## Council Passes Emergency Phone Rate Ordinance

The Wellington City Council, in a called meeting Tuesday morning, September 14, passed an emergency ordinance authorizing the General Telephone Company of the Southwest to increase the rates charged its users, but one which is lower than the rate at which the current month's service was billed. Announcement of the move was made by Mayor Lester Hunter immediately after the meeting.

Immediately preceding the introduction and passage of the ordinance, a petition was handed the council by F. C. LeDerer, a former mayor, asking that the council authorize the "compromise rates" which earlier in the year were put in effect in Memphis and Clarendon. The petition bore 128 signatures.

This was the rate adopted in the ordinance.

Copies of the Ordinance were sent the telephone company offices in Memphis by mail Tuesday, but Gene Craig, district manager, said they had not reached San Angelo Wednesday, and officials wished to read the ordinance before commenting.

A hearing on the temporary injunction against the city filed by General Telephone Company, is set for Friday morning.

The rates set forth in the ordinance are:

Business phone, individual line, \$9.50; 2-party line, \$8.00; Extension, 1.50.

Residence: Individual line, \$5.50; Two party line, \$4.50; four party line, \$3.50 and Extension, 75 cents.

A charge of \$1.00 for reconnecting discontinued telephones in the same location was approved.

This passed as an emergency ordinance and put effect immediately upon passage. This ordinance in no way alters the emergency ordinance passed several weeks ago setting forth the penalty of utility companies charging an unauthorized rates.

## Junior High Teacher Added

Mrs. Raymond McGill has been added to the junior high school teaching staff for sixth grade work, Supt. Bennett Goodloe announced this week.

The former Helen Caldwell, she graduated from Wellington high school and received her degree from Sam Houston State College, Nacogdoches. She taught one year at Samnorwood.

## Bring Your Gripes to Me, Encourage the Boys

### Coach McKnight Talks Football for Rotary

The Rockets red-headed Coach Maxey McKnight was the guest speaker at the Rotary Club luncheon Tuesday, September 14, discussing for the members the Wellington-Hollis ball game Friday night.

He had as his guests the team co-captains, Billy Frank Agee and Ray Wauer.

"The ball wasn't greased," McKnight told the club, and drew a hearty laugh. "Boys are boys and they made boy errors when they fumbled."

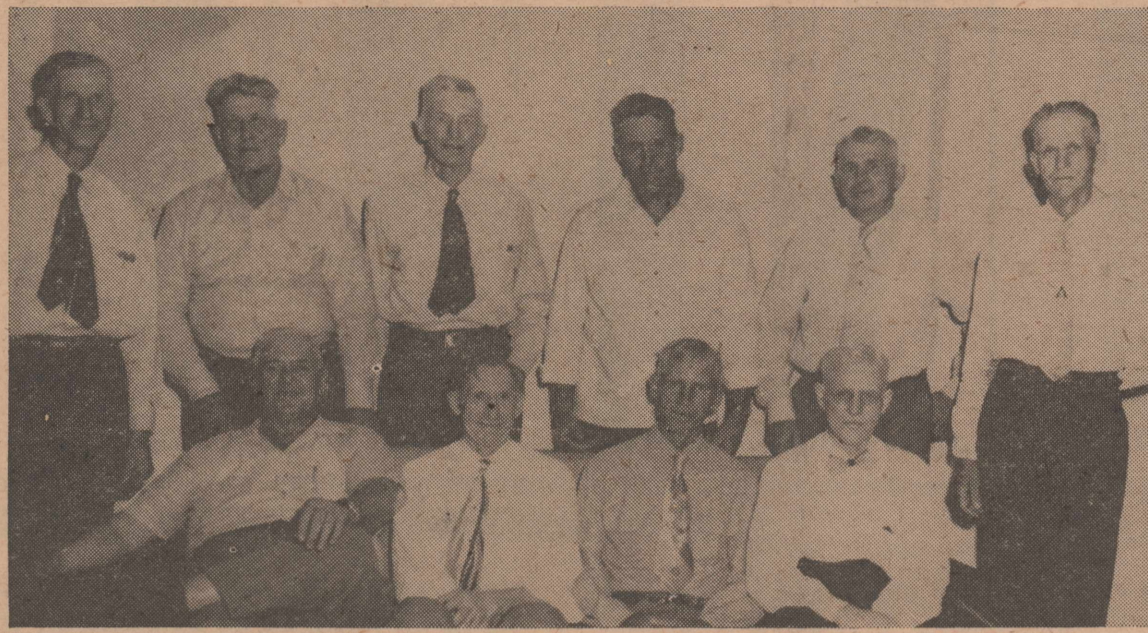

"Yes, fumbling was our greatest error of the game." "We're working hard to correct that. The greatest asset to the team is the spirit of the boys. The boys are in good condition, and I promise you they'll stay that way."

Asked about sending his second team into the game, the coach replied:

"I don't really know who is the first team. With only 23 on the squad, everyone is a first team boy."

McKnight explained Assistant Coach Hurley's position in the crowd's nest, with telephone connection's to the bench. "It was a great help to us. In fact it was the direct cause of the touchdown just before the half. He saw a weak spot, transferred the knowledge down and we took advantage of it."

Near the end of his talk, Coach McKnight appealed to citizens to bring their gripes to him directly.

## TEN BROTHERS GET TOGETHER

The ten Clement brothers, all reared in Collingsworth County, got together for a reunion here recently, their first in several years. Standing, from left to right are Hampton Clement, Amarillo; Clyde Clement, Amarillo; Carey Clement, Perryton; Hous-

ton Clement, Amarillo; Elmer C. Clement, Wellington; Herman Clement, Vernon. Seated: Travis Clement, Wellington; Charlie Clement, Amarillo; Shannon Clement, Exter, Calif.; and Edgar Clement, Fort Worth.

## Elect Director For Soil District Board October 5

A director for the Salt Fork Soil Conservation District from subdivision 1, in the southeast part of the county, will be elected in a meeting Tuesday night, October 5, at the Dodson school, it was announced following a meeting of the district directors Saturday night.

A director will be named to replace Frank Ford, whose term expires.

County agent J. W. Thomas will be in charge of the meeting, which begins at 7:30 p. m.

Any landowner and his wife in the subdivision can vote. The area (Continued on Page 12)

for VFW and Auxiliary members Saturday night.

Frank A. Gayles Jr. of Hereford, District Commander, will be in charge of the meeting.

Principal speaker will be A. M. (Jack) Armstrong of Austin, Department of Texas adjutant and Quartermaster. His address will come at the joint meeting of VFW and Auxiliary delegates from 10:00 to 11:00 a. m. Sunday morning.

E. H. Clark, of Plainview, special instructor, will be in charge of the District and Post Officers school of instruction which begins at 11:00 a. m. Sunday.

Word was received Wednesday morning that Maurice Dickson of Luling, a charter member of the Glynn Moore Post and now Chief of Staff for the Department of Texas, will accompany Armstrong, the department adjutant, to Wellington for this meeting.

Since going to Luling, he has served as post commander of Post 5622, Commander of District 5; public relations officer for the department of Texas; inspector, Department of Texas.

He is the son of Mr. and Mrs. J. M. Dickson of Wellington and a brother of Mrs. Steve Owens. He and Armstrong are due to arrive here about 2:00 p. m. Saturday.

