CELANESE TOUR — Celanese Chemical Co. top officials from New York were among a group that toured the Pampa Celanese plant yesterday afternoon. Shown here, left to right, are Dr. W. B. Liggett, vice president in charge of manufacturing, and H. K. Busch, president, as they talked with Herschel V. Wilks, local plant manager, on one of the tour stops.

New Plant Planned By Pampa Celanese

Celanese Corp. of America will build a 25-million-pound-per-year methyl ethyl ketone plant adjacent to its existing chemical plant west of Pampa. The announcement was made last night by H. K. Busch, president of Celanese Chemical Co., at a dinner given for him and other company officials by the Chamber of Commerce industrial committee in Coronado Inn. Busch came to Pampa with Dr. Gus W. Liggett, vice president in charge of manufacturing; Ed Cunningham, public relations director; all of New York, and five men and two women representing Texas newspapers and trade magazines.

No estimate of the cost of the new Pampa plant nor of the number of new employees was released. According to Busch, construction will get under way within a few weeks. He said the plant is scheduled to come on stream in the first half of 1965. The process to be employed at the new installation is based, Busch stated, upon technology unique to Celanese and will call upon the corporation's extensive research in the oxidation of hydrocarbons.

In connection with the announcement of the new Celanese plant, James H. Worth, corporate vice president in charge of chemicals and plastics, said: "In anticipation of this move, Celanese Chemical Co. has established itself as a major supplier of MEK on a resale basis. With completion of our own manufacturing facilities, we can offer our customers a steady supply of high purity MEK for a growing list of end uses. The addition of MEK also broadens the Celanese solvent line in accord with our policy of providing a diversified line of chemicals for both U.S. and export markets."

The group, accompanied by representatives of The Pampa News, toured the Pampa Celanese plant yesterday afternoon.

'\$2-DOLLAR WINDOW' — Pampa Merchants are being fogged with a storm of unusual \$2 bills after Marie Foundations here decided to pay off in deuces to give Pampans an indication of the impact on the local economy brought about by establishment of the new industry. In the photograph, bankers J. Richard Hankins of Citizens Bank and Trust, left, and Darrell Haas of First National Bank assume temporary duties in the factory's payroll line.

GOP Expects Cover On New Baker Quiz

WASHINGTON (UPI) — Senate investigators today prepared to dig deeper into the exploits of former Senate Democratic aide Bobby Baker.

Republicans charged the investigators would conceal whatever they found. After a bitter partisan fight Thursday, the Senate gave its Rules Committee an overwhelming mandate to re-open the Baker investigation. The Senate vote was 75 to 3, with Sens. Pat McNamara, D-Mich., Thurston B. Morton, R-Ky., and Hugh Scott, R-Pa., opposing the move.

City Factory Paying Off In \$2 Bills

Two dollar bills are back in style.

Pampa business firms will begin receiving \$2 bills in abundance this weekend and during the next three weeks due to the efforts of Marie Foundations, the city's newest industry.

According to Dale Greenhouse, resident manager of the women's intimate apparel factory, company employees will receive their weekly pay in \$2 denominations today and for three successive weeks.

First National Bank and Citizens Bank and Trust Co. are cooperating by having representatives to cash payroll checks at the plant. The \$2 bills were ordered from the federal reserve system especially for this occasion.

Greenhouse, speaking on behalf of Cal Fraser, president of the organization, and himself said, "We are very pleased with our operation in Pampa to date, and wish to take this means of informing the public of our contribution to the community."

Marie Foundations now employs 150 people with an average weekly payroll in excess of \$7,000. Plans call for the additional employment of approximately five new persons per week through the rest of this year.

If it comes from a hardware store we have it. Lewis Hdwe. Adv. up by Amarillo Jaycees.

Bucket Brigade To Aid Campaign

A bucket brigade to raise funds to help send the U. S. Olympic team to Tokyo will be conducted in the streets of Pampa tomorrow.

Members of the Pampa Junior Chamber of Commerce will man buckets at each street intersection in downtown Pampa between the hours of 9:30 a.m. and 3 p.m.

Sunday, a house-to-house campaign also will be conducted by the Jaycees in an effort to make the \$10,000 goal. The money will be turned over to an armored truck at the intersection of Highways 66 and 70 the first part of the week.

The armored truck will follow a torch being carried from coast-to-coast by Jaycee Clubs. The Pampa club will be responsible for carrying the torch from Highways 66 and 70 to Conway, where it will be picked up by Amarillo Jaycees.

As of noon Friday, a total of 80 area youngsters had entered the seven different events. The second rodeo performance is scheduled for 2 p.m. Sunday.

The rodeo, sponsored by the Pampa Jaycees, is open for contestants between the ages of 14 and 18 with trophies given to the winners of each event. Tickets will be available at the gate and cost \$1.25 for adults and 50 cents for children. (Photo on Page 3.)

Wild and wooly rodeo action kicks off in Pampa tomorrow with the first performance of the Pampa Junior Rodeo scheduled for 8 p.m. in Recreation Park.

LBJ Gets Old Friend for Texas Chief

AUSTIN (UPI) — President Johnson gained an old friend to campaign for him in Texas Thursday and apparently lost another one — Gov. John Connally — as a national campaigner.

Connally announced the appointment of William Hunter McLean, chairman of the State Insurance Board, as Texas campaign manager for the Johnson-Humphrey ticket.

Connally at the same time virtually removed himself from any major role in the national campaign, but said he may accept some out-of-state speaking engagements for the national ticket.

Johnson said last month Connally would have "an important role" in the campaign. "I have no precise role in the (President's) campaign," Connally said, "and I don't know that I will have. I'm going to be active first in my own campaign."

Connally said "the President is delighted with the choice of Mr. McLean. He has been a friend and supporter of President Johnson for many years. He was active in politics in Fort Worth and he is a man in whom I have the greatest confidence."

Cool Snap Welcomes Official Felt Hat Day

Blustery, foggy weather fittingly ushered in official Felt Hat Day for Pampa and summer-tired straw toppers drooped from the light early morning rain.

Clothing merchants featured new fall headgear for men over the city and the cool snap quickened buying.

New styles indicate a continued trend to narrow brims and flattering crowns.

Two Injured in Crash of Plane During Search

80-Year-Old Wellington Woman Found Near McClellan Creek

A search for a missing elderly woman near McLean yesterday afternoon when one of the search planes crashed into a parked car.

Approximately 50 men, including 20 horseback riders, several National Guardsmen, and four airplanes, were summoned to search an area about five miles from McLean for an 80-year-old Wellington woman.

One of the airplanes, piloted by Bill Dambaucher of Wellington, was attempting to land on Highway 273 when one wing caught on a pickup and slung the airplane into a parked vehicle.

Louis Edward 53, of Dallas was standing near his vehicle when the airplane slammed into it.

Both Dambaucher and Edwards were taken to the hospital and were listed in good condition today.

About the same time as the accident, searchers found Mrs. W. R. Orr in the McClellan Creek riverbed.

She had left Wellington Wednesday to visit a relative near McLean and apparently had a lapse of memory, according to officers, and parked her vehicle near a gravel pit.

When she was reported missing and officers found her car, a search party was formed about noon to comb the area. She was found about 5:00 p.m. lying in the creek and was taken to a Wellington hospital for observation.

Pampa Highway Patrolmen Standley Schneider and Paul Geiser were members of the search party that located Mrs. Orr.

MONTAGU KINGSMILL BROWN

Connally Admits DPS Studying Yarborough

AUSTIN (UPI) — Gov. John Connally Thursday confirmed that the Department of Public Safety is investigating charges that Sen. Ralph Yarborough accepted \$50,000 from convicted swindler Billie Sol Estes.

But Connally refused to say whether he ordered the investigation.

The Justice Department has already said its investigators could find no evidence to back up the accusation.

Connally was asked about it three times at a news conference. "I wouldn't care to comment," he said, adding "it's been a long standing policy of the DPS that no statements are made until an investigation is completed."

The Dallas Morning News, which made the original charge, said in today's editions that DPS director Col. Homer Garrison and two DPS investigators gave Connally a briefing on the progress of the investigation.

