made in 1953.

Maxwell Is
Overseer for
County Roads

"Bus" Maxwell has been
appointed county roads
overseer by the commissioners.
He has been given full
power for maintenance of all
county roads.

County is now operating
county unit system instead
of precinct system and all
equipment is shared from
county warehouse.

will have been made re-
pairs for all road work and
employees work under his
direction. He has the author-
ity to hire and fire county em-
ployees and is to attend the reg-
ular meetings of the commission-
ers.

to tour the roads in each
precinct with each commissioner
once a month.
County unit system of
maintenance has proved to be
more efficient and econom-
ical, according to reports
from precincts which have tried
the system.

MAKE BUILDING PLANS—These members of The 400 Club executive committee are shown inspecting plans for the next step toward completion of the Veterans Memorial Building. The 400 Club will let a contract soon for the completion of the kitchen and the partitioning of the north part of the building. Left to right are Walter LaMaster, The 400 Club president; John Mayfield, secretary; Mrs. Ann Suitor, Legion Auxiliary president; and John Stubblefield, Legion commander.

Ranger Band Will Make State Fair Trip by Chartered Buses

Members of the executive com-
mittee of The 400 Club voted
Friday to complete the kitchen
and partition the north side as
the next step in the completion
of the Veterans Memorial Build-
ing.

Bids will be accepted at the W.
B. LaMaster Realty Co. until
Tuesday, October 4, for the con-
struction contract. The bids are
to be for labor only, materials
to be furnished by The 400 Club.
Walter LaMaster is president of
the organization.

Plans and specifications for the
project may be seen at the
Chamber of Commerce, office,
where they are held by John
Mayfield, secretary of The 400
Club.

The kitchen is to be enclosed
with knotty pine wainscoting ex-
tending on the walls from floor
to ceiling. The partition will ex-
tend from the center wall north
to the outside wall, dividing the
north portion of the building into
two meeting rooms, one for
the VFW and one for the Legion.
The kitchen is to be available

Truck Driver Is Injured Tuesday West of Town

Johnnie Busby, 29, driver of an
Elkins Fruit Company truck
from Borger, was injured Tues-
day morning and his truck heav-
ily damaged in an accident four
miles west of town on highway
15.

Busby was coming toward Perry-
ton to make early morning
fruit deliveries when the truck
went across the highway to the
left, went over the railroad
tracks, through a fence, coming
to rest in a wheat field.

The truck, although it went up
the steep grade then across the
railroad tracks, did not turn over.

Busby was taken to the Perry-
ton Hospital where he is being
treated for deep cuts about the
head and mouth.

He told deputy sheriff Luther
Daves, who investigated the
wreck, that while driving down
See No. 4 Page 8

Toastmasters to Elect Officers On September 29

The Perryton Toastmasters
Club will elect new officers on
Sept. 29, it has been announced
by Robert D. Lemon, president.
The new officers will serve a six
month term.

At last Thursday's meeting,
four speakers were heard. Elmo
Bennett spoke on "There's a
Plane in Your Future," J. H.
Woodward spoke on "Will Rog-
ers, the Man," E. M. Reuss spoke
on "Amateur Radio as a Hobby,"
and Max McLarty spoke on "Our
Highway Death Toll."

E. M. Reuss is toastmaster for
tonight's meeting. Speakers are
Robert D. Lemon, Jack M. Allen,
C. E. Whippo, Alton Boxwell and
See No. 3 Page 8

County Orders Issuance of Wolf Creek Dam Bonds

The Ochiltree county commis-
sioners court ordered the issuance
of \$150,000 in Wolf Creek Dam
bonds at their September meet-
ing Monday.

The bonds are being handled
by the First Southwest Co. of
Plainview and have been pur-
chased by the First National
Bank and Perryton National
Bank of Perryton.

The bonds are to be issued in
\$1,000 denominations, numbered
from 1 to 150. The first bond is to
be dated Sept. 15, 1955 and the
final one is dated March 15, 1983.
Because of a lower rate in inter-
est specified by the local banks,
the bonds will run only 27 years
instead of 30.

The county has the option of
paying off any or all of the out-
standing bonds after a ten year
period, or in March, 1966.

Enrollment of Schools Increase

Enrollment in the Perryton
schools rose from 1,087 on the
opening day to 1,104 this week, as
late arrivals continued to enroll.

High school enrollment this
week was 263, with a total of 85
freshmen, 78 sophomores, 66 jun-
iors and 34 seniors, according to
high school principal Troy Sulli-
van.

Golf Tournament In Semi-Final Stage This Week

Very few matches were play-
ed Sunday in the Perryton Coun-
try Club golf tournament as
many golfers took part in the
Booker invitational tournament.

In the championship flight,
the field has narrowed to four
players. Carroll McClung will
meet Frank Ferguson while O.
C. Rogers will meet Boo Leather-
man in the semi-finals. In the
consolation bracket, Aldon Bell
is pitted against Dan Farries and
Charley Pyles, Sidney Jines will
meet the winner of Jake LeMas-
ter and Raymond Powell, while
Forky Holland meets Clinton
Forky. In the consolation side of
this flight, Harold Hudson will
meet the winner of Jack M. Al-
len and Virb Conley, while Dave
Deal plays Dean McCutcheon.

Roy Orrill meets the winner of
Omar Truax and Orian Bell,
while Joe Champion plays John
Bolin in the semi-finals of B

See No. 2 Page 8

Some Farmers Grow Feed for Starlings

If it's not drought, it's some-
thing else. Now reports have
come in that starlings, the big
ugly bird that roosts in trees in
town, is making short work of
maize fields close to Perryton.
Thousands of these birds have
been noticed in nearby fields,
perched on top of the maize
heads, eating away, while the
owner of the field watches
helplessly. Some farmers are
taking a broad view of the sit-
uation, saying that they had
just as soon feed birds as in-
sects. Others don't like to feed
starlings—but they are doing
so.

New Activity Bus Is Received by Perryton Schools

A new activity bus has been
purchased by the Perryton
schools and was driven to Perry-
ton this week by school custod-
ian Oliver King, who picked up
the bus at Kosciusko, Miss.

The bus is an International,
with a 66-passenger body con-
taining seating for 60 passengers.
This number of passengers how-
ever, figures the capacity at
three persons per seat, so actual-
ly the normal seating capacity is
40 persons.

The bus has high back seats,
with head rests, for greater com-
fort on longer trips.

This new bus was bought on
state contract through the State
Board of Control, in accordance
with state policy set for all
school boards several years ago.
The purchase price was \$5,800.

The Ranger Bus, which had
been in operation since 1947, has
been sold to the Ranger Club for
use in their year-round youth
activity program.

Ranger B Team Has Eight Games

Eight games have been
scheduled for the Ranger B
team, four of them at home.
The team lost their first game
of the season last Thursday
when the Follett Panthers won
a 13-0 decision. The Ranger B
team goes to Borger tonight.
The schedule, as announced by
coach Joe Ogden, is as follows:
Sept. 15—Borger, there
Sept. 22—Canadian, here
Sept. 29—Open
Oct. 6—Borger, here
Oct. 13—White Deer, there
Oct. 20—Dalhart, there
Oct. 27—Phillips, here
Nov. 3—Canadian, there
Nov. 10—Dumas, here

Perryton Host To Legion Zone Meeting Monday

The Pierce Johnson Post, Amer-
ican Legion and Auxiliary, will
be hosts for the American
Legion Fifth Zone meeting Mon-
day night. The meeting, sched-
uled to open at 7:30, will be held
at the Veterans Memorial Build-
ing.

A potluck supper will be serv-
ed.

Gene Meyers of Follett is zone
commander.

Posts expected to be represent-
ed at the meeting include Hig-
gins, Follett, Booker, Canadian,
Darroutz and Perryton. Several
district officers have been in-
vited, including Rhea Smith and
Roy Beard, service officers of the
Legion, and Lou Fields, state
affairs officer. All of these are
from Amarillo.

Car Damaged and Calf Is Killed In Sunday Wreck

Considerable damage was done
to a new Ford car, but no one
was injured Sunday night when
the car, driven by Lester Ray
Thompson of Eldorado, Okla.,
ran into a calf about 20 miles
south of Perryton on highway 83.

Thompson told investigating
officer Arlie C. Binion that he was
going south on the highway and
that lights from an approaching
car reduced his vision. He saw a
calf on the road, threw on his
brakes, the calf jumped off the
highway, but another one jumped
in front of the car, Thompson
told Binion.

Ownership of the calf has not
been established.

Damage was estimated at \$275
on the automobile.

New Cub Scouts To Meet Tonight

A meeting will be held in the
school auditorium Thursday
night, Sept. 15, at 7:30 p. m. to
sign up all boys interested in be-
coming Cub Scouts.

Cub Scouts must be between
the ages of 8 and 10½ years and
their parents must come with
them when they enroll for the
Cub Scout program.

At tonight's meeting, the boys
and parents will be instructed as
to the details of the Cub Scout
program.

Cub Scouting in Perryton is
sponsored by the Perryton Lions
Club.

Rangers Hit Canadian In Friday Night Game Injuries Slow Local Squad For Contest

The Rangers go to Canadian
Friday night for their second foot-
ball game of the season, and in-
juries will hamper the local team
in their quest for a victory. Jim-
my Todd, leading ball carrier of
the Panhandle game, is still nurs-
ing a badly bruised leg and coach
Pete Peterson says he will sit out
the Canadian contest.

Dempsey Gyger, bruising full-
back, has his right leg encased
in tape and bandages from a re-
cent operation, but will play Fri-
day night. Charles Bull, half-
back, and captain Bob Williams,
tackle, also have leg injuries but
will play.

Wayman Epp, Howard Moon-
eyham, Tommy Johnson and
Kent Apple, other backs, are
physically fit and ready to go.
Canadian opened their season
last week by trimming a power-
ful Wheeler team, 13-6. The score
was somewhat closer than had
been expected by some, but
Wheeler is reported to have a
potent class B team.

Perryton has taken the last
three games with the Wildcats,
winning 39-0 last year, eking
out a 26-25 thriller in 1953 and
taking a 14-7 decision in 1952.
In 1951, when the Wildcats had
big Tom Shaef, they hammered
the Rangers 43-6.

The Wildcats outweigh the
Rangers about 6 pounds per man
in the line and 15 pounds per
man in the backfield. The Cana-
dian line averages 172 pounds
to 166 for Perryton and the Wild-
cat backfield weighs in at 165
compared to 150 for Perryton.

A large crowd of Perryton fans
are expected to make the trip
for this traditional football con-
test. Canadian Rotarians will
serve a pancake supper at the
WCTU building before the game
and have invited Perryton fans.

Probable starting lineups in-
clude the following:

CANADIAN — Ends, Ballard
(174) and Webb (150); tackles
Ramp (190), and Freeman (184);
guards Cochran (170) and Shaef
(153); center Cain (175); backs
Briggs (195), Crowell (152),
Grist (163) and Hobby (152).

PERRYTON — Ends, Wright
(160) and Buxton (175); tackles
Williams (175) and Simpson
(166); guards Jines (170) and
Flathers (162); center Myers
(185); backs Bulls (130), John-
son (135), Epp (150), and Gyger
(175).

Ladder Tournament

A ladder tournament for ladies
is being planned by the Perryton
Country Club in the near future.
No trophies are to be awarded.

Those interested in playing are
asked to contact Mrs. Dean Mc-
Cutcheon.

MOST COURTEOUS DRIVER—Rodney Symons receives a certificate from Mrs. Orlan Bell, president of the Perryton Sorosis Club, as "Most Courteous Driver" in the youth division for August. Coke Harlow, winner in the adult division, was out of town when the awards were named. The award is a monthly project of the Chamber of Commerce and Sorosis Club.

400 Club Will Finish Kitchen And Partition Vet Building

The Perryton school board
voted Tuesday night to charter
buses to take the Ranger Band to
the State Fair of Texas on Octo-
ber 10-11-12, and the Ranger Band
Parents Club has agreed to fur-
nish meals and rooms for the
band members on the trip.

The Ranger Band was one of
22 bands in Texas to be invited
to the eighth annual Cotton Bowl
Music Festival. They are to par-
ticipate in "This is Your Music,"
a show in the stadium at 8 p. m.
on October 11.

The Band Parents Club will
hold a rummage sale in the Gal-
lather building on Sept. 30-Oct. 1,
to raise money to provide rooms
for two nights and meals on the
road for the 90 band members
making the Dallas trip.

Anyone having rummage they
will give to this sale are asked
to bring it to the Gaiter build-
ing before Sept. 30.

Merchants Plan Parade, Visit of Santa Claus

A Christmas band parade, vis-
it by Santa Claus and more
street decorations were discussed
by the retail merchants commit-
tee of the Chamber of Commerce
Friday.

C. A. Sooter, chairman of the
committee, said tentative plans
call for inviting a score of high
school bands to march in Perry-
ton on December 3. Prizes will be
given to the winning bands.

The committee voted to add 12
more streamers of Christmas
lights to go with the street de-
corations on hand.

A Santa Claus headquarters
will be set up and plans are for
Santa to make his first appear-
ance on the kickoff day, Dec. 3.

A subcommittee composed of
C. A. Sooter, Garland Redfern,
Carl Barrett and Jud Skaggs was
named to make final arrange-
ments for the Christmas activi-
ties.

Beginning Band Lessons Offered

Fifth grade pupils interested
in studying band will enroll
from 3 to 9 p. m. Thursday, Sept.
15, B. D. Walker, director an-
nounced. This is the only enroll-
ment period open for the begin-
ners band.

Walker suggested that parents
rent band instruments until the
trial period has been completed.
A reputable music firm will
have instruments for rent at the
Thursday meeting.

Cemetery May Get Mausoleum

Lee Vinyard of Pampa has
purchased an option to buy a
44x66 foot plot of land in the
Ochiltree Cemetery and has
made tentative plans to build a
mausoleum on the site.

Vinyard secured the option
from the commissioners court at
the regular meeting on Monday
of this week. The option calls for
a purchase price of \$500 for the
plot.

The site is in the west part of
See No. 1 Page 8

METHODIST SPEAKER—Ivan Ceresna, of Borger, second from left, was principal speaker at Methodist Men meeting Monday night and he kept the audience enthralled with his life history. Ceresna, now an engineer at Phillips Petroleum Co., is a native of Czechoslovakia and was imprisoned in both German and Russian concentration camps before coming to America in 1949. At the left is Jack Lovett, president of Methodist Men. At the right are Rev. A. B. Cockrell of the Methodist church and Fred Osborne, assistant program chairman.

