Oct.6-12 Is Fire Prevention Week:

Fire Safety, Protection Emphasized During Fire Prevention Week Here

County Judge J.F. Brandon has proclaimed the week of Oct.6-12 as Fire Prevention Week in Lynn County.

The Lynn County Farm Bureau, in conjuction with all fire departments in the county are working together to emphasize fire prevention and protection throughout the county. Tahoka Volunteer Firemen will present a fire safety and prevention program to Tahoka Elementary next week, and also urge all residents to become fire-safety conscious.

Fire Prevention Week is always the Sunday-through-Saturday period in which falls October 9, date of the Great Chicago Fire of 1971. The Chicago disaster killed 250 people and destroyed 17,430 buildings.

In his proclamation, Judge Brandon has called upon the citizens of Lynn County to participate in Fire Prevention Week activities such as locating and eliminating fire hazards; checking smoke detectors and developing a home escape plan; as the 1991 theme suggests, "Fire won't wait . . . plan your escape!"

H.G. Franklin, President of the Lynn County Farm Bureau said, "Fire is both friend and foe. We can't live without it, but its destructive power is a threat we must control."

Following are some tips to protect yourself by keeping fire a friend:

☑ Regularly inspect your house and out-buildings for fire hazards. Check the electrical system, electrical appliances and equipment, fuel storage, heaters, and heating system. Make needed repairs or replacements without delay. Don't overload circuits or bypass fusing.

☑ Remove trash, stack of papers and other unneeded combustibles that could feed a fire.

☑ Read and follow instructions with portable heaters. Place them where they won't ignite combustibles or be tipped over. Never use gasoline in a kerosene heater, and make certain gasoline and kerosene containers are clearly marked to avoid a mix-up. Never use a kerosene or gas-fired heater in a closed area - have ample ventilation.

☑ Check your heating system prior to the heating season. Install and use wood-burning stoves as directed in the manuals or other literature. Screen fireplaces. Keep chimneys and flues free of obstructions and creosote buildup.

☑ Keep matches and lighters out of children's reach.

☑ Don't smoke in bed nor when drowsy. Don't smoke when using flammable materials nor in places that have readily combustible materials such as hay, straw, dry weeds, grain dust, etc. Store flammable liquids in well-marked, closed containers. Make sure your cigarette or match is "out" before discarding.

☑ Install approved lightning protection systems on main buildings. Inspect them annually to make sure they are properly grounded.

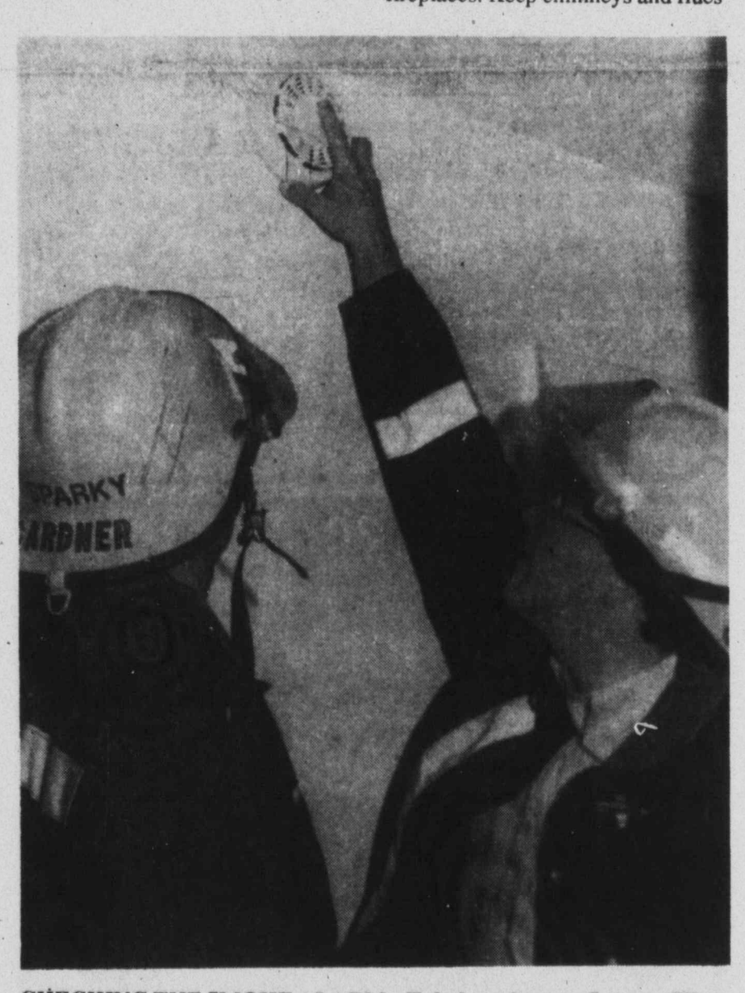

☑ Be prepared for fire should it strike. Have operating smoke detectors and fire extinguishers. Develop and practice a home fire escape plan. Teach children how to call for help. Have a water supply available to fight fire.

