## Inmate found hanged

A 31-year-old Rotan man was found hanged in the detoxification center of the Mitchell County jail Sunday afternoon.

The inmate was discovered at approximately 3 p.m. by a church group that frequently

visits the jail. The group immediately notified the jailer on duty.

A statement released by Texas Ranger C. R. Brune stated, "The inmate was cut down by

two Mitchell County Sheriff's deputies who in

turn administered CPR to the inmate in an attempt to revive him."

James Gable Johnson was pronounced dead by Justice of the Peace

Charles Watlington and he ordered an autopsy to be performed at Ma-

lone-Hogan Hospital in Big Spring.

The investigating officer declined to comment on the autopsy pending its completion and the completion of the investigation.

Johnson was jailed January 30 of this year

on an attempted murder charge as he and another man were traveling on I-20 near Loraine.

An investigation into the death is being conducted by the Texas Rangers at the request of Mitchell County Sh-

eriff Wendell Bryant.

According to Texas Ranger C. R. Brune, the investigation will be

completed by Friday and all the evidence will be presented to the Mitchell County grand jury.

## Treatment plant situation improved

Charles Keith of the State Department of Health was in Colorado City last week to conduct the annual inspection of the water treatment facilities and City Manager Rick Crowley said that Keith "found an improved situation."

Most of the recommendations by Keith had involved "cosmetics," for instance, storage of pipe, mowing, etc., and not the quality of water treatment, but the city has been working on these problems throughout the year.

Crowley said that the city's public water supply state approved status is not in jeopardy, and added that the state approved status is given to systems that are better than they have to be.

Keith's only real concern, according to Crowley, was the city's ability to meet peak demand.

"I expect that the re- See PLANT, Page 2

## Wheat named chairman

### Kirschbaum makes plans for stores

Joe Kirschbaum, owner of Kirschbaum's Clothiers, was granted a three-foot variance on the building line of a lot at the corner of 17th St. and Hickory by the Zoning Board of Adjustments and Appeals during a meeting Monday night.

One of the reasons the variance was granted was because there was some question regarding the right of way there anyway, since it is at a point where two surveys overlap and there is a three-foot difference in the surveys.

Kirschbaum said that he plans to build a small shopping center there, with space for a new store for his own business, as well as four other stores.

Colorado City Chief of Police Ed Wheat has been named chairman of the local Salvation Army unit, after the resignation of County Judge Bill Carter from that post.

Fran Prescott will remain as secretary-treasurer until a replacement can be found.

Wheat felt that his position as police chief would be an asset to the Salvation Army post, stating, "I feel I can make fair decisions with helping people because of the position I'm in. There will be times when people will be in need of help and I can give them assistance."

Some of the services provided by the Salvation Army for those in need include a meal, a night's lodging, emergency aid to the stranded, a pair of shoes, a bus ticket, a family grocery order, clothing, medicine or limited medical aid.

Kiwanis Club members resumed working on the Dell Barber Kiwanis Park the last couple of weeks. Completion will be soon as members are laying an underground sprinkler system and will start this week laying bricks for the walkway. All that will remain is the planting of the grass.

## Wolf girls off to regional

The Colorado City Wolves and Loraine Bulldogs girls regional qualifiers found the going rough in Wall Friday in a Regional qualifier's track meet.

Over 40 schools ranging from class A to AAAAA competed in the meet. The Wolves placed ninth in the meet scoring 18 points, while Loraine got eight points from Leslie Rose in the shot, who lost for the first time this year. It took a heave over 41 feet from a girl from a class AAAAA school to defeat Rose, who threw 40-6.

The Wolves top finish came from Sandra Williams in the triple jump who had a career best of 36-2. The 800 relay team recorded their fastest

time of the season 1:52.49 for fifth place.

Their times were Hollie Taplin (29.58), Robyn Turner (29.07), Tomika Randle (26.56) and Williams (27.53). The same team ran a 51.22 for fourth place in the 400 relay.

This weekend the Wolves, along with coaches George Martin and Linda Mathis will travel to the Region IAAA meet in Odessa, at the Odessa College Track Field. The first two finishers in each event will qualify for the State Track Meet in Austin on May 6.

The Wolves will be competing against 43 teams representing districts 1 AAA to 8AAA. Martin will bring five individuals and two relays in quest for a trip to

Austin. The Wolves top relay will be the 400, where they have the best time

with a 50.65, but Martin is unsure who will run on the relay with the See TRACK, Page 6

## Entry deadline set for June 4

Contestants for the second annual Miss Mitchell County pageant, sponsored by the Chamber of Commerce, will be accepted until June 4. Co-chairpersons for the event are Virginia Fuller and Mac Perkin.

The pageant is scheduled for June 24 and 25 and is open to all Mitchell County girls who are sophomores, juniors or seniors. No sponsors are necessary for the entrants but a \$10 entry fee is required.

On the first night of the pageant, to be held in the Colorado High Sc-

hool auditorium, the contestants will display their talent and will also be interviewed. Although the 10 finalists will be selected then, the names of the winners will not be announced until Saturday, June 25.

Saturday night, after the 10 finalists are revealed, those finalists will compete in evening dress and will also be performing their talents. The five finalists selected from this group will then be asked a question which serve as part of the basis for the See QUEEN, Page 2

## VICA students capture honors

Students at Colorado High School came away with seven first place awards at the State Meeting of the Texas Association of the Vocational Industrial Clubs of America April 14-15 in Fort Worth at the Tarrant County Convention Center.

Ten students and Auto Mechanics instructor Glenn Dunn made the trip, and two members earned second places, while one student earned a third place.

First place winners were Van Beck for Chrysler Starter, Lucas Campos for General Motors Starter, Tim Bei-

ghts Rachetes and Four Barrell Carburator, Michelle Franco, Chevrolet and Brake Assembly and Frank Torrez Ford Motorcraft Carburator.

