Board approved for new EDC

The city council approved board members and the certificate of formation for an economic development corporation during a meeting Tuesday. There will be seven board members, and the EDC can hold the first meeting after receiving approval from the Secretary of State.

The board will consist of four councilmen initially, along with three volunteers. Those agreeing to serve on the board are: Travis Lynch, Tim Boyd, Jim Baum, Larry Chaney, Jim Bell Harris, Stephanie Perez and Mark Merrell.

In other business, City Manager David Hoover asked the

council for authorization to accept bids for the purchase of a 2012 Caterpillar 928HZ Front Loader. The city's 1995 model loader has lost its top two gears, according to Hoover.

The city manager told the council it would cost \$31,000 to have the old equipment repaired. Warren Cat has a used loader with 5,000 hours on it for \$65,000, and Hoover recommended the city make the purchase.

A long discussion ensued. Councilman Boyd told Hoover that broken equipment is becoming "an every month situation".

C-Court okays change in county library hours, farm sale participation

The library's hours will change a bit and the county will, once again, participate in the Loraine Farm Sale. These were some of the decisions made by members of the Mitchell County Commissioners' Court during a regular meeting Monday morning.

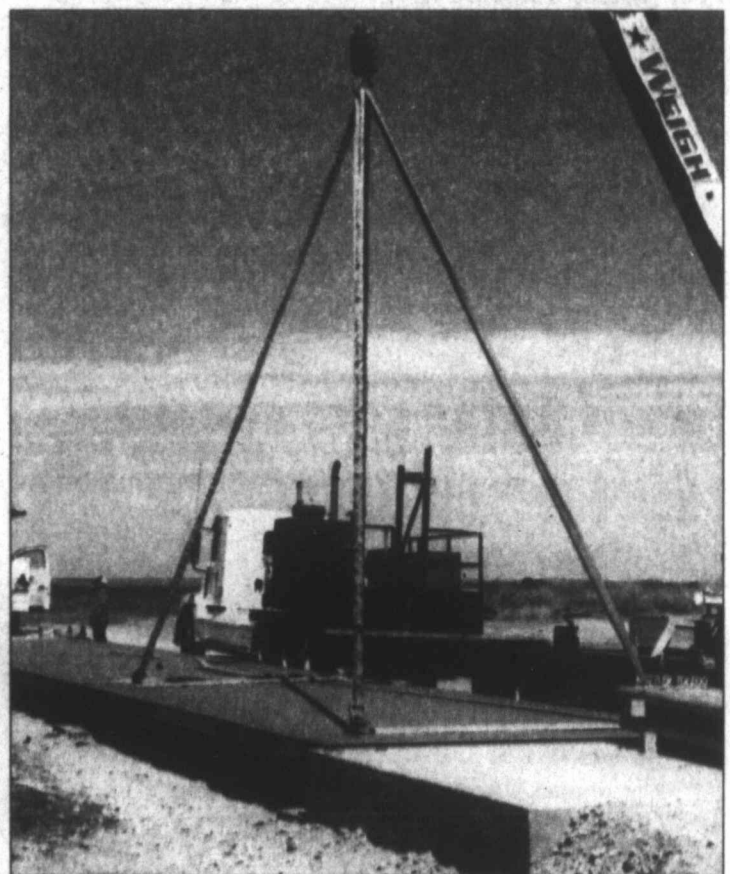

Mitchell County Public Library Director Maggie Bootman came before the court to request the library change hours of operations on Mondays. She said the library is currently open from 10 a.m. to 6 p.m., and the staff

would like to change those hours to 9 a.m. to 5:30 p.m.

Librarians have been keeping count of citizens coming into the library at different times during the day. Bootman told the court very few people are in the library after 5:30 p.m., but several citizens want to come in before 10 a.m.

Commissioners deferred to Bootman, saying she has their support to make the change if that's what's needed. So, effective

NEW ARRIVAL - New scales are in the process of being installed at the Colorado City Landfill. Tuesday morning, workers from Rusty's Weigh came out to put in the weighbridge, and City Manager David Hoover said it will be another week or so before the scales are hooked into the software and operational. Photo courtesy of Patty Pharis.

