYMPTOMS

This continues our series on products to combat the symptoms of a cold.

Decongestants - These reduce swelling by shrinking tiny blood vessels in the nose. Sprays usually work best because they deliver a concentrated dose. However, prolonged use can cause "rebound congestion" and aggravated swelling.

Anti-histamines - These relieve sneezing and watery eyes of hay fever and allergies. There is some controversy whether anti-histamines have any effect on a cold but they are included in almost every cold product.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

SOPHOMORE CLASS NEWS

By Mindy Hutchinson
The Sophomores have been really busy these last few weeks.

The JV girls are undefeated in JV basketball competition. The guys have only lost two, but have won 11.

In biology, we finally dissected our first vertebra, a perch!

Last week, Mrs. Watson gave us our new Literature books and we are reading new stories and learning new vocabulary words each day.

In typing, we are working on unbound manuscripts.

In band, we had playoffs for order in chairs. We came in on days we had off after school.

What Would You Do With It?

The junior English class has been studying vocabulary words. In searching the dictionary, the word "phylactery" sounded interesting, so students were asked the question, "What would you do with a phylactery?"

Nonie Johnson - "I'd comb my hair with it."

Chuck Hutchinson - "First, I would kill it, then I would find a great big hole and bury it."

Mary Albus - "Give it to Senior '80 for a graduation gift."

Amber Ashcraft - "I would probably use it as an eating utensil."

Kelley Boone - "I would shoot it if it moved toward me."

Andy Barnard - "I would put it on a shelf high in my closet and forget I had it."

The dictionary defines "phylactery" as a charm worn as a protection or safeguard.)

Wouldn't It Be Great If...?

Angie Bateman - the basketball guys would win district in basketball.

Staci Eaton - we only had to go to school one week out of every month and two days out of that week.

Missy Whitley - everybody were always happy.

Kevin Leach - we had three-day weekends!

Bonnie Stewart - gas were thirty cents a gallon again?

Karae Beason - everyone in the world could be a mighty Greyhound?

Adam, Danny, Ava and Rance - the hostages in Iran were freed?

Beginning with this issue, members of the 1980 graduating class of Knox City-O'Brien High School and their autobiographies will be featured in *The Knox County News* each week. The autobiographies were written as an English Class assignment. Seniors will be featured each week until the completion of the current school term.

CYLE CLAYTON

Cyle Clayton is the son of Mr. and Mrs. Paul Clayton. He was born in Knox City and has spent most of his life here. While in high school, he participated in many activities. He has been in band, eight years; FFA, two years; FTA, two years; and Beta Club, two years. He is a member of the debate team and has played varsity football and track. Cyle has held various offices. He was sophomore class reporter and junior class president. He is presently serving as senior class president and Beta Club reporter. Cyle was selected to "Who's Who Among American High School Students" and the "Society of Distinguished American High School Students."

Cyle likes to spend his pastime fishing and hunting. His favorite music group is "Pink Floyd". He plans to attend Angelo State University and study in some aspect of the medical field.

STEVE RUMLEY

In the small Texas town of Spearman, on July 23, 1962, in the bright morning (how bright can it be at 3:17 a.m.), a baby was born. The baby, it turned out, was to be called Steven Cornelius Rumley.

The toddler spent much of his early life, birth through first grade, on the move. He stayed in Spearman for a while, moved on to Elk City, Oklahoma, and on to Wheeler, Texas. However, the toddler was starting to grow and decided to get serious about a place to live. He decided on the small town of Knox City and he loved his choice. He has spent his second grade through his senior year here at Knox City and will graduate with the 1980 senior class.

Along the way, he picked up two little packages to tag along behind him: Shelly and Sharon, his two sisters.

His plans concerning college are still undecided, but he would like to go into some aspect of the medical field.

Oh yes, the people responsible for him are Mr. and Mrs. Glen Rumley. Aren't they lucky!

The countdown is on for Rehab '80!

