'ONE OF GREATEST CHURCH EVER HELD,' O'BRIEN SAYS OF FIRST BAPTIST REVIVAL

Forty-Five Added To Member Roster; Spiritual Status Is Much Advanced

The two-weeks revival campaign closing Sunday at First Baptist church is to be remembered as one of the greatest evangelistic campaigns ever sponsored by the congregation, the pastor, Rev. Dick O'Brien and leading members of the congregation told this newspaper Monday morning.

"The revival was by odds the greatest spiritual awakening our people have experienced during my pastorate here and pioneers in the church tell me the campaign was the most successful in history of the congregation," the pastor declared. "Visible results may be depicted in fact that we had forty five additions to the church, 25 of whom were admitted in baptism through direct influences of the revival."

Spiritual state of the congregation is much improved and there is no reason to accept that the congregation is to falter in its progress ahead during the months to follow, the pastor suggested. "Rev. Mr. James of Cisco, our revival leader, is the greatest evangelistic speaker to ever hold a meeting for me during my several years in the ministry."

18 converts were given baptismal rites at close of the Sunday evening services. Earlier during the week 18 candidates for this rite had been baptised. Seven of the number were persons who had united with the church before opening of the revival. Seventeen new members were received by letter and two upon statement.

WELL ON BELL LEASE IS SWABBING 35 BARRELS AFTER ACID TREATMENT

R. J. Wallace stated Friday afternoon that his Bell No. 2, recently completed near Iatan, was swabbing 35 barrels of oil a day following acid treatment. Production is from the shallow pay stratum. This is the second well drilled by Wallace on his Bell lease. Other producers have been completed in that vicinity.

HARVEY MAINTAINS HIS REPUTATION AS HUNTER

Minister Jim Harvey of the Church of Christ, who during the past several years has never gone deer hunting without returning with a nice buck, is maintaining that record. He returned home early Friday morning from near Kent with a big deer on his car. He was accompanied by Chas. Myatt of Abilene who also brought down a large buck.

HUNT GUITAR IS HONOR STUDENT AT ARLINGTON

Hunt Guitar, son of Mr. and Mrs. Jas. H. Guitar of Colorado, has recently compiled a total of 26 grade points at North Texas Agricultural College, at Arlington, qualifying him for a place on the school honor roll. Hunt is a graduate of Colorado high school.

TEACHERS, STUDENTS TO HAVE TWO-DAY HOLIDAY

Faculty members and students of the Colorado schools are enjoying a two-day holiday during this Thanksgiving season. All classes were dismissed Wednesday afternoon until Monday morning, J. E. Watson, superintendent, stated to The Record.

BIG SPRING HIJACKERS CONTINUE TO OPERATE

Hijackers continue to operate in Big Spring and vicinity. Thursday night J. F. Hall, manager of the Southern Ice Company, and a Mr. Caldwell, car salesman, were relieved of cash at the point of guns wielded by an unidentified man

MAYOR REITERATES CITY TO ENFORCE ORDINANCES AFFECTING CAR TRAFFIC

Until such time as the city commission deems it advisable to rescind certain ordinances drafted to control motor vehicular traffic in Colorado, it will be province of the city to enforce those laws, Mayor J. A. Sadler reiterated Saturday. A few days before he had publicly issued warning that all such violations would invite arrest and the posting of fines.

Corporation court was in session Tuesday to hear complaints against motorists charged with failing to bring their car to a halt at street intersection "stop" signs. The city was represented in prosecuting the causes by R. H. Ratliff, attorney.

"The city realizes its responsibility in demanding that life and limb be protected from dangers of reckless drivers," the mayor said.

CHALK CHURCH LADIES ASSIST ORPHANS HOME

A large number of tickets were sold for annual benefit turkey dinner at Chalk Friday night of last week, The Record has been informed. Proceeds of the sale went into a fund for orphans' homes maintained by Methodist, Presbyterian, Baptist and Christian churches. Ladies of those denominations sponsored the affair.

AROUND WORLD FLIERS SOAR OVER COLORADO

Charles T. P. Ulm, George C. Littlejohn and J. Leon Skilling, Australian flyers on a leisurely plane flight around the world, passed over Colorado Monday enroute from Wichita, Kansas, to Midland, where a stop was made. They flew from Detroit Sunday.

BAPTIST MINISTER HAS 'SALE' ON YULE KNOTS

The Rev. Dick O'Brien, pastor of First Baptist church, announced Tuesday that from that date until Christmas he would officiate at weddings at one-half the customary fee. This special inducement is extended in the hope of stabilizing the business in which Cupid is concerned during the holidays.

COAHOMA WOMAN TAKEN IN DEATH LAST WEEK

Mrs. Eva Eugenia Box, 32, wife of B. W. Box of Coahoma, died at the family residence there Thursday night at 11 o'clock. Deceased is survived by her husband and four children. Box is an employee of the B. A. Duffy Drilling Company.

CHERRY BLOSSOM TIME ARRIVES OUT OF SEASON

It is cherry blossom time in Mitchell county, farmers seen in Colorado Saturday reported. The trees were said to be in full bloom in several parts of the county, appearing in formal Spring attire several weeks ahead of schedule.

ABILENE VOTERS 'THUMBS DOWN' ON UTILITY CHANGES SUGGESTED AT THE POLLS

Rousing Vote Of Confidence Given WTU Company In Election Saturday

ABILENE.—Turning out Saturday in unexpected numbers, voters of Abilene very emphatically told their city commission to forget its recommendation about building a municipal light and power plant; said "no" with even greater positiveness to the proposed grant of a private franchise to O. D. Dillingham; and gave the West Texas Utilities company a rousing testimonial of confidence.

A light turnout had been expected, since the referendum promoted by the city commission was unofficial, only a straw vote, but the count in the two boxes, Cedar and Butternut, showed the electorate's deep interest in positively settling the question that had become troublesome. The maximum vote cast was 1,663, on proposition No. 1, relating to a municipal plant. The voters swatted that, 1,266 to 397, or a ration of minus 3½ to 1. They swatted proposition No.2, on the Dillingham grant, 1,311 to 340, a ratio of minus four to one.

Proposition No. 3 carried, that being on whether the people were satisfied with the present policy of the West Texas Utilities company in making annual rate reductions. The vote was 1,150 to 509, or an affirmative ratio of plus two to one.

MITCHELL GIN RECEIPTS 5,000 BALES LESS THAN TOTAL GIVEN LAST YEAR

Gin receipts in Mitchell county prior to November 14 had reached a total of 10,090 bales, Ed Wilson of Loraine, official government cotton statistician, reported Monday. The number was 5,046 bales less than the total reported on the same date last year.

Unless the anticipated "top crop" opens after frost, yield from the present crop will not advance the government report much higher. A considerable amount of grown bolls is on the stalk and current opinion has it they will open after frost.

REV. ELLIOTT IS LEAVING FOR CROSBYTON MEETING

Rev. W. M. Elliott, pastor of the First Presbyterian Church, is leaving next Monday for Crosbyton, where he is to conduct a ten days' revival. Rev. G. C. Didwell is pastor of the Crosbyton church.

MACKEYS ATTEND DODGE CONVENTION IN DALLAS

Frank Mackey and L. G. Mackey of Midland attended a Dodge dealers' meeting in Dallas from Thursday until Saturday of last week.

Mrs. L. G. Mackey and little son visited her parents, Mr. and Mrs. Sam Majors, while they were gone.

HUSHED SENSE OF GRIEF ENVELOPES COURT HOUSE SINCE OFFICIAL'S DEATH

There is a hushed feeling of grief about the offices and corridors in the court house today, due to realization among officials and employees there that Uncle Bill Stoneham has gone.

The veteran Mitchell county official, first inducted into office in 1890, was a familiar character there through the intervening years. He usually had a smile for those who came his way and mingled thoughts of his daily routine with spoken expressions of sympathy and understanding.

The chair at his desk is vacant. That is the first impression one will receive upon entering the court house now. Uncle Bill will not be seen at his place in the court house again but the memories of his association with officials and others who observed him there so intimately are to linger.

THANKSGIVING BE TOPIC FOR DISCUSSION SUNDAY FROM PULPITS OF CITY

"Thanksgiving" is to be the subject matter about which some of the pastors of Colorado are to build their sermon addresses Sunday, announcement coming from them suggests. At some of the churches parishioners are to be reminded of Thanksgiving during the morning worship service while at others the subject will be given consideration at the evening service.

Local congregations have much to be thankful for during the annual session of special devotion to a Divine power, one of Colorado's pastors suggested in an interview given The Record Tuesday afternoon.

DIRECTORY LISTINGS BE CLOSED DECEMBER 10TH

Listings for new edition of the Colorado telephone directory should be on file in office of the company not later than December 10, according to announcement made Tuesday from the company business office. Any changes to be requested, the listing of additional information and, in general, information to be printed in the new edition, should be given the office without delay.

DIERDORFF OPTIMISTIC OVER FUTURE OUTLOOK

E. A. Dierdorff, divisional superintendent for the Shell Pipe Line Company, among the major corporations doing business in the Southwest, is looking ahead with optimism, the oil official indicated here Saturday. Dierdorff has directed business of the corporation from divisional offices here for North and West Texas, Southern Oklahoma and Eastern New Mexico for several years.

SPADE TO LOAD OUT 225 CALVES TO LEBO, KANSAS

Loading out 225 head of mixed calves to W. S. Jones of Lebo, Kansas, will be part of the Spade ranch's Thanksgiving program. Announcement of the sale was made this week by O. F. Jones, manager of the ranch.

SECOND CATTLE PURCHASE ORDER BOOSTS TOTAL FOR COUNTY TO 10,000 HEAD

Buying In Progress During This Week; Some Recall Previous Listings

Another order to purchase distressed cattle in Mitchell county was received Monday by Ben Baskin, county farm agent from Washington, boosting total number of livestock effected in the government's purchase program to 10,000 heads. Buying of the animals has been in progress since Monday with arrival of Chas. Young, federal inspector.

Authority to purchase 1,000 cows, ranging in age from two years up was received by Baskin last week. Previous to that time 8,000 head of livestock had been sold the government by farmers and ranchmen of the county.

Baskin stated Tuesday morning that some citizens who previously had registered cattle for sale under the government plan were withdrawing the offerings, due to improved range conditions since the recent rains. One cattleman who a short time before offered 100 head of cows for sale, informed that he would make no deliveries now and another offering the government fifty head was selling only twenty-five.

The county agent expressed belief that approximately 1,800 head would be delivered the government under authority of the last two purchase orders. "And I feel that we are to have no additional allocations in this respect, at least for the present," he concluded.

SIX COUNTY SCHOOLS 100 PERCENT RED CROSS

Teachers in the Looney, Iatan, Cuthbert, Loraine, Westbrook, and Colorado schools have subscribed to the Red Cross Roll Call one hundred percent, according to an announcement made this week by J. H. Greene, Mitchell county Red Cross chairman.

PUBLISHER'S TOE HURT IN ACCIDENT AT PLANT

W. W. Whipkey, publisher of The Record, sustained a painful injury to the great toe on his right foot Tuesday afternoon when a roll of print paper weighing over a thousand pounds fell on the member, crushing it. Several months ago Whipkey received a badly sprained knee under similar circumstances.

THERE IS NONE BETTER READER SAYS OF PAPER

"The Colorado Record is the best weekly newspaper that I know anything about and is worth many times the low subscription price," Lanier Bassham of Seven Wells community declared Tuesday afternoon. Mr. Bassham extended his subscription for three years as an evidence of his appreciation of the paper.

Relative Colorado Woman Is Fatally Hurt In Car Mishap

J. A. Boykin, Big Spring rig building contractor, was fatally injured when the car in which he and Chas. Gettes, also of Big Spring, were traveling overturned 14 miles south of Big Spring Sunday morning. The injured man, a brother-in-law of Mr. and Mrs. D. M. Logan of Colorado died Wednesday morning in a Big Spring hospital.

Boykin sustained a broken hip, fractured pelvis and internal injuries. Funeral plans had not been completed early Wednesday afternoon.

Mr. and Mrs. Logan were in Big Spring Monday to attend the injured man. He returned to Colorado Monday night and returned to Big Spring Wednesday.

CLUBBING RATES EXTEND THROUGH DECEMBER 31, ROY FARMER RECOUNTS

Roy Farmer, home town agent for some of the popularly read daily newspapers circulating here, along with The Record, called attention Tuesday to fact that special clubbing prices now in effect would not be guaranteed after December 31.

Mr. Farmer suggested that subscriber renewals be attended to during the last month of the year, if assurance of the reduced price be given. A material saving is to be realized through the combination arrangement, he stated.

MRS. DOSS BROUGHT HOME FROM AUSTIN

Mrs. John L. Doss was brought home Sunday from an Austin hospital, where she had been a patient since she sustained a broken leg in an automobile accident over two weeks ago.

Mrs A. B. Blanks and the Doss' chauffeur, Mack Foster, left Friday for Austin to bring her home. She is said to be making satisfactory progress in her recovery.

WARREN WADDELLS GO TO PHOENX, ARIZONA

Mr. and Mrs. Warren Waddell, until recently of Midland, spent last week with Mrs. Waddell's parents, Mr. and Mrs. J. M. Terry, before leaving Monday for their new home in Phoenix, Arizona.

Waddell, a former resident of Colorado, has accepted a position with the Chevrolet Motor Company in Phoenix.