Other first place winners include Emilio Martinez for General Motors Starter and Willie Martinez, Chevrolet Cylinder Head. Second place awards went to Ruben Luera for Chevrolet 350 Automatic Transmission and Robert Gomez for Rachetes Two-Barrell Carburator. Gerry Hamilton received a third place for General Motors Alternator.

SOME OF THE STATE'S BEST—These students at Colorado High School won awards at the State VICA Contest in Fort Worth. They are left to right Instructor Glenn Dunn, Robert Gomez, Michelle Franco, Van Beck, Frank Torrez, Tim Beights, Ruben Luera, Emilio Martinez, Willie Martinez, Lucas Campos and Gerry Hamilton.

# Girls Scouts participate in track meet

On Saturday, April 16, Colorado City Girl Scout Troop 322 went to La-mesa to participate in the 6th annual Area IV Girl Scout Track Meet. Troop members attending were Betty Emerson, Monica Hamilton, Dolores Jackson, Daneshu Lusk, Stacey Miles and Christy Yates; Cindy and Sammy McBride and Margaret Yates accompanied the girls.

In addition to winning a 100 percent troop participation award, several of the girls won individual awards during the competition. The girls and their awards are: softball throw—Stacey Miles, 2nd

place, Dolores Jackson, 4th place and Daneshu Lusk, honorable mention; running broad jump—Monica Hamilton, 2nd place; 50 yard dash—Betty Emerson, 2nd place and Daneshu Lusk, 4th place; 440 relay race—the team of Betty Emerson, Monica Hamilton, Daneshu Lusk and Christy Yates, 2nd place; 100 yard finals—Betty Emerson, 1st place.

Betty Emerson also tied for 2nd place in overall points for the 6th grade girls.

After the track meet, everyone enjoyed supper at Furr's Cafeteria in Big Spring.

## News from...

# Root Valley Fair Lodge

By PAM JARNAGIN  
This week is National Volunteer Week!

It is a week to express our appreciation to all who give their time and talents to others. There are nominations going to Austin for the outstanding volunteer who has provided broad and exceptional leadership to a cause, program, or project which ministers to human needs and has advanced the whole realm of volunteerism.

All of our volunteers with Root Lodge are in this category; it would be impossible to pick one person or group over the others for outstanding volunteer service.

Being a volunteer is to be in good company. Governor Mark White is co-chairman with his wife, Linda Gale White, for the Texas Volunteer Conference to demonstrate his commitment and belief in volunteerism.

Governor White will be the main speaker at

the conference. All volunteers are invited, proving once again the verse, "The greatest among you will be the servant of all." That is why Mother Teresa of Calcutta, India is always voted the "Most

admired woman in the world."

Our news this week is taken up with praise and thanks to all of our volunteers this National Volunteer Week, and throughout the year.

STEPHANIE MC-ADAMS, a senior at Loraine High School, will be going to state competition in Austin on April 29 and 30. She will be competing in shorthand. Stephanie is the daughter of Mr. and Mrs. Roland Rickard.

## No juvenile crimes reported in city since January 1

No juvenile-related crimes have been reported to the police department since the first of the year, according to Chief of Police Ed Wheat. "I think this is a very good sign," said Wheat. "Colorado City youth are cooperating in efforts to lower the local crime rate and we appreciate it."

## Oak Singers to perform

The Oak Singers, a young energetic southern-gospel group currently consisting of six members, including the band, will be appearing at the Lighthouse Assembly of God Church located at 11th and Hickory on Monday, April 25 at 7:30 p.m.

The group has released four long-playing albums and most of the material they use is of their own composition.

The Oak Singers have appeared on numerous television programs, including "P.T.L. Club," Trinity Broadcasting network of Santa Anna, California, "It's a New Day" of Winnipeg, Canada, "The Carl Tipton Show" and "The New Life Show," both of Nashville, and "The Hour

of Power" of Yuba City, California.

They have also appeared on the gospel segment of the "Louisiana Hayride" in Shreveport and travel quite extensively throughout the United States and Canada performing concerts, fairs, churches, conventions and private ceremonies.

In 1977, they took first place at the California State Fair in the Country-Gospel category.

The group has been together for over four years full time and for one year before that on a part time basis. They are originally from Live Oak, California.

Admission is free to this concert and the public is encouraged to attend.

## 4-H leaders recognized

Billy Preston

Bill Preston and Sharon Burnett of Mitchell County were among 32 4-H leaders honored recently (April 11) for

their contributions of time and labor to their county 4-H programs. These volunteer leaders are considered the backbone of 4-H club efforts.

The banquet honoring the leaders was held in the Houston Harte Center on the Angelo State University campus and was sponsored by nine rural electric cooperatives located throughout the 17 county West Central District of the Texas Agricultural Extension Service. About 145 persons attended the event.

## Wolf linksters in second place

As the end of district 6AAA golf competition draws near, the varsity Wolves are currently in second place behind front runner Crane.

With one remaining tournament the Wolves are 90 strokes behind the Cranes, 15 strokes ahead of Sonora and 28 strokes in front of Ozona.

Coach Walt Staats states, "The team is com-

ing along very well, better than I expected, considering we had only one returning letterman."

At the Wolves most recent district tournament in Sonora, the Pack did not fare so well finishing in fourth behind Crane, Sonora and Ozona.

The "A" team shot 356. Tom Rees shot an 80, Kevin McLean 88, Jay Piland 93 and Jarly Powell 95. The "B" team shot a 409. Their scores were: Fred Dakan 95, Gary White 102, Todd Whitesides 93 and Robert Lemons 119. First medalist of the tournament was Jeff Pinkston of Crane with a 77.

commendation of the engineers (on this problem) will go back to the city council for further consideration once we get the bonds sold for the sewer treatment plant," said Crowley.