The DPS also refused to comment. The News said it had learned that James Fonville, a former Dallas and Midland, Tex., policeman, was given a lie detector test by the DPS. The newspaper said the test showed Fonville was telling the truth when he said he saw Estes hand Yarborough the \$50,000 on Nov. 6, 1960.

Not Available. Yarborough, who is opposed in the November senatorial election by Republican George Bush, a Houston oilman, has denied taking the money.

Yarborough was not available for comment on the governor's stand.

The Justice Department said on Sept. 1, after the charge became a political football in the Democratic primary, that the FBI had investigated and found "no credible testimony" to support the story that Yarborough took the money from Estes.

Yarborough has said the DPS had no right to investigate "discredited charges."

Admits Lie. Fonville had said earlier he would take a lie detector test only if Yarborough took one.

Funeral Set for Saturday

Montagu Kingsmill Brown, 86-year-old philanthropist and one of Pampa's early pioneers, died in Highland General Hospital at 8:37 p.m. yesterday three hours after he was injured in a head-on automobile collision at N. Hobart St. and Coronado Dr.

Police said the Lincoln Continental driven by Mr. Brown was in a collision with a 1964 Chevrolet, driven by Don Michael Cobb, 17, of 408 N. Nelson.

According to police, Mr. Brown was headed north on Hobart and making a left turn into Coronado Dr. He was on his way to the Coronado Inn where he lived. Young Cobb's car was going south on Hobart.

Both injured men were taken to Highland General Hospital in Duenkel - Carmichael ambulances.

Young Cobb, a Pampa High School student, suffered severe lacerations and body bruises but no broken bones, according to hospital reports. He was listed in good condition this forenoon.

Mr. Brown at first was reported doing well, but suffered a sudden turn for the worse about 8 o'clock and died a half hour later.

Public funeral services will be held at 3 p.m. Saturday in St. Matthews Episcopal Church with the Rev. Fr. William West officiating.

A Holy Communion service will be held for Mr. Brown at 10 a.m. Saturday in the Church for friends who wish to pay him special tribute.

The body will lie in state at the Duenkel Carmichael Funeral Home until 2:30 p.m. tomorrow.

Mr. Brown left a letter with arrangements for his funeral. He made the request that no floral tributes be sent. Instead he asked that any who wished could contribute to the charity of their choice.

In the letter he requested that staunch and close friends take their seats at the service immediately behind the pallbearers. He also asked that pallbearers be members of the Adobe Walls Boy Scouts.

The active pallbearers will be eight Eagle Scouts, all from Pampa. They are David Cain, John Curry, John Elder, Keith Griffith, Jim Shelhamer, George Snell Jr., San Williams and Sam Waters.

The accident was Pampa's first traffic fatality in 893 days and the second for Gray County this year.

DON CONLEY
to retire

Don Conley of Cabot to Retire After 33 Years

Don M. Conley, director of safety and insurance for Cabot announced his retirement effective Sept. 30. He has been employed by Cabot for over 33 years.

Conley came to Panama in 1927 and was one of the three first Cabot employees in the Panhandle. Born in Parsons, Va., (his father was at one time governor of the state), he was raised in Charleston and attended the University of West Virginia at Morgantown.

Having begun in safety work for Cabot in 1929, Don has continuously headed the Safety and Insurance Department except for 15 months in the early 1930's when he was not associated with the Company.

Conley worked with others in organizing the first group of professional safety men in the Panhandle. The initial group later became the Panhandle Personnel Association, from which the present Panhandle Chapter of the American Society of Safety Engineers subsequently branched.

Prior to the formation of the Panhandle ASSE group, he was a member of the Southwest Chapter of ASSE in Dallas. He organized the first Traffic Safety Commission in Panama.

Conley is one of the charter members of the Texas Safety Association and, has served on the executive committee of that body every year but two since its inception. He is also a past chairman of the industrial section of TSA, as well as other safety and insurance associations.

During World War II, Don served as a "dollar-a-year" man for the Department of Labor as a special agent in health and safety and investigated government projects from Fort Worth to the upper Oklahoma Panhandle and throughout New Mexico. He also was a member of the local ration board during that time.

A 32nd degree Mason, Conley is also president of the board of managers of Highland General Hospital in Panama.

CONTRIBUTE TO LIBRARY
DUESSELDORF, Germany (UPI) — The West German Trade Federation will donate \$75,000 to the Kennedy Memorial Library in Cambridge, Mass., a federation spokesman said Wednesday.

'Zizi' Shows Here To Capacity Crowd

By JERRY WHITTEN
Opening the Panama Community Concert Season of 1964-65, the dazzling Hit French Revue starring Zizi Jeanmaire played to a capacity audience Thursday evening at Panama Junior High School auditorium.

The show was designed and directed by the internationally famous choreographer and dancer Roland Petit who since

1948 has had his own highly successful Ballet Company in Paris. The French Revue, with thirteen soloists, the Roland Petit Corps de Ballet and orchestra, is however a departure from Classical Ballet. It is rather a skillfully integrated nightclub type extravaganza, using classically trained dancers and employing some traditional ballet movements.

Jeanmaire, in private life the wife of Roland Petit, was partnered by principal dancer, Felix Blaszk, whom she is introducing in this revue. Blaszk, who dances with considerable technical aplomb, is a sensitive performer and a very capable partner for Mademoiselle Jeanmaire.

The two - hour program was

well balanced and comfortably paced. Receiving special praise should be the Ballet Sketches or Pastiches entitled Scaramouche, to the music of Darius Milhaud; Farantelle, music of Rossini; and Espana to Emmanuel Chabrier's orchestral work of the same name. These three pieces were closer to classical ballet than any others.

Everything on stage was plummed and feathered luxuriously. The musical score was written and conducted by Michel Menthon, the superb Pianist - Conductor to whom much credit for a fine performance is due.

Profiting immeasurably by the genius of Yves St. Laurent, the current proprietor and designer of the House of Dior in Paris, the costuming for the en-

Quotes From The News

By United Press International
Detroit—United Auto Workers President Walter P. Reuther explaining the union's philosophy behind the historic \$400 a month at age 60 pension agreement with Chrysler Corp.:

"We didn't want to make early retirement compulsory. We wanted to persuade him to retire with attractive benefits."

Washington — U.S. Ambassador Maxwell D. Taylor assessing the future of South Viet Nam anti-guerrilla war:

"I have every hope to feel we can get over the political crisis without accepting a setback in the goals we have set."

Seattle — Republican presidential candidate Barry Goldwater giving his personal appraisal of the foreign-policy posture of the Johnson administration:

"If an element of foreign policy hurts Lyndon Johnson's election chances, forget it. If it helps his election chances, assign 10 press agents to it."

SUTTON-AT-HOME, England — The Rev. Caryl Sampson, an Anglican vicar, on discovering a nude teen-aged girl sitting in his garden:

"I'm sorry, my dear, but this is my vicarage garden and not the Garden of Eden. You must go."

Lions Club Hears Talk About Tour

The Lion's Thursday program was conducted by Richard Bowers, who recently made a trip to Europe on a farm tour.

It was a people-to-people goodwill trip, Bowers explained, and the tour went into several Communist countries. Comparisons were made of the farms and methods of operations. Bowers showed slides of the state-owned farms in East Germany, Czechoslovakia and Hungary. The group also went to Scotland, England, France, Belgium and West Germany.

