Steel Industry Operations Picking Up

Teacher Pay Hike Is Approved By Trustees

Snyder School trustees Tuesday night approved salary increases for classroom teachers ranging from $50 to $400 per year.

Teachers with most experience will realize more from the new salary schedule, which goes into effect on Dec. 1.

The base, or starting pay scale for teachers will remain unchanged, but annual increments will be increased and the increment period will be extended.

Thus, the top salary attainable for a teacher with a bachelor's degree will be $5,200 per year, compared to $4,800 under the old schedule.

Top pay for teachers with masters degrees will increase from $5,625 per year to $6,025.

The action was taken by the board following a report from a special committee composed of Malven Stevenson, Lee Stone and Max West, board members, and T. E. McCollum, superintendent.

The starting pay for teachers with no experience here will continue at the rate of $4,000 per year for teachers with bachelors degrees, and $4,225 for those with no experience who have masters degrees.

Those with bachelors degrees will reach their maximum of $5,200 after nine years of experience, while those with masters degrees will reach their maximum of $6,025 after 15 years of experience.

The board also set new salary scales for other school personnel, including administrators, except the superintendent and athletic director, both of whom are employed under specific contracts.

These will go into effect at the beginning of the next school year.

Maximum scales set include $9,050 for the assistant superintendent; $9,000 for the director of curriculum and director of business, $7,200 for the director of mantenance, $7,200 for the school tax assessor-collector, $8,050 for junior high principals, $7,800 for elementary school principals, $9,000 for the high school principal, $8,050 for the assistant high school principal, $8,400 for the high school choral and band directors.

Also a maximum of $230 per month was established for secretaries, a $100 per year increase per employe was granted for maintenance employes, and a $50 per year increase was granted for cafeteria workers. The cafeteria director's salary will be based on the teachers schedule, while administrative secretaries will be able to attain a maximum salary of $345 per month.

By putting the teachers raises into effect Dec. 1, it was estimated that the expenditure would be about $41,000 above the present salary schedule for the remainder of the year. Next year, the adjustments will be approximately $90,000.

Board members said they felt that the teachers salary scale needed immediate attention. Consequently, the raise for teachers will go into effect Dec. 1 and those for the remainder of the personnel at the beginning of the next school year, or the beginning of their respective contracts for a new year.

STORIES CONFLICT—Mrs. June Crosby, 39, is shown as she tells newsmen about the domestic battle she and husband Bob Crosby had Saturday night. Both she and the bandleader, a younger brother of Bing, told different versions of the ruckus. Crosby was stabbed in the shoulder with a letter opener. Crosby says the stabbing took place when "my wife just blew up." Mrs. Crosby said her husband, without provocation, beat her with his fists while their 8-year-old daughter watched. She said she used the letter opener in self-defense. (AP Wirephoto)

YOU GOTTA' WORK, MAN—Mel Gilbert, Scurry County United Fund president, pins an official Jiminy Cricket campaign worker's identification button on Dr. Bob Hargrove, Jr., campaign chairman. These identification buttons will be given to every active worker in the United Fund Campaign. Walt Disney's saucy little Jiminy Cricket is the mascot of United Community campaigns through the United States. The 1959 Scurry County United Fund Campaign will get underway with the kickoff meeting of the advance gifts division, headed by Roger Mize, Thursday morning in the community room of the Snyder National Bank. This meeting will officially open the current year's effort. Kickoffs for the employe gifts and special gifts divisions will be held next week.

50 Per Cent Back On Job

By BEN DE FOREST

PITTSBURGH (AP) — Steel mills throughout the country hummed with activity today as the giant industry gradually stepped up operations following a court-ordered end of the 116-day nationwide steel strike.

More than 50 per cent of the basic steel industry's 500,000 workers are back on the job. The rest are expected to be back at work by the weekend.

Mills are turning out fairly large tonnages of new steel. Only five days after the U.S. Supreme Court upheld a Taft-Hartley injunction ending the strike, the big U.S. Steel Corp. reported mills producing above 25 per cent of capacity. The firm said it may hit 60 per cent of capacity by the weekend.

Jones & Laughlin Steel said it expects to produce at 40 per cent this week.

Although the long-idled mills swung into production relatively fast, industry sources say it will be four to six weeks before the mills can produce at the normal rate of about 90 per cent.

Still hard-hit by the effects of the strike are the approximately 335,000 workers who were idled in other fields because their jobs depend on a going steel industry.

About 20,000 of these—mostly railroaders and coal miners—have been called back to work. But for thousands of others, particularly those employed in industries that use steel, there will be a longer period of idleness until fresh steel supplies become available.

General Motors Corp. announced it would close the last of its passenger car assembly lines today, idling 7,100 more workers. Chrysler Corp. said it has enough steel for only two more weeks.

Iron ore, one of steel's raw materials, is being moved by iron ore fleets from the upper Great Lakes to the mills. The ships normally stop operating in mid-December when the lakes freeze, but the Army Corps of Engineers announced the usual Dec. 15 closing of the Soo Locks between Lakes Superior and Huron will be postponed indefinitely so the [illegible]ly needed ore can continue to move to mills.

Although steelworkers went back to work when called, Wheeling Steel employes showed their resentment. Hundreds at Wheeling's Yorkville, Ohio, plant wore arm bands that said? "USW of A. Ike's Slaves." At the Beech Bottom, W. Va., plant some men carried a sign that stated: "We shall return as slaves of Ike."

In Los Angeles, United Steelworkers officials charged that U.S. Steel violated the intent of the court's order by laying off 20 per cent of the workers at the Maywood plant.

The issues that started the strike remain unsettled.

No negotiations are scheduled between the unions and top industry firms, and the Federal Mediation Service says it plans none for about two weeks. President David J. Donald of the Steelworkers said the union is negotiating with about 10 or 15 smaller steel firms.

