Nazi Attack On U. S. By Summer Possible

(By The Associated Press)

AUSTIN, May 15—That Germany might invade the United States before the end of the summer was seen as a possibility today by Thad W. Riker, history professor at the University of Texas.

Defeat of Britain and capture of the British fleet, he said in an interview, would make it possible for the axis powers to nullify the traditional isolation of the United States.

He suggested Soviet Russia could save the situation but expressed doubt she would do so.

"If I were Hitler and had conquered England, I'd make her hand over her fleet," Riker said.

"Then with the German and Italian fleets on one side and the Japanese on the other, we would be in a spot.

"For Italy is coming in, possibly this week. And I have no doubt at all but that Japan will seize the Dutch East Indies."

Ceding of Canada to Germany would place the Nazis in a vital position, he declared, adding that Canada was part of the United States' defense system.

"Hitler would be going Napoleon one better if he conquered the new world," Riker asserted. "And, you know, he hinted rather strongly that he aimed to do that, in writing his book Mein Kampf.

"Soviet Russia could save the situation, and it is to her interest to do so, but I doubt whether she will. She doesn't want to see a strong Germany dominating Europe and the world."

Germany is inspired by "an idealism," whatever democracies may think of the ideology, Riker said.

"If the democratic nations can't show an equally strong idealism, they'll have to go down in defeat," he concluded. "And just now I should say there has been a sort of spiritual vacuum among the democratic nations for a good many years. Of course, they've learned their lesson now, but it may be too late."

Death Fight Is Raging; Nazis Claim Success

As The Allies Tell It

BY HENRY C. CASSIDY
Associated Press Staff Writer

PARIS, May 15.—The French command reported tonight that about half the German forces which crossed the Meuse river yesterday had been driven back.

It estimated that 20 divisions on each side—a total of 600,000 men—were pitted in a finish fight in the "battle of the Meuse."

Violent French counterattacks were reported after a French war ministry spokesman had admitted that Nazi forces, smashing at positions south of Sedan, had crossed the river and established a salient four miles deep on its south side.

The major struggle apparently was centered around Sedan, 10 miles within France from the Belgian frontier.

But the French also reported a successful counter-attack on the northwest flank in Belgium and solid defenses to the southeast in France.

Thousands of French troops are being hurled into the battle. It was reported here that scores of divisions have already joined the battle or are moving up rapidly to reinforce the battered troops at the front line.

1,000,000 Men Or More

(A division comprises about 15,000 men. The French reference to "scores of divisions" would indicate that possibly 1,000,000 men or more are now battling at the front or are ready to go into action.)

TRAINS SUSPENDED

PARIS, May 15 (AP) — The French tonight ordered suspension of main passenger trains, effective at midnight, on a number of important lines near the Italian border.

The German thrust originally penetrated ten miles south of the river—or nearly 20 miles into France—this spokesman said, but a French counter-attack reduced this pocket below the river to about four miles.

He said the attack came late yesterday and a renewed German drive was expected today.

GERMANS PUSH ON

PARIS, May 15 (AP) — German forces which had forced a passage across the Meuse were reported at tonight's French war ministry conference to have pushed forward and pierced some Allied positions along a line north of Sedan.

French Hold West Bank

The Meuse river runs generally north and south in this area and the French have been holding the west bank against the Germans on the east.

German efforts in the Sedan region, this commentator said, appeared to be the "biggest" of the entire Meuse front extending southward from Namur, Belgium.

Fresh reinforcements were arriving in the German lines from Bouillon, industrial settlements north of Sedan.

In the Belgian Ardennes mountains between Namur and Dinant, the Germans established bridgeheads on the west bank of the Meuse which immediately drew strong counter-attacks from the French forces on the same side of the river.

A French military spokesman described German landings on the west side of the Meuse under Allied fire from land and air.

A German tank attack in the level region northwest of Namur near Gembloux was hurled back by French counter-attacks.

The Germans were reported to have suffered "enormous losses," particularly in tanks and their crews, and a 4-to-1 ratio in planes.

The situation of the Allies in central Belgium was declared "fav-

Nazis Declare Maginot Line Is "Pierced"

WARNING IS GIVEN

BERLIN, May 15 (AP) — Germany warned tonight that her troops are driving ever closer to a jumping-off point for an attack on England and asserted that the claimed Sedan breach in the Maginot fortifications shows German striking power can not be resisted.

As The Germans Tell It

(By The Associated Press)

BERLIN, May 15.—The German high command declared today that nazi forces had "pierced" the northwestern extension of France's Maginot line in the Sedan sector.

"By the crossing of the Meuse in the Sedan sector," its communique said, "the northwestern extension of France's fortification system—the Maginot line—has been pierced in closest collaboration with the air force.

Counter Attacks Blocked

"Here, too, French counter attacks were frustrated with heavy losses for the enemy."

Coupled with the powerful thrust into the French section of the Meuse line was the Nazi report that a German spearhead aiming at the Belgian fortifications of Namur had overwhelmed two forts in that defense sector.

FORCES ISOLATED

BERLIN, May 15 (U.P.)—The DNB official news agency claimed today French prisoners had revealed that their mechanized forces engaged by German tanks and airplanes northeast of Namur yesterday were isolated or destroyed by the German attack.

Authorized sources said the Germans had crossed the Meuse river Monday and, the same day, had conquered the forts of Lantin and Loucien, south and west of Liege.

Acknowledge Due Loss

(Liege and Namur both are on the Meuse, Namur about 15 miles to the west of Liege. The Allies have acknowledged the loss of only one fort, Eben Emael, in the Liege militarized zone.)

The high command reported a French tank attack hurled back on the rapidly developing Belgian front.

(A British military spokesman conceded that part of the Dinant-Sedan "defense zone" was in German hands but emphasized that Sedan, although in an area heavily fortified in depth, is not in the Maginot line, which ends at the Luxembourg frontier. From there an extension, the "little Maginot line," runs northwestward to the North sea, including the Sedan sector. Sedan, however, lies on the outer edge of the extension.

Does Not Mean Break

(German penetration there, the British spokesman insisted, does not mean a break through the Maginot defenses.)

Alongside the progress on the Meuse front, the Germans have forced the submission of Holland which, they note, has put the war almost on England's doorstep.

(The Dutch have laid down their

British Destroyer Is Beached After Attack

LONDON, May 15 (AP)—The British destroyer Valentine has been beached after being damaged by German air attack off the coast of Holland, the admiralty announced tonight.

It said casualties were believed to have been slight.

The 1,100-ton Valentine, classified technically as an escort ship in the British fleet, normally carried close to 200 men.

She was built as a destroyer in 1917, but was rearmed as an escort vessel in 1938-39.

Murder And Suicide Is Verdict In Deaths

WAXAHACHIE, May 15 (AP)— A coroner's inquest verdict of murder and suicide was recorded today in the deaths of Mrs. Georgia Mae Smith, 33, and her father-in-law, Charlie B. Smith, 65.

Mrs. Smith was beaten to death and Smith was shot at their farm home in the Mountain Peak community.

District Attorney Forrester Hancock said Smith's relatives told him the man had been ill for two months and lately had "acted strangely."

Speedy Action Promised For Defense Plan

(By The Associated Press)

WASHINGTON, May 15.—President Roosevelt sped work today on his request for an extraordinary defense program expected to cost $976,000,000 but the White House said he still would be unable to whip it into shape for submission to Congress before tomorrow.

The chief executive worked until 2 a. m., the White House said, and then directed that his calling list for today be held to a minimum so that he could continue drafting the request which—after his own rearmament appeal and that of General John J. Pershing yesterday—seemed almost certain of quick approval by Congress.

Amount Decided On

While the president has decided on the amount he will request to bulwark the army and navy, it was said that the figure would not be disclosed until the message reached Capitol Hill.

One of Mr. Roosevelt's appointments today was with Dr. Paul Van Zeeland, former Belgian prime minister.

The rapid fire pace of the war abroad, a presidential secretary said, has made it extremely indefinite whether the chief executive will carry through plans for a swing around the country after Congress adjourns. No itinerary or plans are being worked out.

Counsels Against Delay

General Pershing, who led the A.E.F. in France two decades ago, counseled against any delay.

"Every energy in this country should be devoted to the idea of putting the United States in a condition of thorough preparedness against the possibility of war," he said.

"Preparedness is as necessary today as it was when war was declar-

(Turn to Page 6, Column 4, Please)

Forty-Five Felony Cases Scheduled

The district attorney's office this morning said at least 45 felony cases had been referred to attention of a grand jury that will be impaneled Monday when 72nd District Judge Daniel A. Blair convenes a 5-weeks term of court in Lubbock.

The complaints are of the run-of-the-mill variety, ranging from assault with intent to kill to swindling over $50 and desertion, said Burton S. Burks, district attorney.

Human Life Means But Little In Europe Today As Hitler's Big Gamble Hits Its Stride

BY DEWITT MACKENZIE
Associated Press Staff Writer

The great German offensive along the line of the Meuse river in Belgium had swollen to hurricane crescendo this morning, with the focal point on the historic battlefield of Sedan, just inside the French border and within the Maginot line defenses.

Hitler's win-all or lose-all gamble was hitting its stride fast. A few hours now should see the Allies and invaders joined in one of the crucial, if not the most momentous, battles of all time.

Slaughter Is Heavy

Already the indications are that the slaughter has been heavy. The Nazis are throwing their forces into the assault with the old Napoleonic abandon.

Human life won't mean much over there from now on.

Word from Paris is that the Allied strategy had contemplated the turn which events have taken and that the Anglo-French plans provide for a stand in the region which has now been reached.

The battle line is long and there has been bloody fighting throughout its length. It runs from the great fortresses of Liege westward along the Meuse to the fortress of Namur, than turns abruptly south along the line of the river through Dinant to Sedan.

Striking At Paris

It is at Sedan, however, that the Hitlerian forces are trying to drive a wedge in the Allied front, for a break through to Paris and the channel ports.

This is a dangerous operation for the assaulting army, since if it succeeds in breaking through it must roll the enemy back both north and south and run the heavy risk of having its own spear-head pinched off by a counter attack.

The Germans claim to have "pierced" the Maginot line at Sedan, but the French assert that the Nazi thrust was thrown back.

Confidence Is Expressed

Word from Paris this morning bespoke Allied confidence. Certainly I can remind the reader that the Allies more than once in the World war faced situations in which defeat seemed inevitable — but they lived to fight another day.

The Dutch this morning were still

(Turn to Page 6, Column 1, Please)

Swift Balkan Drive Feared

(By The Associated Press)

BUDAPEST, May 15— The German protectorate of Slovakia has ordered mobilization which "must" be completed today and Hungary has closed her Slovakian frontier, the controlled Hungarian press reported today.

Press reports said the frontier was closed Saturday, that Slovakian reservists between the ages of 23 and 42 had been ordered to their regiments and to the towns of Corpona and Gekko and that a Slovakian anti-Hungarian meeting had been scheduled but was postponed until May 19.

Is Partially Mobilized

Hungary is partially mobilized.

These developments and increasing Italian militancy and the swift German successes in the Netherlands and Belgium deepened the gloom spreading through the Balkans.

It was believed here that Italy's entry into the war on the German side may be only a question of days if the Allies fail to stem the German advance through the lowlands.

War in the Balkans was believed inevitable if Italy joins Germany.

Allied Fleet To Move

It was taken for granted here that the Allied fleet would immediately move into the Adriatic and the Agean seas and the sea of Marmara, shutting off Balkan sea transportation.

There was much speculation on the possibility of a race for military, economic and political control of

War Talk Is Banned In Ft. Worth Plant

FORT WORTH, May 15 (U.P.)—J. H. Hall, general manager of Swift & company's packing plant here, posted notices on all bulletin boards today urging employes not to talk about the war in Europe.

"Please do not talk about the war during working hours," the notice said. "We should be thankful that we have the Atlantic ocean between us and Europe."

The big plant employs persons of many nationalities. Those of German descent work beside persons of British, Polish, Norwegian, French and Dutch descent. During the World war, Hall said, company morale was affected by arguments among employes—many of which culminated in fist fights.

Army Tank Eliminates Civilian Automobile

CAMP BEAUREGARD, La., May 15 (AP)—An 11-ton army tank, participating in Uncle Sam's war maneuvers, vanquished a civilian automobile.

The machines banged head-on yesterday.

The tank wasn't even dented. The front end of the automobile was smashed, and its passengers escaped with a shaking up.

House Starts Action Today On Relief Bill

(By The Associated Press)

WASHINGTON, May 15.—A $975,650,000 WPA appropriation, spendable in eight months if necessary, was recommended today by the House appropriations committee which reported a lessening of "abuses" in relief administration.

The WPA appropriation, which the committee approved as President Roosevelt had requested it, was part of a $1,111,754,819 emergency relief supply bill for the fiscal year beginning July 1. The committee sent the bill to the House floor.

Marred By Abuses

At the same time it reported to the House that the administration of relief heretofore had been marred by abuses including improvement of private property at public expense, over-manned projects, "padded sponsors' contributions," and inadequate supervision and operation of projects on which a high percentage of non-relief labor was required.

The worst situation found by the subcommittee which investigated WPA, the appropriations group said, was in Louisiana, where some state officials have faced criminal charges. The committee's report declared that it was "incomprehensible" that federal officials, "at least in Louisiana, were not cognizant of the waste and diversion and misapplication of funds."

The $975,650,000 WPA appropriation was compared with a $1,477,000,000 relief outlay for the full 12

Blow At Switzerland Now Is Being Feared

LONDON, May 15 (U.P.) — The British Press association, which is close to the foreign office, said tonight that tension was increasing throughout Europe and especially in Switzerland as a result of fear of a new Nazi blow.

"In Switzerland there is deep fear of an invasion by Nazi armies, which continue to concentrate on the Swiss frontier," the press association diplomatic correspondent said.

Previously dispatches from Switzerland said that thousands of persons were evacuating the areas adjacent to the German frontier and moving toward the interior.

Yugoslav Legation In Rome Being Guarded

ROME, May 15 (AP)—Italian troops were posted to guard the Yugoslav legation against possible demonstrations today. This was the first time any show of military protection had been made at the legation since the pro-German-anti-Ally demonstrations began last weekend.

First Lady Eats A Five-Cent Meal But It Costs Her $1.25

(By The United Press)

WASHINGTON, May 15—Mrs. Franklin D. Roosevelt ate a five-cent dinner last night, the typical meal of unemployed, but it cost her $1.25.

The meal was prepared by the "Daughters of the American Depression," delegates to the women's national conference on unemployment.

Its main course consisted of beef stew, made of less than two ounces of beef, one-fourth of a carrot, one-fourth of an onion and half a potato. It was served with half a slice of bread and oleomargarine. One stewed prune was the dessert.

The delegates, however, fared better. They consumed a nine-cent meal which was described as characteristic of the fare that better-paid WPA workers can afford.

This one consisted of pork chowder, string beans, cabbage salad sans dressing, bread and real butter and coffee with real cream. The one-prune dessert also was included.

The $1.25 charge was made by the National Press club to cover costs of preparing the "banqueta."

Victorious German Troops Roll Into The Hague As Dutch Give

Smooth Entry Is Prepared

By FREDERICK KUH
United Press Staff Correspondent

LONDON, May 15 — German troops entered the Hague, capital of Netherlands, today and Dutch troops surrendered their arms to them, the Holland radio announced.

Townspeople of the Hague awoke this morning to hear the roar of motors of low-flying German airplanes, the radio said, and at 8 a. m. a column of 100 German motorized vehicles drove into the city.

Troops Are Reviewed

The officer commanding the German forces, together with four high German navy and army officers, reviewed the German troops.

A speaker announced as Gen. Henri Gerard Winkelman, commander in chief of the Dutch armed forces, said over the radio:

"I have the deepest admiration for what has been achieved by commanders and their troops." It is not their fault that at some places reinforcement was impossible, so that they could not hold out. All of you acted in accordance with a soldier's honor."

The broadcast meant that Holland had joined the countries which the Germans had overwhelmed since 14 months ago today they entered Czechoslovakia. Holland's queen and its government were in London, and the country—all but Zeeland province at the entrance to the river Scheldt—was conceded to the Germans. The Dutch fleet had joined the Allied navies.

Everything Is Prepared

Radio Amsterdam blared out a long list of statements—all in German. One, announced as being made in behalf of the burgomaster of Amsterdam, said that everything had been prepared for the "smooth" entry of German troops.

"The population will keep quiet," said the announcer.

It was added that the burgomaster had forbidden townspeople to take food from the city.

