Power Seizure Try Set After U. S. Election

British-Licensed Paper Claims No Truce Is Wanted

(By The United Press)

BERLIN, Sept. 13—Soviet leaders have drawn up plans for Communist action squads to seize power in Berlin on an "x-day" soon after the American elections in November, the British licensed German press said today.

This followed disclosure by American authorities that the Russians are harassing the American airlift to Berlin with anti-aircraft fire, barrage balloons and blinding searchlights in addition to aerial maneuvers.

Action Excuse Noted

The British licensed Montags Echo said the current Soviet campaign of provocations in Berlin will be climaxed by a move to seize power under the pretext of preserving order.

The newspaper claimed, without stating its source, that Soviet officials told Communist party members that Russia does not want an agreement with the western powers of either Berlin or Germany.

The Berlin action squads will be organized along the same lines as those that helped the Communists seize power in Czechoslovakia last February, the paper said.

Three American soldiers who wandered into the Soviet sector late last night were released today after being held four and one half hours by Soviet military police.

They were identified as Pfc. Bernard J. Creed, Chicago; Pvt. Anthony T. Cummings, Kerrville, Texas, and Pvt. W. N. Fitzgerald, San Diego, Calif.

Flak Bursts Seen

One anti-aircraft shell burst within 150 yards of an American plane over the weekend, according to pilots' reports at Wiesbaden. The shell was fired at a sleeve target towed by a Russian plane. Other pilots reported seeing flak bursts ahead of their planes.

Lt. Gen. Curtis E. Lemay, American air commander in Europe, said the Russians also have placed barrage balloons along the edges of the air corridors leading to Berlin. At night they have been turning searchlights on airlift planes, making it impossible for the pilots to see land-

Indian Troops Open Invasion

NEW DELHI, Sept. 13 (AP)—Indian troops invaded the princely state of Hyderabad from all four sides today. The declared purpose was to restore order.

The dominion soldiers, spearheaded with tanks and armored cars and covered with air support, advanced swiftly, mostly against negligible opposition a government statement indicated.

A Madras dispatch said Indian forces striking from the east advanced 40 miles to within possibly 60 miles of Hyderabad City, the state capital.

India asserted disorder is rife in Hyderabad and that the fabulously rich Nizam had refused to disband private armies such as the Razakars. The state and dominion have been at odds for months because the Nizam, Gen. H. E. H. Sir Mir Osman Ali Khan, a Moslem, had refused to accede to India

About four out of five of the 16,338,534 people of the rich state are Hindus. India has demanded a plebiscite to determine the future of Hyderabad. The state is in south central India and surrounded by Indian territory.

The invasion was launched within 48 hours of the death of Gov. Gen. Mohamed Ali Jinnah, the founder of Pakistan and the main force in the partition of India. New Delhi sources said they expected Jinnah's death to ease differences between India and Pakistan.

IF WAR COMES!

Manpower Of Scumrats Far Exceeds U. S.

Allies May Or May Not Have Edge In Battle For Skies

WASHINGTON, Sept. 13—How would the United States wage the initial phase of a war if the political-diplomatic argument with Russia should give way to shooting by the Soviets

The military high command, headed by Defense Secretary Forrestal, gave its answer to Secretary of State Marshall in a super-secret meeting at the Pentagon within recent days. There was no official announcement of what the American diplomatic chief was told, other than that he was given an accounting of the United States military position.

Russian Forces Estimated

What is that position with relation to the reported military capabilities of Russia, her satellites and the armed resources of those European nations that might oppose a Russian march to the west? On the basis of available information, the picture is something like this:

Soviet Russia, with a population of more than 211,000,000, has a vast reservoir of manpower for land armies. Official estimates in Washington indicate the current existence of upwards of 175 divisions of Russian ground force and security troops. These total 3,000,000 men (2,600,000,000 regular army, the balance the MVD security troops.) The last report (and this was months ago) was that 43 divisions of 588,400 men were in the occupied areas, with another 56 divisions of 1,114,000 in western Russia.

Eight Soviet satellite states are supposed to have a total of about 100 divisions of 1,121,600 men. That's a grand total of 4,121,600 men in 274 divisions deployed at or near the point at which war conceivably might start.

U. S. Position Given

A little less than 100,000 United states troops and only one combat division face the Russians in Europe—about 96,000 in the United States zone of Germany. In addition there are 5,000 in Trieste.

Back in the United States are about 285,000 soldiers, only 54,000 of them actual "mobile striking force" troops who could be hurried to Europe as support or replacements. Other troops are pinned down to occupation duty in Japan or garrisons at offshore posts of the United States. The total army manpower of the United States with its populaion of 145,-

Railroad Company Very Special Guest At Wedding Vows Of New England Couple

(By The United Press)

NATICK, Mass., Sept. 13—The Boston & Albany Railroad was as sentimental as any other wedding guest today and agreed that it was a beautiful ceremony.

Of course, the railroad was a little surprised last week to receive an invitation to the wedding of Mabel Anita Smith, 17, of Natick and Ralph V. Hansen of Millis.

And, naturally, the entire Boston & Albany couldn't accept even when Miss Smith explained in a note why she invited the road.

"I was born on one of your trains 17 years ago at the West Newton station and held up the train for 20 minutes", she wrote. "My nickname ever since has been 'the B & A girl.' "

But the railroad sent William Oldroyd, assistant to the general manager, to the ceremony yesterday in the rectory of St. Patrick's church.

Oldroyd congratulated the couple and announced that the railroad's wedding gift was a set of chinaware and an expense-paid honeymoon trip to Niagra Falls.

The newlyweds had to take a rain check on Niagra Falls since they already had planned an automobile trip through northern New England.

Oldroyd insisted they take the trip soon.

"This is the least the railroad could do for its adopted daughter," he said. "There must have been hundreds born on our trains, but we never heard from any of the others."

WASHINGTON, Sept. 13 — Republican hopes of cracking the erstwhile Democratic "Solid South" rose today to the highest point since Herbert Hoover did the trick in the 1928 elections.

Republican strategists figured their chances had improved considerably as result of the growing battle between regular Democrats and rebellious southern Dixiecrats.

They said that on the basis of returns from the 1944 presidential election, the GOP might capture at least a couple of southern states if the rival Democratic factions split the Democratic vote about evenly. Those would be states where the 1944 Repblican vote approached or bettered 50 per cent of the Democratic vote.

Three In That Class

At least three southern states where Dixiecrats will be on the November ballot—Virginia, Tennessee and North Carolina—fall into that category.

The 1944 count in those states was: Virginia, 242,276 Democrat and 145,243 Republican; Tennessee, 308,707 Democrat and 200,311 Republican; and North Carolina, 527,399 Democrat and 263,155 Republican.

All three states went for Mr. Hoover in 1928 when the late Alfred E. Smith was the Democratic candidate.

The Republicans are not counting on the Democratic civil war alone to make inroads in the South. For the first time in many years GOP headquarters has set up a separate bureau to handle southern affairs and has sent a special emissary into southern states.

To Go To Courts

Meanwhile, the Democratic national committee indicated it was ready to go to the courts in an attempt to get the Truman-Barkley ticket on the ballot in Louisiana.

The threat of court action came from William J. Primm, jr., assistant to Democratic chairman J Howard McGrath. He denounced as "flagrantly dishonest and fraudulent" the action of the Louisiana state central committee in removing the names of Truman-Barkley electors from the ballot and substituting those favoring the Dixiecrat candidates, Gov J. Strom Thurmond of South Car-

Hurricane Winds Sweeping Bermuda

(By The Associated Press)

MIAMI, Fla., Sept. 13.—Hurricane winds approaching 140 miles an hour velocity swept the British island of Bermuda in the Atlantic today.

The weather bureau's storm warning service at Miami said the center of the severe hurricane was only 65 miles southwest of Bermuda at 9:15 a. m. (CST). The storm was moving north-northwestward.

Storm Passing To West

"Winds at Bermuda have reached hurricane force and will continue to increase until the storm passes," forecasters reported.

"The center is expected to pass 40 to 60 miles west of Bermuda during the next few hours."

Although pointed in the general direction of the Virginia capes, the storm is expected to recurve to the north and northeast before any effects are felt on the United States coast, the storm warning service stated.

Shops, Planes Moved

The hurricane for the next 12 hours will sweep the busy coastal shipping lanes with dangerous winds and wild seas. Ships were warned to avoid or flee its path. The recurving movement was ex-

Gleaming White Dreamhouse Will Be Scene Of Wedding Of Socialite And Cinderella Fiancee

(By The United Press)

DAYTON BEACH, Fla., Sept. 13.—Socialite Francis Hitchcock and his bride-to-be from a little Pennsylvania coal-mining town today awaited removal of legal barriers before disclosing final plans for their wedding in a gleaming white dreamhouse overlooking Atlantic sands.

It was disclosed yesterday that Hitchcock, 39, and Stephana Saja, 23-year-old brunette daughter of a Czechoslovak coal miner, had chosen White Castle, a two-story white stucco cottage at Wilbur-By-The-Sea as a setting for their marriage.

Details Withheld

But other details of their plans were withheld as the couple went into seclusion to await a final decree on Hitchcock's divorce from his second wife.

