

## Kracker Krumb's

Odd Bits Salvaged  
By The Editor

Before another paper is published, we will have elected a new president.

Then, we'll probably quit getting so much of that "File 13" stuff that comes to our mailbox almost daily. We don't know of any campaign that has spent so much by mail, so much that gets into our waste basket unopened.

When we get our TV all clobbered up with political broadcasts, we will listen to one candidate and then decide: "That old boy is liable to win." After a while, the other side will come on and before he's through we've about made up our mind that he's asure shot for the White House!

We try to be neutral about politics. We believe what we believe, vote like we want to, and grant you the same privilege. Who are we to try to cram either party down your throat?

And so far as we're concerned, neither Kennedy nor Nixon has won a debate!

But you should vote!

A weekly newspaper editor from down Schulerburg way who claims to be a Texas Democrat for Nixon and Lodge has written a series of "impartial" articles as a public service. One which came to our desk recently is one which we believe you should read before election day. Here it is:

"Freedom is easily lost. Man, the only one of God's creatures who has attained this precious possession, has battled every force of ruthless monarchy, cruel kingship, evil dictatorship, or whatever we may choose to label the powers that would rule us without our consent. Every freedom we enjoy today was won by the ceaseless, endless work of patriots who preferred death to its loss.

"Freedom is lost just as surely when people lack self-reliance and put too much dependence on government.

"Freedom is lost when the demands of the state overbalance the rights of the individual.

"Freedom is lost when the individual is deprived of any of his rights to speak up, to work at a job of his own choosing, to take risks, to compete in business, to earn a profit and to keep as his own a fair share of what he earns.

"Freedom is lost when the right to do or the right not to do what we think best for ourselves and our nation is limited or curtailed.

"In the free countries every man is entitled to express his opinion and every other man is entitled to not listen if he so desires. As dearly as we cherish the right to agree, we must cherish equally the right to disagree.

"Enslaved nations I have visited recently have made me keenly aware of my freedoms as a citizen of our United States. More important by far, they have shown me how hard I must work to guard these freedoms. Not for myself alone must I plow deep furrows in the blessed soil that produce the first free man, but for each of you, your children and your grandchildren must join me in working, thinking and living to keep these freedoms.

"Freedom is easily lost.

"Do not fail to vote on November 8 for the leadership of your choice. November 8 will go down as the day brave Americans put America first and voted for the candidates they believe with conviction will preserve the priceless freedoms of a free nation."

It's up to you to decide which party's candidates will best guard those freedoms. If you're interested in freedom, sharpen your marking pencil and go to the polls next Tuesday!

**DID YOU KNOW**—That 231 new books were added to the Munday Public Library last year? United Fund helped!

Mr. and Mrs. Henry Walker and Billie Sue and Mrs. Buddy Brazell spent the week end with Mr. and Mrs. Charles Walker and son in Fort Worth and attended the T. C. U. and Baylor football game on Saturday afternoon.

## E. H. Mullican, 65 Dies Of Heart Attack Sunday

E. H. Mullican, 65, well known Munday resident, died of a heart attack at about 12:15 p.m. Sunday while on an outing at the city lake with his daughter and son-in-law.

He was found by his daughter, Mrs. Johnny Fruehwirth, a doctor was summoned and pronounced him dead upon examination. He is believed to have died instantly.

Mr. Mullican was born May 28, 1895, at Ennis and had lived in Munday since 1901. He was a retired produce and feed dealer. He married Hattie M. Wren here on March 29, 1914.

Funeral services were held at 3 p.m. Monday from the First Baptist Church in Munday with the pastor, Rev. Robert H. Young, and James Hallmark, minister of the Munday Church of Christ, officiating. Burial was in Johnson Memorial Cemetery under the direction of McCauley Funeral Home.

Serving as pallbearers were R. D. Atkinson, B. B. Bowden, Aubrey Roden, Bob Brown, Fay Killian and Don Wardlaw.

Mr. Mullican is survived by his wife; six daughters, Mrs. Pauline Morrow, Mrs. Ruby Meers, Mrs. Viola Cude, Mrs. Dorothy L. Howry, Mrs. Louise Fruehwirth and Mrs. Jo Nell Moon; a brother, Dee Mullican of Munday; a sister, Mrs. C. E. Broer of Houston; 12 grandchildren and one great-grandchild.

## Contract Let On Construction On U. S. Highway 82

A contract for 19.2 miles of construction on U. S. 82 in Knox County has been awarded to an Abilene firm, it was announced in Austin this week by the State Highway Commission.

J. H. Strain and Sons, Inc. submitted the low bid of \$562,185 on the project. Grading, flexible base, asphalt concrete pavement and one course surface treatment is expected to take 180 working days, according to Palmer Massey District Highway Engineer at Childress.

H. T. Cunningham, Resident Engineer at Munday will be in active charge of the project while it is under construction.

## Benjamin Youth To Work For CROP

Young people of the Churches of Benjamin will be celebrating Halloween by taking part in Trick or Treat for CROP, Christian Rural Overseas Program. Instead of defacing property or begging candy or food, they are asking for gifts of money to help hungry people overseas through CROP. They know that 25 cents will provide 19 children with bread and milk every day for one month. One dollar will give 15 children a cup of milk every day for a year.

Due to school activities, the Trick or Treat Program must be delayed until November 5th. Each young person participating will be identified by a lapel badge, and all house calls should be completed between 7:00 and 9:00 p.m.

CROP is a non-denominational program which is designed to provide to the necessities of life to starving people. It is difficult for us to realize the condition of many people in the world today. The Hongkong Board of Education reported to the Church World Service Director in the British colony that over 150,000 school children in Hongkong alone were too undernourished to do their school work.

