CADET BAND PRANCERS

HIGH STEPPERS—Shown here are the Cadet Band Twirlers. They are from left above, Cheryl Poteet, Drum Majorette Sylvia Nicholas, Tommie Witten, Diane Smith and Phyllis Hair. The girls are all in the seventh grade, except Diane, who is a sixth grader.

50-Piece Cadet Band Will March At Football Game Here Friday Night

Led by Majorette Sylvia Nicholas and four high-stepping twirlers, the Cadet Band will make their football debut at the Olton-Muleshoe half-time here Friday night.

The 50-piece band boasts instrumentation, which includes for the first time, the oboe, the bassoon, the French horn and the bass clarinet. Cheryl Long plays the oboe; Avonell Oliver, bassoon; and Carlene Langford, French horn. Try-outs are still being held for the bass clarinet.

This will be the second appearance of the Cadets this year. They "showed up well" in the Hale County Fair parade recently in Plainview. Twirlers Cheryl Poteet, Tommie Witten, Diane Smith and Phyllis Hair sported their brand new blue and white costumes in the parade.

The Cadets are all sixth and seventh-graders. Eighth-graders are in the Mustang Band this

year, but next year it will be composed only of freshmen through seniors.

"We feel we'll really have a big year with the Cadets next year," Fred Stockdale, director, comments, "since none of this year's members will be promoted out."

The junior band uniform is blue jeans and white shirts, but as soon as enough money is raised to provide the Mustang Band with new uniforms, their present suits will be "handed down" to the Cadets.

At an approximate cost of \$55 per suit, it will take \$3,850 to outfit the 70-piece Mustang Band. By last Thursday night, \$1,300 had been contributed through the pony-cart prize. The Shetland prize-winning pony, with cart, will be given to a lucky ticket holder at Friday night's game.

The Cadet Band, along with

Olton On Ropes With Influenza; Doctors Say Illness Is On Wane

The influenza outbreak which dealt Olton and the area a body blow for several days appeared to be on the wane at presstime.

This information came from Dr. B. J. Souders, city health officer. Doctors worked almost around the clock for several days. Hardly an Olton family was untouched by illness. No death have been reported.

Dr. Lynn Fite said Olton Memorial Hospital was full of patients for some time.

Only at Bohner School did the illness reach epidemic stage. There absenteeism skyrocketed as high as 70 percent. It started Friday and reached a peak about the middle of this week.

At other Olton schools absenteeism was not so high. School Supt. Noel Johnson said the peak was 13 percent Monday with 148 students absent that day. Absenteeism figured about 9 percent for the week, so far.

CARL HOOPER HEADS LOCAL FARMER UNION

Carl Hooper Tuesday night was named president of the Olton Farmers Union.

He succeeds Wilton Bodkin in that capacity. The group met at the Legion Hall. They also heard a talk by Bob Poteet who is with the Plains Cotton Council.

The membership has pledged a potential \$6,738.00 annual income for operation of the organization.

Election of permanent officers will be held Thursday night of next week in the high school auditorium. Don Williams has been serving as temporary chairman of a temporary board of directors.

A nominating committee has suggested 12 farmers and 12 businessmen for a permanent board of directors. Six will be elected from each group and then the board will name a president.

Farmers nominated include Winston Bley, Merrill Brigrance, Bill Bearden, Tom Carlisle, Glenn Exter, Emmett Harper, Tom Billy Hankins, A. S. Nafziger, Don Spain, D. Y. Ray, R. J. Thomas and Bill Yates.

Businessmen nominated include Bob Duncan, C. H. Bley, Herman Meyer, Russell Grimes, Lefty Hollingsworth, Tom Smith, Basil Sherman, J. H. Austin, Don Williams, Ralph Glover, A. D. Adams and Major James.

At a meeting scheduled for the auditorium Thursday night of this week the group was to hear talks by County Agent Bill Kimbrough and by a vegetable specialist from Lubbock.

Ralph Duncan of the West Texas Chamber of Commerce is to address the membership at the meeting Thursday night of next week.

Membership goal is 145 with a total annual income for the organization in the neighborhood of \$8,400.

THEFT SPREE LANDS TWO IN TROUBLE

Two teen-age girls were placed on probation this week as an aftermath of a car-stealing spree that started in Olton the latter part of last week.

