

TUESDAY AT 1:30 P. M.

8th Grade Students To Present Play

Betsy's Child, a one-act play, will be presented by Mrs. Arnel Smith's eighth grade department Tuesday afternoon at 1:30 in the Colorado City Junior High School auditorium for student body and public.

This is the story of the life in a Methodist parsonage in a small Oklahoma town, in 1914. Ministers of this time often did not get paid for several months, so the parsonage family must not only possess tact and patience, but above all, an abiding faith in a Divine Providence. At a very early age, Betsy, the 14-year-old daughter, had learned that a prayer is as natural as breathing and that God is simply her Heavenly Father. As there was never enough money for just the essentials, "blue dresses" of which Betsy dreamed were an impossibility — so she turned to God. The obvious fact that events were brought about through the loyalty of a Cherokee Indian, does not alter the fact that "God works in mysterious ways. His wonders to perform."

Abilene Artist to Teach Art Lessons

James Anderson, Abilene artist, was speaker for the Brush and Palette Club Tuesday evening in the City Recreation Building.

Anderson has received his Bachelor of Arts degree from Eastern N. M. and he will receive his Master of Arts degree from Hardin-Simmons University in August.

He is a graduate of the University of Michigan and has been a student in the Summer Art Classes at Emil Bistrom School of Art.

He is presently assistant to the art department of Hardin-Simmons University.

He has been employed by Patricia Waters Studio in Owosso, Miss., and done commercial art for the Impact Co. in Abilene.

Anderson has been represented in the Cattleman's Show in Clovis, N. M.

Following the speaker a business session was conducted with members of the

Brush and Palette club voting to employ Anderson for a period of 10 weeks instructing for art classes.

Anderson will instruct a group of 20 persons with Brush and Palette Club members having first choice for the places to be filled, however, if club members do not fill the classes it will then be open to outsiders.

The class have been scheduled to start at 7:30 p. m. in the City Recreation Building Tuesday.

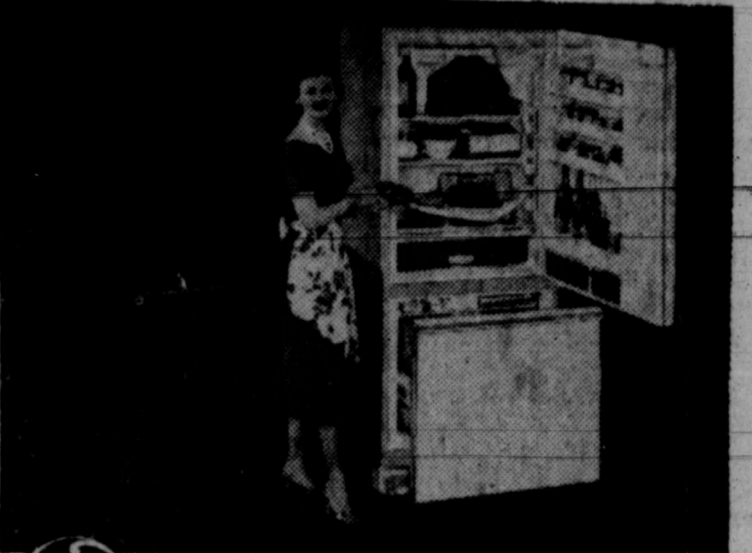

Attending the meeting were Mrs. Violet Moeser, Mrs. O.C. (Ocie) Roberts, Mrs. Chester Hart, R. H. Ratliff, Mrs. R. H. Ratliff, George Womack, Mrs. H. Jene Steakley, Mrs. Mabery Willbanks, Mrs. Dolores Melton, Mrs. Terry Keel, Mrs. Joe Bell, Mrs. Tom Barry, Ira Utz, Rene Alvarez.

Fort Worth Guests

Mr. and Mrs. John Murrell and son, Jay, of Fort Worth, visited last week end with Mrs. Murrell's mother, Mrs. Jack Smith.

Sunday the Murrell family, accompanied by Mrs. Smith, visited another daughter of Mrs. Smith, Mrs. Bryan Lawlis and family in San Angelo.

SIX-PASSENGER CAR OR STATION SEDAN ...CORVAIR IS BOTH!