☑ Choose and regularly inspect fire extinguishers that are the right size and type for the fires that might occur.

☑ Consider installing a sprinkler system in all new construction.

NEW STREET SWEEPER–Tahoka has been without a street sweeper for some months, but now a new one has been purchased for about $70,000 and is in service. Shown above is the new sweeper, with City workers David Graves, left, and Junior Mendoza, plus City Manager Barry Pittman, right.

CHECKING THE SMOKE ALARM – Tahoka volunteer firemen Clint Gardner, left, and Greg Henley check the smoke alarm at Gardner's home, and urge other residents to check their smoke detectors during Fire Prevention Week, Oct. 6-12. Henley is Fire Prevention Safety Officer for the Tahoka Fire Dept., and he and other volunteer firemen will present a program to Tahoka Elementary students in conjunction with Fire Prevention Week. Fire safety, prevention and protection tips are offered in the accompanying story in this edition.

Help Your Smoke Detector Do Its Job

Although 80 percent of American households have at least one smoke detector, as many as half are not working because the batteries are old or missing. Fire safety experts say that maintaining smoke detectors and flashlights is one of the least expensive but most effective ways to reduce fire deaths and injuries.

"Change Your Clock, Change Your Battery" is a national education program that encourages people to adopt a new fire safety habit. When you change your clocks back from daylight-savings time in the fall, change the batteries in your smoke detector and your flashlight. Sponsors of the program are the International Association of Fire Chiefs, the American Burn Association and Eveready Battery Company.

A working smoke detector can double your chances of surviving a fire by providing critical early warning and escape time. Working flashlights can save lives because they help fire victims escape through disorienting smoke and darkness. Or you can use them to signal for help.

Mark your calendar so that you remember to change your smoke detector and flashlight batteries when you change your clocks.

Burglaries Reported In County

Several new burglaries were reported in Lynn County during the last week, including one on Sept. 25 in which a $1,000 reward was offered.

That burglary was at the farm of Bill Barham of Tahoka, about 12 miles southwest of Tahoka, and taken were a welder, socket sets and other tools. Lynn County Farm Bureau is offering a $1,000 reward in the case, subject to certain conditions.

B.M. McClintock, Rt. 1, Wilson, reported burglary of a house off FM 211 about four miles west of U.S. 87 last weekend. Stolen were two .22 rifles, a Winchester and a Marlin, an RCA TV, a sewing machine and a cassette player. Total value of all the items was estimated at $605.

Walter Ray Steen of Wilson reported a barn and well house of FM 1024 burglarized over the weekend, with nothing listed as missing, although locks had been cut off the doors.

The residence of Mrs. Jane Walker about four miles north of the Lakeview community was burglarized Saturday. Missing items included a microwave oven, calculator and a watch, with no value assigned to any of the items.

A television set and VCR, also with values not yet determined, were stolen from the residence of Wendall McClendon just southeast of Tahoka sometime during the last week.

Two persons were named as suspects who allegedly used an O'Donnell man's Visa credit card to charge about $1,500 worth of merchandise after the man loaned them the card temporarily to buy a tank of gas in July or August.

A car owned by Kathy Bednarz of Slaton was burglarized and a stereo stolen when it was located south of U.S. 84 on FM 212 last week.

Tahoka Police Dept. investigated a collision at the intersection of S. 2nd and Ave. J Wednesday morning. A 1977 Pontiac Grand Prix driven by Michael Lee Jackson, 18, of Tahoka, and a 1990 Ford Mustang driven by Timmy Kyle Jolly, 22, were involved. There were no injuries.

Fifteen persons were booked into Lynn County jail during the last week, five of them on charges of driving while intoxicated, first offense. Charges against the others included five applications to revoke probation on charges of felony DWI, DWI first, fleeing arrest, terroristic threats, and theft of services. Others were charged with unrestrained child and failure to appear, public intoxication and disorderly conduct, possession of drug paraphernalia, driving while license suspended and forgery by passing.

Tough Birds Coming To Town Friday Night

By ALBERT MENDOZA

Traveling to Ralls the Tahoka Bulldogs hoped to begin district play a little better than the non-conference season and open up with a win, but it was not to be this week. Despite a late effort the Dogs came up short 28-13 and dropped to 1-4 for the year and 0-1 in district play.

This week the Bulldogs will host the Seagraves Eagles, a tough squad which was tied by New Deal last week, 7-7, but which had beaten three earlier opponents, including Brownfield, easily. The game will start at 7:30.

The Ralls game remained scoreless until just 1:49 was left in the first quarter when Brandon Landsdown rumbled in from 3 yards out and Morry Martinez's PAT was successful to put the Jackrabbits ahead 7-0.

