Weekend promises Halloween fun

Two nights of Halloween fun are promised in Snyder Friday and Saturday — activities aimed at young, teenage and adult "spooks."

Two performances of the local play featuring "Monsters;" a bonafide spook house for teens and adults; a Halloween Carnival sponsored by the Stanfield Parent Council; and a "House of Horrors" at Worsham Auditorium at SHS are scheduled.

At 7:30 p.m. both Friday and Saturday, all ages can see "Monsters, the Beast Things in Life" at the Snyder Junior High School Auditorium.

The 45-minute children's musical features a student cast to include such "monsters" as Werewolf, the Mummy, Count Dracula and his bride and a special appearance by Howard Cosell.

Music is to be provided by a 22-member chorus comprised of Snyder Junior High School singers.

The musical will be repeated Monday at the same time. Tickets are priced at $1.50 for all seats and will be available at the door.

For teens and adults, Kappa Chi at Western Texas College will be providing transportation to a spook house Friday and Saturday

Ask Us

Q. — Couldn't the city council have referred Lone Star Gas and SCAT to the PUC board before they gave them their last raise?

A. — The Lone Star Gas request could have been appealed, which would have referred it to the Railroad Commission. Such appeals require legal aide and are costly for both the city and the utility company, however, and city officials noted at the time they felt Lone Star's request was fair. As for the SCAT request, there is no state agency which regulates cable TV. If the city had turned down the request, SCAT could have requested a waiver from the Federal Communication Commission. The FCC would then have required the city to justify turning down the request.

Second assailant revealed

ROME (AP) — A judge today indicted three Bulgarians and four Turks on charges of complicity in the attempted assassination of Pope John Paul II in 1981 and revealed for the first time that two gunmen, not one, shot the pontiff.

Judge Ilario Martella, who conducted a three-year investigation into possible Bulgarian involvement in the shooting, said convicted papal assailant Mehmet Ali Agca was not the only gunman in St. Peter's Square on May 13, 1981.

He said Oral Celik, a suspected member of a right-wing Turkish terrorist group, fired one of three shots that wounded Pope John Paul II.

"We must believe without question that there was an international plot to kill the pope," Martella told news conference. However, he refused to say whether he thought the Soviet Union was behind the alleged Bulgarian involvement.

Martella said the evidence and witness testimony suggest that the shot fired by Celik, one of those indicted today, hit the pope on his finger and arm. He said the bullet was never found.

Celik is at large and sought by Italian police.

"I have deposited indictments against all the suspects," said Martella after submitting his 1,243-page indictment to court officials.

