City Open Golf Starts Next Week

Qualifying for the annual City Open golf tournament will begin next week, and finals will be Sunday afternoon, May 15, states Jack A. Robinson, tournament chairman.

This tournament is open to all golfers, men and women, boys and girls, who live in Lynn county whether members of T-Bar Country Club or not. Entry fee is $5.00.

Qualifying scores must be turned in by Sunday afternoon, May 15, and to qualify a player must play in at least a threesome, nd scorecards must be attested by fellow players.

Trophies are already here for medalist, both men and women's division, first and second and consolation for each flight.

T-Bar course is in excellent shape for the meet.

Correspondent For Wilson Is Needed

Mrs. Charles Berry, Wilson correspondent to The News, has had to give up the writing of the news from that area of Lynn county because of lack of time.

The News would like to have some lady of the area to handle this work, do the community a service, and at the same time pick up a little "pocket change".

Election Party Saturday Night

Election results will be posted Saturday night, as usual on the north side of the square beginning shortly after the polls close at 7:00 o'clock.

As in the past, Tahoka Drug is sponsoring the election party.

Cancer Drive Is Nearing Quota

H. W. Carter, county chairman of the 1960 Cancer Drive, reports that to date $1250.00 has been collected in the local drive. Some of the communities have not made reports.

The drive began the first of April with Mrs. Beulah Applewhite as drive chairman.

Quota of this year's drive is $1675.00 which makes Lynn county $425.00 below the amount. However, leaders in the drive believe that the quota will be reached as the drive is not yet completed.

Mrs. Applewhite stated that solicitors have contacted many people of the county but are sure that a number of the citizens have not been seen. Anyone wishing to make a contribution to the Cancer drive is asked to mail his donation to either Mrs. Applewhite or Mr. Carter here in Tahoka.

School Athletes Honored Tuesday

Seventy-five Tahoka High School varsity athletes were honored Tuesday night with a chicken barbecue at the City Park given by the Athletic Department and Tahoka Chamber of Commerce.

Also present were coaches, school administrators, school board members and wives, and a few other guests.

The principal talk was given by Assistant Coach Maurice "Moe" Hodges, who is resigning at the end of this school year to become manager of an oil well supply firm in Monahans. He said the good athlete is humble, modest and trains 12 months of the year, and pointed out the value of athletics in preparing for life. He thought much progress has been made in Tahoka this year, and that the intensive track program has helped develop the program.

Jack Jaquess, Chamber of Commerce president, in a brief talk, complimented the boy and girl athletes on their efforts and stated he thought this year's athletes had something greater than trophies—sportsmanship.

Athletic Director Jake Jacobs presided at the meeting and expressed thanks to all who helped make this year's program a success.

The invocation was given by Sunny Gibson and the benediction by Billy Davis.

Work Is Started On Housing Project

Work started here this week on the $128,700 low rent housing project by the contractor, Smith & Wardroup, Inc., of Lubbock, according to J. M. Uzzle of the Housing Authority of Tahoka.

The project calls for 14 units, completion of which is expected this summer.

Uzzle is taking applications from prospective renters of the units.

FALLS FROM CAR

Bon Jane Inman, 6, was admitted to the hospital Friday night after falling from a car and receiving internal injuries. Her condition is considered improved.

Farmers Await Spring Rains

Although 1960 started off with a fine underground season, rainfall since the first of the year has been slightly below normal, and a dry April has given little encouragement to farmers. Rain for dryland planting is needed soon.

Total rainfall for the year was 2.31 inches for the first four months of the year, compared to a normal of 3.13 inches. Of this amount, .85 came in January, .96 in February, .22 in March, and only .33 in April. Normal for April is 1.33 inches.

However, the normal for May is 2.99 inches, and the farming country has high hopes that this will be a wet month.

Last year, Tahoka recorded a total of 23.54 inches. Of this amount, 7.37 inches fell the last four months, September through December to put deep moisture in the ground for this crop year.

The first four months of 1959 were likewise dry with .14 falling in January, 13. in February, none in March, and 1.31 in April. However, fine rains came in May for a total of 3.26 inches. Last year would have been a big crop year if it had not been for the extremely dry August.

Tractor Contest Held Saturday

Robert Bessire of O'Donnell was first place winner in the 4-H Club tractor contest held in O'Donnell Saturday, according to Bill Griffin, county agent.

Other winners were Lester Ford, Tahoka, second; and Weldon Bessire, O'Donnell, third. Ford will represent Lynn county in the district contest which is to be held Saturday, May 7, in Lubbock.

Cash prizes of $20.00, $15.00 and $10.00 were awarded. Judges were Carl Sanders, Bart Anderson and Bub Allen.

The contest was divided into three divisions. First division included checking service of the tractor to determine the readiness of the machine for operation; second, was an examination on tractor maintenance; and third was the driving contest.

Tahoka Cub Pack Receives Charter

Charter of Cub Pack 82 of Tahoka was presented Thursday night at the Cub meeting in the City-Legion building, according to John Ed Redwine, cubmaster.

Shelby Berry, district Scout executive, made the presentation on behalf of South Plains Council to Dr. Skiles Thomas, representative of Men's Downtown Bible Class, sponsor of the Pack.

E. B. Gaither, district committeeman-at-large, presented the Bobcat awards.

Special attraction for the program was presented by Mrs. Harold Green and the Fourth Grade Square Dancers.

An attendance of 115 was reported for the meeting.

Jay Gurley On College Council

Jay Gurley, sophomore student in Eastern New Mexico University at Portales, has been elected one of the two Junior Class representatives on the Student Council for next year. Five students who will be juniors next year were in the race, and Jay was among the top two, the other being a student from Lubbock.

Jay is a graduate of Tahoka High School and is the son of Mr. and Mrs. Jess Gurley. He lettered in basketball at ENMU this year.

Mrs. R. C. Coppedge was dismissed from the hospital Monday after having been a medical patient there several days.

Jerri Wyatt, freshman in Tahoka High School, and a daughter of Mr. and Mrs. F. A. Wyatt, was admitted to the hospital recently as a medical patient.

Wilson Paving Work Scheduled

Reconstruction and widening of Farm Road 400 and widening of streets in Wilson on FM 400 and FM 211 is expected to get underway next Monday by the contractor, J. O. Bosworth Construction Co. of Lubbock. Total cost of the work will be $256,474.50 for the 19.3 miles of work.

FM 400 will be rebuilt and widened from its intersection two miles north of Tahoka to Slaton. Presently the road has a 20-foot caliche base and an 18-foot wide asphalt topping.

Grading structures will be rebuilt and the caliche base widened to 34 feet. A single coat of asphalt topping will be applied 32 feet in width, of which 26 feet will be of double course asphalt, which is virtually standard for state highways. No additional right-of-way will be required for the road since the present right-of-way is 100 feet.

Mayor Clarence Church of Wilson says property owners of the City of Wilson are raising $18,900 to widen the two main streets and install curbs and gutters, which is included in the Texas Highway Department contract and for which the City has advanced its check.

Main Street along FM 400 through the busines section will be improved and widened along a stretch of 1,462 feet of paving. One block of the main business section will have paving 60 feet wide, curb and gutter and a sidewalk for a total width of 64 feet.

Also, beginning at the intersection of FM 400 and extending west to the west Wilson city limits, seven-tenths of a mile, FM 211 will be widened to 60 feet and curbs and gutters installed.

Cost of the work to Wilson property owners will be $2.85 per running foot in the down-town block and the remainder will be $2.00 per foot.

