STORM DAMAGE

Leslie Kelso looks over the damage to his trees and home at 400 East Avenue after a small tornado Sunday evening ripped large branches from his trees. The storm also ripped part of the metal roof off the

City of Wellington garage and blew down a shed on Graham Street. Scattered showers up to one-half inch dotted the county.

Rockets Open District vs Quanah

The Wellington Skyrockets open district play on Powell Field Friday, Oct. 7 against the Quanah Indians. Game time is 7:30 p.m.

Quanah holds a 4-1 record at the end of non-conference play. Wellington has a 3-2 record.

"This is a very important game," head coach James Williams said. "It's important that you get off to a good start by winning the first district game. Last year we pulled it out in the last seconds of the game with Quanah, and it showed our kids that they could come from behind and win. And we went on from there to the playoffs."

"We're looking for a good game out of our team," Williams said. "They seem to play harder when it comes

down to district play."

"It's going to be a close football game," Williams said. "With a 4-1 record, they've got to be good."

Quanah lost to Childress 28-14 in the season opener, but came back to beat Archer City 7-6, Paducah 13-6, Chillicothe 40-0, and last week beat Haskell 21-14.

"I think we have a more balanced attack than Quanah," Williams said. "James Benton has been doing a good job of carrying the ball in addition to Dewayne Culpepper, and we've been able to complete some short passes, so I think they won't be able to key on us as well as they have in the past."

"They have one of the outstanding running backs

in the area, Stanley Payne, a 165 lb. junior tailback," Williams said. "Payne is capable of breaking every play. He runs about 90 percent of the time on sprint-out draws and outside sweeps. We'll have to contain him to win."

"Their senior tight end Leonard Love has had some luck catching the ball, so we'll have to be aware of passes, too," Williams said. "We also have to watch for a guard-around play that they used to win the Paducah game," Williams said. "They probably outweigh us a little, but I hope our quickness will offset that advantage."

"Our line is doing a good job of blocking, they're improving every week and picking up the right people,

and that's helping us offensively," Williams said. "This game will see two good running backs going at each other, and I think it will be an offensive contest."

Other starters on the Quanah offensive team include quarterback Robbie Harris, junior, 172; halfback Kenneth Weise, senior, 145; halfback Tim Hodge, soph., 150; center Charles Woods, senior, 172; left guard Dallas Prescott, senior, 165; right guard Doyle Pace, senior, 183; left tackle John Holocker, senior, 206; right tackle Floyd Blecher, senior, 229; and left end Joseph McGary, senior, 151.

Kenny Peeks is on the injured list this week for the Skyrockets. Peeks suffered a dislocated shoulder in the

Stinnett game and is out of action this week. Coach Williams hopes he'll be ready to play by next week, however.

County Farm Bureau Ready to Feed 650 at Barbecue, Convention Sat.

Collingsworth County Farm Bureau barbecue cooks expect to feed about 650 people at the Farm Bureau's annual free barbecue and convention Saturday, October 8.

The barbecue will begin at 6 p.m. at the Bura Handley Community Center and is open to all Farm Bureau members and their families.

The Collingsworth County

Farm Bureau's annual convention will follow immediately after the barbecue.

Door prizes including two \$50 cash prizes, one \$25 cash prize, one \$15 prize and one \$10 prize will be awarded at drawings during the convention.

The convention will consider 13 resolutions which have already been submitted and any resolutions that

may come from the floor. Resolutions may deal with local, state, national or international issues.

The convention will hear financial, secretary's and agent's reports.

The convention will also elect officers and 13 directors for the coming year.

Current officers are Benton Wauer, president; Jerry Lewis, first vice president;

Denzil Lacy, second vice president; and Reed Souder, secretary-treasurer. Directors are George Barton, Dee Coleman, Danny Davis, Lynn Emmert, Pat Gulley, Ronnie Hartman, Mike Hughes, Gary Killian, Elvis Pitts, Harold Scott, John Scott and Mike Williams.

Barbecue committees include the following:

Groups Meet with City Council To Discuss Teen Alcohol Problems

Members of the Ministerial Alliance and the County Extension Service's Family Living Committee met with Sheriff Kenneth Maxwell, Judge Zook Thomas and members of the City Council at regular council meeting Monday, October 3 to discuss means of cutting down teenage alcohol and drug abuse in Wellington.

"Across the nation alcoholism is surpassing other drugs as a major problem among teenagers, and is causing car accidents, suicide and many other problems," Ministerial Alliance president Larry Boyd told the group.

"We have a problem in Wellington with teenagers using alcohol on city streets and we want to see it

discouraged as much as possible," Boyd said.

Judge Zook Thomas detailed a program that is at work in Swisher County that uses counselors in the school system to help prevent alcohol abuse among teenagers.

Sheriff Kenneth Maxwell reviewed for the group the laws concerning alcohol use by juveniles and explained some of the difficulties in enforcing alcohol laws.