A German voice said to have been that of Lieut. Gen. R. Wenninger, air attache to the German legation to the Netherlands, broadcast "to the German foreign office" a request that Germany send representatives to the Hague, the Dutch capital, "for discussions regarding steps to be taken to maintain order."

Arms Are Laid Down

"Please inform the authorities," the announcer said. "Today, May 14, I received the Dutch General Schurman, who declared:

"'I have to make the statement to your excellency that the Dutch defense forces, with the exception of those in Zeeland, have laid down their arms before the advancing German troops.'

"I accepted that declaration. Thereupon the Dutch high command requested Berlin by the air attache, Lieut. Gen. Wenninger, to send plenipotentiaries of the German troops to headquarters at the Hague for discussions regarding steps to be taken to maintain order and calm."

It was announced that Holland's air defense corps had been demobilized and that volunteers should go home. The blackout of cities was cancelled.

Ordered to Stop Fighting

The Amsterdam radio had announced at 8 o'clock last night that Gen. Henri Gerard Winkelman, Dutch commander in chief, had ordered all troops to stop fighting.

Afterward the Amsterdam radio read a dispatch in the German language asking the German commander in chief to stop the German airplane bombardment of the Helder, Holland's big naval base at the tip of north Holland province.

This was followed by the reading of a message from the German minister at the Hague to the commander in chief of German forces in Holland:

"Although at 9 p. m. all Dutch troops laid down their arms except in Zeeland, German planes are bombarding the Helder."

Shortly before midnight an announcer said to be Gen. Winkelman took the microphone and told the Dutch people:

Explanation Is Given

"I esteem it a favor to give you personally an explanation of the very grave decision I had to take today. We had to lay down our arms because there was no other way out. Under other circumstances we should have fought to the end.

"If we had fought on, not only our army but also civilians, (including) women and children, would have been destroyed because in such a populated country it is difficult to avoid killing civilians when bombing is aimed at military objectives."

The Netherlands legation here announced early today that the surrender order did not affect the Dutch fleet.

In Malaysia bees make honey, but do not eat it. Since there is no winter there, the bees need not store up food.

FRENCH HAVE BIG GUNS, TOO—As though to counter German boasts about their big guns, this picture of a giant railroad rifle, somewhere in the war zone, was issued by the French with a caption asserting that "France handles first-class material."

Queen Of Carnival Here Is Selected

Queen of the Cotton carnival at Palace theater Thursday night will be Marguerite Brannen, Texas Technological college freshman home economics student from Littlefield, Harold McDaniel of Loop announced Tuesday night.

McDaniel is president of the Texas Tech chapter of Phi Psi, national textile fraternity, which will sponsor the carnival.

Carnival officials had announced the queen would be elected today, but through an error Tuesday was listed as election day in a letter to the student council.

Miss Brannen will be presented at 8 45 o'clock Thursday night on the stage of the Palace theater.

Members of her court will be defeated candidates. They are Marilynn Fry of Floydada, representing Las Chaparritas club; Janie Slay of Albany, Las Vivarachas; Mary Paxton of Sweetwater, Sans Souci, and Billie Bess Shive of Big Spring, DFD. Miss Brannen was a candidate of Ko Shari club.

McDaniel said voting was close.

Cold Storage Group Now Being Formed

SEAGRAVES, May 15—A campaign to secure 200 members of the Seagraves Cooperative Cold Storage association is underway, said S. W. Bryan, who was chosen temporary secretary-treasurer.

The Houston Bank for Cooperatives, it is said, will lend money for construction. The group is a subordinate organization of the Cooperative Gin association. Fourteen persons signed up on first solicitation.

New Detours Noted On State Highways

AUSTIN, May 15 (U.P.)—Two detours are necessary on state highway 34 on account of asphalt surfacing in progress in Ellis and Kaufman counties, the Texas highway department notified motorists today. In Ellis county the construction work begins about half a mile west of Ennis and extends over 10 miles westward. In Kaufman county work is under way between Terrell and the Hunt county boundary. When asphalt is being poured and covered, 30 minute waits are required.

Asphalt surfacing that was under way on U. S. highway 90 two and a half miles west of Cline has been completed and the half mile detour there is no longer required.

Only detour now necessary on state highway 24 is 10 miles east of Graham. Other detours in Delta and Lamar and Hunt counties are discontinued.

Annual Barbecue Is Held Here Tuesday

Lubbock Future Farmers entertained their fathers in an annual barbecue at Mackenzie State park Tuesday afternoon. Dr. J. O. Ellsworth, head of the department of economics at Texas Technological college, and Dr. W. B. Irvin, superintendent of schools, spoke briefly.

Mock lamb judging was viewed with enthusiasm by approximately 75 who attended. Bobby Lowrey was declared winning judge and the grand champion, a member of the FFA, was auctioned by Basil Moss.

Ocie Wadsworth's string band furnished music. Ernest Thaxton, jr., secretary-treasurer, reported on accomplishments of the chapter.

President of the chapter is Howard Alford. Henry Ellis

IMAGINE! UP TO $60 SAVINGS ON A BIG 6 CU. FT. 1940 LEONARD!

*State and local taxes extra.

TALK about bargains—here's a "buy" that beats them all. Big, 1940 Leonard Electrics—delivered today—at a saving of as much as $60 compared with last year's prices.

No—they're not last year's models offered as a "clearance"—or small refrigerators—but BIG 6 and 8 cubic-foot, *finest quality* 1940 LEONARDS at new reduced prices.

Look at those features on the right.

And talk about economy! Leonard's new silent Glacier sealed unit runs a fraction of the time, saves many dollars a year.

If you're still using ice or depending on a small, old-type refrigerator, it's time you changed to a Leonard. Come on in today—and see our new models.

1940 LEONARD GIVES YOU ALL THIS!

- Fine Permalain cabinet finish
- Porcelain-on-steel cabinet lining
- Full 6¼ cubic foot size—holds an average week's supply of food
- 11½ square feet of roomy shelving
- 84 big ice cubes—9 lbs.
- Silent Glacier sealed unit—requires no oiling
- Automatic light
- Lon-A-Latch Door Handle
- 5 Year Protection Plan
- Embossed Freezer Door.

Church Parley Ends Tuesday

SEAGRAVES, May 15 (Special)—Annual Lubbock district conference of the Methodist church closed here Tuesday afternoon after listening to numerous reports of progress during the past year.

Dr. O. P. Clark of Lubbock, district superintendent, presided. Bishop Ivan Lee Holt of Dallas was a guest speaker. Approximately 400 Methodists attended, including 35 pastors of the district.

Reports Are Heard

Education and missionary reports were heard this afternoon from Dr. Frank L. Turner, president of McMurry college at Abilene; Rev. W. E. Hamilton of Lubbock, Rev. J. H. Crawford of O'Donnell, Rev. R. L. Kirk of Lubbock, Rev. Don R. Davidson of Idalou, Rev. R. T. Breedlove, and Dr. L. N. Lipscomb, Lubbock First church pastor.

Mrs. M. B. Hilburn of Lubbock, Christian service secretary, reported on women's work and A. N. Gamble of Lubbock, district lay leader, on lay work.

Foster Lindley, Texas Technological college theology student from Seminole, and Horace Elliott of Brownfield were ordained to the ministry.

Expenses of eight undergraduates of the district who will attend Southern Methodist university at Dallas this summer were underwritten by nine churches. They are First church, Lubbock; Lamesa, Seagraves, Brownfield, Robertson, Ropesville, Tahoka, Post and Slaton. The term opens June 20.

New Member Added

A preliminary check of pastor reports showed 1,030 new members had been added to the 78 churches during the first half of the conference year, since the Northwest conference last November. Salaries were estimated to be from 40 to 45 per cent paid for the year and benevolences were reported more than 50 per cent paid of the acceptances.

Other Lubbock delegates were Rev. W. E. Peterson, pastor of Asbury church, Rufus Scarbough, R. Bush Smith, Tom Stoneroad, E. L. Campbell, Mrs. Erle Thompson, Mrs. Gamble and Ralph Brock. Mr. Kirk is pastor of St. John's, Lubbock's new Methodist church.

Rev. I. A. Walker was host pastor.

The motto of the Knights of the Order of the Thistle in England is "No one provokes me with impunity."

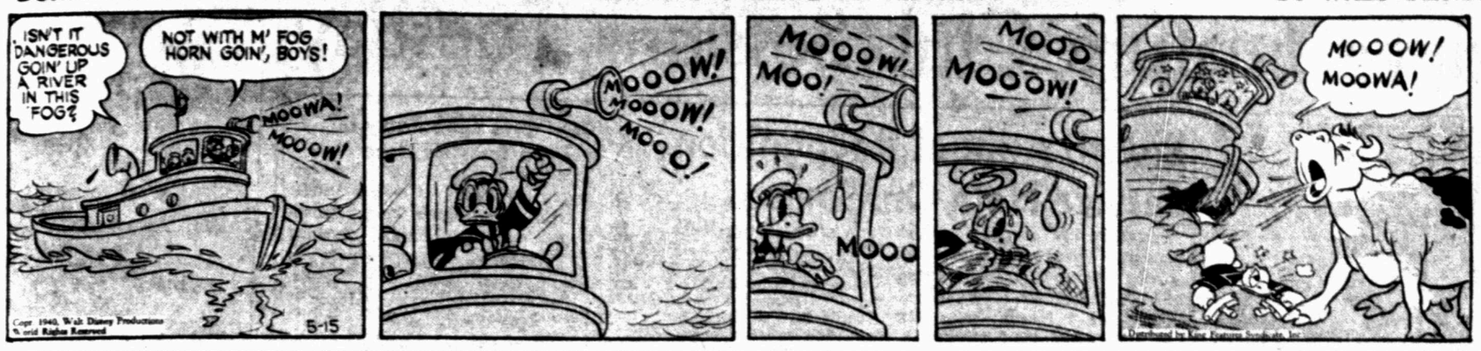

---

number of South Plains towns.

Others on the program included Dr. R. P. Reeds, W. W. Parkinson and Bob Perry, all of Lubbock.

Also attending from Lubbock were George Watkins, L. M. Dever, Noel Stalnaker, Mr. and Mrs. Jim Kuykendall, Mr. and Mrs. Ben Eskridge and Boone Horne.

DONALD DUCK — HUSBAND CALLING CONTESTANT? — BY WALT DISNEY

Refugees Never Expecting To See Homes Standing Again

By TAYLOR HENRY
Associated Press Staff Writer

SOMEWHERE ON THE WESTERN FRONT WITH THE FRENCH ARMY, May 15—Grim lines of refugees are trickling from the French-Belgian frontier zone toward the interior of France along roads bombed and strafed by German warplanes.

The crescendo of heavy artillery sweeps more and more civilians onto the roads hourly.

Very old and the very young are in automobiles requisitioned by civilian defense authorities. Others travel in their own cars or plod along afoot.

This new trek to safety from the same area devastated in 1914 began in the early hours of Sunday morning.

As I talked to some of them, air raid sirens warned that German planes were on their way for the twelfth time in 18 hours. No bombs had fallen yet on the town itself although people have been killed and wounded in the surrounding district. One raider was brought down by anti-aireraft guns which are barking constantly.

It's really war on the Western front now. You need only look at the refugees to realize that.

Few of them expect to see their homes standing again.

"We didn't even bother to lock the doors," one middle-aged woman said. "After this is over we will rebuild, just as we did after the last war."

LOTS OF SEWING

More than 100,000 persons are employed in producing clothing for England's new army. Shirting material is ordered by the mile, and shirts by the hundred thousands.

SCIENTIFIC tests have confirmed it, but you can tell just by smoking Camels that they are slower-burning. You'll find Camels free from the excess heat and irritating qualities of too-fast burning...extra mild and extra cool. You'll find a full, rich flavor that only Camel's matchless blend and slower way of burning can give. And on top of the *extra pleasure*, you'll find Camels also give *extra smoking* (see right).

In recent laboratory tests, CAMELS burned 25% *slower* than the average of the 15 other of the largest-selling brands tested—slower than *any* of them. That means, on the average, a smoking *plus* equal to

Current Book Reviews Feature Club Sessions Tuesday

Dates Are Set For Luncheons

Winding up the season's business is of paramount importance to study club members at present. Several meetings were conducted Tuesday afternoon.

The Junior Twentieth Century club met at the Tech women's dormitory for an annual guest day, a luncheon and a book review.

Members of the entertainment committee greeted guests. They were Mesdames Arch S. Underwood, chairman, Arthur Jenkins, Ralph Trolinger and Charles Read.

Garden flowers decorated the lounge. The serving table was covered with a white organdy cloth and centered with three silver bowls of larkspur and roses. Mesdames S. H. Reid, jr., and Charles A. Guy, president and vice-president of the club, served a buffet style luncheon to 86 guests and members.

Welcome Heard

Guests and members were seated at tables for six. Following the meal the roll call was answered and Mrs. Reid welcomed the guests. She announced that the club had won $5 at the seventh district of Texas Federation of Women's clubs meeting in Shamrock recently. The organization was also presented with a loving cup and the cash award for the best welfare work done by any club in the district.

Mrs. Robert Wright introduced James G. Allen, associate professor of English and dean of men at Texas Technological college, who reviewed "How Green Was My Valley," (Llewelyn).

Rev. Donald F. West, assistant pastor of the First Christian church, reviewed "King's Row" (Dr. Henry Bellamann) at a meeting of Athenaeum club at 3 o'clock at Hotel Lubbock. Fifty-three guests and members were present.

A luncheon is to be held May 28. Mesdames P. E. Collette, R. S. Underwood and Raymond Marshall were hostesses at the Marshall residence, 2505 Twenty-first street, for members of Lubbock Woman's Forum. A book review of "Imperial Twilight" (Bertita Harding) was given by Mrs. A. H. Maas.

Solo Played

Mrs. Chester Elliott played "Valse Caprice" (Rubenstein) and three Tech students, Misses Lucille Ehlinger, Mickye Temple and Betty Grimes gave a dramatic skit.

Thirty-five persons were present. A tea will be served May 28 and officers will be installed.

Mrs. J. D. Sanders reviewed "Suburban Housewife" at a meeting of Clement-Sorosis club at the home of Mrs. Raymond Flanagan, 2005 Twenty-sixth street. A short business session was conducted.

Those attending were Mesdames B. E. Needles, Jerry Brooks, Bob Gee, Guy Wheatley, Dwain Rogers, Powell McWhirter, Homer Roper, Clarence Woods, Ray Darwin, Vance Apple, Hugh V. Newton, J. H. Fowler, M. S. Craig, W. H. Freeman, Ben Jenkins, Ben Mashburn, Grady Davis, M. L. Waldrop, jr., and a guest, Mrs. Fred Youree.

A luncheon will be held May 28 at Mexican Inn at 1 o'clock. Hostesses are Mesdames Apple, Woods, Fowler, Jenkins, Mashburn, Newton, Leo O. Buchanan, Davis, Waldrop, Ernest Ohnemus, Craig, Freeman and Darwin.

Report Given

Mrs. R. C. Douglas, jr., was hostess to the Junior-Sorosis club. Mrs. Elva Baker discussed plans for the luncheon, May 28. Mrs. McWhirter from the Clement-Sorosis club gave a report of the seventh district meeting.

A called meeting is to be held Thursday, May 23, at the home of Mrs. Loftin Baugh, 1306 Twenty-fifth street.

Those present were Mesdames Baker, Ralph Faver, Joe Christian, J. D. Cates, Winfred Stout, Weymond Newton, Howard Corley, H. F. Gilley, Baugh, W. E. Morris, Fenton Harding, a guest.

Twenty-two members and one guest, Mrs. R. D. Erwin of Sherman, attended the Twentieth Century club meeting at Hotel Lubbock. Miss Mary Louise McDonald was selected to represent the club at the Cotton Carnival to be held Thursday night at the Palace theater.

Mrs. W. O. Stevens gave a report of the seventh district convention. Mrs. Roscoe Wilson reviewed "The American Way" and Miss Mae Murfee gave a talk on "Health and Safety."

Luncheon Planned

Dr. O. A. Kinchen is to talk at the next meeting, May 28.

Sorosis club met with Mrs. G. A. Foote, 3501 Twenty-first street, with 20 members present. Mrs. C. H. Smith presided.

Mrs. I. M. Robinson gave a report of the district convention and Mrs. E. R. Howell talked on Engineering Feats in the United States. Mrs. W. A. Clark talked on Peculiar Feats Worked Out by Nature.

The last meeting of the season will be a luncheon, May 28.

Mrs. T. H. Barnard presided for a luncheon meeting of the Lubbock Woman's club in the Hilton hotel Chimayo room that closed the season. Next meeting will be the third week in September. Thirty-three women were present.