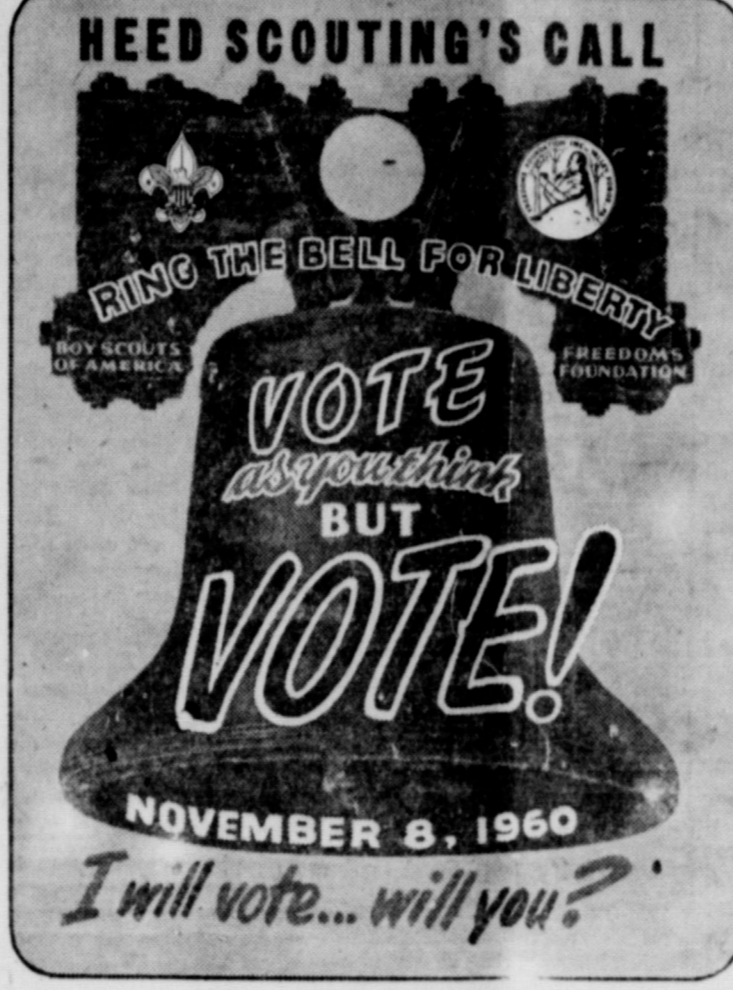

Our young people are eager to help. Welcome them and give generously to Trick or Treat for CROP.

## Methodist Raise \$180.03 For CROP

Members of the Methodist Youth Fellowship would like to publicly thank the people of Munday for their fine response to the C. R. O. P. on Wednesday night, October 26.

A grand total of \$180.03 was contributed. This is the largest amount ever raised locally for a C. R. O. P. appeal. The money has been forwarded to headquarters in Austin.

This amount of money will send 54,000 pounds of food overseas, it was stated.

## Munday Moguls Battle Paducah Team To 6 to 6 Tie; Win On Penetrations

The Munday Moguls and the Paducah Dragons battled to a 6-6 tie in District 11-A football last Friday night. However, the Moguls completely dominated the game and for district purposes won on penetrations three to one.

The local boys actually scored three times, but had two called back on penalties. Their first score came when Fred McGrady, guard, recovered a Paducah fumble on his own 43 yard line. The Moguls took over and moved the necessary yardage in 12 plays, with Fullback Tommy Dickerson carrying over.

The Moguls line was off sides, however, and the play was called back and they were penalized to the six yard line. Bruce Pruitt blasted over from the six. Jerry Meers tried for the conversion, but was stopped short.

Later in the first stanza, the

Moguls went over again, but the play was called back. Pruitt tie in District 11-A football last Friday night. However, the Moguls completely dominated the game and for district purposes won on penetrations three to one.

Paducah's score was actually given them by the Moguls. Munday had failed to make a first down, didn't want to gamble, so were lined up to punt from their own 31 yard line. The pass from center was high, and the ball was recovered on the one foot line.

Paducah took over on downs at this point, and James Hanks, Dragon fullback, went over on his second try. The try for extra point was no good.

As the fourth period started, the Moguls and Dragons traded fumbles and neither could sustain a drive. As the final gun sounded, Dargon halfback Roy Don Fox intercepted a pass from Douglas McGrady, but time ran out on him.

The game was a contest between underclassmen, as Sophomore Douglas McGrady engineered all plays for the Moguls, and Jimmy Cobb, a junior, called the plays for the Dragons. This brings Paducah's record in district play to three wins, no losses and one tie, with Crowell yet to go. Munday's district record is two wins, one loss and one tie.

Defensive standouts for the Moguls were Bob Partridge and both of the McGrady boys; for the Dragons were Danny Mints, Fox and Richard Cranford.

## Cub Scouts Have Organization Meet

Den one of Cub Scouts met at 3:30 p.m. Thursday in the basement of the First Methodist Church for an organizational meeting. The following officers were elected:

Mrs. Marshall Benner, den mother; Rex L. Mauldin, den dad, and Bill Moore, den chief.

After a discussion on the requirements for becoming a Cub Scout, the group distributed "Get Out The Vote" leaflets to various homes in the community.

Den members present were: Robert Masque, Gary Cypert, Wayne Gates, Dale Hunt, Mark Mauldin, Terry Benner and Don Berry.

## New Members Enter College Honor Group

Mrs. Pat Elliott of Munday was among the top ten McMurry College seniors and was initiated into Alpha Chi, national honorary society, in a candlelight service on Monday night.

Mrs. Jennie Tate, head of the mathematics department and sponsor of Alpha Chi, conducted the service. She was assisted by Eddie Massey, student president.

Mrs. Elliott is also president of the T. I. P. social club on McMurry's campus, and is doing her student teaching this semester at Travis Elementary School in Abilene. She is majoring in elementary education.

# Nation To Elect New President Tuesday

## Mrs. M. B. Bounds Passes Away At McAllen Sunday

Mrs. M. B. Bounds, 98, a former resident of Munday, passed away early last Sunday in a McAllen rest home.

A native of Nashville, Tenn., she had lived in Dallas, with few exceptions, for 75 years before moving to McAllen six years ago. She was one of the first members of the Roysse City Methodist Church.

During her stay in Munday, Mrs. Bounds made her home with her son-in-law and daughter, Mr. and Mrs. M. F. Billingsley and was regular in attendance at services of the First Methodist Church here.