The union seeks a wage increase and fringe benefits. Industry has rejected a wage hike as inflationary unless it is given the right to change work rules in plants to economize. The union, however, says it will not yield to the industry's work rule demands.

Four Killed In Crash Of Light Plane

MADILL, Okla. (AP)—A light plane crashed Tuesday night during a rain and its four occupants were killed, the Oklahoma Highway Patrol said today.

Officers said the plane did not burn after falling in a meadow four miles north and one mile west of this southern Oklahoma city.

The patrol identified the occupants as Rivers G. Scarborough, 40; Mrs. R. G. Scarborough, 41; Richard E. Scarborough, 41; Patricia Anderson Scarborough, 35. All were believed to be from Mesa, Ariz.

At Springfield, Mo., the plane was reported to have left for Abilene, Tex., at 4:48 p.m. Tuesday. Rivers G. Scarborough was listed as the pilot of the plane, whose serial number was N7220B.

Col. J. Orville Ladd, wing commander of the Missouri Civil Air Patrol, said he was informed the victims were the two Scarboroughs, who are cousins, and their wives.

He said they were on a flight from North Carolina to Mesa, and had stopped at Sedalia, Mo., to refuel and then flown on to Springfield for weather information. The FAA at Springfield said Scarborough had planned to fly to Amarillo, but when informed he might meet adverse weather had decided to fly to Abilene.

Site For Sen. Johnson's Appearance Here Changed

The site for Sen. Lyndon B. Johnson's appearance here Thursday has been changed because of weather conditions, it was announced this morning.

C. T. McLaughlin, who will be Sen. Johnson's host, said the barbecue luncheon originally planned at his Diamond M Ranch will be held in the National Guard Armory in Towle Memorial Park. All area residents who wish to hear Sen. Johnson are invited to attend the event. The event is set for noon tomorrow.

McLaughlin said weather reports today indicated that it would be impossible to stage an outdoor gathering such as that planned originally. Business and political leaders from a 20-county area have been invited.

Although Sen. Johnson plans to come here by plane, he will drive from Stephenville, where he speaks tonight, if weather conditions will not permit flying, McLaughlin said.

Meanwhile, Johnson-for-President clubs were reported spreading like prairie fire across Texas, according to an Associated Press survey.

The spark that touched it off came less than a month ago, Oct. 17, from House Speaker Sam Rayburn (D-Tex).

The most remarkable feature of the statewide survey is not so much the number of clubs—now more than 50 and growing every day—but the variety of backing and the hefty local and state political muscle shown.

The senior senator from Texas on the record is running for reelection only. He says it is a long time until the 1960 convention and it's too early for him to take the plunge as an open candidate for the Democratic nomination.

But Rayburn and other backers such as Texas' Democratic national committeeman Byron Skelton of Temple, Gov. Price Daniel and state Democratic executive committee chairman Ed Connally of Abilene, shrug off Johnson's disavowals and keep up the big push.

Johnson's renomination for a new six-year term is regarded by his backers as in the bag. There has been no sign of an opponent.

The survey shows that local leaders pushing the Johnson-for-President clubs include mayors, county judges, state and county Democratic committeemen, elective and appointive officials on all political levels, business and professional leaders, farmers, ranchers.

At Brownwood, state Democratic committeeman J. H. Shelton and C. C. Woodson, president of Southwestern Dailies, are organizers. Woodson's Brownwood Bulletin is one of the newspapers endorsing Johnson for president.

At Bryan in Brazos County the club includes conservatives, liberals and middle-roaders. Backing the original club was county Judge W. C. Davis, county Democratic chairman Glynn (Buddy) Williams and Jack H. Bowen, city editor of the Bryan Eagle. The president is a farmer and rancher, John Stockton.

"We don't care about past squabbles. What we are interested in is seeing Lyndon Johnson has the backing of his native state at the national convention," Stockton said.

7 Accidents Are Reported

City police were kept on the run investigating a series of minor traffic mishaps Tuesday and early today. No injuries were reported in any of the accidents.

One crash which occurred at 1:20 p.m. involved four vehicles at Avenue Q and Twenty-fifth Street. Drivers of the cars involved were listed as Ethel Jones Chapman, Harvey Drake Steward, Clyde Wallace Lawson of Lovington, N.M., and Virgil Wood.

Earlier police had gone to the scene of a two-car crash at Twenty-fifth Street and Avenue K involving cars driven by Shelton Kile Holmes of Big Spring and Ignacio Salazar of Edinburg at 10:28 a.m.

At 10:37 a.m. cars driven by Ruby Weems Crawley and Betty Hilton Gray were in collision in the 1700 block of Twenty-fifth Street and autos driver by Shirley Zetzman and Earl Ralph Boomer collided on the west side of the square.

Also at 1:30 p.m. cars driven by Wesley Hazelwood and William C. McComb Jr. were in collision at Huffman and Avenue S, while at 4:21 p.m. a collision occurred at Twenty-fifth Street and Avenue R involving cars driven by Charles Wayne Huckabee and Allan Wessel.

At 2:22 a.m. today a truck driven by Fred Henry Lantroop hit a fire plug at Twenty-fifth Street and Avenue S.

SEVEN SHARE PRIZE IN FOOTBALL CONTEST

A wave of upsets played havoc with the records of most entries in The Snyder Daily News football contest last week.

As a result, a "seven" was good enough to cut in on the prize money, and four contestants will share it.

Those who finished in the top four, thereby sharing last week's first and second place prize, include Reba Erwin, 1908 Coleman; Mrs. R. D. Field, 2100 Twenty-fifth Street; Rickey Bruyere, 2405 Forty-second Street, and Sterling Parker, 3725 Avenue V.

Two of the "upsets" threw all four of the winners—Lamesa's defeat of Snyder in the high school ranks, and Missouri's victory over the Air Force Academy in the College list.

