City officials have set the cleanup, paint-up week for Loraine May 17 through 21. To have a genuine cleanup of our town will require the cooperation of every property owner. Each must clean his own premises not only around his home but every vacant lot he owns. That is the only way we can get a thorough cleanup. The cleanup campaign also includes business places.

To have a beautiful town we must have a clean town as well as have every home and business house repaired and painted. Let every business place and residence clean up and paint up during the special cleanup campaign. Aside from being more beautiful, our town will be more healthful for our residents.

Rains have been coming regularly recently though they might not have been as heavy as some would have desired the moisture has put most of our territory in fine condition for planting. Thus far we have been very fortunate in not receiving any damaging wind or hail with any of the showers.

I noticed by the news in the daily papers that farmers around Munday have contracted to plant 400 acres of cantaloupes this spring. It will be interesting to see how they will come out with them financially. For several years farmers around Munday have been growing various vegetable crops and they continue to expand their operations. Similar operations might prove profitable in this community.

Funds Needed For Ball Park

The plea for help in cleaning up the Little League ball park was answered by a large group of citizens Tuesday night when work started there about 6:30 and by 9 o'clock the grounds were clean, the old bleachers and concession stand torn down and everything in readiness for work to start on new bleachers and stand.

Loraine citizens let their Little Leaguers down last year in failing to sponsor a Little League summer program. Recently a few interested citizens decided they would not repeat that mistake, but would join in the effort to provide a summer recreation program for them. They began talking, making plans, others became interested and the turnout Tuesday night showed that the young boys of Loraine are not going to be disappointed this summer because of lack of managers and interest from other citizens.

Managers for four teams had volunteered to take over this work and they ask boys in their age groups to contact them, as they will soon start practice and the first game will probably be played about the first of June. Willis Taylor will manage the Pee

Wee group; Mrs. Joe Emerson, the Little League; John McRae the Pony League and Ross Snyder, assisted by Ray Furlow, the Teen Age group.

Mrs. Jasper Doyle has volunteered to take charge of the concession stand. She will need assistance from other women, your help will be appreciated.

In order to rebuild the bleachers and concession stand a fund was started Tuesday night, and all citizens will be given an opportunity to donate to this worthy cause.

The fund started off with the following donations, Ray Preston, \$20.00; Clifton Burfield, \$10.00; Bill Scarber, \$10.00; Joe Emerson, \$10.00 and miscellaneous, \$1.90. Anyone wishing to make a contribution to this fund may do so by contacting the following: Bill Scarber, Archie Scarbrough, or Clifton Burfield.

It will take approximately \$350.00 or \$400.00 to rebuild the bleachers and stand, with the help of all Loraine citizens this will not make a hardship on anyone and to help with this work, we know all will have the satisfaction of feeling they had helped the Loraine youth.

Two FFA Teams In State Judging Contest

Two teams from the Loraine FFA Chapter participated in the state FFA judging contests held at Texas A & M University, College Station, Texas on May 1, 1965. All the teams participating in the contest were the top 10% in the state and had previously qualified before participating in the A & M contest.

The livestock judging team composed of Johnny Baumann, Keith Hackfeld and James Mahon placed 30th with 88 teams competing. This ranked the team in the top 4% in livestock judging in the state. The poultry team composed of Donnie Bowles, Mike Mearse and Ronnie Finley placed 44th with 86 teams competing and this ranked them in the top 5% in the state in poultry judging.

Both teams had qualified for the state contest by participating in the Texas Tech contests on April 24, 1965.

Richey Cary To Snyder Post

Richey Cary, employed by Standard Oil Company the past 2 1/2 years has been named Technical Assistant to the Company's geologist, and will be working in the company's Snyder office.

He will move from Colorado City to Snyder.

Richey, son of Mr. and Mrs. Garland Cary is a graduate of Loraine high school and Texas Tech and has worked for Standard Oil Company since his discharge after two years army service.

Showers Visit Area

The shower that fell Sunday morning left 10 inches of moisture in the government rain gauge. Another shower Monday morning produced another .30 inches for a total of .40 inches.

Other parts of the territory was reported to have much heavier showers.

ANIMALS WILL BE DESTROYED

It has been announced by the City Health Officer that all stray animals and pets, within the City limits of Loraine, that have not received a rabies vaccination will be destroyed after May 14.

This decision was made by the Board of Health due to the outbreak of rabies earlier this year. A full scale rabies epidemic was feared unless something could be done to prevent it.

All persons owning pets that have not been vaccinated, are urged to have them vaccinated before May 14, as they will be destroyed after that date.

Two Loraine Boys Win In Austin

Harold Preston and Keith Hamilton, members of the Loraine High School Golf team participating in the State Interscholastic League met in Austin last Saturday, were awarded 2nd and 4th places. The team composed of Harold Preston, Keith Hamilton, Danny Tartt, and Carroll Bowles placed 4th at the meet.