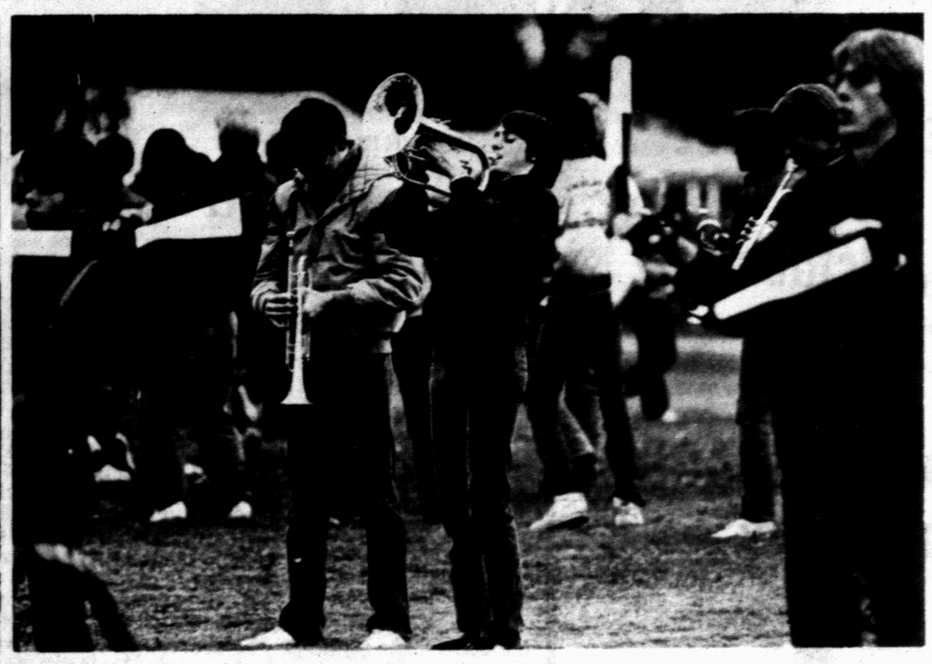

Martella also indicted Agca on a new charge of illegally bringing a pistol into Italy. Agca is serving a life sentence in Italy for the 1981 shooting.

Martella said the Bulgarians indicted were Sergei Ivanov Antonov, 37, former Rome station manager of the Bulgarian state airline and the only one of the three held in Italy; Todor Aivazov, former cashier at the Bulgarian Embassy in Rome; and Maj. Zhelyo Kolev Vassilev, former aide to the military attache at the Bulgarian Embassy in Rome.

The Turks named in the 1,243-page indictment were Celik; Bekir Celenk, a reputed head of the Turkish Mafia who is in custody in Bulgaria, and Omer Bagci and Musa Sedar Celebi, both held in Italian prisons.

Italian prosecutor Antonio Albano, who reviewed evidence gathered by Martella, recommended in May that all seven men be charged with aiding Agca. However, the final decision rested with Martella.

FINAL PREPARATIONS — Members of the Snyder High School Pride of the West Black and Gold Band have been rehearsing this week despite cold and wet conditions. Saturday, they will be in Abilene for the first round of UIL marching competition. Band members shown during practice and at last Friday's halftime show are (upper left) percussionist Ginger Bryan; (top right) French horn soloist Sean Kennedy; (lower right) French horn soloist Thad LaRoux with rifle corps members Chris Garrett and Brian Polhman; and (bottom left) feature twirler Denise Hood. Band's competition hinges on rainfall

Come rain or come shine, members of the Snyder High School Pride of the West Black and Gold Marching Band will be in Abilene Saturday afternoon for the district marching contest.

The appearance — with times uncertain Friday morning due to rainy conditions in the area — will begin the band's try at a second straight trip to state competition in Austin.

According to SHS Band Director Sam Robertson, UIL contest officials in Abilene have indicated Saturday's contest may have to be moved from Shotwell Stadium.

This decision will be based on rainfall amounts Friday and the condition of the field after the Cooper-Midland High football game.

If the original schedule holds, district marching competition will begin at Shotwell Stadium at 2:20 p.m. Saturday with area junior high marching groups leading off.

Bands are scheduled to march throughout the afternoon at 12 minute intervals with competition in Class AAAA set to begin with San Angelo Lakeview's performance at 5:48 p.m.

Sweetwater is to take the field at 6 p.m. and Snyder will be the last band to perform for AAAA at 6:12 p.m.

Snyder will be followed by Class AAAAA performances from the Abilene High, San Angelo Central and Abilene Cooper bands in that order.

If rainy conditions warrant, however, Robertson said the contest may be moved to a paved practice field at Abilene Christian University.

In that event, the junior high competition will be dropped from the schedule and all starting times will be moved up one hour.

The paved field at ACU has no lights and the time shift is necessary to allow competition during daylight hours.

If the competition site is moved, Snyder will perform at 5:12 p.m.

The local band will travel to Pecos Friday night for the Snyder-Pecos football game. Robertson said he will not have final word regarding the time and place for the contest until Friday night.

The SHS Band will compete with Sweetwater and San Angelo Lakeview Saturday for the chance to advance to the regional competition Nov. 3 in Vernon.

Only 14 bands from across Texas will advance from regional to the state championship in Austin Nov. 12-13.

Also competing Saturday will be twirlers Denise Hood and Michelle Pilgrim.

