CHAMPION DUROC -- Lana Tucker, local FFA member, exhibited the winning Duroc market barrow in the Southwestern International Livestock Show last week in El Paso. Her father, Lanny Tucker, is vocational agriculture advisor. Other FFA winners were Kent Hill, sixth place heavyweight Chester and ninth place middleweight Duroc; Lisa Nelson's fifth and ninth place heavy crosses; Larry Marble's sixth place heavy cross and Marlin Marble's tenth place middleweight cross.

Stock Show Set, Buyers Needed

Stock show activities are underway today with Hart Buyers Club still in desperate need of funds to underwrite the sale of animals for local youth participating in the annual exhibit. Contributions have been slow in coming in and

Buyers Club president Jerry Bonsal asks the cooperation of local residents and supporters of the youth.

Contributions to the Buyers Club may be left with Jim Werner at Farmers State Bank.

Special Planned

A special bicentennial edition of the Hart Beat is being planned for publication early in the summer and plans are already underway to make the edition an issue which you will want to treasure as a keepsake.

Publishing such a paper would be impossible without the cooperation and generosity of you, the residents of Hart and Castro County.

Old pictures, historic documents, clippings of early day newspapers and other memora-

bilia of Hart and her people are needed to make this special edition a treasure. If you have pictures or other items of interest which you will share, contact Evelyn Davis, 938-2564 or write The Hart Beat, Box 449, Hart, Texas 79043 or The Hart Beat, P.O. Drawer E, Olton, Texas 79064.

Every item will be kept safe and unharmed and will be returned to the person contributing to the historic paper.

Karen Foster Is Named HHS 'Family Leader'

Karen Foster has been named Hart High School's 1975-76 Betty Crocker Family Leader of Tomorrow. She won the honor by competing with other seniors in a written knowledge and attitude examination Dec. 2.

Miss Foster, daughter of Mr. and Mrs. Wamon Foster, received a certificate from General Mills, sponsor of the annual educational scholarship program and is now eligible to compete for state and national honors.

The HHS senior is a member of Future Homemakers of America and has been a member of Longhorn Band four years. Music is a favorite pastime. Selected as the 1974 Miss Hart Day, she is also interested in needlepoint and decoupage. She likes to sew.

She has an older sister, Jean, who is a student at Texas Tech,

an two younger brothers, Phil, a sixth grader, and Tim, a fourth grader.

Karen plans to attend West Texas State and further her education but has not yet decided on a major.

State Family Leaders of Tomorrow receive a \$1,500 college scholarship while state second-place winners receive a grant of \$500. State winners also receive, for their schools, a 20-volume reference work, "The Annals of America," from Encyclopaedia Britannica Education Corporation.

In the spring, state winners and their faculty advisors will be guests of General Mills on an expense-aid educational tour to Washington, D.C. A special event of the tour will be the announcement of the All-American Family Leader of Tomorrow whose scholarship will be increased to \$5,000.

FAMILY LEADER OF TOMORROW -- Jean Foster receives a Betty Crocker Family Leader of Tomorrow certificate from homemaking instructor, Rebecca Scribner, in the newly decorated "living room" of Hart High School's homemaking department. The room, painted in light canary yellow, was decorated by girls in Homemaking III within a "young homemakers" budget of \$200. The girls re-upholstered the sofa, made bookcases and cube accent tables and carpeted the room with squares and triangles of solids and tweeds in colors of yellow, lime green and ivory. Bookshelves and tables, painted black, carried out accent colors of lime green and yellow. Final touches to the room include wall hangings which the girls are also making. Future classes will add a re-upholstered chair and perhaps other accent pieces.

MRS. WAYNE ETHRIDGE

Cook Of The Week

Basketball was a favorite pastime for our Cook of the Week when she was a student in Hart schools. Today it is still a big interest for Mrs. Wayne Ethridge.

Nelda, a 1974 graduate of Hart High School, was selected Most Athletic her senior year. She is the daughter of Mr. and Mrs. R.G. Henderson and has lived in Hart all her life.