Court attaches in West Palm Beach where Hitchcock sought the divorce said it was "all settled" and required only that Circuit Court Judges Joseph White or C. E. Chillingworth publish the decree. They said this would be done "today or certainly some time this week."

Col. Arch Wall, father-in-law of a college mate of the wealthy Hitchcock and owner of the house in which the couple will wed, indicated that the divorce decree was expected sometime today.

Meanwhile, Hitchcock kept his beautiful Cinderella-girl fiance busy swimming in the surf and

OTTAWA, Sept. 13. (AP)—An American naval plane bearing Capt. Benjamin Scott Custer, naval attache of the U. S. embassy in Ottawa, and four others is missing today in the bleak country of northern Manitoba.

The U. S. embassy said Capt. Sir Ropert Stirling-Hamilton, naval advisor to the British high commissioner at Ottawa, also was aboard.

The plane left Churchill, Man., Sunday morning for The Pas, Man., and Ottawa and has not been heard from since.

Others aboard were U. S. military personnel. They were Lt. Charles Wilcox, U. S. Navy, pilot; Chief Petty Officer, Jack M. Kastner, a naval air pilot; and a staff sergeant named Scalise, who was a pessenger being flown from Churchill.

Mrs. Henry Holman Injured In Wreck

Mrs. Henry R. Holman of 1609 Twenty-eighth is under treatment at St. Mary's hospital in Roswell, N. M., for injuries received when the car in which she was riding overturned twice about 2 a. m. Sunday 20 miles west of Roswell

Others riding in the car included her husband and Mr. and Mrs. Keith Franklin of Lubbock route 6, all of whom were uninjured. The two couples were returning to Lubbock after a weekend trip to Ruidoso, N. M. The car, a 1947 Willys station wagon belonging to the Franklins, was badly damaged.

Friends here said that Mrs. Holman had suffered a cut on the back of the head and possible other injuries. Results of X-rays taken at the hospital Sunday were not known here this morning.

Coke Presses Case To Get Vote Recount

Johnson's Request For An Injunction Argued In Court

(By The Associated Press)

ALICE, Sept. 13.—Coke Stevenson's attorneys tried today to have thrown out of court a request for an injunction to prevent a recanvass of Jim Wells county votes in the U. S. Senate runoff.

Five attorneys and Stevenson's brother, Pierce Stevenson of Austin, were here to press the former governor's case against the injunction sought by Stevenson's senatorial opponent, Rep. Lyndon Johnson.

At stake were 202 votes—201 for Johnson and one for Stevenson—which turned up in the precinct 13 count certified to the state executive committee, but which were not included in the unofficial count made public immediately after the election.

Johnson's Agreement Given

Judge L. Broeter adjourned court shortly after the noon hour, until 2 p. m. He planned to review arguments of opposing attorneys in the two-hour interim.

Johnson's chief counsel, Dudley T. Tarleton of Corpus Christi, had not yet finished his argument when the adjournment came and was expected to take it up again at 2 p. m.

Tarleton argued that the law providing for a county Democratic executive committee to reconvene to investigate votes does not apply here because the committee which made the original count is outof existence. The new committee, he said, could "convene" but could not "reconvene."

Johnson's petition for an injunction to prevent a recanvass contends Stevenson conspired with others for the purpose of altering the returns as originally canvassed.

Court Authority Challenged

Today the battery of attorneys representing Stevenson presented the former governor's answer, which was made public in Austin yesterday in advance of filing here.

This answer said Johnson "is attempting to conceal the fradulent and criminal acts of the parties who altered the returns and who now wrongfully withhold said election date until after the state Democratic executive committee certifies the final result of the

Littlefield authorities reported a car stolen. The report was made by H. G. Rice of Littlefield, who listed description as a blue 1939 Ford coupe, license AM 8324.

County court officials said H. E. Whitaker, jr., 25, of Floyd county, was fined $1 and costs on a check law violation complaint.

Police said they had fined a negro $50 and costs for reckless driving after they had been outdistanced by his big automobile, but later had located it parked, "its engine still hot."

Six Dead In Crash

NEW ORLEANS, Sept. 13. (AP)—Six men were killed yesterday when their crippled Army training plane crashed and burned only a half mile from the airport at which they were trying to land.

The six were identified as Capt. W. L. Page, Capt. S. E. Lambert, First Lt. R. Alsup, jr., and First Lt. G. E. Lawler, Air Force reserve officers, and Civil Air Patrol cadets W. T. Geray and W. K. Chapman. All lived in Houston.

They had taken off from Ellington field at Houston earlier in the afternoon on a routine training flight.

Shortly before the crash the pilot had radioed the New Orleans airport that they had run into heavy rain, one motor had quit, and that he was trying to find a "hole" in the overcast through which to land. Minutes later, as they banked to make another aatempt, the plane spun in from 200 feet.

Tension High As Democrats Open Session

By CHAS. A. GUY
Editor, The Avalanche-Journal

FORT WORTH, Sept. 13—The confusion which has gripped all of Texas over the U. S. Senate race between Coke Stevenson and Lyndon Johnson turned to chaos today as members of the state Democratic executive committee of Texas and the advance guard of 254 county delegations hit this state Democratic convention city.

The folks at home who think they are at sea regarding the hectic Senate race's outcome would know they were in the middle of the ocean if they were here. Nobody, not even opposing candidates Johnson and Stevenson, would bet a plugged nickel on any phase of the Senatorial situation, although both of the rivals and their friends are putting up a show of confidence.

Air of "Trouble Expectancy"

Although there is a definite air of "trouble expectancy" hovering over the Blackstone hotel, where state party headquarters are located, thus far everything is peaceful. At the executive committee's morning session—open to visitors as democratic meetings ought to be—everything was lovey-dovey.

But there was a tip-off of the jitters in which spectators twisted in their chairs when Houston Chronicle photographer Jess Gibson dropped a flash-bulb which went off like a gun. Everybody, expecting trouble of various sorts before the convention ends, jumped and the crowd's nervous twitter caused state chairman Bob Calvert to momentarily halt his general announcements.

All Sessions Open

Calvert, looking like a slightly taller and younger edition of Lubbock's Carden Green, promised that all sessions of the executive and other committees would be open to visitors, providing order could be maintained. In case of disorder, he warned, committees will seek more private working quarters.

Present at the executive committee's open session this morning were 56 of the state's 62 members, composed of a man and a woman from each of Texas' 31 state senatorial districts. Five of the missing six were represented by proxies, the lone exception being French Robertson, of Abilene.

The convention proper, which opens tomorrow morning at the Will Rogers auditorium, is certain to draw a turn-away crowd

Tabulation Of State Returns Staged Today

Secretary's Count Is Not Accepted By Sub-Committee

(By The United Press)

FORT WORTH, Sept. 13—Tabulation of the official returns in the dramatic runoff primary contest between Coke Stevenson and Lyndon Johnson for the U. S. Senaet was started at 12:27 p. m. today.

A sub-committee of the state Democratic executive committee agreed to examine each certificate from the county chairmen after a preliminary report by Secretary Vann M. Kennedy showed Johnson led by an 87-vote margin.

Count Is Announced

Kennedy reported his count gave Johnson 494,191 votes to 494,104 for Stevenson.

This was based on tabulations made as the certified returns were received by Kennedy's office.

Alvin J. Wirtz of Austin, Johnson's representative on the subcommittee moved that the report of the secretary be adopted as the report of the subcommittee.

Stevenson's representative, Albert Sidney Johnson of Dallas, objected.

He said he did not see "how we can report to the committee on the basis of the secretary's report."

Report Always Accepted

Kennedy interposed that always in the past the secretary's report has been accepted but in view of the closeness of this race it might be well for the committee to examine each certificate.

"Here are the adding machines and here are the certificates," he said.

Wirtz then withdrew his motion and the committee agreed to audit each county return.

The first certificate handed Chairman W. B. Simmons of Orange was Anderson county.

The adding machines began grinding out the count.

Group Tense And Quiet

Officials checkers and tabulators noted each return on prepared forms. The oval-shaped group, knotted tightly around two tables in the dimly lighted ballroom of the Blackstone hotel, was tense and quiet except for the reading of the returns.

The only unofficial spectators were representatives of the press and radio.

Everyone else was barred by a committee ruling to expedite its important business.

This subcommittee reports to the executive committee as soon as it finishes its tough job.

Johnson, leaning forward, listened intently as the returns were read. Stevenson was not in the room. He said he would leave the job to the committee and his watchers.

Says He Has Proof

Stevenson yesterday said he was prepared to come before the executive committe with proof that 202 votes—201 of them for Johnson—were "added to the polls several days after the polls closed" in Jim Wells county.

He also said he was prepared to show "irregularities" in several

Showers Fall Along Texas' Gulf Coast

(By The Associated Press)

Rain showers were falling today on Texas' upper gulf coast area, and over the entire state cool weather continued.

The weather bureau said occasional rain was expected in the east portion of East Texas through tonight and in the extreme northeast tomorrow.

Winds on the upper coast may become "occasionally strong" this afternoon and tonight, the bureau added.

In West Texas, little change was forecast in the pattern of cold nights and mild days. Amarillo's 55 was the state's low temperature this morning.

Yesterday's Texas high was 95 at Presidio.