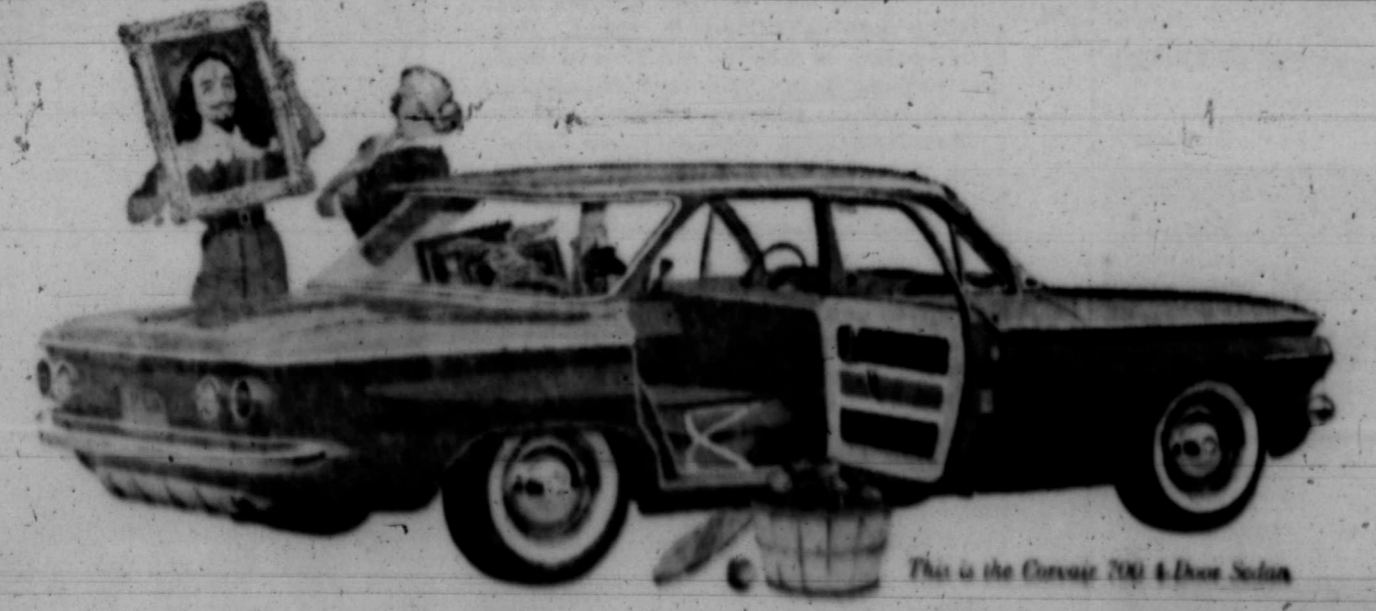

A wonderfully useful folding seat makes every Corvair two cars in one. Just one quick flip and you increase the luggage and parcel space to 28.5 cubic feet. And just as simply, you're back to comfortable six-passenger capacity. It's standard equipment . . . and extraordinarily practical.

Corvair does car-pool duty with the biggest and best of them. Going to work or school or out for the evening, you've got a genuine six-seater. As for carrying around piles of stuff instead of people, just look at Corvair's station-

sedan load space with the rear seat folded. And when that's full you can start on the trunk.

Corvair, you see, is no ordinary compact car. No others are so versatile, so ingeniously engineered—with independent suspension at all four wheels, an air-cooled rear engine that never needs water or antifreeze. You just can't compare anything else coming out these days with a Corvair. Drive one . . . soon.

Principles of Good Washing Explained to Carr HD Club

"Basic Principles of Good Washing" was the topic of discussion of the Carr Home Demonstration Club when it met in the Home Economics room of the Westbrook High School with Mrs. Cricket Taylor in charge.

Mrs. Taylor is the county home demonstration agent.

She told the group to be sure and bleed your pipes if the hot water heater is some distance from your washer. She stated that this will make your water about 140 degrees to 160 degrees.

Mrs. Taylor prepared the clothes for washing by sorting out all white cottons, linens, nylons and dacrons to be washed in the hottest water.

She told the group not to be afraid to wash your nylons in the hot water. She also explained that nylons draw out colors so be sure and wash them with an all white wash.

"Wash all dark fast colors together and all non-fast colors together," she explained.

Mrs. Taylor placed the clothes in the washer and demonstrated to the group how to divide the load equally in heat in one fourth.

"Never use over two large pieces, fold them down so there will be enough room for the clothes to move around and beat against each other,"

she stated. She said that it is best to use a 7 1/2 to 8 pound load in washing machine.

Mrs. Taylor washed the clothes in good hot water with a non-precipitating type softener to remove a soap build-up.

She told the group that to remove soiled collars, cuffs and spotty areas use one tablespoon of detergent in a cup of warm water and rub into soiled spots with a stiff brush.

Do not have the suds over 2 inches to 3 inches high she told the group.

She explained that the clothes should be clean in the first 6 minutes.

Mrs. Taylor then rinsed and placed them in an automatic dryer.

After a short time she removed the clothes while slightly damp and folded them. She then explained that this would make the clothes easier to iron.

Following the demonstration refreshments were served to Mrs. Lee Roy Gressett, Mrs. Herman Parson, Mrs. Anson Henderson, Mrs. O. L. Simpson, Mrs. Roszell Dohoney, Mrs. Taylor, Mrs. T. A. Rees, Mrs. O. J. Bohannon, Mrs. C. C. Buchanan, Mrs. D. G. Rollins, Mrs. John Lutz,

Mrs. J. L. Rees, Mrs. Ruth Airhart, Mrs. Louis Rees, Mrs. Tom Jackson, Mrs. F. A. Langley.

The next meeting will be in the home of Mrs. T. A. Rees April 1 at 2 p. m.

Mrs. Witten Hosts Circle Tuesday

Evening Circle of the First Presbyterian Church met in the home of Mrs. Roxie Witten with Mrs. C. E. Smith in charge of the program.

Mrs. Smith took her program from the eighth chapter of Romans verses 1-39.

Her topic of study was Christ the Unifying Center and under this topic she had 5 sub-topics.

These sub-topics were "Christ, therefore life," "Christ, therefore spirit," "Christ, therefore sons and heirs," "Christ, therefore suffering and glory" and "Christ, therefore a foreknown destiny."