Meeting with Auxiliary members will be Rosemary Smith, Department president, of El Paso; and Phyllis Joslin, district president from Plainview, Julia Lusk, Department of Legislative chairman for Northern District from Amarillo; and Mrs. James Richardson, local Auxiliary president, has announced.

Registration for the meeting will begin at 2:00 p. m. Saturday and continue through the evening. A dutch lunch is planned from 6:30 to 8:00 p. m., and the dance begins at 9:00 p. m.

The joint meeting of delegates is the first session scheduled for Sunday, Mr. Leach said.

Following the noon meal, to be held at the community building, separate business meetings will be held by the VFW and Auxiliary units at 2:00 p. m. This will conclude the program.

All meetings will be held at the VFW Hall in Marian Airpark, which is known throughout this area for its beautifully decorated reception room. The dining hall (Continued on Page 12)

Five delegates from Collingsworth County attended the State Democratic Convention held in Mineral Wells Monday and Tuesday, September 13 and 14.

Judge Luther Gribble headed the delegation, and others attending were Dick Sweat, county Democratic chairman, W. R. Breeding, Tom Cunningham and David Baumgardner.

The other delegates were represented by proxies.

Illness Fatal To Clint Thompson In Fort Worth

Clint Thompson, a Collingsworth County resident for more than 45 years, died enroute to a hospital in Fort Worth Saturday, September 11. He had been in ill health for a number of months.

For the past 15 months he had lived in that city and at the time of his death was employed as a cook in a cafe.

Funeral services were held at the Kelson Chapel here Monday at 2:30 p. m. with the Rev. A. W. Cooper, pastor of Victory Baptist Church, in charge, assisted by the Rev. Doyle Hawkins of Stinnett. Burial was in the North Wellington cemetery under the direction of the Kelson Funeral Home.

George Clinton Thompson was born March 28, 1887, in Paris. He came to Collingsworth County, to the Dodson area in 1907, and in 1910, helped to build the Katy Railway into Wellington.

He had moved to Wellington about 25 years ago.

A man with many friends throughout the area, he continued living here until leaving for Fort Worth.

Mr. Thompson is survived by two brothers, Al Thompson and Doc Thompson of Wellington, and three nieces and a nephew.

### Wiley to Advisory Board Of Medical Foundation

DALLAS -- (Spl.) -- The Southwestern Medical Foundation, with headquarters here, has announced the appointment to its Advisory Council of R. D. Wiley of Wellington.

Wiley will represent Collingsworth County on the Council during the ensuing year, according to R. R. Gilbert of Dallas. Gilbert, a banker, is chairman of the Advisory Council. Mr. Wiley, president of the First National Bank in Wellington, has been chairman of the Collingsworth County Red Cross chapter for many years. The Southwestern Medical Foundation is a non-profit, philanthropic organization. It works to improve health and combat disease in the Southwest.

Membership in the Advisory Council extends to almost every county in Texas. This member-

ship is now being broadened to include all of Texas as well as Louisiana, Oklahoma and New Mexico, Gilbert said.

## R. T. Savage Adult President of Youth Center

Adult officers to work with Wellington's youth center have been elected, with R. T. Savage, acting postmaster, as president for the coming year.

Bryan Denley was elected vice president and Mrs. Alvin Horton secretary-treasurer.

Mr. and Mrs. Frank Campbell are chairmen of the host committee and Mr. and Mrs. Hook Elliott are equipment chairmen. Mrs. Sandy Parsons Jr., is publicity chairman.

Student officers are to be elected within the next few days.

A gift of almost 1,000 records, including some of the top tunes of the day, has been made by the Johnson Music Company of Shamrock.

The Youth Center is open each Friday evening at a home football game is scheduled during the grid season. After that, it is open each Friday night.

## Dr. I. W. Fires Dies Saturday

Dr. I. W. Fires, who practiced medicine here in the middle and late 1930's, died in San Antonio Saturday, September 11. He had been practicing there for some time, although he had been in ill health lately.

He was 61 years of age.

Funeral services were held at San Antonio Monday morning and burial was in that city.

Dr. Fires was a brother of Chester Fires of Wellington, and a son of the late Judge and Mrs. A. J. Fires of Childress, where he was reared. He attended Baylor Medical College.

In addition to his brother, he is survived by his wife and two children.

## Win In Pantex Judging Contests

Two ranchers living in the north part of the county were winners in the Pan Tex judging contest Friday, September 10, and a team of 4-H Club boys was in the winning list in the youth division.

The 4-H team, composed of Donnie Brown, John Alexander, Junior Kidwell and Robert Vick, placed third in the junior soil judging contest. This was the first time the boys had entered competition. All are eighth grade students in Samnorwood school.

First place in this contest went to Pampa and second to Amarillo. Wood Coleman, Dozier farmer placed first in the grass judging contest, adult division, and W. R. Breeding of the Enterprise community placed fourth.

## Wanda Rose Phipps In District Farm Bureau Contest

Miss Mary Jane Johnson, County Farm Bureau Queen, has withdrawn from the district contest, and Wanda Rose Phipps of Quail, second place winner, will represent the county in the district event at Amarillo September 18. R. W. Alexander, Farm Bureau Service Officer, announced this week.

Miss Phipps is the daughter of Mr. and Mrs. Dudley Phipps of the Cross Roads community, is 17 years old and is a senior in Quail high school.

The district event is to be televised.

## Cotton Harvest Under Way; 100 Bales Ginned

The county's cotton harvesting was picking up, and within a week should be going at a fair rate, ginner of the area were of the opinion Wednesday, September 15. Approximately a hundred bales has been ginned so far.

The cotton is grading better than expected, with most of it middling and strict middling, and the staple ranges from 7/8 to 29/32.

Turnout is better, too, and some cotton has figured as much as 29.9 per cent line. This was better than there was any hopes for

a few weeks ago. Seed are reported drying fast and ginner are expecting no trouble with soft seed.

While some of the cotton is a disappointment to the others, others report they are coming out better than they expected.

Most of the cotton has gone in the loan, which locally is 33.10 on middling 15/16 basis.

Around Dodson, the turnout has been reported about average or a little better. The bolls are beginning to open fast.

Pullers are drifting into the county earlier than usual this year. Around Dodson, a number of white families have arrived from East Texas, Oklahoma and Arkansas, and they are sufficient to take care of the cotton open now.

Alfred White reported six Mexican families stopped at the Tindall Gin No. 2 houses before going out to farms in the area.

Gins are continuing their traditional practice of ginning the first bale free. Rufus Sweat brought the first bale to the Farmers Co-op and in addition to the free ginning, bagging and ties, was paid 35c per pound by the Morrow Conn Cotton Co. Mr. Sweat had 1940 pounds of seed cotton, got an even 500 pound bale and 920 pounds of seed, this was of the half and half variety planted about May 20.

E. V. McClendon was the first to gin at the Tindall Gin, while Leland Crab, who ginned the first bale at Dodson, at the Co-op, also ginned the first bale at the Davis Gin there. He received \$300 for his first bale of the season, including the premium raised by the merchants there.

Arthur Belew, ginned the first bale in Wellington and first at the West Texas Gin. He received a \$122.50 premium from Wellington merchants, plus the sale of his cotton, which totaled him around \$360.