Dora Dies Down To Fast Breeze

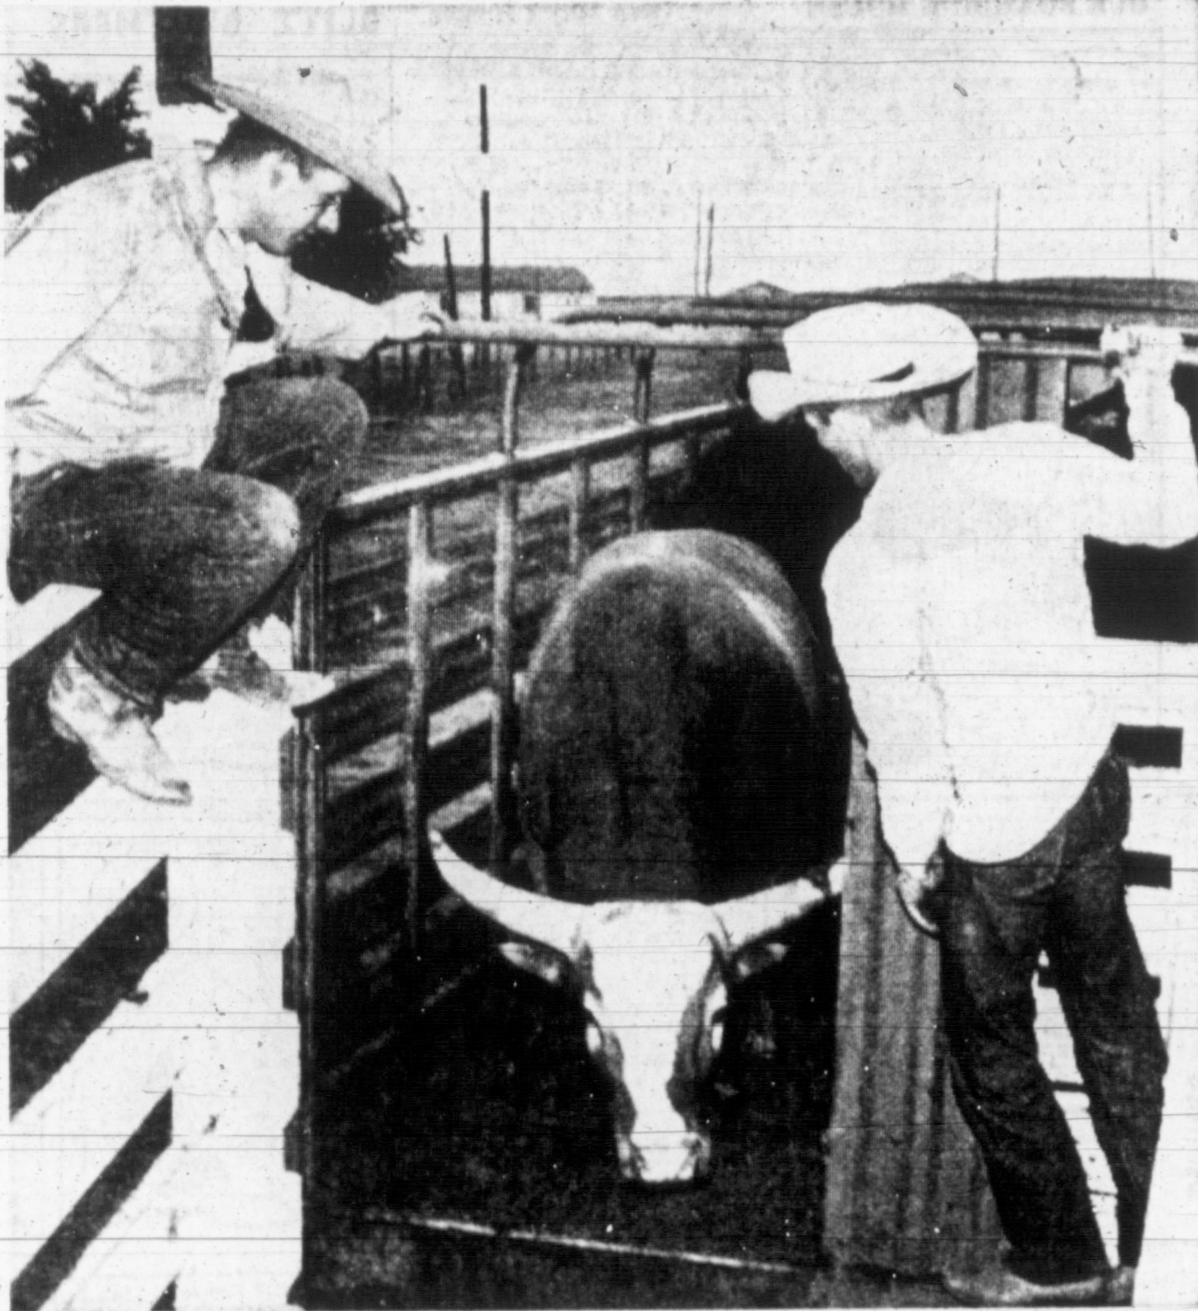

TALLAHASSEE, Fla. (UPI) — Former hurricane Dora blustered around the Florida Panhandle today in its dying throes. A new hurricane far out in the Atlantic was watched by the residents of the battered Florida-Georgia Atlantic coastline.

Dora, downgraded to tropical storm status, was centered at 10 a.m. EDT about 60 miles north of Apalachicola, Fla. Its wind had diminished to 45 miles an hour in squalls occurring over the Gulf of Mexico.

A broad stretch of northwest Florida, south Georgia and south Alabama was soaked by Dora's rains. Up to 10 inches were expected.

New Orleans forecasters said Dora, which left thousands homeless and millions of dollars in property damage in lumbering across Florida after striking the Atlantic coastline near St. Augustine, would move gradually to the west-northwest.

MILITARY ACRES

WASHINGTON (UPI) — The Defense Department says that about half of the 32 million federal acres under military control are being devoted in part to conservation and outdoor recreational purposes.

The number of visitors on such lands during the year that ended July 1 totaled 1,443,580, compared to 592,230 the previous year, the department said Thursday.

Quiz

(Continued From Page 1)
not know when the investigation would start. He said he would have to go over the debate before formulating the committee's plans.

Jordan was not ready to say whether he would regroup the special investigators who conducted the previous seven-month inquiry into the business and financial interests of Baker. It was possible he would begin the investigation with the regular committee staff.

Sen. Carl T. Curtis, R-Neb., the ranking Republican on the committee, predicted "they will do nothing."

An attempt to sidetrack the investigation to the government operations committee failed, partly because its chairman, Sen. John L. McClellan, D-Ark., rejected the idea.

Proposals to allow the Republicans to call any witnesses they wanted, without committee approval, and to hold open hearings on all witnesses, were turned back on roll call votes.

One amendment, proposed by Sen. John J. Williams, R-Del., was accepted. It would broaden the scope of the investigation to include senators and ex-senators thereby opening the possibility of inquiries concerning President Johnson.

PISA CONTEST
MOSCOW (UPI) — Russian engineers are at work on plans to save the leaning tower of Pisa from leaning too much, the official news agency Tass said today.
Tass said Italian authorities soon will open a contest for the best way to save the tilting tower and that Soviet engineers are working on ideas to be submitted.

Agriculture Dept. Extends Haying, Grazing Deadline

WASHINGTON — Rep. Walter Rogers, Pampa Congressman, announced today the Department of Agriculture has offered haying and grazing privileges through Oct. 31 to farmers and ranchers in six Panhandle counties.

The six, all in Rogers' 18th Congressional District, are Lipscomb, Moore, Hartley, Hemphill, Ochiltree and Roberts.

Arrangements for the privileges are to be made through ASCS county committees.

Quirks In The News

PEACH TREES STOLEN
PUEBLO, Colo. (UPI) — Leonard Carlo discovered someone stole 10 of the 16 peaches on a tree behind the pool hall he operates. He also found two \$1 bills in the grass under the tree.

Carlo said the money must have been dropped accidentally. At current prices, the thief could have bought about 10 pounds of peaches for \$2.

RECKLESS BICYCLER
DENVER (UPI) — Joseph Herrman, 10, was fined \$30 Thursday for running a stop sign on his bicycle and smashing into a car.

Municipal Judge Dan Diamond suspended all but \$5 of the fine when the boy said he would pay it "out of my own money."

CONFUSES NAMES
KUALA LUMPUR (UPI) — Malaysia's parliament was stunned Wednesday when Prime Minister Tengku Abdul Rahman likened his bitter enemy, Indonesian President Sukarno, to a "modern Nehru."

When he realized that he had used the name of the late Indian leader, Rahman hastily added, "I mean Nero, that Roman scoundrel."