Rabbit QB Johnny Tarin set up his own touchdown by returning a punt to the Tahoka 20 yard line, then dove in from a yard out to make the score 14-0 in the second quarter.

Ralls struck again right before the half as Landsdown bowled in from 3 yards and Martinez converted to give Ralls a 21-0 advantage at the half.

Tahoka came alive in the third quarter when leading rusher Brian Moore scampered in from 11 yards away to put the Bulldogs on the board. The extra point kick attempt was fumbled and the score stood at 21-6. Ralls scored again in the third to make the game 28-6.

The fourth quarter consisted of a series of fumbles by Ralls and drives stopped inside the 5-yard line for Tahoka, until quarterback Heath Brewer took the ball in from the 11-yard line on a keeper for the final score, 28-13 with 10 seconds left in the game.

Moore led Bulldog rushers with 54 yards on 12 carries; Mike Burleson gained 40 yards in 11 trips and Billy Wilborn ran 7 times for 37 yards.

Lubbock Newspaper Honors Wilson Player

Albert Riojas, a junior fullback for the Wilson Mustangs, was honored by the Lubbock Avalanche-Journal as the area football player of the week for an outstanding job as Coach Rex Bilby's Mustangs last week beat previously unbeaten Amherst 54-47.

Riojas scored four touchdowns and gained 310 yards rushing. He gave teammates Danny Mendez and Ricky Brown and other linemen credit for blocking really well in the game. The win brought Wilson's season record to 3-1.

Annual FB Meeting Set

The annual Lynn-Garza County Farm Bureau Convention will be held Oct. 8, 1991 at 7 p.m. in the Tahoka School Cafeteria.

"We invite anyone interested in agricultural issues to come and join. Our policies are made by you- our members," said H.G. Franklin, president of Lynn/Garza Farm Bureau.

Brady Raindl Wins Football Contest Here

Brady Raindl, a fourth grade student at Tahoka Elementary, missed three games and picked the tie-breaker to win the Lynn County News football contest printed in last week's edition. Raindl, along with Bruce Lehman and Ryan Curry, missed three games in the contest, but he picked the closest tie-breaker score in the New England-Phoenix game.

Raindl picked Taylor Tractor as the secret sponsor for the week, but the News Office drew the names of Spruiell Automotive, Furniture Olé, Lynn County News and Dairy Queen in this week's drawing. He wins $5 from the News Office for winning first place.

This week's contest is printed in this issue. Anyone old enough to fill out an entry form may enter the contest.

Fire Near New Home Leaves Family In Need

A Lynn County family lost all their clothing, furniture and personal items as fire destroyed a house about two and half miles south and a half mile east of New Home around 7 a.m. Saturday.

The Vince Garza family was renting the house on the farm of Joe Lewis, and Garza had gone to work when his wife awoke to the sound of coughing by their two children, and discovered the house filled with smoke. Mrs. Garza managed to escape the building with her sons, Santos, 4-1/2, and Santiago, 1-1/2.

"We got out through a window, I don't know how," she said. She then walked half a mile to the highway where she stopped a truck. By then it was too late to save the house, although New Home Volunteer Fire Dept. went to the scene as soon as they were notified.

The Garzas will live in a house owned by Tommy Kidwell, she said. But the family needs help; especially they need a range and refrigerator. "Any donations of any kind will be greatly appreciated," said Mrs. Garza. Anyone who has anything to donate is asked to phone 924-7242, where the family is staying temporarily.

Phebe K. Warner Club News

Phebe K. Warner Club met in its regular meeting Tuesday Sept. 24, 1991 at 4 p.m. in the home of Grace Huffaker with Nan Adams as co-hostess. There were 13 members and 4 guests present.

JOE PATTERSON PROMOTED – Mickey L. Sims, left, General Manager of Poka-Lambro Telephone Cooperative, Inc., presents Joe Patterson with a plaque of appreciation for 25 years of service to the telecommunications industry, and congratulates him on his promotion to Assistant General Manager of Poka-Lambro.

Joe Patterson Named Assistant General Manager At Poka-Lambro

Joe Patterson has been named the new Assistant General Manager at Poka-Lambro Telephone Cooperative, Inc. by the Coop's Board of Directors.

Patterson, a 26-year employee of Poka-Lambro, most recently has been the Plant Manager responsible for the entire operations of the coop's local exchange carrier telephone business.

"We're extremely pleased to promote Joe to this position," said Donald Love, Board President. "He has been a dedicated, trusted and productive employee who has helped bring state-of-the-art technology to Poka-Lambro's members."

Patterson started to work for Poka-Lambro in 1966 as a technician in the central office division. He has managed the operations division since May of 1988.

Patterson, his wife Marlene and daughter Jennifer, live in Tahoka. The couple have three other children: Julie Aten of Tahoka, and Joe Dell and Jim, both of Lubbock.