Other toughies included Tennessee's victory over LSU and Arizona's surprise win over Texas Tech, although those were not unanimous choices.

Another contest gets underway today, and the list of games may be found on the football contest page of today's issue of the Daily News.

A general places a wreath on the Tomb of the Unknowns, paraders march through the streets, speakers talk of glory and death, and some Americans take a holiday today as the nation celebrates Veterans Day 1959.

These ceremonies pay tribute to the American men and women who have fought in the wars of the United States.

Still alive to receive the tributes are one Confederate veteran of the Civil War, 60 veterans of the Indian wars, 42,000 Spanish American War veterans, 2,750,000 veterans of World War I, 15,230,000 veterans of World War II, and 5,456,000 Korean War veterans.

Honored as well are the millions who fought for their nation and died.

The nation's capital sets the tone as Gen. Lyman L. Lemnitzer, Army chief of staff, lays President Eisenhower's wreath on the Tomb of the Unknowns in Arlington National Cemetery. Retired Gen. Alfred Wedemeyer delivers the main address at services in the Arlington Amphitheater.

Cities all over the nation and military posts all over the world have similar ceremonies.

Under a rotation system, this year's Washington ceremonies are in charge of the American Legion. Other veterans' groups have picked these other cities as sites for their main services: The Amvets at Chicago, the Army Navy Legion at Philadelphia, the Disabled Veterans at Dodge City, Kan., the Marine Corps League at Harrisburg, Pa., and the Veterans for Foreign Wars at Birmingham, Ala.

Mitchell Eats 'Hat'

WASHINGTON (AP) — Secretary of Labor James P. Mitchell today ate his hat—a fedora made of cake—because unemployment failed to fall below three million last month as he had predicted.

But Mitchell sent a slice apiece to the leaders of the steel strike which kept joblessness high, President David J. McDonald of the United Steelworkers Union and the industry's top bargainer R. Conrad Cooper.

"I was a couple of hundred thousand off in my predictions, due entirely to the steel strike, not to any weakness in our economy," Mitchell said.

Unemployment in October was 3,270,000 though employment was 66,800,000, a record for the month.

Mitchell in April predicted that by last month employment would rise to 67 million and joblessness would drop below 3 million.

When AFL - CIO President George Meany accused him of talking through his hat, Mitchell promised to eat his headpiece on the front steps of the Labor Department if he were proved wrong.

Aides to the secretary had a hat made of cake so the boss wouldn't get indigestion paying off.

The detailed figures given out by the Labor Department after the symbolic hat eating showed that employment rose 484,000 in October to 66,831,000. Unemployment rose 42,000 to 3,272,000.

The proportion of unemployment to the work force rose from 5.6 per cent in September to 6 per cent in October. The ratio was 5.3 per cent last April when Mitchell made his predictions.

Seymour Wolfbein, deputy assistant secretary of labor, estimated the layoffs due to the steel strike rose to the neighborhood of half a million before the strikers went back to work under a Taft-Hartley law court injunction.

Officials calculated that unemployment in October would have been in the neighborhood of 2,800,000, or nearly a half million less than the actual figures, if there had been no steel strike.

Average hourly earnings of factory workers declined slightly to $2.21, lowering average weekly earnings to $89.06.

Ousted Contestant Launched Drive To Expose Van Doren

By GEOFFREY GOULD

WASHINGTON (AP)—The man Charles Van Doren ousted on the rigged TV quiz show "Twenty-One" conducted a crusade to expose Van Doren as a fraud, a House committee investigator says.

The contestant, Herbert Stempel, has testified he was ordered by the show's producers to lose deliberately to Van Doren. Stempel himself had won $49,000.

Stempel was infuriated by Van Doren's going on to win $129,000 and unearned nationwide fame as a great brain, investigator Richard N. Goodwin writes in a Life magazine article.

"Stempel embarked upon what he called a crusade for truth but which became a campaign to expose Van Doren and the entire fraudulent quiz show business," Goodwin said.

Goodwin said Stempel was one of the best sources of information the House subcommittee had in setting up the hearings that disclosed that the television quiz shows were shot through with fixing and fakery.

The climax for Stempel came last week, Goodwin said, when Van Doren finally confessed to the committee that he had been given all the answers in advance, as well as coaching on how to grimace and wipe sweat from his brow in the isolation booth.

"Stempel flew down from New York to watch him testify," Goodwin said. "He sat in a section of the caucus room where he could see Van Doren's face. His long campaign had come to a dramatic end: phony quiz shows had been destroyed."

Goodwin added, "Stempel's feelings about 'Twenty-One' itself went deeper than his admittedly strong feelings about Van Doren. While he was on the show, Stempel was called 'the poor boy from Brooklyn' (he wasn't poor, and he was from Queens).

Charges Please New Miss World

LONDON (AP) — Corine Rottschaefer, a blue-eyed Dutch blonde who won the 1959 Miss World title by a 54 vote Tuesday night, displeased over charges that the contest was rigged.

"I'm a model and I need publicity," said Corine after her selection prompted wails of protest from the American and Canadian contestants. "Now I'll be able to charge higher prices."

Corine edged Miss Peru, Gladys Rosell, 27, to take the crown which ranks with Long Beach's Miss Universe and Atlantic City's Miss America in the upper bracket of beauty contests.

Both Loretta Powell of Bridgeport, Conn., representing the United States and Miss Canada Huguette Demers charged that padding was responsible for the 37-inch bust that topped the winner's 22 waist and 37 hips.

She also claimed that Corine is engaged to one of the judges — Frenchman Claude Senr, a beauty contest organizer who sponsored Corine in last year's Miss Universe competition.

"We don't think it right that a friend of the winner should be one of the judges," asserted Loretta, 20, who was eliminated after the 15 entries had been paredded down to 10.

Corine denied the padding but refused to say how much there's nothing to it," Belle declared. "Some of the girls have parents helping Corine to appearance but that's impossible—I'm already married.

