RESCUED AIRMEN LEAVE PLANE

Lt. Cmdr. George S. Smith, on stretcher, and Lt. R. L. Mallonee, being assisted from plane, arrive at Elizabeth City, N.C., on a Coast Guard plane that rescued them and two other Navy fliers in Pamlico Sound, N.C. The Navy airmen ditched their plane after both engines failed. One crewman perished.

Administration Foreign Policy Adequate, Sec. Dulles Asserts

Disputes Claims In Knowland Talk

WASHINGTON (AP)—Secretary of State Dulles said today he believes Eisenhower administration foreign policy adequately covers present needs and he knows of no emergency requiring an extraordinary review.

He thus appeared at a news conference to place himself in opposition to the call voiced yesterday by Sen. Knowland (R-Calif) for a congressional review of policies to see whether a "basic change in direction" is needed.

Dulles also appeared to dispute Knowland's contention that an atomic stalemate between the United States and Russia could mean the weakening of the free world through "nibbling aggression."

He told inquiring reporters that the free nations, largely under American leadership, have been continuously taking measures to strengthen themselves against Soviet pressures and he would say that on the whole those measures have been quite successful.

A short time before, in an address which had some of the earmarks of a response to Knowland, President Eisenhower had said that better understanding between the peoples of the United States and Russia is the only way to a lasting and just peace.

Eisenhower, addressing the convention of land grant colleges and universities, said one of the problems of the world is lack of Russian understanding of America's motives, and lack of appreciation here of the Russians' culture and history.

Ahead of the statements by Eisenhower and his secretary of state, Sen. Fulbright (D-Ark) had said that Knowland, Senate Republican leader, was engaging in "dangerous talk" when he said "ultimate Communist victory" would result from "coexistence and atomic stalemate."

Two other members of the Senate Foreign Relations Committee—Senators H. Alexander Smith (R-NJ) and Sparkman (D-Ala)—said they were puzzled over the point Knowland was trying to make. Knowland is the Senate Republican leader.

Fulbright said it was "dangerous talk" to suggest that the United States could see no possibility of working out a peaceful solution of pressing world problems. He cautioned that this country could lose the cold war "by losing the allegiance of India and other nations through our emphasis on military power." He urged "a lot less talk and a lot more responsibility" in the foreign and military policy fields.

Knowland called for a congressional inquiry into "our foreign and defense policy to find out where ... it will take us and whether this clear and present danger which appears to me to exist is such that a basic change in the direction of our policy is warranted."

Sen. Lyndon B. Johnson, the Senate Democratic leader, approved the idea of a policy review and he said: "I'm afraid today that we are weaker than we should be."

Knowland agreed with some Democratic senators that the United States should be able to negotiate with the Russians "from a position of strength," but he said he could not concede their arguments that the armed forces had been weakened by administration cuts in the defense budget.

Nonetheless, his speech — the first at this special Senate session to deal with a matter not related to the censure charges against Sen. McCarthy (R-Wis)—appeared to place the GOP Senate leader at odds with President Eisenhower on U.S. policy toward Russia.

Eisenhower told a news conference last June the hope of the world lies in peaceful coexistence with Russia and other Communist nations. But he stressed he would "not be a party to any treaty that makes anybody a slave."

Knowland said Russia is deliberately pushing the concept of "peaceful coexistence" for "the purpose of gaining sufficient time to accomplish what we may term 'atomic stalemate'." He said the Soviet target date for reaching this objective probably is between 1957 and 1960.

By then, he said, Russia will be in position to start "operation Nibbling, wherein they will seek to take over the peripheral nations bite by bite."

Smith said he was "convinced" the Eisenhower administration "knows exactly what is going on and makes all the reappraisals necessary of our foreign and military policies."

Park Shelter Project Due To Start Soon

Work is scheduled to begin within the next few days on construction of a park shelter in Towle Memorial Park, a county project.

The shelter, on which a contract has been awarded to a low bidder, is to accommodate as many as 428 persons at a single time and may be used for large gatherings such as church socials, company parties, etc.

The contract has been awarded to J. D. Jones Construction Co. of Big Spring, which reeently completed the new annex to the city hall and has also constructed the health unit building and the livestock exhibition barn at the park. The contract price was $28,369 with a work-day time schedule of 90 days.

The base bid was lower than the next lowest base bid by a margin of more than $2,000. Bids ranged as high as $35,844, and time schedules submitted with the bids ranged from 60 to 120 days. Other bids submitted by various West Texas construction firms were:

A. J. Allen, $32,440 and 110 dyas; Connell Construction Co., $34,650 and 60 days; Honeycutt Lumber & Supply, $33,600 (no time listed); L. M. Markham for Partain Construction Co. of Snyder, $35,274 and 120 days; Norcross Construction Co. of Snyder, $30,888 and 65 days (with an alternate bid of $29,888); Bowers Purcell, $34,160 and 100 days; V&N Construction Co., $35,844 and 120 days; and J. L. Wadleigh Construction Co. of Snyder, $32,971 and 120 days.

The shelter will measure 85 by 100 feet and will be constructed primarily of concrete. The project was designed by Herbert Brasher & Associates, a Lubbock architectural firm, which estimated cost at $30,000.

The commissioners court also accepted a bid to purchase a water pump for use at the nurses home of Cogdell Memorial Hospital, another county project.

The pump is to be installed when it arrives from the factory. The contract was for a purchase price bid by Well Machinery Co. of Fort Worth at $1,071.92. The only other bids were $2,565.66 by Snyder Plumbing Co. and $1,814 (less five per cent) by Scurry County Tractor Co.

NAGUIB DEPOSED

Egyptian president Maj. Gen. Mohamed Naguib, center foreground, is escorted from Abdin Palace in Cairo by officers representing the governing revolutionary council which moved to depose Naguib. At left is Gen. Abdel Hakim Amer, Army chief. Right is Wing Commander Hassan Ibrahim. The Council accused Naguib of fired shots in a vain assassination try against Premier Gamal Abbeing implicated in the plot by Moslem Brotherhood whose agent del Nasser on Oct. 27.

Compromise Discussed In McCarthy Censure

WASHINGTON (AP)—Two Republican Senate leaders said today efforts are underway to compromise or modify the resolution to censure Sen. McCarthy. They talked of a possible test vote late this week or early next week.

Sen. Knowland of California, the GOP floor leader, said "two, three or four discussions are going on" about a compromise.

Sen. Bridges (R-NH), Senate president pro tempore, said in a separate interview that he expects a compromise proposal to be presented "by some one who has not taken a position," adding that he would make a speech supporting it.

Neither Knowland nor Bridges gave any hint as to the nature of compromise proposals under discussion.

However, Sen. Dirksen (R-Ill) told reporters they might be "patterned after the suggestion of Sen. Case." He added: "It would be necessary for Sen. McCarthy to go along. He is the party of interest."

Case (R-SD) has suggested the Senate might dispose of the controversy without censure if McCarthy would apologize for his statements about a 1951-52 Senate elections subcommittee — something McCarthy has said he doesn't intend to do.

Knowland and Dirksen said they knew of no efforts to get senators to sign or back any one compromise proposal at this time.

"I know of no actual counting of noses," Knowland said.

Sen. Jenner (R-Ind), a McCarthy backer, said he intends to ask the Senate to kill the censure charges. Sen. Ferguson (R-Mich) predicted Jenner will fail if he does.

Jenner, who told the Senate yesterday that "the strategy of censure was initiated by the Communist conspiracy," said he had discussed his plan with other members and "the idea has a generally good reception."

Jenner's proposed motion would shut off debate and bring a vote on the parliamentary question of tabling, and thus killing, a censure resolution recommended by a special six-man committee.

Ferguson said in a separate interview in advance of today's resumption of debate he believes most members want to meet the issue squarely, and not in such indirect fashion.

Ferguson, chairman of the Senate Republican Policy Committee, said he hasn't made up his mind how he will vote on censure.

McCarthy, saying "I still believe I will be censured," told newsmen he hopes the matter can be decided promptly.

Business Division Of UF Begins Drive

The second division of the Scurry County United Fund campaign was kicked off this morning at a breakfast held at the high school cafeteria.

About 50 workers were on hand for the kickoff of the general business division, headed by Harold Bennett. This division started work today and will continue throughout this week. It is the second division of the drive. The advance gifts section started last week.

Short talks were made at the breakfast by Lyle Deffebach, who is president of the organization, and Dr. Cecil Yarbrough, general campaign chairman.

Workers were given cards on businesses they are to contact during the week in solicitation for the United Fund. The division is divided into several sections, with three to 14 workers in each group, according to Bennett. Group chairmen are Frank Stephenson, Gene Harper, Gene Best, W. W. Park, Weldon Kincaid, J. W. Phillips, Herman Doak, Steve Birdwell, Harry Reed and Eddie Miller, the Rev. Glen Ricketts, Clyde Key, Gene Richardson, Clyde Godwin, Bentley Baize, Hollis Fields, L. A. McClanahan, and E. H. Williamson.

It is the purpose of the general business solicitation, Bennett said, to raise between $7,500 and $10,000 for the United Fund. The total United Fund budget for this year is $29,500.

Included in those to be contacted by this division are all locally-owned businesses, including retail outlets, wholesale oil and gas firms, and some oilfield-related businesses which are owned and operated locally, such as welding, construction, and similar type firms.

Workers in the drive will report back to their group chairmen after they have made all their contacts, and the group chairmen will report to United Fund headquarters at 2508 Avenue R at 10 o'clock Friday morning. The final report will be made next Tuesday, Bennett said.

The United Fund drive is scheduled to last throughout this month. The total budget of the fund represents the combined budgets of the eight agencies which are members of the organization. These budgets are for the coming year.

Agencies which are now members are the Salvation Army, Red Cross, Boy Scouts, Girl Scouts, Scurry County Youth Center, American Heart Association, West Texas Boys Ranch, and United Service Organization.

Other divisions which will be working soon are the branch house section, employe division, rural, school, and residential. Work is already underway in some of these divisions.

Scandinavian Air Service In First Flight

By HUBARD KEAVY

COPENHAGEN, Denmark, (AP)—The first scheduled commercial airline flight over the lonely wastes of the arctic was completed today when a Scandinavian Airlines System plane landed here four minutes less than 24 hours after it left Los Angeles.

Another SAS Super Cloudmaster meanwhile was speeding westward from Copenhagen to Los Angeles to complete the route in the opposite direction. It carried a top-level load of passengers, including three Scandinavian prime ministers and a Danish prince.

The westbound plane, named the Helge Viking, made a refueling stop in the night at Bluie West 8, on Greenland's west coast, and another in midmorning at Winnipeg, Manitoba.

The trail-blazing 5,800-mile flight to Copenhagen was made by the airliner Royal Viking. It left Los Angeles at 12:22 a.m. (3:22) a.m., EST) yesterday and landed here today at 9:18 a.m. (3:18 a.m., EST).

The flight brought Denmark and Southern California only sunrises apart by air.

Prince Knud of Denmark and other Danish dignitaries were on hand to welcome the 32 passengers and crew of 10 aboard the Royal Viking when it landed here.

Lt. Gov. Harold J. Powers of California was the first to leave the plane. He was followed by actor Jean Hersholt, the only Danish-born passenger; movie star Walter Pidgeon, who was greeted with the question: "How is Marilyn Monroe?"; and Los Angeles' Mayor Norris Poulson, who held up a large sign "Los Angeles City Limits."

They and the other passengers, including two dozen newsmen, were welcomed to Denmark by Per M. Bakke, SAS executive vice president, who termed the flight "an historical event in the endless struggle of humanity toward progress and development."

The westbound flight is due in Los Angeles later today. It is flying the reverse of the Royal Viking's route, with stops in Winnipeg, Man., and Greenland. Aboard are Prince Axel of Denmark, Prime Ministers Hans Hedtoft of Denmark, Oscar Torp of Norway and Tage Erlander of Sweden, SAS Chairman Per M. Hansson, SAS President Per A. Norlin, and Scandinavian newsmen.