Sewing is another of Nelda's hobbies.

Nelda has been employed as secretary-bookkeeper at Hart Oil and butane for a year and a half. Wayne is also employed with the business as driver of a delivery truck.

She is a member of First Baptist Church.

MR. & MRS. LESTER AVEN

Lester Aven-Rhonda Rowland Pledge Double Ring Vows

Wedding vows were solemnized Saturday at 6 p.m. in First United Methodist Church for Miss Rhonda Jean Rowland and Arlen Lester Aven.

Officiating the double ring ceremony before an altar set with candelabras entwined with greenery was the Rev. Elra Phillips. Pews were

marked with red and white checked bows. White wicker baskets flanked the altar with their arrangements of white gladioli and red carnations with baby's breath.

Parents of the couple are Mr. and Mrs. Newlon Rowland and Mr. and Mrs. Dudley Aven.

Mrs. Brenda Campbell pre-

sented nuptial selections at the organ. Robert Hawkins, soloist, was accompanied by Miss Carol Armstrong, pianist, as he sang "We've Only Just Begun."

Given in marriage by her father, the bride wore a formal gown of white organza fashioned with moulded bodice

featuring a V-shape neckline emphasized by Venise lace flowerettes. Flowerettes accented the crescent waistline, centered with a satin bow at the back closing. The short tiered capelet sleeves were edged in matching lace. Petite Venise lace appliques enriched the front of her bouffant skirt which swept into a short chapel train. Venise lace encircled the hemline.

Her waist length bouffant veil was edged in Venise lace with matching motifs on either side. It was held by an openwork tiara of matching Venise lace. She carried a Colonial bouquet of white feathered carnations and babies breath centered with a red orchid.

Keeping traditions, the bride carried a penny in her shoe, "borrowed" a blue garter from Mrs. Bobby Reed and wore her maternal grandmother's wedding ring on a chain about her neck.

Patricia Shugart was matron of honor. Suzahn Rowland, sister of the bride, was maid of honor. Cristi Rowland, sister of the bride and Michael Chaney of Friona lighted candles with Nikki Rawson of Burlington, Colo. as flower girl.

Feminine attendants wore formal dresses of red quiana nylon styled with high necklines and short puffed sleeves accented with white edging. White velvet ribbon complemented the waistlines of the softly gathered skirts. They carried Colonial bouquets of peppermint carnations interspersed with baby's breath.

Glen Black was best man. Ricky Rowland, brother of the bride, was groomsman. Guests were seated by Rowland and Rodney Rawson of Burlington, Colo., brother-in-law of the groom.

For her daughter's wedding, Mrs. Rowland wore a formal gown of red polyester with a red orchid corsage. Mrs. Aven chose a coral formal length gown with red orchid corsage.

A reception was held in fellowship hall of the church. Guests were registered by Miss

Sharla Carson. The bride's table was laid with white lace over red. Silver candelabras with red candles and the bridal and attendants' bouquets provided decor. Punch and the traditional wedding cake were served from crystal appointments. Presiding at the bride's table were Mrs. Rod Rawson and Arlene Aven, sisters of the groom, and Miss Sherry Hicks, cousin of the bride.

Assisting with the houseparty were Mmes. Wister Clevenger, Bob Reed, Jim Werner, Doug Higgins and Johnny Hicks.

For travel, the bride chose a white pantsuit with red blouse and red and white accessories. She added a red orchid corsage.

The bride is a student at Hart High School. Aven is also attending Hart High School and is farming with his father.

Mr. and Mrs. Dudley Aven hosted a rehearsal dinner in fellowship hall of the church.

A bridesmaids' luncheon was hosted Saturday in the Country Cupboard in Hale Center by Mrs. Joe Edd Carson and Sharla.