Rodeo Arena Is Now Being Used

Tahoka Rodeo Association now has its arena nearly completed, and its members are roping each Sunday afternoon and also on Thursday afternoons from about 5:00 to 7:00 p. m., stated "Dub" Powers, president of the association.

The new arena is located a block west and a block south of the Little League Park at the southwest outskirts of Tahoka.

The organization now has about 40 members and is seeking more men interested in rodeo events.

The Rodeo group is building a modern rodeo plant as finances permit.

The arena, already completed, is a diamond shape 283 feet long and 140 feet wide at its widest part. Catch and holding pens, roping and loading shoots have been completed, but the bucking shoots have not been completed yet. Also, a return lane will be installed. The boys hope to install lights later on.

There were 18 ropers out last Sunday. Calves are owned by individual members.

Some time this summer, the Association hopes to sponsor a rodeo.

Officers of the group in addition to Powers are James Gage, vice president; Reuben McElroy, secretary; and these three men and Jack Miller, Oran Short, and B. A. Young compose the board of directors.

The public is invited to come out and inspect the plant and watch the men practice calf roping.

Mrs. Roy Poer returned last week from a month's visit with a neice in Fort Worth and her daughter Mrs. Harold Edwards and family in Houston, Lamarque and Pearland.

Mrs. Brooks Smith is a patient in Tahoka Hospital, where she was admitted Friday.

Mrs. S. J. Tew was admitted to the hospital Saturday as a medical patient.

Large Vote Forecast Locally In Primary Election Saturday

Important Notice To Voters!

BEFORE YOU CAN VOTE IN THE DEMOCRATIC PRIMARY MAY 7, 1960, YOU MUST DO ONE OF THE FOLLOWING:

1. If you are required to pay a Poll Tax (Ages 21-60), and have paid it, you must bring your poll tax receipt with you to the polls.

2. If you are required to pay a poll tax and have paid it but have LOST or MISPLACED your poll tax receipt, you can still vote, BUT, at the polls your name will be checked on the official poll tax list, and if it shows you have paid your poll tax, you can then sign an AFFIDAVIT OF LOST POLL TAX RECEIPT at the poll and then vote.

3. If you are not required to pay a poll tax under the law, then you need not bring anything, BUT at the polls the Election Judge will issue you an Exemption Certificate, and then you can vote.

The above are the NEW changes in the election laws.

Bill Balch Sells New Home Firm

Bill Balch & Sons of New Home has been sold to Bob Bowers of Meadow, and James Farr, who has been with the Balchs for a number of years will remain as manager of the business.

After 24 years in the business, Mr. and Mrs. Balch are retiring but will continue to live at New Home and look after their farming interests.

Mr. Balch has enjoyed an excellent business over the years and has managed to acquire extensive farming interests which demand some of his time. Bill says he has no intention of leaving a community that has been so good to him and where he and his family have so many friends.

YOUTH HAS LUNG SURGERY

Pete Palady, 6-year-old son of Mr. and Mrs. Frank Palady, underwent lung surgery Tuesday, May 3, in Methodist Hospital, Lubbock. Tuesday was the youth's sixth birthday. He was reported Thursday to be doing "real well." The Father is an employee of Poka Lambro.

MRS. STEWART ILL

Mrs. Irving (Fra) Stewart has been a patient in Tahoka hospital several days seriously ill.

Mrs. Noel Caswell is a medical patient in Tahoka Hospital, having been admitted Tuesday.

Absentee Voting Probable Record

A new record in absentee ballots has been set for the 1960 first Democratic primary election in all probability.

A total of 151 ballots had been returned Thursday to the office of County Clerk C. W. Roberts, and there was a possibility there will be a few more in the mails that were voted before the deadline Tuesday.

Of the 151 cast, 64 were in Precinct 1 of Lynn county.

School Closing Exercises Set

Class sermons for the graduating classes of Tahoka, Wilson and New Home have been set for Sunday, May 15.

Rev. J. B. Thompson, pastor of First Methodist Church, will speak to Tahoka seniors. Commencement exercises for the group will be Friday, May 20.

New Home seniors on that night will hear Rev. Vernon O'Kelley of the Methodist Church. Graduation for New Home school will also be May 20.

Rev. T. A. Bandy, pastor of the Wilson Methodist Church, will deliver the sermon to the graduating group of that school. Friday, May 20, has been set as commencement date for that class also.

Commencement exercises for the O'Donnell seniors will be Thursday, May 26.

David Bray Elected To Council At SMU

David Bray, freshman in Southern Methodist University, late last week was elected to the Student Council of the school.

He and another freshman were among the 11 elected to the body, and this is the first time a first year student has been so honored, and there were two this year.

Bray is very active in SMU campus affairs. He is a son of Mr. and Mrs. A. M. Bray of Tahoka and a 1959 graduate of Tahoka High School.

Five Local Men Get Degrees In Masonry

Five Tahoka men took their 32nd degrees in Masonry last week, April 25 through 28, at the Scottish Rite Reunion in Dallas. This is the highest a man can go in masonry except the 33rd degree, which is honorary.

The men were: W. T. Kidwell, Nat Park, Jack Jaquess, Jim White and Bobby Ramsey.

These men also took the Shrine degree at the meeting.

Walter Vaughan, already a 32nd degree Mason, accompanied the group, as did Mrs. Kidwell and Mrs. Vaughan. The ladies were entertained by the Eastern Star while in Dallas.

Saturday is the big day—the day of the first Democratic Primary election in Texas, moved up by act of the ast Legislature from the fourth Saturday in July to the first Saturday in May.

Top interest locally is in the races for tax assessor and collector, sheriff, and commissioners of Precincts 1 and 3.

For the tax office, J. E. (Red) Brown, present incumbent, is opposed by George McCracken, who has lived here many years and engaged in office work.

Present Sheriff Norvell (Booger) Redwine is opposed for re-election by Jack Miller, Tahoka police chief, and Cleave Bairrington of O'Donnell, a former deputy sheriff.

In Commissioner's Precinct 1, the northeast quarter of the county, present incumbent Curtis Morgan is opposed for re-election by Martin Wuensche Jr., Lloyd Mears, and Buford Jones.

In Commisisoner's Precinct 3, the southwest quarter of the county, Mrs. Beatrice McLaurin, present incumbent, is opposed by J. G. (Ted) Rogers and W. A. (Andy) Jordan.

Unopposed are Harold Green for county attorney, J. P. Hewlett for county school superintendent, and S. M. Clayton Jr. for county Democratic Chairman.

On the district level, Congressman George Mahon, State Senator Preston Smith, and District Attorney George H. Hansard are all unopposed.

James G. Denton of Lubbock, serving out the unexpired term of E. L. Pitts as Chief Justice, Court of Civil Appeals, 7th Supreme Judicial District, Amarillo, is opposed for a full term by Jesse Owens of Amarillo.

Wesley Roberts of Lamesa, State Representative from the 99th District, is opposed by Bill Sanderson of Seagraves.

In state races there is competition for the following offices.

For Governor, Price Daniel is opposed by Jack Cox, Breckenridge oil man and attorney.

For Attorney General, the present incumbent, Will Wilson of Dallas, is opposed by Waggoner Carr of Lubbock and Robert Everett L. Looey of Austin.

For Chief Justice of the Supreme Court, Robert W. Calvert, presently an Associate Justice, is running for election to the office now held by Judge J. E. Hickman, who is not a candidate. He is opposed by Robert G. Hughes of San Angelo.

For Judge of the Court of Criminal Appeals, Lloyd W. Davidson is opposed by Jim D. Bowmer of Bell county and W. T. McDonald of Brazos county.