The Royal Viking made the first leg of its run, the 1,634 miles from Los Angeles to Winnipeg, in 5 hours and 43 minutes. Then it skipped 1,984 miles over the bleak Canada northlands and Hudson Bay to Greenland in 7 hours and 34 minutes.

Smith Service Is Set Today

Mrs. Ruby Lake Smith, 66, of Paint Rock, a former Snyder resident, died at 9:50 p.m. yesterday in Shannon Hospital in San Angelo after an extended illness.

Funeral services were held at 1 o'clock this afternoon in a San Angelo funeral chapel with the Rev. Grady Peters, minister of the San Angelo Trinity Methodist Church, officiating. Graveside rites are to be held at 4:30 this afternoon in Snyder Cemetery. The Rev. Lennol Hester, pastor of the First Baptist Church, will officiate. Burial will be under the direction of Bell Funeral Home.

Pallbearers will be Hugh Taylor, Com Ezell, Joe Stinson, Edgar Wilson, Lyman Wren and Boss Baze.

Mrs. Smith was born June 4, 1888, in Lampasas. Her husband was the late Dixie Smith, who died here in 1921. He was a director of the First State Bank in Snyder at the time of his death, and Mrs. Smith succeeded her husband in that position. Mr. Smith was also active in ranching.

Mrs. Smith had made her home in Paint Rock with her daughter, Mrs. Wilson C. Hartgrove, for several years. She moved to Oklahoma a few years ago but returned to Paint Rock when her health failed. She was a member of the Paint Rock Methodist Church.

Survivors in addition to Mrs. Hartgrove include a son, E. I. Smith of Pecos, Tex.; three sisters, Mrs. Bonnie Scoggins and Lorena Higgins of Ada, Okla., and Mrs. W. H. Henry of Spur, and five grandchildren.

Road Drainage Ditches Filled

Efforts were made this morning by road workers of the county to clear debris and other rubbish from the roadside ditches of some of the county's roads, which had been clogged in such a manner as to prevent proper water drainage.

Homer Whisnand, sheriff, investigated one of the worst conditions of this type on the rodeo arena road. "Dumping of trash, rubbish, or anything else beside a public thoroughfare is a violation of state law," the sheriff said.

"Violation of this law has become worse recently, and we have begun to watch for violaters, who will be brought to court if apprehended in violation of any part of the statute," Whisnand said. "Most people who do such mean no harm but just don't realize the seriousness of such an offense."

Several times, expensive tires on the county's road maintaining machinery have had to be replaced because of damage caused by broken bottles and other rubbish in roadside ditches.

Giving Away Food Surplus 'Impractical'

NEW YORK (AP)—Asst. Secretary of Agriculture Earl L. Butz said today proposals that this country give its food surpluses to the world's hungry are "unpopular" abroad, hence are impractical.

In an address prepared for the National Foreign Trade Convention, Butz said it is possible that the government's investment in farm surpluses—now about six billion dollars—may rise to eight billion dollars before spring.

"What can we do with our excess agricultural production?" Butz asked. "There is one well-meant suggestion that is made to us almost daily—just send it overseas."

Butz said that what his country thinks of as a "simple, logical and humanitarian" proposal is given a "less charitable name by some of our foreign friends."

"They call it 'dumping,'" he said. "At every hand we are admonished to use care that we do not upset the world market, that we do not wreck world prices, that we do not use our surpluses to ruin foreign farmers, and, we must admit, often these are the fears of honest men."

"So we see," he added, "that giving things away, or selling them at bargain prices, sometimes can be not only unpopular but even impractical in the vast area of international relationships."

Butz said this country intends to hold its share of the world market for farm products, but that this market does not provide a solution to the farm surplus problem.

Three Candidates Seek Post In Legislature

AUSTIN (AP)—Three candidates in the 105th District representative race for Place 3 at El Paso have been certified by Secy. of State G. E. Fulgham.

They are Rep. Anita Blair, Gene Puckett and Richard C. White, all of El Paso, who seek the place vacated by Rep. Frank Owen III of El Paso after he won election to the senate.

The special election will be held Dec. 11.

Miss Blair was defeated in her bid for reelection this summer. She is now serving the remainder of the term she won two years ago as representative for Place 4.

Puckett is a former house member.

Kiner Goes To Tribe

CHICAGO (AP) — Ralph Kiner, hard-hitting outfielder, today was sold by the Chicago Cubs to the Cleveland Indians for cash and a "satisfactory player" to be delivered later.

Asks End Of Probe Panel

WASHINGTON, (AP)—Rep. Walter (D-Pa) takes to the House Democratic leadership today his proposal that the House Un-American Activities Committee be abolished and its functions transferred to another group.

Walter, who is in line to replace Rep. Velde (R-Ill) as chairman of the committee, told newsmen he would discuss with Rep. Rayburn (D-Tex) his plan to shift to a House Judiciary subcommittee the work now done by the un-American activities group. Rayburn, now Democratic House leader, is due to resume the post of speaker when the Democrats organize the House in January.

"I think it is the most logical move we could make," said Walter, who has been critical of some of the committee's operations in the past two years.

Walter has argued that a more effective investigation of communism and subversion could be carried on by a subcommittee responsible to the judiciary group, which deals with legislation in the security field.

He indicated he would push his idea only if assured of both Democratic and Republican support. A vote of the House would be necessary to change the committee's status.

Work Starts Here On Christmas Decorations

Work started this week by the merchants committee of the Chamber of Commerce on Christmas decorations for the business section of Snyder.

The committee, headed by Jay Rogers, is getting lights ready for stringing in the near future. Decoration in the downtown area will be similar to that of last year.

Girl Scout Rolls Increase In Year

In the Snyder area, 365 girls are the current subjects of the Girl Scout theme and purpose, which is to build better citizens of America's girls.

This figure is an increase of more than 23 per cent over the number of Girl Scouts here about a year ago.

The girls are divided into three major groups according to ages and school levels. The Brownies are girls in the second, third, and fourth grades; the Intermediates begin with the fifth; and the regular Girl Scouts are still older.

Each major division is divided still further into troops, which are numerous. Each troop has a main leader and other adult workers and participates in troop activities such as hikes, picnics, classes in cooking and other household work, handicrafts, etc. Troops usually meet once each week.

For one week each summer, the scouts all join in participation of "day camp." In this event, the girls and their adult workers camp each day, study nature, handicrafts, rope tieing, cooking, some phases of first aid, etc. In the day camp, all scouts are taken each morning to the camp site and returned to their homes each evening.

Another camp is also held each summer at Sweetwater, where Girl Scouts from this area may participate in camping life. This camp is also a one-week event but is a day and night camp.

Some of the adult officers in the Girl Scout work here are Mrs. Elroy Miller, president; John Boren, treasurer; Mrs. Sterling Williams, secretary; Wayland Holt, finance chairman; and Ned White, house chairman. Directors and officers also include, among others, Melvin Newton, Mrs. Max Milam, Mrs. Ned White, and Mrs. Ronald Vaughn.

Girl Scouts is one of eight organizations included in the current program of the newly organized United Fund for this county. The apportionment from the fund to the Girl Scouts this year is set at $2,420.

Britain Joins U. S. In Atomic Allocation

UNITED NATIONS, N. Y. (AP)—Britain joined the United States today in earmarking a quantity of atomic material for use under President Eisenhower's atoms-for-peace program to build experimental reactors in other countries.

British Minister of State Anthony Nutting told the General Assembly's 60-nation political committee that Britain had allocated 20 kilograms (44 pounds) of fissionable material to be added to the 220 pounds set aside by the United States yesterday.

The announcement came as U.N. delegates hailed the U.S. move as the biggest step forward since President Eisenhower first conceived his plan to use atomic energy for peaceful purposes.

Meanwhile, Russia and the Western delegates continued private talks on a series of Soviet amendments to a seven-power resolution outlining plans for an international agency which will handle the distribution of the fissionable materials.

Informed quarters indicated the Western countries had turned down the main Soviet amendment—to place the agency under the Security Council, where Russia has the veto.

U.S. Chief Delegate Henry Cabot Lodge Jr., however, expressed confidence that the seven-power resolution still might be approved by a unanimous vote in substantially its present form. This leaves the exact relationship of the U.N. and the agency to be determined by negotiations, but suggests that the two be linked in the same manner as the U.N. and its specialized agencies.

Informed sources said the fissionable material offered—estimated to be enough to make at least one atomic bomb—would provide enough fuel to run 30 or 40 new reactors. France's atomic spokesman, Jules Moch, said there now are 32 reactors in existence outside Russia and her satellite nations.

Lodge had announced Nov. 5 that the United States stood ready to conclude bilateral agreements with other nations to furnish fissionable materials for atomic reactors. But few delegates here thought Washington would act so quickly.

In a terse aside to Russia's Andrei Vishinsky, who had charged that the United States had "narrowed down" the scope of Eisenhower's original plan, Lodge voiced hope that the U.S. offer would "once and for all remove from the mind of all any confusion as to how specific the United States atoms-for-peace propsition really is."

U.S. sources indicated the fissionable materials would be earmarked by the proposed international atomic agency to participating nations for building reactors for peaceful purposes.

WTCC Members Here Set Session Tonight

Snyder members of the West Texas Chamber of Commerce will be guests at a dinner at 7 o'clock tonight at the Village Restaurant.

The dinner, sponsored by the WTCC and Claude McCormick, Snyder director, will include a review of the organization's work for the past year and its plans for the future.

Fred Husbands of Abilene, executive vice-president and general manager of the WTCC, will be main speaker.

WEATHER

NORTH CENTRAL and WEST TEXAS: Generally fair and mild this afternoon, tonight and Wednesday.

EAST and SOUTH CENTRAL TEXAS: Generally fair and mild this afternoon, tonight and Wednesday. Gentle to moderate variable winds on the coast.

Youth Recalls No Sheppard 'Spats'

CLEVELAND (AP) — The county coroner testified today that he found the imprint of a surgical instrument on the pillow beneath the head of the slain Marilyn Sheppard.

By RALEIGH ALLSBROOK

CLEVELAND (AP)—A high school football player who agreed he looked up to osteopath Sam Sheppard "like a big brother" testified today he never saw him get into "spats" with his wife.

Larry Houk, 16-year-old son of Mayor J. Spencer Houk of suburban Bay Village and a neighbor of the accused osteopath, also said he never saw Sheppard display any temper.

Testifying at Sheppard's trial, where the doctor is charged with murdering his wife, Marilyn, the youth was asked by Defense Counsel Fred Garmone whether he ever saw the Sheppards "have any spats" over the use of a garage clubhouse by boys in the neighborhood.

Another neighbor, Mrs. Donald Ahern, testified previously she recalled that Marilyn and Sam had minor arguments over the use of this clubhouse on the Sheppard property.

But young Houk, a sophomore tackle on the Bay Village High School team, said: "I don't recall any (spats)."

Larry was one of the persons who was in the Sheppard home the day Mrs. Sheppard was found murdered in her bed. It was he who found a bag containing Sheppard's blood stained wrist watch and a key ring, among other things, abandoned in the weeds near the Sheppard house.

The osteopath says the bag apparently was flung there by the "bushy haired" burgler he insists killed his wife.

Dr. Samuel R. Gerbert, an attorney as well as a physician, served as top investigator for several weeks after the murder of Marilyn Sheppard, 31, last July 4.

He will be the state's main hope of providing its contention that Dr. Samuel H. Sheppard, 30-year-old husband of the slain woman, was spirited away to a hospital shortly after the murder and investigators could not get to him for four days.

Dr. Sheppard is charged with first-degree murder, accused of hacking his wife to death in the bedroom of their suburban Bay Village home.

