Baptists Will Open New Building Annex Sunday

Sunday will mark the formal opening of the new Educational Building and redecorated Sanctuary of the First Baptist Church. A record attendance in Sunday School is expected, and special recognition will be given during the morning worship to all committees who had any part in the planning and erection of the new building. Rev. Clifford Harris, pastor, will deliver the morning message.

When the church celebrated its 50th anniversary in 1953, the Sunday school showed an enrollment of 539, plus 25 in the Mexican Mission. The enrollment now is 708, plus 100 in the Mexican Mission. During the past 15 months, eight new departments have been added to the Sunday School, and approximately 30 new workers. Last year the Sunday School had a total average attendance of 401, compared with an average of 298, for the previous year.

Activities Extended

The new Educational building, along with the newly arranged and decorated auditorium building, now provides meeting places for 16 departments, and 48 classes. There are 102 officers and teachers in the S. S. organization besides class officers and workers in the Mexican Mission and extension department.

The extension department ministers to those who, because of illness or age or work, cannot attend. There are twelve workers in this department who minister through the week. Most of these

have regular classes on Sunday.

Ground was broken for the new building almost exactly one year ago. A little less than \$70,000.00 has been spent on the new structure and in redecorating and rearranging the old building and on pianos and furnishings.

Open House Sunday

The public is invited to come to the Open House between the hours of 2:00 and 4:00 Sunday afternoon and to look over the entire church plant. Departmental Superintendents will be in their Departments to show the visitors around and to explain the work done in their Department. Refreshments will be served by the W. M. U.

Man Killed As Truck Overturns

One Mexican National was killed, and 24 others, all men, were injured to various degrees Saturday at about 1:15 p. m., when the ton and a half truck owned by Billman Jackson, for whom they were working, overturned.

Leonard Hernandez, 51, of Matamoros, Mexico, was killed. His body was brought to Stanley Funeral home. Funeral services were held at 11 a. m. Tuesday by Father Kevin Clarke of Lubbock, Catholic priest, and burial followed in Tahoka Cemetery.

Seriously injured were Gilbert Guerrero, Antonio Adame, and Victor Avila, all between 25 and 30 years of age, who were taken to Dr. Joe Lehman's O'Donnell Clinic with broken shoulders, broken ribs, cuts and bruises.

In fact, all the 24 braceros were taken to the Clinic, where most of them were treated for minor injuries and released.

Officers said the truck was traveling east on FM 2053, south of Draw, and overturned when it failed to make the turn into the Draw road, FM 1054. The truck was loaded with seed cotton en route to the Draw gin, and the Mexicans were riding on top of the load.

Douthit, Nephew Hurt In Wreck

Henry Douthit, 68, received minor injuries, and his nephew who was visiting him, J. C. Seaton, 31, of Andrews, received a broken collar bone and fractured right wrist in a wreck at the Douthit home six miles north of Tahoka on US 87 at 12:30 p. m. Saturday.

The Douthit pickup was hit from behind by a large trailer-truck driven by Cruz M. Herrera, 28, of Mathis.

Mr. Douthit and his nephew were traveling south, and Mr. Douthit had started to turn in at his residence when he saw the truck trying to pass him. Mr. Douthit threw on his brakes, but the trailer hit his pickup and turned it over. The truck driver was uninjured.

Norman Windham Has Winning Team

Norman Windham, coach at New Home last year, is having fine success with his Eighth Grade football team at Austin High in El Paso.

In fact, his team had only to defeat Bowie of that city last Saturday to win the city championship, and he hoped to place at least six boys on the all-conference team.

7 on Oct. 15, over El Paso High 26 to 7 on October 22, over Jefferson 13 to 12 on October 29, and over Burgess 54 to 0 on Nov. 5.

Cox's Grandmother Buried Sunday

Mrs. G. C. Burks, 84, grandmother of Paul Cox of Tahoka and mother of Mrs. Jarrell Cox of Lubbock, died Saturday morning at her home in Grand Saline. Mrs. Burks had visited here on several occasions.

Paul and his parents attended the funeral services held there on Sunday. The aged lady is survived by three daughters, one son, 10 grandchildren, and six great grandchildren.

Negro Is Fined On Liquor Count

Herman King, Slaton Negro, was assessed a fine of \$250.00 and costs in county Court Thursday of last week by Judge W. M. Mathis on a charge of illegally transporting intoxicants, according to County Attorney Harold Green.

King was arrested by Deputy Sheriff D. Lindley on the Draw road and two cases of wine, three cases of beer, and three lugs of whiskey were found in his car.

MOORE IS IMPROVING

Ben Moore, who suffered a severe heart attack a few weeks ago, is reported to be improving gradually at his home in O'Donnell. He is able to be up much of the time.

Ketchup is a Malay word.

Quota Reached In USO Drive

Lynn county exceeded its quota in the recent USO drive, according to Elvin R. Moore of O'Donnell, county chairman.

The quota was \$730.00, and the total amount raised was \$750.50, Moore said. Of this amount, Tahoka contributed \$357.50, O'Donnell \$284.00, Wilson \$79.00, and New Home \$30.00.

The fund is used to furnish entertainment and recreation for men and women in the service.

Talent Show Next Tuesday

Next Tuesday night at 7:30 p. m. the "Home Town Jamboree," talent show and box supper will be held in the school gymnasium. The show is being sponsored by the Band Mothers for the Tahoka Band.

Anyone in the area who has an act of present is invited to enter the contest. These may be skits, novelty acts, tap dances, vocal numbers, instrumental numbers, or just about anything that would be entertaining.

A special feature of the program will be numbers by the Phi Mu Alpha Glee Club from Texas Tech; a twirling act by Jerry Cunningham, Wilson band director, who is an outstanding twirler; and numbers by the Tahoka Sereaders, composed of Johnnie Clem, Margie Curry, Peggy Halamieck, and Jan Collier.

Women and girls are urged to bring boxes for the box supper, and prizes will be given for the best three boxes. Cold drinks will be available at the gymnasium. The Band Mothers raised \$54.00 on their bake sale held last Saturday.

Man Injures Back In Fall At Gin

A. W. Hargraves of Corpus Christi received a fractured skull Thursday of last week when he fell 12 feet to the ground from a load of cotton at the Wayside gin.

He was brought to Tahoka Hospital for treatment. On his release Monday, he left immediately for his home in Corpus Christi.

James Foster In Army Maneuvers

Fort Polk, La.—Pvt. James C. Foster, 21, whose wife, Betty, lives on Route 1, Tahoka, is participating in the largest joint Army-Air Force maneuver since World War II, Exercises Sage Brush, in Louisiana.

Some 110,000 Army troops are testing the latest concepts of atomic, bacteriological, chemical and electronic warfare. The exercise will end Dec. 15.

Private Foster, a jeep driver in Medical Company of the 8th Infantry Division's Regiment, entered the Army in March 1955. He is regularly stationed at Fort Carson, Colorado. Foster, son of Ira L. Foster, Route 1, Wilson, is a 1952 graduate of Tahoka High School.

Man Pleads Guilty To Liquor Charge

Bryce Newton King of Slaton pleaded guilty in county court before Judge W. M. Mathis Saturday to a charge of illegally transporting intoxicating liquors and was fined \$400.00 and costs.

He was arrested Friday on the Draw road by Sheriff Norvell Redwine. He had in his panel truck 43 cases of beer in quart bottles and 11 cases of beer in cans.

L. J. Bradshaw, the son of Mr. and Mrs. H. C. Bradshaw, has been inducted into the Navy. He will be in training at San Diego 12 to 16 weeks. His wife will remain with her parents, Mr. and Mrs. O. M. Davis of Sudan.

