Defense Shines In Win

ALTON WOOD
Bullington Tahoka Bull-
ing bottled up the
and passing efforts
Seminole Indians at
last Friday and
ran with the ball
times, scoring
Tahoka claimed its
ory of the season

actually, White only
31 times, gaining a
91 net yards. He
break away for a
2, but he gained
ity and scored on

runs of six inches and four
yards.
In some ways the game was
similar to the opener with
Stanton, except that it came
out better and the defense
was stronger. In the Stanton
game, Tahoka scored the
game's first points on the
first play of the last quarter,
and at Seminole, the goose
eggs were cracked on the last
play of the third period.

Defense Strong
The Dog defense, led by
defense end Marty Lindsey,
linebacker Jack Jolly and
with good work by James

Wells, Charles Bryson,
Freddy Garcia and Luchion
Thompson, frustrated the
Seminole offense. In the last
half, Seminole gained a net
of just 18 yards rushing and
completed one pass for 15
yards. For the game the
Indians had a total offense of
100 yards, to 156 for Tahoka.

The first period was mostly
Dullsville, and except for one
good thrust by Tahoka, the
second was the same. In the
second, Tahoka moved to a
first on the Seminole 20 on a
19-yard pass from QB Mark
Hudlin over the middle to
flanker Daniel Garcia. Tahoka
was penalized, and the ball
went over on fourth down as
Hudlin ran 8 yards to the 18.
Another Tahoka threat was
stopped when Glenn Payne
intercepted for Seminole at the 14.

Grabs Fumble

Tahoka started a drive in
the third after guard Kevin
Elmore recovered a fumble,
but this move also ended on
downs at the 18. Seminole
had a good run wiped out by
a penalty and then guard
Freddy Garcia recovered
another Indian fumble, this
time at Seminole's 15. From
there, counting two plays
rubbed out by penalties,
White carried 8 times in a
row before Tahoka could get
it across on fourth down from
about 6 inches out. But he
did score on the last play of
the quarter, and Elmore
kicked the point to make it
7-0.

Bulldog end Johnny
Alvarado, who also ran some
at fullback, punted well in
the game, getting two
48-yarders with the wind and
one 40-yarder against it, to
keep the Indians in a hole. In
the fourth, after a punt to the
Seminole 13, Dogs Greg
Curry and Danny Thompson
made successive sacks of the
quarterback. Seminole drew
a holding penalty which set
them back to the 10, and then
Lindsey and Luchion Thomp-
son chased Indian quarter-
back Kenneth Lowrie down
in the end zone for a safety,
making it 9-0 with 3:54 left.

Interception

With 1:03 left, Bryson
intercepted a pass and
returned it 35 yards to the
Seminole 4, from where
White skirted left end to
score. Elmore's kick was
unsuccessful and the score
remained 15-0.

Defensive back Marcus Del
Toro also intercepted a pass
in the game.

This week the Dogs will try
to stay on the winning side as
they host Coahoma, also
Bulldogs. Coahoma was
edged 20-18 by Stanton last
week, so Tahoka can expect
another tough one. The
visitors will be big with a
couple of players up around
the 250 mark, and one of
them is a running back.

Booster Club plans for a

Saturday Is County Harvest Festival Day

Saturday is Harvest Festival
time in Lynn County, as the
annual celebration will take
place in downtown Tahoka,
with a wide range of

activities included.
Among the highlights of the
day will be the crowning of
the Harvest Festival Queen
in ceremonies beginning at 2

p.m., when the top five
contestants from a field of 12
candidates will be inter-
viewed by Trudi Lewis,
emcee for this event and for
all the day's activities.

The fair will open at 10 a.m.
in the old Anthony building,
and prizes will be drawn
every hour, with items
donated by merchants to be
given away.

Prize Drawings

Genny Halford is chairman
of the prize drawings.
Merchants were asked to be
sure to get their tickets to
Genny's in time for the
drawings.

There still is time to enter a
team in the men's or
women's bicycle relay race
scheduled for 4:30 p.m.
Saturday. Interested persons
should contact Wesley Boone
or June Brooks.

Queen contestants are
asked to be at the First
Methodist Church in Tahoka
at 10:15 a.m. Saturday.
Lunch will be served at noon
to contestants and judges.
Hostesses for the Queen
Contest will be Rajeania
House, Perry Dunlap, Dustie
Cook, Kim Bass and Piper
Foster.

