County Receives $30,986 From Wildlife Refuge

Gordon Hansen, manager of Aransas National Wildlife Refuge, this week presented a check for $30,986.29 to Judge John D. Wendell who accepted it in behalf of Aransas County.

The money represented the county's share of payments from the Wildlife Refuge under a formula based on the value of the acquired land and the amount of cash receipts during a 12-month period.

Under the Revenue Sharing Act, the money is to be used for public schools and roads. Aransas County commissioners, probably at their next meeting, will decide what portion of the $30,986.29 they will allocate to Aransas County Independent School District.

County governments in the eight-state Southwestern Region of the Bureau of Sport Fisheries and Wildlife received $209,512.48 as a result of distribution of national wildlife refuge receipts to the counties, according to regional director William T. Krummes of the Department of the Interior wildlife agency.

Aransas County received the largest check. Brazoria county in Texas was second, receiving $28,566.50.

Christmas Seals Sent In Mail

The first sheets of Christmas Seals have been sent to Aransas County residents by the Coastal Bend Tuberculosis and Respiratory Disease Association.

The 1969 Christmas Seal, selected from several hundred entries from persons across the country, features an elegant tree surrounded by a ring of dancing children. The Seals, part of the holiday tradition, have been used for more than half a century to decorate Christmas cards and packages.

This year, the Coastal Bend Tuberculosis and Respiratory Disease Association plans to use the majority of the contributions to Christmas Seals for services benefiting the Coastal Bend Area residents.

Slogan of this year's campaign is "Use Christmas Seals—It's a Matter of Life and Breath."

Marine Lab Display Closed Temporary

The displays in the lobby of the Texas Parks and Wildlife Department's Marine Laboratory here will be temporarily closed for remodeling, according to Marvin Townsend, Maintenance Supervisor.

Six of the twelve aquaria will be removed, along with a section of the wall, and two very large aquaria will be installed in that space. This will make it possible to keep an assortment of large fish that would not live in the smaller tanks. Some of the older displays will be up-dated and the lighting will be improved.

Townsend estimated that it would take six weeks to complete the work which is all being done by Parks and Wildlife maintenance personnel before the Christmas holidays.

All other functions of the laboratory and field office will continue without interruption.

SQUARE DANCE CANCELLED

The regular Friday night square dance at Paws & Taws has been cancelled this week as the caller and a large percentage of the members will be in New Braunfels for the Wurstfest square dance jamboree.

County Orders Patrol Car From Clark Chevrolet

Aransas County Commissioners have awarded a contract to George Clark Chevrolet Company, Aransas Pass, for an air-conditioned patrol car. The bid was $2,410 with trade-in.

A bid of $2257.99 from Atzenhoffer Chevrolet Company of Victoria although lower, did not meet the specifications. The high bid of $2,552 was made by Commercial Motor Company of Aransas Pass.

Commercial Motors was awarded a contract for a truck chassis on its bid of $3,763.22 with trade-in. Atzenhoffer bid $3,803.83, and George Clark Chevrolet $3,813.

Bids received for electrical repair work on runway lights at the airport were: Yeager Electric Company, $744; H. D. Hensley, $837; and Callico Electric Company, $812. The contract was awarded to Yeager, the low bidder.

Ray Harris, San Patricio County auditor and member of the Sinton Airport Authority, met with the commissioners upon their invitation and answered questions about the operation of the Sinton airport.

Tommy E. Griffith, Aransas County surveyor, displayed a map showing the proposed new precinct lines and gave each commissioner field notes describing the changes. These changes are being made to bring about equalization of the number of people in each precinct in accordance with rulings by the U.S. and Texas Supreme Courts.

Conservation Ass'n Welcomes French

The Rockport Sportsmen Conservation Association board of directors held a breakfast meeting last Thursday at the Sea Gun Sports Inn to welcome Gabe French back as manager. He expects to be here for several months and join in the efforts to prevent further pollution of the bays.

The directors voted to drop the word "Sportsmen" from the name of the association.

M. W. Cochran, secretary-treasurer of the association, said, "It is encouraging to see an awakened concern nationally about the pollutants which are destroying the fish and wildlife feeding grounds, poisoning the air and upsetting the balance that nature has provided which is necessary for the continued production of fish and wildlife and the good health of our people.