For Comptroller of Public Accounts, Robert S. Calvert, formerly of Sweetwater, is opposed by V. L. (Bo) Ramsey of Panola county.

Rep. Wesley Roberts Asks Re-Election

When a state is $60 million in the red, only two choices are open —either raise taxes of cut spending and waste.

And as chairman of a House committee charged with finding ways to eliminate waste and extravagance in the state government, Wesley Roberts is a firm believer in the latter course.

Roberts made the statement this week as he made his official announcement in seeking re-election to the House of Representatives from the 99th district.

The 34-year-old West Texan has estimated that his committee has already found where the taxpayers can be saved several million dollars. The committee is currently preparing recommendations for the next legislature concerning waste, extravagance and duplication of services in some of the state departments.

The committee on economy is one of a number of important legislative committees Roberts has served on during the past two years. He has served on the vital appropriations committee, and committees on State Affairs, Labor, Insurance, and Oil and Gas committee.

Some state officials are expecting a $300 million tax bill in the next session and Roberts' experience during the past session on the revenue and tax committee should strengthen West Texas' representation in seeing that any tax passed would not be unfair to West Texas. Roberts was author of HB 11, the bill that finally settled the 7-month deadlock in the past session.

The native West Texan of Lamesa actively supported bills for conservation of soil and water on programs to solve juvenile problems, a supporter of the Hale-Aiken educational recommendations, supported amendments in the auto insurance merit rating plan for equitable treatment for all, and actively worked on statewide solutions of the short oil allowance problem.

"The 99th district seat in the House of Representatives in Austin belongs to the people of Andrews Dawson, Gaines and Lynn counties—and to no one else," Roberts stated. "And I have tried to give this district the representation that West Texans have a right to demand of the office."

A graduate of Andrews High School and Baylor University, Roberts has been cited by vocational agricultural teachers, the Dawson farm bureau, and by the Texas Federation of Women's Clubs for his work in Austin.

"My past and my future is tied to West Texas and its people," Roberts said. "And I shall give my very best to see that this district continues to have an honest, fair, and strong voice in the legislative halls at Austin."

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Council of Tahoka, Texas, will be received at the office of the City Secretary, City Hall, Tahoka, Texas until 3:00 p. m. CST, May 23, 1960, for furnishing all necessary materials, machinery, equipment, superintendence and labor for the construction of certain street improvements on approximately 35 blocks in the City of Tahoka, Texas. The principal items of work included in this project are constructing approximately 52,400 square yards of tripple asplalt pavement, 28,700 linear feet of concrete curb and gutter; patching and seal coating 160,000 square yards of existing pavement together with other necessary appurtenances.

The Bidder shall submit bids based on his being paid in cash for all the construction work and that certain legal, solicitation and other work shall be done, or the expense paid, by the fiscal agent employed by the Owner. No bid will be considered which involves payment for the work on any basis except that outlined in the specifications.

Bidders are required to submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Tahoka, Texas, in an amount not less than five percent (5%) of the largest possible bid submitted as a guarantee that the Bidder will enter into a contract and execute bonds and guaranty in the forms provided within fifteen (15) days after notice of award of contract to him.

The successful Bidder will be required to furnish performance and payment bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices shall be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bid, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or unbalanced) unit prices will authorize the Owner to reject the bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done. Attention is called to the provisions of the Acts of the 43rd. Legislature of the State of Texas, Page 91, Chapter 45. (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing wage established by the Owner. The Contractor must abide by the Wage and Hour Laws of the State of Texas and must not pay less than the rate legally prescribed or as set forth herein, whichever is higher.

Mechanic, Workman or Type of Labor	General Prevailing per diem wage based on 8 hour working day	General Prevailing Hourly wage
Skilled	$14.00 to $24.00	$1.75 to $3.00
Semi-skilled	$10.00 to $14.00	$1.25 to $1.75
Unskilled	$ 8.00 to $10.00	$1.00 to $1.25

(Detailed Labor Classifications and Corresponding Wage Rates are set out in the Specifications.)

Bidders are expceted to inform themselves regarding the General Conditions, Special Conditions and other Contract Documents which include the specifications and plans.

Information for bidders, proposal forms, specifications and plans are on file at the office of the City Secretary, City Hall, Tahoka, Texas, and copies can be secured at the office of the Consulting Engineers, Roberts, Merriman, Bowden & Isbell, 1005½ 13th. Street, Lubbock, Texas, upon the deposit of $25.00 as a guarantee of the safe reutrn of the Plans and Specifications. The full amount of the deposit will be returned to the Bidder on submission of a bonafied bid on the work, with such Plans and Specifications, or upon returning the plans and Specifications immediately after examination of same but before the time of receiving bids and advising the Engineer that a bid will not be submitted, otherwise, the deposit shall be forfeited. No obligation is assumed to return the deposit under other conditions.

QUESTIONS, PLEASE

Question: "Is there any authority for man's being baptized in the Holy Ghost today?"

Answer: It depends on what you take as your authority. If it is creed books and commands of men then the answer is "yes." If it is the Bible the answer is "no." There are two instances of people being baptized in the Holy Spirit in the Bible. One is in Acts 2 when the church was established. Everything, including the church, began by miracle creation. The other account is in Acts 10 when the Gentiles were accepted for the first time in the church. No other instances are recorded.

Holy Spirit baptism was a promise and not a command. One cannot obey a promise, only a command. Holy Spirit baptism was first heralded by John the Baptist (Matt. 3:11) and later promised by Christ (Jno. 14, 15, & 16). Jno. 14:25, 26 tells the purpose of this Holy Spirit baptism. He (the Holy Spirit) was to guide them into all truths that the Lord had proclaimed to them. Holy Spirit baptism was never for the remission of sins. Water baptism is for the remission of sins (Acts 2:38: 22:16; I Pet. 3:21).

There are four measures of the Spirit recorded in the Bible. (1) Christ had the Spirit without measure (Jno. 3:34). Christ was unlimited as to what he could do. (2) The apostles and Cornelius had the "baptismal measure" of the Spirit (Acts 2 & 10). (3) Then there was the measure received by the laying on of the apostle's hands (Acts 6:1-6). These individuals could work miracles but could not lay their hands on others and impart the Spirit. This we learn from Acts 8 where Philip, who had this measure of the spirit, converted a group of people in Samaria but could not impart the Spirit to them. Peter and John, two of the apostles, had to lay their hands on them and impart to them the Spirit. Since these, on whom the apostles had laid their hands, could not impart the Spirit—that is, pass it on—it is logical to assume that when the apostles, who had the "baptismal measure," died and all those on whom they had laid their hands had died then the miraculous manifestations would cease. After all, these were for the purpose of producing faith, or comfirming the Word (Jno. 20: 30, 31). After the Word was confirmed it was not necessary to continue to confirm it. (4) Then there is the "indwelling of the Spirit" (Rom. 8:9). This is the "gift of the Spirit" spoken of in Acts 2:38. The Spirit is never referred to in the scriptures as "it", but always as a personality. This personality dwells in one by the word becoming a part of him.

from The World's Most Widely Used Devotional Guide

The Upper Room
© THE UPPER ROOM, NASHVILLE, TENNESSEE

Jesus knowing that all things were now accomplished, that the scripture might be fulfilled, saith, I thirst. (John 19:28.)

We rightly think that the salvation of man means above all the salvation of his soul.

Christ is also the savior of the body. He Himself had a body. When He lived in the flesh, He knew what it meant to be tired. He became hungry and thirsty. His words, "I thirst" were not of little significance, but a part of his sacrifice for us.