Survivors are a son, R. M. Bounds of McAllen; three daughters, Mrs. Billingsley of Munday, Mrs. V. C. Wiggins of Odessa, and Mrs. Louis Thalheimer of Dallas, and several grandchildren and great-grandchildren.

Funeral services were held at 2 p.m. Tuesday from the Roysse City Methodist Church, with Rev. Homer Caldwell, officiating. Burial was in the Roysse City Cemetery.

## Governor Says Not Obligated To Vote Party Ticket

AUSTIN.—Voting in the Democratic Primary does not obligate anyone "legally or morally" to vote for the presidential nominee in the general election, Governor Price Daniel said today.

The pledge on the primary ballot applies only to nominees selected in that primary for state, district and local offices. Daniel stated in an interview with a Dallas Morning News correspondent.

Daniel was asked for his views on the matter after a statement quoting him was issued by the State Democratic Executive Committee, as follows:

"More than 1,500,000 Texans affiliated themselves with the Democratic Party this poll tax year, under provisions of state law. It is the responsibility of all affiliated Democrats to carry their great strength into the general election in support of the party nominees."

Daniel told the News he did not mean to imply that participation in the Democratic Primary obligated a voter for that party's presidential and vice presidential nominees in the general election.

## Workers Prepare To Launch Drive For United Fund; Goal Is \$5,500

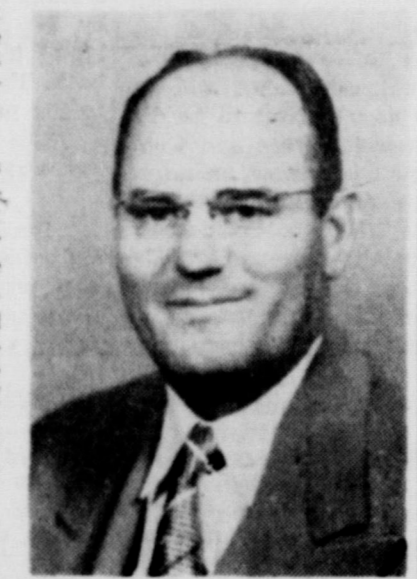

With a goal of \$5,500 for next year's operations, workers in the Munday United Fund are preparing this week to launch an 8-day concerted drive next week to raise the year's budget.

With the slogan, "Make this drive take care of them all," workers in this drive plan to contact as many persons as possible for the United Fund which will take care of all fund-raising activities. Prior to forming the United Fund some three years ago, Munday was harassed by one drive after another for a period of several months. All were worthy causes, but local people saw the need of making just one drive take care of them all.

The drive, which will open on Monday, November 7, will be culminated by a house-to-house call on November 15—a porch light campaign whereby every home will be given an opportunity to contribute.

J. Weldon Smith, chairman of Munday United Fund, met with the Munday Lions Club last Tuesday and explained the various agencies to be benefitted by the United Fund. They include: Munday polio fund, Munday Public Library, Salvation Army, Medical Research Foundation of Texas, Gonzales Warm Springs Foundation, Boy Scouts, Texas United Funds, Muscular Dystrophy, National Travelers Aid Assn., American Red Cross, and local campaign expenses.

The drive has been divided into two groups this year: Advanced and general solicitations. Advanced solicitation will consist of:

J. WELDON SMITH  
... Fund Chairman

Farmers and stockmen, Doris Dickerson, chairman; business men, V. E. Moore, chairman, and farm and business women, Mrs. G. R. Eiland, chairman. This will start November 7 and continue through the 15th.

Heading the general group is Wendell Partridge as chairman; business group, Clint Norman; and porch light campaign, afternoon and night of the 15th, Mrs. E. H. Nelson and Mrs. Hugh Beatty, co-chairman. "Give the United Way" through the Munday United Fund. Your contributions will be allotted the above agencies by a local committee.

## Five Angus Calves Killed Here On Tuesday Night When Hit By Pickup

Six teenage girls luckily escaped injury here at about 1:15 a.m. Tuesday when a pickup in which they were riding struck and killed five Angus calves just east of Munday. Two calves in the group of seven escaped injury.

The girls were returning home from a midnight Halloween movie when their 1954 Ford pickup topped a small rise on F.M. Road 1587 east of Munday. The calves were just over the rise.

Driving the car was Margaret Jackson, daughter of Mr. and Mrs. Felton Jackson of Gore, who applied her brakes when she saw the calves, but not in time. The calves belonged to Leland Floyd of Munday.

The girls, Evelyn Jakubec, Margie Pace, Janie Blake, Laverne Hattox, Carol Jackson and Margaret, escaped with only slight bruises. Patrolman Glen Garrison said Tuesday the two calves which

ran off had been found unharmed. He estimated damage to the pickup at \$1,000.

## Stubblefield Bros. In Charge of Cable Vision Service

The Cable-Vision Co. of Munday has announced that Kenneth and Hilton Stubblefield will be in charge of Cable-Vision service in this territory. Kenneth, who is at present completing work of TV Service School, and Hilton are both well known in this area and will be glad to discuss any problem with you.

Some additional cable has been added for additional subscribers the past week with the Stubblefield boys doing the tie-ins. More cable will be added as needed to assure you of better service.

A heavy Knox County vote is expected next Tuesday when voters of the nation go to the polls to elect, in effect, the next President and Vice-President of the United States. The election will bring to a close one of the most vigorous and heated Presidential campaigns in a decade.

Members of the Munday Lions Club are taking an active interest in getting the voters out to the polls in this most important election. Reminders that Tuesday is election day will be given at 30-minute intervals during all the time the polls are open.

The large silver bell which you've seen on the city hall lawn during the past few weeks was erected as one of the reminders to get out and vote. A committee of Lions will be ringing this bell on the half-hour every hour next Tuesday.

In addition, others will sound one blast of the fire siren every hour on the hour from 7 a.m. until 7 p.m. The siren will sound on the hour, and the bell will ring on the half-hour.

So don't get excited when you hear the fire siren. If it's just one blast, it isn't a fire, but a reminder to get out and vote, if you haven't already done so.

