

Tom Rees Is Appointed Campaign Coordinator

Gubernatorial candidate Attorney General Mark White has announced that Tom Rees of Colorado City will be the campaign coordinator for the Mark White for governor campaign in Mitchell County.

"I am pleased and grateful to have Tom on board with us," said White. "It's going to be a long race and we are going to win it, because we have people with the experience and dedication of Tom Rees on our team. We want to make sure the voters of Mitchell County know what we have to say and that they are organized for this campaign. Tom and my other supporters in Mitchell County are going to see that this organization works and works well."

"We have excellent statewide campaign organization and that organization will be responsible for getting our message across to every Texan in all 254 counties," White added.

Our latest poll, released February 19, shows that I am the front runner in this race. This is a clear signal to our campaign that if we work with resolve and determination it will ensure the primary victory in May.

THE ANNUAL PEST MANAGEMENT INFORMATION DAY was a huge success Monday with many farmers attending to hear the presentations on weed control, planting date, fertilizer usage and cotton economics.

Break Nearing

It was announced that all the schools in Mitchell County (Loraine Schools, Westbrook Schools and Colorado City Schools) will be closed Monday through Friday of next week for Spring Break.

All schools in Mitchell County will resume Monday, March 15.

Local Election Looking Good

Filing deadlines came to an end with a good turnout for the City Council slots and School Board seats.

Three seats on the Colorado City Council will be open when Nina Crout, Gene Rowe and Jesse Munoz finish their expiring terms. They all intend to seek

re-election. Others tossing their hats in the running are Robert Hoback, Gerald Anderson, Julian Mendoza, Walt Staats and J. O. Dockrey, Jr.

In the Colorado Independent School Board race, incumbents Dickie White and Dr. Billy Bridgford, along with Joe Kirschbaum are all vying for the two available seats.

Loraine City Council candidates are Raymond Hackfeld and Allen Mosher. Hackfeld is running for the seat he has held for the past month, after the resignation of Claude Woods and the other seat open is from the expiring term of Eddie Galvan.

The Loraine School Board candidates are incumbents Danny Butler and Eugene Smith, along with David Alvarez.

Absentee voting is set for March 15-through March

30 and the election day is set for April 3.

Incumbents Jerry Webb and Donnie Hale are running for their expiring seats on the Westbrook School Board.

Perry Ruddick, Bimbo Stewart and Wendell Bryant are running for the position of Mitchell County Sheriff.

Persons running for Mitchell County positions are Bill Carter, county judge; Bill Erwin, district clerk; Mildred Mann Boyd, county treasurer and Joan Beach, county clerk.

Billy Preston, Royce Mahon, Edgar Haltom and Lonnie Herschell Williams are all running for the Precinct 4 Commissioner slot.

Johnny Shackelford and Louis "Choppy" Rees are seeking the Precinct 2 Commissioner position.

Persons running for the Justice of the Peace positions are Mary Lee Moore, Precinct 3; Henry Doss and James Sprott, Precinct 1 and Ruby Claxton, Precinct 2.

Absentee voting will be held from April 12 through April 28 and the election day is slated for May 1.

THE COLORADO CITY JAYCEES have recently elected their new officers for the coming year and they are pictured (left to right) Tony Turner, president; Blake Hammond, vice-president and Pat Barber, secretary-treasurer. The Jaycees are planning a Spring Fest Saturday at 2 p.m., for men from 18 to 37. The location of the party will be northeast of Cattleman's Restaurant (Take FM 1229 off Interstate 20 for one mile north, then east one mile and then follow the flags).

Jaycees Set Spring Fest This Saturday

The Colorado City Jaycees met Sunday night in the Boys' Club Building to reorganize the local chapter and elect new officers.

Tony Turner was elected president of the group and elected to serve with Turner was Blake Hammond as vice-president and Pat Barber as secretary-treasurer.

Turner said that there was a limited number of things to do in Colorado City and that the Jaycees are a good way to meet new people, have some fun and at the same time be of service to the community.