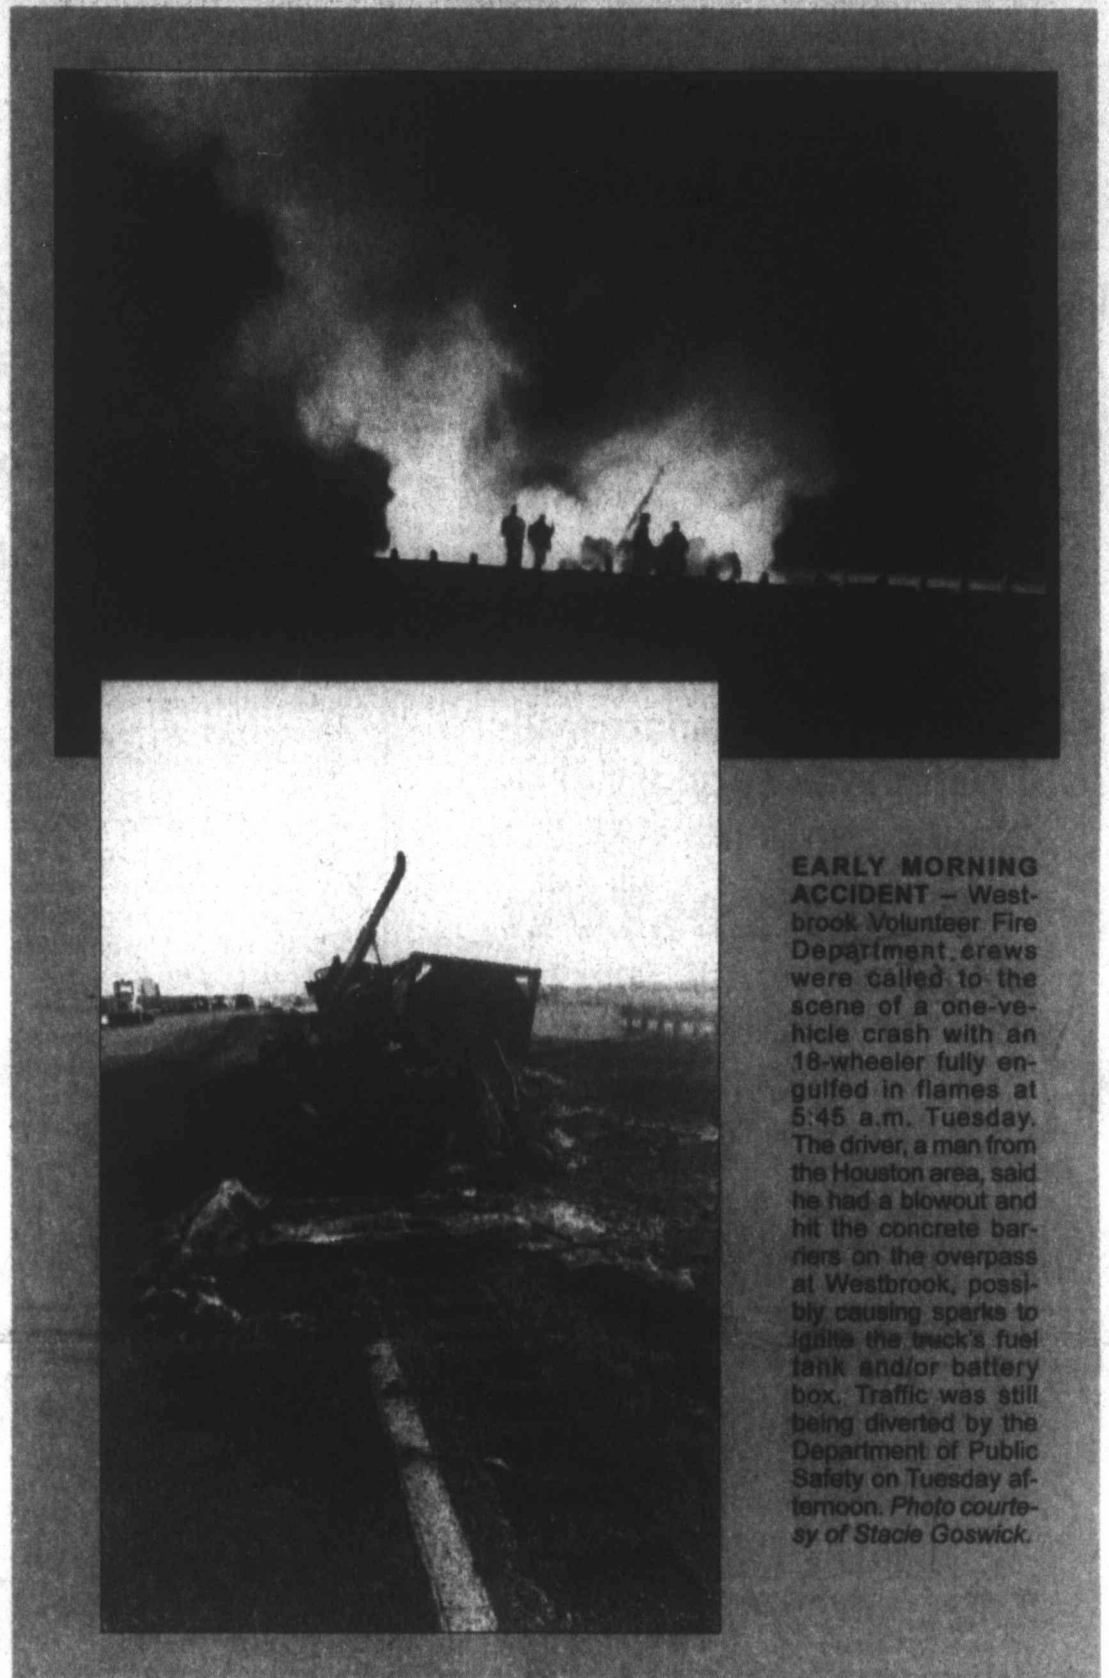

New scales installed at Colorado City landfill

The Colorado City Landfill had a new set of scales installed Tuesday, and city officials are hoping it will help in making dumping charges more accurate. Up to this point, city employees have had to estimate the size of

loads being dumped into the landfill, but the scales are going to figure charges accurately according to weight.

A crane from Rusty's Weigh lifted the weighbridge part of

EARLY MORNING ACCIDENT - Westbrook Volunteer Fire Department crews were called to the scene of a one-vehicle crash with an 18-wheeler fully engulfed in flames at 5:45 a.m. Tuesday. The driver, a man from the Houston area, said he had a blowout and hit the concrete barriers on the overpass at Westbrook, possibly causing sparks to ignite the truck's fuel tank and/or battery box. Traffic was still being diverted by the Department of Public Safety on Tuesday afternoon. Photo courtesy of Stacie Goswick.

A few entities will hold elections

The last day to register to vote in the city and school elections is Thursday, April 5th. Early voting begins in a little more than a month, and changes in a couple of the elections are expected.

Westbrook ISD is one of the entities with contested races, and officials will conduct an election in May for four spots on the WISD Board of Trustees. There are currently nine candidates who have filed to fill the four positions. They are: incumbents Craig Rees, Chad Morris and Rance Dawson, along with

Ben Muller, Jeremy Reyes, Mark Sheets, Doug Koch, Kendal Beasley, and Krisha Heiskell.

With three candidates filing for three spots on the City of Colorado City council, the election is a go at this time. All three candidates are running unopposed, so it was thought the election might be canceled. However, the current council proposed changing the city's charter to include some consequences for truancy from council meetings. Councilmen want the ability to censure fellow councilmen for

missing more than three meetings in a five-month period.

Changing the City Charter must be decided by voters, and the candidate election is part of that election.

Both council seats and the mayor's spot are up for election in Westbrook, and three candidates have filed. However, the election must be held because two candidates filed for mayor, Ramiro Fuentes and John Manning, and only one candidate filed for the city council, Kevin Meredith.

Kiwanis Club Pancake Supper to be held Friday, March 16th

This Friday marks the 44th time members of the local chapter of the Kiwanis Club have gathered to host the annual pancake supper. The annual event is planned for Friday, March 16th.

In 1974, the February 10th edition of the *Colorado City Record* published a story on the front page of the paper saying, "When have you ever had the privilege of eating pancakes cooked by an important,

well-known lawyer, mixed by a district attorney, served by a Texas State Representative or bacon cooked by a county sheriff and dishes washed by the important, well-known lawyer's equally important, well-known lawyer father? The answer is NEVER!"