If anyone is interested in
selling food or items on the
square, he should call Chloie
Jan Wells for booth
arrangements.

Ann Roberts and Pam
Womack, fair co-chairmen,
said items for the fair should
be received by today
(Thursday). School poster art
will be judged Friday,
according to Geraldine Wood
and Rhonda Reid, in charge
of that activity.

There will be no parade this
year, since the Harvest
Festival and Tahoka Home-
coming are not being held at

the same time.

The county fair will close at
4 p.m. All booths will close at
6 p.m., except the Rotary
Club booth, which remains
open to the end of the
activities around midnight.

All day long there will be
musical entertainment by the
Cool Water Bluegrass Band.
Starting at 8 p.m. there will
be a street dance on the east
side of the square, with
Clarence Nieman and the
Midnight Cowboys playing
for that festivity.

Show Barn Fund Drive Is Assessed

The project to raise funds
for a new concrete floor in
the Lynn County Show Barn
is about halfway to its goal of
\$30,000 needed to pay for the
work.

That was the assessment of
Charles Reid, Mike Reid and
Billy Miller, who spoke to
members of the Chamber of
Commerce Tuesday morn-
ing. They said another
\$15,000 is needed to
complete the project before
cold weather.

Many additional uses of the
barn by its having a concrete
floor were cited, and it was
noted that the facility would
be much easier to maintain
and much more pleasant to
visitors at the activities
there.

Judge Melvin Burks said
the county would establish
policies on operating the
county facility.

Cotton Country Week Promotion Scheduled

Sunday is the beginning of
Cotton Country Week in the
Lubbock area, a week-long
promotion of cotton by the
district Women's Cotton
Committee.

Lubbock Mayor Bill McAl-
lister. In Tahoka the week
will kickoff with a back-to-
school style show Sunday
afternoon at the Tahoka
Daisy. Climax of the week
will be a banquet in Lubbock
Civic Center Saturday, Sept.
27, with sponsors promising
to be through before the

Tech-Baylor football game.
The banquet at noon will be
priced at \$5, and final events
are the District Sew It With
Cotton contest at 2 p.m. and
Miss Cotton Contest at 3
p.m., according to Jo Carol
Long of Tahoka.

Cotton Board

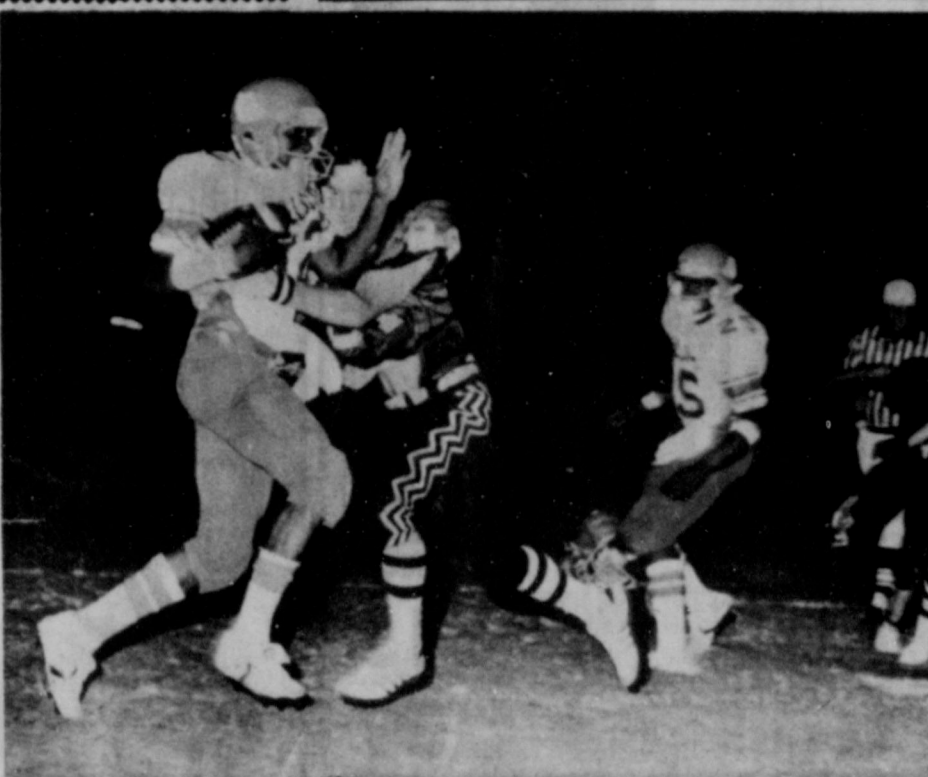

Hemphill-Wells Gold Room
and Tea Room will serve
cotton bread all week;
Dunlap's will have a
walk-through style show
during the luncheon and will
furnish candy made with
cottonseed to those eating
lunch. Grandy's will cook
chicken fried steak for the
luncheon at the Civic Center.