More interest in the election has been shown locally during this week, as voting time nears. People have been asking if the county will go Democratic or whether we have lots of Nixon-Lodge Democrats. The county is primarily Democratic, but the issues in this campaign may bring about a number of split tickets.

The story can't be told in its entirety until after the polls close next Tuesday!

## Teachers Support Amendment No. 2

Austin — Strong support for Amendment No. 3, the legislative pay amendment, has come from the Texas State Teachers Association. The proposed constitutional amendment is one of four on the November 8 general election ballot.

The TSTA House of Delegates, meeting in Corpus Christi, unanimously confirmed its support of the amendment, which sets an annual salary for members of the Texas Legislature.

The House of Delegates is composed of teachers from all over the state elected by the 74,000 TSTA members to represent them in setting association policy.

## Quail Season To Open November 24

The quail season for Knox County will open on November 24 and continue through January 20, 1961, it was announced last week.

Daily bag limit will remain at 15 birds a day with 45 in possession. Knox County's game laws are not affected by the general laws.

In the surrounding counties of Haskell and King, the season will not open until December 1 and will close on January 16.

A game warden said the object of the law was for the Game Commission to have the right to open and close the season at will and to up or lower the limit as the bird crop justified.

He said the bird crop in Knox County was plentiful this year, but due to the lack of feed and an expected hard winter officials had upped the hunting season and limit in order to take care of the number of birds that might die from starvation.

## Benefits Of Social Security Explained

To qualify for social security disability protection a person must be unable to do substantial work because of serious illness or injury of long duration, and must have 5 years of covered employment or self-employment in the 10 years before he became disabled.

A representative of the Social Security Administration will be in Munday at the City Hall on Tuesday, Nov. 8th, from 10:00 a.m. until 12:00. You are invited to meet with the representative to file your claim, or to obtain further information or assistance concerning Social Security.

 In second zone, per year . . . . . \$2.50

The Munday Times is Democratic, yet supporting only what it believes to be right, and opposing what it believes to be wrong regardless of party policies, publishing news fairly, impartially.

NOTICE TO THE PUBLIC: Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice being given to the publisher at the Munday Times office.

### THE REASON WHY

A good many people no doubt wonder why there should be any particular opposition to the proposal that the federal wage-hour law, popularly known as the minimum wage law should be extended to retailing, which has been exempt ever since the law came into being in depression days.

The American Retail Federation has provided a clear answer. The opposition is based on the fact that retailing employs a far greater percentage of temporary and part-time employees than any other major industry in the United States and so is in a very special position.

These employees, it should be emphasized, are rarely the family bread winners. They work at Christmas time and during vacations. Some put in a few hours during weekends when trade is heaviest. Generally, the temporary or part-time workers are unskilled, and a large majority is made up of students, retired, older women and numbers of housewives who put in some hours to supplement the family income.

These workers are of limited value to the store which employs them. It is equally clear that an arbitrary federal law, applying equally to great cities and little towns, which would establish a wage and other standards not balanced by these workers' productive value, could have only one result—maximum possible reduction in marginal employment.

This is one of the compelling reasons that led the last Congress to shelve the proposal to make federal wage-hour coverage almost universal.

### DINNER WITH A CAPITAL "D"

Food faddism, which is often accompanied by weird and unappetizing diets, has become something of a national problem. It's reached the point where nutritional and medical authorities are warning of the dangers to health that come with off-beat eating.

However, people who make a specialty of cooking tell us that the old, established and nutritionally-sound favorites aren't about to be discarded. For instance, Harcourt, Brace and Company of New York has just published an amusing, unusual, informative and enthusiastically reviewed work entitled "The I Hate to Cook Book" by Peg Bracken. Miss Bracken observes: "Never scorn the noble prime rib or the rolled sirloin tip. Remember, most men like plain meat better than

a casserole. Show me the man who doesn't like a juicy pink slab of good roast beef (followed by an Irish Coffee) and I'll show you a vegetarian who's on the wagon."

As for the Irish Coffee, that's as may be—it's a question of each to his own, and anyone who wants to adopt vegetarianism or go on the wagon is certainly entitled to do so. But, to the vast majority of us, a fine piece of meat means dinner with a capital D.

### TIMES CHANGE

Few domestic matters have been given greater attention than the estimate, made some months ago, that there would be a \$4.2 billion federal budget surplus this fiscal year.

This Administration estimate, of course, was made in all honesty. It was predicted on the best available anticipations of government revenue—and on the hope that appropriations would be limited to the requested figure.

Well, times change, and fast. Budget Director Stans now tells us that the surplus will be only \$1.1 billion—about 75 per cent under the original estimate. The reason: Expenditures are higher than was expected and tax revenues lower. The drop in revenues was primarily due to declining corporation taxes. Rising expenses and tougher competition have made big dents in corporation profits.

So, during a period in which business activity in general has been running at very high levels, and wages are at record levels, the budget surplus has been all but eliminated. What would happen if a real recession came along—much less a full-blown depression?

### GOOD SENSE

According to the Chamber of Commerce of the United States, the United States national debt, which now totals \$290 billion, exceeds the combined debts of all other nations in the world by \$47 billion. It observes: "When you owe a lot of money, it makes good sense to pay some back. This rule is as good for governments as it is for people."

The debt can gradually be paid back in only one way—by rejecting unnecessary spending.

During the 1950's petroleum demand in the United States increased by 69 per cent. Petroleum now provides more than 72 per cent of the nation's motive and mechanical power.

## Chips From The Carpenter's Workbench

By JAMES HALLMARK

Most religious bodies are agreed that man must confess Christ before he can enjoy God's promises. However, there is a great deal of confusion over the nature and content of this confession. This matter deserves our careful consideration.

Some contend that the confession concerns sins ALREADY FORGIVEN, and salvation ALREADY RECEIVED. This position is commonly held by many groups. "This, I believe, is out of harmony with the plain teaching of the New Testament. Hear the apostle Paul: "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt BE SAVED. For with the heart man BELIEVETH UNTO RIGHTEOUSNESS; and with the mouth CONFESSION IS MADE UNTO SALVATION."