ICE REPORTED AT IATAN OIL CAMP LAST WEEK

R. J. Wallace reported that ice an eighth of an inch thick was to be seen at his oil field camp near Iatan Wednesday morning of last week. He found the ice in a pail at the home of Mr. and Mrs. DuBois. This was the only incident of ice having been found at that time in this area.

RETAIN BANKHEAD LAW OR LOOK FOR LARGER COTTON PRODUCTION ANOTHER YEAR

Such Is Couched In Official Statement Issued Monday From Washington

The following statement issued at Washington Monday should be of interest to cotton farmers of Mitchell County:

Unless cotton producers continue the Bankhead law for another year they may count on an increase in production of about 1,000,000 bales. The November cotton report indicated a production of 9,640,000 bales, about 3,500,000 less than the crop of 1933. No threat was contained in the statement from the adjustment administration of the large increase but it arises from a stipulation in the cotton reduction contracts. The Bankhead law limits the crop to 10,000,000 bales.

Thus it is apparent that the reduction program for next year depends somewhat on the outcome of the producers' vote on the Bankhead law. Details for taking the referendum are being completed rapidly by the department and it will come about the second week in December.

The prospective increase results from a stipulation in the contracts with producers that the Secretary of Agriculture must announce the national program for next year and that the acreage reduction may not exceed 25 per cent from the base or five-year average. It is estimated that this would mean an increase of about 4,600,000 acres, and, in turn, roughly this is estimated to mean about 1,000,000 bales more.

Secretary Wallace is expected to announce next year's program next week, since it is stipulated in the contract with the growers that such announcement must be made by Dec. 1. He may provide that there shall be a 15 or 20 per cent reduction, in as much as the contract stipulates that the maximum may not be more than 25 per cent, but it is not assumed that the lower ratio would be adopted as that would mean still more cotton, with every prospect of enlargement of the carryover in face of a declining export market.

The department's attitude toward

COTTON PRODUCERS WILL OPPOSE BANKHEAD LAW, BELIEF EXPRESSED HERE

Mitchell county cotton producers are to register disapproval of the Bankhead Law when they go to polls in special federal referendum election December 10, according to prophesy being advanced by local observers.

The government recently announced that the question of whether or not the law shall continue operative in 1935 will be left with the farmers themselves.

"There is too much talk against at least some features of the law to contend it is a popular measure among the farmers of this county," to quote a Colorado citizen who during the past few months has had considerable dealings with cotton growers.

REV. WRIGHT IN DALLAS ON BUSINESS THIS WEEK

Rev. Cal C. Wright, pastor of the First Methodist Church, spent the early part of this week in Dallas attending to business connected with the Methodist Centennial year book, of which he is an editor. He is returning to Colorado Wednesday night.

SENATOR DUGGAN VISITS IN COLORADO SATURDAY

Senator A. P. Duggan of Littlefield was a visitor in Colorado Saturday afternoon enroute to Austin on official business. Mr. Duggan stopped here for a visit with Congressman-elect George Mahon but failed to see the latter due to his absence from town.

Rules Governing Distribution Of Cotton Tag Certificates Explained By Goodwin

H. E. Goodwin, adjustment assistant in the county farm agent's office, offers the following comment on rules of the National cotton tag certificate law, with special reference to allocation of bales to farmers in Mitchell county:

"There seems to be some confusion in the minds of most cotton farmers as to the farms that are entitled to receive additional tax-exemption certificate allotment out of the 10 percent State Reserve.

"This allotment is made by the State Board and no one in this county had anything to do with it. In order that an allotment can be made to a producer out of the 10 percent Reserve, it must be determined by the State Board—(1) That in at least one year of the four years of the base period—1928, 1929, 1931 and 1932—the yield per acre of the cotton on the farm covered by the application was at least 35 1-3 percent less than the adjusted average yield per acre on such farm for the four years. The reason 1930 is not included in this is because 1930 was considered a failure for the entire county and was not taken into consideration when the original allotment was made for the county. (2) That the average acres planted to cotton for the 3 years 1930, 1931 and 1932 is less than 60 percent of the acreage planted to cotton on such farm in the year 1929, and that such reduction was a voluntary reduction.

"If each farmer will take his application and see if the above applies to his farm, he can determine himself if he is entitled to share in the 10 percent State Reserve."

BETTER PAY UP

The Record management has authorized the "Big Boss" to chop the heads off of all who do not pay up on their paper. Remember you can renew now for only $1.00 and one dollar will pay for each back year. Look well to your head and don't be in the chopped off bunch.

The Record is classed as one of the best and at the reduced price of one dollar surely you will pay and make the publishers feel their efforts are appreciated. One of the greatest calamities that could happen to you would be to loose your head.

The columnists column is worth the price of the paper.

School Children Invited To Have Part In Lions Club Christmas Cheer Drive

Every school child in Mitchell county is cordially invited to share with members of the Lions Club in annual program to bring Christmas cheer to boys and girls into whose homes Santa Claus might not come, unless some benevolent heart cooperated with the grand old patron saint.

Saturday afternoon management of the Palace Theatre is to throw its doors open for a special benefit matinee. All that will be required for admittance is a couple of discarded toys. Look about the home and get your old toys together, bring them to the theatre Saturday afternoon and witness a good show and at the same time contribute to making life brighter for some unfortunate boy or girl.

Toys are being gathered by a special committee from the Lions club and brought to the chamber of commerce to be repaired and made like new by relief workers. They are to be distributed at Christmas among children of the poor.

"We desire that every boy and girl of the county have a part in this program," M. O. Chapman, member of the Lions club committee, stated Tuesday. "In order to attend the special matinee you must not be over 12 years of age."

Chapman expressed for his committee appreciation to Ross D. Dixon, manager of the theatre, for the cooperation given.

Children having discarded toys to donate for this cause and who will not attend the matinee, are requested to notify the chamber of commerce or any member of the Lions Club.

Social Farewells Said To Mrs. Geo. Mahon At Tea On Tuesday Afternoon

Saying their social farewells to Mrs. George Mahon, who is leaving for Washington December 15 with her husband, congressman-elect from the new 19th district, over 150 women of Colorado and Mitchell County called at a reception given in her honor by Mrs. C. C. Thompson and Mrs. Benton Templeton at the home of the former Tuesday afternoon from three until six.

Guests were met at the door of the rose and chrysanthemum decorated reception room by Mrs. L. B. Elliott, who presented them to the receiving line in which stood Mrs. Thompson, Mrs. Mahon, Mrs. Templeton, and Mrs. M. K. Stevenson of Sweetwater.

They were shown into the entertainment room by Miss Mabel Smith. Piano selections were given during the three hours by Mrs. K. L. Taylor of Loraine, Mrs. E. L. Latham, and Mrs. Oscar Price.

Mrs. Dick Billingsley conducted callers into the dining room, where the lace covered table was centered with calendulas and snapdragons in the warm orange and yellow of autumn. The bowl containing them stood on a mirrored reflector, and on either side three orange tapers burned in silver candlebra. Orange tapers also burned on the mantle, which bore a bowl of fruit encircled with autumn leaves and nuts.

Tea was poured during the first hour by Mrs. C. H. Earnest, during the second hour by Mrs. P. C. Coleman, and during the third hour by Mrs. H. B. Smoot. Ribbon sandwiches, ice-box cookies, and mints were served with the tea. Marigolds were favors.

Those assisting in the dining room were Mrs. C. P. Gary, Mrs. Floyd Griffin, Mrs. Stanton Hutchins of Loraine, Mrs. I. J. Pierce, and Miss Rilla Thompson of Loraine.

Guests were bidden good-bye by Mrs. Ed Dodge.

Those calling from Loraine, the town where the honoree was reared, included Mrs. Harold Martin, Mrs. Elmer Mahon, Mrs. Tom Bennett, Mrs. Cora Hall, Mrs. George Hutchins, Mrs. W. L. Hester, Mrs. Marion Mahon, and Mrs. John Mahon.

Miss Miriam Booher, Thanksgiving Bride, Honored By Shower Monday

Honoring Miss Miriam Booher, who is to be the Thanksgiving bride of Vaughn Daniels of Hobbs, New Mexico, Mrs. W. A. Rose, Mrs. Luke Thomas, and Miss Lois Pond were hostesses to a miscellaneous shower Monday evening at the home of Mrs. Rose.

Chrysanthemums lent an autumn touch to the receiving rooms. Mrs. Thomas met the guests, presenting them to the honoree and to her grandmother and aunt, Mrs. Miller and Miss Miller of West Virginia. Miss Pond also stood in the receiving group.

Miss Fae Shelton presided over the book in which guests registered. Mrs. Oscar Price played several piano numbers, accompanying Mrs. C. A. Wilkins in two vocal solos. Miss Sybil Dobbs gave a reading.

Presentation of the gifts was made by Miss Fanny Fay Womack. Stacked in a huge pumpkin shell, they were brought in and set before the bride by Creighton White and Roger Miller.

Those in the house party, including Miss Shelton, Miss Geneva Melton, Miss Elizabeth Pond, and Miss Katherine Rose, served sandwiches, hot tea, and cookies.

Miss Booher, who has been living in Hobbs, New Mexico, for the past several months, was here last week and until Tuesday of this week visiting her aunt, Mrs. Paul Miller, and friends. Her engagement to Mr. Daniels was announced to her Colorado friends at a party given by Mrs. Luke Thomas last week.

She will be married in a church ceremony Thanksgiving morning in Hobbs. Her bridal dress will be the one her mother wore. Her home will be in Hobbs where Mr. Daniels is employed.

Two Parties Given Tuesday By Mrs. Boyd Dozier, One For Pastime Club

Twice a hostess in one day, Mrs. Boyd Dozier entertained a number of friends at bridge Tuesday morning and the members of the Pastime Club and their husbands Tuesday evening.

Her home was decorated with chrysanthemums for both occasions. High score in the morning games was made by Mrs. L. B. Elliott, low by Mrs. Arlie Taylor. The prizes were a recipe cabinet and a nest of mixing cups.

A luncheon plate consisting of veal loaf, potatoes au gratin, combination salad, beet pickles, hot rolls, cake, and coffee was served to the following:

Mesdames Loraine Smith, Homer Winnett, Bryan Porter, E. B. Willbanks, Roy Warren, J. E. Watson, B. J. Baskin, J. E. McCleary, Arlie Taylor, Bill Dorn, L. B. Elliott, Jim Ferguson, Hope Herrington, and A. L. Madden.

In the evening prize for high score among the men went to A. A. Herrington, that for low to L. B. Elliott. Both were given cards. Mrs. Percy Bond made ladies' high score and Mrs. A. A. Herrington made low. Their prizes were mums.

Practically the same refreshments as those of the morning were served to the following Pastime members:

Mr. and Mrs. Virgil Bond, Mr. and Mrs. L. B. Elliott, Mr. and Mrs. E. O. Elliott, Mr. and Mrs. Jim Ferguson, Mr. and Mrs. A. A. Herrington, Mr. and Mrs. Benton Templeton, Mr. and Mrs. Hope Herrington, Mrs. Monroe Dawson, and Mrs. W. A. Pelfry. Guests were Mr. and Mrs. J. W. Randle and Mr. and Mrs. George Mahon.

Men To Model Latest Bathing Suits And Evening Frocks At P. T. A. Show

Parading in the latest of evening gowns, bathing suits, sport frocks and so forth, men of Colorado will display their stylish possibilities at the Womanless Style Show being sponsored at the high school auditorium Friday night at eight o'clock by the Junior High School P.-T. A.

Proceeds from the show, to which admission will be ten and fifteen cents with any family admitted for fifty cents, will be used by the P.-T. A. in purchasing materials for playground improvement.

The show will open with the entrance of the musicians, who will be none other than the well-known Chuck Wagon Serenaders in feminine garb. After their first numbers house dresses will be modelled.

Other features will be a musical skit, "Would You Like to Take a Walk?" with Ruth Ann Hall and Opal Martin, both of Loraine, in the role of The Girl and The Boy; a group of Hawaiian number in costume; numbers by Colorado's "Famous Triplets"; and a Russian ballet by "professionals."

Pajamas, bathing suits, and evening dresses will be modelled before the grand finale.

Others due to take part in addition to those named last week include Ben Smith, Floyd Quinney Walter Whipkey, Bill Cooper, Bob Petrecek, Doc Harrison, H. Y Price, J. A. Sadler, and J. Riordan.

FEES OF CISCO HAVE 47TH WEDDING DATE

Mr. and Mrs. Bob Fee and sons were in Cisco Sunday attending the 47th wedding anniversary celebration of Mr. Fee's parents, Mr. and Mrs. Charles H. Fee, leading Cisco citizens.

The celebration dinner was given at the Fee home, which stands on the site of their first home forty-seven years ago. Their three children were present, these being Mrs. Alex Spears and George P. Fee of Cisco and Bob Fee of Colorado.

The 47 years that were reviewed at this quiet celebration embrace all but a few months of the corporate existence of Cisco. Mr. and Mrs. Fee recalled the Cisco cyclone of April, 1893, in which the Fee home was literally lifted from its blocks and spiked upon the trunk of a shade tree in the yard. They remembered the interminable drouth of 1886 and 1887 which drove hundreds of starving settlers out of the new country and was offset by a bountiful crop of pecans that came like manna in the wilderness to a section stripped of every other commodity resource.

Beginning as the owner of a grocery store, Mr. Fee progressed through stages as hardware and implement dealer, buggy salesman, and finally banker to become one of the most influential citizens of Cisco.

