45 Are Killed, 300 Hurt As Tornadoes Lash Nine States

'TIS SPRING—The calendar says it's the time of the year when the female of the species starts fishing—some for fish and some for 'suckers,; it's just how you look at it. But the young lady pictured above was more interested in hooking a fish of the finny tribe when the cameraman caught her stealing a march on spring at Buffalo Lakes Friday afternoon. She is little Peggy Lou Roumaine, three-year-old daughter of Mr. and Mrs. J. R. Roumaine, 2118 Sixteenth, who with her parents and friends were spending a few hours at the lake. (Staff Photo.)

Spring Will Arrive Today

SYNCHRONIZE your watches. It will be spring at 10:57 o'clock this morning.

Already the bluebirds have been here, and have gone.

Jonquils, pansies and violets have done some tentative blooming, as well as Japanese jasmine and forsythia.

Apricot, pear, lilac and some of the other early plants are about to shrug open their buds.

Ready For Warm Weather

The lassitude that employes classify as spring fever—employers as laziness—has reached an epidemic stage.

Fellows who kid themselves into thinking they're going to make that garden this year or bust—and who won't hit a lick when succeeding weeks bring on a blast of the sun—may be seen sharpening spades. (Incidentally, if you'll stay a minute, to watch, you'll find them already doing some contemplative leaning on said spades).

It's the same old story—persons who weathered a winter of temperatures that sagged to so low as 1 degree and produced several emergencies resulting from heating gas shortages—are ready for a change.

If they, after a few weeks, are ready for another change—from digging in their gardens to sitting in the shade—that's just some more of the constitutional guaranties of the springtime.

Mild Weather Seen

For those who are interested in the mechanics of time, the sun will rise today at 6:51 a. m., and set at 6:59 p. m.

Also, you have it on the authority of the U. S. weather station here that spring's arrival is determined by the time of the spring equinox, when the sun is exactly over the equator and the duration of day and night is equal. The forecaster says it will be "partly cloudy and mild," which in itself was welcome news following Thursday's heavy duster.

Possibility of freezing weather, even for weeks ahead, is not lightly mentioned. Records of the state experiment sub-station east of Lubbock point up the reminder.

In 1937, a two-and-a-quarter-inch snow fell on April 4.

Six and three-quarters of an inch of snow fell on April 8 and 9 in 1942.

In 1947, a .17-inch snow fell on April 12.

The 36-year average, as compiled by the experiment sub-station, shows that April 8 is the last average killing-frost date.

In passing, the sub-station reported that the lowest March temperature in the 36-year period was a minus 2 degrees, established March 4 of 1922, and that the lowest April temperature was 18 degrees, set April 4 in 1920.

The sub-station reported that moisture 12 inches down from the soil crust is good, but that it is dry deeper. Crabapples are blooming, and peaches are showing indication they will be soon, experiment station officials said.

No Solution Seen In Mine, Meat Strikes

Walkout At Atomic Plant Is Averted

(By The Associated Press)

THE government used the Taft-Hartley law Friday to avert a threatened strike of atomic workers at vital Oak Ridge. Strike-born shortages of coal and meat continued to plague the nation.

Acting on orders of President Truman, U. S. attorneys invoked the Taft-Hartley law's national emergency provisions for the first time to head off a strike called for midnight by some 900 members of the AFL Atomic Trades and Labor council. An injunction obtained in a Knoxville, Tenn., federal court bans a walkout for the next 80 days.

Other Industries Hit

The injunction also restrains Carbide and Carbon Chemicals Corp., operators of the Oak Ridge National laboratory, from disturbing the "status quo" of an existing labor contract with the union.

With 350,000 United Mine workers idle, layoffs by coal-dependent railroads mounted to 15,000. Several steel companies reported production setbacks.

Wholesale and retail meat prices have shot upward daily since the CIO United Packinghouse workers struck Tuesday. Dressed beef went up 50 cents to $1 per 100 pounds Friday at Chicago.

Hearings by a presidential fact finding board in the meat industdy dispute continued at Chicago. The board is taking testimony from both the union and the major packers. It has until April 1 to submit its report to President Truman.

Mine Talks Asked

Only about half as much meat as usual is being slaughtered, most of it by members of the non-striking AFL meat cutters union.

The AFL group accepted a nine cents hourly pay raise, rejected by the CIO. The CIO is asking a 29-cents boost but has indicated it would settle for 19 cents.

Soft coal operators told John L. Lewis today that they will negotiate on his demand for miners' pensions. But, first, they want Lewis to end the mine shutdowns.

The operators wrote Lewis that the work stoppages violate their contracts with the UMW but did not threaten any legal action. The Taft-Hartley law permits damage suits for breaking contracts.

Lewis has charged the operators "dishonored" the pact by refusing to approve his pension plan.

Railroads Are Slowed

Coal carrying railroads are the hardest hit by the mine shutdowns. The Chesapeake & Ohio railroad alone has furloughed 10,000 employes. The Baltimore and Ohio railroad is laying off from 25 to 30 per cent of coal handling crews.

Youngstown Sheet & Tube Co. banked one blast furnace at Youngstown, O. Sharon steel shut down one blast furnace and five open hearths at Farrell, Pa.

Bethlehem Steel reduced coke production and blast furnace operation at its Johnstown, Pa., plant.

Other steel companies may have to follow suit if their fuel needs aren't met.

Another effect of the miners' walkout will be felt Sunday at midnight when an ODT-ordered 25 per cent cut in coal burning passenger train services goes into effect.

Freight service may have to be cut also, transportation sources said.

Several Thefts Are Reported

Numerous theft and burglary reports kept police busy Friday night with items reported as missing running the gamut from radios to back seats of an automobile.

Burglary of a residence at 2503 East Ave. A last night was reported to city police by James Parks. Investigation revealed that a $100 Emerson console model radio had been taken.

Entrance was made though a back door after a latch had been knocked off, police said.

Two Youths Held

Police questioned two juveniles, one nine years old and the other 13, last night after they had been caught 'taking candy' from Hicks washateria, 914 Ave. B. The boys had gained entrance through a broken window, and one of them was waiting on the outside of the building while the other fetched the loot.

Both admitted to officers that they had crawled through the window on several occasions, but only for the purpose of 'getting some candy.'

Numerous thefts were also being investigated by officers.

Laverne Smith, route 1 Lubbock, reported theft of a yellow gold ladies wrist watch valued at $40. He named a suspect to police.

Car Seat Stolen

A Tech student, Ted Howell, of Sneed hall, informed police about 11 o'clock last night that someone had taken the back seat from his 1947 Ford sedan parked in the 1000 block of Texas Ave., and left a 'mysterious' note.

There was no signature on the note.

Theft of $80 from Doger Dillard of 1702 Ave. C was reported to police, records showed.

A suspect, a woman, was named.

No arrest had been reported last night.

Charles Jones of Slaton route 1 informed officials fender skirts valued at $26 had been taken from his car here.

Police arrested one drunk after he allegedly had gone on a "door-bell-ringing spree."

The sheriff's office at Crosbyton announced that two planter wheels with new implement tires mounted had been stolen from Herman Reed.