(Ro. 10:9-10). It is obvious that if a man believes in order to BECOME RIGHTEOUS, then man confesses in order to RECEIVE SALVATION. In other words, we do not confess that we have ALREADY RECEIVED SALVATION.

Man believes UNTO righteousness (Ro. 10:10); repents UNTO life (Acts 11:18); confesses UNTO salvation (Ro. 10:10); and is baptized UNTO the remission of sins (Acts 2:38). These spiritual blessings have not been attained UNTIL ALL of these conditions have been complied with.

What then are we to confess? " . . . See, here is water; what doth hinder me to be baptized?" And Phillip said, If thou believest with all thine heart, thou mayest. And he answered and said, I BELIEVE THAT JESUS CHRIST IS THE SON OF GOD." (Acts 8:36-37).

By John C. White, Commissioner

### Processing And Food Dollars

Explanations of why the farmer's share of the American food dollar keeps going down generally come up against the established fact that as the amount of food processing increases the farmer's share of the food dollar declines.

The farmer's share of each dollar spent for food in 1959 was 38 cents. In 1940 it was 40 cents, and went up to 53 cents in the war year of 1945.

The wheat grower's share of each dollar spent for white flour is now 33 cents. When the flour is mixed with other ingredients and baked as white bread, the farmer's share for his wheat drops to 12 cents.

The corn grower receives 18 cents of each dollar spent for corn meal, but only nine cents of the dollar for cereals such as corn flakes.

On fresh green beans, the farmer receives 43 cents of each dollar. But if the green beans are processed and frozen, he gets only 19 cents of the dollar.

There are, of course, exceptions to the rule. Take citrus, for instance. For fresh oranges, the grower receives 32 cents of each dollar spent. This goes up to 38 cents for canned orange juice, and 43 cents for frozen orange juice concentrate.

The wheat used in baking a 20-cent loaf of bread costs less than three cents. In 1959, when the retail price of a one-pound loaf of bread averaged 19.7 cents, the farmer received 2.8 cents, the miller got .6 of a cent, the baker-wholesaler 12 cents, and the retailer 2.9 cents. The other 1.4 cents went for transportation, storage, handling and other processing.

The fact, of course, is that today the American housewife is buying convenience—freedom from kitchen chores. They are also buying food with less waste, needing less trimming, sorting, or washing.

Three so-called ready-to-serve meals costing \$6.70 for a family of four could be prepared in the home kitchen for \$4.50, or \$2.20 less. The homemaker would use about 5½ hours to prepare these three home-cooked meals from start to finish, but only about 1½ hours to get the three ready-to-serve meals on the table.

The food cost saving of \$2.20 in the three home-cooked meals would represent an hourly wage of 55 cents for the four extra hours of work in preparing them. These examples are extreme. Most families actually use a combination of foods—unprepared, partially prepared, and ready to heat and serve.

## American Legion Urges Flag Display Nov. 11th, Symbol of National Unity

A plea to have an American flag flying at every home in Munday on Veterans Day, Nov. 11, was voiced today by Commander John L. Phillips of Lowry Post No. 44 of the American Legion here.

"In the interest of showing the rest of the world the unity of the American people, every home throughout the land should display an American flag on Veterans Day," Commander Phillips said. He pointed out that the eyes of the world, and particularly those of the forces of world communism, are constantly looking for any signs of internal weakness which might forecast the downfall of the United States.

"We here in Munday can do our part to help discourage any such thoughts about a weak, apathetic, dispirited American citizenry by flying the Star-Spangled Banner on this patriotic holiday," Commander Phillips declared.

"With the American flag displayed in front of every home

## Kilgore-Cunningham Wedding Planned

Mr. and Mrs. Willard Kilgore of Benjamin, announce the engagement and approaching marriage of their daughter, Willa, to Tommy Cunningham, son of Mr. and Mrs. H. T. Cunningham of Munday. The prospective groom plans to re-enter Texas Technological College, Lubbock. Date of the wedding has been set for November 11, 1960.

and place of business we can make this observance of Veterans Day an unforgettable demonstration of Americanism, and at the same time show our community's respect and appreciation for all American patriots who fought for the preservation of our priceless heritage."

He further urged any homes

which do not have a flag to obtain one, not only for display on Veterans Day but all patriotic holidays.

Anyone desiring to obtain a flag may get further information by contacting Mrs. Richard Moore, Phone 6091 in Munday.

## Employees Of WTU Win National Honors For Safe Driving

National honors for an outstanding safe driving performance have been won by the employees of the West Texas Utilities Group 1 Division of the 29th National Fleet Safety Contest conducted by the National Safety Council.

Group 1, in which West Texas Utilities was the first place winner, was composed of the motor vehicle fleets of 40 major American utility companies. In this group, which was the largest in the contest, the vehicles of each of the competing fleets operated 175,000 miles or more per month during the year ending June 30, 1960.

The WTU fleet averaged 321 vehicles and more than 330 drivers. They were awarded first place in the Public Utilities Group 1 Division at ceremonies held in Chicago last week as part of the 48th National Safety Congress and Exposition.

The award is based on the employees safe driving record for the period July, 1959, through June, 1960. During that year, WTU employees operated 5,125,395 miles with a rate of one-fourth of an accident per 100,000 miles of operation.

Winners were determined after an inspection of the records by an auditor representing the National Fleet Safety Contest Committee.

"Credit for this national recognition in safe driving goes to our employees who operate the company vehicles," stated Cal Young, WTU President. "This is an honor of which we are very

proud.

"We feel strongly that driving safely on our streets, roads and highways is one of our responsibilities to the people we serve. Ours is a service organization, and certainly the safe operation of the large number of automobiles, pickups and trucks which we operate in 49 counties is as much our responsibility as is good electric service to our customers.

"The WTU employees safety and traffic activities are directed by Doyle Gray, Safety Engineer, and George Clark, Jr., Manager of the company's Traffic Department."

Doyle Gray, WTU Safety Engineer, accepted the award for the employees at a Victory Luncheon in the La Salle Hotel's Grand Ballroom. More than 600 safety experts from the nation's motor transportation industry attended the luncheon.