The story goes on to identify the people mentioned. The important, well-known lawyer is Danny Barber, and Frank Ginzel is the District Attorney. Texas State

Representative Elmer Martin was the member serving the pancakes, and County Sheriff Bill McGuire was cooking bacon.

The equally important lawyer father that was mentioned was Dell Barber. Lon Robertson, Kenneth Rogers, Danny Barber, W.M. Vest, Skeet Harkins and Corky Houston served as pancake cooks.

Pancake batter mixing was done by Jimmy Kelley and Frank Ginzel, while Eddie Mitchell, Bobby Lemons, Martin Weaver

Sales tax news still good for C-City and county

Sales tax rebates are still on the rise, a positive economic indicator for this area. Mitchell County saw a 19% increase from the rebate received last year at this time, and the numbers are saying oilfield activity is on the rise.

West Texas Intermediate Crude was priced at \$62.04 per barrel on Monday, and increased oil prices mean increased oilfield activity. For the county, rising prices mean March's rebate is up by \$4,088.68 from March 2017. The county has already received \$16,156.94 more than at this time last year which amounts to a 25% increase.

Texas Comptroller Glenn

Hegar recently announced sales tax rebates for March 2018 are 8.3% higher than March 2017. These allocations are based on sales made in January by businesses that report tax monthly.

Colorado City's allocation of \$46,000 and change represents about a 7% increase from what was received in March last year. Increasing rebates have seen the city receive \$24,000 more in sales tax allocations in 2018.

Unfortunately, not all cities in the county have seen the increases. Loraine's rebate was down by nearly \$400, which amounts to an 18% decrease. Small decreases mean Loraine's totals are also down by about 8% for the year.

The City of Westbrook is still not receiving any sales tax rebates, as the city is paying off an overpayment made by the state more than a year ago. As can be seen in the chart, most of the area's cities are seeing increases, with Roby and Loraine in the negatives.

Abilene, Big Spring, and Sweetwater join Mitchell County in receiving rebate payments reflecting double-digit percentage increases. Returns for Snyder, Lubbock, Rotan and Lamesa show a steady economy experiencing a slight uptick in sales.

Hegar announced recently he will send cities, counties, transit systems and special purpose taxing districts \$670.9 million in local sales tax allocations for March.

OBITUARIES

Yolanda Velarde Franco 1944-2018

COLORADO CITY — Yolanda Velarde Franco, 73, passed away at the Covenant Medical Center in Lubbock on Wednesday, March 7th, 2018 with her loving family by her side.

She was born on December 16th, 1944 in Midland to Moise and Delfina Alvarez Velarde.

Grandma Yogi loved sewing, cooking and was an avid gardener. She worked for a number of years at Neff's Plant Nursery and carried that love for plants with her throughout her life. She definitely had a green thumb! Between making last minute costumes for her grandchildren and being one of the fiercest women you could ever meet, Grandma was a multifaceted person with many stories to tell. We who knew her best and loved her most keep the memory of her in our hearts always. She grew with us and we lament her loss. Rest in peace Grandma, we love you.

Yolanda is survived by her husband, Jesse Franco of Colorado City; by her children, Judie Minsker and husband, David of Midland, Jesse Franco, Jr. and wife, Tenah of Austin, Becky Franco of Colorado City, Isreal Franco of Austin, and Sandra Franco Charlon of Austin; as well as by her grandchildren, Vanessa and husband, Ismael, Valerie, Alexandria and husband, TJ, Kendra, Marcus, Julianna, Joe Michael and wife, Megan, Monica, Lazarus, Christian, Madalyn, Gabriel, Jesse, Dane, and Jessica; and by her great-grandchildren, Mackenzie, Sophia, Marcus, Masen, and Isabella. She is also survived by several nieces, nephews, and cousins.

She was preceded in death by a daughter, Christina Castro; and by her siblings, Raymundo Velarde, Roman Velarde, Bobby Velarde, and Paula Chavez.

A Mass of Christian Burial for Yolanda was held on Wednesday, March 14th at 10 a.m. at St. Ann's Catholic Church with Father Tony Franco and Father Michael Udegbuma officiating. Burial followed in the Mitchell County Cemetery. A visitation was held on Tuesday, March 13th from 6-8 p.m. in the Kiker Scale Funeral Home Chapel with a Rosary performed at 7 p.m.

Those wishing may leave online condolences by visiting www.kikerseale.com.

Dan Morgan 1950-2018

COLORADO CITY — Dan Morgan, 67, passed away at the University Medical Center of Lubbock on Sunday, March 11th, 2018.

He was born on December 2nd, 1950 in Magnolia, Arkansas to John Frank Morgan and Margaret Ann Neeley Morgan. They moved to Colorado City within the next year. He married Adele Wright on October, 11th, 1975 in Center, Texas.

Dan was a very well-liked and respected member of Mitchell County for many years. Almost everybody knew him from his over 38 years working for Farm Bureau Insurance Company. He was a man who believed in love for family and his community. He was a devoted husband, a great father, the best grandfather a child could ask for and beloved friend to many. He enjoyed a good BBQ with family and friends, catching up on the latest developments in their lives and cracking a good joke just to get them laughing and feeling happy. He was a man who enjoyed country living, taking care of cattle, doing a bit of ranching and in his younger days, participating in rodeos. In his spare time, he could be seen wood-working, making book shelves and toy boxes for his grandchildren and for those he held near and dear to his heart. Even after losing his vision, he persevered, going to work each day, and finding new ways to enjoy his passions. He enjoyed listening to books, the Dallas Cowboys, and Friday night lights with the Wolves.

Dan is survived by his loving wife, Adele Morgan; his son, Dan Morgan II and wife, Venisa of Lubbock and their children Jack, Reid and baby girl arriving soon; and by his daughter, Anjanette Anders and husband, Dustin of San Saba and their children Riley and Jaxon. He is also survived by his brother, James Morgan of Colorado City; and sister, Susanne Morgan of Temple; as well as by many nieces, nephews, and dear friends.

He was preceded in death by his parents; and by a brother, John Frank Morgan, Jr.

A memorial service for Dan will be held on Friday, March 16th at 3 p.m. at Kiker Scale Funeral Home, and a visitation will be held on Thursday, March 15th from 6-8 p.m. at Kiker Scale Funeral Home.