A program consisted of a baritone solo, "The Holy City," J. F. Floyd and a vocal solo "I'm Falling in Love with Someone" (Herbert), Miss Doris Kirk.

Mrs. F. A. Kleinschmidt gave a detailed report of the seventh district convention, Texas Federation of Women's clubs, held recently in Shamrock.

COLORFUL CASSEROLE—If all casserole dishes were as attractively served as this one there certainly would be no family objection to their frequent appearance on spring menus. This carrot-rice mixture is topped with crushed pineapple and a lattice work of pimiento strips together with a border of parsley.

June Brides-Elect Honored At Parties And Showers

Parties and gift showers were given Tuesday afternoon for two June brides-elect.

Miss Ruby Faye Meredith who is to marry Sam Neathery June 8 was honored at a luncheon and a bridge party and Miss Kathryn Weaver who is to wed Oliver Thomas of Oklahoma City, June 2 was complimented at a kitchen shower.

Mrs. W. C. Tredway, sister of Mr. Neathery honored Miss Meredith at a luncheon at 2409 Thirteenth street at one o'clock. Yellow roses centered the tables. Placecards were green-bound books with wishes for the bride-elect. She was presented with a gift.

Guests were Mesdames Robert Allan Hill, jr., of Amarillo, Misses Doris Peavy, Doris Minor of Slaton, Carrie Ann Monroe, Mary Helen Johnson, Mary Price, Mary Beth Tomlinson and Linda Chappell.

Corsages Presented

Mrs. Tom B. Simmons, jr., was hostess at a bridge party and kitchen shower at 3 o'clock at her home, 3905 Twenty-first street. Pansy corsages were on each plate. Winners in the bridge games presented the gifts to the honoree.

Guests were Misses Minor, Peavy, Tomlinson, Chappell, Etoile McLeod; Mesdames George A. Simmons, jr., Tredway and Hill.

Mesdames W. H. Bledsoe and M. C. Overton entertained with a kitchen shower and informal party to honor Miss Weaver. Guests called at the Bledsoe residence, 1812 Broadway, and were greeted by Mesdames A. V. Weaver, Barnie Rushing, jr., Overton, Bledsoe and the honoree.

Misses Mildred Boone and Evelyn Jones and Mrs. A. V. Weaver, jr., served. The dining table was covered with a lace cloth. White candles and garden flowers were decorations. Gifts were on display in the dining room.

Guests Named

The guest list included Misses Lula Mae Cravens, Jonnie McCrery, Margaret Turner, Mary Meador, Pauline Hooser, Lena Belle Brown; Mesdames Edna Lyles, Mary W. Doak, A. B. Cunningham, John Halsey, Earl Collins, Eleanor M. Chitwood, Charles Read, Wesley Read, C. M. Ballenger, W. R. Spencer, Richard Douglas, D. N. Leaverton, R. D. Moxley, T. R. Prideaux, Owen McWhorter, L. C. Ellis, Carl Roberds, John Dalrymple, Sam Henry, Neil H. Wright, W. L. Baugh, Claude Hurlbut, R. E. Hardberger, F. M. Maddox, J. P. York, Drew Phillips, Frank Winn, A. B. Davis, R. S. Rodgers jr., R. S. Rodgers, L. E. Miller, Murray Jones, H. A. Davidson, Clara Abney, W. A. Bacon, C. E. Maedgen, John Jarrott, E. L. Robertson and Truman Hutson of Hobbs, N. M.

Eighth Annual Recognition Service Held On Campus

Featuring the traditional torch ceremony and honoring 168 high ranking women students at Texas Technological college, the eighth annual Women's Recognition service was held on the south administration lawn Tuesday afternoon.

Marie Shook, retiring president of the Association of Women Students, presented the torch of school leadership to Jane Hill, presidept-elect of AWS, as head of the organization for 1940-41. The Quarterly club is co-sponsor of the event, assisted by the Forum.

Honorees and pages, all dressed in white spectator sports dresses, marched by twos from the front of the home economics building through the cloisters of the administration building to the south lawn. Processional was played by a violin chorus directed by Dr. Julien Paul Blitz and accompanied by Mrs. Blitz.

Sing College Hymn

Following the processional the college chorus and audience sang the college hymn, O College Mother, Beautiful.

As Deans Mary W. Doak and Margaret W. Weeks read the recognition roll, each honoree stepped forward and received a rose from her page. Then the roll was presented to President Clifford B. Jones by Miss Shook.

Recognition was for A-minus averages, outstanding work in the Y.W.C.A., inter-collegiate dramatic tournament, inter-collegiate debate, outstanding work in the Freshman honor society, Alpha Chi membership, Phi Upsilon Omicron membership, outstanding work, division of arts and sciences, outstanding work in the Junior council, outstanding work in Women's Self-governing association, Women's Press club membership, Alpha Psi Omega membership, Gargoyle club prize, highest ranking senior woman, division of engineering, president Home Economics club, Who's Who, outstanding work in Association of Women Students, outstanding work in the Women's Athletic association, Alpha Epsilon Delta membership, president Las Leales club, Toreador, highest ranking woman, division of home economics, and outstanding work in that division, outstanding work in engineering show, president Freshman honor society.

WAA Banquet Is Scheduled

Annual banquet of the Women's Athletic association of Texas Technological college will be conducted at 7:30 o'clock Thursday night in Lubbock hotel.

Seniors in the association will be honor guests. They are Jerriene Wharton, Reba Hill, Mary Springer, Lucille Cox, Dorothy Day, Ouida Davis, Eula Embry, Alma Fern Green, Mrs. Analara Power, Ann Sweatman, Gwendolyn Tosh, Essie B. Waters, Jean Willman, Thelma Carter, Almarine Nunnally, and Ozora Young.

Miss Emery, president of the association, will preside.

Members of the general arrangements committee are Mary Moore and Betty Jo Savage. Committee chairmen include Katherine Pruitt, decorations; Sibil Blair, program, and Grace Scott, invitations.

Mrs. Berl Huffman and Miss Margaret Baskin are co-sponsors of the organization.

Approximately 100 persons are expected to attend, said Mrs. Huffman. Alumnae have been invited.

Banquet theme will be "Rhythm."

Mothers Club Plans For Next Season's Work

An election of officers featured the last meeting of the Westerner Mothers club Tuesday afternoon at the school.

Mrs. Leete Jackson was elected president for the coming year. Other officers are vice-president, Mrs. Rafe Nabors; secretary and treasurer, Mrs. L. Walthall; reporter, Mrs. L. B. Wright.

Committees appointed were as follows: membership, Mesdames E. L. Butler and L. S. Thorne; social, Mesdames S. R. McKinnon and C. Bearden; finance, Mesdames Nabors and J. A. Blackwell.

A hayride is to be held for the Westerners and their dates Saturday night at 7 o'clock at the E. F. Alford home, west of town.

Mrs. P. W. Cawthon, retiring president, was presented with a gift from the club.

Church Members To Be Honored Tonight

New members of the First Christian church — approximately 150 who have been received since July —will be honored at 8 o'clock tonight at the church, Sixteenth street at Avenue J.

An old-fashion social — songs, games and refreshments — has been planned by the membership committee of the church. Judge E. L. Pitts is chairman.

More than 375 members have been received since the pastor, Rev. H. G. Gantz, came to Lubbock in January of 1938.

Approximately 200 persons are expected to attend tonight's social.

Past Matrons Form Club

Past matrons of the Lubbock chapter, Order of the Eastern Star, or a chapter elsewhere met Tuesday night with Mrs. Paul Hardwick to form a club. Meetings will be held monthly. The purpose of the club is for fellowship and to aid in work of the local chapter.

Mrs. Annie Potts presided as chairman for election of the following officers; President, Mrs. Hardwick; vice-president, Mrs. France Baker; secretary, Mrs. A. D. Montgomery; treasurer, Mrs. Potts.

Officers Are Appointed

Mrs. Hardwick appointed Mrs. Mark Halsey as reporter; Mrs. Luther Bynum, historian; Mrs. R. T. Bertram, chaplain, and Mrs. Leonard R. Day, marshal. Mesdames Rafe Nabors, Willie Brown and T. H. Barnard were appointed members of a committee to draw up by-laws. Mrs. Barnard presided for installation of officers.

The club will meet Tuesday, June 11, with Mrs. Halsey, 2308 Seventeenth street, at 8 p. m.

Others attending were Mesdames Sylva Wheelock, Gussie Gammill, R. A. Barclay and Mary F. Hinton.

Senior MacDowell Club Has Election Tuesday

Senior MacDowell Music club met Tuesday night with Miss Imogene Webster, 2515 Twenty-third street, for an election of officers and program of piano selections.

Elected were: President, Billie Kuntson; vice-president, Mary Ada Luck; recording secretary, Dorothy Magee; corresponding secretary, Doris Peeples; parliamentarian, Helen Edgett; program chairman, Ruth Wade; reporter, J. T. Lamm; entertainment chairman, Carolyn Seale and treasurer, Wilford Smith.

Mr. Lamm played Sonata Opus. 49, No. 1 (Beethoven); Miss Webster offered Clair de Lune (Debussy); Miss Kuntson played Fable (Schumann) and Mrs. W. C. Wood, sponsor, played the last movement from thirteenth Hungarian Rhapsody (Liszt).

Others attending were Misses Twila Farrell and Juanita Parker.

Housewarming Is Given For Mrs. Cavett Hunt

Mrs. Cavett Hunt, who recently moved to a new home at 2106 Eighth street, was honored when several women called at her home Tuesday afternoon, bringing gifts and refreshments.

Mesdames E. Gilliland and R. L. Tanner planned the housewarming.

Attending were Mesdames Bennie D. Cox, C. C. Perryman, R. E. Overstreet, H. F. Williams, Drew Phillips, M. A. Lanford, J. H. Cox, N. H. Lassiter, H. F. Bennett, Rudolph Peel, Lou Burford, Carl Hunt, Luther Berhns and Orley Rush.

Merry Needlers Club Is Entertained Tuesday

Mrs. John Wood, 3620 Dixie Drive, entertained Tuesday afternoon for the Merry Needlers club. Her guests were Mesdames J. Scott Hollingsworth, Eugene Hancock, John G. Cathey, J. A. Peel, J. D. McPhaul, Barney Brady, G. G. McMurray and O. T. Stewart.

Questers Wives Club To Meet In Patton Home

Questers wives club is to attend a covered dish supper Thursday night at 6:30 o'clock at the home of Mrs. Leroy T. Patton, 2415 Nineteenth street. Mrs. E. F. George will be assistant hostess.

Check Itching First Application

Agonizing itching of ugly eczema, Rash, Tetter, Ringworm, Pimples, Scabies, Toe Itch is checked in ONE APPLICATION of BLUE STAR OINTMENT. Repeat as needed as nature helps heal. Money back if FIRST jar fails to satisfy. Try it today.

Adv.

Royce Dale Shipp, 6, Is Honored On Birthday

Mrs. Melba Shipp, 1516 Avenue D, entertained Tuesday afternoon to honor her son, Royce Dale, on his sixth birthday. Games were played and refreshments were served.

Guests were Billy Joe and Betty June Herron, Juanita, Billy and Dick Hill, Charles and Lowell Thompson, Patsy and Jeanette Wright, Jerry Shipp; Mesdames Leroy Wright, Alvin Herron, W. B. Lamb and J. P. Lee.

Mrs. Buel Hall Is Club Hostess On Tuesday

Mrs. Buel Hall, 2111 Twenty-first street, was hostess to the 1934 Needle club Tuesday afternoon. Miss Dovie Edwards was a guest.

Members present were Mesdames O. H. and U. S. Allen, Jesse Chinn, Pascal Peek, G. C. Bishop, W. F. McPherson, J. A. Hall and Lloyd Nelson.

The club will meet May 28 at 3 p. m. with Mrs. H. H. Jons, 602 Avenue W.

Two Entertain Tuesday For Pioneer Needlers

Mesdames P. B. Penney and George R. Bean were hostesses to the Pioneer Needle club Tuesday afternoon in the home of the latter at 1614 Nineteenth street.

Guests were Mesdames Nettie Edwards and Sylva B. Wheelock.

Members attending were Mesdames J. D. Lindsey, R. A. Barclay, Mary F. Hinton, E. Y. Lee, Anna F. Parks, E. R. Vaughn, L. W. Bullock, F. B. Barclay, C. C. Wolffarth, L. C. Doyle, L. D. Rankin.

Auxiliary Has Election After Luncheon Hour

Officers were elected when the auxiliary to the typographical union met for a luncheon at Kitchen's Tuesday afternoon. The occasion also observed its tenth anniversary.

New officers are: President, Mrs H. R. Miller; first vice-president, Mrs. George Box; second vice-president, Mrs. R. E. Gunn; secretary-treasurer, Mrs. W. C. Edwards; chaplain guide, Mrs. W. R. Steckman.

Others present were Mesdames A L. Borho, Reese Donald, Herman Patterson, R. P. Raney, Wesley B Smith and Henry Perry.

Nifty Needlers Party Given By Mrs. Tew

Nifty Needlers club was entertained by Mrs. Morris Tew Tuesday afternoon. Her gusts were Mesdames M. E. Reed, H. J. Burt, Burk Wilhelm, Vois Myatt, J. T. Warden, members, and Mesdames H. H Ford, N. N. Tew, M. B. Dresser and H. J. Tew of Abilene, visitors.

CLUB TO MEET

Nu-Stitchers club is to meet Thursday afternoon at 2:30 o'clock with Mrs. Hall McCrummen, 1919 Sixteenth street.

Brief Bits Of News . . . .

Fire At Abernathy—Spread of a fire that burned a pile of posts in Higginbotham-Bartlett Lumber company at Abernathy Tuesday afternoon was prevented by prompt assistance of volunteer firemen, said Buford Davenport, editor of the Abernathy Review. Origin of the blaze had not been determined.

Sloan To Visit Here—Floyd L. Sloan, field representative of the veteran's state service office, advised this morning that he will pay his monthly visit to Lubbock Thursday and Friday, May 23-24, to assist anyone with claims against the government growing out of military service. His headquarters while here will be Allen Bros. post home of the American Legion, 910 Texas avenue.

Daugherty Has Contract—Curley Daugherty of Olton, a rodeo promoter, has the contract to stage a rodeo ni Clovis, N. M., during the annual Pioneer celebration there June 6 and 7. He will give two day and two night performances. Daugherty is well known among West Texas cowboys who compete in professional rodeo performances and has been in Lubbock on numerous occasions.

V. F. W. to Meet—Delegates to the annual state encampment in Galveston June 17-19 are to be elected and plans for Memorial day observance discussed at the regular meeting of Lubbock post of Veterans of Foreign Wars in the basement of the Myrick building tonight at 8 o'clock, according to Harry Hill, commander. Coffee and doughnuts are to be served.

Minstrel Planned Tonight—Negro Boy Scouts will present the minstrel, "Alabama Bound," tonight at 8 o'clock in Dunbar school. A special section will be reserved for white people. Admission will be 25 cents. A parade to advertise the event was planned this afternoon.

Smith To Floydada — Preliminary plans for an annual meeting of directors of West Texas Old Settlers association in Floydada May 28 were to be made there today by R. B. (Bob) Smith of 2702 Twentieth street. Directors are to complete plans for the annual reunion at the old Hank Smith rock house north of Crosbyton Aug. 15-16, he said. Smith, son of Uncle Hank and born in the house, is general manager of the group.

Dr. Brown To Drake — Graduate of Lubbock high school and of Texas Christian university, Fort Worth, Dr. Sterling Brown, who has been on the University of Oklahoma faculty at Norman, will become professor of practical theology at Drake Bible college, Des Moines, Ia., June 1. He received his doctorate at the University of Chicago and since then has been at Norman. In addition to his teaching work he will be minister of education at University church, Des Moines.

Daughter Born — Mr. and Mrs. L. M. Cox of 2306 Twenty-second street are parents of a daughter born at 9:20 o'clock Tuesday night in West Texas hospital. The baby weighed 7 pounds 6 ounces.

Two-Room Addition To School Planned

Bids for the construction of a two-room addition to Dunbar negro high school will be opened Wednesday night, May 29, at 8 o'clock in Senior High school auditorium, according to information given by school officials this morning.

The negro schools, with an enrollment of 524 pupils, were described as being the worst crowded in the city system.

Estimated cost of the addition is $6,500, officials said. Funds will come from the money remaining out of a $150,000 building expansion bond issue voted in September, 1938.

Officials said that specifications for the addition may be obtained Thursday or later from Haynes and Strange, architects, with offices in the Myrick building.