In presenting the awards, H. K. Halbrooks, Director, Accident Prevention Division, National Automobile Transporters Association, congratulated the winners and participants for their outstanding performance.

## Weekly Health LETTER

Issued by the State Health Department

Since the hospital licensure program of the Texas State Department of Health became effective last January, 692 temporary licenses have been issued to hospitals in Texas, pending surveys for minimum requirements.

Over 34,000 beds are dispersed among the nearly 700 hospitals licensed to date—approximately one hospital bed for every 257 persons in Texas.

The national average of hospitals accredited by the American Hospital Association is 9.1 beds per 1,000 population, or about one bed for 110 persons.

The Texas figures do not include state or federally operated hospitals or institutions, which automatically excludes veterans hospitals. However, it does include special clinics for maternity cases; eye, ear, nose and throat, cancer and other specific diseases or conditions.

Harris County leads the parade in keeping with its large population with 49 hospitals and 5,021 beds. Dallas County is second with 38 hospitals and 3,897 beds.

At the other end of the scale, 22 counties have no hospitals serving the population within the county and four cities have hospitals (or clinics) with only one bed.

Probably the oldest established hospital in operation today, not including a couple of institutional clinics—is the St. Mary's Infirmary in Galveston, established in 1866.

The largest hospital in the State is the Baylor University Medical Center in Dallas with 934 beds and an accompanying budget in excess of \$7 million.

The average admissions in hospitals according to the American Hospital Association is 122 per 1,000 population for short-term hospitals.

Voluntary short-term hospitals—the average hospital not including state or federal have an average total expense of \$31.16 per patient day. This amount includes equipment and salaries.

To operate the average hospital it takes about 112 people—nurses, doctors, orderlies,

cooks, custodians and administration—to service 100 patients.

## LOCALS

Duane Hayley, who is in the Navy and stationed in Norfolk, Va., and Mrs. Wynette Dollar and daughter, Annette, of Fort Worth were week end guests of Mrs. Jim Henslee.

Miss Jimmie Del Peysen of Dallas spent the week end with her parents, Mr. and Mrs. John Peysen.

## Gems Of Thought

### "PEACE OF MIND"

When we do not find peace of mind in ourselves it is useless to look for it elsewhere.—La Rochefoucauld.

To attain peace and holiness is to recognize the divine presence and allness.—Mary Baker Eddy.

All over the world people are seeking peace of mind, but there can be no peace of mind without strength of mind.—Eric B. Gutkind.

Nothing can bring you peace but yourself; nothing can bring you peace but triumph over principles.—Ralph Waldo Emerson.

Peace is not absence of war, it is a virtue, a state of mind, a disposition for benevolence, confidence and justice.—Baruch Spinoza.

Peace is rarely denied to the peaceful.—Johann Schiller.

briefly in the home of Mr. and Mrs. Wesley Trainham Sunday. Clarence Allen and Gerald Brown of Abilene visited Sunday with relatives.

**Vera H. D. Club Meets October 25 With Mrs. Scott**

The Vera Home Demonstration Club met Tuesday, October 25, in the home of Mrs. Gaylon Scott with eleven members and two visitors present.

The meeting was called to order by the president, Mrs. Bobby Roberson. The roll was called by the secretary, Mrs. Ernest Beck, Jr. and members answered with "My biggest mistake in buying," which proved to be very informative. The members voted to send the receipts from the dime gift to the boy who has been adopted.

The program was turned to Mrs. Clelan Russell who gave some tips on buying which was discussed by the group.

Secret pal gifts were exchanged and the dime gift was drawn by Mrs. Gaylon Scott. Delicious refreshments of pumpkin pie and coffee were served to the following, Mmes. Hoyle Sullins, Tom Hardin, Clelan Russell, Clyde Beck, Wesley Trainham, Ernest Beck, Jr., Fred Wiles, Bobby Roberson, Loran Patterson and Lola Scott by the hostess.

The next meeting will be held November 8 at 2 p.m. in the home of Mrs. Sam Shipman and the program will be knitting.

**Tuggle Family Hold Get-Together Here On Week End**

Seven of the ten children of Mr. and Mrs. Ben Tuggle were here over the week end for a family get together along with two brothers and one sister of Mr. Tuggles and other relatives.

Present on Sunday for a big turkey dinner with all the trimmings were Mr. and Mrs. Leon Tuggle, Sammy, Bobby and Dottie of Snyder, Mrs. Evelyn Malmos of Seymour, Mr. and Mrs. Elvin Tuggle of Wayside, Mr. and Mrs. Alton Tuggle, Rudy, Ricky and Terry, Mrs. Richard Kirkland, Larry, Darrel and Donna and Mrs. Blanche Sweeney all of Fort Worth, Mr. and Mrs. Jimmy Bell, Nadine and Jimmy Lee and Charles Elliott of Abilene, Mrs. Leon Welch and Jeff Tuggle of Cleburn, Lawrence Tuggle of Hillsboro, Weldon Welch of Fort Worth, Coy Tuggle of Munday and Sgt. and Mrs. Bobby Joe Tuggle, Rob, Coy and Allen, who have been stationed at Fort Sill, Okla. The Bobby Joe Tuggles are spending their 30 day leave here and will leave for Dreenahavan, Germany around the 20th of November.

A very enjoyable time was reported by all with visiting and picture taking and partaking of good eats providing entertainment.

Mrs. Marie Warren of Seymour visited with friends here Saturday night.

**NOTE OF APPRECIATION**

Munday Legionnaires of Munday Lowry Post No. 44 Department of Texas, wish to express their appreciation to those that recently purchased a new 50 star flag of The United States of America, for the purpose of flying on display as our patriotic duty, and in recognition of the events on days so ordered by The President of The United States and The Congress, and The American Legion recommendation.

Many business firms and individuals bought these new 50 star flags to be flown, and some had already secured them, in a patriotic gesture to show to the world in cooperation with The American Legion that Munday was not asleep or dead.