Harold placed second individually, shooting 166 and Keith placed 4th, with 172. Placing 1st, was Larry Faulkenberry of Gladewater, shooting 160. Tommy Baskin of Sabine was 3rd, with 167. Shallowater won 1st, in class B team.

Accompanying the boys to Austin were Mr. and Mrs. Ray Preston and Mr. and Mrs. Lynn Hamilton. They went to Austin Thursday in time for some practice.

Leaving Austin, they went to Bandera where Mrs. Preston, sponsor, and Mrs. Hamilton, roommother, and Harold, Keith, and Carroll, seniors, joined the other seniors there for their stay through the weekend.

Mitchell County Businesses Cross 1.2 Million Dollars

77 Service establishments of Mitchell County had total receipts of \$1.2 million in 1963, an increase of 9 percent from 1962, according to a report of the 1963 census of business.

The selected service trade establishments in the county employed 122 persons (exclusive of proprietors) and had a payroll for the year of \$235 thousand.

May 22 Deadline For Skip-Row Protesting

At a meeting held in the local ASCS Office in Colorado City, Tuesday morning, May 11, 1965, the following views of Blaine Harrison, Director, Farmer Programs Division, on the skip-row program were discussed.

Any change in the rules for measuring crops that does not simplify the regulations for the farmers and ASCS personnel

should not be adopted according to Mr. Harrison. This proposed rule will cause overplanting of feed grain and farmers will plant their full cotton allotments, since they would not be eligible to participate in the domestic cotton program. Many farmers will be out of both programs.

His further views were that the cotton producer must produce cot-

ton cheaper to meet competition. Skip-row does this. The new rule will increase the cost of producing cotton, which is the opposite affect we want in producing cotton. Also many farmers will be unable to figure the amount of acres they can plant, causing overplanting and they will have to plow back to the allotment, adding wasted time and expense.

There is also the effect this rule will have on administration of farm programs by ASCS. The tremendous job of training office and field personnel so they can help the farmer plan his farm operation and measure his crops is to be considered.

All farmers should contact local bankers, Chambers of Commerce, local merchants, ginners, oil mills, compresses, and others in the Cotton Industry to write their Congressmen. State Representatives should also be contacted and urged to contact Washington Representatives about the concern of the people.

Addressed cards to the Director, Farmer Programs Division, may be picked up at the News Office or the local ASCS Office in Colorado City.

Housing Authority Receives Loan

Word was received by the News Office early Tuesday morning from Senator Ralph Yarborough, that a loan of \$4,400 has been made to the Housing Authority of Loraine by the Housing and

Homes Finance Agency.

A loan to the authority at this time will enable them to begin preliminary planning on its program for 22 low rent housing units.

It has been decided that 14 of these units will be designed for the elderly.

G. H. Henley Dies Of Heart Attack

Funeral services for George H. Henley were held at Kiker and Son Funeral Home in Colorado City Sunday at 2:30 p.m. with the Rev. Jene Greer, pastor of the First Methodist Church officiating. A mens quartette from Loraine sang special numbers.

Mr. Henley died about 6:30 p.m. Friday at his home here after suffering a heart attack.

He was born Sept. 15, 1890, in Houston County, and moved to Mitchell County in 1906. He married Lucy Cook, Dec. 24, 1914, in Colorado City. He was a retired farmer and plumber and had lived in Loraine since 1926.

Survivors are his wife of Loraine; one daughter, Mrs. Bob Fatheree of Roswell, N. M.; six brothers, J. H. and C. M., both of Snyder, E. F. of Lubbock; J. B. of Lamesa, Tom of Brownfield and M. C. of Lone Oak; and one sister, Mrs. Adelle Armstrong of Amarillo.

One son, Henry J. Henley, was killed in action during World War Two.

Funeralbearers were: Clyde Banks, Moody Richardson, Charlie Bloodworth, Dexter Taylor, Huron Dorn.

Loraine High School NHS Chapter Officers Elected

The Loraine High School National Society Chapter met Tuesday for the final meeting of the school year. The president, Johnny Baumann, presided. Kenneth Brame gave the invocation.

Linda Cornutt presented the secretary's report and Harold Preston gave the treasurer's report. Charla Mae Martin reported on the Chapter's scrapbook.

The sponsor discussed communications and the annual report which must be submitted to the national office at the end of school. This report includes the names of all members and the projects undertaken by the chapter. The constitution for the chapter was reviewed by Linda Cornutt.

Byron Mote, chairman, Charla Mae Martin, and Linda Cornutt were selected on the nominating committee for the purpose of nominating officers for 1965-1966. Byron Mote gave the report for the committee and the following new officers were elected by acclamation.