MEETING CHANGED

The Double Six Forty-Two club will meet Thursday afternoon at 3 o'clock with Mrs. Roscoe Webster, 2515 Twenty-third street, instead of with Mrs. Ralph Moore as previously announced.

The plesiosaur, a reptile of prehistoric days, swam by means of four great paddle-like limbs, which it used as oars in rowing itself along.

Public Is Invited To ROTC Review

The public is invited to see the review of the Texas Technological college senior engineering unit of the Reserve Officers Training corps before the federal inspecting officer at 11:10 o'clock Friday morning on the campus, Capt. Frank A. Pettit, commanding officer, said this morning.

Col. E. A. Keyes, cavalry, civilian components officer for the eighth corps area, with headquarters at Fort Sam Houston, will arrive in Lubbock late Thursday and will make the annual inspection.

Crowds frequently collect to see reviews by the Tech unit and numerous persons have asked Captain Pettit why the public is not invited. The officer said this morning that, although spectators are welcome at any of the reviews, many are a regular part of instruction and the unit does not wish to represent them as demonstration reviews. The review Friday morning will be the one which will be considered in determination of the unit's rating with the war department for 1940.

Arkansas pays the lowest average relief benefits of any state.

Informal Gathering Staged At Idalou

Out of an informal gathering last year at Idalou may grow an annual reunion of former residents of Hood county, said Mrs. N. F. Cherry in announcing an all-day picnic Saturday in Mackenzie state park.

"We don't care how early you arrive—just so you bring your basket lunch," Mrs. Cherry said.

Organization may be effected so as to include election of officials.

Informal speaking, the dinner and all the rest that goes with such a reunion is promised.

FRAGMENTS TO INDIVIDUALS

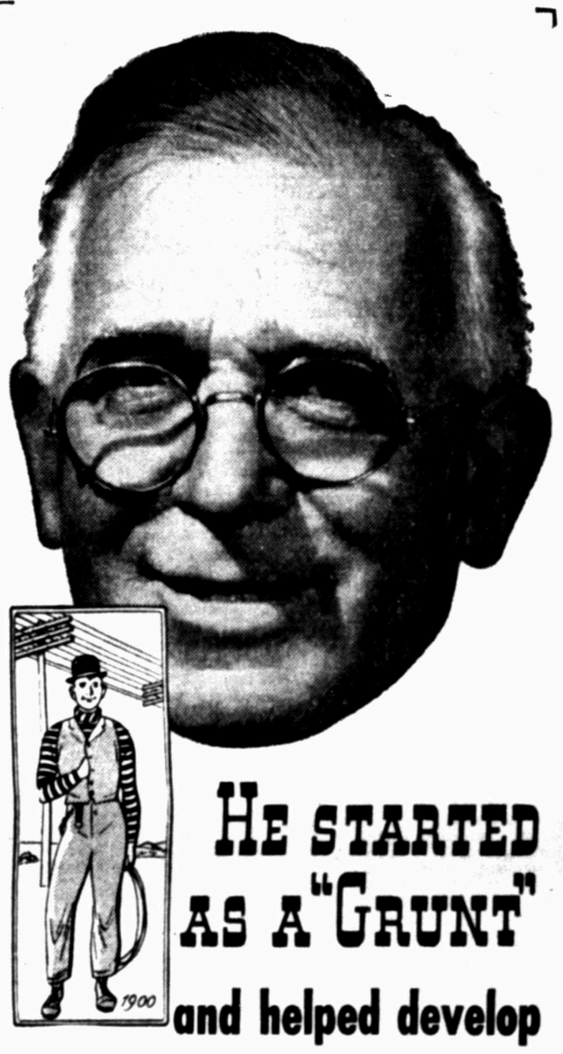

The sea-anemone is an animal that resembles a plant. As it moves, parts of its broad "foot" adhere to the surface of rocks and are torn off, and the fragments grow into complete new anemones.

RHEUMATISM

RELIEVE PAIN IN FEW MINUTES

To relieve torturing pain of Rheumatism, Neuritis, Neuralgia, or Lumbago in a few minutes, get NURITO, the splendid formula, used by thousands. Dependable — no opiates. Does the work quickly. Must relieve cruel pain, to your satisfaction, in few minutes or your money back. Don't suffer. Ask your druggist today for NURITO on this guarantee.

HE STARTED AS A "GRUNT" and helped develop a great telephone system for Texas

FORTY YEARS AGO this man was a *grunt** . . . a telephone lineman's helper. His eyes have seen a miracle . . . the development of the Bell telephone system that today serves nearly 550,000 Texas telephones. His hands helped make the miracle come true.

When he was "breaking in," there were less than 25,000 Bell telephones in Texas. Based on present standards, the service then was slow and not very dependable or clear. Sometimes it took hours to complete a long distance call.

Today, from the sidelines, this old-timer watches with keen delight as 8,500 Texas telephone workers carry on. The job is bigger now, but the goal is still the same . . . to furnish Texas with the best telephone service possible, at the lowest cost to the user.

*Probably so called because he did the heavy lifting for the lineman on the pole.

Negro Jailed After Fight

A negro man whose estrangement from his wife caused him to seek a forcible reconciliation got the worst of it Tuesday night, said police.

He was taken to jail, stitched by a doctor and put behind bars after his alleged cursing of his unconvinced mate caused her to wield a pocket knife with artistic effect.

The woman was released when she convinced authorities she acted only in her own defense.

Bicycles Are Stolen

The police blotter otherwise was drab. Three bicycles were reported stolen—from Burk Brown, a son of Mrs. C. M. Campbell and Fred Williams.

Two men or boys dropped a stolen tire and wheel in an alley when surprised by a witness in 1400-block Broadway.

Eureka Fender and Body works reported a burglary by two persons who "took a sack out of the place and put it in a car." description of which was supplied to authorities. Five gallons of paint remover and a gallon of paint had been missed, it was announced after a checkup. The place is at 355 Avenue H.

Human Life

(Continued from Page One)

struggling to hold the province of Zeeland in the southwest corner of their little country, but the surrender of their troops in the rest of the Netherlands was complete and quite expected. They couldn't hope to hold out long against the overwhelming strength opposed to them.

Zeeland presumably is being held as a protection to the important Belgian city of Antwerp just to the south. If the Germans overrun Zeeland it must be expected that they also will get Antwerp.

Threat For Britain

Nazi occupation of the Dutch coast raises a grave threat against Britain. The Nazis now will have airports close to England for the attack which they have been threatening. A Nazi radio announcer for instance today boasted that German planes now are less than 125 miles away from the important port of Harwich.

The British already are organizing defense against a possible parachute landing in England. Their gravest danger, however, is to their east ports and shipping which now will be laid open to the Nazi bombers, except for the British air fleet and anti-aircraft defenses.

Many of England's supplies come in through these ports, especially London. And their troop reinforcements and military supplies for France must cross the channel.

Is Potential Menace

The occupation of Holland obviously is a potential threat to the Allied blockade.

I wonder how many of us have paused to consider as this crucial battle has rolled up across the changing map of Europe that the Allied cause depends in large degree on the quickness of decision and far-sightedness of a stocky little man of sixty-seven whose lack of personal showmanship has left him in the background where he likes to be.

He's the Frenchman, Maurice Gamelin, one of the world's greatest specialists on war and commander-in-chief of all the Allied forces.

Gamelin — unemotional, quiet, methodical, tenacious, possessor of a prodigious memory, and natural born military tactician.

Allied Man Of Hour

He's the Allied man of the hour. That's not a new role for him, however, and the story is worth repeating here as the gunfire swells along the Meuse.

A quarter of a century ago, not far removed from the present scene of bloodshed the French were making a last ditch stand before the gates of Paris to stem the seemingly invincible rush of the German hordes at the outbreak of the World war. Gamelin, then a major in his dapper forties, was one of French Commander Joffre's chief aides.

In the darkest moment of this crisis the quick mind of Gamelin detected a weakness in the German position and recommended an immediate attack. Joffre trusted his man. The attack was made. The invaders were defeated and thrown back, and the entire course of the war was changed, for Gamelin had turned the German strategy topsy-turvy.

Line Pierced

(Continued From Page One)

arms in all except Zeeland province but, a Netherlands source in London said, are reorganizing remnants of their army on Belgian soil and retained its navy).

The high command also reported telling blows to Allied sea and air power.

Its communique put Allied air losses at 200 planes yesterday alone —(raising to about 1,400 the total reported destroyed in the six days of the campaign)—and said "enemy efforts to hamper German fighting activity" through air attacks were repulsed.

It acknowledged only that "35 of our own planes are missing."

Having forced surrender of all but isolated units of the Netherlands' 400,000-man army in five days of blitzkreig, Germany sought to extend the scope of this newest conquest by urging Belgium to follow the Dutch example.

Hour after hour, starting early in the morning, all German radio stations broke in on their programs with appeals to the Belgian soldiers to lay down their arms.

In Flemish and in French the soldiers were told that Germany does not wish to harm the Belgian people, that the German invasion of Belgium was brought about because Great Britain and France were getting ready to attack Germany through Belgium.

John T. Flynn Interviews The Candidates

Business Recovery Should Be Aided First, Taft Says

EDITOR'S NOTE: This is the fifth of six articles in which leading presidential candidates tell John T. Flynn, noted economist and writer, how they propose to bring about recovery if elected.

BY JOHN T. FLYNN
NEA Service Correspondent

When I asked Senator Robert Taft what he would do to bring about recovery in the event of his election, he answered:

"Whether we get recovery or not depends fundamentally on whether we have in Washington an administration that wants to encourage business or one that wants to fight.

"It seems to me that by this time everyone knows that nobody or no power can make business but business. That is, business men must invest money, must build plants, must order machinery must hire men. Any man who has a job has it with some other man who is in business. The only way to make two jobs grow where one grew before is to make it possible for the man in business to increase his business enlarge it so that he needs more men to operate it.

Flynn

"Now, that being so, is it not the most obvious thing in the world that an administration which uses its powers thinking up new ways to hamper business, to regulate it, to restrict it, to prevent it from growing, to fight it will discourage business? And is it not equally clear that the first thing to do about that is to substitute an administration which wants to free business, wants to help it to grow and expand?

"In other words the government can aid recovery only by helping business to recover, because recovery means essentially business revival. The government therefore should stimulate business and not make war on it."

End Taxes On Business Growth

Then I asked Senator Taft to say just what he would do, specifically, to aid business to recover.

"Well," he replied, "the first thing I would do would be to start taking off its chains. For instance, I would make an end of taxes that are imposed to prevent the growth of business. I would levy taxes in such a way as to encourage investment and enterprise.

"Then I would deal with all the restrictive laws and bureaus. I would administer the laws against monopoly in a spirit of friendliness to business, not in an angry, hostile spirit.

Would End Price Fixing

"I would put an end to all price-fixing programs. I would change the wage-hour law. I would order it so that it would be a real minimum wage law designed to protect workers from oppression where the normal processes of collective bargaining are not effective. But I would abandon hour regulation except so far as it is essential to protect the health of the worker or to ensure him time for recreation.

"I would amend the National Labor Relations Act. There should be a separation of the prosecuting and judicial functions in that set-up. Generally I would adopt the amendments proposed by the American Federation of Labor.

Would Amend Acts

"I would amend the Securities Exchange Act and the Securities Exchange Commission Act in a way to prevent any commission from acting as a barrier to investment. As these acts and that commission stand today they are like a fortress across the path of the investor seeking to put his money into business. We must protect the investor, but not drive him out of the market.

"These merely indicate the course of a general policy of freeing enterprise.

"But of course the government must end its deficits. The very existence of this policy introduces into our business world a state of uncertainty which is a drastic deterrent to business. We must begin at once to cut government expenditures.

"Must Quit Fixing Prices"

"We must get a farm policy which will help the farmers. We do not solve the farm problem by putting farmers on the dole.

"The first thing we must do is to increase the farmer's market, instead of curtailing it. We can do that by at least assuring him the American market. Second, we must increase the use of farm products by scientific research. Such an experiment as the use of southern pine for making paper ought to have government aid.

"We must get rid of surpluses by every sort of deal we can make, including barter arrangements with foreign countries. We must quit fixing the price of the farmer's products and we must put the farmer's customers back to work.

"So far as spending government money on relief is concerned, we must continue old age pensions and unemployment insurance, housing, medical aid to the poor.

"But we must revise the administration of these services first to take politics out of it, and second, by making it fair to those who are trying to get along without relief."

NEXT: Mr. Flynn's analysis of the candidates' replies.

Daily Market Reports

Stock Market

SWINGS UP AND DOWN

NEW YORK, May 15 (AP) — The stock market swung up and down like a roller-coaster today in the most active dealings since the first flush of the war-boom last September.

Transfers approximated 4,000,000 shares, almost half a million more than Tuesday's bustling decline.

The close was mixed, with steel, motor and aircraft shares holding gains while leaders in many other departments ended unchanged or lower.

A last hour selling wave put the tape behind for the second time during the session. An abrupt opening decline had been checked by a quick selling drive that left many floor traders gasping at the suddenness of the turn.

The fall in stocks coincided with a late demoralization in wheat prices at Chicago, with quotations down the 10-cent price limit in some deliveries. Corn ended 2⅝ to 3⅛ cents a bushel lower.

Up fractions to 3 points or so were Bethlehem Steel, General Motors, Douglas, Glenn Martin, Lockheed, General Electric and American Airlines. Dupont gained about 5.

Lower by a few cents to as much as 5 points were other leaders, including J. I. Case, Eastman, Kennecott, Anaconda, Montgomery Ward, Western Union and American Smelting.

Sherwin Williams and Montgomery Ward A were wide losers in the curb, but Aluminum of America held the better part of a gain that ran to nearly 13 points at one time.

The pound sterling in mid-afternoon was up 7 cents, holding to the higher course it set from the start. The bond market was generally easier than stocks, but had a few points. German bonds were higher, but most foreign loans were heavy.

Cotton Market

NEW ORLEANS REPORT

NEW ORLEANS, May 15 (AP) — Cotton futures declined $1.10 to $1.75 a bale here today under war news and weakness in grain. Prices rallied somewhat from the lows and the close was steady at net losses of 20 to 22 points.

	Open	High	Low	Close	
May	9.78	9.88	9.62	9.70‡	
July	9.40	9.67	9.36	9.41-42	off 20
Oct	9.07	9.30	8.91	9.08-06	off 23
Dec	8.90	9.16	8.86	8.91	off 22
Jan	8.82	8.82	8.78	8.86B	
March	8.71	8.95	8.69	8.79	off 20
May (1941)	8.63	8.63	8.63	8.65B	

B Bid.

NEW YORK REPORT

NEW YORK, May 15 (AP)—Cotton futures closed steady.

Old contracts:

	Open	High	Low	Close
May	9.69	9.80	9.49	9.62
July	9.38	9.58	9.17	9.39‡

New contracts:

Jan	8.75	9.00	8.74	8.81‡
March	8.81	8.95	8.81	8.91‡
May	8.88	8.98	8.82	8.92N
July	9.17	9.36	9.16	9.47‡
Oct	8.90	8.88	8.81	8.90
Dec	8.75	9.11	8.75	8.87‡

Spots closed 23 lower, middling 9.75, 600 sales.

Grain Market

FORT WORTH REPORT

FORT WORTH, May 15 (AP) — The grain market was unsettled again today with all quoted prices entirely nominal. Estimated receipts were limited to 31 cars of wheat.

Wheat: No. 1 soft red winter nominally 93¼-94¼, No. 1 hard nom 91¼-93¾.
Barley: No. 2 nom 6-42, No. 3 nom 39-40.
Sorghums: No. 2 yellow milo per 100 lbs. nom 1.15-1.19.
Corn: No. 2 white nom 81¾-82, No. 2 yellow nom 78¼-79¼.
Oats: No. 2 red nom 42-44, No. 3 red nom 41-43.

CHICAGO REPORT

CHICAGO, May 15 (AP)—Wheat prices collapsed again today, dropping 10 cents a bushel for the second consecutive session, as traders dumped millions of bushels of grain because of the pessimistic war news coming from Europe.

Prices closed as low as trading rules would permit in today's session and were the lowest since early last winter.

The market had shown some signs of rallying earlier in the session but renewed selling the final hour caught the pit without support. Wheat finished 9¼-10 cents lower than yesterday, May 85¾-86, July 85¾-⅞.

Corn closed 2⅝-3⅛ lower, May 59¼-59, July 59¼-⅜, oats ⅛ lower to ¾ higher, soy beans 2-3¼ off, rye 8¼-9⅛ down and lard 7-15 lower.