## C-City places third in Lone Wolf Relays

The host team, the Wolves gave pre-meet favorites Slaton and Coleman a scare before finally falling by the wayside at the annual Lone Wolf Relays Friday at Wolf Track Field. Slaton used its overall team speed to win the meet with 145 points, Coleman was second with 113½ and C-City followed with 92½ points. It was the final meet for the Pack before the district meet this Friday in Ozona. The "tune up" for district left Wolf coach Rick Robinson happy. "I was a little surprised we did pretty well, the kids competed well, I think this will give us confidence going into district," said Robinson. Going into the running events, the Wolves led the field with 35 points, Slaton followed with 30 and Coleman had 28½ points. The Rivera cousins, Dennis and Armando

had a lot to do with the field event scoring as they combined for 19 points. Sophomore Armando won the high jump (6-0) and placed third in the pole vault (11-6), while junior Dennis placed fifth in the high jump and sixth in the long jump. The Pack dominated the high jump as Doug Chitsey leaped 5-10 for third place, giving the Pack 18 points. The Pack also got a pleasant surprise when Chris McKinney

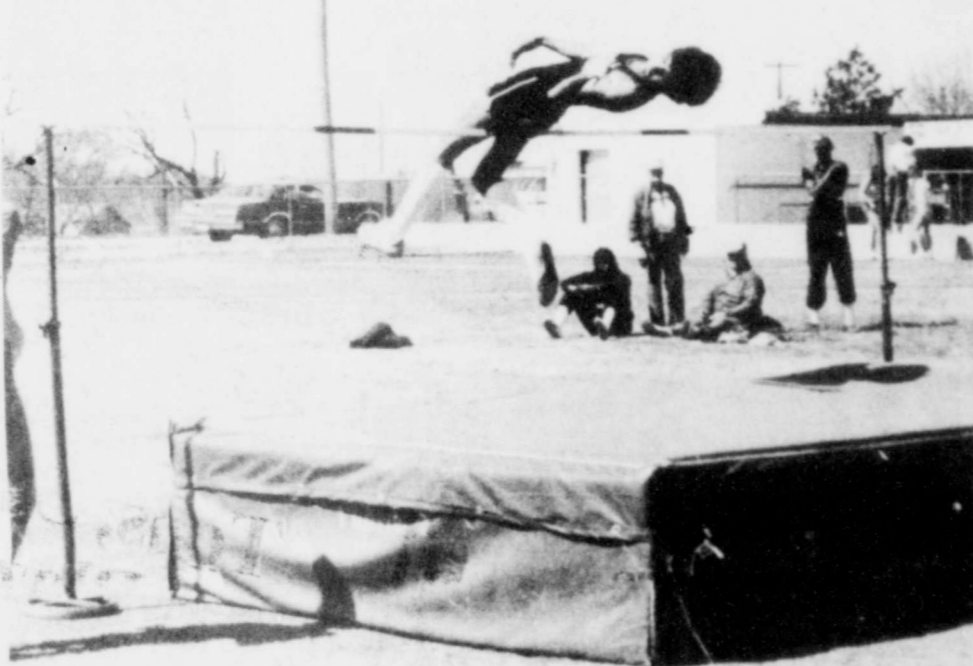

hurlled the discus 138-6 for first place. It looked like the Wolves were headed for the championship in the first running event the 3200, when Jay Claxton finished second (11:06.38) and Charles Iglehart third (11:09.19). The Pack's lead over Slaton had grown to 49-40, but after that, Slaton's team speed paid off. The Wolves also scored big in the 800, as sophomores Donnie Davenport (2:07.47) and

Don Randle (2:07.99) placed third and fourth respectively. Other top Wolves finishes were a second place finish by the 400 relay team of Larry Hamilton, Kevin Norman, Perry Conner and Joey Ritchey (45.2), and a third place in the 100 by Norman (11.0). An added attraction to the meet was the Fat Man's 400 relay. The Pack's team of Franklin Marsh, McKinney, Johnny Rivera and A. Ri-

vera placed third with a "blazing" time of 49.66. The Loraine Bulldogs competed in the meet, and scored 22 points. John McAdams placed third in the discus with a toss of 122-4. But the top Bulldog performance came from Jerry Darnell, who remained unbeaten in the 400. The Bulldog senior "showed the big boys how to do it" as he sped around the oval in a record breaking 50.48, breaking the old record of 50.77 set last year.

RECORD BREAKER—Loraine Bulldog Senior Jerry Darnell glides across the finish line to win the 400 meters at the Lone Wolf Relays. Darnell's time of 50.48 broke the old record of 50.77.

WINNING JUMP—Wolf Sophomore Armando Rivera leaps over six feet to win the high jump competition at Saturday's Lone Wolf Relays.

REGIONAL QUALIFIERS—Members of the Wolves girls varsity headed to regional this week are front row left to right Jody Huff, Staci Free, Angela Selvera, Michelle Garcia and Hollie Taplin. Back row left to right are Robyn Turner, Tomika Randle, Sherry Fite, Stacy Hamrick and Sandra Williams.

## Wolves varsity boys to compete at district

The Wolves varsity and freshmen track teams will be in district competition this Friday at Ozona. Each member will be trying to place in the top two in the finals, to gain a berth to the Regional Track Meet on May 6-7.

The Ozona Lions seem to be the class in district 6AAA, as they are loaded with overall talent. The Lions have the number one shot putter, discus thrower, hurdler,

both relays and 400 people.