The Philippines were ceded to the United States in 1899, by the Treaty of Paris.

Cotton Ginnings Are Near 50,000 Bales

Lynn county cotton ginnings for 1955 are close to 50,000 bales, The News estimates.

Tahoka's five gins had turned out 9,800 bales up to 9:30 a. m. Thursday, according to reports from local ginners.

At Tuesday noon, the Index-Press reports O'Donnell had ginned 9,573 bales.

Damage to both cotton and late feed by this year's early freeze now turns out to be more extensive than at first believed. Many bolls are failing to open, and much of that which has opened since the freeze is low grade.

Estimates of the crop yet to be ginned range all the way from 15 to 30 percent.

Wrestling Will Be Held Here

Ringside wrestling will start in Tahoka next Thursday night with a bang-up card, Clara Gene Porter announces. The event will possibly be held in the Fair Livestock pavilion.

In two out of three falls, Magnificent George McKay from Hollywood, heavy weight champion of New Mexico, meets Enrique Guzman, who has quite a record in Mexico, in the main event.

In the second event, that beautiful hunk of man, often mistaken for Gorgeous George, Darling Danny McKay, feared and dreaded by many, tangles with Jack Clayborne of Chicago, a tough veteran of mat battles, in the best two out of three falls.

The preliminary event features the Masked El Diablo, new to this area, and Irish Red Kelly of Boston, winner of many weight lifting titles.

This will be the first wrestling card ever scheduled in Tahoka.

Bible Discussion Underway Here

A series of Bible discussions began last night, to continue Friday, Sunday, and Tuesday nights at 7:45 o'clock, in the Primitive Baptist Church building at the corner of Conway and South Third.

Speakers are Doris Williams and Katie Studer. The meetings are non-denominational, and there will be no collections. Everyone is invited to attend any or all of the meetings.

Vocations Are Rotary Subject

Rev. Clifford Harris engineered an interesting program at Tahoka Rotary Club Thursday noon of last week.

Acting as pilot of an imaginary airplane, he called on six fellow-Rotarians to act as "Passengers." He said there was only one parachute, the plane was falling, and since only one man could parachute to safety each of the six Rotarians, representing as many vocations, should give the reason why each should be the lucky man.

Dr. E. Frohl represented the medical profession; L. C. Haney, pharmacy and business; J. B. Stewart, the ministry; Otis Spears, educators; Clint Walker, farmers; and Pete Hegli, bankers.

Some interesting information was divulged and a lot of fun had from the remarks, and at the same time emphasis was placed on the importance of each vocation in our complicated life.

The club voted unanimously to give consideration to the sponsoring the visit of another foreign youth to Tahoka again next summer. Last summer, the club brought a young agricultural student from France to Tahoka for six weeks.

E. R. Edwards was elected a new member of the club. The club will not meet on Thanksgiving Day.

Rotarians will cooperate with the SD-Day December 1, to emphasize the importance of safe-driving, and Herman Heck has been named chairman of a committee to head up the Day locally.

Ware High Jr. and N. E. Wood are the Junior Rotarians for the month of November.

Former Citizen Died At Lubbock

J. A. (Alf) Beasley, formerly of the T-Bar community, died in a Lubbock hospital Friday night after an illness of about ten days. He was an uncle by marriage of Mrs. R. C. Wells Sr. of Tahoka.

Funeral services were held Monday at 10 a. m. at South Side Baptist Church in Lubbock, and burial was in East Lawn Cemetery.

Mr. Beasley lived at 508 2nd St. in Lubbock.

Lynn County "Mystery Farm" Number 70:

This is some Lynn county farm home? First town and first rural reader to call The News and correctly identify it will each receive six month's credit on their paper. Also, a free enlargement of the picture will be presented the farm owner on calling at The News.

LOCAL MAN IN SHOW—Lester Strech, third from left, appeared in the hula line of the musical comedy production, "Hawaii Calls," presented at Brownfield Country Club Wednesday and Thursday nights under direction of Mrs. Roy Wingerd. Others in the picture, are Harold Crites, George O'Neal and Jerry Stoltz. A number of Tahoka people attended the show.

MR. FARMER

Is your acreage too small for you and your boys who like livestock and want to farm with you, and do you need more cotton acreage? Perhaps you can trade for a larger farm.

We have 1296 acres and have retired. This is located about 35 miles Southwest of Lubbock on paved farm-market road, on REA, Telephone and School Bus, 2 miles to Gin and State Highway, 15 miles two good county seat towns. There are 1040 acres cultivated, all terraced, and 468 acres cotton allotment this year. 256 acres of native grass pastures, some tillable. No rough land. NOT deep blow sand. Soil is "mesquite, cat claw" loam, very deep, clay subsoil, extra good for cotton and other crops. Several houses that are ample to house families, all labor including pickers, also granaries, corrals, barns, sheds, shops, outbuildings, and wells and mills. No irrigation water available. The layout is ideal for diversified livestock-cotton-farming operation. One-half minerals go with the place. The price of \$100 per acre is well below prices asked for other farms in area.

If you have some good land, dry or irrigated, or other good property, priced right, and clear of debt, or with only small debt, it can be considered in part payment up to as much as 75 percent of the total, balance easy terms. Contact owner: L. WESLEY READ, 404 Lubbock Nat'l Bank Bldg. Lubbock, Texas.

C. T. OLIVER Real Estate Phone 268 800 acres, all in cultivation, four good 8-in. irrigation wells, two complete sprinkler systems, all will water, fair improvements. Priced worth the money at \$135 per acre.

320 acres, all in cultivation, two good 8-inch wells, one sprinkler system and small improvements. Priced at \$125. per acre.

Several places in water belt, improved, to sell worth the money. Lots of dry land farms in Lynn county. They are too high, but some are selling.

SGT. NOEL ALLPHIN HOME FROM KOREA

Sgt. Noel Allphin, recently returned to the States from service in Korea, arrived Saturday to spend two weeks with his parents, Mr. and Mrs. N. W. Allphin. He expects to leave Nov. 22, to report at Fort Lee, Va., for duty.

N. W. Allphin said he had hoped Noel could remain here until Nov. 25, for he will celebrate his 80th birthday on that date.

Ysleta, near El Paso, Texas was in Mexico when it was founded, but the Rio Grande changed its course, placing the town on the American side.

The first Vaudeville theatre was the Gaiety Museum, Boston, 1883.

The first Tenement house was an New York City in 1833.

Mr. and Mrs. A. H. Nelson Celebrate Golden Wedding Anniversary At Post

Mr. and Mrs. A. H. Nelson of Post, who farmed in Lynn county for 22 years, observed their Golden Wedding anniversary with open house at the First Baptist Church of Post last Sunday afternoon.

The Nelsons, former residents of New Lynn community, were married Nov. 12, 1905 at DeKalb, Bowie county, where they were born and raised. After living there 19 years, they moved to Lynn county. On retiring in 1945, they moved to Post, where he has since engaged in carpenter work.

They have three living children, H. D. Nelson of Tahoka, Mrs. Marie Dismukes and Mrs. Nadine Payne, both of Post. Four other children are deceased, including twin girls who died in infancy. A son, Calvin, was killed in an automobile accident in Fort Worth a few months ago. Also deceased is a son, Hartwell. They have 12 grandchildren and one great grandchild.

The farthest points in Great Britain are from Land's End, England, to John O'Groats, Scotland.

Samuel Butler wrote "The souls of women are so small, that some believe they've none at all."