Corine denied the padding charge asserting, "I had no support, no wires, no padding.

"You can have a look at my bathing costume to see for yourself," she added to newsmen.

Corine's prizes included $1,400 a movie screen test and a Shubrat. A car also went to Pery. The Belgian, 20th, went to Zvia Shomrat, 18, a private in the Israeli army. She was followed by Anne Thelwell of England, 22, and Kirsten Olsen, 20, of Denmark. They got smaller cash prizes.

Williams Not Likely To Get His Pork Ribs

HOUSTON, Tex. (AP) — W. Williams, the last surviving veteran of the Civil war, probably will not get to eat the pork ribs he said he wanted on his birthday celebration Sunday.

The veteran, who will be 117 Saturday, had asked for music, lots of people, and pork ribs for his birthday party.

Dr. Russell Wolfe, who has been attending the old soldier several years, said he did not think Williams would even know that barbecued ribs were there.

Williams will be serenaded by an American Legion band and an honor guard will be provided by a Lamar High School ROTC unit.

Early Frost Hurts Crops In Valley

AUSTIN (AP) — An early frost damaged tender vegetables in South Texas and hampered field activities, the U. S. Department of Agriculture said in its weekly crop report.

The report for last week released Tuesday said livestock and cotton suffered along with the commercial vegetables from the frost which was three weeks early in South Central Texas and six weeks early for South Texas.

Considerable shrinkage was reported among unprotected bolls, but the ground should dry out quickly on abundant feed when temperatures

Harvest of Hardy vegetables, cabbage, spinach, cauliflower and broccoli resumed.

The report said little wheat was planted last week but that which was seeded earlier this fall is up to good stands. About 80 per cent of the oat acreage has been planted. Rains and cold weather delayed plantings in South Central Texas.

A killing freeze Nov. 4 halted cotton growth in the northwest. Full scale machine harvest will begin as soon as leaves drop. Cold, damp weather slowed harvest last week and gave gins a chance to work down long lines of loaded trailers waiting in gin yards.

Peanut harvest was slowed and low temperatures damaged some of the crop. Harvest, however, is about three fourths complete.

No Special Day For York

PALL MALL, Tenn. (AP)—Today is Veterans Day but it's nothing special to Sgt. Alvin York, the World War I hero who is ill, partly blind and not too prosperous. However, the 71-year-old veteran, sitting erect on the edge of his bed, said his outlook could be worse.

Despite a stroke which left him paralyzed on one side and sightless in one eye, his health is improving to the point he dreams of fox hunting again.

He hasn't heard from the federal government lately on the $25,000 in taxes he allegedly owes on income from the movie "Sergeant York."

"We differ the way all men do," he said in an interview. "They claim I owe 'em so much. I say I don't owe 'em a dime."

As for Veterans Day, "Armistice Day is just another day. Every war is to end wars—and we've still got 'em going on or coming up."

At dawn on an October day in 1918, York killed 25 Germans and almost singlehandedly captured 132 prisoners. For that he received the Medal of Honor.

Steelworkers Show Their Resentment

WHEELING, W. Va. (AP) — Arm bands and a sign describing themselves as "Ike's Slaves" illustrate the resentment of some steelworkers in this area to a government injunction halting their strike.

The armbands and sign appeared Tuesday as workers returned to two Wheeling steel plants.

A company spokesman said the workers were free to work or quit as they wished.

Minister Is Sentenced In Blackmail

YANCEYVILLE, N.C. (AP)—A minister charged with photographing his nude wife in bed with a fellow minister was convicted Tuesday of blackmail, conspiracy and larceny.

The Rev. J. T. Swinson, 31, a Baptist minister who since has resigned from his church, was sentenced to four years in prison. He appealed and was released under $2,000 bond.

Of the four-year sentence, two years is for blackmail, 18 months for conspiracy and 6 months for larceny. The sentences are to run concurrently, so that two years would be the most served.

Swinson's 28-year-old wife, an attractive brunette, was sentenced to 18 months in prison for aiding and abetting in blackmail, conspiracy and larceny. Caswell County Judge Earmine L. Poteat suspended the sentence because she is the mother of two children. She also appealed. There was no defense testimony.

The Rev. G. A. Hamby, 50, a Baptist minister of Tuxedo, N.C., who brought the charges, said Swinson, a friend of 10 years, invited him to his home near here Oct. 13 to go deer hunting.

Hamby testified that during the visit he was lured by Mrs. Swinson—who had discarded a flimsy black negligee—into her bed with the invitation, "Come on now, let's have a good time." He said she told him she had given her husband a sleeping pill.

Under cross-examination Hamby testified he did not know how he got into the bedroom but that a flash bulb went off and he was beaten by Swinson with a three-foot stick.

He testified he accompanied the couple to nearby Burlington where he gave Swinson a check for $650 as a down-payment on a new automobile for which he (Hamby) was to make the monthly payments.

THE STAR COMMANDS A SHINING LIGHT

Whether Rockefeller To Run Is No Longer A Question

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — Which way Rockefeller?

It's no longer a question of whether New York's Gov. Nelson A. Rockefeller wants to run for president—that's plain enough—but whether he will try to shake loose from President Eisenhower's shadow.

To put it briefly:

1. He can be a "me-too" contender, agreeing with what the Eisenhower administration has done at home and abroad.

2. He can try to come up with his own ideas, even if it means differing from Eisenhower and criticizing the administration's performance.

Right now he is simply trying to see whether he has any chance at all against Vice President Richard M. Nixon for the Republican presidential nomination in 1960. Nixon has had years to line up the pros on his side.

But Rockefeller is working hard at it. He has made a speech-foray into the Middle West, ducked in and out of New England, been interviewed on TV, and soon heads for the Far West, Nixon's backyard.