Ozona has clocked a 43.9 in the 400 relay and 3:24 in the 1600 relay, making them strong favorites in the events. The race for second in both relays will come down between the Wolves and Sonora. Sonora has posted a 44.6 in the sprint relay, while the team of Larry Hamilton, Kevin Norman, Perry Conner and Joey Ritchey has posted a

45.2 time. In the 1600 relay, both Sonora and the Wolves foursome of Norman, Donnie Davenport, Ritchey and Mike Ligon has clocked around the 3:30 mark.

Other Wolf hopefuls are Norman in the 100 (11.0), Ligon in the 400 (53.3), Jay Claxton and Charles Iglehart in the 3200, and Davenport and Don Randle in the 800. Doug Chitsey and Dennis Rivera will also be strong in the hurdles.

In the field events, the Pack could possibly cop the first three places in the high jump with D. Rivera, Chitsey and Armando Rivera all capable of clearing over six feet. Chris McKinney will make a strong bid in the discus with a best of nearly 140 feet. A. Rivera will also make his presence felt in the pole vault, as he has a best of 11-6.

Field events are scheduled to get underway at noon. Prelims in the running events starts at 3 p.m. while finals get underway at 6 p.m.

## Letter to the Editor

Dear Editor,

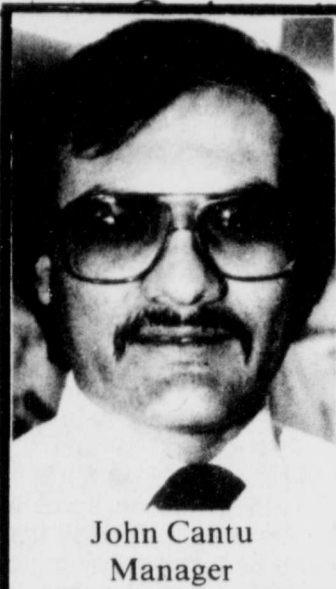

We would like to take this opportunity to recognize two outstanding teachers. They are Evelyn Malone-Kelley School and Carolyn Weaver-Hutchinson.

My children have attended many schools including international and foreign school. No where have we come across teachers as outstanding as these two.

Both are great teachers and really show love and concern for their students. Our children will long remember these two beautiful teachers.

Thank you,  
Rachael & Mike Britton

# Rose looking toward state track meet

When Leslie Rose was a small girl, she used to play with the "iron ball" that her big sister Jackie used to bring home to practice throwing.

"I used to try to throw it, and Jackie would just laugh and laugh at the way I would try to throw it," recalls Leslie. But little did either one of them suspect that one day Leslie would be one of the best shot putters in the state of Texas.

Leslie, a junior at Loraine High School is currently the state's number four shot putter with a best of 41-9. Really it should be no surprise that Leslie is a good shot putter, she is following in the footsteps of two other good shot people. Sister Jackie threw the shot over 37 feet at the 1977 State Track Meet, and in 1971-72, her cousin Carl Devorce represented Colorado High School at the State Meet winning first place his junior year and second place his senior year, with a toss of over 62 feet.

Leslie is the daughter of Mr. and Mrs. Sylvester Rose. She has lived in Loraine all her life, and says "she wouldn't live anywhere else." She has one brother Louis, who was an All-State football player, and four sisters; Jackie, Flora, Brenda and Emma.

Leslie has always been a good athlete. In junior high she participated in basketball, tennis and track, but admits that basketball and track are her "loves."

She has been a star forward for the Bulldogs ever since she has donned a uniform, averaging 15 points her freshman year and well over 20 points her sophomore and junior years.

In junior high she won the shot put most of the time, while always placing in the discus, an event she has improved steadily in during high school. Leslie admits that she has worked harder on the discus this year, as indicated by her winning the district meet last week with a throw of 104-0. In practice this week she threw 120 feet. "Coach Fine (Loraine coach) said that 120 might win state, but I have to do it in a meet," she said.

Rose handily won the shot at district with a toss of over 39 feet, as she has done all year long. She has been very consistent in the shot, with her shortest throw this year being 38 feet. What is the key to her consistency? "Hard work," said Leslie. "Coach Fine makes me lift weights three times a week, and work hard on my events," she said. Leslie says she lifts weights on Monday, Wednesday and Friday. She works strictly on the discus on Monday, on the shot Tuesday and on both events the rest of the week. She also does a lot of quick sprints to work on her quickness thru the ring.

But Leslie credits much of her success in the shot to Fine who has coached her from her freshman year. "Coach Fine has helped me a lot. He goes to clinics to learn about the shot so he can help me. He stays out and works with me a lot," she concluded.

## Track

From Page 1

injury to Staci Free, who pulled a muscle during cheerleader try-outs last week. If Free is unable to run, Turner will take her place, and in the 800 relay, Williams will take her spot.

The Wolves will get some "hot" competition from Slaton, who placed third in the 400 relay in Wall (50.90), River

Road 51.42 and Spearman 51.50.

The 800 relay is another story, as the Wolves have the next to last slowest time (1:54.8), but that time will be lowered with the stiff competition. Slaton, Tullia and Dalhart have all run in the 1:48's this season.

Williams will represent the Wolves in both sprints. She has the fastest time 12.17, followed closely by Coahoma's Nairn (12.19). The next competitor is 5 behind the two. Williams will have a much harder time in the 200, her qualifying time was 28.22, while Davis of Spearman, Vinard of Idalou and Johnson of

Seminole all have posted times under 27.0.

Miss Williams has a good shot to make it to state in the triple jump. Up until the meet in Wall, her best was 34-0, but her personal best of 36-2 could put her right in the running. Her main competition will be Hudson of Dalhart (36-2) and Willard of Coleman (35-4).

Loretta Morris will have her hands full in the 100 hurdles. The senior has a best of 17.2. French of Sonora (15.22) and Boone of Canadian (15.65) are strong favorites in the event.