County Extension Agent Nancy Bigby said the service's Family Living Committee had identified alcohol and drug abuse as the problem it chose to work on in the community this year, and she said that the group had discussed several programs which might be helpful, including:

*a film from the Mental Health and Mental Retardation department which taught assertiveness in combating drug abuse to second through sixth graders.

*an awareness program for parents from the Office of Drug Administration.

*a variety of programs from the Texas War on Drugs.

Judge Zook Thomas also said that the Vernon State Center has offered to conduct an on-site program on drug and alcohol problems for anyone wishing to visit the center.

Larry Boyd also said that the Ministerial Alliance hopes to have a weekend spiritual crusade in the spring conducted by an evangelist familiar with

drug and alcohol problems.

City manager Glen Taylor said that he had raised several children in his family, and that "it's important to remember that while every young person is going to have some problems, ninety-nine percent of them are going to turn out to be fine, productive citizens."

In other city business, the City Council adopted an ordinance on a Comprehensive Emergency Management Program which spells out details of government in case of disaster such as a tornado.

The Council also heard a report from Taylor on a proposed contract to sell an interest in a city crane to Greenbelt Electric Coopera-

Oil Discoveries Up During 1983

AUSTIN, Texas, Aug. 2 - Railroad Commission records show that oil discoveries have increased by more than 35 percent during the first half of this year as compared to the same period last year, according to Railroad Commission Chairman Mack Wallace.

Discoveries are wells that

are successfully completed in reservoirs that were previously untapped.

The latest figures available show that oil discoveries totaled 430 through June of 1983. During the first six months of 1982, there were 317.

However, gas discoveries have decreased by just over eight percent during the same period. There have been 669 gas discoveries reported so far this year, as compared to 730 through June of 1982.

Booster Club Changes Time Of Meeting

The Skyrocket Booster Club will begin meeting at 7:30 p.m. instead of 8 p.m. at its Tuesday, Oct. 11 meeting.

The club meets on the second Tuesday of each month at the Heritage Room. Other weeks it meets on Tuesday nights at the Farm Bureau meeting room.

outside. "Any weatherproofing that could be added to our windows would have a significant effect on our rising utility costs," hospital administrator Perry Foster said.

"The board of directors of the hospital appreciates the interest and support of the hospital shown by these types of activities by the community," Foster said. "If the community wasn't interested in the hospital, it wouldn't be here. The community's support of the hospital does make a big difference."

tive and Wellington Industries. The contract calls for the city to sell a one-third interest each to the other two parties for \$6,000 each and to retain a one-third interest. Each partner will then pay a fee into a special fund for use of the crane, and crane-related expenses will be paid from the fund. The crane will be available to rent to other parties, but personnel from 1 of the 3 owners will operate it.

Taylor also reported that a small twister took the tin roof off the old shop building, and that he expected repair costs would be about \$1,000.

Taylor also said that insulation is being blown this week on the ceiling and walls of the new fire station.

The city's trash truck has been experiencing several problems, Taylor said, and that the City had purchased 3 new pumps which he hoped would correct the problems for the moment.

Milburn Derryberry was sworn in as a councilman after being appointed at last council meeting to fill a vacancy left by John Rainey's resignation.

Present at the council meeting were council members Willie Gragson, Sam McGill, Milburn Derryberry Lyndon Crelia and mayor Ralph Owens. Councilman Gary Brewer was absent.

4-H 75 and Growing

The 4-H program in Texas began with the founding of the Jack County Boy's Corn Club in 1908, with twenty-five farm boys under the direction of Thomas M. Marks learning how to use improved production methods to grow corn on their farms.

The first girl's 4-H programs grew out of the Milam County Girl's Tomato Clubs founded by Edna Trigg in 1912. Girls grew 1/10 acre of tomatoes and canned them using improved production and home canning methods.

Black boys' and girls' 4-H programs were begun in 1914, administered through Prairie View Normal and Industrial College, whereby boys and girls learned how to grow vegetable gardens and poultry to supplement their family diets.

The 4-H program that we know today evolved out of these programs in the 1920's with the motto, "To Make The Best Better" through the wise and effective use of the four "H's", representing Head, Heart, Hands and Health.

4-H members and their families have made many

worthwhile contributions to Texas and this nation, not the least of which was a campaign which sent many tons of valuable food and clothing to U.S. troops during World War II.

Throughout its seventy-five years of existence in Texas the 4-H program has reached more than one-million boys and girls with educational and developmental programs.

1983 has been designated as the Diamond Anniversary of 4-H in Texas. The Texas 4-H program has been recognized and commended for its seventy-five years of service to the people of this State and the contributions it has made and is making. Through the dedicated efforts of the Texas Agricultural Extension Service, the 187,000 members currently enrolled in 4-H and the more than 17,000 adult and teen volunteers who give of their time and energy are reaping the benefits of 74 years of successful 4-H in Texas.

Methanol in Auto Engines Studied

COLLEGE STATION—Research engineers at Texas A&M University are evaluating an alternative use of alcohol as an automotive fuel that involves storing methanol in the fuel tank and converting it to hydrogen to fuel the engine.