In lieu of flowers, the family requests donations be made to American Foundation for the Blind, <https://www.afb.org/donate.aspx>. Resource Development, American Foundation for the Blind, 2 Penn Plaza, Suite 1102 New York, NY 10121.

Those wishing may leave online condolences by visiting www.kikerseale.com.

POLICE REPORT

On March 9th at 9:38 a.m., an officer was dispatched to the 2300 block of N. State Hwy 208 in reference to a burglary of several storage units. A report was completed and an investigation is ongoing.

Thank you, Mitchell County!

Let me start by saying thank you to all those who supported and those who went out and voted. The media reports will say we lost Tuesday night, but how in the world can one count that as a loss?

I have enjoyed getting out and meeting people and knowing how many great people this community has. So many are willing to help and give of their time to help us.

I want you to know how at peace I am. I slept well and am happy this morning with all the kind words from everyone that has kept me going throughout this journey. my husband, family and so many great friends.

Thank you, and God bless.

LOCAL NEWS

Colorado High students speak to Lions Club

Four Colorado High students came to the weekly meeting of the Colorado City Lions Club last Friday. They each spoke about their current activities, each with their own special topic.

Jadyn Griffith, senior, plans to attend the University of Oklahoma after graduating in May. She said she's undecided on a major thus far. She's looking forward to going on a mission trip this summer to Puerto Rico.

Griffith said she, along with a group of youth, were already planning to travel to Puerto Rico for the mission trip when Hurricane Harvey devastated the island. The girl with big faith said she sees that as confirmation she's headed in the right direction.

While there, Griffith and the rest of the group will stay in a church. They will participate in distributing food to needy families, leading worship and helping local citizens. The trip is planned for June 2nd through the 9th.

"I'm really excited about it," she said.

Griffith spoke about the projects undertaken by National Honor Society and Student Council during the fall. She said the two groups combined efforts to provide food for Thanksgiving meals for some needy families in town. Then, they did it again at Christmas. All was delivered by Ann Bazany, Griffith's aunt and CHS teacher.

Local NHS students also held a breast cancer walk and took donations for Hurricane Harvey relief. Griffith said, with the help of FirstBank & Trust and Lowe's Market, the teens were able to collect \$400 which they used to purchase diapers and wipes which were in short supply in the Houston area.

The high schooler said she's

looking forward to the Student Council Conference in April. Members will attend for meetings. Then, the group gets to do some site seeing and visit Six Flags.

Clancy White, another CHS senior, talked about the historical varsity girls' basketball season that ended recently. The team advanced to the regional finals game, where their season was ended by Brock. That's further than any CHS girls' varsity basketball team has ever gone in the playoffs.

The Lady Wolves played Idalou at the beginning of December, and Idalou whipped them by 20 points. That was the last game the girls lost during the season, and they got their revenge when they beat Idalou in the playoffs.

"It was a really fun game," White said, and she thanked everyone for the community support. The team had 31 wins in the season, the most wins in the history of CHS.

White said Colorado City had the biggest crowds, and she said Coach Barry Kimball was a huge part of the team's success.

Adam Clifton talked about what a great year the CHS Band has had. The band recently won Sweepstakes, which means they received 1st division ratings at marching contest, concert contest and sight-reading contest. Several members of the band earned the opportunity to perform with the All-Region Band, and Ashlin Alvarez earned a spot on the All-State Band.

Clifton is one of several CHS students serving on the Youth Advisory Council, a group put together by U.S. Rep. Mike Conaway. They met last semester and talked about tax reform, according to Clifton. The council will

meet again this semester and have the opportunity to meet Governor Greg Abbott.

Kalee Rich was the final student to speak. She's active in the FCCLA program. A big part of Rich's involvement in FCCLA centers around honoring veterans.

Rich told Lions that approximately 370 World War II veterans are dying each day, and she thinks their stories need to be told. The Veterans Administration estimates there will no longer be any living veterans from WWII in less than 20 years.

As part of her FCCLA project, Rich located veterans in Colorado City, interviewed them and prepared display boards and written stories of each veteran's life. She said her first goal was to improve verbal and nonverbal communication skills with the veterans, and her second goal was to promote greater understanding between youth and adults in the community.

Rich said she was encouraged to start with her own family members. She interviewed her uncle who joined the U.S. Army at the age of 18 and her grandfather who joined the Coast Guard at the age of 17. She also interviewed a father and son, Gene and Wayne Parham. Gene served in WWII and Wayne was in combat in the Vietnam War.

When Gene returned home from the war, his medals had been lost. His son tried for years to find them. On the day Gene was to be honored at the CHS Veteran's Day Program, Wayne presented the medals to his dad.

Rich's last interview was with Henry Rivera. He is a veteran of the U.S. Army. After sharing many amazing stories, CHS students and staff shook his hand and told him they were proud to honor him at the veteran's program.

The five veterans were honored by approximately 500 students, faculty and citizens of Mitchell County.

Members of the club were impressed with all the students do besides maintaining academic excellence.

SUCCESSFUL STUDENTS – Four CHS students were invited to speak at Lions Club last Friday. They talked about all the things they have experienced and what they are working on as high school students. Seen here are: (l-r) Adam Clifton and Kalee Rich with program chair Pam Headley. Clancy White and Jadyn Griffith also spoke but had to leave early for a track meet.

THANK YOU!

I would like to take this opportunity to thank everyone who took the time to vote in the Primary Election held last week. Your vote always counts!

Your support of my campaign is very much appreciated. I enjoyed visiting with and getting to know many of you while out campaigning.

I will do my best to represent the citizens of Mitchell County fairly and honestly as County Judge.

Thank you again for your support.

Mark Merrell

Annual Loraine Farm Sale scheduled for March 31st

On Saturday, March 31st, the Loraine Volunteer Fire Department will hold its 30th annual farm equipment auction, better known as the Loraine Farm Sale. What started out 30 years ago as a small farm auction has grown into one of the largest community events in West Texas.

The sale takes place on the Loraine Co-Op Gin yard, just a block off Interstate 20. Registration opens at 8 a.m., with the auction beginning at 9 a.m.

In years past, a multitude of items have been sold, such as cars, trucks, RVs, four-wheelers,

motorcycles, tools and more tools, welders, air compressors, lawnmowers, feeders, water troughs, propane tanks, pipe of all sizes, fencing and posts, and even large, modern farming equipment.