We need not think, then, that the things we need for our bodies are sinful. It is not sinful to enjoy our meals. We may drink when thirsty. When we are tired, it is no sin to sleep.

However, we need not be, we must not be slaves to our bodies. If our spirits are being ruled over our bodies, it is necessary to fight bravely against that tyranny. We have to subdue the power of our bodies, as Jesus subdued His when He lived in the flesh.

Prayer: O God I thank Thee for saving me, that I am Thine. May I remember that my body is the temple of the Holy Spirit. When the hour of my departure out of this world comes, let me with joy be clothed with a spiritual body, without spot or wrinkle. In the blessed Savior's name. Amen.

THOUGHT FOR THE DAY

Christ redeems my life from destruction and makes my body a temple of the living God.

Outstanding Record of Wilson FFA Is Reviewed At Father-Son Banquet

Forty-five boys honored their fathers and guests at the annual Wilson FFA banquet Thursday.

Officers of the chapter for the past year are: Bobby Wied, president; Tommy Steel, secretary; Milton Ehlers, vice-president; Junior Hewlett, reporter; Rodney Maeker, treasurer; Buck Rinne, sentinel; and Bobby Lee, advisor.

Entertainment at the banquet was provided by Danny Wynn of Slaton. Wilson FHA girls served at the banquet.

Outstanding membership awards were presented by Larry Mears, outstanding Greenhand; Junior Hewlett, outstanding sophomore; Rodney Maeker, outstanding junior; and Donald Klaus, outstanding senior. Larry is the son of Mr. and Mrs. Lloyd Mears, Junior is the son of Mr. and Mrs. Harry Hewlett, Rodney is the son of Mr. and Mrs. Edmund Maeker, and Donald is the son of Mr. and Mrs. Werner Klaus.

To win these awards, the boys have shown outstanding leadership, scholarship and project program. Larry Mears exhibited livestock in Dallas, El Paso, Houston and the local shows. He exhibited the Champion and Reserve Champion Barrow at the Wilson-New Home Show. Larry was a member of the Junior Chapter Conducting team that placed second in the Mesa District.

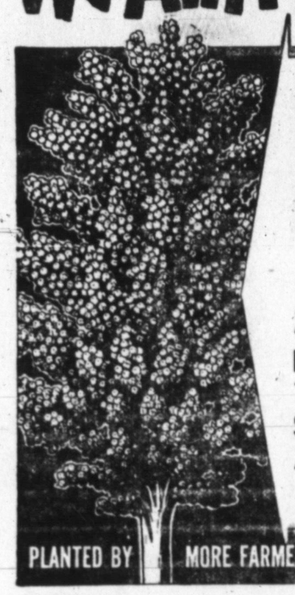

Junior Hewlett exhibited live stock in the Dallas, El Paso, Lubbock and local shows. He exhibited Champion and Reserve Berkshire in El Paso and Champion and Reserve Champion in the Wilson-New Home Show. Junior was also on the livestock judging team that placed third in Area II.

Rodney Maeker exhibited in Dallas, El Paso, Houston, Lubbock, and the local shows. He exhibited Champion Duroc in Houston, Reserve Champion Duroc at the State Fair, and Champion Duroc in the Wilson-New Home Show. He, too, was on the livestock judging team, and is also president of the State Lutheran League.

Donald Klaus exhibited livestock in Dallas, El Paso, Houston, Lubbock and the local shows. He exhibited first place lightweight Hampshire at Houston and Reserve Champion Hampshire in Wilson-New Home Show. Donald is applying for his Lone Star Farmer degree this year.

Mr. Johnny Clark, superintendent, and Mr. Bill Vardeman, high school principal, received Honorary Chapter Farmer awards.

Interest Rate Set For Crop Price Support

The interest rate charged producers on 1960-crop price-support loans will continue at 3½ percent per year on all loan repayments received by the regular nonrecourse loan maturity dates, the Department of Agriculture has announced.

Charles G. Bragg, Office Manager of the Lynn county Agricultural Stabilization and Conservation Office, points out that this rate applies to nonrecourse loans and to that part of a recourse loan which is paid by the regular maturity date. Application of the 3½ per cent rate to recourseloans if repaid during the regular loan period is designed primarily to encourage early repayment of these loans.

On recourse loans, which were authorized by recent legislation limiting nonrecourse price support to $50,000, the rate will be 6 per cent per year on the portion of these loans not repaid by the regular maturity date.

Recourse loans must be repaid with interest, but they do not have to be repaid until a full year after the last date for obtaining loans for each of the commodities. The regular nonrecourse loans can be satisfied by forfeiture of the collateral securing the loan, and interest is charged only on principal repaid.

Under the law, nonrecourse price support is limited to $50,000 on those commodities determined to be in surplus supply. However, any person may obtain unlimited nonrecourse support if he reduces his 1960 production of the commodity by 20 per cent below his 1959 production and any person may obtain recourse loans for any excess over $50,000 without reducing his production but the excess amount advanced must be repaid in full with interest.

Crops determined to be in surplus under this provision of law include wheat, barley, grain sorghums, upland and extra long staple cotton, oats, cottonseed, flaxseed, soybeans, rice, peanuts, tobacco, corn and rye.

The two circles of the Woman's Society of Christian Service met Monday at noon in the lovely ranch home of Mrs. Oscar Roberts for lunch.

Nineteen ladies were present to hear Mrs. A. M. Bray conclude the study of "Luke's Portrait of Christ." She gave a very inspiring talk on "The Recurrected Life." Mrs. J. B. Thompson spoke on "The Resurrection."

Ladies who have never heard Mrs. Bray teach a Bible study have really missed a blessing.

Marilyn Carmack Marries In June

Mr. and Mrs. C. O. Carmack, Tahoka, announce the engagement and forthcoming marriage of their daughter, Marilyn, to Jack David McPhaul, son of Mr. and Mrs. J. D. McPhaul, Lamesa, Texas.

Wedding vows will be solemnized June 30 in the chapel garden at St. John's Methodist Church, Lubbock, Texas.

Miss Carmack is a sophomore home economics major at Texas Tech. Mr. McPaul graduated from Tech in 1959 with a Bachelor of Business Administration Degree.

Wilson Recital Is Monday Night

The piano pupils of Mrs. James P. Burnett of Wilson will be presented in a recital on Monday, May 9, from 8:00 to 9:00 p. m. in the Wilson High School Auditorium in Wilson. The public is invited to attend.

The program will feature numbers by such composers as Bach, Clementi, Mozart, Grieg, as well as Scher, Bentley, Burnam, and other contemporary composers.

Those who will perform are Gary Cook, Jan Skinner, Carolyn Baker, Rickey Deans, Joy Jones, Gloria Foster, Libby Sales, Steve Meader, Sherri Wilke, Gary Williamson, Elaine Schwertner, Esther Pena, Realand Cook, Mike Coleman, Carolyn Schneider, Katherine Nolte, Wanda Wuensche, Belva Becker, Larry Schneider, Jane Stoker, Linda Grabber, Claudia Stoker, Valton Maeker, Linda Camden, and Belinda Becker.

Pictured above is Miss Janet Dube who became the bride of Gary Hunger in a ceremony read April 23 in the St. Paul Lutheran Church in McAllen, Texas. Mrs. Hunger, a graduate of Tahoka High Cchool, is a daughter of Mr. and Mrs. Oswald Dube of Wilson.

Dancing Recital Saturday Night

"Anchors Away" will be presented by Sandra Hodges' School of Dancing Saturday, May 7, at 7:30 p. m. at the Tahoka High School auditorium.