Drs. Thomas Lakl, Richard Davison and William Harris, researchers with the Texas Engineering Experiment Station, are working under a Department of Energy grant to evaluate the use of methanol (wood alcohol) that has been chemically converted into a gas consisting of hydrogen and carbon dioxide or hydrogen and carbon monoxide.

"There is a lot of interest in burning hydrogen in automobile engines," Lakl said. "It is possible that it will give higher efficiency and lower pollution emissions than gasoline or methanol."

The researchers' work is conducted in conjunction with the Lewis Research Center of National Aeronautics and Space Administration.

The tour will make stops at land owned by Larry Waters, Bill Janes, John Rainey and possibly two other sites to look at mesquite control through grubbing and through spraying.

The Salt Fork Soil Conservation District will also hold a director's election during the tour for Zone 5, the area roughly north of Salt Fork and east of Hwy. 83. Dan Henard, Jr. is the current director for Zone 5. Directors serve 5-year terms.

The election will be held at Pioneer Park after the meal.

1st Six Weeks Report Cards Go Out Wed.

Reports cards for Wellington High School, Junior High and Elementary schools have been sent home with students Wednesday, October 5.

The report cards are for the first six weeks.

"We certainly urge parents to take a look at the report cards since this is the first six weeks and an important time in the school year," Melvin Cardwell, elementary principal said.

If parents have a question about the grade or about the student's work, they should contact the teacher or the principal as soon as possible, Cardwell said.

ERIC THOMAS

Eric Thomas Dies at 27

Eric Thomas of Amarillo, formerly of Wellington, died in Amarillo at 4 a.m. Friday,

September 30. He had resided in Amarillo for the past 5 years and owned and operated his own heating and refrigeration business.

Eric Thomas was born March 6, 1956 in Littlefield, Texas. He graduated from Wellington High School in 1974. He attended West Texas State University and was graduated from Amarillo College's School of Refrigeration in 1978. Since then he had worked in the refrigeration business, and was teaching refrigeration repair several nights a week.

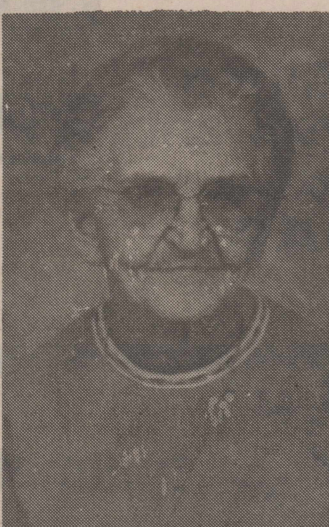

He was a member of the First Baptist Church of Wellington.

Eric is survived by his father, J.W. Thomas of Amarillo, his mother, Virginia Thomas of Wellington, one brother, Pat Thomas, a

sister, Phyllis Killian, a brother-in-law, Mark Killian, and two nephews, all of Wellington.

Services were conducted Monday, October 3 at 2 p.m. in Wellington at the First Baptist Church. Rev. Stanley Hughes, pastor, and Rev. Rom Thomson of the First Methodist Church in Wellington officiated. Burial was in North Fairview Cemetery.

Pallbearers were Gary Killian, Ray Aguilar, John O'Rear, Joe Cummings, Mike Cummings, and Randy O'Hair.

MRS. EMMA LOWE

Emma Lowe Dies Sept. 28 In Wellington

Mrs. Emma Lowe, longtime Wellington resident, died Wednesday, Sept. 28, at the age of 95.

Emma Miller was born in Montague County October 26, 1887, the daughter of W.C. and Janie Long Miller. She married Mason J. Lowe May 13, 1905 in Sumner County. The family moved to Wellington in 1924. They lived in Lillie and she was an active member of the Lillie Baptist Church until the family moved into Wellington in 1950. She then joined the Faith Baptist Church and was a vital part

of that church until her death.

Funeral services were conducted Saturday, October 1 at the Faith Baptist Church with pastor Nathan Mulder officiating. Interment was in the Quail Cemetery.

Mrs. Lowe is survived by 3 sons, Jim Lowe and Bill Lowe, both of Wellington; Jack Lowe of Amarillo; 6 daughters: Rebbie Snyder and Novia Martin of Wellington, Janie Lowe and Irene Barth of Shamrock, Leitha Brownlee of Amarillo, and Lorene Liner of Memphis; one sister, Mrs. Winnie Merrill of Glen Rose; 4 half sisters, one half brother, 9 grandchildren, 17 great grandchildren, and one great great grandchild.

Her grandsons served as casket bearers. They are Mike Liner of Morton, Texas, Chris Liner of Kermit, Texas, Randy Whitten of Canyon, Texas, Danny Martin of Wellington, B.E. Morris of Olton, Texas, Don Martin of Amarillo, Andy Lowe of Fort Worth and Jon Kidwell of Altus, Oklahoma.

Honorary pallbearers were Jack Neeley, Lonnie Neeley, Raymond Horton, Ernest Harwell, Elmer Feemster, Lloyd Vines, Alvin Horton, Lonnie Needham, Tommy Thomas, and John Nash.