Everyone attending is sure to find something they like. So, save your money and make plans to come out to the sale.

Anyone wishing to make a consignment to the auction can call Doyle Mitchell at 325-933-0113, Whitley May at 325-338-8545 or Ricky Bailey at 325-242-2402.

TUMBLEWEED SMITH Brady's man of the world

A friend at radio station KNEL in Brady told me I should interview Harold Byler. I asked who is he, what has he done, etc. He told me he was a storyteller and writer, then leafed through a stack of newspapers and pulled out a column Mr. Byler had written. It was all about Truman and the end of World War II. It had solid historical facts. I called Mr. Byler and he said, "Sounds like fun. Come on over after lunch."

As I stepped on the porch of Mr. Byler's home, I noticed a sign by the front door proclaiming the house was a historic home known as the Hill House. I found out later John Hill was Harold's grandfather who had a chain of general stores and the Ford dealership in Brady in the early 1900's. "It was about the time Model T's came out," says Mr. Byler, "and my grandfather traded cars for cows and land and put together a ranch near the San Saba River. He became very successful."

Harold Byler is in his mid-80's. "I never set out to make a lot of money," he says. "I just wanted to enjoy life." Well, he has certainly done that.

During his high school years, he was a projectionist at the three theaters in Brady. He went to A & M and paid for his degree in electrical engineering by working summers on pipelines in five states. During the Korean War, he was an intelligence officer with the Second Infantry Division. He taught physics at Syracuse University five years, retired from a management position at GE after 20 years, was a stock broker in New York for a while, then spent 15 years as a professional gambler. He designed race cars, taught tennis, traveled the world in small sailboats he built and spent six years lecturing on cruise ships with his wife. "I would have a whole 45-minute seminar on bluffing," says Harold, "then I'd have one on cheating." His gambling career was spent in homes and clubs, cash games as he calls them. "I didn't do it for fun. I was making a living. I read 250 books on poker before I started."

Harold and his wife Janice (from Vermont) have been married 63 years. They retired to Brady in 1995. Since then he has written 26 books. He writes a weekly column for the Brady newspaper.

When I told a friend in Brady I was going to interview Harold, my friend said, "Be sure and get him to show you his stove and refrigerator. They're real antiques that he fixed up to use."

Sure enough, the first thing I did after entering the house was tell Mr. Byler I had to see his kitchen. "Oh, sure," he said and showed me an antique icebox with half a dozen doors on the front of it. "We put electricity to it and used it as our refrigerator for years. The old wood-burning cook stove we converted to gas. We use it today."

Mr. Byler was a jitterbug king in high school and cleared the dance floor at the Brady Country Club. He loves to party. He expanded his front porch, so he could have dances and a bar on it. The porch is equipped with large speakers that provide plenty of sound.

Holy Week services planned

The Mitchell County Ministerial Alliance will join church congregations together to hold Holy Week services Monday through Friday, March 26th - 30th. Services and lunch will take place at First Baptist Church in Colorado City, and everyone is welcome to attend.

The purpose of the services is to join followers of Christ from various traditions in fellowship over a shared meal, in worship together of a common Savior and Lord. Needs of others in Mitchell County will also be met through the donations received for the lunches served during the week.

Each day of the week, lunches will be served at two different times to accommodate as many schedules as possible. The first serving of lunch will start at 11:30 a.m. and the second serving will be at 12:30 p.m. A joint worship service

will be held at noon each day.

First Baptist Church, at the corner of Chestnut and 3rd Street in Colorado City, will be the location of the services, which will be televised live on local cable channel 6.

Meals will be prepared and served by different churches each day. On Monday, members of the First United Methodist Church and Calvary Baptist Church will be responsible for the meals, and the First Baptist Church congregation will do the lunches on Tuesday. Wednesday's meals will be taken care of by New Mt. Zion Baptist Church members and First Baptist Church in Westbrook members. On Thursday, four churches will pool their efforts, All Saints Episcopal, First Christian Church, First Presbyterian and Oak Street Baptist Church. The final day of the services, Friday, members

of St. Ann's Catholic Church will provide lunches.

Churches serving lunch are asked to provide paper goods for 60 to 75 people. Ice will be available in the ice machine.

Dana Mayfield of First Presbyterian Church will provide the message on Monday, and Quincy Randall of New Mt. Zion Baptist Church, will be Tuesday's speaker. Kevin Meredith, of FBC Westbrook will preach on Wednesday, and Jerry Shields of FBC Colorado City will provide the message on Thursday. Friday's scripture readings will be provided by youth ministers and members of youth groups.

Edification will abound March 26th - 30th, so make plans now to join in worshipping during the holy season.

LETTER TO THE EDITOR

Letter to the Editor:

Thirty years ago, the LVFD, being financially distressed as with all small fire departments, decided to try to come up with a fundraiser to help with the fire gear the city and county did not or simply could not financially provide and to finance other activities such as a Christmas party for the firemen. Loraine fireman Donald Graham came up with the idea of a small farm auction in which they would search for an auctioneer to do the sale and the fire dept. would do the work of setting up and hauling in the farm equipment.

The two would split the sales fee charged by the auction company. So, the first sale was planned, and an auctioneer was located to do the sale with the split fee agreement. I apologize. I can't remember the name of the first auctioneer that conducted the sale for the first two years.

By the third year, the sale had grown somewhat, and the fire department was making a few extra bucks from the sale. It was at this time that Auctioneer Kevin Hutson of Sweetwater had agreed to do the annual sale and continued until he retired several years back. Then, the young auctioneer Whitley May bought his business, took over the auction and has continued to conduct the sale every year since.

Donald Graham took on the task of heading up the consignment arrivals

and lotting the equipment in until he retired a few years back. Don Boyd and I took over and tried to fill Donald's shoes for the next few years, as Don's kids getting older and the San Antonio livestock show happening at the same time soon left Don unavailable to help.

Now I am getting older, but as Donald did before me, I will continue to head up the sale as long as my health allows. Donald Graham had a vision of a small fundraiser 30 years ago, but he had no idea of what his brainchild idea was about to turn into in the years to come.

The sale has now grown into one of the largest events in West Texas and now offers merchandise of about anything under the sun. It has become a favorite venue of folks from all over Texas as well as other states. It is an all-day event of friends and family visiting, eating, laughing and looking through the thousands and thousands of things for sale, for the treasure they have found and want to take home, all while hoping one of their friends does not out bid them on the item. But mainly they come to support the LVFD, knowing that we will be there for them when they need us.

