CISCO, TEXAS, TUESDAY, NOVEMBER 10, 1953

NUMBER 248

VOLUME XXXIII

The Gay Philosopher

By J. W. S.

FRIDAY NIGHT, Dec. 4, has been selected as the date for the annual Policemen's Ball in Cisco, Mayor G. C. Rosenthal reports. Plans for the ball were made the other afternoon and details of the event will be ready for announcement in the near future.

WEDNESDAY, Nov. 11, is going to be a holiday for part of our town. Most of the grocery stores plan to close. The City Hall will be closed, along with a few other offices and firms. November 11th isn't one of the holidays adopted by Cisco business firms, so a lot of places of business will remain open for business as usual.

YOU CAN WRITE the date of November 9 down in your record book as the day of the first killing frost for the fall of 1953. The temperature dropped to 30 degrees here and the frost was thick and thorough. It will benefit the harvest of cotton, pecans and the like, but it will hurt late peanuts and feed.

IN ANNOUNCING the open house at the J. M. Dillon home last Sunday, the Press should have said that the pioneer couple will be honored on their 50th wedding anniversary on Sunday, Nov. 15. All of their friends have been invited to call between the hours of 2 and 6 p. m. next Sunday. The Dillions live on the Scranton Road and many friends and neighbors will want to wish them many happy returns on their Golden Wedding Anniversary.

COACH RED Lewis, who observed a birthday yesterday, reports that his Cisco Junior College Wranglers will end their 1953 season in a football game at 7:30 p. m. Thursday at the local field. The starting time has been moved up due to the colder weather and the fact that college grid games are a little longer than high school games. So be in the stands by 7:30 p. m. or you'll miss the kickoff.

SPEAKING OF the college games being longer than high school games reminds us that the Cisco Boosters Club had a problem when it came to buying the new electric score board. College teams play 15-minute quarters, while high schools play 12-minute quarters.

The Boosters Club discovered that they would either have to buy a 15-minute quarter clock or a 12-minute clock. They finally decided on a 12-minute clock. The new clock will keep time for both games, except that the minute hand will be out of place on one of them.

Everybody agrees that the new scoreboard is splendid and that the Boosters Club is due a big pat on the back for securing it.