The family has requested that memorials be made to the Faith Baptist Church or the Quail Cemetery.

Gus Allen Dies Friday

Walter Augustus "Gus" Allen, 80, of Wellington, died Friday in Amarillo.

Services were at 11 a.m. Saturday in Schooler-Gordon Colonial Chapel, the Rev. Jim Hutzler, pastor of St. Patrick's Catholic Church in Shamrock, offici-

ating. Graveside services were at 3:30 p.m. Saturday in North Fairview Cemetery in Wellington.

Pallbearers were: Roy Jeffrey, Ray Jeffrey, Jacen Jeffrey, King Bowen, Bill Spillman, R.A. Nichols, Tip Miller, Brian Echols.

Mr. Allen was born in Pauls Valley, Okla. and moved to Wellington in 1966 from Shamrock. He worked for Lone Star Gas Co. for 32 years. He was a member of Our Lady of Mercy Catholic Church in Wellington and a former member of Knights of Columbus.

Survivors include two daughters, Mrs. A.D. Payne of Amarillo and Mrs. John B. Roach of Shamrock; a sister, Mrs. Carl Fiel of Wheeler; four grandchildren and 10 great grandchildren.

D.F. Downs, Retired Farmer, Dies at 63

Duard Franklin "Skinny" Downs died Wednesday, September 28, in Dumas at the age of 63. Funeral services were conducted at 11 a.m. Friday, September 30 in the Minton Memorial Chapel in Dumas by Garry Bortz and Joe Winnett of the Johnson Park Church of Christ. Graveside services were at 3 p.m. Friday at Memorial Park Cemetery in Wellington.

Downs was born in Hollis, Oklahoma and lived most of his life in Wellington before moving to Borger 9 years ago. He was a farmer. Mr. Downs was a member of the Johnson Park Church of Christ and was a World War II veteran.

Downs is survived by his wife, Gladys, of Borger, a daughter, Mrs. Janice Newman, 2 sons, Winford and J.R., all of Borger, a sister, Olla Mae Caudell of Hobbs, New Mexico, 4

brothers, Jim and Jake of Las Vegas, Nevada, Bob of Pocatello, Idaho, and Sonny of Odessa, 14 grandchildren and 6 great grandchildren.

Group Attend Services In Glen Rose Oct. 2

Elder Jack Woods of Glen Rose died in an automobile accident in that city Friday, September 30. He was the Primitive Baptist minister there.

Funeral services were conducted Sunday, October 2, in Glen Rose.

Those attending from here were Mr. and Mrs. Z.J. Neeley, Raymond Neeley, Mrs. Ronald Kersten, Mrs. W.L. Norman, Mrs. Donnie Barnett with Mr. and Mrs. W.L. Ray of Childress.

Mr. Woods was a brother-in-law of Z.J. Neeley, and he and Mrs. Woods were in Wellington recently for the W.J. Neeley reunion.

Farmers Cooperative Society No. 1 in Wellington invites everyone to check out the new varieties of cotton in test demonstrations that will be featured on the Collingsworth County agriculture tour.

Cotton is our most important cash crop and at Farmers Coop Gin we're interested in everything we can do to improve production.

Every year, for example, we work hard to make improvements in the gin that result in long-term benefit for our customers.

A better crop and better harvesting and ginning means a better agricultural economy for us all. We urge everyone to join the crop tour to see the latest developments.

Patsy Martin, Leon Parker Win Club Championship

Patsy Martin and Leon Parker won first place in Wellington Country Club's annual Club Championship Tournament Saturday and Sunday, Oct. 1 and 2.

Scores were high due to wind and rain last weekend, Eddie Orr, tournament chairman, said.

Martin led the women's championship flight with a 165 and Parker took the men's championship flight with a 154.

Louise Mabery was second in the women's championship flight with a 171. Second place in the men's championship flight was a three-way tie at 156 between Willie Gragson, Gary Brewer and Bill Long.

Men's first flight winners were first, Eddie Orr, 170; second, Morris Barcroft, 176; and third, Billy Wilkerson, 183.

Women's first flight winners were first, Cristy Cox; second, Vickie Parker; and third, Jackie Wilkerson. This flight was called due to rain, and the leader at the time was declared the winner.

Men's second flight winners were first, Earl Lynn Bartlett with a 177 and second, Herb Duncan.

Women's second flight winners were first, Charlotte Stephens and second, Beth Lennon.

Rainwater must be distilled before it is really pure.

Dodson News

by Wanda Hightower Cardwell

Some parts of the Dodson area received about three-fourths inch of good 'ole rain Sunday evening. It was a refreshing shower. Maybe we'll receive more of it.

The Dodson Home Extension Club met Tuesday, Sept. 27 in the home of Mrs. Thurman Crownover. It was their first meeting since last spring. The members answered roll call by giving their favorite shopping hint. Nancy Bigby read a poem, "Growing Old." She also gave the thought for the day: "If you have an unpleasant neighbor, chances are she does, too."

Mrs. Sammy Motsenbocker, president, presided at the meeting. Mrs. Motsenbocker reported on the council meeting.