A battery and a fuel pump were

Two Persons Injured In Traffic Mishaps

Sharon Sanders, 7, daughter of Cecil Sanders, of 1512 Ninth, narrowly escaped serious injury about 3 p. m. Friday when she was hit and run over by a car at Ave. Q and Eighth.

She and another girl were running east across Ave. Q, and a car driven by Orrin A. Tucker, of route 1, Abernathy, had crossed the intersection when the accident occurred. The other girl stopped, but Sharon stumbled and fell in the path of the oncoming vehicle, police said.

The car carried her about 12 feet, and shortly afterwards Sharon was removed from underneath it. She was taken to West Texas hospital in an ambulance where examination showed that bruises and scratches were her only injuries.

In a wreck at Crosbyton late Friday, Betty Ruth Dendy, about 15, of Crosbyton, suffered a back injury, it was reported last night. Seriousness of the injury was not known at Crosbyton clinic about 9 p. m.

Two men and two women were in the other vehicle, and one of the women suffered a dislocation of a shoulder. She left the hospital, however, after emergency treatment, Crosbyton clinic reported, and her name was not learned.

The automobile occupied by the tourists, whose names were not available, was said to have collided with the right side of the car driven by Miss Dendy in the south part of Crosbyton on a side road.

Sixteen Arabs, 13 Jews and a British constable were included in the day's toll. The heaviest fighting occurred in the Haifa-Acre region. The unofficial death count since the United Nations voted for partition Nov. 29 rose to 1,877.

U. S. Reverses Partition Plan

By FRANCIS W. CARPENTER
Associated Press Staff Writer

LAKE SUCCESS, March 19.—The United States urged the United Nations today to give up the Palestine partition project.

The U. S. recommended instead a United Nations trusteeship now to ward off chaos in the Holy Land.

In the surprise shift of policy, the U. S. also called for a special session of the UN assembly to set up the trusteeship.

Finally, the U. S. proposed that the UN Security Council instruct the Palestine partition commission to stop trying to carry out the UN partition plan.

Move Is Surprise

Warren R. Austin, chief American delegate to the UN, tipped his hand first at a secret meeting of the five big powers in the mahogany-panelled offices of UN Secretary General Trygve Lie.

Andrei A. Gromyko, Soviet deputy minister who has been demanding that the UN carry out the 1947 UN Assembly's partition decision, said the U. S. proposals were a "striking contradiction" to the Assembly plan. He said he would have to ask Moscow for instructions.

Sir Alexander Cadogan of Britain, whose government has served notice it would end the Palestine mandate by May 15 and withdraw completely by Aug. 1, said he too would have to ask for orders.

Council Given Plan

Alexander Parodi of France, whose vote for partition in the Assembly last month was greeted by cheers from the audience, said he believed his government would accept the new American proposals.

Dr. T. F. Tsiang of China, this month's president of the council, said he believed China too would agree with the U. S. China has abstained on all important votes in the UN on the Palestine issue.

Austin then took his proposals to the full 11-national Security Council, where they evoked as much apparent surprise as was reported seen in the closed big five meeting.

Chaos May Result

Austin told the council there seems to be general agreement that the 1947 Assembly's program to divide Palestine into Jewish and Arab countries by next Oct. 1, and tie them together in an economic union, could not be car-

Stock Show Set At Slaton Today

SLATON, March 19 (Special)—Sponsored by the chamber of commerce, the city, various business men and the Slaton chapter of Future Farmers of America, the seventh annual Lubbock county fat stock show is to be held here tomorrow, with entries expected from all parts of the county.

The show is the forerunner of the South Plains Junior Fat Stock show which opens at Lubbock Monday, and much of the stock exhibited here probably will be on display there.

Top Premiums Planned

All animals to be shown are products of FFA and 4-H club boys. Since show rules do not provide any entrance fee, or advance notice of entry, show officials would not estimate the probable number of stock expected.

All entries are to be in place by 10 a. m., and judging is scheduled to start at 1 p. m., an announcement today said.

Premiums are to be awarded the first six high places in each division, and ribbons are to be awarded in all classes and divisions on

Incinerator Ashes Sifted In Probe Of Nursing Home Deaths

VENICE, Calif., March 19 (AP)—Police sifted incinerator ashes today behind the house at 7 Avenue 20, and started an inquiry into 16 acknowledged deaths in nursing homes operated by its two spinster residents since World War I.

Marie Clavey, 60, and Josephine Vella, 58, are held in default of $3,500 bail on charges of inhuman treatment of a juvenile and false imprisonment. Officers found an emaciated 27-year-old woman, 11-year-old boy and nine-year-old girl, all identified as occupants of the white-clapboard, three-room house.

Demo Chairman Suggests Texas Keep Jefferson Dinner Funds

By DAVE CHEAVENS
Associated Press Staff Writer

BOB CALVERT, chairman of the state Democratic executive committee, said that a letter was being sent out to executive committeemen Friday night suggesting that Texas Democrats do not hold the annual Jefferson day dinner to raise funds for the national organization.

"Instead, a Texas dinner would be held to raise funds for the state organization," Calvert stated.

Earlier Friday, Gov. Beauford H. Jester had proposed a Texas Democratic war chest to pay for a fight against the national party's domestic program.

Secret Meeting Held

In his letter, Calvert suggests to the executive committeemen that a committee be appointed to work out details of the Texas dinner.

The committee, he said, would be composed of himself, Mrs. R. A. Thompson of Goliad, vice-chairman of the state executive committee; Jimmy Brinkley of Houston, president of Texas Young Democrats; Arthur Stevenson of Dallas, president of the state Democratic chairmen's association and Neville Penrose of Fort Worth, finance chairman of the state Democratic executive committee.

The state war chest proposal was decided at a hush-hush meeting of key party leaders in Austin Thursday. Jester then went to Dallas to atend a traffic safety conference, and made the announcement there.

Convention Set May 25

Others who attended the secret meeting had avowed it was "routine."

Jester—titular head of the Texas party—said the plan for a statewide banquet to raise money for use within the state to fight for Texas' objectives would be submitted to the state executive committee and to county chairmen.

The party leadership in Texas first fell out with the national Democratic organization over the tidelands question, and the situation was aggravated by President Truman's civil rights proposals.

Just how far the party wants to go in its fight will not be finally determined until the May 25 convention. The next scheduled meeting of the executive committee is one day before that. Jester's announcement indicates he and his closest advisers are reasonably confident the convention will back them.

Sellers Backs Truman

Leaders of the pro-Roosevelt state organization that controlled the party in 1944 have promised to go to Brownwood battling for Truman.

At Sulphur Springs Friday, former attorney general Grover Sellers said Texas Democrats should support the President and that he would do all he could along this line.

Jester and his advisors studied the report of the committee of southern governors on the Truman civil rights proposals.

"We agreed that the report will be submitted to the May convention of the party in Brownwood, to allow the party to work out a plan of action," the governor said. He added that some phases of the suggested program might be presented without his recommendation.