Students performing on the program are Sheree Brookshire, Teri Pebsworth, Dale Rogers, Robin Harvick, Paula Payne, Toni and Malinie Leverett, Julie Robinson, Janice Renfro, Arlene Stephens, Debbie Wright, Lacye Walker and Andra Carroll.

Guests will include Myra Lou Ballard of Monahans, Mary Jane McCord, Cliff Thomas, Vicki Jacobs, Buzz Owens, Charles Isbell and Mike Burk, all of Tahoka.

In the voyage around the world the audience will see Hawaii, Holland, Ireland, India, Mexico, China and many others represented in tap, ballet, baton, and acrabats.

Music Programs At New Home

Students from the public school music department in the New Home Grade School have recently presented three performances, according to Mrs. Chellie Bradley, director.

The first of these performances was an exchange program with the Tahoka school, the second was at the Lynn county teachers meeting, and the third was at the meeting of the New Home PTA.

All of the performances were done in a week's time, from Thursday, April 21, until the following Thursday.

ADULT DISCUSSION CLASS

Pastor James P. Burnett, pastor of St. John Lutheran Church, Wilson, would like to invite anyone to attend the Adult Discussion Class which meets twice weekly. Anyone who is interested in learning more about the Bible and about the Lutheran Church is welcome.

Mrs. Tom Smith of Lubbock, formerly of Redwine community, was a visitor here Tuesday.

MOTHERS DAY TEA IS HELD AT WILSON

The Women's Missionary Society of St. John Lutheran Church, Wilson, had a Mothers Day Tea Sunday, May 1, at the home of Mrs. R. F. Stegemoeller.

The program, "The World—Our Mission Field," was led by Mrs. James P. Burnett, India Missions chairman. She was assisted by Mrs. Walter Maeker, Mrs. Curtis Wilke, Mrs. Ben Wilke, Mrs. Edmund Maeker and Mrs. R. F. Stegemoeller.

Refreshments were provided by the hostess and Mrs. Elmer Gindorf and Mrs. Walter Steinhauser.

About 20 members attended. The offering received will go to support the mission work in India.

MOORES AT CAMP

Mr. and Mrs. L. H. (Lit) Moore Sr. have gone to their camp on the beautiful Perdanales River near Hye. Mrs. Moore has been ailing for several months, but Mr. Moore says she began to get better when they decided to go fishing. They will return in time for the Pioneer Reunion the last of June.

Help keep Tahoka Clean.

Bill Sanderson Issues Statement

During this campaign, I have enjoyed meeting and talking with many interested voters here. I regret that my hope to become acquainted with each individual voter has not been accomplished; however, as there are over 16,000 voters in this district, I feel fortunnate in getting to know as many of you as I have.

I have enjoyed a very friendly reception among the voters here, and I want to express my deep appreciation to the people who have worked in my behalf in this campaign.

Two of the more important issues that will come up before the next session of the legislature is an increase in salary for our teachers and a tax program to finance this salary increase.

I will support a salary increase for teachers. I believe that this will improve ours chools. Educating our children is one of our most important responsibilities and I believe that we should give them the best possible education.

I believe that the funds to finance a salary increase for teachers can be raised without a general sales tax: therefore I will not support this tax. As you all know, during the last session of the legislature there was a very active drive for passage of a general sales tax. A general sales tax is inflationary and will take thousands of dollars out of the economy of this community. It would depress business and add to the cost of everything we buy.

Your vote and support in the election Saturday will be sincerely appreciated.

BILL SANDERSON.

P. E. Askew of Wells, who suffered a stroke several weeks ago, seems to be showing some improvement, reports his son, Bertice Askew.

DO YOUR CAR WHEELS NEED BALANCING?
4 out of 5 do!

Yes, even most NEW cars need wheel balancing jobs

A good wheel balancing job with a modern Hunter Balancer pays for itself fast. That's true because unbalanced wheels pound your tires to an early death—and increase wear and tear on the front end of your car.

You get more pleasure out of driving—greater comfort, smoother riding, easier steering when you get a wheel balance job done with the modern Hunter Balancer. Yours will be a safer car on the highway, too.

Get your wheels checked FREE—in just 2 minutes. Stop in today.

Soil Stewardship Week Is May 22-27

The pastors of the county were guests of the Lynn County Soil Conservation District supervisors at a meeting held in the directors room of the Lyntegar Electric building Tuesday afternoon, May 3.

Plans were made for Soil Stewardship week which is an annual observance and will be May 22-27 this year. The churches are asked to cooperate in observing Soil Stewardship Sunday. The local district is furnishing bulletins for the congregations on that day.

A film, "The Earth Is The Lord's" was viewed by the group. This new film on stewardship and conservation of the soil has been purchased by the local district and is available to any church or civic group.

Following the showing of the film, Rev. G. W. Heinemeier, pastor of St. Paul Lutheran Church of Wilson spoke.

The following pastors were present: Rev. Heinemeier; J. B. Thompson, First Methodist Church, Tahoka; T. James Efird, First Baptist, Tahoka; R. C. Nixon, Draw Methodist; D. W. Copeland, Redwine Baptist; Ray D. Martin, Wells Baptist; S. L. Yeilding, Lakeview.

Supervisors of the Soil Conservation District are: Ellis Barnes, W. L. Rowe, E. R. Blakney, O. E. Terry and Melvin Wuensche.

OUR HATS ARE OFF TO—

The drive chairmen and leaders of the drives in Tahoka and Lynn county this year. To C. W. Conway, March of Dimes chairman; Charles Bragg, Red Cross; Rev. J. B. Thompson, Salvation Army; H. W. New Home Eighth Grade Presentation Program Is Held

Eighth Grade class of New Home school was presented to parents and eachers at the 1960 Spring Presentation Friday night, April 22.

A program with the theme of "Memories," was presented by the class and carried the audience back to earlier days. A pantomime, take-offs on teachers, and a Charleston number were included. David Unfred was master of ceremonies.

Each Eighth Grade student was then presented to the audience. Each girl carried a long-stemmed red rose, and each boy wore a red rose boutonniere. The red rose is the class flower.

A reception was held in the school cafetorium and punch and cake were served by members of the Seventh Grade class.

Eighth Grade class members are: Max Blakney, Terry Brown, Josephine Castro, Barbara Draper, Sharleen Embry, Elton George, Betty Gomez, Dave Hancock, Treva Kieth, Esparanza Martinez, Janie Milliken, Carolyn Morrow, Julia Rodriguez, Don B. Rudd, Shirley Smith, Patsy Swinson, Linda Timmons, Jerry Dale Todd, Lupe Torres, and David Unfred.

Need Women For Specialist Training

The young woman of today can receive training in a specialty of her choice by enlisting in the Women's Army Corps, according to SFC. Bill Jones, local army counselor.

Specialist training is offered in many varied fields. She may apply for training in communications, administration, photography, drafting, medical and many others. Moreover, the specialsts training is guaranteed before enlistment.

To be eligible, Sfc. Jones states a young woman must be single, a high school graduate or the equivalent, between the ages of 18 and 34, and possess high mental, physical and character qualities. Applications are considered on a selective basis.

Women who believe they can qualify for enlistment or wish additional information are invited to contact Sfc. William T. Jones, 1110 Texas Avenue, Lubbock or call collect PO 3-2821. They may also write to First Lieutenant Kathleen Harrison, Women's Army Corps Counselor, 312 East Fifth Avenue, Amarillo, Texas for a personal interview.

The origin of the cattle brand dates back to antiquity, and there has never been anything to take its place as a permanent mark of ownership. As the cowman says, "A brand is somethin' that won't come off in the wash."

