How The War Started

A Pierson school boy after carefully reading up the cause of the present strife in Europe gives his version of it as follows: "In the first place a Serbian got drunk and killed an Austrian nobleman and his escort (or may be it was his consort) anyway it was some sort. Austria then got hot under collar over the incident and then said to Serbia: 'See here now; we don't want any ruff stuff; I want to be a father to you; come into the woodshed.' Russia peeping through the fence said to Austria, 'Don't you dare to touch that child; he's my kid anyhow.' You'd make a good looking daddy."

"You've another think coming," answered Austria. "I don't like the color of your eyes, and your feet don't track; besides I can lick you with one hand tied."

"Bully boy," says Wilhelm of Germany. "If you can't, I can, and by gosh I'll do it; I can lick anybody; I can lick everybody, and we'll take him together."

So Germany slips up on France when she ain't looking and lands with both feet in the middle of Belgium.

"Get off my leg," says Belgium. "or I'll bite your ear off."

"Ouch," says Germany. "I'll get off when I get ready."

"That's not fair," says France.

"Take that, you slob," and hands Germany a hot one on the snout.

"I hate a scrap," says England, but I can smash the jaw of the guy that slaps my friend."

"You don't hate it any worse than I do," says Japan as she squares off for a hand in the game.

"Well I guess you started it anyhow," says Wilhelm to Nick. Just then everyone begins to yell "You started it yourself," and each sticks out his tongue at the other fellow, and they all clinch. The little fellows begin to dance around watching for a chance to get a punch and run. And there you are. —Progress, Pierson, Iowa.

A New National Hymn

I
My country, 'tis of thee,
Land where things used to be
So cheap, we sing
Land where folks once could buy
Things that are now so high;
To thee with many a sigh,
Our memories cling.

II
Some of the people swear
That what they eat and wear
Takes all their wad.
Others avow that they
Now eat but once a day,
And for that cannot pay,
So help them God.

III
Thy people's humble plea
Is that thou wilt free
At least one leg.
On flesh of beef and swine
We do not ask to dine,
But give us, Lord, divine,
One good, fresh egg.

IV
Our father's land with thee,
Blest home of Liberty,
We choose to stop.
We don't exactly like
So soon to hewward hike,
But we must hit the pike.
If things don't drop. —Ex.

Free Scholarship In School Of Your Choice

The Tyler Commercial College of Tyler, Texas, is positively the only business college in the state which teaches a thorough course of practical, modern bookkeeping and business training. Other schools teach theoretical bookkeeping; some of them call it actual business, but it is not. The commercial room of the Tyler Commercial College is a community of business houses of various kinds, Banks, Wholesale, Commission, Real Estate, Retail, Insurance, etc. Each student is engaged in real active business learning to do by doing. Every entry made by the student during his entire course is originated by an actual sale or purchase; it may be grain, it may be groceries, dry goods, real estate or stock in a corporation; but the transaction is really performed and every paper required in the transaction, whether note, check, draft, receipt, mortgage, deed or what not is filled out by the student. Partnership contracts are drawn up and agreed upon between the parties forming the company. Articles of incorporation are drawn up. Through these practical methods the student learns business as well as bookkeeping; they learn how to meet one another face to face and transact business in a business way. Instead of copying theoretical transaction from a text book as is done in every other commercial school in the state. It takes more teaching force and better teachers to teach our systems and methods; our teachers are not only teachers of Bookkeeping, but they must be well informed on business customs. When a student learns to do a thing by actually doing it, he learns it thoroughly, and with our practical, face to face business methods we are able to give the student a thorough course of both bookkeeping and business training in less time than he could possibly get the theory or so-called practical bookkeeping alone in other schools.

We will give a free scholarship in the school of your choice to anyone finding another school in this state teaching both bookkeeping and business through practical business transaction as we do. Similar practical methods are used in teaching Short hand, Steno typewriting, Cotton Classing, Telegraphy and business Administration and Finance. We believe in learning to do in the schoolroom, that it is this policy that has made the Tyler Commercial College of Tyler Texas, the largest school of the kind in America.

Write for large free catalogue explaining our original methods of teaching and securing position. There is a reason for our school drawing patronage from thirty nine different states and seven foreign countries. Investigate it, the best is none too good for you, for you must use this education for life and its quality measure your success.

we all shiver and turn our thoughts toward winter wear, and warm blankets. When you think of these things then think of

THE "GRAND LEADER,"

for at this store you will find a splendid assortment of everything in winter goods and winter clothing. AND REMEMBER that the increased price of cotton has no effect on our prices. This excuse is being used by some to increase prices--not so here. While prices are soaring at many places we are keeping them down as much as possible here. Compare and see.