TWO DIXIE SOLONS URGE HST TO WITHDRAW

WASHINGTON, March 19 (AP)—Two southern Democratic senators—Sparkman of Alabama and Russell of Georgia—proposed tonight that President Truman step out as a candidate for the party's presidential nomination.

The idea was first advanced by Sparkman.

He told a reporter that he is convinced the Democratic party will be "cut to ribbons" in the fall election unless the President withdraws from the race.

Russell, on a Mutual-WOL radio broadcast later, said Sparkman's proposal for Truman's withdrawal is a good suggestion. He added:

"I should be very happy to see Truman step out and General Dwight D. Eisenhower step in as Democratic presidential nominee.

MEASURE NEARS FINAL OKAY

House Committee Approves $6 Billion Global Aid Bill

(By The Associated Press)

WASHINGTON, March 19 — A $6,205,000,000 global foreign aid bill was approved late today by the House Foreign Affairs committee.

The bill includes:

$5,300,000,000 for the European recovery program.

$275,000,000 for military aid to Greece and Turkey.

$420,000,000 for economic help and $150,000,000 for military help for China.

$60,000,000 for the international children's fund of the United Nations.

Timing Important

This all-inclusive foreign aid program is to be brought to the House floor next week with the idea of pushing it to passage before April 1.

The timing is important, particularly in view of the administration's new stop-Russia policy and the fact that Communists are reported trying desperately to win the Italian elections April 18.

When the aid bill came to a final showdown in the committee, all 15 members present voted unanimously for the program. Rep. Kee (D-WVa), senior Democratic member, said his side balloted against its better judgment to include China, Greece and Turkey in a bill with a European recovery program. The Senate foreign aid bill passed last week was for Europe only.

Greek-Turkish Aid Okayed

The Senate Foreign Relations committee put further force behind the President's anti-Communism words today by approving 13 to 0 a bill to give Greece and Turkey $275,000,000 in military aid to strengthen them against Communism.

The House committee made several changes before voting.

One important amendment adopted today would ban strategic materials shipped by this country to European nations from being turned into products which could be sold Soviet bloc countries. It was sponsored by Rep. Mundt (R-SD).

Draft Plans Studied

House leaders planned to start floor debate on the omnibus foreign aid bill next Tuesday, with final action the following week.

Senate GOP leaders looked with favor on a potentially still more powerful weapon in the struggle for Europe—the registration of

Russell And Colman Seen As Winners Of Movie Awards

(By The Associated Press)

HOLLYWOOD, March 19 —the annual Oscar derby neared the finish line today with Rosalind Russell tabbed a cinch winner and Ronald Colman expected to nose out Gregory Peck among the actors.

Tomorrow night, 6,200 film workers and fans will gather at Shrine auditorium to watch the Academy of Motion Picture Arts and Sciences bestow Hollywood's version of immortality.

From this vantage point, La Russell seems certain to snag the 1947 oscar for her wide-eyed Lavinja in "Mourning Becomes Electra." After a slow start, Ronald Colman is finishing fast. The Briton's performance as the murderous ham in "A Double Life" has caught the fancy of his fellow entertainers. There is little doubt that "Gentleman's Agreement" will walk off with top picture honors.

Marshall Warns Reds Must Stop

BERKELEY, Calif., March 19. (AP)—Secretary of State Marshall spoke up bluntly to Soviet Russia today with the warning that Communist encroachment upon free peoples can no longer go unchecked.

With equal bluntness, he cautioned Italy and other free European nations that election of a Communist government automatically cuts them off from American recovery aid.

Marshall, speaking at the University of California, drew a stark and forthright picture of the "dangerous situation" now existing in Europe, one which duplicates "the high-handed and calculated procedure of the Nazi regime."

Understanding Is Urged

He did not mince words in deliniating the spread of Communist doctrine and urging a prompt decision in the United States Economic recovery plan for Europe.

But, in a brief departure from his prepared text at the conclusion of his words, he urged an understanding among peoples — above all an American understand-

Wallace Accuses HST Of Prejudice Appeal

NEW YORK, March 19 (AP) — Henry A. Wallace said tonight President Truman "appealed to prejudice, because he could not answer us with reason, when he "attempted to brand as 'Communists' those who support our fight for peace."

"Millions of Americans who stand firmly opposed to his (Mr. Truman's) policies know that they are not Communists and they will not be frightened into accepting militarism because someone calls them Communists," Wallace declared in a radio talk.

The third party presidential candidate said Mr. Truman "was trying to give the impression that it is only the Communists who disapprove of his policies of supporting Fascists, kings and reactionaries around the world, that it is only Communists who stand for repudiation of the Truman doctrine, that it is only Communists who fight his plans to draft our young men and militarize the country."

Move To 'Draft' O'Daniel For Senate Re-Election Planned

AUSTIN, March 19 (AP) — A movement to draft Sen. W. Lee O'Daniel for re-election has been promised here by O'Daniel's long-time personal and political friend, O. P. Lockhart.

"There is no need of hurrying," Lockhart said. "Matters of this kind take care of themselves."

He said a conference would be held at the proper time to launch O'Daniel's candidacy.

Western European Officials Tensely Await Next Move In Trouble Spots; Sudden Action Feared

By ALEX H. SINGLETON
Associated Press Staff Writer

LONDON, March 19—Western European diplomats braced themselves today for bad news from anyone of three potential trouble spots in the Mediterranean—Greece, Turkey and Italy.

Two Turkish military attaches returned home from Bulgaria suddenly and without public explanation. Hungary was reported to have ordered three of its diplomatic staff home from Turkey. Diplomats here speculated whether the two-way shift had anything to do with stiffening relations between Turkey and Russia's Balkan neighbors and the standing Soviet demands for Turkish border changes and a big hand in the Dardanelles.

Constantine Rentis, Greek minister of public order, supported U. S. State department reports that an international brigade of several thousand men is stationed on Greece's northern border. Rentis said in Athens that the Greek government had received reports Communist guerrillas planned an attack on Salonika between March 22 and 30. The Greek foreign ministry said it had reports of considerable military movements in Yugoslavia and Albania.

U. S. State department dispatches had said there were reports of 30,000 men in an international brigade in Yugoslavia, Albania and Bulgaria. These reports suggested that any attack across the border might have the purpose of capturing Ioannina for a Communist Greek capital or of throwing a projected government spring offensive off balance.

Tempers shortened in Italy where political campaigners took full advantage of a holiday to plead for the voters' support in the critical Communist versus anti-Communist elections April 18. Riot squads were called out at a huge leftist rally in Rome, but fist-fighting was broken up without any casualties.

Damage Toll In Millions

(By The Associated Press)

CHICAGO, March 19—Tornado and high winds hit spots from Texas to New York last night and today, killing at least 45 persons and injuring more than 300.

Estimates of property damage ran to several millions of dollars.

States stricken were Illinois, Indiana, Kentucky, Michigan, Ohio, Missouri, Kansas, New York and Pennsylvania.

Hardest hit area was southern Macoupin county, Illinois, northeast of St. Louis, Mo.