Bulldogs Lose To Floydada

The previously impotent Floydada Whirlwinds, with 12 Senior lettermen playing their last game for the Green and White, rode up last Friday night and slapped down the Tahoka Bulldogs 7 to 0 in a tough defensive battle in the Floyd county city.

The Bulldogs, hurt by the loss of Quarterback Gordon Smith and Guard Ware High, were never able to put together a formidable attack, lost three fumbles, one of which led to Floydada's score, and had three passes intercepted. The game was Tahoka's poorest effort of the rapidly closing season. But, Friday night, Floydada was the strongest defensive team Tahoka has met this year.

Tahoka	Statistics	Floydada
9	First downs	7
149	Rushing, yards	118
0	Passes complete	1 for 11
3	Passes incomplete	2
3	Had intercepted	0
3 for 31	Punts, avg.	3 for 27
3 for 25	Penalties, yds.	1 for 5
3 of 6	Fumbles lost	2 of 4

However, there were bright spots. The line did exceptionally well on defense; and, all the boys did their best, but just couldn't get started. Jerry Williams played one of his better games.

Miscellaneous In The First
FB Don Blair of Tahoka kicked off to the Floydada 3, and QB J. E. Waller brought out to the 20. Kent Gibson stopped HB Lar on Fulton on the first play, HB Robert Stovall made 6 then 0, and FB Gene Swanner, kicked only 13 yards out of bounds on his own 41.

Williams and HB Ted Pridmore carried to the 35, and Blair to the 32, just inches short of a first. On Floydada's first play, Fulton fumbled and Williams covered for Tahoka on the 37. On the next play, QB Jimmy Harter's attempted pitchout was taken in the air by Guard Loran Nixon to the F. 39.

Two plays netted F. only 6, a pass was incomplete, and Swanner punted to Blair on the Tahoka 16, but he stepped on the side line near that point. Three plays and a 5-yard penalty on Tahoka, and Williams punted 36 yards to the F. 45. Fulton bringing to the 49.

Williams stopped Fulton cold, then End Carlton Bell stopped him, Waller lost 13 in attempting to pass when tackled by Guard Ronnie Brooks, and then Swanner, back to punt, fumbled the ball and was hit by Tackles Larry Simmons, and Leon Davis for another 9 yard loss. Tahoka taking over on the Floydada 32, but the best the Bulldogs could do was 4 yards in as many plays.

Floydada moved for 8 in three plays, then Swanner punted 29 yards to Harter on his own 45. The ball was fumbled; and End Eugene Beedy recovered for the Whirlwinds.

Sets Up Score
From there, opening the second quarter, HB Larry White, Fulton, and Stovall moved to the Tahoka 7. Fulton fumbled and recovered on the 3, and on the next play, went over for the score. Big 215-pound tackle, Marvin Rucker, one of the better boys on the field that night, kicked the extra point.

Harter brought the kick-off from the 20 to the 35, and here Tahoka had its best scoring chance ruined by another fumble.

The Bulldogs looked potent in this drive with all backs gaining ground in four successive first downs to the Floydada 14. Then, Waller recovered a Tahoka fumble on the 10, and three plays later the half ended.

Fumbles Hurt
Blair brought the kickoff from the 18 to the 30, a fumble covered by End L. W. Castleberry lost two, Blair made 8, and a fumble covered by Pridmore lost 8, and Williams punted to the F. 40.

Floydada moved down to the Tahoka 26, when Floydada fumbled back to the 31 and a fourth down pass was incomplete. Attempting to get back in the game, Tahoka passed long, but Waller intercepted it on the 50, and ran to the Tahoka 40. Stovall made 8, and Tahoka drew a 15 yard penalty to give Floydada a scoring chance from Tahoka's 15. However, good defensive work by Tackle Bobby Paris, Williams, Bell and others stopped the threat on the 6. Blair and Williams moved the ball to the 24, and Williams had to punt, Fulton ran the kick back from his 45 to Tahoka's 32.

Floydada Threatens
W. H. McNeely stopped Fulton after making 1, Simmons and Castleberry stopped Stovall, but Waller then passed 11 yards to Ronnie Downing on the Tahoka 19. Three plays moved to the Tahoka 6 for a first down. Paris stopped Fulton for a one yard gain, Simmons downed Waller on the 1, and then Williams threw Waller for a two yard loss, and on fourth down, Simmons stopped him on the one-foot line.

Taking over there, Tahoka moved up field to the 37, drew a five yard penalty, and three plays later, Waller covered a Bulldog fumble on the Tahoka 45. Four plays made only 7 yards, and Tahoka had one more chance with 2 minutes left to play. Williams made 18 on two runs, a pass was incomplete, Blair made one, and then Harter's pass was intercepted by Waller on the Floydada 25. White carried twice to run out the clock.

Charles Johnson (colored) received a back injury while working at Union Compress Monday and was taken to Tahoka Hospital for treatment.

The 1956 Buick Century 4-Door Riviera

NOW - Just touch the pedal and away you go!

(That's the New Variable Pitch Dynaflow!)

OF COURSE, you can floor the pedal of this stunning new '56 Buick and get the full-power sweep of its advanced new Variable Pitch Dynaflow.

That's how you switch the pitch of this airplane-principled transmission for instant safety-surge acceleration to get out of a tight spot on the highway.

But now you get a brilliant new response at the start of pedal travel, too.

Now you get a solid take-hold for instant take-off in the first inch of pedal action—where most of your normal driving is handled. And you get

this great new getaway with a big boost in gas mileage, too.

So there you are, just nudging the pedal, and getting action that makes you feel like you've floored it.

There you are, handling all your normal driving situations with a confident toe-touch—with new surety and snap—and with the happy satisfaction that comes with a sizable step-up in the miles you get from a tankful of gas.

And there you are, rolling along with beaming pride as boss man of the best Buick yet.

For here you have, beating any past Buick, the

greatest power yet—the boldest styling yet—the sweetest ride yet—the smartest interior yet—and, by far, the best buy yet.

Drop in on us this week—tomorrow, if you can—and see for yourself that there's never before been anything like this Buick beauty for 1956.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

It's the '56 Buick—
Best Buick yet

Wilson 4-B Mustangs District Champion

The Wilson Mustangs, undefeated and untied in nine games this year, cinched the right to represent District 4-B in the State Interscholastic League play-offs by defeating Meadow Broncos Friday night 26 to 6, before the largest homecoming crowd ever to see a game at Meadow. This was the first conference loss for Meadow since 1951.

Wilson has defeated Meadow, it will represent the district regardless of the outcome of today's game. The Wilson-Ropes game, is at Wilson.

In the bi-district play-offs, Wilson will probably meet Kress.

Coach Ralph Huntington's Mustangs took charge of things in the first quarter, with Halfback "Mutt" Bruedigam racing the last 16 yards to score and then converting for the extra point. Bruedigam scored again in the second,

as did Meadow, and Wilson led 13 to 6 at halftime.

In the third period, Fullback Dewey Corley crashed over from two yards away, and in the fourth he ran 55 yards to put on the clincher. The last conversion by Bruedigam was good, also.

O'Donnell Holds Seagraves 14-6

O'Donnell Eagles ring down the curtain on the 1955 football season today at Sundown, when they meet the District 4-A leaders.

Last Friday afternoon, O'Donnell homecoming, the Eagles came near upsetting the Seagraves Eagles, pre-season favorites to take the title, but lost a heart-breaker 14 to 6.

O'Donnell played the Seagraves boys to an 0-0 tie through three periods. In the fourth, Seagraves drove 44 yards to the O'Donnell one, and then QB Lawrence Barber dived over for the first score, and his place kick was good. A few minutes later, Jerry Blakley set up another score on a 35-yard gallop, and Fullback Freddy Jetton banged over to score, and Barber's kick was again good.