Since Eisenhower has twice won the voters, it might seem politically sensible to ride his coattails with the "me-too" line.

That's a course Nixon will almost be compelled to follow since he has been so actively identified so long in the public mind with Eisenhower and his administration.

If Rockefeller took that line, too, then the race between him and Nixon would be reduced to a personality contest and not a choice between ideas and views.

At this moment Eisenhower is taking a hands-off attitude toward these two top Republicans. He is expected to campaign vigorously for the one picked to be the party candidate.

Rockefeller could hardly look forward to over-exertion by Eisenhower on his behalf if he sought the nomination by criticizing administration policies. Besides, the Democrats will make that their main theme, anyway.

There's another side to this, of course. It is questionable Eisenhower would have much influence in getting a Republican elected as his successor. He himself won overwhelmingly in 1952 and 1956.

But three times—in 1954, 1956, and 1958 — he pleaded with the voters to back him up by giving the Republicans control of Congress. Each time the Democrats won.

Painting Revived On Veterans Day

By HARRY F. ROSENTHAL

KANSAS CITY (AP) —A mammoth painting with a history as vibrant as the turbulent World War I years it chronicles comes alive again this Veterans Day because of an immigrant who loves art.

President Woodrow Wilson, France's Georges Clemenceau, England's Lloyd George and most of the others instrumental in the Versailles Treaty of 1919 saw this panorama. Then it was relegated to musty storage.

The mural to be dedicated today is a reconstruction of the original Pantheon de la Guerre monument of the war—created in Paris by 128 painters.

The mural never was considered a work of art—it was more a patriotic show—but more than eight million saw it in Paris.

The original was 420 feet long, about half the length of the battleship Missouri. It still has breathless proportions in the reconstruction by Kansas City artist Daniel MacMorris—69, feet long, 16 feet high.

William Haussner, a Baltimore art collector and restaurant owner, bought the original mural in 1953 for $3,400 storage charges. Then he did not know what to do with it. It was too large to be housed.

MacMorris, who became fascinated with the Pantheon while studying in Paris in the 1920s, persuaded Haussner to give the painting to Kansas City—to be housed in the Liberty Memorial.

'The Blues' Top Ailment In America

By HAL BOYLE

NEW YORK (AP) — Sidewalk scrawls of a Pavement Plato: America's most common ailment today isn't the common cold. It's "the blues"—the 20th century blues.

There are certain periods of history more given to melancholy than others, and this is one of them.

How often do you hear people complain, "I've got the blues," or "I'm down in the dumps"? The only ones who don't are hermits. Hermits often are the happiest people in civilization because they are out of it. They escape its spiritual malaise.

Why should this generation be particularly cursed with that periodical darkness of the spirit, that aching mental void, that heart-tearing emptiness of the soul we know colloquially as "the blues"?

Is it merely the reflective shadow of the threat of atomic annihilation that hangs over us all?

This could be the answer except for one fact—man is usually least melancholy when his days are most perilous. Ironically, he is less given to sadness when he is in danger than when he is at his ease.

Man has never been more comfortable, more free of privation, than is the present generation of Americans. We aren't worn out with work. We're worn out from the pursuit of pleasure and trying too hard to enjoy ourselves.

Chasing joy is in many ways our leading industry. As a child, when it has played too hard, suddenly breaks out in tears, so are grownups overcome by the melancholy that comes from seeking too ardently the false rainbow of cheap delights and self-indulgence.

Wise old Samuel Johnson gave one prescription nearly 200 years ago: "Employment, sir, and hardships, prevent melancholy."

Of course, melancholy isn't altogether an unhealthy thing. An old English proverb says, "He is a fool that is not melancholy once a day." Victor Hugo observed: "Melancholy is the pleasure of being sad."

Melancholy also separates the men from the women.

"If there is hell upon earth it is to be found in a melancholy man's heart," wrote Robert Burton.

You will note he said nothing about a woman's heart. A woman is too intelligent to be long overborne by melancholy. She is too much of a fighter. She sheds a few tears, takes a nap, trips to the nearest store, buys herself a new hat or girdle, and comes home feeling fine again.

Women have a wonderful ability to lift their own spirits in small ways, and to change themselves from Cassandras to Cinderellas in three hours.

Men don't. They lack this internal lever of the spirit to pry their soul from black despair. They mope longer because, unlike women, they don't have the common sense to do something about it immediately. They sit in a pool of melancholy and refuse to move.

Man Asks For Ticket

SALEM, Ore. (AP) — A visitor told Donna Torgeson, a parking meter maid, here Tuesday, "I don't know what you are giving away, but if it's free, I'll take one."

Mrs. Torgeson said she was tempted to give the man one of the overtime parking tickets she dispenses, but didn't.

Between You And Me

By JERRY JACKSON

Snyder's Tigers are idle this Friday, but there is a full slate of local football activity lined up to "fill the gap".

First off, Thursday night will find a pair of undefeated hometown elevens in action, as traditionally and habitually tough Sweetwater blows into town for games against the Eighth Grade Blue Devils and the Seventh Graders of Travis.

In tilts earlier in the season, the locals slipped by the Sweetwater aggregations, but both by thin margins.

Friday night the lights in Tiger Stadium will glare once again, as Lincoln High plays host to Plainview. This game is the only home game which Lincoln will play this season, and it is hoped that a healthy turnout will be on hand to witness the festivities.