State police reported 36 dead in that area and a swath of flattened homes from a twister which swept four Illinois communities—Fosterburg, Bunker Hill, Litchfield, Woodburn and Gillespie.

Storm Forms In Texas

The storm crest formed in Texas last night, with warm air building up a sharp high pressure area. As it began moving northeastward into lower pressure and cold air, a squall line developed which formed tornadoes in Texas and Oklahoma. There were no deaths or injuries in Texas.

Rushing across Missouri and Illinois, the disturbance built wind speeds which reached 80 miles an hour at Kokomo, Ind., and 95 miles an hour at the Indianapolis airport.

The swirling twister hit Fosterburg, a community of 100 homes, wrecking or damaging virtually every building there and killing 13 persons. Bunker Hill, a town of 1,500, was hit next. Here, 60 died and 80 per cent of the town was leveled, with damage estimated at $500,000. Four were killed and a number of homes destroyed in Little Woodburn.

School Children Die

The tornado then bore down on Gillespie, a town of 2,500 population, sounding "like a string of box cars rolling down the track," one resident said. Five persons were killed and damage was heavy there. Apparently the twister then lifted and dissipated.

Another tornado hit northwestern Ohio, causing three deaths. Two children died at Landeck in Mercer county when the steeple of a demolished church fell on a parochial school. One man was killed at Ottawa, O., when a barn collapsed.

At Urbana, Ohio, a 60-year-old man was electrocuted when a high tension line fell on him.

Two persons were killed in northern Kentucky when strong

Senate Vote On Tax Slash Set

(By The Associated Press)

WASHINGTON, March 19 — the Senate agreed tonight to vote at 4 p. m. (CST) Monday on the Republican bill to cut income taxes $4,800,000,000.

The agreement was reached after a string of Democratic amendments—all rejected—had occupied most of the debate and caused GOP leaders to abandon hope for a vote today.

But before the Democrats' proposals came up, the Republicans won voice vote approval of an amendment by its finance committee which pared $1,700,000,000 off the House-passed bill to cut taxes $6,500,000,000.

Easy Passage Predicted

This section, as well as all other committee changes are subject to ratification when the bill comes up for a vote Monday.

Republicans predicted easy passage. They were backed by announcements of several Democrats they would vote for the measure.

The main interest centered on changes for overriding an expected presidential veto. That would require a two-thirds majority of both the Senate and House.

Some backers of the bill-Democrats as well as Republicans—have expressed confidence Congress would kill a veto. Other sectors, mostly Democrats, predict that the expected extra expense of the military preparedness program Mr. Truman wants would

JAP MILLS AND U. S. COTTON

Why Not Get Them Together?

MANY Americans are likely to wonder how there could be opposition to the proposal by senators from cotton producing states to set up a $150,000,000 revolving fund in the U. S. to help Japan buy our cotton.

The Japanese have a gigantic cotton textile industry which escaped serious war damage. Most of the mills are idle for the lack of raw material. If the industry could be re-activated, the Japs could help produce for themselves and thus reduce the heavy drain upon U. S. taxpayers.

Yet every proposal to that end has encountered vigorous opposition, chiefly from the American textile industry. The smoke-screen raised by this opposition has been that the step would help Japan re-arm for war. But more ulterior motives have been, and still are, strongly suspected.

American mill operators have been accused, on one count, of opposing even limited restoration of the Japanese industry because of the fear of Jap competition some time in the remote future in such markets as Japan itself, China, India and the East Indies. These are markets that American industry does not even pretend to supply now, and does not pretend to say when, if ever, it can supply.

American operators are accused on another count of wishing to keep Jap mills idle as a means of reducing the demand for cotton and beating down the price the Southern farmer can command for his staple.

Whether this opposition will be active against the revolving fund proposal remains to be seen. The strong probability is that it will be. And, in view of its past successes, the outlook does not appear bright for the cotton farmer in this renewed struggle against plain greed.

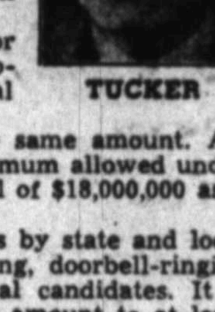

MILLIONS IN EXPENDITURES SEEN

Election Spending To Be Heavy

By RAY TUCKER
Special Correspondent

WASHINGTON—H. D. of Houston, asks for an estimate of the amount of money which will be spent by the major and bush league parties in an attempt to capture the White House in next fall's election.

Besides the actual cash poured out by political organizations recognized under the Hatch Act, he suggests that a generous percentage of Marshall Plan funds should be regarded as partisan expenditures designed to win the votes of certain racial minorities.

TUCKER

Answer: I think that political spending next November will top all modern records. Even Senator Carl Hatch, author of the so-called "clean politics law," admits it is an utter failure in checking extravagant use of money to influence elections. No statute since the prohibition laws has been less enforced, as Reformer Hatch should have known in the first instance.

The law fixes $3,000,000 as the maximum for each major party. Thus the Democrats and Republicans and the Wallace faction may spend an initial total of $9,000,000 under that provision alone.

Each Congressional Committee may spend the same amount. Assuming that the Wallace group can raise the maximum allowed under this item, that makes another $9,000,000, or a total of $18,000,000 as a pot opener.

However, there is no limitation on expenditures by state and local committees, although their advertising, ballyhooing, doorbell-ringing and baby-sitting influence the voting on national candidates. It is probable that their outlays will boost the overall amount to at least $30,000,000.

Including local hush money on which there is no check or accounting, I would not be surprised if the total election bill for 1948 ran to at least $50,000,000. I am speaking here only of direct or indirect political expenditures.

• • •

BLOC: H. D. is possibly correct in his shrewd suspicion that some percentage of the Marshall Plan's millions should be considered as a political expenditure, together with whatever costs may result from our participation in the partition of Palestine.

There is a definite hope—and belief—in Administration circles that numerous racial groups in this country will be grateful for the aid which we plan to extend to their homelands—Germans, Irish, French, Balkan peoples, Italians, etc. In the aggregate they make a sizable voting bloc. But it is impossible to fix any definite figure here.

Marshall Plan expenditures may also have a political effect at home. They will provide profits for the suppliers of light and heavy goods, including the manufacturers and the workingmen for whom they will provide employment. In short, they will have a politically inflationary effect, as everybody at the Capitol recognizes, and as some Republicans have charged.

• • •

SPLURGE: The "ins," don't forget, also have another political kitty, whether they happen to be Republicans or Democrats. That consists of the normal federal budget, which will run to about $37,000,000,000 under the Republican economy program.

Taking into account the federal funds paid out for salaries, pork barrel projects and vote-getting subsidies, the amount of federal expenditures expected to pay political dividends in November can be listed at $10,000,000,000.

In short, the 1948 presidential election will be a major industry and a highly important factor in our domestic economy. Counting every dollar spent privately or openly during the period of the primaries, the conventions, the campaigns and the elections themselves, a conservative estimate of the overall cost of the quadrennial splurge would be at least $75,000,000.

Sundown Man Mishap Victim

BROWNFEILD, March 19. (Spl).—A 31-year-old Sundown man, Charley Leo Henderson, was killed instantly early today when a bull-dozer he was unloading from a truck-trailer overturned on him two miles west of here.