Move To San Antonio

Alex J. Hamer and family left last of the week for San Antonio where they will make their home in future and where Mr. Hamer may secure needed medical treatment. Mr. Hamer has lived in Junction since boyhood. Here he has reared his good family. Here he entered business, some seventeen years ago, and from a small beginning has built up a large prosperous establishment. He has ever been a live and willing worker in the march of progress for our town. The entire community may well regret to see Mr. Hamer and his estimable family move from our midst. They are followed to their new home by many good wishes. We are glad to learn that they expect to retain interests in Junction and will make frequent visits back to the "old home town."

While riding a wild horse at the Klinger staid last Saturday evening Pat Richardson suffered painful injuries. The animal, after some good pitching, which furnished amusement for a large crowd gathered there, ran into the fence; the rider was thrown against the fence and as a result suffered with a dislocated shoulder and some bad bruises. Mr. Richardson is fortunate in that the injuries are not serious.

CRYING FOR HELP.

Lots Of It In Junction But Daily Growing Less

The kidneys often cry for help. Not another organ in the whole body more delicately constructed.

Not one more important to health.

The kidneys are the filters of the blood. When they fail the blood becomes foul and poisonous.

There can be no health where there is poisoned blood.

Backache is one of the frequent indications of kidney trouble.

It is often the kidney's cry for help. Heed it.

Read what Doan's Kidney Pills have done for overworked kidneys.

Proof of merit in the following statement.

M. N. Baylor, prop. of dining & plumbing shop, Main St., Kerrville, Texas, says: "My trouble was due mostly to disordered kidneys. The kidney secretions were unnatural."

When I overworked, my back pained severely and often I could hardly straighten up after stooping.

Doan's Kidney Pills quickly relieved these symptoms of kidney trouble. On several occasions since then, when I have needed a kidney medicine, I have taken Doan's Kidney Pills with just as good results."

Price 50c. at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mr. Baylor had. Foster Milburn Co. Props., Buffalo, N. Y.

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver
Better Than Calomel and You Don't
Lose a Day's Work

Listen up your sluggish liver! Feel
fine and cheerful; make your work a
pleasure; be vigorous and full of ambi-
tion. But take no nasty, dangerous
calomel because it makes you sick and
you may lose a day's work.
Calomel is mercury or quicksilver
which causes necrosis of the bones,
dynamite, breaking it up. That's when
you feel that awful nausea and cramping.
Listen to me! If you want to enjoy
the most, gentlest liver and bowel
cleansing ever experienced just take
a spoonful of harmless Dodson's Liver

Tone tonight. Your druggist or dealer
sells you a 50 cent bottle of Dodson's
Liver Tone under my personal money-
back guarantee that each spoonful will
clean your sluggish liver better than a
dose of nasty calomel and that it won't
make you sick.

Dodson's Liver Tone is real liver
medicine. You'll know it next morning
because you will wake up feeling fine,
your liver will be working; headache
and dizziness gone; stomach will be
sweet and bowels regular.

Dodson's Liver Tone is entirely veg-
etable, therefore harmless and can not
salivate. Give it to your children.
Millions of people are using Dodson's

A Holiness Camp Meeting
Time: Begins Oct. 6, 1916.
Place: Pentecostal Tabernacle, Junction, Texas.
Leader: Rev. A. G. Jeffries of Penit, Texas assisted by C. W. Ely.

Rev. Jeffries needs no introduction to any of the people of the Southland who have heard the best of preachers. All who hear him love and have fellowship with him. He is a prince among preachers; scholarly, logical, full of force and fire, truly Biblical. All seekers after truth who hear him once come to hear him again. Come, one and all, you will receive courtesy and welcome, irrespective of any dogmatism, and according to your standing and lay representation as the case may be. This I think was the meaning of the great Apostle in his exhortation, be courteous; be kindly affectioned one toward another tender hearted, forgiving one another. Come to help, come to be helped. If this writer gets in your way so as to hinder you in your undertaking for good, please call his attention and he now begs your pardon in advance. In conclusion will say the tabernacle will be comfortable. Our date was moved up to this date from July owing to the fact that we could not get our building in readiness sooner. Yours with good will to all,
C. W. Ely.

Bad Temper from Bad Liver.
You can generally blame your grouch on a lazy liver. Liver ailments are back of coated tongue, bad breath, biliousness, and muddled complexion. Insufficient flow of bile leaves impurities in the liver which poison the whole system. Do-Do-Lax is Nature's remedy. It stimulates the activity of the liver, increases the flow of bile, and by its laxative quality carries off the waste matter and clears the complexion. At your Druggist, 25c.