Employees Col-Tex Refinery Attend First Aid School

J. B. Hymal, of the United States Bureau of Mines Department, is in Colorado this week conducting a course of First Aid Instruction to employees of the Col-Tex Refining Company.

This course consists of instruction in artificial respiration, how to stop bleeding at various points on the human body by applying pressure to different locations and how to stop bleeding by bandages.

His course is especially instructive in the right and wrong way to dress wounds for comfort of the patient as well as the method of applying these bandages so that they will not slip or come off.

The Schoefer method of artificial respiration is being taught and every employee of Col-Tex Refinery and Col-Tex Pipe Lie is in attendance.

At completion of this course, which consists of the equivalent of 10 hours of instruction, those in attendance who can satisfactorily pass the examination will be given a certificate duly recognizing such employees as being capable of giving first aid treatment.

Employees of the refinery are to be congratulated in having this course of instruction given them.

Mr. Hymal was scheduled to give this course some time ago but was called to the East on account of rescue work at a mine disaster.

Coloradoans To Funeral Of Mrs. White's Brother

Among those attending the funeral of Mrs. A. L. White's brother, Jim Atkinson, in Sterling City Friday afternoon were Mrs. J. A. Sadler, Mrs. George Slaton, Mrs. W. A. Rose, Miss Violet Moeser, Miss Neta Mae Davis, and Mrs. C. L. Gray.

Mr. Atkinson, who was a pioneer Sterling City ranchman, died suddenly Wednesday afternoon. He served recently as federal cattle inspector in Mitchell County.

Mr. and Mrs. White left for Sterling immediately on receiving news of his death. They returned here Friday.

Largest Roster In History Is Goal Set By Legion Officials

"Largest membership in history of Oran C. Hooker Post."

That is the goal announced by Post Commander John Howell and members of his staff as annual membership drive is continued to enlist Mitchell county ex-service men in the organization.

The fiscal year now nearing a close was one of the most successful in history of the post, in point of the number of Legionnaires enrolled and service rendered to veterans, it has been pointed out.

Howell has issued the challenge that every veteran should have his name enrolled on roster of the post.

IN DAYS OF THANKSGIVING

When the hills are white and hoary
With the frost from winter's brow
Then we think of all the glory
Bestowed by Christ upon man's brow.
In days of Thanksgiving.

We see each dewy little pearl
Upon the brown leaf of the trees,
Sparkling in the glow of sunshine—
Sparkling in the morning breeze.
In days of Thanksgiving.

Often we wonder, when we see
The mountain lizzard, cold and numb,
Seeking warmth there in the sunshine—
Seeking for that which never comes.
In days of Thanksgiving.

We will wonder why he sits there,
If he thinks of blessings brought him
By the maker of the sunshine—
Blessings! Strange we never count them.
Only In days of Thanksgiving.

Our life is but an open page
Upon which we always find
Written by the rays of sunshine—
Blessings which cause us to believe
In days of Thanksgiving.

We thank Thee, Father, for the smile
The tear, the pain, the anguish, all
That reminds us of the sunshine—
When Autumn's leaves begin to fall
In days of Thanksgiving.

Nat Thomas, Jr., observed his fifth birthday last Friday with a party in the afternoon.

About twenty little friends brought gifts and played with him for an hour before the birthday cake was served.

George Mahon And Other Congressional Nominees Elected With Little Opposition

Three Texas congressmen were returned to the national house of representatives in the November general election without a single vote being cast against them.

Congressman J. P. Buchanan of Brenham, chairman of appropriations, J. J. Mansfield of Colorado, chairman of rivers and harbors, and Luther A. Johnson of Corsicana were elected "unanimously."

Congressman Richard M. Kleberg of Corpus Christi and R. Ewing Thomason of El Paso received only one vote in opposition as did George Mahon of Colorado City, elected from the new nineteenth district.

Two votes were cast against Congressman Morgan Sanders of Canton and five against Tom Blanton of Abilene. Charles L. South of Coleman was elected with only one opposition ballot from the new twenty-first district.

A scattering vote was recorded against the democratic nominees from the remaining districts.

The "closest call" was that of Congressman Milton West of Brownsville. West received 19,881 votes to 2,719 for his nearest opponent.

Incomplete and unofficial returns in the congressional elections were compiled Saturday at Austin by the secretary of the state. They showed the democratic nominees were elected by the following vote, by districts:

First—Wright Patman of Texarkana, 15,103; second—Martin Dies of Orange, 14,642; third—Morgan Sanders, 11,061; fourth—Sam Rayburn of Bonham, 14,004; fifth—Hatton Sumners of Dallas, 27,302; sixth—Luther A. Johnson, 12,357; seventh—Nat Patton of Crockett, 13,157; eighth—Joe H. Eagle of Houston, 40,400; ninth—J. J. Mansfield, 18,279; twelfth—Fritz G. Lanham of Fort Worth, 22,366; thirteenth—W D. McFarlane of Graham, 17,492; fourteenth—Richard M. Kleberg, 26,137; fifteenth—Milton H. West, 19,881; sixteenth—R. Ewing Thomason, 10,202; seventeenth—Thomas L. Blanton, 14,657; eighteenth—Marvin Jones of Amarillo, 17,798; nineteenth—George Mahon, 16,143; twentieth—Maury Maverick of San Antonio, 17,810; twenty-first—Charles L. South, 23,602.

W. E. Pope of Corpus Christi, member of the state legislature, received one vote for congress. It was the single ballot cast against Congressman K'eberg.

Orville Bullington, republican nominee for governor in the 1932 general election, and W. D. Cline, both of Wichita Falls, each received one vote in the thirteenth district.

STATE AID SCHOOLS MAY SEE MISS MANN DEC. 8TH

Trustees and principals of State Aid schools having trouble with low attendance in meeting state aid requirements are advised by Mrs. Ruby McGill Dodge that they may confer with Miss Sue B. Mann, supervisor of this district, in the county superintendent's office from three until five o'clock, Saturday afternoon, December 8.

At that time Miss Mann will see only representatives of schools coming under the above classification. Mrs. Dodge points out that a conference with Miss Mann will be necessary before the matter of low attendance in schools applying for state aid can be dealt with.

WHY ARE SO MANY MOTORISTS CHANGING TO SUPER-SHELL?—IT GIVES MORE MILEAGE, INSTANT STARTING, RAPID PICK-UP, NOISELESS PERFORMANCE AND ECONOMICAL OPERATION—THAT'S YOUR ANSWER—

The Perfect Pair--Super-Shell Gasoline--Shell Motor Oil

Super-Shell Gasoline is supercharged by a special reforming process that packs up to 6900 extra firing charges into every gallon—Firing charges makes the wheels go round—Extra firing charges means more miles to the gallon.

Shell Motor Oil is developed in the same great lab oratory as Super-Shell Gasoline. Careful refining retains only that substance of the crude that holds body, stands up under hard driving, lubricates to the last drop and gives more mileage.

Super-Shell Service Station BERNIE E. GRABLE West Main Street Colorado, Texas

Need of the local relief office for more chairs was fulfilled in a very satisfactory way by an employee of the office this week, according to J. H. Greene. Furnished with material, James Sherwin, who works in the distribution department of the office, constructed eighteen chairs which have proved to be comfortable and durable.

OLD TERRY HOME, AMONG EARLY LANDMARKS HERE BURNED SUNDAY MORNING

Property Recently Acquired By Mrs. Velma Lowe Is Fired By Oil Stove

The old R. F. Terry residence on South Concho street, among the early day landmarks in Colorado, burned Sunday morning following an explosion by an oil burning stove in the kitchen. The property was recently acquired by Mrs. Velma Lowe, who with members of her family moved to Colorado a short time ago from Littlefield.

Mrs. Lowe was at home when she noticed flames issuing from the kitchen. By time the fire department arrived the building was enveloped in flames and nothing could be done to save the property.

A second alarm for the day called the fire department to the W. H. Derrick residence on West Point avenue at 7:30 o'clock. The alarm there, too, was caused by an exploding oil stove but no property damage resulted. The flames burned out within a few seconds due to small supply of fuel present in the stove.

Exhibit Series By FFA Shows Effects Of Cotton Control

Showing the effects of the cotton acreage reduction program on the farmer, the first division of an exhibit arranged by vocational agriculture students and their teacher, Doyle Williams, has been on display in the Chamber of Commerce show-window all this week.

The second division of the exhibit will be arranged next week to show the effect of the government's cotton program on the consumer.

During the third and fourth weeks of the exhibit the respective effects of cotton reduction on the business man and on foreign competition will be illustrated.

Farm Problems To Be Subject Of Night Class

Pressing farm problems of the present will be discussed during a farmers' night class which Doyle Williams, head of the vocational agriculture department of Colorado High School, is to conduct at the Seven Wells school house beginning Tuesday evening, December 4, at 7:30.

The class will be organized at that time, and place and time of meeting will be determined. It will probably continue through the winter months.

Discussion at the first regular class meeting will be on the Bankhead cotton bill and what it has done for the farmer. Other current farm topics and problems will be taken up at each meeting.

The class will be free and open to any interested farmers. Another will probably be organized later.

W. H. BADGETT HONORED ON HIS 78TH BIRTHDAY

W. H. Badgett of near Cuthbert was honored Tuesday, his seventy-eighth birthday, by a dinner at which his and Mrs. Badgett's children and nearly forty friends and relatives were present. All the children except two were present.

Mr. and Mrs. Badgett have lived in that same section of Mitchell County for forty-seven years. They are among the better known pioneer citizens of Mitchell County.

The Rev. and Mrs. Wallace Jones of the First Christian Church of Colorado were among the guests. Mr. and Mrs. Badgett are members of the Christian Church.

Mrs. Merritt Reelected As Head Of Methodist Women's Missionary Unit

Election of officers for next year was the feature of the Methodist Women's Missionary Society monthly business meeting Monday afternoon.

Mrs. J. G. Merritt was reelected president, with the following corps of officers: vice-president, Mrs. Virgil Bond; secretary, Mrs. Ben Cooper; treasurer, Mrs. W. L. Doss, Jr.; study superintendent, Mrs. Tom Pritchett; superintendent of social service and Christian relations, Mrs. J. A. Ferguson; superintendent of world outlook, Mrs. Lewis Miller; corresponding secretary, Mrs. Ace McShan; superintendent of supplies, Mrs. A. L. Maddin; superintendents of baby division, Mrs. Frank Pidgeon and Mrs. Jim White.

The meeting opened with prayer by Mrs. Cal Wright and a scripture reading by Mrs. Ed Grubbs. Program topics on rural social problems were discussed by Mrs. Hicks, Mrs. Boyd Dozier, and Mrs. Tom Glover.

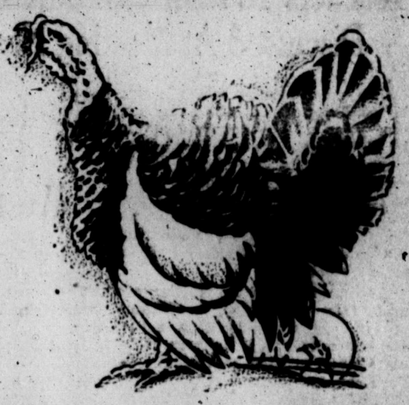

Reports from circle leaders and officers were heard. Mrs. J. A. Ferguson was named delegate from the society to the Harvest Day meeting in Big Spring December 6.

It was voted to send two dollars to the Methodist church home in Massequoia.

Mrs. Ferguson's circle sold aprons, pillow cases and baked foods to members of the society.

You'll get your money's worth in laughs at the P.-T. A.'s womanless style show at the high school Friday, November 30.

WE THANK YOU—

At this season of the year it is appropriate that we pause in the hurly-burly of business life and thank our loyal friends and patrons for the very substantial share of patronage tendered us this year. May you enjoy this Thanksgiving Day to the fullest.

Home Hearths, Here And Elsewhere, To Claim Coloradoans Thanksgiving

Home hearths—and family tables groaning with turkey, dressing, and cranberry sauce—will claim by far the largest number of Coloradoans during the Thanksgiving holidays.

Most of those whose home interests lie in Colorado will remain here, in many instances preparing Thanksgiving dinner for children, guests, or relatives from out of town. There will be few trips out of town not leading to the homes of parents or relatives.

Members of local school faculties will leave town in great numbers. Colorado students in various colleges and universities will be coming home.

The following items, picked up at random, indicate what many Coloradoans will be doing:

The Big Spring-Colorado game in Big Spring will claim many Coloradoans, among them Mr. and Mrs. C. A. Wilkins. Mr. and Mrs. G. D. Foster will attend the A. C. C.-McMurry match in Abilene, as will Minister and Mrs. J. D. Harvey, who will be present at the A. C. C. home-coming all day Thursday.

Miss Velma Barrett and her mother will spend Thanksgiving in Vernon with Mrs. Vic Terry.

Mr. and Mrs. Raymond Gary and little son will visit Mrs. Gary's parents in Stamford.

Miss Octavine Cooper, head of the vocational commercial department in Colorado High School, is to visit her sister in Oklahoma City.

Mr. and Mrs. R. J. Baskin plan to spend the day with friends in Robert Lee.

Mrs. C. P. Gary will have as her Thanksgiving guest her sister, Miss Virgilia Welch, who teaches at Seagraves.

Mr. and Mrs. Joe Mills and Joan are to visit Mr. Mills' relatives in Anson.

Ward Simpson and Ben Smith will also be in Anson, visiting the latter's parents.

