## Interscholastic League Executive Committee Hold Business Session

The Executive Committee of the Dawson County Unit of the University Interscholastic League had a business session Saturday afternoon. The committee set April 1 and 2 as the dates for the annual meeting of the League for Dawson County member schools.

The place of the meeting was also selected and the School Building of Lamesa will be the place of the meet.

School elimination contests will be held in the respective member schools about 10 days prior to the county meet thus giving the pupils a longer time for preparation for the contests.

Among the schools with the exception of Lamesa Senior Boys and Senior Girls will be held as soon as practicable and the playground ball competition for Junior will soon be underway.

The awards for the year were discussed. The plan to award a certificate to each pupil who wins points for his school was approved by the county teachers at the County Institute and this plan will be carried out.

The finances of the county organization are in better shape than usual at this time of the year. A small balance was left from last year and to that was added the net proceeds of the recent basketball tournaments which leaves a balance of \$30.00.

All member schools are asked to begin preparations for the meet by beginning their training now.

## Lamesa Basket Ball Boys To Lubbock

## C. of C. To Cooperate With Dawson Farmers

In order to cooperate with the farmers in the absence of a County Agent the local Chamber of Commerce will pool orders of all who desire turkey eggs to be placed with the Brady Co-operative Poultry Producers Association which guarantees 85 percent fertility eggs coming from good bronze hens and the prices are as follows:

February 15 to March 18—22c per egg.  
April 1 to April 15—17c per egg.  
March 15 to March 31—20c per egg.

Farmers interested in eggs at these low prices may get in touch with the Chamber of Commerce and place their orders through them.

## SCHOOL CENSUS TO BE TAKEN IN MARCH

The school census of each district in the county will be taken in March. The census of last year totaled 1172 for the county.

## TREES

By Wm. A. Wilson

Behold a tree! How sturdy, how stately and how beautiful.

Joyce Kilmer said of a tree:

"I think that I shall never see  
A poem as lovely as a tree;

A tree whose hungry mouth is prest  
Against the earth's sweet flowering breast;

A tree that looks at God all day,  
And lifts her leafy arms to pray;

A tree that may in summer wear  
A nest of robins in her hair;

Upon whose bosom snow has lain,  
Which intimately lives with rain!

Poems are made by fools like me,  
But only God can make a tree."

Yes, and God has said to men  
That he should do the best he can  
With the things He has given him.  
He would have man improve his conditions,  
and He would have him do so with his own hands.  
Man cannot sit idly by and expect his surroundings to improve.  
God will not plant a tree for him  
but He will approve man's act in planting and cultivating one.  
He will bless man for his every act of kindness, and who knows how much help is the planting of a tree?

Like the old man who built the bridge,  
It was not for him for he was soon to cross the Great Divide.  
It was for the youth that was to follow and pass his way.  
It was to keep safe the foot steps of those who were to come after him  
for indeed he could not very long enjoy his handiwork. So, it is with the planting of a tree. It may not be that who plant them will enjoy them but our sons and daughters and the sons and daughters of others will bless our names for such foresightedness.

Then too, what is more lovely and what is more stimulating than to watch the growth of the tree we plant? It is great to watch life burst forth in the tree bud and to think we had a part in it. It is great to know with each bit of cultivation we are adding to nature's plan to help make a tree. Thus while we yet live and while the tree is making a tiny shade we can get joy out of the fact that we are seeing it grow and can predict its value in the future.

In trees nature holds communion with mankind, such as cannot be held among men. There is a feeling of quietude, restfulness, contentment, and peace that is had only beneath the shade of a tree.

## A Farmers Prayer

E. T. Grimes, Rt. 2, Tatum, Tex.  
I was riding past a lonely looking old house one night last week. My horse pricked up his ears, and near by I saw a man secreting himself in a lonely place; so I stopped to see what was going on. He fell on his knees and, with uplifted hands, cried out in a loud voice, "Lord, I am only a Panola County farmer. Thou knowest, when cotton was 21c a pound, I had flour and plenty of everything to eat in my house and was well clad. But I was not satisfied. I wanted a change. I wore a Hoover badge and was faithful to the G. O. P. I believed I would get 35 cents a pound for my cotton and \$48 a ton for seed. O Lord, two years have passed never to return. Father, I am now too poor to buy the necessary rockefellers for my Henry; it won't run without oil. I am still wearing a Hoover badge but it is on the seat of my overalls.  
"Lord I am thankful for one thing; that is Hoover made common rabbit taste good in the summer time. I pray that Thou will keep them replenished so I shall not want. I am sorry, O Lord, that my tomatoes and cucumbers would not pay the gathering of them. I pray that thou will continue to uphold Mellon, so he may continue to collect 4 years interest from his own banks for a righteous cause. Teach to pray. Our father (Hoover) in Washington, his kingdom come his will be done, even to vetoing the bond bill. Give us this day our daily (corn) bread (which Coolidge tried to make us eat for four years, and Hoover had us eating in three months.) And lead us not into temptation to vote for another Republican President. Hoover has all the power. Mellon all the money. Rockefeller all the oil, and the farmer the patched pants. Forever and ever. Amen!"