The following officers were elected: president, Mrs. Sammy Motsenbocker; vice president, Mrs. A.V. Lowrie; secretary-treasurer, Mrs. Wayne Reynolds; council delegate, Mrs. Thurman Crownover; reporter, Mrs. Herman Ward. Refreshments were served to Mrs. Everett Lemons, Mrs. Herman Ward, Mrs. Wayne Reynolds, Mrs. Chester Wadley, Nancy Bigby, Mrs. Floyd Wilhite, Mrs. A.V. Lowrie and Mrs. Thurman Crownover.

Visiting the Clyde Alexanders last weekend were Mr. and Mrs. Ruel Alexander and Bryon of Amarillo and Joe Alexander of Ft. Worth.

Mrs. Clara Boyd is in Amarillo with the Ruel Alexanders. She is to have a medical checkup.

Rev. C.M. Huff chose Romans 1:17 and Romans 5:1-11 for the text of the sermon he preached Sunday morning at the Church of the Nazarene. Special music was presented Sunday morning and Sunday evening by Preston Russell, and Kerri Cummins.

After church Sunday evening, watermelon was served.

Next Sunday evening a cookout will follow the evening service.

Rev. Cliff Harper preached at the Missionary Baptist Church Sunday. Bobby Harper directed the hymns and presented special music.

Bobby Garton, minister, preached at the Church of Christ, Sunday. Howard Hunt and Roy Ginn directed the singing. Visitors were Joe Alexander, Mr. and Mrs. Ruel Alexander and Byron and Mr. and Mrs. Bob Garton and Robert.

Mr. and Mrs. Howard Hunt were in Amarillo last week.

Mr. and Mrs. Thurman Crownover visited the Ted Crownover family in Dumas last weekend.

Mr. and Mrs. Olan Farris were in Childress last week.

Mrs. Sybil Norman and Jackie, Mr. and Mrs. Ray Rainer and Angel, Melody and Robert Woods and Tommy were in Anadarko, Oklahoma recently. They rented a cabin there. They also went to Indian City.

Our community welcomes Dickie, Rhonda and Jarrod Moore. They bought the Ocie Lewis home. They moved there last week. We are so pleased to have them as a part of our community.

Guests of Mrs. Mayme Lewis recently were Mr. and Mrs. Randy Terry of Midland and Mildred, Jerry, Scott and Kerri Cummins.

The American Legion Auxiliary No. 535 met at the American Legion Building Monday, Sept. 27 at 7:30 p.m. Mrs. Wanda Cardwell, president, presided at the meeting. Mrs. Erma Lee Lowrie led the group in opening and closing prayers. Mrs. Jean Martin gave the secretary-treasurer report.

Mrs. Cardwell reported

that the club would pay the expense for a flag to be presented to the city.

The Auxiliary will sponsor a Veteran's Day dinner on Saturday, November 12 from 11 a.m. to 1:30 p.m. The traditional turkey dinner will be served. The group voted to charge \$3.50 for adults and \$1.75 for children 12 and under.

The fall convention will be in Borger this year.

Officers will be installed at an October meeting. The group will send a box of articles for the Veterans Christmas Gift Project in November.

Dues were collected for another year.

Members attending were Mrs. Helen Howell, Mrs. Laven Sain, Mrs. Alona Harper, Mrs. Sylvia Clairborne, Mrs. Lowrie, Mrs. Kathleen Hightower, Mrs. Martin, and Mrs. Cardwell.

COLLINGSWORTH COUNTY AGENT REPORT

by Nancy Bigby

FAMILIES CAN USE TV WISELY

Parents are concerned about the negative effects of television on their families. But because television also informs and entertains, parents are not willing to throw away the set either.

Television critics and organizations like Action for Children's Television have suggested many good strategies that parents can use to change family viewing habits.

Where the television is located in the home, for example, influences its use by children. By locating the set in a room where other things go on, such as piano practicing, there will be competition for air time. Parents can also keep the set out of the children's bedrooms where they have less control, and away from the dining area, where it interferes with conversation.

Also, providing alternative activities in the TV room such as craft materials, puzzles, books and games may distract children from the set.

How families watch television is also important. "Watching television" usually means turning on the set and keeping it on, taking potluck from among the shows -- good or bad, new or reruns -- that happen to be on the air at the time.

But, "watching planned programs" means making a decision to turn on the set for a specific broadcast and then to turn it off when the program ends. Watching planned programs is one way to reduce the family's total amount of time in front of the set and yet enjoy what television has to offer.

As children learn to review the weekly TV listings, discuss and decide with their parents which programs to watch, they will become more discriminating viewers.

Used wisely, television

can even stimulate family interaction. For example, parents can choose to have only one television set so the family must watch TV together. They can also watch TV with their children whenever possible and make a conscious choice to not let it become a babysitter.

Most importantly, parents can talk about the television shows they watch. This gives parents a prime opportunity to find out what their child is getting from television and respond to it.

Educational programs conducted by the Texas Agricultural Extension Service serve people all ages regardless of socio-economic level, race, color, sex, religion or national origin.