Buchanan of Coahoma stands above the crowd in the discus with a best of 130-5. The Wolves Stacy Hamrick will be in the thick of things with her toss of 102-8. Other top competitors will be Reive of Commanche (110-10), Jorgenson of Ballinger 110-7 and Jackson of Friona (108-1).

Prelims in the running events will start at 3 p.m. Friday. Field events begin at 11 a.m. Saturday and running finals start at 1 p.m.

Leslie figures to get more competition at the Regional Meet in Levelland April 22-23, but competition is nothing new to her. Last year as a sophomore, Rose finished second in the district (35-3) and second in regional (36-0) which was an upset of its own. "Up until that time I was happy to get 35 feet," she laughed. In fact, Leslie was in first place until the last throw, "When a girl from Trent popped it out over 36 feet."

At the State Meet Leslie scratched on her first two throws in the pre-

lims. Leslie recalls that she just sat down and cried, knowing her whole season came down to one throw. She quickly regained her composure and reached the 36 foot mark on her final pre-lim throw, putting her in fifth place and into the finals.

On her next to last throw in the finals, Leslie surprised everyone, including herself as she uncorked the shot 38-6 for a third place finish at the State Meet, not bad for a sophomore.

But Leslie knows that if she gets out of Regionals this year, things won't get any easier for her, because the young lady from Salido, that won the shot put with a throw over 40 feet will be back for her senior year.

So now Leslie is at the point she was last year, getting ready for the Regional Meet, only this time she is much improved and a lot more confident. "I've been pushing myself and paying the price. I keep telling myself I have to

keep improving. My goal this year is 43 feet, and next year I want to be the best shot putter in Texas."

What does the future hold for Leslie Rose? Rose paused for a minute, and with a twinkle in her eye she calmly stated, "I don't know, it really hasn't been on my mind. The only thing I'm concerned with is winning the State Meet May 6th in Austin."

HARD AT WORK—Loraine shot putter Leslie Rose follows through with one of her throws during practice. Rose will be competing in regional this weekend.

## Bucy qualifies to regional

Randy Bucy, the Colorado City Wolves varsity tennis team's number one seeded player was the lone player to qualify for Regionals at district competition held last Friday and Saturday in Sonora.

Bucy earned a berth to regionals by defeating Mason of Ozona 6-3, 6-0, and Moore of Sonora 6-4, 6-0. Bucy was then defeated in the championship contest 2-6, 4-6 by Panaluer, but the second place finish was good enough to qualify for Regionals May 2-4 in Lubbock.

In other singles action Chris Aguillon lost to Kingsley of Coahoma 0-6, 1-6. In the junior division singles play Harold Kling lost to Moran of Ozona 0-6, 0-6.

In doubles play, Yardy Powell and Gerry Hamilton lost to Miller and Jennings 6-0, 6-2. Tim Nowell and Tony Nobles won over Gonzales and Keiles of Ozona 6-4, 6-2. They then lost to Cadena and Urta of Crane 0-6, 1-6. The C-City duo captured fourth place by defeating Tovar and Garcia of Crane 4-6, 2-6.

# Wind control technique increases cotton grade

Reducing the need for emergency tillage or replanting while increasing cotton grade and production are some of the benefits of the new wind erosion control technique developed by Soil Conservation Service agronomists.

The system uses perennial grasses in a calculated spacing across the field. One grass that appears to fit farming operations while reducing wind erosion in weeping lovegrass; it does not spread into adjoining crops and any normal tilling operation will destroy it. The grass does well on sandy soils and needs little moisture. During the winter months, it provides an effective wind barrier.

In April of 1980, SCS personnel designed and helped plant three acres of lovegrass strips on Robert Melcher's 200-acre cotton field near Roaring Springs under the Great Plains Conservation Program. The grass was planted with a broadcast seeder.

When Melcher planted his 1981 cotton crop, the grass strips were well established. As a result, he did not have to use a sandfighter on this field; normally, he would have had to use it three or more times.

He also estimated he had a 25 to 30 percent better quality of cotton and cleaner cotton at ginning time.

Melcher also increased his overall yield performance significantly against his nearby non-stripped field. The three acres of grass strips taken out of the 200-acre field was offset by the

increased production of cotton.

Impressed by the benefits, Melcher planted the remaining 200 acres of his cotton field to grass strips in April of 1982.

In 1982, Melcher said these strips saved him from replanting his young cotton crop at least once, saving labor, time and money. The

best rows of cotton are growing next to the protective wind strips.

Melcher began his strip cropping practice on a terraced field which has reduced terrace maintenance but it is now extended to non-terraced fields. Melcher says he has not had a terrace to break since he grassed his first set of terraces.

**WEEPING LOVEGRASS STRIPS**—The rate of soil erosion caused by wind is influenced by the length the wind travels between non-erosive or stable area. Growing wind-resisting crops or perennial grasses in strips alternating with strips of crops susceptible to soil blowing can offset adverse wind effects. Strip-cropping is also frequently used to protect the susceptible crops from wind damage.

## Committee holds first meeting

The Texas Family Farm and Ranch Advisory Committee held its first meeting April 12-13 at the Texas Department of Agriculture in Austin.

The 26-member group, appointed last month by Governor Mark White and Agriculture Commissioner Jim Hightower, discussed the potential of a grain pool for Texas grain producers and heard a report on farm economics.

Committee member Jerome Friemel, a Herford farmer, told the group that the grain pool would work as a marketing agency to promote Texas grain products nationally and internationally.

# Texas farmers received \$800 million less in 1982

Texas farmers got about \$800 million less from crop sales last year compared to 1981, with cotton sales taking the sharpest nosedive—from \$1.4 billion to \$875 million.