## LEAD VFW DISTRICT MEETING

Outstanding guests here for the District 13 Veterans of Foreign Wars-Auxiliary meeting Saturday and Sunday, September 17 and 18, will be these four leaders in district and department work. Maurice Dickson, Luling, a charter member of the Glynn Moore post here, is now Chief of Staff of the Department of Texas; is pictured at top left, while Frank A. Gyls, District 13 Commander, Hereford, will preside at the meeting, Bud Clark, Plainview, lower left, special instructor, will conduct the school of instruction of Post and District officers. Jack Armstrong, lower right, Department Adjutant, Austin, will be the principal speaker.

## Don't Underate Shamrock

### Rocket-Irish Rivalry Comes to Powell Field

The Skyrockets meet their traditional rivals, the Shamrock Irish, in a non-conference game Friday night, September 17, on Powell Field. While the Irish were soundly trounced by the 1-A McLean Tigers last week, neither Rocket Coaches Maxey McKnight and John Hurley, nor the players are discounting the potential strength of the visitors.

The Irish have what is described as "a very green team, but really coming". In fullback Perkins, Coach Scott McCall has an exceptional runner, a boy who carries the ball a lot.

Coach Hurley reported that the Irish are rather large this year, larger than the Rockets. They run off the T formation with a number of variations. In Cope-

## Wellington Has Enrollment of 981

The enrollment of the four Wellington schools totals 981, Bennett Goodloe, superintendent, said Tuesday, September 14, after classes had been underway a week.

This includes 377 students in the elementary school; 252 in junior high; 217 in high school and 135 in Booker T. Washington School.

The overall enrollment is about the same as last year, Mr. Goodloe said.

## Holton Receives Scholastic Honor

Plainview—For the second term of summer school at Wayland College, Mrs. Marvell White, Amarillo, has taken top scholastic honors with a straight "A" record.

Miss Dorothy Laas, Plainview, a freshman transfer from Trinity University, tied Mrs. White, a junior transfer from Amarillo College, for honors.

Raburn Holton, Wellington, Senior rated second place honors. Prior to World War II, Holton attended the University of Texas. He is a ministerial student, majoring in social science.

Mrs. White, wife of Thomas J. White, is majoring in education and minoring in sociology.

Miss Laas, a 1954 January graduate of Plainview High School, will return to Trinity University this fall. She is majoring in Christian Education and minoring in English.

## Jameson Out of Shamrock Game

Duggie Jameson, Rocket quarterback, had the lateral legiments of his right knee torn loose in the game with the Hollis Tigers Friday night, Sept. 10. This will keep Jameson out of at least one game and probably more, Coach Maxey McKnight said.

The injury came on the Rockets fourth offensive play of the game, during the first 10 minutes Jameson was hit from the side and his cleats hung in the ground, the coach said.

Jameson is responding well to treatment, he added.

EDITORIAL COMMENT — THE WELLINGTON LEADER

**There's Sport in Learning**

The wide interest shown annually in the Cross County spelling bee proves that there can be sport in learning. The spirit of competition is just as great perhaps even greater, in mental activities as in physical sports.

Participation in athletics is usually abandoned immediately after graduation by all but a very few outstanding athletes who sometimes make a career of professional sports or coaching. But participation in the fundamental subjects of spelling, mathematics, English, history, civics and many others continues throughout everyone's lifetime.

Competition in sports is limited to a fortunate few who have the necessary physical abilities. Competition in mental activities is open to everyone. The human mind is infinitely more flexible than the human body, and by application of extra effort even the commonplace student can achieve greatness in his or her studies. No amount of extra training will make a star fullback out of a 110 pound boy.

The point is our present slanting of intra-mural competition leans toward the purely physical accomplishments in football, basketball and track. We neglect the mental field as well.

Years ago, schools held "literary

meets" just as they now hold track meets. Medals and cups won in spelling, English and mathematics were as proudly displayed as those won in the physical sports. These meets stimulated interest in classroom work just as athletics stimulate the desire to develop a strong and healthy body.

We believe the high school of Cross County would benefit greatly by reviving the spring "literary meets" to give all students a better opportunity to leave their mark and to represent their school in a competitive ability.

**'Bargains' Are Sometimes Costly**

All of us naturally like to find bargains. All of us, when shopping, try to get top return for each dollar spent. And in the long-run, the surest way to achieve that is to patronize established merchants who are concerned with the future—not just today's sales.

Many a "bargain", bought at an alleged big discount from some fly-by-night operators, has proven worthless. The established local merchants have to protect their reputations—and that's your best guarantee of value.

# IT'S HERE THE NEW GULF NO-NOX GASOLINE

This amazing new gasoline gives your engine full power, burns clean and adds miles to the life of new and old engines without the use of additives. Gulf's New No-Nox has the harmful ingredients refined out instead of depending on additives (as in other premium gasolines) to protect your engine from the "dirty burning tailend" ingredient of ordinary gasoline.

## It's Another FIRST for Gulf...

Here's how it was done. Many gasolines contain a dirty-burning heavy end. This "dirty-burning tail-end" is the source of harmful deposits in combustion chambers, on pistons and rings, intake manifolds and valves, spark plugs, and other vital engine parts. It's the number-one troublemaker in today's high compression engines.

Some competitive gasolines now on the market try to fight this "dirty-burning tail-end" with so-called "miracle additives." Gulf, however, adopted a more complete solution to the problem—a more costly solution, too.

As a result of years of laboratory research, and the investment of many millions of dollars in a refinery construction program, Gulf is able to

refine out the "dirty-burning tail-end" so that it never gets into the engine at all.

The "dirty-burning tail-end" may amount to about 7 1/2% of the total volume of ordinary gasoline—one gallon in every 13. It's the unlucky 13th gallon in ordinary gasoline that fouls up combustion chambers, pistons and rings, intake manifolds and valves, spark plugs, and other vital engine parts. Remember, with New Super-Refined GULF NO-NOX, the harmful 13th gallon never gets to the engine.

In addition to being super-refined, New GULF NO-NOX is specially treated to give it a complete range of protective extras.

McKnight-Hurley Training Shows

Rockets Open Season With 8-0 Over Hollis

The Rockets wrote victory on their new scoreboard Friday night, September 10, in their opening game with the Hollis Tigers.

It was an 8-0 win, with a safety and a touch-down coming in the final minute of the second quarter.

Both the Rockets and the Tigers showed the characteristic early season nervousness, but beneath this, the Wellington boys showed the effects of the strenuous and thorough two-a-day workouts Coach Maxey McKnight and Assistant Coach John Hurley have been giving them.

From appearances Friday night, by the time the season is three games old, all the nervousness will be gone and the Rockets will be performing as a starting team, which McKnight has insisted ever since coming here is more important than one or two individual stars on a team.

The Rockets got their first two points by accident.

The second quarter opened with the playing in mid-field and Wellington drove on down to the Hollis 12 yard line, with Brock, Tarver and Stansbury doing most of the carrying. The Tigers recovered a Rocket fumble to gain possession of the ball, and had it on their 16 when the fourth down came up. A punt sent the ball to the Hollis 45.

Then Maxie Tarver, Rocket right half, took the ball on the Hollis 42 yard line and ran it 32 yards to the 10. John Cartright, end, caught a pass for short yardage, and two other short gains on the ground put the ball on the Hollis 3. A fumble on the fourth down again put the ball in Hollis hands.

Charles Sheid, Hollis back, picked up 7 yards, made some more short gain, but couldn't get the necessary yardage for a first down.

On the fourth down, Sheid stood behind his own goal line to punt, when Dale Orr centered the ball over his head and it went out of the field and into the fence, giving the Rockets a two-point safety.