In fact, said Rahman, "he is a bigger scoundrel than that Roman one." Sukarno has threatened to crush the year-old Malaysian federation.

GUMS UP SAUSAGE
BATH, England (UPI) — A British sausage making firm was fined \$56 Wednesday after a woman reported she found a piece of chewing gum in one of their sausages.

57TH YEAR THE PAMPA DAILY NEWS FRIDAY, SEPTEMBER 11, 1964 5

MUSIC TEACHERS — New officers serving the Pampa Music Teachers Assn., are pictured, seated left to right, Mrs. W. H. Fuller, president, and Mrs. Charles Parr, treasurer. Standing left to right Mrs. Fidelia Yoder, secretary, and Mrs. Calvin Watley, vice president. Not pictured is Tracy D. Cary, historian.

Pampa Music Teachers Association Resumes Activities With Coffee

Pampa Music Teachers Association met for the first meeting of the new year on Tuesday morning for a coffee in the City Club Room.

Mrs. W. H. Fuller, president, presided at the meeting and welcomed all members to the activities of the new year.

Special announcement was made concerning the October meeting which is to be a Parent's Reception in Lovett Memorial Library with Fred Stockdale as speaker.

The program for the morning opened with two violin numbers played by Mrs. Evelyn Price with Mrs. Fidelia Yoder at the piano. The musical selections were "Hungarian Dance No. 5" by Brahms, and "Slavonic Fantasia" by Dvorak - Kreisler.

Mrs. Yoder then gave a report of her trip to the State

Music Teachers Convention which she attended during the summer. The convention was held in Brownsville, and was followed by a post-convention trip to Mexico City. After the conclusion of her talk, Mrs. Yoder showed slides taken at Brownsville and Mexico City to the group.

Hostesses for the coffee were members of the executive committee, Mrs. Fuller, Mrs. Yoder, Mrs. Calvin Whately and Mrs. Charles Parr. A lovely basket of artificial fruit decorated the table which was covered with a yellow cloth and appointed with yellow and white napkins.

Others attending were Mrs. W. M. Cooper, Mrs. Ramon Wilson, Mrs. Mary Harris, Tracy Cary, Mrs. Carl Shafer and Mrs. Price.

Brief History Presented to El Progresso Club

Mrs. V. J. Drew, president of El Progresso Club, presented a brief history of El Progresso, organized in 1923 and the oldest federated study club in Pampa, to members when they met to open the new club year.

The group met at noon Sept. 3 in the Cibola Room of Colorado Inn for a luncheon and program.

Mrs. George Walstead, the club's only charter member, commented on the day the club was organized and told of the blizzard on that day.

Mrs. Verl Hagaman, vice president and program chairman, gave a preview of the program of study for the new year which is "Fine Arts."

Table appointments were objects pertaining to the programs for the year. A bust of Mozart — "Classical Music," Praying Hands — "Christ and the Fine Arts," Old Book of Poems — "Poetry," World globe — "World's Fair," antique easel with picture — "Art," Celanese tank car — "Interior Decorating via Celanese," ballerina doll — "Dance," and violin — "Romantic Music," Ivy

was entwined about the objects and down the center of the table. The head table was centered with an arrangement of garden flowers.

Corsages of pink carnations, club flower, were presented to Mrs. W. R. Ewing, club member since 1932, Mrs. D. V. Burton, club member since 1940 and "Woman of the Year" this year, and Mrs. Walstead.

One guest, Mrs. F. D. McMurry of New Orleans, La., and 20 members were present.

El Progresso will meet next at 2:30 p.m. Sept. 22 in the home of Mrs. Carlton Nance.

Dear Abby....

Shock Always Comes To Jolt-Proof Women

By ABIGAIL VAN BUREN

DEAR ABBY: I am married. He's married. Through working together we fell in love. Or I did. It's the same old story. I was old enough to know what I was doing and so was he. Before long, the mutual attraction became stronger than we could control. He convinced me that we could share our love without hurting our families. For a while I never knew such happiness could be had on earth. Suddenly he cast me aside as nonchalantly as you would a banana peel. He told me that I was immoral and unworthy to be called a wife and mother, and that I should change my way of living etc., etc. I had never succumbed to a man's charms before, and I never will again. But maybe if you published this it might prevent some other woman from making the same mistake. Thank you for letting me unburden to you. There is no one else I could tell.

A DEVOTED FAN

DEAR FAN: Sadly enough, my publishing your letter probably will not jolt one woman who is having an affair. (They are jolt - proof.) But it may cushion the shock when it finally comes — as it always does.

DEAR ABBY: I would like your opinion of a sister who tells everyone she has no sisters or brothers — that they are all dead? She also tells people that her parents are dead. The truth is she has a living mother and she also has three sisters and two brothers who are living. The ironic part of this whole situation is that she is the only one in the family did the most for. Why is it that the one you do everything for always hurts

SNUBBED

DEAR SNUBBED: Some people never forgive you for what you do for them because they can't bear the burden of indebtedness. It's easier for your sister to bury the whole family with one sentence than to acknowledge their help.

DEAR ABBY: I have a very dear friend who lives at the other end of town so we don't get to see each other as often as we'd like, but we talk on the phone almost every day. When I call her I always ask if she's busy and she says no. But she is forever running to watch something she has on the stove, or else she is trying to keep an eye on the children while talking to me. This just about drives me crazy. Would I tell her that those interruptions bother me? I don't want to hurt her feelings.

TELEPHONE FRIEND

DEAR FRIEND: Why not ask your friend to call YOU when she is able to converse without interruption?

CONFIDENTIAL TO "WILLIAM IN BALTIMORE." He who desires to achieve success must not be afraid of criticism; for fear of criticism is the kiss of death in the courtship of achievement.

Problems? Write to ABBY, Box 69700, Los Angeles, Calif. For a personal reply, enclose a stamped, self-addressed envelope.

Mrs. Moore Hosts Violet Society

Pampa African Violet Society met recently in the home of Mrs. Lee Moore, 915 Duncan.

The meeting was opened with Mrs. Holly Gray, reading the Club Collect.

Mrs. V. N. Osborne, president, presided during the business meeting. Mrs. Charles Glison read the minutes of the July meeting and reported on the party held in August. Plans were made to enter a display in the Amarillo Chrysanthemum Show, to be held in Amarillo in Oct. Mrs. Osborne was asked for an African Violet display at that time, in connection with their Fall show.

Miss Mary McKamy, program chairman, held a "Question and Answer" session, each member giving their favorite method of sterilizing the pots, favorite mixtures of soil, type of fertilizers, and best ways to light the plant stands.

Meeting was closed with exchange of gifts, and a social hour was held.

Those attending were Mmes. Norman Walberg, Willie Rheudasil, Charles Glison, Holly Gray, R. F. Dirksen, J. E. Carlson, Marion Roberts, V. N. Osborne, C. C. Matheny, Lee Moore, and Miss Mary McKamy.

Luncheon and Play Start Civic Culture Club Year

NEW OFFICERS — Civic Culture Club began the new club year last Tuesday with a luncheon. Officers for the year are pictured, standing left to right, Mrs. W. J. Morris, membership chairman; Mrs. R. E. Dauer, reporter; Mrs. H. S. Alexander, parliamentarian; and Mrs. George Neef, vice president. Seated, left to right, Mrs. Emmett M. Osborne, president and Mrs. A. C. Houchin, corresponding secretary. Officers not pictured are Mrs. Frank Grantham, recording secretary, and Mrs. K. A. Sorenson, parliamentarian.

Mrs. George Neef was hostess to the Civic Culture Club in her home at 2545 Christine when the group opened its new club year with a salad luncheon and program at 1 o'clock Tuesday.

Tables were covered with white linen cloths, and centered with orchid and white centerpieces of styrofoam containing white papers and miniature or child wheels depicting the club's theme for the year "Wheels of Progress." Individual p.l.a.c.e. cards were also decorated with

miniature orchid wheels. The program was a three-act play, based on history records showing the part played by women's club movement in obtaining women's independence.