Estimated crop sales totaled almost \$3.8 billion in 1982 but were down due to poor prices caused by huge stockpiles of most farm commodities, together with sagging domestic demand and decreased exports, says Dr. Carl Anderson, economist with the Texas Agricultural

Extension Service, Texas A&M University System. Also, weather losses were heavy in some areas, particularly in the South Plains where more than half the cotton acreage was lost to hail.

Despite these heavy losses, cotton (both lint and cottonseed) was still the leading cash crop last year, with the South Plains leading the state at more than \$270 million in cash receipts.

Grain sorghum was the second leading cash crop with receipts of \$619 million. The Panhandle was the leading area with a \$165.5 million crop.

The Panhandle also led in cash receipts from wheat, ensilage and sugar beets. Wheat sales totaled \$169 million; ensilage, \$11.6 million; and sugar beets, \$10.4 million for the district.

Wheat was the third

leading cash crop in the state last year with receipts totaling more than \$499 million. Cash receipts from corn came in at \$310.2 million.

Along with its cotton crop, the South Plains was the leading producer of corn, soybeans and sunflowers. Cash receipts from corn surpassed \$130.5 million, soybeans brought in \$64.9 million, and sunflowers sales reaches \$24.4 million.

Total cash receipts from hay were the largest in North Central Texas, totaling \$22 million. That region also led in cash receipts from plums and peaches at \$515,000 and \$3.5 million, respectively. Cloverseed sales in North Central Texas totaled \$595,000 and led the state.

Alfalfa and guar crops brought top cash receipts in the Rolling Plains at \$3.2 million and \$24.9

million, respectively. Far West Texas led in barley production with sales of \$1.6 million.

Texas' pecan crop dropped sharply in 1982. The leading pecan region was Central Texas with cash receipts totaling \$7.2 million. Central Texas also led in cash receipts from watermelons, \$4.4 million; rye, \$275,000; and oats, \$5 million.

The Upper Coast area led in rice sales of \$223

million and in nursery product sales of \$87.5 million.

Cash receipts from melons, vegetables, grapefruit, oranges and sugarcane were largest in South Texas. Vegetable sales totaled \$100.2 million; sugarcane, \$14.5 million; grapefruit, \$33 million; oranges, \$15 million; and melons, \$3.2 million.

Peanut sales were tops in Southwest Texas at \$20.7 million. That

are also led in receipts from cowpeas at \$1.2 million.

Texas farmers should see some improvement in farm prices as huge stockpiles of farm commodities are reduced through the PIK (payment-in-kind) program, says Anderson. Increased domestic and export demand as a result of improving economic conditions in the U.S. and abroad should also strengthen farm prices.

### Submarine veterans sought

The Texas Chapter of the U.S. Submarine Veterans of World War II is trying to locate all submarine veterans who served on U.S. Submarines or in submarine relief crews during World War II between December 7th, 1941 and December 31, 1946.

This year the Texas Chapter's State Convention will be in Beaumont, Texas on April 29, 30 and May 1st. All Submarine Veterans and their families are invited. Anyone knowing the whereabouts of Submarine Veterans are requested to notify them of this reunion of shipmates.

The meetings will be at the Ramada Inn, commencing with registration on Friday, April 29th followed by the business meeting Saturday morning, April 30th, sightseeing tours Saturday afternoon, a banquet Saturday night, and finally, a memorial service Sunday morning, May 1st, before saying good-byes.

In addition to erecting memorials to our lost boats and shipmates, displaying World War II Submarines etc. 52 college scholarships are awarded each year to dependent children of U.S. Submarine Veterans of World War II members.

For further information inquiries should be directed to Mr. Odys Taylor, 116 Yuchi Drive, Fort Worth, Texas 76108 or Mr. Corwin Mendenhall, 5750 Sul Ross, Beaumont, Texas 77706.

"OLD BARN," an oil painting by Ethel Gist, was named Best of Show of the Annual Spring Show sponsored by the Brush and Palette Club of Colorado City. Mrs. Gist is the president of the Brush and Palette Art Club. The painting, along with others submitted for the competition, will be on display at the Mitchell County Public Library all during Public Library Week.

## Gist receives honor

Ethel Gist took Best of Show honors during the Brush and Palette Club's Annual Spring Art Show Saturday, April 16 with an oil painting entitled "Old Barn."  
 Fanny Fay Feaster won second Best of Show for a watercolor of "Exotic Iris" while third Best of Show was "Worn Out," a pastel by Homer Bodine.  
 In Oil Landscapes and Seascapes, "The Spring on Cow Creek" by Jo

Yancey won first place; "Reflections" by Peggy Blackwell won second place; "Moonlit Bay" by Drucilla Board won third and "Padre Island" by Drucilla Board won an honorable mention.  
 In the Oil Still Life category, Margaret Costin took first place with "Peaches and Sunshine" while Drucilla Board took a second with "Roses."  
 Ribbons for Water Color Landscapes were awarded to: "Last of the Bluebonnets," by Margaret Costin, first place; "The Duck" by Ben Costin, second place; "Mountain Showers" by Homer Bodine, third place.  
 Dry Media awards went to: "Jenny," a pastel by Ethel Gist, first place; "Mission Bells," a pencil by Ethel Gist, second place; "Tired," a pastel by Homer Bodine, third place.  
 In Copies, Jo Yancey was awarded an honorable mention for her oil, "Skull Buster."

## Bus trip taken by women

Mmes. Clara Butler, Ruth Blair and Bernice Hallmark of Loraine were among the group of 37 who enjoyed a Greyhound bus trip to San Antonio and other places in that area last week.

Mark Cook of Colorado City was tour guide and arranged the trip. They left Colorado City early Wednesday morning, April 13, spent one night in Kerrville, went on to Fredericksburg, and spent one night in New Braunfels enjoying nature's beauty; they toured museums, etc. in each city.