Brown caught the kickoff and took it to the 50; Tarver picked up another 9 yards. With only four seconds of the second quarter left, Ted Stansbury, Rocket left half, took the ball on the Hollis 41 yard line and behind effective blocking carried it all the way for the single touchdown of the game. Half-time was up while Stansbury was running, but since he took the ball the entire way, the score stood. The try for extra point was no good.

Late in the fourth, the Rockets threatened again when a pass from Tiger back Ferrell Roles was intercepted by Eugene Brown, his second interception of the evening. Wellington picked up a first down in center-field and Stansbury, ranch and others started the ball toward the Hollis goal line. The game ended as a Rocket pass fell incomplete.

The turf in center-field got the rough treatment in this opener. Neither side penetrated in the first quarter. Cobb kicked off for

Wellington, and linemen active on the defense as the game progressed were Agee, Jones, Raburn, Isaacs, Brock, Cobb and Wauer, and later Forrester, Slay, Warren, Swift and Scott.

Offense players included Ketchum, Tarver, Stansbury and on passing, Cartwright.

Sheid, Danny Cummins, Roles and Sid Ewing did much of the ball carrying for the Tigers, with White, Riley, Hagar, and Byrd active on the defense.

Late in the game, penalties became more frequent, on both sides and were taken and declined for the down as the team captains saw fit.

The offensive starting lineups for two teams included:

Rockets: Eugene Rown, left end; Hanes Isaacs, left tackle; Ray Wauer, left guard; Frank Jones, center; Gus Drake, right guard; Don Raburn, right tackle; Billy Frank Agee, right end; Dugie Jameson, quarterback; Ted Stansbury, left half; Wayne Ketchum, right half; and Johnny Brock, fullback.

Tigers: Bobby White and ends; Sid Ewing and Jerry Birdwell, tackles; Terry Byrd and Donald Garton, guards; Charles Sheid, fullback; Jimmy Graham, Danny Cummins, halfbacks; Terrell Driskill, quarterback; and Dale Orr, center.

# Greenbelt Water Authority Has Industrial Users Lined Up

This is the third and last in a series of articles explaining the proposed dam across Salt Fork River at the Donley County Line, sponsored by the Greenbelt Municipal and Industrial Water Authority.

This project can be started in 1956—just a little more than a year away, with the proper support. Wellington is one of seven towns now in the district which would benefit from the dam.

Several industrial users are already lined up who are anxious to buy water which would be impounded by the dam.

This project will serve several uses. Water will be sold to the cities in the Greenbelt Authority. It will be sold to industrial firms. It can be used for irrigation where this is feasible. The lake created by the dam can be used for recreation purposes, and undoubtedly this will be a drawing point, for it will create a place for fishing and for other water sports close to home. The nearest others of the type are at least twice this distance.

The Wellington Leader is presenting this series so that the people may know the status of the Greenbelt Municipal and Industrial Water Authority, and what can be expected if the dam is built.

The Leader invites its readers to express their opinions and to ask any questions through the columns of the paper.

Q. Does the Authority have any immediate prospects for sale of industrial water?

A. Yes, the Authority has an immediate prospective customer for about one million gallons per

day, year-round, with possible increases in succeeding ten-year periods. There are also some other industries in the area which should be good for a purchase of substantial amounts of water.

Q. What has been the history of water sales by similar projects which have heretofore been constructed?

A. Such projects usually follow the pattern that nearing the completion of the project, or as soon as it is assured that the project is financed, construction contracts are let, there come unexceedingly likely that such will be the case in this instance, especially after this lake of 100,000 acre feet of water is actually visible.

Q. What will be the size of the pipe line to be used in transporting this water to the various cities?

A. The engineers plan to provide a pipe line of sufficient size that will be capable of delivering twice as much water as each city in the Authority is now consuming.

Q. Will there be enough income from water sales from the beginning of operations to pay the debt service on the bonds to be issued?

A. There will not be sufficient income from water sales at the beginning of operations to pay the debt service on the bonds and the reserves necessary to be established.

Q. Since there will not be enough net income from the sale of water at the beginning of operations to establish reserves and meet debt service requirements, how will this deficit be provided?

A. By a supplemental tax levy to be made by the Authority in

each member city of the Authority.

Q. Will this tax be levied by each city?

A. No tax will be levied by any city, so it will not be charged to the taxing power of any city.

Q. Does the Authority itself have the power to levy a tax for the discharge of indebtedness and if so, how much can the Authority levy?

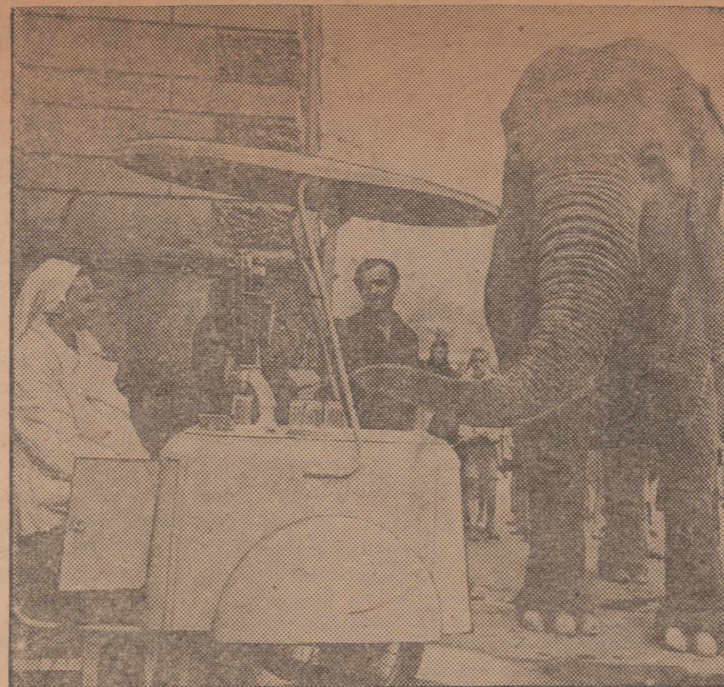

A. The law gives the Authority the power to levy whatever amount of tax might be needed as determined by the Board of Directors. This power is established in order to be prepared to meet any possible future disaster requirement either temporary or permanent, to protect the interests of the propertyowners within the boundaries of the Authority. In this instance, it is anticipated that a tax of approximately 30 cents on the one hundred dollar valuation will be required to obtain approval of the Attorney General and give marketability to the bonds.

Q. How long will this tax have to be levied?

A. This tax levy will be required until income from water sales has become sufficient to meet average annual debt service requirements and establish a reserve fund in an amount equal to eighteen months' principal and interest requirements on the bonded indebtedness.

Q. Can a tax be levied without a vote of the taxpayers in the boundaries of the Authority?

A. The next procedure necessary to preserve the water rights granted to this Authority and to complete its legal status is to call what is known as a confirmation election in each member city of the Authority to vote upon the question of whether they do or do not wish to become a member of the Authority. Each city thereby gives expression to its acceptance or rejection of such membership.

"JUST A TRUNKFUL, PLEASE" — "Poonchi," out for his morning stroll in Moscow, finds that one western delicacy, at least, is popular behind the Iron Curtain. The Russian version of the American ice cream wagon seems to be a favorite stop for the zoo elephant. (Photo and caption from official Soviet source.)