Following the program each member entered into a discussion of how each of these sub-topics could be seen in every day life.

Miss Nellie Riordan conducted a Bible study.

She read scriptures that were related to Heaven.

Refreshments of a salad and coffee were served to Mrs. G. I. Jeffries, Mrs. E. E. Smith, Mrs. Hattie Gross, Mrs. John P. Smith, Mrs. Adolph Wood, Mrs. Fiddler, E. Lee Sr.

The next meeting will be in the home of Mrs. E. E. Smith with Mrs. Gross as program leader.

6TH IN SAN ANGELO

Track Team to B'wood Relays Event Saturday

Colorado High's track team, thin in ranks but with at least 2 promising prospects, moves to Brownwood Saturday for its third weekend competition of the young season.

Tracksters will be among the state's strongest in Brownwood's Bluebonnet Relays, a mecca for outstanding schoolboy athletes.

Coach Sam Christy's Wolves, who scored 10 points last week to finish sixth in the 2nd Annual San Angelo Relays, will be paced by junior Jerry McKay and sophomore Ken Northcutt.

McKay, the jumping specialist, is tied for the third best high jump in Texas high school competition so far this year. This was a 6' 2" leap 2 weeks ago in Snyder. Last week in San Angelo McKay tied for second with 6-even while Jerl Franklin of Abilene soared to a new S. A. Relays with 6' 7/8".

However, McKay will be in better shape for the Bluebonnet event since he was nursing an injured leg in San Angelo. The junior also may offer strong competition in the broad jump. He's been improving in the broad jump and has hit the 20 foot mark. Northcutt will enter the

shotput and discus, which he has hurled 133 feet this season. He'll also run the 440 plus a lap on the 440 yard sprint relay.

Christy's 440 sprint relay foursome in Brownwood in addition to Northcutt, will be made up of Wayne Reed, Gary Lightfoot and Randolph Cupp.

Reed, who turned in a neat 10.3 century in Snyder 2 weeks ago, will also run the 100 and 220 yard dashes.

Entered also in the 100 and 220 will be Cupp and Lightfoot.

Other C-City entries in

Brownwood will be Robert Womack, 1 of 2 seniors on the squad going to the Bluebonnet Relays, who will broad-jump and run the 800 and mile relay; Jim Womack 440 and mile relay; Joe Tarter, 180-low hurdles and 440, and John Johnson, the other senior, will run the 880 and mile relay.

Best time for the Wolves' 440-yard relay this spring is 4:46—a mark they made in Snyder. Last week in San Angelo the foursome missed a handoff and were disqualified.

C-City's sprint medley relay (440, two 220's and 880)

shotput and discus, which he has hurled 133 feet this season. He'll also run the 440 plus a lap on the 440 yard sprint relay.

Other C-City entries in

moved into top competition at San Angelo and surprised the field by finishing third behind Abilene and San Angelo. Abilene, incidentally, set a new relay record of 3:31.9, while winning first place. In the event for C-City were Northcutt, Cupp, Lightfoot and Johnson.

Abilene led at San Angelo with 70%, followed by San Angelo with 36%, Snyder with 34%, Del Rio with 24, Brownfield with 12, C-City with 10, Kermit with 9 3/4, Dumas with 8, Levelland with 4 and Killeen 2. A dozen other schools didn't scratch.

PLAY ANDREWS HERE TODAY

2 Big Innings Drop Wolves In Brownfield Duster, 12-14

Coach Ken Kearns' Colorado High baseball team hit a solid ball Tuesday afternoon, but so did the Brownfield Cubs.

The result was a 12-14 loss at the hands of Cubs in Brownfield in a game played from the second inning in a blowing sandstorm.

With their 2-run triumph, Brownfield evened its non-dis-

trict play with the Wolves. Here a week ago, the Wolves whopped the Cubs, 7 to 4, in a season opener.

Colorado City will continue its non-district competition here Friday afternoon with a game against Andrews High.

Kearns started Dickie Richardson on the mound for the Wolves Tuesday in Brownfield. Richardson, usually a fielder who was hurling for the first time in 2 years, was touched for 11 runs in the first 2 innings.

After that, Steve Hillhouse went to the mound and gave up 3 runs for the remainder of the distance.

Don Vest, the muscled shortstop, second baseman

Back to Westbrook

Steve Smith and third baseman Shorty Thomason each slammed out 2 doubles as part of the Wolves' 12-run losing attack.

Eddie Schoolcraft, the Wolves' left fielder, and catcher Jimmy Palmer drove a cross 4 runs—2 each—with their individual doubles.

Also contributing to the C-City hitting were Center fielder Danny Fisher, placed a bunt for a single, and Hillhouse, who had a 2-base hit.

Here last week in the season opener, Hillhouse gave up only 4 hits to Brownfield as the Wolves won, 7 to 4.

Big bats in the C-City success were Vest, who hit a home run in the fifth inning; Smith, who drove in 2 runs with 2 singles; Hillhouse, who helped his own cause with a double that produced a score; Fisher, who doubled and batted in 2 runs; and Palmer, who also connected for a hit.

DISTRICT MEET APRIL 8-9

9th Tracksters Lose in Big Spring

Colorado City 9th Gradeby the 8th grade track team, track team won 4 points in the track meet last Saturday in Big Spring.