As a member of the General Federation of Women's Clubs, it is fitting that Civic Culture members become better acquainted with the founder of this movement, Jennie Juné, March known as "Jennie Juné, Mother of women's clubs." On March 9, 1868 Mrs. Croly gave a tea

in her home for a group of friends with the hope of organizing a club for women.

Taking part in the play was Mmes. A. D. Hills, Carl Axelson, J. B. Townsend, H. S. Alexander, W. F. Morris and Emmett Osborne.

Members present in addition to the above mentioned were Mmes. R. E. Dauer, A. C. Houchin, W. C. Scott, Emmett Gee and Mrs. Neef.

Civic Culture Club will meet next at 2:30 p.m. Sept. 22 in the home of Mrs. J. B. Townsend.

ABWA Plans Hand of Friendship Tea

American Business Women's Association met Sept. 8 at Harvester Pit Bar-B-Que. Mary Lee Wright presided.

Third Session Promises To Be Most Productive

By LOUIS CASSELS
United Press International

The third session of the Vatican Ecumenical Council, which will get underway Monday, promises to be the most productive yet.

More than 2,500 Catholic bishops from all parts of the world are in Rome to take part in the council deliberations which probably will continue until late November.

The council fathers are expected to complete action on at least five major decrees at this session. By contrast, the first two sessions of the council, in 1962 and 1963, produced only one important document, dealing with liturgical reform.

Things will move faster this fall for two reasons. Pope Paul VI has modified council rules to curb repetitious speeches. And most of the items on the agenda have already been debated extensively.

The first order of business is to finish work on the historic document entitled "De Ecclesia" (Of The Church) which the fathers discussed for six weeks last fall. It contains the assertion that supreme authority in the church is not vested in the Pope alone, but in the whole "college" of bishops with the Pope as their head.

Won Support
This is the so-called "doctrine of collegiality" which won overwhelming endorsement of the fathers on a test vote last Oct. 30. Its importance lies in the fact that it would restore the office of bishop to the dignity it enjoyed in the early church and arrest the ever-greater centralization of authority in the Pope which has been the dominant trend in Catholic polity since the council of Trent.

It should be noted, however, that "De Ecclesia" does not water down the concept of papal infallibility. On the contrary, it reaffirms that controversial doctrine in precisely the same words used by the first Vatican council in 1870.

The document on the church contains two other sections of great significance. One would restore the ancient order of deacons, as a permanent ordained office in the Catholic clergy. Deacons, who might be married or unmarried, could administer baptism, conduct worship services, funerals and baptisms in areas where there is an acute shortage of priests.

Sermon Topic Set

The life of Abraham will be reviewed Sunday at Christian Science church to show how "faith is the substance of things hoped for, the evidence of things not seen" (Heb. 11).

The subject of the Bible Lesson is "Substance," and the evening will be Aaron Backus, Pastor of West Side Baptist Church of Wichita Falls.

They could not celebrate the mass.

To Discuss Mary
The other section deals with the Virgin Mary. Its contents are still secret. But high church officials are hopeful that it will satisfy the council fathers who want a strong statement of devotion to Mary, without upsetting those who are opposed to any further development of Marian theology in the direction of proclaiming the mother of Jesus to be "co-redemptrix" with her Son.

The second document on the agenda deals with "the pastoral duties of bishops." Like "De Ecclesia," it was debated at length last fall and was the subject of sharp dispute between progressives and conservatives. The most controversial sections are those which attempt to define the relationship between a bishop and the Vatican bureaucracy, especially the holy office. This document would provide for a considerable decentralization of power in the church, permitting local bishops to decide many questions which now must be referred to Rome.

After dealing with these internal concerns, the council fathers will turn their attention outward to the non-Catholic world. Third on their agenda is a document on Christian unity, which was debated last fall and which is sure of overwhelming approval. It goes farther than the Catholic church has ever gone before in acknowledging the presence of an authentic Christian spirit in other churches. One of its practical results may be to permit Catholics to

Rev. Upshaw to Continue Series On Bible Prophet

Rev. T. O. Upshaw, pastor of Central Baptist Church, has begun a series of messages from the prophecy of Amos. Last Sunday he spoke on "Amos, God's Man for the Hour." At the 11 a. m. worship Sunday he will continue this series of messages speaking on the subject "Privilege Demands Responsibility." Jerry Baxter, a Senior at Baylor, will sing for the morning service.

At the evening service Pastor Upshaw has been preaching on the Miracles of Jesus. This Sunday evening he will speak on the subject "How wide is your Boat." The special music will be brought by Sara James and Jon Speck.

The Sunday School forces of Central will participate in Sunday School Action Night, Tuesday, at First Baptist Church, Skellytown. This meeting will feature age group conferences, and the featured speaker of the evening will be Aaron Backus, Pastor of West Side Baptist Church of Wichita Falls.

take part in joint worship services on certain occasions.

Foreign News Commentary

LPI Foreign News Analyst
Italian Communist leader Palmiro Togliatti's political last will and testament was interesting because it told Soviet leader Khrushchev to stick to his knitting inside the Soviet Union and let other Communist parties outside the Soviet Union develop as they will.

It also informed Khrushchev that, whatever his own ideas, he was no competent critic of art, music, literature or science. The 4,500-word document written only a short time before Togliatti's death near Yalta in mid-August was especially interesting since it was the most outspoken inner party criticism yet made public of the Kremlin leadership in its quarrel with Red China and by a man who had managed to weather all the trunns in Red leadership from Stalin to Khrushchev.

Togliatti had been a friend and admirer of Stalin and was himself regarded as a Stalinist. He firmly supported the Soviets when they crushed the Hungarian revolt of 1956.

Embraced Coexistence
Yet he also managed to embrace the Khrushchev philosophy of co-existence. And he must have found his increasing independence of Moscow a heady wine as demonstrated by his close association with President Tito of Yugoslavia and his increasingly vocal resistance to Khrushchev's plan to read the Chinese Reds out of world communism.

Rev. Upshaw to Continue Series On Bible Prophet

Rev. T. O. Upshaw, pastor of Central Baptist Church, has begun a series of messages from the prophecy of Amos. Last Sunday he spoke on "Amos, God's Man for the Hour." Rev. EARL McMILIN
California Evangelist

Evangelist Will Continue Series

Evangelist Earl McMILIN is conducting a series of Gospel meetings at the First Assembly of God Church, 500 South Cuyler Street.

Rev. McMILIN is from Los Angeles and is a recording artist, accomplished musician, a lyric tenor, and a Bible Preacher. He has made several T. V. appearances and been quite active in radio work on the West Coast.

Rev. J. S. McMullen, Minister of the church cordially invites the public to attend these meetings to be held at 7:30 p. m. except Saturday, through Sept. 20.

Gospel of Luke, Letters of Jude Give Foundation

The First Presbyterian worship services will be at 8:30 and 11 p. m. Sunday. The Reverend Donald S. Hauck will use the Letters of Jude and the Gospel of Luke as the Biblical foundation for the sermon.

Ruling Elder William Chambers will assist with the worship and the choir, under the direction of Mrs. George Budd, will sing the morning anthem. Following the 11 p. m. worship hour, a Coffee - hour reception will be held in Calvin Hall to honor those persons who have united with the Church throughout the summer.

At 1:45 p. m. all Young People, Junior Highs and Senior Highs, will leave from the Church for a retreat - outing at the Hobart Ranch in Canadian.

Rev. Williams Sets Topic for Worship

Rev. Loren E. Williams has selected "Be Ye Lifted Up" as the sermon topic for Sunday morning services at the Lamar Christian church.

Members of the Lamar church will hold joint services with the First Christian church Sunday evening at Lamar Christian. A series of study covering the Letters of Paul will be started.

The Chi Rho's will meet at 4 p. m. Sunday at the church for a fellowship program. The Fellowship group will meet at 7:30 p. m. Monday in the home of Mrs. J. L. Allen. The CWF will meet Wednesday evening for visitation.

September has been designated as church Loyalty Month and all members are urged to attend the services and participate fully in the total church program.