He was recently honored with a reception at Poka-Lambro. Mickey L. Sims, General Manager and CEO of Poka-Lambro, presented Patterson with a National Telephone Cooperative Association plaque of appreciation for 25 years service to the telecommunications industry.

Extension Homemaker Council Plans Events

The Lynn County Extension Homemaker Council met recently in regular session to discuss and formulate plans for fall activities. The council represents all Extension Homemakers in the county and makes decisions for the total organization, according to Donna Peters, county extension agent for home economics.

Club reports were given by Charlsie Tekell and Pat Park. In a business session conducted by Council Chairman Carolyn Botkin, the group discussed selling the books *Christmas Favorites* during the Harvest Festival. Members sold the books at the Fair building.

The council also agreed to fund a South Plains District 2 4-H Roundup contest next May, and voted financial support for the Lynn County 4-H Achievement Banquet.

The group made plans for a fall textile tour on Oct. 22. Included will be a tour of the American Cotton Growers denim plant in Littlefield and the Texas Tech Textile Research Center in Lubbock. Also, a planning committee was named for the "Happy Homemade Christmas" event to be held Nov. 6 at Lyntegar.

Other items discussed were appointment of a yearbook committee, Commissioners' breakfast, Woman of the Year applications and the Extension Homemaker Christmas party. Sheri Gicklhorn, Alecia Curry, Pat Park and Jean Pirtle were elected respectively as chairman, vice chairman, secretary-treasurer and reporter for 1992.

Business also was conducted for the Lynn County Texas Extension Homemaker meeting (TEHA), which is held in conjunction with council meetings. At the TEHA meeting, items discussed included writing articles for the state newspaper, cultural art entries at the State TEHA meeting, and officer election. Lahrue Tippit will serve as president as she will complete a two-year term. Carolyn Botkin was elected as the TEHA vice-chairman and Kathy Grant was chosen TEHA secretary.

Members present included Charlsie Tekell, Alecia Curry, Vicki Ashbrook, Carolyn Botkin, Clifford Tankersley, Sheri Gicklhorn and Pat Park. This was the final 1991 meeting for the Homemaker Council.

Circus Will Be Here This Saturday Afternoon

The Lynn County Jaycees is bringing Culpepper and Merriweather circus to Tahoka at the baseball complex on Saturday, Oct. 5 at 2 p.m. and 4 p.m.

Reduced price advance sale tickets, Children, 2-14 years, $3; Adults, $4 may be purchased from any member of the Jaycees. Tickets on show day at the gate will be $4 for children; $5 .75 for adults.

When the National Geographic Society decided to feature a circus on the award-winning Explorer television series, they looked for a traditional traveling tent circus. Although not the largest, Culpepper & Merriweather Great Combined Circus was chosen because it features a totally traditional performance under the big top. The National Geographic film crew traveled with the show and filmed the documentary which was later aired on the nationally televised Explorer series.

For the fifth consecutive year, Culpepper & Merriweather Great Combined Circus will perform for 14 days for the Chicago Parks Department. Chosen from all other tented circuses by our nation's third largest city, the show is being brought back by popular demand. Last July thousands thrilled to the sight of a traditional circus performance under canvas.

The circus was such a hit that the Chicago Tribune broke with tradition and published four pages of pictures and text about the show. The Sun Times also carried a glowing commentary in pictures and text.

Harvest Festival Set In Brownfield

The 1991 Harvest Festival in Brownfield is planned for Saturday, Oct. 5, according to Bobby Brewer, President of the Brownfield Chamber of Commerce.

As in the past, all surrounding communities are invited to join in the festivities beginning at 10 a.m. with a parade. It will begin in downtown Brownfield and end at Coleman Park. At 12 noon, an afternoon of continuous entertainment gets underway at the Amphitheater in Coleman Park. A Fiddlers Contest will be part of the entertainment again this year.

The Harvest Exposition will be a new attraction this year. The booths behind the amphitheater will be filled with arts and crafts and numerious commercial booths.

The Harvest Festival Queen will be crowned at 7:30 p.m. and the grand prize, $1500 in Harvest Festival bucks will be given away.

Parents and Schools: A Great Team

by Charles Cate
THS Principal

If you think a school is made up of teachers, students and a principal, you are right - but only partly so. For a school to successfully educate it's students, it also needs the active participation of parents. A school is not a little island, separated from the "real" world and a student's education is not something that can be accomplished well without the full support of the parents.

Studies consistently show that when parents get actively involved in their child's education, the child gets better grades, learns more, and has a better attitude toward school. Parent involvement sends a strong message to students that school is important and they are more apt to take it seriously. Both young children and teenagers like to know that their parents think what they are doing is important.

Parents can sometimes forget that they are their child's first and most important teacher. Before children even begin kindergarten they have already learned a phenomenal amount from their parents - from the complexity of language to the intricacy of social skills. It is important that parents not abdicate their role as primary teacher when a child enters school.

