## Ruffin To Fill Chamber Slot As Director

O. A. (Shorty) Ruffin of Ruffin Locker Plant was elected to fill the vacated position of Chamber of Commerce director Thursday night.

Ruffin will fill the slot left open by Pat Bullock who resigned to take a job in Austin.

A nominating committee submitted Ruffin's name and Dr. Dave Bridgford moved that the board accept the committee's recommendation. It was seconded by Gus Chesney.

Jeff Taylor, Chamber president, said the board of directors, under the chamber constitution, had the authority to make appointments to unfilled positions.

The directors voted unanimously to accept Ruffin.

Other business by the directors included consideration of raising minimum chamber dues for new members. Bill Quimby, manager, said that a poll taken of cities between eight and ten thousand population showed that most chamber dues ranged from \$24 minimum to \$36. Present minimum is \$12.

Action on the proposal will be held in abeyance pending further investigation.

Director G. D. Foster proposed that a delegation go before the city council at its next meeting to ask that electrical costs of Christmas lights be paid by the city.

President Taylor said he would appoint a delegation from the merchants committee.

## Early Deposits Insure Better Mail Service

Postmaster S. A. Palmer said today that mailers of mail at Colorado City can often speed delivery of mail as much as a full day by depositing it earlier in the day.

Palmer explained that many local mailers, particularly businessmen, hold their mail until the end of the day and then deposit it in the post office or mail box.

## SET FOR APRIL

### Area Captains Prep For Cancer Crusade

Area captains of the Mitchell County Unit of the American Cancer Society met Wednesday afternoon to plan the forthcoming Cancer Crusade April 9.

During the meeting, coffee was served and a movie was shown on methods of conducting the crusade which will be 5 p. m. to 7 p. m.

The drive will be conducted on a house-to-house basis, said Frank Kelley, president of the local unit.

CANCER DRESSINGS—Girl Scouts of Troop 3 give assistance in preparing worker kits for the cancer crusade in April. Left to right are Barbara Echols, Judy Robertson and Ann Ryburn. About 400 of the kits were prepared.

## Benefit Movie Ticket Sales Begin Monday

Boy Scouts will meet on the court house lawn 6 p. m. Monday for a Coke party before the kick-off sales begin for the Friday benefit movie at the Ritz theater, it was announced Saturday.

Sheriff Dick Gregory will give the Coke party, it was said.

At the party, tickets will be divided among the boys and selling will begin 6:30 p. m. Boys will have one week to sell tickets. Tickets will be 25 and 50 cents.

A prize will be awarded the pack or den selling most tickets, according to Mrs. Curtis Latimer. She said also that 20 per cent of ticket receipts would be retained by each unit.

Other money will be used for buying equipment and for sending scouts to summer encampments.

The title of the movie has not been announced but it was said it would be of a family type.

## '49 Study Club Wins Honors At Convention

The 1949 Study Club of Colorado City chalked up honors during the 42nd annual convention of the Sixth District Texas Federation of Women's Clubs at Abilene Thursday and Friday.

The club won three first place slots in junior division competition and one third place berth.

Won were blue ribbons for club reports, yearbooks and press books. And a third place in the fine arts division.

Mitchell County Federation of Women's Clubs were rated first for club reports.

The Joe Saller family, recently selected as Colorado City's most outstanding family, was selected as the most outstanding family for District Six and will be entered in statewide competition.

## SUPPORTS TAX CUT

### Yarborough Speaks For Higher Parity

Senatorial candidate Ralph Yarborough here Friday spoke out for higher farm parity and increased income tax exemption for the average citizen.

And he called on neighbors to recruit neighbors to join him in a fight for clean government.

Yarborough, caught in a schedule squeeze because of plane trouble, was forced to cancel an 11:15 a. m. speech scheduled here.

He showed up one hour and 15 minutes later, though, shaking hands and apologizing for the plane breakdown. Then he spoke off-the-cuff to about 50 persons for about five minutes before hurrying west on Highway 80 to other towns along his campaign tour.

Yarborough expressed thanks for the two-to-one vote majority he received in Mitchell County last August in the governor's runoff race.

"And every day shows that vote was justified," Yarborough said, "because every day there is one new scandal, one more insurance scandal, one more insurance company fails and one more little man goes under."

"I have been fighting this for five years."

"I haven't quit. I've just begun to fight."

"We have been gaining all the time," Yarborough continued, "I ask you to get your neighbors to join in this fight April 2."

Yarborough said not one of the other five candidates in the April 2 senate race has stood up and fought for a clean-up in government as insurance, veterans land

scandals and bribe charges rock the state political scene.

"If they really wanted clean government," he said, "they would have stood up."

### Applications Zooming For Top School Job

List of applicants for Colorado City's No. 1 school administrative post is spiraling upward.