Douglas Flite gained the points in the 220 and 100-yard dashes. He came in second in the 220 in 23.5 seconds for 3 points, and won fourth place in the 100 with 10.9 seconds and 1 point.

Several of the boys won in the preliminaries but were losers in the finals.

The sprint relay team, consisting of Dickie Summers, Charles Houston, Don Hairston and Flite, came in with a time of 49.2 seconds but were out of fourth place by a few tenths of a second.

The 9th Grade tracksters will journey to San Angelo Saturday for a meet that will start at 10 a. m.

The freshmen, accompanied

by the 8th grade track team, will go to Sweetwater Tuesday and compete in a track meet with Sweetwater and Snyder.

April 8-9 is the date the boys are looking forward to, according to Coach Winn Talley. These days they will be in Snyder for the District meet.

W'brook Families in Monahans, Big Spring

Mr. and Mrs. George Candler of Westbrook visited last week in Monahans with Mr. and Mrs. Charles Candler and family.

Visiting in Big Spring Sunday as guests of Mr. and Mrs. E. A. Roden were Mr. and Mrs. Lester Goswick and children of Big Spring.

District Tilt Won 23-18 by Local Team

Colorado City High School's girls volleyball team nipped Snyder 23-18 in their second district tilt Tuesday night in Colorado High Gym.

Their first district game with Snyder two weeks ago was a different story. Snyder took the first encounter by a 28-19 score.

Frances Mitchell again was high scorer for C-City in the Tuesday night game with 13 points. She was also high scorer for the game.

Others scoring for C-City were Sue Windham, 3; Pat Thomason, 1; Carol Sue Burdine, 3; Glenda Feasier, 2 and Fern Smith, 1.

Scorers for Snyder were Taylor, 3; Thompson, 2; Helen Iverson, 1; Savage, 4; Evans, 3 and Linda Iverson, 4.

The local team was to meet Sweetwater here tonight at 7 p. m. in a district game.

District schedule calls for home and home games with Lamesa and Sweetwater still to be played. The local team has lost 2 games to Snyder (1 practice) and won 2, (1 practice); beat Sweetwater 3 times in practice games, but has not met Lamesa, who boasts the strongest team in the district.

Cooperation Needed For Census Job

Advance report forms for the 1960 Census of Population and Housing are being distributed by the Post Office this week to all households in this area.

The advance report form is a new census-taking device which is designed to speed up the field canvass and provide more accurate statistics. Distribution of this form before the start of the house-to-house canvass gives the family a chance to assemble information about each member in advance of the census taker's visit. All residents are urged to fill out the forms and have them ready for the census takers when they start their rounds on April 1.

The advance report form contains seven questions about every person in the household and six questions about the household's dwelling. The household information asked for is name, address, sex, color or race, month and year of birth, whether married or single, and relationship to head of the household. The information required

about the dwelling is the number of rooms, cooking facilities, plumbing, if rented or owned.

At every fourth household, the census taker will seek the answers to additional questions covering population and housing characteristics which are being asked of a 25 per cent sample of the nation's population. The sample population questions include inquiries on country of birth, schooling, employment, income, and related items. The additional housing questions relate to rent or value of dwelling, heating equipment, water supply, and other facilities and equipment.

There should be no hesitation in filling out the blanks for information about individuals and their homes furnished to the Census Bureau is kept confidential under Federal Law. Only statistical totals and averages are published. No individual person can be identified in published reports and census information cannot be used for regulation, investigation, or taxation.

WASHINGTON REPORT

Facts Best Flow To Farm Critics

By CLINTON DAVIDSON, Special Correspondent

Shortly after the end of World War I there was a popular song that asked "How are you going to keep 'em down on the farm after they've seen Paris?"

The answer, 40 years later, is that you can't, but not because of any hankering for the gay city of Paris. There are many other reasons why farm population is decreasing at the rate of almost a million a year, but the main one is income.

The National Grange, oldest of the farm organizations, adds some other answers in a new publication it calls a "Farm Fact Kit," and subtitled "Everyone Should Know About Farmers."

The fact, though, is that the great majority of our 180 million people in this country don't know as much

as they should about the 21 million who provide the rest of us with an abundance of good food.

Comparisons seldom prove much, but the Grange has some interesting statistics to offer on farms vs. non-farm incomes.

In 1958, when net farm income amounted to \$1,066 per capita, the average family income of the rest of the population was \$2,066 per person. The total of net farm income in 1958 was \$14.2 billion. The 1959 net is estimated by the U. S. Department of Agriculture at \$11.8 billion.

The hourly income average for farm owner-operators for management and labor, the Grange reports, was 97¢ an hour in 1958, compared with \$2.13 an hour for workers in manufacturing industries. Estimated comparable figures for 1959 are 82¢ an hour for farmers, and \$2.23 for industrial workers.

Approximately 30% of farmers' income in 1958 and 1959 came from work off the farm.

Many city consumers blame price supports for high food prices. The Grange says that this isn't so, and offers figures to support that claim.

In 1951, when nearly all farm crops were supported at 90% of parity, farmers received a gross of \$20.2 billion, before deducting production costs for food that cost consumers \$46.4 billion in the grocery stores.