Out of town wedding guests included Mr. and Mrs. Johnny Hicks, Sherry, Donny and Scott of Midland; Mr. and Mrs. Donald Pigg and Donnita of Andrews; Mrs. Henry Pigg of Durant, Okla.; Mrs. Roger Conner of Marshall; Mr. and Mrs. N.F. Rowland of Madill, Okla.; Debbie Lacy of Olton; Mr. and Mrs. Wister Clevenger of Hereford; Dennis Swinehart of Plainview; Mr. and Mrs. E.C. Galyon of Muleshoe; Mr. and Mrs. Rod Rawson and girls of Burlington, Colo.; Mr. and Mrs. Mike Chaney and sons of Friona and Mr. and Mrs. Melvin Aven, Retha and Brent of Lubbock.

IN AMARILLO

Mr. and Mrs. Robert Williams and children visited last weekend in Amarillo with her parents, Mr. and Mrs. Lester Flippo, former residents. Mmes. Williams and Flippo and Toyika Williams attended an art festival Saturday in Amarillo.

Music Revival To Begin

"Victory in Jesus" will be the theme of musical revival services beginning Sunday, Feb. 29 and continuing through Wednesday, March 3 at First Baptist Church. Bill Sky-Eagle, Southern Baptist Music Evangelist of Waco, will be directing the special series of meetings. Regular Sunday morning worship hours will be observed with all evening services set for 7:30 p.m.

A native of Temple, Sky-Eagle is married to the former Ivy Jean Dailey of Port Arthur. She will appear with her husband and provide accompaniment for special music.

Sky-Eagle answered the call

to full time Christian service in November, 1965. He entered full time music evangelism June 4, 1973. He has appeared as Crusade musician in overseas crusades in Spain in 1971; Germany, 1973 and England, 1975. He has been music evangelist in over 200 revivals and crusades in Southern Baptist churches.

He is a recording artist for Eagle records with albums including "Then Sings My Soul," "Bill Sky-Eagle - In Concert" and "I'll Tell the World."

He graduated from Paris High School in 1964 and received a BA degree from

Baylor University before attending Southwestern Baptist Theological Seminary. He has also studied at Texas A&M University.

The sacred and gospel concert artist served seven years as minister of music, education and youth in Texas Baptist Churches and five years as youth-led revival singer with the Division of Student Work for the Baptist General Convention of Texas.

The Rev. Joe Cariker, pastor, invites the public to attend the special services which also feature local talent. A different theme will designate each evening service.

A choir rehearsal and visitation time has been planned for Saturday Feb. 28 with a fellowship time following at the church.

Sanders Rites Held Monday

Funeral services were held Monday morning in St. John's United Methodist Church in Lubbock for Robert L. Sanders, 61, brother of W.T. and Dean Sanders.

Officiating were the Rev. Ted Dotts, pastor and the Rev. Charles Lutrick, former pastor. Burial was in Resthaven Memorial Park under the direction of Sanders Funeral Home.

A native of Wellington, Sanders was dead on arrival at Methodist Hospital at 12:30 p.m. Friday after suffering an apparent heart attack.