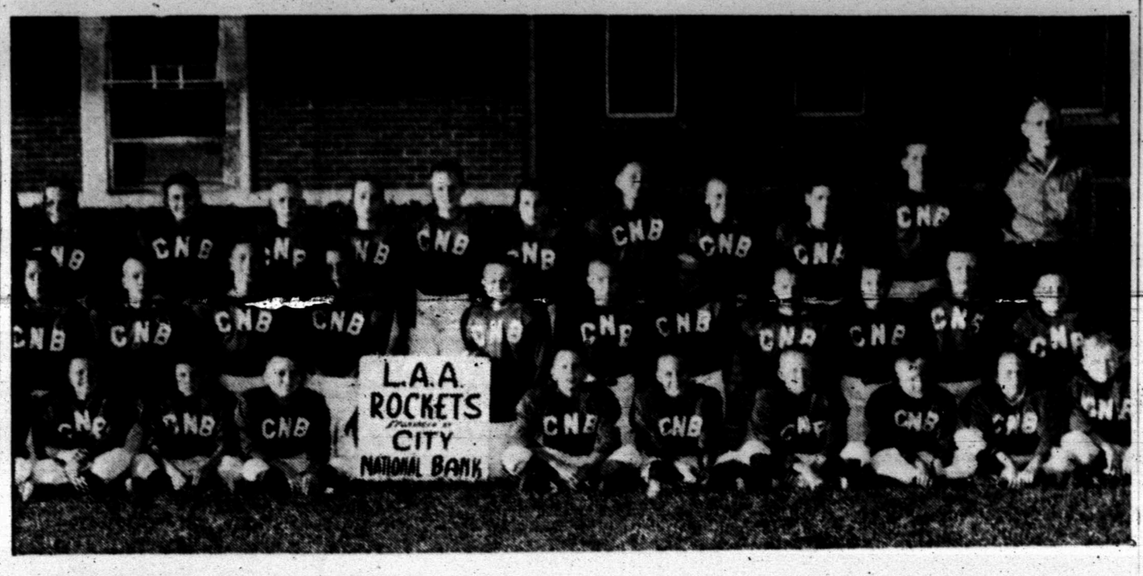

Pee Wee Pow-Wow Tops

THEN ON SATURDAY night another big one is on tap, as the Pee Wee All-Stars of the Scurry County Boys Club entertain the **"Little All-American Rockets"** from Wichita Falls in their annual all-star game. It's going to be an extra big night for the local little guys, and a contest which will afford a heap of fireworks is in the offing.

From approximately 100 youngsters who participated in the regular season Pee Wee program, 34 have been selected to man the All-Stars who will go up against the Wichita Fallers. Boys of this age group are eager, aggressive, and take pride in playing the game right up to the hilt, so a grade-A turnout is no more than "fittin'" for the small-fry spectacles.

As an added attraction, the Lamar Junior High Band will present the halftime show for this Saturday night grid battle, the proceeds of which will go towards the purchase of additional football equipment and a boxing ring for the local Boys Club. It's an especially worthy cause, and promises to be well worth the price of admission.

PARTING SHOT: It happened during the Baylor-TCU game of weekend before last, as Bear Coach John Bridgers prepared to inject his third unit into the fray. A Baylor fan jumped up and yelled, "Go get 'em, you Chinese Baptists!"

ROCKET ROSTER—Pictured above are the Little All-American Rockets of Wichita Falls, who will tangle with the Scurry County Pee Wee Boys Clubbers here in Tiger Stadium, Saturday night. Tickets for the 8 o'clock game are $1 for adults and 50 cents for students, and may be purchased in advance at Boren and West Insurance Agency, Snyder Athletic Supply, or the Boys Club.

Tigers "King For A Week" -- Conley

"You've heard of 'Queen for a Day'. Well, it looks like we were 'king for a week'". So stated Tiger Coach John Conley at last night's Quarterback Club Meeting in making reference to last week's loss to Lamesa coming on the heels of their victory over Sweetwater.

Further, Conley mentioned that, "Their quarterback (Kirk Wiggins no. 11) hurt us more than anyone. We didn't realize that he was such a good runner." Other comments on the Lamesa loss were heard from line coach Don Robins, who said that, "We just weren't ready mentally for the game," and from backfield coach Horrace Bostick, who brought out that, "Several things happened in the game that normally wouldn't." As to that statement, he made specific reference to the Tornadoes' 62-yard punt runback for their first touchdown, "the only time in the past six years that such a play has been pulled off at Tiger expense, and also brought out that the blocked punt which set up Lamesa's second six-pointer on the Tiger 20-yard line constituted only the second time in that six-year span in which that has happened.

Concerning Tiger injuries, Coach Conley brought out that three players who have not been out previously should be ready to go in the Lake View game of Friday after next. Those three boys are back Wayne Berry, who received a slight concussion on a punt return attempt in the Lamesa game, back Alex Cross, who has been hampered by a knee injury, and center Mickey Wharry, also a knee-injury victim in the Colorado City contest. Further, Conley stated that end Stanley Woolever has been switched to left half in hopes that his speed may be utilized to bolster that position.

Present at the meeting were Dr. John Blum, along with Chamber of Commerce manager Woody Forrester. Dr. Blum asked the club's opinion as to the possibility of staging the Gail-Forsan bi-district eight man playoff game in Tiger Stadium on Friday, November 20th. The club voted it down due to a conflict with the Snyder-Lake View game of that same night in San Angelo, but gave him the "go-ahead" on any other date which wouldn't conflict with future Tiger games, and came out strongly in favor of lining up any playoff tilts which could be scheduled here.

Other guests of the club were a quartet of Pee Wee All-Star football players, who were boosting ticket sales to their Saturday night game here against Wichita Falls. These boys, spokesman Marvin Mayfield and Donnie Newman, John Hice, and Murray Bowden, filtered through the crowd and sold tickets to the game, which will be reeled off in Tiger Stadium.

Doc Weaver, president of the club, announced that next week's meeting would be highlighted by a showing of the North Texas State-Cincinnati game film, which unbeaten North Texas won, 21-6. The meeting was concluded with the showing of the Snyder-Lamesa film, along with narration by Coach Conley.

H-SU Envisioning BC Championship

ABILENE (AP) — Hardin-Simmons, bouncing back from a poor start, has won three games in a row and has visions of repeating as Border Conference champions.

