

Rockets Begin Conference Play

The Wellington Skyrockets will open their conference schedule at home Friday night, Oct. 15 against the Memphis Cyclone, one of the strongest teams in District 2-A, and the mightiest the Rockets have met so far.

"Memphis evidently has the strongest team they have had since I've been here," Coach Don Beck commented.

They have just won four games in a row, losing only their opener to Crowell, which

is ranked No. 6 in the state in Class A.

"They throw very well and run very well. They play good sound defense, and we expect it to be the toughest game we have played yet," Beck continued. "We know their kids will put out more effort than they have against anybody yet."

The Cyclones have five starters who came from Memphis Morningside, which has helped them a great deal.

As far as size goes, Wellington is probably a little bit larger in the line because of height, but not in weight, although Wellington does have two boys who will outweigh any on the Memphis team, Maxwell and Pippins.

The Memphis backfield is about the same size as the Rockets.

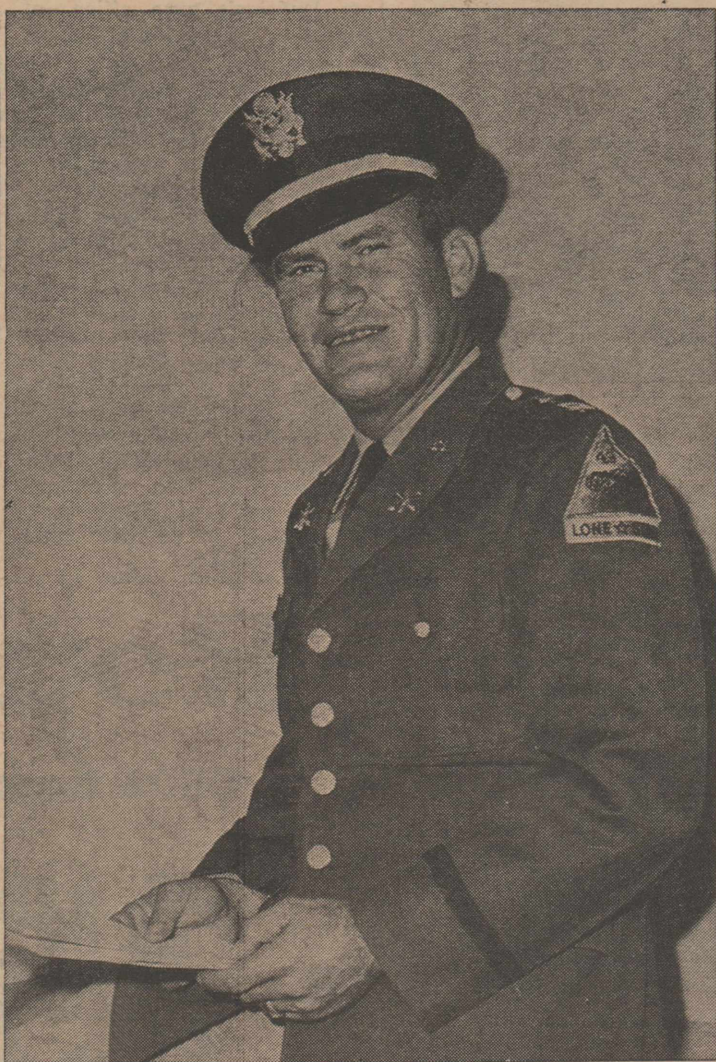

"Memphis feels like we are big because we have some boys that are 6-1 and 6-2, but of course we're not big weight-wise," Coach Beck pointed out.

Memphis had an open date last week to recuperate, and the team is due to be in the best condition so far this season.

The Rockets also will be at full strength, barring practice injuries and only a few bruises.

Concerning the Sunray game, Coach Beck said this was the best game the Rockets have played all year and the films prove it.

"I also think we were playing the best ball club we've played this year. Even though it seemed like we ran over them pretty bad, we didn't. We had to fight for every yard we made all night."

Capt. James Chappell, New Commander

Public Invited

Federal Inspection Set for Guard Unit

The annual federal inspection of National Guard Battery A will be held Wednesday, Oct. 20, Capt. Jim Chappell announced this week.

This inspection will be by officers of the Fourth Army at San Antonio and will cover all activities of the battery since the last federal inspection. This will include summer camp, training and battery administration, Chappell explained.

The Army officers will work during the day with battalion officers as well as battery officers.

Men of the unit will begin their drill at 7:30 p.m. and the inspection will start at 8. "We would like to have the townspeople out that night to see the battery in action," Chappell said.

He added that the Wellington unit has enough strength back so there is no danger of losing the battery, however a lot more recruits are needed, along with several officers. The strength now includes 39 men and three officers. Lt. Leonard King of Childress is the executive officer and Lt. Sammy Helmers is assistant executive officer.

Firemen Again Name Buster Hughs Chief

Fire Chief Buster Hughs was re-elected to that office in the annual election meeting of the Wellington Volunteer Fire Department Monday night, Oct. 11.

This is the second elective term for Hughs, who came into the office to complete an unexpired term of Richard Bailey.

Other department officers elected or re-elected Monday night were Jake Leach, first assistant chief; Joe Coleman, second assistant chief; Millard Brown, president; J. P. Sikes, secretary; Leon Hartman, hose captain No. 1; Glin Norman,

Fire Destroys Car Sunday

A car, identified as belonging to Danny Marsh, was destroyed Sunday, Oct. 10 about 7:15 p.m. in a fire that started when a group of boys were draining gasoline out of the tank, Fire Chief Buster Hughs reported.

Hughs said Marsh told firemen they were preparing for a wiener roast and were going to use the gasoline to start the fire. As it was too dark for them to see, one member of the group was holding a cigarette lighter near the gasoline.

The car was in the Salt Fork River bed beside the Highway 83 bridge north of Wellington.

For Needy at Christmas

Rotary-FFA Used Toy Drive Gets Under Way

The Wellington Rotary Club and Wellington high school chapter of the Future Farmers of America have opened their used toy drive to help needy children at Christmas.

N. M. Higdon is overall chairman of the drive and of distribution of the toys Christmas Eve.

Roy Horn again is in charge of picking up the toys, work he has headed since the toy repair campaign was begun.

Don Lacy, new vocational agriculture teacher in Wellington high school, said the boys' part of the program will be continued just as it has in the past.

After the toys are received, the boys of the vocational agriculture classes will repair them.

"It looks as if we will have more needy children this Christmas than we ever have had. The number grows each year," said Jack Sanford, Rotary member.

Both Rotary and FFA urge mothers of young children to go through their toys and make their donations of used toys early.

Those with toys to give may call the Chamber of Commerce office, 447-5848, or Mr. Horn, 447-2580, and the items will be picked up.

EAGLE SCOUT

Alan Fires, 15 year old son of Mr. and Mrs. A. J. Fires has received his Eagle Scout Badge, the highest offered in the Scouting movement. Here he proudly wears that badge on his pockets and holds the certificate authorizing it, signed by President Johnson. Alan has been a Cub Scout, Boy Scout and Explorer, and is now Assistant Scoutmaster to Bus Allen.

Application in Review on \$6,750,000 Loan on Dam

The application for a \$6,750,000 federal loan to build the proposed Salt Fork Dam has been made to the Housing and Home Finance Agency and the application is in review.

This announcement was made by Dan Henard, chairman of the Collingsworth County Water Control and Improvement District before a Builders Club meeting Monday night, Oct. 11.

This loan is being sought through the Public Facilities Administration of the Housing and Home Finance Agency. The application was made through the Fort Worth office of that agency.

This was the major development at the Builders Club meeting, but only one of several announcements of prime interest to Collingsworth County.

"We don't know when we will hear from the loan, but when we do, we will begin immediately to meet with clubs and organizations to explain every part of our water development program. We want everyone to understand it from beginning to end," Henard declared.

The bonds for constructing the dam will be retired over a 40-year period with funds derived from the sale of irrigation water.

It will be necessary, however, to vote a small tax and the water board is talking in terms of a tax of 25 cents per \$100 valuation which would take the place of the present 30 cent special road tax now paid on all property, which expires at the end of this year. It will mean an actual reduction in taxes as they are now paid, members of the water board point out.

Two other developments in the water picture were announced by Henard during the week.

He and other members of the Water Board will attend a hearing in Austin Thursday, Oct. 14, before the Texas Water Commission, on an application for a permit to construct the holding reservoir two miles northeast of Wellington as part of the dam complex.

Through an oversight in the Water Commission office, this was not included in the permit granted for building the dam on Salt Fork earlier this year.

Henard also announced that an exclusion hearing will be held Monday, Nov. 15 in the water board office, when the board will announce its conclusion of lands or other property from the district. Petitions for exclusion of property must be filed with the district not later than 10 days prior to the hearing.

Rogers to Visit

It was also announced that Congressman Walter Rogers wants to spend a full day in Wellington shortly after this session of Congress ends.

Henry Sullivan, Builders Club president, said plans will be made to honor him at that time. The date of the visit will be announced later.

Jeff Wilson reported to the club that a group visited recently with several young doctors now interning in Oklahoma City and who soon will choose locations for their practice.

Two of these have agreed to visit Wellington and look over local facilities, he said. Wilson and Sandy Parsons Jr. were named as a committee to handle the arrangements.

Leave Sunday

Six 4-H Calves to Be Shown at State Fair

Six Collingsworth County fat calves will be exhibited by 4-H Club members in the Youth Show of the State Fair of Texas this year, County Agent Sammy Helmers announced.

Stevie Marsh will take two steers, and the others belong to Mike and Keith Davis, Keith Martin, Mitzie Hartman and Ronnie Hartman.

The youngsters will bring their calves to the large barn on the Doneghy Farm just west of Wellington Saturday, Oct. 16 for the final grooming. They

will be loaded Sunday evening and arrive in Dallas early Monday, where they will be weighed in; Tuesday they will be sifted; Wednesday they will be given over to final preparations and the calves will be shown Thursday, then sold Friday.

Wayne Martin and Deputy Sheriff Troy Marsh will take the calves and accompany those youths who stay with their animals. J. C. Hartman and his daughter, Mitzie, and Helmers will go later in the week.

originally for the county to be dropped.

In searching for ways to improve Wellington, an initial suggestion of a county or city museum was put before the group and they were asked to

consider carefully its possibilities.