The Colorado City Jaycees plan a Spring Fest this Saturday, March 6 and any young man interested in meeting should phone 728-2729 or Blake Hammond at 728-8489 or phone 728-2592 by Friday, March 5.

Joe Kirschbaum

Joe Kirschbaum Is Seeking Board Seat

Joe L. Kirschbaum, owner of Kirschbaum Clothiers of Colorado City, has announced his intentions to seek a seat on the Colorado Independent School Board in the upcoming election.

He and his wife, Brenda, have three children and are members of the First Baptist Church of Colorado City. He has served as assistant director of the Adult II department and also served on the Building and Grounds Committee at church.

Permit Approved

The Colorado City Council met Monday at 7 p.m., in City Hall to hear a request from Dane Powell for a temporary mobile home permit.

It is a requirement of the city, that if a mobile home is moved or destroyed, the person requesting to replace the mobile home, must appear before the Council and request another permit. Powell requested a six month permit which was approved by the Council.

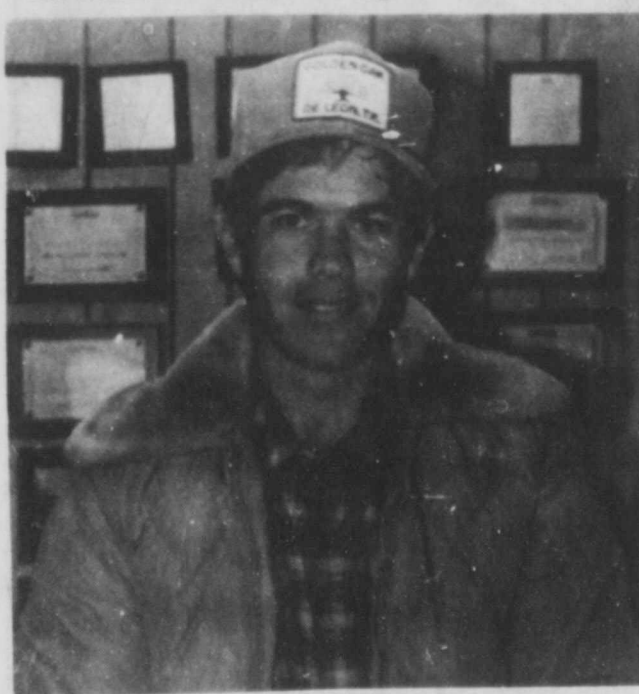

Buzz Rich requested that the Council approve the use of the Amphitheatre in Ruddick Park on March 28 for the use by Jay Boy Adams to have a free concert. The Council approved the request.

Joe Weaver made a proposal to the Council to try and form a clean-up crew for the city and it would be all voluntarily. He was referred by the Council to the City Council meeting that was held Tuesday night.

An ordinance for the City Council to have executive (closed) sessions was approved to be placed on a ballot in the coming election on April 3. Sue McGuire was approved by the Council as election judge for both elections.

The Council will meet today (Thursday) for the public to decide low Revenue Sharing funds should be used.

Mayor Elmer Martin commended City Manager Rick Crowley on the progress being made at the land fill site.

Robert Hoback

Robert Hoback Is Council Contender

Robert Hoback announced recently that he intends to run for City Council in the upcoming election on April 3.

A resident of Mitchell County all of his life, the 29-year-old candidate stated, "I believe I know most of the citizens of Colorado City and if given the opportunity to serve as a Council member, I would work for all the citizens and for the betterment of our community."

"There are some big decisions to be made in the near future, such as the Sewage Disposal Plant problem. The funds are short for such a project, but I feel that if the Council will work together and with the help of the citizens of the community, the problem can and will be solved, both economically and logically, I would appreciate your support in the upcoming election."

He and his wife, Cherrie, who is the secretary of the First United Methodist Church, are members of the church. He is employed with Colorado Feed and Seed where he has worked since 1970.

He is an active member of the Colorado City Kiwanis Club and states he is interested in the well being of the community and the people in it.

