

DAWSON COUNTY COURIER

Volume 9

Lamesa, Dawson County, Texas, Thursday May 18, 1939

Number 18

OLD TIMERS WILL MEET HERE SATURDAY

Farmers Of County Have Opportunity To Collect \$1,029,551.27 Subsidies

Farmers of Dawson County are in a position to earn approximately \$1,029,551.27 in A. A. A. benefit payments by participating to the fullest possible extent in the 1939 farm program.

About \$648,580.66 of this amount is offered in "conservation payments", designed to reward farmers for soil conservation, accomplished through adjustment of soil-depleting acreage, and for carrying out approved soil-building practices such as terracing, strip cropping, seeding legumes, establishing pastures and planting green manure crops and cover crops.

The other \$380,970.61 of the estimated total for the county, is the maximum amount that can be derived through "parity" or "price adjustment" payments on cotton and wheat. The parity payment is so named because it is designed, as near as possible with the funds available, to make up the difference between the market price and the parity price of the given crop.

These two sets of payments are calculated to two slightly different sets of rules.

Joe M. Peterson of the County Agricultural Conservation Committee, makes the following explanation of how these payments are made.

Conservation Payments
The conservation payment is 2 cents a pound on cotton, 17 cents a bushel on wheat and 90 cents tentatively an acre, adjusted up or down according to the farm's productivity index, on general crops.

The rates on cotton and wheat apply to the normal yield of the farm's cotton or wheat allotment, however the case may be. It is figured by multiplying the payment rate, times the normal yield established for the farm, times the acreage allotment.

For example, if a farmer has a 1939 cotton allotment of 20 acres and the normal yield established for his farm the payment is 2 cents a pound on 4,000 lbs of lint cotton per acre, pounds (20 x 200) or \$80.

Dr. W. H. Dunn Sells Local Sanitarium To Dr. Nobel Price

Dr. Dunn To Continue His Practice Here

Announcement was made this week of the sale of the Lamesa Sanitarium by Dr. W. H. Dunn to Dr. Noble H. Price.

The property which sets at the end of South Austin Street is one of the beauty spots of Lamesa. The white stucco building which houses the hospital, is surrounded by luxuriant foliage and green grass, with ornamental rock fences and large shade trees.

Dr. Dunn, who has operated the hospital for the past ten years, will continue the practice of medicine and will office on the ground floor of the Lamesa National Bank building. He will also continue to do surgical work at the sanitarium, having an agreement with the new owner to that effect. He and his family will move their residence to the stucco home just west of the hospital, which was not included in the sale.

Dr. Price, who has been in Lamesa several years practicing both medical and surgery, heretofore has taken medical patients to other hospitals, he maintained a clinic in the Lamesa Hotel building. It is understood that the change became effective this week.

Strange Family Is Seen As Housecat Mothers Three Motherless Foxes

Here is a "Believe-It-Or-Not" right here in Dawson County that would prove interesting in Ripley's cartoon.

About four weeks ago S. A. Cates, who lives in the Weaver community, while visiting in Burnett County, went fox hunting. The dogs killed a female fox near a large tree. The tree was cut down and three baby foxes were captured. The little fellows didn't have their eyes open, and were estimated to be less than a week old.

Mr. Cates secured a large mother cat and put the foxes

with her. She took them on as if they were her own. They are now four weeks old and almost as large as the cat herself. Although they are still nursing her, they now eat almost anything they want.

It is interesting to watch them play with the cat. Being of the dog species the foxes like to romp and bite like puppies, while the nature of the cat is quite different in that they slap with their paws. The baby foxes bite at the cat, and though she slaps them, she nevertheless mothers them and attempts to wash them like kittens, but the foxes rebel.

Loboes Continue Lead In League By Narrow Margin Over Pampa And Lubbock

Clean Up Campaign To Be Conducted In City At Early Date

Details Of Big Drive To Be Given Later

Announcement has been made this week that J. E. Barron has been appointed chairman of the mammoth clean-up drive which is to be conducted in Lamesa in the near future.

A meeting will be called Friday of this week by Mr. Barron, of the various committees who will work with him, to map a course of action.

Definite dates will be released next week, according to Barron, and the most active clean-up and paint-up campaign in the history of the city is expected to be conducted.

You are advised to watch for dates and the cooperation of every citizen in Lamesa is urgently requested.

NEW SERVICE IS OFFERED TO CAR OWNERS

Announcement of the opening of the Lamesa Safety Service Company, is made this week in an ad elsewhere in the Courier.

The Skipworth Building on South Dallas Street, which has only recently been remodeled, houses the new institution.

"We are pleased to announce to the automobile dealers, service men and car owners, the opening of a specialized brake, frame and wheel alignment service," Butler McGee, manager, stated today.

"It will be our aim and purpose to give a service that has not been offered here before. We are able to give a service equal to any town in the state." (Continued on Back Page)

Precariously hanging on to a slim lead the Loboes have had tough sailing during the past week.

Winning two and losing four out of the last six games has narrowed the lead which the Loboes have maintained since the season opened.

Pampa has moved to near the top position being only a half game behind the Loboes Wednesday afternoon, Lubbock dropping to third place a full game behind the leaders.

Thursday
Last Thursday the Loboes opened a two game series with Pampa in the northern city, dropping the first game 10 to 4. The second game was postponed on account of inclement weather.

Saturday
Returning to the home lot Saturday to meet the Lubbock Hubbers, they took the first and lost the second round.

In the Saturday game the Loboes won 6 to 4. This was one of the best games seen on the local diamond this year and held the interest of fans until the last out.

Sunday
For the second game of the series Sunday the Loboes and the Hubbers played before an overflow crowd. The paid attendance was almost two thousand, and spectators were sitting down the first and third base lines clear to the outfield.

The Hubbers had sweet revenge in winning Sunday when they took the Loboes in tow to the tune of 18 to 3. The game was a hectic affair to watch with the locals booting the ball to account for many of the Hubber scores. An estimated crowd of near five hundred from the Hub City saw the slaughter.

Monday
Inaugurating night baseball in Lamesa the Loboes entertained the Pampa Oilers Monday night before a large crowd.

The locals took a thrilling ball game by the close score of 6 to 5 behind the excellent pitching of Red Hay. Getting off to a bad start when the visitors scored four runs in the first inning, he settled down to limit the visitors to (Continued on Back Page)

Among The Younger Set

PHOTOS BY ASH STUDIO

This week the Courier is proud to present this curly locked youngster as reigning monarch of the Younger Set in Dawson County for the current week. He is Bobby Warren, son of Mr. and Mrs. R. C. Warren, who live in the Richardson community. He was born June 26, 1932. He has blue eyes and blond hair. He likes to ride a tricycle.

Contract Awarded For Higginbotham Funeral Building

Likely Be Completed Within Two Months

Contract has been let by Higginbotham Funeral Home to Purcell & Purcell, for the construction of their new funeral home at the corner of North Third and Austin.

The basement has been completed and foundations are being run this week. It is estimated that the building will be completed not later than August 1st.

The building will be three stories in height and will be finished in brick. The grounds are to be landscaped and when completed will be one of the most beautiful places of its kind in West Texas.

With the idea of keeping abreast of a growing community, the company is not only building to take care of the needs today, but when completed this new building and equipment will take care of a town many times the size of Lamesa.

B. L. Hamilton attended the Bankers Convention in Dallas this week.

Tornado Club To Sponsor Rodeo In Lamesa July 20-21

At a breakfast Thursday morning at the Plaza Hotel, the Tornado Club discussed plans for the forthcoming Annual Rodeo which will be held in Lamesa, Thursday and Friday, July 20th and 21st.

Various committees were appointed to handle details of the big affair. Owen C. Taylor served as chairman, with eleven members in attendance.

Guy Weekes reported the signing of a contract with Ollie Cox, well known rodeo showman of Sweetwater, to furnish stock, and put on the show. It has been decided to make this a strictly amateur contest, with professional riders and ropers barred.

Mr. Cox will bring 84 head of stock to Lamesa and fifteen men to handle the show.

OLD SETTLERS REUNION

This Saturday, May 20th, at noon the old settlers will have a basket picnic and barbecue at the City Park, west of the high school in Lamesa. Every person and family who came to Dawson County twenty or more years ago is eligible. An appropriate program of music and public speaking will be rendered in the afternoon. Come early, bring your children and in-laws, and lets all enjoy again the good fellowship of the old timers.