"The Rockport Conservation Association will continue its efforts with renewed vigor for more effective control of the pollutants which are destroying the seafood our bays can and should provide."

Gifts for Men In Vietnam

Many people are planning to send Christmas presents to local youths who are serving in Vietnam but in many instances they don't know what addresses to put on the packages.

Since Jimmy Hunt, Veterans Service Officer, is receiving many such queries he asks all local people who have sons and husbands serving in Vietnam to send him the names, rank and exact address of the youths so he can pass this information on to folks who want to send presents.

C of C Plans Fishing Tourney

The Chamber of Commerce board of directors voted Tuesday to sponsor a fishing tournament for winter visitors from Dec. 1, through Mar. 31, 1970. The directors met in the Sandollar Motel Colony Room as guests of Mrs. J. W. "Tony" Harden.

Weekly, monthly and grand prizes will be awarded for the largest trout, redfish and flounder caught. Fish entered in the tournament must have been caught on rod and reel in the waters of Aransas and Refugio Counties. Weight of the fish (before gilling) will determine the winners.

Fish entered are to be weighed in at one of the official weighing stations: Mills' Wharf at Sea Gun Sports Inn, Lamar; Wilson & Sons, Fulton; Key Allegro Marina, Key Allegro; or Morrison's Sportsmen Center, Rockport.

Hugh Morrison is chairman of the fishing tournament committee. Other members are R. L. Eckman, John R. Kinsey, Mrs. Juanita Wagley and Mrs. Loyce Landrum.

The Chamber of Commerce directors also made plans for the annual Christmas decorations contest. They decided to have two categories: 1) homes, and 2) business establishments, civic organizations and clubs. Two prizes will be awarded in each category, one for best display and one for originality.

Last year's prize winners will not be eligible for awards this year, but are encouraged to decorate. Judging will take place on the night of Dec. 18, the night scheduled for a caravan of cars filled with visitors and local people touring the area to view the resplendent displays. Pirates Meet Wildcats For Dist. Championship

BY BOB CRAWFORD

After breaking one 10-year jinx at Woodsboro last Friday night, the Rockport-Fulton Pirates will be trying the break the biggest 10-year jinx of all when they try to bring the District Championship to Rockport. Fate has not been kind in the past few years as pointed out by fact that the Pirates have not won the title in 10 years.

Friday night at Pirate Stadium will match two teams with identical season records (7-1) playing for all the marbles in District 28-AA. The only difference in the two records is found in the loss column; Calallen's loss came in district at the hands of George West by the score of 24-0 exactly one week before the Pirates beat the Longhorns by a score of 36-22. The Pirates will take a perfect record in district play into the contest.

To sweeten the pot, so to speak, is the fact that because of conflicting circumstances, this game will serve as the Homecoming game for the Rockport-Fulton High School. A year ago the Pirates ventured to Calallen to beat the Wildcats on their Homecoming by a score of 30-6. With both teams losing Homecoming games last year, the stage is set for the strongest to survive.

The game will feature the awesome running attack of the Pirates against the pass orientated offense of the Wildcats. Calallen will run from the Veer-T or from the spread or "shotgun" if the going gets tough. The passing game is led by two fine quarterbacks, Art McGuire and Randy Winters, who have some good receivers to throw to, but the man to watch is number 24. Split End Ricky Winters, a small but somehow "Johnny on the spot" receiver.

Not uncommon for the Wildcats is rolling up outstanding figures in the rushing department as a result of either broken-up pass plays or loose defenses looking for the pass. Big 200-pound Wade Bode leads the rushing offense with substantiated help from Tommy Bickham, Alan Ennis, Mike Whitleff, and Roy Gutierrez.

The Wildcats hold the edge on scoring for the season over the Pirates by a margin of 299 to 269 points; however, the Pirates have played one more district game than Calallen and hold the edge on district scoring 193 to 134 points.

The Cats will come to Rockport seeking to somehow stop the overpowering running game of the Pirates. They will also have to contend with a sleeping passing attack which might awaken at most any time.