Savings Bonds Sales Are High

March E and H Savings Bonds sales in Lynn county totaled $24,521 according to A. C. Verner, chairman of the county Savings Bonds committee .

Sales for the first three months of 1960 were $24,521 which represents 34.5 percent of the county 1960 goal. First quarter sales in Texas were $45,480,326 or 27.5 percent if its 1960 goal of $165,500,000.

"Savings Bonds are an investment in the future. For years the Treasury Deparment sold bonds as a doorway to opportunity—a new home, college education, retirement, or some other dream of the future. But today the future itself is threatened. With the dawn of the missile age, the world is suddenly aware that one more war could be the last. The home of the age is for peace—for some guarantee that there will be a future to look forward to. We must have PEACE POWER—the strength to keep the peace; the knowledge to make it lasting. Savings Bonds, in building economic stability, help strengthen America's peace power," James F. Stiles, Jr., National Director, said.

In cowboy terminology, the box pannier is a flat, narrow wooden box, usually covered with green rawhide with the hair on and lashed to the packsaddle to carry camp equipment.

A cowboy's slang name for a bull is "surly."

Mrs. Mollie Edwards Is Visitor In Tahoka

Mrs. C. O. (Mollie) Edwards of Fort Worth was here Friday looking after her T-Bar ranch interests. She was accompanied by her two sisters, Mrs. L. D. Chapman and Mrs. S. T. Bibb, also of Fort Worth.

Also with the visitors were Mr. and Mrs. John Harding and son of Lubbock. Mr. Harding is a professor in Texas Tech, and Mrs. Harding, a niece of the Fort Worth ladies, is the former Miss Lorene Childers, who was reared in Tahoka the daughter of Mr. and Mrs Dave Childers. The Hardings operate a part of the T-Bar.

HOME FROM HOT SPRINGS

Mr. and Mrs. B. R. Tate returned home Friday from Hot Springs, New Mexico, now officially known as Truth or Consequences. Bob says they didn't even "wet a hook."

Mr. and Mrs. J. E. Nance returned home last week from a week's vacation at Truth or Consequences, New Mexico.

REDDELLS BRING IN FISH

Mr. and Mrs. W. A. (Bill) Reddell returned home Sunday night from Rockport, down on the Texas Gulf Coast near Corpus Christi. Bill admits that his wife beat him fishing. They brought home 140 pounds of dressed fish, all caught off the pier.

If we made
Gladiola Flour for
Porcupine, S. D...

we could lower the quality a little...

...but we make it for you

Gladiola Land (that's Texas and a little bit more) could give the rest of the country lessons in home baking. Nobody makes biscuits, pies and cakes the way the ladies make 'em here.

Nobody's so fussy about flour, either—and that's fine with us. We're fussy, too. That's why Gladiola Flour is like no other flour made. Naturally, it outsells every other brand.

As for the folks in Porcupine, S.D., what they don't know won't hurt 'em. Snow-white Gladiola Flour isn't for them—it's for you. And it costs only about ½¢ a day more than the cheapest brand at your store.

Bake and be Glad—with
GLADIOLA FLOUR
The best-selling flour in the Southwest

(Porcupine is in Shannon County on Porcupine Creek near Porcupine Butte)

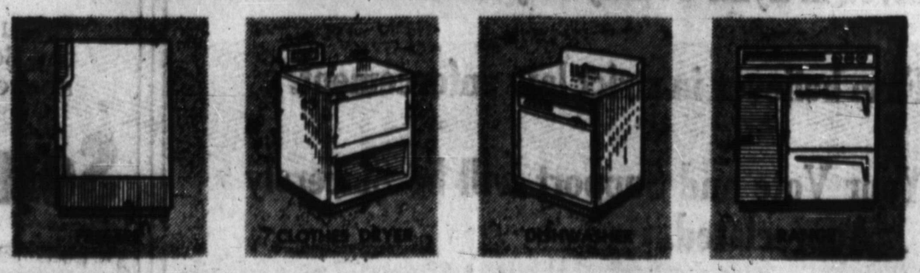

YOU TOO CAN

Now, at your participating Reddy Kilowatt Electric Appliance Dealer you can watch and win. All you have to do is see a demonstration of any of these four electric appliances: range — home freezer — dishwasher — clothes dryer. After the demonstration, you register for the drawings to be held at the close of May, June and July. If your card is drawn you will receive the range, home freezer, dishwasher or clothes dryer which was demonstrated to you. You can see a demonstration of one appliance or all of them. For each demonstration of an appliance, a separate registration card will be entered with your name on it. To enter, you must be 21 or married and live in the area served by Public Service. Dealers, salesmen, employees of Public Service, and their families are not eligible.

Lynn County Soil Conservation District News

E. R. BLAKNEY ELLIS BARNES
O. E. TERRY W. L. (Cap) ROWE
MELVIN WUENSCHE

Soil improving crops are becoming more important in our present farming operations, especially with irrigation. The soil needs a fertility boost to maintain our present soil conditions. Summer legumes planted solid or in skip-row cotton is one way to maintain or better your soil condition. Legumes such as soybeans, sesbania, cowpeas or mung beans are good soil improveing crops. Growth should be killed when tonnage is the highest, usually about the time the plant seeds. This will not only condition but add nitrogen to the soil.

• • •

Range re-seeding and brush controll is being carried out on Carl Spears farm northeast of Tahoka. Carl has reseeded approximately 32 acres with native range grasses and plans to control mesquite on this area. Cost share assistance is being given for both the reseeding and brush control under the Great Plains Conservation Program.

• • •

A comparison of the qualities of Sorghum Almum and Blue Panic grasses shows Sorghum Almum to be weak perennial, considered an annual grazing crop, temporary pasture, danger of prussic acid, may revert back to Johnson grass, will not survive heavy grazing, stand decreases each year even if properly used, heavy user of soil nutrients; as compared to Blue Panic grass, which is a strong perennial, perenial grazing grass, no danger of prussic acid, will not revert back to any other variety, survives heavy grazing, moderate user of soil nutrients.

• • •

Some farmers are using, Blue Panic grass in this area for soil improvement, grazing and as seed production are: Harold G. Franklin, Carl Griffing Jr., M. C. Thomas, W. P. Thomas, Melvin Wuensche, Julian Pirtle, J. W. Pirtle and Leroy Davis.

JACK P. MORGAN IN CALIFORNIA ARMY SCHOOL

Monterey, Calif. — Army Sergeant First Class Jack P. Morgan, 32, son of Mr. and Mrs. Elbert Morgan, O'Donnell, Texas, is attending The Language School in Monterey, Calif., where he is receiving instruction in the French Language.

Upon Completion of his six months of training, Sergeant Morgan will be qualified interpreter or translator, and will be able to speak French fluently as well as read and write the language.

Sergeant Morgan entered the Army in 1945.

O'DONNELL LITTLE LEAGUE DEDICATES NEW BALL PARK

The recently completed O'Donnell Little League baseball park was dedicated Monday evening. The new park is located immediately south of the American Legion Hall.

About eighty boys are playing on the four teams in the new league this summer.

Officers of the league are B. B. Vestal, president; Bill Burton, vice president; C. A. Moore, secretary-treasurer; C. A. Lacy, E. E. Bates and W. A. Jordan, directors; and Dr. Noble Rumbo, player agent.

COWBOY GUNNERY

The border draw, according to cowboys, is a cross draw made with the gun carried at or near the hip, but hanging butt forward. A quick stab of the hand across the body reaches the gun, and the continuation of the movement lifts it clear of the holster. It is called this because of its popularity with men in the vicinity of the Mexican border.