## MR. AND MRS. G. W. HANEY BACK HOME

During the early days of Dawson county development, Mr. and Mrs. G. W. Haney and family were numbered among the leaders. Later they moved away, the children taking up life in different localities.  
Mr. and Mrs. Haney went to O'Donnell and have been in business there for several years. They have recently returned to Lamesa and will greet their many friends at the Williams Hotel where they expect to reside indefinitely.

## CARD OF THANKS

We wish to express our most grateful appreciation for the many tender and loving kindnesses shown us during our bereavement in the loss of our darling baby girl, Bettye Jean. Words cannot express our thanks to our kind friends that came to us with many deeds of kindness and words of comfort during our great hour of sorrow. But most of all we wish to thank those who helped to lighten her suffering.  
We want all to know that the time will never come when your goodness on this sad occasion will be forgotten by any of us.  
Mr. and Mrs. L. B. Vaughn, Jack and Billie Joe.  
Mr. and Mrs. C. B. Vaughn and Family.

## CHAMBER OF COMMERCE TO OBTAIN PROPER COMMITTEE FOR GOVT. LOANS

The Lamesa Chamber of Commerce in the absence of a County Agent, is making an effort to bring about the proper setting up of a Committee that the Government loans may be made in Dawson County this spring. According to the correspondent of A. & M. College, through which the Government is to handle its loans it is necessary that a committee be approved through A. & M. by the proper Government loan agency.  
The local Chamber of Commerce advises that it will keep the public informed as to the progress made on the matter.

Miss Dorothy Boyd of Teah has been ill with influenza the past week and Mrs. Wright Boyd has been in Lubbock caring for her. Mrs. Boyd returned home Sunday.

Mr. and Mrs. A. C. Woodward spent a few days of last week in Amarillo on business.

## Derden-Davis Nuptials

Miss Willie Davis and Wilmer Derden were quietly married at the home of the bride in Sparenberg Thursday of last week. Mr. Derden is the brother of Mrs. Mattie Herndon and made many friends while he worked here last fall. The couple will make their home in Anson where they will farm. After the ceremony they left immediately for Anson where the grooms parents live.

## SPARENBERG TO PLANT TREES

W. C. Cunningham, Superintendent of the Sparenberg Schools, states that 60 or more trees will be planted on the school grounds on the 22nd of this month, observing an Arbor Day and George Washington birthday program.  
Mr. Cunningham is sold to tree planting and believes that trees set on the school ground not only add to the appearance of the building and grounds but give the pupils a better atmosphere and furnishes a better example to the patrons of the school.

## LOO RANDALS PLANTS TREES

Mrs. Loo Randals is Captain of the tree planting campaign on South Second Street and she and Mr. Randals have set a good precedent for the entire citizenship to follow. They planted twenty six trees on their home lots Tuesday.

Mr. Randals says on making close examination, they found that borers and worms were eating into the locust and other trees which had been planted several years.  
They have planted Chinese Elms

## R. D. (DECK) DAVIS OUT FOR COTTON WEIGHER

R. D. (Deck) Davis is this week announcing for the office of public weigher, subject to the action of the Democratic Primary.  
Deck, as he is known to all his countless friends is an old-timer of Lamesa and Dawson County. He was for years connected with the grocery business here and well and favorably known to nearly everyone in this entire section.  
Mr. Davis is seeking the office purley on his merits for the job. He was a candidate last year and was one of the two high men in the primary. Following an old custom here a group of fun lovers always ducked the high men in a tank of ice water on the court house lawn. Mr. Davis, a sufferer from lung trouble at that time, was ducked. The cold water sent him into a serious illness so that he was not able to prosecute his campaign and was defeated. The fight back to health is coming slowly but he is now mending more rapidly and knows he can give the office his careful thought and best efforts and attention.  
On the basis of his fitness, qualifications and ability to efficiently handle the job he is asking for it at the hands of his friends and those who will support him. He is earnestly asking their aid and is thanking them deeply and sincerely in advance for it.