Many times over the years before my days in public relations for West Texas Rehabilitation Centers, I can remember the excitement of the annual Rehab telethon on a cold January night and what a good show it was to watch at the ranch. This year's show will be even greater on January 26.

Bob Hope will introduce the shows -- a five hour show

Countdown Is On For Rehab '80

from San Angelo's Convention Center and a seven hour show from Abilene's Civic Center -- and a parade of stars will keep you entertained all evening.

Singer Pat Boone, one of the top three recording stars of the rock and roll era, will join Rex Allen, who has hosted the show every year for the last ten years. The production, the nation's largest regional telethon, will be seen on 14 television stations.

Also participating in this year's telethon are Shari Lewis, Johnny Desmond, Dave and Sugar, Slim Pickens, Anacani, Arthur Duncan, the Otwell Twins and the Angle Sisters, Helen Forest Bill and Susan Seaforth Hayes, Eileen Barnett, Sammi Smith, Margo Smith, Tex Williams, Chris Christian, Pedro Gonzales Gonzales, Grant Teaff, Jimmy Weldon, Johnny Gimble and the Bosque Bandits, Larry Mahan and the Rambler Rodeo Revue, Mac Wiseman, Montie Montana, the Texas Travelers Cloggers, and the Rehab '80 orchestras.

Rex Allen Jr. is the official host for the Colonial Rehab Ranger program -- the program co-sponsored by Colonial Food Stores Inc. -- directed toward involving children in the campaign to raise money for WTRC. The young recording star will also appear on the telethon with his band, The Country Travelers.

Boone, according to Billboard Magazine, has been on the charts during the rock and roll era for more than 200 consecutive weeks, an all-time record. He has 15 songs on the Top Ten including "Love Letters", which was

Locals' Kin Ending Fifty Year Career

Charles O. McBeath, general manager of Panhandle Associated Grocers and Affiliated Foods Inc. for the past 33 years, has retired ending a career spanning nearly 50 years in the food business.

McBeath is a former Knox City resident, having attended Knox City schools where he played football. He is the son of Mrs. A.W. McBeath and brother of Mrs. Aleene Waldrip, both of Knox City, and is married to the former Kathleen Jones of Rule.

Under his guidance, Affiliated Foods grew from a fledgling enterprise to one of the giants in the food business. The thrust of his management emphasized promotion of business at the retail level as the foundation upon which warehousing operations could be built.

Panhandle Associated Grocers was organized in 1946. The retailer-owned group proved to be a feasible food distribution group method by allowing its members the source needed for merchandise at the right price and the right time.

Originally located at 509 S. Grant, the company moved to larger facilities at 622 N. Fairfield in 1949. In 1960, another move was made to the company's present address at 6700 S. Washington.

Panhandle Associated Grocers became Affiliated Foods Inc. in 1968 via merger with Panhandle Associated Grocers of Lubbock. At the time of the merger in 1968, the company employed 250 people and operated a truck fleet numbering 50 vehicles. Today, there are 485 employees and a fleet that includes 66 truck tractors and 72 trailers.

SERVICES OF THE CHURCH OF GOD IN CHRIST

The Evangelist meeting for the north end of the Abilene District was held at the Rule Church three nights of last week.

The meeting was conducted by Missionary Robinson, assistant president of the Abilene District Evangelist Board.

The Lord greatly blessed the services as the different elders, ministers, missionaries, and deacons preached and taught the word of God.

On Wednesday night, Elder Session, pastor of the Seymour church brought the main message from Luke 15: 11, 21, "From the Palace to the Hog Pen and from the Hog Pen back to the Palace", a great message.

Deacon Weatheron of the Rule Church also conducted a two night meeting at the Rule Church before the Evangelist services started. He brought a stirring message on Tuesday night from Psalms 23 with many exhortations to the family.

On Friday night, a part of the members attended a musical at the Independent Baptist Church in Haskell. Minister Ernest Flanders Jr. is pastor over there. The service was blessed of the Lord.