A new offensive weapon—the field goal—may be the thing that'll put the Cowboys over.

Hardin-Simmons has produced an equal percentage on field goals kicked this season to extra points. The Cowboys have made good on three out of four field goals while hitting six of eight conversion tries.

Saturday Hardin-Simmons plays New Mexico State—the last game before clashing with Arizona State, the other unbeaten team in the Border Conference race.

Round Table, the world's leading money-winning horse, ran his first race at Hialeah on Feb. 24, 1958, and finished fourth.

Grid Powers Rated Tops In Offense

By The Associated Press

Three of the four major undefeated and untied teams — Syracuse, North Texas State and Southern California—rank 1-2-3 in total offense, and the fourth—Texas—join the big three among the first seven teams in rushing.

Figures released today by the NCAA Service Bureau show Syracuse, the nation's No. 11 team, first in total offense, first in scoring and third in rushing. North Texas State is third in total offense, fifth in scoring and first in rushing.

Southern California is fourth in total offense and in rushing. Texas is seventh in rushing.

The Orangemen of upstate New York have scored an average of 33.9 points, gained 420.3 yards and rushed 295.9 per game. Mississippi is second to Syracuse in scoring with a average of 31.3 per game. Iowa is second to the Orangemen in total offense with 508.7 yards per game and New Mexico is second to North Texas State in rushing with 299.8 yards per contest.

The forward passing leader is Stanford. The Indians have gained 205 yards per game in the air. They wrested first place from San Jose State by gaining 214 yards in a losing game to UCLA last Saturday. San Jose State is second with 196.9 yards a game.

Virginia Tech has completed the most touchdown passes, 14, and Arizona State U. has had the fewest interceptions, only two of 84 passes it has thrown this season.

Veeck Sees Heap Of Trading Soon

CHICAGO (AP)—Baseball fans who get kicks from seeing trades made are in for a lot of fun within the next month.

That's the opinion of Chicago White Sox president Bill Veeck whose eyes light up when he talks about inner-league trading which runs from Nov. 21 through Dec. 15.

"Everybody is shopping and everybody is ready to deal," Veeck told The Associated Press.

"When you trade within your own league you know who wants what and what they are willing to give," said Veeck. "But this inter-league trading opens up numerous possibilities. Oh, its going to be a lot of fun."

Veeck said he would trade anyone from his American League champion White Sox if the offer were right. However, he explained that nobody would offer enough for certain stars such as pitcher Early Wynn, shortstop Luis Aparicio and second baseman Nelson Fox.

"We'll trade," said Veeck. Make no mistake about that. And we're going to get a power hitter. I don't know who it will be or where he'll come from but we'll get one."

Veeck said only last Friday he talked with officials of nearly a dozen teams including Philadelphia, St. Louis, Cincinnati, Pittsburgh, San Francisco and Milwaukee.

"There's only one drawback on this trading business," said Veeck. "Let's say we have a player to trade. He'll be involved in numerous deals. The minute we trade him, we kill our chances on half a dozen other trades."

The White Sox have a variety of catching talent which they can trade, according to Veeck. "I don't think anybody will give us enough so that we can part with Sherm Lollar," said Veeck. "But we have others which certain teams want."

Veeck wouldn't comment on the Sox chances for 1960. "I was wrong when I said they wouldn't win the pennant last season and there's no sense in being wrong twice."

Norton In Blast At Grid TV, Films

HOUSTON, Tex. (AP)—Homer Norton, coach of Texas A&M's 1939 national champion football team, says game movies and television are causing weekly controversies over officiating.

Norton believes the NCAA should take action.

"I don't believe game movies should be made public," Norton said in a football column for the Houston Post.

"We have always heard complaints from the losers about the officials, but there can be no question it has reached an all-time high this season.

"The reason of course is the spreading use of game movies and television film clips. In the old days we didn't have movies, so therefore we couldn't rehash every play at the drop of a camera switch.

'I think it is a very unhealthy policy for coaches to use pictures in any form except to improve their own team. An average game might have 120 plays, and if you scrutinize the game films with a microscope you could probably find an infraction the officials missed on every one of them."

Norton said he opposes a gag rule restricting a coach from criticizing an official. He wrote:

'I feel they should be able to say what they think . . . But unless a coach finds an official interpreting the rules incorrectly, he has no cause to complain. You can't any more question an official's judgment in football than you can a ball or strike in baseball."

Norton said the NCAA also should take steps to halt disgruntled players who move from one school to another.

"I frankly think it is an alarming and disgusting trend," he said. "It has happened all over the country, and in the Southwest Conference both Texas Christian and Texas A&M lost sophomores to a midwestern school.

"I cannot reconcile myself to the idea of a boy getting a scholarship to one school, then being able to quit and stay on scholarship and even have three years of eligibility some place else. Let a boy transfer if he wishes, but without a scholarship.

"The reason these boys quit is nowadays they are spoiled to death to begin with. Proselyting has ruined a lot of them.

LSU Is Picked To Check Miss. State

By HAROLD CLAASSEN
Associated Press Sports Writer

NANDI, Fiji Islands (AP)—This is the romantic island where the cop on the corner wears a skirt and his wife wears a dress. The confusion is terrific. Sho how can we be certain of picking the correct winners in the college football dress parade?

Syracuse over Colgate. With hardly a deep breath.

Northwestern over Michigan State. Ron Burton gets the Evanston Wildcats back on the winning side.

Louisiana State over Mississippi State. Billy Cannon and his LSU playmetes are snarlin' after that loss to Tennessee.

Washington over California. That Washington defense and George Fleming's kicking may carry the Huskies into the Rose Bowl.

Texas over Texas Christian. Another step to the Cotton Bowl.

Oklahoma over Army. The Sooners need this victory to salvage what has become for them a dreary season.