Short Decision

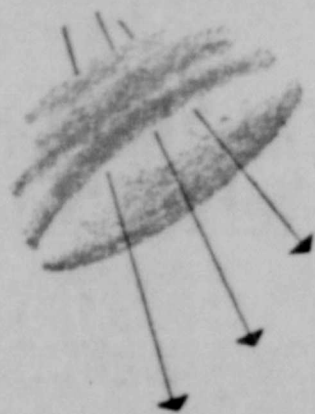

SAN ANTONIO, Tex. (AP)—You won't see Sheriff Owen Kilday and Detective Capt. Joe Hester wearing Bermuda shorts.

Kilday said he would if Hester would. Hester said he would. Kilday said he was only bluffing.

News from DARROUZETT

By PATSY ALTMILLER

Mr. and Mrs. Max Suess took Anna Ruth Johnson to Stillwater, Oklahoma, Friday.

Mr. and Mrs. Jim Laurie, Kathy and Karen took Cheri Laurie to Lubbock Saturday. They returned Monday after visiting in the home of their son Milton Laurie of Kress and Jimmy Laurie of Roby.

The old gym, which is being converted into an auditorium, is nearing completion. A new ceiling, lower than the original, has been installed. The floors of the auditorium, stage and dressing room have been resanded and polished. Also the doors below the stage have been removed and new paneling installed. The bleachers have been repaired and the old guard rails removed. One of the biggest improvements will be the installation of 362 new seats on the auditorium floor.

Maureen Faussett and Betty Miller were hostesses for a party, for the senior class, Tuesday, Aug. 9.

Mr. and Mrs. Alfred Altmiller, Kendra and Tricia held a steak fry in their back yard Friday night. Those attending were Mr. and Mrs. Jesse Dillahunty, Steve and Jo Ellen, Mr. and Mrs. Roy Phillips and Randy, Mr. and Mrs. Pete Fagg, Sharon and Paul and Mr. and Mrs. Harry Heber, Kay and David.

The time has arrived for ex-students of Darrouzett high school to pack their bags and go to college. Here are most of the students from Darrouzett and the colleges they will attend: Clarendon Jr. College—Bobby Schneider; McMurray at Abilene—Tressie Baldwin; Texas Tech at Lubbock—Cheri Laurie, Wayne Woods, Wilfred Watson, Buddy Meir; P.A.M.C. at Goodwell, Okla.—J. W. Huddleston, Roger Baldwin; Oklahoma A&M at Stillwater—Anna Ruth Johnson, Chester Robins; W.T.S.C. at Canyon—Leona Miller, Melvin Miller, Clifford Baker, Bill Wheatley, Wade Phillips, Earl Wheatley; Carol Rush will attend a college in the state of Washington.

Mr. and Mrs. Lynne Rober spent Friday night in the home of Mr. and Mrs. Sandy Roper of Pampa. Saturday they went on to Amarillo where they stayed overnight in the home of Mr. and Mrs. Roy Roper.

Mr. and Mrs. Martin McCartor of Perryton spent Sunday afternoon in the home of Mr. and Mrs. Clyde Pugh.

Mrs. Russell Altmiller and Desley of Amarillo left Wednesday after spending a few days visiting relatives.

Mr. and Mrs. Marvin Woods returned Friday after a week's vacation in Colorado and New Mexico.

Fred Phillips of Boise City, Oklahoma, visited in Darrouzett Monday.

The James Kemp family visited with relatives in Shattuck, Okla. Sunday afternoon.

Mrs. Pete Travis and her mother, Mrs. Pearl Smith, spent last week visiting relatives in Sweetwater, Texas.

Mr. and Mrs. Ray Hennigh visited in the home of Mr. and Mrs. Lowell Wernske of Spearman, Saturday evening.

Mr. and Mrs. Albert Daily returned Sunday after a visit with relatives in Jordan, Montana.

Mrs. Kerns has recently been confined to bed because of illness.

Sex Hormones Cut Beef Cost

BARRINGTON, Ill.—Steers fed a diet of corn and hay supercharged with female sex hormones put on more pounds at less cost without apparent ill effects.

Ralph McCall, beef cattle research manager of The Quaker Oats Co., says one lot of 16 steers got the hormones in a controlled test. A second lot of steers, the controls, was fed the same ration without hormones.

Each test steer was given 10 milligrams of the hormone a day as prescribed by the Food and Drug Administration, McCall said.

After the first month both lots were given all the feed they could eat.

The test group gained an average of 2.83 pounds a day, compared to 2.35 pounds a day gained by the controls. The feed costs for each hundredweight gain for the test lot was \$22.34. Cost for the controls was \$24.25 for each hundredweight.

Test steers weighed an average of 1,172½ pounds and the controls 1,083½ pounds.

The synthetic hormone used has been manufactured as a white powder for the last 20

CHEAPER BEEF—This steer, fed a ration which contained sex hormones, put on weight faster with a lower cost for each 100 pounds of gain than steers which got no hormone.

Place to Avoid?

RICHMOND, Va. (AP)—Nineteen of Richmond's Democrats for Eisenhower were invited to the White House. The Richmond News Leader gave this report of a part of the conversation with the President.

Coleman Wortham Jr., invited the President to Virginia to see "the best duck hunting marsh in the United States."

"Do I have to go through Richmond?" the President asked. On one visit, he recalled, he was hustled past some dignitaries he was supposed to greet. Then of course the speaker's platform collapsed with him on his 1952 campaign stop.

"Mr. President, excuse me," one member of the party cut in, "but the Republicans built that platform. They wouldn't let us near it. Democratic platforms don't collapse."

Glass Industry Moving to Texas

AUSTIN, Texas — Good supplies of silica sand, limestone and soda ash, plus the cheap natural gas needed to keep furnaces at volcanic temperatures, are attracting major glassmakers to Texas, the University of Texas Bureau of Business Research reports.

The current issue of Texas Business Review, the Bureau's monthly publication, contains a survey of "Texas Glassmaking—Today" by Robert H. Ryan, the publication's managing editor.

Glass manufacturers have established container plants at Waco and Palestine, and Corning will have a container plant in the near future. Glass-in-plastic fabricators are located in Houston, Fort Worth and Austin. Glass textiles are manufactured at Seguin.

The Santa Anna sand of West Central Texas and a lower grade sand mined in Bexar and Atascosa Counties are Texas' two present sources of commercial silica for glass manufacture. Dr. John T. Lonsdale, University of Texas Bureau of Economic Geology director, says there is only an "outside chance" of finding important new deposits of glass sand in Texas.

"Obviously there's plenty of sand," Dr. Lonsdale adds, "but not much of it can meet the rigid specifications of the glass industry."

ACTIVITY BUS—Here is the new International activity bus which the Perryton schools received. The bus, with high backed seats, has a capacity of 40 adults or high school students. It is yellow and black to match the other school buses. This bus replaces the 1947 model Ranger bus which was sold to the Ranger Club.

Hospital

Sam Hergert is still confined to the Perryton Hospital. He is recovering from a pan of grease on Sept. 2.

Hergert was burned on his arm, shoulder, neck and when she attempted to burn grease out of the Hergert home. Burns are reported to be on her hand.

Mrs. W. H. Williams of Okla. community returned from a month's visit to their children, Mr. and Mrs. Williams and family, and Mrs. B. M. Lewis of Chicago, Ill., and Mrs. Jack Williams and family of Imperial, Pa. Jack is a member of the air forces at Duquesne University, Mr. and Mrs. Williams also spent some time in Philadelphia and Page, Pa., New York City and Washington, D. C.

A safety pin was patented in the United States in 1849.

—IN THE SERVICE—

Pfc. Jerry Waller, son of Mr. and Mrs. Chuck Waller, was discharged from the Marine Corps at 29 Palms, Calif., on Sept. 7. He arrived home Sunday.

Carriers Get New Jackets

Six Amarillo Globe-News carrier boys from Perryton received master jackets at ceremonies held Monday night in the Stephen F. Austin school auditorium in Amarillo.

Receiving awards were Bob Beck, Glen and Clova Castlebury, Jane and Roy Headlee, and John D. Smith.

Mrs. Linda Manross, local Globe-News agent and Mr. and Mrs. Ralph Headlee attended the presentation ceremonies.

Mr. and Mrs. W. L. Lance returned from a ten day vacation in Colorado and New Mexico.

About 83 percent of a normal man's knowledge comes to him through his eyes, says the Better Vision Institute.

Lightning Control Sought

MISSOULA, Mont. (AP)—Government firefighters are aiming to disarm thunderclouds over Montana to control forest fires. Operation Skyfire is aimed at pulling the fangs of Montana lightning storms by the summer of 1956.

Jack Barrows, chief of the Intermountain Forest and Range Experiment Station, says the first objective is to get basic information by man-made changes in clouds. Sky tracking of clouds was among the first jobs. The paths of clouds will be charted to learn their patterns and thunderstorms classified by intensity. Classification should help greatly, said Barrows, "in picking out clouds that look like good bets for seeding and passing up those that look like poor field."

A mobile laboratory is in the state.

The first locomotive to be used on a prepared track operated in England in 1801.

OLD TIMER—B. T. Brown, Santa Fe agent at Krum, Tex., proudly displays a "Morse Register" from his extensive collection of antique telegraph instruments. It is believed that there are only three "Registers" of this type in existence. It was manufactured in 1845. (AP)

The Car Business Is Rough For All Dealers Nowadays

By TIM PARKER
Associated Press Staff

About the only thing they don't give away in car sales rooms these days is cars.

It's a far cry from World War II days when you took off your hat respectfully when you approached the car dealer and asked would he please put your name on his list of people waiting for cars.

You got on the list if you were a fifth cousin or closer, or his bootlegger. Otherwise, no.

Now:
A Dallas Lincoln and Mercury dealer: "Free! Mink stole. Beautiful let-out natural silver blue mink valued at more than \$600 with each Lincoln or Mercury sold."

An El Paso Buick dealer: "Yes Sir, Folks. 2 reserved seat season tickets for Texas Western College football games given absolutely FREE (caps) with each car sold."

A Houston Ford dealer: "Free! 'Free! Gasoline for one full year.' He didn't specify the amount but an Amarillo dealer was specific (670 gallons) as was one in Corpus Christi (\$100 worth)."

A Dallas Pontiac dealer: "Free! Just for having your car appraised. Fishing rod and reel. Name brands."

A Dallas Ford dealer: "Free! Big 21-inch \$850 RCA Victor console model color TV set. All you have to do to become eligible is to come in for free appraisal of your car and fill out card for drawing!"

A Houston Ford and Chevrolet dealer: "Free! Radio—Radio—Radio. Tax Title and license on all cars sold." He means only one radio.

An El Paso used car dealer: "We will give ABSOLUTELY (CAPS) FREE (CAPS) with each used car selling for \$600.00 or more, an electric evaporative cooler."

One Houston used car dealer had a different approach. He offered (Free!) a "new 3-way non-breakable RCA Victor Portable radio" to "each person who brings a car buyer" to his shop.

Whoops. They do give cars away. A San Antonio used car dealer had a "2-for-1" sale during

which you got your choice of several vintage models if you bought one of his 1953 or 1954 "specials."

A San Antonio dealer: "Free! Come in and register for a car air conditioner to be given away absolutely free, no obligation. You don't have to buy anything, just register."

Finally, another San Antonio dealer announced it was ready to offer "whatever wild trade, loony price or nutty terms it takes"—and popped with this one: "Extra... Extra. \$500 cash to you. Yes! We will give you 3 brand new \$100 bills! With the purchase of a new '55 Pontiac."

A Dallas Buick dealer advertised:

"Are you confused? With the statements and claims being made as to which dealers sell cars the cheapest—lowest down payments, sells the most, gives the most for used cars, of getting double what your used car is worth, of claims that are so impossible that the Fiji Islanders are laughing?"
Well, yes.

Kathleen Jones Is New Pledge

LUBBOCK, Sept. 13—Texas Tech's nine national social sororities pledged 201 coeds at the conclusion of fall rush activities. The new pledges included Kathleen Jones of Perryton, who pledged Sigma Kappa sorority.

Miss Jones is a freshman at Tech.

Run But No Hit

GRAND RAPIDS, Mich. (AP)—Police learned the power of a woman scorned, but they won't tell her name. Her boy friend won't prosecute.

Someone reported a hit-and-run accident. A young woman was lying in the street. Questioning disclosed it wasn't a hit-and-run case, exactly.

She had followed her boy friend, who drove another young woman home in his convertible. While he was saying good night to the other woman, No. 1 picked up rocks and smashed the lights, windows and instrument panel of his car. As he returned, she grabbed the convertible top and began ripping away. He drove off while she was still ripping. She was knocked down.

Siamese cats should always have blue eyes.

Mrs. J. M. Grigsby, Mrs. J. C. May and George Milton and Mrs. Frank Ferguson went to Ft. Worth Monday to enroll George Milton at TCU. They returned Tuesday night.

TWO DEAD IN BUILDING COLLAPSE—A blast of wind from a sudden thunderstorm toppled this two story building in Gatesville, Texas and debris fell onto the building next door, killing two men and in juring a woman. The buildings housed a cafe and domino parlor, a barber shop and another cafe. (AP)

Blind Typist

LANSING, Mich. (AP)—For the past 10 years Charles G. Love Jr. has sat in a pitch dark room and typed page after page with near-perfect accuracy. Other workers find the room bright and cheerful, but Love has been totally blind since 1942.

He is one of the best typists in the State Welfare Department's stenographic pool, says Paul G. Conlan, supervisor of services for the blind division. Mistakes are no problem, Love says.

"I spell every word mentally," he explains. "When my fingers don't end up right, I know it."

Most of his typing is stenographic transcription from recording machines. Some of it is done in Braille. This is work connected with the welfare department's office for the blind.

Love supports his wife and two children on his \$3,612 yearly pay. He is also a lay leader in Lansing's Bethel Methodist Church, he expects to receive a preacher's license next spring.

Besides his regular typing job, Love now has the responsibility of putting polish on other blind typists trained in the services for the blind office.

Checked In

PETERSBURG, Va. (AP)—Police Justice H. B. Gilliam said he sentence if defendant A. T. Short could pay court costs. Would the court accept a check? The court would not since it had just convicted Short of passing a couple of worthless ones.

Attack Won't Halt Work

ROCK ISLAND, Ill. (AP)—If an enemy attacks the Rock Island area, 6,500 employees of the Rock Island Arsenal will burrow underground and pass up evacuation. Capt. Charles R. Fish of the arsenal staff says.