Reports were given on several industrial prospects, but none of these has developed to the point that a public announcement can be made.

HOME DEMONSTRATION AGENT NAMED

Miss Loleta Kees, right, has been hired as home demonstration agent for Collingsworth County. She made her first visit here Monday, Oct. 11, accompanied by Miss Edith Wilson,

left, District One Agent. Miss Kees will complete her work as junior assistant in training in Ochiltree County Nov. 15 and report here on Nov. 16.

Begins Work Nov. 16

Loleta Kees Named Home Extension Agent

Miss Loleta Kees, a graduate of Louisiana State University, was hired Monday, Oct. 11 as the new home demonstration agent for Collingsworth County.

She is now junior assistant in training in Ochiltree County and will begin her work here on Tuesday, Nov. 16, Miss Edith Wilson, district agent, said.

Miss Kees and Miss Wilson met with members of the Collingsworth County Commissioners' Court Monday, Oct. 11, to complete arrangements.

After graduating from LSU in June, 1965, with a major in home economics, Miss Kees began work as junior assistant in training at Tyler, Smith County. When it became apparent that she would work in West Texas, she was transferred to Perryton to work under Mrs. Cula Nowlin, Ochiltree County home demonstration agent.

The new agent's home town is Georgetown, La., and she is the daughter of Mr. and Mrs. O'Neal Kees. She was valedictorian of her graduating class at Georgetown. Also a 4-H Club girl, she received the Louisiana equivalent of Gold Star award for her parish.

Most of her 4-H work was in food, nutrition and clothing, and she has received a number of blue ribbons on her fair en-

Revival Opens October 17 at City Church

Revival services will open Sunday, Oct. 17 at the Fundamental Baptist Church in Wellington and continue through a week, closing Sunday, Oct. 24, the Rev. J. E. Young, pastor, announced.

The evangelist for this meeting will be the Rev. J. H. Ward, a former pastor, and native of Wellington. He is now pastor at Grand Saline.

Services will be each evening at 7 p.m. and the public is invited.

The church is located at the corner of 9th and Floydada Streets.

Tuesday at Norwood

Norwood Opens Cage Play Against Kelton

Basketball play opens in Collingsworth Tuesday night, Oct. 19 when the Sammorwood Eagles and Eaglettes meet the Kelton boys and girls on the Norwood court.

Game time is 7 p.m. and this will be the hour of all the Norwood games, according to high school principal Loyd Stephens, who is coaching the teams.

The Eagles and Eaglettes will have a big send-off Monday night, Oct. 18 at a big bonfire on the baseball field at 8:15 p.m. Everyone is invited, Stephens said.

Stephens is optimistic over prospects for the girls team, for he has back this year five of the six starters who carried the Eaglettes into the regional Class B tournament last year. Those returning are Kay Purkey and Suzy Bentley, forwards, and Eunice Stice, Judy Martindale and Billie Purkey, guards. Only Jo Nell Breeding, who was graduated, is missing.

Stephens expects a lot of help from younger girls—Betty Coleman, Karen Waters, Odessa Stice, Charlotte Conner and Janice Colson, along with returning lettermen Brenda Coleman, Sherry Kindrick and Carol Garner.

Officers Meet on Code Change

A meeting of Collingsworth County law enforcement officers was called here by District Attorney John Gillham on Wednesday, Oct. 13 at 10 a.m. The purpose of this meeting was to review changes in the criminal code which will go into effect Jan. 1, 1966.

Invited to the meeting were Sheriff John Rainey, Deputy Troy Marsh, Police Chief Donald Nunneley, and Constable Bruce Hite, and Mr. Gillham.

Farm Bureau Holds Annual Meeting Oct. 16

The annual meeting of the Collingsworth County Farm Bureau will be held Saturday, Oct. 16, opening with a barbecue.

Serving the barbecue will begin at 6 p.m. and the business session will open at 8.

New officers and directors will be elected.

Resolutions worked up in a special meeting last week will be presented and after discussion, voted on. These will have a bearing on local, state and national farm conditions and they will be presented at the state Farm Bureau convention next month.

Douglas Coleman of Dozier is president of the Farm Bureau.

Dodson Legion Plans Steak Supper Oct. 20

The American Legion Post No. 535 at Dodson is sponsoring a steak supper Thursday, Oct. 21 at 7 p.m. in the school cafeteria.

Plans were announced by Dennis Holland, post commander.

This is a fund raising event and money will go to the post building fund.

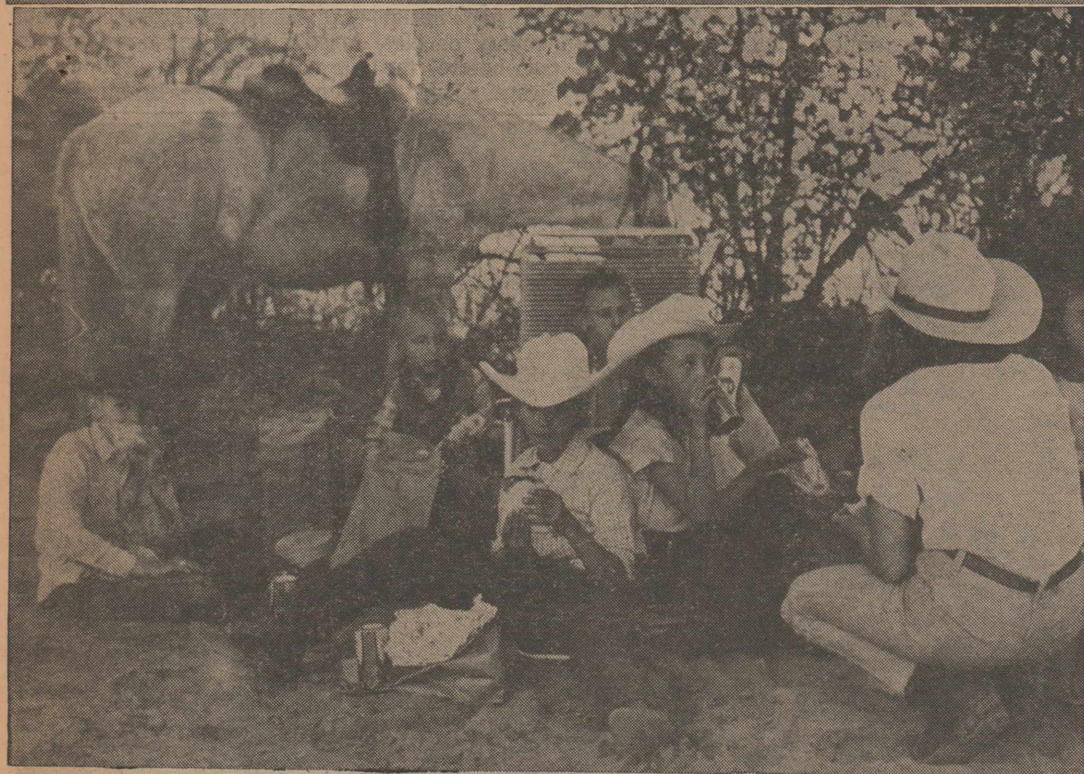

Along with the steaks, baked potatoes, beans and salad will be served.

In charge of broiling the steaks will be J. D. Luck, Garland Hightower, Junior Owens and Holland.

The other food will be prepared by members of the Legion Auxiliary.

Members have remodeled a building on Dodson's main street as the Post home. That work is completed but it is not yet furnished, Holland said.

Tickets from the steak dinner may be bought from any member of the post.

TRAIL'S END

After riding 10 miles down Salt Fork River in 90-degree weather Saturday morning, Oct. 9, members of the 4-H Riding Club came to the end of their journey—and lunch, under the river bridge on Highway 203. At top, splashing through the river channel, they approach the bridge. Lunch came after horses were tied up and cared for. At center, from left, seated in front are Dan Fires, Susan Love, Teresa Patterson, and, back to camera, Leigh Nall. At back, from left are Bart Patterson and Johnny Holton. In the bottom picture are Paul Wilbur, left, and Tim Jones.

Cotton Classing Office Opens at Memphis

The USDA cotton classing office at Memphis is open and began receiving samples Monday, Oct. 11, according to information released by the Cotton Division's area office at Dallas. K. E. Voelkel will be in charge of this seasonal office. This is the seventh season of operation for the Memphis sub-office, and the fifth season for Voelkel to be in charge.

Early ginned cotton in the Memphis territory has been classed in Altus. C. E. Cox, in charge of the Altus office, reports "the 1965 cotton harvest is getting off to a slow start again this year. Only a little over 1,100 samples have been classed through Oct. 8 for the 58 gins in the Memphis classing territory." More than half of these samples were received during the past week, and the harvest is expected to get under way in earnest within the next week or so.

THE WELLINGTON (TEXAS) LEADER
Thursday, October 14, 1965

Middling Light Spotted was the predominant grade during the past week. Statistical averages prepared by the Consumer & Marketing Service indicate that 12 percent of the cotton classed was called in the White grades, 67 percent was Light Spotted, and 21 percent was Spotted.

Average staple length was 31/32 inch. Three percent was called 29/32, 41 percent was 15/16, 23 percent was 31/32, 20 percent was 1 inch, and 13 percent longer than 1 inch. Micronaire averages have been very good, with 94 percent falling in the 3.6 to 5.1 ranges. One percent milled 3.0 to 3.2, 4 percent 3.3 to 3.5, and 1 percent 5.2 and above.

The USDA's Consumer & Marketing Service reported only a small amount of the current ginnings is being sold, and the Commodity Credit Corporation reported a limited amount going into the government loan.

Spot markets at Dallas and Lubbock report prices on predominant grades and staples at 30 to 50 points above the loan.

Toronado Joins Olds Line-up for This Year

In discussing the new Toronado, Metzel described it as "an American original." He said it is a car designed for those who want the unconventional, the newest, in whatever product they buy. "The Toronado will set new standards for the industry in styling, handling and roadability, and its appearance dramatically strengthens Oldsmobile's worldwide reputation for automotive engineering leadership," Metzel said.

The Toronado is available in

Basic styling of the new F-85's provides these cars with a smoother, longer, and younger look. For the first time, Oldsmobile is offering a four-door hardtop in the F-85 lineup. "The Cutlass Supreme, with its optional vinyl roof and extra-luxurious interior, may well become one of the top young-family prestige cars," Metzel said.