E. C. Nix, President of Old Settlers Reunion
V. O. Key, Chairman of Publicity Committee.

WPA Approval For Sidewalk Building Received By City

Work On Forty Blocks To Start In June

Announcement was made this week by Mayor W. L. Marr to the effect that W. P. A. approval has been secured on forty blocks of sidewalks in Lamesa. Work is expected to get under way on this project in June. It is pointed out that property owners who desire sidewalks in front of their property are offered the opportunity to get this work done at a fraction of the cost ordinarily the case when the work is done privately.

It is understood that this work will be started when WPA workers are released from their work on the roads, which is expected some time during June.

If you are a property owner and are interested in securing the aid of WPA in constructing sidewalks, you are urged to contact the city officials who will be glad to give you all the available information.

NEW MINIATURE GOLF COURSE OPEN THIS WEEK

Announcement is made this week by Mrs. Hickman, of the opening of a Miniature Golf Course on South Dallas Street, just back of Nolan's Pig Stand. She has quite an elaborate layout. A prize for low score is being offered each Thursday night. See their ad in this issue of the Courier.

ATTENDED CONVENTION

Dr. J. M. Harrington attended the Texas Optometric Association Convention in Dallas the first of this week.

Mr. and Mrs. R. D. Simpson of Los Angeles, California, are here visiting with friends and relatives.

To Gather In City Park For Annual Picnic - Barbecue

Many Former Citizens Expected For Meeting

With all details complete for the Annual Old Settlers Reunion which is scheduled to meet in Lamesa Saturday, the largest crowd in the history of the organization is expected to gather at the City Park for a general get-together, basket picnic and barbecue.

A special program of music and speaking has been scheduled for the afternoon, with the morning given over to renewing acquaintances and a general good time.

People from over a wide section of the country are expected to be in attendance, with numerous former residents who now live in California, signifying their intention of attending.

All persons and families who lived in Dawson County prior to twenty years ago are eligible, and are invited to attend, according to announcement by E. C. Nix, president of the organization.

A new feature which has never been shown before will be the picture and antique exhibit. All persons who have any old pictures or souvenirs of bygone days in this county are urged to lend them to the association for this day. They will be taken care of and returned to you after the exhibit is over. Mrs. M. C. Lindsey is chairman of this committee and is assisted by Mrs. Ervin Bailey and Guy Simpson. Those who will lend pictures, etc., are asked to call any one of these who will be glad to take the exhibit in charge. This should prove one of the most interesting things at this year's meeting, and an attempt is being made to make it as complete as possible.

There will be many admitted this year for the first time, as it will be recalled by old timers, that in 1919 there was quite an influx of population to this section and all of these are now eligible for membership. If you are an old timer and have lived here for the necessary twenty years you will enjoy again meeting with those who comprised Lamesa and Dawson County two decades ago.

Building Of New Homes Continues Unabated In City

Construction Going Forward On Nine

At present the steady building program of new homes in Lamesa continues unabated, as new houses are started weekly.

There are nine homes under construction in Lamesa at this time, and several more are being planned. These homes are of the better type and are all being built by owners to live in themselves.

Homes are under construction for Ross McDonald, Harold Hornbeck, Ernest Gambill, Ben Allen, W. P. Avriett, Elzie Burleson, Mr. Perry, Jap Baldwin, and Rupert Austin. There has been a large number of homes only recently completed, among the more recent ones being Gilbert Watson, Ed Tinsley and Blaine Wiggins.

Most of these homes have been built in the northwest section of the city. In this vicinity, there have been more than thirty new homes constructed during the past year.

Miss Imogene Boldin of Dallas is here visiting with her parents, Mr. and Mrs. Charlie Boldin.

Rallyin'

We came in sight of the ocean blue.
Down the boulevard, lined with cleaner.
To Hotel Buccaneer we did wander.
With Future Homemakers here and there.
Girls, girls, girls, were everywhere.
Up to our rooms we did ride
To find them right on the seaside.
Entering the first of the competition
We broke the ice with a choral rendition.
For our reward we won third place
Which started us off at a right brisk pace.
Came the dawn—there was a mad race
Each contestant going to her own place.
There were dresses to model, and meals to plan.
Peas to choose, and children to understand.
Toothpaste to buy, and linens to select,
Precautions to take, our homes to protect.
After the work came the play,
When we were given a beach party gay.
While teachers at a meeting were away
Adventure we did take on the scenic railway.

We took a trip to the old stomping ground
Of Mr. Mac so tall and Mr. Rogers so round.
Their country called them from their homes afar
To Fort Crockett during the Great World War.
The Chamber of Commerce to the girls it says,
"Take a trip on our pleasure boat—The Galvez."
So leaving the shores of our country behind,
We sailed beyond its boundary line.
A thrill to the girls two thousand strong
Was the voice of A. & M. Chorus lifted in song.
To the House of Delegates, Marjorie went,
The business of our club to represent.
Across the city Hazel did go
To learn to use newspapers and radio.
Margaret went to the activity picture group
To learn just how to make a big scoop.
To the yearbook section went Tennie Marie,
There many valuable exhibits to see.
Then something happened—A near calamity;
Inside our room was locked every key.
With only one hour until banquet time
We stood in the hall—For our key we did pine.
Banquet time came; oh, how we did rush.
Arriving on time, but oh, what a fuss.
Miss Palmer grove for many a mile
To greet us all with a welcome smile.
At the final meeting, Future Homemakers were there
Some, awards to receive; all good fortune to share.
A different route we took back home.
To San Jacinto we did roam.
The monument at this historical spot
Was interesting to view from the top.
From Houston to Austin we made a quick flight.
Arriving there, we spent the night.
The University of Texas and Congress Avenue,
The Capitol, also, were there to view.
The trip was successful though we didn't win a place,
We feel that we really made a good race.
Next year we are hoping ourselves to improve,
And bring back honors for our club and school.

LOCAL BOY TO FINISH AT ACC

Clinton Davidson of Jersey City, N. J., noted insurance man and head of the Estate Planning Corporation, will deliver the commencement address to the Abilene Christian College graduating class Monday evening, May 29.
T. H. Tarbet, Jr., son of Mr. and Mrs. T. H. Tarbet of Lamesa, is a member of the senior class, graduating with a Bachelor of Arts degree in speech.

HIWAY BAPTIST CHURCH

Even though a number of the members attended the baccalaureate exercises at Lamesa, Sunday night, there was quite a large congregation present at the Hiway Baptist Church to hear the prophetic message delivered by Evangelist Jno. R. Denning, which included a number of visitors from Lamesa, Mt. Olive, Five Mile, Shumake, Midway, and other localities.
Interest is steadily growing in the preaching services, and an even larger number of visitors are expected next Sunday night, when Denning will preach on "The Conflict in the Heavens" which will usher in the great Tribulation. All those who attended these services report them to be not

only interesting, but deeply instructive as well.
Next Sunday morning at eleven o'clock, the pastor brings a special message to Christians on the subject of: "God's Challenge—Shall We Meet It?"
Rev. Jno. R. Denning, pastor of the Hiway Baptist Church, spent Tuesday, Wednesday and Thursday of this week at Lingo, New Mexico, where he was invited to preach a series of doctrinal sermons, and to direct in the inauguration of a new Fundamental Baptist Church, the building for which has already been completed.

FAIRVIEW H. D. CLUB NOTICE

The Fairview Home Demonstration Club will meet in the home of Mrs. O. G. Kelley on Tuesday, May 16, at 2:30 o'clock. The program will be "Women of the Bible." Miss Phenix will meet with us.

Mr. and Mrs. Bonnie King of Lubbock spent Sunday here visiting with friends and relatives.

Boyd Kilgore of Levelland spent the week end here visiting with friends and relatives.

William Farley of Levelland spent the week end here visiting with relatives and friends.

Mr. and Mrs. Victor Horn of San Angelo spent the week end here visiting with friends and relatives.

All this we wrote to kill the time.
Here's hoping we haven't killed you with our rhyme

To The Graduates CONGRATULATIONS . . .

The World of Today sees you Graduate . . . The World of Tomorrow looks to you hopefully for inspiration and leadership.
Today you receive the plaudits of your friends, your family, your relatives, your teachers and the townspeople who have watched you climb to the top in scholastic attainment.
Tomorrow you may receive the plaudits of the work-a-day world that bestows its praise and rewards for accomplishments the world itself shares in . . . achievements that bring benefits to mankind. Youth is yours . . . youth's ideals . . . youth's courage . . . and the driving force that fortifies your ambitions.
This with your education is glorious equipment with

which to go forth and conquer.
Many are the problems you will face . . . but youthful spirit and zeal, and the knowledge you have earnestly struggled for, will help you master them and reach new heights of attainment.
Many are the rebuffs you will encounter, especially in these eventful days — but they are surmountable stones scattered in your path to test your mettle.
You will succeed because the world wants you to succeed . . . indeed, the world NEEDS you to succeed.
These firms are your friends — all of them — and as friends, desirous of contributing to your success, your happiness, your well-being and contentment.