The Lynn county boys scored late in the game, when Halfback Leo Barrington went 30 yards to the goal line.

As a part of the homecoming festivities, Miss Sue Wheat was crowned queen by Travis Pearce, football captain.

Cafeteria Menus For Next Week

Monday: Pinto beans, buttered frozen spinach, carrot sticks, fried potatoes, corn bread, ice cream, butter, milk.

Tuesday: Roast Turkey, corn bread dressing, giblet gravy, buttered English peas, cranberry sauce, pumpkin pie, whole wheat bread, milk.

Wednesday: Meat and pimento cheese sandwiches, lettuce, tomatoes, fruit salad, milk.

Texas King Ranch is so large that there is a month's difference in the growing season between the north and south edges.

WMU HOLDS ROYAL SERVICE PROGRAM

The W. M. U. of the First Baptist Church met at the Church Monday for the Royal Service program with 24 members present.

The program was led by Mrs. Clifford Harris, and opened with a special prayer led by Mrs. L. M. Nurdyke.

The following topics were used in a round table discussion, with the following playing the parts: Mrs. L. Howard Jenkins, by Mrs. Clifford Harris; Mrs. Hankin, by Mrs. Ivan McWhirter; Mrs. Charles E. Maddy, by Mrs. E. I. Hill; Miss Edna Frances Dawkins, by Mrs. John A. Roberts; Mrs. Fan H. Scofield, Jr., by Mrs. W. P. Hutchison; Ione Gray, by Mrs. J. C. Womack; Johnni Johnson, by Mrs. Paul Cox; Mary Elizabeth Fuqua, by Mrs. K. R. Durham; and Mrs. Baker James Cauten, by Mrs. Terry Noble.

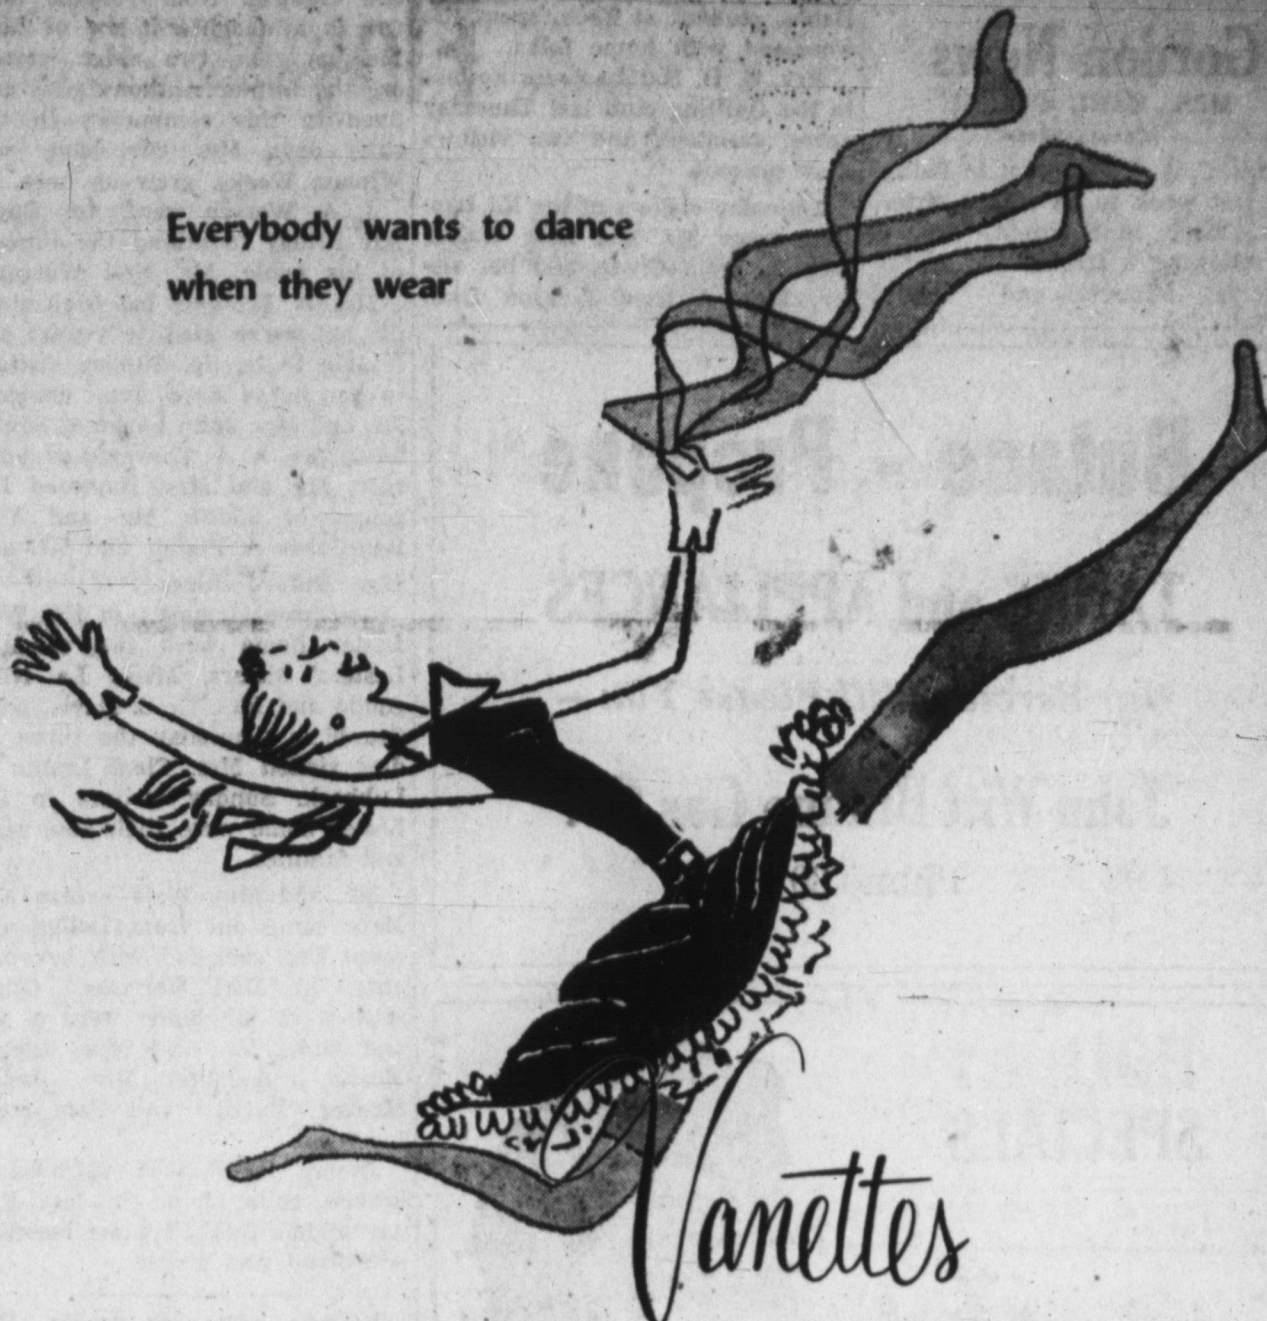

The meeting was dismissed in prayer by Mrs. Terry Noble.

Next Monday, the W. M. U. will meet in circles for the Mission Study, "Candle by Night."