Rick Shaw of Raleigh, N.C.
and Carl Cox of Dallas are to
be present, and national
television coverage by Orion
Samuelson of U.S. Farm
Report is expected.
Businesses throughout the
11 counties taking part in the
promotion will have display
windows in cotton.

"This is the District
Women's Cotton Promotions"
way of showing the ordinary
person what you can do with
cotton, from molts to burrs to
the cotton for fiber," Mrs.
Long said.

"Did you know that John
Kennedy's inauguration in-
vitations were made from
cotton from the South
Plains?" she asked.
Bazaar items made from
cotton will be offered along
with a Cotton Country
cookbook art items and
entertainment during lunch
by Cecil Caldwell and
Friends.

Anyone wanting tickets is
asked to call Mrs. Long at
998-5675.

PEACE--Tahoka Quarterback Mark Hudlin makes the peace sign with his left hand, but the war against the Indians continued at Seminole. Tahoka won it 15-0. That's Tracy White at right, and the pesky Indian is Glenn Payne.

pital early this week. He also
reportedly is a citizen of
Mexico.

Commission Fields Questions On Budget, Services

Lynn County commissioners
fielded numerous questions
about the increased county
budget and proposed tax
increase at a public hearing
on the tax boost proposal
Monday afternoon.

Although there were only
eight persons present other
than county officials and a
newspaperman, the group
also heard some criticism of
county road upkeep, the
county agent's office, county
attorney's office and the
hospital and ambulance
service.

Judge Melvin Burks told
the group that the county
does pay the hospital to
operate the ambulance
service, but that the county
does not operate the
hospital, which is operated
by a hospital district in the
county.
The hospital district will

have its own public hearing
on a proposed tax increase of
21.9 per cent at 7:30 p.m.
today (Thursday) in the
hospital dining room.

Budget Adopted

Following considerable dis-
cussion with the persons
present--mostly farmers--the
commission voted unan-
imously to adopt the budget
calling for expenditures of
\$678,833 in local tax money
in 1981. This is \$211,199
more than was budgeted for
1980, and Judge Burks
explained again how the
county is getting less money
each year from non-tax
sources such as license plate
sales, fees and fines, and he
also listed \$74,000 in
unexpected costs facing the
county.

The commission also voted
to adopt a tax rate which will

finance the budget, but that
rate cannot be set until after
the equalization board meets

School Board Holds Session

Tahoka School Board met
Thursday in a brief and
routine regular session.

Income guidelines on lunch-
room free and low-cost meals
were approved, as was an
extension of a workmans
compensation insurance con-
tract.

Marsha Roan was approved
as a substitute teacher.
Resignation of Jeff Brandon
as the school's repre-
sentative on the county
appraisal board was accept-
ed.

next week. A final hearing
and setting of the tax rate is
set for Sept. 29. The rate is
expected to be about 30
cents.

Pre-Hearings

This week representatives
of the McMorries appraisal
firm are meeting in pre-
hearings with persons who
have complaints about their
new valuations. Anyone still
not satisfied may meet with
the review board (equal-
ization board) next week in
Tahoka, O'Donnell or
Wilson.

Morris McClendon, who
farms east and north of
Tahoka, told the commis-
sioners that his own county
taxes had increased 600 per
cent in the last several years.
He also said he knew of some
older people in the county

"who rent out farmland and
depend on it to make a living,
and this year they're not
going to make enough to pay
the taxes," a statement
which drew some emphatic
nods from some of others
present.

Lanny Brewer of O'Donnell
suggested cutting the county
budget "10 per cent across
the board," a proposal which
Commissioner Bart Ander-
son said was not realistic.

"We're here to get some
ideas about this thing,"
Anderson told the group,
and we'll certainly listen."