Q. Does this confirmation election have anything to do with the voting of bonds or water purchase agreements?

A. It does not, but if a city votes to become a member of the Authority it then becomes a fixed part of the Authority unit and will be the taxpayers within the Authority; however, such city does have the right to withdraw from the Authority by a petition from such city, filed with the Secretary of the Authority before the election on bonds has been called. If any city should not desire to participate in the confirmation election, the Secretary of the Authority should be officially notified before the election is called.

Q. Who has a right to vote in the confirmation or other elections of the Authority?

A. Property owners only, who have paid their poll tax, have the right to vote in these elections.

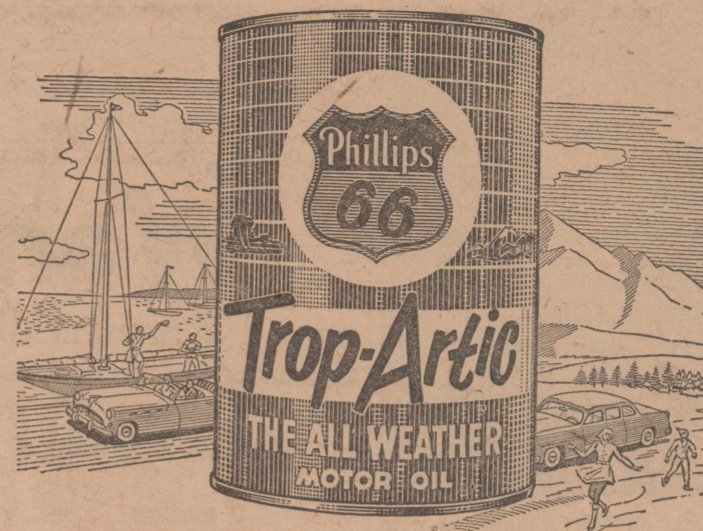

Q. When will the election for confirmation of the Authority be held?

A. The date of this election has not been set. It will not be held until there is a good general understanding of this program, what it means to the area served and what responsibilities it imposes. There is no desire to withhold any information. It is a major project. It will cost until this abundant supply of water finds more sales than are available. The lake should be there a long time. According to history of such projects, water sales should increase from year to year and when the bonds are paid, the water should be very cheap. Western people are aggressive and courageous, and teamwork in this Greenbelt District could bring much industry, furnishing payrolls to bridge over the difficult years.

Q. How are the Board of Directors to be named?

A. The governing body of each city in the District will appoint one property owning taxpayer who does not hold any other public office as a member of the Board of Directors. The Directors will serve on a rotation basis, with each town having one member on the Board of Directors at all times.

# How New Trop-Artic Can Double Engine Life

Some motor oils give good protection at low temperatures. Other oils are effective at high temperatures. But new Trop-Artic all-weather motor oil gives protection at all temperatures... from below zero to 180 degrees!

This explains why Trop-Artic is so much better than ordinary motor oils at preventing engine wear... so much better that it can even double engine life. Trop-Artic lets you start easier... saves you gasoline... saves 15% to 45% on oil consumption.

Phillips 66 Trop-Artic is the first all-weather oil which has proved it meets the highest standard ever established for automobile motor oils... the Mil-O-2104 Supplement 1 test. You can't buy a better oil for your car!

It's the big Success today

You can read it in the sales figures—Buick's the car that's climbing to a phenomenal public preference. For Buick today is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three." And every month strengthens Buick's new leadership position. It's the "hot" car for style, for power, for performance—and, most emphatically, for value.

Any way you look at it, Buick's the buy of the year, hands down. For Buick prices start close to the lowest—just a few dollars above those of the "low-price three." But those few more dollars you pay for a Buick buy you a lot more power, room, comfort, style, ride steadiness. And get this: with our tremendous sales volume right now, we can offer you a really top allowance on your present car. That's the added bonus you get from our big volume.

It's the Beautiful Buy right now

It's the "High Resale" car for years from now

No Wonder—  
Buick Sales are Soaring!

With Buick's year-ahead beauty today, you'll be driving a car that's right up front in the style parade of tomorrow. And when you're ready to resell your Buick, it will still be fresh and new-looking, with the modern features the others will adopt in the coming years. And that means you're bound to get a higher resale price when you do trade it in. Drop in and see this beautiful buy right now.

## Kirkland-Johnson Rites Spoken at Clovis

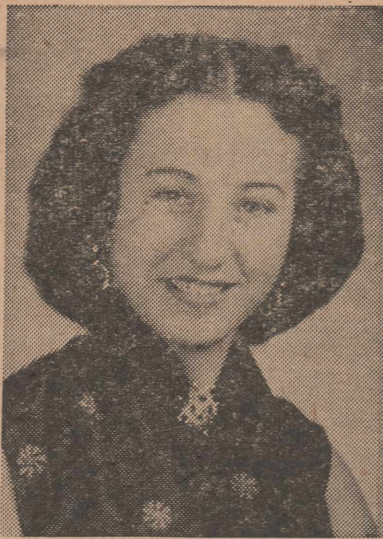

Miss Joan Kirkland, the daughter of Mr. and Mrs. Curtis Kirkland of Hedley, became the bride of Dale Johnson, son of Mr. and Mrs. Robert Johnson of Quail in a quiet double ring ceremony spoken at the parsonage of the First Methodist Church in Clovis, N. M. Friday, September 3, at ten o'clock in the evening. The Rev. Raper, pastor, officiated.

For her wedding, the bride wore a white nylon ballerina length dress with red accessories.

The couple's attendants were Mr. and Mrs. J. S. Forkner of Amarillo, sister and brother-in-law of the bride. Mrs. Forkner chose a navy blue dress with navy accessories.

Both the bride and groom were graduated from Quail high school with the 1954 class.

Mrs. Johnson is now employed by the Bell Telephone Company in

Amarillo and Mr. Johnson is with the Globe Manufacturing Company in that city. They will make their home at 507 Virginia St., Amarillo.

## Mrs. L. J. Courtney JFF Hostess

The JFF Club, a newly organized group whose purpose is "just for fun", met Thursday, September 9, with Mrs. L. J. Courtney as president.

During the business session, presided over by Mrs. Cecil Elbert, president, committees for the coming year were appointed.

## Dallas-Fort Worth Folks Don't Forget Wellington and Hold Picnic To Talk About Their Old Home Town

Approximately two hundred former Wellington residents and their families now living in the Dallas-Fort Worth area gathered at the park in Irving Saturday afternoon and evening for a picnic and to renew old acquaintances.

This is the biggest event of the kind ever held, so far as can be learned, involving Wellington people.

Each family brought a basket of food and when it was spread, there was enough to feed twice the crowd present. Dr. Charley Jones of Dallas was official chef, and in addition to the food that was brought, he cooked two large pots of beans and after the picnic was over, numbers of those present were observed scooping up helpings of beans to take home.

The wife of one former resident was heard to remark as she drove up to the club house: "From the chattering going on, this must be a Wellington picnic".

Some of these people have been away for thirty years and wouldn't know half the faces they'd met around the Wellington square. Others have been away only a few months and were well posted on current happenings at home.

Everyone expressed themselves as having a "wonderful time", and plans are to make this an annual affair on the second Saturday in September.