At last count school officials had been contacted by more than 30 administrators from all areas of Texas—north, south, east and west.

Not all of the group signified they definitely were applicants for the vacant position, but most are.

The large number of applicants for the superintendency, which becomes vacant officially next Sept. 1, has caused school board members to map a definite plan for checking qualifications and screening applicants.

Board members mapped the plan at Monday night's regular monthly session after commenting that they were having trouble just keeping up with phone calls and visitors, much less keeping track of the various qualifications.

Basis for the initial appraisal of the applicants will be a lengthy questionnaire, which will be submitted to all persons seeking to apply for the local post.

The questionnaire is being prepared now for distribution and, according to the board, will provide for fair and equal study of each individual applicant.

A screening committee also will

be appointed from board personnel to study the entire list of applicants. And the job of the committee will be to screen the list down into a group that will be interviewed, and studied from every angle prior to final selection of a new superintendent.

Johnny M. Moore was to name the screening committee. But since his resignation Thursday from the board, the committee will be appointed by Dr. Oscar Rhode, new board president.

It was Rhode who Monday night suggested that the board use the questionnaire plan to that information concerning applicants and study of their qualifications can be conducted on a systematic and fair basis.

### Services Said Saturday For Minnie Krop

Funeral services for Mrs. Minnie Maud Krop, 74, were 4:30 p. m. Saturday at Oak Street Baptist Church. Rev. L. L. Trott of Abilene conducted.

Mrs. Krop died Friday at the home of a son-in-law and daughter, Mr. and Mrs. Luther Lewallen, 719 Colorado St.

Born in Jack County Jan. 28, 1883, Mrs. Krop came to Mitchell County 54 years ago. She was married to Albert L. Krop in Serry County Feb. 11, 1911.

They lived in China Grove Community where she and her husband farmed until Krop's death in 1936. For the past ten years, she made her home in Colorado City.

Mrs. Krop was a member of Looney Baptist Church.

Survivors include three sons, Aubrey L. Krop of Colorado City, Earl Krop of Snyder and Harvey Krop of Dunn; three daughters, Mrs. Luther Lewallen and Mrs. Jim Wood of Colorado City and Mrs. J. C. Morgan of Snyder.

Also one brother, Mose Allen; three sisters, Mrs. Floyd Shepherd of Colorado City, Mrs. H. V. Richards of Abilene, and Mrs. Carl Halstrom of Snyder and 14 grandchildren.

Burial was in Dunn cemetery. Rev. W. D. Teague of Dunn and Rev. W. D. Green of Lorraine assisted in the services.

## BOOZE BUSINESS

### Six Persons Fined In Bootleg Roundup

Six persons charged with selling and having possession of liquor drew heavy fines in county court Friday.

Arrests were made Thursday after special agents of the state Liquor Control Board had bought alcoholic beverages from the suspects last week, said John W. Truly, inspector for the Texas Liquor Control Board.

Fined Friday were Robert Bracy charged with the sale of whisky; He entered a plea of guilty and was fined \$100 and court cost.

Arlie Kidd entered a plea of guilty of selling beer, and was fined \$100 and court cost.

Kidd, also charged with a second offense of possession of beer, drew another fine of \$200 and court cost.

Andres Valdez, charged with possession of whisky, wine and gin for sale, entered a guilty plea and was assessed \$100 and court cost.

Aurora Lujon drew a \$125 fine after pleading guilty to charges of selling alcoholic beverages in a dry county.

Manuel Lujon was fined for selling beer and drew a \$100 assessment and a 15-day jail sentence.

On a second charge of selling beer, Lujon drew a \$200 penalty.

Pilar Medrano, charged with a second offense of possession of liquor for purpose of sale, pleaded

## BOOTLEGGERS PUTS FINGER ON RECORD NEWS EDITOR

Leon Long, Record news editor, was sitting in on trials for six bootleggers at the county courthouse Friday.

The last offender, unlike the rest, declared he was innocent and cut loose on a long tirade in an effort to persuade County Attorney Frank Ginzel and Judge Sam Bullock of his purity.

In the process, Long was amused and could not restrain a smile. The defendant, apparently provoked by Long's humor, pointed an accusing finger at him and said: "You were at my house two, three nights ago trying to buy beer."

Long, somewhat abashed, denied ever seeing the man before. John Truly, investigator for the Liquor Control Board, told the accuser he must have the wrong man and that "Long works for the paper."

"Yea-yea, that's him," he cried emphatically.

## TALENT TIME

### Variety Show Billed At Wallace Tuesday

A variety show and pie sale will be presented 7:30 p. m. Tuesday at Wallace School, announced Susie Johnson, chairman.

Admission will be 25 and 50 cents, with proceeds to be used to pay for boys' basketball sweaters.