We have been criticised many times by persons that came into town on days that the Colors Of Our United States should have been flown, and remarked that there is not another town in several hundred miles that is not flying The National Colors of our United States, what is the matter with Munday? This was distastful to those who heard it, and The American Legion decided to try to do something about it. And to those that did not see fit to buy a 50 Star Flag it is regrettable, for we would have liked to have made it one hundred percent to show to the world that we are not dead or asleep, we hope that they will fall in line soon.

We list the days that The American Legion recommends to fly the U. S. flag, Washington's Birthday, Feb. 22; Texas Independence Day, March 2; Memorial Day, May 30; (if possible fly at half mast until noon, then full); Flag Day, June 14; Independence Day, July 4th; Veterans Day, November 11.

The Colors should be flown from daylight to sundown (not before or after) with the exception of meetings at night where there is reason to make the meeting patriotic, then it can be flown. Do not fly a flag that is soiled

torn or mutilated. Do not fly a flag in rain, snow or inclement weather. The above questions have been asked, and this is supplied for information only.

It is recommended by the President of The United States that the Colors should be flown some fifteen days each year and on such other days that may be proclaimed by him, excluding any State's birthday or special holiday.

The American Legion of Munday, Texas

"We Stand Today On The Edge Of A New Frontier"

**KEEP THE VOICE OF TEXAS STRONG**

Texas' dominant position in the Democratic Party has been a major factor in the amazing growth and prosperity of our State during the past 50 years.

Count our blessings that have come because TEXANS were in the RIGHT party at the RIGHT time.

Count the jobs . . . educational opportunities . . . military installations . . . defense projects . . . water and soil projects . . . rural electricity and telephone systems. Count our ultimate potentials for development.

Now the Democratic Party has selected a TEXAN for one of the two top offices our Nation has to offer. As Vice President, Lyndon B. Johnson will be in a position to render the greatest service any Texan has ever been able to give his State, his Party, his Nation.

Our Nation needs the dynamic leadership of John F. Kennedy and Lyndon B. Johnson. And Texas needs to be counted in the Democratic column November 8 to keep its voice STRONG in the party that has honored its sons and nurtured its growth. Texas has no such stake in any other party or any other candidate.

Texas' future — and America's — lies in your response November 8.

Vote Democratic — Vote The Texan's Ticket

## Knox Prairie Philosopher Says The Election Will Name President But It Just Won't Settle The Debate

Editor's note: The Knox Prairie Philosopher on his Johnson grass farm on Miller Creek has his mind on the election, his letter this week indicates.

Dear editor:  
With the election only a few days away, naturally there's a lot of talk about it up and down the streets in town and out here in the country too.

A bunch of us were talking politics yesterday afternoon and one of my neighbors said he'd be glad when the election is over and done with as he'd had enough of all this debating and arguing. "Tears the country up too much," he said. "Be glad when we get a new President elected and we can settle back down to normal. Maybe all this criticizing and fussing back and forth will stop."

He's right in a way, but not altogether. I'll admit the campaign does unsettle things, brings out all the prejudices in other people's minds, messes up your television schedule, etc., and I have a notion that whoever gets elected, the country will fall in line behind him and give him a chance. But it's not going to put an end to debating.

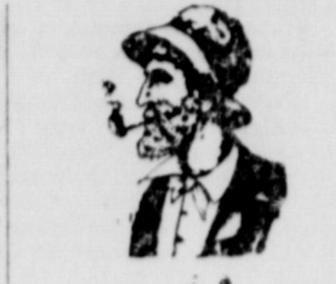

I never have found a President with 100 per cent satisfactory who was and I don't expect to, as there's no chance I'll ever have the job.

As a general policy, finding fault with the President of the United States, while not any easier, is a lot safer than finding fault with your own in-laws.

I don't know who the next President's Secretary of Agriculture will be, but three months after he's in and I've planted, I'll bet you I can find something wrong with him. I don't believe there'll ever be a Secretary of Agriculture who can stay in tune with the agricultural program out here on this Johnson grass farm.

I don't know who the next Secretary of State will be, but I can name you half a dozen countries right now, in advance, that're not going to like him.

The election will decide who the next President will be, but it won't end all the debate. Not as

long as I've got neighbors as short-sighted and knot-headed as they've revealed themselves in election arguments the last few days, which is exactly what, at this very moment, they're saying about me.

Yours faithfully,  
J.A.

### COPYRIGHTS

America has led the way in protecting the fruit of man's mind. Our literature, drama, scholarship, and vast media of public information prosper because of our copyright law.

Are you an author? An artist? A playwright? Or are you thinking of going into such work? If so, find out about copyright law. It protects you — against copying, but not against independent reproduction of a similar work.

A copyright enables you to sue him in the federal courts for damages and collect — if someone copies your work or any substantial part of it without permission.

The most important single thing about copyrights is this: Do not publish anything until you find out what kind of a copyright notice you need. If you publish without proper notice, you lose all right in the work.

As long as your book is not published, you own the script. The common law protects your rights in it the same as in any other property. For an unpublished book you need no added safeguard. You cannot register its copyright.

But you may copyright such work as a play, lecture, sermon, or art work, though it has not been published.

A book's copyright may be re-

gistered in the author's name or anyone he selects, such as the publisher, who can better guard the copyright or grant proper consent to quote the book, under a contract between himself and his publisher.

Here are some other kinds of work you can copyright: Poems, newspapers, maps, photographs, dramatic and musical compositions.

A copyright is good for 28 years. You may renew it once so as to keep it in effect for a total of 56 years.

You may apply for a copyright at this address: Register of Copyrights, Library of Congress, Washington, D. C. Note briefly the kind of work you wish to copyright.

(This newsfeature, prepared by the State Bar of Texas, is written to inform not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

family over the week end.

Dr. David Eiland of Little Rock, Ark., visited relatives here on Tuesday and Wednesday of last week. He and his mother and brother, Mrs. D. C. Eiland and Allen, visited with Dr. D. C. Eiland in Galveston on Thursday and Friday.