O. G. Nieman, in the Hereford Brand, had some thoughts about family life last week. He said, "Smart parents like for their children to learn something by experience.

In addition he mused, "Isn't it strange that out of 365 days in the year, we devote one each to mother and father and seven to National Pickle Week?"

Larry Crabtree, in the Vernon Daily Record, said a local teacher asked the class what great event happened in 1809. Since it was a question that the class had studied, one bright student replied it was the year Abraham Lincoln was born.

The teacher continued her quiz by asking what great event happeed in 1812.

Another sharp youngster replied, "Abraham Lincoln had his third birthday party."

You know, kids are smarter than we were.

Three cadets will not appeal ruling

BRYAN, Texas (AP) — Three Texas A&M University students will not appeal their suspension from school in connection with the Aug. 30 hazing death of a Corps of Cadets member, according to a letter released by their attorney.

Tony D'Alessandro and Jason Miles, both of Houston, and Louis Fancher III, of San Antonio, said they do not want to provide an opportunity for further embarrassment of the corps, according to a letter dated Monday and sent to Bill Kibler, the university's assistant director of student affairs.

A preliminary hearing for D'Alessandro, Miles, Fancher and a former corps member, Gabriel Cuadra, was scheduled today on criminal charges stemming from the death of Bruce Goodrich, a 20-year-old transfer student from Webster, N.Y., who had joined the corps.

Lucas named in indictment

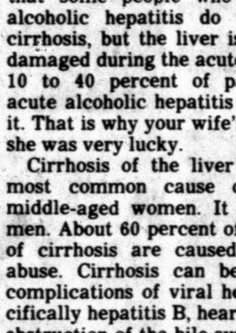

EL PASO, Texas (AP) — Drifter Henry Lee Lucas has been named in a four-count indictment accusing him of murder in the 1983 ax slaying of an El Paso area grandmother, officials say.

The indictment was returned late Thursday by an El Paso County grand jury in the May 27, 1983 slaying of Librada Apodaca, according to Assistant District Attorney Bill Moody.

Lucas had testified for about 20 minutes for the grand jury before the indictment was returned, according to District Attorney Steve Simmons.

Lucas has claimed in the past to have killed two people in El Paso. But Lucas is charged only with Mrs. Apodaca's murder and police have not said whether they found new evidence to support his claims of other killings here.

Dr. Lamb

Lawrence E. Lamb, M.D.

Cirrhosis has several causes

By Lawrence Lamb, M.D.

DEAR DR. LAMB — My wife is an alcoholic and has just recovered from a bout of alcoholic hepatitis. Her doctor said she was very lucky to have survived. She was very jaundiced and had to be in the intensive-care unit at the hospital.

The doctor said she does not have cirrhosis of the liver. I thought all alcoholics who developed hepatitis really had cirrhosis of the liver. If she doesn't have cirrhosis now, will she develop it later?

Aside from stopping drinking alcohol, what can be done for her? What is her outlook for the future?

DEAR READER — Cirrhosis means scarring of the liver. It is true that some people who have acute alcoholic hepatitis do not develop cirrhosis, but the liver is very badly damaged during the acute illness, and 10 to 40 percent of patients with acute alcoholic hepatitis do die from it. That is why your wife's doctor said she was very lucky.

Cirrhosis of the liver is the fifth most common cause of death in middle-aged women. It is fourth in men. About 60 percent of these cases of cirrhosis are caused by alcohol abuse. Cirrhosis can be caused by complications of viral hepatitis, specifically hepatitis B, heart failure and obstruction of the bile system. Therefore, not all cases of cirrhosis can be attributed to alcohol, even though it is the most common cause.

I have discussed cirrhosis of the liver in more detail in a new issue of The Health Letter, Special Report 27, Common Liver Disorders, which I am sending you. Others who want this issue can send 75 cents with a long, stamped, self-addressed envelope for it to me in care of this newspaper, P.O. Box 1551, Radio City Station, New York, NY 10019.