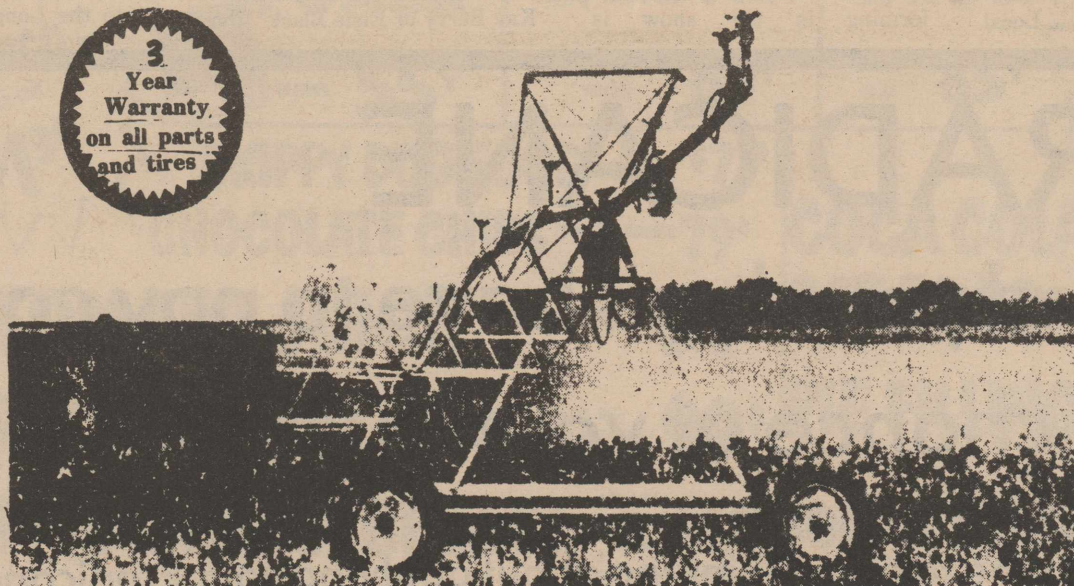

He had been a resident of Lubbock 31 years and was sales representative for Pittsburg Industries.

Survivors include his wife, Imogene; a son, Robert Lee Jr. of Houston; a daughter, Mrs. Susan Hilburn of Austin; a sister, Mrs. Furche Riley of Springlake and two grandchildren.

Farmers, Ranchers Meet

Scheduled Here Feb. 24

Farmers and ranchers are invited to attend a Tuesday afternoon meeting in the community room of Farmers

State Bank. Slated for 1:30 to 3 p.m., the meeting is sponsored by Farmers Grain and Livestock Hedging Corporation. Jerry L. Bradley of Plainview, state manager, will direct the meeting and explain the services offered by FGL.

Farmers Grain and Livestock and Iowa Grain and Livestock Hedging Corporation is a marketing advisory service which offers its customers up-to-date marketing advice, a weekly newsletter and the privilege of using toll-free telephone WATS lines to obtain up-to-the-minute market reports from qualified advisors who have the latest electronic equipment at their fingertips.

Bradley says "FGL-IGL's only service is advice. We are not brokers. We are mindful that if our advice does not meet the needs of our subscribers, we are out of business because that subscriber has a right to renew his membership each year. Our goal is satisfied members."

Cards Of Thanks

Saying "thank you" is a very small way of expressing our appreciation to the men of the Hart Volunteer Fire Department. We are so grateful to them for coming to the rescue and putting out the car fire. We never know how to truly appreciate their services until we have experienced such a need. Thank you, men, for giving of your time and ability for such services to this community. We deeply appreciate each one of you.

Hart Lions To Conduct Sustaining Member Drive

Hart Lions Club will conduct the annual Sustaining Membership Enrollment for the South Plains Council-Boy Scouts of America during the latter part of February. The kick-off meeting will be held during the Lion's Club meeting Monday, Feb. 23. Campaign chairman is Jim Werner.

"Hart has an active Scouting program. We have a Cub pack

and a Scout troop. Our Cub group has three dens and the Boy Scouts have over a dozen members," said Werner.

The South Plains Council is made up of communities in twenty counties in the central panhandle. The funds raised in Hart go to help maintain the program for Scouts in this area.

"Duane Clevenger is our Scoutmaster and Juan Martin-

ez is the Cubmaster. Scouting isn't just a recreational program. It is an educational movement aimed at developing character, training for citizenship, and making boys strong in body, mind and spirit. America needs Scouting and we in Hart want a strong program," said Werner.

The campaign will be conducted in the community and among the families of the Scouts.

Volleyball Tourney Set

Booster Club members are hosting a volleyball tourney for local teams only March 9, 11 and 13. Entry fee is \$10 per team.

Deadline for entering is March 5. Additional information may be obtained by calling 938-2318 or 938-2257.