There's much parents can do to ensure their child gets the most out of schooling: stay in touch with teachers, keep an eye on homework, help smooth out academic or behavior problems and instill confidence and self-discipline. Even asking about what goes on in school every day is an important way to be involved.

Parents can also help by becoming involved at school. In fact, one of the most important ingredients in the nurturing of a healthy, thriving school at any level is parent participation. There are many roles that parents can play - from chaperoning a class trip to attending school functions, from participating in fund raising events to presiding over a parent-teacher organization - any of which will help the school be the best it can be and, in turn, create an atmosphere where your child can be the best he or she can be.

What's more, getting involved at school creates another link between parents and child and improves communication. With all the stresses on families these days, it's important to cultivate ways to do positive things together and school is a great place for that. School can be a common ground on which parents and children meet and share time and experiences.

When you become more involved at your child's school, you also are in a better position to know what's going on there and get a real sense of what the school, teachers and principal are like, what programs are offered and what resources are available.

With today's two-income, active families, it may seem more difficult than ever for some to find time to join in school projects or programs, and recent studies confirm a dismaying trend: that parents are, indeed, spending less time involved at their child's school. But there are many different ways to get involved; you don't have to do a lot to make a difference.

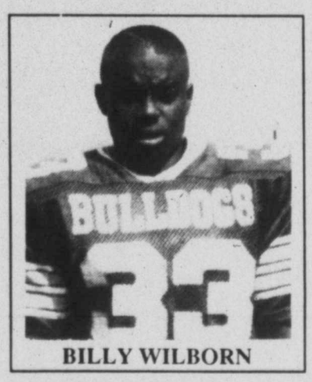

If you don't know how to get involved, call your child's school and ask. The principal, or your child's teacher are people who will have ideas for you and will be prepared to understand your time constraints.

When parents and schools join forces in the pursuit of the best education for students, they form an unbeatable team. Playing an active role in your child's education and at his school will greatly boost his chances of doing well and feeling good about himself - and that's what parents want most for their children.

The average combination lock may hold as many as a million possible combinations.

WHAT IS ANAPHYLACTIC (An-a-phy-lac-tic) SHOCK?

This is a severe allergic reaction which usually develops very rapidly and may be fatal. The symptoms can vary and may comprise a combination of many of all of the following: red face, itching, hives, nausea, cramping, vomiting, involuntary bowel action, collapse of the circulatory system, unconsciousness and death.

This reaction can occur in a time span from two minutes to two hours. Almost any allergen can cause anaphylaxis. However, certain substances that are injected through the skin are most prone to cause this type of severe reaction. These include penicillin, chemical preparations used in various tests, allergy extracts, insect stings and hormones.

MEASURING CROPS – Pictured above are ASCS employees Geneva Miller, Glenda Whitley, and Julie Aten as they review the equipment used to measure crops. Not pictured is their supervisor Kim Paris. These employees spend approximately two to three months a year determining acreages for measurement service and spot checks.

ASCS Completes Measurement Service For Farmers In County

Each year operators of farms participating in farm programs offered by the government are required to make an accurate crop and land use certification. Penalties and loss of benefits can result from inaccurate certifications. In order to help operators determine irregularly shaped fields ASCS offices offers measurement service.

This process requires colored slides taken from an airplane which shows all cropland in Lynn County. Each slide covers a little over one section of land. The slides are then projected individually on a screen mounted in a table. Each crop or land use is distinguished by a different color. Turn row, skip row patterns and crop boundary lines can be see. Acreages can then be determined for the operator to use to certify or make any needed adjustments before certification.

This year 419 farms have been measured in Lynn County where the operator requested measurement service.

Letter to the Editor

Dear Editor,

The City-County Library would like to express its appreciation to the people of Tahoka and Lynn County for their generosity at the Harvest Festival last week. The Library was in dire need of funds and due to some very special people, we were able to raise the money that we needed. We especially want to thank the following people for their donations to our "Silent Auction": Charlsie Tekell, Mike Cotter, Diann Reynolds, Milt and Omega Uzzle, Wanita Kelly, Judy Sanders, Nell Cotter, Donna Roberson, Tina Sims, Jane Roberts, Curtis Harvick, Elaine Lopez, Barbara Cook, Thallia Burks, Venita Hamilton, Perry's, Parker Health Mart, Yolanda Aleman, Barry Pittman, Jimmy Bragg and Cindy Bryan:

We also want to thank everyone who purchased the crafts or made monetary donations.

The Library is a vital part of our community and by donating to it, you are making a wise investment in the future of our town and it's members.

Cathy Box, President
City-County Library Board

Cross Country Team Competes At Seminole

The Tahoka High School Cross Country girls team competed at the Seminole Cross Country Meet held last Saturday, Sept. 28, against students from schools ranging from 1A to 5A. The Tahoka girls finished 10th overall with a score of 357.