Livestock Market

FORT WORTH REPORT

FORT WORTH, May 15 (AP)—USDA—Cattle 1,800, calves 900; most classes about steady; common and medium beef steers and yearlings 7.00-9.00; good grade 9.50-10.00; beef cows 5.00-7.00; canners and cutters 3.25-4.50; bulls 5.00-5.75; slaughter calves 6.00-10.00.

Hogs 1,800, mostly 25c lower; top 5.65 on 175-270 lbs.; 5.50-5.60 on 150-170 lbs.; 5.10-5.45 packing sows steady to weak; mostly 4.50 butcher pigs 4.00-4.25.

Sheep 15,000; spring lambs steady; clipped lambs steady to 15c higher; aged wethers and ewes weak to 25c lower; feeders steady; medium to choice spring lambs 8.25-9.50; clipped lambs 7.00-8.15; aged wethers 3.00-.25; ewes 3.00 down; clipped feeder lambs 5.00-5.50; spring feeder lambs 6.00-6.50.

KANSAS CITY REPORT

KANSAS CITY, May 15 (AP)—USDA—Hogs 3,000; fairly active, uneven; mostly 20 to 30 lower; top 5.55, 170-310 lbs. 5.40-160 lbs. 4.85-5.35; sows 4.50-90.

Cattle 2,800; calves 350; salable 300; most all killing classes of cattle under pressure; bidding weak to unevenly lower, few yearlers early already fed steers of value 8.75-10.25; some held up to 11.00; choice heifers and mixed yearlings held up to 10.25 and above; few butcher cows 6.00-7.25; good to choice yealers 8.00-10.50.

Sheep 4,800; good crop clipped lambs very uneven; strong to 25 higher; all other classes active, strong; choice native springers 11.10; bulk trucked in good to choice native springers 11.00; deck 77 lb. Texas springers 10.75; most Texas clippers 8.50-85.

Markets At A Glance

NEW YORK, May 15 (AP)—
STOCKS — Mixed; turnover approximates 4,000,000 shares.

CHICAGO:
WHEAT—10 cents lower.
CORN—2 5-8-3 1-2 lower.
CATTLE—Mostly 25-40 down.
HOGS—25-40 lower; top $5.75.

Fresh Troops

(Continued From Page One)

orable."

Part of the German force which crossed the Meuse south of Sedan was hurled back into the river.

Heavy French forces pushed eastward against the Germans.

Reinforcements Arriving

The German troops were described as the "best" shock detachments. Additional reinforcements were arriving from Neufchateau, Belgium, and also coming in behind German lines from Marche, Belgium.

French and British aerial forces, meanwhile, were laying down "tons and tons" of bombs on German rear lines, troop concentrations, highways, boats and bridges.

German planes were reported bombing the French rear guard.

East of the Moselle river in the Maginot line sector, several "very strong" local German attacks ran into defense fire from French advance posts and wilted.

Air raid alarms were sounded this morning in the regions around Rouen, Havre and Bordeau, but no attacks were reported.

While the Netherlands' military campaign apparently had ended with the general staff's order to the Dutch to lay down their arms, it was understood the Netherlands fleet still was cooperating with the Allies.

Pressure Is Increased

The French high command reported increased German pressure along a 55-mile stretch of the vast, curving Meuse river front from Namur to the junction of the Meuse and Chiers rivers, just south of Sedan.

In a continuing battle in this area, the French reported, the Nazi army renewed its try for a knockout blow against British, Belgian and French forces which apparently still have not brought their own offensive strategy fully into force.

Both sides were using the most modern arms, including big fleets of armored cars and tanks, thousands of planes and the newest types of guns.

One German attack was reported to have been pointed by flame-throwing tanks which shoot fire 70 yards. In the World war, flame apparatus with 15-yard range was nearly as dangerous to the handlers as to the intended victims.

Swindling Charge Is Filed Today

Swindling over $50 was charged this morning to a man who had not been reported arrested at noon, records showed in the court of J. T. Inmon, justice of the peace.

The man gave a check for $167.10 to W. E. Watson, complainant, in payment for 7,000 pounds of sudan seed, the charge sets out.

Complaint was prepared by Burton S. Burks, district attorney.

Man Is Arrested

The sheriff's department said a man, about 30, had been arrested by police and was being held in connection with county court theft by bailee charge. A complaint set out maize had been taken from a person who had authorized him to haul it, but that the grain had been sold.

A juvenile girl, 14, was released to a probation official, the sheriff's department said.

In habeas corpus action, County Judge J. J. Dillard ordered S. O. Rowan, who had been charged by police to be released on his own recognizance to appear at 2 o'clock May 22 in corporation court and answer a charge of violation of the city building ordinance.

Defense Plan

(Continued From Page One)

ed in 1917, and we find ourselves in the same condition."

President Roosevelt, working in his shirt sleeves, conferred yesterday with congressional and military leaders and then told reporters that the armaments race had been forced upon the country and that it must keep abreast.

National defense is the important thing, he said, and the method of financing it is secondary consideration.

Authoritative sources said that the president would recommend an increase of $726,000,000 in army funds and $250,000,000 more for the navy. The objectives would be to complete equipment for 1,000,000 troops, put warship construction in high gear, and bulwark coast defenses.

This emergency fund would swell national defense outlays for the year starting July 1 to about $2,724,000,000—by far a peacetime record.

Although Mr. Roosevelt made it plain that he would make no recommendations to Congress regarding the financing of the expanded army-navy program, some sentiment was developing in both houses in favor of special taxes to raise the money.

Senator Connally (D-Tex), however, reported considerable disposition to see whether rearmament could be financed otherwise.

"If it's necessary for the national defense to go further into debt, I'm ready to go," he said, "but we could use the $2,000,000,000 profit of the gold stabilization fund."

OIL OPERATOR KILLED

CHELSEA, Okla., May 15 (AP)—C. L. Henton, 78, widely known oil operator, was killed and his wife was injured seriously today as their car struck a culvert, five miles south of here.

Cleanup Drive Being Pushed

A small army of city workers took over the busiest sector this morning of Lubbock's annual cleanup, paint-up campaign, according to announcement by Dr. W. B. Irvin, general chairman.

Men were added temporarily to several city departments, to continue their work until the campaign ends next Monday, officials at the city hall reported.

Alleys Need Attention

They were concentrating their efforts for the moment in alleys of the city which, according to reports from various inspections committees, are most in need of attention. Some of the men were helping to move the additional volume of trash which has resulted from the city-wide drive.

Others connected with the street department will be engaged until the campaign ends in the re-grading of many miles of alleys. The re-grading, it was explained, will make traffic movement smoother, will improve drainage, and will make the alleys more sightly.

The chairman announced also that notices resulting from Monday's inspections are being sent to occupants of various property reported in need of attention. Nearly 1,000 such notices are to be distributed.

Scouts To Be Active

Another announcement came from B. L. Manire that preparations have been virtually completed for the Boy Scout nail and junk pickup Saturday morning. Manire is head of the Optimist club committee sponsoring the event.

He said that scouts participating in the pickup are to meet on the east side of Junior High school at 9 a. m. and will deliver the junk they collect to the front of the city hall at 1 p. m. He reminded that each scout participating will receive a free ticket to a motion picture show. Other prizes also are to be awarded, including a trophy to the troop making the best record.

Broadcasts over KFYO in connection with the campaign include:

Tonight, 7:45 o'clock, "My Home Town" orations by Mary Wanda Johnson, daughter of Mr. and Mrs. J. A. Johnson, 1927 Avenue M, and Leon Hughes, son of Mr. and Mrs. J. W. Hughes, 1628 Seventh street.

Thursday, 3:45 p. m., address by H. C. Pender, acting head of the government department of Texas Technological college.

Relief Bill

(Continued From Page One)

months of the current year. The committee said the proposed sum would provide employment for an average of 1,330,000 persons if used over a 12 months period or 1,950,000 on an eight months basis.

Permission to use the money in eight months, if necessary, was recommended, the committee said, on President Roosevelt's request that this be done and in the light of reports showing a decline in industrial activities since January, when the chief executive made his original request for $975,650,000 for 12 months.

While clearing the way for expenditure of all the money in eight months, the committee—without explaining why—wrote into law restrictions on the total number of persons who could be employed in the five months from July 1 until after the November elections.

These restrictions which the committee said were based on WPA's estimates of its own needs were a top of 1,700,000 persons for the months of July, August and September; 1,800,000 for October and 2,000,000 for November.

House leaders arranged to take up the big relief measure today after completing work on the farm appropriation.

In addition to WPA funds the measure carried, as recommended by the appropriation committee, $115,000,000 for rural rehabilitation work of the agriculture department, a cut of $8,000,000 under Mr. Roosevelt's request.

The measure represented a $543,075,084 reduction when compared with corresponding appropriations for the current fiscal year, and a cut of $14,300,084 below the president's recommendations for the next year.

Motorboat Racing To Be Discussed Here

Plans for the inclusion of Buffalo lakes southeast of Lubbock in a motorboat racing circuit will be discussed at a meeting of Lubbock Boating club in Hilton hotel tonight at 8 o'clock, according to announcement this morning by Harold Humphries, commodore of the local club.

Attending the meeting, he said, will be a delegation from the Panhandle Outdoor club in Amarillo which is taking an active part in the preparations.

Among those expected here, he added, is Mrs. Kathryn Pitt, who will drive in several of the series of eight races which are planned at Buffalo Sunday afternoon.

Humphries reported that the newly organized boating club here now has 18 members.

BOMBED BY GERMANS

LONDON, May 15 (U.P.)—The Italian steamer Foscolo of 3,059 tons en route from Antwerp wirelessed today that it had been bombed by German aircraft off the Dutch coast and asked immediate assistance. The vessel said it was sinking.

EVACUATION ORDERED

CAIRO, Egypt, May 15 (U.P.)—The immediate evacuation of the western frontier districts of Mesamatrough and Sidi Barrani (facing Italian Libya) was ordered today.

News Briefs

Committee Meets — A sub-committee of the county land use planning committee was to meet this afternoon in the office of C. C. Jobson, county farm agent. W. O. Perkins is chairman of the committee, whirh is studying the landlord and tenant problem.

Visited Demonstrators—Miss Clara Pratt, home demonstration agent and Monroe U. May, assistant farm agent, visited three whole farm demonstrators in the north and east parts of the county this morning. They inspected the J. R. West and Fred Kveton farms near Monroe and the Aaron Dubose farm near Becton. Tuesday they visited the Joe Jenkins and Millard Bowers farms at Acuff.

Wheat Checks Received—Twenty four wheat parity checks for 1940, amounting to $283.61, were received at the county agent's office this morning. Checks were expected to be among the last for payment of parity on 1940 wheat. Recipients were notified.

Patient Taken Home—Mrs. Robert T. Canon of 2613 Nineteenth street was taken to her home this morning from West Texas hospital, where she underwent an appendectomy recently.

Armory Board Here—General C. W. Ninon of Fort Worth, head of the state armory board of the Texas National guard, and Major Charles Mayes, U. S. A., Austin, with Col. Thomas A. Bay of Plainview, commanding the 131st field artillery, Texas National guard, were in Lubbock today to inspect proposed national guard armory sites. The present armory, Tenth and College, is to be remodeled into a theater.

Hear Clinic Leader — W. R. Barnes, with the Ethyl Motor clinic now showing here, spoke today at a Rotary club luncheon in Lubbock hotel explaining purposes of the clinic. Dr. Clifford B. Jones and Dr. R. C. Goodwin were joint program chairmen. O. W. Ribble presided.

Science Club Dines—Science club members and guests will attend a dinner at 7:15 o'clock tonight in the women's dormitory at Texas Technological college and C. V. Bullen, retiring president, will speak on the "better light-better sight" movement. Officers for the 1940-41 year will be elected. The club's membership is made up of science faculty members at the college.

Class Hears Talk—One hundred fifty freshmen students of a class of business administration in Texas Technological college this morning heard Mrs. Gladys Workman, secretary of the retail merchants association discuss credit rating as it applies to business and the individual. She talked on "A Unique Record—And We Keep It."

Residence Permit Issued—Building permit for a residence costing $3,100 at 3210 Thirtieth street was issued this morning to R. C. Pratt, owner, and John Temple, contractor. Permit total for the week was increased to $35,610, for the month to $216,682, and for the year to $1,804,740.

To College Station—Mrs. J. R. Harmon, member of the state home demonstration council's land use planning committee, left this morning for College Station to attend a meeting of the committee. She is to return the last of the week.

Stamps On Sale—A 3-cent stamp bearing the portrait of Victor Herbert, composer and musician, is now on sale at the postoffice. It is one of a series of noted artists issued by the postoffice department.

Too Much Water to Fish—Highway Patrolman B. L. Wooddell found too much water in the Nueces and Trinity rivers for much fishing luck, heavy rains having fallen, so his vacation in Jacksonville, Cherokee county, was mostly confined to visiting. He and Mrs. Wooddell and their 5-months-old daughter returned to their 1505 Broadway residence Tuesday. En route home they went to Oklahoma City, near which city relatives of Mrs. Wooddell live. They were away two weeks. Patrolman and Mrs. John Laws and their infant son plan to go to central and East Texas later this week for a vacation.

Former Kaiser Reported Safe At His Refuge

BERLIN, May 15 (U.P.)—Former Kaiser Wilhelm, as a German citizen, is free to return to Germany from his exile in Holland if he desires, even without asking permission of Adolf Hitler, a Nazi informant said today.

The spokesman said that the Dutch government had offered to conduct the former kaiser from his exile-estate at Doorn to a safer place when the Germans approached, but that he replied he would remain to meet his destiny.

Wilhelm was still at Doorn and was expected to remain there, the informant said.

"The former kaiser is now, naturally, safe," the informant said. "German troops knew that the former kaiser lived there and undoubtedly took care that nothing harmed him."

Hard Fighting Goes Forward

BY WALLACE CARROLL
United Press Staff Correspondent

LONDON, May 15—The Allied forces in Belgium are fighting off heavy German attacks with their left flank resisting on the Bastion of Antwerp, vital Belgian port, it was stated authoritatively today in an explanation of military developments.

Denying German claims that the Maginot line defenses had been broken around the French city of Sedan, authoritative sources said that the Allies were holding a line that covers the Belgian capital of Brussels and were beating off heavy attacks in that sector.

RADIO GOES SILENT

LONDON, May 15 (U.P.)—Belgium's Brussels radio went silent abruptly at 11:20 a. m. today (4:20 a. m., CST) and when it resumed 20 minutes later its signals were so weak as to be undecipherable in London, 200 miles away.

In a broadcast before its program was interrupted, the speaker appealed to the Belgian people to keep calm and said that the Belgian army, resisting the Germans magnificently, had already won successes.

Main Forces In Action

The Allies are now in contact with the enemy—presumably main forces have moved into action—along the Belgian defense line which runs through the heart of Belgium to the Meuse river and the French frontier. This line is more than 100 miles long, running via the Louvain sector and Namur.

There has been much hard fighting on the battlefields of northern Belgium, it was stated, but the Allied left flank is now pushed back to a point where it is defending ground in front of Antwerp and along the Scheldtriver sector, with the Dutch Zeeland district still in Allied hands.

To Make Big Stand

Thus the Allies, having given up Holland except for Zeeland, apparently have decided to make their big stand just in front of Antwerp and before the Zeeland sector—both of which would be of greatest value to Germany for submarine or air attacks on England.

With Antwerp bastion as the anchor of the Allied left flank, the front swings southeastward along the Dyle river fortifications, through the Louvain sector, in front of Brussels and by way of Wavre to the Namur region and thence along the Meuse to the French Maginot line defenses.

The heaviest attacks have developed along this front, with fighting particularly severe south of Namur (which has been bombarded) and in the Dinant sector just north of the French border.

Fighting Is Severe

Fighting was described as very severe in the Sedan sector in France where the Germans apparently sought the weakest link in the Maginot defense system in an effort to smash through the tremendous power and turn the flank of the main Maginot defenses further southeastward.

The Maginot line main defenses of deeply buried concrete and powerful artillery on railroad tracks run along the German-French frontier, but this line also has been extended northwest of the Moselle river to the North sea. Thus the link runs all along the Belgian frontier, but it is a series of deep lines rather than a main line of concrete and big guns.

The Germans crossed the Meuse river at Sedan in their blasting attack on the "little Maginot" line, it was was stated, but the French fought back with great power. Royal Air Force bombers and escort fighters went into action in cooperation with the French.

The battle was described as a "great struggle" spreading around Sedan and as far east as Longwy, near Luxembourg. The results still are not known and probably will not be finally known for several days, it was said, but the Germans who crossed the river were able to take possession of parts of the French defensive zone.

Later the French checked them, it was said.