Judge Burks defended
charges of unnecessary
spending, saying "we
haven't squandered any
money," and explaining why
some items which appear
totally unnecessary are
required by law to be paid by
the county.

hit me in the face or something. There's no

hen you need glasses, you have to have

I started wearing contact lenses, and this

I had to start wearing glasses over the

I have resumed breaking glasses. The other

Mustangs Bop Ropes Eagles 26-12

The Wilson Mustangs evened their season record at 1-1 last Friday night, downing Popesville 26-12 with a balanced running attack and strong defense which came up with four pass interceptions.

Tim Bednarz hit 2 of 4 passes, including a 23-yard TD to Billy Bishop, who also caught a pass from Sammy Nava for a 2-point conversion.

Bednarz scored one touchdown himself as he carried 5 times for 59 yards. Randy Hall duplicated that, getting 58 on 5 carries and scoring once. The other Wilson TD was by Kendall Wilke, who gained 33 yards on 4 efforts. Nava gained 29 yards in three trips.

Bishop, Hall, Jay Ross and Nava all intercepted Ropes passes, and Matt Burch recovered a fumble by the Eagles.

Leading ground gainer for Wilson was Donald Freitag, who had 78 yards on 13 carries.

Coach Bert Vandiver had high praise for his offensive line, saying "they had a super effort." The offensive line includes Ross, Burch and Bishop at ends, Mark Wuensche and Adolph Hernandez at tackles, Rich Schwertner and Rudy Apolinar at guards and Robert Nolte at center.

Helen Autry, chairman of last week's Mustang Band Spaghetti Supper, reports approximately four hundred dollars profit. She would like to thank everyone for their support. Thanks also to the band mothers for their many hours of planning and work. Profit from the supper will help buy badly needed new band uniforms.

Wilson Athletic Booster Club met Tuesday night, Sept. 9, at 8 p.m. in the school cafeteria. Some of the club's present projects include selling cushions and making yard signs for the football boys and coaches. The boosters meet each Tuesday night at 8 p.m. for a short business meeting and to watch the video of the previous football game.

Workers scheduled this week for the Wilson Mustang Football games are: Sept. 18-Concession stand workers for the Jr. High football game on Mustang Field at 5:30; Judy Moczygemba, chairman; Anna Vaca, Vicki Hart, Mary Wilke, Jan Cawthorn, Juanita Rios, Susan Guzman and Vera Mendez.

Wilson seniors are collecting Campbell's Soup and Bean labels. Seventh and eighth grades are helping the seniors by having a contest between the two classes to see who can collect the most labels. The labels will be used to purchase needed items for the school. Anyone interested in helping the students may call any senior for pick-up or you may leave the labels at the high school principle's office. Your help will be greatly appreciated.

Juniors at Wilson High School are having a Trash Haul on Saturday, Sept. 20. If you would like your trash hauled off, please contact any of the Juniors. The Junior Class would like to thank everyone who purchased baked goods at their Bake Sale at the band's spaghetti supper last Friday night. Proceeds from the Junior Class projects pay expenses of the annual Jr.-Sr. banquet and prom. Without your help, they would be unable to have this memorable night which juniors and seniors look forward to all year.