Circles will meet in the following homes: Walker Circle with Mrs. Joe L. Nevill, Mrs. J. H. Kuykendall, teacher; Sallee Circle with Mrs. Bohannan, Mrs. G. B. Sherrod the teacher; Sharpley Circle with Mrs. Paul Cox, the teacher Mrs. John A. Roberts; and the Wingo Circle with Mrs. Walthal Littlepage, the teacher Mrs. Clifford Harris. Let's have a good group in each circle.—Reporter.

STATED MEETINGS of Taboka Lodge No 1041 the first Tuesday night in each month at 7:30. Members are urged to attend. Visitor welcome.—Harvey Freeman, W. M. Harry Roddy, Sec'y.

MRS. EARL MORRIS
Correspondent

Mrs. C. A. Roper went to Ballinger last week to be with a sister, Mrs. Mary Stubblefield, who is ill following a stroke.

Jerry Pennell and Gerald

Dabbs, student at Tech, spent the week-end with home folks. Mrs. H. D. Hallman was hostess to the Quilting club last Thursday. Seven members and two visitors were present.

Thursday visitors of the Ed Dentons were: Mr. and Mrs. Walter Lacey from Clyde, and her sister, Mrs. Andrew Jackson from

Rogers, Ark., and Mrs. O. D. Orr and children from Tahoka. Mrs. Orr is a daughter-in-law of Mrs. Lacey. The two older women are the former Anthony girls and lived in this community in the early days. Mrs. Orr, who was Winona Weeks, grew up here.

J. A. Warren went to Boyd, last Friday to attend the funeral of his uncle, Mr. Neil Warren.

Mrs. N. E. Jones has been quite ill, but we're glad to report she is able to be up. Sunday visitors in her home were five children, Mr. and Mrs. John Leake of Southland, Mrs. A. A. Thurman of Amarillo, Mr. and Mrs. Haywood Basinger of Slaton. Mr. and Mrs. Bob Jones of Plains, and Mr. and Mrs. Buford Jones.

Last week's guests in the Wm. Lester home were two of Mrs. Lester's sisters, Miss La Nora Angle and Mrs. G. E. Davis, from Granbury. Thursday the three ladies visited Mrs. Clem Lester in Lubbock. Sunday visitors in the Lester home were their four sons and families.

Mr. and Mrs. Walt Lyman and Marc came out from Dallas and spent the week-end with her parents, the Earl Morris. Other visitors in the home were a son and wife, Mr. and Mrs. Jimmy Morris, a daughter, Mrs. Arden Maeker, Marilyn and Pam from Lubbock.

Jimmy Halliburton suffered a broken collar bone in last Friday night's football game between Southland and Pettit.

Women now own nearly \$50 billion of life insurance.

IT'S DYNAMITE! PURINA'S NEW BABY PIG CHOW

A New Taste Discovery
to start baby pigs eating and
gaining early

This exclusive Purina taste discovery contains Pura-Fat (selected fats), Pura-Sweet (selected sweeteners), vitamins, minerals, and other known ingredients to keep pigs eating and gaining.

Start creep feeding Baby Pig Chow at 7 days. Feed one 50 lb. bag to a litter... then change to Pig Starters. That's the way to start 'em on the market road in a hurry.

FREE SAMPLES while they last. Come in. Let us tell you more about Purina Baby Pig Chow.

Congratulations:

Mr. and Mrs. Reble L. Thomas on the birth of a daughter weighing 5 pounds 3 ounces at 5:19 a. m. Wednesday of last week in a Lubbock hospital. She has a brother, Joe, age two and one-half; and a sister, Debbie, age 5. Mr. and Mrs. Irving Stewart and Mr. and Mrs. Luther Thomas are the grandparents. She has been named Georgia Lynn for her great grandparents, Mr. and Mrs. George Small.

Mr. and Mrs. James A. Fiddens of Odessa on the birth of a son weighing 6 pounds 13 ounces on Nov. 4. Name, William Dwight. Grandparents are Mr. and Mrs. J. A. Fiddens of Seymour and Mr. and Mrs. Loyd McCormick of New Home.

Mr. and Mrs. James Everett Hargraves of Slaton on the birth of a daughter weighing 5 pounds 5 ounces in Tahoka Hospital at 1:56 a. m. Thursday of last week. The mother is the former Laquita Smith of Tahoka, daughter of Mrs. Pauline Smith.

Mr. and Mrs. Teodoro Herrera of Oden on the birth of twins at Tahoka Hospital on November 3. A girl, named Gloria, was born at 1:57 a. m. and weighed 4 pounds 15 ounces. A boy, named Teodoro Jr., weighed 5 pounds 6 ounces and was born at 2:19.

Mr. and Mrs. Pedro Delo Torres of O'Donnell on the birth of a daughter, Mary Cruz, weighing 5 pounds 14 ounces, in Tahoka Hospital at 11:39 a. m. November 2.

Mrs. Natividad Hernandez Benaridez of Edroy on the birth of a daughter, Joy, weighing 7 pounds 7 ounces at Tahoka Hospital at 1:56 p. m. November 3.

Mr. and Mrs. John L. Martin (Colored), on the birth of a son, Donald, at 12:53 a. m. November 8, and weighing 8 pounds 6 ounces.

Mr. and Mrs. Elidoro Jimenez Lopez of Maxwell on the birth of a son, Daniel, weighing 6 pounds 8 ounces at 7:15 p. m. November 9 in Tahoka Hospital.

Mr. and Mrs. Delfino Lopez of route 3, on the birth of a son, Delfino Jr., weighing 5 pounds 8 ounces in Tahoka Hospital Monday at 5:48 a. m.

The horned frog's only defense is to shoot a stream of "blood," a reddish fluid, from his eyes to blind an enemy long enough to make an escape.

How to be sure
you are making the best buy
in a new truck

➤ A new truck is an important investment. If you want to be sure you're getting the best buy, you've got to consider a lot of things: price, power, operating economy, good appearance—to mention only a few.

➤ Take price, for instance. Wouldn't it help you to know that you can buy a Dodge for surprisingly little money? Could be you didn't know Dodge trucks cost less than most other makes.

➤ Wouldn't it help you, too, to get the whole picture on truck power? The fact that Dodge Power-Dome V-8's outpower every other leading truck in the low- and medium-tonnage fields surely is important to your decision.

➤ And there are other Dodge advantages you'll want to think about—like the business-building beauty

of Forward Look styling, and the long life that spreads low initial cost over years of dependable service.

➤ It all adds up to this: To be sure of your best truck buy, take a few minutes to talk to your Dodge dealer. Just a phone call will put the wheels in motion.

GAIGNAT MOTOR COMPANY

B. K. Cooley Farms Will Montgomery Place Near Town

Mr. and Mrs. B. K. Cooley live in this farm home, located a mile north and a half mile west of Tahoka High School, although Will Montgomery, pioneer Lynn County citizen, is the owner.

Buster Burr was the first to identify the place. Others included Mrs. Bobby Carroll, Mrs. T. B. Inman, Mrs. E. S. Davis, Mrs. P. D. Adams, Mrs. Mary Potts, Otis Potts.

The Cooleys have lived at this place two years. They farm 500 acres of the Will Montgomery land. Prior to moving here, the Cooleys lived at O'Donnell 26 years, and the last nine or ten years Mr. Cooley farmed land owned by John Earles.

Mr. Cooley was reared in Hill County. Mrs. Cooley, who was Neva Wood before her marriage,

was reared at Anson, Jones county. The couple married at Anson in 1922. Their children were reared and educated in the O'Donnell schools.

They have two daughters, Mrs. Bill (Nina Mae) Horsley of Albuquerque, and Mrs. Leroy (Sue) Mensche of O'Donnell, and three grandsons. Their only son, Kenneth, died two years ago in September.