The highly efficient Jetaway automatic transmission continues as optional equipment on F-85 and Jetstar 88 models, while Oldsmobile's famed Turbo Hydra-Matic transmission is available on all 88's, including the Jetstar 88. It is standard on the 98's.

Headrests for the driver and front seat passenger are also optional on "Strato" seats.

Cruise Control, which automatically maintains a pre-set speed for highway travel, was introduced earlier as an optional accessory on full-size Oldsmobiles. It is now available on F-85 models.

Diamond Jubilee of County, GFTW Observed at 1924 Club Luncheon

A "Duo-Diamond Jubilee" luncheon at the Cherokee Restaurant marked the beginning of the 1924 Study Club's forty-first club year. Hostesses were the yearbook committee—Mrs. Bob Goforth, Mrs. Scott Neill, and Mrs. B. M. Sims.

Traditional greetings from the president were extended by Mrs. Edward White. "Infocade of Interests" was announced for the club's 1965-66 theme. Mrs. White also introduced each member and guest present.

The anniversary years of "75" coincide for Collingsworth County and the General Federation of Women's Clubs. The theme for the GFTW "Diamond Jubilee of Service to Freedom and Growth" was observed in the decorations and program.

Covered with diamond white linens, the luncheon tables were accented with sprays of custom-made blossoms and buds in a contemporary green, signifying "continuing growth"; the sparkling stemware emphasized the jubilee celebration. Echoing the centerpieces were the individual favors of green velvet, accented with a single "diamond."

"GFTW Spectrum: The Clubwomen of Yesterday, Today, Tomorrow" was presented by Mrs. Sims, Top of Texas District second vice president. In the GFTW's Diamond Jubilee observance the most spectacular facets are the clubwomen who have motivated the many community services through the years. For the facet of future services, Mrs. Sims gave a preview of planned club events.

Then in tribute to the clubwomen of today, a special highlight was available—a showing by a wig salon from Amarillo. Mr. Leet and Tina Johns narrated and displayed an array of hairpieces. A wig history, dating back to the Egyptians, was given; also, the whys, availabilities, advantages and disadvantages of the various priced wigs. Club members and guests modeled the wigs and wiglets, styled by Tina Johns. Proper personal and commercial care of hair pieces was stressed for the full benefit of one's wig.

Attending this festive event were Mrs. Mack Bush, Mrs. R. R. Crawley, Mrs. Odis Emmert, Mrs. Chester Fires, Mrs. Goforth, Mrs. Sammie Helmers, Mrs. Douglas Lowe, Mrs. Neill, Mrs. Howard Riggs, Mrs. Sims, Mrs. Don Van Pelt, Mrs. R. H. Tyler, Mrs. Velman Warrick, Mrs. Jeff Wilson, Mrs. White, Mrs. D. F. Cook, Mrs. J. F. Michael, Mrs. Jack Moreman, Mrs. Don Nunnelle, Mrs. J. R. Ross, Mrs. Henry Vaughan, Mrs. Max Manly, Mrs. A. J. Fires, Mrs. Emory Hunter, and Miss Sara E. Jones and Miss Hattie D. Wells.

City Group Attends Reunion

The annual reunion of the children of the late Mr. and Mrs. J. M. Black was held at the Carey community building in Childress County recently.

A majority of those attending at one time lived here, and a number of the family still makes Wellington their home.

Those attending were Mr. and Mrs. W. A. Morrow, Dr. and Mrs. J. M. Wattam, Mr. and Mrs. Jimmy Moates and children, Donnie, Cindy, Susan and Mark, Mr. and Mrs. Elmer Black and Edith, Mrs. C. A. Crawford, Peggie and Dan, all of Wellington; and Mr. and Mrs. Harold Morrow and Janice, Mr. and Mrs. A. C. Black, Mr. and Mrs. Raymond Black, Mr. and Mrs. Elvon Black, Glen and Riga, Mr. and Mrs. Dennis E. Roten and Ronnie, Miss Mary Glenn, of Amarillo;

Mr. and Mrs. J. T. Clement of Brownfield; Mr. and Mrs. W. H. Hackathorne of Childress; Mr. and Mrs. W. H. Moates, Mr. and Mrs. Bob Moates, Mr. and Mrs. A. H. Grimes and Mr. and Mrs. Ben Teague of Carey;

Mrs. Florence King and Gary and Mrs. Bobby King of Claude; Mr. and Mrs. Carroll Black, Robert, Donald, Kathy, Jerry and Linda, and June Black of Lubbock; Mr. and Mrs. Marvin Moates of Childress and Mr. and Mrs. Frank Klähr of Fort Worth.

Mrs. James Lynn Branch

Church Ceremony Unites Linda Sikes, James Branch Here Friday Evening

A candlelight wedding ceremony was performed for Miss Linda Marie Sikes and James Lynn Branch, Amarillo, at the Church of the Nazarene in Wellington Friday, October 8 at eight o'clock in the evening.

The Rev. Ron Crossley officiated.

The bride is the daughter of Mr. and Mrs. J. P. Sikes, 1207 Amarillo Street, while the bridegroom's parents are Mr. and Mrs. J. L. Branch, who formerly lived here, and now reside at 4600 Amarillo Boulevard, Amarillo.

An arch covered with foliage was at the center of the church decorations, and on each side were two seven-branched candelabras.

Miss Patsy Falk of Bethany, Oklahoma, was the organist, and Mrs. Bill Bradley was the vocalist.

Mr. Sikes gave his daughter in marriage.

She selected a gown of slipper satin. The bodice was made with a round neck trimmed in appliques of Alencon lace roses, accented with pearls, and the long sleeves terminated in petal points over her hands.

The floor-length bell shaped skirt swept to a chapel train. A satin rose, also accented with pearls, was her headpiece and held her fingertip illusion veil. The bride carried a single white orchid on a lace and satin covered white Bible.

Mrs. Rudell White of Abilene was the matron of honor and the bridesmaids were the bride's two sisters, Miss Beth Sikes and Miss Nancy Sikes.

They wore dresses of cotton blue, with the honor attendant's made of satin brocade, while the bridesmaid wore crepe. They were of semi-fitted princess style with shallow necklines and three-quarter sleeves. Each wore a short veil fastened to a blue satin rose and their flowers were gold carnations on ribbon-covered belts.

Billy Branch of Amarillo, brother of the bridegroom, was the best man, and the groomsmen were Don Branch of Amarillo, another brother, and

New members honored were Mrs. Sam Helmers, Mrs. Glen Warrick, Mrs. Sam Schaffer, Mrs. Jackie Barnett and Mrs. Larry Gollighugh.

Other members attending were Mrs. Glen Lacy, Mrs. Bill Hall, Mrs. Bobby Langford, Mrs. Donald White, Mrs. Benson Long, Mrs. Carroll Daves, Mrs. Troy Thomason, Mrs. Billy Britton, Mrs. Danny Ammons, Mrs. Bill Estes, and Mrs. Dee Coleman.

The children and grandchildren extend to all friends and relatives a hearty invitation. Bring a covered dish and come visit and dine together.

Mr. and Mrs. Ray Ward of Joplin, Mo., spent last week with his sister, Mr. and Mrs. R. H. Crane. Other visitors in the Crane home Sunday were their son, Mr. and Mrs. James Crane and four children of Muleshoe.

C. L. Moodys Honored by Children on Silver Wedding Anniversary

The children of Mr. and Mrs. C. L. Moody honored them on their twenty-fifth wedding anniversary when they were hosts at an open house Sunday afternoon, September 10. The event was given in the home of Mr. and Mrs. Ernest Maxwell, sister and brother-in-law of Mrs. Moody.

The reception table was laid with a white cloth and the silver wedding cake was the centerpiece. Crystal appointments were used. Miss Deborah Peters served the cake and Miss Delores Moody poured.

Friends who called included Mrs. C. O. Wilkerson, Mr. and Mrs. Tom Caterlin, Mr. and Mrs. Buford Riley, Mrs. Toots

Herring and daughter Delores of Panhandle, Mrs. Edgar Lockhart,

Mrs. David Peters, Miss Peters, Mr. and Mrs. Richard Peters and family, Mrs. Jack Colson, Darrel Colson, Mrs. Waymon Moody, Mrs. Homer Ingram, Miss Azalea Ingram, Mr. and Mrs. Milburn Derryberry and daughter,

Mr. and Mrs. Junior Mitchell and family, Mr. and Mrs. Oliver Young, Mr. and Mrs. Lew Tingle and family, Mrs. Dave Johnson, Miss Catherine Turner, Mrs. Maxwell and sons, and Mr. and Mrs. Moody.

SALT FORK SOIL CONSERVATION DISTRICT NEWS

By DOUG LOWE

A good cropping system or rotation is a must if land is to be kept at a profitable level of production. A good crop rotation is one that provides the land with enough different kinds of crops such as legumes and fibrous rooted crops to keep it fertile and productive.

Soil must be in good physical condition to be productive, just as an athlete needs to be in good physical shape to compete. It's true that fertilizers can be applied to soils to provide the proper plant nutrients and an athlete can eat a completely balanced meal three times daily to provide him with the energy he needs but in neither case has physical conditioning been accomplished.

To improve the physical condition of the soil, organic matter is needed. Organic matter comes only from plant residues which are grown on the land or added and allowed to remain there and decompose. Some crops, such as cotton, do not produce much residue and therefore do not add much organic matter to the soil.

Grain sorghums and small grains produce greater amounts of residue and their use, in the proper sequence, in a cropping system will improve the physical characteristics of the soil. Legumes are neces-

sary in a cropping system to improve fertility as well as physical condition.

Another important function of a good cropping system is that it will protect the land from erosion by wind and water during periods when erosion is likely to occur. This protection is provided by the growing plant or the dead residues that remain. The more residues that remain the greater the protection against erosion.

A good cropping system is one that aids in keeping weeds, insects and diseases to a minimum. Crops that are subject to certain diseases or insects and are grown year after year on the same soil are more likely to be attacked by these problems because of a buildup over the years.

Last, but not least important, a good cropping system must provide an economic return to the producer if he is to stay in business.

The Salt Fork Soil Conservation District recognizes the need for conservation cropping systems and actively promotes their use. Soil Conservation Service personnel assisting the Soil Conservation District are available to help you in working out the best cropping system available for your farm in order to increase or maintain productivity.