Thank you, Mitchell County and West Texas for 30 years of support to the LVFD and thank you Donald Graham for a vision of a fundraiser that has saved the city and county and taxpayers thousands of dollars over a 30-year span.

Doyle Mitchell
Asst. Chief LVFD

Letter to the Editor:

The universe is time, space and fast moving matter. Parts with relativity to each other and, perhaps, to an ultimate reference. It is clear that evolution occurs, but we must connect the dots to see with our minds.

Evolution of life is thus. We find a fossil in a stratum. We find a slightly different fossil in an older stratum. We find a slightly different fossil in younger stratum. We connect the dots and see with our minds. We extend this observation and correlation through 3.5 billion years of strata to current species and establish the evolutionary history of living, and extinct, organisms.

We have established this evolutionary history of man and find that his distinction from other creatures is primarily on the size and function of the brain. And we correlate ontogeny with phylogeny and connect another dot.

Until Aristotle and Darwin, "Christian" men believed they were created within a week along with the universe. That creation was static.

Now we know that the universe and all of its creatures are an ongoing evolutionary creation.

Well, some of us do!

COURT

FROM PAGE 1

tive in April, the library will be open Monday through Friday from 9 a.m. to 5:30 p.m.

While Bootman was present, commissioners approved appointing Leslie Jones to the library board. Bootman will take the place of Bob Reilly, who is coming off the board due to health reasons.

Court members also voted to participate in the Loraine Farm Sale again this year. The sale is set for Saturday, March 31st, and the county will take property to be auctioned off. Commissioner Bill Preston said there's an old pump jack on the property where the desalination plant is located that would be perfect for the sale.

JP Rick Grissam also said the sheriff's office will be taking a few of the seized cars to the sale. All court members agreed to get County Auditor Heidi Harris a list of what will go to the sale.

Bills in the amount of \$108,188.60 were approved as presented. Pct. 3 Commissioner Jesse Muñoz made note the total includes a bill from Lauren Engineering for over \$11,000. The invoice lists such things as a site visit and project support as the reasons for the charge.

Muñoz said he's wondering if Mitchell County is out from under the grant, since the desalination plant has already produced water. He said he saw in the *Record* that the first desalinated water has been produced by the plant.

After that story ran, BOED Director Sue Young came to the next court meeting and told court members that the plant is operational, but the wind turbine to power the plant will undergo some repairs and renovations by General Dynamics.

Muñoz said he has requested BOED representatives attend the next commissioners court meeting to give an update on the project. "The bills keep coming," he said, "and I just want some answers."

Fire dept. auxiliary offering to hide eggs

Kids love to hunt eggs at Easter, but it's not always easy for adults to get away to hide them. Well, this year, the Colorado City Volunteer Fire Department has a great option: Egg My House.

Let the CCVFD Auxiliary "egg" your house! As a fundraiser, members of the auxiliary will come to your home and hide plastic Easter eggs filled with candy. Kids can wake up to yards covered with eggs!

Cost is \$20 for four dozen eggs. All proceeds go to the CCVFE Auxiliary Scholarship Fund.

The auxiliary will hide eggs in Colorado City, Westbrook and Loraine, so give them a call for a fun Easter celebration. The eggs can be "hidden" on Saturday, March 31st and Sunday, April 1st.

For more information, call Pat at 325-242-1452, Niki at 325-242-0086, Harley at 325-242-0064, Maria at 325-515-10647 or Monica at 325-728-0749.

Buffalo soldiers to visit park

The Texas Parks and Wildlife Buffalo Soldiers welcome everyone to join them at Lake Colorado City State Park, along with Ft. Concho representatives, on Saturday, March 24th. There will be interactive games, historical interpretation, outdoor skills demonstrations and fun for audiences of all ages.

Those attending can explore the Buffalo Soldier camp and

listen to stories about the lives of the trail-blazing soldiers. There will be a lot to see, including the viewing of displays of artifacts and tools, discovering how to track an animal, cooking over a campfire, learning Native American skills and even playing a round of early frontier baseball.

You never know what the Buffalo Soldiers will bring with them on the trail, and they may

not be back in these parts for a while. So, make sure you head on down for a visit and experience the connections between history and the great outdoors.

The event will be held from 9 a.m. to 3 p.m. on Saturday, March 24th and is free to the public.

Entrance fees to get in the park are \$4 per adult, with children 12 and under getting in free. Those who have a valid Texas State Park Pass also get in at no charge.

More information is available by calling the park office at 325-728-3931.

CITY

FROM PAGE 1

Hoover said the city's newest piece of equipment is five years old, and one city employee has been taking good care of the loader almost since it was new.

Councilman Chaney asked for an estimated cost for a new machine, and Hoover said he would have to check but he thought near \$150,000.

Councilman Marcelo Alvarez asked how the purchase will affect the city's budget. Hoover said the total amount will be borrowed from Government Capital and paid back.

After discussion back and forth, the measure was approved. Warren Cat will also provide training for the city employees when the machine is delivered.

Colorado City citizens Niki and Ty Watlington have stepped up to volunteer their services. Ty has volunteered to take a spot on the Housing Standards Commission, and Niki has volunteered her time for the Zoning Commission and Parks Advisory

Board.

A public hearing was held regarding the use of hotel/motel taxes for the upcoming fiscal year beginning May 1st.

Amanda Jo Ritchey requested \$29,950 for the Colorado City Area Chamber of Commerce. She said the chamber holds up to nine events per year and advertises locally and in other places to draw people to visit Colorado City.

Patty Pharis requested \$10,000 for the museum. She said over 700 people visited the Heart of West Texas Museum last year, and she estimated about 80% of them were from out-of-town.

If granted, Pharis said a large portion of the funds would be used to purchase a security system for the museum. Chaney had visited the museum recently. "I was very impressed with what Patty's doing over there," he said.

Mike Ratliff requested \$5,000 for the CC Riders 18th Annual Car Show advertising.

PANCAKES

FROM PAGE 1

and Elmer Martin served those attending all they could eat.

Bacon cooks were Mac Morris, Eli Rivera, Don Banta and Bill McGuire. Robert Bracy and Dell Barber served as dishwashers for the fundraiser, while Dean Headstream was the butter cutter for the event.