Your wife's outlook is not good unless she stops drinking. She needs professional help for that, and the sooner the better. That is the one most important thing she can do. Fewer than half of the patients with such problems who do not stop drinking survive more than five years. You both need to know the facts so you can realize how imperative it is that she stop drinking entirely. There is no medicine she can take that will offset the dire consequence of continuing to use alcohol.

DEAR DR. LAMB — When we lose fat, how do we eliminate it? Is it then toxic? Does lost fat turn back into cholesterol? Will losing fat too fast increase one's cholesterol level?

DEAR READER — The fat in and on your body is much like the fat on meat. When your body fat is mobilized and metabolized, it is handled in exactly the same way: It is metabolized into carbon dioxide and water to release its energy. It is not toxic, any more than the fat that is digested and metabolized from food is toxic.

Years ago, we did worry that as body fat was mobilized and metabolized, it might increase the cholesterol level. The thought was that it was like being on a high-fat diet if the body used a lot of body fat for calories.

However, we now know that just the opposite occurs. In most people, when the calorie intake is decreased enough to induce body-fat loss, the cholesterol level falls. It may not stay down after the weight has stabilized.

If you consume more calories than your body needs — whether the calories come from carbohydrate, fat or protein — the excess is converted to increased amounts of both fat and cholesterol. The body can even make cholesterol from sugar.

STITCHIN' TIME

Cable cardigan scores

By Judy Love

This season, pants are again big fashion news. Short pants, long pants, cropped pants. Pants are what's happening! To complement all these wonderful looking pants you will, of course, need a great cardigan.

Here's just the sweater to start now for the fall and winter ahead. A luxurious 100 percent wool-cable knit made with Perendale Softwist, a loosely twisted yarn that allows brushing for a soft nap. Here collar and raglan sleeves are brushed, contrasting beautifully to the patterned body.

Super good-looking, in white, this classic also comes in tasteful shades blended to top fashion colors with subtle highlights. Perendale wool has the look and feel of mohair but is stronger, more durable and less expensive. This sweater should cost about $26 to make, but will look like a million when you're through.

To make this sweater you will need Kiwi Perendale Softwist, 1 3/4-ounce ball (50 grams) for size 11, No. 201. Sizes 6 and 7 knitting needles.

Directions are for size petite (6), changes are in parentheses for small (8-10), medium (12-14) and large (16).

Order your directions now by sending $2 plus 50 cents for postage and handling for each pattern to Stitchin' Time, P.O.B. 503, Radio City Station, New York, NY 10019. Ask for leaflet S662 and be sure to include your name, address and ZIP code.

KNIT KNACKS

DEAR READERS: Many of you have written requesting we give early suggestions for making holiday gifts. I think everyone appreciates a handmade gift. The time and thought involved means more than any expensive store-bought gift could. Following are a few suggestions:

What grandmother wouldn't love a top sheet and matching pillow cases in her favorite color and design with a 2- or 3-inch hand-crocheted edging added?

For someone who travels, make a special needlepoint scene, using beads instead of just yarn. It makes it more interesting and also adds another special touch. (This is done by using beads and regular No. 50 mercerized sewing thread instead of needlepoint yarn. Or, you can use both beads and yarn stitches for an even more unusual look.)

Children love to help make decorations. Why not get lots of Styrofoam balls, yarns, beads, sequins, glue and turn the kids loose? What lovely tree decorations they will come up with.

Another lovely item I've seen is a nut tree. You'll need a cone-shaped Styrofoam form, several kinds of nuts and glue to attach the nuts to the form — fitting the various shapes and sizes of nuts around each other. After you're finished, spray with a clear varnish to give it a gloss. Set on a plate with greens around it.

Now, take your pick and get busy.

With our lovely table setting ideas and the additional projects mentioned, there is something for every member of the family to take part in making for a happy holiday season. Best, Judy Love.