Weather Controls Early Season Cotton Harvest

AUSTIN.—Weather has been a controlling factor in the early season cotton harvest in the Rolling Plains of Texas.

Cotton Economic Research at The University of Texas reports the rains and cool weather—the latter tending to prevent proper maturing of cotton—have greatly reduced the harvest rate in that area of the state.

Cotton harvested through Oct. 1 from the Southern Rolling Plains counties of Tom Green, Runnels, Fisher, Coleman, McCulloch, Jones, Kent, Concho, Schleicher and San Saba had a higher grade index and approximately 1/32 inch longer staple length than last season.

The fiber property data for this area show the Micronaire to be at the same level as a year ago, 4.0, with a slight drop of about 2,000 pounds in Pressley strength for an average reading of 85,000 pounds this season.

Cotton Economic Research, a division of the Cotton Research Committee of Texas, reported the early crop from the Northern Rolling Plains through Oct. 1 also had a higher grade index and almost 1/32 inch increase in staple length.

Counties contributing cotton to the early harvest from this area are Childress, Cottle, Collingsworth, Clay, Baylor, Dickens, Donley, Motley, Hardeman, Foard, Wilbarger, Hall, Wichita and Knox.

These counties showed a 2 increase in Micronaire over the reading of 4.1 at the same time last season, but the Pressley strength is down about 1,000 pounds.

In the event of continued cool wet weather, Cotton Economic Research reports, the rate and degree of maturity for late-season cotton could be greatly reduced, resulting in a much finer or lower Micronaire cotton.

The fineness and tensile strength percentage distributions for this early season cotton, along with the averages, are:

Fineness Percentage Distribution (Mike)—Southern Rolling Plains: 3.0 to 3.9, 46%; 4.0 to 4.9, 54%; average 4.0; tensile strength percentage distribution (1,000's lbs.): 79 and below, 16%; 80 to 84, 28%; 85 to 89, 40%; 90 and above, 16%; average, 85.

Fineness percentage distribution (Mike)—Northern Rolling Plains: 3.0 to 3.9, 22%; 4.0 to 4.9, 68%; 5.0 and above, 10%; average 4.3; tensile strength percentage distribution (1,000's lbs.): 79 and below, 11%; 80 to 84, 30%; 85 to 89, 27%; 90 and above, 32%; average, 86.

Card of Thanks

We want to express our appreciation to the many neighbors and friends for their many good deeds and words of sympathy during the illness and passing of our loving uncle, P. A. Mannahan.

We want also to thank each one who brought food and flowers. We've tried to send each a thanks card but we may have missed someone, so this is to you.

May God's richest blessings rest on all of you.
Nola Beeks, niece of P. A. Mannahan.

October 25th Deadline for Hunt Applications

AUSTIN.—The annual Texas sportsmen's grab bag—free hunts on management areas—will accommodate 2,680 big game hunters, according to the Texas Parks and Wildlife Department.

P. B. Uzzell, wildlife coordinator for the department, said hunters have practically one month to apply since the deadline is 5 p.m. Monday, Oct. 25. After receiving requests from hunters with legible names and addresses, the department responds with a formal application. Then a public drawing will be held to determine those who will participate.

Last year 21,767 persons applied for permits to harvest surplus game as a part of the department's game management program.

In 1964, hunters on the management areas bagged 970 deer against a desired kill of 1,070 surplus head. The success ratio for the 2,689 hunters was 35.9 percent.

Big game hunts will be on the Kerr Area near Kerrville; Black Gap Area in Brewster County and Sierra Diablo Area in Culberson County, both in far west Texas; the Gene Howe Area in the Panhandle; and the Engeling and Angeling (Cherokee Unit) Areas in deep East Texas.

Small game hunters will get action in a quail hunt on the Gene Howe Area near Canadian, in the Panhandle, and squirrel hunts on the Engeling and Angeling (Cherokee and Devil's Pocket Units) Areas in East Texas. The first area shoots will be for squirrel hunters.

In 1964 the largest combined bag of 213 antlerless and 159 antlered deer or a total of 372 mule deer, was taken on the Black Gap Wildlife Management Area in Brewster County which has been authorized 1000 permits for this fall.

Here are the details:
Deer and Turkey
Gene Howe Area: Dates: Nov. 13 - Nov. 14; Nov. 20 - Nov. 21; Nov. 27 - Nov. 28. Permits: 30 permits.

Oberlin College in Ohio was the first college to confer degrees on women.

Legal Notice
NOTICE OF HEARING ON EXCLUSION OF LANDS OR OTHER PROPERTY FROM COLLINGSWORTH COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE (THE STATE OF TEXAS) COUNTY OF COLLINGS- WORTH

NOTICE IS HEREBY GIVEN to all persons owning property, real, personal or mixed, located within Collingsworth County Water Control and Improvement District Number One, THAT A HEARING will be held at 10 o'clock, A.M., on the 15 day of November, 1965, at District Office in Collingsworth County Courthouse, at which time and place the Directors of said District will announce their own conclusions as to the exclusion of lands or other property and will receive petitions for exclusion of lands or other property from the District.

All interested property owners in said District may present petitions for exclusions and offer evidence in support thereof or contest any proposed exclusion and offer evidence in support thereof, whether based on a petition or upon the Board's own conclusion.

Petitions for exclusion of lands must accurately describe the metes and bounds of such lands. Petitions for exclusion of other property shall describe the same for identification. All petitions for exclusion shall be filed with the District not later than ten (10) days prior to the date fixed for said hearing, and said petitions must clearly set out the particular grounds on which the exclusion is sought and consideration shall be confined to the stated grounds.

Said hearing may be adjourned from one day to another and until all persons who desire to be heard are heard.

THIS NOTICE is given in pursuance of an order passed by the Board of Directors of said District on the 11 day of October, 1965.

McLean B Goes Down Before Rocket Power

The Wellington Skyrocket B team played the McLean Tiger B team at McLean Thursday, Oct. 7. In their first meeting of the '65 season, the Rockets won by 27 to 0.

Wellington kicked off and on the first play McLean fumbled and the Rockets recovered. The Rockets drove down the field in a series of short gainers. Then Paul Jones, Johnny Harris and Donald Wolf blocked to open the hole for the touchdown with Wesley Ward carrying the ball. Billy Neely ran the 2-point conversion.

McLean was unable to move the ball and was forced to punt. Wellington took over but did not score on that series. In the second quarter, Billy Neely scored on an outside play behind the key blocks of Joe Brock, Paul Jones and Donald Wolf. Johnny Harris kicked the extra point, the first for the Rockets this year. Wellington led 15-0 at halftime.

McLean kicked off to start the second half. The Rockets moved on good runs by Donald Wolf, Joe Brock and Herman Moore. From 10 yards out and behind the blocks of Jim Henard, Jimmy Campbell, Jim Lindsey and Billy Neely, full-back Wesley Ward plunged through the center of the line for the third Rocket touchdown. The conversion, with Marvin Roland carrying, failed and the Rockets led 21-0.

The last touchdown was made by the Rocket second unit. With Gary Brewer at quarterback, they moved the ball on good gainers by Tony Hurst, Ricky Brown and Marvin Roland. The touchdown came on a 20-yard pass from Brewer to Chuck Wilbur. The try for extra points with Tony Hurst on a dive play failed, making the final score 27 to 0.

Coach James Stavenhagen commented on the game: "Our defense in this game was outstanding. Jimmy Campbell at linebacker made several good stops for no gain, as did tackle Johnny Harris. Middle linebacker Jim Lindsey blocked a punt and almost scored a touchdown."

"Defensive end play by Jim Henard, Chuck Wilbur and Paul Jones kept the McLean outside

threat bottled up. Jim Henard intercepted a pass and returned it for 25 yards. Donald Wolf also intercepted a pass and made several good stops."

The Skyrocket B team plays Memphis B team at Memphis Thursday, Oct. 14. This will be their second meeting of the season. Memphis is expected to be "real tough." Game time is 7 p.m.

Rudys Attend Parents Day

Mr. and Mrs. Vernon Rudy, Jim and Verna Gail were in Portales, N.M., Oct. 9 and 10 to attend Parents Day at Eastern New Mexico University, where their son, Joe, is attending school.

Parents were taken on a tour of the campus, dormitories, and main buildings, and had a Dutch lunch with the students.

On Saturday night, Oct. 9 all parents attended the football game between ENMU and Western New Mexico University of Silver City.

Fathers of the players were honored guests and sat along the sideline. Mr. Rudy was one of those fathers, as Joe is playing with the freshman team. However, he played only a few minutes in the game Saturday night as a substitute.

Parents of all football players were presented miniature white footballs wrapped in the school colors.

The Rudys also visited his cousin, Mr. and Mrs. John Brownlowe and Diane, former Wellington residents now living in Portales. Diane is attending Eastern New Mexico University there.

C of C Speaker Committee Named

A committee to select a speaker for the annual Chamber of Commerce banquet was named last week.

C. T. Hubbard is chairman and members are Denver Powell and Jeff Wilson.

The banquet will be held in February, with the date to be determined by the time the speaker selected can be here.

FTA Will Hold Chili Supper

The Wellington high school chapter of the Future Teachers of America will hold a chili supper Friday evening, Oct. 15 in the cafeteria.

Chili and dessert will be served from 5 to 7 p.m.

"Unloaded" Gun What Gets 'Em

It's always the unloaded gun that gets 'em. The Texas Safety Association reports that many persons are killed each year by guns they or someone else thought not loaded. Make sure all guns are unloaded before bringing them into the house. And, never point a gun at anyone. It could be loaded.

NEWS OF MEN IN SERVICE

AGANA, Guam.—Carl L. Kilman, son of Mr. and Mrs. Glen N. Kilman of Kilgore, has been promoted to airman second class in the U.S. Air Force.

Airman Kilman is an aircraft engine mechanic at Anderson AFB, Guam. He is a member of the Air Rescue Service which flies combat and peacetime air rescue and aeromedical evacuation missions.

The airman attended Quail high school.

His wife, Neva, is the daughter of Mr. and Mrs. W. R. Ward of Wellington.

Much of County's Past Can Be Saved in a Local Museum

The idea is not new, but the need remains to preserve the relics of Collingsworth county's history.

Small museums, local in scope, are being developed in many towns over the county that are no larger than Wellington, devoted to the history, the lore and anecdotes, and the material articles themselves that were important in that one small area.