SCOUTS TO MARCH IN WTCC PARADE—Largest single marching group in the Youth Administration parade, a feature of the West Texas Chamber of Commerce convention, May 16-18, will be Boy Scouts from the Buffalo Trail and neighboring councils. The Scouts participation is being organized by Spurgeon Gaskin, Buffalo Trail executive, and C. E. Paxton of Sweetwater, council president. The Buffalo Trail council is holding its annual Roundup in Big Spring, a two-day affair, May 17-18, the dates coinciding with the WTCC convention. That will insure the presence of 700 to 1,000 West Texas Scouts in the Americanization parade expressing the convention's theme, the "American Way of Life," and at the Americanization mass meeting following, at which the speaker will be O. H. Benson, national director of rural scouting. Among the Scout detachments in the parade will be Troop 33, from Rotan (picture above). This troop has a fine record for scouting, having topped all A-class troops at last year's Roundup. It is also outstanding in community service. Its leaders are W. C. Carter, scoutmaster; Boyd E. Powers and J. O. Brown, assistant scoutmasters; L. E. Newton, troop committee chairman; and C. G. Campbell, J. B. Day, Joe B. Boyd and Lea Martin, troop committeemen.

Lynn County Shows Scholastic Boost

TAHOKA, May 15—Scholastic population of 3,077 in Lynn county, an increase of 22 over last year, has been reported here by Mrs. Lenore M. Tunnell, county school superintendent.

Comparative figures by districts follow:

District—	1939	1940
Tahoka	700	702
O'Donnell	450	498
Wilson	404	383
New Home, consolidated	385	408
Draw, consolidated	218	195
Grassland	108	118
New Lynn	106	106
Wells	92	74
West Point	56	64
Three Lakes	30	45
T-Bar	58	56
Joe Bailey	74	55
Midway	69	68
Edith	65	70
Dixie	72	64
Gordon	61	52

GRATITUDE—THAT BOUNCED

GARDEN CITY, Kans. (AP)—W. H. Streeter purchased a couple of meals and located a job for a tramp. The fellow came back to express his gratitude and insisted on paying for the dinners.

He tendered a $7 check he said he had earned. Streeter deducted the price of the meals and gave him the change.

The check bounced—a neat forgery.

Scout Encampments To Start Sunday

Preparations have been completed for the first of five one-week Boy Scout encampments starting Sunday at Camp Post, according to Jack O. Stone, South Plains council executive.

He announced also that the first of the series of one-week encampments will be for scout troops in Tahoka, Slaton, Post, O'Donnell, Morton, Levelland, Whiteface, Seagraves, Seminole, Denver City, Allred, Brownfield, Ropesville and Meadow.

Members Named

Members of the staff will be: H. F. Gilley, field executive, camp business manager; Sam Counts of Lubbock, swimming activities; Dr. E. L. Reed, Lubbock, nature study; A. R. Millikan, Tahoka, handicraft and archery; Larry Miller, Brownfield, bugler and canteen; Frank Emery, Meadow, swimming and activities; Clyde Hodges, Post, provisional scoutmaster; and Jim Berry, chef.

Numerous improvements have been made at the camp preliminary to the start of summer activities, the executive said. Among them he listed the erection of 10 tarpaulin shelters, piping of water across the canyon and the installation of water fountains.

The first camp, he said, will continue from Sunday at 2 p. m. until the following Saturday at the same hour.

Other camp periods will be May 26-June 1, June 2-8, June 9-15, and June 16-22. Approximately 100 to 125 boys will be enrolled in each camp, Stone said.

Shannon Davidson Is To Attend Roundup

MATADOR, May 15 (Special)—Officials of the Matador roundup and rodeo have been informed Shannon Davidson was to leave Hollywood in time to arrive for the annual celebration, Friday and Saturday.

Young Davidson, who is now employed in motion pictures, led 16 contenders on the Pony Express race from Nocona, Texas, to Oakland, California last spring.

The roundup and rodeo is the second celebration honoring the Motley county cowboy who became a national figure in his sensational horseback ride to the west coast. He will be presented with a hand-stamped saddle, at the celebration, made by a Lubbock firm in appreciation for his having used a saddle of their make during the long trek.

Chief Baldwin Parker and 20 Comanches arrived this morning to attend the celebration and take part in the three-day programs.

The woman who was to become Catherine I, empress of Russia, was born Martha Skavronsky, the daughter of a Lithuanian peasant.

Rank Of Page Given To Two Candidates

Rank of page was conferred on Albert Purdy and Gaylord Singleton at a meeting of Lubbock Knights of Pythias lodge in the hall, 1107 Avenue K, Tuesday night.

Charley Lockhart, the many-times state treasurer, was a speaker.

Plans for the Texas Grand lodge convention in Dallas May 20-22 were discussed. Good representation from the Lubbock lodge is expected, Victor H. Lindsey, chancellor commander, said.

Among those planning to attend from here are Dr. G. H. Ater, grand master at arms of the Grand lodge, Mr. and Mrs. Russell Hardin and Ralph Thompson. Others have not announced definite intentions of going to Dallas.

Dodgers Show They Are Really Dauntless And Regain National League L

Hubbers On Nine-Day Road Jaunt

Midland Club Will Be First On Schedule

The open road and a nine-game invasion of foreign orchards call the Lubbock Hubbers beginning tonight.

Manager Charlie Engle's erratic crew—still deadlocked with Borger, but in fifth place now—inaugurate a three-game series with the high flying Midland Cowboys tonight.

Victorious in their last four consecutive games and riding the crest now that they are back in their own back yard, the Cowboys hold undisputed possession of fourth slot just a few percentage points behind the leaders—Amarillo's Gold Sox. Pampa's Oilers and Lamesa's Loboes in the order named.

Lamesa In Big Spring

For the rest of the week, there is a swapping of opponents tonight. The rest of the schedule for the circuit finds Lamesa journeying to Big Spring, Manager Claude Jonnard's league leaders entertaining Borger, and Pampa taking on Clovis in the Pioneers home lot.

Next home game for the Hubbers will be reeled off Friday night, May 24.

Clovis Bounces Back

The local lads pulled a reverse act last night and went into a tailspin to lose the second game of their two-night stand with the Pioneers, 8 to 11. Manager Howard Taylor's New Mexicans turned on the pressure heading down the stretch to stifle a Hubber rally and take the decision to even the series, the Hubbers having won the opening farce, 27 to 5. It marked the snapping of the three-game winning streak the Hubs had inaugurated and again brought up the old "three" complex.

Jumping off to a quick three-run lead, the Hubs watched the Pioneers knot the count in the fourth, coming back in the home half of the same stanza to move one up. Clovis clinched the argument and knocked starting pitcher John Hyma from the box on five consecutive singles in the eighth—accounting for four more tallies—and the ball game. Ray Stine was the victim intended after Hyma, but he came through to retire the side.

Sox Gain Revenge

Pat Ralsh replaced Stine later as the Hubbers threatened in their half of the eighth and again in the home half of the ninth, loading the sacks but being unable to shove a tally across.

Over the rest of the league, things more or less stuck to the straight and narrow last night. Amarillo

Frisch Is Almost Resigned To Pirate Spot In Cellar

Number 41 Associated Press Sports Picture Service Member

LUBBOCK EVENING JOURNAL

PAGE EIGHT—LUBBOCK, TEXAS, WEDNESDAY, MAY 15, 1940

By EDDIE BRIETZ
Associated Press Sports Writer

NEW YORK, May 15— Frankie Frisch figures if he could get Mickey Owen from the Cards, the Pirates might finish in the first division. Otherwise, he's about reconciled to wallowing in or around the cellar... The first organized cheering section in the history of American golf swings into action tomorrow. Pupils of Paul Runyan's special golf courses at Columbia U. will go out to the Goodall round robin in a body to try to root teacher home.

• • •

Identified

In reporting the American league batting averages, the esteemed Cincinnati Enquirer says: "... And Ken Keltner, Cleveland third sacker, with a mark of $3.73."

• • •

Every time Tex Carleton has gone out to pitch this year, the other four Texans on the Dodgers roster—Mancuso, Koy, Hudson and Gene Moore—have sung "The Eyes of Texas Are Upon You," as he left the clubhouse.

• • •

Today's Guest Star

Chilly Doyle, Pittsburgh Sun-Telegraph: "The situation with the Pirates is similar to the one in Holland ... Everytime they get a leak plugged another one pops out."

• • •

Jo Jo Moore, the gaunt Texan, is sparking the Giant drive. He hit .500 in seven games and was on base 25 times... We saw the Pirates and you and Frisch can have 'em... Gene Sarazen likes Jimmy Demaret in the Goodall, but Byron Nelson is our choice.

• • •

Satisfactory

As long as two of the three brothers can get into the game, the DiMaggio family figures it is playing better than .500 ball.

• • •

We're Asking You

Whoever would have thought two months ago that on May 14 the Phillies and Cardinals would be battling for fifth place in the National league—with the Phils winning?

With 10 dwellings to the acre, the whole population of the earth could be housed comfortably in an area the size of Kansas.

Sportometer

Golfers Head For Wichita

By Collier Parris

ONE INTERESTING THING, among many others about this league you can't tell what'll happen next.

One night a couple of teams will play a 1-0 game and the next night they'll run in forty scores. Or on one night the Hubbers will out-run and outclass Clovis 27 to 5, and the very next night which was last night, the Pioneers will drub the Hubbers 11 to 8, and look good doing it.

• • •

Any guy who wagers so much as a nickel on the outcome of a West Texas-New Mexico league game and particularly on a Hubber game, whether he gives five runs or takes ten, is a natural born gambler who has run out of gambling subjects.

• • •

UNTIL A MORE OFFICIAL count proves otherwise, Lubbock's 18-run inning Monday night against Clovis goes down as a new West Texas-New Mexico league record for most runs in one inning.

It also, no doubt, gives Ed Schweda a new record for most hits, three, in one inning.

• • •

Jess Rodgers, the Midland scribe who served as league statistician for the first two years of the league, may come up with a rebuttal, but so far neither he nor the 1939 and present statistician, our Mr. Tom Miller, has voiced an objection.

• • •

The total number of runs, however, did tie the modern Texas League record for one inning, although Schweda lacked about nine bases of tying the individual record for hits in one inning.

Waco and Beaumont were playing on August 6, 1930, and Waco had an 18-run inning. In that game, little Gene Rye, flashy and unhandsome outfielder, came up three times and clouted three home runs.

• • •

"Way back in 1896 there was a game in the old Texas Association, a loop which wound up with four clubs, in which Fort Worth scored 19 runs in one inning against Galveston. But since it has been the Texas League, the Waco and Rye records still go.

So what's the Texas League got that we haven't got?

THE GOLFING BRIGADE of the West Texas empire concentrates on Wichita Falls this week for the sixteenth annual West Texas Golf association championship tournament. It's without a doubt one of the biggest and most important amateur golf meets of the season in Texas.

• • •

Lubbock has played host twice to the event, in 1931 and 1938, and this will be Wichita Falls' second time. This reporter was on hand for the 1933 championship at the classy Wichita Falls Country club, saw the Abilene youth, Carnes Wilson, hole out a 150-yard mashie shot to clinch the title.

The Wichita Falls people are fine golf hosts, and anyone who attends the tournament, be he championship flighter or fifth flighter, is going to enjoy things.

• • •

Quite a number of Lubbock and Slaton golfers will be making tracks for Wichita Falls today. Professional Charley Akey of Lubbock Country club said last night that at least fifteen members of the club had indicated they would compete in the tournament, and it is believed that several non-members of Lubbock, as well as a good delegation from Slaton, where several Lubbock golfers hold membership, will attend.

Lofton Burnett, Country club champion; J. D. Hinson and Ted Tipps, from the same club, are expected to go and qualify for the championship flight.

• • •

WE WERE MUSING between innings last night over the "sound effects" golf match played by Gene Sarazen, Jimmy Demaret, Babe Ruth and Gene Tunney last Sunday on an eastern course.

And Bill Parker, the Texas Tech sports publicist who formerly was with the Times-Herald and Associated Press in Dallas, upped with the recollection that "noisy golf" wasn't anything new.

At the Shore Haven club Sunday, the above-named gentlemen, you recall, played a best-ball foursome to the accompaniment of a swing band, a record-playing sound truck and the yelling and cheering of 5,000 fans who had been instruct-

(Continued On Page 14)

Flatbush Boys And Cincinnati Go 13 Innings

BY JUDSON BAILEY
Associated Press Sports Writer

The Brooklyn Dodgers can't be accused of dodging the issue.

They went to grips with the Cincinnati Reds yesterday and came up with a 6-5 thirteen-inning victory that put them back into first place in the National league and that's about all even the Flatbush fans could ask.

In yesterday's game the Reds started Bucky Walters. The Dodgers went right to work on him for two runs on a single, a walk and a triple by Dolph Camilli. After Cincinnati tied up the score, Brooklyn bounced back with two more runs in the seventh.

When Cincinnati tied again in the ninth and took the lead in the tenth on Mike McCormick's homer, the Dodgers kept battling. They scored a run on two singles sandwiched around an infield out. And finally in the thirteenth they pushed across the winning run — Gene Moore getting a walk, Leo Durocher a single and Pinchhitter Gus Mancuso a fly.

The Reds protested the game over a play in the seventh inning. A grounder by Charley Gilbert seemed to strike Umpire Bill Klem. Second Baseman Lonnie Frey fielded the ball, but Gilbert beat the throw to first and Durocher was allowed to go from second to third. Manager Bill McKechnie claimed Durocher should have been held on second base on Gilbert's hit, but Klem maintained the ball did not strike him.

It took another extra inning struggle for the Boston Red Sox to edge out the Chicago White Sox 7-6, and Jimmie Foxx, as so often in the past, was the hero for the American league leaders. His second home run of the game and eighth of the season came in the tenth and decided the outcome.

The Cleveland Indians saw the margin between first and second place widened as they lost a 9-7 hitting fray to the Philadelphia Athletics when Al Simmons delivered a pinch single with the bases loaded in the ninth. Bob Feller started for the Tribe, but gave up seven runs in three and a fraction innings, three on a homer by Wally Moses.

Gerald Walker took charge of Washington's test against the Detroit Tigers and brought the Senators a 4-2 victory with a two-run homer in the sixth. The victory credited to Dutch Leonard, lifted Washington from seventh to fifth in the American league.

The Pittsburgh Pirates pounced on the New York Giants 7-2 to end the Terrymen's six-game winning streak.

The Philadelphia Phillies moved over the Cardinals into fifth place in the National with a 4-0 shutout Hugh Mulcahy manipulated against the Redbirds.

Spring Training Clos

Texas Larruper Is Given Big Welcome As He Returns From A Victorious Invasion Of Big City And Win Over Lou Ambers

(By The United Press)

DALLAS, May 15—Lew Jenkins, who belted over Lou Ambers last week to annex the lightweight boxing crown, returned to Dallas today and was received by fans who turned out en masse to welcome the Sweetwater swatter who started his sensational climb right here.

The chamber of commerce had appealed to local sportsmen to be on hand when the new champion arrived and fans responded enthusiastically. Among the throng were dignitaries of Dallas sport circles.

Negotiations were concluded in New York yesterday for a fight between the Texas larruper and the dynamic Henry Armstrong, holder of the welterweight title, slated to be unreeled at the Polo grounds July 17. Although there will no title at stake, sportsmen are acclaiming it as a dream match.

Crack Golfers Off On Second Swing

(By The Associated Press)

NEW YORK, May 15—The crack golf pros, who have had just about enough time to get their laundry done and assure the club presidents they still knew about such duties as giving lessons and polishing clubs since they rode or hitch-hiked back from the winter tour, are off on the second lap of the race for the 1940 National Open championship.

Entries for the open were closed yesterday with one of the largest totals on record. Tomorrow the first big preliminary test for the title tournament at Cleveland's Canterbury club, June 6-8, gets under way. It is the Goodall round-robin, in which a picked field of 15 pros will play at the Fresh Meadow club on Long Island.

Although the open entries won't be checked, paired up for the sectional qualifying rounds May 27 and announced to the public for another ten days or so, Joe Dey, executive secretary of the United States Golf association, put the approximate total at 1,160, the sixth largest in tournament history. Last year it was 1,193 while the 1937 record figure was 1,402.

Of these, only the players who finished in a tie for 30th place or better in the 1939 open won't be required to pass the sectional qualifying tests. The rest will shoot 36 holes in 26 different locations and about 170 of them will get into the main tournament.

Women's Tourney Is Opened At El Paso

EL PASO, May 15 (AP)—A field of 70 feminine links hopefuls teed off on the tree-lined El Paso Country club course today in the qualifying round of the Southwestern women's golf tournament.