Deputy Sheriff V. L. Smith said the first victim was Wilbur Gallaway. His car was driven to Plainview Friday and then abandoned near the cemetery. The girls then took a car at Plainview and later abandoned it in a maize patch near Lone Star. Officers say they took a pickup there.

The two reportedly drove the pickup to Turkey and took another car for the return trip to Plainview, where they were apprehended.

A pickup truck belonging to Gene Ball was stolen in Olton Sunday. It was recovered Monday in Joplin, Mo.

Hart Longhorns Lose Thriller 6-0 To Kress Kangaroos Friday Night

The Kress Kangaroos pushed over a TD late in the third quarter last Friday night at Longhorn Stadium to bear a stubborn, fighting Hart Longhorn eleven by a score of 6-0 in a District 3-B contest.

Halfback Kenneth Jones scored the game's only TD on a five-yard scamper. The extra point failed.

The 30-point underdog Hart Longhorns put up a terrific defense that held the favored Kangaroos at bay all night. However, the Longhorns were never able to get their offense in high gear as they tried to move against the big defensive Kangaroo line.

Coach Shelby's comment was "The boys played outstanding defensive ball; our offense just never did get started."

The Longhorns travel to Happy tomorrow night to meet the leader of District 3-B, the Happy Cowboys.

Boys seeing action against Kress were Johnny Hindman, Lonnie Bradley, Gene Varner, Conrad Riddles, Jerry Varner, Edgar Boyd, Jerry Kittrell, Ronald Clark, Durrell Dunham, Panchito Rubalcaba, Joe Webb, Bob Bowden, John Lacy and Armando Gonzales.

QB Club To Give Gun, Golf Sets

The Olton Quarterback Club is accepting \$1.00 contributions this week, according to Bob Duncan, secretary. A shotgun, case of shells, set of golf clubs and a golf cart, will be given away by the club.

The gun is on display at White Auto and the golf outfit is at Boulter's.

They will be given away during half-time of the homecoming game with the Dimmitt Bobcats.

Olton Men Win Banner Again

For the second successive time, the Olton Baptist Brotherhood won the attendance banner at an associational meeting recently.

Happy Union was the host church for the supper and meeting on Tuesday night. W. E. "Doc" Miller presided for the first time since his election as associational president.

Winner of the attendance banner at the functions is determined on the basis of the number of men present from one church and the number of miles driven to attend.

Rev. Carlos McLeod, pastor of the Baptist Church at Halfway, delivered the main address. Music was by the Parkview Baptist Church quartet of Plainview. Reports on the convention-wide brotherhood meeting in Oklahoma City were given.

Attending the meeting from Olton were William DeBerry, local Brotherhood president; T. W. Hackler, associational program

Mexicans Are 25% of Pupils In Grade School

One of every four students in the first seven grades of Olton classes is Latin-American. The number of Mexican students in the higher grades is negligible, however, averaging less than 10 per cent. Supt. Noel Johnson disclosed these facts as he announced a complete enrollment report for the first month of school, as of September 27. Of the 733 students enrolled at that time in the first seven grades, 194 were Latin-American. One-third of these, or 66, are in the first grade. Mrs. Eunice Hardy has 31 Spanish-speaking students and Mrs. James E. Mann teaches 35.

This percentage, the superintendent pointed out, is relatively static, as most of these students are permanent residents. By comparison, the number of white students, against the number of Latin-American youngsters in each grade is listed below:

Grade	White	Mex.	Total
First	88	66	154
Second	90	28	118
Third	74	32	106
Fourth	94	24	118
Fifth	95	21	116
Sixth	55	16	71

"MUSTANG TALE"

BY GAYLE McANALLY

Several Oltonites journeyed to Plainview Friday night to see the Plainview-Herford grid game. A few of these people were Sue Witten and Harlan Carson; Joe Miller and Pat LaFrance; Ronnie Dennis and Judy Ogletree; Jerry Meyer and Syd Hair; Judy Moore and Kent Wozencraft; Billy King and Sandra Damron; Larry Grant and Jean Webb (these girls are from Plainview); and Nubbin Moore, James Ray Hyatt, Jack Hysinger and Rande Buchenau. (By the way—Plainview won!)

John Adams and Lennon Young were squiring some girls from Earth Sunday night. What's the matter with the home-grown girls, boys?