These are of more significance as American life shifts from rural to city, as it is in our own case.

Many things of local historic value are lost simply because there is no where to put them when a family scatters. Other families have articles of museum quality with which they do not want to part permanently, but which they would put on loan.

Documents and letters, important to our earlier years are now easily reproduced.

Many articles, pictures and documents pertaining to this county have gone into larger museums, because of their significance to the Southwest. Much more is of great interest only locally.

This seems to be a project for some enterprising organization, eager to do something interesting, yet to be of service.

Hidden Taxes

Ever wonder how much you pay out in "hidden" taxes every year—those taxes that are added to the price of the things you buy and which you pay without knowing it?

The Tax Foundation, after researching the subject, comes up with a rule-of-thumb formula that says you pay on the average \$1.20 in "hidden" taxes for every \$1 you pay on your federal income tax.

Thus if your federal income tax for 1964 comes to \$250 you can figure you paid the government another \$300 in "hidden" taxes.

You can't deduct them, of course, because they're not labeled as such even though you paid them.

These "hidden" taxes are those added to the purchase price of the things you buy along the line. The manufacturer has to add a number of them, federal, state and local or he'd soon be out of business. The distributor, wholesaler and retailer all have taxes they have to add to the price or they'd be out of business, too.

The higher the taxes these people have to pay, the more you pay in taxes tucked into the price of anything you want to buy. Just figure you're paying 20 per cent more than your federal income tax.

—The Morris (Minn.) Sun

BUICK ELECTRA 225 HARDTOP

A massive sculptured bumper and new mine-line grill provide distinctive identification of the newly-styled Buick Electra 225 for 1966. Side and rear styling is equally new, as well as interior

treatment and trims. Buick's 401 cubic inch V-8 is the standard power plant in this series with a more powerful 425 cubic inch engine offered as an option.

Non-Conference

Skyrockets Soar Past Sunray Bobcats 38-0

By JACK FORD

The Wellington Skyrockets continued on their winning way with an impressive 38-0 victory over a highly rated Sunray Bobcat team at Sunray Friday, Oct. 8.

The biggest feature of this game was the vast improvement of the Rocket passing attack, especially in keeping the Bobcat defense off stride for the Rocket ground game to move. Another fine job was the Rocket pass defense against a highly rated passing team.

The Rocket backfield of Jackie Needham, Andy Bell, Freddy Mayhugh, James Smith, Tommy Yarbrough, Neal Roberts, Claude Barber, Randy West and Jimmy Black were consistent in keeping the pressure on the Bobcats most of the night. The passing of A. Bell and F. Mayhugh was tops in this game.

The Rocket line again dominated the opposition in both offense and defense. Lewis Watkins, Jim Rudy, Johnny Maxwell, Mike Smith, Rodney Kane, Steve Trapp, Gary Killian, Danny White, Michael Gilmore, Larry Pipins, Fred Bobo, Jimmy Barr, Don Sweat, Larry Henard, Andy Henard and Jimmie Barber did yeoman service with their blocking on offense, holding the Bobcats back from the Rocket passers, and just stopped the passing and running game of the Bobcats.

The Rockets opened the game by receiving the football on the kickoff, but did not score until midway in the first quarter. The Rockets put the ball in play on the Rockets 38 yard line, moved to the Bobcat 25 where the Rocket drive stalled.

The Bobcats put the ball in play and on the second play fumbled and an alert Rocket

fell on the ball on the Bobcat 30 yard line. J. Black, A. Bell, and J. Needham moved the ball to the Bobcat 20, and then J. Needham behind some great blocks, scampered into the end zone for the first Rocket touchdown. J. Maxwell kicked the extra point. Rockets 7 Bobcats 0 at the end of the first quarter.

Most of the second quarter

was used by both teams trying to position the ball for scoring, but it wasn't until late in this period that the Rockets scored their second touchdown. The Rockets took over the football on their own 42 yard line. J. Needham, N. Roberts, J. Black and A. Bell moved the ball to the Bobcat 40. Then A. Bell dropped back and threw a perfect strike to J. Smith

who caught the ball on the Bobcat 6, outran the Bobcat defenders for another Rocket 6 points. The try for extra point failed. Rockets 13 Bobcats 0 at the half.

The Rockets started right in to nail the lid on the Bobcat coffin, right after the kickoff in the second half. The Bobcats after receiving the kickoff, put the ball in play on the Bobcat 44, two plays later a Bobcat fumble was recovered by the Rockets on the Rocket 40 yard line. J. Black, A. Bell, N. Roberts, J. Needham and J. Smith moved the ball to the Bobcat 35, and again J. Needham, behind some great blocking, went all the way into the end zones. The try for extra point failed. Rockets 19 Bobcats 0.

The Bobcats couldn't move the ball in their series of downs and were forced to punt to the Rocket 20 yard line. J. Black moved the ball to the Rocket 22. Then the Rocket fans saw a great running performance by J. Needham. Taking the ball Needham, following his blockers and picking his holes, went to his left, cut back to the middle of the field, and went 78 yards for another Rocket T.D. The try for extra point failed. Rockets 25 Bobcats 0.

The Rockets came right back after the kickoff. The Bobcats put the ball in play on the Rocket 33. On the first play from scrimmage J. Needham intercepted a Bobcat pass on the Bobcat 36 and returned it to the Bobcat 12. Two tries at the line were stopped. Then F. Mayhugh dropped back and threw a short pass to J. Smith in the flats and Smith went

into the end zone for another Rocket touchdown. J. Maxwell kicked the extra point. Rockets 32 Bobcats 0.

The last Rocket scoring came late in the last quarter. Putting a punt in play on the Rockets 43, after the Bobcats couldn't move, R. West, C. Barber and A. Bell moved to the Bobcat 35. A. Bell again throwing a strike, his A. Henard who carried the ball into the end zone. The try for extra point failed. Fifteen plays later the game was over. Rockets 38 Bobcats 0.

Top five ball carriers. On passing yardage, gave half to the passer and half to the receiver. J. Needham 192 yards, A. Bell 103 yards, J. Black 41 yards, J. Smith 40 yards, and A. Henard 17 yards.

This next Friday the Rockets open district play against undefeated Memphis Cyclones at Rockets' Powell Field, 7:30 P. M. You Rocket fans get out and support the boys and coaches. This will be a big one and the Rockets will need all the help and support the fans will give them. See you all there.

Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance,
ride and handling. Only when they're all tuned together
is the car a Buick. Like this 1966 Riviera Gran Sport.

You know how well your car's engine runs after a tuneup? Buick tuning has the same effect on the whole car. Not just the engine. The whole Buick. Everything blends with everything else. Styling. Performance. Ride. Handling. All tuned to work together in harmony. That's what the tuned car is. A Buick. Only Buick is the tuned car. (And every Buick is the tuned car.) What the tuned car is is a masterful blending of all the things that make a great car greater. The Riviera for 1966 is the tuned car. It features six-passenger seating, disappearing headlights, a silently efficient new ventila-

ting system and the kind of roadworthiness you'd expect in a car that costs twice as much. (You can get a Riviera for your desk as well as your garage. Send \$1 in check or money order to Riviera, P.O. Box 68, Troy, Mich., for an accurate 1/25 scale model '66 Riviera.) But Riviera's not the only tuned car. LeSabre is, too. And Wildcat. Electra 225. Special. Skylark. Sportwagon. See them all at your Buick dealer's. The tuned car may not mean much to you now. But then you haven't had a chance to drive one yet.

Wouldn't you really rather have a Buick?

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

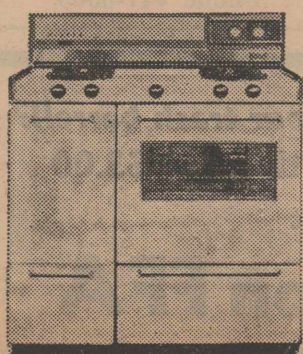

Johnson Pontiac & Buick - 8th & Dallas - Wellington, Texas

Uncommonly good cooks use clean, modern gas

Why does gas cook cleaner? When you turn off a gas range it's off. Cooking stops. There's no hangover heat to cause scorching, burning and boilovers. Broiling is cleaner, too. Because you can keep the broiler door closed. The flame consumes the smoke. And with a gas range, all burner parts can be washed easily. Even the oven and broiler doors come off on many models. Uncommonly good suggestion: see the modern gas ranges now on sale at your favorite Gas Appliance Dealers—or Lone Star Gas.

Super Chef Gas Range Sale

Eddie McGill

Roger Weems

Weems and McGill

Two County Students Receive Scholarships

Two county youths, one from Wellington and the other from Quail, have received scholarships to attend Clarendon Junior College during the current school year.

The Wellington Rotary Club has instituted an annual scholarship to be awarded to a local high school graduate to attend Clarendon College. Roger Weems, son of Mrs. Ruby Colwell of Wellington, is the first such student to win the \$150 award.

Roger is a 1965 graduate of Wellington high school, and a science major. He is a member of the Bulldog basketball team and is currently participating in the College Work-Study program.

Other students who are taking an active part in life on the campus at Clarendon College include Lynn Wolf, who is treasurer of the Aggie Club; Patty Juno and Doris Ward, who are assisting in the layout of the college annual.

Eddie McGill, son of Mr. and Mrs. Glenn McGill of Quail, was awarded the chemistry department scholarship by Clarendon College. This award is made each year to a second year chemistry student. A note of interest is that Eddie had

no background in chemistry until he enrolled in general chemistry last year.

Eddie graduated from Quail high school in 1964 at the head of his class. He is currently enrolled in classes in organic chemistry, zoology and physics in the field of science. His major is pharmacy, and he will pursue his vocation further at Southwestern State College in Weatherford, Okla., following his graduation from Clarendon College.

Gen. Telephone Names Engineer

SAN ANGELO.—Ronald Potter has been appointed chief engineer of General Telephone Co. of the Southwest, it was announced by G. Howard Briggs, operating vice president of the company.

Potter, of Durham, N.C., replaces Louis D. Yard, who moves to the position of consultant engineer—special projects for the San Angelo based company. The changes are effective Nov. 1, Briggs said.

As chief engineer for General of the Southwest, Potter will supervise all engineering functions throughout the company's operating area.