Hubbers Lose First Baseman As Richardson Is Suspended

Virgil Richardson, Lubbock Hubbers first baseman for the past two years, was placed under indefinite suspension and probable fine shortly before yesterday's Shaughnessy playoff game with Amarillo at Rosenthal Field. The Hubbers won 7-3 without Richardson.

The tall, popular Richardson was said to have used abusive language Saturday night, both in the dugout and in the clubhouse, against Mrs. Sam Rosenthal, Hubber owner, as well as Larry Larsen, general manager.

He was given an opportunity to apologize Sunday before the game, both to Mrs. Rosenthal and the players, but failing to do so, was placed on the suspended list. He was expected to clear his locker today and to return to his home in Nebraska.

Richardson took exception to the announced Saturday night crowd of 3,615 persons. He argued that there were more persons than that present and immediately created a scene in the Hubber dugout.

Later, with several fans in the clubhouse and in the presence of newspapermen, Richardson re-

MARY HAWORTH'S MAIL . . .

Husband's Unpredictable Rages Causes Wife To Feel Marriage Is Seriously Threatened

DEAR MARY HAWORTH: I would very much appreciate your opinion on this problem, which is seriously threatening our marriage.

Although Jim is a warm and loving husband and father, he also has an ungovernable temper and his outbursts are ugly and frequent, regardless of the presence of the children or of the guests.

His family background is interesting and fine in many respects; but also shows a definite disregard of the amenities in social situations, whereas my own parents are unusually gentle people and their manners much more conventional.

CHILDREN ARE APING FATHER'S TANTRUMS

I DON'T want to magnify the problem, but as I observe the children imitating Jim's unpleasant behavior pattern I am becoming increasingly discouraged. In the past, I had accepted his tempers as a superficial bad habit and had believed he would learn to control them if I were patient.

I am sure that Jim has no doubts of my love for him, and my respect for his accomplishments and ideas; therefore I can't understand his cruel, public attacks on me. He is always very quickly repentant and often surprised that I have reacted with shattered emotions.

The result of all this is that we have increasingly isolated ourselves from other people, an adjustment which does keep us on a more even keel, but which I think is unwholesome nevertheless. Please advise.

Signed S. L.

MAN UNCONSCIOUSLY CRAVES DISCIPLINE

DEAR S. L.: Jim's addiction to frequent ugly outbursts of allegedly ungovernable temper is a definitely infantile manifestation; thus the findings of child psychology apply to it.

Such behavior in infants or young children is a form of assertiveness or a form of complaint, and the unconscious aim or desire of the infant is to come to grips with somebody about something.

Assuming the infant is being physically or affectionally neglected, his vehement outburst is a demand for comforting ministrations. Assuming he is a pampered child, however, whose environment seems infinitely malleable to his whims, his outbursts at intimates are an attempt to contact the limits (if any) of their subservience to his will.

Close students of child psychology know that a child feels maximum security in a familiar framework of permissible behavior, where the rules are dispensed and the limits fixed by reliable, humane authority, and not by him!

HIS CHARACTER SHAPED BY "UNGOVERNED" TYPES

THE child who feels no restraints imposed on his temperament will also feel instinctively betrayed, as if bereft of some vital assurance of protective strength outside himself, hence in outrage, in resentful protest, may develop a habit of hysterical clamor for he "knows not what" that is often mistaken for incorrigible temper.

So with Jim in his infancy and formative years, no doubt. The persons who shaped his character were themselves "ungoverned" types, hence hadn't the wit to help him, and now you are coping with the result, in his pernicious infantile rages, which don't merit the tolerance you've shown them.

Meek suffering acceptance isn't the antidote to his affliction, as you've lived to learn. Self-respecting vigorous denunciation of his despicable tantrums would be a far more mature reaction; and you should have made a major issue of his outbursts long ago, instead of crawling into your shell to reduce risks of social humiliation. Now that his bad example is permeating the children's behavior, it's high time to have a showdown; and my advice to Jim is to get psychiatric help in mending his manners from the roots.

Engineer Group To Hold Meet Tuesday

A stag dinner meeting will be held in the Chimayo room of Hilton hotel at 7:30 o'clock Tuesday night for members of the South Plains chapter of the Texas Society of Professional Engineers, it was announced this afternoon by Max Tidmore, president of the chapter.

Registered engineers from a wide area of West Texas will attend the meeting.

L. J. Roberts of Amarillo and H. P. Mathieu of Pampa will be special guests. Roberts, chairman of the state labor management committee, will be the guest speaker.

Tidmore said many West Texas problems, including water supply, are on the chapter's agenda for discussion this fall.

RETONGA FAR BETTER THAN HE THOUGHT A MEDICINE COULD BE
Denver Man Tells How He Found Blessed Relief In A Few Days from Distress of Sour, Gassy Stomach, Loss of Appetite, Restlessness and Constipation.

MR. LAWRENCE BLAKE
"I have found Retonga to be far better than I thought any medicine could be," declares Mr. Lawrence Blake, highly respected resident of 1646 Larimer St., Denver, Colo.
"During the past year my health seemed to be on the down-grade continues Mr. Blake. "I had to watch my diet or I would suffer untold distress from sour stomach and gas pains after every meal. My appetite all but left me and I didn't relish any of my food. I had to take strong laxatives to relieve my sluggish bowels and I slept so poorly at night I just felt as if I didn't want to get up at all.
"The relief Retonga brought me was certainly a blessing. Within a few days my appeite had returned and I now eat anything I want to without suffering. I sleep like a child, get up feeling refreshed, and go about my work feeling better than I have in many years. I no longer have to rely on strong laxatives or relief from constipation. It is a real pleasure to recommend Retonga to anyone suffering as I did."
Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at all good drug stores.

Hubbers Wallop Sox, 7-3, To Even Playoff Series Two-All

Between . . . The Lines

— By JOE KELLY —

Virgil Richardson's outburst Saturday night came as a distinct surprise to us. We were in the Hubber clubhouse when he made his accusations and they shocked us. We had, and have, no reason to believe that Mrs. Sam Rosenthal would stoop to such a maneuver as holding out deserved gate receipts on the ball players. Nor do we believe that Larry Larsen, the general manager, would do such a thing. The Hubber ball club has been known, always, as one of the most generous in a more than generous league.

• • •

So when Richardson made his vehement statements, we were a little taken aback. Rich wanted to come back to Lubbock this spring and had no complaints when Dallas sent him here. The Hubbers treated him and his wife well. They gave him time off to go to Nebraska and bring her here. They cared for them better than any other club would care for its personnel. He was paid a high salary for playing, one of the highest on the Hubber team and in the league.

• • •

Richardson gave the Hubbers good work at first base and his hitting left little to be desired. He ended the season with a .397 mark, highest on the Hubbers, and his run production was the best. He had every reason to be proud of his own achievements; to feel that he had a big part in getting the team into the playoffs.

• • •

But there was no reason for him to think that he was more valuable to the club than Don Moore, Chris Haskins, Jackie Wilcox or any of the other players. On a baseball team, as in every sport, emphasis is on a team playing as a unit, not on individual ability. It takes ability to play any position well, but it takes nine players to make a baseball team. That's what Manager Jackie Sullivan was working for this year and that's what he almost had. Except that Richardson didn't look at it that way.

• • •

The Hubbers are united now; they are determined to beat Amarillo and then lick either Pampa or Albuquerque. They are like a person who has a boil and finally has it opened. The festering is out in the open and the wound heals. The wound already has healed on the Hubber team and they are ready to go all out in an effort to win. We wouldn't be surprised to see them win tonight and tomorrow. They are bound together with team spirit now and eager to lick the Gold Sox. Maybe everything that has happened has been for the best.

• • •

Turning from baseball to a sport with which it is seriously conflicting, football, we enjoyed the visit to Texas Tech's campus for their scrimmage with Abilene Christian Saturday. We enjoyed the visit, but what we saw made us go home shuddering. And when we saw that West Texas had licked Flagstaff 28-O, we did some more shuddering. The prolonged shivvering shook loose a few of our remaining molars and only the Hubber victory brought us back to solid ground.

• • •

We don't envy Coach Dell Morgan, or his assistants, in the least. The Red Raider squad has spirit, it has hustle. If it only had ability we'd feel happier about the upcoming 11 games. Right now no one is worrying about the last 10 games on the schedule; but they sure are worrying about the Buffalo tilt. Everyone knows that Coach Frank Kimbrough will come down here loaded, ready to shoot the works against Tech. And everyone also knows that he has a pretty good chance to turn the trick.

• • •

The Buffaloes haven't a big team, as teams go, but they have deception and they have experience, for which there is no substitute. Moreover, Kimbrough has a group of men who want to win and who love the game. Amarillo experts concede that the squad is small and that injuries would hurt them, but they also have a tremendous amount of respect for Kimbrough's skill and his starting eleven. In fact, football dopesters in Amarillo wouldn't be a bit surprised if the Buffs knocked off Tech next Saturday post meridiem. Remembering that the Buffs once held a 13-0 lead last fall before the Raiders belatedly worked up to win 21-13, we also wouldn't be surprised if the Buffs woke up the Raiders.