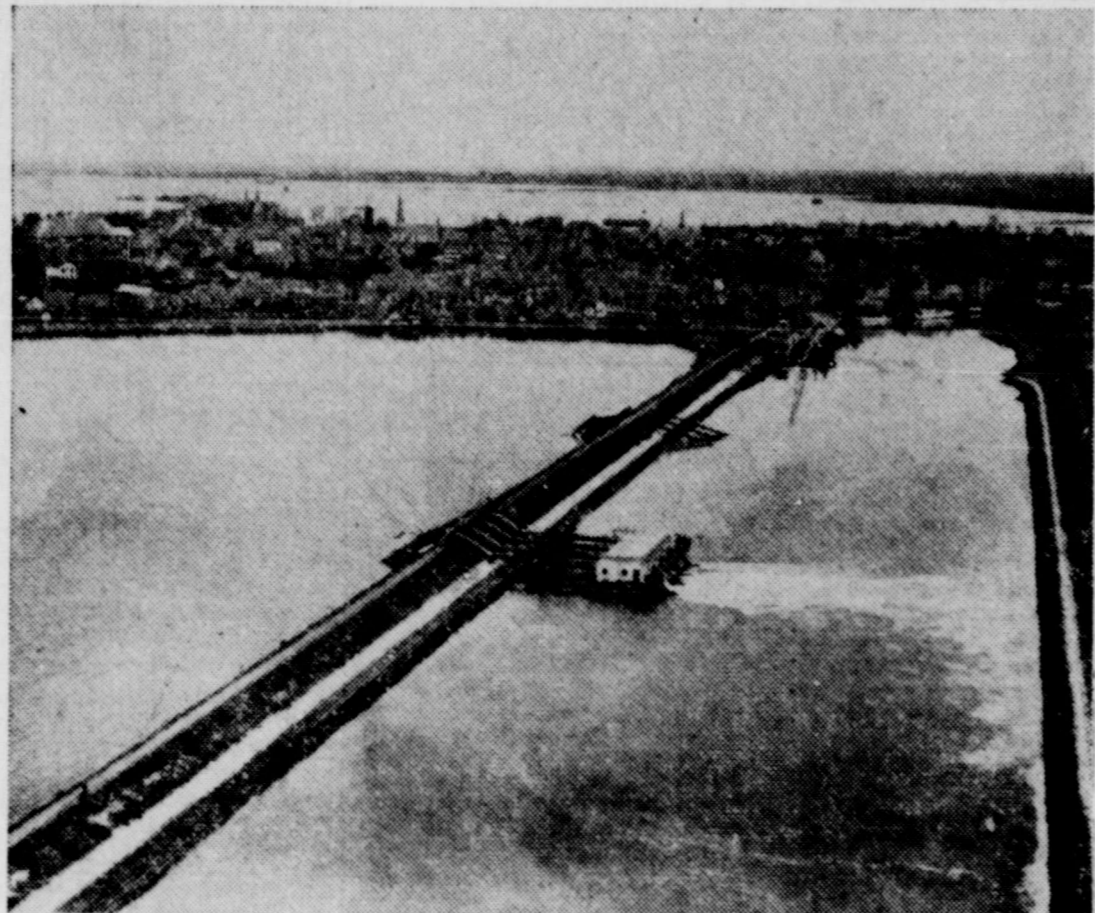

SINCE THEIR football season ends this week, there will be some 20 or more Wrangler players who would like to have part time jobs, beginning next Monday. The players are fine young men who deserve any help we can give them.

If you have a part-time job or know of anybody who does, get in touch with Mr. Austin Flint at the Penney company or with Coach Lewis.

A LADY TELEPHONES to say that she has noticed from time to time that we help give away dogs and cats. And she wants us to help reunite a big black dog that hangs around on West 7th Street with her owner. The big dog digs in her flower beds and she doesn't like it and would appreciate the owner hunting up the dog and taking him home.

SOMEBODY MAILED us a Jimmy Hatlo cartoon — one of those "they'll do it everytime" cartoons. One picture shows an editor tearing his hair, trying to read a hand-written report of a society meeting. And the other cartoon shows a group of ladies tearing their hair because the newspaper had misspelled some names and butchered up the report.

Rev. and Mrs. L. L. Tratt of Denver City were recent guests in the home of Mrs. Tratt's sister and husband, Mr. and Mrs. H. H. Hageman.

THERE'S WORK TO BE DONE—And it's being done in Zierikzee, The Netherlands. After one of the most intensive programs of rebuilding known to the modern world, Holland is once again almost bulwarked against the seas that flood the land so often. Enormous pumps are draining the lowland tracts such as this one, and the Dutch face the future with hope once more.

COLORFUL CEREMONIES PLANNED FOR FINAL CJC FOOTBALL GAME

One of the most colorful ceremonies of the year will be staged at Chesley Field Thursday night as the Cisco Junior College Wranglers end their 1953 football season in a conference contest against Navarro County Junior College from Corsicana.

Many ex-students of the school and the parents of the majority of the football players will be at the game as the student council has made special plans for their entertainment. It will be the homecoming game and special events are planned for exes and parents of the players.

The Cisco High School Lobo Band and the Rising Star band will join the Wrangler band in supporting the Wranglers and will perform between halves of the game.

Teh 1953 Football Sweetheart will be presented at the between-half activities. The sweetheart was selected this week and her identity will remain a secret until she is presented. The two runners up will accompany the sweetheart to the field.

Navarro County is bringing its band and majorettes to Cisco to add color to the game. Their majorette group is similar to the famed Kilgore Junior College group. They will perform between halves of the game.

The parents of the Wranglers will be seated in a special reserved section and will wear a number corresponding with the number on the jersey of their son.

A reception will be held following the game for the parents and ex-students in the reception room of the girls dormitory, and a dance will be held Thursday night in the Wrangler Corral.

Due to cooler weather game time has been set at 7:30 p. m. and tickets will be placed on sale at drug stores and at the school board office late Tuesday.

Meanwhile, Coaches Red Lewis and Jack Everett were working hard this week in preparation for the final game. They were trying to build new plays to be

used against Navarro in an attempt to utilize the few uninjured backs that remain on the squad.

Jimmy Adams, Ray Westmoreland, E. E. Reid and Jodie Shetter were on the injured list. There was a possibility that Reid and Shetter would be able to see some action.

Injured linemen include Don Denard, a broken hand; Dale McFarland, a hand injury; Baggy Tipton, Wayne Adams and others. All were expected to play except possibly Denard.

Navarro defeated Allen Academy Saturday night but lost to Blinn the week before.

Final Rites For Moran Resident Set For Tuesday

Mrs. Minnie Lou McClendon, 59, of Moran died at 3 p. m. Monday after she had suffered a heart attack while pulling cotton on the Dave Hamilton farm, several miles northeast of Moran.

Funeral services were to be held at the Moran Baptist Church at 4 p. m. Tuesday with the pastor of the church officiating. Burial was to follow in the Moran Cemetery with Wylie Funeral Home in charge of the arrangements.

Mrs. McClendon had lived in Moran for 37 years. She was born Minnie Lee Parker on March 27, 1894, in Dallas County near Mesquite.

Survivors include her husband, A. L. McClendon of Moran, two sons, Donald of Eastland and Robert Lee McClendon, stationed with the United States Air Force in England; one brother, Arthur Parker, of Forney; four sisters, Nannie Parker of Forney, Mrs. Lillie Baker of Mesquite, Mrs. Nettie Ola Martin of Seagoville, Mrs. Corine Austin of Mesquite, and two grandchildren.