Mrs. Bert Wulfjen and her sister, Mrs. George McDaniel, left early this week to have Thanksgiving dinner at the home of their father in Georgetown. They went prepared with two big turkeys and a fruit cake.

Mr. and Mrs. Ed Jones, Jr., will entertain Mrs. Jones' mother, Mrs. Mary McComb of Lubbock.

Miss Virginia Stoneroad is to visit friends in Austin during the Thanksgiving holidays.

Mr. and Mrs. R. O. Pearson will have their daughter, Laura Louise, teacher in the Gatesville schools, with them.

Mr. and Mrs. Frank Kelly are expecting guests from Lamesa—Mr. and Mrs. J. C. Wallis.

George Black, Frank Kelly's secretary, will visit his parents in Palestine.

Mr. and Mrs. A. L. McSpadden will visit either in Lamesa or Sweetwater.

Miss Maude Farmer, Roy Farmer, and their niece may spend the day with the Graceys in Roscoe.

Mr. and Mrs. George Plaster will have all their family at Thanksgiving dinner. Mr. and Mrs. Harold Boney will come over from Merkel.

Miss Mildred Whitaker will come home from Simmons to be with her parents, Mr. and Mrs. G. W. Whitaker.

Mrs. J. Lee Jones and Mr. and Mrs. Charley Barnett are leaving on Thursday morning for Stephenville. Mrs. Jones will visit her mother there and Mr. and Mrs. Barnett will bring their daughter, Wilma, and Miss Mary Venable home for the holidays. Mrs. Jones will return when the Barnetts take their daughter back to Stephenvil'e.

Mrs. R. F. Hargrove will eat Thanksgiving dinner with her sister in Stanton.

Mr. and Mrs. S. A. Andrews and Mrs. Ioma Jones will visit their daughter and sister near Amarillo from Thursday until Sunday.

Miss Gladys Mitchell will be at her home in Snyder.

Miss Beatrice English will visit Miss Eunice Locker at her home in Richland Springs. Both are faculty members.

Miss Laura Martin, principal of Coleman school, will go to her home in Bronte.

Miss Alwilda Crosthwaite is to spend the holidays in Weatherford.

Mr. and Mrs. John R. Baze will have their daughters home, Miss LaVada from Texas Tech and Mrs. Riggs Shepperd and Mr. Shepperd from Martin county, where they teach.

Mr. and Mrs. E. S. McCord will meet their daughter, Mrs. H. A. Pendleton, Jr., of Wichita Falls in Munday on Thursday and bring her home with them for a ten-days visit.

Miss Jennie Fae O'Neal and Mr. and Mrs. Clyde O'Neal left Wednesday to spend Thanksgiving in Dallas.

Miss Margaret Laskey left Sunday for Fort Worth, where she is spending Thanksgiving with her brother, F. W. Lasky, Jr., and where she will remain through Christmas.

Mr. and Mrs. Virgil Moser and little son, Bobby Harold, will eat Thanksgiving dinner with her parents in Spur.

Mrs. Sam Wulfjen and Robert Earl and Mrs. P. K. Mackey and Frances are to divide their holidays between Austin and San Antonio.

Miss Inez Butler of the Coleman School faculty is to be at home in Abilene.

Mr. and Mrs. Vivian Hopkins have tentative plans for attending a football game in Ranger. Mr. and Mrs. Ralph Arnold will attend the same game, which will be Breckenridge vs. Ranger.

Mr. and Mrs. Oscar Majors will have their Thanksgiving guest, Miss Ruth Hightower of Breckenridge, a little late, since she will not arrive until Friday. Miss Hightower formerly taught public school music here.

Mr. and Mrs. Doyle Williams and and children left Wednesday noon for Grandbury to spend Thanksgiving. Mrs. Williams and the children will remain there until after Christmas.

Teachers To Hear Curriculum Revision Discussed At Meeting Next Wednesday

Curriculum revision which is coming to Texas schools within the next four years will be discussed by Dr. D. M. Wiggins, dean of Hardin-Simmons University and advisor of this curriculum revision district, at a meeting of Mitchell county teachers and interested school patrons at the Colorado High School auditorium Wednesday night, December 5, at seven o'clock.

Announcement of the meeting was made this week by C. A. Wilkins, principal of Colorado High School and Mitchell County Chairman of the curriculum revision movement. R. D. Green, superintendent of Abilene schools, is district chairman. Twelve counties compose this district.

The meeting Wednesday night will be the first of a series of four meetings to be held this year as a part of the movement to acquaint teachers, school board members, and school patrons with proposed changes in school curriculum. Next year a portion of the revised curriculum is supposed to go into effect, and by the end of four years the revision is due to be complete.

Wilkins urges all P.-T. A. members, all club women, and all school trustees of the county to make a special effort to attend the Wednesday night meeting. Miss Sue B. Mann, deputy state superintendent and supervisor of district three, will be present.

Members of the Mitchell county executive board on the curriculum revision movement are Clyde Bennett, superintendent of schools at Loraine; F. H. Patterson, superintendent of Westbrook Schools; John E. Watson, superintendent of Colorado schools; and Roy Davis Coles, county superintendent-elect.

Do not forget that we have all kinds of horses and mules and some mule colts. We cannot use them, somebody can. See us. PRICE BROS.

Thanksgiving To Be Celebrated At Westbrook Church

An all-day program, featuring two sermons, special music, and a basket dinner, will be held at the Baptist Church in Westbrook Thanksgiving day.

The services will begin Thursday morning at ten-fifteen with a devotional led by Leslie McCary. Special music will be furnished by Mrs. Lee Brown. There will be a brief period of testimonials before the Rev. Murray Fuquay, former pastor of the church and now a student in Simmons University, preaches he morning sermon.

The dinner period will last from twelve until two. The afternoon devotional will be led by Roy Horner and a program will be given by the W. M. S. After a song service the pastor, Rev. C. C. Scott, will preach.

Everyone is urged to attend all the services and bring a basket of Thanksgiving eats.

Wolf Squad To Big Spring For Annual Steer Engagement

The Wolves are to engage Obie Bristow's Steers at Big Spring Thursday afternoon in annual Thanksgiving grid encounter for the two Class A teams. The Colorado boys are doped to emerge with smaller end of the scoring record but Coach Jim Reese is giving out the assurance that his charges are to give an accounting of themselves against the heavier club.

This will close the season for Colorado. They have lost to Sweetwater, San Angelo and McCamey, other contenders for conference pennant.

Other Thanksgiving game for the district will be tilt between San Angelo and Sweetwater, with the Concho City club slated to emerge in second place in the district. Big Spring already has the pennant safely in hand.

Magnolia Crude Oil Is Being Washed To Improve Its Qaulity

DALLAS, Texas.—Fred M. Yege, Jr., Vice President and Director of sales promotion of the Magnolia Petroleum Company, announced today that after long experiment and tests Socony-Vacuum and Magnolia have developed a new method of making motor oils by washing crude petroleum. The new process is very much like the method a woman uses to take stains out of fabrics. Instead of stains, crude petroleum contains sulphurs, gums, sludges, tars that must be refined out to produce lubricating oil.

"Two cleaning fluids, or solvents," Mr. Lege explained, "are used in this new method. One is a substance called chrysalic solution. The other is propane, a liquid many degrees below zero. Propane is a gas that under compression turns to an icy liquid.

"Pour these two substances into crude petroleum and the result is very like settling the dirt to the bottom of a glass of water. The chrysalic solution dissolves and settles the impurities in the petroleum. The propane absorbs the lubricating particles of the oil.

"The clear mixture is propane-oil which is drawn off. When this warms up to room temperature, the propane bubbles off in the form of gas, leaving a motor oil much superior to any other oil," Mr. Lege added.

Mr. Lege said this new method of refining motor oil would doubtlessly alter the entire method of present day refining as it produced "an oil so superior as to save millions of dollars for motorists.

These savings include less oil consumption, less carbon deposit, more gasoline mileage. This new type of oil virtually eliminates carbon in the cylinders as shown by 86,000 miles of test running. At the conclusion of these tests, the pistons of the test cars were clean of carbon.

"This new method of refining oil," Mr. Lege added, "is of great conservation value. Many sections of the country have been handicapped as oil producers because the crude petroleum they produced did not refine sufficiently by the old sulphuric acid process. With propane refining, these petroleums can be converted into the finest of oils."

Rev. and Mrs. Sam H. Young of Snyder visited Mrs. Young's parents, Mr. and Mrs. R. E. Grantland, for a few hours one day last week as they passed through here enroute to Stamford, where the Rev. Mr. Young has been appointed a presiding elder.

W. S. STONEHAM, PIONEER CITIZEN OF COLORADO, IS VICTIM OF HEART ATTACK

Funeral Rites Wednesday At Family Residence; Lived In City Half Century

W. S. Stoneham, pioneer citizen of Colorado, died at the family residence on East Seventh street Tuesday afternoon following a heart ailment. Death came at 3:10 oclock after the late citizen suffered a relapse from a recent prolonged illness.

Mr. Stoneham came to Colorado on Christmas day, 1884, from Falls county, and had maintained his home here since with exception of a few years residence in Snyder. He was an early public official, having filled the office of tax assessor in the early nineties. In later years he had filled the office of county clerk. He was serving as Peace Justice here at the time of his death, an office he had filled several years.

Mr. Stoneham was gradually recovering from a recent illness that kept him from his office in the court house several days. A short time ago he had regained his strength to such extent as to resume his official duties as justice of the peace and abstracter. Saturday he was downtown.

Deceased was prominent in affairs of the Masonic fraternity for many years. He filled the office of Blue Lodge secretary for several terms and was an active Mason in other respects.

Funeral rites were conducted Wednesday morning at 10:30 o'clock from the family residence with the Rev. Dick O'Brien of First Baptist church officiating. Burial was in the Colorado cemetery with Kiker & Son in charge of arrangements.

Offices at the court house were closed Wednesday morning out of respect to the late public official. The Masonic Blue lodge held a special memorial service at the Masonic Temple Wednesday morning and members of the order attended the funeral and burial rites in a body.

Active pall bearers were selected from among precinct and county officials, as follows—B. L. Templeton, county clerk; Jack Helton, tax collector; Dell H. Barber, county attorney; R. E. Gregory, sheriff; H. A. Cook, deputy sheriff; A. F. King, county judge; Mack Holt, county commissioner and Jack Delaney, Constable

Survivors are his wife and 11 children: Walter Stoneham, San Angelo; Pete Stoneham and Bob Stoneham, Lovington, N. M.; Mrs. Bill Stock, Douglas, Ariz.; Custis Stoneham, San Francisco; R. H. Stoneham, Mrs. Charles McDonald and Mrs. George Beall, Los Angeles, Calif.; Beal Stoneham, Phoenix, Ariz.; Mrs. Lewis Fitzgerald and Miss Dorothy Stoneham, Colorado.

Texas-A. M. Game To Attract Hundreds of Fans On Turkey Day

The Texas-A. & M. football game to be played in Austin Thanksgiving Day will bring 30,000 ex-students and visitors to the University campus, according to Ralph C. Goeth, President of the Ex-Students' Association of the University and co-chairman with John Junior Bell, President of the Students' Association, of a committee which is making plans for the reception of the visitors.

Mr. Goeth states that the Texas Union Building will be campus headquarters for visitors on Thanksgiving day. A reception committee composed of ex-students, students, and faculty members will be in the building all during the morning to greet visitors, assist them in finding old friends, and generally make their visit to the campus a pleasant one.

This is the first Thanksgiving occasion with the football game in Austin that the Union Building has been available, and all ex-students and other visitors are urged to make use of its fine facilities.

John Junior Bell, President of the Students' Association and of the Union Board, states that the student body is looking forward to this opportunity of entertaining parents and ex-students. He urges visiting exes to spend the morning inspecting the enlarged campus and promises student guides for those who have not been on the campus in recent years.

It is expected that the football game between the Longhorns and their traditional Thanksgiving rivals from College Station will completely occupy the attention of visitors during the afternoon.

At 8:00 P. M. there will be staged in the Union Building a real "old time get-together" of ex-students, faculty and students. This will be an entirely informal party lasting until 10:00 o'clock with Dr. and Mrs. Benedict occupying the leading rolls as official welcomers.

Arrangements for this big Thanksgiving "get-together" party are under the direction of Ralph C. Goeth, President of the Ex-Students' Association; John Junior Bell, President of the Students' Association; Fred W. Adams, President of the Austin Texas-Ex Club; Professor Read Cranberry, Chairman of the faculty's committee on reception; assisted by Charles Ziv'ey, Manager of the Texas Union and John A. McCardy, Secretary of the Ex-Students' Association.

Following the Thanksgiving party at the Union, the Thanksgiving ball will start at 10:00 P. M. at Gregory Gymnasium, lasting until 2:00 A. M. Music for the ball will be furnished by Vincent Lopez and his world famous band.

BAPTIST NOTES

Sunday School attendance picked up a little again this Sunday of which we are very proud. We had 157 for Sunday School with one new pupil and 5 visitors. We are always happy to have the visitors.

Bro. Hardin read his discourse from the 16th chapter of Corinthians the first 7 verses. He brought a very good sermon on "As a man prosper, let him lay in store for the Lord, as God hath prospered him."

There was a good crowd present for the night service.

Let's all come to church every Sunday and not allow this cold weather keep us away.

METHODIST CHURCH NOTES

Missionary Sunday is observed every 4th Sunday. Mrs. Jim Johnson gave the devotional at the Sunday School hour on Missions and Young People.