Funeral services will be conducted at Tahoka at 4 p. m. Saturday in the First Baptist church, with Rev. A. C. Hardin, pastor of the Sundown Baptist church, officiating. Burial will be in Tahoka cemetery under direction of Stanley Funeral home.

Henderson was hauling the machine from Sundown to a construction job at Denver City. He was an employe of C. E. Blakeman Construction company of Sundown.

Rear Tires Blew Out

Two right rear tires of the heavy trailer blew out and he pulled over to the side of the road, investigators determined.

He was backing the bulldozer, of a heavy "catepillar" type, off the trailer when it toppled over, catching him and crushing him in the upper chest.

A passerby advised Farley Funeral home of Brownfield, who rushed an ambulance to the scene but found Henderson dead.

Investigation Is Made

Sheriff Ocie H. Murry of Terry County and State Highway Patrolman A. A. Eggen and V. D. Atwood cooperated in investigating the accident. Justice of Peace J. W. Hogue of Brownfield was expected to render a verdict of death from accidental causes.

He is survived by his wife, Mrs. Beula Henderson of Sundown, three sons, Charles, Claude and Kenneth and a daughter, Nancy Jean, all of Sundown; his parents, Mr. and Mrs. H. J. Henderson of Fletcher, Okla., formerly of Tahoka; four brothers, John and Coleman Henderson of Sundown, and Harley and Frank Henderson of Tahoka; three sisters, Misses Claudia Henderson, Roswell, N. M., and Belle Henderson, Fletcher; and Mrs. T. J. Whittington of Sundown.

The body was taken to Tahoka tonight by Farley Funeral home.

Lynn County Farmer Is Shooting Victim

TAHOKA, March 19. (Special)—Funeral services for Billy Corbell, 25, Lynn county farmer, will be conducted Saturday at 3 p. m. at the Gordon Church of Christ, near Tahoka. Rev. Lloyd Moyer, of the Slaton Church of Christ, will officiate, assisted by Price Bankhead, of New Mexico. Burial will be in Southland cemetery.

Corbell was found dead Thursday night in a tenant building on the place he rented 12 miles east and six north of Tahoka. He had been shot once in the heart.

Justice of the Peace P. D. Server said there were indications that the wound was inflicted accidentally. A verdict was filed following an inquest.

A .32 caliber pistol lay beside the body, Sheriff Sam Floyd found when called to investigate.

The body was in a sitting position, leaning against old tires stored in the house.

Mrs. Corbell last had seen her husband between 2:30 and 3 o'clock Thursday afternoon, she told Sheriff Floyd, Dept. Sheriff Dee Sanders and Dr. Emil Prohl, who with District Attorney Calloway Huffaker assisted in an inquest conducted by Server.

Mrs. Corbell last had seen her husband between 2:30 and 3 o'clock Thursday afternoon, she told Sheriff Floyd, Dep. Sheriff Dee Sanders and Dr. Emil Prohl, who with District Attorney Calloway Huffaker assisted in an inquest conducted by P. D. Serever of Tahoka, justice of peace.

When Mrs. Corbell missed her husband at the dinner hour, she asked his brother, Bunyan Corbell, to assist her in a search. The brother discovered the body and telephoned the sheriff.

The victim had been married in 1946, and he and Mrs. Corbell became parents a month ago.

He had rented a farm near the Gordon community store near his mother's farm, which is operated by Bunyan Corbell. He did military service in World War 2, as a member of the 20th Air force.

Other survivors are: The mother, Mrs. L. L. Corbell; five brothers, Russell of Waco, Elmo of Houston, Hill and Dwight of the Gordon community, and Cody Corbell of Lubbock; four sisters, Miss Lorene Corbell of Waco, Mrs. Lora Lee King of Hale Center, and Mrs. Virginia Zickefoose and Miss Bess Corbell, both of Lubbock

NOSE BREATHING ADVISED

BOSTON (U.P.)—A self-styled "health expert," Godfrey Redriquer, 65, claims people would live longer if they exhaled through the nose. "The nose is not an intake. It is an exhaust for the airs of the body," he says. "We should keep our noses clean and constantly exhale with them."

Raisins may be cooked along with prunes to add variety to a dried fruit dessert.

'Move To Make Teachers Responsible Hit

Rural Aid Payments Still Pose Problem

(By The Associated Press)

AUSTIN, March 19. —The problem of paying rural aid school teachers salaries in full was revived today.

Both Gov. Beauford H. Jester and a representative of the Texas State Teachers association opposed the suggestion of W. A. Kirkland, Texas Bankers association president, that teachers put up pay warrants as security for individual loans from banks.

Jester last week announced a full accord between Kirkland, state education officials, and representatives of school teachers and administrators on a plan whereby local banks would tide over school districts.

The equiiization, or rural aid, school districts are some $3,000,000 short of funds for the current school year. This means approximately 21,000 teachers will be about $150 short in their final month's salary.

Kirkland mailed letters to member banks this week directing attention to the fact that teachers warrants for which there are no funds will not qualify as legal obligations of either school district or state.

"So I suggest that they be accepted as security for individual loans made to each teacher," he wrote.

Stand Is Disputed

Charles H. Tennyson, director of public relations for the teachers association, declared today it was not his group's understanding that teachers "in any instance would assume responsibility for a loan to pay their salaries.

He was backed up by an earlier statement from the governor's office that Jester felt "the school teachers themselves should not be called upon to assume any obligations or responsibility for making the arrangements with local bankers."

Jester expressed hope the local banks would enter into proper arrangements with the local school districts to relieve school teachers of any such responsibility.

Schools In West Texas Area Receiving Food Shipments

Community school lunchrooms and eligible institutions in 16 West Texas counties are receiving two carlots of 3,200 cases of single strength grapefruit juice and 556 boxes of fresh pears, which were purchased recently by the U. S. Department of Agriculture's Production and Marketing administration to make larger outlets for this season's bumper crops.

Schools participating in the national reimbursable school lunch program are also receiving 830 cases of peanut butter. Roy Boyd, county school superintendent, of Lubbock, said. Boyd is acting as agent for USDA in distributing commodities in the 16-county area.

Funds for buying certain foods, such as peanut butter, which are needed for well rounded lunches are provided in the national school lunch act.

In addition to pears and grapefruit juice, USDA also has bought several seasonally abundant crops this year to expand farm markets and make full use of the nation's total food supply. Of the amonts purchased, West Texas schools have received 1,635 cases of dried peaches, 452 cases and 1,940 sacks of Irish potatoes, Boyd said.

Delay Seen On Program

By JACK RUTLEDGE
Associated Press Staff Writer

WASHINGTON, March 19—An increase in voluntary enlistments was reported today in a few scattered cities as Senate leaders studied—but delayed action—on a compromise draft plan.

Army officials said enlistments in Minneapolis jumped from an average of five a day to 30 immediately after President Truman's message to Congress. A sharp increase in inquiries was reported here, too.