All of the Cooley's land, which is owned by Mr. and Mrs. Will Montgomery, is dry land, but it is some of the best in the county.

They also raise some hogs and cows, as well as maize and cotton.

R. J. Collier formerly lived in this house and farmed part of this land, but he moved to O'Donnell two years ago.

Dr. W. A. Schaal attended a meeting Sunday in Lubbock of District 3, Texas State Chiropractic Association. The next meeting will be held in Tahoka on January 8.

Wilson Lady Is Injured In Wreck

Mrs. Walter Maeker of Wilson was seriously injured in a car wreck north of Robert Lee a week ago Sunday, when a deer ran into the path of the car in which she was riding.

She is in traction in a Lubbock hospital with a fractured vertebrae, but Arnold Maeker, her brother-in-law, reports she is doing nicely and is expected to recover without any permanent damage.

Mr. and Mrs. Maeker and their daughter, who live east of Wilson, C. N. McPherson of Slaton, and Geraldine and Mary Lou Hagens of Wilson were returning home from Texas Lutheran College homecoming at Seguin Sunday night.

Near Robert Lee, a deer ran into the road and in attempting to get out of the path of the car coming from the other direction jumped into the path of the Maeker car. The impact caused the car to roll over a time or two.

No one was believed seriously injured at the time, following examinations at a local hospital.

Later Mrs. Maeker was taken to Slaton Hospital, and when her serious injuries were determined she was carried on to Lubbock.

The deer's antlers were driven into the grill of the car. The car was an almost total wreck.

Cemetery Benefit At Southland

The annual Talent Show sponsored by Southland Cemetery Association will be held in Southland High School Friday night, Dec. 9, at 7:30 p. m.

"Come and get that cash prize," writes Mrs. Hub Haire, president of the Cemetery association, "There'll be plenty of pie and coffee. Let's all attend this worthwhile show."

Those wishing to participate in the show are asked to contact Mrs. Hub Taylor, route 2, Post; Mrs. Sam Ellis, Southland; Mrs. Jerry Hitt, route 1, Post; or Mr. T. L. Weaver, route 2, Wilson.

A ranaculturist is a person who raises frogs for market use.

Slavery was introduced into American Colonies at Jamestown, Va., in 1619 and abolished by the 13th Amendment in 1865.

Araname College at Goliad, Texas, closed its doors when the entire student body enlisted in the Confederate army.

New high horsepower! Low silhouette styling! In THE BIG M's lowest-priced Custom series

Newest model in the Custom series—the low-silhouette Mercury Custom hardtop.

Now you can drive home a Mercury with **BIG M** size, styling and performance at a price below many models of the low-price 3*

Here's the year's biggest buy. Just wait till you see the price tag! For this year Mercury sets a new standard for style and power in its lowest-price Custom series.

LOW-SILHOUETTE STYLING NOW IN CUSTOM SERIES. The new Mercury Custom hardtop is only 58 1/4 inches high—the same low, sweeping silhouette available up until now only in Mercury's top-line Montclair series. And there are five more stunning Custom models—one for every need and budget.

A NEW HIGH IN USABLE POWER. All BIG M Customs have new SAFETY-SURGE V-8 engines—with the highest horsepower ever offered in Mercury's lowest-priced series. But what you'll notice most is THE BIG M's greater usable power (torque). There's far more working power for getaways and passing.

NEW LOW-PRICE POWER FEATURES. Mercury offers the widest choice of power features in the industry—and now at a new low price. With this low-cost Custom model you can easily afford the added comfort and convenience of power steering, power brakes, 4-way power seat, power window lifts and Multi-Luber—Mercury's exclusive-in-its-class push-button power lubrication. You get a fully power-equipped car at an economy price.

3 SERIES, 13 MODELS IN ALL.—In addition to the Custom Series, you have 7 more models in the Monterey and Montclair series to choose from—with 225 horsepower available.†

Mercury is the car that consistently leads its field for resale value—one more big reason you should look in at our showrooms now. Why wait, when a BIG M costs so little?

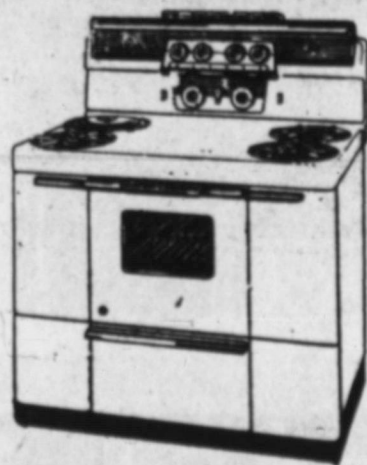

†See Montclair and Monterey with optional Merc-O-Matic Drive

COMPARE THESE BIG M FEATURES WITH ANY CAR AT ANY PRICE

- New high in horsepower and torque with new SAFETY-SURGE V-8 engines.
- 4-barrel carburetor on all models; dual exhausts on 9 out of 13 models.
- Improved ball-joint front suspension for easy handling.
- Quick-response Merc-O-Matic Drive, combining new smoothness, action and economy. (Optional)
- 10 new Safety-Engineered features—even the steering wheel is safer—its impact absorbing.
- New Flo-Tone color styling.
- More consistent value—Mercury tops its class in resale value year after year.

*Based on manufacturers' suggested list or factory retail price, using the Mercury Model 13-door Sedan.

Odds and Ends

(By E. I. The Elder)

Announcement has been made from Washington, D. C. that the Big Bend National Park will be dedicated on November 21, and that the main address will be made by the Secretary of the Interior, Mr. McKay. Governor Allan Shivers of Texas and the governors of neighboring Mexican states have been invited to attend the ceremonies, which are to be held in Washington. This park, as is well known, is situated in the Big Bend of the Rio Grande River which forms the boundary between Texas and Mexico. The land comprised in the Park consists of 708,221 acres, a little more than 1,106.5 sections. The State of Texas has acquired and sold the land to the United States Government for the sum of \$1,500,000, about \$2.12 per acre. The Park lies within the bounds of Brewster county, and many miles of highway have already been constructed in the Park. Two of the most magnificent pieces of scenery in the county are the Chisos (or Ghost) Mountains and the Santa Helena Canyon, though the whole Big Bend area and the Davis Mountains lying to the north of it constitute by far the largest and most magnificent mountain area in Texas. There is one mountain in Texas, the Guadalupe, situated in the northwest corner of Culberson county near the south line of New Mexico, which is slightly higher than any of the mountains of the Big Bend-Davis Mountain area but it has only a few Texas companions while there are more than fifty peaks in the Davis and Big Bend mountains that attain a height of more than 5,000 feet. There are three Texas counties that lie wholly in this mountain region, Jeff Davis, Presidio, and Brewster. I visited all these counties in 1951, took colored pictures of many mountain scenes, and wrote them up for this column at that time.

Brewster county is the next county in alphabetical order on my list of outstanding Texas counties for a write-up, and so now again, here goes; but again I am going to include all of those three counties in the present assignment. So—"I will lift up mine eyes unto the hills, from whence cometh my help."

As I think back over the past, I well remember the time when

SOUTH PLAINS PRESS ASSN.

country years ago to teach school and she still has a lively interest in her scores of old Tahoka friends.)

At any rate, that was my first acquaintance with the Davis Mountains.

If anybody is interested in the outcome of that lawsuit, we tried it again the next day, and my recollection is that we had another "hung jury," though somewhat over-balanced in favor of the store-keeper, Tom Love. Any way, we compromised by giving him nearly all that he asked for. So, that was the fly in my ointment. But today, I wouldn't take several lawyers' fees—of the size I usually got—for my first visit to Sierra Blanca and the Trans-Pecos region.