James E. Payne, R.B. Baker and Dewey David honed their skills as bus boys, while Robert Chambers and Dennis Walding were in charge of griddle set up. The responsibilities of ticket sales and ticket takers were on the shoulders of Dick Wistrand, Otho Rice and Sims Parker.

In 2018, club members will have plenty of pancake batter,

sausage, bacon and drinks which will be served hot and fresh in the Wallace Senior Citizen Center (formerly the CMS Cafeteria). Like always, all-you-can-eat pancakes and all the accoutrements will be served from 5 to 7:30 p.m.

All-you-can-eat pancakes, sausage, bacon and drinks will be served at a cost of \$7 for adults and \$4 for children 12 and under. Serving will take place from 5 to 7:30 p.m.

So, get those appetites ready, and come out to support the Kiwanis Club on March 16th. Proceeds from the event are used for youth projects and scholarships.

SCALES

FROM PAGE 1

the scales into place Tuesday morning. City Manager David Hoover said Rusty's Weigh has been around for 40 to 50 years.

Hoover said the concrete for the scales was poured about two weeks ago, and it will be another week before it's cured and ready to bear weight. Once the outside area is ready, the scales will be connected to a computer and software will calculate exact

weights after some data input.

The city manager said he expects the city to charge \$32 per ton, and to be competitive with fees from the surrounding area for commercial dumpers. Hoover said, right now, the minimum will probably be set at \$15.

The council and city leaders are glad to see the scales installed, as accuracy is best for all.

ELECTIONS

FROM PAGE 1

Loraine ISD and Colorado ISD are expected to cancel elections, as only the incumbents filed for re-election. Sheila Plagens and Henry Reyna filed for CISD, and Ron Gibson and Frank Garcia Jr. filed for LISD.

The measure will be on the agenda for the next CISD board meeting on Monday, March 26th. Election Day is Saturday, May 5th.

ADVANCING PLAY – The Colorado High School One Act Play cast and crew will advance to the next level of competition after a top finish at the UIL District 5 3-A One Act Play contest. Cast and crew include: (back row, l-r) Caleb Shields, teacher Lea Ann Hudson, Emily DuCasse, Bradon Upshaw, Dillon Adkins, Kaci Hudson, Esmy Carlos, Ted Rich, teacher Tia Atkinson; (front row) Trinity Douglas, Garren Smith, Lathan Limones, and Nia Williams. Not pictured are: Bailey Gonzales, Destiny Read, Sara Barrera and Jonathan Franco. They will perform *Flowers for Algernon* in the bi-district round on March 21st on the campus of Angelo State University in San Angelo.

CHS one-act play cast advances to bi-district

The Colorado High School One Act Play cast and crew competed in the district competition on Wednesday, March 7th in Clyde. The CHS group was one of three schools advancing to the bi-district competition.

Four members of the cast and crew were named all-stars. Dillon Adkins and Kaci Hudson received individual awards being named to the All-Star Cast, and Lathan Limones received an Honorable Mention nod as well. Bradon Upshaw was named to the All-Star Crew.

The entire group will perform the play, *Flowers for Algernon*, in the bi-district contest next week. The competition is slated for Wednesday, March 21st on the campus of Angelo State University in San Angelo.

Flowers for Algernon is a science fiction short story and subsequent novel written by Daniel Keyes. According to Wikipedia, the short story, written in 1958 and first published in the April 1959 issue of *The Magazine of*

Fantasy & Science Fiction, won the Hugo Award for Best Short Story in 1960. The novel was published in 1966 and was joint winner of that year's Nebula Award for Best Novel (with *Babel-17*).

Algernon is a laboratory mouse who has undergone surgery to increase his intelligence by artificial means. The story is told by a

series of progress reports written by Charlie Gordon, the first human test subject for the surgery, and it touches upon many different ethical and moral themes such as the treatment of the mentally disabled.

Lea Ann Hudson, theater arts teacher at CHS, said the play may be performed for the public after contests conclude.

GREEN EGGS? That's just what Dr. Seuss wanted to know. Loraine's pre-k and kindergarten classes celebrated the birthday of Dr. Seuss on Friday. They made hats and listened to *Green Eggs and Ham*. The students also watched as the eggs were cooked with green food coloring and everyone had the opportunity to eat some, including Saige Ellis. Photo courtesy of Jana Edmonds.

Thank you to everyone in Precinct 4 and 046...

I would like to thank everyone for their support and vote in the Republican Primary.

I am looking forward to being the Republican candidate in the General Election. I hope I can continue to have your support in November.

I look forward to visiting with you as November approaches.

Thanks again,
Ricky Bailey

Republican Candidate for
Mitchell County Commissioner, Pct. 4 & 046

ALL-DISTRICT BASKETBALL – Several Wolves were named to the All-District Teams. They are: (l-r) Omar Boone, Jhaden Bishop, Markis Monroe, Kwentin Malveaux, Tracy Smith, Bubba Williams and Gavino Silva.

Wolves receive All-District honors

The varsity Colorado City Wolves finished up the basketball season as bi-district champions. Following the successful season, several members of the team received All-District honors.

Omar Boone, a junior at CHS, was named the Offensive MVP of the district. Senior Kwentin Malveaux and Junior Markis Monroe were both selected for the 1st Team, while ju-

nior Bubba Williams and senior Gavino Silva were named to the 2nd Team. Honorable mention honors went to junior Tracy Smith and senior Jhaden Bishop.

PUBLIC HEARING CITY COUNCIL MEETING

APRIL 10, 2018; 6:00 P.M.

BOB REILY EARLY LEARNING CENTER

1111 E. 9TH ST., COLORADO CITY, TEXAS 79512

The City Council for the City of Colorado City will be conducting a public hearing on April 10, 2018 to discuss the following:

1. Request to rezone all of Block 184, 192 Lots 10-12, All of Blocks 193, 194, 198, and Block 199 Lots 5-7 of Original Town to the City of Colorado City, Mitchell County, Texas. The properties in question are to be rezoned from Zone "R1" which is a Single Family Residence District to Zone "MX2" which is a Multiple Use Multi-Family and most "C2" Commercial Uses District.
2. Request to rezone all Blocks 85 & 109 of Original Town to the City of Colorado City, Mitchell County, Texas. The properties in question are to be rezoned from Zone "R1" which is a Single Family Residence District to Zone "MX2" which is a Multiple Use Multi-Family and most "C2" Commercial Uses District.
3. Request to rezone all of Blocks 2, 3, 4, 5, 6, 7, 8, 11, 12, 13, 14, 15, 16, & 17 of Original Town to the City of Colorado City, Mitchell County, Texas. The properties in question are to be rezoned from Zone "R1" which is a Single Family Residence District to Zone "MX2" which is a Multiple Use Multi-Family and most "C2" Commercial Uses District.