A pair of youngsters, though veterans of the fairways, led the assault on par with the hopes of grabbing the crown now worn by Shirley Ann Johnson of Chicago.

Elinor Jones of Albuquerque and Betty Putnam, Arizona university co-ed, are the two youngsters. Miss Jones "retired" from state competition last year after five successive state titles, and Miss Putnam was a Southwestern finalist last year.

BAYLOR VS. TCU

FORT WORTH, May 15 (AP) — It means nothing in the Southwest conference baseball race but Baylor and Texas Christian university wind up a two-game series here today.

Baylor won the opener yesterday 12-10 in ten innings.

counted five times in one big fifth to measure the Loboes, 7 to 5. Crider handled the hurling duties for the winners, while Carl Foree and Lefty Millspaugh shared honors for the losers.

Cowboys Win Again

In Big Spring, the Barons of Manager Tony Rego fell victim to a plague of erroritis at the crucial moments which, coupled with lusty Pampa clouting, gave the Oilers a narrow 4 to 2 decision. Dilbeck tossed for the north Panhandle boys, Pelligrini being charged with the loss.

In Midland, the Cowboys whetted their appetites for their trio of clashes with the Hubbers by taking out the tough Gassers, 5 to 3, breaking a three to three deadlock in the eighth with a two-run splurge.

Softball Loop Will Take First Holiday

Quiet reigns on the city association softball front this afternoon at Fox Park, teams taking the first "holiday" since the season got under way.

Games will be resumed Thursday night.

And henceforth, the association will observe Thursday night as the week's "rest" period, making room for playing of double header baseball games at the park at that time.

Two of the better games of the campaign were reeled off last night, Robinson Grocery counting five times in the sixth to nudge Good Eats, 8 to 7, in the finale, and Borden's moving up with a 10 to 7 decision over Sherrod's in the opener.

The Grocers trailed 7 to 3 going into the last half of the sixth frame. Two hits, one walk and four errors produced a quintet of runs and the thrilling ball game for the Class B favorites. Up to this point Fred Acree of Good Eats had held the powerful Robinson sluggers at bay, allowing but three scant hits for as many scores.

Borden's Takes Third

Good Eats forged ahead in the third stanza via a four run outburst on Ray Flusche. The Robinson hurler proved to be erratic and effective, in turn, during the contest. Flusche was touched for five bingles and walked five batsmen, but fanned nine Bakers, two strikeouts coming in the last inning.

Ed McClendon pitched Borden's into third place in the Class C loop by handcuffing Sherrod's with five hits and striking out seven men. Paced by Bill Pitman's three safeties, Borden's scored in every inning.

The line scores:

GOOD EATS	104	020	0—	7	5 6
ROBINSON GRO.	300	005	x—	8	5 5

Acree and Payne; Flusche and Scott.

SHERROD'S	102	002	2—	7	5 8
BORDEN'S	231	121	x—10	11	8

Walker and Weathers; McClendon and Chapman.

Three More Teams Entered In Loop

Three more enthusiastic amateur aggregations were granted franchises in the Lubbock County Amateur Baseball league at a called meeting of the circuit in the city Tuesday night.

The additional membership brings to 12 the number of definite entries and there is almost certain possibility that Sudan and Levelland will swell the league total to 14 before another week passes. New nines include a wholesale company squad, yet to be named, Ropesville and Littlefield.

Second double header of the new season will be reeled off at Fox Park, College avenue and Fourth street, next Sunday afternoon. In the opener at 2:30 o'clock, the Lubbock Sluggers will tangle with the former Slide nine, now under sponsorship of the Pepsi-Cola company. Finale on the day's program sends Roosevelt against Lubbock Co-Op.

Other members include Lubbock Dr. Peppers, Fred Rich's Cooper crew, Lubbock Sandies, Wolfforth and Whitharral.

Beginning Thursday night, May 23, a double header will be played at the park.

At conclusion of the season, all teams will be eligible to participate in a tournament to name a representative to the TAAF melee in San Antonio. TAAF rules govern league play.

Organization Meeting Is Being Scheduled

Following up on last night's discussion gathering, an organization meeting for a women's city softball circuit will be called in the near future. Tentative plans for the new setup were made Tuesday night as approximately 20 persons gathered in the courthouse to initiate definite realization of such a league.

Mrs. John W. Wilson, city supervisor of the WPA recreation project, which is sponsoring the new softball setup in cooperation with the city parks program, said that plans were under way to conduct a women's softball school here in the near future.

A committee to draw up rules and laws appointed last night includes Odessa Graves, chairman, Maurine Farrar, Irene Lee and Ruth Mae Clark.

Third Place Fight Is Bitter Affair

(By The Associated Press)

Houston's Buffs are not finding it difficult to beat off the challenge of the San Antonio Missions so the big news comes from the knock-down, drag-out fight being waged for third place in the Texas league race.

Tulsa, Oklahoma City and Dallas are in the big middle of this scrap. Dallas and Tulsa have the hardest rows to weed with series against Houston and second-place San Antonio coming next.

Last night the Rebels moved into fifth place, a game behind Oklahoma City, by beating the Redskins 4-3. Jim Levey clouted a homer in the eighth with two on to give Dallas the victory. Oklahoma City fell into fourth place.

Tulsa moved into third position with a 7-3 decision over Fort Worth.

Houston crushed San Antonio 1-1 with youthful Howard Pollett hanging up his eighth straight pitching victory.

Beaumont beat the downtrodden Shreveport Sports 3-1.

East Texas League Race Proves Dilly

(By The Associated Press)

The East Texas league race is a dilly.

Two teams are tied for first place and another is but a half-game behind.

Kilgore forged back into a deadlock for top place last night by trimming Palestine 6-5 in ten innings. Jimmy Dalrymple singled to drive in the winning run.

Marshall lost to Longview 3-2 to lose undisputed first place and Longview moved within a half-game of the lead.

Texarkana defeated Tyler in ten innings, 6-5, and Henderson beat Jacksonville 8-2.

Twilight League To Take A Rest Today

Business-Professional twilight league softball teams take a rest this afternoon preparatory to resuming competition on a wider scale come Thursday.

Throughout the season, Wednesday will be an off day for the new softball setup, according to those in charge of schedule arrangements.

Scoring was heavy in Tuesday afternoon's tussles, two American division and one National division contests being reeled off. In American division play, the Federals and Courthouse crew tangled, the former emergency victorious by a 24 to 13 count; and the Doctors and Christians staged a slugfest that say the Doctors squeezing out a 15 to 14 triumph.

In the only National division tilt, Public School Faculty downed Asbury, 18 to 5.

In Japan, salt is extracted almost entirely from brine and refined by means of artificial heating.

IN CASE you're looking around for material for a first class nightmare, consider a recent experience of J. R. Miller, a geologist working out of Artesia, New Mexico.

Browsing around in search of country that might be floating on an oil pool, Mr. Miller spied a limestone cave and went in.

In the cool recesses of the cavern he found himself in the midst of a den of rattlesnakes!

Undaunted, Mr. Miller went to work on the snakes, killing nine — some with a gun he carried; others with rocks. Some of the reptiles were more than six feet long.

Some of the snakes shot through the head and body and apparently dead, reared up and showed fight when he approached them.

"A rattlesnake," said Mr. Miller after his experience, "isn't really dead until his head is crushed.

"Don't tell your child fairy stories," advises a psychologist.

We don't. It's hard enough to make our three believe the truth!

* * *

WITH the exception of Mrs. George Duval, principal of the Mexican school here, and her helpers, teachers of Lubbock will never know the fun they're missing by not having to teach English to youngsters who were brought up to speak Spanish.

Down at El Paso, where around half the 100,000 residents are either Mexicans or Spanish-Americans, there's never a dull moment in the elementary English classes. Miss Charlotte M. Crutcher, who teaches in an El Paso school over-run with little Latins, recently described her experiences in an article in the El Paso Times. The piece contains many a chuckle.

For instance:

One Mexican youngster was confronted with the question, "What is a comma, and how is it used?

His answer was:

"A comma is used to separate a city from its state. Example—bread and milk is good to eat."

Other hilariously funny examples of the struggles of Mexican youngsters in the efforts to learn our difficult language are:

"Once in a far-off country lived a woman and his two sons. One was a boy and one was a girl."

"He got me from my hand and take me on the house."

"I was growing colder and darkness."

"I like to play baseball on the vaken lot."

"Juvenile delinquency is what young people do until they reach adultery."

But the best of all was the answer to the question, "What is a sentence?"

The kid answered, "A sentence is a group of words that compress a thought."

If each sentence really were that, this surely would be a better world!

* * *

Speaking of helping Mexicans to speak English reminds The Plainsman that, in his roamings around and about Mexico, he has found the Mexican people to be uniformly courteous in their efforts to understand the so-called Spanish of American visitors.

Many of us who go to Mexico know no Spanish at all, hence do not try to speak with Mexicans unless we find those who speak English.

But more of us have a hazy idea of how the language should be spoken and know perhaps 50 or 100 Spanish words. So we take the bits in our teeth and try to talk to Spanish-speaking Mexicans and the result must be incongruous, indeed.

But where we Americans would rudely laugh aloud at the Mexican visitor who greeted us with "Good Tuesday. How feeling was you yesterday?" the polite Mexican will listen to some equally bad Spanish and then, will do the best he can to figure out what the American is saying, or help him say what he wants to say.

Because its rules are elastic, and also because it is a hodgepodge of Latin, Greek, Anglo-Saxon and what-not, the English language is much more difficult to learn than Spanish.

That being the case, we haven't much right to poke fun at those who try to learn to speak it after being brought up on another tongue.

* * *

INCIDENTALLY, the Spanish spoken on the border and in interior Mexico and in New Mexico differs a great deal.

Mrs. Harry Roberts, of Lubbock a native of Mexico City, frequently remarks about the difference between border Spanish and the language of Mexico City. And Ignacio Galindo, El Paso business man, tells Hubert Hunter, editor of the El Paso Times, that there's a great difference between the border language and that spoken in interior New Mexico.

"In New Mexico," Mr. Galindo tells Mr. Hunter, "the Spanish commonly spoken sounds strange in the ears of one accustomed to the language as heard in Mexico and along the border.

"New Mexico natives use a great many archaic, obsolete Spanish words which have been carried along through the generations from the time of the early Spanish explorers. They have long since ceased to be used in modern Spanish conversation.

"In this they remind one of the Shakespearean English words and phrases spoken by the isolated mountaineers in the Eastern and Southern states. I heard many of those odd-sounding expressions in the hill country of Tennessee.

"But in addition to the ancient Spanish words, New Mexico natives have made a vocabulary of some two or three thousand words which they have taken over from the English language and latinized only slightly.

"This combination of archaic Spanish and mongrel English-Spanish is most interesting and decidedly strange to one who is accustomed to the Spanish of Mexico. It is fairly understandable, however—if you keep your mind trying to figure out the probable meaning of the words you don't get at first."

K. O. Cavalier

CAST OF CHARACTERS

VAL DOUGLAS — girl sports writer, shipped on a freighter to find excitement.

EDDIE CAVALIER—a prize fighter headed for the title, has a score to settle with Val.

CAPTAIN STEVE HANSEN—skipper of the Northern Belle.

DUFFY KELSO—Cavalier's manager.

• • •

YESTERDAY: Eddie and Val escape from their captor, hurry to the Northern Belle. They find Mike Kelly tied up on deck, and the strangers in the hold, trying to damage the machinery. There is a fight, several shots. When it is over, and the strangers captured, Val notices Mike unconscious on the floor, a pool of blood around his head.

CHAPTER XIX

The acrid smell of gunpowder filled the room and made Val cough. She stared with horror at Mike Kelly lying there, inert. And then Steve Hansen was marching them all up on deck.

Barney MacGregor, with two policemen in tow, was dashing up the gangplank.

"We heard shots," Barney yelled. "What's up, Steve?"

Grimly, Steve Hansen explained. Then they returned to the hold and carried Mike tenderly up on deck.

One of the officers bent down and made a hurried examination. "This man isn't hurt as bad as you think. Must have been hit by a ricocheted bullet that glanced off his temple."

A vast feeling of relief swept over Val. Good old Mike. With some quick medical attention he'd be all right.

Then for the first time she felt herself trembling. She covered her eyes with her hands. Steve Hansen went over and put an arm around her shoulders.

"I think you've had enough for one night," he said gently.

• • •

Val leaned over the rail in the early morning sun and watched the huge cranes swing aboard the Northern Belle and dip deep into her hold. Steve Hansen, puffing on his pipe alongside her, followed every foot of the journey with hawk-like eyes when the crane swung out with the Halliday mining machinery.

Val sighed when it was deposited on the dock and transferred to a huge truck which the company had sent down. "That's a relief," she said.

Hansen nodded. "Yeah . . . but it's too bad we can't prove those yeggs were agents of that other line. We know it, of course, but proving it is something else. It's next to impossible. Only satisfaction we have is knowing our playmates of last night will get themselves a nice long stretch for robbery, attempted vandalism and a few more charges."

"They're lucky it wasn't murder," said Val. "And Mike Kelly is lucky he has a nice, thick skull."

Hansen grinned. "Look at 'im down there. You'd never know he came within a quarter of an inch of cashing in his chips."

They didn't know Pop Grimes was behind them until the trainer spoke. "Unless you folks have serious objections," he said, "Eddie and me are going to do a little honest-to-goodness road work this afternoon. About a couple of hours outside of town."

"Good," said Val. "I'll go along."

"We ain't walkin' miss, we're runnin'." Pop reminded her casually.

"What's to prevent me from renting a car and driving along behind you?"

Pop shrugged. "You win, as usual. We're starting out a couple of hours after lunch, so have your auto ready."

She invited Duffy Kelso to come along, but he refused. "Thanks," he said, "you've got me believin' it's safest to be where you ain't. And for the luvva Pete, make sure you don't run 'em down."

• • •

That afternoon, for the first time since she left San Francisco, Val wore a dress instead of slacks and shirt. She put on low-heeled shoes and slipped into a beige camel-hair jigger-coat.

"That's to remind you she's still a lady," Duffy Kelso observed, but Val gave no sign she had heard.

"Where's th' party?" Steve Hansen inquired. Eddie Cavalier didn't say anything, but she saw the look of started surprise on his face.

Yet, she admitted to herself as they swung off down the dock, Duffy had been partly right. Clever man, in his way, was Duffy Kelso. Too bad he was soured on her so. She couldn't help chuckling at the thought of it. He certainly had a right to be.

She could picture Duffy, once they got back to San Francisco. He'd probably try to put an insurmountable barrier between her and Cavalier. Refuse to see her. Make her get her stories secondhand. Make it tough for her in every way imaginable.

Well, she'd had her innings. Rather riotous ones, at that. Anyway, she had a hunch that Eddie Cavalier wouldn't be too difficult to reach, despite Duffy Kelso. It was just a hunch, but Val Douglas always placed a lot of faith in her hunches.

She asked a policeman where she could rent a car and he directed her to a garage a couple of blocks away from the main business section.

She climbed behind the wheel of a shiny blue coupe. It felt good to drive again. She slipped through the noonday traffic and headed back for the waterfront. Parking the car as close as possible to the Northern Belle, she boarded the ship.

She was just in time for lunch. "Give you a break," she said to Pop Grimes. "I'll drive you out to the other side of town when you're ready to go."

"Thanks."

"Of course," she lied for Duffy's benefit, "I haven't driven in almost a year, but I think we can stay out of the ditches and avoid the telephone poles."

It was perfect bait. Duffy let out a yelp. "Stay outa that car," he ordered Eddie. "She'll get you killed yet."

Eddie grinned. "Calm yourself, Duffy. Can't you see she's just needling you?"

Duffy Kelso glared and put his fork down disgustedly. "Well, anyway, she killed my appetite."

• • •

Val found that following behind Eddie and Pop as they jogged along the Skeena River road was a little too slow. She practically had to stay in second gear all the time. It was too boring to suit her.

She honked the horn and drew alongside. "See you snails farther down the road."

She roared off in a cloud of dust. "Didn't think she'd last long," Pop grunted. "She just ain't used to staying in the same spot for a long time."

The sun had been shining brightly, but now is moved behind a dark cloud which came up from the northwest. Val hummed to herself as the car purred along the country road. And then it happened. There was a loud report and when the car moved sluggishly toward the side of the road she knew she had a flat.

She got out and looked at the tire with dismay. There was a spare in back, but who was going to change it? She looked up and down the road. There wasn't a house in sight. Nor a gasoline station. Nor any sign of another car. She climbed behind the wheel and sat there dejectedly.