I never made another visit to the Davis Mountains until the year 1951.

During that summer my daughter Berta, who works with the Old Age pension set-up in Seguin, came up, and she took me and my other daughter, Mrs. Myrtle Rochelle, who is employed in the office of the Texas Employment commission in Lubbock, and her two daughters Anita Jo and Sara Sue, and we all struck out for a visit to the Davis Mountains and the Big Bend region, and we all enjoyed that trip more than any I had ever taken up to that time. I had not taken many, in fact, and really knew very little about Texas, to say nothing about other states. Although I wrote copiously about the things we saw and learned on that trip—and took some pictures of the most interesting scenes—yet I am sure that many people who were here then did not read very closely my

rambling remarks and that many other people have moved to Tahoka since then, and so I am moved to give you a re-hash of the recordings of events which I made respecting that region that year.

When we visited that region that year, we visited Jeff Davis county first, entering the mountain region at Kent, and we were charmed by the beauty of the scenery from that very moment on till the time when we left the region a few days later. But now I am going to tell you about Brewster county first, which covers all of the Big Bend National Park and most of the whole widespread Big Bend area.

We entered the Big Bend region from Marathon, which is situated on the Southern Pacific Railroad 25 miles southwest of Alpine as the crow flies, but still some 50 miles west of the eastern wall of the Big Bend Region proper. The mouth of the Santa Helena Canyon, coming from the west, is 70 or 75 miles almost due south of Alpine. Marfa, where one leaves the railroad and the highway to go down in the S.S.W. direction to Presidio, near which place the Canyon begins, is about 20 miles west of Alpine but at least 60 miles, as the crow flies N.N.E. of Presidio. It must be 225 to 250 miles, following the general course of the Rio Grande, River, from the westernmost point of Jeff Davis county on the banks of the River around to the easternmost point of Brewster county which also lies on the banks of the Rio Grande where it turns directly to the east; and it is impossible to estimate how many miles it would be between these two points if one

followed the bed of the river. But whatever the distance it is practically one continuous and unbroken rock wall or exceedingly steep declivity all the way around. And so, these are the boundaries of

the Big Bend.

"O sometimes the shadows are deep,
And rough seems the path to the goal;

And sorrows, sometimes how they sweep,
Like tempests down over the soul.
O then to the Rock let me fly,
(cont. on next page)

Children should be HEARD when not seen!

Bridge the miles between you
and your family with
LONG DISTANCE.
It means so much... costs so little.

Odds & Ends

(Continued)

To the Rock that is higher than I.

The Chisos Mountains, I believe, are unlike any other mountains in the world. At least they are unlike any other mountains I have ever seen. There is a great door-way into the main enclosure, a sort of stupendous camp-ground with mountain walls all around. Then you may descend into a lower compartment down a steep declivity, and when you get down there you feel more like you are in a cave than on the surface of the earth.

On either floor you are awed at the magnificence of the scenery which you are able to view. You are enraptured by some of the views of the Big Bend area outside of the Chisos, which are visible from the inside; and on the inside there are buildings and service places on both floors. The word "Chisos" means ghost; but I have never learned why this name was given to these mountains.

The Chisos mountains are not the tallest mountains in North America by any means, but they are tall enough to excite the ordinary person's admiration and reverence just the same. Mt. Emory, the tallest one of them rises to a height above sea-level of 7,535 feet. The bed of the Rio Grande River that encircles the Chisos Mountains runs 1,700 feet above sea-level. Mt. Emory therefore rises to a height of 6,135 feet above the bed of the River just a few miles away. We dare say that there are not many places in this Union where the Mountains present a more astounding record. Another one of the Chisos, the Lost Mine Peak, rises to a height of 7,550 feet above sea-level, and Casa Grande to a height of 7,300 feet; all of them far more than a mile above the bed of the Rio Grande.

The Santa Helena, or Elena Canyon, with solid rock perpendicular walls approximately 1,600 feet high, is one of the most marvelous spectacles to be found in all the Southwest. The ordinary flow of its waters coming rushing madly down from Presidio and Ojinaga, twin towns on opposite sides of the Rio Grande many miles up-stream, to be joined by the meagre waters of Terlingua Creek, where the river bed turns abruptly south to continue its circuitous course on down through Mariscal, Bougillas, Reagan, and other canyons, past Hell's Half Acre, wiggles around some more and then turns east toward Langtry and the Law east of the Pecos.

I wish to add that when we had left Marathon on that trip down into the Big Bend four years ago, we were stopped by a Forest Ranger at a station some fifteen or twenty miles of our starting point and were told by him that we had better go back and try it another day, for there had been much lightning in the west the night before, he said and flash floods were expected to overflow our highway that night. We figured that he knew his onions and his mountain freshest too, and so we turned and went back to Alpine. The next day we ran down to Marathon and started out again, and sure enough we found that those arroyos down toward the Chisos had been overflowed in places to a depth of three or four feet, and if we had not heeded that ranger's warning we might have gotten a free ride down the Rio Grande. If and when you go down into the Big Bend, folks, you had better first take a good look at the weather.

Well, I will not have room to give you the low-down on Jeff Davis and Presidio counties in this issue of the paper, folks, so, I will save them for another shot.

Besides, Mrs. Hill and I want to use a little space right here to tell the folks how much we appreciate the royal welcome they

Can't Get Rid of Your Cold?

A. C. C. Planning 50th Birthday

Abilene, Nov. — "A City Set on a Hill," a pageant depicting the 50-year history of Abilene Christian College, will be presented in February as a highlight of the college's 50th anniversary.

The three-act musical drama will be entirely an Abilene Christian College production, using an original script, original music and original scenery. Mrs. James Beard, of Lubbock, 1942 ACC graduate, wrote the script, and Lewis Fuiks of the ACC Speech Department has designed original sets and costumes. Original music is being arranged by John D. Anderson, conductor of the ACC Symphony Orchestra and Douglas E. Fry, director of the ACC Band.

Fuiks is director of the pageant, assisted by the music directors: Dr. Leonard Burford, Lois Bruce and Richard C. Palm, choral music; Anderson and Fry, instrumental music. All are members of the ACC Music Department, and Dr. Burford is department head.

The pageant personnel will include at least 300 students, Fuiks said, with 70 in speaking parts, 150 musicians and singers and around 40 in the crew.

Other students will serve as ushers and work in other capacities. Seven performances are scheduled, Feb. 17-19 and 21-24. A multi-set show, the pageant will be comprised of 23 major scenes. The stage in Sewell Auditorium has been enlarged to provide for three acting areas, allowing stage crews to change scenes while the performance continues. Work on the pageant began in November, 1954, when Mrs. Berd started writing the script. Fuiks has been working since February on matters of staging, lighting and equipment.

NEW HOME H. D. CLUB HAS REGULAR MEETING

The New Home H. D. Club met at the Community Center Thursday, November 10, with Mrs. Carlton Davies and Mrs. Leland White as hostesses.

Mrs. Willie Nieman gave a very interesting demonstration on making draperies for the living room.

A committee composed of Mrs. Conley Unfred, Mrs. Willie Nieman, and Mrs. Wilmer Smith was authorized to buy equipment for three sets of table tennis for the Community Center and to collect other games that might be available in the community. The club also voted to buy an upper unit of kitchen cabinet for the Center, and six dozen cups to be used by the club and P. T. A.

Mrs. Billy Ray Smith was appointed to serve as assistant secretary for the club, and Mrs. Willie Nieman will serve as recreation director.

The date for the club's Thanksgiving dinner was changed to

Monday night, November 21, and will be held in the Community Center with the high school seniors serving the meal. Mrs. E. R. Blakney and Mrs. K. K. Moore were appointed to make arrangements for the center and the meal.