There were 120 runners competing in the two-mile run. Tahoka competitors included Stephanie Stennett, with a time of 15.06 in 43rd place; Cindy Ramirez, 15.58, 70th; Aimee Wilson, 15.58, 72nd; Jill DeLeon, 15.58, 73rd; and Carmilla, 17.37, 99th place.

Residents Encouraged To "Test" 9-1-1 System In Lynn County

by JUANELL JONES

Residents throughout Lynn County are encouraged to "test" the new 9-1-1 Emergency System telephone number from now until Oct. 18, according to Donna Whitley, dispatcher at the Lynn County Sheriff's Dept. who handles the 9-1-1 system computer. Parents should let their children dial 9-1-1 and talk to the dispatcher, so that they know how emergency calls will be handled, and also allowing the dispatcher to "test" the new 9-1-1 emergency system before going on-line Oct. 18.

"Anyone who wants to help their children learn how to use the 9-1-1 system can call 9-1-1 in Lynn County anytime from now until Oct. 18 as a practice session," said Mrs. Whitley. "We will talk to the children, call up their name and telephone number on the computer, and check to see if all the information we need is available on our computer," she explained.

She also said that anyone who wants to check to see if the information sheet they turned in was actually put into the computer can call 9-1-1 until Oct. 18 to check it out. Any GTE customer who has not yet filed an information sheet with the Sheriff's Dept. is reminded to do so. Even after the system goes on-line in the middle of October, information can be added to the computer. However, due to the very nature of emergencies, it is best to have the information on hand before an emergency arises.

Of a total of about 2,000 phone numbers listed in the Wilson and Tahoka GTE phone system, about 400 numbers still have not filed an information sheet with the department. "That does not include unlisted numbers," added Mrs. Whitley.

The information sheet includes name, phone number, address, directions to the location and pertinent medical information, and is needed for any business, residential and unlisted numbers in the GTE system. Poka-Lambro customers do not need to file an information sheet with the Sheriff's Dept., as Poka-Lambro is handling that information.

Oct. 18 is the projected cut-over date to utilize the 9-1-1 emergency system in Lynn County, according to Mrs. Whitley. The number is actually in operation now, and can be called in an emergency, but the Sheriff's Dept. is in the process of testing the equipment to make sure everything is in working order.

After Oct. 18, the 9-1-1 Emergency System will record every call received, and prank calls will be noted and legal action taken if necessary, according to Mrs. Whitley. "We want everyone, especially small children, to understand that dialing 9-1-1 will bring help. Prank calls, however, will not be taken lightly," she said.

The 9-1-1 Emergency System is under the auspices of the South Plains Association of Governments (SPAG) and can be used for any type of emergency, including fire, police, and ambulance needs. Mrs. Whitley said that representatives of SPAG are available to present programs to schools to explain the 9-1-1 system to students, and how it should be used.

Anyone interested in a school presentation should contact Mrs. Whitley at the Sheriff's Dept., 998-4505, and she will put them in contact with a SPAG representative.

Seventh Grade Bulldogs Skunk Jackrabbits 22-0

"Over all the team played together," said new coach, David Johnson. "They had a good team effort."

Coach Johnson says the seventh grade linemen, Matt Garcia, Joe Medina and Victor Herrera combined to make the offense strong in the Ralls game. Two great backs, James Montez and Reggie Moore, are also a definite strength in our offense, says Coach Johnson.

Montez and Moore were leading rushers for the seventh graders.

Montez scored one touchdown on a 13 yard run and Brad Long scored on a 30 yard run. Courtney Bailey received a touchdown pass from quarterback Brent Raindl from 14 yards out.

Moore and Montez both scored two point conversions.

Tahoka coach, Steve Qualls, applaud the efforts of Randy Burleson, Dustin Burleson, David Ayala, Kyle Brown and Monty Hale who all recovered fumbles.

Garcia, Herrera, Joe Medina, and Joe DeLeon all turned in great line work, said Coach Qualls.

"The holes were big," said Coach Johnson. "The kids played very well."

Sharing the quarterback responsibilities with Raindl is Lee Rash.

"The eighth grade played a hard fought contest," said Coach Qualls.

The Jackrabbits got their 6 points on the board with only eight seconds left on the clock.

"Mistakes kept the Bulldogs from victory," said Coach Qualls. "But a goal line stand on the point after also saved the game."

With the game on the line, Micah Stone, Donnie Walton, and David Garvin made the winning tackle that preserved the tie.

Jessie Perez, Gerald Cantu, Edward Ramirez, Stone, and Michael Castillon all turned out an outstanding game, said Coach Qualls.

Stone led all tacklers with 9. Edward Ramirez scored the only touchdown for the eight grade on an exciting 25 yard run.

"The offensive line played great," said Coach Qualls. "Our defense adjusted well, but was worn down from being on the field so long."