It was a half hour before she glanced into the rear view mirror and saw Eddie and Pop come over a slight rise in the road. She breathed a sigh of relief.

"Am I glad to see you," she said. "Look what I've got."

She didn't see Eddie nudge Pop Grimes slyly.

"Gee, that's tough," he murmured. "Well—if we come to a garage or gas station we'll send back a mechanic."

And they left her standing there as they jogged off.

GOOD JUDGMENT BY JUDGE MOORE

Chief Justice W. F. Moore of the Texas Supreme court has displayed wisdom, we believe, in deciding not to be a candidate in approaching primaries for the position to which he was appointed by Governor O'Daniel several weeks ago.

Judge Moore doubtless would be a difficult man to beat. He would have the advantage of being the incumbent under circumstances peculiarly favorable to himself. He likewise would have reason to expect the support of most of the O'Daniel following. He has a distinguished career in law behind him as another asset.

However, Judge Moore is 70 years old. The position he occupies is the most important of judicial nature within the gift of the people of Texas. It probably should impose a heavy physical, nervous and mental drain upon the man who occupies it. It isn't the kind of job for a man late in the declining years of life.

Today's Thought

Take you wise men, and understanding, and known among your tribes, and I shall make them rulers over you.—Deuteronomy 1:13.

• • •

In seeking wisdom thou art wise; in imagining that thou hast attained it thou art a fool.—Rabbi Ben-Ezra.

After the big affair, Owlexander autographed a menu for his host: "From Alexander Woollcott, with gratitude and bicarbonate" . . . John Price in The Richmond (Va.) Beacon, points out that one-fifth of the world is ruled today by ex-cons. Mussolini had eleven jail sentences, Hitler served one, Stalin did time in a Siberian jail for train robbery, De Valera served three for political reasons, as did Gandhi.

* * *

I had a call today from a stranger who wondered if it is true that a show called "The Elephant Shepherd" by Vernon Smith (15 years ago) inspired "The Man Who Came to Dinner" . . . He says Chic Sale starred in it. The play, which was adapted from a Mack Sennett two-reeler, was about a man who was knocked down by an automobile and thereafter ruled the driver's household—threatening that he could sue if they didn't yield to his wishes . . . A special movie edition of Rachel Field's best-seller, "All This—And Heaven Too" will be out next month. She got $100,000 for the movie rights. She is dedicating the new edition: "To America—for All This and Heaven Too" . . .

* * *

Your quote from the N. Y. Times about a Berlin newscaster "who sounds like Walter Winchell" has more than meets the eye and ear. Eight months ago, I learn, Goebbels had been informed you were the Nazis' No. 1 Public Enemy in the U. S. . . . For two months (eight broadcasts) they made recordings of your programs for analysis and study . . . Then they put on a guy to ape you as closely as possible—on the ground that if your style was what appealed to listeners so much—they'd copy it to get attention to their stuff . . . If you publish this, I am told, it will spoil the chance to get added info on the subject. So what?

* * *

VELOZ and Yolanda and Arthur Murray will open a school for dancing in the Ambassador, Los Angeles . . . Carl Cooper couldn't stop laughing yesterday so he called up a hospital for advice. "Get married!" was the amazing reply . . . Get out your orchids for Mark Hellinger's "Brother Orchid" picture. I hear it's fine . . . MGM is trying to break up the Ilona Massey-Alan Curtis romance, but they may wed, so in love are they . . . Rourke MacCormack called. Said he was surprised at you—that describing a gang of pigs is easy. A group of musicians is a band, a group of bananas is a bunch, and a group of pigs is a Bund.—Your Girl Friday.

'It Seems to Be Here to Stay'

Court Ruling Against Price Fixing Spurs Building Costs Drive

There Is Plenty Of Talk In Washington Now

BY BRUCE CATTON
Journal Washington Correspondent

WASHINGTON, May 15.—Real significance of the Supreme court decision in the Madison oil case is that in effect the court has agreed with Thurman Arnold about the great breadth of the Sherman anti-trust law.

Catton

A year ago Arnold was arguing that this law gives the government all the power it needs to keep prices flexible. Few people agreed with him. The Sherman act had been almost a dead letter for years. He was told that before there could be a real drive for lower prices and freer markets there would have to be new legislation.

Arnold replied that he would go ahead under existing law and find out, once and for all, whether he wasn't right about its scope, before asking for any new laws.

Now the court has defined the Sherman act in as broad a manner as Arnold could have wished. It has held that putting any sort of floor under prices is illegal, and has enabled him to strike at almost any practice that results in stabilized prices.

One of the chief results of this ruling will be that Arnold's building costs campaign can be speeded up. The system of bid depositories, under which contractors in various cities have frozen out low bidders, apparently lies directly in the path of the new decision.

If Arnold goes ahead with his previously-hinted-at plan of attacking the costs of food distribution, the ruling will be of great value to him. Its implications in such pending cases as those against the moving picture industry are now being studied in the department.

The new dicision greatly simplifies work of the anti-trust division since it makes unnecessary the research formerly necessary to show the effect of a price fixing agreement. Under the new ruling the prosecution need only show that such an agreement existed in substance. Its entire work henceforth rests on a new and much simpler basis.

The average congressman's eagerness to show he is independent loaded seven earnest House members with a lot of extra work the other day.

A sub-committee headed by Congressman McCormick of Massachusetts has been holding hearings on the Patman anti-chain store bill. Recently the sub-committee issued a "last call" for any witnesses who wanted to come in and testify—and 160 volunteered.

Sub-committee, appalled, decided to give each man just five minutes. Unluckily, that same day some pro-Patman outfit issued a statement denouncing the sub-committee for letting the bill's foes talk it to death.

To have applied the five-minute limit right after that would have made it look as if the sub-committee was yielding to pressure; so the boys voted to let each witness have his full say—and, as a result, will have to be listening to 'em until well along in June.

There are more than 32,000 different coins in the world, according to estimates.

Swiss Mobilization Is Said Complet

All Forts Are Fully Manned

BERN, Switzerland, May 15 (AP)—Switzerland's mobilization is complete and "all the troops occupy the positions which have been assigned to them," the federal council and high command announced in a joint communique today.

The communique:

"General mobilization has been completed in the shortest possible time. All the troops occupy the positions which have been assigned to them.

"These positions, on all our frontiers, are held by powerful armed forces."

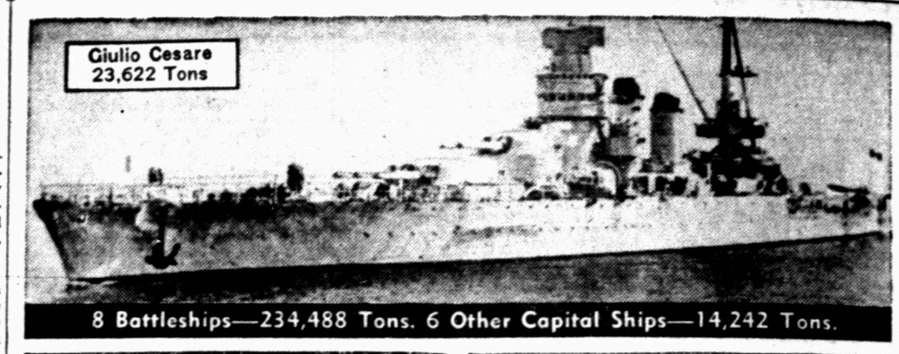

Forts Fully Manned

(This means that the forts on the Italian frontier, which until the recent intensification of the crisis had only a skeletonf guard, are fully manned.)

"The protection of the neutrality and independence of Switzerland have been assured by the placing of our armed forces in their posts."

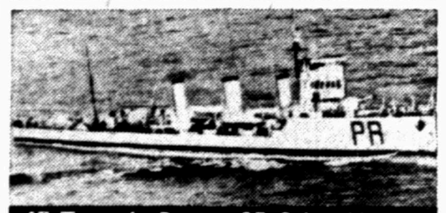

The forces referred to include not only the army, but anti-aircraft defense units. These units have been turned into "home defense corps" in which are enrolled all women and men too old or otherwise unfit for military service, but who can fire a rifle.

Foreign observers estimate the regular army at 600,000 men, the home guards at 200,000.

ITALIAN NAVY SAILS INTO WAR SPOTLIGHT—Into the war spotlight sails the Italian navy, currently maneuvering in the eastern Mediterranean. It is smaller than the navies of Britain or France, but is strategically located in a sea it might control to cut the direct allied lifeline to the near east and India. Pictochart shows principal units of the Italian fleet with tonnages for ships built, building, or appropriated for through 1940.

Spring Training

(Continued From Page 8)

Right Half Howard Lanford received the snapback, lofted the oval to Jackson pulling out one yard behind the double stripes.

Leete shook off a half dozen tacklers and scampered through the rest and up the sidelines for the touchdown.

The half ended with the "Slewfoots" leading, 6 to 0. The counter came with McKinnon tossing three bulls eyes of 15-22- and 10-yards to Right End Lyonal "Glue Fingers" Lindsey, the new pass snatching sensation galloping another 10 yards on the final aerial. This was midway the second. So, with the first five minutes of the third, the "Bird Dogs" were on the defensive again. But McKinnon, who demonstrated he has the makings of a triple threater, made the mistake of punting into the arms of Leete again. This time, Lightning just took off to his right, suddenly reversed his field and streaked down the sidelines 90 yards to paydirt.

Drive Nets Counter

The other "Bird Dog" counter came in the latter part of the third after J. A. Blackwell, playing a bang up game at end, along with a host of "Bird Dogs" blocked McKinnon's midfield punt. Roland Nabors, "Bird Dog" center recovered on the 25. Jackson made a first on the 15 and two plays later, Billy Wright, fullback, plunged over right tackle for the score.

Final score of the day came on a sustained 60-yard drive by the "Slewfoots" after they had received the kickoff following Jackson's 101-yard gallop. Sparkplugs of the attack were McKinnon and Right Half James Reece, the latter going over from the seven to climax the march.

All efforts at conversion by both teams failed.

McKinnon Can Toss 'Em

Late in the fading fourth, following Jackson's sensational sprint, the "Slewfoots," under the guidance of warhorse McKinnon engineered a desperate aerial attack that fell short by yards. Passing on every down, McKinnon and his mates forged to the 23 before Jackson cut short the rally with an interception as the game ended.

Had the game been of the interschool variety, it would go down as "something." Those long runs would have taken care of that.

Summing up the situation as it pertains to the Westerners and how they look, it can be said that the material is there in sufficient quantity, but it is plenty green yet. Experience is one of those things the Westerners of 1940 as yet don't have. And it is that factor, along with the usual "breaks" which always haunt or help Westerner elevform, it was announced, after Fred Higbee and Ed D. Allen had discussed the unit.

Members of the corps will meet at 8 o'clock tonight in Allen's office on the second floor of the courthouse.

Program Is Staged By Shriners Here

A program and Dutch lunch was attended by approximately 60 Shriners of Lubbock and the South Plains in Lubbock hotel Tuesday night.

Fred Galle of Amarillo, assistant recorder of Khiva temple, announced plans for the 20th anniversary ceremonial to be conducted by the temple May 21 in Amarillo.

Homer D. Grant, president of the South Plains Shrine club, presided, with the program in charge of W. E. Lavender.

Marvin Stegall, 11, of 809 Avenue M was presented in his first public appearance in imitations of Donald Duck.

Drum Corps To Attend

Members of the Dogies, negro boy organization; also were presented under direction of Emmett Galloway, counselor of Downtown Boys club. The Allen family quartet, composed of William, 14, Levaughn, 11, Dorsey Lee, 13, and their sister, Joyce, 9, sang negro spirituals.

Josiah Love, 9-year-old negro boy, "preached."

Galle told members that Imperial Potentate Walter D. Cline of Mascat temple at Wichita Falls would attend. Cline, now head of Shrine work in all of North America, delivered the charter to Khiva temple 20 years ago when he was potentate of Mascat temple.

L. D. Thomas will be trip chairman for Lubbock and the city will be well represented at the Amarillo ceremonial, Grant said.

The South Plains club drum and bugle corps will attend in full uni-

Sportometer

(Continued From Page 8)

ed to act just like they would at a ball game — yell and cheer, or jeer, on every shot, crucial or otherwise. The match was for charity, and to debunk a theory that all the shushshushing around a golf course was necessary, as well as traditional.

● ● ●

Well, Parker recalled a similar contest staged over the Lakewood Country club in Dallas back about 1930. Playing in the match, which was to benefit some charity, were Gus Moreland, Dave Goldman, Reynolds Smith and Larry Nabholtz, four of the biggest golf names in Texas at the time. The match was sponsored by the Dallas Salesmanship club, and directors requested the spectators to make all the noise they wanted; everything went but crowding the golfers off the tee. A brass band followed the golfers around blaring out loud if not harmonious music on all tee shots and putts, and many of the spectators brought along wash tubs and dish pans, and beat on them with sticks while a golfer was lining up a putt or addressing the ball, at all times keeping up a constant clatter.

● ● ●

Well, all Gus Moreland did was fire a 69, not far over the course record and a couple of beats off par figures. The others performed just as well, maybe better, than they would have under ordinary golf gallery circumstances.

All of which proves that golf could be a good "drawing card" if the fans could let go with their emotions and display their true Americanism. There's nothing Americanistic about the old Scotch game, from the spectators' standpoint, and they stay away from golf matches in droves.

● ● ●

Next time a high-toned professional golfer, or golfers, come to Lubbock for an exhibition, let's try out the idea here. We'll bet the attendance is at least tripled over any gallery so far.

We might even try it out with a foursome of local hotshots, just for something different.

ens, which will determine what next fall's campaign will be for the boys who wear the Black and Gold.

All Showings Favorable

Yesterday's scrimmage was not polished by any means. Several key players were out with minor injuries. The team naturally was split to make things more even. It is just impossible to draw much of a conclusion now.

To make any one outstanding player would be foolish. The age of one-man teams vanished two years ago—the Westerners having never been one, for that matter. Catching the eye, however, was McKinnon's surprising passing, the snagging of Lindsey, Jackson as usual, field generalship of both teams, scrappiness of the entire team—all plenty willing to give and plenty.

In other words, the stars were the candidates for the fall edition.

She's In Navy Now But Under Wraps

DALLAS, May 15 (AP)—She's in the navy now, but under wraps.

A strapping fellow applied for enlistment but was rejected because his left arm bore the tattooed figure of a nude woman, contrary to naval regulations.

Undaunted, the would-be recruit visited another artist. He obligingly etched appropriate clothing on the figure.

That satisfied the recruiting officer.

Canada's artificial and natural silk industry produced goods valued at more than $23,000,000 in 1938.

Callahan Pioneer Is Claimed By Death

BAIRD, May 15 (AP)—Mrs. Alex Williams, 81, who had lived in Callahan county since 1877, died last night.

Funeral services will be held Wednesday afternoon at Clyde.

Mrs. Williams was born Feb. 28, 1859, in Lebanon, Ala. She was married in 1880. Survivors are three sons, Jim Williams of Eula, B. A. Williams of Gladewater, and O. B. Williams of Kress; and four sisters.

The Egyptian house-cat, is believed to have had a major share in the development of European breeds.

never a better ye to see the WEST

via Santa Fe

AND it's so economical to include all those grand travel experiences in a California trip, via Santa Fe, anytime during this great Exposition Year!

You can pause for a day or so at Arizona's glorious Grand Canyon—Santa Fe Pullmans to the rim.

Then to San Diego, Los Angeles, Hollywood . . . Yosemite Park in the high Sierras . . . and San Francisco's exotic Golden Gate Exposition.

For swift, comfortable travel, the Santa Fe offers this territory two famous trains—THE SCOUT, tourist sleeper and chair car economy train—THE GRAND CANYON LIMITED, providing accomodations in standard and tourist Pullmans and chair cars. Both trains carry lounge cars and cheery Harvey diners serving all meals. There is gay new streamlined service, too, between San Diego, Los Angeles and San Francisco.

WHAT'S IT WORTH? (ABOUT $300 MORE!)

ANY WAY you look at it—it will pay you to own a new Nash. It alone has the 99 H.P. Manifold-Sealed engine that took a "first" in the 1940 Gilmore-Yosemite Run with 23.76 miles per gallon. It alone has that smooth new Arrow-Flight Ride, Sand-Mortex Soundproofing. No other sedan near its price has provision for a big Convertible Bed . . . or has a 7-bearing crankshaft, the extra weight, the *double* frame, that mean so much in comfort.

To get all this in another car, you'd have to pay about $300 more. But it's "standard" with Nash—and *extra* value when you trade. Take a look—take a ride in a 1940 Nash today!