In 1958, when price supports were an average of 20% below 1951, farmers received 20.8 billion for producing 15% more food that cost consumers \$57.7 billion. Thus, consumers paid \$11.3 billion more for 15% more food while farmers received only \$600 million more.

Most of the added food cost was due to increases after the food left the farm. These included \$4.8 billion in increased labor charges, \$1.4 billion in higher transportation costs, and \$3.5 in business operating expenses, such as taxes, rents, etc.

Even with higher retail food costs, the average consumer this year can buy more food with income from an hour's work than at any time in the past 20 years. Percentage-wise, wages have increased more rapidly than food prices.

LOCAL BUSINESS

Sales Came from Desire for Change

By ROY V. FOX, Record Co-Publisher

Creating a desire for change is the objective of all sales work. Advertising happens to be the fastest and most economical means for changing the wants of the people.

American advertising has been criticized for its role in pressing for continuous change. Yet, no one suggests that we should give up the changes that advertising has brought about.

The critic of advertising would not be inclined to give up his own new automobile, his good health, his own automatic home appliances, or his own television set. Yet these are changes which advertising helped to bring about.

Miss Dickey Chapelle, traveler and writer, has pointed to conditions in parts of the world where there has been less pressure for change:

"More people live in huts of mud and straw than in any other type of structure.

"More people live without the help of a doctor than enjoy even rudimentary medical care.

"More people eat what they themselves grow on their own land and starve when they have no harvest than obtain food in any other fashion."

"These are things that mass production and mass selling through advertising have changed. But all of the changes have not been in material wealth.

"The same processes have brought about a desire for better books, better music, better schools and better government. In fact, the adoption of the United States Constitution represents one of the most difficult selling jobs in history; it was accomplished largely through newspaper promotion.

"So the job of creating desire for change has been continuous throughout the life of our nation.

"And whether we admit it or not, it is doing the same today. The sad part of it all, as for local business, is that sales are rung up out of town in distant cash registers when local businesses don't seek to create the desire for change here at home.

Lyndon Crowd Busy Gathering Power for State Convention

By VERN SANFORD, Texas Press Association

Texas Democrats have marked June 14 on their calendars. Austinites have circled it in red.

June 14 is the day some 5,000 Texas Democrats will converge on the Capitol City for their state convention.

It's expected to be many big days rolled into one.

It will be the first time in recent memory that the huge colorful gathering has come to Austin. A large new city auditorium and convention center makes it possible.

It's the day that comes only once every four years when Texans name delegates to a national presidential nominating convention.

But most excitement centers on the fact that Texas Democrats will be assuming what is usually a once-in-a-lifetime role—that of sponsoring a major contender for the presidential nomination.

Work is under way in every part of the state to insure that the delegates to Austin will give rousing support to Sen. Lyndon B. Johnson for favorite son nominee and chairman of the Texas delegation to Los Angeles.

Senator Johnson's chances of becoming president were re-emphasized by Gov. Price Daniel and cheered by the State Democratic Executive Committee when the party leaders met to plan the June convention.

Committee members selected Dallas for the second state Democratic convention on September 20. Their meeting also was made an occasion for honoring Mrs. Hilda Weibert of Seguin for a quarter century of loyal service to the Texas Democratic party.

A number of legislators hit the ceiling last session over similarly costly homes built for presidents of Southwest Texas State College and Stephen F. Austin State College. Restrictions were written into the current appropriations bill aimed at preventing further expenditures on such a scale.

Rep. James M. Cotten, member of the House committee on saving taxes, wrote the governor to protest what he called a "tremendous waste."

Governor Daniel said he had been assured by the chairman of the Board of Regents for State Teachers' Colleges that no action would be taken until everyone interested had had his say. He pointed out, however, that the home was to be built from constitutionally allocated funds to which the legislative appropriation restrictions "have been held not to apply."

Deadline Near For Boat Licenses

Water sports enthusiasts have become so numerous in the past few years that it has become necessary to enact safety measures to protect the fishermen, swimmers, skiers and pleasure boat operators from themselves and from each other.

The goal of Texas' new Water Safety Act, passed by the 56th Legislature, is to foster accident prevention with a minimum of regulations and a maximum of protection and freedom for all water sportsmen.

The Act provides protection in three general ways: by specifying minimum safety equipment and operational safety; by providing penalties for unsafe operation or non-compliance with the act; and by making provisions for boat identification through a numbering system.

Safety provisions of the act went

into effect August 11, 1959, but boat owners have until March 31, next week, to fulfill the identification provision which requires them to make application to the Texas Highway Department for a Certificate of Number. Application blanks are available from boat dealers and county tax collectors.

The number issued a boat owner must be painted on or attached to the hull of his boat in block characters, at least three inches high. The number must be displayed on each side of the bow and kept in legible condition.

Fees for a three-year registration are based on the class of the boat. They are as follows: Class A, less than 16 feet in length, \$1.00; Class 1, 16 to 26 feet, \$5.00; Class 2, 26 to 40 feet, \$10.00; and Class 3, 40 feet and over, \$12.50. The same number may be renewed at the end of three years.