Included on the program will be Colorado High School band, and accordion solo by Jimmy Jones and James by Charla Warren and Becky Pritchett. Mrs. Jimmy Payne will be piano accompanist for Miss Pritchett.

Present Dances

Fourth grade boys of Hutchinson School, directed by Mrs. Pete Warren, will present dances.

Piano solos will be presented by Lynn Witten, Jana Mahon, Charlotte Nuckolls, Beth Wallace, under direction of Mrs. Latham.

Mrs. Olson Sweet, piano teacher, said Roberta Craddock and other students also would present piano selections.

A choral club from a Snyder school will be on hand to assist in the evening's program, it was said.

Mrs. Johnny Moore will emcee the show.

LaVonne Allen Named To Compton Honor Roll

LaVonne Allen, granddaughter of Rev. and Mrs. R. E. Wadley, Colorado City, has been named to the honor roll at Compton College, Los Angeles, Calif.

Local School Board Studies Social Security Benefit Plan

Possibility of Social Security benefits for Colorado City teachers is being studied by the school board.

Request for teachers and administrators to be placed under the Social Security program was placed before the board Monday night by Brooks Teague and Bert Scrivner, representing the Colorado City Classroom Teachers Association.

Board members, who said a dollar and cent problem was involved, tabled the request temporarily so the proposal can be studied fully before a definite decision.

Figures Show

Figures submitted by the teacher representatives showed that teachers and administrators would pay approximately \$7,000 annually under present salary schedules into the Social Security program.

For the same group Colorado Independent School District would be required to approximately \$6,963 annually.

If other school employees and lunchroom personnel were included in the program, then the payments would increase.

Officials Point

And school officials pointed out that another office clerk probably would have to be hired, adding additional expense.

Whether or not school personnel could be included in the Social Security program first must be decided by the personnel

## Les Flesner To Conduct

Jeff Taylor, Chamber of Commerce president, Saturday urged Chamber members to attend the business leaders conference slated Thursday at Civic House.

Taylor said the conference would be led by Les Flesner, district manager of southwest division of United States Chamber of Commerce. Flesner, he said, is an expert in directing this type of conference.

The conference is designed to develop aggressive business leaders and public support for sound economic policies.

"Primarily to get local business men off the defensive and equipped with facts about our economy," he said.

"Open discussion of our economy and a broader understanding of economic problems is the first step toward aggressive selling of our American competitive enterprise economy," Taylor stated.

This conference is the forerunner of discussion groups designed to develop articulate business leaders in our own community, he stated.

Similar conferences have been conducted recently at Fort Arthur, Lufkin, Big Spring, Longview, Tyler, Lafayette, La., Corsicana and Brownwood.

Taylor said the meal would be served 7:30 p. m. and that the entire affair would not last more than two hours.

Men and women are invited to the dinner-conference which Taylor said would be "informal, educational, inspirational and a lot of fun."

## Cowboy Band Schedules Concert Here April 11

Hardin-Simmons University's world-famous Cowboy Band will appear here April 11 at the High School Auditorium.

The one-night appearance is sponsored by the Colorado City Lions Club.

The 40-piece concert band and specialty acts will perform for 1 1/2 hours.

Specialty acts included harpist, vocal soloist, baton twirler and a troupe act.

The auditorium is equipped with 768 seats and we plan to bring in 150 additional chairs to bring the seating capacity to over 900 for this big attraction," said M. N. (Nap) Caddell, Lions Club President.

Pay Share

But the board chairman emphasized that the school district must be prepared to pay its share of the Social Security payments, an item that apparently will range from \$7,000 to \$10,000.

"There is no doubt the plan provides increased benefits to the teacher's family," Moore said, "but the board has a dollar and cent problem."

Dr. Oscar Rhode, who since the meeting has succeeded Moore as board president, joined Moore in stating that school officials were in sympathy with the teachers proposal.

Need Not Lead

"But in view of our financial situation," Rhode said, "I don't believe we need to lead any parade."

Scrivner and Teague said that probably it would be until August or September before a Social Security plan actually could be placed into effect here, even if it was approved now. Then the board agreed to table the proposal for additional study and a later decision.

## Turning The Spotlight In Right Direction

Importance of the individual family in nurturing Christian democracy has been told and retold since the founding of America.

But too often the true impact of that role has been lost among pretty words.

So it is refreshing and downright praiseworthy that the Texas Federation of Women's Clubs has reached out in its vast network of clubs across the state and sought to place into public spotlight some of those fine Christian families who, day in and day out, seek the better way of life.

It is a proud moment, too, for Colorado City that one of its families—Mr. and Mrs. Joe Salter and children, Jo Lynn and David—has been placed in that spotlight.

It was only last month the Salters were named by Mitchell County Federation of Women's Clubs as the outstanding family within the county. And Saturday the same family was selected as the outstanding family of District 6, Texas Federation of Women's Clubs.