Leaving New Braunfels, they drove to San Antonio, checked in at the Menger Hotel and began their sightseeing tours. They visited museums, old missions, beautiful Breckenridge Park, the Sunken Garden, took the River boat ride and enjoyed a six o'clock dinner on the boat and had a picnic lunch under the big trees in the park.

Though San Jacinta's activities got underway with the noted Garden of Flowers parade, etc., Saturday, they didn't stay for that but headed toward home, arriving back in Colorado City at 10 p.m., all feeling they had a wonderful trip.

## Preston hosts class

Mrs. Vada Preston was hostess for the regular meeting of the Ruth Sunday School Class of First Baptist Church Loraine at 2:30 p.m. Thursday.

Mrs. Pauline Smiley presided over the meeting and gave the opening prayer.

Mrs. Frances Porter brought the devotional reading a new version of Psalms 23, and closed with the poem "What Our Saviour Means to Us."

Mrs. Homer Mearse read minutes of the last meeting and Mrs. Charlie Harris gave the treasurer's report. Group leaders, Mrs. Hays and

Mrs. Preston, gave reports.

Mrs. Nannie Hallmark directed a Bible quiz for recreation, and asked each to give their favorite scripture.

Business in the interest of the class was discussed and the Birth-

day song was sung to Mrs. Hays.

The hostess served a salad plate, cookies, nuts and punch to Mmes. Harris, Hall-

mark, Porter, Hays, Mearse, Smiley and Baird.

## Loraine School News

By SHELLY MARTIN, MELLISA CLIFTON & DEE ANN PULCHER  
This week has been a busy one for many Loraine students.

The Loraine High School band participated in District Concert and Sight-Reading contest at Abilene last Friday.

Thursday, Friday and Saturday, the Loraine FHA has a convention at Dallas. Melissa Clifton, this year's FHA president, Stephanie McAdams, last year's FHA president, and Debbie Browne, last year's vice-president, will be attending the convention.

Loraine FFA will participate in a judging contest this Saturday at

Lubbock. Stephanie McAdams placed 3rd in the regional competition and will be going to state in shorthand.

## Game Club meets

Mrs. Ida Baird entertained the Loraine Game Club Thursday at 7 p.m.

Four tables of 42 were played and refreshments of ice cream, pound cake, nuts and candies were served.

Those playing were Messrs. and Mmes. Willie Taylor, Doyle Hester, Leonard Coldewey, Floyd Coffee, J. M. Templeton, Raymond Wheeler, Clarence Matejowsky and Mrs. Syble Walker.

## Birth

Mr. and Mrs. Russel Compton of Midland welcomed their new daughter, Valerie Lynn, born on April 17. Also welcoming her was Bryan, three year old son of the Comptons.

Her maternal grandparents are Mr. and Mrs. Sterling Whitesides of Big Spring, and paternal grandparents are Mr. and Mrs. Jack Compton of Midland. Great grandmother is Mrs. Lyn Compton of Loraine and great grandfather is Raymond Wheeler, also of Loraine.

# It pays to know how much it costs to heat/cool the house.

With electric bills up these days, it'll pay you to know how much you're spending to use electricity all around the house. For example, how much does it cost to cook a meal... to dry a load of clothes... and to heat and cool the house? It all adds up.

At Texas Electric, we're doing everything we can to hold down the cost of electricity. We use the cheapest generating fuels available to us — natural gas and lignite coal. And we're building a plant to use uranium, a

cheaper fuel. You can help hold down your electric bill by conserving everywhere you can. For more information about the cost of using your household

appliances, look for the list of approximate operating costs enclosed with your April electric bill. Or call us, if you have questions.

And remember. It pays to know... because it all adds up.

# Livestock product sales total over five billion

Sales of livestock products which totaled some \$5.1 billion made up more than half of Texas' agricultural receipts last year.

Total sales of agricultural products are estimated at about \$9.6 billion for the state in 1982, says Dr. Carl G. Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University System.

Overall, cash receipts from meat animals were down about \$300 million from 1981 while dairy product receipts increased a little and poultry and egg receipts dropped \$10,000. Cattle and calves sold for \$3.8 billion; sheep, \$54 million; goats, \$11 million; and hogs, \$113 million.

Traditionally, Texas ranks first in sales from marketing of cattle and calves, sheep and wool, and goats and mohair, says Anderson.

Cattle and calf marketing brought in the largest total sales of any farm commodity. However, this was some \$300 million below 1981. Fed beef had the largest total cash receipts in the Panhandle, almost \$564 million. North Central Texas led the market for other types of beef

with almost \$260 million total cash receipts.

Dairymen, numbering about 2,600, marketed some 12 million pounds of milk daily from an estimated 330,000 cows. Northeast Texas led in sales of milk products and milk cows in the state with total cash receipts of almost \$161 million. Total receipts from dairy products stood at \$545 million last year, up \$4 million from 1981.

Cash receipts from broilers and farm chickens totaled \$125 million and \$7 million, respectively, in East Texas, the state's leading region.

Turkey receipts were the highest in Central Texas, at \$60.4 million.

The Coastal Bend area led the state in egg sales, at almost \$45 million. Chicken hen sales at \$759,000 were highest in the Upper Coast area, where receipts from honey also led the state at \$1.5 million.

Sheep and goat numbers increased slightly after many years of decline. Mohair receipts of \$25 million exceeded wool sales of \$16 million.

West Central Texas was the leader in cash receipts from sheep and wool with sheep sales at \$28.5 million and wool sales at almost \$7 million.

Southwest Texas led in cash receipts from goats at \$7 million and in mohair receipts of \$14.5 million.

Hog sales were the highest in South Central Texas at \$24.8 million.

## WIFE discusses 1982 balance sheet

Committee member June Saylor, national president of Women Involved in Farm Economics, discussed the 1982 Agricultural Balance Sheet for the United States and Texas.