SHINNERY PHILOSOPHER

J.A. 'Buffaloes' by Moscow's Flu Bug

Editor's note: The Shinnery Flats Philosopher on his Johnson grass farm on Bone Hollow Creek discovers a startling fact, his letter this week reveals.

Dear editor:

There are some things you read in the newspapers that are hard to believe.

For example, I was glancing over a paper last night which I kauled off and bought when I was in town earlier in the day, that's right, I bought it, and read a headline that absolutely buffaloes me.

The headline said: "Khrushchev Postpones Paris Visit Due To Flu."

Well, at first I thought maybe there was an epidemic of flu in Paris and Khrushchev was waiting for it to clear up and grinning at the French for being so backward, but when I read the article, I discovered it meant Khrushchev himself had the flu.

That floored me. You mean to say the Russians have common ailments just like the rest of the human race? I had been led to believe the Russians were immune to all disease, all feeling. All they had to do was tall a bunch of scientists to whip a given problem by the first of next month, and it was automatically whipped.

Your faithfully,
J. A.

Want a guided missile capable of hitting a pin point 5000 miles away? All Khrushchev had to say was, build it, and a month later they had one, which blasted off perfectly the first time it was fired.

Need half a million soldiers ready in the morning to "protect" Hungary from the Hungarians? Just order them up, and by sunrise there they are. Need 20,000 more scientists? Just tell the Russian schools to produce them by the end of the semester.

But this idea that the tireless Khrushchev, who knows everything about everything, can come down with the common flu, the same as you and me, throws me for a loss.

It makes a man begin to doubt that Russian science has the answer for everything, and makes him suspect that maybe somewhere back in the dark interior of that big country there are abandoned nose cones and pieces of rockets that fizzled out—the first few dozen times they were put on the launching pad.

The idea that a dictator can have the flu is positively ridiculous, but still a little encouraging.

Your faithfully,
J. A.

BIBLE COMMENT

Church's Role Is In Mapping Route

Eager to protect the morals of their congregations, many clergymen embark on extensive programs to rid local magazine stores of what they consider dangerous literature.

The traffic in obscenity is big and evil business, one that could poison the foundation of the society.

The foundation is our young people and they are the ones most influenced by anything they read or see.

Yet, as Christians, the clergy must be careful that in their zeal they do not substitute another danger and lose sight of positive moral certainty that has been learned as that which makes man a creature of God.

To condemn wholesale all books that deal with the inner instincts of man in serious literature should not be the wish of the knowledgeable religious person.

To censor without discrimination opens the church to the charge that it is operating on a negative set of values, attempting to head off all unfortunate influences instead of truly building its own influence as a bulwark against...

The church cannot head off influences by creating a glaring path before them; it must lead by its own and courageous standards for all to see, and people will follow.

Episcopal Delegation To Diocese's Council

The Second Annual Council of the Episcopal Church in the Diocese of Northwest Texas will meet in Saint Paul's Episcopal Church in Lubbock Friday, Saturday and Sunday.

Attending the council from All Saints' Episcopal Church here in Colorado City will be Merl Morgan, warden of All Saints' Church; Don Guitierrez, elected delegate (and treasurer); and Rev. Alan B. Conley, vicar of All Saints'.

The council opens Friday evening with a service of evening prayer at 8 p. m., at which time the Rt. Rev. George H. Quarterman, bishop of the diocese, will deliver his annual address to the delegates and visitors.

Following the Friday evening service, a reception will be held in the Parish Hall of St. Paul's, at which time Bishop and Mrs. Quarterman will greet the delegates in a receiving line with other clergy and lay leaders of the

diocese. The business meeting of the council will convene Saturday morning, and the delegates will be asked to approve a \$135,000 budget for diocesan and missionary activities, as well as elect delegates to the 1961 General Convention of the Episcopal Church. Also a number of diocesan officers will be elected to serve on various committees for the next year.

Coincident with the meeting of the council, the Churchwomen of the Diocese will be in session with Mrs. Richard Wistrand, president of the Women of All Saints'; and Mrs. Carey Prude, delegate (and treasurer) representing the local Episcopal Churchwomen. Also attending will be Mrs. Landon Dorn, who is Diocesan devotional chairman.

Saturday evening the Rt. Rev. C. Avery Mason, bishop of the Diocese of Dallas, will address the council banquet.

This is the golden anniversary year of an Episcopal jurisdiction in this area, and this occasion will provide the theme for the dinner.

Two services Sunday, including the installation of the officers of the Church women of the Diocese at a 7 a. m. celebration of the Holy Communion, and a 9 a. m. service of morning prayer, at which Bishop Mason will be the preacher, will conclude the council.

Nearly 300 delegates and visitors from the 35 congregations in the diocese are expected to attend the Council.

A number of unofficial delegates from All Saints' also will attend, according to Rev. Conley.

A Church Going Family Is a Happy Family

"Faith builds a bridge across the gulf..."

WITH FAITH—you're never alone

There was a man who trembled at the frowns of Fortune... until, reaching up, he touched a guiding hand.

There was a child who used to cry against the unknown terrors of the night... until an ever-shining light dispelled them.

There was a wrinkled woman wracked with anguish at her numbered days... who found warmth and comfort in the shawl of prayer.

Despair comes easily in solitude. But with Faith, you're never alone. God is your constant companion. He helps you find the courage, security and hope you need to bridge your trials.