No one had any doubts that Chris Haskins and Don Moore were valuable additions to the Hubbers and they proved it to the satisfaction of over 4,000 persons yesterday afternoon at Rosenthal Field, when they pitched

TONIGHT AT 8 AGAIN

The fifth game in the playoff series between Amarillo and Lubbock will get underway at Rosenthal Field tonight at 8. Manager Buck Fausett probably will hurl Joe Budny, who licked the Hubbers in the first game, while Manager Jackie Sullivan will counter with Roy Larue.

and batted the Hubbers to a 7-3 victory over the Amarillo Gold Sox to bring their Shaughnessy playoff series to a two-two tie.

Haskins came on in relief of Roland Miller in the seventh and hurled three innings of shutout ball, following Miller's example. And Moore slammed a three-run homer in the same frame to give the Hubbers a 6-3 lead, after they had fought from behind to tie the score.

All this was done without Virgil Richardson, the Hubber first baseman, whose indefinite suspension was not known until shortly before game time.

The Hubbers barely missed Richardson yesterday. They fielded flawlessly and racked up 10 hits off Ray Pannemann, Bob Crues and Jim Heller, although there was some doubt that they were going to win after they flubbed a fine chance in the sixth.

Cotton Russell started the game and failed to last three innings, showing a tendency toward wildness and giving up four hits good for all the Gold Sox runs. After that Miller and Haskins combined to blank the visitors for six and a third innings, allowing them just two hits.

Miller came on in the third with men on second and third, two runs in and only one out. He fanned Jack Mayfield on a called third strike and induced Ferluga to ground out to end the agony.

Hurled Fine Game

Thereafter he hurled a fine game, striking out two men, walking one and giving up a harmless single that Jerry Folkman luckily got as he was falling away from a pitch.

Haskins came on in the seventh, after Miller hurt his sore right arm, and also chucked a superb contest. He was particularly brilliant in the seventh, when Doug Lewis led off with a single to left and Paul Halter sacrificed him to second. Chris threw four pitches to Crues, minor league home run king, and three of these were fence-swinging strikes. Then he slipped three pitches past Dick had nicked Haskins for two home runs Saturday night.

The Sox were retired in order in the eighth and ninth and the hubbers moved into a tie with the visitors in the Shaughnessy series.

Sox Get to Russell

Amarillo got to Russell in the second for one run when Gentzkow was safe on a fielder's choice, Buck Fausett doubled him to third, Jack Mayfield walked and an inside pitch nicked Pannemman on the left arm to force in one run.

The Sox picked up a pair in the third on a walk, a hit batter, Genzkow's one-run single and Fausett's second double, also good for one run.

Then the Hubbers opened up. After two were out in the fourth, Frank McAlexander singled sharply to left and Moore followed with a single to center. Jackie Wilcox caught an outside pitch and drove it into rightfield, McAlexander scoring and Moore stopping at third. But Red Ramsey grounded out to end the inning.

Sullivan Comes Through

In the fifth, again with two out and Chick Fowler on first through a fielder's choice, Manager Jackie Sullivan singled sharply to left scoring Fowler. And the Hubber manager came all the way in on Floyd Walker's line drive double into left centerfield, tying up the ball game.

Gene Hixson and Sullivan went down in order to lead off the seventh, but Walker was safe on Doug Lewis's error, after Earl Harriman had made a sensation play on his line drive through short. Crues walked McAlexander to put two men on the sacks and Moore hit the first pitch, an inside curve, on a line into the netting over the leftfield fence. That was the ball game.

With two out in the eighth, the Hubbers added some insurance when Chick Fowler singled through the box, stole second and scored on Hixson's Texas Leaguer to left.

Pampa Trims Dukes 7 To 5

PAMPA, Sept. 13 (AP)—The Pampa Oilers handed the Albuquerque Dukes a 7-5 defeat here last night to move within one game of the finals of the West Texas-New Mexico league Shaughnessy playoff.

The Oilers lead the Dukes, three games to one, in the best four-out-of-seven game series.

Home Run Gave Lead

John Bottarini's home run in the second gave Pampa a lead it held all the way. Joe Fortin also homered for the Oilers and Herschel Martin and Len Pill did the same for the Dukes.

Pampa Owner R. L. Edmondson announced that Shreveport had purchased Avon Driggers, who won his 22nd game of the year last night, and Fortin.

The San Antonio team won the first game of the three-game series Saturday night.

Bob Covington held Fred's to four hits in the second game of yesterday's twin bill.

Southwest Elevens Will Start Season

(By The United Press)

Four of the seven Southwest conference football teams get their 1948 baptisms of fire this week and some of the big question marks hanging around each of them may be answered by next Saturday night.

Headline attraction will be at Austin where Texas unveils its fine, enlarged stadium as well as its first Layneless team in four years against a potentially dangerous Louisiana State eleven.

Other games will pit Texas Christian against Kansas at Lawrence, Texas A. & M. against Villanova at Philadelphia and Arkansas against Abilene Christian at Little Rock.

Interest In Texas-LSU

Rival coaches as well as Longhorn supporters will center their interest on the Texas-LSU game to see if Coach Blair Cherry's squad shows signs of living up to its rating as one of the top two clubs in the loop.

Especially will they be drawing the beads on slender Paul Campbell, the little youngster who has been given the big assignment of filing in where the redoubtable Bobby Lane filled in as the man-under in the devastating Texas T attack.

LSU, while a comparatively green team, doesn't rate to be any pushover for the Longhorns and the margin of victory should give a pretty fair line on Texas.

Frogs Due To Win

Up in Kansas, Coach Leo (Dutch) Meyer will find out, or hopes to, whether he's developed a passing attack to go with a good running game and defensive line at TCU. The Frogs are due to win, since Kansas looms weaker than last season, but again the margin will offer some basis for future ratings of the Horned Frogs.

Harry Stiteler's Aggies, not expected to cut any serious figure in the conference flag race, may come up with a surprising will-to-win that would offset a conceded lack of A-1 manpower at A. & M.

Villanova Rates Edge

On the record, Villanova rates the edge, if for no reason other than the Aggies will be so far away from home. Stiteler has not expressed any pessimism about his team's chances. So this game may provide the chance to show he hasn't been faking his smiles.

ACC shouldn't rate in the same class with Arkansas. But neither should have Northeast Louisiana, last Year's Porker opening opponent that threw such a scare into the highly-touted Razorbacks.

Black Hubbers Tie Hobbs Tigers 11-11

Lubbock's Black Hubbers went to Hobbs Sunday afternoon, where through eighth and ninth inning surges they drew a tie with the Hobbs Tigers in a nine-inning contest that was called on account of darkness. The score was 11 to 11.

The same teams are to meet next Sunday, also at Hobbs, according to James Roy Lewis, manager, who reiterated that the Black Hubbers plan to play one more game at Sam Rosenthal field here after completion of the Shaughnessy playoff by the Hubbers.

The line score:

Pirates Move Up On Braves

By JOE REICHLER
Associated Press Sports Writer

The odds are against them, but if Billy Meyer and his Pittsburgh Pirates win the National league pennant, he'll be the first manager in major league history to reach the top with a club that finished last—or tied for it—the preceding year.

Generally picked for fifth place at the best, the second place Bucs today were three games behind the front-running Boston Braves.

Pittsburgh picked up a half game on the Braves yesterday, defeating the Chicago Cubs, 7-3 while the Philadelphia Phils were holding Boston to a split in their doubleheader. The Phils won the opener, 6-4, but the Braves came back to win the 13-winning nightcap, 2-1.

Bad Day For Boston

It was a bad day for Boston all around as the American league leading Red Sox saw their first place margin shrink a full game when they were beaten by the fourth place Philadelphia Athletics, while the runner-up Yankees and the third place Cleveland Indians won.

The A's whipped the Red Sox, 10-4, to cut Boston's lead to two games over the Yankees and two and a half over the Indians.

The Yankees trounced the Senators in Washington, 10-5.

The Indians defeated the St. Louis Browns, 6-4, in the first game of their double header in Cleveland. The second game was a 3-3 tie with darkness ending the contest after 12 innings. The two teams will replay the game today.

White Sox Beat Tigers

In the other American league game, the Chicago White Sox defeated the Detroit Tigers, 5-2.

The St. Louis Cardinals moved into third place by a half game over Brooklyn and New York in the National nosing out the Cincinnati Reds, 7-6.

The Giants threw another wrench into Brooklyn's pennant plans, defeating the Dodgers, 5-3, for their seventh win in their last nine starts against Brooklyn under the leadership of Leo Durocher.

The victory put the fifth place Giants only .0005 percentage points behind Brooklyn and six games back of the Braves.

Schoolboy Elevens Swing Into Action

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Texas schoolboy football campaign blazes from piney woods to Panhandle and the Gulf this week. Most of the teams that saw action last week and all those that did not will be hammering away.

Play starts tomorrow night when Woodrow Wilson and Highland Park, two Dallas powers, get together in probably the most important game on the schedule. Woodrow Wilson is the favorite in its district of the city conference; Highland Park is one of the state title picks in class AA. It will be the first game of the season for both.

A stand-out battle of the weekend will be North Side (Fort Worth) and Odessa at Odessa. North Side whipped Tyler 12-0 last week while Odessa was scrapping Lubbock to a 7-7 tie.

The result of the Lubbock game indicated that Odessa is about like its coach, Joe Coleman, rated it before the season started. He said his Broncs wouldn't have anything like the strength of 1947 Lubbock, however, is a much improved team.