16 New Officers Sworn In As Sheriff's Reserves

Sixteen new officers were sworn in as Collingsworth County Sheriff's Reserve Officers at a banquet Saturday, October 1.

The sixteen new members bring the total number of reserve officers to 28.

The Reserve Officers were organized in 1982. Each officer must meet state requirements and complete a 70-hour Reserve Officer Course prescribed by the Texas Commission on Law Enforcement Standards and Education.

Reserve officers are an all-volunteer group and none receives pay for their services.

A reserve officer furnishes his or her own uniforms and equipment.

The school for the new officers was paid for by fund-raisers sponsored by the Reserve Officer Association.

"The primary function for a reserve officer is back-up for regular officers," Sheriff Kenneth Maxwell said.

Maxwell said that reserves allow each car patrol to be a two-man patrol and he said that reduces the possibility of an officer being injured.

The unit also has five women reserves. Women reserve officers attend to women prisoners, relieving women dispatchers to continue their regular duties, Maxwell said.

Maxwell also said that the reserve officers live in all parts of the county, and that they are an asset in

watching clouds or responding to an emergency in their area. Many are also volunteer firemen and volunteer ambulance personnel.

Reserve activities during the past year have included:

*Watching threatening weather.

*Assisting in burglary investigations by helping to gather and tag evidence.

*Traffic control for football games and rodeos.

*Helping protect scenes of crimes.

*Guarding prisoners in the hospital.

*Helping on stake-outs.

*Helping to look for lost or missing children.

*Helping with road blocks.

*Assisting in looking for escaped prisoners.

*Helping watch for vandalism.

When You Buy, Build or Remodel, You Can Save Thousands of Dollars* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

"E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME
OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

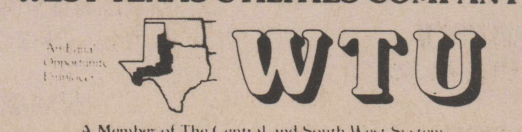

*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.

An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more. (Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

FHA and FFA Hold Annual Wiener Roast

Wellington High School Future Homemakers and Future Farmers held their annual wiener roast at Pioneer Park Monday, Oct. 3.

Over fifty FHA and FFA members rode to the park on a grain truck furnished by Mike Williams. They played games and roasted wieners

and marshmallows over an open fire.

Sponsors and guests who attended were Mary Lois Scott, Rodney Myrick, Mr. and Mrs. Dickie Johnson, Mrs. Phillip Cobb and Mrs. James Williams.

Here's an easy way to get to know the many benefits of municipal bonds.

We'll go into the basic appeal of municipals: the fact that interest is exempt from Federal income taxes. And the relative safety of high grade municipals as an investment.

Then we'll explain the various kinds of municipal bonds. The significance of bond ratings. Who should consider municipal bonds. And we'll discuss some specific issues that our Municipal Bond Department regards as attractive investments.

The seminars are free, but space is limited. So reserve your seats now. Call. Or send in the coupon. But come.

For reservations, call: Bill Crafton at (817) 723-1481. Or mail the coupon.

Bowen In Top 5% Of Merit Program

Wellington High School has been notified that one of its students has been designated a Commended Student in the 1984 National Merit Scholarship Program. Eddie Hankins, principal, announced today that senior Barry Bowen placed in the top five percent of over one million participants in the twenty-ninth annual Merit Program. Although commended Students will not receive further consideration for Merit Scholarships, each has demonstrated unusual academic promise and will be honored with a Letter of Commendation.

Bowen is the son of Mrs. Laquita Bowen of Wellington and Lyndal Bowen of Bryan.

An officer of National Merit Scholarship Corporation (NMSC), which administers the program, stated that, "The outstanding test performance of each Commended Student in the highly competitive Merit Program is an attainment deserving of recognition. In a nation that places great value on the education of its

young people, it is important to honor academically talented students and to acknowledge the part that schools play in the development of their abilities. We sincerely hope that their attainments thus far will encourage these young men and women to take advantage of their opportunities for higher education and to acquire the skills they will need to become productive adults and contributing citizens in a free society."

All participants in the current Merit Scholarship competition entered by taking the PSAT/NMSQT in the fall of 1982. Although the scores of the 35,000 Commended Students designated throughout the 50 states were very high, they were slightly below the level required for Semifinalist standing. Only the 15,000 Semifinalists who were announced by NMSC on September 14 will have an opportunity to continue in the competition for some 5,300 Merit Scholarships to be awarded next spring.

schedule will be given at the registration Saturday.

The classes being offered next session are Computers, the Living Textbook, Nutrition Expedition, Scientific Creation, and Crafts.

If you cannot register your child at this time and are interested in the classes, you may see Gayle Hankins, Enrichment Coordinator, at 1208 West Ave. before Oct. 13.

The children's work from the last session will be on display at the open house, and all teachers for the first and second sessions will be at the Farm Bureau building to answer your questions and discuss the Enrichment Program.