Senate Republican leaders seemed near agreement on a plan that would revive the machinery of selective service, but not put it in full operation.

Compromise Gains Ground

In other words, a law would be passed quickly to revive selective service. But once revived under the Senate plan, it would merely choose selectees and put them on notice.

They would not be inducted unless voluntary enlistments continued to lag, or unless the world situation grows so grave that partial or full mobilization of a citizen army is deemed necessary.

The compromise plan seemed to have made most headway in the Senate. But GOP leaders there today postponed final decision on their policy on both a draft and military training until a full study is completed by the Senate Armed Forces committee.

Taft Urges Air Power

Senator Vandenberg (R-Mich) and Senator Taft (R-Ohio) are reported inclined to favor the wait-and-see program. Its backers argue it will spur enlistments, and bring the armed forces up to the strength Mr. Truman desires.

Taft still opposes a universal military training program, and wants the nation to build the world's biggest air force.

Vandenberg sounded out Senate Republican leaders on the compromise draft and received a mostly favorable reaction.

An informal poll of the House Armed Services committee shows 15 out of 33 members favor outright revival of the draft, with only four definitely opposed.

'Pioneer Week' Ends Today At Lamesa

LAMESA, March 19. (Spl). — High school girls in old-fashioned skirts much longer than the new look calls for and high school boys, some of them sporting fair-to-middling beards, and clad in boots, big hats and other colorful regalia took over this city today.

Saturday, "Pioneer Week" comes to a close with the crowning of "Miss Pioneer," a parade through the business section and an old-fashioned square dance downtown Saturday night starting at 9 o'clock.

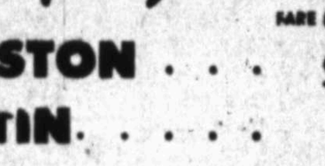

The high school band will lead the parade which starts at 2:30 p. m. Jimmy Henley, president of the Junior Historian club of the high school, which sponsored the event, will formally crown "Miss Pioneer" before the parade in which she will ride in state. Nominees for the title are Ramona McCarley, LaNeal Tankersley, Annelle Lovelady, Billie Cline and Waith Miller.

Winners of the essay contest on historical data about Dawson county were announced today. Joyce Cox was awarded first prize and second prize went to Jerry Gleghorn. Prizes went to Clayton Hughes for the best beard; Thelma Robinson for the best girl's costume; Hal Barron for the best boy's costume.

FOXES OUTFOXED

PLYMOUTH, Ind. (U.P.) —. The "block system" for catching foxes is paying off for a group of people in Marshall County. They establish a series of "blocks" about which the hunters station themselves. Sooner or later the fox runs through a block line. If one group misses him, those in the next block probably will get him.

MARKET MAKES SHARP GAINS

NEW YORK, March 19. (AP)—A revival of bullish sentiment today gave the stock market one of its widest rallies of the past year.

Demand for virtually all groups was relatively urgent around noon and in the final hour. Steels, motors, coppers, rubbers, oils, rails, aircrafts and assorted industrials added 1 to 3 or more points with favorites closing at or around the day's best.

Transfers of 1,170,000 shares were a top since Feb. 11. The aggregate compared with 890,000 Thursday.

Buying, largely by professionals, again was predicted on the thought that the government would press rearmament spending and stock-piling. Hopes for settlement of labor disputes also were optimistic factor.

The Associated Press 60-stock composite was up 1 point at 62.2, sharpest advance since last July 1. Of 1,006 issues registering, 709 rose and 150 fell.

Gainers of 1 to 2 or better included U. S. Steel at 71, Youngstown Sheet 21½, General Motors 52⅞, Chrysler 58, Anaconda 33⅞, Kennecott 49¼, Standard Oil (NJ) 73, Texas Co., 54½, Santa Fe 96½, Union Pacific 158¼ and Douglas Aircraft 62¾ (at a 1948 high).

Pepsi-Cola, again a fast mover, hit a new low for the year, but stiffened on a pleasing earnings statement and cut the loss to 1/8 at 16 3/8.

Ahead in the curb were Raytheon, American Gas, Cities Service, Clinchfield Coal, Kaiser-Frazer, Northrop Aircraft and International Petroleum. Bickford's slipped a trifle on a reduced dividend. Turnover here was 270,000 shares versus 260,000 yesterday.

Senate Vote Set

cause Congress to sustain a veto.

Among amendments batted down was one by Senator Connally (Tex) to make an inheritance tax cut provision of the bill retroactive to 1942. The vote was 45 to 33.

The Senate approved an amendment to make proposed new withholding tax rates on wages and salaries effective May 1 instead of April 1 as the House measure provides.

The withholding amendment would not affect the total amount of income taxes one pays, as both Senate and House bills say the tax cut itself would be effective as of last January 1.

The Senate and House will next get together on a compromise bill, setting a total cut both can agree on, and then it's up to President Truman.

Mr. Truman has indicated he will veto any tax cutting measure, as he did before, that would reduce government income.

Heavy Wheat Sales Cause Price Decline

CHICAGO, March 19 (AP)—A burst of selling of wheat to the government at Kansas City caused a decline in wheat futures on the board of trade today.

"I think the farmer is conscious of the fact he owns a lot of wheat and he'd better get rid of it before a new crop is on his doorstep," Ed Boerner of Harris, Upham and company, said.

C. M. Galvin, crop expert of James E. Bennett and company, said "the farmer has wheat in storage at terminal markets and apparently he's now willing to sell more freely."

Wheat futures closed unchanged to 3¼ cents a bushel lower on the board of trade, May $2.33¼ to $2.34.

There were these other developments on the nation's markets today:

Butter—Wholesale prices dropped sharply following Wednesday's spurt. Chicago declines were 4½ cents to 5 cents a pound, 5 to 6 cents at New York, but levels still were well above last week. Futures were 40 points lower at Chicago at 64.10 cents a pound.

Livestock—Cattle were unevenly strong to 50 cents lower a hundredweight while sheep prices remained about even. Heavier hog receipts sliced $1 to $1.50 from prices at Chicago's stockyards. Top was $23.50.

Stocks — Bullish sentiment brought a wide rally with transfers of 1,170,000 shares, the best since Feb. 11.

some 3,000,000 young Americans for drafting into the armed forces if needed.

These youths, under a plan backed by Senator Vandenberg (R-Mich), among others, would be required to register for selective service but would not be put into uniform unless enlistments were lagging or a national emergency arose.

Mr. Truman conferred today with William L. Allen, Boeing airplane company president. Allen told reporters they discussed, among other things, problems of expanding aircraft production in the event of an emergency.

The White House reported today that public reaction to President Truman's St. Patrick's day address, as reflected in letters and telegrams, was favorable by a ratio of about two to one."

Presidential press secretary Charles G. Ross said, however, that those writing in about Mr. Truman's call for the draft were overwhelmingly against it. Ross said a single organization, which he did not name, appeared to have inspired most of these protests.

Marshall's Warning

ing "of other people" difficult though it may be to achieve.

His address had but one consiliatory note:

"I would say that our purpose, our policy is to stand firm on basic principles but at the same time to keep the door open for any general conciliatory moves."