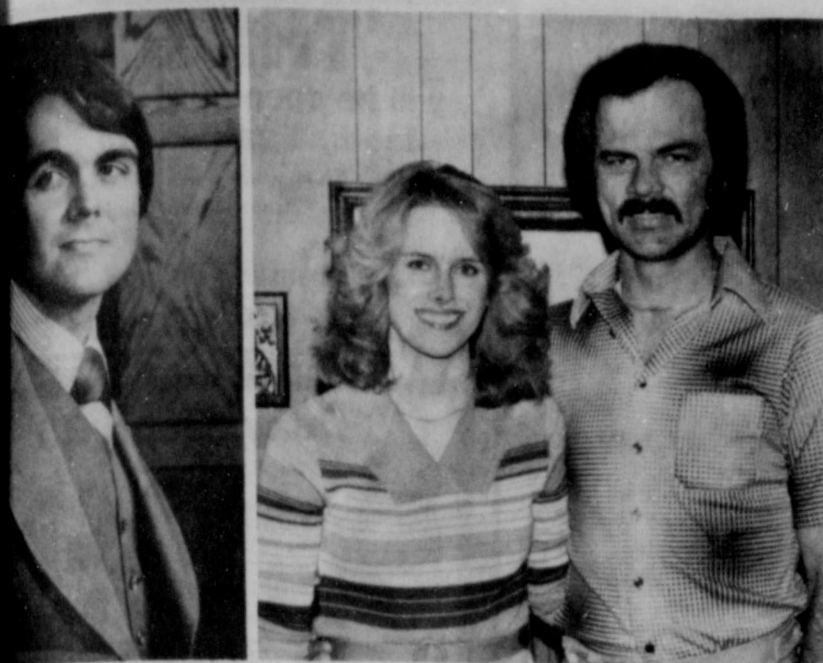

Approximately one hundred guests enjoyed the "Barn Party" given on Saturday night, Sept. 13, in Gary Houchin's new barn. Hosts were Gary and Mary Houchin, Ronnie and Bertha Nettles, and Walter Ray and Jerri Steen. Menu for the night was barbequed beef and lamb, potato salad, beans, green salads, relish trays and varied desert choices, including watermelon and Walter Ray Steen's birthday cake. This special night will long be remembered by those attending. A time to visit with some of their friends and neighbors.

OEA Officers Are Installed

Last Thursday, new officers of Office Education Association were installed at the first Methodist Church with parents of girls in the Vocational Office Education

program of Tahoka High School as special guests. Officers were installed by Mrs. Sue Shaver and new OEA members were recognized. Refreshments

were served after the program by club members.

OEA is a club which goes along with VOE, a business-oriented pre-employment program currently in its fourth year at Tahoka High. Mrs. Barbara Jaquess is

sponsor and teacher of the two-hour course.

First year students study various units including receptionist, transcription, accounting, duplication, calculating, office management, and electronic word processor. Second year students specialize in a desired field. This year the VOE program had added a new word processor to the machines available for learning experiences.

After learning various skills the girls receive a chance to apply their knowledge. A business office simulation is set up in the classroom in which routine business tasks are conducted.

Newly installed OEA officers for the upcoming year include president, Amelia Sanchez; vice president, Becky Owen; treasurer, Connie Chambers; secretary, Karen Stewart; historian, Cindy Lawson; parliamentarian, Jhoni Caswell.

With a heat pump

The heat pump saves energy and money. A lot of people are now saving more energy and money because they converted or replaced their energy wasting heating and air conditioning equipment with a heat pump.

The heat pump works efficiently both winter and summer to help hold down your energy use. And, since the energy source for a heat pump is electricity, you receive a special lower electric rate during the off-peak months from SPS.

Get a heat pump as soon as you can — you'll save money when you do.

can get-back-to-ve money too by an old stand-by--pile. And with hing, plenty of on be available ng. portation costs e price of peat er bulky types atter higher, the compost pile or n is becoming re important. est Texas soils

lacking in organic matter, composting is an excellent way to add humus to the soil while at the same time disposing of unwanted plant material from the yard and garden.

Leaves, straw, lawn clippings, sawdust, garden debris and even shredded newspapers can be converted into usable humus through the decomposing process. These composted materials will make both clay and

sandy soils more suitable for growing vegetables and ornamentals.

It is usually best to have three compost bins--one being filled, one in the process of decomposing, and another ready for use. The most workable size for most gardeners is a 4 feet by 6 feet bin, with one side hinged or removable for easy access.

Gardeners are advised to select a convenient site near a source of water, yet out of sight of the outdoor living area.

Start the compost pile by spreading a 6-to-8-inch layer of debris. Top this with a 1-to-2-inch layer of soil or finished compost. Sprinkle about two cups of a complete fertilizer over each layer of soil and organic matter to encourage bacterial action and hasten decomposition. Manure or blood meal may be used instead of fertilizer. Water thoroughly; then add the next layer as material becomes available.

Repeat the layering process until the pile is 4 to 5 feet high. Keep the center slightly lower than the sides to aid in retaining water. Keep the pile moist for rapid decomposition; however, avoid saturation or bad odors may develop.

To speed up decomposition and insure that wastes on the outer edge of the bin have a chance to break down, turn or mix and restack the pile every 60 to 90 days. Do not add new material once the pile is turned; rather start a new pile in a nearby location.

For better aeration and faster decomposition, spread fresh lawn clippings and shredded green materials into thin layers. When adding dry leaves to the compost pile, wet them thoroughly before adding soil. A shredder will convert twigs and small branches into smaller particles for faster decomposition.

By Florence Davies

Elizabeth Brooke is the name chosen for the little girl born to Andy Bill and Judy Fillingim. She was born at 2:15 p.m. Wednesday, Sept. 10, in Methodist Hospital in Lubbock. She weighed 7 pounds 9 oz.