Mr. and Mrs. Sam Young are the proud parents of a baby girl born February 13th. This young lady weighed 8 pounds and was named Medley Marie.

Sufficiently close that should the old trees have to be removed immediately, they will soon have sufficient shade and beauty for their grounds.

## HOME OWNERSHIP

By Pearl P. Gibson

The history of Dawson County is a history of steady and rugged growth. When we realize how short the time has been since the plains was looked upon as a desert waste, we know that many of the adancet guard of empire builders of West Texas are still among us. Sturdy plainmen who establish values and give confidence when chaos sweeps away the inexperienced.  
Can a country with such a leadership go very backward? Answer that yourself. In such a country it's pretty safe to build your home and make your investment, where development is steady and does not depend upon booms, with their attendant deflations.

Lamesa is filled largely with home owners. Generous and talented people who are willing to work and sacrifice, and to contribute time and means to civic welfare and beauty, culling every source to bring new benefits and ideas to their town and county. A watchful chamber of commerce "standing by" in unity of strength to foster enterprise and develop industry. Cultural clubs banding together for civic and educational advancement.

It's a good county in which to buy your spot of ground to hang onto and build upon, to love and know it for your home. Ground upon which to plant and watch crops grow; ground to experiment with and develop ground of your own where you can plant a pocket handkerchief garden or a row of pink hollyhocks. Ground upon which to grow that miraculous crop that helps to feed and clothe the world, and which optimists think will make you rich, and pessimists think will break you, and legislatures spend your

money trying to control, but never quite make it. The crop that is at once the hope and the despair of the south. Is it necessary to name it?—Cotton.

And while you are buying and building and growing your home, you are developing responsibility pride and interest and an innermost feeling of satisfaction. You know no more that icy grip of fear of depression and money panics; and you have a renewed interest in life, and more in common with your neighbor.

## Facts Regarding Radio Lottery Advert.

Since a number of local people have been led to respond to radio announcements from certain stations in Mexico of lottery schemes being promoted in that country, and since the announcers are said to assure their hearers that it is not a violation of the laws of the United States to transmit money thru the mails for the purchase and return of such tickets, Postmaster J. D. Dyer asks that a warning be issued advising that fraud orders have been issued against a great many of these persons promoting the lottery schemes and that they are not allowed after the issue of such orders to either transport or receive mail whatsoever thru the U. S. Mails. Also that it is strictly a violation of the Postal Laws and regulations of the United States to knowingly send thru the mails any matter pertaining to lottery schemes, either by way of purchasing tickets or chances, or in receiving money, checks, or other matter in settlement for any winning number. Since Federal Court action is sure to be taken which will involve those concerns it is suggested that local people might avoid considerable inconvenience by refraining from having anything to do with such schemes.

### Lesson for February 21

#### JESUS THE GOOD SHEPHERD

LESSON TEXT—John 10:1-18  
GOLDEN TEXT—The Lord is my shepherd; I shall not want.  
PRIMARY TOPIC—Jesus Our Good Shepherd.  
JUNIOR TOPIC—Jesus Our Good Shepherd.  
INTERMEDIATE AND SENIOR TOPIC—Following the Good Shepherd.  
YOUNG PEOPLE AND ADULT TOPIC—Jesus the Good Shepherd.

The occasion for the parable of the Good Shepherd was the excommunication by the Pharisees of the blind man who had been healed by Christ.

1. The Good Shepherd (vv. 1-18).  
1. Jesus is the true shepherd (vv. 1-6). He came by the divinely appointed way. John the Baptist and others of the prophets had performed the function of the porter and opened the door to the sheepfold (vv. 2, 3). The power exercised by the Pharisees in casting out this man was not obtained by lawful means. It was stolen by them and exercised in the bold spirit of robbers. The reason the man suffered excommunication was that he recognized Jesus as the true shepherd and turned from the Pharisees, not only as strangers, but as thieves and robbers. Despite the deceit, audacity, theft, and robbery of these Pharisees, those who were Christ's sheep were declared to be forming a new flock and following him as the true shepherd (v. 4).

2. Jesus is the door of the sheep (vv. 7-10). The way to fellowship with God is through Christ. He is not only a door, but the only door (Acts 4:12). There is absolutely no way into the fold of the redeemed but by and through him. All who attempt to gain access to God except through Jesus Christ are thieves and robbers (v. 8). Those who become members of the flock of God through Jesus Christ enjoy marvelous privileges and gifts (vv. 9, 10).

a. Salvation—"shall be saved" (v. 9). They not only enjoyed present salvation, but are eternally saved (vv. 27, 28).

b. Liberty—"shall go in and out" (v. 9). Only those who accept salvation in Christ know what freedom is.

c. Contentment—"shall go in and out and find pasture" (v. 9). The one who really enters the fold by Christ, the door, receives that which is all-satisfying to the soul.