District 6 encompasses a wide West Texas area from Ranger to Brownwood to Ozona to Colorado City—a fact significant within itself for any type competition.

The real significance, though, is the basis for selecting honor families by counties, districts and then the state. For the selection is based on parent participation with their children in activities and endeavor, and family participation together in recreation, church and cultural promotion.

Too often our recognition of citizenship is based upon some material gain, selecting the person who has the largest industry or makes the most money, the person who joins the most clubs or leads the parades and speaks the nicest phrases.

But here we have the honor pegged at the foundation of Christian citizenship—the family. And that's great.

There might be dozens of families here in Colorado City just like the Salters. Maybe hundreds or thousands in District 6.

And that is one of the fine things about awards like this. It honors not just the Salter family, but the Christian family on any street or rural route as long as it honestly and conscientiously seeks the better way.

Our town and our nation needs more of those kind of families whose qualities are of finer things which we can observe and from which we can learn, but which we can never buy.

So, thanks to the federation for putting the spotlight on families like this—so that we might all learn to walk a finer path.

Thad Hutcheson, the Republican candidate for Senate, was in town the other day. But his headquarters mailed out a campaign communique reporting Hutcheson had been in Colorado Springs, not Colorado City.

Which might cause some Democrat wag to say: it just goes to show that Republicans don't know whether they're coming or going.

### MOST IN HISTORY

## Livestock Markets Show Definite Gain

Texas farmers and ranchers now can sell their livestock at more markets and auction barns subject to the high standards set by the U. S. Department of Agriculture than any time in history.

So reports W. C. Ball, district supervisor, Packers and Stockyards Branch, Livestock Division, Agricultural Marketing Service, Ft. Worth.

The Tate Brothers Livestock Auction Company, Colorado City, and the Tri-County Auction, Sweetwater, along with about 50 other Texas livestock yards are now subject to these high standards spelled out by Congress in the Packers and Stockyards Act.

This law regulates the marketing of livestock in the public interest at yards operating in interstate commerce.

"Changes in railroading and trucking make it possible for

almost every auction barn to sell to buyers who ship to other states," Ball points out. "When out-of-state sales are made at any market of more than 20,000 square feet, its operations are subject to the Act."

This means that the services and facilities must be adequate, that the yardage, commission, feed and other charges must be reasonable, that all livestock be offered on the open market and sold under competitive bidding, that the weighing of livestock must be accurate and that correct accountings be furnished sellers and buyers.

Primary purpose of these regulations is to assure farmers and ranchers of fair treatment at the market place.

Beef and eggs top the U. S. Department of Agriculture's plentiful foods list for March.

These two popular and nutritious food items got the top spot after the regular monthly check on food stocks in local trade areas revealed that supplies of both were much heavier than usual for this season.

In addition to beef, good supplies of lamb and hens as well as frozen fillets of perch and halibut are also available.

The only vegetables on the March list are potatoes, canned sweet corn and pinto beans.

Rice, peanuts, peanut butter, dried prunes, milk and other dairy products round out the plentiful list for the area.

### LONG-EXPECTED DROP

## Cattle Population Shows Nine Per Cent Decrease

Cattle numbers have started down and it looks like the long expected decrease in the cattle population of the United States is here, particularly in beef animals.

John Biggs, Vernon, Texas, president of the Texas and Southwestern Cattle Raisers Association, with headquarters at Fort Worth, points out that Texas showed the largest per cent decrease of any state (9%) below 1956 except Kansas where the reduction was 11 per cent, according to the U. S. Department of Agriculture livestock inventory for Jan. 1, 1957.

This brings total cattle numbers in Texas down to 7,736,000 head. Beef cattle decreased from 7,252,000 head to 6,517,000 head and beef cows and yearling heifers decreased from 4,440,000 to 4,186,000 head. Other southwestern range states show decreases in numbers of all cattle also. Oklahoma showed a 6 per cent decrease; New Mexico, 7 per cent; Arizona, 1 per cent.

An analysis of the figures show that southern, southeastern and corn belt states have increased their cattle numbers and their beef cattle breeding herds. Texas decreased its number of beef cows 2 years old or over by 204,000 head; Kansas, 179,000; New Mexico, 71,000 and Oklahoma, 26,000. However, Mississippi had a large increase of 61,000 head; Florida, 28,000.

Only three states—Texas, Kansas and New Mexico—show fewer beef cattle this January than the average 1949-1957 period.

Biggs points out that leaders in the beef cattle industry have been striving for several years to bring about a reduction in beef cattle numbers and it looks like this year may have seen a start in the downward trend of the beef cycle.

He warns, however, that much of the reduction probably was the result of drought conditions in a large area of the range country and that good rains over much of that area may result in restocking of the now depleted ranches.