A special selection was sung by Miss Winnadell Rowland. Attendance was a little under 200. There were 167 students present, 16 teachers and 2 visitors.

The pastor, Rev. C. B. Meador, who was returned here from Northwest Texas Conference, delivered a good sermon at the morning hour. The membership gave a rising vote of thanks in appreciation of the minister and his good wife returning here.

Bud and Blanche Richburg brought a great message in a special song "Love Led Him To Calvery." Mr. Tadlock was received into the church by letter at the morning hour.

League and the evening service was also well attended. In appreciation of their return here Rev. and Mrs. Meador were given a reception and pounding by the church Thursday night.

The stewards of the church met at the parsonage Monday night. At this meeting plans were made for the new year. John Mahon was elected president and T. R. Bennett treasurer.

THANKSGIVING SERVICE

Condition Needs Double Action Treatment

Stimulation of liver bile flow is not enough for complete relief, but combined with intestinal stimulation that relieves temporary constipation, quick, soothing results are certain. Herbine, a combination of herbs, combines BOTH actions and so those dizzy, headachy, indigestions, gas, rundown feelings get relieved when both liver and bowels return to normal action. Get your bottle of Herbine from druggists.

"I'm sorry I TRUMPED YOUR ACE!"

Little good it does to apologize! Why will people persist in playing cards in half-light, as if they wore smoked glasses?

More than the score sufters. The eyestrain of trying to see causes fatigue and tension. Born of that eyestrain is eye damage. Eye specialists tell us that inadequate light contributes to the defective vision found in three-fourths of all people over 50. Yet every home can be adequately and beautifully lighted at slight expense.

THESE LIGHTING RULES ARE EASY TO REMEMBER

1. Use lamp bulbs of the correct wattage. The minimum is 40-watt bulbs for 3-socket lamps, 60-watt for 2-socket lamps, 100-watt for single-socket lamps.
2. Have all lamp bulbs shaded. For portables, a shade of light color, wide in spread, and open at the top.
3. Never read in glaring light, or in your own shadow.
4. Always use lamp bulbs of reputable make. Inferior ones burn out and blacken quickly.

Cash Bonus Issue Expected To Rest With The Senate

A survey of congressional sentiment shows the house overwhelmingly favors cash payment of the soldier's bonus and that the fate of the legislation rests almost entirely in the senate.

It also strongly suggests the possibility of a comprise.

The survey, conducted by The Associated Press, shows 159 representatives in favor of the bonus and 47 against. Of the remaining members, all non-commital or unavailable, 98 voted for the bonus last session, 60 opposed it and 48 did not vote.

The senate lineup divides evenly, with 24 for the bonus and 24 against. The balance of power rests with the remainder, all either non-committal or unreachable. There was no clear cut vote in the senate last session on which to base a further tally.

Speculation on how the doubtful senators will vote is inconclusive. Many of them are pledged to support the administration and might be expected to follow President Roosevelt. Some have voted for cash payment in the past.

While the check in the house indicates a division similar to the overwhelming vote of 295 to 125 for the bonus in the last session, two conflicting factors may cause changes.

Veiled Gesture

(Continued from Page One)

the Bankhead law is that farmers may take it or leave it and if it is rejected, Wallace has said that the department would do the best possible under a voluntary program.

"Cotton farmers must decide," said Secretary Wallace recently, "whether in their opinion the adjustment of cotton production under voluntary contracts is sufficient to meet the requirements of the present emergency. Will the efforts of a small minority of non-co-operators, the tendency toward more intensive cultivation and the possibility of new lands coming into cultivation combine to increase total production above the point which seems desirable?

"That, it appears, is the central question involved in a decision on continuing the Bankhead act for another year. Or, stated another way do cotton producers want the mechanism afforded in the Bankhead act as a supplementary control to the current efforts under the agricultural adjustment act?

"Cotton farmers have had one season's experience with the type of control embodied in the Bankhead act. Numerous difficulties obviously have been encountered. It is reasonable to expect that with some latitude in the act for the coming year many of those difficulties can be avoided. But it is for the cotton farmer to choose."

Irrespective of the decision, which will bear all the aspects of a secret political election, Senator Smith of South Carolina and others in Southeastern States have said they will ask for the repeal of the Bankhead law as soon as the new Congress convenes in January. It is considered doubtful, however, that Congress would repeal the law were the cotton farmers, by two-thirds' vote as the law requires, advocate its continuance for next season.

In many respects the decision will be a sectional one. That is, States or district that made more than their allotment of cotton—and some of these districts are in Texas—and thus were required to pay a tax on ginning the excess, may be expected to register themselves against continuing the law.

BUSINESS HALTED AS CITY OBSERVES THANKSGIVING

STORE AND OFFICE CLOSED AS COLORADOANS UNITE IN NATIONAL RELIGIOUS FETE

Proclamations Call Upon All Citizens To Offer Thanks For Blessings Received

Colorado stores, offices and other places of business were to have been closed through Thursday in honor of Thanksgiving, according to information given The Record Wednesday by a number of local business and professional men and women. Agreement to observe the holiday through suspension of business activities was accepted by merchants here several months ago.

Only one community program in commemoration of the day was to have been given under auspices of the churches. Detailed information relative to this service is given in another column on this page. Reference to Thanksgiving was made by pastors during mid-week prayer services Wednesday evening.

Proclamations issued by President Roosevelt, Governor Ferguson and Mayor Sadler urgently call upon the public to turn attention to things spiritual during the day and offer thanks to Almighty God for the blessings that have come our way during the past twelve months. Conditions, in an economic way, are much improved and social fabric of the people subsequently made more stable, it was suggested.

COLORADO LAUNDRY TO CLOSE ON THANKSGIVING

J. Ralph Lee, owner and manager of the Colorado Laundry, requests that patrons look for no bundles to be picked up during Thursday. The plant will be closed for Thanksgiving.

POSTOFFICE, BANK CLOSE ON THANKSGIVING EVENT

The City National Bank and the postoffice are among institutions in Colorado that will be closed through Thursday, in honor of Thanksgiving Day. Officials and employees of the two concerns planned spending the day resting at home or visiting with friends elsewhere.

Union Thanksgiving Services At First Methodist Church Thursday 7:30 a. m.

Cooperative Thanksgiving services were to have been held at First Methodist church auditorium Thursday morning at 7:30 o'clock with the Rev. Wallace Jones, pastor of First Christian church, delivering the address. Tommy Dawes, musical director at First Presbyterian, was to be in charge of the music.

The early morning hour was decided upon at a recent conference of the ministerial association after pastors had accepted that due to plans of a number of Colorado people to spend the day elsewhere it would be best to meet early for the Thanksgiving program and leave after the services for whatever destination the worshipper might have in mind.

Cooperating ministers made announcement of the annual program from their pulpits Sunday, urging their people to attend and take part in the services.

The Rev. Cal C. Wright will preside during the services, which will be as follows:

Hymn: "Come Ye Thankful People, Come"
Prayer, Rev. Dick O'Brien, pastor, First Baptist Church
Special Music, Colorado Music Club Offering
Scripture, Rev. Jim Harvey, Minister of Church of Christ
Anthem: "Oh, Give Thanks", Directed by Mr. Thomas Dawes, Mrs. Lurlene McCreless, pianist
Sermon, Rev. Wallace Jones, pastor First Christian Church
Benediction, Rev. Alex Hanson, pastor, All Saints Episcopal Church

Chesney Slated To Be Inducted Grand Master State Lodge

W. J. Chesney, prominent for several years in affairs of the Masonic fraternities, left Sunday for Waco where during this week he is attending annual school of the Grand Council Lodge. Other Colorado Masons plan attending sessions of the annual Council meeting to be convened next week.

Chesney is scheduled to be formally inducted as Grand Master of the State fraternity at an executive meeting to be held Tuesday of next week. He has been an officer in the State lodge several years and has come up to the highest chair through a series of promotions.

CANTRILL IS MENTIONED AS SUCCESSOR TO OBIE

Blondie Cross, sports writer on the San Angelo Standard-Times, lists Big Jim Cantrill, former Wolf mentor, as a probable successor to Obie Bristow as coach of the Big Spring Steers. Bristow, so it is said, is to resign with close of the present season to devote his attention to private business affairs.

Plans For Hascall Reception Be Oked At Lions Luncheon

Plans for receiving and entertaining Vincent Hascall of Omaha, Nebraska, president of Lions International, are to be given consideration at meeting of the Lions Club today. The distinguished service organization leader is scheduled to visit Colorado at noon on December 12.

President Dave Bridgford has expressed keen elation in fact the Lions president is to visit Colorado. Other clubs in this vicinity included on his Texas itinerary are Ranger, San Angelo and Big Spring.

RECORD STAFF WITH THE EXCEPTION OF BIG BOSS USING SPECS REGULARLY

With exception of F. B. Whipkey, senior publisher, every member of Record staff is employing the use of spectacles as they go about their varied duties at the office.

Mrs. Jewel Barrett, society editor, is the last employee to join the ranks of spectacle wearers. She appeared at her desk Monday morning behind a new pair of vision accessories.

John Baze, Bill Turner and Bill Cooper have been wearing glasses for several years. More recently W. W. Whipkey, publisher, Q. D. Shepperd and Ben Smith have taken up the vogue.

The senior Whipkey, well in his seventies, scorns the suggestion of wearing glasses. And be it said that he reads as much if not more than any other Colorado citizen.

WADE SCOTT TO ATTEND HOTEL MEET IN DALLAS

LEGION MERIT CONTEST IS SET TO OPEN IN SCHOOLS ON MONDAY, DECEMBER 3

B. L. Templeton, Colorado, Is To Direct Program; Four Schools Entered

Formal opening of the American Legion annual merit contest is set for next Monday morning, December 3, in the schools at Colorado, Loraine, Westbrook and Iatan. B. L. Templeton, director, announced here Saturday. The contests, to be based upon honor, courage, leadership, scholarship and service, are for participation by seventh grade students in the four schools.

Speakers with subjects assigned them have been announced by Templeton as follows:

Honor—Rev. Cal C. Wright of Colorado; Courage, B. L. Templeton of Colorado; Leadership, Rev. Dick O'Brien of Colorado; Scholarship, J. E. Watson, superintendent of the Colorado schools, and Service, Hayes Holman, principal of junior high school, Colorado, and Rev. A. C. Hardin, pastor of the Loraine Baptist church.

Holman is to address students in Loraine school Monday, Watson will speak at the Westbrook school, Rev. O'Brien at Iatan and Rev. Wright at Colorado. The Loraine, Westbrook, and Iatan programs are to be at 10 o'clock in the morning and the Colorado program at 3 in the afternoon.

The committee on award is composed of Templeton, C. D. Smith of Loraine, Van Boston of Westbrook and Jay Hahn of Iatan. Merits of the students are to be judged by faculty members of the respective schools and awards will be made at close of school in the Spring.

The boy and girl in each of the four cooperating schools making highest percentage in the five contest points noted are to be awarded appropriate bronze medals.

Cotton Farmers To Ballot On Federal Control Dec. 14th

Cotton farmers will vote Dec. 24 on whether they wish the Bankhead cotton control act continued in force for another year.

The date of the balloting on the Bankhead act was announced by Secretary Wallace at Washington Friday and the voting will begin at 9 A. M. on that date. The balloting will be closed at 5 P. M.

The question on which voters will answer "yes" or "no" is "Are you in favor of continuing the Bankhead act for next year?"

Eligible voters are defined in the act as those "who have the legal or equitable right as owner, tenant, share-cropper or otherwise to produce cotton."

HIS TEETH CLATTERED AFTER FAKED MERCURY READING DENOTED ICE

"Phew, I am about to freeze and I bet we are in for trouble with frozen up presses in the back-end," stammered John R. Baze, foreman at The Record office the other morning as he hovered about a gas stove in the front office and snuggled his coat collar about his neck.

"Look at that thermometer out there, it is standing at 29, 3 below the freezing point," Baze continued, rubbing his palms and quaking from effects of the bitter cold.

Examination of the office thermometer, however, disclosed that a prankster had been at work. The mercury bulb had been hoisted from its seat to register the lower reading. When properly adjusted it was found to be only 42.

"Well, I sure felt as if it was freezing weather, anyway," Baze rejoined as he removed his top coat and went to his work in the office.

HERRINGTON STUDENT OF COUNTY CLERK'S DUTIES

James Herrington, who early in January is to be inducted into office as Mitchell County clerk, is an enthusiastic student of the duties to be assumed, his predecessor, B. L. Templeton, told this newspaper Sunday. "Mr. Herrington is spending considerable time in the office getting acquainted with details and I am making the prediction he will make the people of this county one of the best clerks we have had in some time," Templeton said.

Mailing of 1,250 Letters Launches Health Seal Sales In This County

Launching the annual campaign to sell Christmas Health seals in Mitchell County, around 1,250 letters containing seals will be mailed to citizens of Colorado, Westbrook, and Loraine Thanksgiving day, according to announcement made this week by Mrs. Jeff Dobbs, Mitchell county tuberculosis chairman.

Seals have already been distributed to various rural schools of the county by Colorado clubwomen. Pupils of these schools will sell the seals to residents of the different communities.