Mrs. B. G. Smith, Mrs. Orville Ray

Monday night, November 21, and will be held in the Community Center with the high school seniors serving the meal. Mrs. E. R. Blakney and Mrs. K. K. Moore were appointed to make arrangements for the center and the meal.

A special message to truck drivers' wives

from your Ford Dealer...

This year, everybody is talking about safety in automobiles. And with good reason. The hazards of the road take more American lives every year than we lost in the whole Korean war.

So important things are being done to make cars safer.

But— isn't safety even more important in trucks?

If safety is important to the man who drives a car a few hours a day, isn't it even more important to the man (and his family) who drives a truck for a living?

We think it is.

And we think you wives think it is. That's why we believe you'll be vitally interested in what Ford has done to make driving a truck safer for your husband.

Ford has taken the lead in safety with not just one, but a whole family of new safety features for America's trucks and cars.

What are these features that could be so important to you?

1. Lifeguard Steering Wheel

Ford's exclusive Lifeguard truck steering wheel is built in such a way that, in case of accident, it helps protect the driver from any contact with the steering post. This kind of "deep-center" steering wheel actually acts as a cushion in case of accidents.

2. Lifeguard Door Latches

Ford's Lifeguard door latches have a new "double grip" type construction. Their extra holding strength gives added protection against doors flying open in the event of an accident... to help keep the driver in the truck where he's twice as safe.

3. Seat Belts

You've read a lot about seat belts. You probably know that the Accident Research Center at Cornell University, the American College of

Surgeons and many other groups strongly urge that every owner equip his vehicle with seat belts. Studies prove that in about one-half of all accidents, injuries could be avoided or reduced by the use of seat belts.

Ford is the first truck manufacturer to make seat belts available (at low extra cost, for both new and used trucks).

In case of an accident, or sudden stop, a Ford Seat Belt holds the driver firmly in the seat. This greatly cuts down the chances of serious injury.

And remember—it isn't necessary to be driving fast to be seriously injured or thrown out of the truck in case of an accident. A sizable percentage of injuries of this kind occur at speeds of only 30 or even 25 miles per hour. (If your dealer happens to be out of seat belts temporarily, please be patient. He will have them shortly.)

4. Tubeless Tires

This year, tubeless tires are standard equipment on every Ford Truck. Tubeless tires do not prevent punctures. But they do help to prevent many blowouts. When a puncture occurs in a tubeless tire, the air is apt to escape very slowly. The driver has a greater chance to slow down and stop safely.

5. Power Brakes

What we call vacuum-boosted power brakes make it possible for the driver to apply a lot more force to the brakes, faster and easier. This makes it possible to stop faster in emergencies. Power brakes are standard or available on every '56 Ford Truck.

6. High Visibility

A better view of the road—in front, behind and to the sides—can help the driver to spot trouble before it happens. A full-wrap windshield is standard on the new Ford Trucks for '56. The standard rear window is the widest on any truck... and a new full-wrap rear window is available at slight extra cost. All told, a new Ford Truck gives the driver one of the greatest all-around glass areas of any truck.

7. Reserve Power

A "slowpoke" truck can be a threat to highway safety—it is a stumbling block in the path of other traffic. Trucks should have enough power to keep up with the traffic stream. And they should have enough reserve power to pull out of emergency situations. So you will be interested to know that the new Ford Trucks for '56 have power increases up to 26%, to make sure drivers have all the reserve power they are ever likely to need.

Why should any man who drives a truck for a living take chances, needless chances, by not taking advantage of every available safety device?

To repeat—it is important to a man who drives a car once in a while, isn't it far more important to the man who drives a truck all day, for a living?

When a man drives a '56 Ford Truck from Pickup to tandem-axle Big Job—he and his family have this peace of mind. They know he's driving a truck that gives him the added protection of exclusive Lifeguard safety features.

A. M. Cade's Sister Dies At Cross Plains

Mrs. Jim (Mac) Barr, 63, sister of A. M. Cade of Tahoka, died at her home near Cross Plains Wednesday of last week following an illness of four months.

Mr. and Mrs. Cade, who had been at her bedside for two weeks, Mr. and Mrs. J. T. Tippit, and Mrs. Randolph Rutherford, all of Tahoka, attended funeral services held Thursday in the Presbyterian Church at Cross Plains.

Mrs. Barr was born and reared in that area. She is survived by her husband; three sisters, Mrs. Mary Lou Davidson of Lubbock, Mrs. Annie Russell of San Angelo, and Mrs. Corinne Hanson of Hagerman, N. M.; three brothers, A. M. of Tahoka, H. B. of Slaton, and V. L. Cade of Lubbock. Another brother, R. M. of Cooper, Lubbock county, died Sept. 17.

In a gun battle in Ranger, Texas, involving three men, each man took one shot and all three were killed.

honored with a "come and go" bridal shower Monday evening in the home of Mrs. Claude Roper. The refreshment table, laid with a white lace cloth over pink, featured white chrysanthemums. Misses Neita Hewlett and Nell Nolan assisted at the punch bowl and served cake. Misses Mary Lou Lichey, Ida Pearl Mason and DeLores Rhoades provided vocal and piano selections throughout the afternoon. Between forty and fifty guests called between the hours of 5 and 7 p. m.

Seniors Complete Magazine Sales

The Senior Class of Tahoka High School started its annual magazine selling campaign October 26 and the class completed its profitable event on Monday, November 7. Every class member worked very hard and their efforts were rewarded when the total sales amounted to \$1,450.00, making a net profit for the class of about \$500.00.

The high salesman was J. E. Nance, selling \$182.00 worth of magazine subscriptions. J. E. will get his choice of a \$25.00 wrist watch or a record player or a portable radio. Giving J. E. a close race and runner-up for high salesman was Joe Draper with \$167.00.

Each day the highest salesman on each of the two teams was allowed to carry for that day, a toy chimpanzee. The two seniors carrying the chimpanzees the most days were allowed to keep them. Joe Draper and N. E. Wood, through hard work, were each given a chimpanzee. Also there were four toy skunks, two placed in separate homes in Tahoka and two in the country. The first senior to call on one of these homes and ask for subscriptions, was given the skunk and also a \$5.00 reward. Ruth Curry, J. E. Nance, N. E. Wood, and Ronnie Brooks were the finders of the four skunks.

Every senior had fun selling these magazines. The money will go toward paying for the senior class trip at the end of school. The whole class gives a big

W. C. Edwards Death Victim

W. C. (Bill) Edwards, 66, employee of the Lubbock Avalanche-Journal for 40 years, and a cousin of Mrs. C. C. Dwight of Tahoka, died at Lubbock of a heart ailment last Friday, and funeral services were held there on Sunday.

When James L. Dow, then owner of the weekly Avalanche, bought The Lynn County News from H. C. Crie in about 1918, Mr. Edwards and R. B. Haynes, now of Miami, installed the plant of The News in Tahoka, moving most of the equipment here from the Avalanche. A short time later, Mr. Haynes bought the paper, from Dow, and Mr. Haynes sold to the present management in the fall of 1923.

Since that time, "Ed," an expert Linotype machinist, has worked on The News' Linotype several times.

The News still has two pieces of the equipment, a perforator and a small job press that Edwards helped install in the Tahoka plant.

When Dow sold the Avalanche, Edwards remained with the Paper, became shop superintendent, and retired only about two years ago.

A quarter horse is so called because of its speed over a short distance, usually a quarter of a mile.

hearty, "thanks" to all who bought magazines or gave a donation.