BACK AT WORK—In New York actress Katharine Cornell is shown at a rehearsal of "The Prescott Proposals," with Lorne Green, a member of the company. The popular star will soon open in the play on the road for the out-of-town tryout, and will take it to Broadway in December.

Courthouse Records

- Property Transfers
- Oil & Gas Leases
- Court Proceedings
- Marriage License

The following instruments were filed for record in the County Clerk's office last week:

J. W. Alvey to T. V. Gorman, oil and gas lease. Robert C. Arrington to Myrtle Commons, deed of trust. W. L. Andrus to A. L. Underwood, release of vendor's lien. R. E. Adams to Jack T. Grisham, oil and gas lease.

Kerr-McGee Oil Ind. to Genie Smith Elrod, release of oil and gas lease. Kerlyn Oil Company to Phillips Petroleum Company, MD. Kerr-McGee Oil Inc. to Phillips Petroleum Co., assignment of oil and gas lease. Mrs. Fannie Kincaid to J. E. Watson, MD. J. J. Lynn to the following (all Releases of Oil and Gas Leases): C. H. Noble, Roger L. Noble, Virginia Owen Keyes, Albert Dulin, Verna Owen Scarborough and Tom Noble.

Ray L. Laney to Veterans Administration, deed of trust. Dee Linn to Jack T. Grisham, oil and gas lease. S. W. Loper to Rice & Phagan Gasoline Co., release of vendor's lien. Pauline Miller to R. H. Ellison, oil and gas lease. E. M. Murray to Jack T. Grisham, oil and gas lease. Maud Bauk to D. Breeding, oil and gas lease. E. C. Murray to Jack T. Grisham, oil and gas lease.

Ruby McLaughlan to Jack T. Grisham, oil and gas lease. Milton Nash to Abilene Savings Assn., deed of trust. Blanch Nicols to L. L. Hartman, warranty deed. Blanch Nicols to L. L. Hartman, contract. W. L. Pattillo to Jack T. Grisham, oil and gas lease.

MOVE TO CISCO
Mr. and Mrs. B. W. Martin have moved from Big Spring to Cisco to make their home and are living at 1006 West 13th. Mr. Martin retired recently after several years as a railroad worker. They formerly lived in Cisco. Mrs. Martin, an invalid, was brought to Cisco on a special hospital bed. A Thomas ambulance met her at the train Saturday and took her to her new home.

Dr. and Mrs. L. L. Lankford and son, Larry, of Dallas spent the weekend with his parents, Judge and Mrs. Eugene Lankford.

C of C Banquet Tickets Sale Is Opened In Business District

CJC BASKETBALL TEAM BEGINS SEASON WITH CONTEST TONIGHT

The Cisco Junior College Wranglerettes will open their 1953-54 basketball season in Brownwood tonight when they meet the Howard Payne girls cage team on the Howard Payne court.

The Wranglerettes have been working hard for more than a month under the direction of Bill Pringle and Edd Farmer, two members of the Wrangler cage squad, and are in good condition for the game tonight.

The Wranglerettes are entered in the Southeastern A.A.U. District of Texas with headquarters in Brownwood. There are now seven teams in the district and another will be added to bring the total to eight. The winner of the Southeastern District crown will enter the state meet in Dallas, and the winner of the state meet will go on to the National meet in Wichita, Kansas.

Teams already in the Southeastern District include San Angelo, Comanche, Coleman, the Brownwood Rockets, the Brownwood Sweethearts, the Brownwood Rockets, Howard Payne and Cisco.

Three members of last year's strong Wranglerette team which lost only one game have returned for this year, and several other stars from high school have been added to the roster. Returning players are Jim Birch, Barbara Illingsworth and Hallye Johnson. Jim Birch was all-district at Meridian and Miss Illingsworth was all-district from Cross Plains. Miss Johnson won all-state honors while playing with Hamilton.

New additions to the squad are Cookie Barron of Georgetown, Latrelle Riddle of Lipan, Betty Jane Jackson of Carbon, Joyce Edmondson of Rising Star, Glenda Boyd of May, Kay Alexander of Bridgeport, Mary Walker of Breckenridge and Virginia McCurdy of Zephyr. Miss Barron, Miss Riddle and Miss McCurdy made all-district teams while playing in high school.

After the first several weeks of practice it appeared that Jim Birch, Cookie Barron and Latrelle Riddle would be the starting forwards and Barbara Illingsworth and Hallye Johnson would be the starting guards.