### Methodist And Baptist Youth Work Together For CROP

The fellowship hall of the First Methodist Church at O'Brien rang with joyous song Thursday night, October 27, as 54 young people of the community gathered to join hands in a Christian effort. CROP was the cause—Christian Rural Overseas Program. Young people of the community became interested in the suffering of their neighbors overseas and decided to do something about it.

People responded generously, and through their contributions to CROP, enough milk can be provided to furnish 300 children with one cup every day for an entire year. Transportation for the youth was provided by the Northern Star Seed Farms of O'Brien. Chrisanto Jimenez prepared a flat-bed truck and trailer for the youth. Charles Cassilas was the driver.

An explanation of the purposes of CROP and how the drive was to be made were presented by Mrs. Billie Ruth Banner, M. Y. F. adult leader. A short devotional service was conducted by Rev. William H. Wright, pastor of the Methodist Church, before they went out to canvass the town. Fifty-four eager young people climbed aboard the truck and trailer, and were off upon their mission.

When they returned, hot chocolate and cookies were served by a committee of six mothers: Mmes. Lola Mae Underwood,

DID YOU KNOW—Your local United Fund is helping treat afflicted persons at Gonzales Warm Springs Foundation?

Audie Johnston, Edith Mathis, Juanita Wilcox, Blanche Thomas and Mattie Walsworth. A report on the amount of their collections was given, some games were played, and the group was dismissed by Rev. Larry Young, pastor of the Baptist church.

### Goree Youth Is Honored At H-SU

Mickey Land of Goree and Donivee Roden of Cleburn were named Mr. and Miss Student Education Association last Friday night at the Hardin-Simmons University SEA chapter's annual banquet in Holiday Inn in Abilene.

The two were chosen from a big field of nominees on the basis of their performance in speaking on "Why I Chose Teaching," and for personality, characteristics of a good teacher, and service to the SEA. They were presented at the banquet by Dr. Clyde Jetton, associate professor of education and SEA chapter sponsor.

Land, 20, is a junior in HSU and is the son of Mr. and Mrs. J. A. Land of Goree. He is majoring in biology and education.

It's unfortunate that the symptoms of fatigue and of laziness are practically identical.

DID YOU KNOW—The National Travelers Aid Association helped 10 Munday people last year? Give to your United Fund.

### Buffet Supper Is Held October 27th At Legion Hall

The American Legion and Auxiliary met October 27th for a buffet supper at the American Legion Hall.

Plans are in process to enlarge both organizations and to create new interests in both.

Goodson Sellers addressed the Auxiliary with a very timely topic "American Citizenship." He urged each one to vote and also of the necessity of writing our congressmen so that they may know what we want to accomplish.

Plans were made to serve coffee and donuts to Veterans at a downtown post on Veterans day.

Mrs. Frank Garrett and Sue visited Mr. and Mrs. Don Elliott and Steffie in Abilene and Mr. and Mrs. Arthur Cundiff in Fort Worth over the week end.

### GLENDAY GAYLE WEAVER IS BORN ON SUNDAY

Glenda Gayle is here. I made my arrival on October 30, 1960 at the Knox County hospital. I weighed 8 pounds and 1 ounce and I'm here to stay. My five year old sister, Carlene, said if I was a boy she would take me back. My parents are Mr. and Mrs. Glyn D. Weaver of Munday. My grandparents are Willie Weaver and Bert Weaver of Munday and Mr. and Mrs. Henry Smith of Kemp.

Miss Marilyn Albus, who is attending Draughan's Business College in Wichita Falls, visited her parents, Mr. and Mrs. V. F. Albus, and David over the week end. Mrs. Albus recently underwent surgery in the Haskell Hospital.

Mr. and Mrs. Gene Pettus of Wichita Falls visited Mr. and Mrs. E. J. Cude, Mrs. Ralph Weeks and Mrs. A. M. Searcey and Richard last Thursday and Friday.

Mrs. Beatrice King of San Antonio visited her sister and husband, Mr. and Mrs. E. J. Cude, and brothers, Claude and Andrew Hill, and their families and Mrs. Ralph Weeks. Mrs. Weeks and Mrs. Cude took her to Abilene on Saturday to visit her son and family before returning to San Antonio.

Mr. and Mrs. W. E. Braly were week end guests of her sister and husband, Mr. and Mrs. T. L. Fore, in Tulia.

Mr. and Mrs. Troy Moore visited Mr. and Mrs. C. T. Wilson in Meadow, Mr. and Mrs. Charles Pruitt in South Plains and Mr. and Mrs. Lowry Wilson in Hale Center over the week end.

Mrs. R. C. Partridge returned home last Monday from Fort Worth where she has been visiting with her daughters and families.

Mr. and Mrs. Gaston Shipman, M'Liss and Jackie, of San Antonio spent last Tuesday night with her parents, Mr. and Mrs. Ben Tuggle.

Dick Morrow of Texas University in Austin was here last Monday to attend the funeral of his grandfather, E. H. Mullican.

### CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. For the beautiful service, floral offerings, food brought in and served, and other kindnesses, we are deeply grateful.

The family of E. H. Mullican 1tc

## Many Thanks

We wish to thank everyone who have at any time bought or been a subscriber to the Wichita Record News, Daily Times or Dallas Morning News. It has been a pleasure to serve the good people of Munday, and everyone has been so nice the past seven and one-half years.

### Mr. and Mrs. John Peysen

Mr. and Mrs. Clifton Patterson, in taking over the agency on November 1, announce that they hope to continue serving former patrons of the Peysens. We will strive to continue as good service in the future as the Peysens have given in the past.

### Mr. and Mrs. Clifton Patterson

## NOTICE

### To Cable-Vision Subscribers

Effective as of this date, service for Cable-Vision Co. of Munday will be made by Hilton and Kenneth Stubblefield of Munday.

Place for payments for service will be Stub's "66" Service Station — downtown location.

For service and for connections call Stub's "66" Sta. Phone 5681 Hiway "66" Sta. Phone 4241

If no answer, phone 4561 or 6231.

We appreciate the patience of our Munday customers during the time we were getting this service completed. We believe we can now give you efficient Cable-Vision service.

**Munday Cable-Vision Co.**