Open House Is Set At CISD Schools

Parents and friends are urged to attend Open House at Kelly Elementary and Hutchinson Elementary today (Thursday), announced Bobby Lemons, Kelly principal.

Kelly's Open House will be from 6:30 p.m., until 8 p.m., and Hutchinson's Open House is scheduled from 7 p.m., until 8:30 p.m.

There will be work of the students' displayed for the parents and the teachers will be on hand to visit with the parents, to discuss the students progress and teaching methods being used.

Westbrook School's Open House, according to L. M. Dawson, superintendent, was a big success and they were very pleased with the turnout Tuesday night.

Incumbent White Seeks Re-Election

Incumbent Dickie White announced he was running for a three year term on the Colorado School Board and made the following statement; "I was appointed to the Board in July of 1980 and in March of the following year, I ran for the remaining year of that term, that of which I am now serving. I would like to thank the people who supported me in the previous election."

"I feel that the time I have served will make me more useful as a Board member and will benefit me if I am elected to another term. I would like to see the system continue the best education possible for the students in the community at the least cost to the taxpayer."

White graduated from Colorado High School in 1958 and attended Howard County College and Sul Ross College.

1982 Judicial Poll To Be Conducted *****

As part of its public education program, the State Bar of Texas and the Committee for the Selection, Compensation and Tenure of State Judges will conduct the 1982 Judicial Poll. Attorneys throughout the state will be asked to decide which candidates they consider best qualified for the Supreme Court of Texas, the Court of Criminal Appeals and the Court of Appeals.

The poll will be mailed on March 15 to the 35,000 attorneys licensed in Texas. Ballots must be returned postmarked no later than March 29, for tabulation.

Purpose of the 1982 Judicial Poll is to give

citizens a chance to see how attorneys evaluate the candidates. Since it is an impartial poll, the

results are not intended to endorse any candidate or candidates by either the State Bar of

Texas, the Committee or any affiliated organi-

zation. The poll results will be announced after

the tabulation is completed on April 2.

Roscoe Nursing Home

Leslie Lane - Administrator

The ROSCOE NURSING HOME is located at 201 Cypress in Roscoe, phone 766-3374. Here they offer complete care of the aged, sick, and convalescent.

This nursing home is well located, has plenty of sunshine, never enough noise to bother the sick, yet near enough to town so friends and relatives of guests can call without inconvenience.

Heating, ventilation and sanitary arrangements are most completely planned for the comfort of each guest and all methods are approved by the supervising medical authorities.

All rooms are light and cheerfully decorated, and have that home atmosphere which has a good psychological effect.

Their food is prepared by a specialist under the most sanitary conditions, giving the guest well balanced meals, nourishing and appetizing, for rebuilding the health and strength so necessary for the inactive person.

This and the surrounding territory is very fortunate in having a Medicare Approved nursing home, "So like a home." We are proud to make particular mention of this well run nursing home who open their doors to all.

I R S Says, 'Do It Yourself'

Most taxpayers who use the 1040A form when filing their 1981 Federal income tax returns should be able to prepare it themselves, the Internal Revenue Service said.

Last year 41 percent of U.S. taxpayers used the short Form 1040A when filing their returns.

In urging 1040A filers to try to do the 1040A themselves, the IRS points out that the form contains only 18 lines, and comes with easy-to-understand, step-by-step instructions explaining how to fill it in.

Form 1040A can be used by taxpayers whose income consists only of wages, salaries, tips, interest, dividends and unemployment compen-

sation for the taxable year. Form 1040A filers also must have a total income of \$50,000 or less.

To assist taxpayers, the IRS offers over 90 free publications on various tax topics. These publications can be ordered by using the handy order form found in the tax package. For help on a particular item, taxpayers can also phone the IRS Forms-Tax Information number listed in the telephone directory for assistance.

The IRS stressed that under certain conditions—for example, when itemizing deductions, claiming adjustments to income or a tax credit—taxpayers cannot file Form 1040A.