Survivors include her husband, W. O. Walker of Denton Valley; four daughters, Mrs. Jewell Cox of Coleman, Mrs. Thelma Low of Denton Valley, Mrs. Ethel Belle Franklin of Abilene; five sons, Merlin of Hobbs, New Mexico, Donnie of Bronte, Willard of Goldsmith, James and Robert, Jr., of Clyde; one sister, Ethel Pettit of South Bend Texas; one brother, C. D. Jones of Abilene; a half-brother, G. J. Jones, Jr., of Sonora, and 25 grandchildren.

IT ALL CAME TRUE—After playing the part of Little Red Riding Hood in a school play in Houston, Tex., seven-year-old Cheryl Irwin almost played the role in real life. On the way to the woods at her home, she spotted a wolf which had been wounded. Cheryl's dad dispatched the animal with a rifle, but the young lady still believes in keeping an axe handy, too.

Big Audience Due To Attend Affair

A total of 365 tickets for the annual banquet of the Cisco Chamber of Commerce, to be held Saturday night, Nov. 21, with Industrialist R. G. LeTourneau of Longview as the principal speaker, were placed on sale today, Chairman Bob Hammett announced.

The banquet will be held at the new junior high school gymnasium and seats will be available for 400 persons. Thirty-five tickets were mailed to Chambers of Commerce leaders in neighboring cities, and the balance will be offered for sale here.

Mr. Hammett's committee planned to canvas the business district to offer local business men an opportunity to buy tickets. After local residents have had an opportunity to obtain their tickets, the balance will be sold to out-of-town persons. There is considerable demand for tickets from neighboring cities, Mr. Hammett said.

Members of Mr. Hammett's committee who have tickets for sale are R. J. Stevenson, Bill Kendall, Alpha Elder, Haywood Cabaness, Tom Wilson, Clyde Karkalits, E. T. Thomas, Truly Carter, Paul Farrow, and Harold Cheves. The tickets, which are being sold for \$2, are also available at the Chamber of Commerce office and at the First National Bank.

Mr. LeTourneau, widely known as a manufacturer and as a religious leader, will address the banquet here Saturday night, Nov. 21, and will make three appearances the following day in local church pulpits.

D. N. Morrison is general chairman of arrangements for the banquet and he reported that detail work is nearing completion.

Tom Fields Dies Sunday; Service Is Planned Today

Tom Fields, 72 year old Cisco building contractor who had lived here since 1923, died at his home on the Rising Star highway at 11:30 a. m. Sunday after an illness of three months.

Funeral services were to be held at 3 p. m. Tuesday at the First Methodist Church with the Rev. E. H. Lightfoot, pastor, and the Rev. Leslie Seymour, Cisco District Superintendent, in charge of the services. Burial was to be in Oakwood Cemetery with Thomas Funeral Home in charge of the rites.

Mr. Fields was born in Carroll County, Tenn., on September 1, 1881. On June 15, 1904, he was married to Miss Era Moorman in Comanche County. They moved to Cisco in 1923 from Stamford. Since that time he had engaged in the contracting business here.

Survivors include his wife of Cisco; a son, Willard W. (Jud) Fields of Cisco; two daughters, Mrs. T. L. Huhn of Houston and Mrs. R. M. Boyd of Columbus, Ohio, and a brother, Goff Fields of El Paso.

Palbearers were to be W. T. Brecheen of Abilene, J. M. Whitten of San Angelo and Joe Clements, Oscar Cliett, Q. G. Arnold and Tom B. Stark, all of Cisco.

Grid Banquet Plans Will Be Discussed

All members of the Cisco Boosters Club were urged to be at the high school building at 7 p. m. Tuesday for the regular weekly meeting.

The committee in charge of the coming football banquet will make recommendations to the club on plans for the affair, and the membership committee will make its report.

The coaches will make reports on last week's games and will talk on prospects for this week.

All members were urged to attend to help round out the work of the club for the football season.

Brigham Young had 56 children.

BETTER MOUSE TRAPS

Everybody has heard Emerson's famous aphorism, "Build a better mousetrap, and the world will beat a path to your door." But, appealing as the thought is, the fact seems to be that the best mousetrap ever hasn't a chance to make any kind of a splash unless it is aggressively sold in the face of public indifference and skepticism. That is the theme of an article by Merle Thorpe in Service, a magazine published by Cities Service Company for its employees and customers. Mr. Thorpe cites a long list of inventions we now accept without question which at the beginning, were given the coldest possible response. The Post Office Department rejected Morse's telegraph on the grounds that it had no practical value. A great newspaper regarded Edison's claims on behalf of the value of electricity as a crazy notion. Langley was ridiculed for saying

that men could fly in machines. Marconi fled Italy to avoid a jail sentence imposed on the ground that his radio experiments were causing sickness. The British Parliament passed a law forbidding Stevenson, the inventor of the steam engine, to lay track and, even after this was rescinded, established a speed limit of his locomotive of eight miles an hour.