NEW PLYMOUTHS SHOW HERE TOMORROW

Plymouth's completely new cars for 1955 will go on display in Snyder tomorrow. The 1955 Plymouths are lower, wider and more than 10 inches longer than previous models. With either a Power-Flow Six or Hy-Fire V-8 engine, they are the most powerful cars Plymouth has ever built. They are available with a full range of automatic and power-assist devices. Pictured here is the Belvedere 4-door sedan. The new Plymouths will be shown in Snyder at Pollard Motor Co. at 2101 Twenty-fifth Street, Lee Motor Co. at 1715 Twenty-fifth, and at Ezell Motor Co. at 1931 Twenty-fifth.

Knowland Confused On His Senate Job

By JAMES MARLOW

WASHINGTON (AP)—Sen. Knowland's job as Senate Republican leader is to steer President Eisenhower's program through that chamber but at times he seems at cross-purposes with the man in the White House.

In the midst of yesterday's Senate debate on censuring Sen. McCarthy (R-Wis), Knowland, a Californian, delivered a speech denouncing the idea that there could be "peaceful coexistence" with the Communist world.

This was contrary to what Eisenhower himself told a news conference last June 30 after a White House visit by Sir Winston Churchill, Britain's prime minister, and Sir Anthony Eden, the British foreign minister.

Eisenhower said the hope of the world lay in peaceful coexistence, but he declared this must not mean appeasement and must not mean the subordination of any nation to an outside power.

This was pretty good evidence that the President, although he hoped for coexistence, wasn't betting it would work.

Knowland's expression yesterday of his views on coexistence wasn't all new. Last Aug. 1 he said coexistence with Russia is as impossible as coexisting in a cage of tigers.

Yesterday he said Russia is plugging "coexistence" to gain time to accumulate atomic power.

He said once there was such an atomic stalemate — perhaps between 1957 and 1960 — Russia would begin nibbling away at small nations, with Communist victory the final result.

Although he doesn't like the coexistence theme, Knowland said he doesn't want war of any kind.

He called for congressional investigations of the administration's foreign and defense policies. Yet only last March 17, while praising the administration's "new look" defense program, he said he thought it would be bad policy for Congress to debate that program. Nothing, he said, could please the Kremlin more than that.

Patterson At Lubbock Meet

Robert R. Patterson, state representative elect, and Mrs. Patterson attended a meeting of state representatives held last weekend in Lubbock.

About 28 members of the Texas legislature and their wives were present at the meeting which was sponsored by the Lubbock Chamber of Commerce.

Patterson said that legislative matters pertaining to West Texas were discussed, but that no formal organization of the group was attempted, and no official actions were taken.

Dr. E. L. Jones, president of Texas Technological College, was speaker at a dinner honoring the members of the legislature and past and present members of the board of directors of Texas Tech.

Jim Lindsey, a state representative from Texarkana who is in line to become the next speaker of the house of the Texas legislature, was speaker at one of the meetings held by the group.

The weekend meeting included a dinner meeting Friday night, meetings Saturday morning, and Sunday.

AREA OIL ROUNDUP

Southwest Garza To Get Wildcat

H. L. Cain of Lubbock has announced plans to drill his No. 1 Novis Rodgers as a 2,800-foot wildcat seven miles east of Justiceburg in Southeast Garza County.

Drillsite is 330 feet from north and west lines of the northeast quarter of section 95-5-H&GN, and on a 160-acre lease. Cable tools are to be used in drilling the project, with operations starting at once.

The new wildcat is about three and one-quarter miles northeast of the Dorward field, which produces from an average depth of 2,456 feet. It is also two and one-quarter miles east-northeast of the recently re-opened shallow Justiceburg-Glorieta field, but is separated from that field by a dry hole.

In the Justiceburg field, Cecil Oil Corp. has reported completion of the No. 2 J. S. Reed.

A 24-hour potential test on the pump made 145.03 barrels of 39.4-gravity oil plus 25 per cent water. Production is through perforations at 2,480-510 feet which had been treated with 3,500 gallons of acid.

The No. 2 Reed is 1,320 feet from west and 330 feet from south lines of section 117-5-H&GN.

FIELD TRY

R. S. Anderson of Midland has staked location for his No. 1-D Miller in the Rocker A-South field two miles southwest of Justiceburg. The drillsite, 330 feet from north and east lines of section 40-6-H&GN, is on a lease of 80 acres. Projected depth is 3,200 feet, with operations to start at once.

SCURRY COUNTY

A new location and a completion have been reported in the Sharon Ridge 1700 field of South Scurry County.

French M. Robertson No. 6 Wellborn has been staked 330 feet from north and west lines of the southeast quarter of section 102-97-H&TC. That is four miles southeast of Ira, and on an 80-acre lease. Cable tools are to be used to drill to a possible bottom of 1,900 feet.

Robertson No. 5 Wellborn, drilled in the same section, was pumped 24 hours to make potential of 124 barrels of 29-gravity oil with no water. Production is through perforations at 1,754-760 feet. Top of the pay was at 1,720 feet. The producing zone was acidized with 500 gallons.

PROSPECTORS QUIT

Prospectors in Runnels and Pecos counties have been abandoned.

Gulf Oil Corp. No. 2 Inez Smith in Northwest Runnels County drilled to 5,419 feet in lime and shale. It found no shows.

The failure was 330 feet from northeast and 5,360 feet from northwest lines of L. Forsythe survey No. 450, two miles east of Wingate.

In Northeast Pecos County, Bush-Overby Oil Development Co. No. 1 M. J. O'Sullivan, three-quarters of a mile northwest of the South Girvin-Tubb field, a workover project, has been temporarily abandoned at total depth of 4,631 feet in lime.

It was 660 feet from south and west lines of section 38-11-H&GN.

ESTATE LEASED

Coke L. Gage of Decatur has taken a block of approximately 2,600 acres out of the E. J. Neathery Estate land in Northeast Extor County, paying $50 per acre for five-year leases.

The spread is two and three-fourth miles north of The Texas Co. No. 1 Texas-Magnolia-Ratliff, prospective Ellenburger discovery four and one-half miles northwest of the Headlee field.

Gage's block includes all of section 6 and 7 and the west halves of section 5 and 8, block 41-tls-T&P, and the east halves of sections 1 and 12, block 42-tls-T&P.

WILDCAT FAILS

Plymouth Oil Co. has temporarily abandoned its No. 1 Herbert L. Kokernott, Jr., rank wildcat in Northeast Jeff Davis County.

The prospector was drilled to a total depth of 10,805 feet in Ellenburger dolomite. Several sections of the hole were tested before operator moved off location. Each zone tested developed fresh water.

Last tests were through perforations in casing from 2,564-580 feet.

PREPARING TO TEST

Honolulu Oil Corp. is preparing to run a potential test on No. 1 Mrs. C. H. Wescott and others, wildcat in Central Gaines County, after a preliminary production test flowed 91 barrels of oil in one hour and 45 minutes.

The flow came through a choke of unreported size after perforations from 10,980-008 feet had been washed with 500 gallons of acid. Operator was moving off rig on last report.

This wildcat was drilled to total depth of 14,284 feet in granite and plugged back to 12,024 feet for the Pennsylvanian completion.

Location is six miles southeast of Seminole and in the west half of section 2-C44-psl.

RUNNING LOGS

Electric logs were being run in Lawton Oil Corp. No. 1-B Brady Lowe, wildcat one and a half miles south of the Gladiola field of East Lea County.

A one-hour drillstem test from 12,219-256 feet recovered the 2,000-foot water blanket, 2,100 feet of slightly oil and gas-cut mud, 3,600 feet of oil-cut salt water and 900 feet of gas-cut salt water.

Location is in section 35-12s-37e.

BIRTHS

Mr. and Mrs. Earl Lawson, 2506 Avenue Y, are parents of a son born at 6 a.m. Sunday, in a Rotan Hospital. The baby weighed eight pounds, 13 ounces.

Pfc. and Mrs. Roy Groves are the parents of a daughter born November 10. Private Groves, the son of Mr. and Mrs. Joe Groves of Hermleigh, is stationed at Fort Knox, Ky. Mrs. Groves, the former Nadine Moore, is the daughter of Mr. and Mrs. Herman Moore, route 1.

Mr. and Mrs. O. E. Oliver of Snyder are the parents of twin boys born yesterday in Cogdell Memorial Hospital. The first, born at 7:49 p.m., weighed six pounds, two and one-half ounces. The second, born at 8:03 p.m., weighed five pounds, one and one-half ounces.

Whisnand Is Named To Board Of Association

Scurry County's sheriff, Homer Whisnand, has been appointed one of the three directors of the Sheriff's Association of Texas. Word of the appointment was received here last night. He is the first sheriff of this county ever to hold the office.

Whisnand was appointed for a one-year term and is to be installed at Austin Dec. 7 when the association's legislative team meets. Officers include the legislative committee, a president, three vice-presidents, secretary, treasurer, and three directors.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

Admissions: Jerry Franks, Fluvanna; Louis Ray Pena, Snyder; Leonard J. White, 106 Thirty-fourth Street; William E. Dever, 3301 Avenue G; John Bartow, route 3.

Dismissals: Mrs. N. W. Harris, 3212 Avenue I; Mrs. A. A. Behringer, 1401 Avenue M.

COGDELL MEMORIAL

Admissions: Geanie Wright, Snyder; Mrs. Bennie Naston, Ozona; A. D. Sumerlin, 2109 Avenue L; Duane Cannon, Snyder.

Dismissals: Mrs. Jack Norris and baby, 907 Twenty-ninth Street; Mrs. Jack Stoker, Snyder.

Fine Assessed After Man Changes His Plea

Adam M. Flores, Snyder Latin-American charged yesterday with bootlegging, changed his plea from innocence to guilt yesterday afternoon and paid a fine of $100 plus court cost of $23.50.

Bond had been set at $500, but he had not effected it by the time he changed the plea in county court.

Another Latin-American charged at the same time, Jesus Hinojos, is free on $250 bond, set when he pleaded innocent.

Flores was arrested Saturday afternoon by officers who confiscated 54 quarts of beer at his residence. They said they confiscated 15 quarts of beer from the other man.

Rayburn In Favor Of Strong U.S. Defense

BONHAM (AP)—Speaker-Designate Sam Rayburn told a dinner crowd here last night he wanted the United States strong enough "to defend ourselves against any invader."

The veteran congressman, who is slated to head the House for the third time when the 84th Congress convenes, said he would also press for a strong, bipartisan foreign policy.

The dinner in his honor last night was given by the Democratic Women of Fannin County.

Get Pep, Vim; Feel Younger

Thousands of couples are weak, worn-out, exhausted just because body lacks iron. For new younger feeling after 40, try Ostrex Tonic Tablets. Contain iron for pep; supplement doses vitamins B_1 and B_2. Costs little. "Get-acquainted" size only 60¢. At all druggists.

Scout Leaders Slate Meeting

Boy Scout and Cub Scout leaders of the Lone Buffalo district will meet at 7:30 Thursday night in the Junior High School cafeteria.

M. H. Roe, chairman of the district, will be in charge of the meeting. H. F. Clark, Jr., will lead the scoutmasters section as they discuss "A Friend to All." A discussion of the winter camp and first aid meeting is also planned.

Daniel Martin will lead the Cub Scout leader's discussion of the Christmas theme, "We'll Do Our Best." There will also be a film strip on the cub scout achievement program.

District committee reports are to be presented at the meeting. The nominating committee will present suggestions for the new district chairman, vice chairman and commissioners. New officers will take office at the December meeting.

Air Force Calls Halt To Search For Bomber

DAYTON, Ohio (AP) — The Air Force today called off its search for a B29 reported crashed near Flemingsburg, Ky., last night with eight men aboard. Four states were alerted.