Interested parties are encouraged to attend the meeting and to voice their opinion regarding this rezoning request. The recommendation of the Zoning Commission will also be considered on the Agenda for the City Council Meeting which is scheduled for April 10, 2018 at 6:00 p.m. at the Bob Reily Early Learning Center, 1111 East 9th Street, Colorado City, Texas. Individuals residing within 200 feet of the property in question have been notified in writing of this proposed meeting.

Lady Wolves named to All-District

Following an historical basketball season, several members of the Colorado City Lady Wolves were named to the District 5 3A All-District Basketball Team. Three Lady Wolves received special distinctions, as well.

Kaitlyn Kimball, a senior at Colorado High School, was named District Most Valuable Player. Conley Niblett, also a senior, was named Offensive MVP, and Mia Monroe, CHS freshman, was named Newcomer of the Year.

Two seniors, Clancy White and Taylor Epperson, were named to the 1st Team, while senior Alexa Garza was selected for the 2nd Team. Haley Bridges, junior, received honorable mention honors.

ALL-DISTRICT BASKETBALL – Several members of the Lady Wolves varsity basketball team were All-District selections. They are: (l-r) Taylor Epperson, Kaitlyn Kimball, Conley Niblett and Clancy White. Those selected but not pictured are: Mia Monroe, Alexa Garza and Haley Bridges.

To the citizens of Mitchell County Precinct 4 and 046 who supported my campaign...

Words cannot express my appreciation for your help and support during the Primary Election held last week. I enjoyed getting to visit and meet with everyone while out campaigning.

I encourage each of you who voted for me to back Ricky Bailey as the Republican Candidate for Commissioner of Precinct 4, 046.

Mitchell County is my home and I will continue to wish the best for all the citizens as we move forward.

Thank you,
Brodie Harris

LOCAL NEWS

Bootman speaks to retired school personnel

The Mitchell County Retired School Personnel met Tuesday, March 6th at La Fe's Restaurant. Guest speaker was Maggie Bootman, Director of the Mitchell County Public Library.

Bootman shared some of the many services provided by the library. These services included storytime on Wednesdays and the summer reading program with many activities, as well as prizes, to encourage reading in young children. She also said adults were not left out as there are

many books and free movies for checkout plus computers for public use. Bootman spoke of the new book club that meets at noon on the second Thursday of each month.

The AARP is available by appointment at the library for those who need help filling out tax returns. This is a free service. The library is a place where you can have copies made or a fax sent for a minimum fee. In closing, Bootman invited all to come and visit the library and use any and all of the services they provide.

The regular business meeting was presided over by President Susan Farr. The meeting was conducted with the nominating committee presenting suggested nominating officers for 2018-19 and 2019-20 years. Officers provide two years of service.

Those nominated were Sonja Hanks, president; Beth McDaniel, 1st vice president; Ann Nobles and Susan Farr, 2nd vice president; Joan Lemons, treasurer; Martha Anderson, secretary; Susan Farr, parliamentarian; and

Patty Pharis, historian. Also nominated committee chairpersons were Janet Mayo and Barbara Hammond, retirement ed.; Sonja Hanks, foundation; Beth McDaniel, membership and membership benefits; Susan Farr, public relations;

Karen Riley, healthcare; and Frances Godwin, community service.

The next meeting will be April 3rd with Joan Tolle presenting a program concerning changes in new reading and writing curriculums for public schools.

SPORTS

5 home and 5 road games...

CHS football schedule updated

Head football coach Dan Gainey released the updated 2018 football schedule last week, following a month-long discussion with Crane coach Stephan Rodman. The discussion was centered around the location of the 2018 Crane - Colorado City game.

After the 2018 UIL redistricting alignment was announced, both schools agreed to play each other for the next two years. Although Crane traveled to Colorado City last year, Coach Gainey wanted them to come to Wolf Stadium again this year.

A road game to Crane would

leave the Wolves with six travel games and only four home games.

So, the stand-off was on, and finally Crane agreed to travel to C-City in 2018, while the Wolves will travel to Crane in 2019.

The corrected football schedule is shown at right.

CISD track teams travel to Roscoe

Track teams from Colorado High competed in the Blackland Divide Track Meet in Roscoe last week. The JV boys' team finished 3rd behind Merkel and Roby, the varsity boys finished 5th and the varsity girls placed 6th as a team. Individual results follow.

VARSITY GIRLS

200m Dash

Volleyball, horseshoe tournament planned

The West Texas Regulators Volleyball Club of Colorado City will hold a combination sand volleyball and horseshoe tournament on Saturday, April 14th to raise money for club expenses.

There will be sand, sun and fun for everyone participating!

The Mitchell County Sports Complex is the place to be for the co-ed volleyball and horseshoe tournament in April. Cost is \$10 per team member to play either sport.

Each volleyball team will need six or more players, with no more than three guys per team. Team members must be 15 years old or older. Horseshoe-pitching teams will consist of two people.

To register or for more information, call or text Haley Ruiz at 402-801-1698 or Hillary Conn at 512-985-7233.

We're more than just a great rate

Bank-issued, FDIC-insured

2.05% Minimum deposit \$1000
1- Year APY*

*Annual Percentage Yield (APY) effective 03/08/2018. CDs offered by Edward Jones are bank-issued and FDIC-insured up to \$250,000 (principal and interest accrued but not yet paid) per depositor, per insured depository institution, for each account ownership category. Please visit www.fdic.gov or contact your financial advisor for additional information. Subject to availability and price change. CD values are subject to interest rate risk such that when interest rates rise, the prices of CDs can decrease. If CDs are sold prior to maturity, the investor can lose principal value. FDIC insurance does not cover losses in market value. Early withdrawal may not be permitted. Yields quoted are net of all commissions. CDs require the distribution of interest and do not allow interest to compound. CDs offered through Edward Jones are issued by banks and thrifts nationwide. All CDs sold by Edward Jones are registered with the Depository Trust Corp. (DTC).