His help is yours for the asking. You have reason to ask. So worship with your family at your church or synagogue.

FIND THE STRENGTH FOR YOUR LIFE... WORSHIP TOGETHER THIS WEEK

Banquet Tribute for Teams at Westbrook

By MRS. ALTIS CLEMMER, Record Correspondent
WESTBROOK — Parent-Teacher Association and other citizens Saturday night paid tribute to Westbrook High basketball teams and their coaches.

The tribute came at a banquet and program in the school cafeteria at 7:30 o'clock. Forty-five persons were on hand to hear Travis Livingston, principal speaker, applaud the girls' and boys' teams, and witness presentation of gifts to the coaches. Master of ceremonies was Charles Reese, outstanding senior player. Invocation was by Rev. Max Browning, minister of First Methodist Church.

Mrs. W. A. Bell, president of the PTA, welcomed the banquet audience and Marie Putman, member of the girls' team, responded for the honored guests. Musical feature was by Linda McMahan, Joyce Blakey, Linda and Loyd Hart, accompanied at the piano by Mrs. J. H. Watson.

Livingston, the banquet's principal speaker, is English teacher at Westbrook High. He has acted as interim pastor of the First Baptist Church while the pulpit was vacant during the last 2 months.

Coach Jerry Cunningham, the boys' mentor, recounted highlights of the '60 season and received a gift from the team. "Success, Won or Lost" was the topic for Linda McMahan, highest scoring member of the girls' team. Lynn Phillips, girls' team manager, took "Time Out for Appreciation" and presented a gift to Supt. Herman Parsons, girls' coach. Parsons reviewed season highlights for the girls' team. Benediction was by Rev. Ken-

eth Andress, new pastor of the First Baptist Church. The banquet room was decorated with school colors, blue and white. Centerpieces were trophies won during the season by the teams.

Committee preparing the banquet menu was Mrs. Otho Conaway, Mrs. N.J. McMahan, Mrs. Stone, Mrs. Ed Blakey, Mrs. Alvin Byrd, Mrs. J. H. Watson, Mrs. H. E. Sullivan, Mrs. Sam Oden, Mrs. McCartney and Mrs. Altis Clemmer.

Members of the girls' team who were honored guests were Linda McMahan, Marie Putman, Faye Conway, Martha Bacon, Ruth Rich, Anita Richardson, Tanya Boatright, Glenda Morris, Judy Ranne, Barbara Chambers, Glenda Reese, Jynne Ritchey, Doris Sweet, Carol Stone, Rebecca Bird, Ethyl Buchanan, Dohna Bryant, and the manager, Lynn Phillips.

In the honored group of boys' players were Charles Reese, Grady Davis, Gary Parrish, Joe Contreras, Bill Jo Bird, Laverne Sullivan, Jesse Watson, Dale Byrd, Rave Conway, Larry Raschke and manager Richard Clemmer.

Serving the banquet were Elaine Moore, Brenda Putnam and Loretta Whitehead.

Hope Class of Silver Baptist Church was entertained in the home of Mrs. Jack Denman. Fourteen members of the class were present for the social and business meeting. The hostess served refreshments of coffee, lemon icebox pie and nuts. Accompanying them on the trip were Mrs. Tom Sawyer and baby, who also live in Starr County. Mrs. Sawyer had been in Silver for a 2 week visit after her brother, Mike Hollis, was injured in an auto accident. Hollis, the son of Mr. and Mrs. Eugene Hollis, has returned to his home from the San Angelo hospital and is recuperating satisfactorily from his injuries.

'Samson and Delilah' Shows at Palace

One of Cecil B. DeMille's most tremendous film accomplishments, "Samson and Delilah" will show Sunday, Monday and Tuesday at the Palace Theatre.

The Paramount Biblical spectacle stars Victor Mature and Hedy Lamarr in the title roles, plus George Sanders, Angela Lansbury and Henry Wilcoxon heading a cast of many thousands.

Hailed as one of the master showman's most ambitious and most magnificent productions, "Samson and Delilah" won a permanent place in filmdom's hall of fame and will always be regarded as one of the most enthralling and exciting dramatizations of Old Testament lore. DeMille has staged many spectacular scenes in his motion pictures, but nothing he has ever done surpasses the destruction of the Philistine Temple by the blinded Samson. Other scenes fans will remember and want to see again are Samson's furious, single-handed assault on a thousand Philistine soldiers, his bare-handed struggle with a lion, the murderous wedding feast brawl, to mention only a few.

Basically, "Samson and Delilah" tells a powerful story of a man's fight to free his enslaved people, his betrayal by the woman he loved and his ultimate retribution. It offers the special kind of entertainment for which only DeMille had the formula, entertaining with universal appeal on a scale unequalled in the history of motion picture production.

EXCLUSIVE P.A.G. SORGHUMS LOOK GOOD IN THE FIELD. PROVE THEM FOR PERFORMANCE WHEN YOU HARVEST.

You can plant P.A.G. Sorghums with confidence. Each one has been researched, tested, and proven before it has been offered for farm plantings. These hybrids are exclusive with P.A.G. because they are the end result of extensive P.A.G. research and development. What are the main things you look for when you choose a hybrid sorghum? Standability, quick drying, easy harvest, drought and disease resistance. PLUS HIGH YIELDS. All these characteristics are carefully bred into P.A.G. Sorghums. This careful quality control pays off in your field when you plant P.A.G. Sorghums. Order now from your local P.A.G. dealer.