Enrichment Open House Scheduled

The first session of the Saturday Enrichment Program will hold an open house Saturday, October 8 from 7:00 to 8:30 p.m. at the Farm Bureau building.

Registration for the next six-week session will also be conducted at this time. The next session will be held each Saturday from October 22 through Dec. 10, and the fee for each course is \$10. All classes will be held at the Elementary School building, and a time

ANDI COX AND HER REGISTERED PAINT PAUTE FOX

Andi Cox Wins Playday Honors

Andi Cox, the 7-year-old daughter of Marcia Cox of Panhandle, and the granddaughter of Mr. and Mrs. J.B. King of Wellington, won 9 trophies and collected more points than any other girl in her age group at the United Playday Finals held at Rolling Hills Riding Club Arena north of Amarillo Sept. 24 and 25.

Participants must earn a

minimum number of points at playdays throughout the summer to be eligible for the finals.

Andi earned high point for the season in Range 1, Mini Pee-Wee Girls division. She will receive a buckle for high point for the season, and a buckle for her finals points at a banquet in November.

Six ranges were involved

Come to the Ag Tour

The annual crop tour is an opportunity for those of us who aren't farmers to learn a little about the county's chief source of income--agriculture.

And its an opportunity for those involved in agriculture to hear the comments of area researchers.

Participate in the ag tour next Thursday, October 13--there's a free barbecue and you'll learn something too.

Norwood PTO Plans Halloween Carnival and Dinner Oct. 22

Samnorwood PTO will host a Halloween carnival and dinner at the school Saturday, Oct. 22. Elementary, junior high and high school kings and queens will also be crowned that night, Connie Dwyer, PTO reporter said this week.

A turkey and dressing dinner with homemade pies and all the trimmings open the activities from 5:30 to 7:30. Tickets will be \$4 for adults, and kindergarten through sixth graders \$1.50. Preschoolers eat free.

Men's and women's door prizes will be awarded at a drawing during the dinner. Carnival events from 6 to 7:45 p.m. include a dunking board at the ag shop, and bingo, cakewalk, spook house and dart throw in the high school.

The PTO will have a refreshment booth in the gym from 6:30 to 7:45 and there will be live entertainment in the gym.

A pre-school costume contest will be held at 8 p.m. Toni Wright is in charge,

and anyone with questions about the contest should call her.

A cinderella play by grade school children will follow. The final event of the night will be the crowning of elementary, junior high and high school kings and queens. The queen and king contest is determined by the class that raises the most funds before the coronation.

At Samnorwood PTO's Sept. 26 meeting, first graders won the room count.

Rodeo Assn. To Meet Tues., Oct. 11

Wellington Rodeo Association will meet Tuesday, Oct. 11 at 7:30 p.m. in the Firemen's Meeting Room, City Hall.

The rodeo producer for next year will be discussed, and the group will review finances following this year's rodeo.

Everyone interested in the association is urged to attend.

TEXAS SIZED CLOVER

Leslie Birkey, daughter of Mr. and Mrs. John Birkey, and Nicole Keller, daughter of Mr. and Mrs. Elmer Keller, represented Collingsworth County among almost 2,300 Texas 4-H Club members and sponsors forming this giant clover on Kyle Field at Texas A&M University during the 1983 State 4-H Roundup. The unique clover formation was one of the highlights of the 75th anniversary of 4-H Club work in Texas, which was noted during the 4-H Roundup. In the foreground of the clover stem are Dr. Zerle L. Carpenter, director of the Texas Agricultural Extension Service, the parent organization of 4-H, and H.T. "Tom" Davison, state 4-H program leader with the Extension Service. The 75th anniversary observance continues through the remainder of the year.

STRICT BALE RULES IN EFFECT

New bale packaging standards for cotton are now in effect.

Every bale of cotton ginned in the United States after September 15 must meet generally higher packaging standards or be subject to rejection anywhere in the trade channels.

The long awaited stiffer packaging guidelines were drawn up by a joint industry committee and approved by the USDA's Commodity Credit Corporation. The standards are aimed at helping cotton reach the textile mill in better condition, either here or overseas.

Final notice of plans to put the standards into effect were presented to the National Cotton Council's fall board meeting.

Bales are placed into one of four categories—Grade A, Grade B, Grade C and Grade D. Any cotton not meeting at least Grade B can be rejected by any handler or textile mill.

Both Grade A and Grade B packaged cotton are now acceptable for trading purposes and for entry into government storage.

Grade A bales, according to the industry-adapted standards, are completely covered with a two-piece wrapping, covering both heads and sides.

It is estimated that 35 million people in the U.S. have high blood pressure.

Skyrockets Shut Out Stinnett, 23-0

REAL ESTATE

THE WELLINGTON (TEXAS) LEADER
Thursday, October 6, 1983

14

The Wellington Skyrockets played their best game so far in the '83 season to shut out Stinnett 23-0 Friday, Sept. 30 at Stinnett.

The Rockets' teamwork grabbed a 6-0 lead with a 62-yard inside sweep by Dewayne Culpepper on their second possession. Mark Hunnicutt's extra point kick made it 7-0. The Skyrockets' line and downfield blocking improved significantly over other games, and that, combined with Culpepper's broken field moves, provided some spectacular plays.