It is well known to many that the Pirates have the best all-around backfield in the district. Quarterback Royce Itschner is capable of picking

Centennial Coin Design Approved

A design for the Aransas County - Rockport Centennial commorative coin was approved and ordered minted by the executive committee of the non-profit corporation which is sponsoring the event at a meeting in the office of Security Real Estate on Monday.

The face of the coin features a square rigged sailing ship in recognition of the area's early prominence as a seaport. The reverse side of the coin shows an outline map of Texas.

The coins will be minted in both sterling silver and bronze. The silver coins will be limited to 100, each numbered and sold only in sets with a bronze coin at $15 per set. Sets of coins numbered from 1 to 25 and the set numbered 100 will be sold at public auction. Bronze coins also will be sold for $1.50. Sale of the coins will help finance the Centennial celebration.

Bob Mosier, chairman of the revenue division, is accepting reservations for sets of coins He reported that a number already have been ordered for Christmas gifts. He may be reached at 729-5277. Mosier said that on the basis of previous experience, the coins probably will become collector's items selling at premium prices.

At the Monday meeting division chairmen reported progress on appointment of various committee chairmen, with the complete list to be announced soon.

It was decided that the Centennial celebration probably will be extended to nine days—June 13 to June 21, instead of the week originally planned, to accommodate the many events tentatively scheduled. It was reported that

Youths Caught Rifling Post Office Stamp Machine

Postmaster M. A. Rowan was working in his office Sunday afternoon when he heard someone pounding on the stamp vending machine.

He quietly made his way to the lobby where he saw five youths apparently trying to break open the stamp vending machine. When they saw Rowan, two of the boys fled from the building and the postmaster grabbed the other three.

In the ensuing scuffle, two more got away but Rowan held onto one and telephoned Chief of Police Everett Taylor. During questioning, the apprehended youth gave the names of the other four boys.

At a juvenile hearing Wednesday the five boys, 12 to 14 years old, were placed on unofficial probation to their parents and also put under a curfew.

Rowan stated that eight stamps were sticking out from the stamp vending machine when he interrupted the boys and a number of pennies were found on the floor.

He warned that breaking into a post office stamp vending machine, loitering in the lobby, and vandalism to rural mailboxes are federal offenses punishable by heavy fines and/or imprisonment. He said federal authorities are on the lookout for such offenders.

Homecoming Coaches Are Close Friends

The coaches of Rockport-Fulton Pirates and Calallen Wildcats which will clash here on Homecoming Friday night, Nov. 7 have been friends for years.

Benny Bloomer, coach of the Pirates, and James (Jim) Holland, coach of the Wildcats, were schoolboy pals all through their public school years and they both graduated from Belton High School. Holland in 1952 and Bloomer in 1953.

They participated in all sports, especially in track and football. In track, Holland specialized in the quarter mile and the mile relay team while Bloomer was a weight man, specializing in the shot put and the discus.

Their main sport was football in which they both excelled, Holland at guard on offense and middle guard on defense, and Bloomer was tackle on offense and middle guard on defense. During their playing years their team won the district championship twice. Bloomer graduated from A&I while Holland graduated from Sam Houston.

The teams meet on this occasion for the fourth time coached by the above with it goes the district championship.

Let us all support the Pirates—see you at the game.

Rockport-Fulton High Homecoming Plans

On Thursday, Nov. 6, the homecoming activities will start for the Rockport-Fulton High School with a bonfire on the football parking lot, which will be at 9 p.m. after the Junior High School Football game.

The bonfire materials have been collected by the Rockport-Fulton High School wood shop boys and other interested students and townspeople. The senior football boys will be in charge of lighting the fire.

Clyde Townsend, 1959 ex, will give the feature for the bonfire occasion.

On Friday evening, the coronation of the homecoming queen will be held prior to the Calallen vs. Rockport-Fulton football game. The homecom-

Chamber Happenings

The Chamber of Commerce welcomes two new members, Rockport Art Association, Inc. and Talk of the Town Restaurant, owned by Marge and Red Loftin.

* * *

Refreshments were provided last week by Misses Velma and Vivian Picton for the hospitality program at the C of C building. This week the Rockport Lions Club picked up the tab.