Those who are assisting Mrs. Dobbs in preparing the 1,250 letters for mailing are Mrs. W. L. Doss, Jr., Mrs. J. C. Merritt, Mrs. Lee Jones, Mrs. Sam Majors, Mrs. J. W. Sheppard, Mrs. James Herrington, Mrs. Bun Pritchett, Mrs. J. A. Sadler, Miss Lucille Berry, Mrs. R. D. Hart, Mrs. J. Ralph Lee, Mrs. Ed Jones, Sr., and Mrs. J. A. Ferguson.

Sale of health seals is the only method tuberculosis associations have of raising funds, Mrs. Dobbs points out. Not less than fifty percent of the money collected in Mitchell county will remain in the county, to be used in fighting tuberculosis through the giving of tuberculin and X-ray tests and in educating the public, especially those families where the disease exists, about the importance of early discovery and prompt treatment.

It is the hope of the Mitchell county association to realize enough out of this year's sale campaign to carry on the tuberculin tests in various schools and to follow such tests up with X-ray examinations where necessary.

All ministers of the town are to make short talks on the sale next Sunday morning, and the campaign is to be publicized in every other possible way. It extends from Thanksgiving until Christmas.

The seals this year are unusually colorful and Christmas-like in appearance, picturing the first sanatorium established in the United States in 1885. The small building is brilliantly lighted, surrounded by snow, and a sled is stopped in front of it.

Christmas health seals have been sold in Colorado for a number of years. The campaign was formerly conducted by the Mitchell County Federation of Women's Clubs, which still cooperates with the health association in every possible way.

ROGERS' EMPLOYEES TO REMAIN WITH H. WREN

Shorty Rogers and Miss Sallie Miller, who were formerly employed by Howard Rogers in his grocery, are remaining with H. Wren, who recently purchased the store from Rogers and renamed it the Hilltop Grocery.

Food Dealers Have Ample Stocks Meet Thanksgiving Trade

Colorado food dealers have large and varied stocks of groceries for the annual Thanksgiving dinner, assuring the most exacting housewife that her requirements are to be met. For suggestion as to the best place to do shopping for Thanksgiving, readers are referred to advertising columns of The Record today.

Turkeys, both live and dressed, are to be obtained at several places. Other poultry and market foods, purchased especially for the Thanksgiving trade, will be available to those who would build this annual dinner around meats other than turkey.

Federation Reports At Hesperian Club

"Hearsay" reports on the recent Texas Federation convention at Austin were heard at the Hesperian Club meeting with Mrs. J. Ralph Lee last Friday. No member of the club had been able to attend the convention so all members tol things they had heard about it.

The club voted to continue its custom of giving a five dollar prize to the C. H. S. senior making the highest general average this year. Mrs. J. G. Merritt reported that she had visited the Cuthbert and Fairview schools and had given them health seals to sell.

Mrs. Doyle Williams was granted a leave of absence until after the Christmas holidays.

The King Lear lesson was led by Mrs. Sam Wulfjen, with topics as follows: "The Function of Edgar," Mrs. Arlie Martin; "The Battle and its Insignificance as Compared with Corresponding Battles in Julius Caesar and Macbeth," Mrs. J. G. Merritt; "Instance of Retribution," Mrs. A. L. Whipkey; "Comparison of the Lear of Act Five with the Lear of Act 1, Disintegration of Mental Powers," Mrs. Otto Jones.

Sandwiches, tea, and nuts were served. Mrs. Ed Majors is hostess this Friday.

Mary Jo Bond Has Fifth Birthday

The fifth birthday of Mary Jo Bond on November 16 was marked with a party given for her by her mother, Mrs. Percy Bond.

After a number of games, the birthday cake was served with ice cream. Giant suckers went as favors to the following:

Leta Marie Dobbs, Dana Marie Merritt, Doris Marie Randle, Mary Jo Gregory, Joyce Elliott, Juanice Elliott, Billy Ann Hill, Dorris Louise Summers, Billy Jean Dorn, Martha Jane Watson, Betty Jo White, Jamie Kirby of Wheeler, Stanley and Irwin Berman, Paul, Jr., and Rod Miller.

Federation Day At Self Culture Club

Federation Day was observed on the program of the Self Culture Club at its meeting with Mrs. J. T. Howell Friday.

During the business session, at which Mrs. H. G. Whitmore presided, Mrs. C. P. Gary reported visits to the Spade and Hyman school. Mrs. J. B. Pritchett had delivered health seals to Rogers and Cuthbert schools.

Mrs. L. B. Elliott announced the P.-T. A. womanless style show at the high school auditorium Friday evening.

Names of outstanding clubwomen of the Sixth Distric were given in response to roll call. Topics were as follows:

"Womanhood is Challenged," Mrs. James Herrington; "Reports on Other Districts," Mrs. Whitmore; "Report on the State Convention," Mrs. Dell Barber.

Chicken salad, wafers, chocolate cake and coffee were served at the refreshment hour.

The club will not meet this week. The meeting on December 7 will be with Mrs. A. F. King.

TELEPHONE SERVICE

THE telephone service this company furnishes you could not be as uniformly good, as quietly accurate, as far-reaching and inexpensive, if the nation-wide organization of the Bell System did not stand behind it.

There is American Telephone and Telegraph Co., the parent organization, furnishing technical and business guidance to the 24 operating companies.

There is Bell Laboratories, the research organization, constantly seeking better and more economical methods and equipment.

There is Western Electric, the supply unit, buying and manufacturing at a cost in most cases below what would be paid in competitive markets.

Each of these units stands behind the men and women who give you your local telephone service. Each is dedicated to the fundamental and enduring Bell System policy of giving good telephone service, at a fair cost to the user.

Back of this policy lies our belief that in an undertaking such as ours, planned for the long run, what is best for the telephone user becomes in the end the course that will bring us the sounder, more enduring success.

Business Women Entertained By Misses Cooper And Martin on Friday Evening

Entertaining at the home of Mrs. Ben Plaster, Miss Octavine Cooper and Miss Laura Martin were hostesses to the Business and Professional Women's Club Friday evening.

A business program preceded the games. Mrs. Thelma McSpadden discussed emblem giving, told of plans for Christmas work, and called a meeting for December 10 to wrap packages for families adopted by the club and prepare baskets for widows.

Work being done by different units in the county in behalf of vocational guidance and toward the security of youth was told of by Miss Cooper. She gave a resume of the club's work for benefit of school girls in the past and outlined plans in this direction for the remainder of the year.

Bridge and 42 were played after the business session. Tallies and score-pads bore Thanksgiving figures. High cut was drawn by Miss Elizabeth Kirkpatrick, low by Mrs. Ida Kirschbaum. Both received prizes.

Table spreads at the refreshment hour were decorated with Puritans and pumpkins. A salad plate, individual pumpkin pies, and tea were served to the following: Miss Gladys Mitchell, Mrs. Ioma Jones, Mrs. Reba Petrecek, Mrs. Thelma McSpadden, Mrs. Maude Tiner, Mrs. Anna Ferguson, Miss Fae Shelton, Mrs. Myrtle Crowder, Miss Elizabeth Kirkpatrick, Mrs. Ida Kirschbaum, Mrs. Minna Berman, Miss Ruebelle Smartt, Miss Lillian Pond, and the hostesses.

Mrs. Ben Plaster and Miss Eunice Locker were guests.

1921 Club Women To Make Relief Clothes

Material for garments which they are to make for children of needy families was distributed to women of the 1921 Study Club at their meeting Friday with Mrs. Sam Majors.

Two members, Mrs. Lee Jones and Mrs. Majors, reported having delivered health seals to schools at Buford and Little Sulphur. The womanless style show to be sponsored at the high school auditorium Friday evening by the P.-T. A. was announced by Mrs. W. L. Doss, Jr.

Mrs. Ace McShan led the pesson on Idaho and delivered the first paper, "Idaho—A State Since 1890." Mrs. Van Boston's topic was "A Tourist Follows the Snake River," and Mrs. McShan closed the program with a sketch of Senator Borah, "The Lone Rider From Idaho."

The club meets this week with Mrs. Ed Jones, Sr. Mrs. J. M. Doss will be leader.

Shakespeare Has Lively Roll Call Discussion

Lively discussion of current events marked the opening of the lesson period at the meeting of the Shakespeare Club with its president, Mrs. Joe H. Smoot, Friday afternoon.

Mrs. Frank Lupton led the magazine discussion, having chosen "Good Housekeeping" as the one to be studied. In giving a brief history of it she revealed that for the first several years of its existence it was in truth a good housekeeping magazine, containing only items of interest to a housewife and no fiction. That was from its establishment in 1885 until May, 1911, when it came out in its present form and under its present management.

The life of the magazine's editor, William Frederick Bigelow, was sketched by Mrs. Jack Smith. Mrs. J. Riordan reviewed an article by Rita S. Halle on "The President's Mother" from a recent issue.

After the Shakespeare lesson from "Cymbeline," the hostess, assisted by Rebecca Smoot and Myra Brown, served chicken croquettes, fruit salad, crystallized tomato pickles, hot buttered biscuits, coffee, and divinity candy.

Because Mrs. J. Max Thomas, hostess for this Friday, is out of town, no meeting will be held this week.

New Plays Reviewed At Zatagathian Club

New plays were reviewed at the meeting of the Zatagathian Club with Mrs. Frank Mackey Friday.

In addition to being hostess Mrs. Mackey was also leader of the lesson, which began with a review of Eugene O'Neill's well-known play success, "Ah, Wilderness." Mrs. Don Wallace read a paper by Mrs. Mary Lee Tidwell on prominent actors of the United States.

Various matters of business were given attention, first of them being the matter of adopting some school child and lending encouragement to his or her work throughout the year. This was brought up by Mrs. E. A. Dierdorff, and the club decided to look further into the matter.

Mrs. Bill Dorn, chairman of the beautification committee, reported that she and Mrs. Bob May would attend the county highway beautification meeting.

Decision was made to have Mrs. R. H. Cantrill review "Lamb in His Bosom" at the Colorado Hotel ballroom some time in the near future. Date will be announced later.

Club members made their donations toward the purchase of groceries for the Thanksgiving basket which is to be delivered to the poor.

Mrs. I. L. Ellwood, a new member, was present for the first time. She will entertain the club at her Renderbrook home this Friday.

Standard Club Roll Call on Thanksgiving

Looking to the Thanksgiving season in their roll call responses, the following members were present at the Standard club meeting with Mrs. P. C. Coleman on Friday:

Mesdames R. B. Terrell, J. E. Pond, Roy Buchanan, L. W. Sandusky, H. B. Smoot, Y. D. McMurry, C. M. Adams, Homer Hutchinson, Jr., Coleman, and C. E. Way.

Mrs. Pond led the lesson on "Anthony and Cleopatra." Illness prevented Mrs. J. A. Buchanan, who was to have read a paper, from being present.

The hostess' daughter, Miss Mildred Coleman, assisted in serving refreshments after the lesson. Mrs. S. T. Shropshire was a tea guest.

The club meets this week at three o'clock instead of three-thirty at the home of Mrs. Y. D. McMurry.

Miss Gladys Louise Jones is Hostess

Using the Thanksgiving motif in her house decorations of chrysanthemums and her table appointments, Miss Gladys Louise Jones entertained a group of friends Friday afternoon.

Miss Jenks Spalding was given a Colonial lady boudoir brush for high score and Mrs. Charles Donaldson a mirrored box for second high.

Individual graham cracker pies topped with whipped cream and cherries were served with coffee and mints to Misses Katherine Rose, Maxine Dorn, Lyda Mae Viles, Jenks Spalding, Laura McKinney, Grace Callan, Cleo Sheppard, Elverie Sorrells, Iva Lee Pennington, and Ritchie Melton; Mrs. Donaldson. Miss Melton was only present at tea time.

Friday Club Meets With Mrs. Vaught

Mrs. Henry Vaught was hostess to the Friday Club last week. Her guests were Mesdames Luke Thomas, Charles Taylor, Jr., A. C. Anderson, Grady Cole, and T. M. Marsh; Miss Bertie Thelma Lipps.

Two vases were presented Mrs. Anderson for guests' high score and Colonial dolls went to Mrs. W. G. Sargent for members' high score.

Twelve Guests Are Entertained With Bridgettes

Twelve guests and the Bridgettes were entertained by Mrs. Bill Dorn Thursday afternoon in a five-table party.

House decorations were chrysanthemums and roses. In the games Mrs. Ed Jones, Jr., made high score, receiving as prize a Fostoria perfume bottle. A china kitchen set went to Mrs. L. G. Mackey for second high.

A salad plate, glazed apples and coffee were served to the Bridgettes and the following guests:

Mesdames E. C. Nix, E. B. Williams, Homer Winnett, Lester Mannering, Ace McShan, Joe Mills, R. J. Wallace, James Logan, Harry Ratliff, Willis Shropshire, A. B. Blanks, and L. G. Mackey, the last named being from Midland.

Christian Women Make Further Bazaar Plans

Further plans for their Christmas bazaar were made by the Ladies' Aid of the First Christian Church Monday afternoon.

A committee to canvass the church membership for contributions to the bazaar was appointed by the president, Mrs. R. D. Wigley, as follows: Mrs. Venable, Mrs. Sam Majors, Mrs. Ed Jones, and Mrs. Wigley.

The quilt which the Aid has been working on was completed. Routine business was given attention.

Mrs. Gregory And Mrs. Wright To Love Feast

Mrs. Dick Gregory and Mrs. Cal Wright spent Tuesday in Snyder attending a love feast of the Ruth Anderson Missionary Society of the Snyder Methodist Church.

Mrs. Wright was the founder of the society, and was among those especially honored on the day's program.