3. Jesus is the good shepherd (vv. 11-18).

a. He giveth his life for the sheep (vv. 11-13). The hireling abandons his sheep in time of danger. The hireling, represented by the Pharisee, takes up his work and continues it for his own sake, for the profit that is in it. Jesus was so devoted to his sheep that he willingly laid down his life for them.

b. He has perfect knowledge of his sheep and they know him (vv. 14, 15). Knowing his sheep so well, he looks after their welfare. He enjoys such personal intimacy with his sheep that he knows them by name, goes before them to lead the way and defend them from every danger.

c. His sympathy is world-wide (v. 16). He declared, "Other sheep have I which are not of this fold." This suggests that the Gentiles have a place in his fold.

d. He enjoys the love of the heavenly Father (vv. 17, 18).

II. The Sheep (vv. 19-20).

1. Unbelievers are not Christ's sheep (vv. 19-20). Christ's assertion that he was the good shepherd caused a division among the people. Some accused him of being mad, others that he had a devil. To their request that he would tell them plainly if he were the Christ, he responded by referring them to the testimony of his works, declaring that the secret of their inability to recognize him was their unbelief.

2. His sheep recognize his voice (v. 27). There are many voices in the world: the voice of the hireling, the voice of the thief, and the voice of the stranger; but none of these will the sheep hear. The voice of the true shepherd is recognized by his sheep even amidst the babble of voices in the world today.

3. He knows his sheep (v. 27). Regardless of how helpless and ignorant the sheep may be, he knows every one and he looks after them.

4. His sheep follow him (v. 27). This is the proof that they are his. The true sheep will flee from strangers (v. 5). This should be a solemn warning to all such as are following strangers.

5. His sheep are eternally secure (vv. 28, 29). The sheep are entirely dependent upon the shepherd. It is the shepherd's business to look after and care for the sheep.

### WORDS OF WISDOM

The short way to spell holiness, is to-v-e.

The glory of labor is a commensurable harvest.

A companion of fools shall be destroyed (Prov. 13:20).

### J. R. Lowrie Makes Announcement

To the voters of the City of Lamesa:

In asking that I be returned to the position I now hold, I am fully appreciative of the confidence reposed in me two years ago and I assure you that I have exerted my best efforts to prove that such confidence was not misplaced.

Having been inducted into office under such conditions as have prevailed during the last two years, naturally it has been no small task to properly take care of obligations previously incurred thru the issuance of bonds and warrants, the proceeds of which were expended for permanent improvements.

If my administration has been a success, I acknowledge indebtedness to the City Commission for efficiency, the entire force of employees for faithfulness and to the entire citizenship for hearty cooperation.

I shall make no personal campaign in interest of my candidacy, preferring that each voter be privileged to make their own selection irrespective of persuasion.

I have been identified with the people and the interests of Lamesa for the last twenty years and if allowed to serve you again as Mayor, I promise the same conscientious service as has been rendered in the past.

Assuring the entire citizenship of my appreciation of their vote and influence, I am,

Very respectfully,  
J. R. LOWRIE, Mayor,  
Candidate for re-election

### Dawson Recreation Leaders in Meeting

On last Thursday evening at 7:30 o'clock at the American Legion Hut the community recreation leaders held their second meeting.

Those attending played games which they intend to direct at socials in their communities. Every one joined in the fun making. They marched to find a partner then a big circle was made. First there were games to get acquainted. Then toss the handkerchief was played and those unfortunate enough to be caught three times holding their handkerchiefs were compelled to stand on one foot with both arms raised while those about them who were lucky or more agile continued to pass the handkerchief.

An orchestra was quickly made a leader appointed, then each pretended to play his chosen instrument as the leader directed. Those not alert enough to follow the director were obliged to take his place. Then two teams were chosen and contest games were played. There was a chariot relay, slap back relay, electrical shocks and a living alphabet spelling match and charades.

The games were directed by Mrs. Claude Jones, Miss Mabel Jones of Hancock, Miss Arminda Timmons played the piano for the marches and drills, that were played.

Each group attending the meeting is planning a community party for their neighbors at which the games will be played.