Tennis Fund Grows, More Needed

Tennis courts for the people of Hart are coming nearer reality as more contributions come in for the construction of the four proposed courts. Still more is needed before work can get underway and time is running out if the courts are to be constructed in time for students of Hart schools to participate in UIL tennis this year.

Persons wishing to contribute to the fund may leave

their donations at Farmers State Bank. Total funds collected thus far are \$8,791.08.

Additional contributors are High Plains Tennis Association, Harold Bob Bennett, Hart

Farm Supply, Kim Williamson, Hawkins and Sons Dirt Movers, Tide Products, Ralph Cole, Sun

THE TOP 3 CORN HYBRIDS FOR THE SOUTH PLAINS

Everyone knows the top corn hybrid for this area. PIONEER® brand 3369A is the most planted hybrid in Texas, Oklahoma and New Mexico. Not everyone realizes, however, that there are other PIONEER hybrids that do as well as this famous one . . . even beat it in some respects. You should consider them, too. They'll help you get exactly the right hybrid mix for whatever mother nature has in store for this season:

This hybrid is grown on more acres of Texas, Oklahoma and New Mexico corn land than any other variety. It has set yield records year after year. 3369A has excellent seedling vigor, good roots, stalks and ear retention and excellent tolerance to blight, plus it dries fast and shells easily.

An exciting new hybrid that has an even greater yield potential than 3369A. The added yield potential comes, in part, from a little later maturity while having the root and stalk strength to stand until harvest. It stays green later, too. This one can add significant profit to your corn crop.

Another new, good yielding hybrid. It's a little earlier than 3369A with exceptionally fast dry down. It has made from \$9 to \$12 more profit per acre than ordinary hybrids because of its fast dry down. It has long slender ears on small, hard cobs . . . really great for combining.

Informed Consumer

Foils Mail-Order Cheats

"The greatest enemy of the mail-order cheat is the informed consumer," Postmaster Jewel Brooks said today. "That's what Postal Consumer Protection Week is about . . . to make you an informed consumer."

Although the vast majority of mail-order firms are honest, reliable and necessary to U.S. economy, "a few bad apples can spoil the rest of the basket," she said. "Being aware is the best way to combat the spoilers. Postal Consumer Protection Week, February 23-28 is designed to inform the public of available postal consumer assistance," the Postmaster added.

Not only can informed persons protect themselves and their families but they can also help alert the Postal Service to rackets and schemes which may be costing American consumers more than an estimated \$395 million a year, she said.

One flexible and relatively new consumer protection program in operation at the Postal Service combines the talents of

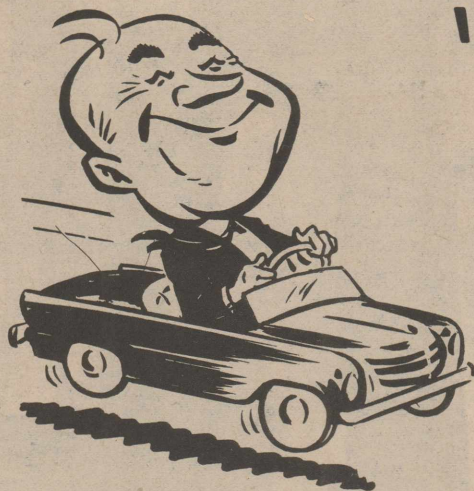

the Postal Inspection Service, the Service's Consumer Protection Office and its Consumer Advocate, in resolving complaints of alleged mail-order swindles when postal customers fail to receive merchandise ordered, refunds promised or find that the product or service purchased is not as advertised.

Little Dribblers Play Begun By Boys Monday

Little Dribbler basketball action got underway with Farmers State Bank's Royals defeating Hart of the Plains Gin's Colonels, 18 to 16. Arney Garza scored 12 points for the Royals with Robert Martinez picking up four. Wade Cook and Kevin Irons scored six points each for the losers.

In major league action, it was the Trailblazers of Hart Oil over Bob's Farm Supply's Bucks. Final score was 29-26 with Luis Villegas scoring 10 and Chris Clifford, six, for the Trailblazers. Leon Isaguirre paced the Bucks with 10.