The Rockets scored again in the second quarter on a 81-yard dash by Dewayne Culpepper. Mark Hunnicutt's extra point kick made the score 14-0.

On the following kickoff James Benton knocked the ball loose from the Stinnett carrier and Jamie McKay recovered at Stinnett's 17. Three downs later Mark Hunnicutt kicked a field goal to give the Rockets a 17-0 lead that they took into halftime.

The Rockets knocked on the door once more before the half after Bill Reeves recovered a Stinnett fumble at the 31. Michael Souder connected a pass to Dewayne Culpepper for 25 but time ran out with Wellington at the 6-yard line.

With 10:38 to play in the game the Rockets put their final points on the board with a 1-yarder by Culpepper following a 53-yard drive. The extra point kick

was off the mark and the Rockets had a 23-0 lead.

But it wasn't over yet. Johnny Nash intercepted a Stinnett toss and turned the ball over to the Rockets at their own 35. Wellington did it again with a 65 yard touchdown run by Culpepper, but the play was called back on a clipping penalty.

The Rockets put an outstanding defense alongside their sparkling offense to stop Stinnett drives on several important third down situations. Michael Breedlove, Rosendo Villanueva, Darwin Nix, Chad Holland, and Mark Hunnicutt all had big third down defensive plays that kept Stinnett scoreless. Breedlove intercepted a pass in the first quarter to halt one Stinnett drive.

Dewayne Culpepper provided the flash, but Michael Souder in the quarterback slot and halfback James Benton also added good gains throughout the game. Culpepper's best play of the game was a classic fake-out late in the game, when he gave the Stinnett safety a hand-grenade went off under the defender as Culpepper sped by.

8th Graders Beat Panhandle 8-0 on Pass TD

Wellington 8th grade football team defeated Panhandle 8-0 there Thursday, Sept. 29.

The winning touchdown came in the fourth quarter on a 60-yard touchdown pass from James McIntosh to Arthur Pennon. Alec Johnson ran the two-point conversion.

"I felt that after riding all the way up there our team played well," coach Gano Wilson said. "We had to play well to beat them because they had a good team."

"Our entire defensive team played well," Wilson said. "We should have scored once or twice more, but overall I think our team played well."

8th graders play Quannah there Thursday, Oct. 8--the only time the two teams will meet this year.

Panhandle JV Downs Rockets 32-0 Sept. 29

Panhandle beat Wellington Junior Varsity 32-0 at Panhandle Thursday, Sept. 29.

Panhandle put 14 points on the board in the first quarter with two touchdowns and two extra-point kicks.

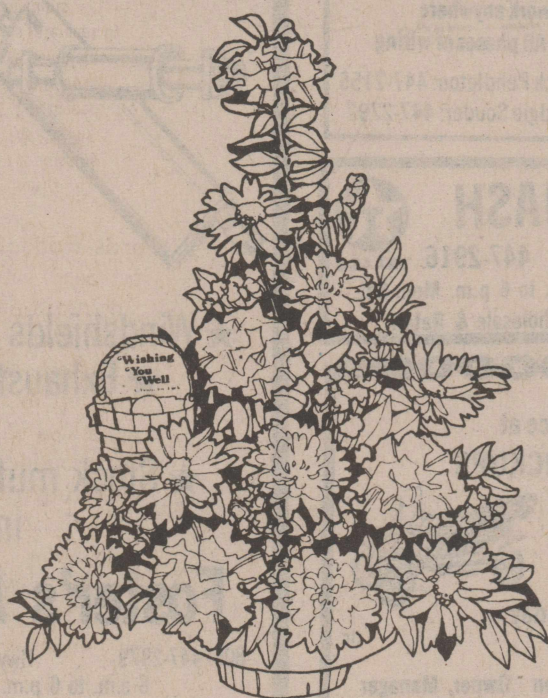

They added 6 in the second quarter with a touchdown. An extra point run failed, and Panhandle took a 20-0 lead into halftime.

In the third quarter Panhandle added two more touchdowns, with extra point runs, falling shy on both tries, to make the final score 32-0.

The JV meets Quannah Oct. 6, there.

There's no harm--and a lot of good--in promising yourself a small reward for a task well done, psychologists say. If household chores have got you down, try to picture yourself relaxing with a tasty snack and a frosty glass of iced tea. Then after you've finished the dishes, the dusting or the laundry--put your feet up and put yourself in the picture.

Panhandle 7th Hands 6-0 Loss To 'Crackers

Panhandle 7th graders beat Wellington 7th graders 6-0 there Thursday, Sept. 29.

Panhandle scored on a long drive on their first possession that ended in a short touchdown dive.

Wellington moved to the

Panhandle 10 in the second quarter on a 75-yard halfback pass from Carter Nash to Kevin Kerlee, but couldn't move the ball in for the score.

"In the second half we shut them out on defense, but our kids just couldn't move the ball," coach Tom Johnson said.