THE PAMPA DAILY NEWS
FRIDAY, SEPTEMBER 11, 1964

THEN and NOW

The temples of Babylon were lending money as early as 2,000 B.C. By 573 B.C., a private firm, the Igibi Bank, was making loans of interest. Greek temples, public bodies and private firms were all offering loans by the 4th century B.C.

Ancient Roman authorities set aside the Street of Janus (the Wall Street of its time) in the Forum for Rome's financiers. They not only bought and sold coins, but also made loans. The Justinian code of the 6th century included laws governing the lending of money. England fixed a legal maximum interest in 1545.

Since 1916 the efficient, state-regulated loan services supplied by members of the National Consumer Finance Association have helped the American consumer make the U.S. economy the world's greatest. More than 1,200 member companies are now operating over 12,000 efficient offices in 48 states.

You, Your Child and School

By DAVID NYDICK
UPI Education Specialist
Is your child unhappy with his new class assignment? Does he have a personality clash with the teacher or classmates? These reactions are not unusual during the first few weeks of a new school year. Many students need time to adjust to new situations and people. They often misinterpret a teacher's attitude. A teacher who sets strict rules and enforces them is not being unfair. She is helping students in the best way she knows how. In such a situation students often feel they are being discriminated against. A parent should discuss such a problem with the teacher or principal. The teacher can easily correct the situation with a few friendly words and a pat on the back.

The Weekly Message Of Inspiration

Attend The Church Of Your Choice

H. M. VEACH
PASTOR UNITED PENTECOSTAL CHURCH

THE UNANSWERED QUESTION

Our scripture is found in John 18:38, and reads in part thusly, Pilate saith unto him, "What is truth?"

The setting is Jesus before Pilate in judgement hall. Jesus has been accused by the religious leaders of things contrary to their laws, or what we might term as trumped up charges, yet Jesus has answered no questions save those pertaining to his coming kingdom. The crowd has all but become riotous demanding the death of Jesus, yet Pilate can find no fault in Him. Pilate must make a decision on what to do with Jesus. Then it seems in almost despair and frustration Pilate cries out What is truth? Here is a distant parallel with the soul today that stands between the madness of this world and the Beauty of Christ. Whose soul is in the valley of decision, and cries out as David "Behold thou desirest truth in the inward parts."

Why was Pilate concerned with truth? Pilate was seeking not only words. Pilate was seeking liberty. If there had been any possible way that he could have sent this to someone else it would have been sent, but Pilate had to make the decision and he was seeking liberty from it. No wonder he cried What is truth? The word of God declares to us today to know the truth and the truth shall make you free. The passport to freedom is truth. God has no other bondsman other than truth. Truth is more than a mere formula of words. Truth is an inward life. Truth is made up of Principles. Spiritual worship and the divine life in the soul...

No, the question wasn't answered. Possibly because God intended for it to be perpetuated throughout the ages by soul's who stand as Pilate, between the world and Christ.

Harvesters Host Rangers Tonight

Football weather and football arrive in Pampa at the same time today. A rain last night took care of the weather and Perryton and the Harvesters take care of the game tonight.

A wet night could increase Pampa's chances against the visiting Rangers of District 1-AAA. Perryton relies heavily on speed and shiftiness, as well as a passing attack, which could be hampered by wet playing conditions. Clear skies and a wet field would be to Perryton's advantage, however.

A receiver always has an advantage over his defender, because the receiver knows where he is going. Slimey footing makes a receiver's fakes and cuts more effective.

Bob Callahan returns to throw Perryton's bombs again this year and his favorite target tonight is likely to be all-district end Chester Dougherty, 6-1, 180.

Other backfield starters returning among the 16 letterman available to coach Ray Hopkins are fullback Fred Adecock and halfback Steve Dunkle.

Guard Terry Shackelford (175), tackle Paul Wilkerson (210) and center Les Weis (165) add weight and experience to the Ranger middle line.

Perryton marked up a 4-6 record last year but is likely to break even or better this year. The Rangers are expected to battle Hereford for the runner-up spot in 1-AAA behind defending champion Dumas.

Otis Holladay has 17 lettermen and six starters of his own with which to counter the Perryton threat. The Harvesters excel in size, depth and experience but take a back seat in the passing department.

If Pampa's pass defense flanks its first test, and it will be a test, the Harvesters will be forced to outscore Perryton to win.

The signal calling tonight will probably be done by senior letterman Phil Smith most of the time.

Kyle Vann will be in action often but Larry Daniels is slowed by a foot injury and may be held out for a week. Holladay feels all three of his quarterbacks are of near-equal potential.

The rest of the first unit is composed of senior lettermen, also.

San Williams at tailback, Jerry Garrison at wingback and Keith Griffith at fullback round out the backfield.

Center Jim Arthur, guard Phil Klaerner and Jerry Goodwin, tackles Carl Johnson and Myron Scribner, and ends Terry Criss and Ricky Maynard form the Harvester forward wall. The lightest is Criss at 170.

Two-year letterman Jim Brumley will probably miss the opening game entirely. The big tackle broke his right wrist in practice last week and waited upon a doctor's decision this morning to decide whether he could play or not.

James Williamson, Dan Patterson, Dean Evans and Joey Roden enter the game when the Harvesters are on defense.

Fuller, younger brother of former middleweight champ Gene Fuller, will have plenty of incentive when he enters the ring against Tiger. Fuller was on hand when Tiger won Gene's title in a 15-rounder at San Francisco, and Fuller attended the return match, a 15-rounder in Las Vegas which ended in a draw.

THREE FOR THE GAME — Harvester coach Otis Holladay is faced with the pleasant prospect of three quarterbacks of equal caliber with each one excelling in a different department. Larry Daniels, Phil Smith and Kyle Vann try to help him out on the starting assignment with the old baseball method of putting one hand above another until there is no more football left. Daniels may not play tonight because of a foot injury, however.

57TH YEAR

Phillies Whack Streaking Cards

By United Press International
King Koufax is a mighty pitcher—so mighty that he's taking four pitchers to divide up the 1964 honors he seemed certain to achieve.

And four fine pitchers they are, too: Chris Short and Jim Bunning of the Philadelphia Phillies, Larry Jackson of the Chicago Cubs and Don Drysdale of the Los Angeles Dodgers.

When Koufax was sidelined with an ailing arm on Aug. 18, he led the National League with 19 victories, 23 strikeouts, a .795 percentage and a .174 earned run average.

Short and Jackson each made another stride toward claiming one of the titles Thursday when the Philadelphia left-hander beat the St. Louis Cardinals 5-1, reducing his earned run average to 1.89, and the Cub right-hander downed the Houston Colts 4-3 to join Sandy as a 19-game winner.

Drysdale needs only 12 strikeouts to catch Koufax in that department and Bunning has passed Sandy in percentage with a 16-4 record for .800.

Individual honors are about all that remain of interest in the NL with the Phillies' lead restored to six games following Thursday's victory over the Cardinals. The Cincinnati Reds tied the Cardinals for second place by beating the Pittsburgh Pirates 3-0, the Milwaukee Braves shaded the New York Mets 7-6 and the San Francisco

Giants whipped the Dodgers 5-1 in other games.

Short pitched a six-hitter and struck out 12 to raise his season mark to 16-7 and end a four-game Cardinal winning streak. Short hit a two-run triple and Johnny Callison a two-run homer in a five-run second-inning rally helped along by errors by Ken Boyer and Dick Groat. Bill White doubled home the Cardinals' run in the top of the second.

Jackson went 8 2-3 innings, yielding eight hits and striking out five to increase his record to 19-10. The Cubs rallied from a 3-1 deficit to score three runs in the sixth inning on singles by Billy Williams and Ron Santo, a two-run double by Ernie Banks and a wild pitch.

Others recalled from Seattle include Rico Petrocelli and Jerry Stephenson. John Boyle, Gage Naudain and Jim Gosger were brought up from Reading, while Jack Gaines, Reggie Smith and Jerry Dorsch were recalled from Waterloo. Bill Rohr was added from Wellsville and Stew MacDonald from Statesville.