SOCIETY

Mrs. F. B. Ogle Is Hostess to Wednesday Bridge Club

Mrs. F. B. Ogle was hostess to members and guests of the Wednesday Bridge Club, Wednesday afternoon at the home of Mrs. Tom Burnside on South Third Street.

Games of bridge were enjoyed during the afternoon with Mrs. Fred Pfeuffer winning high score and Mrs. W. B. Collins being awarded little slam.

A delicious salad course was served to Mesdames A. G. Barnard, Tom Burnside, Clyde Branon, W. B. Collins, E. A. Conley, Jap Randal, T. F. Vaughn, F. T. McCollum, Fred Pfeuffer, John Bennett, Gus Ragsdale, M. Q. Martin, and the hostess, Mrs. Ogle.

Mrs. Billie Warren Complimented With Shower Monday

On Monday evening Mrs. Roy McKinnon, Mrs. C. E. Sumner, Mrs. E. B. Costin and Mrs. T. A. Harris complimented Mrs. Billie Warren, who before her recent marriage, was Miss Katy Gordon, with a miscellaneous shower at the Woman's Club House.

The club house was beautifully decorated with bouquets of spring flowers.

Miss Fairy Mae Sumner greeted the guests at the door where they were asked to register in the brides book which was presided over by Miss Jimmie Ray Gordon. The table was laid with a lace cloth over blue satin and centered with a bouquet of roses, larkspur, and honeysuckle. Blue and white tapers in crystal holders furnished light for the tea table. Miss Jo Dell Field presided at the crystal service and was assisted by Misses Tyajuana Smith, Frances Barrow and Edith Harris.

A short program was given by Misses Tennie Marie Dyer and Jimmie Ray Gordon, who gave several musical selections during the afternoon. After the short program Katy Lynn Gordon presented the bride with many beautiful gifts.

About forty-five guests attended this in-honor affair.

Mrs. D. S. Day Hostess To Pioneer Club

Mrs. D. S. Day was hostess to members and guests of the Pioneer Club, Tuesday afternoon at her home.

Games of eighty-four were enjoyed during the afternoon.

At the conclusion of the games a delicious salad course was served to Mesdames W. V. P. Baker, Joe Barron, N. E. Bartlett, Buck Bennett, S. L. Forrest, A. H. Smith, C. E. Auli and the hostess, Mrs. Day.

Mrs. D. S. Day and Mrs. S. L. Forrest spent Monday in Lubbock visitin with friends.

W. M. U. Entertains Seniors With Banquet

The W. M. U. of the First Baptist Church entertained the members of the Senior Class of the Lamesa High School, with their 11th annual banquet at the Country Club last Thursday evening.

The club house was very attractively decorated with a profusion of spring flowers. The long banquet table was beautifully decorated with flowers and slender white and blue tapers in crystal candelabra furnished the light for the table. Favors of blue and white aided in carrying out the color scheme. Eight Junior girls served the banquet.

Rev. A. D. Foreman, Jr., pastor of the First Baptist Church of San Angelo was the principal speaker of the evening. He gave a very interesting talk on "Looking Forward." Others on the program were: Invocation by Rev. E. F. Cole; welcome address by Mrs. J. W. McDonald; response, by Bob Smith; solo by Walter Whatley; duet by Carol Cole and Edmond Dean; and benediction by V. Z. Rogers.

There were ninety-six seniors in attendance.

ACKERLY
Hazel Ward, corres.

Sunday school and church were well attended here Sunday.

Mr. and Mrs. Lynn Hendon and sons of Welch spent a few days with her parents, Mr. and Mrs. W. C. Ward, last week.

Robert Shipp and Red Bond, students at Tech, Lubbock, spent the week end here visiting with relatives.

The tenth grade enjoyed a picnic at the Big Spring park last Monday night. All reported an enjoyable evening.

Hazel Ward spent Tuesday night with Dean Coleman.

Dean Coleman honored Hazel Ward and J. D. Bryson with a shower last Thursday night at the home of Rev. and Mrs. Hollowell. After games were played and the many beautiful gifts were viewed, refreshments were served to a large crowd.

Elva Ruth of Lamsa visited his parents here this week.

Mr. and Mrs. John Stewart had as their guests, their sons and families of Big Spring, Sunday.

Mr. and Mrs. Luther Coleman of Big Spring, Mr. and Mrs. Willie Witts of Big Spring, Mr. and Mrs. Earl Hughes of Forsan spent Sunday in the home of their parents, Mr. and Mrs. J. L. W. Coleman.

Our school will close Friday. We have had a successful year.

Mrs. Will Woods has returned home from the hospital where she has been a patient for the past six months.

Mr. and Mrs. R. E. Simpson, who have been in Temple the past several weeks where they were receiving medical treatment, returned home Wednesday.

**NOTICE
POULTRY RAISERS**

Beginning next week there will be only one setting date a week which will be Thursday.

Bring us your turkey and hen eggs for setting on that date.

Before we close our hatching season only three more weeks remain: Thursday, May 25th, June 1st and June 8th.

Miss Ruth Tinkler Is Presented In Piano Recital

Mrs. J. S. Manning presented Miss Ruth Tinkler in a piano recital last Saturday morning at her home on South First street.

The house was beautifully decorated with bouquets of spring flowers. The table was laid with a lace cloth and centered with a large bowl of roses with white tapers in crystal holders furnishing light for the table. Miss Ann

Woodward presided at the table with Miss Marilyn Parkinson, assisting.

The following program was given by Miss Tinkler:

"Moonlight Sonata" by L. Van Beethoven; "Tannhauser March" by Richard Wagner; "Preludes" by F. Chopin; "Hungarian Dance No. 5" by J. Brahms; "Largo" by G. Frideric Handel; "Marche Et Carlee" by Charles Gounod.

Miss Jo Evelyn Davis who assisted Miss Tinkler gave "Lillian" by an unknown author, and "Song of the Traffic" by A. G. Houston.

About thirty guests attended.

Wedding Date Is Revealed At Tea Given At Country Club

The engagement of Miss Gertrude Day to Mr. Ray Eldridge of Pampa was announced by her mother, and Mrs. Jap Baldwin at the Lamesa Country Club when they entertained with a tea Friday afternoon.

Guests were greeted by Mrs. Louis B. Reed and presented to a line made up by Mrs. Day, the bride-elect, Mrs. Jap Baldwin, Mrs. J. M. Telford, aunt of the bride-elect, Mrs. S. L. Forrest, Mrs. E. R. Yates, Mrs. J. M. Sparks and Mrs. Joe Barron.

early in May. Mr. Wade is an employee of the Dawson County Courier, and the couple will make their home in Lamesa.

Miss Grimes has endeared herself in the hearts of everyone in Floyd County and it is with sincere regret that the Home Demonstration Clubs of the county see her leave. But they all join in wishing her happiness in the new life to which she is so capable of entering.—Lockney Beacon, (May 5.)

Mrs. J. S. Manning Presents Pupils In Recital

Mrs. J. S. Manning presented several of her pupils in a piano recital at her home last Friday evening.

Spring flowers beautifully decorated the entertaining rooms. The tea table was laid with a lace cloth and centered with a bouquet of roses. Tall, slender white tapers in crystal holders furnished light for the table. Miss Mary Manning presided at the table assisted by Norma Jean Sharp and Mary Lu Murray.

The following program was presented during the evening:

"Prelude" by Rachmaninoff, Miss Norma Jean Sharp; "Merry Bobolink" by G. W. Grogmann, Miss Bessie Orson; "Reath for Curlyhead" and "Bird in a Nest" authors unknown, Miss Dorothy Nelson; "Summertime Waltz" author unknown, David and Martha Murray; "Carry Me Back to Old Virginia" by J. A. Bland, Raymond Orson; "Minuet" by Beethoven, by Katherine Nelson.