He cautions that since there is now a chance of bringing beef production more in line with demand ranchers should not become too optimistic over rains which have fallen in some areas and should proceed with caution in increasing their breeding herds.

Biggs calls attention to the 80th Annual Convention of the Texas and Southwestern Cattle Raisers Association at Houston, March 18-20, and says that many problems concerning the beef cattle industry will be discussed at this meeting of the largest

association of its kind in the country.

Land which has been placed in the Soil Bank, either the Acreage Reserve or Conservation Reserve, is still eligible for Federal cost-sharing in carrying out practices under the Agricultural Conservation Program (ACP), Tom Prater, extension farm management specialist, reminded Texas farmers this week.

File Applications. But he said, applications for cost-sharing for conservation practices must be filed with the county ASC committee before any practice is undertaken. Too, the county committee is the best source of information on practices which have been approved for ACP cost-sharing in the county for this year. Approved practices vary by counties, therefore, checking with the county committee is very important.

Applications are now being received for the 1957 ACP at most

county offices. All applications for approved practices that are received in time for inclusion under this year's program will receive equal consideration, said Prater.

Meet Provisions. If ACP practices are carried out on land placed in the Soil Bank, the Soil Bank provisions of no grazing and no harvesting must, of course, be met. Some practices which are not eligible for assistance under the Conservation Reserve are eligible under ACP, and may be carried out on Conservation Reserve land if approved by the county ASC committee. Assistance, however, cannot be given under both programs for the same practice on the same acres.

The safe bet, said Prater, is to contact the local ASC committee and find out what is available for helping conserve and build up your farm land.

### ERADICATION PROBLEM

## Hybrid Grass Poses As Serious Threat

By JOHN C. WHITE

An attempt to capitalize on a still-unperfected but potentially great agricultural advance—the Sudan-Johnson Grass hybrid—is posing a threat of serious eradication problems to unwary Texas farmers.

Sudan-Johnson Grass hybrids, still in experimental stages, are being falsely promoted as true varieties by people who somehow acquired seed from experimental crops. The product they are trying to sell is most likely a mixture of undesirable strains, containing Johnson Grass mixtures, Johnson Grass Hybrids and segregates from Johnson Grass.

Eradication. These so-called hybrids, if planted, could be at-difficult to eradicate as Johnson Grass itself.

One such "hybrid" seed, being promoted as "Perennial Sweet Sudan," is of very doubtful value since "Perennial Sweet Sudan" has not been formally released to farmers or seedsmen by the Texas Agricultural Extension Service.

The Texas Department of Agriculture Seed Laboratory has been unable to determine any difference between true Johnson Grass seed and some of the seed in question.

The Extension Service, which is working hard on the Sudan-Johnson Grass hybrid program,

hopes to have some true variety developed after this year's crop is in. Preliminary results indicate that the new hybrids will be very beneficial for grazing and hay, having uniform juiciness, sweetness and structure.

However, until such time as they are perfected and released, purchase of purported Sudan-Johnson Grass hybrids should be carefully considered to prevent probable losses in time and money.

The Paris Metro (French subway) has some de luxe cars that cost extra fare. The cars are sprayed with perfume.

# Birthday Greetings Extended To Mrs. Tartt by Relatives, Friends

By MRS. C. C. HAMILTON, Record Correspondent.  
 LORAIN Mrs. W. H. Tartt, a native Texan, who makes her home here with her son and daughter-in-law, Mr. and Mrs. G. B. Tartt, was happily surprised, March 6, when several relatives and friends called and wished her greetings on her 85th birthday.

A granddaughter, Mrs. C. R. Green, presented her with a beautiful cake, decorated with candles, which was served with coffee to guest.  
 Mrs. Tartt, born Martha Britton, at Nacogdoches, March 6, 1872, is the daughter of the late Mr. and Mrs. R. T. Britton. She was married at Nacogdoches on Dec. 3, 1886, to W. H. Tartt.

Mrs. Tartt lived at Nacogdoches all her life with the exception of five years, when she and her husband moved to Callahoun County, but returned to Nacogdoches before moving to Loraine in 1927.  
 Mr. Tartt died at their home here in April 24, 1945 and since that time she has made her home with her children, spending about six months out of each year here with her son and daughter-in-law.  
 Besides her son here, she also has three daughters, Mrs. C. F. Lee of Garrison, Mrs. O. L. Mustin of Palestine, and Mrs. H. T. Sanders of Sweetwater.

She also has ten grandchildren and ten great grandchildren.  
 Mrs. Tartt says she has been a member of the Baptist church for 75 years. She joined when she was 12 years of age. For the past few years she has been unable to attend services, because of failing health.