Officials at Wright-Patterson AFB here said a thorough check showed no Air Force aircraft missing or overdue. The base dispatched two B29s and a KC97 refueling plane to the Kentucky-West Virginia area after a "ham" radio operator at Indiana said he received a distress call from a missing plane in the Huntington-Charleston, W.Va., area.

EISENHOWER MEMORIAL DEDICATION

This aerial picture shows part of the huge crowd gathered at the Eisenhower Museum in Abilene, Kan., dedicated on Veterans' Day by President Eisenhower. He and his party are on the stand in front of the white, modern museum building. At the left, in the clump of trees, is the old Eisenhower home.

Odd Monument On Spot Of Massacre

By HAL BOYLE

MALMEDY, Belgium (AP)—Nearly ten years after Adolph Hitler ripped the Allied western wall in the "Battle of the Bulge," a German war veteran now sells postcards at the site of the famous Malmedy massacre.

The scene is a junction of five roads about three miles south of here where on Dec. 17, 1944, breakthrough elements of the first SS Panzer Division surprised and captured lightly armed troops of an American field artillery observation battalion.

The Americans were disarmed and herded into a pasture a few feet from the road junction. As they stood there, defenseless, hands overhead in the accepted posture of prisoners, the Nazi storm troopers opened fire on them.

Scores fell. The Hitler elite tankmen, blood thrilled, drunk with Der Fuehrer's last impossible dream of victory against the West, strolled among the fallen. They kicked the bodies. Any that moved or showed signs of life they put a pistol to.

Some 15 escaped by playing dead. After the Nazi tanks rolled on south, they rose at a concerted whispered signal and ran for the trees. A single Nazi tank left to guard the crossroads machine gunned them as they fled.

A few moments later the survivors came into the outskirts of this town on an American patrol jeep, a town protected at that instant only by two trees toppled across the road by a few brave stubborn engineers.

Jack Belden, then of Time Magazine, and I were the only newsmen who happened to be on this particular scene of the spreading, frightening battle of the Belgian Bulge. We got there not through insight, but because we woke up late that morning.

We got there just as the jeepload of surviving artillerymen came back into our lines. They were half-frozen, dazed, weeping with anger. At the first aid station, one boy shook out of his boot a bullet that had clipped off his toes.

"We didn't have a chance," he sobbed. "We didn't have a chance."

They didn't have a chance, and a revolted world soon knew the story.

Weeks later when the Nazi putsch had failed, and the broken Panzer legions were being pushed back into the fatherland, we found at the crossroads still being blasted by enemy artillery fire, the frozen, snow-covered bodies that confirmed the full horror of the storm troopers' needless cruelty.

What is there left on that spot today?

The snows are gone, the men are gone. A monument topped by an American flag remains in memory.

It is an odd monument. At one end is a small stone crypt holding a wooden carving of Christ. The rest of the monument is merely a field stone wall in which are 84 slate plaques, each bearing the rankless name of an American soldier.

Across the road is a small cafe where wayfarers pause to take a cup of coffee and get out of the shivering cold. The proprietor is Louis Bodarwe, who has a wife and a small daughter. Louis sells postcards of photos of the frozen American victims in the snow.

Sometimes his daughter, Marie Claire, grave-eyed and not yet five years old, brings flowers to the monument. On other days she merely plays lonely childhood games upon the stones and looks wonderingly at the tortured figure on the cross.

Few Changes Expected In Taft-Hartley Law

CINCINNATI (AP) — Secretary of Labor James P. Mitchell said at a news conference here yesterday that he is "not optimistic" about any major changes being made in the Taft-Hartley labor law in the next Congress.

Here to address the convention of the AFL United Brotherhood of Carpenters, he said his department would make certain recommendations about the Taft-Hartley law—which he declined to disclose—but he added he did not believe there would be any major changes.

Americans Going After World Trade

By SAM DAWSON

NEW YORK (AP) — Americans are heating up their war for world trade. Both industry and government are in on it, as competition gets sharper.

Many Americans complain bitterly that a resurgent Europe, built up with the aid of U.S. loans and grants, is pushing American businessmen out of some world markets.

Businessmen are seeking, and getting, government-backed underwriting of part of the risks of collecting payment for goods sold abroad. This is to meet European competition. Some other nations insure their businessmen's overseas trading.

Private banks here also are discussing a plan to join with federal agencies in providing credit to finance exports of capital goods.

More than 2,000 businessmen interested in importing, exporting, shipping or financing world trade are here today for a three-day meeting sponsored by the National Foreign Trade Council. They're discussing these and other problems facing Americans trying to do business abroad.

Other developments elsewhere:

The U.S. government once more —at the Geneva conference on the general agreement on tariffs and trade — is urging other nations to lower the barriers against American goods. It wants this done before lowering U.S. tariffs further.

Washington is also backing a plan for an international finance corporation to underwrite part of the risks of private investment in underdeveloped countries.

A week from now Americans will go to Rio de Janeiro for a 21-nation economic conference to discuss the currency and trade barriers that businessmen battle in the Western Hemisphere.

And in about seven weeks a new Congress will meet. Early in the session the President's plan for liberalization of American foreign trade probably will be laid before it and seems sure to touch off a big fight.

The rebound of European industry, while it has stiffened competition in world markets, also has produced prosperity among European consumers. And many American makers of consumer goods have been selling their products there this year, thus moderating the effects of the recession here.

TREASON DEFENDANT

John David Provoo, 36, left, whose conviction and life sentence on charges of treason were upset by a federal appeals court, arrives in Baltimore, Md., from New York to await retrial. Provoo is escorted by U.S. Marshal Richard C. O'Connell, right. He is accused of seven acts of treason while a prisoner of the Japanese in World War II, including the execution of a fellow prisoner.

Mother In Coma As Daughter Is Born

FREDERICK, Md. (AP)—The physician attending Mrs. Barbara Scheffler, 22, who gave birth to a 5-pound, 8-ounce girl yesterday while still in a coma, says he hopes to see some improvement now in the mother's condition.

Doctors and nurses stood a close watch at the Odenton, Md., woman's bedside after she was brought to Frederick Memorial Hospital last Thursday. She suffered a fractured skull in an automobile accident and was in critical condition.

Dr. Melvin Lea said yesterday after the natural childbirth that now he can look for improvement. The baby, meanwhile, was doing fine.

Goat Does Exactly What Goats Noted For

LOUISVILLE, Ky., (AP)—It happened when Mrs. Iola Heckman, 49, bent over to pick up a stake. Her goat was tethered at the other end.

Result: one hip fracture. Hospital attendants said Mrs. Heckman's condition was good.

To clear the approaches for the landing force, underwater demolition teams of "frogmen" stole into the beach area last night to attach explosive charges to beach obstructions of the "Orange" enemy.

Today's battle was built against a hypothetical background which assumed that the "Orange" invaders had attained a foothold last year near New Orleans, then expanded their position north and eastward until they held territory as far north as Richmond, Va. The "Blue" force made today's strike to establish a foothold at the enemy's eastern flank.

Backing up the Marine landing force for the fifth phase of a widespread sea-air-land maneuver designated as "Lantflex" was a force of about 212 ships built around two carriers and powerful anti-submarine units.

Marine Force On Maneuvers Along Coast

By ELTON FAY

ONSLOW BEACH, N.C. (AP) —A Marine force of 25,000 strong, deployed to fight with and against simulated atomic weapons, moved in from the high seas at dawn today to strike at an "enemy" holding a length of the Carolina coast here.

Wide dispersion and speed of movement predominated in the mock battle plans. The big fleet of hundreds of ships was scattered over hundreds of square miles as it approached the beachhead.

The landing craft and helicopters to put the Marine force ashore were assigned to leave transports much farther from the beach than in the amphibious attacks of World War II. To speed up the initial wave of assault, seaplanes were used, along with the helicopters, to put early elements of the attacking force ashore.

Two landing zones, each 1,000 yards long and separated by a 3,000-yard interval, were plotted. This also was with view to dispersion. The assumption was that tactical-size nuclear weapons (apparently of about 15-kiloton power) would be used in simulated form.

Famous Peg-Leg Admiral Having Life Story Filmed

By BO THOMAS

HOLLYWOOD, (AP)—When Adm. John Hoskins was getting his orders in Washington, D.C., recently, the officer in charge cracked: "I suppose when we see you the next time you'll be wearing a beret and carrying a long cigarette holder!"

The reason for the remark: Hoskins, the fabulous peg-leg admiral of the Pacific wars, was on his way to Hollywood to have his life story filmed.

I found him on the set of "The Admiral Hoskins Story" at Republic. He is a salty fellow with pink, cherubic cheeks, lively eyes and white mustache. Dressed in his blues and two-star braid, he sat near the camera and watched as Alexis Smith, playing his wife, received a radio report that his ship had sunk in World War II.

That was the USS Princeton. Late in 1944, Hoskins came aboard the ship, his first carrier command after a career in Navy aviation. On his second day, a Japanese dive bomber dropped a 500-pound bomb on the flight deck. It tore through the hangar deck, setting off gasoline stores and torpedoes.

The admiral stayed on board to help direct the fight to save the ship. The fire reached the store of depth charges, which erupted with a tremendous blast. Hoskins was blown to the deck, his right foot dangling by only a tendon. A doctor, dazed himself, severed the tendon without use of morphine. Hoskins recalls it was "the worst pain I have ever experienced."

He started campaigning in the hospital for a return to active duty. He told Adm. "Bull" Halsey: "The Navy doesn't expect a man to think with his feet. That blast didn't knock off my head."

"Fortunately, I had Halsey on my side," Hoskins told me. "But I must say there was no real opposition to my return to duty."

The Navy's only high-ranking officer with a major disability, he went on to his greatest fame as commander of Carrier Division III during the Korean War.

BARBECUED PORK CHOPS
. . . winter dining treat

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-8486

A spicy barbecue sauce prepared with apple juice and applesauce tops pork chops appetizingly arranged on a bed of sauerkraut. The result is a dish that will bring forth raves.

BARBECUED PORK CHOPS AND KRAUT

2 tablespoons butter or margarine
3 tablespoons chopped onion
¼ teaspoon dry mustard
1½ teaspoons Worcestershire sauce
one-third cup vinegar
⅓ cup apple juice
⅓ cup canned applesauce
¼ teaspoon chili powder
1 tablespoon brown sugar
3 tablespoons fat
4 rib pork chops
1 No. 2 can sauerkraut
½ cup grated raw potato
1 medium onion, sliced
Salt and pepper to taste
Green pepper strips
Onion rings

Melt 2 tablespoons butter over low heat; add onion and saute until tender. Add mustard, Worcestershire sauce, vinegar, apple juice, applesauce, chili powder and brown sugar. Mix well and cook over low heat 10 minutes. Meanwhile, melt three tablespoons fat over medium heat; add pork chops and brown well on both sides. Remove chops. Combine sauerkraut, potato, onion slices and salt and pepper to taste. Turn kraut mixture into skillet in which chops were browned. Arrange pork chops on top; sprinkle with salt and pepper. Pour barbecue sauce over all. Cover and cook over low heat one hour, or until pork chops are tender. Additional apple juice or water may be added if liquid cooks down too much. Garnish with green pepper strips and onion rings before serving.

WOMEN'S CALENDAR

TUESDAY

Community Choir rehearsal, 7:30 p.m., high school auditorium.

Presbyterian Women's Organization, praise service, 7 p.m., at the church.

Beta Sigma Phi, meeting, 8 p. m., with Elois McDow, 2101 Twenty-first Street.

PERSONALS

Weekend guests of Mr. and Mrs. Nolan Beauchamp, 2801 Avenue Q, were Mrs. Beauchamp's sister, Mrs. R. W. Griffin, and Mr. Griffin, from Corsicana.