Mrs. Saylor told the committee the nation lost \$144 billion in tax revenue last year because United States agriculture was not at parity.

The committee was formed to advise the Governor and the Agriculture Commissioner on the effects of federal agricultural policy and notify the two state officials when their intervention is needed. The committee will also propose new ideas for state and federal policies that would benefit Texas producers.

Its 26 members represent a broad spectrum of agriculture and agribusiness in Texas. Members of the committee include: Jerry Bailey, a Hill County farmer and rancher; Joe Chapa, Sr., Hidalgo County rancher; Lester Crane, Colorado County Judge and rice farmer from Columbus; Jerome Friemel, Hereford farmer; John Gayle, Brazoria County Commissioner, farmer and rancher; Cathy Jo Harman, farmer from Happy; Jim Hutchins, agribusiness representative from Estelline; David Jenkins, Chambers County rice farmer, and Carl King, Dimmitt farmer and president of the Texas Corn Grower Association.

Also on the committee are Dan Kubiak, a Rockdale rancher, a 14-year veteran of the Texas House of Representatives and president of the Texas Alcohol Producers Association; Mike Levi, Spicewood rancher; Susan McBee, assistant to the Governor and a former state representative from Del Rio; Mike Moeller, Hays County farmer and president of the Texas Farmers Union (TFU); Jay Naman, Waco farmer and rancher and former TFU president; Tom Perry, Robstown farmer and rancher; Joe Rankin, Ralls farmer and TFU vice president; Ralph Roming, Bovina farmer; June Saylor of Muleshoe, founder of Women Involved in Farm Economics, and Doug Seal of Wellington, president of the Texas Agricultural Caucus and a member of the State Democratic Executive Committee.

### Public Notices

Mitchell County Commissioners Court is receiving bids for Health and Hospitalization group insurance coverage for county employees. Particulars will be furnished by County Auditor, Martha Smith. Bids to be opened at 2:00 p.m. Monday, May 9th, 1983, during the regular Commissioners Court meeting.

### REQUEST FOR QUALIFICATIONS

The City of Colorado City is soliciting qualified consultants for (1) administration/planning and (2) engineering services required for implementing its Community Development Block Grant program. Proposals will be accepted until 5:00 p.m. March 16, 1983 at City Hall, 180 W. 3rd, Colorado City, Texas 79512.

The application outlining the proposed activities is available for inspection at City Hall. Consultants should submit their firm's qualifications and related experience, a general description of their approach to providing CDBG engineering, planning and administrative services, and the firm's present workload including personnel which would be assigned to this project. Please note that separate Requests For Qualifications (RFQ) should be submitted for both 1) Planning/Administration and 2) Engineering. RFQs will be evaluated, a first choice(s) will be selected, and then an agreement will be negotiated.

For further information contact Rick Crowley, City Manager, (915) 728-3464.

## Canning procedures changed

According to County Extension Agent Marian Morris, the United States Department of Agriculture this week released new processing recommendations for the home canning of tomatoes and tomato juice, applesauce, fruit purees and pumpkin.

For tomatoes, the USDA no longer recommends the one-step, cold pack method. Instead, use the hot pack method and increase the processing time to 35 minutes for pint jars and No. 2 cans, and to 45 minutes for quart jars and No. 2 1/2 cans. Also increase the hot-pack processing time for tomato juice to 35 minutes.

The USDA further recommends that strained (pureed) pumpkin and winter squash not be canned at home. Instead, cubed pumpkin and squash may be canned using a processing time of 55 minutes for pint jars and 90 minutes for quart jars. The processing times for applesauce and fruit puree should be increased to 20 minutes for pints, quarts, No. 2 and 2 1/2 cans.

To prevent food borne illness and the loss of valuable home canned foods, specialists with the Texas Agricultural Extension Service are urging home canners to follow the new USDA guidelines.

Twirlers will be Ronnie Womack, Doug Chitsey, John Webb, Perry Conner and Jay Piland.

## Powder Puff game to be held April 26

The Future Homemakers of America will again be sponsoring the Powder Puff Football Game to be held April 26 at Wolf Field.

The game will match young ladies from Colorado High School in the freshmen and junior classes against members from the sophomore and senior classes.

The freshmen-junior coaches are Tracy Tarter, Tom Rees, Willie Martinez, Chris McKinney and Frank Torrez. Senior-sophomore coaches are Paul Wood, Gerry Hamilton, Ruben Luera, James Blackwell and Junior Garcia.

As an additional attraction, halftime festivities will be presented with the naming of Powder Puff Queen. A candidate from each class will collect votes on April 25-26 by having people put money in their cans. The contestant with the most money will win. Charles Dillard, Dennis Rivera, Kevin Herm and Mike Ligon will vie for the honor.

Cheerleaders for the event will be Reed Powell, Tip Chaney, Don Randle, Joey Ritchey, John Longley, Robert Lemons, Larry Hamilton and Manuel Molina.

## Smith presents Agape program

Rochelle Smith presented the program for the Agape Circle meeting at 7 p.m. Monday, April 11 in the fellowship hall of First United Methodist Church.

Her subject was "Outside the Gate," and she read scripture and talked on the first two chapters of Hebrews. Hostesses Juanita Coker and Vera Manis served refreshments of

sandwiches, potato chips, cake, punch and coffee to Nelda Garrett, Phyllis Glover, Ethel Hardegree, Betsy Davis, Ora Fisher, Della Fox, Billie Martin, Elizabeth Elliott, Peggy Ratliff, Mrs. J. P. Nunn, Nancy Womack, Cathey Anderson, Jo Carter, Mrs. Barkley, Frances Godwin, Rochelle Smith and Wilma Reynolds.