Coach Turner's Dream Boy:

... leaves the girls alone
... goes to bed early
... leaves the girls alone
... eats the right foods
... leaves the girls alone

(Copied from the Hale Center Owl Hoos)

Some of the people caught by the "flu bug" were Sonny Bryant, Joyce Gray, Arno Hall, Billy Bryant, Harvie Jordan, Janice Campbell, Sharon Dennis, Fred Riney, and about a dozen gillion others. Several even took their "bug" to the hospital. Rande Buchenau even came down with pneumonia!

Work, work, work . . . I don't know about you all but I'm up to my ears. Sure glad that six weeks tests are over!

Sue Witten, Harlan Carson, Houston Hamby and Charla Granbery double-dated Friday

night.
Barbara Gray, Nell Smith, Janice Campbell and Sharon Dennis saw the home town "flicks" Friday night.

**YEA MUSTANGS . . .

Here and there Friday night were Ronnie Kidd and Lana Hair; Winfred Hair and Lenora Woods; Elza Miller and Judith Chester; Jimmy Mann and Jane Thurman; and Gayle Machen and Doug Smith.

Doug Smith was one of several boys home from college last week-end. Others included Jerry Fancher, Bobby Johnson and Marion Green.

Joyce Curtis was with Harvie Garrison of Hart several times this past week-end.

Sure hope that the football team will be back together by Friday night. So many of the boys have been out of school this week with the flu.

The seniors are collecting old papers and magazines; and the sophomores are selling papers. What a crazy mixed-up world!

Sharon Moses is a new freshman student. She is attracting many looks from the OHS student body.

Together Sunday afternoon and night were Judy Moore and Kent Wozencraft; Ronnie Dennis and Judy Ogletree; Winfred Hair and Lenora Woods; and Joyce Gray, Janice Campbell, Judith Chester, Gayland Graham, Deeda Kemp, Koenia Schenck and Pat LaFrance.

Saturday night daters were

The FFA boys who are in Dallas are sorely missed by so many of the girls. I heard one girl jubilantly say that the boys would be home by Friday or Saturday—and hoping that they will make it sooner than that.

"Busy as a bee" is one of the best descriptions of Shirley Nichols, the first senior to be recognized in the Senior Spotlight.

This five-foot-four-inch blonde was born in Truscott, Tex., some seventeen years ago. She moved to Olton when she was three and has received her entire schooling in the Olton schools.

"Posie" as she is known to her classmates because of her role in the junior play, considers oysters her favorite food, when she can get them. If oysters are unavailable, she prefers chicken.

When asked her favorite kind of date, Shirley replied, "With a boy! But, just 'going' period, is all right with me!"

Shirley thinks that typing is her favorite subject, proving this by taking Typing II this year. Her favorite teacher is Mrs. Anne Williams, who teaches English.

When Shirley isn't supporting the Mustangs, she may be found at the Tasty Creme or just running around.

Shirley has won many honors since becoming a freshman in OHS. Some of these are: president of the pep squad; "Wittiest Girl"; class favorite; class secretary; class reporter; and basketball manager. She was a member of the junior play cast and is a member of the FHA and pep squad.

In Halfway**

Research in the experimental recharge well will not be delayed by lack of water in the east lake at the High Plains Stations of the Texas Research Foundation at Halfway.

Water from another well 1,400 feet away was supposed to be used to start the recharge program Tuesday. The water will be pumped through an underground line connecting the two wells—thence underground at the recharge well.

"The recharge well is of experimental as well as practical value," said James G. Cronin, hydraulic engineer with the US Geological Survey, supervisor of the recharge program.

"A series of three four-inch wells in connection with the recharge well will enable us to study the permeability of underground formation, the way the water moves in the formations, the pressure being built up, and a number of other factors," Mr. Cronin explained. These four-inch wells are 200 feet deep—located 8, 50 and 100 feet from the recharge well. The 16-inch recharge well is 320 feet deep.

A 12 foot deep concrete drop inlet in the intake line to the recharge well will be used to study sedimentation and infiltration. Two gravity intake lines will carry surplus lake water to a pit, thence through the intake pipe to the concrete inlet.