Mr. Thorpe's point is that there always is resistance on the part of people to new things and that it must be broken down. And at present, he writes, "There are a thousand new things a-morning. Laboratories are working feverishly on petrochemicals, on electronics and plastics, on by-products of the split atom, and power from the sun, purified water from the sea, synthetic fibers, substitutes for milk, problems of dust, smoke, friction, weights and decay; stronger, lighter, cheaper, and longer lasting building materials; 50,000 molds or fungi which produce results comparable to penicillin, to mention only a few. Resistance to them exists today as ever."

Glamorous Shrine Circus Shows in Fort Worth, Nov. 20-29

CIRCUS THRILLS! "The greatest show of them all," that's the promise of Paul Hamilton, chairman of the 1936 Shrine Circus to play in Fort Worth November 20-29. That's Hamilton in front of the sign board. Among the acts, clockwise, Moslah's performing elephants, one of the better "educated" animal acts; Linon, one of the greatest tramp clowns in the circus world, and master of the bouncing rope; Renee, beautiful aerialist; Pat Anthony and his snarling lions—tops in wild animal acts; the thrilling aerial ballet of John Gibson and Company, and Florida Zaccini of the human cannon ball act. They'll all be there—daring performers, wizards of the high wire and tight rope and animal acts galore. The Shrine Circus plays at Will Rogers Coliseum. There will be 10 nightly performances and matinees on November 21, 22, 26, 27, 28 and 29. There will be free parking.

What, then, has been the cause of our unparalleled acceptance and use of so many things, despite all the resistance, and our attainment of living standards which are the envy of most of the rest of the world? In Mr. Thorpe's view, the cause is found in a relatively small group of people — the salesmen. He writes, "The American salesman, wholly unlike his kind in other countries, is not a mere order taker. He is a promoter. He is a merchant, not a storekeeper. He keeps goods in his store, but, this is the important difference, he takes pains to promote the sale of them. American salesmanship has made one-time luxuries, today's conveniences; yesterday's conveniences, today's necessities."

Mr. Thorpe goes on at length to show how salesmanship has transformed this country, to the enormous benefit of everyone in it. At the end he says, "The plain and simple fact is that the United States of America is kept a going concern through the indestructible spirit of the Business Ambassadors of the more Abundant Life. We all hope and pray for an expanding economy. American salesmanship has been, and is today, the answer to that prayer."

J. L. Thornton and J. W. Stevens were business visitors in Hamilton today.

Peanut Acreage DOWN, "All Crops" UP

Peanut acreage is 23.4% smaller than the 1935-39 average. **BUT** Total acreage of all farm crops is 1.6% greater than the 1935-39 average.

Source: National Food Situation, U.S. Dept. of Agriculture

All kinds of farm crops have been bringing in more money the past few years than they did before the war. And even with higher prices, the number of acres planted of all crops taken together has been increasing. But peanut acreage has lost ground. If this trend continues, every year there will be fewer peanuts and more people to eat them.

Our population is getting bigger every year, yet the Farm Value of the peanut crop has dropped from more than \$246 million (@10 1/2c per pound) in 1948 to about \$150 million (@11c per pound) in 1952. A vote against peanut acreage control in December can reverse this trend.

IT'S OPPORTUNITY!—Few men would beam with such obvious delight at Eleanor Lee's shaggy, dripping hair as she emerges from a swimming pool in Miami Beach, Fla. But to Thomas Frank, those straight, wet locks are like a blank canvas to an inspired artist. Frank, a Chicagoan, was chairman of the Official Hair Committee of the 33rd annual convention of the National Hairdressers Association which was being held down there.

SOCIETY AND CLUBS

AND NEWS OF INTEREST TO WOMEN

First Baptist WMU Has Meeting Monday

Advance Through Suffering through Korea" was the Royal service program presented at the regular meeting of the W.M.U. of the East Cisco Baptist Church Monday at the church. The meeting opened with the group singing "Faith Of Our Fathers," and Mrs. J. O. Warren led in opening prayer. Mrs. F. Bradley brought the devotional and the program was presented by Mrs. Carlton Holder, Mrs. J. O. Warren, and Mrs. R. Smith. Mrs. J. D. Hall led the group in special prayer and short business session followed. Community missions were assigned for the next month and the meeting closed with prayer Mrs. Bradley. Those attending were Mes-

dames R. C. Smith, Carlton Holder, Enis Qualls, R. L. Bailey, J. E. Stephens, J. O. Warren, F. C. Bradley, A. V. Payne, E. B. Stroud, Kerby Thetford, O. L. Bisbee, Roy Marcontell, J. E. Shirley, B. F. Thomas and J. D. Hall.

Junior RA's Meet Wednesday Afternoon

The Junior R.A.'s of the First Baptist Church met Wednesday afternoon at the church for their regular meeting with Dickie Bennie in charge.