The eighth grade offense rushed for nearly 150 yards, and passed for 16 yards. Quarterback Clay Taylor was 1-1 for nine yards; and Curtis Erickson was 2-1 for 7 yards and one interception.

Michael Castillon recovered a fumble for the eighth grade. Coach Qualls said some big hits of the game came from Stone 2, Walton 1, Cantu 2, Ramirez 3, Jeremy Brandon 1, Jessie Perez 2, Michael Castillon 1, Stephen Gwin 2, Sisto Trejo 1, and Stephen Rodriquez 2.

Tahoka's seventh grade football team can boast about a big win in their first game of organized football. They romped over the Ralls Jackrabbits in front of a home crowd last Thursday, 22-0.

The eighth graders's first game of the season ended in 6-6 tie.

Seventh and eighth graders will travel to Seagraves to face the Eagles in their second district game tonight.(Thursday, Oct. 3)

Let's Go, Bulldogs!

DO YOU NEED AN INFANT CAR SEAT? – Infant car seats are required by law, and the Health Department in Tahoka has several infant and toddler car seats on hand to loan out to anyone in need of one. The car seats are free, and the Health Dept. requires only a $2 deposit to loan them out, which will be returned when the car seats are returned to the Health Dept. Shown here is 8-month-old Billy Ray Saldana, son of Eddy and Mary Lou Saldana of Tahoka. See Barbara Farmer at the Health Dept., from 8 a.m. until 5 p.m. Mondays through Fridays, for more information on the child car seats. (LYNN COUNTY NEWS PHOTO)

Bulldog Booster Club News

The Varsity cheerleaders were honored guests at the booster club meeting on Monday night. It has been a treat to have these young people attend the meetings. Members also watched the film of Friday night's game against Ralls.

Oct. 7, at 7 p.m. , in the high school library the J.V. football team will be honored. Parents are encouraged to participate with your athlete(s).

Booster Club is going to have a fund raising supper before the varsity game against Post on Oct. 18. More details will follow in next week's news. Plan now to attend!

Chief's Comments

By JERRY WEBSTER
Tahoka Police Chief

The school zone lights on Lockwood are operational. The lights will be flashing three times each school day at the following times: 7:30 to 8 a.m., 12:40 to 1:15 p.m., and 3 to 4 p.m.

During these periods, please slow down to 20 mph and be alert for kids in he crosswalk. Also, remember to remain at 20 mph throughout the entire school zone. I've noticed some people tend to speed up when they reach the halfway point. The reduced speed limit is from one flashing light to the other. However, we haven't written as many warning tickets as I thought we would. We will probably write warning tickets for another week before going to the "real" tickets.

Lastly, let me say that I think the response by the people to the lights has been very positive. Even the people that we have stopped have liked the idea of protection for the children having to cross Lockwood.

Card Of Thanks

I would like to thank everyone who has sent me cards, letters and flowers, following my accident. Thank you for all of your visits, prayers and encouragement. A special thanks goes to Wayne and Loretta Tekell for hearing me and getting me help. I appreciate all of the kind care I received from the Lynn County Hospital staff, Dr. Wright and the Lynn County EMS crew. I'll be back on my feet again soon.

Wilson News

by Loretta Abbe **628-6368**

Wilson I.S.D. Board met in its regular monthly meeting on Sept. 26, 1991. The Board set the 1991 tax rate at $.45 per $100 of appraised value. This puts the combined rate of the local school district and the County Educational District at $1.232 per $100 of appraised value. The board also voted to contract with Mr. Waylon Carroll as its second appraiser for the 1991-92 school year. Mr. Carroll has been involved in school administration for many years, and he is a certified appraiser. Interim Superintendent, Dr. Michael Stevens reported that the school enrollment as of Sept. 26, 1991 was 205 students.

***

Several members of the Board spent last weekend in Houston at the TASB/TASA Convention. This is an annual meeting and the delegates to this meeting decide on which proposals and resolutions the TASB will support and which they will not. This helps to set goals and legislative focus of the TASB for the following year. Those attending were: Roy and Sharon Isham, David and Nan Wied, Keith and Susan Wied, Woody and Roy Follis, John Earl Miles. All board members received valuable class hours which will enable them to help improve our school.

***

Construction has begun on the new home-side grandstands. These stands should be finished in time for the Homecoming game on Oct. 18, 1991 against the Smyer Bobcats.

***

The Board has decided to take a little more time, than originally anticipated, to hire a new superintendent. The board felt that would be an advantage to the district to wait until the end of the current year to hire a superintendent, so that he would not come in at the middle of the year. Dr. Stevens indicated that he will stay through the month of May to help the Board in its search for a new superintendent, and to act as interim superintendent.

***

The Wilson Mustangs met the Amherst Bulldogs Friday night at Amherst. The Mustangs once again came away victorious with a 54-47 win. Amherst was the team to beat in the Mustang region. Wilson is now 3-1 for the season. They will next meet with Patton Springs at Afton, Tx, Friday, Oct. 4, at 7:30 p.m.