Among those calling on her and presenting gifts were two granddaughters in law, Mrs. Howard Tartt, Mrs. Wilmon Tartt, her granddaughter, Mrs. C. R. Green, Mrs. Bill Stribling, Mrs. Vanda Martin, Mrs. Charlie Hamilton.

Mr. and Mrs. Wilmon Tartt and daughters, Judy, Loreta and Gwen, Mr. and Mrs. Herbert Mearse and children, Mike and Jan spent last weekend at the Buchanan Lake fishing.

Mr. and Mrs. Clarence Shultz and daughters, Pat and Judy of Alvarado visited here recently with uncle and aunt, Mr. and Mrs. Ed Shultz.  
 Mrs. M. D. Hill of Stanton, who had surgery at the Stanton Hospital, recently, is said to be recovering. Her parents, Mr. and Mrs. J. E. Price, visited in Stanton with their daughter and family, recently. The Price's also visited with Mrs. Price's sister, Mrs. D. O. Rollins in the Midland Hospital, who is seriously ill.

## Chiropractors Conduct Meeting Here Sunday

Dr. Gerald Brassard of Beaumont was principal speaker at the west Texas district of Texas State Chiropractic society at a meeting here last Sunday.

# SYMBOL OF SAFETY

You never mistake the meaning of a Church spire.  
 Even to those who are cold to the ideals for which the Church stands, that finger of faith always points to something that is comforting, reassuring, safe.  
 The very presence of a Church, whether in a crowded city street or on a quiet country road, is a benediction to all, including those who are not conscious of worship.

Such an influence, with what it means to those who open their hearts to truth, is worthy of a second thought. It merits acceptance as a refuge. It commands confidence as a port in time of storm.  
 The Church deserves your support—your membership—because it affords real protection for the family whose welfare it is your duty to defend and whose proper upbringing is your solemn obligation.

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

MRS. BILLY L. HAGGERTON, nee Ila Ruth Rogers.

## Ruth Rogers Becomes Bride of Billy Haggerton in Home Rites

Miss Ila Ruth Rogers became the bride of Billy Laverne Haggerton Friday evening in the home of the bride's brother-in-law and sister, Mr. and Mrs. J. E. Conaway, at 608 Hickory St.

The bride is the daughter of Mr. and Mrs. J. M. Rogers of 642 Vine Street. Haggerton is the son of Mr. and Mrs. Sam Haggerton of Hermleigh.

Floyd J. Spivey, minister of the Church of Christ at Fifth and Elm Streets, read the double ring ceremony at 7:30 o'clock.

Background for the ceremony was centered with a foliage tree and banked on each side by a candelabra holding white tapers.

For her wedding the bride wore a dress of blue dacron and cotton. The tucked bodice was accented by white lace. The bouffant skirt was street length.

Black velvet ribbon was pinned at the neckline with a pearl brooch. The bride wore pearl ear-

rings and carried a bouquet of red rose buds with a white Bible.

Wedding music, including "I Love You Truly" and "Wedding March", was sung by Mr. and Mrs. Bobby Barnes.

Mrs. O. O. Nowell of Grand Prairie, sister of the bride, was matron of honor. She wore a navy blue linen suit, complimented by a strand of pearls, pearl earrings and a corsage of white carnations.

Mrs. Nowell wore navy blue accessories.

Wayne Claxton served as best man. Mr. and Mrs. Barnes lighted candles.

The couple was honored at a reception immediately following the ceremony.

Bridal table was covered with a lace cloth over pink and centered with an arrangement of pink rose buds. The three-tiered wedding cake was topped with a

miniature bride and groom.

The bride's sister, Mrs. John W. Boyd of Lorraine, registered guests. Her sister-in-law, Mrs. E. A. Rogers of Odessa, presided at the punch bowl. Mrs. Conaway served cake.

For their wedding trip the bride changed to light blue linen sheath dress, trimmed in navy blue linen. Completing her traveling attire were black patent accessories and a corsage of red rose buds from her bridal bouquet.

Following their honeymoon the couple will reside in Monahans where the groom is employed by Standard Oil.

The bride is a graduate of Colorado High School and was formerly employed at Randolph Air Force Base in San Antonio. Haggerton was a graduate from Hermleigh Schools and has served in the Army.

Miss Laverne Williams, to wed in June.

## Couple Reveals Wedding Plans

The engagement and approach of Miss Laverne Williams to J. C. Britton were announced Saturday by the bride-elect's parents, Mr. and Mrs. L. B. Williams of 791 East Seventh Street.

The prospective groom is the son of Mr. and Mrs. Curtis Britton of Houston.

Wedding of the betrothed couple will take place June 2 at 3 p. m. in the Northside Church of Christ.

## Demonstration Highlights HD Meeting

A demonstration by Miss Elinor Harvey Tuesday afternoon highlighted a meeting of the Fairview Home Demonstration Church in the home of Mrs. Lon Strain.