Situation Said Threatening

The Secretary of State spoke at charter day ceremonies at the University of California in observance of the university's 80th anniversary.

Marshall's speech enlarged upon American foreign policy enunciated Wednesday to Congress by President Truman.

In detailing the main points of what he called the "general strategy" for meeting the Russian challenge, Marshall went beyond his chief.

"Never before in history has the world situation been more threatening to our ideals and interests than at the present time," he declared at the outset.

This is now "a world-wide struggle between freedom and tyranny, between self rule of the many as opposed to the dictatorship of a ruthless few."

"It should not be perfectly clear that rule based on threats and force instead of on reason and justice must not be allowed to spread further unchecked," he declared.

SHOOTING VICTIM

Bond Is Posted

Mid Singleton reported to the sheriff's department that a 500-pound, white-faced heifer had been stolen from the Lubbock auction barn. Investigation was being made last night.

The sheriff's department said Jim A. Hampton, 31, posted $1,000 bail in connection with a burglary charge filed Friday in the justice court of C. E. Lynn. The charge, which will be investigated by a grand jury, accusses Hampton with breaking and entering property controlled by E. B. McNeill, on March 6, Lynn said.

Judgments signed by County Judge Walter Davies assesed a fine of $150 and court costs against Clifton Hereford and $100 and costs against Arzetta Johnson, both of whom had been charged with liquor law violation. Coach Recommends FBI Chief As Intercollegiate Sports Czar

NEVADA, Mo., March 19 (U.P.)—Dr. Forrest C. (Phog) Allen, Kansas university basketball coach, believes that hiring J Edgar Hoover as a czar at an annual salary of $80,000 to $100,000 could cure "rotten college athletics."

Allen made that suggestion Thursday night in an address before the annual Rotary club dinner honoring the Nevada high school basketball team.

He proposed that a system be set up in college athletics in which athletes would be paid $80 monthly.

winds blew down a barn, crushing a Bracken county farmer and his five-year old son. In Michigan, a five-year-old boy was killed at Flat Rock when a barn toppled on him.

Power Failures Felt

The squall line raced across central New York this afternoon but wind velocity was lessened. However, gusts of up to 62 miles an hour velocity ripped roofs from some buildings and flattened a few small structures.

Throughout the path of the storm, communications were interrupted and power failures were felt when telephone wires and power lines were blown down.

Heavy rains which accompanied the storm brought local floods, adding to the difficulties of transportation and rescue work.

School Caved In

Five school children were injured when the roof of the Campbell school in Sandusky, O., caved in and 35 pupils were trapped. The destructive winds lashed more than a half dozen western Ohio communities.

School buildings at Rising Sun and Leo were damaged by the gale winds that pounded Indiana. More than eight pupils and a teacher were injured.

The Missouri highway patrol at St. Louis reported 22 persons were injured and extensive property damage caused in tornadoes that cut through scattered Missouri communities. Sixteen persons were reported injured.

Red Cross, Army Send Aid

The Red Cross at St. Louis said two persons were killed in Washington county, Mo.

The Red Cross and the Army dispatched equipment to the stricken Illinois area. The equipment included tents, field kitchens, rations, chemicals and supplies to care for more than 1,000 persons.

The tornadoes moved across the country along the edge of a low pressure area. West Texas had winds of 88 miles an hour last night. A twister hit Paducah, Tex., disrupting the city's electric service.

Longhorn-Aggie Duel Looms At Southwest Track Finals Today

* * *

Westerners Cop Four Places In Southwest Meet

FORT WORTH, March 19. (Spl).—Lubbock High school's Westerner speedsters gained four places in the finals of the Southwestern Recreation track and field meet by qualifying in a lengthy preliminary session here this afternoon at Farrington field.

The Westerner mile relay quartet entered the Saturday afternoon finals with a fifth place in a field of 39 Texas and Oklahoma schoolboy teams. Jim Johnson, ace quarter-miler, gained a berth in the payoff race by finishing sixth, in faster time than 108 other 440 dash entries.

Johnson, Ross Place

Other positions in the finals were copped by Lubbock's Richard Johnson in the mile run and Clayton Ross in the 880-yard run.

The showing of the Hub city cinder squad followed pre-meet predictions closely, with the exception that Earl Hutcherson, a top low hurdle candidate, failed to qualify in his favorite event. Hutcherson will compete Saturday afternoon with the mile relay team of Donald Decker, Jim Wilson and Jim Johnson.

Hutcherson tied with Jimmy Powell of Seminole for the final qualifying position, so meet officials tossed a coin. Powell won and entered the finals. Don Decker chalked up a 23.5 seconds in the 220-yard dash, but was just one place short of a qualifying post.

Several Panhandle and South Plains entries qualified for the final events, including Derrell Davis of Pampa in the high hurdles; Red Mayes of Pampa in the dashes and broad jump; Jack Young of Andrews in the broad jump and low hurdles; Jimmy Powell of Seminole in the low hurdles; and John Ethridge of Sundown in the half-mile.

AUSTIN MAROONS FAVORED TO COP MEET CHAMPIONSHIP

FORT WORTH, March 19. (AP)—Austin's Maroons landed ten places in the finals to earn the favorite's rating today in the high school division of the Southwestern Recreation track and field meet.

North Side (Fort Worth), Corpus Christi, Highland Park (Dallas), and Odessa promised a thrilling fight for the title to the last gun. They put plenty of men into the finals and North Side actually had more leaders than Austin in today's events.

Preliminaries of the meet, which has drawn 1,452 contestants—the greatest cinder path carnival in Texas history—will continue tomorrow, with finals tomorrow afternoon.

No records were set in the high school division today with Austin's sprint relay team coming closest with its 44.4 seconds. The record is 44.1, made by Thomas Jefferson of San Antonio in 1945.

The Woodrow Wilson quartet did 3.35.5 in the relay, Norman Alsobrook sped the mile in 4:46.1 and Billy Scott paced the quarter-milers with a time of 52.3. But Woodrow got only one other place in the finals and could not be considered a serious threat to the leaders.

Darrow Hooper pitched the shot 51 feet, 6 inches and the discus 148 feet, 10 inches while Wilson George tied for first place in the pole vault at 11 feet to give North Side an edge over Austin in individual leaderships.

Knockouts And TKO's Feature Southwestern AAU Fight Meet

DALLAS, March 19 (AP)—First champion crowned in the Southwestern AAU Boxing tournament tonight was novice Bantamweight Clarence Horner, West Dallas Social Center, who won a unanimous decision over Quinton Milhollin of Fort Worth Y.

Results of semi-final and final bouts included:

Wendell Quinn, 111, Kilgore AC, unanimously decisioned Billy McCormick, 105, Fort Worth Y.

Lee Hammond, 155 1/4, Sulphur Springs, knocked out Mather Owen, 151, Fort Worth, in the first round.

Jack Gunter, 133 ½, Dac, won a technical kayo over Joe Moore, 136, Cleburne, in the third round.

Sam Burns, 178 1/4, Hillsboro boxing club, won a third round TKO over Jim Scanlan Jr., 186 ½, Dac, for the novice class heavyweight championship.