Genesis Reviewed For Women of Baptist WMS

A review of the book of Genesis by their pastor, Rev. Dick O'Brien, was heard by women of the Baptist W. M. S. in a joint meeting of all circles at the church Monday afternoon.

Some of the circles, including the Fidelis, had brief meetings preceding the review. About 70 women were present.

Rev. And Mrs. Jones Are Hosts At Dinner

Beginning a series of such parties, the Rev. and Mrs. Wallace Jones were host and hostess to a Wear-Ever Aluminum dinner Tuesday evening with the following as guests:

Mr. and Mrs. Ed Jones, Sr., Mr. and Mrs. Henry Vaught, Mr. and Mrs. Troy Irwin, Mr. and Mrs. Bauman Gentry, Mr. and Mrs. Frank Mackey, Mr. and Mrs. A. C. Anderson, Mr. and Mrs. J. B. Pritchett, and Hayes Holman.

Rainbow Circle Meets Before Methodist WMS

Members of the Rainbow Circle met at 2:30 Monday for a short session preceding the regular monthly meeting of the Methodist W. M. S. Sixteen members heard the devotional by Mrs. N. A. Rogers.

Repair work on the parsonage was reported being done and paid for. Women of the circle are working on dolls for the McCall Mission Christmas tree.

We have some extra good values in second hand Double Row Beam hitch listers and Double Row Cultivators for the cash. You will be surprised at what you can buy from PRICE BROS.

Teaching Boys Is Subject of Council

Teaching boys was discussed at a council meeting of six teachers of the intermediate department of the Methodist Sunday School at the church Friday evening.

Burt Smith, head of the department, led the discussion, which followed a scripture reading by Mrs. Cal Wright and a prayer by Mrs. Ed Grubbs. W. B. Crockett assisted Smith.

The group decided to meet regularly the first Tuesday evening in each month.

Presbyterian Women Study Bible Lesson

Studying their Bible lesson, women of the Presbyterian Auxiliary met Monday at the home of Mrs. A. E. Maddin. Mrs. W. M. Elliott conducted the lesson, which was from Mark.

The meeting opened with prayer by Miss Hennie Merriwether and closed with prayer by Mrs. A. H. Dolman. There will be a business meeting next Monday.

THANKSGIVING . . .

. . . One need know only a little history to understand that this country has been singularly blessed in its freedom from the more violent and painful aspects of change that have affected so many nations.

Only a casual preception of current affairs convinces that compared with those of the world at large, our troubles are small indeed.

For this and for an increasing awareness of our fine historical heritage of individual freedom every American can be truly thankful.

THANKSGIVING PRAYER

Our Father, we thank Thee for the sublime virtue of gratitude which impels us at this moment to voice unto Thee our thankfulness that we, our homes and our country are emerging gradually from the darkness, economic, industrial and political, in which we could only grope and hope and pray.

May our experiences in these things teach us wisdom that will enable us to so improve upon our methods of the past, in our business affairs and individual conduct, as to foresee and forestall whatever calamity that may threaten us.

Let all men understand that goodness is greatness, and service to mankind is success, that honesty and famines, truth and consideration for all mankind, must be practical else the principles which keep things together cannot avail, with the result of further and still more distressing troubles.

May all men realize the truth of the Psalmist's admonition "He heapeth up riches, and knoweth not who shall gather them." That this is especially true, whether they are gained directly or indirectly at the cost of the sweat, blood and lives of those who toil. That when riches are so acquired they are not rightfully the property of him who so gains them. "What shall it profit a man if he shall gain the whole world and lose his own soul?"

Wilt Thou inspire, encourage and protect those who are exerting their talents and energies in the effort to restore our country to safety and contentment? Impress upon men everywhere that honesty is the true basis of all business, government and social well-being, that peace and contentment cannot exist as products of evil methods and sinful desires.

We pray Thy protection for little children. May the hearts of their elders grow steadily more tender toward them and more considerate of them.

Most of all we thank thee for the "unspeakable gift" of Thy Son, our Savior.

We pray that all peoples of the earth shall see more clearly the awfulness and barbarity of war, which means the slaughter of Thy children by Thy children.

Put this also into the hearts of those criminally inclined, that murder and robbery, swindling and theft, rapine and plunder, which prevail to an extent that should be the shame of any people must cease.

May our hearts be fully in tune with the prayer of the shepherd-king of Israel when he said, "Thine O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty, for all that is in the heaven and the earth is Thine. Thine is the Kingdom O Lord, and thou art exalted as head above all. Both riches and honor come of Thee, and in Thy hand is power and might, and in Thy hand it is to make great and give strength to all. Now therefore, our God, we thank Thee, and promise Thy glorious name." Amen.

Thanksgiving day is set apart for Thanksgiving and praise. Notwithstanding the ordeal of economics and industrial stagnation which has tried our courage and our faith for the last few years, those who will look down deep into their hearts and carefully into the circumstances that have attained, as trying as they have been, will find cause for thankfulness. They will discover reason for a silent, if not a spoken prayer.

"The best thing which hearts that are thankful can do
Is this, to make thankful some other hearts too."

Possession of the all-inclusive virtue of gratitude to the degree of a realization of conscious appreciation of all things that are true and good and beautiful, means happiness. This because he who has this virtue possesses to a greater or less degree all the others, else he would not have it.

Gratitude is fragrance from the flowers of Love.

These flowers do not grow in barren soil. Their sweet perfume finds no element in such soil by which it may increase itself. Their pretty petals cannot find in it material for their tints and colors.

Real gratitude puts a song in the heart, brightness in the eye, and contentment in the mind of him who has it. Such a one is thrilled more by the "God bless you," of one to whom he has been kind than the "Hurrah" of the unthinking multitude for one whose deeds are only dramatic or spectacular.

The Psalmist says, "Thou openest thine hand, and satisfiest the desire of every living thing." The purest happiness comes of helping others.

The ungrateful heart shrinks, and shrivels, and is miserable.

It mourns where joy abounds. It starves in the midst of plenty. It peaks and pines in the midst of mirth and happiness.

One who does not make others happy cannot himself be happy, for happiness is achieved proportionate to service to mankind. He whose heart is full of thanksgiving is in possession of one of the keys to the mansion of happiness.

Gratitude is the sweetest incense ever wafted heavenward from the altar of Love.

The grateful heart is constantly anticipative of blessings that are to come. This of itself is a blessing, anticipation and appreciation of blessings yet to be received.

Only the generous heart is grateful, and only the grateful heart is generous. It is not the closed rosebuds, keeping within itself its fragrance, that receives most of the morning dew, but the full blown flower, giving to the passer-by its beauty and perfume. It does not receive without giving, nor give without receiving.

The hand can give only when it is open, and only when open can it receive.

He who is most grateful for what he has, thinks less about what he has not, and so the sin of selfishness with all its concomitant evils fails to obtrude itself upon him.

Gratitude for a blessing often is a greater blessing than that which impels it.

The ungrateful heart is miserly. It holds with greedy tenacity to all it can get because it does not realize the duty of giving and the sweet consciousness of having been generous. It does not experience the joy of having created happiness in the hearts of others. It is shriveled, barren and sterile.

Ah, the asking, receiving and giving,
Is the soul of the life that we live:
All the beauty and sweetness of living
Is to ask, to receive and to give.

WHY WE ENJOY PUBLISHING THE RECORD

Editor Colorado Record,

For the past several weeks some kind-hearted and thoughtful person, evidently of your staff, has kindly mailed me the weekly edition of your splendid paper.

I have carefully read and scanned every issue of same, received by me and for this courtesy, would be ungrateful did I not acknowledge receipt of same.

Just as an average reader of weekly newspapers, I want to tell you that I do not believe that I have had the opportunity and pleasure in my time of reading or to receive a better balanced weekly newspaper than you are producing in the Record.

The weekly newspaper, in my judgment, should serve completely its community and it should be such a paper as to elicit the pride and confidence of the community in the service rendered by it.

Your paper covers admirably and insofar as I am capable of judging, accurately and completely every phase of your community life without distinction as to class or creed.

Your mechanical features could be but little improved upon, and every news item is properly accentuated by its headlines and written true to the facts in true journalistic style.

All that I have said above means that I like your paper without being able to offer even a minor suggestion for its improvement. Being a Baptist, I have especially enjoyed reading the history of the Baptist Church of your city as carried in your current issue. It is certainly an inspiration for the present and encouragement for the future.

I have not overlooked the splendid advertising patronage which is the reflection of the confidence of the business community in you and of course gives to you that substantial support necessary for the continuance of any successful enterprise and especially that of the weekly newspaper.

I send personal regards to my old friend, F. B. Whipkey, the dean of newspaper men of all our great West Texas. His personality embodies the wisdom of the savant and the sturdy character of the old alcalde. His life is a worthy example of rugged honesty, integrity, and stability of character consistently lived and applied to the affairs of life. With best wishes for your continued success and prosperity, I beg to remain,

Sincerely yours,
JAS. P. STINSON.

STATE HEALTH OFFICER REQUESTS THAT THANKS BE GIVEN FOR HEALTH

The citizenship of Mitchell county should give some thought to health, both personal and public, on this Thanksgiving Day, Dr. John W. Brown of Austin, State health official, suggests in communication received by The Record. The original Thanksgiving held by the colonies was for the purpose of giving thanks for their health, the physician states.

Great advances in the treatment and prevention of disease have been made since that first Thanksgiving. Yellow fever, plague, and cholera have practically ceased to exist. Smallpox, diptheria, and typhoid can be eliminated as a cause of death if a person will have himself and children immunized. Malaria and many other diseases can be controlled if the public would demand that the government furnish such protection.

Due to the advancement in knowledge of disease, concerning its prevention and cure, fifteen years have been added to the expectation of life. This means that a child born now can be expected to live fifteen years longer than he would if he had been born fifty years ago.

We have a great deal more to be thankful for now, even with a depression, than did our Pilgrim forefathers; so let each one in his Thanksgiving pledge to assist in furthering the work being done to improve health conditions in Texas.

HOUSTON NEGRO PROVES HIS MOUTH IS BIG BUT LOSES TEETH IN THE TEST

There may be those in Colorado who claim the distinction of having big mouths, but it is evident that Anson Jones, Houston negro, retains the reputation for having the largest mouth in the State.

"Ah," said Jones as he stood in a Houston pool hall Saturday, "kin close mah jaws over this cue ball for 5?"

Several were willing to take the wager and Jones was "covered" promptly. He clamped his jaws over the cue ball and collected the bet. Then his jaw "hung." Jones staggered around speechless and unable to open his mouth.

Physicians at a hospital tickled him in the short ribs, and, convulsed with laughter, the negro spat out the pool ball and three teeth.

WOMEN, GIRLS' CLUB NEWS

By MISS EMMA GUNTER, Home Demonstration Agent

A series of 4-H Club expansion meetings have been held in a number of rural homes of Mitchell County during the past ten days, according to following report made by Miss Emma Gunter, county home demonstration agent:

Eager to see what old handicrafts were being revived, a group of women gathered at the home of Mrs. J. M. Henderson of Seven Wells Tuesday, November 20th, with Miss Gunter demonstrating hooked rugs and tufted bedspreads.

Simple paper patterns, a good grade of burlap, pictures of rug frames, punch and automatic needles and two finished woolen hooked rugs were included in the rug division. Old discarded clothing was the material used in the rug, cut into one-fourth inch strips, rolled in balls and hooked into the design stamped on burlap. Making the rugs cost comparatively nothing.

Those seeing the candlewick spreads remarked, "That is easy to do. I can make one of those."

The designs, needles, candlewick yarn and 10/4 sheeting were exhibited with two spreads being shown, one in the natural and the other in color.

Those present were: Mrs. U. D. Wulfjen, Mrs. Ed Snowden, Mrs. Billie Bassham, Mrs. John Robinson and the hostess.

Before a very enthusiastic group of women Thursday, November 22, at the home of Mrs. D. McCollum of Bauman community Miss Gunter explained how the old handicrafts and arts of our grandmothers are most popular now. So you will be in the "swing", making hooked rugs and tufted spreads.

It was planned how discarded clothing such as coats, trousers, woolen shirts, blankets, sweaters, dresses and the like could be cut into strips and hooked into burlap backgrounds with a punch or automatic hooking needles making very durable rugs for the bedside at no cost to speak of.

The candlewick bedspreads offer another opportunity for leisure hours but cost from $1.50 to $2.50 to make and require equally as long to make as the rugs. However every woman needs extra spreads and this type is known to last from 10 to 15 years made on common 10/4 sheeting. The more lasting ones are on Indian Head.

Those present were: Mrs. Jim Lee, Mrs. L. A. Hall, Mrs. Jess Lee, Mrs. C. A. Land, Mrs. Henry Riden, Mrs. Dewey Compton and the hostess with Mrs. Tom Daughtrey as a guest from the Plainview Club.

Discarded clothes have been used in the C. W. Burford home of Rogers community to make two cotton hooked rugs. To give others an opportunity to learn how it was done was the cause of seven women coming to gether for a demonstration on the making of hooked rugs and candlewick spreads under the supervision of Miss Gunter, county home demonstration agent, Friday, November 23.

The various stages of rug making were shown and explained; simple patterns, burlap, frame bdue print, needles and the finished rugs, showing how a good rug could be had for the making.

The other demonstration was on the making of tufted spreads using a gauged needle with colored or natural candlewick yarn to complete the design resulting in a replica of our grandmother's day—costing about $1.60 or $2.50 and ranging in value from $7 to $10 depending on the amount of work on the spread. A tufted robe was shown costing only 60c made of 100 lb. feed sacks.