For president—Kenneth Brame; vice-president—Sharon Byrne; secretary—Kay Givens; treasurer—Arleta Martin; reporters—Marilyn Forbus and Mike McDaniel; historians—Judy Tartt and Janet Sue Hall; and parliamentarian—Robert Santiago.

The meeting was adjourned for refreshments which were served to the members and teachers by the social committee, Carolyn Schroeder, Shelia Oliver, and Marilyn Hale and assisted by the service committee, Byron Mote, Kenneth Brame, and Mike McDaniel.

Penalty On Farmers and Merchants

CAN FARMERS AND MERCHANTS STAND A 25% CUT IN COTTON INCOME FOR THE ROLLING PLAINS AREA?

Cotton Income Threatened

The permissible acreage of skip-row plantings would be affected as follows on farms with cotton allotments of 50 acres and 40 inch rows:

	Rows		Present Proposed		Acres	Reduction	Percent
	Cotton	Skip		Acres			
I	2	1	75	57.7	17.3	23	
II	2	2	100	77.0	23.0	23	
III	2	4	150	115.4	34.6	23	
IV	4	2	75	65.3	9.7	13	
V	4	4	100	87.0	13.0	13	

What You Must Do To Survive

We must stand up and fight this and every other movement to reduce acreage by eliminating Skip-Row measurement. When we reduce cotton-foreign producers, man-made fiber, urea, and soybean production increases and we lose more markets to our competitors. Cotton interests must rise up and fight for old and new markets. We should have the aid of a sympathetic U. S. D. A. Administration rather than one that encourage a continual retreat, and less of markets for cotton and cottonseed products.

Each farmer is strongly urged to contact local bankers, Chambers of Commerce, local merchants, as well as ginners, oil mills, compresses, and others in the Cotton Industry to write their Congressman. Also, contact the State Representatives and request that they too, contact Washington Representatives indicating the concern of people BACK HOME.

Growers can submit data, views and recommendations in writing to the Director, Farmer Programs Division, Agricultural Stabilization and Conservation Service, Washington, D. C. 20250. To be considered, comments must be postmarked not later than May 22, 1965.

LORAIN CABLE TELEVISION SYSTEM

LINE SUPERINTENDENT — Ed Rothwell compares the difference between the old and the new. Conductor on right (small one) is the old conductor, which is number 4 gauge aluminum. Conductor at left is number 4-0 gauge aluminum which replaced old conductor at right.

Lone Wolf Installs New Electric Line

According to James Hull, Manager of Lone Wolf Electric Cooperative, Inc. in Colorado City, one mile of line extending east from the wholesale delivery point, south of Colorado City, has been replaced. This was done because of the expectancy of heavier loads in the future.

The old line, which was number 4 Gauge aluminum wire was replaced by number 4-0 gauge aluminum, which has 400% more capacity than the old line. This new conductor will take care of increased loads, and keep the voltage at the constant level required, with plenty of room to spare.

The Communities that are helped by this change are: Longfellow, Valley View, China Grove, Dunn, Spade, Lowe, Pecan Crossing, Peter L. portion of Spade Ranch, the Maddox Ranch, Landers, Looney, Bethel and up to one mile from the old Silver School.

As one can see, this is quite an extensive area and it required the upgrading of only one mile of conductor to insure proper voltage for all these families, and irrigation wells.

According to Mr. Hull, several plans are on the drawing board to bring greater assurance of continued good service to all areas served and that Lone Wolf Electric is continuously upgrading their lines and keeping informed on improved methods of insuring against greater loads.

Mr. and Mrs. Edwin Hallmark left Saturday for El Paso where they are spending this week with her brother and wife, Mr. and Mrs. Carl Price and with two sisters, Mrs. J. E. Lyons and Mrs. Carl Sleet.

NOTICE

Secretary of State Crawford C. Martin announced that all qualified Notaries Public desiring re-appointment for the new term ending June 1, 1967 must re-qualify by the payment of a new oath and bond with the County Clerk of his residence between May 1, 1965 and May 15, 1965, inclusive.

Martin emphasized that Notaries Public should NOT send requests for re-appointment or for commissions directly to the Secretary of State. The law specifically requires that the County Clerks approve notary bonds.

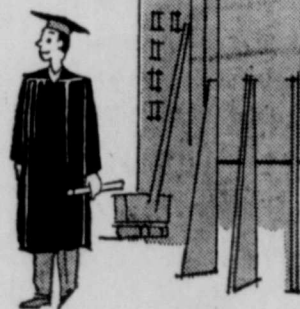

Any person not now a Notary Public who desires appointment should apply to his County Clerk before May 20, 1965. Application during this period will assure that the appointment will be made in sufficient time for the applicant to qualify at the beginning of the new term.

The Secretary of State further pointed out that each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the county for which he is appointed. The exact name and permanent address of the applicant must be furnished the County Clerk. 52-2-c