### Child Welfare Board For Dawson County

At a special meeting of the Commissioner's Court Monday, February 16th, the court appointed a Child Welfare Board for Dawson county. The following persons were appointed: Louis B. Reed, Temporary Chairman; J. D. Dyer, V. Z. Rogers, Carl Rountree, Edd Phillips, Joe Spikes and F. T. McCollum. Acts of the last legislature provided that the Commissioner's Court of the several Counties may appoint a Board to work in conjunction with the State Board of Control to work with the Juvenile Court in dealing with delinquent children. The numerous crimes committed in this county by children under the age of seventeen years made this Board necessary. Said act also provides that said Board shall act without compensation, and Judge Phillip Yonge said that by the appointment of this Board he hopes that these children may be handled that they can be reformed without the expense of sending them to the Reformatory, where in many cases the child is not reformed, and also make a useful citizen of the child.

Mr. and Mrs. Pride Wilson of Loraine are visiting in Lamesa this week.

### Edward Garland Contemplates Establishing Commission House

Edward B. Garland contemplates establishing a commission business in the Garland Building on the North side of the public square, for the purpose of handling Dawson county products exclusively. It is proposed to build up a business so that any of our people who produce a commodity that is not needed at home may find a ready sale.

Nothing but Dawson county products will be handled and he will endeavour to give service to all kind of producers.

The business will not be confined alone to foods and feeds but would include every kind of home manufactured product, such as needle, work of the ladies or any useful utensil or appliance that might be manufactured here. As is established will depend on the to whether or not this business encouragement he receives by the first of February.

His plan is to receive only on commission with the owners right to make his own price and to withdraw his product at any time before it is sold. The commission rate has not been determined, but will be based on costs of opera-

tion, and what is generally termed overhead expenses.

Jimmie Little spent last week in Lomax with Mr. and Mrs. Gilbert Watson.

### A Restatement Of My Platform As Mayor

1. We go forth to fight under the Shibboleth of "Economy."
2. We frown upon every sort of new-fangled Taxes.
3. Lets religiously practice trading with home people and this is to be the City's custom and when things desired may not be had in stock then place our orders thru local dealers, thus giving him or her the profits.
4. Persons on City's pay-roll shall be men and women who have stuck it out thru thick and thin, who pay tax money into the City funds.
5. Select City officers and employees on basis of ability and not because he belongs to some clan or clique.
6. Government cost is too high for the times, it must be lowered this means but one thing—taxes must be substantially lowered.
7. Abolish the "sewer" charge, there are men in Lamesa who have conducted a business and maintain a home too for the past 9 years who have paid receipts for "sewer" charge near the \$400 mark, these people have been "gypped" and big business has been laughing up its sleeve. It's wrong.
8. Lay off any and every unnecessary city employe and cut salaries down to where the broke public can get hold of sufficient money to pay with.
9. There is unpaid taxes for years 1930 and 1931 of over \$35,000 collect these and it will not be necessary to gouge water patrons, and continue a "sewer" charge which was begun back yonder when money hung on trees.
10. My opponent is an outstanding member of the Chamber of Commerce—I do not have the honor to belong.
11. My opponent takes the position that the people have no legal right to vote on discontinuance of Band Tax—I unhesitatingly say that the people do have the inherent and unquestioned right both in law and equity, and I assure the public that the voters shall have the opportunity to pass solemn judgement on this issue immediately after April 5.
12. I shall appoint only officers in hearty sympathy with law enforcement, and in order to be 100 percent identified with prohibition Law Enforcement, I shall not permit one drop of Intoxicating Liquors to remain for one moment in the City Hall, but shall direct all officers to deliver all liquors to Sheriff's office where the law of this state plainly states it shall go. Any infraction of this rule with reference to any liquor of any sort, contraband or otherwise, found in City Hall shall mean the summary dismissal of the offender.
13. Lawn (Lottery) Contests: payment of city money to winning contestant is misappropriation of public money. I oppose such.  
E. B. WARREN  
Candidate for Mayor

### Boy Scout Kite Tournament Well Attended

The First Annual Scout Kite Tournament was held at the Lamesa Air Port Saturday afternoon, February 13th and despite the high wind that was blowing some fine flying was done with the 20 kites that the boys entered for competition. Various types of kites were seen in the air, but perhaps the most unique was the one representing the Bat Patrol of Troop 23. It was in the shape of a huge bat and at times performed flying antics similar to those of the leather winged animal. Allen McClain with his "August Mutt" kite won first place in the Best Made Kite competition for individuals. Troop 22 was awarded the Grand Champion Premium for amassing the greatest number of points. The final tabulation of points showed Troop 22 with 150, Troop 23 with 70 and Troop 44 with 50. The events of the tournament and the winners of each are as follows:
