

All Around the Town

by Mary Ann Sarchet

Since no one knows for sure at what point cyanide was placed in some Extra Strength Tylenol capsules, Dr. James Tuan has furnished us with a list of numbers of the bottles that have been found to have been poisoned. They are:

MC 2880
MD 1910
MB 2738
MC 1559

An intention to drill has been filed for a wildcat to be drilled by Gunn Oil Company. This will be the No. 1 Griffin - Bomar Unit, located 1980 feet from north and 660 feet from east line of Section 184, G&M, GC&SF survey, six miles north of Silverton. The permitted depth is 8500 feet.

The Charlotte Etgen well northwest of Silverton now has a pump on it and has been pumping ever since I've been past there. A pump has also been brought in for the Sojourner-drilled Cogdell well, which is near the Etgen well, but I haven't seen it pumping and I don't know if it's even hooked up yet.

The workover rig is gone now from the Cogdell wildcat on the north side of Tule Canyon.

Rumor is that a wildcat is to be drilled on the James Davis place and that the paperwork has been done for one on the McWilliams place. We'll have to wait and see on these.

Local Service Agency Opens In Silverton

The advantages of a local telephone company business office are now available in Silverton.

Jim Davis, Operations Manager for General Telephone, said the company opened a local service agency at the City Office, 409 Broadway, on October 6, 1982.

"The local service agency will have all the advantages of a business office, allowing customers to call billing or service personnel direct," Davis said. "In addition, customers will be able to save money by taking advantage of services offered through the service agency such as picking up phones which can be taken home and plugged into GTE Phone Mart jacks or returning phones when discontinuing service."

Davis said customers can use the service agency to:

- *Pay their telephone bill.
- *View a display and/or catalog to order telephone instruments.
- *Call the billing center direct concerning billing questions.
- *Call the business office direct to install, add or discontinue service, or for other service needs.

In addition, customers can use the service agency to:

- *Have telephone instruments tested to determine if they require repair.
- *Bring phones for minor repairs. Phones can be replaced if major repairs are necessary.
- *Return phones when discontinuing service to avoid the charge to have the company send an employee to pick up the phone, or the cost of purchasing the phones.

*Pick up phones, take the phones home and plug them into GTE Phone Mart jacks to avoid the premise visit charge.

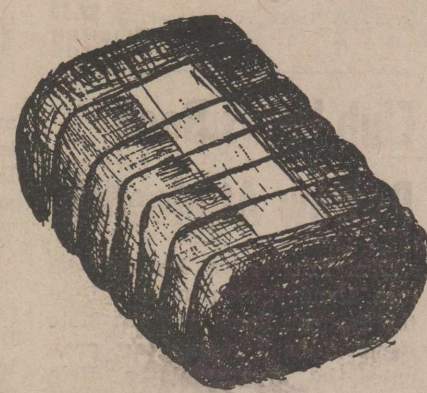

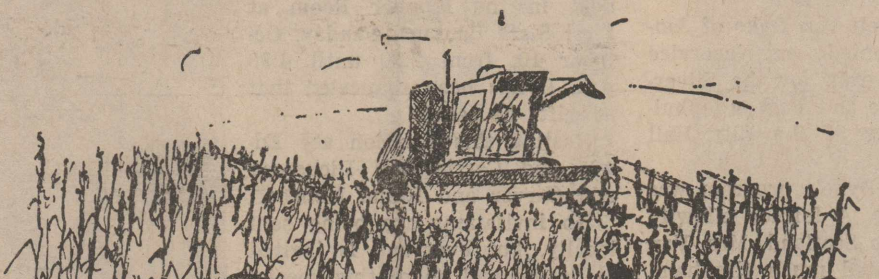

*Purchase miscellaneous equipment, including GTE Phone Mart jacks to avoid the jack charge and premise visit charge that applies if the company makes the installation.

*Purchase house wiring to do the wiring or repair of bad wiring to save the wiring charge and premise visit charge if the company does the work.

Davis said, "The local service agency gives customers a convenient location to allow them to take advantage of the cost-saving service available which allows customers to participate in the maintenance of their service."

Raymond Grewe is a patient at Central Plains Hospital in Plainview, having entered Monday.

NUMBER 40

THURSDAY, OCTOBER 7, 1982

Angel Edwards of Tullia, second runner-up; Tammi Edwards, Miss Mackenzie 1983; Jan Reynolds, Miss Congeniality; Linda Stone of Floydada, first runner-up. —Briscoe County News Photo

Tammi Edwards Is Miss Mackenzie '83

Tammi Edwards, daughter of Mr. and Mrs. Fred Edwards, was selected as Miss Mackenzie 1983 at the conclusion of the annual pageant here Saturday night. A junior in Silverton High School, she was sponsored by Nance's Food Store. She was crowned by Shele Morris, Miss Mackenzie 1982, and presented a jeweled tiara, a bouquet of silk flowers, a gold serpentine necklace with diamond drop by the sponsoring organization, the L. O. A. Junior Study Club, and a \$50 savings bond by the City of Silverton.

Miss Edwards is 5'4" tall and has brown hair and brown eyes. A varsity cheerleader, she enjoys snow and water skiing, tennis and basketball.

For her final judging in the Miss Mackenzie Pageant, she was asked, "What qualities do you look for in a friend?" and she answered that a friend is someone who is loyal and true, and someone who is easy to talk to.

The first runner-up was Linda Stone, daughter of Elmer Stone and Mrs. Rose Enslow. A senior in Floydada High School, she was sponsored by Lovell-Collins

Jewelry. She has blue eyes and brown hair, and stands 5'11" tall. She enjoys working with youth through Girl Scouts and her church, photography, extemporaneous speaking, swimming and volleyball.

The question she was asked just prior to the announcement of the names of the runners-up was, "What are some of the advantages of living in a small town?"

Second runner-up was Angel Edwards, daughter of Mr. and Mrs. David Edwards. A junior in Tullia High School, she has brown eyes, brown hair and stands 5'6" tall. She enjoys reading poetry, playing piano, tennis and French horn, singing and cooking. She was sponsored by Xi Kappa Gamma sorority.

The question she was asked was, "What privilege do most Americans take for granted?"

The other two finalists were Terri Dulin, 17-year-old daughter of Mr. and Mrs. Jim Dulin, a senior in Tullia High School, and Missy Stringer, 16-year-old daughter of Mr. and Mrs. Don Stringer, a junior in Tullia High School. Their respective sponsors

were Huxford's and Eigma Eta Chapter of Beta Sigma Phi.

Winner of the Miss Congeniality award, voted by the pageant contestants, was Jan Reynolds, daughter of Mr. and Mrs. R. D. Reynolds, and a senior in Silverton High School. Her sponsor was the Silverton Chapter of Future Homemakers of America. She has blue eyes, blonde hair, and stands 5'5" tall. Her hobbies are drawing, reading, cooking, sewing, water sports, horseback riding and being with friends.

Miss Congeniality and the first and second runners-up received single long-stemmed silk flowers and gold serpentine necklaces from the sponsoring organization, and all the girls in the pageant received T-shirts from the Mackenzie Municipal Water Authority Board.

The contestants opened the pageant by entering the circus atmosphere with helium-filled balloons, cotton candy and boxes of popcorn and singing "Let's Go To the Circus." The girls were later judged as they modeled sportswear and formal gowns.

Community Boundaries Set For ASC Committee Elections

Community boundaries have been set for the ASC community elections to be held between November 26 and December 6, report officials of the county office. Briscoe County has three of these areas, known as "A," "B," and "C" communities.

ASC communities are local administrative areas which help provide farmers with effective farm program administration. These areas are reviewed yearly to determine whether local changed boundaries would benefit farmers.

A list of ASC communities, a boundary map, and the number of farms within each community are available to the public at the county office. The ASC communities in Briscoe County are as follows:

Community "A" is that area of the county north of Highway 86, and extends from the Swisher County line to the caprock. Community "B" is all the area of the county below the caprock. Community "C" is that area of the county south of Highway 86, and extends from the Swisher County line to the caprock.

County ASC committee review of community boundaries is one of the first steps in administering the annual ASC farm committee elections. Other actions concerning the upcoming elections will be announced as they occur. Participation in ASC elections is open to all eligible farmers regardless of race, religion, sex, color, or national origin.

New Film Featuring Joni Eareckson To Be Shown Here

"Reflections of His Love," a new film highlighting the life and ministry of Joni Eareckson, will be shown on Sunday, October 10, at the First Baptist Church in Silverton. The color feature, produced by World Wide Pictures, the film ministry of the Billy Graham Association, will be shown once, beginning at 6:00 p.m.

Miss Eareckson is the star of a recent theatrical motion picture, "Joni," which relates the story of her diving accident, as a young girl, which left her paralyzed from the neck down. It chronicles her struggle to piece together her life and faith in God, in spite of the devastating circumstances.

In "Reflections of His Love," Miss Eareckson, who is also the author of two best-selling books, "Joni" and "A Step Further," tells of the great transformations that have taken place in her life because of her willingness to accept all of the things that have happened to her.

A remarkably talented young woman, Miss Eareckson is an artist of great merit, as well as an author, actress and singer. She has learned to draw and paint with a brush held in her mouth. Her works have been displayed in major exhibitions, as well as on a number of network television programs. More recently, her illustrations and paintings have become the basis for a major line of greeting cards, plaques and framed prints.

According to Rev. Royce Denton, pastor of First Baptist Church, "Reflections of His Love" introduces the viewer to "the real Joni Eareckson. We meet her parents, her sisters, and her friends. We gain insight into the thoughts of the actors who played major roles in the movie, 'Joni,' and we learn of her new personal ministry, Joni and Friends."

Rev. Denton added that "the determination and the depth of trust and faith that this young lady has developed can serve as an inspiration to us all. Although she is a quadriplegic, and does not have the use of her legs or arms, we actually witness her drive a van in this film. It's much more than a great physical and technical feat—it's a credit to her inner spirit."

Rev. Denton has extended an open invitation to the community at large to attend this special screening. There is no admission charge. "We feel everyone who attends will be touched by the remarkable life and witness of Joni Eareckson. It's really an unforgettable experience," he concluded.

Mr. and Mrs. Gary Whitfill and children of Hereford and Robbie Martin of Amarillo joined Mr. and Mrs. A. R. Martin at the football game in Happy Friday night and returned here to spend the weekend.

Fire Department To Meet Tonight

Silverton Fire Department meets tonight (Thursday) at 7:00 o'clock at the fire station for its regular meeting. All members are urged to attend.

Pep Squad To Serve Hamburger Supper

The Silverton High School Pep Squad is sponsoring a hamburger supper Friday, October 8, from 5:00 until 7:30 p.m. in the school cafeteria.

The menu will consist of hamburgers with hand-made patties, French fries, homemade pie and iced tea. Price will be \$3.00 a plate.

The Pep Squad would like to invite everyone to come and eat supper with them before the football game with Vega and help support the Owls.

The Pep Squad will also be selling helium balloons to be turned loose at halftime.

PEP RALLY

Friday's Pep Rally will begin at 3:00 p.m. in the gym. The L. O. A. Junior Study Club will present a skit.

Lions Club Meets At Noon Today

Silverton Lions Club meets at 12:00 noon today (Thursday) at The Coffee Shop.

A good program and meal are planned. All members are urged to attend, and guests are invited.

Grand Opening Is Saturday At New State Park

A large group of visitors, including Texas Parks & Wildlife Department officials, state legislators, TV and news media, and many other interested local and area residents will gather at Caprock Canyons State Park Saturday for the park's grand opening and dedication.

Ceremonies are scheduled to begin at 10:30 a.m. at the group shelter located on the northeast side of Lake Theo.

Following the opening ceremony, a barbecue dinner will be provided for those who wish to eat lunch.

Visitors to the park will turn north at the intersection of Highway 86 and FM 1065. From that point, it is 3.9 miles to the park headquarters. Continuing north from the headquarters building, the road crosses the Lake Theo dam and continues to a fork in the road. Visitors will take the left fork to the group shelter.

NEWS OFFICE WILL

BE CLOSED FRIDAY

The office of the Briscoe County News will be closed Friday.

Owls Drop To 3-2 After Loss To Happy

The Owls dropped to a 3-2 season record after losing their game at Happy Friday night. The Cowboys have a well-balanced team that many had thought in the pre-season might be the team that would have a chance to knock off the favorites and win the district championship. They have an outstanding offensive player in Kenny Johnson, and he and Paul Malone combined to score most of Happy's points.

Happy kicked off to the Owls to open the game, the Owls were forced to punt on fourth down, and Silverton recovered the fumbled punt on the 34 yard line. The Owls came back on offense, but with the exception of a pass completed by QB Shane Reagan to Warren Jarrett were unable to move the ball and punted again. This punt traveled to the Happy 28, and there was no runback.

On Happy's third play, needing 19 yards for a first down,

the Cowboys ran for a touchdown. They missed their extra point kick, and with 6:22 showing on the first-quarter clock, led 6-0.

Happy came back with an on-side kick, which they recovered on their own 49. The Cowboys passed for a first down on the Silverton 37 and threw two incomplete passes, one of which Bob Arnold broke up. Then Happy moved to a first down on a penalty against the Owls. Arnold made another good defensive play, the Cowboys were penalized, and so on, until they were needing more than 30 yards for a first down. The Owls received a dead-ball foul call on the punt, and started with a first-and-25 situation, punting on fourth down.

The Cowboys made two consecutive big first-down plays, moving themselves to the Silverton five. There Happy fumbled and the Owls recovered.

Reagan completed passes to

Jarrett and Craig Patton, but was forced to punt on fourth down as the second quarter began.

Happy countered with a touchdown and extra-point kick scored with 4:41 remaining in the quarter.

On Happy's kickoff, Clifford Clardy made a good runback to the Cowboy 44, but the Owls were unable to make a first down and the ball went over on the Happy 41.

Happy mixed passes and runs to move in for another score. The kick failed, and with 3:38 remaining to be played in the first half, Happy led 19-0.

The Owls came back with first downs on passes from Reagan to Arnold and Clardy, but the offense stalled and the ball went back over to the Cowboys.

The Owls opened the second half by kicking off, playing good defense, and getting a safety with 10:23 remaining in the third quarter. Happy free kick-

ed, and Clardy carried it back to the Cowboy 30. It looked like the Owls might have their best opportunity to score until the offense stalled and QB Reagan, who is also the team's punter, went down with a lacerated and broken nose. Freshman QB Cal Brannon replaced Reagan in the game and did a good job. Brannon had played and completed some passes in the game at Matador.

The ball went over on fourth down, then the Owl defense held and Happy saw the ball go back to the Owls. On fourth down, Tad Cornett punted, then Silverton was penalized.

Happy drove through several first downs and scored on the fourth play of the fourth quarter, but this was nullified by an infraction. They went into the endzone again with 10:19 remaining in the game, kicked the extra point and led 26-2.

When Happy kicked off to Silverton, the Owls were moved to

their own 10 by a penalty, and when Cornett dropped back to punt again he got a low snap and ran and the ball went over to Happy on about the five. The Cowboys scored on first down with 8:41 still on the clock, kicked the extra point, and led 33-2. On Silverton's next fourth down, Cornett got off the punt. Silverton's next possession resulted in a good drive that moved through three first downs before the Owls lost the ball via the old fumble route with 37 seconds remaining in the game.

Happy made 17 first downs in the game, as compared with five for the Owls. Happy had a total offense of 356 yards, while the Owls had 149 yards.

Happy was penalized 16 times for 125 yards and the Owls were penalized seven times for 85 yards.

Jim Forbes made 15 tackles, 10 of them unassisted. Eric Patton made eight, including two solo. Craig Patton made five,

one of which was solo. Barry Edleman and Tad Cornett made four each, three of which were unassisted efforts. Shane Reagan and Mitch Martin also made four tackles each.

Reagan was quoted as saying that when he suffered his broken nose, he felt like "my face mask gave way and that is what hit me." He was to have his nose straightened Wednesday (this was delayed due to swelling) and is doubtful for Friday night.

The Owls will host Vega at 8:00 p.m. Friday. The Longhorns were picked in the pre-season to win the district, and have done nothing since beginning conference play except win. They have defeated two of the strongest contenders, Happy and Nazareth, and the Swifts previously were undefeated and unscored on. The Owls need a large crowd to make a lot of noise for them as they take on the Longhorns, who are said to be "big and slow."

Area Towns Receive Sales Tax Rebates

Sales in Silvertown were up nearly 15 percent for July, while retail sales in many area towns were down.

This information is reflected in a report from Comptroller Bob Bullock.

Abernathy, Edmonson and Petersburg experienced the most drastic decreases of any communities in the South Plains or Panhandle.

While rebates scheduled to be released in September were up more than five percent over those reported for September of 1981 in Briscoe and Floyd counties, Hale County had a growth of slightly more than 1.5 percent.

Three other counties, Castro, Lamb and Swisher, showed the greatest decreases of Plainview-area counties, with sales tax rebates in Lamb County nearly 5.5 percent below the level of one year ago.

Briscoe County's 5.34 percent increase in sales tax rebates came solely from Silvertown, where the scheduled rebate of \$1,325 is 14.99 percent above the payment in September 1981. Quitaque's rebate of \$784 was 8.17 percent lower than a year ago.

Lockney led the two Floyd County cities which levy the one percent local sales tax with an increase of 13.17 percent, while Floydada's rebate was up 1.82 percent.

Lockney was slated to get a rebate of \$8,162 and Floydada \$5,907.

Only Plainview and Hale Center showed increases in sales tax rebates in Hale County.

Plainview's September rebate of \$58,641 was up 3.41 percent, while the check to Hale Center, \$2,302, was up one percent.

Abernathy recorded a drop of 13.51 percent; Edmonson was off 34.75 percent, and Petersburg was down 31.55 percent.

Only Memphis in Hall County, where the rebate was down nearly 72 percent, and Wilson in Lynn County, with a drop of 53 percent, showed greater decreases in sales tax rebates than those cities.

In Hart the rebate was off 1.60 percent; in Olton, off 4.51 percent; in Kress, up 6.15 percent; in Tulia, off 3.73 percent;

Club Hears Book Review At Meeting

The Progressive Homemakers met Monday, September 27, in the Pioneer Room at First State Bank. A book review was presented by Wynon Mayes, Hale County Extension Agent in Home Economics. The book reviewed was "Root Out of Dry Ground" by Argye M. Briggs.

Hostesses Ramona Martin, Roma Martin and Dorothy Martin served refreshments to members Pat McWaters, Sue Martin, Beverly Minyard, Marilyn Patrick, Bena Hester, Tisa Whitfill, Reba Self, Jonetta Ziegler, Roy Reed, Marsha Brunson, Anita Ramsey, Roma Martin, Sandra Smith and guest Wynon Mayes.

Business included discussion of the possible purchase of playground equipment.

AS A MAN THINKETH

Gerald Beasley

WHAT IS THAT

IN THY HAND?

He laid to rest his companion of 53 years, an open Bible in her hands. He said, "She looks more natural that way." They had five children, fifteen grandchildren, and eleven great-grandchildren, and all who were old enough were Christians.

When you die, what will seem most appropriate for your hands? A bottle? A fishing pole? A cigarette? Car keys? A TV Guide? A deck of cards? A wad of greenbacks?

"... by their fruits ye shall know them."

What object would your family pick that would most accurately represent your life?

Anciently, one of Judah's bad kings was Jehoram. He was putty in the hands of a wicked wife. He died wretchedly. "... he departed without being desired" ("to no one's regret," N.I.V.), 2 Chron. 21:20.

Right now a Bible in your living hands can be gloriously meaningful. You can be "transformed by the renewing of your mind" (Rom. 12:2), thus becoming more "desirable" to heaven and to men.

In Lubbock, up 11.04 percent, and in Amarillo, up 12.24 percent.

Guest Speaker Presents In-Service Training Program

Mrs. Ishebell Van Dyke of Amarillo presented an in-service training program for the Silvertown, Quitaque and Turkey ambulance services at the City Hall Tuesday.

Mrs. Van Dyke's program was on obstetrics. A former midwife in her native Scotland, Mrs. Van Dyke presented much first-hand information on the emergency delivery of babies and problems that arise with mother and baby before, during and after childbirth.

The program was the first in the continuing education, recertification program for ambulance service personnel.

Members of the Silvertown Volunteer Ambulance Service and guests present included Mr. and Mrs. Emmett Tomlin, Mr. and Mrs. Bruce Tiffin, Mr. and Mrs. Anthony Kingery, Kara and Shawna, Faye Self, Mary Ann Sarchet, Tommy Burson, James Edwards, Lynn Frizzell, Bill Boling and Dale McWaters.

Refreshments were served following the program to Mr. and Mrs. Van Dyke and daughter, and the members of the three ambulance services.

Bertha Mae Allard To Be Honored

A reception honoring Bertha Mae Allard on the occasion of her eightieth birthday will be held in the Pioneer Room at First State Bank on Sunday, October 10, from 2:30 until 4:30 p.m. It has been requested that no gifts be sent.

Hosting this occasion are Edwin and Carrie Dell Dickerson and Carver and Iwana Monroe.

No invitations are being sent locally, but everyone is invited to "come and share this special occasion with Bertha."

Mr. and Mrs. Printz Brown attended the 50th wedding anniversary of Mr. and Mrs. O. V. Donnell Saturday, October 2, at the Grand Room of the First Baptist Church in Amarillo.

Brown Receives Doctor Of Musical Arts Degree

MR. AND MRS. BILLIE RAY PERRY

McJimsey - Perry Vows Exchanged In Formal Ceremony Here Recently

Miss Vicki Carol McJimsey became the bride of Billie Ray Perry in a formal candlelight ceremony at 7:00 p.m. Saturday, August 21 at the First Baptist Church in Silvertown. Performing the service was the pastor, Rev. Royce Denton.

The bride is the daughter of Mr. and Mrs. Harvey McJimsey of Silvertown. The bridegroom is the son of Mr. and Mrs. Jimmy Hudson of Clarendon.

The church was decorated with a candelabra archway holding peach tapers and decorated with peach and white poms and baby's breath flanked by baskets of peach and white carnations and gladiolas. Family pews were marked with large peach satin bows.

Given in marriage by her father, the bride wore a gown of nylon net over bridal taffeta designed with Victorian neckline, natural waist and bouffant skirt. Her bell-shaped sleeves were accented with re-embroidered lace motif. Her veil of imported illusion was bordered with Chantilly lace. She carried a bouquet of white and peach carnations, white daisies and baby's breath atop a Bible.

To carry out bridal tradition, she carried the Bible and her grandmother's handkerchief for something old, chose her wedding gown as something new, borrowed diamond earrings from her bridesmaid, and added a blue garter.

Maid of honor was Miss Dani Whitfill of Silvertown. Matron of honor was Mrs. Delinda Jones of Canyon. Bridesmaid was Miss Angie Lowrey of Silvertown. They wore peach formal dresses of lace over satin, and carried nosegays of white and peach carnations, white daisies and baby's breath tied with brown ribbon.

Flower girl was Little Miss Molly Bomar, and her brother, Wil T. Bomar was ring bearer.

Candles were lighted by Miss Shavonne Lowrey of Silvertown and Terri Perry of Cement, Oklahoma, sister of the bridegroom.

Best man was Mark Dickerson of Clarendon, and groomsmen were Eddie Taylor and Bryan Hill, both of Clarendon. Guests were seated by Doug McJimsey of Silvertown, brother of the bride, and Ronnie Perry of Cement, Oklahoma, brother of the bridegroom.

A reception was held immediately following the ceremony in the church fellowship hall. The bride's table was decorated with a centerpiece of white and peach carnations, white daisies and baby's breath, and the bride's bouquet was used as the centerpiece on the groom's table. Assisting at the reception were Barbara Edwards and DeAnn Strange, who served refreshments at the bride's table, Jeni Denton and Dena Green, who served refreshments at the groom's table.

Guests were registered by Lupe Garcia.

Following a wedding trip to Oklahoma City, Lake Amstead and Old Mexico, the couple is at home in Amarillo where both are students at Texas State Technical Institute.

The couple was honored at a rehearsal party hosted by the bridegroom's parents the evening before the wedding. Mrs. Lura Brown hosted a bridesmaids' luncheon at 12:00 noon on the day of the wedding.

J. W. Lyon, jr. is a patient at Swisher Memorial Hospital in Tulia.

Mrs. Stan (Lynda) Fogerson suffered a sprained foot at the football game at Happy Friday night.

MISS MACKENZIE—

CONTINUED FROM PAGE ONE

Earlier in the day, they had been entertained at a Coke Party, hosted by Century of Progress Study Club, and had their individual interviews with the judges.

Master of ceremonies was Nick Long of Plainview, and pianist was Mrs. Anne Davidson.

Entertainment was presented during the pageant by members of the classes at Pat Owen Dance Studio in Plainview. The first number was "My Heart Belongs to Daddy," by Ashleigh Wyatt and Kami Martin. Shylo Carter and Shanna Wise of Plainview and Molly Bomar danced to Raggedy Ann. "Red, Red Robin" was the number presented by Tara Nance, Keely Burson and Penni Fogerson. Holly Nance, Leslee Weaks, Kristi Bean, Kayla Ramsey and Brandi Brunson danced to "Five Foot Two." Julie Towe presented the introductions to the acts.

Stage ushers were Eric and Craig Patton. Kerry Baird was the circus ticket taker.

The junior high cheerleaders, Carey Blackerby, Kim Burson, Tonnelle Miller, Suzann Settle and Jeannita Stephens, dressed in clown costumes, were ushers and assisted with the presentation of several door prizes.

The other girls in the pageant were Connie Coffman, Lockney; Elizabeth Ann Rawson, Elaine Moore, Amanda Gatewood, Amy Riley, Sharon Vaughn, Christy McElroy, Janice Byrd and Bonnie Choate, all of Tulia; Angie Lowrey, Jeni Denton, Aida Ramirez, Annette Kingery and Donna Boling, all of Silvertown.

One of the members of the sponsoring organization commented that this year's contestants were the most congenial and cooperative group they have ever had in the pageant.

Door prizes were donated by Pizza Gold and The Olde White House, Floydada; Davis True Value & Lumber, The General Store, Health - Fitness Center, Lockney; Brown - McMurtry Implement, Brown Hardware, Mary John's Flowers & Gifts, Carlye Hill, Mary Kay representative, Jones Dept. Store, Silvertown Auto Parts, Silvertown; Bates Shoe Store and A & H Printers, Tulia.

The pageant is held for the purpose of promoting unity among the people of Floydada, Lockney, Silvertown and Tulia, and Miss Mackenzie is expected to advertise and promote Lake Mackenzie.

Junior High Owls On The Road Today

The junior high Owls are on the road to Matador today to take on Motley County junior high for the second time this season. It will be interesting to see how much the team has improved since its first meeting with the Matadors.

The junior high Owls lost an 8-6 decision to Happy here last Thursday, and the fifth and sixth grade boys played Happy's seventh grade to a 6-6 tie.

Mr. and Mrs. Elton Cantwell, Mary Chris Cantwell and Jewel Fleming spent two days visiting Mr. and Mrs. Mark Burk and Cally near Raton, New Mexico. On Monday the entire group drove to Cuchara, Colorado to view the fall foliage. They met Mr. and Mrs. Darrell Fleming there for a picnic lunch. Later Mrs. Helen Fleming and her mother, Mrs. Simler, of Raton, joined the group for a visit and a drive up through nearby mountains.

Kerry Baird, Kori Baird and Stephen Stephens were pictured Monday night as the senior 4-H members judged the 4-H Week posters made that afternoon by members of the junior 4-H club.

Mrs. Morgan Named To Serve As Spelling Bee Director

Mrs. Florence Morgan, a teacher in Silvertown Junior High School, has been named to serve as Briscoe County's Spelling Bee director for 1983. She replaces Mrs. Dorothy Crabb, who retired in 1982.

The National Spelling Bee is sponsored nationally by the Scripps - Howard Newspapers and in the area by the Amarillo Globe - News and West Texas State University in Canyon.

Gene Parker, director of placement at the university and bee coordinator, announces the continuation of the educational program for the 35th year for public and parochial school students.

Rules, established by the national sponsors, say that no student who will be older than 16 by June 1 of 1983, or in a grade higher than the eighth, will be allowed to enter, beginning at the classroom level.

Each director will set the date for his respective elimination event and report the winner(s) to the newspaper no later than April 9, 1983.

The district contest to be held in Amarillo on April 30, 1983, will include champs from a 45-county, four-state area. The Bee will begin at 1:30 p.m. in the auditorium of Stephen F. Austin Junior High School, 1808 Wim-

berly.

In Amarillo all of the champs will be vying for a trip to Washington, D. C. beginning June 6, plus numerous gifts from the sponsors.

The Amarillo Globe-News is making available the study book, "Words of the Champions," for 40 cents. The newly-designed book, containing in excess of 3,000 words, plus 550 new ones over last year, is available to any principal, superintendent or contestant. The book is not available by mail in the City of Amarillo or the City of Canyon. Orders should be addressed to the Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79166.

Pappy Kindrick, who used to deliver freight in Silvertown for Thomas Cartage, visited friends here Tuesday. He has recently been in the hospital for treatment of a heart condition. He and his wife are living east of Happy near Wayside.

Mrs. John Francis has been a patient at Central Plains Hospital in Plainview.

Reflections of His Love

featuring Joni Eareckson

Every life has its unanswered questions... its hidden fears... its unspoken doubts... its quiet hours. But Joni Eareckson is a living proof of His power to satisfy... to comfort... to meet every need. And that's why knowing Him is everything.

RED EDGE IH PERFORMANCE SAVINGS

GET 9.9% FINANCING, WAIVER, OR A CHECK UP TO \$3,000 ON NEW INTERNATIONAL® TRACTORS.

Our Red Edge Performance Savings are making it easy to put international tractor performance in your fields this fall and more savings in your pocket.

We have low 9.9%/3 year or 11.9%/5 year financing* available for you when you buy and finance through IHCC. Good on all new, 36 to 73 PTO hp Series 84 tractors, 66 to 161 PTO hp Series 86 tractors, 2+2s and the new 30 and 50 Series tractors. For used tractors, 11.9%/3 year financing is available.