Elsewhere

Georgia Tech over Alabama, Wisconsin over Illinois, Notre Dame over Pittsburgh, Mississippi over Tennessee, Ohio State over Iowa, North Texas State over Tulsa, Southern Methodist over Arkansas, Auburn over Georgia, Air Force over Arizona.

Friday night:

Miami over South Carolina, UCLA over North Carolina State.

Frosh Test Sweetwater In Last Tilt

Thursday night will find Snyder's Freshmen in Sweetwater, as the locals play their final game of the season there.

In a previous meeting against the Sweetwater eleven, Snyder "took its lumps" here in Tiger Stadium, as they were swamped beneath a 42-0 deluge.

Leading the Fish on the trip will be Coaches J. P. Ward and Speedy Moffett.

Automobile racing has a father-son team now that Richard Petty, 22, has joined his father Lee Petty, 44, on the circuit.

Camilo Pascual of the Washington Senators pitched six shutouts during the American League season.

Rogers Sets Ready-To-Wear Showing For Nov. 19 Here

Rogers Inc. will feature the popular Thea James line of ladies' ready-to-wear at a special trunk showing Thursday, Nov. 19, from 9:30 a.m. to 8 p.m.

Peggy Porterfield, manager of the ladies' ready-to-wear department, has invited everyone to come in and see the special holiday collection of dresses which can be ordered now for delivery before Christmas.

The special trunk showing will also include the Thea James line of spring and Easter dresses. Orders from this group can be delivered in the early part of next year at the customer's option.

The dress line for spring includes both dress-up styles for every occasion and casual wear, both groups being tops in their field. The dresses include such well-known materials as Silk Peau-De-Soi, imported brocades, silk chiffons, crepes and all the newest blends in fabrics.

"We are well stocked with merchandise for Christmas giving," said Jay Rogers, "And we invite everyone to make their selections from the beautiful collection of merchandise that has been specially designed for the ladies on their gift lists."

In the lingerie department there are lovely negligee and gown sets, robe and gown sets, gowns and other selections from the Rogers line. Another famous brand at Rogers is the Shadow Line of lingerie. In hosiery they feature Hanes and Vanette.

Pendleton and Susan Thomas sportswear are ever popular gift items for the lady, as well as suits and coats by Lilli Ann and Youthcraft, and in the dress department you can select from the nation's top lines.

Customers are always welcome to put their purchase on lay-away at Rogers. The lay-away plan makes it easy for you to make selections now and pay them out before Christmas.

OUTSTANDING FASHION—Billie James models a beautiful white satin coat designed by Du Puis. The coat, a holiday fashion by Neat of California, is trimmed with genuine monkey fur and is designed with the ever popular cowl collar. It is available at Rogers Inc., and the firm invites area residents to their outstanding array of fashions for the holiday season ahead.

Jury Rules Youth Insane

HOBART, Okla. (AP) — A jury Tuesday ruled Clark Brillhart, 23, a former college student, innocent of the crowbar slaying of his father by reason of insanity.

Brillhart, a onetime mental patient, was charged with the murder of Elmer Brillhart, 52, at the family home near here May 31.

He also was charged with the fatal beating of his mother, Florence Brillhart, prominent Oklahome woman who had worked for reforms in the state's mental health program.

The District Court jury directed Brillhart be confined in a mental health hospital for treatment.

Two psychiatrists testified Brillhart was suffering from paranoid schizophrenia. Brillhart insisted he is sane.

He testified the slaying of his parents "was my only chance of having a life worth living. I had nothing to lose."

Kiowa County Attorney W. A. Holding, who asked the death penalty for Brillhart, said he would be tried for his mother's death if he ever emerges cured from a mental hospital.

Mayor Is Biggest Taxpayer In Town

HOLYOKE, Mass. (AP)—Mayor Samuel Resnic is somewhat of a conservative when it comes to spending tax dollars.

He treats public money like it was his own—and why not?

The assessors' list of the biggest city taxpayers came out Tuesday, and Resnic's name was at the top for individuals.

His city tax bill this year is $14,031. In addition, he pays as a partner in a realty firm and as a member of an industrial property corporation.

PART OF MIXON'S SELECTIONS—Here are some of the new RCA table model and console television sets now on display at Mixon Tire and Supply, 811 Twenty-fifth Street. The new RCA models are being boosted as the "greatest TV newsmakers of 1960."

New 'Hideaway' TV By RCA Now On Display At Mixon's

"The greatest TV newsmakers of 1960" are now being featured at Mixon Tire and Supply, 811 Twenty-fifth Street.

The "newsmakers" of course are the shining new RCA models, and Mixon keeps a good selection on hand for Snyder area residents to choose from.

One of the most unusual, and probably destined to be one of the most popular in the future, is the "Hideaway" TV by RCA.

The set consists of a beautiful, modern living room table that converts into a console TV in seconds. To make the change from table to TV, you merely fold back a section of the table top, swing up the TV set which is hidden underneath, and then sit back and enjoy a delightful blend of superior performance.

The Hideaway TV, which may be seen now at Mixon's, features balanced Fidelity sound, Cascode Tuner, Automatic Channel Equalizer, Tube Guard, "One-set" Fine Tuning, RCA Security Sealed Circuits, Stero Jack, all of which insure the best in performance.

The Hideaway TV is available in genuine walnut veneers and solids.

Mixon's features all RCA models, as well as many other appliances and household items. The store will have its usual good stock of merchandise on hand for gift buying throughout the Christmas shopping season.

OIL AND GAS LEASE PROPERTY
We can now write Marine form (all-risk coverage) at REDUCED rates and optional deductibles—in most instances at rates LESS than fire and extended coverage.
Every lease owner should prefer this coverage due to the all risk coverage and the low rates.
The policy may be written on a three year coverage at 2½ times the annual rates.
Call us today for a quotation—you will be amazed at the low premium and the broad coverage.