He told a conference of Civil Defense leaders that "production of war materials in the shops must not be curtailed in time of war."

The arsenal is situated on an island in the Mississippi River.

Before the job was taken over by electricity, it took two workmen 5½ hours three times a week to raise the weights which operate Big Ben, London's famous clock.

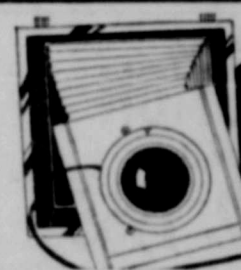

A number of sea animals swim by jet propulsion.

STEWART PRINTING CO.

Ochiltree Soil CONSERVATION District News

T. V. Ellzey, cooperator of the Ochiltree Soil Conservation District, has tentatively planned to seed some 70 acres of his farmland on Wolf Creek to native grass in the spring of 1956.

Ellzey recently contacted the local Soil Conservation Service assisting the district in regard to better adapted grasses to use for revegetation in this area as well as treatment of the land prior to the time of actual grass planting.

Revegetation, or returning a tract of land to grass, is a rather difficult task in most of the High Plains area of Texas for two primary reasons, namely: (1) The tendency of an erratic and variable rainfall and (2) as a direct result of an erratic characteristic of rainfall the land is subject to severe wind erosion more marked during certain periods of the year than in other periods of the same year.

The first cause, as mentioned above, is an element of climate which can not be contended with to any great extent by man, but the latter may in all practicality be dealt with, with varying results, by the growing in any high residue producing crops in the previous year, prior to the seeding of grass, and leaving the stubble undisturbed for grass seedlings the following spring.

Immediately the point arises, "In the past 4 or 5 years there has been hardly sufficient rainfall to effectively protect the land from wind erosion much less afford spring grass seedlings with adequate protection after it has remained in the field throughout the entire winter and early spring."

The above statement is basically true only probably in very few instances. It is agreed that over some small few areas of the district there has been such meager quantities of rainfall that it has been practically impossible to establish effective

cover crops. However, in the majority, most areas have received sufficient moisture, during at least some periods of the growing season, to establish cover to effectively initiate spring grass seedlings providing, of course, the farmer so desired to initiate a grass planting.

So, the prerequisites to establishment of good stands of high forage producing grasses is three fold:

1. Establish effective non-competitive cover in the growing season prior to actual grass seeding operations. Crops which will serve this purpose are sudan, millets and any of the grain sorghums.

2. Select adapted grass or grass mixtures which will better suit the individual farmers needs.

3. Sow relatively early in the spring directly into previously established dead cover crop.

Lastly, don't be too hasty to plow field because grass does not appear to be coming up to a good stand. It is natural to expect immediate results but native grass seed is sometime very slow to make emergence and because of this characteristic many plantings have been destroyed before sufficient time elapsed to truthfully determine whether or not a sufficient stand would or could be obtained.

Those cooperators who desire to make plantings of winter legumes for cover and soil improvement purposes should make arrangements for the purchase of seed sometime within the very near future.

Such legumes as alfalfa, Austrian Winter peas, biennial sweet-clover and hairy vetch are very well adapted to this immediate farming section and consideration should be exercised on the purchase of these known adopted varieties.

For further information on planting rates, methods of planting, etc., interested farmers should contact anyone of the District Board of Supervisors or the local Soil Conservation personnel.

WHEATHEART IN MIAMI BEACH—Charlotte Vitz, 1955 "Wheatheart of the Nation," receives the "Key to the City of Miami Beach," from Marcos Kohly of the Chamber of Commerce, who represented the mayor. Looking on is Jack Low, managing director of the Royal York Hotel where Charlotte, accompanied by her mother, spent the week. Charlotte was selected as "Miss Wheatheart" from a group of 18 finalists, representing four states, at the annual North Plains Fair. She arrived in Miami by National Airlines, and was entertained royally by the Royal York Hotel.

Strict Requirements for Wheat Handling Nowadays

COLLEGE STATION — Wheat contaminated by rodents or damaged by insects and moving in interstate commerce may be seized by U. S. Food and Drug Administration under orders from the Department of Health, Education and Welfare.

In order to clarify questions which have arisen regarding the clean wheat program, W. S. Allen, extension agricultural engineer, has prepared a brief and to the point leaflet covering the most frequently asked questions. The leaflet, L-257, is available from the offices of county agricultural agents and Allen points out that local agents can supply additional information on bin spraying, grain fumigation and rodent control.

Wheat stored on farms or in country elevators is not subject to seizure, says Allen. But, he adds, should the stored wheat be shipped in interstate commerce, it is subject to inspection and seizure if contamination is found.

He says grain that contains any poisonous material, such as chemicals used in treating seed,

or in rodent or insect control, may be declared unfit for human or animal feed. Treated wheat should not be mixed with clean grain but used only for planting purposes.

The shipper or owner of the grain seized is responsible for its condition and is liable for costs involved in the seizure proceedings as well as the loss of value of the grain.

Using the best known methods of harvesting, storing and handling wheat, can hold contamination to a minimum, says Allen. Stored wheat should be checked frequently to make certain that it remains in top condition and free from insects. The storage building should be checked also to see that birds or rodents haven't found a way to get into the building.

And finally, Allen points out that seizure can be expensive and that wheat delivered to the CCC under price support programs must meet minimum sanitation requirements.

Veterans Forum

Q. I am taking Korean GI farm training, and my monthly GI allowances so far have been reduced twice. Under the new law calling for top allowance rates for the first year, will VA make a retroactive adjustment, paying me the difference between what I received so far and what I would have received under the new system?

A. Under the law, retroactive adjustments will not be made. But, beginning in October, your monthly allowances will be refigured under the new system. You will receive the maximum allowance rate for the rest of your first year in training, after which your checks will be reduced at four-month intervals.

Q. I am getting a VA pension, and I recently inherited enough money to push my yearly income above the limit set for pensions. Am I supposed to report this fact to the VA?

A. Yes. You should promptly report your additional income, so that VA can discontinue your pension payments. If you do not report it, you may find yourself hard put, later on, to repay a sizable sum of money to the VA.

Q. I have a World War II GI term insurance policy. Is it possible to convert just part of it to

a permanent plan, or must I convert all of it at once?

A. If you wish, you may convert only part of your GI term insurance to permanent insurance. However, the insurance must be converted in multiples of \$500, and the minimum amount that may be converted is \$1,000.

Q. I plan to start school this fall under the Korean GI Bill. Would it be possible for me to receive my GI allowance pay in advance, before I start class?

A. No. Under the law, the allowances are paid some time after the end of each month of training completed, and not before. Furthermore, after the end of the month, you and your school will have to sign a certification stating you were in class all month. VA is allowed up to 20 days, after receipt of that certification, to send your check.

CARD OF THANKS

I wish to thank those who sent cards and flowers and visited me while I was in the Sanford Hospital recently. Special thanks to the doctors and nurses.

Mrs. Lina Schweitzer 37-11-c

Mr. and Mrs. Charlie Lile and Mrs. Mary Kelly visited in Beaver, Okla. last Friday.

News from DOMBEY

By Mrs. J. R. Kulow

Mrs. Hugh Williams was honored at a bridal shower in the social room of the Methodist Church at Turpin, Tuesday afternoon. The hostesses were Mesdames Don Cantrell, C. L. Lynch, Paul Duerson, Lloyd Brown, R. C. Pyle, Warren Swan, Naomi Cantrell, John Davis and Hagen Gardiner. The table was covered with white and green crepe paper and centered with a vase of white chrysanthemums topped by an umbrella. A tiny bride and groom and green candles were at either side. The napkins were imprinted with Janet and Hugh in silver. The cake squares were iced in green and topped by tiny white rosebuds. A white camellia corsage was presented the honoree. The honoree's mother, Mrs. Owen Keen and her aunt, Miss Merle Killingsworth and her mother-in-law, Mrs. Wyatt Williams helped open the gifts. Mrs. R. C. Pyle gave the devotional and prayer. Other guests were Mesdames, Ralph Bobbitt, Lavern Davis, Barr Brown, J. R. Kulow, Edward Barr, John King, Fred Whittier, Lewis Whittier, Frank Duff, George Weiss, George Whittier, Carl Carter, Ted Wahl, Lyle Wheeler, Earl Watkins, Lester Fyle, Harry Stiekler, Merrell Kuykendall, Fred Janzen, Lewis Duerson, Roy Stiekler Sr., Jim Hershey, Wayne Peters, Glen Myers, Lester Janzen and Otto Fuhrman.

Mr. and Mrs. Clarence Woodridge of Liberal and Mr. and Mrs. John Carson returned home Friday from a fishing trip at Los Animas, Colo. They were guests of the Carson's nephew and family, Mr. and Mrs. Harley Britton. They attended the fair at Rocky Ford and the Watermelon festival.

Mr. and Mrs. J. R. Kulow were dinner guests Friday of Mr. and Mrs. Chester Bartel.

Mr. and Mrs. J. R. Kulow had as their Sunday guests Mr. and Mrs. Chester Bartel, Jimmy and Clara of Boyd, Mr. and Mrs. Edwin Neill, Carol, Donald and Barbara of Dodge City, Mr. and Mrs. J. C. Stevens and David and Mr. and Mrs. James Kulow, Susan and Terry of Liberal.

Mr. and Mrs. J. R. Kulow spent Friday and Saturday in Liberal at the J. C. Stevens home.

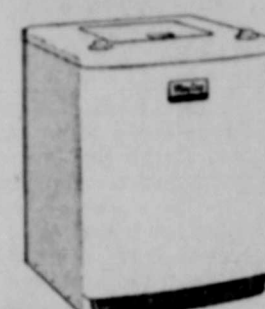

Mr. and Mrs. Jona Janzen and family visited relatives in Wichita, Kans. last week end.

Mexico City developed from the original settlement made by the Aztecs on an island in a lake which has since disappeared.

INTEGRATED—Marjorie Hendricks, right foreground, and Negro student among 1,100 at McCallum High School in school opened there. She is shown leaving after the first integration in Austin schools. Altogether 14 Negro students were in formerly all white high schools in Austin, but Marjorie only one at McCallum.

Farmers Win In Irrigation Fight

Gas for irrigation farmers in Texas county, Okla., won the first round of their fight with Phillips Petroleum Co. last week when federal judge Edgar S. Vaught granted a permanent injunction against the company's cut off orders on six wells in the area.

The action started in August, 1953, when Phillips first issued orders to cut off irrigation gas to non-contract farmers and through district court order the wells were never cut off.

Phillips has announced plans to take the newly enacted Oklahoma state law all the way to the U. S. Supreme Court.

Lots of Fuss

SEAFORD, Va. (AP)—The Coast Guard suggests that persons who will be delayed on boating trips notify relatives.

W. A. Mitchell's boat developed engine trouble enroute here and he put in at Hampton and spent the night. Next day when he arrived here he was surprised to find the Coast Guard, commercial vessels and private craft scouring the York river and Chesapeake Bay for him. His family had become alarmed.

Private Property!

RALEIGH, N. C. (AP)—Sen. John Shuford introduced a bill in the General Assembly which would impose a \$10 fine of motorists who park in private parking lots clearly marked with the name of the person to whom the space is leased.

The senator was peeved because he frequently found his space taken in the Capitol lot.

Ads for Currency?

LOUISVILLE, Ky. (AP)—Mrs. Ivy Baker Priest, treasurer of the United States, in Louisville for a speech, said she gets many suggestions about the nation's money.

One man told her he was tired of the huge national debt. Why not, he asked, just print currency on one side and sell the other side for advertising?

Another person wondered why women's portraits do not appear on currency. Mrs. Priest said dollar bills once had a picture of George Washington on one side and his wife Martha on the other.

But this was discontinued, the treasurer deadpanned, because "you shouldn't let money come between a man and his wife."

BLACK LIGHT FEATURED IN WOODLAND SCENE: HOLIDAY ON ICE, the sparkling revue to be seen at the Amarillo Tri-State Fair Sept. 19-24, presents 25 acts, including a mysterious reverie in the magic of ultra-violet light. Some of the 125 Glamour "Icemen" and "Ice" Squires are seen here as nymphs, butterflies and satyrs with the deep shadings of "Black Light" transforming the stage into a woodland paradise. HOLIDAY ON ICE will give 8 indoor performances at the Tri-State Fair, including Friday and Saturday afternoon matinees. For the matinee ONLY, children's tickets will be half price.

State Announces Safety Periods

AUSTIN (SpI)—Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced today that the Public Safety Commission has set September 15, 1955, through April 15, 1956, as the new Motor Vehicle Inspection period for state motorists.

Garrison pointed out that this will give Texas car owners a full seven months to report to one of the more than 4,000 licensed inspection stations in the state for a safety check of their vehicles.

Office Machines—Stewart's!

Eldon Dudley Wins Roping

Eldon Dudley of Perryton won a \$500 jackpot at Canadian Sunday afternoon against J. C. Johnson of Wheeler. Dudley roped and tied six calves in an aggregate time of 110.1 seconds, while Johnson's time was 110.6 seconds.

The matched roping was sponsored by the Canadian Roping Club and was staged at the Rod-o Arena.

Dudley's times for the six calves were 16.1, 18.5, 14.7, 17.3, 26.4 and 17.1 seconds.

Oxygen is about 15 times as heavy as hydrogen.

State Board Makeup Needs Modernizing, Says Shepperd

By John Ben Shepperd
Texas Attorney General

(Editor's Note: This is the first of a series of four articles written by Texas Attorney General on the problem of the present State board system in Texas. Other articles will follow in later issues.)

One of the most vexing problems of modern Texas government is the present system of state boards.

These boards are like the story of Topsey, who just grew and grew. At the present time some state officials serve on so many boards that proper administration is almost impossible.

This problem is so important to the citizens and taxpayers of this State that I have done a great deal of research to determine possible answers to it.

You might say that I am one who speaks from bitter experience, for as your Attorney General I have served on twenty-five of these boards, and I have had a first-hand view of the inefficiency of the system.

Those men who will be elected Attorney General in the future should not be harassed and hamstrung with this impossible number of sideline duties.

In The Old Days

When the State Constitution was written in 1875, a state official was not busy by today's standards. He could take care of his duties, attend a couple of board meetings a week, and still have ample time to go fishing on the Colorado. So the Legislature put the State's constitutional officers on various boards as "ex-officio" members.

One of the most important reasons for making the state officials members of Boards was the fact that they lived in Austin. In those days of slow transportation a man could not leave his farm or his store for weeks and travel down here to serve on a board.

The only railroad coming into Austin was from Hempstead, 50 miles north of Houston. Almost all of the 1,566 miles of track in the state were running north and south in East Texas. In order to get to Brownsville, you had to take the stage from Waco to Comanche, and go on by hack. Or you could go by horse in 10 days from Austin and save the \$10.00 stage fare.

The men who travelled to the Constitutional convention travelled an average of 386 miles round trip, mostly by horse. The trip from El Paso, Texas, to Amarillo, on horseback took from one to two weeks.

News By Wire

Now a citizen can fly from his home town, attend a board meet-

ing, and be back home for supper. In 1875 Austin had telegraph communication only with New Orleans and Galveston, and not a permanent newspaper correspondent in town. Now we have 40 correspondents in the capitol to cover all the activities of state government and almost instant communication with any part of the United States.

We don't have to look any further to see why the Legislature started putting these same officials on boards. They have continued to use them to man new boards through the years, thus avoiding possible criticism for adding new "bureaucrats" to the payroll.

During the past 50 years the rate of addition of these extra board duties has speeded up to twice what it was in the 54 years from 1875 to 1930. The seven constitutional officers—Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, Treasurer, and Land Commissioner—are now required by law to fill 38 seats on 27 separate boards and commissions of the state government, not including about two dozen inactive boards that still exist in theory.

Few Men—Many Boards

The Governor serves on 9 boards; the Land Commissioner, eight; the Comptroller, seven; State Treasurer, five; and the Lieutenant Governor, four.

The Attorney General carries the heaviest load. He serves on 24 boards, many of which are active enough to require considerable time. He often feels the need of 24 hands and two dozen eyes to keep up with them. He was placed on most of them for no better reason than to provide the boards with handy legal advice, which is fundamentally a bad idea.

Board membership places the Attorney General in the unseemly position of a man witnessing his own contract. He is often called upon for an official opinion on the legality of a policy which he as a board member helped to establish. Other states have recognized this conflict and refused to place their Attorney General in such a dual role. In fact, in recent years almost all the states have shown a tendency to stop placing their legal officer on state boards. Texas is unmatched in the number of ex-officio responsibilities placed on the Attorney General. He has more than any other state, 6 times as many as the average.

177 boards and commissions of Texas government determine state policies and secure the Attorney General's legal opinions (which are purely advisory) without his presence on the Board, so his service as an ex-officio board member hardly

APARTMENTS FLOODED—A housing project in Corpus Christi, Tex., is partly under water as squalls from the Gulf of Mexico dumped heavy rains on the area. Many homes in the city were evacuated and dozens of cars were stalled in high water that flooded most city streets. (AP Wirephoto)

WILL IT BITE?—Little Romie Henderson of Brady cautiously peeps around the side as Ira Hester poses with a rattlesnake he killed on his place at Lohn in northwest McCulloch County. Hester kept the snake cornered with his straw hat until his wife could bring a hoe, and he sure put up a fight. The snake was 65 inches long and weighed 13 pounds. (AP Photo)

seems necessary and is in most cases unwise.

Office Duties Expand

The primary duties of constitutional officers have been so expanded with the development of state government through the years that none of them now have the time which should be devoted to State Boards.

The constitutional and statutory duties of the Attorney General, outside of the board membership, fill hundreds of pages in the law books. He is charged with the approval of all bonds issued by the state or any lesser unit of government and these have run to over 375 million already this year. He must examine the characters of the thousands of corporations in the State and inquire into anti-trust vio-

lations.

He must advise the Governor and all other state officials, agencies, boards or commissions on their legal problems. With 2,000 lawsuits a year to prosecute or defend in the state or federal courts and the preparation of over 1500 opinions a year, his job can hardly be called part-time employment.

Thirteen Heads

All of the constitutional officers make a giant effort to squeeze attendance at 38 boards into their busy schedules. But this is defeating the real purpose of having a board. Boards should be composed of men able to give time, calm consideration and expert advice to the administrators of the program. Show me the man who can qualify as an ex-

By VERN SANFORD

AUSTIN, Tex.—There is an election coming up next week—in which the "candidates" are not known.

It is the election of Texas' new Democratic national committee man—to replace ousted Wright Morrow.

A nominating committee will make a recommendation on Sept. 21. Its choice will be revealed at a meeting of the State Executive Committee in Ft. Worth on Sept. 22.

Discussed for the place have been former Cong. Lloyd M. Bentsen Jr. of McAllen; Cong. Joe Kilgore, also of McAllen; Rep. J. O. Gillham of Brownfield; and James E. Wheat of Woodville. Wheat now is secretary of the State Executive Committee.

Possibility that State Chairman George W. Sandlin might get the nod also has been discussed.

Gov. Allan Shivers has indicated his desire that the new committeeman be someone who will work with the National Committee.

National Chairman Paul M. Butler said that the new member must have voted for Adlai Stevenson in 1952 and be acceptable to Governor Shivers, House Speaker Sam Rayburn, and U. S. Sen. Lyndon Johnson.

State Chairman Sandlin will address a meeting of the Democratic Club of Ft. Worth on the same date the committee meets. He will reply to the speech made to the same group by Morrow just before the state committee voted Morrow out. Morrow has severely criticized Sandlin. The invitation to speak was extended Sandlin in order to show that the club, while conservative, was not dominated by the ultra-ultra conservative backers of Morrow.

Candidates Active

Friends of Agri. Commr. John White met in Austin over the week-end to encourage his entry into the governor's race. White is one of several under consideration by the Loyalist forces.

Brown Bailey, Midland attorney and leader in the effort, said

the group conferring with White was not allied with any political faction. "We simply want White to run," he said.

Reuben Senterfitt of San Saba is the only announced candidate for governor so far. He's busy building his fences. Active also is State Sen. Jimmy Phillips of Angleton, although as yet unannounced. Another possible is James P. Hart, former chancellor of the University of Texas. And Will Wilson, associate justice of the supreme court.

Not to be overlooked is Coke Stevenson, former governor. It appears there may be a build-up urging him to enter. Stevenson has been inactive politically since his 87-vote defeat by Lyndon Johnson in the Senate race seven years ago.

Girl Bowler Hits 700 Again

CLEVELAND, Ohio—Marge Slogar, who bowled a 300 game 11 years ago, rolled her third 700 series here. Her first game was 235, the second 258 and the third 223 for a sensational 716. It was the first 700 series rolled by any woman in Cleveland this year.

More than 42 million cans of shaving lather was packed in can under pressure to be sprayed out last year in the United States.

HOMES FOR AMERICANS

AP Newsfeatures

DISGUISED—This ranch style facade actually is the front of a split level house. The plan splits from front to back instead of sideways. Bedrooms are raised half a flight above the living room level with a picturesque balcony forming a hallway. This allows for a large recreation room and laundry under the bedrooms and half a flight down from the living room level. This is plan Y-742AP by Herman H. York, architect, 90-04 161st St., Jamaica 2, N.Y. The house covers 1,441 square feet without garage which figures separately.

Texas To Grow Half of Nation's Grain Sorghums

AUSTIN, Texas — Texas will produce more than half of the nation's grain sorghum crop this year, with a bumper crop expected to beat last year's yield by more than 20 per cent.

The University of Texas Bureau of Business Research says the production gain in grain sorghums can be attributed to a 15 per cent increase in acreage and generally more rainfall in most areas.

The Bureau also reports remarkably high yields are in prospect for most of the cotton-producing areas, due to improved soil moisture supplemented by irrigation of about 25 per cent of the state's crop. Boll weevil infestation is somewhat worse this year than last, but damage has not been excessive.

Cotton production is expected to be down only about 1 per cent, although Texans planted a million fewer acres in cotton this year than in 1954.

Reporting on livestock, the Bureau says most cattlemen feel they can see their herds safely through the coming winter season. Prospects for early fall and winter pasturing are better than they have been in years, and there was a bumper crop of hay.

Texas farmers suffered a 3 per cent decline in income during the seven-month period of January-July, 1955, compared with the same period of last year. Prices received by farmers during July fell 2 per cent from June figures, but remained about the same when compared with prices received during July, 1954.

Real Sassafras

CARBONDALE, Ill. (AP)—Sassafras, used by pioneers as a spring tonic, has been shipped to V. L. Webb of Sacramento, Calif., who requested a batch of the real stuff from genuine Carbondale Sassafras trees.

He said he had been buying sassafras in California drug stores, but their product was weak and tasteless. The Chamber of Commerce dispatched the makings promptly.

On the Trail

AMERICAN FALLS, Idaho (AP)—Don Benson and Boyd White spotted what looked like cougar tracks.

The footprints were huge—five inches across.

They summoned John Luck, a government trapper, and started tracking the beast.

Six miles down the road the trio came upon their quarry—a St. Bernard dog belonging to E. G. Commons.

For 25 years, Mrs. Blanche Elton of Dormont, Pa. has worked every Wednesday as a volunteer for the American Red Cross, making about 400 surgeons' masks every year.

The Ochiltree Home Demonstration Club met in the home of Mrs. E. C. Dodson on Friday, September 9.

Miss Lou Ella Patterson, Home Demonstration Agent, gave the demonstration on Freezing Fruits and vegetables. Foods used were green beans, okra and cantaloupes.

Members present were Mrs. Robert Thurman, Mrs. Stella Williams, Mrs. Ben Graham, Mrs. Leland Wilson, Mrs. Clyde Herington, Mrs. D. C. Wilson, Mrs. M. B. Williams. Visitors were Mrs. Zed Bobo, Mrs. George Yates, Mrs. Oliver Logan, Millie Kay Graham, Danny, Margie and Virginia Herrington.

Mrs. D. C. Wilson gave a report on her trip to the State Convention at Ft. Worth.

Next meeting will be on September 23 in the home of Mrs. Ben Graham.

Shower Honors Mrs. Lenderman

A bridal shower, honoring Mrs. Dent Lenderman, was held in the home of Mrs. Lyndon Balzer, at 621 S. Colgate Street on Thursday evening, September 8, between the hours of 7:30 and 9:30 p. m.

Co-hostesses were Mrs. Walter LaMaster, Mrs. Huie Throckmorton, Mrs. Carl Day, Mrs. Virgil Fleming, Mrs. Clair Larkey, Mrs. Daniel Faries, Mrs. Coy Thompson, Mrs. Mack Sultor and Mrs. Spencer Whippo.

Corsages were presented Mrs. Lenderman, her mother, Mrs. Oras Busch, also Mrs. Betty Cunningham and Mrs. Vernie Lee Wilson, sisters of the bride.

Mrs. Lyndon Balzer received the guests and Mrs. Betty Cunningham presided at the guest book. Mrs. Busch helped with the gifts.

The serving table was laid with a white lace cloth, and decorated with an arrangement of white asters with an orchid lace heart in the background of flowers, and orchid satin streamers, with names of "Lora and Dent" in silver running from the bottom of the heart. At either side were orchid tapers in crystal candelabra. The white cake was decorated with orchid colored hearts and wedding bells. Mrs. Vernie Lee Wilson, sister of the bride, presided at the crystal punch service.

Approximately seventy five guests called or sent gifts.

Weiner Roast Held Friday

A group of friends enjoyed a weiner roast Friday evening Sept. 2, at the City Park. The party honored Miss Nina Howard who left Sunday for college.

Those present were Miss Howard, Edwin Ray Baker, Mr. and Mrs. Harrison, Miss Betty Baker of Gray, Okla., Mr. and Mrs. Vernon Baker and son Brent of Beaver, Okla., Mr. and Mrs. LeRoy Baker, Phillips and Sandra of Perryton, James Stroud of Perryton, Day Barfield of Oklahoma City and Dewayne Baker of Perryton.

Pink and Blue Shower Honors Mrs. Delk

BALCO—Mrs. Ernest Delk was honored with a pink and blue shower, Tuesday night, August 30 in the basement of The Baptist Church.

Hostesses for the courtesy were the members of Mrs. Delk's Sunday school class and the Intermediate Girl's Sunday school class of which Mrs. Delk was a former teacher.

The gift table was laid with a white cloth. Pink and blue streamers and a bouquet of autumn flowers.

Contest games, directed by Mrs. Caywood Gilbert and Mrs. Ralph Renfrow, were in keeping with the stork theme.

Refreshments of punch and cake were served to approximately seventy-five guests.

Miniature storks were given as favors.

Mrs. Maynard of Tyrone, mother of the honoree, and Mrs. J. C. Delk, mother-in-law, assisted Mrs. Delk in opening the gifts. Miss Corella Maynard, sister of Mrs. Delk, presided at the gift book.

The Intermediate girls registered the guests.

The gifts from the hostesses were a blond high-chair and a pink crib blanket.

Several who were unable to attend sent gifts.

Picnic Supper Honors Couple

Mr. and Mrs. Joe Watson and Mrs. Pearl B. Teeter entertained with a pot-luck picnic supper Wednesday evening, September 7, in the backyard at the Watson home, 917 South Eton, honoring Mr. and Mrs. Charles Whippo on their birthday anniversaries.

An arrangement of cut flowers decorated the picnic table.

Those present were Mr. and Mrs. Whippo, Mr. and Mrs. Cecil Fukin of Follett, Mrs. Mary Shore of Denver, Colo., Mrs. Betty Bay and Mr. and Mrs. Ray Carmichael and son of Higgins, Mr. and Mrs. W. E. Bratton, Mrs. R. D. Chamberlain and Mr. and Mrs. O. B. Behne and children of Spearman, Miss Peggy Blackmore, Harvey David, Mrs. Ike Vernon, Miss Phyllis Vernon, Miss Phyllis Vernon, Miss Nancy Aiken, Mr. and Mrs. B. C. Jones, Mr. and Mrs. Elmo Bennett, Mr. and Mrs. Tom Waugh, Mr. and Mrs. Ray Moon and children, Mr. and Mrs. Percy Edwards and daughter, Billy Drake, Mr. and Mrs. Arlo Williams and daughter, Mr. and Mrs. Jack Voorhees and daughters, Miss Thomasene Swink, Mrs. Teeter, Mr. and Mrs. Watson and their children.

Boys and Girls Dress Up for School

NEW LOOK FOR BOYS... Red pinwale blazer with black velvet collar. Designed by William Schwartz.

BEST DRESSED BELLE... Navy-and-white polka dot corduroy jumper with red ribbon trim, long torso.

JUST LIKE HIS DAD... Junior's smart herringbone tweed Chesterfield topcoat has velvet collar.

By DOROTHY ROE

Associated Press Women's Editor

The old saying "Pretty is as pretty does" works both ways, say school authorities. That's why many schools throughout the country are urging parents to encourage their small fry to get dressed up for school this fall, and give up the sloppy look of frayed jeans and flapping shirts.

In schools where strict rules of

dress have been enforced, it has been noted that student behavior improved noticeably. Small boys aren't so likely to get into fist fights and other troubles if they are wearing their good suits, say teachers. And small girls act their best when they look their prettiest.

Manufacturers of children's clothes are going along with the idea, and present school clothes with a dressed-up look this fall.

For boys, the blazer-and-slacks

shirt and tie, is a favorite back-to-school outfit. Blazers come in flannel, tweed or corduroy, with vivid colors vying in popularity with the charcoal grays and browns.

The Chesterfield top coat, with fly-front and velvet collar, also is new and smart for the marbles-and-baseball crowd.

Little girls have their choice of a wide range of new school outfits, all as carefully styled as those of Mom or Big Sister.

Beta Phi Chapter Meets Tuesday

The Beta Phi Chapter of Beta Sigma Phi Sorority held its first fall meeting Tuesday evening, September 6, in the Harvester Room of Hotel Perryton.

Mrs. Chris Kellin and Mrs. Dave Deal were hostesses for the evening.

Mrs. J. B. Whigham presided for the business meeting. Miss Kathleen Lee was appointed Teen-Town representative.

Plans were made for the rush season.

"Introductions and Invitations" was the program topic and was presented by Mrs. Bruce Baumann.

Those present were Mrs. Baumann, Mrs. Elmo Bennett, Mrs. Keith Flowers, Mrs. Chellis Gidley, Mrs. A. F. Holland, Mrs. Bob Holloway, Mrs. Josh Hopkins, Mrs. Doyle King, Miss Lee, Mrs. Paul Loftin, Mrs. Dean Monroe, Mrs. Ray Osborne, Mrs. Leo Shuler, Mrs. Byron Tevis, Mrs. Ray Vahue, Mrs. Bill Walker, Mrs. J. B. Whigham, Mrs. Grady Yearry and the hostesses.

Perryton Garden Club Has First Meeting of Year

Perryton Garden Club held the first meeting of the club year, September 13, in the home of Mrs. Beulah Stark, 1321 South Drake, with Mrs. R. H. Holland co-hostess.

"Only the Rose" was the program subject.

Mrs. A. S. Brillhart spoke on "Soil Preparations and Planting Guide." She made a rose arrangement for the dining table.

Mrs. Fred Huston discussed "Varieties and Feeding of Roses."

Those present were Mrs. Fred Huston, Mrs. Gene Akers, Mrs. G. R. LaMaster, Mrs. R. T. Correll, Mrs. George Parker, Mrs. Dan Manning, Mrs. O. A. Schuster, Mrs. J. H. Neufeld, Mrs. A. S. Brillhart, Mrs. R. F. Newman, Mrs. Garland Redfern, Miss Essa Todd, Mrs. J. M. Anderson, Miss Hulda Schmidt and the hostesses.

Busy Ladies Class Meets Friday

The Busy Ladies Sunday school class of the First Methodist Church met in the home of Mrs. Annie E. Rogers, 314 South Colgate, at 3 p. m. last Friday.

Mrs. J. H. Neufeld and Mrs. W. E. McMillen were co-hostesses.

Mrs. Lela Seago was in charge of the meeting which opened with the hymn, "He Lives."

Mrs. McMillen led the opening prayer.

Mrs. D. A. Caldwell gave the devotional from Luke, Chapter 15.

Mrs. Rogers, secretary, read the minutes of the previous meeting and other reports.

During a brief business meeting officers for the coming year were elected.

Mrs. Anna F. Wilson led the program. The program subject was, "Love That Will Not Let Me Go."

Mrs. T. L. Garner, accompanied by Mrs. A. P. McElvey, sang "O Love That Will Not Let Me Go," "The Ninety and Nine" and "Let the Lower Lights be Burning."

The meeting closed with "The Lord's Prayer" repeated in unison.

Refreshments were served to Mrs. T. L. Garner, Mrs. W. H. Lance, Mrs. R. T. Correll, Mrs. Inez Cutter, Mrs. L. H. Lance, Mrs. Cecil Teter, Mrs. A. P. McElvey and Bobby McElvey, guests and Mesdames F. B. Kile, D. A. Caldwell, O. C. Shearer, G. M. Cooper, O. T. Glasgow, Anna F. Wilson, Anna Budock, John Beck, Rhoda Stollings, Mattie Garrison, Fannie Jackson, Lela Seago and the hostesses.

Mrs. L. T. Tucker Entertains Club

Mrs. L. T. Tucker entertained the Hi Bid bridge club last Friday afternoon, in her home at 913 South Drake.

Mrs. A. V. Goff held high score and Mrs. Fred Turner second high.

Others present were Mrs. A. J. Kelly, Mrs. C. E. Woods, Mrs. A. S. Brillhart, Mrs. F. B. Sumpter, Mrs. W. L. Herndon, Mrs. Harold Roberts and the hostess.

Light refreshments were served.

Rent Typewriters—Stewarts

B&PW Club Holds Initiation

Initiation was held September 1, in the Harvester Room of Hotel Perryton for ten new members of the Perryton Business and Professional Women's Club.

Virginia McWilliams, president of the local club, conducted the impressive candle-light service. An arrangement of shasta daisies decorated the table.

New members include Thelma Carver, Bertha Good, Mona Mae Hennigh, Mae Belle Lawrence, Beatrice Daley, Lillian Coffee, Juanita Burton, Celta Anderson, Sylvia Wilcox and Lou Ella Patterson.

The occasion honored the charter members of the club and the past presidents. The past presidents are Frances Foster, Dorothy Wilson, Ann Sultor, Leah Ward and Nellie Bryan.

Following the installation service the club collect was read in unison.

Roberta Sultor sang, "Bless Be the Tie That Binds."

Guests for the evening were Mrs. Edith Williams of Wichita, Kans. and Mrs. Bonnie Byrnes of Tulsa, Okla.

Names Omitted

The names of Mr. and Mrs. Jack Dodson and Mr. and Mrs. Jim Dodson were omitted from the county wide picnic story in last week's Herald.

We are indeed sorry the names were omitted.

Lodge Meeting Held Monday

Perryton Rebekah Lodge No. 225 met Monday evening Sept. 5 in the IOOF Hall.

Lou Ella Mooneyham, Noble grand, presided with Eva Fisher as Vice grand.

Nineteen members were present. It was announced the local Rebekah Lodge would sponsor a Masquerade Dance at the Memorial building, November 29. Dent Lenderman's Band will play for the dancing.

The meeting time of the Rebekah Lodge has been changed to 7:30 p. m.

Sorority Meets In Harvester Room

Epsilon Sigma Alpha Sorority met in the Harvester Room of Hotel Perryton Monday evening, September 7.

Mrs. Robert Mitchell presided at the business meeting during which Mrs. Bob Barnett was elected treasurer of the sorority. Joe Culp, Highway Patrolman, guest speaker, spoke on "Safety" and showed a film, "X Marks the Spot."

Members present were Mrs. Robert Mitchell, Mrs. Sammy Phelps, Mrs. Bob Barnett, Mrs. Allen Good, Mrs. Bob Duffer, Mrs. Jim Badgett, Mrs. Virgil Fleming, Mrs. Edward Dear, Mrs. Bob Turner, Mrs. Don Smith and Mrs. Kenneth Fuller.

The next meeting will be on Sept. 27 in the home of Mrs. Dwight Drake.

Rummage Sale

The Womens Missionary and Service Auxiliary of the Mennonite Church will hold a Rummage Sale in the Gaither Building, 306 S. Main on Sept. 23-24.

The proceeds will go toward completing the Church kitchen. On sale will be toys, dishes, winter clothing, new bedding, home made soap, also shoes and many other miscellaneous items.

Ceramic Club Elects Officers

Officers for the coming year were elected at a meeting of the Perryton Ceramic club, Tuesday evening in the home of Mrs. Phil Daly, 1505 South Eton.

Mrs. Alva Drake was elected president of the club. Other officers are as follows: vice president, Mrs. Travis Baker; secretary, Mrs. Tip Collingsworth; reporter, Mrs. Phil Daley; program chairman, Mrs. Frank Holdeman and Ms. J. W. Chase.

The North Plains Fair committee is composed of Mrs. Rolland Shearer, chairman, and Mrs. Dwight Drake and Mrs. Alva Drake.

Those present were Mmes. Troy Bolerjack, Travis Baker, J. W. Chase, Tip Collingsworth, Dwight Drake, Alva Drake, Frank Holdeman, Marshal Stone, Raymond Overbey, Bill Trayler and the hostess.

The next meeting will be on Sept. 27 in the home of Mrs. Dwight Drake.

Office Machines—Stewart's!

4-H Club Meeting Held Monday

The Busy Bee 4-H club met Monday afternoon in the home of Thomasene and Georgie Ann Swink.

Club was reorganized and new officers were elected for the new year. Officers are as follows: President, Nina Matthews; Vice President, Ann Yates; secretary, Georgie Ann Swink; reporter, Vivian Trew; asst. reporter, Kristine Yates; food demonstrators, Kristine Yates, Ernestine Jines and Nina Matthews; clothing demonstrator, Ann Yates; landscaping demonstrator, Joyce Matthews; advisory committee, Ernestine Jines.

Miss Lou Ella Patterson, Home Demonstration agent, discussed the steps in making and carrying a motion.

Refreshments were served to Ernestine Jines, Joyce and Nina Matthews, Vivian Trew, Kristine and Ann Yates, Mrs. Ellis Matthews and Judy, Mrs. Terry Yates, Mrs. J. W. Jines, Miss Patterson, Mrs. Tom Swink and Judy.

The next meeting will be in the home of Vivian Trew on September 26. Visitors are always welcome.

Picnic Supper Held Sunday At City Park

A group of friends gathered at the City Park Sunday evening, September 11 for a picnic supper. Five of the group were honored on their birthday anniversaries.

Those honored were Hal Chase, Mr. and Mrs. Kenneth Hocking, Clarence Lewis and Mrs. Johnnie Luthi.

Those present were Mr. and Mrs. Hal Chase and Hal Jr., Mr. and Mrs. Hocking, Denise and Janice, Mr. and Mrs. Lewis, Fred and Karen, Mr. and Mrs. Luthi, Bobby, Danny and Tommy, Mr. and Mrs. Gene Brillhart, Roz and Randy, Mr. and Mrs. Grover Crum, Gary, Nancy, Connie and Mike, Mr. and Mrs. Bob Holt, Susie, Christy and Roxie, Mr. and Mrs. Doyle King, Richard and Mark and Mr. and Mrs. Sidney Jines, Larry and Lanny.

Regular Meeting Held Sept. 12

Pertyon Rebekah Lodge No. 225 held their regular meeting Sept. 12 at 7:30 p. m. in the IOOF Hall.

Lou Ella Mooneyham, Noble Grand, presided.

A new candidate, Virgie Williams, of Oklahoma City, was selected to membership by transfer.

Those present were Ruby Lee Malaney, Laura Joyce Doffer, Bertha McNally, Lou Ella Mooneyham, Rubye Tillman, Mable Gatewood, Hazel Allen, Ruby Collingsworth, Katie Thurman, Virgie Williams, Barbara Cox, Fannie Jackson.

Also Roberta Moulton, Mae Newingham, Willie Lee Jones, Lorraine Kershman, Nola Scott, Eva Fisher, Louise Woodward, Gladys Organ, Mary Ellen Gift, A. E. Pittman, Willie Hulsey, Clara Stubblefield and Alma Pittman.

Mrs. Carver Is Hostess To WMS Circle

Mrs. Thelma Carver was hostess to the Business Women's Circle of the Baptist Women's Missionary Society, last Tuesday evening in the home of Mrs. Paul Bowen, 713 South Eton.

Mrs. Mark Burton gave the opening prayer.

Mrs. J. S. Slaughter conducted the business meeting during which committee reports were given.

Mrs. Bowen led the Royal Service program.

Mrs. Burton gave the devotion.

Mrs. Dewey Allen, a guest, led the program on "Missions in Thailand."

Mrs. Esther Kelley gave the closing prayer.

Refreshments were served at the close of the program.

Those present were Mrs. Luther Wade, Mrs. T. R. Shirley, Mrs. Tom Evans, Mrs. Val McLanahan, Mrs. J. R. Thomas, Mrs. Mark Burton, Mrs. R. E. Waller, Mrs. Esther Kelley, Mrs. J. S. Slaughter, Mrs. Dewey Allen, Mrs. Bowen and the hostess.

'Freezing Foods' Is Lesson Subject

"Cantaloupe, which can be frozen in syrup is one of the best sources of Vitamin C, which must be eaten each day," stated Miss Lou Ella Patterson, agent, in her demonstration on "Freezing Fruits and Vegetables" at the Waka Home Demonstration meeting, Sept. 7, in the home of Mrs. C. I. Frantz. She further stated that aside from giving religious and moral training to children food is the most important.

The vice-president, Mrs. Eldon Gurley, was in charge of the business meeting.

Plans were made for fun night, which will be held in October.

Mrs. Eldon Gurley and Mrs. Virtie Farley will be the leaders in the tailoring course.

Mrs. Allan Dennison will attend the lighting demonstration Monday afternoon at the Extension office and give a demonstration on "Lighting" at the club meeting on Sept. 21.

A report on the State THDA meeting held recently in Ft. Worth was given by Mrs. D. C. Wilson.

Refreshments were served by Mrs. Frantz to Mrs. Wagner, Mrs. Allan Dennison, Mrs. J. R. Stump, Miss Maud Stump, Mrs. LeRoy Reeves, Mrs. Billy Newingham, Mrs. Eldon Gurley, Mrs. D. C. Wilson and Miss Lou Ella Patterson.

Group Honored At Lawn Party

A committee, composed of members of the American Legion Auxiliary, entertained with a lawn party Thursday evening, September 8, at the home of Mrs. F. L. Garrett, 906 South Baylor, honoring the Gold Star Mothers, Charter Members and Past Presidents of the Auxiliary.

Members of the house party included Mrs. A. R. Hogland, Mrs. Lonnie Sutor, Mrs. Orville Black, Mrs. C. C. Bull and Mrs. John Stubblefield.

Gold Star Mothers included Mrs. W. B. LaMaster, Mrs. Augusta Malaney, Mrs. S. L. Brillhart, Mrs. J. A. Russell, Mrs. L. T. Tucker, Mrs. G. L. Patton, Mrs. H. R. Slaughter, Mrs. T. M. Wright, Mrs. Beulah Stark and Mrs. Lonnie Anderson.

Charter Members present were Mrs. Van W. Stewart, Mrs. Orville Black, Mrs. Kirt Williams, Mrs. C. B. Rogers, Mrs. C. C. Bull, Mrs. F. L. Garrett, Mrs. Jack R. Allen and Mrs. J. R. Thomas.

Past Presidents present were Mrs. J. R. Thomas, Mrs. Van W. Stewart, Mrs. F. L. Garrett, Mrs. A. R. Hogland, Mrs. Robert Barlow, Mrs. Dewey Allen, Mrs. S. L. Brillhart, Miss Anna Tevis, Mrs. Lonnie Sutor and Mrs. Beulah Stark.

The tea table was covered with a linen damask cloth and decorated with yellow and gold flowers. Mrs. Stewart poured.

Forty guests were present for the occasion.

Club Entertained Saturday Evening

Mr. and Mrs. Clifford Phelps, 1306 South Fordham, entertained their supper club last Saturday evening.

The serving table was decorated with an arrangement of flowers and pink candles in wrought iron holders. The bridge tables were covered with pink cloths and centered with flowers.

Those present were Mr. and Mrs. Chellis Gidley, Mr. and Mrs. Dale Kerns, Mr. and Mrs. Bill Traylor, Mr. and Mrs. Joe Watson, Mr. and Mrs. A. F. Holland, Mr. and Mrs. Joe Schollenbarger, Jr. and Mrs. Dave Deal, Mrs. Gene Lawrence, Clifford Ray Phelps and the host and hostess.

Pitch was played during the evening.

Mr. and Mrs. Traylor held high score for the evening. Mr. Gidley won the Jack prize.

From Shiraz, the Kahn said supper would be ready in a little while. This was a surprise for we thought we had just ate supper. But sure enough about 7:30 p. m. they brought us two big bowls of rice, some mut-ton and all the trimmings. We managed to stuff some of this down which was a little hard to do after eating so much before. After we had finished eating our beds were brought in and we turned in for the night with four blankets on our bed. Since we were in the mountains it was cold.

The next morning we got up about 7:00 and breakfast was waiting. We ate breakfast and when we had finished the Kahn asked Burt and I if we would like to ride a camel, we told him yes. He said the camels were waiting. We stepped outside the tent and there were two camels with the driver nearby. We got on the camels and started down the valley. We had gone about 700 yards and came to a small stream. Burt's camel started to cross and my camel bit him. Burt's camel took off running, this was quite a sight with Burt bouncing up and down. After we had went about a quarter of a mile the camel drivers turned them around and we started back to camp. On the way back the driver for my camel who was a 13 year old boy was walking behind the camel and the camel kicked him and broke his leg. So we found an innocent looking old camel is a pretty mean animal.

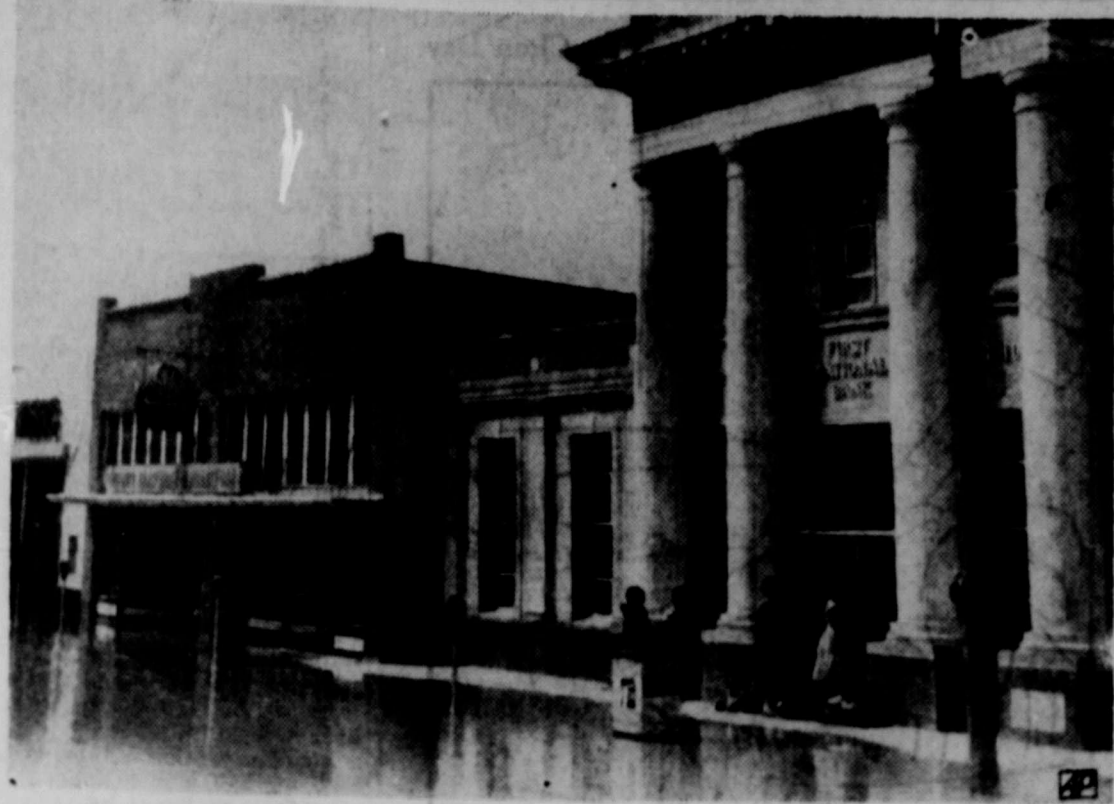

We spent the rest of the day with the tribes and the following morning we started our long, bumpy ride back to Shiraz. The next morning we headed south of Shiraz to Gahram, which is very different from the mountains we had left the day before. This is in the heart of the date area. It is a desert area with tall palm trees every place. There is water. We spent two days in Gahram visiting the nearby farmers and seeing the extension agents work there.

I'm nearing the close of my stay here in Shiraz. We will leave Monday for Isfahan where we will spend a week before returning to Feheran.

Bird Wrecks Car

ADRIAN, Mich. (AP)—Arthur Kapnick's family suggested a shotgun remedy for the nuisance of a woodpecker that appeared each dawn and drummed away on a maple tree in the yard. Kapnick said "live and let live," but now he thinks maybe the family had the right idea. Kapnick parked his new car under the maple. Down came a big dead limb, eight feet long and eight inches in diameter which did heavy damage to the car. And the spot where the limb broke was circled with hundreds of holes—the kind made by a woodpecker's beak.

Farm Problem A Big Issue

National politics are beginning to stir, although it will be another year before either party has a definite man in the field for president.

Meanwhile, both parties are casting about for a definite issue upon which to hang their campaign.

The Democrats think they have one in the farm situation, which is a situation which has seen farm prices drop while prices of other commodities have risen.

Adlai Stevenson, the 1952 Democratic candidate, says this is the one weak spot in our prosperous economy and he says the Eisenhower administration is taking a free ride on the prosperous economy. This is directly opposite, of course, to the previous criticism by Mr. Stevenson, who recently blamed the administration for a "false boom and predicted an 'Eisenhower recession.'"

The farm price situation, says Mr. Stevenson, has steadily worsened under an administration that embraces flexible price supports and is "barren of practical ideas for solution of the surplus problem."

True it is that farm prices dropped again in August, have declined 6 per cent in the last year and 12½ per cent since the Republicans took over.

But it is also true that farm prices showed the same percentage of decline, or a little more, during the last two years of the Truman administration.

The flexible price support system took effect only this year and applies to only three of the basic crops. We doubt if this flexible price support system can be blamed for the decline in farm prices, and indeed may work just the opposite, once given a chance.

Most of the farm price decline has taken place under rigid, 90 per cent of parity price supports. This system has kept the price of farm commodities up and filled all available storage space at the same time. Neither the farmers nor the non-farmers are satisfied with this as a permanent policy.

No price support program—rigid, flexible, high or low—can be a complete cure for the farm price program, which is compounded by many elements. We doubt if any political solution will be a permanent cure.

The blunt truth of the matter is that America's farmers are producing more food than the citizens can eat and more fiber than the citizens can wear. This is a situation unique in world history, and today this is the only nation whose main problems are how to avoid eating too much and finding a parking place for automobiles.

Farmers are basic to this country's economy and while the trend is toward more woe of the labor unions and ignoring the farmers, the fact remains that most of the country's prosperity depends upon the man who tills the soil. Certainly the economic life of this Perryton area depends upon the economic well being of the farmer.

Lacking a 15,000,000 member monopoly like the labor unions, the farmer nevertheless has a powerful voice in politics, if he elects to use it. The trouble is that farmers, like everyone else, fail violently to agree upon the solution of the farm price situation.

Anyone who comes forth with a real solution will be more than a politician; he will be a miracle-maker.

What Happened To This Kid?

Every newspaper runs the little two and three line "fillers" in their editorial columns, and here is one which provoked some editorial comment in a New Orleans newspaper:

"Who remembers when the average teenage kid was mighty glad to mow the lawn for 50 cents?"

It is a pertinent question. Where is that kid, anyway. Old timers remember him as a quick, alert, cheerful sort of lad, coming around regularly to ask for jobs such as mowing the lawn, pulling weeds, washing the car, running errands. He was glad to pick up pocket change that way.

This type of youngster seems to have vanished.

Instead, we have those on an allowance who spend their off time in an automobile. A few of them are picking up, on the side, some tricks of mischief. A few are toiling, but under the wage and hour laws, they no longer work for peanuts.

Today is a different time for youngsters, no matter how bright and willing they may be. There are laws stipulating how long they may work, how much he shall get, what type of work he may do. He is caught in the same web of laws that the rest of us have learned to live by. And somehow, much of the fun of being a teenager on his first job seems to have vanished in this modern day and time.

Treat Seed with HEPTACHLOR

...your best insurance for a healthy, profitable WHEAT CROP

Economical—Heptachlor costs only a few pennies per acre.

Effective—Residual effectiveness protects planted seeds from soil insects.

Easy to Apply—No special planting equipment needed.

Safe to Use—Does not reduce germinating and root growth when used as recommended.

WHERE WORKSHOPS ARE PRESENT, EXPERIMENT STATION TESTS HAVE SHOWN THAT HEPTACHLOR TREATED SEED DEVELOPS HEALTHIER PLANTS, STAND COUNT AND PRODUCES STRONGER, HEALTHIER PLANTS.

From the SIDELINE

with HAROLD HUDSON

Perryton football fans were disappointed Saturday morning to pick up their "Football Special" of the Amarillo Daily News and failed to see any story about the Rangers' victory over Panhandle. Stories of practically every other high school game in the Panhandle were carried, but not the Perryton-Panhandle game. This department has phoned in stories since the 1946 season and most certainly did call the sports department of the Daily News immediately after the game Friday night. Why they didn't use it we do not know, but we do know that they received the information.

Today, Thursday, is the date for the big announcement by the Texas Interscholastic League about the revamping of high school football districts. This study has been underway for several years and the rumor is that the districts will be shaken up like they were in 1948. The chances are considered certain that the districts will move out of this district to a higher classification and the chances are that Canadian and Wellington will come into the same district as Perryton. At any rate, this should be an interesting announcement to all football fans.

We will be relieved to get out of the district with Phillips, having long considered it quite a handicap to compete with a smaller school against the big-time, assembly line operation for transferring in players from a number of Phillips camps and communities.

Speaking of football, a number of people are worried about the pigskin game. Hereford high school, with an enrollment of 590 in high school, had a turnout of only 18 players for the football team. This situation was eased after school opened when enough freshmen turned up to allow coach L. B. Russell to hold a scrimmage. This is certainly peculiar. In Perryton high school, with an enrollment half the size of Hereford, there were more than 50 candidates for the team.

Shorty Dear, the all-around athlete who graduated from Perryton high school last spring after a career in football, basketball and track, may go to Kansas University on a baseball scholarship. Shorty made the all-star team in the National Rookie League tournament at Salina, Kansas as a catcher, and was interviewed by a scout from the Milwaukee Braves. This scout is working on a scholarship for the talented Perryton youngster. Shorty, who we think was the best passer PHS ever had, had several football scholarships but because of a shoulder injury suffered last season, has decided to stick to baseball.

Birthdays are piling up when people call you "young looking" instead of "young."

For a long time now, in fact way before the fair, we have been talking with Jim Lee of the Hotel Coffee Shop about taking a picture of some Cuban Beans

One-Point Landing

THE point?

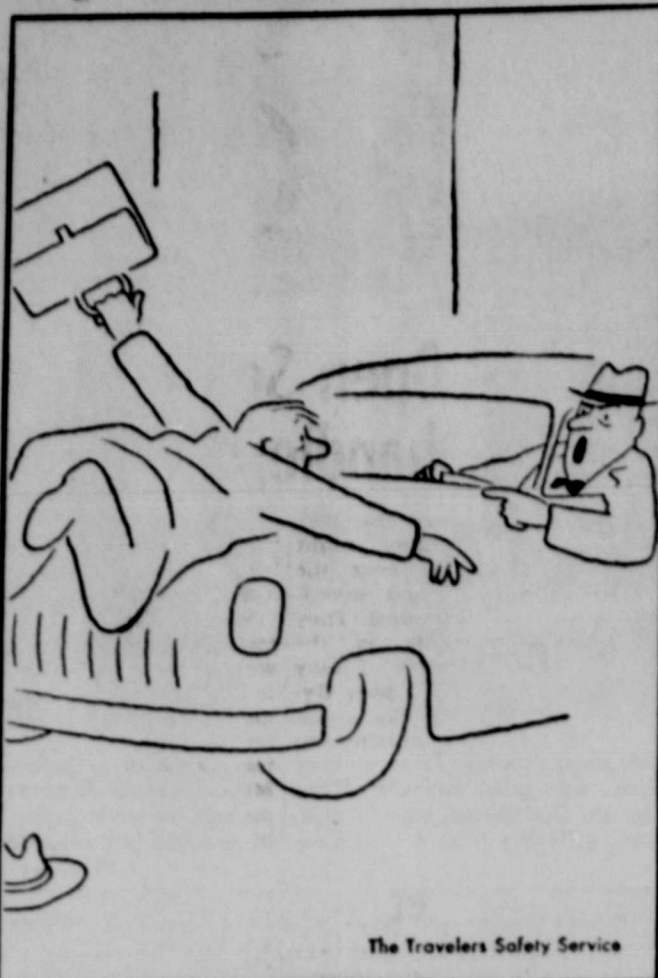

It may cost you hundreds of dollars, if someone is injured on your premises!

Before that someone lands on your wallet, let us provide you with Comprehensive Personal Liability Insurance. Approximately \$10,000 of protection for about \$15.

by Chon Day

The Travelers Safety Service

he brought back from California. Jim kept saying to wait until the beans got full size. These beans, growing on a vine, just about took his place, climbing trees and fences, and the bean pods were about 30 inches long and four inches or so thick. While this department and bean grower Lee were waiting for the beans to mature, someone swiped the entire lot. Last seen, the big beans were rapidly disappearing down the street on the back of a bicycle. And we didn't even get a picture.

We talked with a Balco subscriber of the Herald this week who was put out because his paper didn't reach him as early as it used to do. He formerly got his paper on Thursday, now gets it on Saturday. We explained that the Oklahoma Tax Commission is responsible—we would be perfectly willing to resume our carrying a bundle of Herald to Gray, Balco and Boyd each Thursday morning but we can't see our way clear to pay Oklahoma taxes and fill out a bale of reports for the privilege.

At last there's a car in every garage—and there's no room on the highway to drive it.

It is with sadness that we learn of the proposed move of the Shell seismograph party. This is the largest of several seismograph parties who have made their headquarters in Perryton and members have taken part in the community life from the first day they moved in. We know that members of a seismograph crew expect to move often, but we had just as soon they stayed a while longer.

It is better to get something in your eye and wink than to wink and get something in your eye.

It pays to use classified ads.

Wolf Creek Philosopher Farming Always Has Fatigue

(Ed. note: The Wolf Creek Philosopher is talking about fatigue this week, but we doubt if he has ever experienced any.)

Dear editor:
I read in a farm magazine the other night, one of these magazines edited mostly by city people whose aim is to convince a farmer he can ride a tractor all day and never lose the crease in his trousers, where equipment manufacturers are working on ideas to take the fatigue out of farming.

I think this is fine, and my only regret is that they haven't been able to hit on any yet.

Now I know that farming isn't as tiring as it was 50 years ago, or at least that's what they say, but just from observation I've noticed that a man doesn't fall asleep any faster at night after he's plowed four acres with a walking plow than he does after he's plowed 40 acres with a tractor.

When equipment makers say they're taking the fatigue out of farming, they mean actually they're increasing the amount of work a man can do in a day, with the amount of fatigue re-

maining constant. I ain't never seen a farm yet that couldn't take all the energy out of a man he has.

I'll admit it takes more energy to chop 40 acres by hand than it does to plow 40 acres with a tractor, but I'm not sure chopping 40 hours takes up any more energy than plowing that long, although I'm like most farmers and the very time any crop needs any hand labor is the same time it needs the more experienced care of a tractor, with me on the tractor, umbrella up.

As a matter of fact, I think there is a lot of misunderstanding over the place of the machine in life today. A machine enables a man to do a lot more work, but if machinery has cut down on the amount of fatigue, I haven't seen it. Leastwise, everybody seems about as tired as he ever was. The only way I know how to take the fatigue out of farming is to rent your

land out and move to
However you take
Machines have taken
of the work load in
white collar jobs, but
with an automatic
but nearly every man
in town almost invari-
home dog tired at the
day.

Machines may be smarting us getting out more work with amount of fatigue. It may be outsmarting not me. When I'm working harder for than it works for me, radiator and let it stall.

PERRYTON

SCORES—About mid-way in the third quarter, Dempsey Gyger handled a series of line smashes on the right side of the Ranger line and scored an insurance six-pointer against Panhandle Friday night. The action started on the Panhandle 45 immediately after Todd suffered an injured leg. Neal Flathers (79) opened the scoring hole in the Panhandle line for Dempsey Gyger (58) Ranger center.

WHAT HAPPENED—That's what Coach James H. Peterson wanted to know as he questioned officials after the Ranger opening football game Friday night against Panhandle. Officials ruled that forward Neal Flathers had already stopped and a pass play that produced a touchdown for the Rangers.

Herald SPORTS

Rangers Open Season With 38-13 Victory Over Panhandle; Show Strong Ground Game

The Rangers opened the 1955 football season Friday night with a 38-13 victory over the Panhandle Panthers and unveiled a strong running game. They rolled up 332 yards on the ground, with halfback Jimmy Todd and fullback Dempsey Gyger making most of the gains, although both were nursing leg injuries.

Local Golfer Wins at Booker

Although Perryton golfers made up a third of the tournament entry list, only one trophy was won Sunday at the annual Booker golf tournament.

Arch Talley won the consolation trophy in A flight, shooting an 18-hole score of 77.

There were 25 Perryton golfers competing in the tournament.

Don Riffe of Stratford won the championship flight, with Ike Nelson of Buffalo second and H. M. Bradford of Stratford third. F. W. Rowden of Beaver won A flight, while L. M. Womble of Morse won second.

In B flight, A. Spruells of Shattuck won first, Jimmy Smith of Booker won second and Lee Hendricks won the consolation bracket.

L. R. Siders of Shattuck won C flight and Earl Linder was second. Bernard Hurter of Booker won consolation.

Panhandle Aggies Open Football Season Saturday

GOODWELL, Sept. 14 (Special)—Oscar Williams' Panhandle Aggies move into their third week of football practice tomorrow and will begin tapering off in preparation for Saturday night's opener with the strong Colorado State Bears from the Rocky Mountain Conference.

Williams' fifty-man squad went into strenuous practice sessions on September 1 to prepare for one of the toughest schedules ever facing an Aggie eleven and what they hope will bring their fourth consecutive New Mexico Conference Championship.

The Aggies will be able to start experienced men in every position when kick-off time comes at 8:00 p. m. Saturday night. Their strength will be in their line, with lettermen making up the entire forward wall. Although the Aggies lost Carl Hamilton, eleven letter winner during his college career and perhaps one of the greatest of Aggie athletes, they will see "Big" Tom Schaefer, Canadian, Texas, junior back at fullback. Schaefer was listed as fourth in yards rushing last year for small colleges of the Nation. Also in the backfield will be Curt West, 200 pound senior from Stillwell. West is back from a two year army hitch, he was named all-conference in 1952. Two 155 pound speedsters, Billy Reed, Beaver senior, and B. R. Fletcher, Perryton, Texas, junior, will add materially to the scoring threat of the Aggie.

Colorado State will bring a team culled from a 60 man squad that includes junior college transfers and a number of men with service football records in addition to returning lettermen from last year's squad.

The Rangers held a 19-6 half-time bulge and increased the lead after the Panthers narrowed it to 19-13 shortly after the half.

While their ground game was top notch while Todd and Gyger were in there, the Rangers drew a blank in the passing department. Four passes were thrown, none completed, except for one toss from Kent Apple to end Mike Wright, which was completed after the whistle had blown.

The Rangers showed a lot of scrap on both offense and defense, while Coach Pete Peterson gave every man on the squad a chance to see some action.

Todd and Gyger displayed the best ball carrying ability, while Waymon Epp, Charles Bulls and Howard Mooneyham made some good gains. On defense, Benny Easter, Bill Jines, Hobart Buxton, Bob Williams and Neal Flathers stood out.

The first touchdown came suddenly, resulting from a fumbled ball on the opening kickoff. The ball was brought out to the five, and on the next play, Panther halfback Teddy James fumbled. Benny Easter, Ranger guard, fell on the ball behind the goal line and it was 6-0 for the Rangers. Todd's attempt to plunge for the extra point failed.

In the second quarter, the Rangers hit paydirt again when on the opening play of that quarter Jimmy Todd circled right end for 30 yards and a touchdown, getting nice blocking all the way. The plunge for extra point was halted and the score stood at 12-0.

Following that touchdown, the Panthers took to the air, with quarterback Monty Bell pitching to backs Larry Hiron and Teddy James. The Panthers worked the ball to the Ranger 14, where Bell hit James with a peg to the left flat, making the score 12-6. Hiron's attempt at the extra point was wide.

The Rangers came back strong scoring on a 78-yard drive, with a 48-yard scamper by Todd highlighting the march. Quarterback Tommy Johnson took the ball on the 10, went to his right, cut back to the left and scored standing up. Dempsey Gyger plunged for the extra point and it was 19-6 at the half.

Panhandle scored again early in the third quarter, when two passes from Bell to Hiron and Bell to Teddy James, put the ball on the Ranger one-yard line. From this point, Bell flipped another pass to James in the left flat for the touchdown. Hiron added another pass to James in the left flat for the touchdown. Hiron's added the extra point and it was 19-13.

This is as close as the Panthers ever came to the Rangers. On the next kickoff, Todd and Epp worked the ball to the Ranger 45, and from that point Todd circled left end for 55 yards and the touchdown which made it 25-13. The try for extra point was stopped.

In the fourth, the Rangers scored on an 80-yard drive, with Gyger and Epp carrying the ball. Gyger scored from the one to make it 31-13 and then added the extra point to make it 32-13.

Final touchdown came late in the game when Lanny Hargrove, reserve end, intercepted a Monty Bell pass on his own 25 and with the aid of some splendid downfield blocking, went the 75 yards to score. This made it 38-13 and this was the final score.

Game Statistics:

	Rangers	Panthers
First downs	15	14
Yds. rushing	332	73
Yds. passing	0	121
Total yds.	332	194
Passes comp.	0 of 14	9 of 14
Punts	1 for 30	2 for 24

Fumb. rec. by	2	0
Penalties	T for 10	7 for 55

JOHNSON SCORES—Ranger signal-caller Tommy Johnson scooted around the Panhandle Panther's right tackle Friday night, making the score 18-6 in the second quarter of the Ranger's opening football game. Working from the T, Johnson faked a hand-off to Todd, who had carried the 13-ounces of pigskin to the Panther 10-yard line, and proceeded to outrun Panhandle's J. Mahon and C. Miller for the TD. Bill Jines (66) made a timely block on the 6-yard line and was coming in for more action when Johnson stepped over the double marker.

Mr. and Mrs. Pete Williams of Tulsa, Okla., announce the birth of an 8 pound, 3 ounce son on September 1, and have named him Aldon Kent. Mrs. Kirt Williams is the maternal grandmother. Mr. and Mrs. Aldon Williams of Porum, Okla. are paternal grandparents.

Darrouzett Wins Grid Opener

DARROUZETT—The Darrouzett Longhorns won their season football opener Friday night by trimming the Lakeview Eagles by a score of 26-0.

The Longhorns scored in every quarter, with tailback Billy Schneider scoring three times. He went for 35 yards on the first touchdown, scampered 20 yards on the second and scored on a 15-yard thrust.

Loren Hill scored on a 20-yard reverse for the other Longhorn tally.

Tom McGee, 190-lb. fullback, was a standout on defense and added two extra points.

The Lakeview game was a non-conference game and the Longhorns will open their district schedule at Texline Friday night. Texline, with a veteran team, are tabbed as favorites, but the Longhorns are capable of bringing home a victory.

CARD OF THANKS

News From ANTHONY

By Mrs. Ralph Bobbitt

The Anthony 4-H Club placed third with their booth during the Beaver County Fair held this past week. The Club has eighteen members on roll and seventeen 4-H Club members participated in the Fair. All were not winners but each did a lot of work. Judy Morris, Myrtle Bobbitt, Joyce Bobbitt and Kaye and Ann Myers decorated the 4-H Booth.

Lynn Bobbitt, the president of the Anthony 4-H Club, was the biggest winner: first with a registered Hereford Heifer; 2nd with a Hereford Steer in the light weight group weighing under 600 lbs.; 2nd with a pen of New Hampshire chickens; 2nd on Peanut-butter cookies; 2nd on Crafts which included a leather tooled belt, copper picture and a lamp made from a bottle with a woven shade from reed; 2nd in Handicraft with a pair of bookends; 3rd in canning and 6th in Livestock judging.

Joyce Bobbitt was the second best winner: first with a pen of White Rock chickens; first in House Plants; 2nd in dress making; 2nd in canning; third with a Hereford steer in the light weight class (her steer weighed 530 lbs.); fifth in Home Demonstration judging. Joyce is a third year member in the 4-H Club work.

Ann Myers placed first with her peanut-butter cookies; 2nd in Home Demonstration judging; 2nd in photography and third in Yard Improvement. Ann is also a third year member of the 4-H club.

Judy Morris placed second in Home Demonstration Judging; 2nd in Home Improvement and 2nd in House Plants. She is a 3rd year girl.

Janell Pierce third with her dress and 2nd in Yard Improvement. She is also a 3rd year girl.

David Trimmell: first with third year Handicraft and 2nd in Open Class with a pen of chickens.

Kaye Myers: third in canning and fifth in Home Demonstration Judging. Faye is in the fifth year manual.

Myrtle Bobbitt placed first with canning and 2nd with a Holstein Heifer.

Jimmie Pierce: first in Handicraft for fourth year boys. Karen Davis: first in second year canning. Janet Bobbitt: first with a Holstein Heifer as well as a Grand Champion ribbon.

Jack Morris: first with his Hereford Steer in the light weight class of steers. Ronnie Pierce placed third in Handicraft for fourth year boys.

Duane Ratcliff and Freddie Whitte each had steers in the light weight class of Herefords and placed 6th and 7th respectively.

Neil Myers and Jerry Kirton participated in the exhibits.

Everyone in the Anthony Neighborhood has been quite busy during the week preparing material for the Home Demonstration Club booth at the Fair. The booth didn't show many blue ribbons but it did show a lot of work. Mrs. Lloyd Brown, Mrs. Johnny Davis, Mrs. Ralph Bobbitt, Mrs. Glen Myers, Mrs. Leon Morris, Mrs. Lester Janzen, Mrs. Carl Carter and Mrs. R. C. Pyle, furnished material for the booth with Mrs. Vernon Ratcliff, Mrs. Lois Kirton and Mrs. Carl Carter arranging the articles in their places at the Fair.

Mr. and Mrs. Lloyd Brown left Wednesday for a vacation in Colorado and New Mexico.

Glen Redimer from Beaver is working for Barr Brown cutting and bailing feed and hay.

Mrs. Ralph Bobbitt and children and Mr. and Mrs. Lewis Whitte attended the Turpin PTA Tuesday evening.