"Waltz of the Flowers" by Sarwod, given by Peggy Holland; "Dance of the Butterflies" author unknown, Margaret Ashley; "Starlight Waltz" and "Dutch Twins Dance" by Brainard, Lynette Carroll; "Swans on the Lake" by Thompson, Stella Sue Ashley; "Melody" by Jules Wassenett and "Berceuse" by B. Godard, were given by Martha Murray; "Marche Slav" and "Minuet from Don Juan" were given by Miss Anne McGuire; "Prelude" and "Pattetique" from 6th symphony and "Niglet Song" were given by Miss Mary Lu Murray; "Polish Dance" and "Minuet" were given by Miss Norma Jean Sharp.

SINGING AT WOODY

A special invitation to everyone has been extended by the people of the Woody community, to attend their regular Sunday afternoon singing.

which is held each Sunday at 3 p. m. Whether you sing or not, you are cordially invited to attend these sessions.

James Cole spent the week end at Winters visiting with relatives.

MY TOP-SHIRT WOULD STICK LIKE A POSTAGE-STAMP!

I perspire like an ice-water pitcher. If I didn't have some-thing next to my skin, my top-shirt would stick like a postage-stamp. And when I say "something"—I mean a Hanes Undershirt.

Gentlemen: It's no trick to keep comfortable in Summer. Just pull a Hanes Undershirt over your head, and you'll see what I mean. It's as light as an eyelash on your chest, and it acts like a blotter... mops up perspiration... gives it a chance to evaporate. You actually feel better all over!

See your Hanes Dealer today. Hanes Undershirts have plenty of length so they can't creep up and worry your waist. Get Hanes Shorts too—full-cut broadcloth. Or try the new Hanes-Kroy Crotch-Guards. P. H. Hanes Knitting Co., Winston-Salem, North Carolina.

Miss Ruth Grimes Becomes Bride of Robert Wade

The marriage of Miss Ruth Grimes daughter of Mr. and Mrs. Cullen Grimes of Mineral Wells, and Robert Wade, son of Mr. and Mrs. L. F. Wade of Jayton, took place last Friday morning at the home of Rev. J. E. Shewbert, pastor of the First Methodist Church at Lorraine, Texas, who read the impressive single ring ceremony.

The bride wore a beige lace dress with wine and navy accessories. Her shoulder corsage was of stock.

Miss Sybil Hazel of Quitaque attended the bride, with Mr. Jeff Brown of Floydada acting as best man.

Mrs. Wade is a graduate of Texas Technological College, and for the past year has been county home demonstration agent of Floyd County.

Mr. Wade is employed with the Dawson County Courier at Lamesa.

Mr. and Mrs. Wade will make their home here in Lamesa.

Floyd County Clubs Honor Miss Ruth Grimes

The Floyd County Council of Home Demonstration Clubs was hostess to the clubs of Floyd County at a bridal shower honoring Miss Ruth Grimes, Floyd County Home Demonstration Agent, at the Lockney club room, Thursday afternoon, April 27th.

The club room was beautifully decorated with ferns, bridal wreath and Iris, and Mrs. Kate Collier, president of the Lockney club presided at the door, greeting the guests and registering them in the bride's book. One hundred and thirty-five guests registered.

Punch and wafers were served by the Lockney 4-H girls from a long table covered with lovely Valencia lace cloth and banked by bouquets of iris and jonquil. Favors were clever little May baskets.

The shower was in the form of a May Festival and the gifts were placed on a table of green under a May Pole draped with pastel shades of ribbons. Mrs. S. J. Letta, president of the Council, presided, calling for a short talk from the president of each club represented. Miss Frankie Dodson gave two Negro dialect readings, appropriate to the occasion, after which Miss Grimes was elected Queen of the Festival.

Miss Grimes, daughter of Mr. and Mrs. Cullen Grimes of Mineral Wells will wed Mr. Robert Wade of Lamesa

Scenes On The L. B. Stuart Farm Near Lamesa

Mr. L. B. Stuart of Lamesa has proved that soil conservation measures as recommended by the Soil Conservation Service are effective in preventing soil erosion. Mr. Stuart has terraced his cultivated land and drilled sudan and cane on the terraces. This crop remains on the terrace during the winter and is turned under with a plow in the early Spring.

He has not only eliminated erosion on his farm but has increased his yields considerably by holding all the rainfall on the land.

The pasture land on this farm has also been terraced and contour furrowed which has practically doubled the carrying capacity of the pasture.

You will note in pictures above that Mr. Stuart has a well balanced diversified farm and the livestock produced on the farm has increased his income from one to two thousand dollars per year.

Mr. Stuart has a continuous income from his farm and does not have to depend on his crop alone to reward him for his years work.

Rural Correspondence

SAND Julia Grayson

Rev. W. H. Burns filled his regular appointment here and at conference. It was voted that Brother Burns hold our revival which starts on Friday night before the third Sunday in August.

ELECT WITTE AS PRESIDENT CO. SCHOOL BOARD

At the regular meeting of the County Board of Education of Dawson County, Mr. O. E. Witte was re-elected president for the coming year.

The only important business transacted was the classification of the schools for the year 1939-40. The schools were classified as follows: Liberty, Fivemile, and Munger, seven grades each; Mt. Olive, O. K. Mullins, Sunset, Grandview, Woody, Key, Shumake, Bartlett and McCarty, nine grades each; Hancock and Harmony, ten grades each; Sparenberg as a two year high school; Klondike, Union, Ackerly, Dawson Rural High, and Lamesa as four year high schools.

The above classifications are tentative and may be changed as conditions require.

25th Anniversary Extension Service To Be Celebrated

A meeting to celebrate the signing of the Smith-Lever Act which made Extension Service an official organization will be held 2:00 and 3:30 in the afternoon of Saturday, May 20, in the American Legion Hall in Lamesa.

The program has been planned by the county home demonstration council and the county agents cooperating. Different women have been asked to pay tribute to the home demonstration agents who have worked in Dawson County. Farmers will pay tribute to the agricultural agents of the past. Every

person the county has ever done any work with either the home demonstration or the agricultural agent is urged to be present

Every person who has served as a demonstrator or has won a trip or prize of any kind is also urged to be present. There are many parents who have had boys or girls to win fine trips and they will be given special recognition at this meeting. A prize is being offered to the woman living in the county and having been a member of a home demonstration club the greatest number of years.

EX-STUDENTS HOLD MEETING

About forty East Texas Normal ex-students recently met at the Hilton Hotel in Lubbock, in a reunion. They were pupils under Professor W. L. Mayo.

The purpose of the meeting was for a general get-together and the renewing of acquaintances. A banquet was held that night at the Hilton.

Judge W. P. Leslie, Chief Justice of the Court of Civil Appeals, and himself an ex-student, was the principal speaker. District Judge Homer L. Pharr served as Master of Ceremonies.

An organization was perfected and it was decided to hold meetings annually. Judge Homer L. Pharr was elected president and Claud Hale, secretary.

The following ex-students from Lamesa were in attendance: Mr. and Mrs. E. C. Nix, P. L. Alexander and Carl Rountree.

STORES HERE WILL OBSERVE COTTON WEEK

Next week, Monday, May 22 to Saturday, May 27, inclusive, is National Cotton Week, and is being observed all over the United States, where department and dry goods stores are featuring cotton merchandise.

Several of the stores in Lamesa are joining in this movement and are offering some rare values for next week. Your attention is called to their ads in this issue of the Courier.

This section, above all, should do everything possible to promote the use of cotton, it is pointed out, because only by a larger use of the South's greatest commodity, can the price of cotton be materially raised. So you are urged to take advantage of the savings offered and at the same time perform a patriotic duty to the Southland.

Mr. and Mrs. J. J. Sleigh and Mr. and Mrs. Preston Sleigh of Big Spring spent the week end here visiting in the home of Mr. and Mrs. M. E. Smart.

WILL OBSERVE HOSPITAL DAY

Friday of this week is National Hospital Day and the Loveless & Bennett Hospital of this city will observe the day, by opening the doors of their hospital to visitors.

Visiting hours will be observed on this day from 2 to 4 in the afternoon and 7 to 9 in the evening.

The public is cordially invited to attend.

ROTARY CLUB TO HEAR FROM MEMBERSHIP

Friday will mark the resumption of regular meetings of the Lamesa Rotary Club, following an interruption last week when the District Conference was held in Big Spring and the local club held no meeting last Friday.

At the next meeting reports will be heard from Lamesa Rotarians who attended the various meetings held in Big Spring last week.

It is pointed out that not quite one hundred per cent of the Lamesa members attended the Big Spring meeting but it is thought that all of them will have made up at some other club.