The Knicks, sponsored by Nora Lee's Gift and Apparel, edged the Celtics of Ed Harris Lumber by slim margin. The 18-17 battle found Derek Rich collecting five points and Daniel Guzman and Raul Menchaca, four each for the Knicks.

Melvin Washington scored 10 for the Celtics.

Admission to Little Dribbler games is \$1 for adults; 50 cents for students, a change from the admission charged at Monday's games.

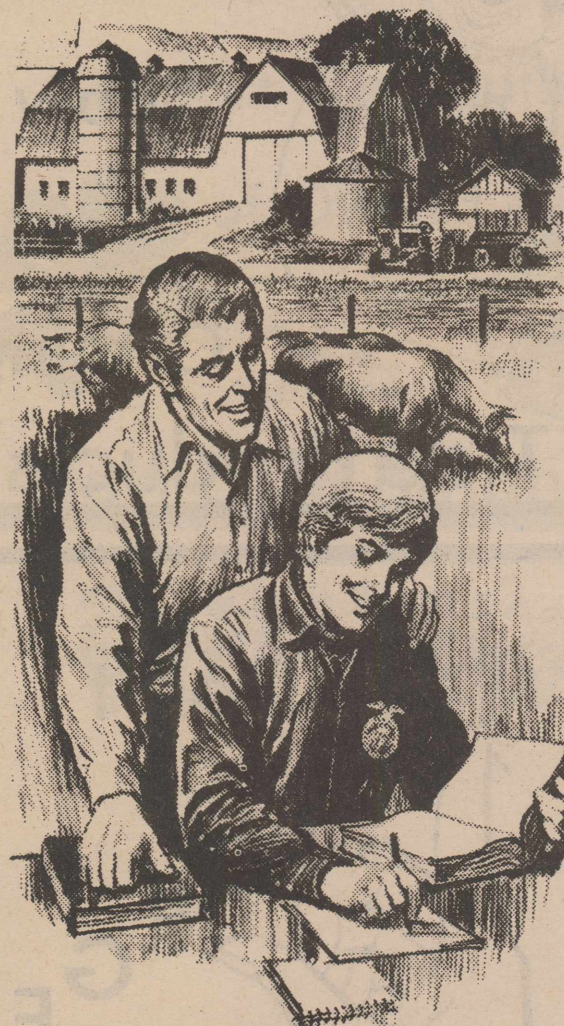

Support of the boys is urged. All basketball fans are invited to attend and back the youngsters.

Mrs. David Knox To Head Mental Health Campaign

Mrs. David Knox has been named Mental Health Chairperson for the May '76 campaign, according to an announcement by Carroll B. Bryant, president of the Texas Association for Mental Health.

As chairperson, Mrs. Knox will recruit volunteers to conduct the house-to-house fund drive during May, Mental Health Month.

The Texas Association for Mental Health is strictly a volunteer association, with

members dedicated to informing the public about mental illness and mental health, while helping the mentally ill and their families.

As citizen advocates, the association works to see that government funds are spent effectively. Members would like to see a greater emphasis in state mental health dollars go to children and community mental health services.

The Mental Health Association believes that education is a key factor in preventing mental health problems.

As part of its educational program, the association cooperates with the Texas Department of Community Affairs, Early Childhood Development Division, in delivering the "Pierre the Pelican" newsletter series to all first-time parents in Texas. "Pierre" deals with the mental and emotional development of children from birth to six years.

With one in ten persons needing some kind of mental health care, the association offers free literature to the public on alcoholism, children's mental health, sexuality, depression and other mental health topics. For information write to the Texas Association for Mental Health, 103 Lantern Lane, Austin, Texas 78731.