When Luis Aparicio tried to "sneak" home from third, Joe Cunningham fired to catcher Mike Brumley to complete the first triple play of the AL season. Milt Pappas yielded nine hits, including homers by Don Zimmer and Jim King, to post his 15th win of the season behind the brisk attack.

PHILADELPHIA (UPI)—The Philadelphia 76ers Thursday announced the signing of Bob Pelington, the nation's leading rebounder from Xavier University, for the 1964-65 season.

Orioles Protect One-Game Lead

By United Press International
The Baltimore Orioles know everything's going their way when they stage an eight-run inning and score a run on a triple play in the same game.

An eight-run inning? That's the next best thing to having the opposition play the game with no outfielders. And scoring a run on a triple play? Why, that's the next best thing to being given four putouts in an inning.

The Orioles accomplished both Thursday night when they clobbered the Washington Senators 12-5 to maintain their one game American League lead over the Chicago White Sox and their 1 1/2 game margin over the New York Yankees. The White Sox nipped the Minnesota Twins 2-1 and the Yankees downed the Detroit Tigers 5-2.

The Orioles' victory over the Senators was what the ball players call it "laughter"—they laughed through it from beginning to end.

They tagged Frank Kreutzer for two quick runs in the second inning and then erupted against Steve Riddick for the big eight in the fourth. Twelve batters went to the plate with Brooks Robinson driving in two runs with a bases-filled single and Sam Bowens clouting a three-run homer. Robinson had four hits and Bowens had a homer and a double to lead the Orioles' 17-hit attack.

The Orioles accomplished the oddity of scoring a run on a triple play in the fifth when Robinson grounded to shortstop John Kennedy with the bases filled. Kennedy threw to second baseman Don Blasingame for one out and Blasingame's relay to first doubled Robinson for the second out as the runner from third scored.

Junior Highs Hit By Fast Scores

Phillips scored three touchdowns in the first quarter against Lee Junior High's 9th grade team and went on to a 32-6 victory in the first game of the season yesterday afternoon.

Wendell Watson plowed through the Little Hawks for 17 yards on the last play of the game for the Rebels' only touchdown. The buzzer sounded shortly after he passed the line of scrimmage but he ran through a half-dozen Phillips defenders to avert a shutout.

Lee's other major running threat, Dickie Henley, was hurt in a freak accident in the last minute of the second quarter as he and a Phillips tackler fell out of bounds and into a bicycle near the sidelines. Henley's ankle was twisted and the Phillips tackler received a face injury. Henley was unable to play any more.

In other games, Pampa JHS was shut out twice by Shamrock in Shamrock.

The Irish scored three early touchdowns, also, and held on for a 28-0 victory over the Pampa 8th graders. All the first quarter touchdowns came on long runs.

The two 7th grade teams appeared headed for a scoreless tie until Shamrock pushed across a touchdown on Pampa's third team in the final minute of play for a 6-0 win.

Matson in Final Trials

LOS ANGELES—Dallas Long and Randy Matson head a group of six shot putters seeking a place on the Olympic squad in tomorrow's final trials in Los Angeles. Three will make the trip.

Long has a 67-10 toss on the record which is a pending world record. He has already made the team and needs only to prove he is in satisfactory shape in tomorrow's meet.

Matson got off his best heave, 65-5 1/2, last Saturday in an all-comers meet in Long Beach and holds one decision over Long this year, in the AAU finals.

Others entered are Parry O'Brien, Dave Davis, Gary Gibber and John McGrath.

Bookies Rate AL Chase as Toss-up

LAS VEGAS, Nev. (UPI)—The Philadelphia Phillies were such prohibitive favorites in the legal bookmaking establishments here that no bets were being taken today on their chances of winning the National League pennant.

With the Phillies listed as "out," so far as wagering was concerned, the odds-makers in their day-to-day line posted the St. Louis Cardinals at 10-1 and the Cincinnati Reds and San Francisco Giants at 20-1.

In the tight American League race, the Baltimore Orioles and New York Yankees were co-favored at 7-5, with the Chicago White Sox being listed at 3-2.

Jr. Bowlers to Meet at Harvester Bowl

This Saturday, Sept. 12th at 1:30 p.m., Jr. bowlers from the Pampa, Skellytown, White Deer area will meet at Harvester Bowl to form bowling leagues for the 64-65 American Junior Bowling Congress season. Leagues formed this season will end around the 1st of April so as not to interfere with school sports activities in the spring.

Junior bowlers will be placed in leagues according to age groups at Harvester Bowl this year. Boys and girls through ages 12 will be in Bantam League while those 13 years and over will be in the Senior League. Both leagues will use the handiap system which places all bowlers on a more equal basis regardless of ability.

Bowling is by far the fastest growing sport in the nation and more prominent in inter-scholastic competition each year.

To protect our bowlers "amateurism", all of the leagues will be sanctioned through American Junior Bowling Congress and each league member must become a member of A.J.B.C. who in turn sets forth rules and regulations to protect each members amateurism.

Boys and girls who retain their amateurism are the only ones who may take part in any competitive school activity such as football, basketball, track, speech, band, etc. or receive scholarship awards.

This year the Men's American Bowling Congress and the Women's International Bowling Congress will over-see the entire Junior Bowling Congress program through their Local Associations. The Pampa Men's and Women's City associations have appointed a board of directors to guide the Jr. program and see that all rules and regulations are followed and to assist in league supervision. Harvester Bowl's Jr. League will be sponsored by the Pampa Coca Cola Bottling Co., furnishing each member with a bowling shirt and also furnishing trophies for the league to be awarded at the end of the season.

All merit awards and special achievement awards are furnished by the American Jr. Bowling Congress.

Harvester Bowl Junior League play will be on Sat. mornings at 9:30 a.m. Cost is 50c per year dues into A.J.B.C. and \$1.00 each league day. Three games will be bowled each Saturday and shoes and bowling balls furnished for those that do not have their own. Instructions will be given free of charge to those who have not bowled before and improvement classes will be held at various times through the season for those who need help.

Further information may be had by calling Harvester Bowl at MO 5-3422.

HAPPY DAYS—Last spring Al Lopez told everyone he would have the Chicago White Sox in the American League pennant race. People laughed. Now it's his turn.

'Quickie' Series Appears Possible

NEW YORK (UPI)—An old-fashioned "quickie" World Series—the first since 1956 when New York and Brooklyn played their last subway series—will be in the offing this year if the Philadelphia Phillies face either the New York Yankees or Baltimore Orioles.

The elimination of the travel days between games two and three and five and six should see the series opponents represent cities 300 miles or less apart was announced Thursday by baseball Commissioner Ford Frick. The travel days would remain part of the series schedule in the event of a series between the Phillies and Chicago White Sox. The first two games of the series will be played in the park of the National League champion; the third, fourth and fifth, if necessary, in the park of the American League champion; and the sixth and seventh, if necessary, in the park of the National League champion. The series will start on Oct. 7 unless there is a playoff for it start on Oct. 8.

Phillips Outscores Lee 8th by 24-20

PHILLIPS — Lee Junior High's 8th graders scored twice in the last quarter against Phillips but couldn't pull it out as the host Hawks took a 24-20 decision.

Phillips took the opening kickoff and drove 90 yards in a ball-control type of game which ate up one and a half quarters. Lee retaliated with a 50-yard drive of its own and went into the dressing room at halftime trailing 8-6. Phillips added single touchdowns in the third and fourth quarters to overcome the closing rally by Lee. Gary Parrish scored all three touchdowns for Lee. Len Mills made the point after touchdown on Lee's third attempt.

UMPIRE SCHOOL PLANNED
HOUSTON (UPI)—Former national league umpire Lee Ballantant will conduct a three-week umpire school at the Houston Colts training facility at Cocoa, Fla., beginning Sept. 1, the Colts announced Thursday.

Texas League Teams All Even

By United Press International
San Antonio and Tulsa both won games Thursday night in the best-of-five series Texas League playoffs, leaving the series tied up with El Paso and Albuquerque, respectively. San Antonio shaved El Paso 2-1 behind the three-hit pitching of Dave Turnbull and Tulsa had another close victory over Albuquerque 6-5.