MRS. RIDGEWAY BURIED HERE ON WEDNESDAY

Mrs. Belle Elizabeth Ridgeway, 48, and a resident of Lamesa for more than nineteen years, died in a Lubbock hospital Wednesday, where she had been a patient for the past nine days.

Mrs. Ridgeway was well known in Lamesa, having lived here nineteen years prior to her moving to Lubbock about a year ago.

Funeral services were held at Lamesa Church of Christ, Wednesday afternoon with Elder Foster, minister of the local church, officiating. Interment was in the Lamesa cemetery.

She is survived by four sons, Bill of Lubbock, Charnel of Lamesa, J. C. of Las Cruces, New Mexico, and Pat of Pampa.

Revised Sand Belt Golf Card Outlined As Odessa Added

Revised schedule of the Sand Belt Golf League's summer tournament, is given below. Odessa's entrance into the League made the new schedule necessary. Fifth club in the league is Stanton. Stanton will not play Sunday.

Schedule for the remainder of the summer under the new arrangement

has been announced as follows: May 28—Big Spring at Colorado, Stanton at Odessa; June 11—Odessa at Lamesa, Colorado at Stanton; July 2—Odessa at Big Spring, Lamesa at Stanton; July 16—Big Spring at Lamesa; Colorado at Odessa; July 30—Stanton at Lamesa, Big Spring at Odessa; August 13—Colorado at Big Spring, Odessa at Stanton; August 27—Stanton at Big Spring, Lamesa at Colorado; Sept. 10—Stanton at Colorado, Lamesa at Odessa.

Mr. and Mrs. D. Burns and Mr. and Mrs. J. E. Hamilton of Abilene spent the week end here visiting in the home of Mr. and Mrs. J. L. Sypert.

COURT SPECIAL TERM

With the regular Spring Term of District Court, closing last week, announcement was made this week by Judge Louis B. Reed that a special term had been called to open in Lamesa, Monday, May 22 and continue until July 1st. Reason for this special session is to clear the docket of some important criminal cases which were not ready for the regular term.

During the regular term, thirty-five civil cases, seventeen criminal cases were tried and three criminal cases were dismissed.

The Grand Jury returned twenty-six indictments for the term.

TOM JENKINS DIES SATURDAY

Funeral for Tom E. Jenkins, 64, veteran cotton buyer who died at the home of a son, Sam, in Lamesa, Saturday night, was held at the First Baptist Church in Snyder, Monday afternoon.

The Rev. Ira Harrison, pastor, and the Rev. W. F. Ferguson of Slaton, officiated with burial following in the Snyder cemetery.

Mr. Jenkins for years was a member of the Lee and Jenkins Cotton company of Snyder and later was an independent buyer.

Survivors include two sons, Sam of Lamesa and Johnnie of Midland, and three daughters, Mrs. Amos Joyce, Mrs. W. W. Hill and Mrs. Mavis Rigby, all of Snyder. Two brothers and five sisters also survive.

Geo. Mahon Looks Into Compliance Check Payments

Congressman George Mahon announced this week that he had conferred with Comptroller General Brown and officials of the Department of Agriculture and the Commodity Credit Corporation in Washington regarding the issuance of 1938 AAA compliance checks to producers, who, it is claimed, are indebted to the Commodity Credit Corporation by reason of the fact that cotton placed in the loan during the 1937 season was allegedly overgraded. The cotton in question was stored in certain warehouses at Jayton, Haskell, Lorenzo, Snyder, O'Donnell, and Hamlin. Mahon stated that, in cases where the Commodity Credit Corporation was demanding a set-off because of alleged overgrading of cotton, considerable delay had occurred in College Station and that it had been held that these cases had to come to Washington for an additional audit before final payment. Hundreds of producers throughout many West Texas counties are affected by this action.

"However, it now appears," Mahon said, "under procedure worked out this week, that when these cases are cleared at College Station and referred to

Washington final approval of payments can be secured very promptly here. Last fall producer and I myself were assured by the Commodity Credit Corporation that where farmers signed set-off agreements or paid alleged deficits in cash there would be no delay in the issuance of checks for compliance with the 1938 AAA program. Chairman of the Farmers Committee, Joe Rose of Dickens, Secretary of the Committee, Judge Marshall Formby of Dickens, and hundreds of farmers have joined me in demanding that this promise be kept. Moreover, we are exerting every effort to cooperate in securing more prompt delivery of all the other AAA checks which are still outstanding in many localities."

ATTENDS CONVENTION

Clyde Branon, of Higginbotham Funeral Home, attended the convention of the State Undertaking Society at Houston this week.

Mr. and Mrs. Dan Harrell and daughter of Breckenridge spent the week end here visiting in the home of Mr. and Mrs. Ed Hatch.

WTCC PRESIDENT

E. K. FAWCETT

E. K. Fawcett of Del Rio, new president of the West Texas Chamber of Commerce, is a typical pioneer West Texan.

For many years he has been one of the largest sheep ranch operators in Texas.

Mr. Fawcett has represented Del Rio and Val Verde county on the board of directors of the West Texas Chamber of Commerce for more than a decade. He was elected second vice president of the regional organization in 1937 and was named first vice-president in 1938. He was elevated to the presidency at this year's WTCC convention which closed in Abilene, Wednesday, May 17th.

Mr. and Mrs. E. R. Yates and Mr. and Mrs. M. E. Boren attended the Bankers Association meeting in Dallas this week.

Dr. Cox Says:-

Case reports reaching the State Department of Health indicate that small pox is rapidly forging to the front in the list of preventable communicable diseases over Texas at this time.

"Smallpox epidemics would never occur if everyone, especially children, could be effectively vaccinated," states Dr. Geo. W. Cox, State Health Officer. "At the present there is an increasing lack of vaccination among school children and this constitutes a menace.

"Modern safeguards have removed every legitimate objection to vaccination. The virus is made from calves and, consequently, is incapable of transmitting human blood diseases. Among some ten million vaccinations performed in the Philippine Islands, there was no loss of life or limb or demonstrable injury to health.

"A primary vaccination with one successful revaccination will, as a rule, protect throughout life from the milder forms of smallpox, but this is not true in the severer types of this disease. Therefore, be vaccinated and revaccinated at least every five years, so that you will have the greatest protection possible and the least chance of being sick. Revaccination should also be done after each time you have been near a known case of smallpox. Vaccination is not to be feared but rather sought as the only safe, positively harmless and absolutely certain safeguard against smallpox. See your doctor today and be sure that you are protected."

NOT A WORRY in a CARLOAD

Don't take the chance of having tire trouble mar your pleasure, by starting out with tires that have holes in them... You don't have to buy new tires to be absolutely sure of a perfect trip... Bring your tires to us.

We'll Vulcanize Them

With the process we use, you are guaranteed to have a tire that will stand up... By using steam, we never overcook or get your tire too hot, which would have a tendency to weaken the rubber and fabric, and yet it is impossible with our modern equipment to undercook the vulcanize so that it won't hold... We guarantee our vulcanizing to last the life of the tire.

Dallas, Texas

Dear Sirs:

I beg to acknowledge receipt of your letter of the 13th of January with reference to pasteurization of milk.

We teach all medical students and students of public health that the only safe milk for the public is pasturized milk and that certified milk should be pasteurized as well as the ordinary grades. We believe and teach that pasteurized milk is the only safe milk for persons of all ages, including infants.

Very truly yours,

FREDERICK F. RUSSELL, M. D.

Professor of Epidemiology and Public Health

Plenty Hot Water
 WITH
BUTANE

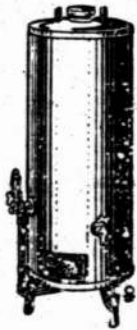

All The Conveniences Of A City Bath Room Is Yours With Butane

Regardless of where you live you can now enjoy all the conveniences of a city bath room, with an abundant supply of hot water available twenty-four hours per day, thanks to Butane gas.

When once you know the small cost attached to this wonderful convenience, you will want one of these modern plants in your home.

We not only have the plants, but we have the automatic water heaters, as well as every appliance you will need to bring your home up to the last minute. Our prices are very reasonable, and convenient terms may be arranged.

It is no longer necessary for you to live in town to enjoy all the conveniences that natural gas brings to the home.

With Butane, you can have this convenience at a moderate cost. Every appliance that will operate on natural gas, may also be operated with Butane. Automatic hot water heaters, Ranges, Refrigeration, lights, heat, ironing, etc., may be yours with Butane.