Wheeler Named to SCD Board

Ted Wheeler, a farmer in the Lillie community, was elected supervisor from Zone 2 of the Salt Fork Soil Conservation District.

The meeting was held on Thursday evening, Oct. 7.

Wheeler succeeds Zook Thomas, who served on the board for an unexpired term and two five-year terms, a total of approximately 13 years.

Third Grade Visits Plants at Mangum

Children of the third grade of the Wellington school were taken to Mangum on a field trip recently.

The morning tour was to the Gold Star Dairies, where the boys and girls watched as ice cream bars and cottage cheese were made, and milk packaged in cartons.

After a lunch at the Mangum City Park, they visited the Mangum Brick Co., where bricks are made from shale, mined about a mile south of Mangum. They watched the entire process of brick-making, including their baking to 1850 degrees.

Accompanying the 60 boys and girls were their teachers, Mrs. Gus Barton and Mrs. Lynn Carter, and C. A. Crawford, elementary school principal.

The children going to Mangum were Leatha Baker, Gwen Barber, Cindy Beck, Luanne Berg, Betty Burba, Judy Chandler, Vicki Dement, Patricia Hunnicutt, La Nell Minatrea, Renee Mitchell,

Geney Morrow, Shahara Neill, Vickie Reynolds, Dawn Sanders, Toni Taylor, Linda Thomas, Teresa Weddle, David Bell, Gary Brown, Walter Brown, Danny Fowler, Derik Jones, Ben Morales, Charles Needham, Cleophus Pennon, Joe Porter, Rayford Robinson, Robert Smith, Larry Wright, Kathy Berryman, Pam Black, Mary Boyd, Chuck Chappell, Debra Culpepper, Mike Cummings, Rosa Davila, Beth Derryberry, Jenny Ernest, Brenda Gollighugh, Steve Hartman,

THOSE HORRID AGE SPOTS*

FADE THEM OUT

*Weathered brown spots on the surface of your hands and face tell the world you're getting old—perhaps before you really are. Fade them away with new ESOTERICA, that medicated cream that breaks up masses of pigment on the skin, helps make hands look white and young again. Equally effective on the face, neck and arms. Not a cover-up. Acts in the skin—not on it. Fragrant, greaseless base for softening, lubricating skin as it clears up those blemishes. At leading drug and toiletry counters. \$2 plus tax. If you have these age-revealing brown spots, blotches, or if you want clearer, lighter skin, use ESOTERICA. At all Drug Stores.

Parsons Drug

Andrew Henderson, Kathy Kersten, Linda Lewis,

Danny Manly, Pam Mitchell, Judy Moore, Jim Bob Nall, Wanda Nash, Grady Reed, Janie Reynolds, Ruben Sanchez, Becky Sietz, Bobby Shrubbs, Della Shumate, Alma Stevens, Lucy Sullivan, Sallie Tarver, Robert Wolf, Donna Cramer, and Gloria Rodriguez.

Pierces Move to Wellington

Mr. and Mrs. E. G. Pierce, who lived in the Quail community nearly 60 years, recently bought a home at 1111 West Avenue and moved into Wellington.

Mr. Pierce came to Wellington with his parents, the late Mr. and Mrs. J. N. Pierce, in 1902; a year later they moved to Lillie, and in 1906 onto the farm at Marella. Mr. Pierce has owned this farm since the late 1920's, after the death of his parents.

Mrs. Pierce also is a pioneer resident of that area, being the daughter of the late Mr. and Mrs. H. Melton.

Greenbelt FFA Officers Named

The recent election of Greenbelt District Future Farmer officers saw Samnorwood and Wellington boys go into offices for the coming year.

Ken Baxter of Samnorwood was elected vice president and Freddy Mayhugh of Wellington sentinel. The election meeting was held at Paducah.

In other district offices are Rodney Sams of Lakeview high school, president, the post held by Lynn Wolf of Wellington last year.

Dwayne Lamberson of Clarendon is secretary; Richard Shaw of Hedley, treasurer; Carl Houston of Memphis, reporter; Jim Robertson of Turkey, parliamentarian; Melvin Long of Estelline, historian; and Wendell Isbell of Paducah, song leader.

The advisor for the Greenbelt District will be Barney Bevers, vocational agriculture teacher at Lakeview high school.

Bering Strait was named for Vitus Bering, a Dane in the Russian Navy.

'65-66 Schedule for Arnett Indians Listed

The 1965-66 schedule for the Arnett Indians was announced this week by Larry Powers, coach. All games will begin at 7 p.m.

The Indians do not begin play until Nov. 12, approximately a month after the other smaller schools of this area. The schedule follows:

Friday, Nov. 12 — Eldorado there.

Tuesday, Nov. 16 — Reed at Arnett.

Tuesday, Nov. 23 — Duke at Arnett.

Tuesday, Nov. 30 — Chillicothe at Arnett.

Friday, Dec. 3 — Chillicothe at Chillicothe.

Tuesday, Dec. 7 — Gould at Arnett.

Tuesday, Dec. 14 — Martha at Arnett.

Friday, Dec. 17 — Dodson at Dodson.

Tuesday, Dec. 21 — Olustee

Lunchroom Menu

• Mon. Oct. 18: Hamburger on a bun, onion, mustard, lettuce, pickles and tomatoes, french fried potatoes and catsup, peanut butter cookies, apricots in syrup, half pint milk or chocolate milk.

• Tues. Oct. 19: Chicken salad sandwich, potato and onion soup and crackers, lettuce and tomatoes, cherry cobbler, half pint milk or chocolate milk.

• Wed. Oct. 20: Vienna sausage, sauerkraut, whipped potatoes, crisp cornbread, cheese wedge, apple half, doughnuts, half pint milk or chocolate milk.

• Thur. Oct. 21: Ground beef and gravy, hot potato salad, blue lake green beans, hot rolls and butter, jello with whip topping, half pint milk or chocolate milk.

• Fri. Oct. 22: Football menu: team winning roast beef with gravy, kick-off potatoes, touchdown peas, hold that line salad, football rolls and butter, scoreboard cake, half pint milk or chocolate milk.

TOO LATE NOW

In London, railwayman Owen Savage was awarded 10,000 pounds (\$28,000) by a court for the "terrible" pain he suffered after an accident at work. The money will go to Savage's widow and six children—he died nearly a year ago.

"Jesus Is The Hope Of The World" Everyone Is Invited To Come Come Bring a Friend and a Bible

Married Men May Be Called for Draft

AUSTIN.—Draft-age men who married before Aug. 27 may be called by some Texas draft boards in November to help fill a quota of more than 6,000 men for physical-mental examinations, Col. Morris S. Schwartz, state Selective Service director, said Friday.

Currently, men in the 19-25 age range who are single and those married on Aug. 27 and since are being tapped, in accordance with an executive order issued by President Johnson in late August.

The Johnson order provided that married men who married before Aug. 27 would not be processed for armed forces service unless single men and men married since Aug. 27 are not sufficient to fill quotas. The order did not pertain to married men with children, who are deferred for dependency if boards are advised of a child or expected child in the family.

The decision to permit the forwarding of men married before Aug. 27, Col. Schwartz said, was made because some local draft boards may not have enough available men unless the move is authorized.

"If calls are kept at their present level," the state draft director said, "the men who married before Aug. 27 likely will be needed for induction about January. We have to take preparatory steps in view of the expected situation that will face us about the first of the year."

Col. Schwartz said that he understood from his contacts with other state directors that the move also is being made in other states.

Texas local boards are scheduled to be sent their November induction quotas Friday, involving a state call for 1,231 men. This compares with state quotas of 1,504 and 1,459 for October and September, respectively. The November quota of 6,245 men to be examined is also scheduled for mailing Friday.

The November state quota of 1,231 for induction is the Texas share of a national call for 32,450 men, 28,400 for the Army and 4,050 for the Marine Corps. An earlier request by the Navy for 4,000 men was deleted in an amended call on the states.

Col. Schwartz also said his office has received calls for 62 physicians, 15 dentists, and 6 veterinarians, to be supplied in January.

Local boards have been instructed to forward doctors, dentists and veterinarians for examination preparatory to filling these quotas.

Mrs. R. L. Porter, medical, Oct. 5 to 11.

Mrs. Earl Bowen, medical, has been a patient since Oct. 5.

Mrs. T. C. Clement, medical, Oct. 5 to 11.

Mrs. R. L. Temperton, surgical, Oct. 6 and 7.

Graham Bowen, medical, Oct. 7 to 9.

Mrs. D. C. Lacy, medical, Oct. 7 to 11.

Mrs. Joel Ozuna, obstetrical, Oct. 9 to 11.

Mrs. Donnie Huston, medical, has been a patient since Oct. 11.

Buford Thomas, medical, was admitted Oct. 11.

Lucien Bearden, medical, was admitted Oct. 11.

Lonnie Needham, medical, was admitted Oct. 11.

Mrs. Rachel Phillips, medical, was admitted Oct. 12.

Patients admitted earlier and dismissed since Oct. 4 are:

Mrs. Tom Caldwell, Oct. 5.

Monroe Johnson, Oct. 7.

White Deer Leads

Rockets Scored on Only Once to Date

The Wellington Skyrockets still have been scored on only once, 6 points by Shamrock. They are second from the top, and their 38-0 win over Sunray Friday night, Oct. 8, brought their total scoring to 134 points and their season record to four wins, no losses, and one tie.

White Deer remains at the top of the district in non-conference play, with five wins, no losses and no ties. Their point total mounted to 166 with their 41-6 victory over Claude. Memphis with four victories and one loss, and Clarendon,

with two wins and three losses, did not play last week, having already completed their non-conference schedule.

McLean lost to Gruver 52 to 8 and that left their record one win and four losses.

Canadian lost a heart-breaker to Panhandle 13 to 12 and that put the Wildcat record at no wins and five losses.

In one sense, the slate will be wiped clean this week when all six teams begin conference play, although the above figures go on in the season records.

Navy ROTC Exams Set

Vice Admiral B. J. Semmes, Jr., Chief of Naval Personnel, announced this week that the 20th annual national competitive examination for the Regular Naval Reserve Officers Training Corps will be given on 11 December 1965. Eligible high school seniors and graduates should submit their applications before 19 Nov. 1965.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice from among the 52 colleges with a regular NROTC unit.

All tuition, fees and books are furnished by the Navy, and the student receives a subsistence allowance of \$50 a month for not more than four years. During the summers the student goes on interesting training cruises as a midshipman.