Former Wellington people and their families signing the register were Mrs. E. W. Moss, Dr. and Mrs. John W. Harper, Mrs. J. H. Ransom, (Annalu Harper) and daughter, Miss Mariann Ransom, Dr. and Mrs. Charley Jones, Mr. and Mrs. Dewey Young, Mrs. J. H. Young, the Rev. and Mrs. Henry H. Kinkeade and family.

## Baptist Youths Plan Hobo Party

A unique social is planned for the Intermediate Sunday School Class of the South Baptist Church, the Rev. Bill Hendricks, pastor, has announced.

The boys and girls will assemble at the home of their teacher, Mrs. J. Henry Ford, at 7:30 p. m. Friday, September 17. Their party is designated as a "Hobo progressive dinner".

They will go to various homes in the community and at each place secure one item of food in exchange for a stunt. When all the food has been gathered, the group will go to the park for a Weiner roast and fellowship hour.

Shown here as they cut their wedding cake, following their marriage ceremony at Our Lady of Mercy Catholic Church recently are Mr. and Mrs. Sammy Earls, who have established their home at Altus, Oklahoma. Mrs. Earls is the former Sharon Swift, daughter of Mr. and Mrs. Pat Swift of Wellington.

Mrs. E. B. Haralson has had as her guest last week Mr. and Mrs. Fred Klukus and children, Louise, William and Paul, and Mrs. Theresa Klukus of San Diego, Calif. Mrs. Klukus is the granddaughter of Mrs. Haralson. They also visited with her aunts and their families, Mr. and Mrs. O. B. Raburn, Mr. and Mrs. W. M. Williams and Mr. and Mrs. O. W. Peoples. Mrs. Klukus will be remembered as

Ethel LeVerne Haralson. It has been 15 years since she had visited here.

Mrs. Della Tucker underwent major surgery in St. Joseph's Hospital Friday, September 10.

Mrs. V. K. Orr of Vinson entered St. Joseph's Hospital Monday night for medical care.

## Birthday Reunion Honors Johnston

The seven children of B. Johnston gathered at Shamrock Sunday, September 12, to honor him on his 78th birthday. He is a long-time resident of the Shamrock-Lela area.

The day was spent visiting and taking pictures. Centering the dinner table was a three-tiered birthday cake, with 78 lighted candles.

Attending were the Rev. and Mrs. Sidney Johnston and Janice Floydada, Mr. and Mrs. L. S. Shipley and Twila Fern of Shamrock; Mr. and Mrs. B. T. Johnston and Mary Lynn of Lela; Mr. and Mrs. Melvin Asberry and Melva of Groom; Mr. and Mrs. Everett Johnston and Fannie of Guymon, Oklahoma; Mr. and Mrs. Milford Harris and Bryant of Wellington; and Mrs. Leroy Conner and Glenda of Lubbock.

Friends calling were Mr. and Mrs. Earl Hazard and son of Borger and Mr. and Mrs. Thomas Clemmens and daughter of Pampana.

## Dodson Group Has Hay Ride

Teen-agers of the Dodson Church of the Nazarene were honored with a hay-ride by Mr. and Mrs. Charles Grimes recently. Mr. Grimes is class teacher.

The entertainment ended a contest between two groups of the class, with Johnnie Lou Baird as captain of the winning side and Chester Lemons as captain of the losers. After the ride, the group roasted weiners at the volleyball court behind the church.

Attending were Joe Thompson, Jean Ford, Vicki Whitfield, Chester Lemons, Johnnie Lou Baird, Regie Lewis, Johnnie Young, Jimmy Howell, Walter Lemons Ann Aaron, Jackie Powers, Barbara Lennon, Wanda Lemons, Mary Ann Goden, Sara Baird, John Fitzgerald Elbrene Orr, and the hosts, Mr. and Mrs. Grimes.

## Miss Grogan, Mr. Eastham Marry In Amarillo Rites

Miss Marie Ann Grogan, 1569 Bell, Amarillo, daughter of Mr. and Mrs. Hugh J. Grogan, of the Abra Community, became the bride of Robert O. Eastham, son of Mr. and Mrs. O. H. Eastham, 2700 Houston, Amarillo, in a candle-light service solemnized on Saturday, Aug. 28, in the chapel of the First Baptist Church.

Dr. Carl E. Bates, pastor, read the double-ring ceremony. As a nuptial prelude, Mrs. B. F. Davis, sister of the bridegroom, played "Serenade" by Toselli. She accompanied Miss Eleanor Wallace who sang "Always" and "Because". The traditional wedding marches were used.

The bride chose an all-pink color scheme for her wedding. A floor vase of gladioli and astor centered the nuptial area. The background was formed of jade palms. Side arrangements of candelabra bearing cathedral tapers completed the decor. Marking the bridal aisle were tapers in candelabra and garlands of fern tied in satin bows.

Miss Sherrie Grogan attended her sister as maid-of-honor. She wore a ballerina-length gown of taffeta and carried a Victorian bouquet of Amaryllis lilies and frenched carnations. Her bandeau of matching taffeta was decorated with Sweetheart roses. Miss Betty Fain, bridesmaid, wore a gown and carried a bouquet similar to the honor attendant's.

Claud Fox Jr., was best man and B. F. Davis was groomsman. Ushers were F. L. Eastham and Bill Huff.

The bride, given in marriage by her father, wore a satin gown fashioned with a wide decollete edged in hand-run Alencon lace. The tightly molded bodice was complemented by elbow-length sleeves, and the full flared princess skirt extended to waltz length. Her small pillbox hat of matching satin was framed by a circle of illusion. She carried a white Bible topped with gardenias and Elfe roses and showered with satin streamers tied with Sweetheart roses.

Mrs. Grogan, mother of the bride, selected a beige lace dress complemented with beige and bronze accessories. Her corsage was of Talisman roses. The mother of the bridegroom, Mrs. Eastham, was attired in a light blue taffeta dress with navy accessories. Her corsage was of Premier roses.

Immediately following the ceremony, a reception was held in Fellowship Hall. Mrs. Russell Mitchell secured names for the

guest book. The serving table was centered with a crystal bowl of carnations and white roses, flanked by crystal candelabra. Miss Bonnie Prock of Denver presided at the punch bowl. The tiered cake was served by Mrs. Martha Wallace.

For the wedding trip, the bride chose to travel in a powder blue suit with navy and pink accessories and a corsage of pink carnations. The couple will be at home at 3106-B W. 11th.

Mrs. Eastham was graduated from Samnorwood High School and attended Amarillo College. She was a member of Sigma Phi Chi and Beta Sigma Phi Sororities. The bridegroom was graduated from Amarillo High School

## Strickland-Montgomery Vows Spoken Sept. 6

by Mrs. G. T. Stephen  
Miss LaWanda Jo Strickland, daughter of Mr. and Mrs. I. C. Strickland of Quail, became the bride of Chester G. Montgomery, of Mr. and Mrs. G. A. Montgomery of the Houselog Community, in a ceremony at the Fundamental Baptist Church in Wellington Sunday, September 5, at 4 o'clock in the afternoon.

The Rev. John Henry Ward of Fort Worth officiated at the single ring ceremony. Wedding music was provided by Miss LaNora Stall, pianist.

The bride chose for her wedding a dress of white taffeta and lace, designed along empire lines. Lace, sprinkled with rhinestones,

and attended Amarillo College. He is employed by the Pioneer Gas Co.