Phillip Surlis led the group in opening prayer and minutes of the previous meeting were read and approved. The R. A. song was sung with Dickie Bennie leading. Gerald and Royce Darr were initiated into the chapter. The group decided to call the chapter, The Blair Chapter, in honor of Rev. Blair.

Mrs. Curry served refreshments at the close of the meeting to Gerald Darr, Mike Sittou, Billy Jack Whitten, Royce Darr, David Cheves, Jimmy McDonald, David Cates, David Whitten, Dickie Bennie, Phillip Surlis, Franklin Farnsworth, Nathan Curry, and a visitor, Johnny Choate.

Mr. and Mrs. E. G. Pierce visited in the home of Mr. and Mrs. John Hart in Cross Plains Saturday.

Jolly Birthday Club Has Meeting Friday

The Jolly Birthday Club met Friday, November 6, in the home of Mrs. Odell Colson with Mrs. Rose Stroud and Mrs. Pebble Howell as co-hostesses.

The meeting was in honor of Mmes. Althea Lipsey, Lois Nichols and Bill Qualls. Each honoree sat in the birthday chair while the birthday song was sung by the group. Gifts were presented and shown to those present.

After the playing of several games refreshments of cake, coffee and punch were served to Callie Shields, Alene Bradley, Lois Nichols, Bill Qualls, Marie McCormick, Sammie Lee, Oleta Stephens, Bea Ainsworth, Althea Lipsey, Pebble Howell, Mae Briggs, Gladys Carlile, Odell Colson and Florence White.

First Baptist Circle Has Dinner Tuesday

The Business Women's Circle of the First Baptist Church met Tuesday evening at the home of Mrs. Irene Hallmark for a covered dish dinner and their regular business meeting.

Mrs. Truly Carter gave a portion of the book, "Let's Listen," and a short business session followed with Miss Louise Karkalits presiding. Routine business matters were transacted.

Those attending were Misses Louise Karkalits, Mayme Estes, Leatha Estes, Mrs. Irene Hallmark, Mrs. M. F. Underwood, Mrs. Eva Laws, Mrs. Truly Carter and a guest, Mrs. Joe Clements.

Mary Morgan Named Scranton 4-H Prexy

Mary Morgan was elected president at the first meeting of the new club year of the Scranton Girls 4-H club held Thursday, October 22.

Other officers elected were vice president, Lynda Ledbetter; secretary, Rosetta Parks; parliamentarian, Laura Rodden; and song and game leaders, Judy Ingram and Linda Speegle.

Miss Sturdivant presided over the meeting after which games were played and songs sung by the group.

RUFFLES, YET — Water-proofed panties, with a dainty trim of ruffles, match a nylon dress, and they're perfect for the little miss to wear to parties, or travel with. Easy to wash, and quick to dry, mother's work hours are shortened considerably while that very young daughter looks as pretty as a picture.

China Painting Theme For Child Study Club

A program on hand painted china was presented at the semi-monthly meeting of the Child Study Club held Friday at the clubhouse with Mrs. Kay Sittou serving as hostess.

The president, Mrs. Elva Morrison, presided over a short business session. Members brought clothing to be boxed and given to the colored children.

Mrs. Alice Cameron showed a display of hand painted china and two oil paintings belonging to Mrs. P. G. Dalton, local artist, who was unable to attend. Mrs. Dalton teaches china painting at her Lake Bernie home studio.

Refreshments were served following the meeting to Mesdames Alice Cameron, Margorie Lane, Mary Bob Leveridge, Elva Morrison, Bessie Lou Gryder, Gene Taylor, Dale Barnes, Betty Odum, and Helen Heysler.

Mrs. Mayhew Honored By Rebekah Lodge

A birthday party was held at the home of Mrs. Effie Mayhew Thursday evening following the weekly meeting of the Goodwill Rebekah Lodge honoring Mrs. Iva Harper and Mrs. Meda Strawn.

Games were played by the group and the birthday song sung. Gifts were presented to the honorees after which refreshments of sandwiches, cake, and coffee were served.

Those attending were a visitor, Mrs. Etta Aycock, and Mesdames Iva Harper, Meda Strawn, Laura Jensen, Edith Rainbolt, Winnie Lineberger, Leah Bates, Connie Hyatt, Dee Clements, May Kleiner, Ethel Moore, Rhoda Burkett, Katie Cooper, Ruth Bolinger, Lydia Krauskopf, and the hostess Mrs. Mayhew.

Mr. and Mrs. E. P. Crawford and Miss Helen Crawford spent the weekend in Austin.

JOY Class Makes Plans For Banquet

Members of the JOY Sunday School Class of the First Baptist Church held a business and social meeting at 3 p. m. Monday at the home of Mrs. Richard Turknott with Mrs. J. T. Richardson as hostess.

The meeting was opened with prayer by Mrs. J. R. Burnett, class teacher. Plans for a Thanksgiving banquet in honor of their husbands were made by the class members, and other routine business was discussed. Mrs. T. E. Lisenbee, class president, was in charge of the business meeting.