Abilene, which started impressively last week by licking tough Breckenridge 7-0, goes down to San Antonio to tackle Brackenridge Friday night. This is another highly important game—one that will occupy the interest of the entire state. The city schools are in their own conference this year and Brackenridge and Abilene couldn't meet—in a championship play-off, but this game will indicate if Brackenridge is up to its 1947 standard when it won the title. Brack whammed Austin 20-7 last week to show that Coach Red Forehand's pessimistic views regarding his team's prospects this season were just borrowing trouble.

Denison, which cracked San Angelo 25-6 last week, will test the rebuilt Wichita Falls Coyotes at Wichita Falls Friday night. San Angelo, one of the West Texas favorites, made Les Cranfill's selection of Bonham as the team to win his district title look bad. Les always did worry too much about the opposition.

Kerrville, a well-rated outfit which last week trimmed Thomas Jefferson (San Antonio) 12-0, goes to Brownwood in another feature.

Brownwood opened the season by strapping Big Spring 32-0. Kerrville's victory over Jefferson wasn't particularly impressive, however. Jefferson is well down in material this season. But if Kerrville can beat Brownwood it will push back up as a top contender.

Major interest in the state last week also was on the 57-0 licking Paschal (Fort Worth) handed Ennis, Port Arthur's 39-13 whipping of San Antonio Tech, Marshall's strength in tying Fair Park, the Shreveport powerhouse, 7-7; Lufkin tying Longview 13-13 to show the Panthers aren't the weak sisters pictured in pre-season forecasts, and that 33-7 trimming Corpus Christi laced onto Waxahachie.

DAPPER JOINS ATLANTA

ATLANTA, Ga., Sept. 13 (U.P.)—Cliff Dapper, currently catching for the Montreal Royals in the International League, today was named 1948 manager of the Atlanta Crackers in the Southern Association. Pres. Earl Mann of the Atlanta club announced Dapper's choice today. The 29-year-old catcher will serve as a player-manager. Mann said, succeeding Hazen (Kiki) Cuyler.

WE RECEIVED a letter the other day which was reminiscent of the past and of heated political arguments too numerous to remember.

The letter had to do with the so-called "pledge" which adorns each ballot in Democratic primaries in Texas.

The writer of the letter gave her name and address, but asked that neither be made public. She lives in a nearby South Plains city and her reason for seeking anonymity is that she doesn't want to run any chance of her husband's business being injured, or of losing any friends, as the result of a political matter.

While we seriously doubt that the lady's husband would lose any business if their identities were known, or that they'd lose any friends, we shall preserve the anonymity, as requested.

* * *

The letter, in its major parts, read:

"My husband and I moved to the town from which this letter is dated in late 1946. We came here from a Midwestern state in which we had lived for a number of years and where we were registered as Democrats.

"We always voted in the old state in the Democratic primaries and nearly always voted for all the Democratic candidates in the general elections. Sometimes, though, when we thought, or knew, that the Republican running for some particular office was the best candidate, we voted for him, because we always thought that party lines did not mean as much as getting the best people for public positions.

* * *

"NOW, HERE is what I should like to know.

"My husband and I voted in Texas for the first time this Summer, in both July and August. We noticed the 'pledge' on our ballots, which said we have to vote for all Democratic candidates in the general election. We never saw or heard of that kind of thing before and we would like to know if we have to vote only for Democrats in the general election in November and what is the penalty if we do not.

"We have asked some of the people we know about this and they say they don't know; that most people down here never pay any attention to such matters because everybody votes Democratic anyway.

"Our problem is this: we do not want to vote for Truman and Barkley in November, but we do want to vote for other Democrats and we see that unless people vote in Democratic primaries in Texas they are not citizens, because there are few others to vote for even in the general elections.

"Can we vote for the Republican Presidential and Vice-Presidential candidates in November after voting in the Democratic primary elections in July and August without breaking the law, or getting into trouble?"

* * *

The lady's problem, of course, is nothing new to people who have lived in Texas any length of time and who pay any attention at all to politics.

It covers a question which has been cussed and discussed every time any appreciable number of Texans felt they couldn't stomach some Democratic nominee, or the things he stood for. It probably will be cussed and discussed in the future, every time there is any sort of split in party thinking.

But let us look to the past and to the legality—or lack of it—to answer the lady's question which, we are certain, also puzzles many other newcomers to West Texas.

Here goes:

* * *

THE "pledge" is not a pledge, at all. It is a trick through which the political bosses in Texas seek to hold us of the "common herd" in their corral.

According to Mr. Webster, a "pledge" is a "promise, or agreement, by which one binds oneself to do, or forbear, something." It is a "security for the satisfaction of a debt, or other obligation;" it is a "contract" incidental to a bailment, or a promise.

Obviously, the so-called "pledge" on the Democratic primary ballot is worthless, because it takes two people to agree on a contract, or a promise, or a guarantee. If the voter doesn't accept the "pledge," then there is no promise and there is no guarantee of anything on his part.

* * *

Thanks to former Lt. Gov. John Lee Smith, now practicing law here, we are able to tell you that the "pledge" is a lot older than most people would guess.

It was not, as most people will tell you, the result of klan and anti-klan splits in the early 1920's; or the 1928 Hoover-Smith Presidential campaign which put Texas in the Republican column. Instead, it was the result of a hot campaign in 1910, when prohibition was the issue, and there was much defection from the standard of Democratic Gubernatorial Nominee Oscar Colquitt.

The "pledge" was hit upon by party bosses to keep the "brethren" from straying from the party fold and was implemented through action of the Democratic legislature by passage of Article 3110 in 1911. Article 3110 permits the placing of the "pledge" on the ballot, but does not force the voter to honor the "pledge."

* * *

THE "pledge" wasn't much of an issue until the klan-anti-klan rookuses of the 1920's, including the Ferguson-Butte gubernatorial brawl in 1924. It was hot again in the Hoover-Smith affair four years later.

It was a big issue in those years, as it was when Franklin Roosevelt successfully ran for third and fourth terms in 1940 and 1944, but could not take with him the rugged individualists who opposed the ditching of the two-term tradition.

Now it is an issue again, because of Mr. Truman's retreat from the Democratic party's historic insistence upon state's rights in a desperate effort to attract leftwing and racial bloc support in November.

* * *

In court tests, the Texas Supreme court — sometimes suspected of not being entirely unpolitical—has ruled, peculiarly, that the "pledge" exacts a "moral obligation." But it does not rule that the individual must accept the "obligation," or that he can be punished for not accepting it. The court has ruled, too, that if the voter "scratches" the "pledge" while voting, the ballot becomes "mutilated," hence cannot be counted. That, of course, leaves the whole business up to the individual voter

In short, the courts admit that a party regulation cannot over-rule the Constitution of the United States, or prohibit a citizen from the right of free ballot, guaranteed by the U. S. Constitution.

* * *

SO, LEGALLY as well as morally, free men and women who meet broad voting requirements can vote as they please, regardless of efforts of political bosses to enslave, flimflam, or confuse them.

Phooey on the "pledge"—and a thumb of the nose to those who seek to make its acceptance mandatory!

BY DREW PEARSON: BIG REPUBLICAN BLOWUP NOW SIMMERING IN MICHIGAN

Republican National Committeeman Is Investigated

WASHINGTON.—Detroit's Masonic temple, in which Harold Stassen delivered the G. O. P. reply to President Truman last week, seats 5,500 people. But Republican leaders could muster for the occasion only about 3,000.

PEARSON

Michigan's chief G. O. P. leader who was supposed to drum up a crowd for Stassen, is Arthur Summerfield, one of the largest Chevrolet dealers in the world. Sumfield helped lead the stop-Dewey movement at Philadelphia, but that probably was not the reason he failed to drum up a crowd last week.

Real fact is that Summerfield is now under investigation by a federal grand jury and has become one of the most controversial figures in Republican politics. G. O. P. Michigan leaders have poohpoohed this probe, but nevertheless, the average Michigan voter has an uneasy hunch that something is rotten high up in G. O. P. officialdom.

Not only is the federal government investigating, but Michigan's attorney general, Eugene Black, himself a Republican, attempted to investigate—until he was hamstrung by Governor Sigler and the local courts. Many other Republicans quietly agree with Black that a cleanup is due in Michigan's Republicanism.

* * *

General Motors Men Involved

Meanwhile, this columnist has secured photostats of canceled checks indicating that Michigan businessmen thumbed their noses at the currupt practices act in raising money for the Republican party. Two General Motors officials are implicated, plus eleven General Motors dealers in Genesee county and Arthur Summerfield himself.

One photostat is check No. 40299 for $500 by the Genesee Motors Co., signed by Ralph Burgess, president, and dated Aug. 29, 1946. It is brazenly made payable to the Republican state committee. This is an open-and-shut violation of both the federal corrupt practices act and of the laws of Michigan. Mr. Burgess is a Cadillac and Pontiac dealer.

Another check is even more interesting. Dated Oct. 30, 1946, it is signed by Otto P. Graff of Flint, Mich., a Ford and Lincoln dealer. The check is for $500 and is payable to the Ford Motor company. On the back, the check is endorsed in longhand "Ford Motor Co. H. Lincoln."

A comparison of this check and others signed by Otto Graff to the Ford Motor company show that the endorsement is an obvious forgery.