The TEXAS PACKING COMPANY also features super buys on custom cuts of pork, lamb, and veal. Local homemakers who demand the finest for their families insist on quality bacon, hams and other fine products from this reliable meat packer. They also carry old fashioned boneless peppered hams.

In compiling this review of leading businesses and food outlets in this area, we would like to make special mention of this outstanding meat packer.

WHITE, From Page 1

White has served on the board of directors at the China Grove Co-Op Gin for three years.

He and his wife, Frances, who is employed at the City National Bank, have three sons and White commented, "having students who attend the school system, I am very interested in their well-being and education, as I am for all the other students who attend in the CISD."

"It has been a very honorable and enjoyable experience to have had the opportunity of serving on the School Board, as I have enjoyed working with the Board members and all the other persons associated and involved in the school system."

"Personally, I feel that one of the most outstanding things we have during our Board meetings is the teachers' presentations, where they present an evaluation of what they are teaching and the methods they use. As a Board member, this helps me to see what is really going on in the system toward the teaching and education of the students and that is what it is really all about."

"While serving on the Board, we have tried to improve both the standard and facilities at a minimum cost to the taxpayer and I feel we have done a good job and at the same time maintained a sound financial structure."

"If elected, I will try to continue in these efforts to serve the people of the community to the best of my ability."

KIRSCHBAUM, From Page 1

He is a member of the Lions' Club, having served on the Board of Directors and also as secretary and treasurer. A member of the Colorado City Area Chamber of Commerce, he is presently on the Board of Directors and is the immediate past president.

He is a 1971 graduate of CHS and a 1975 graduate of Texas Tech University where he majored in management.

He gave the following statement: "I have a very keen interest in the educational process. It would be a privilege for me to be able to serve our community in this capacity."

"We have tremendous facilities for our students and many fine programs available. If elected, I will certainly work to keep the current programs going, as well as trying to continue up-grading our curriculum."

"As a parent, I realize the necessity of a sound education. I also understand that the burden of providing that education rests with qualified instructors. It will be one of my main objectives to see that CISD is able to keep and attract good educators."

"I also realize that the taxpayers want their money spent wisely, I pledge to keep the wish of the majority above my own. I will be able to do this by making myself accessible to the public."

"I look forward to the opportunity of service."

*****Springtime Brings Poisonous Hazards*****

Children are loving active creatures, unfortunately they can also eat and drink peculiar things. "We see children eating plants, medicines, cleaning agents, soap, bugs and all sorts of other things," said Michael Ellis, Director of the Texas State Poison Center. In 1981 the Poison Center received some 21,000 poisoning calls. "About 75 percent of these inquiries are about children under five years old," Ellis noted. "Many of the accidental ingestions by children are of little consequence, but some can be life-threatening. Liquid furniture polishes, lamp oil, gasoline and other oil-based products can kill with as little as one sip."

Springtime can be a particularly bad time of the year. "Blooming plants, fertilizers, plant foods, insecticides, and gasoline ingestions become almost epidemic this time of the year," said Ellis, "along with the numerous household cleaning products out

for spring cleaning." The fact that the product might be foul-tasting doesn't really apply on a one swallow basis when you are a two year old. Our rule of thumb at the Poison Center is "if it is small enough to get in the mouth and doesn't bite first, it will be eaten," Ellis said.

As the weather warms

up and children are in and out of the house more, they seem to be able to find more. In the event of a poisoning emergency, the first thing to do is to call the Texas State Poison Center at 1-713-765-1420. The Poison Center staff will help you determine if medical attention is required, or if the pro-

blem can be handled at home. "About 85 percent of our inquiries can be handled at home," Ellis noted, "thus rushing the person to the hospital, is usually unnecessary. If the poisoning is serious enough to need medical attention, the Poison Center will direct you to the emergency room and

then call ahead so that the child will be treated quickly." March 21-27 is National Poison Prevention Week - and a perfect time to inspect your home for poison hazards. The fact that no small children live in the home, does not mean that a poisoning cannot occur. "Nearly

everyone has a small niece or nephew, grandchild, or a friend with small children - all of whom may visit occasionally," Ellis said, "and that makes them prime candidates for a poisoning accident." Every home should have a bottle of syrup of Ipecac, particularly if small children live

there. This nauseating liquid is used to cause vomiting in the poisoned child, if vomiting is indicated. "Sometimes, we don't want the child to vomit," Ellis said, "so the parent needs to talk with the Poison Center first, before using the Ipecac. But it is the only safe way to induce vomiting. Other

household remedies like mustard and water, salt water, etc. - are both ineffective, and can be quite hazardous themselves."