Grandparents are Mr. and Mrs. Bobbie Clem and Mr. and Mrs. Bobbie Fillingim. Great-grandparents are Mr. and Mrs. J.A. Evans and Mr. and Mrs. A.C. Fillingim Sr., all of New Home, and Mr. and Mrs. Arden Bailey of Hobbs, N.M. Great-great grandmother is Mrs. Era Balch of Lubbock.

Mr. and Mrs. Bob Parker went to Colorado City Wednesday, Sept. 3, and spent the night with his cousin, Mr. and Mrs. Carl Hammack. Thursday the two couples left for a trip to Nashville, Tenn. There they

attended the Grand Ole Opry. They traveled through Alabama, Miss. and Louisiana, returning home on Tuesday.

Bob Poer visited last week in Haskell with his brother, T.J. Poer, and in Munday with his sister, Mrs. Mary Bowman and Caroline's sister, Mrs. Floyd Bowman.

Mrs. Wilmer Smith, Winston, and I were in Lorenzo Thursday for funeral services for Winston's aunt, Mrs. Willie Lockwood. Friday we were in Post for services of a cousin, Garland Davies.

The Musical "The Music Machine" showed to a full house in the New Home Baptist Church Sunday night.

Glen Dale King and his mother, Mrs. Grady King of Muleshoe, spent Thursday night here.

Sgt. Alvin Neely of Kermit spent Friday and Saturday nights with us.

J.C. Gilson of Canton visited with his sister and brother-in-law, Mr. and Mrs. Weldon McClintock.

Mr. and Mrs. V.P. Haley and Mr. and Mrs. Leland Pool of Portales, N.M. vacationed ten days at Lake Tahoe.

In the absence of the pastor, Rev. Jack Lee, who was preaching in a revival meeting in Sweet Street Church in Tahoka, Rev. Darrell Strickland preached Sunday morning in the New Home Baptist Church. His wife and their son, Steve, accompanied him.

Shirley and Mike Buck of Pampa spent the weekend with her parents, Mr. and Mrs. Jack Clements.

Mrs. Buri (Miram A.) Gray

Funeral Services for Mrs. Buri (Miram A.) Gray were held at 4 p.m. Thursday, Sept. 12, in the San Jacinto Baptist Church in Amarillo with Rev. David Walker Officiating.

Mrs. Gray, 54, died Wednesday in an Amarillo hospital. She had open heart surgery on Tuesday.

Burial was in the Memory Gardens Cemetery.

Survivors include her husband, two sons, Troy Wayne of Amarillo and James Burl of De Soto; two brothers and one sister; and five grandchildren.

The table was decorated with a linen tablecloth and brass accessories. The community gift was a beautiful designed clock with chimes for their fireplace mantel.

Proclamation Cystic Fibrosis "Kiss Your Baby" Day

WHEREAS, Cystic Fibrosis, the number one genetic killer of children, is a crippling and debilitating lung disease, and

WHEREAS, early diagnosis and treatment are essential to preventing lung damage and lengthening the lives of the thousands of American children who suffer with Cystic Fibrosis, and

DOGPILE-- This Dogpile also had some injuns in it. We aren't sure what was happening, except that Tahoka had the ball near the goal line and there are lots of folks on the ground. Identifiable Bulldogs include Daniel Garcia (9), Freddy Garcia (60) and Richard Payne (71). (LYNN COUNTY NEWS PHOTO)

Leopards Suffer Loss

The New Home Leopards remained winless after their 0-0 opener with Smyer at the Bulldog stadium and a 7-6 loss to O'Donnell at home last Friday night. Coach James Wall's Leopards saw their season record drop to 0-1-1 after playing well defensively against Smyer and after leading O'Donnell most of the evening. "Our guys played good ball but need to improve on making mistakes at key times" said Coach Wall.

Standouts against Smyer were Stoney Gill with 14 tackles; Beats Estrada with 13 tackles; Johnny Vickers with one interception and Billy Paul with one recovery. The Leopards moved inside Smyer's 20 on 2 different

occasions but were victimized by the Bulldog standoff. Against O'Donnell, Estrada with 114 yards, Vickers with one interception, and Gill with 12 tackles, were top performers for the Leopards. The Eagles cinched their win in the fourth quarter after being held scoreless by the Leopards.

New Home will continue its search for victory number one when the Leopards travel to Whiteface for an 8 p.m. encounter with the Antelopes on their homecoming.