Miss Harvey, Mitchell County HD agent, demonstrated ways of restyling hats by changing their shapes and using various decorations.

Mrs. Ed Bodine, president, presided in the meeting opened with the club prayer by Mrs. James Cox.

Songs were sung during the recreational period.

Coffee, punch and cake squares were served after the program.

Guests for the afternoon were Mrs. H. A. Pond and Mrs. D. M. Womack. Members attending were Mrs. Bodine, Mrs. Cox, Mrs. Earl Hunter, Mrs. P. H. Pace, Mrs. J. C. Womack, Mrs. W. C. Berry, Mrs. C. C. Berry, Mrs. J. L. Strain, Mrs. E. T. Strain, Mrs. Preston Morris and the hostess.

Next meeting of the group will be March 28 at 2 p. m. in the home of Mrs. J. L. Strain.

## Personally Yours

By LENA BAUMANN  
Record Women's Editor

With spring just around the corner many local residents have already begun to plan their summer vacations.

But Mr. and Mrs. L. W. Patterson got a head start and have already returned from their 10-day trip.

And it sounds as if they had a wonderful time.

Beginning their vacation Mr. and Mrs. Patterson traveled to Delhi, La., where they visited with Mr. and Mrs. Nelson Sapp, former Colorado City.

Then they took the famed pilgrimage of homes tour in Natchez, Miss. The couple toured the Bellingrath Gardens in Mobile, Ala., and traveled the coastal route in their return home.

Mrs. Patterson's mother, Mrs. G. E. Timm, of Bampa, stayed here with the Patterson's 12-year-old son, Bob, while they were gone.

Mrs. Laurence Rudd is in Austin this week end visiting with daughter, Ann, a student at the University.

Mrs. Rudd told us this week that Ann has been granted and has accepted a journalism internship with the Amarillo Globe Times this summer.

The internships are granted to junior journalism students in Texas colleges and universities with top grades.

Congratulations to Mr. and Mrs. Rollin Dayton of Merket, who are parents of a son, John Dallas Dayton, who was born March 2. They also have two other children, Dana and Diana, who are twins.

Mrs. Dayton is the daughter of Mr. and Mrs. Newt Miller of Colorado City.

Jerry Caddell, son of Mr. and Mrs. M. N. Caddell finished his studies at Baylor University in Waco at mid-semester and is to report to Dallas Wednesday for assignment in U. S. Naval Reserve.

Jerry majored in journalism and minored in radio and television.

He plans to return to receive his diploma at the spring graduation exercises, if possible.

## IN ABILENE

## Girl Scout Leaders To Attend School

Nine Girl Scout leaders from Mitchell County are planning to attend a training institute Monday and Tuesday in Abilene.

Miss Mariam K. Healey, recruitment advisor of the National Girl Scout organization, will assist in training adults in methods of recruiting, selection and placing men and women who are interested in helping Girl Scouts.

She will also assist in launching a campaign to find and train adults needed to maintain Girl Scout activities in this area.

Women going from Colorado City include Mrs. John Russell, nominating committee chairman;

Mrs. Warren Costin, organization committee chairman; Mrs. Chester Hart, organization committee member.

Mrs. Bob Brannon, training committee chairman; Mrs. James E. Payne, neighborhood committee chairman; Mrs. Virgil Stone, troop consultant, and Mrs. Howard Rogers, day camp chairman.

Those from Lorraine will be Mrs. Joe Terry, first vice chairman for the Mitchell County Girl Scout Association; and Mrs. Varnell Templeton, organization committee member.

FOR SORORITY

### Miss Tharp Directs Study of 'People'

Members of the Mu Pi Chapter of Beta Sigma Phi Tuesday evening studied "Enjoyment of People" in the home of Mrs. Hazel Burdine.

Miss Sallie Tharp, program leader, traced the enjoyment of people through various stages of life.

The leader used the personal experiences of members to accomplish the text. The stages discussed by Miss Tharp were (1) childhood, (2) boys and girls (adolescents), (3) young men and women, (4) mature men and women, (5) elders, and (6) just folks.

Roll call for the business session was answered by each member telling what mean she uses for achieving her acquaintance and making new friends.

Mrs. Eula McClure, director, read a correspondence from the International Beta Sigma Phi office outlining accomplishments of the sorority during 1956.

A letter of appreciation for the local chapter's contribution of \$57 was read from the Texas Society for Crippled Children. Questionnaires from the new recreational center were distributed and filled in by each member. The group voted to distribute the questionnaires for the city to newcomers by means of the Hojdy Hack.

Sorority members voted to contribute \$15 to the American Cancer Society.