* * *

Winter visitors are beginning to arrive. Quite a few folks from Minnesota, Wisconsin and Canada have stopped at the C of C office to register, have a cup of coffee and a cookie, visit and get information about good eating places, tackle shops, etc.

* * *

The Chamber of Commerce placed an advertisement in the special travel issue of the Des Moines (Iowa) Register and Tribune, a fine newspaper with a circulation of over half a million. The ad, extolling the attractions of the Rockport area, appeared in the Sunday paper on Nov. 2. Within 72 hours 22 queries were received here, each one including a coupon which appeared in the ad and which had a place for a person's name, address and a request for additional information about our area.

As they say, it pays to advertise!

Baptist Women 'Prayer Day' Held

Observance of the World Day of Prayer for Baptist Women was held Tuesday in fellowship hall.

The program began with a song "Footsteps of Jesus." Mrs. T. L. Beedy then read the names of the missionaries who had birthdays listed on the Calendar of Prayer. Mrs. Ora Acton led in prayer.

Presiding over the business meeting was Mrs. Roy Kuykendall. A goal of $750 was set for the Lottie Moon Christmas offering for foreign missions.

The mission study book "Sons of Ishmael How Shall They Hear?" was discussed. A review is to be given Tuesday, Nov. 11 at 9:30 a.m. in fellowship hall. A covered dish luncheon will be served after the review. Mrs. Melvin Mills is the leader.

After the business meeting, the lesson entitled "Let Us Rise Up and Build," was taken from the first three chapters of Nehemiah. The introduction given by Mrs. Eddie Bradley showed how four basic steps in building are essential and compared to the walls of a building.

The first step, or "wall," was prayer. This was given by Mrs. Dick West. The other three were confession, enthusiasm and togetherness given by Mrs. Bradley.

Refreshments were served by Mrs. Bradley to Mrs. Arthur Cox, Mrs. W. E. Jackson, Mrs. Lillie Calvert, Mrs. Roy Kuykendall, Mrs. Melvin Mills, Mrs. B. S. Lemma, Mrs. Oro Lee Acton, Mrs. T. L. Beedy and Mrs. Dick West.

Art Guild Gatherings

By JAN WENDELL

Fun news for Art Association members and their guests! Instead of the regular business meeting this month the Association is going to have a happy hour and dinner at the Key Allegro Club Monday, Nov. 10 at 6:30 p.m.

On the fun agenda is a talk by Robert Jarvis of Laguna Beach, Calif., and Houston. Each member is asked to make his own reservation by calling Mrs. Barbara Tafini at the Key Allegro Island Motel, 729-2263 no later than Monday, Nov. 10 at noon.

Bob Garden conducted his regular class Tuesday afternoon and in addition to oils a few brave souls staggered into their first water color paintings. There were fair to disasterous results. Most of the old "oilers" had trouble with the extremely relaxed medium.

One watercolor in particular was very good and was done by Betty Corbett. It was a still-life with apple, grapes and lighted candle. The medium was used vibrantly and gathered the intensity of color so often lacking in watercolor.

Nature has begun to change its colors and everywhere there can be seen a challenge for the artist and sketches. The cottonwood in particular are extremely paintable as well as the winter rye and Bermuda which has just begun to green. Ducks are coming in and overhead the first geese can be heard. So, if there is a strange looking character armed with various contraptions on your property—please don't shoot! It's just one of us painters bent on getting the first shot at nature in autumn!

Don't forget the dinner Monday night.

Cub Scouts

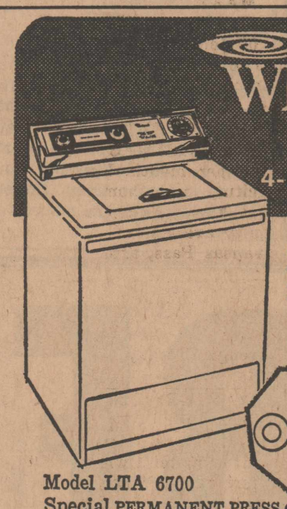

At the den meeting the first thing we did was roll call. In answer we named a bird. Then we said the pledge of allegiance and sang "The More We Get Together."