Mrs. Doris Underwood, 2102 Avenue Z, and Mrs. B. N. Stone, 2008 Avenue R, visited Mrs. Marie Kruse and Mrs. Nettie Webb Sunday in Ira.

Mr. and Mrs. Elroy Miller, 2225 Sunset Avenue, spent the weekend with relatives in Fort Worth.

Pete Hester of Cuthbert, Howard Sterling and Mickey Sterling, Route 1, have just returned from a hunting trip in New Mexico. They hunted on the Drag A Ranch, near Battle, N.M.

Mr. and Mrs. Bill Teaff, J. M. (Speedy) Moffett, Juanez Teaff, Jane Joyce, Mary Lou Cary, Wanda Sue Crook, Bernie Hagins, Joe Reeves and George Herring were in Abilene Saturday where they visited Grant Teaff, a student at McMurry College, and saw the football game between McMurry and Gustavus Adolphus College of St. Peter, Minn.

Mr. and Mrs. E. L. Ball, Clairemont road, spent Saturday in Lubbock.

Mr. and Mrs. L. C. Bryce and two daughters, 108 Chestnut Street, recently visited in Sweetwater with A. A. Wade.

Mr. and Mrs. T. F. Bryce, 1707 Avenue R, spent the weekend in Dallas where they visited their daughter and her husband, Mr. and Mrs. David Thompson.

Mr. and Mrs. Max Coffee and daughter of Big Spring attended the football game here Friday night and also visited Mr. and Mrs. Hoyle Cary of Knapp and Mr. and Mrs. J. W. Coffee.

Mr. and Mrs. J. Lawrence Devers, 1201 Twentieth Street, attended a singing convention in Slaton Sunday afternoon.

Billy Devers of Abilene visited over the weekend in the home of Mr. and Mrs. J. Lawrence Devers, 1201 Twentieth Street.

Mr. and Mrs. Bill McArthur, 2802 Avenue F, spent last weekend in Abilene where they visited Mr. and Mrs. Horace Clark, former residents of Snyder.

Mr. and Mrs. J. D. Gibson and children, Marvelyn and Lynual, of Colorado City spent Sunday with Mr. and Mrs. S. R. Clements in Ira.

NEWS FROM DUNN

By ELWANDA STEWART

Mr. and Mrs. Ollie Richardson were hosts Saturday night for a supper honoring their daughter and son-in-law, Mr. and Mrs. Max von Roeder of Snyder, who are moving to San Marcos.

Guests were Mr. and Mrs. Martin Murphy and children of Hermleigh, Mr. and Mrs. Nolan von Roeder and Mr. and Mrs. Lindy Clark and children of Snyder, and Mary Alice Richardson, who is attending Texas Tech in Lubbock.

Mr. and Mrs. J. V. Robinson and son of Snyder visited the James Stewart family Sunday.

Mr. and Mrs. Dildy Smith visited in Lamesa and Midland over the weekend.

Mrs. Robert Murray is in Conroe with her mother, who is ill.

Mrs. W. E. Wade was admitted to Root Memorial Hospital in Colorado City Friday.

Mrs. Clark Farrar is in Root Memorial Hospital recuperating from major surgery.

E. J. Goodlett and his daughter, Margaret, were in Lubbock Monday.

Mrs. L. A. Scott and children of Colorado City spent Saturday with Mrs. Ora Allen.

Mrs. Warren Boyd and Mrs. Murry Boyd and children of Snyder visited the L. T. Nail family last week.

Mr. and Mrs. L. H. Anderson and daughters of Lamesa spent Saturday night with Mr. and Mrs. Jack Ezell.

Mr. and Mrs. J. J. Ezell and Johnnie spent Sunday in San Angelo with Mrs. Ezell's sister, Mrs. Renice McGarrity, and family. Mrs. Ezell visited another sister, Mrs. Earl Phillips, in Odessa Thursday.

Mrs. Tom Lindsey is spending this week with Mrs. Pete Strickland in Lamesa. Mr. Lindsey and Mr. Strickland are deer hunting near San Angelo.

Mrs. Mantie Russell is spending this week with Mrs. Hoyt Murphy. Mr. Murphy is on a deer hunting trip.

Mr. and Mrs. Royland Cantrell and family spent last weekend with his brother, Bill Cantrell, and family in Rankin.

Buck Sherrod of Amarillo spent Thursday with his sister and brother-in-law, Mr. and Mrs. George Bowers. Mr. Sherrod was accompanied home by his father, R. D. Sherrod.

Mrs. Bill Hunter of Coahoma visited her parents, Mr. and Mrs. W. A. Johnston, Friday.

Thursday night guests of Rita Johnston were Deanna Hunter and Grady Mason, both of Coahoma.

Visiting Mr. and Mrs. D. D. Smith Wednesday and Thursday were Mr. and Mrs. Hadden Jones and Mr. and Mrs. C. F. Ryan of Midland and Mr. and Mrs. Johnnie Wemkin of Odessa.

Mr. and Mrs. Tommie Lindsey and Vicky were in Crane Thursday.

Mr. and Mrs. John Brown and Mrs. L. E. Russell were in Colorado City on business Saturday.

Nancy Murray spent Wednesday, Thursday and Friday with Mrs. L. E. Russell.

Plainview 4-H Club Holds Meet Monday

Ruby Butts, county home demonstration agent, demonstrated a main dish to members of the Plainview 4-H Club Monday afternoon. The club met at the home of Mrs. Lowell Thornberg with Alma Nell Hillis presiding.

Following the business session, refreshments were served to eight members and three guests.

You can use condensed cream of asparagus soup with dried beef for a supper dish. Serve over crisp toast, steamed rice or hot biscuits.

SCHOOL MENU

WEDNESDAY

Pork Chops and Gravy

Club Members Honor Husbands At Party

Members of the Sunshine Pals Club honored their husbands at a party Saturday night. Mrs. Fred Cullum, at 1500 Twenty-seventh Street, was hostess.

Canasta and domino games were played by the guests. Following the games, and auction of gifts was held to raise funds for the club's use.

Refreshments were served to Mrs. W. H. Baker and son, James, Mr. and Mrs. R. B. Green and Patty, Mr. and Mrs. L. N. Atchison and Henry, Mr. and Mrs. Barney Holder and Patty, Mr. and Mrs. Weldon Wood, Tommy and Wayland, Mr. and Mrs. Steven Hollenbough and Phil, Mr. and Mrs. Jack Kent and Bill, Mr. Cullum, Mr. and Mrs. Buddy Brunson, Mr. and Mrs. Oliver Smith and Janette.

Yearbooks Are Given At 4-H Club Meeting

Yearbooks were distributed to Hermleigh 4-H Club members when they met November 12 in the auditorium of the school. A main dish with meat was demonstrated by Ruby Butts, home demonstration agent.

Meeting places were announced where groups will meet at the next regular session. The Pyron group will meet with Dorothy Freytag; the Loraine group will meet at the home of Ethel Rose Hundsnurcher and the Hermleigh group will meet at the Hermleigh school. Approximately 60 club members attended the meeting.

Your sterling silver hollow ware can do double duty. A pretty silver pitcher can be used for flowers; cold meats look attractive on a silver sandwich tray; a silver sauce boat may be filled with tidbits served with a first-course beverage on days when sauce is not on the menu.

Lost 41 Pounds With Barcentrate

Mrs. A. M. Nunnally, 715 Ann, Dallas, Texas, states that she lost 41 pounds taking Barcentrate and Mrs. Blanche Sparks, Route 1, Box 99, Kilgore, Texas, says she lost 14 pounds; looks better and feels better. No starvation diet with Barcentrate. If the very first bottle doesn't show you the way to take off ugly fat, return the empty bottle for your money back. At all Texas druggists.

STOPPING BRECK ATTACK

Jack Spikes, shown in the tackle, grabs hold of Breckenridge's Jake Sandefer here Friday night trying to stop the long gains made at times by the mighty Buckaroos. Sandefer was one of the long ground gainers of the night for the Buckies, and he scored two touchdowns. The Bucks won 42-13. (Lee Watson photograph)

Hermleigh To Meet Van Horn Nov. 25

The Hermleigh Cardinals last night were certified as representative grid team of District 6-B to go into state playoffs.

The Cardinals had tied Loraine for district championship, each team having one loss. Hermleigh, however, had defeated Loraine 20-19, so that formed the basis for their designation as the loop's representative.

Hermleigh has already made its match for the bi-district playoff with Van Horn, champions of District 5-B. Hermleigh lost a toss on game site, so the game will be played in Van Horn on Thanksgiving Day at 2 p.m., according to Orville Paty, Hermleigh superintendent.

The school has made definite arrangements for transportation of the football squad by train and the pep squad by bus to Van Horn, which is 280 miles from Hermleigh.

Coach Ray Isaacs is following his regular workout schedule in preparation for the playoff. He has 28 boys on the squad. Van Horn was undefeated in district play but tied 19-19 by Rankin. Rankin played two teams in Hermleigh's district this season, losing to Bronte 13-0 and to Loraine 40-6. Hermleigh lost to Bronte 19-18 and had the win over Loraine 20-19.

The winner of the bi-district playoff wil go into the regional games against the winner of the bi-district game between Districts 7 and 8. Rochester is probable champ of District 7 but has not yet cinched the title, while Baird is winner of District 8.

The Cards have either won or tied for district championship now five times out of the last seven years. Last year they tied with Hobbs for third place in the district. In 1952, they downed Sanderson in the bi-district game and lost to Melvin in the regional match. In 1951 they lost to Sanderson in the bi-district tilt. They had district championships in 1948 and 1950. In 1948, they got to regional but lost there to Rising Star.

Hermleigh finished the regular season last week with a 7-2 season record. Its only losses were those to Bronte and to Rochester, which downed the Cards 33-12 early in the season. The team has scored 225 points to opponents' 135 for an average score of 25-15.

Season Ending For 2 More Local Teams

Two Snyder football teams will end their seasons this week and three have already finished.

After this week, only the varsity team will still have time to go, and it will have just one week.

Up to now, the seven Snyder grid teams have won 26 games, tied three, and lost eight. Their win percentage is 70.2. They have scored 887 points against 378 for an average of 24.2-10.2.

Here are the summaries, by teams:

Varsity — Won five, lost three. Must meet Big Spring there this week and Lamesa Thanksgiving Day. Has district record of 2-3. Friday night lost to Breckenridge, district leader, 42-13.

B team — Won two, lost five. Must meet Lamesa there at 7:30 o'clock Saturday night to end the season. Saturday night lost to Colorado City B 19-14.

Freshmen — Won five, tied one. Must meet Sweetwater here at 7:30 o'clock Thursday night to end the season. Last week beat Big Spring 8-7.

The other teams have already ended their seasons.

Beasley Says Netters Today Don't Think

By GAYLE TALBOT

NEW YORK (AP)—Having noted that one of our principal tennis heroes, Tony Trabert, had just taken a shellacking from a minor Australian player named Don Candy out in Sydney, we ran down that dean of American tennis teachers, Mercer Beasley, and asked him what in the world he thought the game was coming to.

Beasley, who has devoted his past 32 years to showing our youth the proper end of a racquet to grip, frankly was gloomy.

"Thinking has gone out of the game," he said. "I would have to say that that is the principal development I have seen in my time. If there is a man playing today who thinks on the court the way Bill Tilden did, I don't know who he is. Bill would have thought any of our present amateurs right off the court.

"All they know now is to hit the ball past them down the lines. Maybe this dates me, but that's the way I see it."

Beasley, who was instrumental in the development of two such stars as Ellsworth Vines and Frankie Parker, now travels around the country for a sporting goods firm, conducting tennis clinics and ever searching for talent. He is convinced that if the United States ever is to reclaim its former place in the net world it must look to the public parks.

A hunting license in France may be obtained for 1,500 frances (about $4.30) and is issued to hunters of any nationality over 18.