matted or framed. While reasonable care will be taken, all entries are displayed at the artists risk. Fashion, Art and Beauty and its all about cotton. Come join us April 7, 8 and 9th at the Civic Center in Lubbock and get involved. Enter the Cotton Art show, containing oils, photos, metal sculpture and

more. Artists will be working and teaching during the three day show. Some of the best known artists in this area will be there. Enter your daughter or granddaughter in one of the four age categories in the Miss Cotton contest. Enter yourself or a member of your family in the Cotton style show. This has ele-

ven different categories. Enter something you have made, or something you have had made from material at least 65 percent cotton in the Sew it with Cotton contest and style show.

Prize money will be given in the Fashion, Art and Miss Cotton contests, \$150 for first place.

This is one special way of getting involved with the promoting of cotton. The cotton industry needs our help, to get involved and stay involved.

Soil Conservation Services Three New Plant Selections

Three new plant selections have been released by the USDA Soil Conservation Service and cooperating agencies.

Van Mills, district conservationist for SCS, said the releases are 'T-587' old world bluestem, 'Rainbow' wild plum and 'Yellow Puff' little-leaf leadtree.

"The old world bluestem release is actually a mixture of 80 similar grasses collected several years ago in the Near East," Mills said. "After 140 field evaluations in more than 100 counties, the mixture has been released to seed growers by SCS in cooperation with the Texas Agricultural Experiment Station."

Mills said the old world bluestem release appears to be adapted south of a line from Cochran County to Bowie County where rainfall averages 14 inches to 40 inches annually.

Old world bluestem is palatable, a high forage producer and very persistent under heavy grazing pressure.

Herman Hundsnurher has small acreage of this grass on his stock farm south of Loraine and he is sold on the grass.

"Rainbow" wild plum is a composite of four collections that were selected and composited at the SCS plant materials center at Knox City.

"The Rainbow release is a perennial fruit-bearing shrub, or small tree, selected for use in wildlife or ornamental plantings," Mills said. "The composite of four collections was made because each produces excellent fruit crops at different months—from June through October."

Mills said the long maturing dates allow fruit to be available for wildlife for about five months. Propagation is attained by seed or root sprouts. In addition to its value in wildlife and beautification plantings, the selection ap-

pears to be useful in erosion control work on mine spoil while adding plant diversity on reclaimed areas. It is adapted throughout Texas and southern Oklahoma on well-drained clay to sandy loam soils.

Rainbow was released by SCS in cooperation with TAES and the Texas Forest Service. TFS will provide a limited number of seedlings to

interested persons. Nurserymen interested in establishing seed production blocks should request seed from the SCS plant materials center at Knox City after 1983.

'Yellow Puff' littleleaf leadtree was selected and released for use in range, wildlife, and ornamental plantings. It is a composite of five native collections from

Junction, Sonora and Leakey. The leguminous shrub, or small tree, has beautiful golden flowers and is readily browsed by wildlife and livestock.

Mills said Yellow Puff is adapted to well-drained soils in the Trans-Pecos and Edwards Plateau Major Land Resource Areas. It was released by SCS in cooperation with TAES and the

Abilene State School of the Texas Department of Mental Health and Mental Retardation.

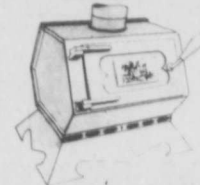

"Students at the Abilene State School have helped SCS grow, evaluate, and collect seed from littleleaf leadtree and several other hard-to-harvest plants for several years," Mills said. "Seed from littleleaf leadtree are usually hand-harvested. Officials of

the state school let students grow and harvest the seed as a worthwhile project."