Home & Hobby

This is stock show time again. There are many 4-H and FFA members from throughout the county who are showing livestock. Make the stock show part of your plans for this week-end. The 4-H'ers will have a concession stand featuring barbequed lamb as well as hamburgers and homemade pie. The County Historical Museum Association will also be there to sell memberships. This group is working on getting a museum started for our county.

One thing for sure is to be the continuous increase in the cost of living. In nearly any group sooner or later the discussion of money comes up. Last week while I was at one of the home demonstration club meetings the discussion centered on the high cost of water. One homemaker said she thought she's start using cold water for her laundry. Perhaps some of you feel the same way. Here are some hints for you if you want to use this laundry method.

"Cold" water taken directly from the underground pipes can range from near the freezing point to over 100 degrees F. And over this wide range of temperatures, there are significant differences in water's ability to dissolve detergent and clean clothes.

The "warm wash" setting on the machine will clean clothes efficiently and save energy also.

Lower rinse water temperatures will contribute to energy savings and rinse as effectively as hot water.

Warm wash and cold rinse temperatures will help reduce loss of color and will result in less wrinkling of permanent press fabrics. The balance between warm wash and rinse should obtain the best possible balance of cleaning ability and energy savings.

If you have infants or small children in your family, insure proper sanitation by adding chlorine bleach or other disinfectant to the wash and dry your clothes in the dryer.

GA's This Week

GA's met Sunday afternoon at First Baptist Church. Group singing was accompanied by Miss Sherry Cozart at the piano.

Girls discussed plans to go to

Lockney Saturday for a mission study. Girls will take sack lunches. The group continued their study, "This Is Home Missions Too."

Diane Davis gave the prayer calendar with Conrad Willmon of Lebanon as missionary of the week.

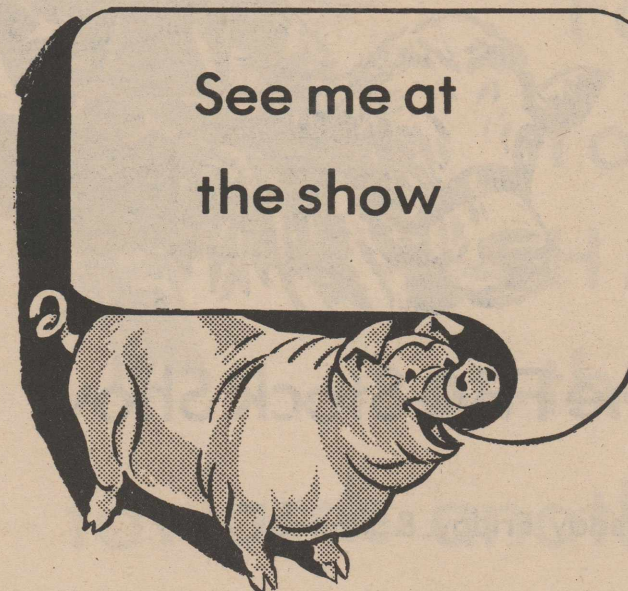

Meeting with Miss Cozart were Lori Felan, Gayla Kittrell, Jana Werner, Jennifer Davis

and a visitor, Teresa Greensburg.

Christi Cariker, Jennifer Davis, Melissa Kittrell, Dora Bonsal, Gracie Bonsal, Diane Davis and Debra Davis met with Mrs. Mack Davis.

Greenbugs On Increase Due To Warming Trend

Greenbug populations are on the increase across the county, according to County Extension Entomologist Olan Moore. "This increase is due to the recent warming trend in the weather which has created favorable conditions for reproduction", says Moore.

"However, greenbug numbers appear very inconsistent throughout the area", continues Moore. "Some fields are showing from none to a very light infestation while in others the numbers are ranging from 200 - 500 per foot of row. We are also seeing spotted infestations of the Oat

Bird-Cherry Aphid," adds Moore.

There has been quite a bit of aerial spraying, to control the greenbug, in the past few weeks, as would be expected with these high numbers. "I would like to advise, however, that no chemical be applied for control until an accurate greenbug count has been determined for each separate field," warns Moore.