The Better Homes Club of which Mrs. Lem Van Deburgh is president, won first place with their club float in the parade in Beaver Friday morning.

Bang Gets the Bird

CASPER, Wyo. (AP)—Casper residents can't crow about getting rid of their crows. After receiving several complaints that cawing of crows was disturbing early morning sleep, Casper police promised to investigate. They did. They began shooting the birds with shotguns—at 5 a. m.

Mrs. Hattie Collins was a guest in the Leonard Pittman home last Friday.

CALVIN and STERYL COOK

Evangelists

Perryton, Texas

The following is the 26th in a series of messages by ministers of this trade area. This week's message was written by Rev. Calvin Cook, Evangelist of Perryton.

COME UNTO ME

The deepest hunger of the human race is NOT the hunger of the belly, that can be satisfied with bacon and beans, nor is it any of the thousand and one other appetites or desires that are consequences of our complex civilization. It is the empty place in the heart of every human being that only Christ can fill.

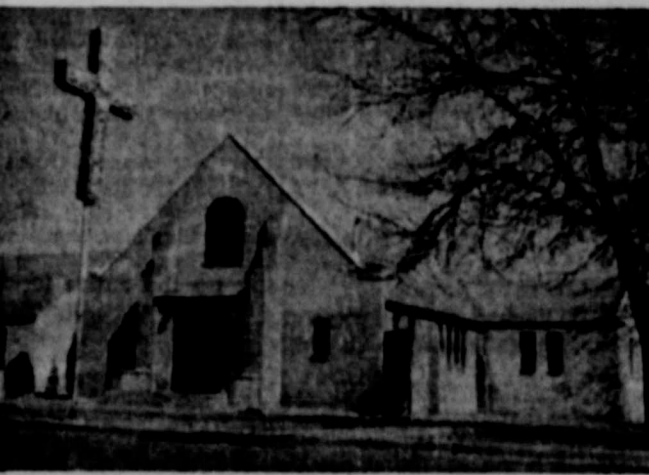

In response to this universal need, comes the grandest offer ever made. "COME UNTO ME, ALL YE THAT LABOUR AND ARE HEAVY LADEN, AND I WILL GIVE YOU REST, TAKE MY YOKE UPON YOU, AND LEARN OF ME, FOR I AM MEER AND LOWLY IN HEART, AND YE SHALL FIND REST UNTO YOUR SOULS."

Those are the divine words of Jesus, and only He could utter them. That is the most sublime promise that ever thrilled the thought waves of the eternities. The richest man on earth could not say, "COME, AND I'LL GIVE YOU REST" to the poor and the tired that groan on every continent. The greatest doctor alive could not say to even a millionth part of the paralytics, the arthritics, the cancerous, "COME TO ME, AND I WILL GIVE YOU REST."

But thank God, ONE can say it—THE UNCHANGING CHRIST. And out of the riches of God's glory, He can amply fulfill His promise to the neediest of Adam's children.

Yes, JESUS can say it. With His arms wider than the red current of the world's sins, He repeats today:

COME, COME, COME and I will give YOU rest for YOUR soul!

OWN MEMORY LANE

From Herald Files

FIVE YEARS AGO

September 11, 1930

Settlement in the City has shown a ten per cent increase over last year.

American Legion Auxiliary of Perryton was awarded a place in the State for annual report of unit activities at the State Convention held at the Hotel Elgin, Dallas, Texas, last week.

Perryton Rangers will meet at Pampa Harvesters in the game of the season.

Miss Mary Ellen Moss and Cpl. Joe B. Zimmerman were united in marriage July 5 at Pampa.

On Friday evening, August 31, Miss Wilma Leicht became the bride of Louis Gilmore.

FIVE YEARS AGO
September 7, 1950

J. B. Langwell and Mickey Huston both of whom lettered last year, have been appointed Ranger co-captains for the first game of the season Friday night at Wellington.

Accumulated gas from a broken gas line in the VFW building was blamed for the explosion which wrecked it Thursday. The building is owned by the Canadian Truck Line, which recently purchased it from the VFW. Damage was estimated at \$5,000.

Miss Miriam Swartzendruber and Marvin Sweigart were married August 20 at Wayland, Iowa.

Virginia Overton became the bride of Jack Mallory, Friday evening in an impressive home ceremony.

Miss Johnnie Helen Johnson and Jerry Key were married on Saturday, Sept. 2 at the First Baptist Church.

Miss Opal Ballinger and Ralph E. Harard were married August 26 at Bartlesville, Okla.

OBITUARY

Little Steve Ernie Smith, whose brief and beautiful life was like a flower, came to bless the home of Verbon and Clara Copeland Smith, being born on June 13, 1951, at Perryton, Texas.

He lived a happy and cheerful life of implicit obedience to his parents and genuine love and service to his fellowmen and his Lord.

The Lord that he loved so dearly with his little child heart, took him home to heaven Tuesday afternoon, at the age of 4 years, 2 months and 10 days.

Little Verline Jean Smith, the sister, was born June 8, 1951. They worked, and studied, and played and prayed together in this life, and the Master did not separate them at the end. As they stood side by side at church and sang the praises of God, so, hand in hand, we might say, the Lord called them home together, to be with Him who said—Suffer the little children, and forbid them not to come unto me, for of such are the kingdom of heaven. Together they answered his call on Tuesday afternoon, Aug. 23, 1955, to go to a land where sorrow, sickness and death can never touch them.

They are survived by the parents, Mr. and Mrs. Verbon Smith, A maternal grandmother, Mrs. Vertie Copeland, a great grandmother, Mrs. H. C. Barlow, Sr.; paternal grandparents, Mr. and Mrs. Hugh E. Smith, of Carter, Oklahoma and Verline is survived by her father, Mr. Bill Culvert. The children also leave behind many uncles, aunts, cousins and a host of friends.

Gain For Texas League

DALLAS (AP)—Things are looking up in the Texas League if the attendance figures are any indication. The league drew 297,299 for the first quarter. This is an increase of 23,883 over last season claims Dick Butler, league president. Dallas and Houston, the two largest cities in the above loop, showed the biggest gains.

CARD OF THANKS

Many, many thanks to all the wonderful friends and neighbors, doctors and nurses, for the flowers, gifts, cards and services given me while I was in the Perryton Hospital recently.

Rodney S. Williams
W-37-11-c

LITTLE BOY FOUND—A weary grandfather, C. M. Cepak, holds four year old Theron Donahoe, found in good condition after being lost 14 hours near West, Texas. The boy, who has a speech impediment and cannot talk, was found in a field about two miles from the place he was last seen. Officers and others who aided in the search look on at the reunion. (P) Wirephoto

News from PALESTINE

By Leota Kulbiski

Lenard Karber went to Oklahoma City Saturday to get a new school bus for the Bairo District.

Several parents attended the 4-H Club enrollment at Bairo Friday.

Mr. and Mrs. Robert Karber and Stevie of Pampa visited Mr. and Mrs. Lenard Karber Monday.

Bairo 4-H Club won first in their division with their float at the Beaver Fair last week.

Mrs. Bertha Janzen and Lulela spent Wednesday night in the Harlo Janzen home.

Dennie Janzen visited his grandparents, Mr. and Mrs. Milton Neufeld, last week.

Mr. and Mrs. Lenard Karber and children were guests in the Clarence Hudson home Sunday.

Mrs. Calvin Janzen and sons were dinner guests of Mr. and Mrs. Leon Neufeld Sunday.

The Palestine Rural Progress would like to thank everyone for their co-operation during the Beaver Fair. The booth got a blue ribbon and the float third place.

Following the parade the group enjoyed a picnic north of town. Guests of honor were Mrs. Freeman and Bill Henline.

Mr. and Mrs. Harvey Ratzlaff and children and Mr. and Mrs. Vernon Karber were dinner guests of Mr. and Mrs. Clifford Grunau Sunday.

Mr. and Mrs. Chal Gift and Mr. and Mrs. Lenard Karber and children visited Mr. and Mrs. Crum in Beaver Friday.

Mr. and Mrs. Harlo Janzen and Eddie were in Omaha, Nebraska over the week end to attend Mr. Janzen's brother's wedding.

Mrs. Bud Penner and Peggy visited in the Chal Gift home Tuesday.

Mrs. Everett Cowan and Jeanie visited in the Harvey Ratzlaff home Saturday afternoon.

Mr. and Mrs. Joe Karber, Joan and Dannie visited in the Jim Karber, Lenard Karber and Claud Trimmell homes Friday evening.

Mr. and Mrs. Ivan Gift and Dannie returned to Stillwater, Okla., Saturday.

Carolyn Sue Kauffman visited De Ann Kulbiski Saturday.

Guests of Mr. and Mrs. Rueben Penner Thursday evening were Dessie Bryan; Mr. and Mrs. Bud

JAMES STEWART in "The Man From Laramie" faces the sadistic brutality of co-star Alex Nicol, left, and his riders. In CinemaScope and color by Technicolor, the powerful drama opens at the Ellis Theatre Tuesday, September 20.

'Laramie' Stars James Stewart In CinemaScope, Technicolor

James Stewart, riding the crest of his popularity after such triumphs as "The Glenn Miller Story," and "Rear Window," comes to the Ellis Theatre on Tuesday-Thursday in "The Man From Laramie," based on one of the most powerful tales every published by the Saturday Evening Post.

Co-starred are Arthur Kennedy, Donald Crisp, Cathy O'Donnell, Alex Nicol and Aline MacMahon.

Stewart's portrayal of the title role of "The Man From Laramie" is said to be even more magnificent than his performances in the mighty trio cited above. He reportedly strides through the film in heroic stature, epitomizing all the mighty breed of Western hero as a man who came a thousand miles to find and kill someone he'd never seen, indomitable of will and deadly of purpose.

Arthur Kennedy, who will be remembered for his work in another Stewart picture, "Bend of the River," plays a power-greedy ranch foreman with whom Stewart's Laramie has a power struggle. Donald Crisp portrays an iron-willed land baron of the 70s; and the romantic feminine role in "The Man From Laramie" is carried by wistful Cathy O'Donnell who appeared in "The Best Years of Our Lives" and "Detective Story." Alex Nicol also co-stars as Crisp's sadistic, half-crazed son and Aline MacMahon as a determined woman rancher who befriends Stewart at a crucial moment. Ford also helps "The Man From Laramie."

Mr. and Mrs. Tommy Pletcher are parents of a daughter, born September 8 at Sanford hospital and have named her Marsha Diane. Marsha Diane weighed 7 pounds, 2 ounces at birth. Mr. and Mrs. Louis Bryan are maternal grandparents and Mr. and Mrs. Paul Pletcher of Pampa are paternal grandparents.

Betty and Sheree Go to College In New Film

Betty Grable and Sheree North, a pair of very luscious blondes, indeed, show up as a pair of burlesque queens on a college campus in "How to Succeed in Business Without Really Trying," the comedy which is as zany as its name.

This comes to the Ellis Theatre on Sunday and Monday.

The Misses Grable and North are two runaways from a burlesque troupe who invade staid Bristol College as an unlikely refuge from their would-be murder.

The tempest they stir at dear old Bristol is another kind of murder, making, advance reports tell us, for a fine brew of mirth, melody and merriment. Two shapelier blondes than Betty Grable, a Fox alumnus back after a whirl away from home base, and the silvery newcomer, Sheree North, can hardly be imagined. Their matching recalls the teaming of Miss Grable and Marilyn Monroe in last year's "How to Succeed in Business Without Really Trying."

Utilizing the musical comedy talents of the twin lovelies—Miss Grable's attributes in this field are long known. Miss North came to the fore in the Broadway musical of two seasons back, "Hazel Flagg"—"How to Succeed in Business Without Really Trying" features a title song by Jule Styne and Sammy Cahn, who did a compelling job of this sort for "Three Coins in the Fountain," and a rock 'n' roll item, "Shake, Rattle and Roll." Torrid is supposedly the word for that.

Virginia Mayo Is Thin Clad

Virginia Mayo, who has worn about every kind of a costume on the screen nearly wears none as the star of "Pearl of the South Pacific," a Technicolor vehicle staged primarily to give viewers a view of Miss Mayo in a sarong.

The picture comes to the Ellis Theatre on Friday and Saturday.

Virginia is seen as a shameless woman who is brought to a renunciation of her shady past. As her partners in pearl-seeking, Dennis Morgan and David Farrar offer interesting characterizations in co-starring assignments. Morgan gives a convincing portrayal of a rough, ready, love-'em-and-leave-'em guy with an eye for a quick dollar but a latent sense of justice and a conscience which finally asserts itself. Farrar, who is one of England's top stars, adds to the fine impression he had already made in such Hollywood films as "The Golden Horde," "Duel in the Jungle" and "Escape to Burma."

Mr. and Mrs. Bob Irby of Pampa attended the Ranger-Panhandle football game here last Friday evening and visited friends over the week end.

FIGHT RANGERS—Perryton high's cheering section is headed by these cheer leaders, back row, Charlotte Pyles, Ola Sue Johnson, Carla Blackmore; first row, Nelda Jean Leatherman, Harriet Hale and Ann Portwood. This summer these young ladies attended a cheerleaders school and many new stunts are on the agenda for next Friday's clash with Canadian.

A HORSE IN A BEAUTY PAGANT—Miss Texas, pretty June Prichard, of Seymour, Tex., waves to crowds in Atlantic City, N. J., which jammed the shore resort's ocean boardwalk as she rode a horse in the annual Miss America parade which signaled the opening of the pageant to select a new Miss America. The horse was shod with special rubber shoes to give it sure footing. Other Miss America hopefuls rode in cars or floats. (AP Wirephoto)

Mr. and Mrs. Jim Dunlavy announce the birth of a daughter September 9, at Perryton hospital and have named her Janet Kay. Janet Kay weighed 6 pounds, 13 ounces at birth. Mr. and Mrs. W. W. Goodwin, of Cushing, Okla., are maternal grandparents and Mr. and Mrs. W. H. Dunlavy of

Fayetteville, Ark., are paternal grandparents.

John Mooring of Pueblo, Colorado is making his home with Mr. and Mrs. Arthur Haines and attending Perryton grade school.

MORE TIME

for community and social activities

with an automatic electric washer

You're free! Free from time-consuming, back-breaking washdays. With an electric washer, you just put in clothes and soap, set the automatic dial, and leave while your clothes are gently and thoroughly washed, rinsed and damp dried... AUTOMATICALLY! You save money too... with low-cost electricity a whole load of clothes can be washed for about a penny!