After successfully completing a baccalaureate level college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a career officer with the Navy's modern fleets. Immediate challenging assignments to aviation training, nuclear training or submarine training offer varied career opportunities to those graduates who apply and qualify.

High school seniors and graduates who will have reached the 17th but not the 21st anniversary of birth on 30 June 1966 may apply for the NROTC aptitude test. Those who make a qualifying score will be interviewed and given a thorough medical examination ear-

ly in 1966. From the number of qualified young men remaining in competition, about 1,600 will be selected to attend college next September to prepare for their naval careers.

Applications and forms are available at local high schools and Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington, D.C. 20370.

Board Changes Meeting Time

The board of supervisors of the Salt Fork Soil Conservation District has changed the nights of its regular meetings to the second Tuesday of each month.

The time is 8 p.m. and the meetings are held in the Soil Conservation Service on the third floor of the courthouse, according to Doug Lowe, SCS work unit conservationist.

These meetings are open to all who wish to attend.

Rock Show Set for Oct. 16-17

The Fifth Annual Rock Show of the Canadian River Gem and Mineral Society will be held Oct. 16 and 17 at the Bonavista Cafeteria, three miles west of Borger.

All area rockhounds who would like to exhibit their collections or lapidary work at the Rock Show should make reservations as early as possible by writing G. G. Nicholas, 511 Bowie St., Borger, Texas 79007.

Other features of the show will be demonstrations in the art of silversmithing and faceting and hourly door prizes.

CROSSROADS REPORT

Dear Editor:

I see where it's reported that Washington has been making with the millions to pacify the firebugs and looters who stirred up Los Angeles a while back.

My change-sick neighbor says this proves that our social order has shifted significantly from the old backward system which clobbered rioters and rewarded workers.

Says it looks like people have just got to adjust themselves to a Sophisticated Society, where hellraisers get pampered and non-hellraisers get higher taxes.

There has been considerable discussion at this level about Congress being irritated on account of some youths burning

their draft cards.

My passivist neighbor says making this practice illegal won't amount to much, due to the modern moral teaching that people had ought to disobey any laws they don't like.

And he says with some politicians and some preachers approving the disobedience doctrine, including burning draft cards, he is trying to get up his nerve to burn the next income tax form he gets.

Not much mention in the papers these days about the National Debt, as many official and news commentators apparently have decided to just forget about it.

My debt-logged neighbor says this highly enlightened attitude toward debt is one of the best features of the Great Society and had ought to be popular with the debtor class.

But he says there is considerable missionary work yet to be done to sell this progressive principle to die-hards like his

Group Here for Mannahan Rites

A group of out-of-town friends were here recently to attend the funeral of P. A. Mannahan.

These included Mr. and Mrs. C. E. Corbit, Mr. and Mrs. L. Jordan and Mrs. George Kelly of Hollis; Min. and Mrs. Claude Walkup and Mrs. Eula McCarver of Gould; Mr. and Mrs. Dave Duke of Bridgeport; Mrs. Clyde Vinson of Pampa; Mr. and Mrs. Ernest Darnell of Borger; Min. Joe Dukes and family and Min. Clyde Dukes and family of Allison.

Andrew Jackson's home was called "The Hermitage."

The Monroe Doctrine was published in 1823.

Thanks Friends

WE ARE READY FOR THE 65-66 SEASON

We wish to take this opportunity to thank our good members and friends. Your support has built one of the strongest service cooperative associations anywhere on the rolling plains.

There are few services or supplies a farmer needs that we do not supply.

We have the most complete and varied stock of cotton and field seeds always ready in season.

We have fertilizers for every crop and it is always ready.

We have pioneered and kept abreast with the improved insect control programs.

Our stock of farm hardware is always complete in season.

We have created markets for farm products that are more complete and higher, by comparison, than have ever been enjoyed by farmers before.

Our elevator has enabled us to store grain in government loan and, redeem it when the market justified, cheaper than has ever been possible before. We can store your grain and keep it in condition for you when you need it to feed, and we have a market as high as anyone when you want to sell at harvest time.

Our gin is as modern as when it was built, because we have added any machine or practice that will improve the grade and turnout of your cotton.

We have double drying that enables us to make a smoother cleaner sample when your cotton is green or wet, without having to hurt your staple with heat that is too high.

Our greenboll trap keeps most of the green bolls out of the gin where they can make your sample neppy and of poor preparation. Our extra high speed boll breaker will open the late bolls to assure you a better turnout on your late cotton.

Our cotton market is unexcelled, and we handle every phase of your cotton marketing right here in our office quick and efficient.

We invite you to use these services rendered to you at just cost of operation, because we return the savings to you in dividends.

SUPPORT THE HOME TEAM

Deck's DIDACTICS

—By Deskins Wells

Since this is national newspaper week it seems like a good opportunity to say something about our own business. A newspaper is primarily a service institution providing information and entertainment for its readers. It is a market place that promotes business by increasing sales and enabling people to exchange goods and services with greater facility and finally a newspaper is a manufacturing plant changing paper and ink into a valuable commodity and practically an indispensable service.

The Wellington Leader employs ten people, eight full time and two part time. These skilled artisans and craftsmen and women are our friends and neighbors. If you are in business, they are also your customers. The payroll that supports them is one of the important ones of Wellington. They represent an institution that has been a part of our town since 1909. Their primary task is to bring you a good newspaper, but their services to the community in other areas are many and varied.

All of us want new industries but we should not forget the old ones. By industries we mean the gins, machine shops, locker plant, mattress plant, scanograver plant, cattle guard plant and of course the newspaper.

No farther away than Paducah the people had some difficulty in keeping their newspaper alive. They were never without a Paducah paper, but for a period of nearly a year it was printed in another town but it did not carry much Paducah news and its promotion of the welfare of the town was not significant. We are happy to report that The Paducah Post is once again being printed in Paducah and the merchants and the people seem to appreciate it very much.

On October 2 of 1965 Prairie Flower, 5-year-old daughter of white captive Cynthia Ann Parker and Comanche Chief Pete Nocona was reunited with her mother after 102 years. Remains of the child were reburied beside her mother near the grave of her brother Quanah Parker, last chief of the Comanches. Her mother, Cynthia Ann, was captured May 19, 1836 at Fort Parker, Texas and grew up as an Indian and later married Chief Nocona. She and Prairie Flower, then 2, were recaptured near Crowell in 1860 and were taken to live with relatives in Texas. Cynthia Ann, who considered herself an Indian, tried to escape to her beloved Comanches. Prairie Flower died in 1863 and Cynthia Ann died in 1864.

When I was a boy people seemed to think the recapture of Cynthia Ann by the whites was the happy ending of a tragic story. It was nothing of the sort. It was the beginning of a great tragedy. Even then I thought that the story of Cynthia Ann was sadder than "The Last of the Mohicans" and other sad stories of the Indians. Our treatment of the Indians remains one of the blackest pages in our national history.

We went to see the Texas-OU game; but as usual the real thriller was at Jones Stadium between Tech and TCU. The biggest upset of the nation this fall was SMU against Purdue.

While we are on the subject of football, we might as well pause to note that neither the A or B Wellington teams have lost a game to date. Conference play on the varsity starts this Friday.

REAL ESTATE TRANSACTIONS

Quit-claim deed: Cicero Smith Lumber Company to H. L. Duncan, Jr., and wife—N/2 lot 16 and all of lots 17 and 18, block 75, Wellington.

Mrs H. L. Pierce Dies Sunday at Irving

Mrs. H. L. Pierce, who lived in Collingsworth County 51 years before going to Irving in 1954, died in Colonial Acres Hospital there Sunday, Oct. 10 at 5:20 p.m. at the age of 95. Mrs. Pierce had been ill for a number of months and her condition grew steadily weaker.

Funeral services were conducted at the First Methodist Church in Wellington at 2 p.m. Tuesday, with the Rev. C. R. Hanks of the Aberdeen community officiating. Burial was in the family plot in West Wellington Cemetery. Kelso Funeral Home was in charge of local arrangements.

Pallbearers were Bill Tarter, Oral Bishop, Buster Bounds, E. F. Bartlett, Jack Davis and Johnny Carson.

Mrs. Pierce was born Frances Catherine Byrn, the daughter of Mr. and Mrs. James Preston Byrn, in Denton County, Tennessee, where she also grew up. She was married to Henry Lee Pierce at Big Sandy, Tenn., on Oct. 6, 1895 and after coming to Texas they lived in Wilbarger County several years before coming here. The family home for many years was a mile and a half north of Wellington on FM 1035.

Early in life she became a member of the Methodist Church and remained active in its work until her health failed. She also was a member of the home demonstration club.

Mrs. Pierce is survived by two daughters, Mrs. Vivian Garrett of Irving and Mrs. Dotie Jane Horsley of Mansfield. There are five grandchildren and 11 great grandchildren.

Her husband preceded her in death, as did a daughter and son, Miss Loeva Pierce and Edward Pierce.

◆ Norwood Opens

—from page one

"Their spirit is real good and they are working hard. At least four girls are trying for the starting position vacated by Jo Nell," Stephens said.

"We expect the guards to be much stronger than last year and we believe this team has possibilities of going as far as their determination will carry them."

Eagles

The Eagles are real inexperienced" said Stephens. He has back three boys who started part of the time last year, but none played a whole lot. These are Augustine Zermeno, Danny Tate and Paul Clark.

Stephens has to go with them Acie Boyd, Nelson Dwyer, Alvin Lisle, Stanley Oldham and Thomas Zermeno. Younger boys include Ken Wischkaemper, J. D. Ward, Lonnie Oldham and Frankie Green.

"I expect the team to be better toward the end of the year," said Stephens. "The Eagles' inexperience will hurt them at the beginning of the season but they seem to have the determination and are improving rapidly."

The word alphabet comes from "alpha" and "beta", the first two letters of the Greek alphabet.

Stanley Larsen Visits Friends

Stanley E. Larsen of Oklahoma City returned to Wellington Tuesday, Oct. 12 to visit old friends, his first trip here since he left in 1945.

He was manager of the Wellington Ice Co. for a number of years.

Mr. Larsen retired in 1964 following the death of his wife. His only son, Dana Larsen, is with the IMC Drilling Company of Lafayette, La. He is at present on an assignment for his company that took him to South America three weeks ago and he is now in Formosa. He will be in Japan before returning home.