Or get a waiver of finance plus a check up to \$2,700. Buy and finance through IHCC and enjoy waiver of finance to March 1, 1983. Plus receive a check of up to \$2,700 directly from IH.**

Get an even bigger check for cash settlement instead of any other offer. When you buy and take delivery of any new, qualifying tractor during October, with cash settlement, you'll receive a check from IH for up to \$3,000.

If you need more horsepower in the field this fall, now's the time to see us... and save. These offers end October 31, 1982. Stop in for complete details today.

God's Purposes

If you were having a picnic at the lake at approximately this spot, you might say, "Well, why did the engineers leave those trees in the water when they made this lake? They create such an eyesore. I can see no purpose in it." Yet, fishermen tell us that the fish love those old tree stumps and roots and that you can almost always find fish swimming in the dark recesses around and between these trees.

So many times we question God's wisdom in allowing some things to be and other things to come to pass. But God is good and his purposes are wise. The very thing that seems useless to us, might make us marvel if we could see with Heaven's eyes.

As Isaiah reminds us, "For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts."

But he also wants us to know that his thoughts are many toward us and that everything works toward our good and our salvation. If we had no conflicts, and no questions, we would never have the opportunity to step out on faith.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Miss Ramirez Is Queen Contestant

Stephanie Ramirez, 13-year-old daughter of Mr. and Mrs. Frank Ramirez, is queen contestant of Our Lady of Loreto Catholic Church for the December 12 celebration of Our Lady of Guadalupe Feast which is celebrated every year.

The contestants are supported by their parents and other members of the church. They sell food and other things to make

money. The one who turns in the most will be crowned queen in December.

Stephanie asks that you please support her candidacy. Members of the church will be selling tamales Saturday at 2:00 p.m. at the church hall. You may place your order for tamales by calling 823-2114 or 823-2003.

Junior 4-H Club Elects Officers

The Junior 4-H Club met Monday, October 4, 1982 in the Pioneer Room. Officers elected were Clay Schott, president; Jamie Frizzell, vice-president; Katrina Minyard, secretary; Linda O'Neal, reporter; Jeannita Stephens, Junior Council; Robbie McWaters and DeLyn Patton, parliamentarians.

A program, "Poster Making Tips," was presented and then each one present made a poster for National 4-H Week.

The Wildlife and Food and Nutrition projects are beginning soon. If you will help with either project, please contact the Extension Service, 823-2343.

4-H is open to all youth 9-19 years of age regardless of socioeconomic level, race, color, sex, religion or national origin.

Senior 4-H Club Judges Posters

The Senior 4-H Club met Monday, October 4, at 7:30 p.m. in the Pioneer Room at First State Bank. Officers elected were Kerry Baird, president; Stephen Stephens, vice-president; Kristy Fogerson, secretary; Donna Tomlin, reporter; David Schott and

Junior 4-H Poster Winners Named

The winners of the National 4-H Week poster contest held for the Silverton Junior 4-H Club are:

8-9 Year Olds—Jennifer Grimland, Jeffery Grimland, Crystal Miller

10-11 Year Olds—Tara Nance, Penni Fogerson, Sonna LeNor-mand

12-13 Year Olds—Suzanne Settle, Jeannita Stephens, Kim Burson

County 4-H Pig Sale Slated October 12

The Annual Briscoe County 4-H Pig Sale will be held October 12, 1982 at the County Show Barn.

According to County Extension Agent Earnest Kiker, there will be an outstanding group of swine breeders consigning to the sale. Seth Ralston, Farmer County Agent, will be doing the sifting and judging. He will be sifting extra hard to insure the highest quality of show pigs, Kiker said.

Sifting of the pigs will begin at 1:00 p.m. and the sale will start at 7:30 p.m.

There will be a concession stand to provide those who attend with drinks and plenty of food.

Russell Simpson, parliamentarians; Kerry Baird, District Council; Kori Baird, delegate; Kristy Fogerson, alternate.

The group judged the posters made by the Junior 4-H'ers. Anthony Kingery gave a program on Emergency Care in Briscoe County. An EKG was run on Craig Patton.

A Ski Trip Committee was appointed to begin work on ideas.

A Senior Photography Project is being planned, so call the Extension Office, 823-2343, if you want in on it.

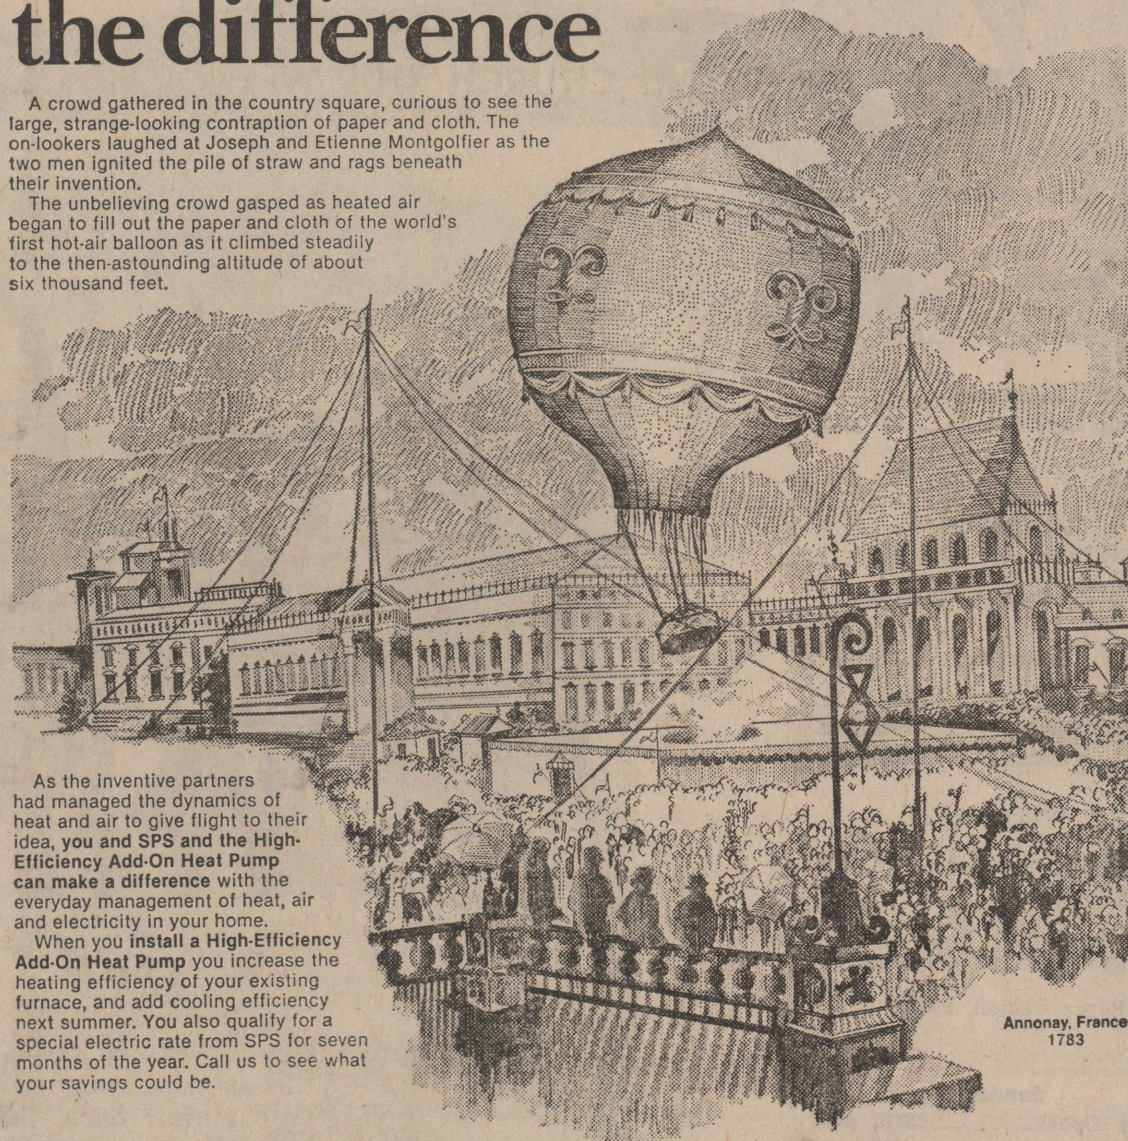

4-H is open to all youth 9-19 years of age regardless of socioeconomic level, race, color, sex, religion or national origin.

SCHOOL SUPPLIES-BRISCOE COUNTY NEWS

When heat and air make the difference

A crowd gathered in the country square, curious to see the large, strange-looking contraption of paper and cloth. The on-lookers laughed at Joseph and Etienne Montgolfier as the two men ignited the pile of straw and rags beneath their invention.

The unbelieving crowd gasped as heated air began to fill out the paper and cloth of the world's first hot-air balloon as it climbed steadily to the then-astounding altitude of about six thousand feet.

As the inventive partners had managed the dynamics of heat and air to give flight to their idea, you and SPS and the High-Efficiency Add-On Heat Pump can make a difference with the everyday management of heat, air and electricity in your home.

When you install a High-Efficiency Add-On Heat Pump you increase the heating efficiency of your existing furnace, and add cooling efficiency next summer. You also qualify for a special electric rate from SPS for seven months of the year. Call us to see what your savings could be.

Annonay, France

Cards of Thanks

CARD OF THANKS

We would like to thank our
fine fire department who res-
ponded so quickly to a grassfire
at our home. Also to our local
lawmen, friends, neighbors,
coaches and football boys. To
Marvin Self, who turned in the
fire alarm, and thanks again to
the firemen who had to be cal-
led out again that night.

We don't know the names of
all who helped put the fire out,
but you know who you are, and
we thank each and every one.
It's people like you that makes
our community a fine place to
live in.

Professional service. You deserve it. We deliver it.

When you spend good money on machinery, you expect
to receive professional service support. That's only
right. That's why we back our sales efforts with a
well-equipped, expertly staffed service department.
Our technicians know the equipment we sell, inside
and out. They have the tools and the training to make
both routine and emergency repairs quickly and
accurately. We deliver professional service. It's no
more than you deserve.