Verlan Monaghen, 163, Grand Prarie, AC, decisioned Richard Talent, 162, Kilgore AC, for the novice lightheavyweight title.

Century Dash, With Texas' Charlie Parker Favored, Holds Spotlight

FORT WORTH, Tex., March 19 (AP)—Texas A. and M. is a strong choice to repeat with the championship of the Southwestern Recreation Track and Field meet tomorrow, but may not furnish as many record performances as Texas.

In two meets thus far this season, the Aggies have licked their toughest rivals by comfortable margins. But tomorrow there will be stronger opposition from other directions.

Duel Is Headliner

The duel of these two well-balanced cinder path squads headlines the biggest recreation meet of them all. Six other teams will be dividing up the points. They are Arkansas, Oklahoma A. and M., Baylor, Southern Methodist, Texas Christian and Texas Tech.

Jerry Thompson, Texas' great distance runner, will devote his attention to the mile run tomorrow and appears certain to crack the record of 4:24.5. The Texas sprint relay team of Charley Parker, Perry Samuels, John Robertson and Charley Tatom ought to surpass the record of 42.5, and Parker, running in greatly improved form over last year, might erase the 21-flat standard in the 220-yard dash. Robertson, one of the nation's greatest broad jumpers, may also eclipse the 24-foot 5½-inch record for this event. Art Harnden of the Aggies bids fair to wipe out the 440-yard dash record of 48.8.

NTS Is Favorite

Around 900 high school boys went through preliminaries today in the opening of the twenty-fifth annual southwestern carnival. Trials are scheduled tomorrow morning for the university, college and junior college-college freshman classes.

There are 17 teams in the college division of the track and field meet with North Texas State favored to repeat with the title. There are 19 teams in the junior college-college freshman division. Oklahoma A. and M., Texas and Arkansas look strongest in this class.

Two Special Races

The 100-yard dash of the university division comes closest to being the feature race of the entire meet. Parker, Robertson and Samuels will go against Stonie Cotten of Baylor and Maurice Fuquay of Oklahoma A. and M.

Two special races are on the card—the 120-yard high hurdles and the 100-meter dash. The six fastest times in the regular meet will qualify for the special hurdles feature. All who run 100 yards in 10 flat or better will qualify for the special 100-meter.

Arizona Gridmen To Play Brigham Young And Utah This Fall

The Sun Devils will play Brigham Young at Provo, Utah, Sept. 24 and Utah State at Logan, Oct. 8.

Texas College of Mines, a traditional Border Conference foe, was not scheduled. No reason was given but the Arizona State athletic board last season announced a policy of refusing to schedule opponents which discriminated against negro participation in athletics.

TKO's Highlights Of Boys Club Ring Show

Four technical knockouts, one brother against brother fight and two sets of boxing brothers featured the final spring boxing card at the Lubbock Boys club last night, with a crowd of 354 members and 340 visitors enjoying the 10-bout show.

Top fight on the card was Jack Godfrey's third round TKO over Bobby Cone. Godfrey, weighing 102 pounds, started blood flowing in the first round and the 100-pound Cone never was able to overcome the disadvantage. Godfrey pounded hard and often during the first two rounds until Referee O. J. "Bo" Sexton stopped the fight.

Wayne Pendergrass, 82-pounder, took a unanimous three-round decision from his 18-month younger brother Don Pendergrass, also an 82-pounder, in the featured fight involving brothers.

Jimmy Godfrey, 72 pounds, brother of Jack Godfrey, scored a TKO over Jack Branch, 74 pounds, with the fight being stopped in the second canto. Charles Biggs, 83 pounds, won by a TKO over Darrell Oddorizze, 74 pounds, in the third round, but Wesley Oddorizze, 80 pounds, came back to score a TKO over Kenneth Marmaduke, 77 pounds, in the second round to make the score even.

Officials, all from the Kiwanis club, were J. T. Carter, J. G. Keyes and K. N. Clapp, judges; Coleman Hasie, timekeeper; and Lonnie Langston, announcer.

Texas Tech's untried tennis team, sparked by veterans Jake Broyles and Glenn Ivy, will tangle with a squad from Eastern New Mexico Teachers college of Portales, N. M., at 1 o'clock this afternoon at the Tech courts in the first scheduled matches of the season.

Broyles, rated as the Raider net ace, will battle the highest-ranking Eastern New Mexico player in a feature singles match, while Techsans Ivy, Shaff DeGaish, Joe Wheatley, Eddie Scudday and David Hester meet other top New Mexico contestants.

Three doubles matches will follow the singles play, with Broyles and Ivy, DeGaish and Carl Schmidt and Scuddy and Hester forming the Raider teams.

The smooth-stroking Broyles took second place in the Border conference singles competition last year and, teamed with Ivy, gained the runner-up spot in the doubles bracket.

Ring Hopefuls Are On Way To New York City

Two amateur boxers from the South Plains, Bill Henderson of Levelland and J. D. Kirkpatrick of Petersburg, left yesterday afternoon for New York City and the start of professional boxing careers.

Both men were thrilled over the opportunity presented them and looked forward eagerly to reaching their training camp. They will be met Sunday in New York by Joe Vella, their manager and present manager of many leading boxers.

Friends Say Goodbye

Henderson bid farewell to his father and mother, Mr. and Mrs. Thad Henderson, in Levelland, before coming to Lubbock by bus. Kirkpatrick also had family farewells at home, but his pretty wife accompanied him to the station.

Others at the station to wish the fighters luck in their pro careers included Bert Kahn, O. C. Foster, Clyde C. Craig and Herman Brown, insurance salesman and baseball scout.

Henderson, grinning from ear to ear, wore his cowboy boots and the dark blue jacket he won as state Golden Gloves featherweight champion. The word "Texas" stood out plainly.

In Cowboy Attire

Kirkpatrick wore blue jean pants, gray coat and carried cowboy boots in his bag. Both boys wore tieless sport shirts and will dress in semi-cowboy attire before detraining in New York.

Henderson was state Golden Gloves featherweight champion for two successive years, while Kirkpatrick was a sensational light heavyweight, even though a kidney injury stopped him last year and a cut eye halted his semi-final bout this season.

Bears Rally To Win NCAA Tilt

KANSAS CITY, March 19 (AP)—Baylor's Bears staged a magnificent second half rally to overcome the Washington University Huskies tonight, 64-62, in the second game of the Western Regional NCAA Basketball playoffs.

Building up a 19-point lead early in the second half, Kansas State's Wildcats coasted to 58-48 victory over the University of Wyoming in the opening game of the playoffs tonight.

"Cat And Mouse"

A municipal auditorium sellout crowd of 9,700 saw the Kansans play "cat and mouse" with their foe in the second half.

Wyoming's deliberate offense was no puzzle for Kansas State. The Wildcats held the Rocky Mountain boys without a field goal for the first nine and a half minutes of play.

Only Payton's one-man stand saved Wyoming from a complete rout. He tossed in nine field goals and two free throws for 20 points—the best individual scoring performance on either team.