The victories left the El Paso-San Antonio series tied up and the Albuquerque series even also with all teams having a win and a loss each. The same teams were scheduled to meet again tonight with the winner of each game playing the other for the playoff title and a \$2,000 bonus.

San Antonio has already picked up one \$2,000 bonus for winning the straightaway season championship.

Vince McNally Resigns as GM Of Philly Eagles

PHILADELPHIA (UPI)—Vince McNally's pre-season resignation as general manager of the Philadelphia Eagles figured today to cost owner Jerry Wolman \$165,000—leaving him with only an estimated \$32 million in the bank.

Silver-haired McNally had three years remaining on a five-year contract when he quit Thursday, just three days before the season opener against the New York Giants Sunday and eight months after Wolman bought the Eagles for \$5.5 million.

The contract also contained an option clause for five more years. With the 56-year-old McNally's salary pegged at about \$30,000 a year and the option clause calling for half-pay, his severance pay amounted to \$165,000.

American Torch Crosses Missouri

SPRINGFIELD, Mo. (UPI)—The Olympic torch was passed from hand to hand today as runners moved across Missouri on their marathon coast-to-coast relay.

Three carloads of runners headed into Springfield early today behind a truck with a mounted speaker blaring music to bolster the spirits of torch bearers. Each runner carried the torch about one-half mile escorted by the highway patrol.

Former Olympic star Jesse Owens began the relay Sept. 1 in New York. He was the first of 3,500 runners to carry the torch on a leg of the 3,155-mile journey to publicize a program to raise \$1 million for the Olympic Fund. Sponsors hope President Johnson will be at the finish line at Los Angeles Coliseum to receive the torch when it arrives about Sept. 26.

Packers, Cardinals Chosen as Winners

NEW YORK (UPI)—The Green Bay Packers, with Golden Boy Paul Hornung back in harness, and the explosive St. Louis Cardinals were selected as the divisional winners in the 1964 National Football League race today in a nationwide pre-season survey conducted by United Press International.

Green Bay, Western Division titlist from 1960-62 but second to the Chicago Bears last year when Hornung was under suspension, was a near-unanimous choice to dethrone the Bears this season. The Packers were named first on 38 ballots and second by the four other selectors.

The competition appears to be much stiffer in the East where St. Louis edged the Cleveland Browns by six points and the New York Giants, bidding for a fourth straight divisional crown under Allie Sherman, were relegated to a third-place finish.

The order of finish after the top three was the Detroit Lions, the Minnesota Vikings, the Los Angeles Rams and the San Francisco Forty Niners.

Following St. Louis, Cleveland and New York in the East were the Pittsburgh Steelers, the Washington Redskins, the Dallas Cowboys and the Philadelphia Eagles.

In Texas... after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterwards with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings to each just the right touch of extra good living.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Texas... beer goes with fun, with relaxation

Drouth Blessed by Cotton Farmers, Hit by Cattlemen

By United Press International — The current Texas drouth was blessed this week by cotton farmers and blasted by cattlemen and wheat growers. The first group wanted continuous rain. Cotton, Texas' major crop, would be damaged by any rain of right now. Rain would lower the quality of the lint, with harvest just getting into full swing. The dry weather has already reduced the estimate of the Texas cotton crop by an estimated 50,000 bales and it is too late for rain to increase production. Ranges and wheat fields, however, benefit by rain. It would make pastures green before frost and enable stockmen to save hay. It would also permit wheat growers to plant fall crops in mallow soil. Dust in the Panhandle. Dryland wheat growers are "dusting in" their crop in some areas. In the South Plains, below the Panhandle, the first bales of cotton are being ginned. Some wheat is being dusted in. Dry weather is reported to have reduced the grain sorghum crop. Supplemental feeding of livestock is increasing. The rolling plains—the Wichita Falls-Vernon-Childress area—need rain. Cotton harvest is building up to full swing and a hard rain would damage cotton. One of the few areas reporting adequate moisture in any sector was North Central Texas. About half of North

(the Dallas-Fort Worth-Denton Central Texas counties—mostly those along or near Red River—report adequate moisture. Grass needs rain. Sell Cattle. Far West Texas is still dry. There is little grass and livestock conditions are reported fair to good. Stockmen are carrying on the process of culling and selling beef cattle and sheep. In the west central Texas areas around San Angelo, recent rains greened up many areas but more rain is needed to give the grass another spurt.

Livestock is reported in fair to good condition. Rain would hurt the cotton harvest in South Central Texas less than in other areas. Much of the crop already is harvested; farmers are preparing land for fall planting. Livestock are in good shape. With the exception of the coastal bend and Laredo area, South Texas needs rain. The cotton harvest is almost complete in the Rio Grande Valley and coastal bend areas. Ranges and pastures are reported fair to below normal.

Wall Street In Review

NEW YORK (UPI)—Stanley Heller & Co. notes a movement of investment funds into the more defensive shares, a move it feels reflects a growing apprehension that the post election market will have to evaluate a tightening of the money market. However, the firm says that since the major technical barometers show no change in the long-term bullish trend, it sees little need to shift any large percentage of investments into defensive shares.

Bache & Co. continues to recommend purchases of the better situated, fundamentally attractive issues. T. O. Hooper of W. E. Hutton & Co. feels the market is in a healthy condition from a technical viewpoint and that this may be one of those relatively infrequent election years when stock prices advance vigorously during the presidential campaign.

Philanthropist M. K. Brown Killed

(Continued From Page 1) He was a major contributor to Pampa's Coronado Inn when citizens raised the money to build the hotel. He had lived at the hotel since its opening. Mr. Brown was a heavy contributor to St. Matthew's Episcopal Church of which he was a member. One of the most recent tributes paid publicly to Mr. Brown was on Sept. 21 last year when he was honored by the Pampa High School Key Club as Adult Leader of the Year. Three hundred persons attended a banquet in his honor and at which he was the principal speaker. A native of Great Britain, Mr. Brown was born May 22, 1878, in Eastcote, Middlesex, England, the son of Thomas Davy and Margaret Brown. He had 11 brothers and sisters, three of whom survive. They are Eustace Kingsmill Brown, Gwendolen Frederica Brown and Leonard Hugh Kingsmill Brown. Mr. Brown left school at the age of 15 and went to work as an office boy for a timber merchandising company. Next he worked for a London bank for six years and planned to go to Australia when the Boer War broke out in October of 1899. He volunteered for active duty in the English Cavalry for the duration. Following his discharge from the Army, he returned to England and an uncle, Andrew Kingsmill, interested him in Texas. Kingsmill had recently visited Texas in the interest of English stockholders in the White Deer Land Company, which owned 631,000 acres of Texas Panhandle land in Gray, Carson, Hutchinson and Roberts Counties. He sold the idea to Mr. Brown who came to Gray County in 1903 and took a job with White Deer Lands. Mr. Brown worked for George Tyng and T. D. Hobart, then officials of the company. One month before he was 25 years old in 1914, Mr. Brown received his final naturalization papers

in one of the few cases completed in the Gray County District Court in LeFors. Mr. Brown was married in 1922 to a native Texan, the former Josye L. Barnes. The couple had no children. Mrs. Brown died Oct. 22, 1959. In 1924 Mr. Brown became co-manager with his friend, C. P. Buckler, of White Deer Lands. As the oldest living mayor of Pampa, Mr. Brown had served his city in many ways. He was a former chamber of commerce president. He played bass drum in Pampa's first city band. Mr. Brown was a charter member of Pampa's first Masonic lodge and a charter member of the Rotary club which he served as president. He was a 32nd degree Scottish Rite Ma-

ANNOUNCE FIGHT

LONDON (UPI)—Heavyweight Bill Nielson of Omaha, Neb., will meet Johnny Prescott of England in a scheduled 10-round fight at Empire Pool, Oct. 27, it was announced Monday by promoter Harry Levine.

TAKES RFK POST—Under Federal law, Deputy Attorney General Nicholas D. Katzenbach becomes acting attorney general when the top job becomes vacant. Katzenbach takes over until a successor is resigned. Robert F. Kennedy is appointed, probably after the November elections.