***

The High School Band will be marching at the Denver City Marching contest Saturday, Oct. 5.

***

The Jr. High Football team will play Patton Springs here Thursday, Oct. 3. The game will start at 5 p.m.

***

The First Baptist Church will be having a special worship service Sunday, Oct. 6, starting at 11 a.m. The service is especially designed for the homebound and rest home residents of their congregation. The Lord's Supper will also be included in this service. This service will be held in the Fellowship Hall for easy access for everyone. A covered-dish dinner will follow this special worship.

***

The First Baptist Church will be starting a youth gathering on Sunday evenings starting at 6 p.m. "There will be activities, fellowship, and fun, so bring a friend or two, and ideas to grow in the Lord."

***

Eight members from the Slaton Nursing Home visited with the "Lunch Bunch", Monday, Sept. 9. The "Lunch Bunch" is a group of area Senior Citizens who gather and enjoy lunch together.

***

Mr. and Mrs. Harold Sheperd visited with Mrs. Zora Powers over the weekend.

***

St. John Lutheran Church will be having a Rally Day Sunday, Oct. 6, for all ages along with a pot-luck dinner following Sunday worship.

***

First Baptist Church had a special program at their evening worship services on Sept. 29, 1991. A puppet show was presented by Jack and Helen Stephenson of Wilson. This program was well attended by about 50 people.

***

Several members of the Wilson 4-H group participated in the livestock show at the Panhandle South Plains Fair in Lubbock last week. Cody and Casey Donald showed their lambs and steers, Michael, Shaun, and Lauren Wied showed their rabbits in the rabbit show. Shaun and Lauren both received 5th place ribbons for their entries.

Around Town

On Tues: Sept 17, Watson and Lottie Spears flew from Odessa to Corpus Christi for a visit with their daughter, Linda, after stopping in Andrews and Odessa to visit Patsy and Larry and families.

They saw the Nueces River and learned the meaning of the Spanish name is nuts because of the many pecan trees in the area.

Also, according to the local people, Corpus Christi means body of Christ.

Larry has returned to Indonesia for his 30 day work schedule while son, Mike has returned home from Kuwait.

Ralph C. Wood of Winston-Salem, North Carolina, visited with his aunt Mrs. N.E. Wood during the weekend. Ralph is a professor of religion at Wake Forest University.

SAMPLE CUSTOMER NOTIFICATION OF HIGH FLUORIDE GRASSLAND WATER SUPPLY CORP.

Dear Customer:

The Grassland Water Supply Corp. has been notified by the Texas Department of Health that the water being supplied by our system exceeds the maximum contaminant level for Fluoride established by the Department's Drinking Water Standards which were promulgated as required by the "Safe Drinking Water Act," Public Law 93-523 (U.S.)

The maximum contaminant level has been set at 4.0 milligrams of Fluoride per liter of water. The samples of water from our system contained 5.3 milligrams of Fluoride per liter. There is no immediate health hazard for drinking water containing Fluoride at this level.

The excessive Fluoride content of the water may cause mottling of the teeth in children under 14 years of age. Bottled water is available, at no cost, at the Business Office for children under 14.

All dentists in this area are aware of the Fluoride level.

James Aten, President
Grassland Water Supply Corp.

Here's How To Win ...

OFFICIAL RULES

1. Using a pen or pencil, place an X in the box nearest the team you pick to win the games. Then, pick an actual score for the game designated as the tie-breaker.
2. Choose one sponsor's name from among the businesses listed, and write it in the designated blank. Each week, the Lynn County News will draw the name of three sponsors, any one of which, if named, will double the winner's prize money (paid by Lynn County News).
3. Mail or bring your entries to The Lynn County News, at 1617 Main Street in Tahoka, or P.O. Box 1170, Tahoka, TX 79373. Mailed-in entries must be postmarked by Thursday to be eligible, and entries brought in to the News Office must be received by 4 p.m. Friday preceding the games listed on the ballot. Acceptable football contest entries are those that are actually clipped from The Lynn County News. Copies of the entry ballot will not be accepted.
4. Each week's winner will be determined by the number of winning teams correctly picked. If more than one person picks the largest number of winners, the person who picks closest to the actual score on the tie-breaker will be the winner.
5. The winner will receive $5.00 from The Lynn County News. If the winner has also chosen the correct Secret Sponsor, he/she will be awarded double that amount.
6. Winners will be announced through the Tahoka football full-page advertisement on this page.
7. To receive your prize money, the winner should personally come by The Lynn County News.
8. Employees and immediate families of The Lynn County News are not eligible to win. The News reserves the right to disqualify, for cause, any or all entries, and maintains the right to cancel the contest at any time without prior notice or announcement. Judge's decisions are final.