Out-of-town guests were Mr. and Mrs. Frank Smith Jr., Memphis; Allen Bates, Plainview; Mr. and Mrs. Claude Powell, Mr. and Mrs. Jesse Grogan, Mrs. J. H. Grogan, Mr. and Mrs. Clyde Brown and sons, all of McLean; Mr. and Mrs. Bart Martindale and James Martindale of Dozier; and Miss Bonnie Prock, Denver, Colo.

formed the bodice, which had a rounded neckline and short sleeves. Blue velvet streamers fell from the point at which it was joined to the fitted midriff. The flaring skirt was ballerina length. With this she wore a close fitting white hat with rhinestone trim. Her corsage was of blue and white carnations.

Miss Vera Ward was maid of honor. She wore a pink linen dress with a navy linen jacket trimmed in pink. Her hat was pink and other accessories navy. She wore a corsage of white carnations.

John Montgomery, brother of the groom, was best man.

For her daughter's wedding, Mrs. Strickland wore a dress of navy nylon with white accessories, while Mrs. Montgomery wore pink linen with black accessories.

The bride attended Wellington and Quail high school and was a senior at the latter school this year. She plans to continue her education.

The groom, a former student of Wellington high school, is now attending the Bible Baptist Seminary in Fort Worth, and following the wedding, the couple left for that city to establish their home.

# Bring Your Cotton To YOUR Gin

## Efficiency In Ginning Makes You Money And Means Rebates Next Spring!

What you get out of your cotton this year is more important to you than at any time in recent years... make each bale bring you every dollar possible.

The Farmers Co-op Gin in Wellington believes in service first and we have worked at this so the grower may benefit to the maximum. When we do this, profits naturally follow.

This year, as in others, we have a competent experienced gin crew who can and will gin your cotton so the best that is in it in grade and staple will be preserved, along with a good turnout.

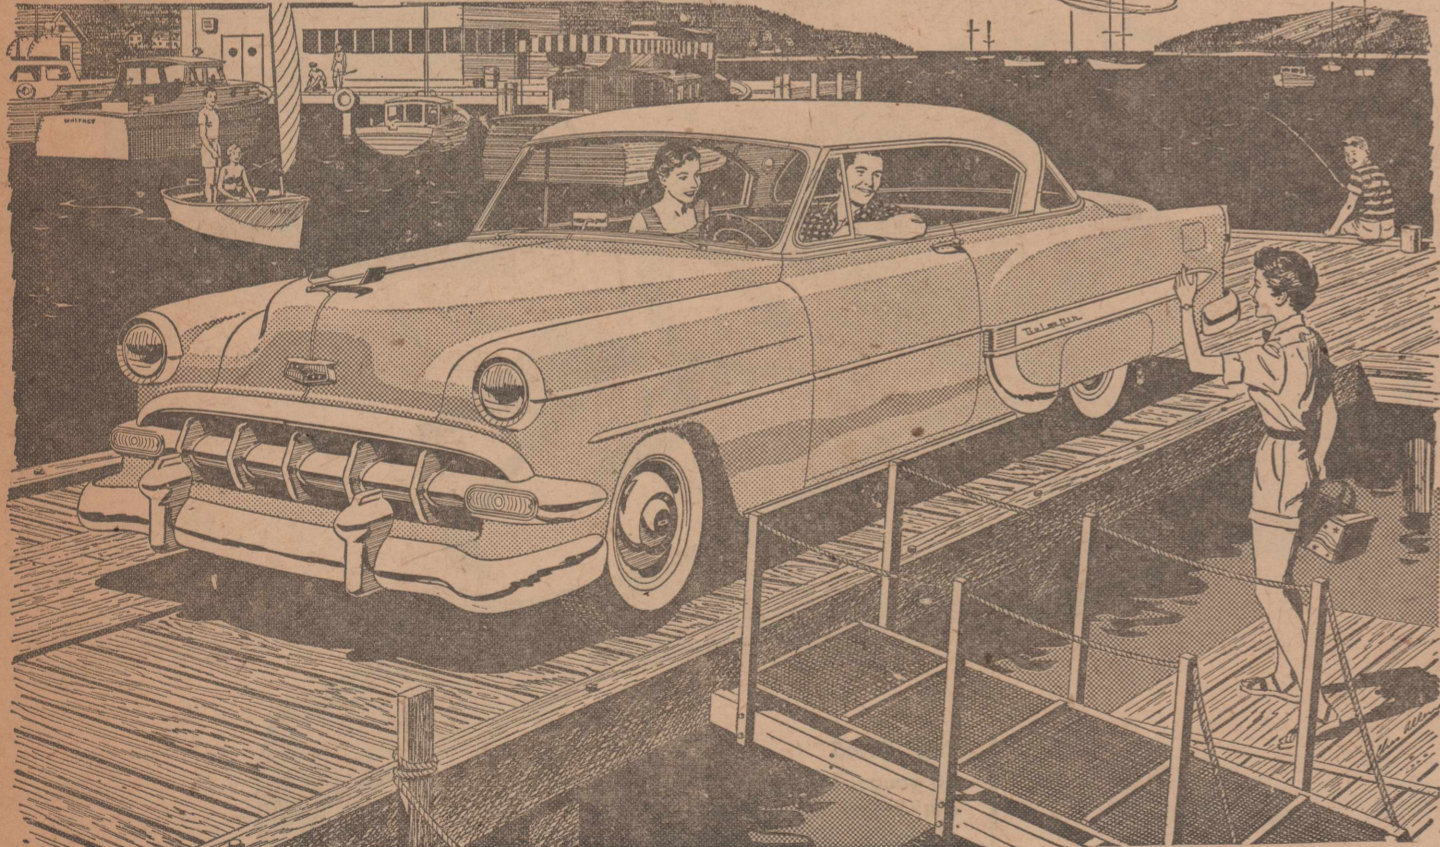

We run our machinery at the speed recommended by the manufacturer for maximum efficiency, which results in satisfactory ginning for our customers.

We invite all of you to bring your cotton to us and share in the rebates that are declared each spring. Keep your gin busy at the start of the season and at the end, and your rebates will be greater.

### PUT YOUR BURS BACK ON YOUR LAND

We are sterilizing all cotton burs so that our customers can haul them back now and put them on their land.

We urge that you do everything possible to build and keep the fertility of our soil. It will pay you in dollars and cents each season. It will keep our cotton land in good condition.

You'll always be glad you bought a Chevrolet now!

You'll stay proud of Chevrolet's lasting good looks. Other low-priced cars just don't have the air of quality you see in Chevrolet. And if you like Chevrolet's looks now, you'll like its looks always.  
You'll enjoy exclusive features for finer motoring. Body by Fisher—the highest-compression power of any leading low-priced car—the biggest brakes, the only full-length box-girder frame and the only Unitized Knee-Action ride in the low-price field. They're all yours in Chevrolet!

**Stop Taking Harsh Drugs for Constipation**

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get sure but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

land and King, they have two good offensive tackles.

"Our fumblyitis and lack of speed and a break-away back is hurting us, but we are proud of the way the boys came back and didn't let their mistakes bother them," Hurley declared.

"We feel like we have a good club, although we are a long way from a championship club. Right now, we're counting on our hustle and spirit."

With quarterback Duggie Jameson out of the game with a knee injury, Billy Branch will carry the full weight of that spot. However, should McKnight need another offensive quarterback, Gary Phillips, who played that position last year and shifted to end for this season, will be used.

McKnight is getting a brace for Jameson's knee and he probably will be ready to go by the time district play starts.