Furthermore, investigators have obtained an admission from Mr. Graff that the $500 went not to Ford but to the G. O. P. campaign chest. The Ford Motor company never endorsed the check, never saw the check, and was not involved.

But by making the check payable to Ford, the $500 was tax-deductible as a business expense, whereas a campaign contribution from a corporation is not only illegal, but not tax-deductible.

* * *

THROUGH this and other means, Michigan Republicans raised a huge campaign chest in the congressional campaign of 1946. It is interesting to note that this was the year which won G. O. P. control of Congress.

One of the most active G.O.P money-raising committees was that in Genesee county, where General Motors Buicks are built. mainsprings of this committee were G. O. P. National Committeeman Arthur Summerfield, W. F. Hufsteader, general sales manager for Buick, who was a G. O. P. delegate to the Philadelphia convention; plus Harry Gault, a General Motors lawyer.

These three raised thousands of dollars for the G. O. P. campaign. But examination of their bank records shows that in many cases they failed to file with the state or the federal government stating where the money came from. This again was in violation of the corrupt practices act, both state and federal.

These are a few of the facts which some Michigan Republicans have tried to bring out, but have been squelched by the G. O. P machine. These are also some of the facts which will rock the nation with a major political scandal—if the Justice Department has the courage to dig into them.

* * *

More Housing Frauds

J. Edgar Hoover's efficient G-men have quietly joined the hunt to uncover housing frauds against veterans.

One case they have unearthed is against William Muller, a Pennsauken, N. J., real estate dealer, accused of overcharging veteran George McCann for a home. An appraisal value of $5,000 was placed on the home by the Veterans administration, but Muller charged $5,500, adding the extra $500 for "payment for delivery of agreement of sale."

Muller's alibi, when confronted by G-man James B. Oakley, was: "There was so much of this sort of thing going on, I did what everyone else was doing."

* * *

THERE was little talk about Palestine when President Truman met with leaders of the Jewish war veterans the other day. National Commander Julius Klein of Chicago and his associates were chiefly interested in promoting action on a federal public-housing program and other vet-aid measures.

The President, however, again stressed the responsibility of the United States in settling the bitter conflict between Jewish and Arab forces. Pointing to a world globe in his office, he remarked: "Unless we can prevent further hostilities in the near East, it may be the starting point of another war that could easily spread all over the globe."

Truman also told Klein that the United States was "running into a little Russian competition" in Palestine. He referred to newspaper reports that satellite Czechoslovakia was secretly sending arms to the Israeli army.

"Mr. President," replied Klein, "my organization is not a Zionist group. Its members are Jews whose chief purpose is advancing the welfare of the United States. As such, we hate like the devil for the Jews in Palestine to be getting arms from a nondemocratic source."

Uncle Sam's New Navy To Be Under Water Or In The Sky

MEMOS to All Editors—Just for the record: The Chicago Tribune editorial page, discussing the Un-American Committee, alleges that this columnist's attacks on Russia are recent . . . That when others (such as the Chicago Tribune) fought the Communists "the Winchells didn't."

We were very very busy fighting the Bund and the other Hitler hordes here, particularly those in Chicago . . . That was before the Pearl Harbor attack, of course, and long after . . . But the Winchell files debunk the unfounded comment of Col. McCormick's editors. From a column called "Inside Darkest America," which appeared here on April 10th, 1941: "Because the book 'Out of the Night' has done the best job of squelching the Communists since rat poison was invented—the Comrats have launched a smear campaign against the book and the author . . . They have tried all kinds of tricks, and their latest is to send out lecturers (whose subject presumably is literature) but they are actually Communist propaganda agents . . . This is to warn the nation that the name of one of the lecturers is Sender Garlin . . . Don't be fooled by this man, he has been a leader in the Red Parade for a long time . . . His job is to spread literary ether, because 'Out of the Night' has awakened so many Americans."

According to reporters every country was rapped—except Russia—and every political group — except Communists . . . One of the speakers was Congressman Marcantonio, who voted against every defense measure . . . The toastmaster was a well-known Communist . . . In short, The American Peace Mobilization group is neither for America nor for Peace . . . They're for Russia and everything Russians stand for . . . They are fighting a bill in California right now that would outlaw subversive groups."

About four months before the late "Cissy" Patterson went to heaven, an editor on the Washington Times-Herald for nearly 20 years (not Duffy) was one of the men mentioned in her will . . . It bequeathed the prosperous paper to seven loyal executives . . . One of the staffers, in discussion about Mrs. Patterson, paid her every respect but mentioned her "eccentricities."

She heard about it and rewrote the will—omitting him.

The chap who inherited his share was practically made rich overnight—although he's been on the paper a short time.

THE U. S. Navy practically isn't a navy in the technical sense . . . Only one big ship, The Missouri, is ready for action because the President ordered that it stay in active service . . . Nearly everything else that floats is in the "graveyards" gathering rust and dust . . . The Navy, however, hopes to build at least 25 new carriers . . . Its first line of defense is Sea Search (sub detection) because the Nazi "Schnorkels," which the Russians got cannot be hunted down as the other subs were—via radar.

Our new Navy will be under water—or in the sky!

One of the startlers about our defense is that the U. S. hasn't one maintenance base in Europe . . . We have to fly our bombers and other fighting skycraft back here to keep them in condition.

The U. S spent sixty to seventy million dollars to build one such base (Langford Lodge in Northern Ireland during World War II.

But the British let it go to pieces and have no tools!

"You Hear Motors Or Anything?"

BY RUTH MILLETT: TO THE LADIES

The Feminine Viewpoint

I CAN'T understand Dorothy and her friends," a mother recently confided to me. "When they talk about getting married, they all just assume that, of course, they'll have to get a job and help the boy they marry earn a living.

MILLETT

"And the strangest thing of all to me is that the boys seem perfectly willing to let them count on doing just that." What seems strange to that mother, and probably to a good many other women of her age, isn't strange at all when you look at the facts.

It's an exceptionally lucky young man today who can completely support a wife his first few years out of school.

* * *

MONEY'S NOT THE SAME

SURE, there are good job opportunities And young men today start out at salaries that look good, too—until you put the salary on one side of a sheet of paper and add up the living costs for a couple on the other side of the sheet and try to get them to balance.

Today's sweet young things are smart enough to know that, if they want to marry a young man their own age, they've got to help make the marriage financially workable. And the only way most of them know how to do that is to say: "Look, I can get a job at so much and that added on to what you're making ought to get us by."

The sweet young things aren't so dumb. They know the facts of life as they are in 1948. And one of those facts is that two can't live as cheaply as one.

Choice Between Extreme Left Or Right Is Third Party Aim

WASHINGTON—As the months have passed since Henry Wallace announced that he would run for president on a third-party ticket, the real objective of the managers of the third-party movement has become all too clear It is to present the country with an ultimate choice between extreme left and extreme right.

In other words, the objective is to shut out the hope for a middle way of compromise. The men and women behind Wallace do not believe in the American system. It is a cornerstone of their faith that the system under which we live must inevitably go down in ruin.

CHILDS

As the objective has become clear so has the popular support for Wallace declined. If the election had been held last January, I believe Wallace would have polled a large vote—perhaps as high as 10,000,000.

Today all indications are for a vote under 5,000,000, and possibly as low as 3,500,000 or 4,000,000. No longer can smug, old line Republicans be confident that the Wallace party will guarantee victory to the Dewey-Warren ticket regardless of what the ticket may or may not stand for.

* * *

Party Core Unchanged

Despite the decline in popular following, the hard core of the third-party movement remains unchanged. It is composed of Communists and fellow travelers. At the same time, thousands of sincere men and women who are not Communists or even fellow travelers continue to believe that the salvation must come through Wallace.

Now and then the managers close to Wallace have been startlingly frank about their real aims. An episode that was revealing in more ways than one occurred some time ago.

A man of genuinely liberal convictions was asked by one of the Wallace insiders to state whether he was with them or not. Since he is the head of an organization with a sizeable membership and his word would carry weight with that membership, his answer was of more than passing importance to the third party.

Having just seen at first-hand in Europe the ferocity of the Communists toward social democracy, he replied that he would not be for Wallace and the third party. The response from the Wallace insider was an angry denunciation that went something like this:

"It's so-and-so's like you who try to sit on the fence who will get it from both sides. If the Fascists come to power, they will certainly do away with you. And if we come in, you don't need to think for a moment that we're going to spare you. You're through."

* * *

THAT put is just about as nakedly as it could be put. I thought of that episode during a conversation I had with an earnest, hard-working Republican Senator who likes to think of himself as a liberal. The senator wondered what was the long-range goal of the men behind Wallace.

It seems to me there should be no doubt in anyone's mind about that goal. The Wallace managers regard the Democratic party as a hopeless anomaly that is rapidly passing into the discard. They are convinced that the GOP is the party of reaction, which is bound to bring the country to Fascism.

They intend that America shall be faced with a choice between Republicans, as they define it, and the left, as they will manage it. In order to hasten that day they are deliberately seeking to defeat all liberal, middle-ground candidates running on the Democratic ticket.

"But we don't intend," said my Republican friend plaintively, "to let the Republican party go reactionary. We intend to make it a truly progressive party."

* * *

Opportunity Is There

Certainly, the opportunity is there. It is an opportunity such as few men and few parties have ever had. It is the surrest way to thwart those who believe the choice in this country is between two violent extremes.