You will find the cost is small and Butane will operate as economically as any fuel available.

Come in today and let us explain the small cost of these wonder plants.

PROTECT YOUR FAMILY AGAINST SKIDS!... BLOW-OUTS!... PUNCTURES!

Here's the Scientific Tire and Tube Combination that does ALL THREE!

THE new Goodrich Safety Silvertown Tire with Life-Saver Tread has a regular windshield-wiper action that sweeps wet roads so dry you can light a match on its track! No wonder this new kind of tire will stop you quicker, safer on a wet pavement than you've ever stopped before! And at all times—whether roads are wet or dry—Silvertowns give you that other great life-saving feature—the famous Golden Ply blow-out protection.

And just look at this big, husky Goodrich Sealomatic Safety Tube—that lets you ride over tacks and nails and keep right on going! Yes, it's a fact. When nails or other objects penetrate this amazing tube it seals the opening automatically without loss of the air. And even though the nail may stay in this position and be pulled out days or even weeks later, the tire does not go flat. Let us put the tube "that never lets you down" in the tire that may save your life.

1. THIS NEW ROAD-DRYING TIRE GIVES YOU THE QUICKEST NON-SKID STOPS YOU'VE EVER HAD
2. FAMOUS GOLDEN PLY BLOW-OUT PROTECTION, TOO!
3. AND THIS NEW KIND OF TUBE SELF-SEALS PUNCTURES WHILE YOU RIDE!

Goodrich Sealomatic Safety Tube

City Schools Have Forty-Two Credits Of Affiliation

Rank Among Better Schools In Texas

The Lamesa High School is recognized for 42 credit courses and ranks well toward the top of schools for such enrollment in the State in the number and variety of courses offered.

The credits are carried in English, 4; History 4½; Mathematics 5; Sciences, natural, 4; Home Economics 4; Diversified Occupations 4; Band, vocal, and instrumental music 4; bookkeeping, typing and secretarial training 4½; languages 4, and miscellaneous subjects 4. Sixteen year courses are required for graduation with certain restrictions governing required courses and that pupils shall take courses in keeping with his grade placement in the institution.

Fourteen credits are offered in strictly vocational subjects for pupils of the regular day school program. In addition the vocational departments are offering courses for adults. Miss Barnes offers training in commercial subjects for part time adult pupils. Mr. Hatchett directs courses taught by laymen who are qualified in Salesmanship, Domestic Service, and Principles of Electricity. Miss Florence Griffith and Mrs. Eleanor Huddleston of the Homemaking Department offer courses during the school year to ladies in the

various phases and problems of particular interest to women.

The school joins in the general education movement in an effort to reach all persons who desire to improve their skills or information and status of employability. The aids offered by the State and Federal Governments are accepted and the requirements set up are carried out in an effort to serve the population of the area served by the school.

FARMERS— (Continued from Front Page)

A similar example would hold in the case of wheat.

The rate on general crops applies to the number of acres in the general allotment.

Soil Building Payments

A part of the conservation payment is in the form of assistance for carrying out soil-building practices. Each practice is measured in units. For example, construction of 200 linear feet of terrace counts as one unit; seeding an acre of alfalfa qualifies as two units and an acre of green manure or cover crop counts as one unit. And the rate on such practices is \$1.50 a unit.

However, each farm is given a minimum soil-building allowance. That is, the farmer is paid at the \$1.50 rate up to a certain limit, the limit varying according to the farm.

Parity Payments

In addition to the conservation payments, the 1939 program provides for price adjustment or "parity payments" of 1.6 cents a pound on cotton, and 11 cents a bushel on wheat.

The rate applies to the number of acres in the 1939 allotment for the given crop.

NEW SERVICE— (Continued from Front Page)

on the chassis of a car. This service is backed up by men factory trained in the alignment work," he further stated.

In a recent survey made by the Safety Council, it was found that 80 per cent of cars on the highways are out of alignment or adjustment. They offer to check cars free, without obligation to the motorist.

See their ad elsewhere in this issue of the Courier.

BASEBALL— (Continued from Front Page)

only one run for the balance of the game while his mates were rolling up six runs to make the final count 6 to 5 in favor of the Lobos.

Nell for Pampa poled one over the fence in the first, and Fullenwider hit a circuit clout in the second with one aboard for Lamesa.

PAMPA 400 000 010—5 9 0
LAMESA 130 010 01x—5 11 1

Tuesday Night

Tuesday night the Oilers got revenge when they jumped on Needham and Goldman for ten hits and fourteen runs, aided by several walks and six errors by the Lobos. Lamesa got only five hits by Tiry and made three runs. The final count was 14 to 3 in favor of Pampa.

PAMPA 200 400 440—14 10 3
LAMESA 100 200 000—3 5 6

Wednesday Night

Wednesday night saw the first of a two game series between the Lobos and Big Spring Barons, in which big Jodie Marek, Baron pitcher, was entirely master of the situation. He limiting the Tatemens to eight bingles, fanning an even dozen. For seven innings he held the Lobos scoreless, while his team mates were amassing seven runs. In the eighth and ninth the Baron infield cracked behind him and the Lobos pushed across two runs in the 8th and three in the ninth for a total of five runs. Big Spring scored another in the seventh.

BIG SPRING 101 320 100—8 13 4
LAMESA 000 000 023—5 8 4

Marek and Berndt; Lucas, Needham and Bates.

The Lobos presented a different line-up for the Wednesday night affair. Goldman worked on first, while Guynes covered shortstop, and Wortham played right field with Fullenwider in center. Paul Reeves, regular center fielder, sustained an arm injury in the opening game with Pampa and has been out of the line-up since. It is reported that a new first baseman is due from Oklahoma to join the Lobos tonight.

While Lamesa was dropping Wednesday's tilt to Big Spring, Amarillo took Lubbock and Clovis' won from Pampa to leave the League leaders in the same position, with Lamesa first closely followed by both Pampa and Lubbock. Only three games separate the first six teams in the standing.

THE STANDING
(not including Thursday's games)

Team	W	L	Pct.
LAMESA	14	8	.636
Pampa	12	8	.600
Lubbock	13	9	.591
Clovis	10	9	.526
Big Spring	11	10	.524
Amarillo	10	11	.476

Ablene	6	14	.300

— Where They Play —

Lamesa goes to Clovis Friday for two games and back to Big Spring Sunday and Monday, and then to Abilene Tuesday, Wednesday and Thursday, Friday Saturday and Sunday of next week the Abilene Apaches play in Lamesa for the first three game series at home.

ANOTHER BIG AUCTION SALE HELD MONDAY

The regular weekly auction sales of cattle held by the Dawson County Auction and Commission Company last Monday, again saw a large number of cattle sold with good prices.

Sales were rapidly executed with a large number of buyers in attendance. Large crowds of spectators jammed the big barn and pens and much outside trading was reported.

Another sale will be held next Monday beginning at 11 a. m.

ASSOCIATIONAL SUNDAY SCHOOL MEETING OF LAMESA BAPTIST ASSOCIATION

Pastors, teachers and all who are interested in Sunday School work are urged to be present at the associational wide Sunday school meeting at the First Baptist Church in Lamesa at 3:00 p. m., Sunday, May 21.

The program is as follows: Devotional, Mrs. R. R. Sullivan, Klondike; The Why and How of Associational Sunday

School Work, Rev. J. W. Arnett, Five Mile; The Sunday School Secretary, Miss Eunice McReynolds, Klondike; Inspirational Address, Rev. O. C. Curtis, Seminole.

Mrs. Barney McKinney returned Wednesday after a several weeks visit with her mother in Crosbyton.

BUILDING NEW STATION HERE

The walls are practically complete on the rock service station being built by W. M. Edwards at the corner of South Fourth and Dallas Streets. Stone for the building is being se-

cured from the Davis Mountain country. The station will be modern in every respect, with a large drive-in which will be covered.

Ladies and gentlemen rest rooms will be provided as well as every convenience for the motorists, according to Mr. Edwards.

COTTON WEEK Specials at COLLINS

John Allen Pioneer Implement Dealer

It was back in the days when a buggy whip rack identified the farm implement dealer and no corner tobacco shop was complete without its wooden Indian, when John Allen of Lamesa first became acquainted with John Deere implements.

He was born in Bartlett (Williamson County), Texas, where he resided until he moved with his family to Arkansas. Not satisfied with living outside their native state, the family returned to Texas in 1898—and young John became a farm hand at \$15.00 per month, with board, laundry, and horse feed included.