BOARDINGHOUSE REACH

Kyle Rote, New York Giant back, makes a spectacular grab at a pass from quarterback Charley Connerly seconds before the end of the first half of game against the Philadelphia Eagles in the Polo Grounds in New York. Rote eluded Bob Hudson (42) and was downed by Harry Dowda as he fell to the ground one foot short of the goal. However, the play was called back because of an offside and the Giants did not score. The New Yorkers won 27 to 14 to take over first place in the Eastern Division of the National Football League.

Quarterbacks Meet Tonight

The Quarterback Club will hold its regular meeting at 7:30 o'clock tonight in the high school cafeteria.

The club will view the film on the Snyder - Breckenridge game played last Friday night and discuss this week's Snyder-Big Spring game.

It will also dissuss plans for a barbecue being planned for all school football teams here Nov. 30. Sammy Baugh, famed professional football player who is now an assistant coach at Hardin-Simmons, will be speaker for the barbecue.

Further arrangements for the Canyon Reef College Basketball Tourney, which will be played here Dec. 10-11, will be talked by the club, which is jointly sponsoring the event with the schools.

SPORTS

Bears, Ponies Working Hard For Crucial Tilt

By JOE BENHAM
Associated Press Staff

Baylor wasted no time and Southern Methodist no more than the coaches dared before starting full-speed contact workouts for the Southwest Conference game between the schools Saturday at the Cotton Bowl.

The contest, deciding whether SMU stays in the running for the conference championship and a Cotton Bowl berth or whether Baylor stays eligible for a half-share in the title, is the only crucial game in the week's lineup.

Only one other conference game is scheduled — that between Also-rans Rice and Texas Christian at Houston. Arkansas goes outside the conference to tackle Louisiana State. Texas and Texas A&M are idle.

None of those schools worked out heavily Monday.

Baylor, open last week and reportedly in the peak of physical condition, scrimmaged Monday for well over an hour, and more was due Tuesday.

Coach George Sauer started his varsity on defense, then switched them to offense with the freshmen and reserves providing SMU-style opposition.

At Dallas, Southern Methodist could still afford to scrimmage with five regulars on the injury list, and Coach Woody Woodard said none of the five would put on pads Tuesday.

Halfback Frank Eidom, Guard Tommy Hairston and ends Raymond Berry, Doyle Nix and Tommy Gentry were on the sidelines as the Mustangs caught their wind from the Arkansas tussle last week with a sweat-suit workout. They also saw movies of the game with the Razorbacks.

All five cripples are expected back in action Saturday.

Rice left most of the action to the reserves and freshmen, who scrimmaged Owl Coach Jess Neely said he expected the starters to be in fine shape for entertaining TCU, although guard Kenny Paul may be slowed slightly with a wrenched knee.

Paul missed Monday's drill but is due back Saturday.

Offense was stressed in a light workout at TCU which followed movies of the Frogs' loss to Texas. Trainer Elmer Brown said sophomore guard Vernon Uecker had a sprained ankle from the clash, but should be ready for duty against Rice.

Arkansas, which wound up its conference campaign against SMU last week, was warned by Coach Bowden Wyatt to expect a "tough" game from LSU Saturday at Shreveport.

The Razorbacks worked lightly Monday, with passing getting the emphasis from backs and ends and the line polishing its blocking dummy plays.

ABOVE THE BLEACHERS

By DALE WALTON

Big Spring, as well as Snyder, will try to get a game with Breckenridge on the non-district football schedule next season.

Here's hoping Snyder gets one of the spots. Breck probably won't have more than one or two openings after it gets set up in a district.

• • •

Tickets were going good by yesterday afternoon for the Snyder-Big Spring game. Predictions were that the more than 500 reserved seat ducats sent here will be gone early and that more will have to be obtained. More than 200 tickets were already gone. The game will be played in Big Spring Friday night.

• • •

With eight season and six district games gone, here's how the Snyder Tigers rank with other 3A-1 teams in offense: for the season, second in per-pass average, third in rushing, fourth in total offense and pass completion percentage, and sixth in pass yardage; for district play, third in pass percentage and per-pass average, fourth in rushing and total offense, and sixth in pass yardage.

Breckenridge leads season rushing, total offense, pass percentage, and per-pass average, while Levelland is first in pass yardage. For district games, Breck leads rushing, total offense, and per-pass average, and Vernon is tops in pass percentage and pass yardage.

SEASON OFFENSE

Teams	Rushing	Passing	Pass Ydg.
Breckenridge	2.698	15 of 24	356
Levelland	1.806	61 of 115	896
Big Spring	2.093	25 of 61	508
Snyder	1.912	23 of 55	482
Vernon	1.069	55 of 114	803
Sweetwater	1.379	24 of 66	402
Plainview	1.169	43 of 103	537
Lamesa	1.045	42 of 131	539

DISTRICT OFFENSE

Teams	Rushing	Passing	Pass Ydg.
Breckenridge	1.688	9 of 22	236
Big Spring	1.364	14 of 36	283
Snyder	973	12 of 29	235
Vernon	639	35 of 60	547
Sweetwater	1.084	11 of 30	165
Levelland	824	31 of 61	461

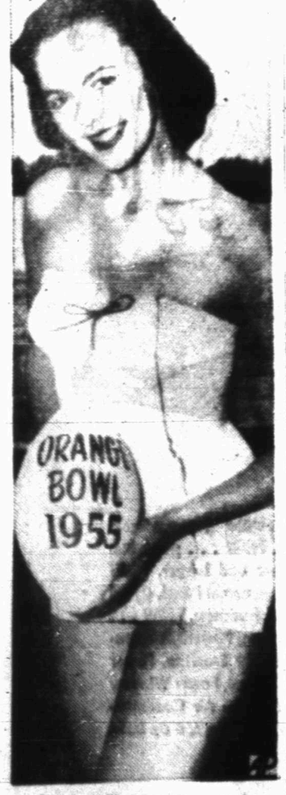
Plainview	773	14 of 45	171



Carolyn Stroupe, 21, a University of Florida co-ed from West Palm Beach, has been selected to reign over this year's pageantry and New Year's Day football game as the Orange Bowl Queen.

McCarthy's Defenders Say Business Is Brisk

NEW YORK (AP)—The headquarters of a move to collect 10 million signatures in support of Sen. Joseph R. McCarthy (R-Wis) says it was swamped with visitors and phone calls yesterday.

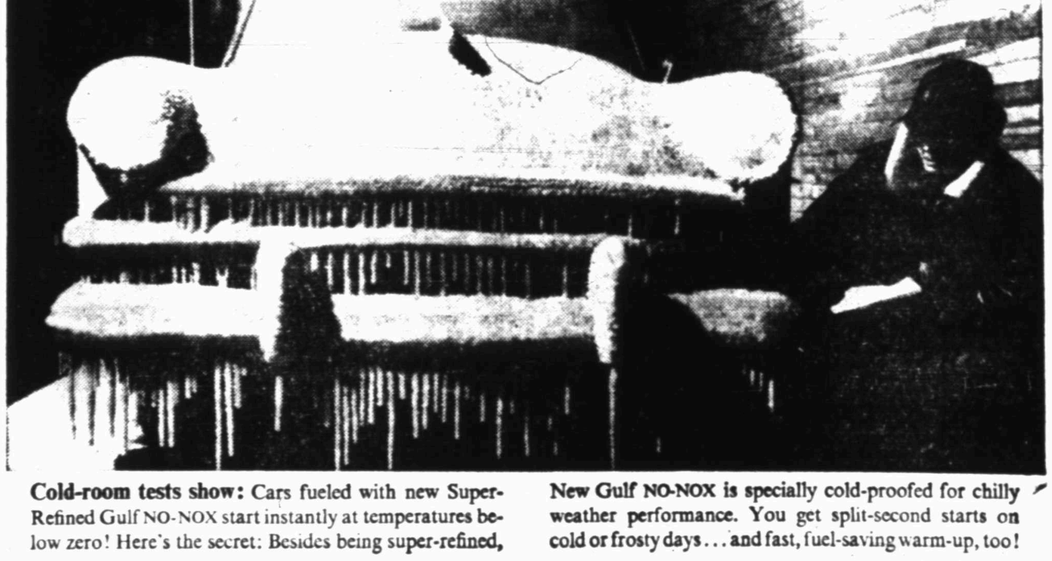
"The thing is catching on like wildfire," commented Rear Adm. John G. Crommelin (ret.), chief organizer of the drive for signatures on a pro-McCarthy petition. He said 26,000 copies of the petition, each with space for 50 names, were distributed during the day from his two-room headquarters in the Hotel Roosevelt.

The lightest center in the National Football League is Andy Miketa, Detroit Lions' rookie. Miketa weighs 203 pounds.

Parke Carroll, general manager of the Kansas City Blues, has been picked from a large field of candidates for the post of business manager of the Kansas City Athletics.

Imagine! Instant starts in zero weather!

New, super-refined gasoline gives you faster, cleaner getaways on frosty mornings! Here's why...



Cold-room tests show: Cars fueled with new Super-Refined Gulf NO-NOX start instantly at temperatures below zero! Here's the secret: Besides being super-refined, New Gulf NO-NOX is specially cold-proofed for chilly weather performance. You get split-second starts on cold or frosty days... and fast, fuel-saving warm-up, too!

Laboratory proof: Instead of trying to fight harmful deposits with so-called "miracle additives"—inside your engine—Gulf believes in preventing them from forming in the first place, removes the *cause*—the "dirty-burning tail-end"—at the refinery. The plates in the unretouched photo at left show what a difference Gulf super-refining makes!

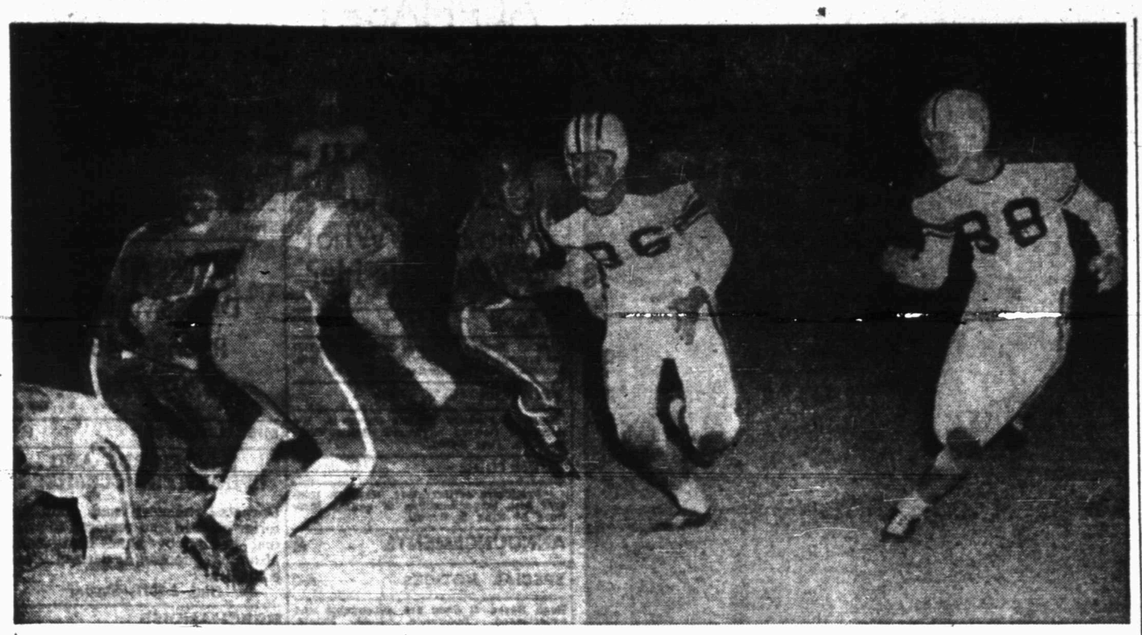
What's more, besides giving your engine *more complete protection*, new Super-Refined Gulf NO-NOX gives you *extra gas mileage* in the short-trip, stop-and-go driving motorists do most . . . *no knock, no pre-ignition . . . instant starts* and *fast, fuel-saving warm-up.*