SERIES OF SERMONS AT CHURCH OF CHRIST

Last Sunday a series of visual aid sermons was begun on the subject of "Sin," the first sermon being "What Is Sin?", at Tahoka Church of Christ.

The sermons for the next three Sunday mornings will be "The Wages of Sin," "The Remission of Sin" and "Protection from Sin." All of these will be illustrated by means of the magnetic board.

Sunday night, May 8, a set of slides will be shown to illustrate a lesson on "The Untamed Tongue." Sermons that are illustrated are remembered much longer.

Each day's rainfall on United States averages a total of 4.3 trillion gallons of water, some 70 per cent of which evaporates into the atmosphere directly, or through plants, and the balance flows off through lakes and rivers.

And don't forget to take your poll tax or exemption receipt to the polls. In Lynn county, you do not have to have an over-age exemption receipt. Also, if you go to the Democratic precinct convention, you will need your stamped receipt to be eligible to participate. Read the story on Page 1 this week by S. M. Clayton Jr., county Democratic chairman.

A labor leader recently expressed some concern over the declining position of the farmer in our national economy. Well, well! We would like to ask the labor leaders and our own Senator Ralph Yarborough how in the world are you going to help the farmers' lot by increasing the minimum wage, extending such to an additional 3.1 million workers, including braceros therein, or cutting out the bracero program entirely? We people in the farming country don't want this kind of help. Or, do we?

While Welch Flippin was a captain in the Army Air Force stationed at Altus, Okla., back in 1943 and 1944, there was another young fellow there who kept the airmen laughing and repeating his stories. Since that time, the young lieutenant has parlayed his droll humor into something that has made him famous. His name is George Goble.

Randolph Rutherford wonders what the word "aparthied" means. It has been used frequently of late in news reports concerning the race riots in South Africa, but we can not find the world in Webster's, the Encyclopedia Americana, or The World Book. Anyone know?

• • •

And, Cap Rowe wants to know if anyone ever knew of a tornado following the same path of a previous one.

• • •

Mrs. Joe (Bess) VanDyke is one of the best story tellers we know. Some time get her to tell you some of her experiences as a little girl in the early days of Lynn county. Nobody but Bess can tell this one properly, but on one occasion one of her sisters went to a neighbor's to listen to an old time phonograph, the marvel of that day. The girl came home and was trying to figure out why each record started off with the statement, "Let us unwrinkle." Actually, this was an Edison which played screechy cylindrical records, and to the girl "Edison record" announced at the start of each record-playing sounded like "Let us unwrinkle."

• • •

Maurice Small, who recently suffered a heart attack, is reputed to have been told by his physician that, if he wants to get well, he can have no more arguments with The Printer, John Thomas, and Jake Jacobs. If such is true, Maurice will have to completely change his way of life.

• • •

When The Printer was a kid he envied Lum Haney because Lum, we thought, had the best job in town. After school, Saturdays and in the summer he delivered groceries by hack and team for Lipscomb & Davis and a little later drove the first automotive delivery wagon, a Model T Ford, for Edd Dodds. By the way, do you remember when you bought a pretty good bill of groceries the merchant threw in a dozen bananas or apples or some candy for the kids? When you bought a pound or two of steak at the meat market, that merchant would throw in free some liver.

• • •

Talking with Lum and our youth in old Roscoe reminds us of a character we knew down there—and we have ever enjoyed knowing characters. Old Man Neighbors was a bachelor (some people thought he was a bit "touched"), who wore a full reddish beard, and, to say the least, had some peculiar ideas on politics and religion.

• • •

Mr. Neighbors farmed out west of Roscoe, and on one occasion Neal Norris and The Printer picked cotton for him, $1.00 per hundred and board. But, after the first day and night we resigned. For dinner he fed us vienna sausages and crackers. For supper, after a hard day in the field, we had lightbread, fried eggs and sweet milk. Mr. Neighbors had cats all over the place—to keep him company, I guess. Anyway, we ate supper out on the back steps with the cats. Our boss would take a bite of egg and then give Old Tom, his favorite cat, a bite.

• • •

That nearly "cooked our goose" but what followed finished us off. After supper, Mr. Neighbors went out to milk barefooted, wading around in the manure, set the bucket down under Old Bossy and started juicing. Old Tom kept trying to get his head in the milk bucket until finally Mr. Neighbor got aggravated, set the bucket down by the fence, leaped over the latter and chased the cat around behind the cow shed. Returning to his milking job, Mr. Neighbors put his hand on the top fence rail, leaped back over, and one bare foot landed in the milk pail. But, all was not lost. Grabbing up the bucket, Mr. Neighbors muttered, "Well, I didn't lose over a pint after all." Next morning, we took off home—without milk for breakfast.

Maybe that's enough foolishness for this week.

PETTY CASH

NEW TROP-ARTIC
offers you what no motor oil ever could before

New Trop-Artic* brings to the aid of your motor a *new lubricating formula* that cleans, protects, and preserves smooth performance under the most severe engine tests for automobile oil.

The secret of Trop-Artic's exceptional performance is a revolutionary super-cleaning element called PDA, made only by Phillips Petroleum Company. In hundreds of thousands of miles of testing, typical car owners reported these important benefits from new Trop-Artic with PDA:

- Less oil consumption
- Less engine knocking
- Less mis-firing
- More miles per gallon of gasoline
- Cleaner oil filters

Change to new Trop-Artic Motor Oil and see if you don't notice these improvements in the performance of *your* car!

Students Give Rotary Program

Sixteen fourth grade music pupils of Mrs. Harold (Bettye) Green presented the principal part of the program at Rotary Thursday noon of last week.

The program consisted of several song numbers, including "Texas, Our Texas", "Bluebonnets," and "Palamita," followed by several square dance numbers, all of which the Rotarians seemed to enjoy very much.

The group was composed of the following: John Tyler and Lexi Adams, Cliff Thomas and Vicki Jacobs, Buz Owens and Arlene Stephens, Mike Burk and Quaydene Pool, Zan Ashcraft and Chris Roberts, Richard White and Susan Chancy, Doyle Schneider and Debbie Wright, Jane Collard and Charles Isbell.

Announcers who told the background of each song number were: Vicki Jacobs, Richard White, John Tyler, Cliff Thomas, Buz Owens and Debbie Wright.

The program was arranged by Harley Henderson.

President Mitchell Williams announced the directors had voted to sponsor another foreign student visitor here this summer, and Harold Green was instructed to go ahead with plans for bringing such a student here for eight or ten weeks this summer.

He also announced the installation-ladies night program has been set for June 30 in the Prohl back yard, at which time a covered dish lunch will be served. In charge of the program will be Clint Walker, Leighton Knox and H. B. McCord Jr.

Dr. Skiles Thomas was named chairman of the On-to-Miami committee for the International Rotary Convention.

ROBERT S. CALVERT SEEKS RE-ELECTION

Robert S. Calvert, a native Texan now living in Austin is seeking re-election as State Comptroller.

Mr. Calvert is now in his 12th year as State Comptroller. He has been with the Comptroller's department since 1930 and has advanced through the ranks to head the department.

He is a native of McLennan County, spent his early life in Brownwood and worked in Sweetwater (with a railroad, an electric company and in a bank) before coming a career worker in the Comptroller's Department.

Mr. Calvert said his only platform was to continue to give the public good service and to operate his office as economically as possible, without sacrificing efficiency.

Ex-Tahoka Boy Is Making A Name As New York TV and Stags Actor

By WILSON WOLF
Fort Worth Star-Telegram

New York, April 30—"Back home," said Wayne Tippit of Tahoka, "people tend to consider a man who wants to be an actor kind of strange."