Then we went outside and did some races, first the crab race, won by Bryan Pohlman; second, the gorilla, won by Danny Kelly; third, the kangaroo, won by Gary Heasley; and fourth, the 30-yard dash, won by Danny Kelly. Then it was time for refreshments, served by Sammy Kelly. Mark Gilliam closed our meeting with a prayer.

MAYOR'S PROCLAMATION

Whereas, Many young men of this community have fought for our nation, and some have sacrificed their lives, through services with the United States Armed Forces, in combat against enemies, and

Whereas, Those men, the war veterans of our country, have earned the respect and the tribute of every citizen who is today enjoying the freedoms of our land because of the defenders' personal loyalty, courage, service and sacrifices, and

Whereas, We can best ackowledge our appreciation and recognition of those brave men through full participation in the special day and week dedicated to all the defenders of our land, now

Therefore, I, Delmar R. Hiller, Mayor of the City of Rockport, do hereby urge all of my fellow citizens to fly their Stars and Stripes flag proudly and to participate in, or observe, the public Veterans Day and Veterans Week program which is to be held in our city on November the eleventh and during the week of November 9 to 15, 1969. Furthermore, I do recommend that all of our schools, churches, business establishments and other organizations assist the Veterans of Foreign Wars of the United States, and its many co-sponsors, toward making Veterans Day and Veterans Week a truly outstanding patriotic observance in this year of 1969.

(Signed) Delmar R. Hiller
Mayor.

Mental Health Ass'n Helped By U. F.

Editor's Note: The Coastal Bend Association for Mental Health is another agency helped by the United Fund. Here is some information about the association:

The Coastal Bend Association for Mental Health is a voluntary citizens organization which works for the benefit of the mentally ill, from prevention to rehabilitation.

The area served includes Nueces, Aransas, San Patricio, Kleberg and Jim Wells counties. Since the organization was organized in Corpus Christi, most of the programs operate there, but the association welcomes the opportunity to be of service in the entire area.

Mrs. John R. Carpenter, executive director, gives additional information about the association, as follows:

"One of our newest programs is the volunteer project on the psychiatric floors of Memorial Medical Center. It has been found that volunteers under effective staff leadership and guidance, can make a valuable contribution to the care and treatment of patients. Often a personal contact with someone other than family or even hospital staff can be a deciding factor in recovery. The volunteers share hobbies, play games, or just talk and visit with the patients. There is a training program and new volunteers are teamed with a veteran volunteer. The volunteers range in age from college students to people over 60. They are both men and women and each gives about two hours per week, seven days and evenings a week. Monthly meetings are held for the volunteers and staff for an exchange of questions and further training and sharing of experiences.

"Our program of vocational and social adjustment classes for restored mental patients is beginning its third year. This program, designed to help restored mental patients find and keep a job and to help them regain selfconfidence through secure personal and social adjustment, is held two nights a week at both King and Miller High Schools. This is funded through a state agency, Vocational Rehabilitation Commission. Last year about 49 adults attended the classes. Leslie O'Connor is the chairman for this committee.

"Since education is one of the major areas of activity, we sponsor a Speakers Bureau to talk to interested groups to show that mental illness can be cured, rehabilitated, and with early detection, prevented in many cases. We talk about the desirability of treatment facilities near the home of the patient, how it is more economical and better. People get well faster when not separated from their friends and family. We urge and work for community mental health centers.

"We have programs for groups of people who come in contact with large segments of the community — such as policemen, teachers, ministers, etc. For example, we provide a course, 'How to Recognize and Handle Abnormal People' for the police who are in training. These two-day orientation workshops are held several times a year for police cadets.

"Some of our programs are demonstrations of new and imaginative services to meet new and different needs of the community such as our Women's Worry Seminars and Psychomats which we have sponsored during the past several years. These are basic encounter groups professionally led, where people come together to talk about their problems.