Refreshments were served to Mesdames Lisenbee, O. C. Jeffcoat, W. B. Cates, Clell Reed, J. W. Sittou, J. R. Burnett and the hostesses.

Sunday School Class Has Party Monday

The Shining Lights Sunday School Class of the East Cisco Baptist Church met Monday evening at the home of their teacher, Mrs. H. H. Harrelson, for a backwards party.

The girls ate their sack lunches, played games, and had a business meeting. Those attending were Karen Grung, Sherry Lee, Sandra Bittick, June Thetford, Jean Thompson, and Mrs. Harrelson.

Improved again!

No. 1 in Texas

Now the BEST gasoline in Texas is even BETTER!

Esso Extra gasoline, statewide, has consistently led all other Texas gasolines in quality; now, new improvements have widened the margin between Esso Extra and the rest: Humble Esso Extra has no equal throughout the state of Texas.

Tests prove Esso Extra's superior quality!

There are three qualities of a gasoline that are brought out in the performance of your car. In all these three qualities, Esso Extra leads.

Extensive and continuous laboratory testing of Esso Extra and other gasolines proves Esso Extra's superior qualities, and these laboratory tests have been confirmed by road testing in specially equipped automobiles.

Esso Extra leads in anti-knock performance: In today's automobile engines, with their high compression ratios, anti-knock performance is the most noticeable quality of a good gasoline. There is no substitute for this quality. Only a gasoline with a high octane rating — that is, high anti-knock performance — burns so evenly and completely that it transfers all the usable energy from the gasoline to the pistons. When your car's engine pings or knocks, you're losing power. Esso Extra has the highest anti-knock performance in Texas.

Esso Extra leads in power: High anti-knock performance assures more power. Since Esso Extra has the highest anti-knock performance in Texas, it gives you more power than any other Texas gasoline. This

conclusion has been verified by special laboratory testing equipment which actually measures the power delivered by a gasoline burning in an automobile engine. Road tests by both Humble technicians and independent research facilities have confirmed the laboratory tests. Your car will develop extra power when you use Esso Extra.

Esso Extra leads in quick starting: In comparative tests with other gasolines, Esso Extra's quick starting characteristics were rated "Excellent," while those of other popular gasolines ranked from "poor" to merely "adequate." When you use Esso Extra your engine starts at almost the instant you press the starter button. But quick starting is more than a convenience. It saves gasoline, and it prevents gasoline dilution of the crankcase oil. If you use your car mostly for town driving, you will specially appreciate Esso Extra's quick starting qualities.

And for good measure, Esso Extra contains a patented solvent oil: This oil is not a lubricant. Its purpose is to dissolve the gummy substances that collect carbon on top of pistons and under valves, and thus help to prevent carbon deposits in the upper parts of the engine.

See for yourself — test Esso Extra in your own car

Esso Extra will give you the same results obtained by researchers when you test it in your car. Its quality is so superior that you will notice at once that Esso Extra gives you extra quick starting, extra anti-knock performance, extra power.

You'll discover that you enjoy your car more, that it runs better, that you're getting — at last — the performance you expect from a modern automobile. No other gasoline can duplicate Esso Extra's performance in your car, because no other gasoline matches Esso Extra's quality.

Fill up with improved Esso Extra gasoline at any Humble sign — it's the same extra performance gasoline at every Humble sign.

It's a SWAP!

There are two sides to every "swap" . . . giving and getting. All through life, we are "swapping" . . . giving up something we want less to get something we want more. That's exactly what happens when you open a savings account and add to it regularly. Once the saving habit is established, you'll hardly miss the small deposits you make each pay-day. Yet they can make your dearest dreams come true: a home of your own, a college education for your children, financial independence for your retirement years. This is the kind of "swap" that spells success and happiness-in life. And the best time to start "swapping" is NOW!

Outlook Of Grain Crop Improves In Most State Areas

Small grains and winter cover crops were responding to the much improved moisture from the soaking rains in Texas during the past week. Additional showers over much of the State further replenished moisture. For the first time in several years wet soil stopped field work over most of the state. By the end of the week some farmers were getting back into fields to get small grain and winter legume seed in the ground under the very favorable planting conditions. For the State as a whole, small grain prospects were very promising. Cotton harvest was resumed early in the week but muddy fields and damp weather retarded this operation, especially in the Plains country. In that part of the State, some cotton had been

Alan LADD comes to the rescue of Van HEFLIN and Jean ARTHUR in this scene from Paramount's "SHANE," in color by Technicolor.

beaten out and grades lowered by rains and blowing sand. A few more weeks of open weather should enable growers in the northern blacklands and northeast Texas to complete harvest of this crop.