H. G. Marchant, Retired Dozier Farmer, Dies

H. G. Marchant, 66, prominent retired farmer of the Dozier area and a resident of the county for 45 years, died in Shamrock General Hospital on Sunday, Oct. 10 at 1 p. m. He had been ill for several weeks.

He was the father of W. E. (Dub) Marchant of Wellington. A native of Izard County, Arkansas, Henry George Marchant was born Sept. 8, 1899.

He grew up in that area and was married to Miss Della Haley there on Sept. 24, 1919. The following year they moved to Dozier, where he farmed until his retirement.

Mr. Marchant was active in community affairs and a member of the Samnorwood Baptist Church.

Funeral services were conducted at 2:30 p.m. Tuesday, Oct. 12 at the First Baptist Church in Shamrock. The Rev. Jimmy Wilson, pastor, officiated. Burial was in the Shamrock Cemetery under the direction of Richardson Funeral Home.

Pallbearers were Dean Marchant, Don Marchant, Bruce Ward, Gary Clement and Russell Scadina, who are grandsons, and Charles Ambler.

Mr. Marchant is survived by his wife; one daughter, and two sons, Mrs. James Ambler and Dean Marchant of San Jose, Calif., and W. E. Marchant of Wellington. Other survivors are three sisters and a brother, Mrs. Owen Tomlinson, Mrs. Earl Winfrey and Mrs. Minnie Lawrence of Melbourne, Ark., and Ben Marchant of Paris, Ill. There are 7 grandchildren and one great grandchild.

A daughter, Mrs. Lela Cates (Mickie) preceded him in death in 1961.

Death Takes Mrs. T. M. Bartlett Here Monday

Mrs. T. M. Bartlett, a longtime Wellington resident, died at 6:30 a.m. Monday, Oct. 11 in Thomas Nursing Home. Her death was unexpected to her many friends here.

Funeral services for Mrs. Bartlett were conducted at the First Baptist Church at 10 a.m. Wednesday, Oct. 13, with the Rev. Allen B. Earnest officiating. Burial was in the family plot in the West Wellington Cemetery under the direction of Kelso Funeral Home.

Mrs. Bartlett was born Maude May Holt, the daughter of William and Amanda Shepherd Holt, in Tennessee, Oct. 16, 1881, and in only five days she would have celebrated her 84th birthday. She was only six weeks of age when her parents moved to Texas, where she was to spend the remainder of her life.

She was a member of First Methodist Church.

Surviving Mrs. Bartlett are a daughter and son, Mrs. E. W. Carter of Wellington and Ruben Bartlett of Safford, Arizona; a sister and three brothers, Mrs. Beulah Perry of Lubbock; Frank Holt and Alvin Holt of Bridgeport and Loyd Holt of Pampa.

There are 9 grandchildren, 16 great grandchildren and three great great grandchildren.

Laymen's Day Service Set by Methodists

Sunday, Oct. 17 is Laymen's Day at the First Methodist Church in Wellington.

On Laymen's Day, the laymen of the church have complete charge of the worship service.

Bringing the message will be Jeff D. Wilson. His message will be "Whatsoever a Man Soweth, That Shall He Also Reap."

The worship leader who will be in charge of the service and will lead the singing is L. B. Bratten. Sammy Helmers will lead the responsive reading and Jack Moreman will lead the congregation in prayer. There will be an all-male choir. Earl Lynn Bartlett will play piano and Miss Cherie Lewis the organ.

The church lay leader, Mack Saied, Jr., extends a hearty welcome to everyone to attend the laymen's service.

Andrew Jackson was a jack-of-all-trades — planter, trader, merchant, soldier and statesman.

Four Enlist in National Guard

Four young men from this area have enlisted in the National Guard Battery A since October 1, according to Capt. James Chappell, commanding officer.

These are Graham Bowen of Wellington; Teddy E. Thomas and Michael J. Shaw of Childress, and Earnest W. Neel of Memphis.

Joe Jeffers, Retired Farmer, Dies Sunday

Joe Jeffers, 74, a retired farmer and Collingsworth County resident for more than 60 years, died at 8:40 a.m. Sunday, Oct. 10 in Taylor Nursing Home at Vernon. He had been in ill health recently, but entered the nursing home only the day before his death.

He made his home here with a piece and nephew, Mr. and Mrs. George DeBord.

A native of Jeff, Missouri, Mr. Jeffers was born June 6, 1891. He lived in Wilbarger County a number of years before coming here. He had farmed at Plymouth and for many years in the Quail area before retiring and moving to Wellington.

He was a member of the Church of Christ.

Funeral services were conducted at the Church of Christ Monday at 2:30 p.m. by Min. Claude Walkup of Gould, Okla., a long-time friend. Burial was in the Quail Cemetery under the direction of Kelso Funeral Home.

Pallbearers were Rufus Jones, Frank Coleman, Z. J. Neeley, Elmer Hiatt, Marvin Blevins and Ira Self.

Mr. Jeffers is survived by four nieces and two nephews, who are Mrs. DeBord; Mrs. Hamilton Hill of Electra; Mrs. Howard Anderson of College Station; Miss Peggy Jeffers of San Antonio; Orton Jeffers of Electra and Eldeen Jeffers of San Antonio.

County Students in CJC Groups

With the organization of clubs and other groups at Clarendon Junior College, several Collingsworth students were elected to offices.

Nancy Hill is music chairman of the College-Career Young Woman's Auxiliary sponsored by the First Baptist Church, and Pat Juno is mission study chairman.

Lynn Wolf was elected treasurer of the Clarendon College Aggie Club.

Patty Juno was elected to the college annual staff.

R. F. Hudson Dies on Visit to California

R. F. Hudson, a Wellington resident for several years, died about 5:15 p.m. Friday, Oct. 8, while visiting his youngest son, Bobby Hudson, at the United States Naval Base in San Diego, Calif. Mr. Hudson had been in ill health during the entire time he had lived here.

His death was attributed to a heart attack.

Funeral services were conducted at the First Baptist Church in Wellington at 2 p.m. Wednesday, Oct. 13. Officiating was the Rev. A. D. Stewart, former pastor of the Assembly of God in Wellington.

Pallbearers, school friends of his son, were Raymond B. Horton, Skippie Duncan, Gary White, Drew Langford, Chester McLain, Ray Floyd and Johnny Jones.

Burial was in the North Wellington Cemetery under the direction of Kelso Funeral Home.

Robert Franklin Hudson was born July 3, 1892, in Alabama. Before coming to Wellington, he lived in Eloy, Ariz.

He became a member of the Missionary Baptist Church early in life.

Surviving Mr. Hudson are five sons and five daughters, who are Alvie L. Hudson of Hammond, Ind.; Ben Hudson and R. D. Hudson of San Antonio; Troy Hudson of Henrietta; Bobby Hudson of the U.S. Navy, San Diego; Mrs. Marie Emre, Mrs. Lola Fay Reading and Mrs. Marlene Farrara of San Diego, Calif.; Mrs. Parlene Clevenger, who lives in Maryland; and Miss Norma Hudson of Eloy, Ariz.

One brother also survives, Les Hudson, whose home is in Arkansas.

G. A. DeBord Dies Sunday in Amarillo

G. A. DeBord, 79, who farmed many years in the Plymouth community, died in Veterans Administration Hospital in Amarillo Sunday, Oct. 10 at 5 p.m. He had been in failing health about three years.

Since retiring from farming four years ago, Mr. and Mrs. DeBord had lived in Wellington.

Mr. DeBord came here 35 years ago from Snyder, Okla. Born in Tennessee July 30, 1886 George Andrew DeBord was the son of the late Abijah and America Turner DeBord. He lived in that state until he was 18, when he came to Oklahoma, and later lived in California before moving here.

He was married to Miss Birdie Skaggs in 1916 and she died March 11, 1930.

In 1937 he was married to Miss Bertha Jeffers of Wellington.

A veteran of World War I, Mr. DeBord served with the Army in Germany. He was a member of the American Legion and the Church of Christ.

Funeral services were conducted Wednesday at 4 p.m. at the Church of Christ in Samnorwood. Min. Claude Walkup of Gould, Okla., officiated. Burial was in the Plymouth Cemetery under the direction of Kelso Funeral Home.

Pallbearers were Vernon Rudy, Jim Ray, Henry Rogers, Carl Mac Jones, Worth Shields and J. C. Breeding.

Surviving Mr. DeBord are his wife; three sons and two daughters, who are Clarence L. DeBord, Jessie W. DeBord and Mrs. Flora Mae Rinehart of Lubbock; Lt. Col. Norman DeBord of Omaha, Neb.; and Mrs. George Lowe of Muleshoe.

Other survivors are a sister and a brother, Mrs. Lillie Agee and Otto DeBord of Jacksonville, Fla., 14 grandchildren and four great grandchildren.

WHS Sophs Name Officers

In a meeting of the Sophomore class of Wellington high school recently, class officers were elected and members voted to sponsor a pot luck dinner on Nov. 5 before the Wellington-McLean football game. The dinner will be served from 5 to 7 p.m.

Class officers elected were Billy Neeley, president; Sandy Covey, vice president; Brenda Bobo, secretary; Alfred Allred, treasurer; and Tim White, reporter.

THE STATE OF TEXAS
COUNTY OF COLLINGSWORTH

We, the County Judge and the Commissioners of Collingsworth County, Texas, do hereby certify that the requirements of Article 1936, Vernon's Ann. Civ. Statutes, have been in all things fully complied with by each of us at the October Term, A. D., 1965, of the Commissioners' Court, and that the cash and other assets mentioned in the above and preceding County Treasurer's Quarterly Report made by said Treasurer to said Court, and shown by him for the County, have been fully inspected and counted by us and that the amount of said money and other assets as held above is true and correct to the best of our knowledge.

WOODROW WOOD, Commissioner Pct. No. 1;

J. C. EMMERT, Commissioner Pct. No. 3;

ALFRED KNOLL, Commissioner Pct. No. 2

W. R. BREEDING, Commissioner Pct. No. 4;

C. C. BISHOP, County Judge

SUBSCRIBED AND SWORN TO BEFORE ME, this the 8th day of October, A. D., 1965.

LORENE JENKINS, County Clerk
Collingsworth County, Texas