Dr. T. C. Longnecker, head of the station, said, "This recharge of surplus surface water into the underground formations constitute the practical value of the well." By putting the water back into the ground where it can be conserved for future use, we will save many acre-feet from evaporation," Dr. Longnecker explained. "This conservation well will

HELEN LEWIS, small daughter of Mr. and Mrs. Charles Lewis, enjoys herself immensely at the Hart Camp Co-Op Gin barbecue. Helen is shown here with a plate of barbecue almost as big as she is. In the panel to the right, Joe Gibson, gin employee, is shown at one of the shining new Hardwicke-Etter stands. In the lower panel, the host, S. O. Owens who is manager of the gin, helps himself to the barbecue. Everyone else had already eaten. More than 200 persons braved torrential rain to turn out for the feast. It had been planned as an open-air affair but wet weather forced it inside the gin proper.

Pues si, hemos visto el plan, eta, el sol, algunas veces pero mas veces hemos visto las nubes amenazantes en los cielos, y quedamos algo triste. Ten fe amigos, porque alguien ha dicho, "Despues de cada nube, brilla el sol mejor." Si sucede asi, todos entraran los trabajos muy pronto y veremos muchas filas de trocas cargadas de algodón llegando a las despepitadoras (gins) aqui en Olton. Por cierto, las fajas estan mas aprietadas, que en antes, pero Dios mediante, habra abundancia de pan para todos.

Quedamos agradecidos a Dios, porque no hemos pasado tan mal tiempo como los que viven en Ballinger y otras partes donde han tenido unas inundaciones y cienes tuvieron que salir de sus hogares temporaneamente. La

Cruz Roja de Ballinger arreglo alojamiento para como 150 personas y les esta alimentando tambien. Catres y comida fueron traído de San Angelo y Abilene para aliviar los sufrimientos de los damnificados. En el pueblo de Cisco, llovio 11 pulgadas el domingo. Todos los rancheros de borregas y ganaderos estan muy contentos con la lluvia, porque sus pastos tendran suficiente hierba para su ganado durante el invierno.

Felicitamos mucho al Sr. De La Rosa por haber recibido su tarjeta de Residencia Permanente despues de los 39 anos de estar aqui.

EL JOVEN JOE H. ALCORTA fue elegido como favorito de la clase de seniors en la escuela secundaria aqui de Olton, el dia 14 del presente. Este es un puesto de grande honor y solamente nombran la persona que en verdad merece esta distincion y creemos que Joe lo merece. Felicitamos a este joven ejemplar y esperamos todo buen exito en toda que haga.

EL SR. FRANCISCO GONZALEZ, su esposa la Sra. Rosa y ninios Frank Jr., Rebecca y Rosa Linda recientemente visitaron en el hogar del Sr. Ricardo Alcorta y familia aqui de Olton. La familia Gonzales es residente de San Angelo, Tex., pero en antes vivia en esta vecindad.

NOS GUSTO MUCHO el juego de futbol que vimos el martes dia 15 de este en la noche en el estadio aqui de Olton, entre los muchachos de Olton y los de Tullia. Nos sentimos orgullosos al ver los siguientes jovenes en accion en el campo de deporte: Roberto Garcia, Ramon Hernandez y Primo Gutierrez. Aunque el equipo de Olton perdio, fue una buena contienda desde el principio hasta el fin. Quisieramos ver mas del pueblo Latino-Americano en la escuela y en el equipo de futbol.

UN PENSAMIENTO MORAL. Alguien ha dicho, "El hombre y la mujer que han logrado a ser prosperos en esta vida, nos dicen," Que es de suma importancia que el joven o la senorita desarolla una voz bondadosa y atractiva. Nos informan de que la manera que usamos para expresarnos es tan importante a lo que decimos. Nos llaman la atencion al facto de que la gente se acuerda de nosotros en terminos de nuestras cualidades bondadosas en vez de los factores academicos." Por eso, debemos procurar hablar en una voz agradable en todo tiempo."

PARA REIR UN POCO. Un pequeno granuja ante la puerta de un circo, un senor se encuentra al hijo de un amigo que se dispone a entrar. "Tiene la suerte de ir al circo, le dice. "Mi suerte consiste en tener el boleto de mi hermano." Y el? Es que esta enfermo? "No. Esta en casa buscando su boleto."