A limited amount of seed will be distributed by the Abilene State School as well as the SCS plant materials center at Knox City to commercial nurserymen and other federal agencies for seed production purposes.

Tax Tip

Taxpayers can help speed up the processing of tax returns by using the pre-addressed, peel-off labels and by double checking their arithmetic before mailing the returns. As simple as the items appear, they are the cause for thousands of errors every year, the IRS says.

The label comes with the tax package in the mail and lists the taxpayer's name, address, social security number and other bits of information which help the IRS in processing the return quickly.

If any of the information on the label is incorrect, the correction can be made directly on the label. Taxpayers should also use the coded envelope included in the tax package. It's pre-addressed and helps the IRS sort returns.

Errors such as checking the wrong filing status, failing to sign the return, math mistakes, and the omission of necessary documents are common mistakes which can delay taxpayers' refunds. The IRS must correct the errors or obtain the documents before processing the return.

Most errors can be avoided if the return is double checked for accuracy and the label is used.

Tips To Help Avoid A Late Return

To avoid federal tax refund delays persons who changed their names last year, such as newlyweds, should report the new name to

their local Social Security Administration (SSA) office. The name and number on tax returns must match those of the SSA, the Internal Revenue Service said.

Incorrect Social Security numbers and addresses slow up processing of tax returns and can delay federal tax refunds.

Another good way to guard against unnecessary refund delays is to use the peel-off identification label provided with the tax package. If the name, address or Social Security number is incorrect, changes can be made directly on the label.

Local Comments Observed By Conservation Program

Some 5,221 people mailed comments on a proposed national soil and water conservation program before the deadline, according to a preliminary count by the U.S. Soil Conservation Service (SCS).

Looney Club Meets

The Looney Extension Homemakers Club met in the Lone Wolf Medallion Room recently. President Mrs. J. D. Gibson presided. Prayer was said in unison and roll call was answered with, "My Best Grooming Tip."

The program was given by Jo Ann Merket on using coupons.

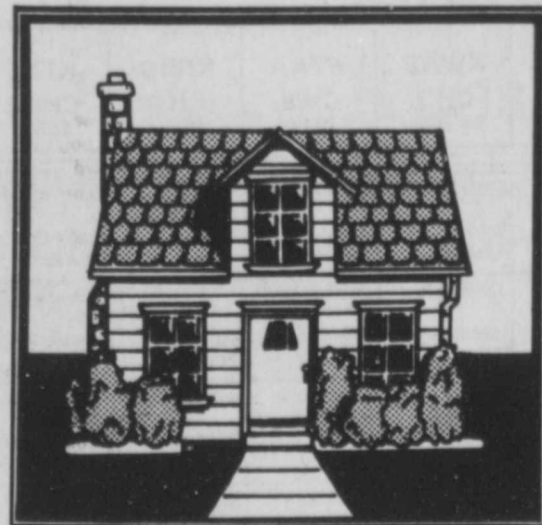

Refreshments of chocolate cake, Chee-tos, coffee and soft drinks were served to Bell Compton, Bea McGuire, Catherine Shurtleff, Dottie Jarman, Eddie Barclay, Maggie Hamrick, Madge Shepherd, Mrs. Gibson, Angie Harris, Iva Prescott, Linnie Williams, Almarine Compton and visitors, Mrs. Jo Ann Merket, Mrs. Thelma Howell and Brody Harris.

SCS was designated by the Secretary of Agriculture to collect comments in Texas, summarize them, and forward them to Washington.

"We have just started summarizing the comments," George C. Marks, state conservationist, said. "Results of the state summary should be available by early April and county-by-county summaries by early May."

The comments were in response to the Secretary of Agriculture's preferred national program for conservation requested by Congress in the Soil and Water Resources Conservation Act of 1977 (RCA). The final program will be written after comments from all across the United States have been considered by the Secretary of Agriculture.