"We are a chapter of the Texas Association for Mental Health and the National Association for Mental Health. In summing up, one could say the Mental Health Association represents the mentally ill and speaks for the citizen's interest in mental health. It is concerned with the availability, adequacy and performance of all mental health services. Our job is to see that people who need help receive it—through education of the needs, legislation, research, social action, demonstration projects, stimulation, promotion, watchdog and evaluator!"

Personal nomination for an honorary membership in the Rockport Chamber of Commerce: Dave Segler.

Dave, athletic director at Rockport-Fulton High School, showed up Sunday in Bermuda shorts for the Scotch foursome tournament at Live Oak Country Club. "Perfect for our balmy weather," he said.

By 3 p.m., when the norther blew in, the temperature had dropped considerably but Segler continued to act nonchalant in his best Chamber of Commerce manner. "I'm not shivering, I'm just dancing," he told one friend.

There was some talk at the clubhouse of sending a St. Bernard dog, with a keg of brandy, to Segler's rescue but the brave golfer finally finished his round.

Tom Jessee, program chairman at the ladies night dinner of the Rockport Lions Club Monday at the Sandollar Studio Club, paid tribute to Seth Steele and called him 'Mr. Lion of Rockport."

Jessee cited Steele's many years of service to the Lions Club, to the community and to the objectives of the organization, including aid for blind, deaf, mute and crippled boys and girls. Members of the Rockport club and their wives gave Seth a standing ovation.

Speaking of handicapped youngsters, a color film was shown at the dinner meeting depicting the work at the Texas Lions Camp for Crippled Children near Kerrville.

More than 11,000 handicapped children from 7 through 16 have enjoyed summer sessions at the camp at no cost. Under the guidance of competent counselors, the boys and girls have been helped to discover and improve many skills on an individual basis.

By attending chapel services on Sundays, by participating in such group activities as camping out, swimming contests and stunt nights, the youngsters help rid themselves of the sense of isolation. They develop a competitive spirit, mold bright ambitions and discover a new fullness in life.

Pirates Meet—

the defense apart by calling on his backfield chargers or by passing to one of his ends or backs.

Leading the attack is Halfback Robert Brooks who has accumulated 1303 yards in the season and 819 of those yards have come in district play. Balancing the attack at the other halfback position is Ruford Huff, well on his way to his third season of averaging over 1,000 yards per season; he has 906 yards. Last but not the least of the Pirate terrors is fullback Glenn Davis. Davis is neither speedy nor overpowering but he is like the components in a computer, he is in the right place at the right time.

The Pirates feature steady blocking from its line. This week the line will be matched against a line nearly as big and possibly quicker. The Pirates enjoy about an 11 pound advantage per man on offense, and about eight pounds on defense.

The good line-blocking and hard running of the backs has helped the Pirate offense roll up over 3,200 yards of total offense, or over 400 yards a game.

The Pirate defense has rendered itself as a fine unit since the last few minutes of the Mathis game. Each week outstanding performances are turned in by different players showing that when someone is not having a particularly good game, there is someone else who takes up the slack.

With a sell-out crowd expected, it would be wise to come very early. The Homecoming ceremonies will begin shortly after 7 p.m., with game time at 8:00.

This game might well be the first step of many for one of those teams.

Centennial—

(Continued from Page 1)

there is a good possibility that motor boat races, to include a number of nationally famous craft, will be staged at the Rockport Ski basin during the celebration.

The committee has obtained the loan of a 1921 Model T Ford automobile to be used for several months preceeding the Centennial for caravans to neighboring cities to advertise the event. The car belongs to Lt. Col. Robert Gambell of San Antonio. It and other old cars also will be used in parades during the celebration, according to Robert Stroot, general chairman of the Centennial.

Office equipment will be needed for the Centennial headquarters in the Rockport Art Association gallery at 105 N. Austin, it was reported by Mrs. Jan Wendell, headquarters chairman. Needed are two office desks with chairs, a file cabinet, typewriter stand and a glass display stand, Mrs. Wendell said. Persons willing to loan any of these items are asked to telephone her at 729-6158.

Attending the Monday meeting, in addition to Stroot, Mosier and Mrs. Wendell, were J. D. Gray, treasurer; and the following division chairmen: Mrs. Ruby Hart and Matt Scott, participation; Bill Christian, spectacle; Joe Zambrano, spectacle, tickets; David H. Crooks, public relations, and Jerry Shaw, special days committee chairman.

sition of our government.

"It seems tragic that there are those in this country who support the position of Hanoi while American servicemen are daily being killed by troops of Communist North Vietnam and Viet Cong. It is time that the silent majority let their will be known publicly. For this program to be effective and reflective of the community mind, it is my hope that all other civic, fraternal, patriotic, labor, religious and other organizations here will join with us and make this a true community effort.

"Our plan of involvment for Aransas County is one of personal interest. Each organization which holds a meeting during the week of November 9-15 is asked to recognize our armed forces in Vietnam with a prayer for an honorable peace and a Pledge of Allegiance to the Flag. For the individual citizen, we ask that they fly our Countries' Flag with pride all during the week. Turn your lights on, on your car to show your support of our government.

"To quote President Nixon, 'Let us be united for peace. Let us also be united against defeat. Because let us understand: North Vietnam cannot defeat or humiliate the United States. Only Americans can do that'."

United Fund Aids Youth Council

Editor's Note: This in another in a series of articles about agencies by the United Fund campaign which is now in progress.

* * *

The Aransas County Youth Council was established and functions primarily for the purpose of sponsoring Scouting activities in Aransas County. The activity of the Council is principally concerned with the ownership and operation of the Scout Hut. This Council was formed over 20 years ago although it was not formally incorporated until just a few years back. Originally, Sid Richardson and A. C. Glass and other interested community leaders helped create a fund to build a Scout building. This was the nucleus of the Scouting location in the north end of Rockport City Park.

In later years, Arley Shivers, Joe Johnson and Jack McDavid were on the Council and a bus was also purchased for the Scouts. However, it was determined that the bus was not a financially sound investment and was hard to keep up and this was disposed of. After Joe Johnson and Arley Shivers passed away, Dr. H. F. Elliot and Floyd Smith became members of the Council.

The Council was then incorporated as a non-profit organization and through the help of Joe Caldwell a long term lease was negotiated with the City and the formal corporate charter was drawn. In later years, the Council has diverted money to Cub Scouting and Girl Scouting.

Wesleyan Service Guild Meets

The Wesleyan Service Guild met Oct. 28 in the Fellowship hall with the president, Mrs. B. W. Hamblin presiding.

Mrs. Tom Jessee, program chairman, introduced the leader, Mrs. Geraldine Stevens, who led the service of call to prayer and self-denial, the theme, "Let the Earth Bring Forth."

Mrs. Jessee gave quick glimpses in the United States of needs for equipment and vehicles, for church and community workers in town and country, needs for property improvement in community centers, and needs around the world for rural life training ministries.

The self-denial offering will go towards these needs. Mrs. E. G. Cooke played special music.

The meeting closed with the guild benediction. Members present were Mrs. C. L. Harris, Mrs. Cooke, Mrs. Jack Horton, Mrs. Jessee, Mrs. Minta Lancaster, Mrs. Stevens, Mrs. J. D. Donaldson and Mrs. Hamblin, hostess.

Good Neighbor Club Meets

Mrs. J. B. Herrington and Mrs. Tiney Gayle entertained the Good Neighbor Club Oct. 29 with a luncheon in the I.O.O.F. Hall. There were 19 members and one guest, Mrs. Emma McLester, present.

Mrs. Bessie Dows, Mrs. Stella Helfer and Mrs. Pearl Wright joined the club. Mrs. Ruth Bishop, president, presided at the business meeting and introduced Miss Lola L. Bonner who gave a talk on the United Fund Campaign.

For the work project Mrs. Herrington showed the members how to make pictures. The door prize went to Mrs. Della Scott. The president appointed Mrs. Scott, Mrs. Gladys Mullan and Mrs. Gayle to the nominating committee. A donation was made to the United Fund.

Cancer dressings were made. Club members are running low on old sheets to make the dressings. Anyone having old sheets they wish to donate for this purpose are asked to call Mrs. Bishop.

The hostesses for November will be Mrs. Virginia McKinney, Mrs. Kate Lee Clarke and Mrs. Erma Cloberdants.