Harvest of the remaining sorghum acreage in the northwest made slow progress during the week because of wet fields and rain. Much of the late-planted crop was being grazed. Harvest of sweetpotatoes, peanuts and castor beans was still under way, but in many counties these activities were nearing completion. Pecan harvest was active in all producing areas. Corn, hay and rice harvest and sorghums except in the northwest, was practically completed.

Commercial vegetable prospects were improved in all south Texas areas. Water for irrigation is plentiful and all dryland areas except the western part of Willacy county have good moisture reserves. Most of the Coastal Bend and part of the Lower Valley was still too wet for field work. Hardy type crops made exceptionally good progress.

Small grain pasture prospects were improving fast over the entire State with the generally favorable moisture and moderate temperatures. Stock have already been turned on some fields, many more fields will be ready for grazing in a few days and farmers, particularly in the north west, were looking for light calves and yearlings to pasture. Rescue grass, clovers and winter weeds were germinating and prospects for winter feed were very promising over most of the State.

Many Relatives And Friends Attend Last Rites For Mrs. Penn

Out of town friends and relatives attending the funeral services for Cecil Hibbert Monday, November 2, at the Cisco Church of Christ were:

Mrs. Ralph Simone and children of Washington D. C., Mrs. Frank Johnson Los Angeles, California; Mr. and Mrs. J. E. Hibbert, Sherman; Mr. and Mrs. J. B. Hibbert, Pecan Gap; Miss Suzy Hibbert, Dallas; G. W. Hibbert, Breckenridge; Charles Hibbert, Breckenridge; Mr. and Mrs. Calvin Hibbert and Jerry, Ft. Worth; Mr. and Mrs. N. W. Barnhill, Ft. Worth; Mr. and Mrs. Bill Kelly, Post; Mrs. Goldie Warren, O'Donnell.

Mr. and Mrs. Tom Allen, H. Pendleton, Mrs. Russell, Mr. and Mrs. Onis Hittson, Mr. and Mrs. A. F. Waller, Mr. and Mrs. McIntire, Mr. and Mrs. S. Broyles, all of Breckenridge; Mrs. Bill Cressie and daughter, Electra; Mr. and Mrs. Paul Calthrap, Olden; Mr. and Mrs. Z. Zacordie, Eastland; Mr. and Mrs. Howard Peacock, Graham; and Mrs. Chas. Olsen, Overton.

OES PLANS MEETING

Some Business Firms To Close For November 11

A number of business firms, including eight grocery stores, the utility companies, the bank, city offices and possible others, will be closed Wednesday in observance of Armistice Day.

A survey today showed that all local utility companies will be closed, and the grocery stores and the First National Bank had previously announced plans for closing. City offices will not open, and it will be a legal holiday at the Cisco Post Office.

Many other business firms will be open as usual since November 11 was not one of the six holidays planned for the year.

TO STAY WITH PARENTS

Mrs. Hollis Robertson, the former Darlene Parmer, is at the home of her parents, Mr. and Mrs. Travis Parmer, on Route 1, where she will stay while her husband is stationed with the Air Force in England. They had been living in San Antonio while Mr. Robertson was stationed at a base there.

FHA Girls Attend District Meeting

The Cisco Chapter of Future Homemakers of America concluded National F.H.A. Week by attending a District II meeting in Abilene Saturday, November 7.

During the day new officers were elected. Charlotte Collins of Cisco was elected as District Parliamentarian and Melba Ray Harrelson, also of Cisco, was appointed Chairman of Civil Defense in District 11.

Those attending from Cisco were Arlene Bint, Linda Bennie, Nelda Cates, Kay Hailey, Anna Kay Sparks, Elizabeth Evans, Martha Eudy, Charlotte Collins, Loretta McKinney, Winona McKinney, Shirley Abbott, Melba Ray Harrelson, and the sponsor, Mrs. Odum.

Transportation to Abilene was furnished by Mrs. Cates, Mrs.

RETURNS FROM HOSPITAL

Mrs. Travis Parmer, who underwent major surgery in a Ranger hospital Monday, November 2, was brought to her home on Rt. 1 Monday. Her condition was reported as good.

Mr. and Mrs. R. L. Davis and son, Richard, have returned to their home in Fort Worth after a visit in the home of their parents Mr. and Mrs. H. H. Hageman.

Mrs. Hazel Truknett and Mrs. Bill Valentine of Snyder attended the Grand Chapter of Texas of the Order of Eastern Star in Fort Worth Thursday.

We Wrap Wires — and Save You Money

IF THERE'S A WAY TO SAVE YOUR DOLLARS by things faster, easier and less expensively in the telephone business, we'll find it. Take the matter of making connections—something we must do a billion times a day. The ingenious "gun" shown above was developed to wrap wires on telephone equipment with one quick zip—so that solder isn't needed. This method saves untold—some of the many economies that are practiced everywhere to hold down the price of your telephone service. WESTERN BELL . . .