Already the common sense of the Communist-run third party to defeat truly progressive candidates, whether Republican or Democratic, are not likely to succeed.

In Illinois the Wallace party has been ruled off the ballot for failure to comply with election statutes. This gives a better chance to Paul Douglas, running for senator, and Adlai Stevenson, Democratic candidate for governor opposing Dwight Green, who has been the convenient servant of

HEAVIER PENALTIES NEEDED

Public sentiment is clearly agreed in Texas that the January session of the Legislature should give early attention to the enactment of a law increasing the penalties very sharply upon those who sell horse meat as beef for human consumption.

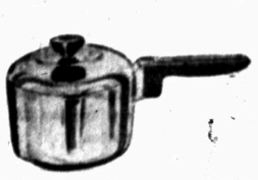

Under present laws, a violation is only a misdemeanor punishable by nothing worse than a fine. The violator can pay his fine and still emerge with a huge profit. Experiences in Houston have indicated that misdemeanor laws do not discourage violations. That city again is in the midst of a horse meat scandal. The suspect offender is one of those who was similarly accused a few months ago.

The experience there has demonstrated the need for penalties so severe as to discourage any sort of horse meat trafficking. Only when such penalties are provided can Houston and Texas feel reasonably secure from those who will not be restrained by a sense of decency or by present inadequate laws.

Beauty Queen Wins $16,000 at Contest

18-Year-Old Miss America Is En Route To Her Farm Home

ATLANTIC CITY, N. J., Sept. 13 (AP)—Beatrice Shopp, 18-year-old Miss America of 1948, heads for her Minnesota farm home today. She will spend a few days there before coming to New York to start her new career.

In a breathtaking weekend, the baby-faced brunette, who "loves to clean fish," won $16,000 in contracts and scholarships by outclassing 54 other beauteous contestants.

She says she'll have a few days at the four-acre family homestead to think over all the offers that have come her way as the beauty of the year.

Music Is Goal

Its all a far cry from the Hopkins, Minn. farm, where Beatrice, nicknamed "Bebe," says she tends about 100 chickens, drives a tractor and helps her mother in the kitchen.

"I kill and clean a chicken whenever we have one for dinner" and "I love to clean fish whenever daddy brings them home," the beauty queen confided.

The five-foot, nine inch Miss America plans to use some of the scholarship funds to continue to study music.

Her renditions on the vibraharp were among the talents which took the judges' eyes in the week-long shore resort beauty pageant.

The musical education, which Miss Shopp says she'll pursue, will emphasize percussion instruments. She also plays the piano and drums.

Before she settled down to serious study, however, Miss Shopp will make a personal appearance in New York and then will head for the west coast for a fashion show.

She may even wind up in Hollywood, but, says Miss America, there won't be any film appearances unless she can play a vibraharp.

The little girl from the farm, who neither smokes nor drinks, says she won't consider marriage until "I am 24 or 25 years old."

Miss Shopp revealed that she had been preparing for the Miss America contest for a full year and had entered a Minnesota beauty contest for the experience.

The crown she won Saturday night entitleds her to a $5,000 scholarship, a $3,000 automobile and $8,000 in contracts for personal appearances.

Russia Charged With Keeping Mighty Army For Aggression

(By The United Press)

ASHEVILLE, N. C., Sept. 13. — Army Secretary Kenneth C. Royall charged by implication today that Russia is maintaining a military force of more than 4,000,000 men for aggressive purposes.

At the same time, he said this country must have adequate military forces for defense and "the protection of our rights."

"In the troubled world of today, other nations must know that we have these forces," Royall said in a speech read for him before the American Legion state convention." "Thereon rests our hope of national safety and thereon rests our hope of peace."

Reds Challenge World

Royall was scheduled to appear personally before the Legionaires but his appearance was cancelled because of what the army said were circumstances beyond his control.

Without mentioning Russia by name, but obviously referring to her, Royall said:

"At least one nation baldly announces its intention that Communism shall cover the face of the earth . . . This same nation has more than 4,000,000 men under arms.

"This military might can hardly be for the purpose of defense, since that nation is not threatened from the north, south, east or west. And it is hard to believe that the soldiers and armament are just for good clean fun."

Military Budgets Compared

Warning that "totalitarianism" since World War II has spread over more territory than the Nazis ever conquered, Royall said "There is nothing in recent events to encourage complaisance on our part."

Secretary of State George C. Marshall and his staff, he said, are doing as much as possible "against an attitude of international irresponsibility on the part of nonfriendly nations." But the United States, Royall said, must have adequate defense forces to protect its rights.

He noted that the military establishment being maintained by Russia would cost this country $35,000,000,000, whereas the United States actually is spending $14,800,000,000 for military purposes during the current fiscal year.

His speech was read by Maj. Gen. Bryant E. Moore, chief of public information of the army's special staff.

Tension High

(Continued From Page One)

with the prospect that not even all accredited delegates can be seated.

The auditorium seats only a few more than 3,000; Texas has 254 county delegations and the Dallas group, alone, will have approximately 1,300 delegates on hand.

R. M. Kendrick, pioneer Brownfield banker, cattle and oil man, and Mrs. L. J. Halbert, of Plainview, who represent the 30th senatorial district, centering around Lubbock, on the executive committee, both were present at the meeting this morning. Mrs. Halbert was appointed as chairman of the committee to report to the convention on executive committee activities. Kendrick was named a member of the committee to canvass results in the district races over the state.

Part of Lubbock county's delegation reached Fort Worth last night, others came in this morning and still a few are expected later in the day. In the vanguard were County Chairman L. C. Ellis, District Attorney Lloyd Croslin, Arch S. Underwood, Mr. and Mrs. J. O. Cade, C. L. Harris, Charlie Cobb and Royal Ferguson.

Others Are on Hand

Judge and Mrs. Kilmer Corbin were early birds from Dawson county, the 30th district's senator-nominate busy meeting old friends. County Judge Homer Winston and Bill Tillson, of Brownfield, were among the first of Terry county's group to arrive.

Lyndon Johnson and Coke Stevenson both were in evidence former tall, smiling, urbane; the latter dignified, a little aloof and apparently somewhat worried.

Efforts of newspaper photographers to get the two together for a picture drew an "it's all right with me" from Johnson, but a "not right now boys," from Stevenson.

Best indication of the Senate race outcome as far as the executive committee and convention are concerned is that the candidate who shows the larger number of votes from the official canvass this afternoon—probably Lyndon Johnson will be designated as the party's nominee. Whatever the loser may try to do about this situation thereafter will be up to the courts.

pected to begin tonight.

Bermuda was braced for the blow.

A Navy task force, including a 22,000-ton aircraft carrier and 12 ships which arrived Friday on maneuvers, left Bermuda yesterday ahead of the approaching hurricane. Planes at the U. S. Air Force base on the island were ordered to the United States.

The U. S. naval operating base at Bermuda removed boats from exposed areas and tied down all loose lumber. The British naval dockyard took similar precautions.

If War Comes

(Continued From Page One)

000,000 is abou 579,000. Its goal by next June is 837,000.

Unofficial estimates place the army of the United Kingdom at about 534,000 men. The population reserve on which Britain could draw is about 48,000,000. (These figures do not include the British commonwealth nations out side the isles.)

European Armies Smaller

The same unofficial estimates give these ground troop figures for some of the other western European nations which might support a battle against Soviet aggression: France 500,000; Belgium 60,000; the Netherlands 175,000; Norway 15,000; Denmark 24,000; Sweden 57,500; Greece 165,000.

Looking upon these comparisons of land army power, there is one school of military thought that contends it would be utterly unwise for the United States to allow itself to grapple with the massive weight of the Soviet armies in the first stage of a war.

This theory was pointed up by the recent three day mock-war maneuvers staged by some of the U. S. forces in Germany. Maj. Gen. Frank Milburn, commander of the first infantry division, summed it up this way:

"In the next war, if we get hopped on, we will not have air and artillery superiority, so every one must go on the assumption that we must dig in, camouflage and fight a delaying action."

Air Forces In Question

What then is the relative air-power status?

Here the balance may be in favor of the United States and its friends — or may be not. The size and capability of the United States air force and the navy's air arm are pretty well known. But Russian air power is guessed at, even in some of the best military intelligence circles.

The figure most commonly mentioned for Russia is a force of 14,000 planes. Fighters predominate, with several hundred modern jets already in operation. But the Russians reportedly are building their own long distance bomber fleet. Air Secretary Symington has estimated it would be possible for the Russians to build at least 1,000 big bombers, copied after our B-29s, during this war.

For its part, the United States air force has about 800 B-29s in operating condition and between 1,500 and 2,000 in reserve. The total of fighters is not revealed, although it is known that more than 1,000 of them are high speed jets, with a large number of World War II standard-engined planes still in use or in reserve.

The United States navy has about 10,500 planes, many based on far-roaming carriers.

Russian Subs Threat

Since the balance of air power may be equal or slightly in favor of the United States, the indication is that the outset of war would follow somewhat the pattern of the opentng years of World War II for the United States — air attack while the ground armies build up.

At sea, the threat of Russia would be undersea rather than on the surface. With a surface fleet that is considered relatively insignificant, the Russians have turned their major attention to submarines—aided by late model German U-boats which they captured and submarine designing skill they kidnaped. Some authorities estimate Russia has more ultra-modern submarines in operation now than the German admiralty had at the peak of its war effort. That number was in the hundreds.