WITHOUT OPPONENT

Cong. Mahon Renews Pledge for Service

George Mahon, U. S. Representative for the 19th Congressional District, Thursday authorized the Record to formally announce his candidacy for re-election to another 2-year term.

The Mitchell County congressman, who is chairman of the powerful House Subcommittee on Defense Appropriations, earlier, filed for a place on the Democratic Primary ballot in all counties of the 19th District.

Mahon, whose tenure in Congress began in 1925, has no opposition on the Democratic Party ballot. This same type of popular endorsement by the voters — without an opponent — has been evidenced for several years.

"It goes without saying," Congressman Mahon said, "that I remain deeply grateful to the citizens of the 19th District for the confidence they have placed in me."

"My earnest desire always will be to serve the nation and West Texas in the manner that is right."

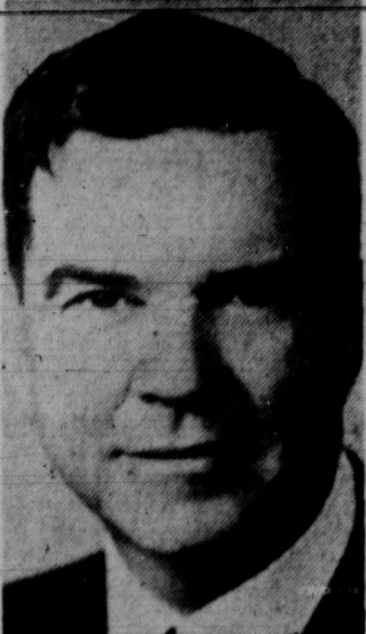

"I continue to be at your service," the former Colorado City district attorney continued, "and I will strive to be of assistance in requests which come to my office and in all legislative matters in the U. S. House of Representatives."

Mahon is ranked as one of the most influential members of the House. His seniority, as well as his forthright approach to public affairs, has earned him high prestige in Washington.

His opinion and knowledge concerning the nation's defense and defense appropriations is sought often for the nation as a whole by all media of news — newspapers, television, magazines and radio.

In his role as chairman of the House Subcommittee on Defense Appropriations, Mahon has a prominent voice in the spending of the largest single portion of the nation's budget.

He also is second ranking Democrat on the House Appropriations Committee and is especially active in all fiscal and agricultural matters.

GEORGE MAHON, states candidacy.

Danger of House Wiring Told Club

LORAINE — Dangers of inadequate wiring of houses were pointed out to members of North Loraine Home Demonstration Club, at their meeting last week.

Demonstrating the dangers was James Hull of Lone Wolf Electric Cooperative Inc.

Hull, utilizing a model house, showed the HD Club members wrong ways for a home to be wired electrically, emphasized the dangers, and then related the costly expense involved.

The semi-monthly club meeting was in the home of Mrs. Roy Wells with Mrs. Alva Bennett, president, presiding for the session.

Plans were completed for North Loraine Club, to participate as sponsors of the political candidates rally in Loraine April 30.

North Loraine and Baumann clubs will sell pie and coffee in addition to auctioning cakes at the rally. 4H Club members will sell homemade ice cream.

Refreshments were served to 11 club members — Mmes. Bud Shepherd, Raymond Wheeler, Jack Linam, Ralph Lankford, Willie Taylor, Alva Bennett, Harold Hallmark,

Floyd Richey, J. E. Price, Otis Hamrick and Mrs. Wells.

Mr. and Mrs. Lanthus Brame and childred — Ray, Don and Dian — of Irving spent the weekend here with Mrs. Brame's parents, Mr. and Mrs. Frank Brame.

Guests in the home of Mr. and Mrs. John Compton Saturday were Mr. and Mrs. A. B. Carille and daughter, Lois of Rogers and Mrs. E. D. Hagar of Sweetwater.

Sunday guests in the Compton home were Mrs. Alfred Holt of Colorado City, Mr. and Mrs. Les Duffer of Fort San, Mr. and Mrs. Jesse Williams of Sweetwater.

Mr. and Mrs. Jeff Parker visited in Abilene Sunday with his mother, Mrs. A. A. Parker.

Mr. and Mrs. Charlie Hamilton were in Andrews with their son and family, Mr. and Mrs. Leland Hamilton and children for a weekend visit.

Clawsons in Talco — Mr. and Mrs. P. E. Clawson of Westbrook are visiting in Talco this week with Mr. Clawson's mother, Mrs. J. H. Clawson.

A cordial invitation

awaits you at . . .

BIG HELP

in a small space

Combination ELECTRIC WASHER-DRYER

If your home is compact, with limited room for additional appliances, you'll welcome the space-saving convenience of an Electric Washer-Dryer. It both washes and dries clothes in one compact unit that can be installed in a width of 36 inches or less. Because of its compactness,

the Electric Washer-Dryer fits into most kitchens or utility rooms, regardless of size. In some homes today, it finds a place in the bathroom, handy to the clothes hamper and linen closets. For big help in a small space, check the advantages of an Electric Washer-Dryer!