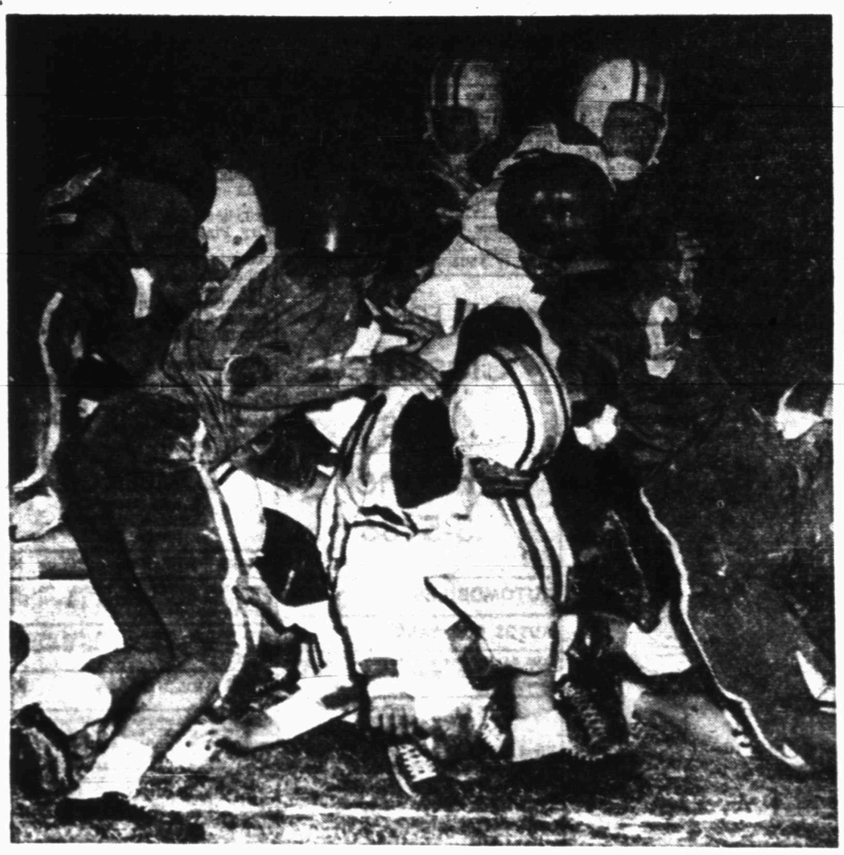
COMPLETELY NEW! SUPER-REFINED

New Gulf No-Nox

THE HIGH-EFFICIENCY GASOLINE

GULF





From the Snyder-Breckenridge game last Friday night: above, a Buckaroo is shown reaching for the ball, which is being carried by Alan Snead after he caught a pass from Bernie Hagins in the game. At right is Milton Ham. Both Snead and Ham are ends. At left, the big mixup is the first Snyder touchdown in the game, which was made by Jack Spikes. The goal line is shown in the lower part of the picture. (Lee Watson photographs)

Rusk May Be Best Carrier Since War

FORT WORTH (AP)—If he can pick up 236 net yards in the two final games with Rice and SMU, potent Jimmy Swink of Rusk will become TCU's best ball carrier since World War II.

The poised sophomore, who will not be 19 years old until next March, ripped off 147 paces in 11 tries against the Texas Longhorns last week to run his season total to 548. One of his scampers went 69 yards for a score and another 44 yards to the two-yard-line.

Only two TCU backs have gained more than 700 yards since 1946. They were Lindy Berry in 1948 with 783 and Gilbert Bartosh in 1950 with 710. If Swink can average 118 yards in the Rice and SMU games, he'll crack Berry's postwar record.

Jimmy has also been busy in other areas. He's scored 37 points to lead the team in that department and has nabbed 5 passes for 53 yards as well as playing fine defensive ball.

The leading Frog rushers in recent years have been: 1946—Lindy Berry, 378; 1947 — Pete Stout, 446; 1948 — Berry with 783; 1949—John Morton, 604; 1950 — Gilbert Bartosh, 710; 1951 — Bobby Jack Floyd, 444; 1952 — Ray McKnown, 322; 1953 — Sammy Morrow, 220.

Stock Market Mixed In Earlier Dealings

NEW YORK (AP)—The stock market was quietly mixed today in early dealings.

Although price changes spread over a range of between 1 and 2 points either way, most changes were quite small with a number of leaders holding unchanged.

Texas Hunters Stalking Deer

By The Associated Press

Out in the hills and through the autumn woods, Texas hunters stalked their deer Tuesday.

The season opened for most of the state at 7 a.m.

Right at 7 a.m., E. S. Farney of Satin, Tex., shot a 4-point buck in the hills near Kerrville. At 7:15 a.m. in the same general area C. F. Skaggs of Kerrville downed a 6-point buck.

In North Texas along the Red River, a veteran Texas Ranger, Stewart Stanley of Clarksville, downed an 8-point buck shortly after 7 a.m. His deer weighed 140 pounds and had an 18-inch antler spread. He killed it on the Chapman ranch near Clarksville.

Approximately 3,000 hunters were out in the hills of Central Texas where hunting was reported good and deer plentiful.

Another 1,000 were in North Texas.

A 16-year-old boy on his first deer hunt was the first hunter to get his buck in the state's first free deer hunt. Larry Hargrove of Silsbee bagged an 8-pointer at 7:15 a.m. He was one of 75 hunters with permits to help harvest 50 surplus bucks in the Kerr Wildlife Management Area near Kerrville.

The free hunt will continue through Saturday.

The North Texas deer hunt season runs for only five days.

Deer hunting in nine counties west of the Pecos won't begin until Nov. 20 for a six-day season. The Panhandle season opened Sunday and runs through Nov. 23.

For the rest of Texas, the season opened Tuesday and runs through Dec. 31.

Texas has an estimated 250,000 deer hunters.

Gail Loses Out On Toss, Ackerly Wins

The Gail Coyotes, all tied up in District 6, six-man football, will not get to represent the district in playoffs — that is, unless the unexpected happens.

Here's the situation: Gail and Ackerly played on Oct. 15 and tied up 14-14. Both of the teams went undefeated after that, and they are tied for the lead in the district. Last night, the district committee met and the six members other than these two voted on which would represent the district in playoffs if they finished the season tied. The vote tied 3-3.

How tied up can you get? Nothing was left to do but toss a coin, so that's what the committee did. Ackerly won the toss.

The only thing which could alter that situation now is an Ackerly loss. That is not likely, but it is possible. If Ackerly were to lose to Dawson Friday night and Gail were to beat Loop, Gail would have the loop championship.

As it now stands, both teams will be champions. The Gail squad has a remarkable record. The high school at Gail is in its third year, as is the team. In three year's time, the Coyotes have come up to a district championship.

Coach Eddie James of Gail will take his team to Loop for the 8 o'clock Friday night game. Other games in the district will be Ackerly at Dawson and Klondike at Courtney. Flower Grove will play at Knott Saturday afternoon.

Two Stores In Texas Included In Purchase

WICHITA, Kan. (AP)—Two Texas stores are included in the nine stores of the Allen W. Hinkel Dry Goods Co. to be purchased by a New Mexico corporation.

They are the Hinkel stores at Midland and Abilene.

Allen W. Hinkel, chairman of the Kansas corporation, said yesterday that the stores were being sold to C. R. Hubbard of Albuquerque and associates for about one million dollars.

He said about half the purchase price would be in cash, effective Dec. 31, and the rest in preferred stock of the new corporation. Hubbard and associates will own all of the common stock of Hubbard-Hinkel Stores Inc.

Other stores involved are two in Albuquerque and one each in Santa Fe, Los Alamos, Farmington, Roswell and Clovis, N. M.

Heavyweight boxer Nino Valdes of Cuba refuses to wear black trunks in the ring. He says they are bad luck.

Ohio State Steals Top Spot From UCLA

By The Associated Press

Trouble with sitting one out is that some folks might get the idea you're a wallflower. That's what happened to the unbeaten Bruins of UCLA in The Associated Press college football poll this week as the unbeaten Buckeyes of Ohio State took over the No. 1 spot by a seven-point count.

UCLA held first place last week with an overpowering vote total, but was idle last Saturday while Ohio State, edging closer to the Big Ten Title and the Rose Bowl, mauled Purdue 28-6. That apparently was enough to change the vote of the experts.

The Bruins, with an 8-0 record identical to that of the Bucks, still managed to edge Ohio State in first-place votes, 92-87, but on the basis of 10 points for first, 9 for second, etc., OSU polled 2,010 points to UCLA's 2,003.

All of which means this Saturday's contests probably will decide the running battle between Ohio State and UCLA — both having held the No. 1 position twice this season.

Both teams complete their regular-season schedules this week—UCLA against Southern California in a game that could give the Bruins the Pacific Coast Conference championship, and Ohio State against Michigan, with the Bucks needing at least a tie to escape a deadlock with the Wolverines for the Big Ten crown and the Rose Bowl trip.

Oklahoma, the only other major unbeaten team (also 8-0), wound up in third place for the third straight week after beating Missouri. But Notre Dame, picked as the pre-season champion, jumped up a notch to fourth after whipping North Carolina to replace Arkansas, knocked down to ninth after losing its first game of the season to Southern Methodist.

Army, like Notre Dame, once-beaten, also moved up one to fifth as did Mississippi, rising to sixth. But Mississippi just escaped a tie with Navy and Southern Cal. deadlocked at seventh, by one point.

Minnesota jumped from 13th to 10th after defeating Iowa. The Hawkeyes, ninth a week ago, settled at No. 19.

	LEADING TEAMS	
1.	Ohio State (87) (8-0)	2,010
2.	UCLA (92) (8-0)	2,003
3.	Oklahoma (28) (8-0)	1,761
4.	Notre Dame (2) (6-1)	1,222
5.	Army (7-1)	1,167
6.	Mississippi (7) (8-1)	671
7.-8.	(Tie) Navy (6-2)	670
	Southern Calif. (8-1)	670
9.	Arkansas (5) (7-1)	533
10.	Minnesota (7-1)	271
	THE SECOND TEN	
11.	Southern Methodist (5-1-1)	270
12.	Michigan (6-2)	244
13.	Maryland (5-2-1)	151
14.	West Virginia (6-1)	101
15.	Virginia Tech (7-0-1)	81
16.	Miami (Fla.) (6-1)	71
17.	Wisconsin (6-2)	70
18.	Auburn (5-3)	51
19.	Iowa (5-3)	35
20.	Baylor (6-2)	27

Corpus Teams Join Top 10

DALLAS (AP)—Dist. 6-AAAA got back its prestige in the Class AAAA Texas schoolboy football race this week, as the state's sportswriters voted both Ray and Miller of Corpus Christi into the list of the top ten teams.

The writers polled by the Dallas Morning News, moved Miller into sixth and Ray into seventh places in the poll. Baytown also got back into the top ten as Wichita Falls, San Angelo and Tyler fell from the list.

Other positions were jumbled somewhat as Waco replaced Midland in third place. Port Arthur held tenth and Houston Lamar moved to ninth.

The one-two teams, Galveston Ball and Abilene, held their ratings.