Nineteen-five saw him established in a Goldthwaite hardware store selling John Deere implements at the princely salary of \$1.00 per day—but after a year had passed, he became the manager.

Time marched on, and in 1908—married and member of the firm of Randolph & Allen at Mullin, Texas—he signed his first order for John Deere goods. Ten years later found him manager of the Austin-Hall Hardware Com-

pany at Brownwood. In 1922 he opened the Allen Hardware Company at Brownwood which he sold in 1929 and started farming at Levelland.

He came to Lamesa in April, 1932, and together with his two sons, John, Jr. and Ben, organized the Allen Hardware Company where they now conduct a hardware and implement business in a newly renovated building, handling the full line of John Deere tractors and implements.

Says Mr. Allen, "In my short span of life I have seen the transition from the old Georgia Stock through the one and two row riding implements—from the time when forty acres was a large farm until the coming of four row tractor equipment made a West Texas farmer feel cramped with less than a section."

Thank you, Mr. Allen, for thirty-four years of pleasant association, says the John Deere Company.

Miss Elwanda Oliver and Miss Pauline Duff of Tech, Lubbock, spent the week end here visiting with friends and relatives.

Pink Moore of Lubbock spent the week end here visiting his sister Miss Mattie Moore and Mr. and Mrs. W. O. Holder.

NOTICE OF CHANGE

I have sold my hospital to Dr. N. H. Price who will take charge June 1st. I will continue my office in the Lamesa National Bank Building, next door to Morris & Martin office, and will continue my practice as before. I have an agreement with Dr. Price to use the hospital for my hospital cases.

I wish to thank my friends and patrons for the splendid patronage they have given me during the past fifteen years, and assure them no one appreciates their friendship and patronage more than I do, and it has been a pleasure in most cases to serve them.

Respectfully,
Dr. W. H. Dunn.

M. H. Wright of Arizona is here this week visiting with his sister Miss Myrtice Wright.

Miss Thelma Wright of Lubbock spent the week end here visiting her sister, Miss Myrtice Wright.

Mr. and Mrs. Owen Taylor left Monday for Abilene where they will visit with friends.

Mrs. S. L. Forrest visited with friends in Lorenzo this week.

Adequate Facilities For Much Larger School Is Provided

That Lamesa schools have kept pace with the growth and development in Lamesa is without question. With the completion of the new building program, and the remodeling underway at this time, the Lamesa School plant is one of the best in West Texas. The facilities of the system have been greatly increased by the expenditure of \$152,000 during the past few months for grounds, buildings and equipment.

Land which was acquired to enlarge the existing campus consists of the various lots which make up the block west of the high school building. A new site was acquired for the school for colored children. It is three and one-half acres in size and is located east of the highway just south of the city limits and adjacent to the colored residence and business section. The land owned in the name of Lamesa Independent School District now totals more than thirty acres, and approximately fifteen of these comprise the site upon which are located the buildings for white children.

The building program just finished consisted of four structures. (a) The building on the south side of the campus for primary grade children consists of twelve commodious classrooms, two rest rooms, three storage rooms, an office, and an assembly room adapted to primary children in size and arrangement. The corridor floors are terrazzo tile of beautiful coloring. The other floors are of oak. The building is finished in light colors and presents an attractive as well as useful appearance. Each room is equipped with four electric lights, lockers of individual type for each pupil and teacher, natural slate for blackboards and adequate cork board for displays and drawing work on paper. The entire building is built and equipped for children aged six to nine years of age or grades one to three as indicated by the heights of blackboards which are arranged in three heights from the floor. Four of them are twenty inches, four are twenty-two inches and four are twenty-four inches from the floor. These rooms and accommodations are especially designed for small children and their activities.

The physical education building is composed of three principal sections. There are two adequate locker and dressing rooms, the one on the south being prepared for the girls of the schools and the one on the north for boys. The middle section is the main room, 90 feet by 77 feet for instruction and exercise purposes. The end sections consist of ticket selling booths and offices for instructors. This building is equipped with telescope type seats for the public and with gymnasium equipment for the pupils.

The heating plant is of fire proof construction and houses two boilers and supplementary equipment, such as return pumps, electric panel switch boards, and hot water storage and heating equipment. One of the boilers is new and the other was that formerly housed underneath the elementary school. These two boilers will be used to heat three buildings, namely, the elementary school, the primary school, and the physical education building.

The grandstand on the south side of McCollum Field is of steel, cement and wood construction. It is reported to be one of the best plants of its kind in West Texas. School authorities who have seen it state that the architects who designed it set a pattern which will be aimed at by others. There are good solid and wide seats for three thousand adults in the new stands. They are high enough from the ground to afford an excellent view of the entire football field. The edifice is located well with reference to the parking space which is expected to be on the west side of the campus and there are spaces for four entrances and exits. The Lamesa field is said to be equipped in keeping with the fields of other conference AA teams in the district. The district board of trustees has

JOE ALEXANDER, EDITOR

SPARENBERG BAPTIST CHURCH

Our attendance was good last Sunday, and a fine program was rendered in honor of our mothers. We had a great day together with a fine spirit prevailing. Our next preaching day, the fourth Sunday, we will observe the Lord's Supper. We hope that it will be possible for the entire membership to be present.

The Wilson Baptist Church is also doing things. They have completed the pastor's home which is very beautiful with four large rooms. I think this is a worthwhile thing for our rural churches to do.

Lamesa Association is setting the pace for the state in building rural pastor's homes.

We are facing forward in the Lord's work. The ladies are having a box supper Friday night, May 19th, to pay for the paper in the new house. Every one is invited to come.

Ernest Phillips, Pastor.

REPORTERS WILL MEET

The Home Demonstration Club Reporters Association will meet in the County Home Demonstration Agent's office at 2:30, Saturday, May 20.

COUNCIL MEET

The Dawson County Home Demonstration Council met at the county home demonstration agents office at 2:30, Saturday, May 6.

The Klondike club reported the following work done: 920 cuttings put out, 264 trees, 88 shrubs, 28 rose bushes, 5 frame gardens, 4 seed beds and 2 lawns sodded. In kitchen work two hardwood floors were added, 3 homes added running water, two cabinets were built and one bath installed.

Seven clubs were represented and gave reports.

CARD OF THANKS

To those who took part in offering words of comfort and gifts during the long illness and death of our beloved companion, daughter and sister, words cannot express our appreciation for your kind words of sympathy and floral offerings. The sweet songs and truths that were spoken from God's eternal truths and the many prayers that were uttered in our behalf. We hope and pray we will be as mindful of you when sadness comes your way to serve you as faithfully as you did us.

T. A. Yeager and children
J. M. Russell and family.
Amos Painter and family.
Mr. and Mrs. Roy E. Russell

CARD OF THANKS

We are taking this method of showing our thanks and appreciation to our friends and neighbors for their many deeds of kindness and the beautiful floral offerings, during the recent sorrow in the death of our husband and father. Especially do we wish to thank Jack Hester, Harold Cowger and C. E. Duke.

Mrs. Edith Lee
Bob Lee, Bose Lee
Mr. and Mrs. Alvin Atwood
Emily, Bonnie and Jimmie K. Lee.

UNION

Edna Pounds

The play, "Aaron Slick from Punkin Crick," was enjoyed by a large crowd Friday night.

Several from this community attended Sunday school and church at Higginbotham Sunday morning and the Mother and Fathers Day program Sunday afternoon.

Thirty seven of the high school students went to Big Spring Saturday afternoon on a picnic. Mr. and Mrs. James A. Cowan and Mr. Kenard went with them. Everybody reported an enjoyable trip.

This week is final examination week. School will close, Friday, May 19.

Dorothy Lou Nichols visited in the Marks home, Sunday.

The basketball girls who won jackets this year are Inez Tolbert, Marjory Tapp, Sylvia Wintringham, Charline Norris, Altha Lee Huddleston, Elsie Lee Dickerson and Evora Boyd. Those receiving basketballs are Johnnie Doris Lewis, Louise Ferguson, Dorothy Calhoun and Berta Borland.

Mr. and Mrs. James A. Cowan had

as their guest this week end, his sister, from Wichita Falls.

KLONDIKE CLUB MEETS

The Klondike Home Demonstration club will meet at the home of Mrs. L. A. Duff at 2:30, Thursday, May 25. Miss Mattie Phenix, Home Demonstration Agent, will give a demonstration on "Cleaning the Kitchen."