The offense starting lineup will probably be the same as last week, with the exception of the quarterback spot. This will give Eugene Brown, left end; Hanes Isaacs, left tackle; Ray Wauer, left guard; Frank Jones, center; Gus Drake, right guard; Don Raburn, right tackle; Billy Frank Agee, right end; Branch, quarterback; Ted Stansbury, left half; Maxie Tarver or Wayne Ketchum, right half and Johnny Brock, fullback.

On defensive play, Regie Smith will take probably the quarterback position and Brown will shift to left defensive half. Gary Phillips will take the safety spot and either Phillip Cobb or Tarver will be at right half. Jones stays at center; Hanes Isaacs and Don Raburn will shift to the inside positions and Agee to left tackle and Wauer to right tackle; John Cartwright is due to go to right end and Brock to the left defensive end.

Shamrock's probable starters

are Dodgen and Burkhalter, ends; Copeland and King tackles; Collinsworth and Hardin, guards; Settle center; Henry, quarterback; Anderson, right half; Whitaker, left half and Perkins, fullback.

ive Texan, being born in Commerce, Texas. Here he attended the East Texas Normal College, later the University of Texas. He has been a Rotarian since 1922; is a former member of the Rotary Club of Childress; and now is a senior active member and Past President of the Rotary Club of Odessa. He has served his District of Rotary International twice as General Conference Chairman.

In Odessa, Jerry Debenport is a director of the First National Bank, the Chamber of Commerce, The Salvation Army, The United Fund, and Community Chest, and the West Texas Chamber of Commerce. He is a former Secretary of the Texas Chamber of Commerce Managers Association, and a Past President of the West Texas Chamber of Commerce Managers Association. During World War I, he served with the American Expeditionary Forces in the U. S. Army - and has been a member of the American Legion for the past 35 years. He is additionally a Scottish-Rite Mason and a Shriner.

Wherever Rotary Clubs are located, President McKinney asserted in discussing the Governor's visit, their activities are similar to those of the Rotary Club of Wellington because they are based upon the same general objectives; developing better understanding and fellowship among business and professional men, promoting community - betterment undertakings, raising the standards of business and professional men, fostering the advancement of good will, understanding and peace among all the peoples of the world.

President McKinney further observed that Rotary, organized in Chicago in 1905, has in the intervening years grown to have more than 8300 clubs located in 89 countries of the world with a membership totaling almost 400,000 members. Each year, this world-wide service organization continues to grow in numbers, in strength and in service. During the fiscal year just closed, 448 new Rotary Clubs were organized in 51 countries of North, South and Central America, Europe, Asia, Africa and the Islands of the Pacific.

Mr. and Mrs. Debenport will accompany her husband here. Tuesday morning she will be honored at a coffee

First Out of Town Appearance

Rocket Band Helps Open Tri State Fair Monday

The Skyrocket band, under the direction of Melvin Greenwood, makes its first out-of-town appearance of the school year Monday, September 20, when the boys and girls march in the big parade which opens the Tri-State Fair in Amarillo.

The band, along with other bands of the Panhandle, will march in the morning, the time to be announced, and then the members will spend the remainder of the day at the Fair Ground.

The band's first appearance was at the football game Friday night, when, in addition to marching and playing, the youngsters executed several intricate maneuvers.

Members due to go on the Amarillo trip are: Walter Abney, Cynthia Akin, Sharon Bettis, Sandra Boyd, Richard Carter, Jonaquin Cecil, James Colson, Joe Davis, Molly Denley, Buddy Dodson, Francis Drake, Bette Elliott, Nancy Elliott, Barbara Galyean, Ann Gholson, Nell Gholson, Virginia Graves, Mary Hagler, Denny Harris, Mary Jane Hiett, Mary Ann Hunter, Elizabeth Hurst, Harvey Isaacs, Mary Beth Kelson, Jerry Lacy, Mary McCackill, Kern Pigg, Dan Reed, Wesley Savage, Linda Singley, Effie Spear,

Hubert Felder of Hollis has been hired as ginner at the Davis Gin in Dodson, Marvin Wynn, manager and co-owner, announced this week.

Mr. Felder has had 27 years experience in the ginning business, all of it in Hollis, Mr. Wynn said. He and Mrs. Felder have moved to Dodson to make their home.

Mr. Wynn has been manager of the Davis gin for the past 10 years and has about 21 years experience in the business. Other employees hired to date include Bill Castleman, assistant ginner, R. C. Boggs, and Ted Crownover, tie out man, Boley Tabor, suction man and Bynum Hightower, bookkeeper.

covered by subdivision 1 is bounded by a north-south line running one mile east of Wellington, Salt Flat River on the north, the Oklahoma state line on the east and Childress county line on the south.

To be eligible to serve as a supervisor, a man must be actively farming and own land in that subdivision.

One supervisor is elected each year for a five-year term, Fred Squires, work unit conservatorist for the SCS explained. In addition to Mr. Ford, others currently on the board are Zook Thomas, chairman, John Robert Henard, Frank Coleman and Tom Cunningham.

The board of supervisors, he pointed out, is the governing body of the Salt Flat Conservation District, which has 675 co-operating farmers. The district furnishes grass seed drills to farmers, sponsors tours, and at present is sending 575 subscriptions to soil and water magazines to farmers over the district, as well as making possible technical assistance from the Soil Conservation Service.

The district this year won the \$300 prize for outstanding work offered by the Fort Worth Press.

COLLINGSWORTH COUNTY CHECKERBOARD NEWS BY CHARLES LITTLE JR. Singley Mill & Elevator

TIPS ON NEW-BORN DAIRY CALF CARE As soon as the calf is dropped, cut off the navel cord about 2 inches from the calf's body and soak this stub with iodine. This helps prevent infection, including white scours.

For the first three days leave the calf with its mother so that it can get the first colostrum milk which helps regulate the digestive system.

Next, we recommend that each calf be put in a portable individual pen for the first 10 days, longer if you prefer. Pen should have clean bedding and be disinfected with Purina Disinfectant before the calf is moved in.

On the fourth day start feeding Nursing Chow gruel. Continue for 4 weeks. Be sure calf has clean water and block salt. Self-feed Calf Startena from 4 days to 4 months, adding bright leafy hay at 2 months.

Sam Thompson was in this week and had some of his grain mixed with those good Purina Concentrates and made into balanced rations for his hens and milk cows.

Research proves that 5 lbs. of grain can be produced on 6 pounds of Pig Startena.

YOURS FOR THE ASKING! Next time you're in our store, ask for your free copy of the "Triple Profits" hog book. This illustrated 24-page book gives a lot of management hints and new research information every hog man should know. Hope to see you soon.

Mr. Joe Brock came by the store this week and got a fresh supply of Purina Lay Chow for her hens.

Singley Mill & Elevator

Tom Ferguson was telling me last week that his White Rock Pulletts have started laying. They are just a little

over five months old. Tom has followed the Purina Program for growing these pullets faithfully and they are beginning to pay off now.

C. A. Wright has been using Purina Concentrates now for several years. For his hens he has been mixing his grain with Purina chowder and by doing so doing he is getting a balanced ration that is doing a better job producing eggs than he does when he uses a cheaper ready mixed ration. C. A. is well pleased with the results he has been getting. He came by the store last week and bought Purina Pig Startena for his pigs.

Mr. and Mrs. Debenport are already well known to many Wellington residents, since they formerly lived in Childress and had many contacts here.