La Venganza. Ingresa un nuevo enfermo en el asilo psiquiatrico. Tiene ideas fijas, pero no es peligroso. "Tiene familia?" le pregunta el doctor. "Mi hermano. Somos gemelos. Nadie logra distinguimos. Un tribunal lo condeno a tres anos de prision y purgue yo la pena. Tuve una novia hermosissima y se caso con ella. Pero me he vengado." "Expliqueme en que forma." "No se lo diga a nadie, doctor."

La semana pasada me mori, pero le enterraron a el!"

En Efecto

Una dama muy estirada y puritana ve entrar a su compadre en un bar. Al dia siguiente le reclama: "Compadre! Ayer quede sorprendida al verle entrar en un bar."

"Pues su sorpresa hubiese sido mayor si me hubiera visto salir."

About that boulder
In your eye

"Got something in my eye," the customer said. "Feels like a boulder. How about taking it out?" He was hurting and wanted help then and there.

The pharmacist remembered

hearing about another man whose "something" turned out to be a steel splinter embedded in his eyeball. He advised him to see his physician. Prompt surgery saved his sight. So, we're careful. And if we seem overly cautious sometimes, remember—we're pharmacists, not physicians. We work with doctors, dispensing the drugs and medications they prescribe. But we don't practice medicine.

the fact that the Littlefield club is MUCH larger than our Olton one.)

We might not beat Littlefield in football but there's other ways of doing it, eh?

And speaking of the flower show, Mrs. George Bohner did things up good, too!

Her spider chrysanthemum took the Tri-Color ribbon of the whole show for being the most unusual and the best plant in the horticulture division.

When Mrs. Bohner went to cut the prize-winning flower—it was hard for her to choose one—they were all so lovely and large!

Edna and Duward Price have contributed a lot to this community—and surrounding communities. We couldn't be happier that they plan to make their permanent home here.

But we were rather sad to hear Duward resign as music and educational director of the First Baptist Church Sunday.

We appreciate you—Duward and Edna, and family Judy and Joe (and David who is at West Point)!

This is too good to keep:

The other day Gwen Phillips, who is training to be an airline hostess in Kansas City, Mo., called home to say she would be in Amarillo for 25 minutes on a training flight.

Well, the Clury Phillips family were all at the airport at the appointed time.

The plane circled the field, two or three times, then turned and went back to Kansas City!

How Korkye has been getting any writing done with her two children down here at The Enterprise is a mystery.

With Korkye down with the flu, I had to come down this week.

Put Scott in the office—converted-into-a-nursery thinking if Korkye could manage with two, surely I could with one.

But, oh, brother—I was in for a surprise! On Monday morning, had to change diapers several times; feed bottle; feed fruit juice; put back on pallet about trillion times; feed crackers; and pat to sleep.

I'm finding out more and more just what a "wonder woman" Korkye is! Haven't seen a thing she can't do yet!

Francine (Mrs. W. E.) Andrew is an artist. She can draw and paint anything. That's one hobby that demands talent.

Lindsey Dennis has a knife collection that I hear is worth seeing. His wife, Occo, does china painting as a hobby.

Jo-Jo (Mrs. Joe) Chester can decorate cakes like a professional!

Putt Powell of Amarillo tells this one:

Years ago Putt got lost on the South Plains one night after covering a high school football game. He drove into a little town and asked a filling station attendant where he was:

"This is Earth", he was told.

"I know," replied Putt. "I'm not that lost."

It's a pity but T.V. has taken the place of circuses, road shows, singings, plays, family recreation, and meals. And it's almost moved out football games, movies, husband and wife quarrels, and visiting.

I enjoy T.V. on those nights when we want to just sit and relax—no talking allowed. But I still hate to see those community get-togethers and live plays go to "pot".

Been thinking seriously of a "little theatre" for Olton. Kind of a curtain club where those who like to act and enjoy plays could do those things, plus build sets and background scenery.

The club could present about 4 plays a year—and give the proceeds to some worthy cause.

But is anyone else interested and would folks come to a performance? I'd like to hear some ideas on the subject.

Last week, I wrote about so many little boy babies being born and asked if little girls were not being born anymore. It was brought to my attention by some very peeved parents that they are!

Mr. and Mrs. Roger Bartling have a girl born September 27—Rebecca Ann. The Thomas Live-lys have a daughter, Teresa Diane, and Mr. and Mrs. J. A. Ellis had a girl, October 10—Tommy Jane Ellis.

How 'bout that?