BUYS WHITE SPOT CAFE

Announcement is made this week of the sale of the White Spot Cafe on the east side to Messrs J. W. Weddle and D. L. (Doc) Nolen, by Olin Wise.

These two young men are well known in Lamesa, having lived here for many years.

They will feature chicken and steak dinners in their place. It is as clean and modern as the name White Spot implies. It is air conditioned for summer comfort. See their ad in this issue of the Courier.

Lamar Land, Toad Morris, Cowger Andrews, and Wilbur Willett spent the past week at San Angelo with friends.

Lamesa Schools

(Continued from Front Page)

provided a three room frame building formerly used by the Richardson School district for the use of colored school children. This was separate and apart from the bond issue and government grants.

The alterations and repairs program for the existing elementary and high school buildings is quite extensive the most of this work is in the older building. The renovation of the plumbing and heating system is part of the program. Electric lights and necessary service connections are to be installed, and there will be asphalt tile floors placed over all floors excepting the elementary school auditorium which will be oak floored. This building will also have new ceilings replacing plaster ceilings. New stairways will replace the present ones. The principals office will be enlarged and improved. A new signal system and master clock will be installed and there will be a public address system with panel control in the principal's office with a radio outlet to each classroom of both the elementary and primary school and to the auditoriums in each building.

The changes in the high school building will be those in the abandoned gymnasium and consist of a room on the east end which will house 250 pupil lockers. The west end has been made into a music room. Soundproofing has been effected. This room will enable band and other music pupils to have daily rehearsals without leaving the campus and during school hours. The auditoriums in the high school and elementary schools have new front curtains of luxuriantly colored material, improved cyclorams and front curtain hangers or tracks. They will be wonderfully improved both in looks and service.

The high school building and physical education building are equipped with a public address system operated from the high school principal's office. A speaker unit is located in each room such as classrooms, auditorium, where

there are two, laboratories and gymnasium proper. These systems permit communication to and from the office and rooms, the reception of radio broadcast programs to any or all rooms or the broadcast of programs originating with pupils to any or all rooms. The stages are equipped with microphone outlets for amplifying programs, plays, etc., that those in the big rooms may hear more readily.

The physical assets of the Lamesa Independent School District are now valued at approximately \$450,000.00 and for which the district has issued bonds in the amount of \$302,000.00. The grant of the Federal government of \$66,400 has aided in the total materially in the adequacy of buildings, the renovations of existing structures and in obtaining serviceable, standard school room equipment and in having a more or less completed project for the about 1900 pupils who attend the white schools. The additional investments have been made from time to time from local funds.

BLACK HUFF KAFFIR AIDS SOIL CONSERVATION

Farmers in the western part of Dawson and in Terry and Gaines counties where the soils are of a deep sandy nature, have been depending largely on corn when there was too much soil movement to permit them to get a stand of hegarri or cotton. These two crops have a weak germination and if a slight accumulation occurs in the seed beds it is necessary to replant in order to get a stand.

In order to solve this problem many resort to planting corn which will come up to a fair stand even though it may get covered several inches deep. Corn has proven very unsatisfactory in this area for several reasons. It will not stand drouth, conserve soil and is usually damaged by insects. These factors usually cause a short crop or a complete failure and leaves the soil unprotected for the windy season.

According to Firestone of the Soil Conservation Service, black hull Kaffir has a strong germination and can be covered deep, but is different in every other respect. It is the best drouth resisting plant grown in this section, offers good protection to the soil and usually yields higher than other crops. Like all other varieties of sorghums, it is susceptible to smut, but this can be prevented by treating the seed with Copper Carbonate which costs less than one cent per acre.

This crop is very seldom damaged by insects and can be harvested by a combine, binder or hand headed. It will stand longer than other sorghum crops and can be harvested at convenient time in the fall if only the grain is to be saved, but should be cut in the dough stage if the foliage is to be used. When cut with a binder a high stubble will be left to protect the soil against wind erosion.

County Organizes Agricultural Ass'n

During the months of February and March of this year the farmers of Dawson County have been actively engaged in organizing units of the Texas Agricultural Association. The Texas Agricultural Association is an organization of farms throughout the Southern States, and is closely associated with and forms a part of the American Farm Bureau Federation.

Organization in this county first began in Precinct No. 2 with the meetings being held alternately with Hancock and O. K. Precinct No. 3 followed closely with organizations at Fairview, Munger, Welch and Woody. The Association is being organized in school district units throughout the county, which requires fifteen paid-up members. Up to date three of these units have been organized with a total membership of 103. The purpose of the organization is to provide community groups of farm people with educational, legislative and social activities.

The unit organized at Hancock has 30 paid-up members with the following officers: President, S. T. Jeffries; vice-president, C. F. Middleton; secretary-treasurer, Cicero Arnett.

The unit organized at O. K. has 20 paid up members with the following officers: President, O. E. Witte; vice-president, J. M. Merrick; secretary-treasurer, Joe Snellgrove; program chairman, Mrs. E. A. Wright; legisla-

tive chairman, E. A. Wright; recreation chairman, Lula Waller; and membership chairman, W. T. Snellgrove.

The unit organized in Precinct 3 has been rotating its meeting at Fairview, Munger, Welch and Woody and consists of the following officers: President, J. B. Roberts; vice-president, Jack Broyles; secretary-treasurer, Jack Famoro; program chairman, Mrs. R. L. Miller; legislative chairman, J. A. Johnson; recreation chairman, Jewell McQuiver; and membership chairman, C. P. McDowell.

One meeting has been held in Precinct 4 and one in Precinct 1 and several members have been secured in each of these precincts, but no permanent organization has been set up.

On Monday night, May 8, 1939, a county wide meeting was called at the court house at Lamesa at which time county officers were elected as follows: President, J. M. Merrick; vice-president, J. B. Roberts; secretary, Betty Bratcher; and treasurer, John Middleton.

At a meeting held in Big Spring several weeks ago, Mr. Cliff Day, State President of the Texas Agricultural Association, asked the farmers present

from each county to set quotas for 1939 members, and Dawson County promised to secure two hundred members as their quota. Interest in the association is increasing every week and the leaders in charge of the organization work feel that when the other two precincts of the county are organized that Dawson County will over subscribe its quota and be well represented at the State and National Headquarters of the Association.

R. B. Bryant of Stamford was a business visitor here Wednesday.

Mr. and Mrs. Ralph Douglas of Lubbock spent the week end here visiting with friends and relatives.

Mrs. E. M. Perkins of Crosbyton spent the week end here visiting with her sister, Mrs. John Allen.

Mrs. Sidney Randal returned Tuesday from Mart after a two weeks visit there with friends and relatives.

Mr. and Mrs. T. A. Braswell of El Paso spent the week end here visiting with friends and relatives.

Gas Gas All Time

Mrs. Jan. Filler says: "Gas on my stomach was so bad I couldn't eat or sleep. Gas even pressed on my heart. Adlerika brought me quick relief. Now, I eat as I wish, sleep fine, never felt better."

It's Easy • It's Fun TRUE-FALSE QUIZ

and you may WIN HUMMING BIRD Hosiery Contest

1ST PRIZE, FIVE PAIR HUMMING BIRD HOSE
2ND PRIZE, THREE PAIR HUMMING BIRD HOSE
3RD PRIZE, TWO PAIR HUMMING BIRD HOSE
NEXT TEN PRIZES WILL BE ONE PAIR OF HUMMING BIRD HOSE EACH

No Strings - Nothing To Buy! HERE'S HOW - Five advertisements will appear in this paper, one each week for five consecutive weeks. Each advertisement will contain five true or false statements pertaining to Humming Bird Hosiery to the statements made. (Be careful to number each answer correctly.) Print your name and address plainly and see that your answers are in our possession not later than 6:00 o'clock, Saturday, May 20th.

Anyone is eligible except employees of Collins and their families. Answers may be deposited in a box at Collins Hosiery Department, or mailed to our store. Neatness will count in case of a tie winner. Winners will be notified by mail. Judges decisions are final. Contest will be judged on correctness of answers and neatness. Deposit answers weekly in our Hosiery Department.

Group No. 5
Answer "True" or "False"
1. All Humming Bird Hosiery is 42-gauge or better.

2. The full facts of how DAVENCREPES by HUMMING BIRD are made are not written down for you to see
3. DAVENCREPES by HUMMING BIRD are extra sheer but wear incredibly
4. Humming Bird Hosiery is manufactured from the raw silk to the finished stocking in one mill
5. The Hidden Values in Humming Bird Hosiery give longer, more satisfactory wear