The top ten:

1. Galveston Ball (8-AAAA)
2. Abilene (1-AAAA)
3. Waco (5-AAAA)
4. Midland (1-AAAA)
5. Pasadena (8-AAAA)
6. Corpus Christi Miller (6-AAAA)
7. Corpus Christi Ray (6-AAAA)
8. Baytown (8-AAAA)
9. Houston Lamar (7-AAAA)
10. Port Arthur (8-AAAA)

The second ten includes: Houston Austin (7-AAAA); Dallas Sunset (4-AAAA) and Dallas South Oak Cliff (4-AAAA) (tie); Fort Worth Poly (3-AAAA); Dallas Forest (4-AAAA); San Angelo (1-AAAA) and San Antonio Jefferson (6-AAAA) (tie); Pampa (1-AAAA); Houston Reagan (7-AAAA); Wichita Falls (5-AAAA) and Highland Park (5-AAAA) (tie).

Ex-Officer Is Slick Checker

HOUSTON (AP)—Former detective Sidney Smith, on trial in a federal narcotics case here, also was a clever check passer, a convict witness testified.

Carl E. Lawder, 44, was the government's star witness yesterday as Smith's trial on charges of conspiring with Lawder and a former convict to procure narcotics, reopened.

Lawder is a prisoner in the federal penitentiary at Leavenworth, Kan. He was brought here to testify against the former Houston city detective.

Lawder testified yesterday that Smith stole four police department payroll checks and helped cash two of them. Disappearance of the checks has been embarrassing the Houston Police Department since Sept. 5, 1953.

Lawder testified Smith took two checks by accident along with his own, then decided to go back for two more.

Lawder said he used Smith's police credentials and posed as an officer to cash two of the checks. "Mr. Smith waited a block down the street," Lawder related. "I . . . gave him part of the money and kept part of it."

Government Supply Of Typewriters Adequate

WASHINGTON, (AP)—The government says it has a year's supply of new typewriters in stock, and won't have to buy any new ones during that time.

Edmund F. Mansure, general services administrator, said needs of the various departments will be met from a stock of 5,552 new typewriters which the Defense Department has located in its nationwide supply system. This will mean a saving of $680,000, he said.

Man Confesses To Robbery In Odessa

NEW ORLEANS (AP)—A man who police said has admitted an armed robbery in Odessa, Tex., was held here today on a charge of robbing a cleaning shop and threatening to shoot a policeman. He is Herbert L. Stalnaker, 27, Bogalusa, La. Santa Barbara, Calif., police are questioning him in connection with the fatal beating and robbery of a California hotel clerk.

ANNOUNCING CHRYSLER FOR 1955
WITH THE 100-MILLION-DOLLAR LOOK

IT'S HAPPENED! Here's a wholly *new* direction in automotive styling for all cars to follow. And it took Chrysler for 1955 to do it: America's top performer and the first in the coming generation of motorcars!

Come see it! Everything about it is completely new, and dramatically *different*. Here's the car with the 100-Million-Dollar Look . . . and when you own it and drive it, you'll *feel* like every million of it!

Chrysler for 1955 is long and sinewy and low. It's a sleek, clean length of steel that looks as if it might have been born in a wind tunnel. Washed free of clutter. Purposeful as an arrow shot from a bow!

New front-end . . . you can spot it a mile away! New Super-Scenic sweptback windshield . . . with corner posts that slant *back* to allow safest possible vision. New tapered rear deck. New sweeping silhouette that's inches *lower* than other big cars. New Twin-Tower tail-lights that say "Stop!" with great authority. New PowerFlite Range-Selector on the dash that completely outmodes conventional levers on the steering column. And new fashion-forecast luxury interiors that surpass in color and richness anything you've ever seen in any but custom-built motor cars!

Come drive it! *Every Chrysler is now a V-8* —with engines up to 250 HP, the most powerful type in the world. Famous Chrysler engineering brings you PowerFlite, *most automatic* of all no-clutch transmissions. Full-Time Coaxial Power Steering and new double-width pedal Power Brakes. Plus new tubeless tires! Everything is here you need . . . to drive, as well as look, ahead of all others. Come see America's most smartly different cars today. See for yourself why now, more than ever, *the power of leadership is yours in a Chrysler.*

NEW CITIZENS TAKE OATH

More than 8,000 men and women from nearly every nation on earth raise their right hands as Federal Judge Peirson Hall, center, administers the oath of United States citizenship in the Hollywood Bowl. Similiar mass ceremonies were conducted across the nation on Veterans' Day. Of those in the Hollywood Bowl, 220 were natives of Russia. Judge Hall spoke in three languages in administering the oath.

Struggle On Land Reforms Soars In India

By EUGENE LEVIN

NEW DELHI (AP) — The future of India's economy may be decided in a mounting struggle between private property interests and the Nehru government.

The government contends its entire domestic economic program is at stake. It wants the unlimited right to determine, with parliamentary approval, how much it will pay for any property involved in land reforms, housing and industrial development schemes, including nationalization. Compensation at full market value, the government contends, should not be expected.

Property owners, a powerful bloc within Prime Minister Jawaharlal Nehru's own Congress party, demand that the government recompense them fully.

The controversy is expected to dominate the winter session of Parliament, opening today.

Nehru and his party are pledged to create a "welfare state" in India. Key portions of their program call for wholesale property acquisitions.

The government must pay owners for any property "acquired or taken possession of." But the constitution does not say how that compensation should be determined.

Officials claim the government is entitled to set a price based on "what society can afford to pay," providing the sum gives a "fair return" and does not amount to confiscation. But recently the Supreme Court said the constitution, as it stands, must be interpreted to mean "full compensation at market value."

Nehru and his Congress party then decided to amend the constitution to give Parliament the right to set compensation. In effect, this would mean the government would decide how much to pay; Parliament would be asked to give its approval.

Business interests, besides claiming "the fundamental right" of full compensation, insist this amendment would discourage the foreign investors India is trying to attract.

Japanese Life Span Increases Since 1949

TOKYO, (AP)—Japanese now have an average life expectancy of 59.35 years for men and 62.73 for women—nearly 10 years better for both than in 1949—the Welfare Ministry announced today.

A sharp drop in the death rate, due principally to use of antibiotics in treating tuberculosis and pneumonia, was named as the main reason for the improvement.

Hungarians Are Facing Grim Winter

VIENNA (AP)—Nine million Hungarians face a grim winter. There are long lineups for coal and wood and the government admits many will go without heat. There are lines for meat, butter and fat.

An indignant mother wrote a Budapest newspaper: "Winter coats for 2-year-olds are not to be bought anywhere."

The trouble in Hungary, diplomats here say, is a crisis in its "new look" policy of trying to provide consumer goods. To carry out this plan, the Communists are turning the country's entire economy upside down. They did it once before when they took over in 1949. Then, they set out to make central Europe's biggest granary into an industrial giant.

Now that's been all thrown overboard and they are going in reverse, all the way back to making Hungary an agricultural country with emphasis on consumer goods instead of on heavy iron and steel.

The result, the diplomats say, is that the entire economy doesn't know where it is going. Neither do the people.

Production of all kinds seems to be standing still as the entire economy is being shifted, as retooling takes place, as workers are retrained and reassigned.

Thousands of persons have been thrown out of jobs recently in an effort to reduce bureaucracy. Many of these are without any form of relief, and others have been forced to take lower-paid jobs, causing discontent. A government effort to force those fired to go to work on farms or in mines appears to have failed.

SOLEMN CEREMONY

PENCILS FOR KOREAN YOUNGSTERS

Mary Ellen Gurley, 13, an eighth grader at Denver's Grant Junior High School, bends over some of the 8,000 pencils brought by her schoolmates in a drive she started to get pencils for children in Korea. She said she had read in a magazine that only 10 pencils are available for every 600 school children in Korea. The pencils will be sent to Korea through CARE.

Russians Flay Western Pact

LONDON (AP)—Moscow radio said today that if the Western Powers try to carry out the Paris agreement on West German rearmament, the Soviet Union and its allies "will examine further necessary measures to ensure their own defense and security."

The broadcast quoted the Communist party newspaper Pravda as saying: "The U.S.S.R. cannot reconcile itself to the rearming of Western Germany."

The English-language broadcast, beamed to North America, was devoted to a Pravda article signed "Observer." It said it was a mistake to suppose that the Soviet Union, which recently proposed a 28-nation meeting on European collective security, "can be put off" until the agreements on West Germany are ratified.

Another Member Of Parliament Has Pox

LONDON (AP)—A second member of Parliament has come down with the chicken pox.

Sir Hartley Shawcross, former attorney general, was under treatment today for the disease along with his wife and two of their three children.

Lawrence Turner, who sits near Prime Minister Churchill in the House of Commons, was stricken last week.

Churchill, looking forward to his 80th birthday Nov. 30, displayed none of the symptoms as he entertained guests over the weekend at his country home.

Eleanor Parker, Paul Clemen Plan To Wed

HOLLYWOOD, (AP)—The engagement of actress Eleanor Parker and artist Paul Clemens was announced last night.

Miss Parker said they plan to be married Thanksgiving Day in the Hollywood Methodist Church.

McCARTHY AT RALLY

Sen. Joseph McCarthy and his pretty wife, Jean, make their way through a throng of well-wishers jamming the aisle at Constitution Hall in Washington where a crowd of 3,000 staged a pro-McCarthy rally protesting the censure move against the Wisconsin senator.

Cadets, Middies Out Of Debate Competition

WASHINGTON, (AP)—The Defense Department says cadets of the U.S. Military Academy and midshipmen of the Naval Academy are not permitted to participate in college debates on whether the United States should recognize Red China.

The department said the question "is a controversial subject and one concerning which national policy has been established."

The Defense Department policy became known after a West Point team withdrew from a scheduled debate with the Newark Colleges of Rutgers University. The Princeton University debate panel protested the ban.

Mexico's Big Road Race Set To Start

MEXICO CITY, Nov. 16 (AP) — Some 150 automobiles will roar over the starting line this week in Mexico's five-in-one road race.

The run—actually five separate races for different classes of cars—will start Nov. 19 in Tuxtla Gutierrez in Southern Mexico and will end five days later at Ciudad Juarez on the Texas border, 1,908 miles to the north.

The event, started in 1950, has become one of the major road races of the year and is the longest regularly scheduled race in the world. The classes are for big sports cars, including Ferrari and U. S. Kurtiss Krafts; big stock cars, matching Dodge with Ford and Chevrolet; small European sports cars and small European stock jobs.

The distances each day will range from 222 miles to 590 miles. The cars will not run at night and they will be given a half hour, not counted as racing time, to pass through the larger towns.

Prizes total $117,200. There are 10 cash prizes for each class, plus lap prizes. Prizes in the big sports and big stock classes are scaled down from $16,000 for first place to $560 for 10th place. In the small classes the range is $4,000 to $400.

None of the continental manufacturers has entered works teams in the big sports class. However, for the first time a British works team is in—the Austin-Healy with two cars.

Of the 78 cars in this class, seven are Ferraris. Driving the big 4,900 CC models will be Jack McAfee of Manhattan Beach, Calif., Umberto Maglioli of Italy who won four of the eight legs last year and Porfirio Rubirosa the Dominican diplomat.

Two other cars in this class are dark horses. One is the Kurtiss Kraft, developed in the United States from Indianapolis cars, the other, the Spanish Pegaso, running a road race for the first time on this continent. The Pegaso, entered by the Dominican government, will be driven by an unknown, Joaquin Palacio.

The big stock-car class, the Lincoln team is the favorite although a five-car Buick team is challenging. The Lincoln drivers will include Chuck Stevenson of Milwaukee who won the last two years, Bill Vukovich of Long Beach, Calif., who won the Indianapolis 500, Walt Faulkner of Long Beach, Calif., who has always been a strong runner and Johnny Mantz, Los Angeles, another rapid driver.

Speeds are expected to be slightly lower this year than the 106 m.p.h. turned in by the big sports cars last year and the 80-mile average of the Lincolns. For one thing, bigger crowds are expected along the highway. The people press in and sometimes delay the cars. One Lincoln mechanic commented:

"Last year there were so many people on one curve near Mexico City that we had to slow right down to 100 m.p.h."