Those present and enjoying the refreshments were: Mrs. L. W. Carpenter, Mrs. W. M. Byrd, Mrs. H. H. Callan, Mrs. J. H. McMeekin, Mrs. J. A. Ferguson, Mrs. W. W. Jenkins of Fairview community and Mrs. E. R. Uzzle of Fairview community and the hostess.

"Getting Ready for Christmas" was the main theme of the talk before four groups of club girls this past week by the agent at Lone Star, Silver, Looney and Rogers.

The Lone Star girls were admonished to be ready for their re-organization meeting December 4 at which time "gifts" would be shown.

The Silver girls planned that same day to bring their materials and really start the nice things while the Looney girls were quite interested and will have a similar meeting in December.

A Preparedness talk was given the girls at Rogers School on getting ready for Christmas. Stress was laid on the use of materials we have on hand for gifts, decorations such as cedars for trees and wreaths, mistletoes and others. The farm food supply offers a wonderful opportunity as a source of gifts.

Girls at Hyman, Dorn, Carr and Iatan will be given like opportunity for Christmas work.

for a Gas Refrigerator

CHRISTMAS hints are dropping like plums these days . . . now is your chance to do some campaigning for a Gas Refrigerator. You might mention appetizing salads and desserts that would freeze themselves in these ELECTROLUX trays. You could bring in the fact that fish and meats keep at top form in these "below 50" shelves the year around. Don't forget to say that the Gas Refrigerator runs for much less cost than any other method. That ought to please your Santa Claus.

We're getting gift orders now, for delivery in time to freeze the Christmas dinner cranberry sherbet.

WHY ONE SHOULD BE THANKFUL

During these depressing times one has to look around to find things to be thankful for. One never seems to realize he should be thankful for the small things such as air, water, food and sleep but due to the fact that they are small is the reason why one should be all the more thankful.

In the school one should be thankful for the friends he has. He should be thankful for the smiles of encouragement he receives because a smile goes a long way in making a true friend. One should be thankful that his friend likes him for what he is and not for what he does.

In the home one should be thankful for several things, but the greatest thing is the love of the parents. To see them is to know that they are again living the life of a child because they seem so interested in their children's welfare. What child or grownup does not like to go home and find a piping hot dinner to sit down to and rejoice over the fact that there is a loving mother to prepare it. One should be thankful for the clothes he wears whether they be few or plenty. One should know that it isn't always the clothes that make the man. Last but not least one should be thankful for the food he has. Without plenty of food one cannot develop his body and mind as he should Come on students of C. H S. and make this Thanksgiving the most thankful one you've ever spent.

Tuesday the high school was pleased to have a program by Junior High. Mrs. Meskimen had charge of this program. The first number was two songs by a group of the girls from Junior High. Next Oscar D. Roberts gave "A Complaint to My Stomach." Carl Moore gave "Castor Oil." Harvey Hicks gave "Johnnie Reads the Newspaper." Thomas Glover gave his version of "The Old Spinning Wheel" and "She'll Be Coming 'Round the Montain" on the French harp.

The number liked most by the students was given by Sarah Guitar. She gave an impersonation of a great actor. She did better than the actor herself would be able to do. It is also noticed that she kept the attention of most of the boys during her part of the program. At the end of the program Sarah returned and this time seriously tried to play the piano. She certainly succeeded!

The last part of the program was a dance by Phyllis Berman and Iris Lovejoy.

ASSEMBLY PROGRAM

Wednesday we were pleased to have Rev. Hanson with us again. He gave us a little talk on being different from the common flock. In a flock of sheep where one of them leads the others will follow. The sheep also revolve or stay around the shepherd for they recognize him as a leader.

Rev. Hanson urged that we be not one of the flock, but, instead, the leader of the flock. Martin Luther was a man who was a leader. He removed himself from his crowd and thought for himself. In doing this he made himself widely known and respected today. St. Paul was another who was not afraid to get out and lead people. He said things never said before or since. He was therefore a leader long to be remembered.

In closing Rev. Hanson stated that in the student body there are two or three that will be leaders later on and probably already are leaders. There will be some of us that will get out of the flock and act, speak, and think for ourselves and will lead others instead of being lead. Which of us will be among those?

HOME EC. CLUB NEWS

The three H. E. classes have organized a H. E. Club. They met Thursday at noon to elect officers.

They elected program committees, finance committees, and social committees out of each class.

The program committees are: First Year class—Marie O'Brien; Second Year class—Hazel Jim Gray; Third Year class—Arabell Sorrells.

The Social committees are: First Year class— Mildred; Second Year class—Doris W. O'Brien; Third Year class—Dorothy Daughtery.

The Finance committees are: First Year class—Lorraine Hart, Second Year class—Blanche McCartey; Third Year class—Eleanor Hagler.

They also elected as songleader, Hazel Grubbs; as pianist, Jane Meskimen; reporter, June Cox, and as parliamentarian, Agnes Cawthron.

FIRST YEAR H. E. NEWS

Last week the first year foods class of the Home Economics department went into the foods lab. They prepared waffles, griddle cakes, and popovers. Most of these turned out very nicely.

They took their six-weeks exam Friday and are anxious to find out their grades.

Plans are being made for another formal breakfast to be prepared and served Tuesday.

JANE MESKIMEN.

THIRD YEAR H. E. NEWS

The third year Home Economics class is taking up "Family Nutrition." While taking this course the girls are going to make several interesting experiments in the laboratory. One of the most interesting experiments will be the feeding of white mice. They will be the same age and size, one will be fed a balanced diet and the other an unbalanced diet. There will be a decided difference between the two mice at the end of the six weeks.

Several of the third year Home Economics girls attended the weiner roast given by the Vocational Agriculture boys. There was a nice crowd there and everyone acted as though they had a good time.

The Agriculture boys have entertained the Home Economics girls several times and now the girls are going to give the boys some sort of a party. They intend to make it the most interesting party they have ever given.

ARABELLE SORRELLS.

THE COLORADO F. F. A.

Last Friday evening, November 23, the Agriculture boys gave a weiner roast for the Home Economics girls. This was a great success. There were about sixty girls there and about twenty boys. Everyone enjoyed the weiner roast and the boys are plannning on another picnic later in the year.

The Agriculture class has a window booth down in the Colorado Chamber of Commerce office. If you haven't seen it, you should go. This is to show our parents and other people what our class is studying this year.

Last Tuesday, November 20, the officers of Colorado Chapter went to Sylvester for the second district meeting. The discussion led to a vote of a large majority that there be a barbecue held here next Spring. The officers who attended the meeting were Bill Galey, N. T. Berry, James Pritchett, Ivy Jones, Billy Henderson, and R. C. Snively. Mr. Williams, our adviser, took the officers in his car.

Last Thursday, November 22, the local chapter held a meeting and a few members were not present. Mr. Williams made a very interesting talk on how to raise money for the club to send delegates to state convention and judging trips. One way to raise money is to have a school carnival. This will be very interesting and there will be lots of fun.

FOOTBALL

The Colorado Wolves will go on their "last roundup" when they take on the strong Big Spring Steers Thanksgiving. This is expected to be the hardest game of the season as the Steers are heavy favorites of the District. Also this will be the last game of high school football for seven of the present first string Wolves. Those that will be lost by graduation are Red Morrison, Wallace, Copoer, Aycock, Warren and Connell. This has been the third year for Morrison, second for Wallace, Aycock and Warren, and first for Cooper and Connell.

Those back for another year are Porter, Cox, Priester, Miller, and Ed Morrison.

WOLVES PLAY LORAINE

The Colorado Wolves of '35 played the Loraine Bulldogs Thursday taking the game by a 19-12 margin. The Wolves played some of the best football during the first quarter that they have exhibited this year and took the Bulldogs before they knew what it was about. This was the last game of the season for most of these boys but they will return to continue their battles on the gridiron as main representatives for Colorado High next year.

SOPHOMORE NEWS

Etta Fern Harkins came home Saturday night. Ed Morrison went over Sunday and missed her.

Lovine Conaway spent the week-end in Big Spring.

Doris Wayne O'Brien was honored by a visitor from Loraine.

"Full Feeling" After Meals

Here is how Thedford's Black-Draught proved helpful to Mr. Archie W. Brown, of Fort Green, Fla.: "I have taken Black-Draught when I have felt dull from over-eating or eating too hurriedly," he writes. "Small doses right after meals rid me of gases and heavy feeling. I am a great believer in Black-Draught."

Mrs. Sherwin Makes Life Interesting At 92 With Courage And Love of Folks

Because she lives with such bright courage and because she still quickens with love of people and beauty and knowledge after more than ninety-two years in a world which has its losses and disillusionments, Mrs. S. N. Sherwin has become a character in Colorado.

At ninety-two she rarely misses a Friday afternoon session of her beloved Standard Club, which is Colorado's oldest study club and of which she is a charter member.

And she is no "honorary" or "associate" member. She takes an active part, filling her part on the program when her turn comes in the bright and interesting manner which characterizes everything she does.

Each summer she still grows the flowers she has always raised in bright profusion, enjoying them because she can still touch them and inhale their fragrance and see the brightest of them. She never cuts flowers and keepts them. They are always given to someone.

She sits, when she can find nothing more interesting or active to do, in the sunniest room of her home, surrounded by her pot plants, eager for callers. And those who visit her with the idea of bringing her cheer find that she turns the tables and cheers them instead. In her courageous way, she simply ignores the physical handicaps that her years have brought.

Every morning she waits eagerly for someone to read her the day's news. She keeps up with everything.

Above all she loves the social things—people about her, conversation, activity. But being alone does not make her morose or sorry for herself, ever.

Although she has lived in Colorado since its earliest days, Mrs. Sherwin's ninety-two years have been spent over a wide section of the United States. Born in New York state in 1842, she was reared and educated in Milwaukee, Wisconsin.

She and the late Mrs. J. Riordan were two of a group of three sisters near the same age, reared and educated together. Mrs. Sherwin was Mary Douglas, and Mrs. Riordan was Josephine Douglas. The third member of the trio was Mrs. C. H. Townsend of Oklahoma City, who was Cecilia Douglas.

Their parents were Dr. and Mrs. J. S. Douglas, the father being among the well-known physicians of Milwaukee.

All three girls were educated in Milwaukee Downer College after they finished high school. Mrs. Townsend, who is 95, and oldest of the three sisters, is the college's oldest living alumna.

When quite a young girl Mrs. Sherwin delighted in teaching a class of music pupils much older than herself. Music has always been one of her chief delights.

She joined the Presbyterian Church when she was ten years old, and since coming to Colorado has been active in the work of that church, teaching a Sunday School class for many years, serving as president of the Presbyterian Auxiliary for a long period and singing in the choir.

The middle sister, Mrs. Riordan, died in 1931. Apparently long lives filled with active, interested years run in the family, for Mrs. Riordan was a leader in Sunday School and social work until a year before her death, keeping up with the world in every possible detail. Mrs. Townsend, who has visited here often, is said to be the same type, loving young people and memorizing the writings that she loves.

Mrs. Sherwin and her late husband came to Colorado after the late J. Riordan and his family settled here during the town's early boom years. Impelled by a desire to be where things were happening, Riordan had come here first alone, establishing a dry goods business and building the present Riordan family home. His family followed him and then the Sherwins came.

Sherwin worked for a time in Riordan's store before going into the furniture business which his son, James, has carried on. He has been dead for several years.

Mrs. Sherwin and her son live alone, but she is well attended by her nieces; Miss Mamie and Miss Nelle Riordan, and by her nephew, Jerold Riordan, and his wife.

We wonder if Earlene is trying to reduce. She rides her new bicycle so much.

Clara, Lou, 'n Em seem to be going strong.

For awhile Agnes Cawthron seemed to be after a new Chevrolet but now she is after a milk truck (Priddys).

Well, Ruth W. seems to have had a let down Saturday night. Wonder why.

Some Junior boy received a mysterious note. We want to now why it's worrying him so much.

Ora Jane, Erna Lou, and Elizabeth, are just nuts about new blue Buicks. The only thing wrong with a blue Buick is that it doesn't come often enough and when it does there is too much static.

Voyd Beights is much better and will be back in school in a short time.

Margie is very sore today as a result of horseback riding.

Clara, Lou, 'n Em seem to like making "U" turns in front of the depot.

When the Thermometer Drops In COLORADO

Use the Right Winter Oil...

...to get positive starting, improved gasoline mileage and utmost motor protection!

You save money the year 'round by using New and Improved Conoco Germ Processed Motor Oil. But, during the cold months, especially, the low cost operation of your motor car demands the proper Winter grade. You'll get—

1. POSITIVE STARTING. These lighter grades permit your motor to reach higher "cranking speed." You save your battery. You choke less—waste no gasoline.

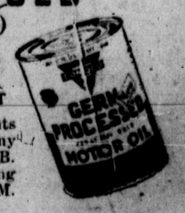

2. DEFINITELY MORE MILES PER GALLON OF GASOLINE. This free-flowing oil never thickens and "drags."

3. UTMOST MOTOR PROTECTION. Conoco's "Hidden Quart that never drains away" protects vital parts from starting wear.

New and Improved Conoco Germ Processed Motor Oil in all grades, including 10W and 20W—in refinery-sealed cans or in bulk. Drive into a Conoco Red Triangle Station today and get ready for Winter.