Now that Tippit has proven himself successful, he explained, the situation has changed. People in his home area enjoy watching his perform as Jerry Ames in the popular television serial "The Secret Storm" and when he returns to Tahoka for a visit, as he did in September, there are always many relatives and friends anxious to talk with him about his career on TV and on the stage.

It wasn't that way in the beginning, Tippit recalled one night before going on stage in the recent off-Broadway stage production of "The Sycamore Tree." In fact, he literally sneaked into acting at Texas Tech.

"I was always a ham and always stage struck," the six foot actor said, recounting how he became oriented toward a dramatic career. "I was born and raised in Tahoka, where my father, T. I. Tippit, is a cotton farmer. I used to work on my dad's farm. When I was in my last two years of high school I raised Hereford cattle and Berkshire pigs for livestock shows and won some county championships.

13 Girls and Tippit

"I didn't want to remain on the farm, though, and decided to major in law. After being graduated from high school when I was 16, I went to Texas Tech. We were preparing for freshman orientation, and the first day all of us were gathered in the field house as they separated us into our major categories. They called for students who were going to major in law to leave with one group, and a buddy of mine nudged me. But I didn't move.

"They called for speech and drama majors," Tippit continued. "Thirteen girls went with that group. My impulse was to go, but I was too embarrassed to be the only man. So I waited until the very end when the non-majors were called and I nonchalantly walked out with them. As soon as I saw my chance, I inconspicuously cut across to the building where the speech and drama majors were. Fortunately a male professor came to the door."

At that moment Tippit gave his first acting performance at Texas Tech. He feigned great surprise at finding only girls in the class, and proceeded to sit down quietly.

19 Leading Roles

In the ensuing college years, two of them at Tech and the latter two at the University of Iowa, Tippit did "nothing but act." He performed in 21 shows, including 19 leading roles, which, he pointed out, adds up to some 21 months of college life spent in rehearsals.

After college, he went to Tyler in 1953 and worked for eight months on the first ultra high frequency television station in Texas, and had a daily live TV children's show. "We went bankrupt in eight months," he remembered unhappily, "and I lost $800."

Tippit was drafted into the Army and spent 20 months of his two years service in San Antonio with the 4th Army Headquarters as a broadcast specialist in radio and TV, producing and being master of ceremonies of a weekly radio musical show carried over 38 stations. While in San Antonio he also did Little Theatre work. In 1956 he came to New York with $110 in his pocket and was determined to give his search for a theatrical career two years to materialize. Much has happened since then.

"The last couple of weeks have been just about the greatest," he asserted, "I've done three telvision shows—'Faith for Today,' 'Look up and Live,' and 'Secret Storm.' I've been doing a play. I've done a beverage commercial for TV. It's been my first wedding anniversary, and I've just learned that I'm going to be a father."

Tippit's wife is also an actress. She performs under her maiden name, Carole Macho, and is currently appearing in the off-Broadway play, "The Prodigal." She hails from New Jersey.

As a result of his appearing regularly in "The Secret Storm," Tippit says he gets many fan letters from different parts of the country: "Most are from teen-age girls around 18 or 19, and generally they consist of requests for autographed photos. I guess the type of role I play brings this response. The part of Jerry Ames is so filled with goodness."

The Broadway shows in which Tippit has appeared are the recent "Tall Story," comedy which has been made into a movie, and "Only in America." He has done many TV programs, including "Camera Three" and "Lamp Unto My Feet," and has performed in stock companies in Maryland, New Jersey, Pennsylvania and Connecticut.

Tippit acknowledged that his father probably is disappointed "deep down" that he didn't stay in Tahoka and work on the cotton farm, "as fathers generally are disappointed when a son doesn't follow in their footsteps." But he added:

"My father has always let me make the choice. Now that he sees me on TV, I know he's very, very proud. One thing though, he has never come to New New York to see me act, although I've begged him many times." Tippit smiled. "Dad always says that New York is too far away and too snaky."

The actor has a brother, J. T. Tippit, who also lives in Tahoka, and his sister is the wife of Norvell Redwine of Tahoka, Lynn County sheriff.

While Tippit would like to "make a good living acting," he doesn't go for the kind of tinsel that many people associate with the profession. "I don't care about the whole Hollywood bit," he vows, "other than the money you can make there.

"The main thing is that I'd like to make a name for myself on Broadway and I want to be a good actor."

BILL ALLCORN CANDIDATE FOR RE-ELECTION

"It's no coincidence that the most positive gains in the Texas Land Program have come during my administration," said Land Commissioner Bill Allcorn as he wuond up the final days of his campaign for re-election.

"Since we took over the once scandal-ridden office three years ago, we have provided the state with its most accurate accounting of public domain in 121 years," he emphasized. "We have collected $140,000,000.00 from our public school and college lands. Furthermore we have created a geological and petroleum engineering department which, when added to our other departments, provides the basis for the most modern Land Office in the United States.

"The Land Department has," Allcorn repeated, "made greater gains for good and efficient operation in the past three years than it made in its first 121 years."

Qualified, Experienced and Conscientious

Will greatly appreciate your vote and influence

BACK JACK

COX for Governor!

WHAT JACK COX STANDS FOR:

LIMITATION OF THE GOVERNOR'S TERM IN OFFICE

Jack Cox advocates a State Constitutional amendment which would limit a Governor's term of office to two 2-year terms as he believes the writers of our Constitution intended.

THE PROTECTION OF FARMERS TAX REFUND

Farmers should not be asked to "donate" one-fourth of their gasoline tax refund from fuel used for farm tractors and agricultural machinery. Cox states that this is an obvious flagrant discrimination against one particular group of taxpayers.

STOP THE SHIFT—STATES RIGHTS TO WASHINGTON, D.C.

The maintenance of a strong State Government provides the key to the preservation of our State's rights and liberties and Cox is an avowed advocate of this kind of good local government.

ADHERENCE TO STATE CONSTITUTION

Jack Cox will act to get Texas out of debt and keep our State on a sound pay-as-you-go basis in accordance with the State Constitution.

UTILIZATION OF UNTAPPED TALENT AND AVILITY

There are many jobs Texas senior citizens are capable and qualified to perform that would benefit them and in turn keep them off the State Welfare rolls.

KEEPING THE TEXAS RIGHT-TO-WORK LAW

No man's job should be put in jeopardy because of any "pressure" tactics.

2% EDUCATIONAL TAX . . .

With reasonable exemptions for such items as food and medicine. A few pennies a day will guarantee our children the kind of education they deserve.

BACK JACK COX

FOR GOVERNOR!

Calvert Is Only Candidate With Court Experience

One of the important races to be decided in Saturday's election will be for Chief Justice of the Texas Supreme Court.

Associate Justice Robert W. Calvert of Hill County is one of the two candidates for this position.

Judge Calvert has been on the Supreme Court since 1950, and is the only member of the court who is a candidate to succeed the present chief justice, who is retiring, and is the only candidate for chief justice with Supreme Court experience.

"Judge Calvert has served with great distinction as associate justice for almost ten years," Gaynor Kendall of Austin, state campaign manager, said. "He therefore knows from actual experience the additional administrative duties which he must assume as chief justice, and he has demonstrated by his service with the other judges his ability to furnish the leadership the court requires."

Help Lynn County . . .

Continue to enjoy its reputation for being one of the cleanest and most law-abiding areas in the state and nation.

With juvenile delinquency abounding in many of our neighboring towns, records show that only one juvenile court case has been tried in Lynn County in the past two years. Young people's and adults' respect for honest, sincere and conscientious law enforcement officers is one of the major answers.