United States sea power stacks up this way: about 280 combatant ships in service, about 1,800 in the reserve fleet—by far the greatest naval force possessed by any power. The U. S. fleet is heavy on carriers; the Russian fleet has a negligible number. And the American navy also is giving major attention to modernizing its own sizeable force of submersibles.

France imports much more wine than it exports.

Three Persons Die In Blast

NEW YORK, Sept. 13 (AP)—A terrific gas explosion resulting from an apparent suicide wrecked two floors of a Manhattan apartment house before dawn yesterday. Three persons died and ten were injured.

A veteran fireman said the 17-story building at 200 West 108th street looked as if a bomb had hit the fourth and fifth floors.

Police said the explosion apparently was caused by Eugene Hurley, 35, who they said had threatened suicide after estrangement from his wife. Four gas jets were found turned on his wrecked apartment where he lay dead of gas asphyxiation.

Apartments Wrecked

Arthur Yamner, 28, and his wife, Rosetta, 26, were killed when blasted out of bed. They received skull fractures.

None of the injured was reported in serious condition. Some were children cut by flying glass from shattered windows.

At least a score of apartments were left unlivable, and a dozen were demolished. The blast aroused the neighborhood for blocks around. Many residents rushed to the streets in nightclothes from the blasted building which housed about 110 families.

other counties.

Johnson had said he believed he received a majority of the votes "and I believe the executive committee will confirm this."

Johnson had led by 162 votes in the last unofficial count in the race—the closest major contest in Texas history considering the number of ballots cast.

The executive committee met 47 minutes late—at 10:47 a.m. It recessed for the vote count and was scheduled to reconvene when the subcommittee is ready to report.

Next Step Is Adoption

The next step would be adoption of the report and certification of the winner. Objections from Stevenson would come at this stage.

There was standing room only in the hall as the committee met.

A report of the credentials subcommittee on seating of delegations at tomorrow's convention was slated for consideration by the executive committee at its afternoon session.

The credentials sub-committee, after closed meetings yesterday and this morning, voted to recommend the temporary seating of all chairman-certified county delegation but called for "voluntary withdrawal" of delegates not supporting the party nominees.

Chairman-certified delegations included contested anti-Truman delegations from Harris, Harrison, Dallas and Tarrant counties and a contested pro-Truman delegation from Stephens county.

Hubber Row

peated his charges against the owner and the management. He said that he would make public his accusations.

What caused the usually quiet, taciturn Richardson to lose his control is not known, but the players do share in the first four games of the playoff series. Richardson was said to have felt that the club owner and general manager were not announcing the correct paid admissions.

Following his outburst, Sullivan ordered him to be quiet and later went to Larsen with the story, entirely without Mrs. Rosenthal's knowledge. They decided to give Richardson a chance to continue with the team, to finish the playoffs, and went to him Sunday morning.

Larsen told him that if he would apologize to Mrs. Rosenthal and the players, for his conduct and his abusive language, he would be allowed to return to the club in full status. He was given no specific interval in which to do this, just so long as it was done before the game.

On Suspended List

Richardson did not go to Mrs. Rosenthal and he was not present yesterday afternoon when the Hubbers won their game. As a result, he immediately was placed on the list indefinitely suspended and was told to clear his locker before tonight's game.

The players individually went to Mrs. Rosenthal Sunday, before the game, and said that they intended to win the pennant and that they were remaining loyal. With a patched up lineup yesterday afternoon, they showed their good faith by coming from behind to win.

Woman Saves Self When Deer Attacks

JARRETTOWN, Pa., Sept. 13. (AP) — A 22-year-old switchboard operator saved herself from serious injury by hanging on to the antlers of a buck deer that had attacked her while she was waiting for a bus on a lonely road.

Theresa Rowe, who operates the switchboard at the Huntingdon Valley Country club, was standing alone at a bus stop Saturday when she saw the deer approach out of a thick fog, lower its head and charge her.

Grasping the animal's antlers, the young woman held on for a half hour, screaming for help. Her cries finally were heard by Joseph Weller, a farmhand, who ran to the scene with his employer, Russell Megargee. The dear fled as the men approached.

Miss Rowe, 105-pound daughter of a golf instructor, was returned to her home with a number of cuts and bruises.

Trapshooting Honors Won By J. O. Dudley

J. O. Dudley won top trapshooting honors here Sunday when members of the Skyline Gun club entertained out-of-town guests from surrounding gun clubs.

Dudley, a charter member of the Skyline club, won the Class A shoot at Enochs gun club on Labor day with 100 straight 16-yard targets and 13 pairs of doubles, and continued his straight run here Sunday with 50 more 16-yard targets and 12 pairs of doubles.

Art Johnson, who won the Texas State handicap with a 97 out of 100 mark from the 21-yard handicap in Dallas last May, was second to Dudley with a 96 out of 100 in Class A at Enochs.

Johnson announced that a club championship shoot is being lined up for the near future with representatives of each club competing against each other for a West Texas Trapshooting Club cup.

Skyline club shooters are preparing to shoot with the Amarillo club on Sunday, Sept. 19, for the annual open championship cup. This cup was won in 1947 by John A. Harbaugh of Keys, Okla., with a 183 out of 200 score in a bad wind. Art Johnson was runner-up. The Amarillo shoot is scheduled to begin at 9 a.m.

Sholapur on the west met the stoutest opposition, but penetrated 30 miles and took the rail junction of Naldrug, the Indians said. The town is 150 miles west and slightly north of Hyderabad City.

Three bridges over the Tungabhadra river in the south were captured. These troops appeared to be the nearest to the capital which lies within 70 to 90 miles of the southern boundary. A column from Bezwada in Madras took Bommakalu.

Troops invading from the north took the rail town of Ballarshahan near the central provinces frontier, which is 150 to 175 miles from Hyderabad City.

Court Hearing

state election for United States senator."

But the grounds on which they sought to have the injunction request thrown out of court was that the court cannot "invade" the rights of the county Democratic executive committee: that a court cannot enjoin a political committee from performing its duties.

Dallas Case Cited

Stevenson's attorneys cited the case of the city of Dallas vs. Dallas Electric Railway in which it was ruled hat "it is as far beyond the power of the court to enjoin a political committee as it is beyond their power to enjoin an act of the legislature."

Johnson also had a formidable battery of attorneys here. They were Dudley T. Tarleton, Corpus Christi; Donald Thomas, Austin, and Philip Kazen, Laredo, loser in the 15th district congressional runoff.

Wilbur Matthews, San Antonio counsel for Stevenson, declared "never in the annals of judicial history has there been a similar case where an injunction was sought to prevent the throwing out of fradulent votes."

Matthews argued:

1. The restraining order asked by Johnson tended only to maintain the status quo and not to give the full relief asked.

2. The judge had no authority to rule in the case.

Primm also assailed Dixiecrat tactics in Alabama, Mississippi and South Carolina. He said the national committee would make an all-out effort to see that southern voters "are not deprived of their Democratic rights by fraud or other devious means."

DON'T SASS THE UMPIRE

COLUMBUS, O., Sept. 13 (INS) — Sassing the umpire is costly these days like everything else, as Milwaukee manager Nick Cullop and Brewer Pitcher Jim Prendergast learned today. American Association president Frank Lane announced today that each has been fined $25 for "vile language" directed to Umpire Art Meier Friday night in St. Paul, Minn. Cullop's remarks caused his ejection from the park, and Prendergast's followed as he trailed Meier.

Man-Of-Month Is Chosen By Jaycees

Members of the Lubbock Junior Chamber of Commerce meeting for luncheon today at the Hilton hotel witnessed the presentation of the August Jaycee Man-of-the-Month award to Dr. P. K. Palmer and heard a talk on the deplorable conditions of the Texas prison system by Waggoner Carr, county attorney-elect.

The award, presented to Dr. Palmer by A B. Watkins, American Business Club president, was made on the basis of Palmer's chairmanship of the Jaycee-sponsored Miss Lubbock contest and his supervision of concession arrangements at the recent motorcycle races at Buffalo Lake.

Carr, who toured the central prison at Huntsville and two of the prison farms near Houston on Tuesday, Sept 7, told cold, unpleasant facts about the Texas prison set-up.

Carr pointed out as highlight "sore points" of the system the following: antiquated buildings and poor equipment, no incentive for the men to work, a high ratio of sex crimes and murders, deplorable crowded sleeping conditions at Darrington and Retrieve farms, no facility for separation of criminals and insane men, no medical facilities, lack of clean clothing and lack of proper food.

The group also heard reports of committee chairmen, including one by inter-club relations chairman Allan Todd regarding an informal inter-club dance to be held Thursday night in Hotel Lubbock.

Results of the Russian harassing tactics were minimized by Lemay and Maj. Gen. William H. Tunner, commander of the airlift task force, at a press conference in Wiesbaden. Both said the planes would continue to fly and supply Berlin during the winter if necessary.

Demonstration Quiet

Lemay said the pilots were not worried by occasional flak bursts. Tunner said the Russian attempts to interfere with the airline were only "small annoyances."

The scheduled "monster" Communist demonstration in Berlin yesterday passed quietly in contrast with advance notices it would be on a gigantic scale.