Attending the regular Mu Pi meeting were Mrs. R. D. Hull, Mrs. J. W. Bradham, Miss Elinor Harvey, Miss Mary D. Hickman, Mrs. James F. Kelley, Mrs. Wann Sparks, Mrs. McClure, Miss Tharp and Mrs. Burdine.

### Mitchell Redesignated Under Feed Programs

John M. Russell, county supervisor of Farmers Home Administration, announced Saturday that Mitchell County had been redesignated for assistance under the emergency feed grain and roughage programs.

Under this designation, farmers and ranchers may file applications through April 1 to provide feed grain and roughage for basic livestock herds through April 15.

**KEY FIGURES IN "GIANT"**—Elizabeth Taylor and the late James Dean are two main characters in "Giant" opening Wednesday for a week's run at the Palace Theatre. Other characters in the movie filmed at Marfa, Texas are Rock Hudson, Jane Withers, Mercedes McCambridge and Sal Mineo.

### OVER THREE HOURS LONG

## "Giant", Story of Texas Opens Wednesday at Palace Theatre

After more than three years in production, the George Stevens filmization of "Giant" will make its long-awaited premier Wednesday at the Palace Theatre. Elizabeth Taylor, Rock Hudson and James Dean star.

Scheduled for seven days showing at the Palace, the movie is 3 hours 18 minutes long.

Filmed on an epic scale commensurate with the novel's locale, the vast empire of Texas, "Giant" is more than a regional story of Texas and its people. It is reportedly essentially a stirring chronicle of three decades of American family life and the profound human emotions generated out of the problems of our changing times.

"Giant" has become one of the most eagerly awaited motion pictures ever to be produced. The excitement that began with Warner Bros. announcement that George Stevens was to film the Edna Ferber best-selling novel gained in ever-increasing momentum as the months of production slowly became years.

Some of the screen's most exciting stars will be seen in "Giant". Elizabeth Taylor, outspoken of as the most beautiful woman in the world plays the lead role of Leslie Benedict.

Rock Hudson, the popular actor who won acclaim in "The Magnificent Obsession," portrays Miss Taylor's husband, Bick. He is the

cornered the market on such reptiles.

James Dean, who rose to stardom in his very first motion picture, "East of Eden," for which he also won an Academy Award nomination, stars as Jett Rink, an ambitious and hard working ranch hand who by sheer energy and determination turns a small piece of property into a fulfillment of his dream for riches.

A big first in "Giant" also will be the screen debut of Carroll Baker, an exceptionally talented young actress who plays an important role in the film. Miss Baker next will be seen starring in Elia Kazan's "Baby Doll."

"Giant" also stars Jane Withers, Chill Wills, Mercedes McCambridge, and Sal Mineo. Young Mr. Mineo will be remembered for his startling portrayal in "Rebel Without a Cause," in which James Dean starred.

Hundreds of actors and actresses were called upon to fill major and minor roles in "Giant." A mansion was built in the Warner Bros. property shot at Hollywood and shipped piecemeal to Texas on flat cars for erection on a lonely stretch of desert. Oil derricks and hundreds of gallons of artificial oil were also shipped from Hollywood.

Cattle and horses by the thousands were used—and a search for two rattlesnakes were resolved in a purchase from a local snake fancier who seemingly had

# Advertisers Choose Newspapers 2 to 1 OVER ANY OTHER MEDIUM!

It takes a lot of confidence and all kinds of people to spend 2 1/2 billion dollars on advertising.

It takes everybody from big VPs to housewives with rooms to rent. It takes chain-store executives and neighborhood merchants.

It takes local business people--those who spend only their own money for ads, and those who also spend the important money contributed by manufacturers.

But most of all it takes an advertising medium that can do the job: NEWSPAPERS.

If you're a retailer or wholesaler, demand newspaper advertising before you place an order.

If you're a salesman or district manager, ask your management for newspaper advertising to move out the products you sell.

And if you're a manufacturer, remember this: IN 1951 ONE-THIRD OF ALL U.S. ADVERTISING DOLLARS WENT INTO NEWSPAPERS.

Palmer said that mail to Fort Worth, for example, would be placed in a post office box in Ft. Worth the same night if mailed before 9:25 in the morning, but would not be placed in the first post office box until the next day if mailed after that time.

"Mail which is mailed in the morning or early afternoon received the advantages of earlier dispatches," Palmer said, "as well as reducing the chances of human error on our part."

Palmer pointed out that in addition to the eastbound dispatch at 9:25 a. m., that a westbound dispatch was made at 2:25 p. m.

He added that earlier plying would allow the post office dispatchers to spread their work over a longer period of time and reduce the possibility of a last minute jam, which could delay dispatch until next day.

**Loraine Wins District Title**

LORAIN — Loraine won first place in the District 122-11 one act play contest, which was held at the Loraine lunch room, March 8, when Loraine and Hermleigh school competed in the one act competition.