A pass tells its own story

By James Jacoby

Some of our modern expert partnerships claim to know how to bid hands with 7-5 distribution after an opening bid of one no-trump. I won't argue with them. The diagramed bidding is also effective. Sometimes when you're off two aces, the defense fails to take them against such uncluttered auctions. That is not today's problem.

South played six hearts at a North American championship some years ago. There was a presumption that most pairs would reach slam, so, as always at duplicate, a possible overtrick was important. South could try leading the heart queen and, if West did not cover, perhaps assume West did not have the king. That approach would not work. No defender looking at the ace of hearts in dummy would assume less than Q-J six times in declarer's hand after the dramatic jump to slam.

Declarer did better. At trick two he led the king of diamonds. When East played low, he ruffed and played a heart to the ace, dropping the singleton king. South wasn't peeking, but he was listening — to the bidding. West was the dealer and had passed. He held the K-Q of spades and surely the diamond ace since East had not covered the king. If West also had the heart king, he would have opened the bidding, so declarer's only chance for an overtrick was to play East for the singleton king.

Churches Of Snyder And Area Support Them Every Week

Lectureship begins Sunday at 37th St.

"Joy in Christianity" is the theme for a four-day lectureship starting Sunday at the 37th Street Church of Christ.

The lectureship will feature five well-known Church of Christ ministers. Sunday services are at 10:30 a.m. and at 6 p.m. while services on Monday, Tuesday and Wednesday will be held at 7:30 p.m.

Sunday morning speaker will be Leonard Gray, a former minister at the Hermleigh Church of Christ. Gray, who lives in Sacramento, Calif., will speak on "The Joy of Christianity."

On Sunday evening, Ben Mereness of Sweetwater will speak on the topic, "Let's Choose Joyfulness."

Monday's speaker is Foy Anderson of the Monterey Church of Christ in Lubbock. His topic is "Joy in Overcoming Guilt."

Ted Kell of Brownwood will continue the series on Tuesday. His subject is "Joy in Unity."

The lectureship will close Wednesday night with Eddie Brinkley of Wharton speaking on "The World Needs the Joy that is in Christ."

Gray is the father of Randall Gray, who is minister of the 37th Street congregation. Gray spent 15 years as a missionary in southern Africa. Until October of 1983, he was director of the Bear Valley School of Preaching in Denver.

Mereness is minister of the 4th and Elm congregation in Sweetwater. On Sunday evening, Mereness will also address an area-wide youth fellowship in the church's family center.

Anderson is a graduate of Sunset School of Preaching and has been with the Monterey congregation for six years. He worked in Troy, Ohio for 13½ years.

Kell has been preaching since 1950. He is a former instructor at Sunset and has been with the Austin Ave. church in Brownwood since 1983. Kell has a son, Steve, who preaches in Benbrook.

Brinkley has been in full-time work with the Canton Street Church in Wharton since 1955. He is considered one of the top black preachers in the church.

Groundwater pollution increasing, report says

WASHINGTON (AP) — A move to bury chemical wastes instead of dumping them into lakes and rivers produced cleaner surface water but is now threatening supplies of underground drinking water, government scientists say.

Since waste burial began in the early 1970s, an ever growing number of water wells are being closed for health reasons because of chemical pollution working its way, slowly but steadily, into the nation's hidden water reserves, according to a new government study.

"What is going into the ground now was previously dumped into a river, lake or the ocean in the 1960s," said Sen. David Durenberger, R-Minn.

"In a sense, we have been chasing the waste from one disposal method to another, and underground disposal has become the preferred method — because groundwater is the only water resource not specifically protected by federal law."

Tigers to face diversified offensive scheme in Pecos

PECOS -- When Snyder's Ragin' Tigers visit Pecos here tonight they'll find themselves up against a more diversified team that the Eagles have put together in some time.

The Eagles are passing over one-third of the time, and have two of the top receivers in District 2-4A.

Game time is set for 8 o'clock.

"Pecos is doing a few things differently than they have in the past," said Snyder Coach Dennis Tomlin. "They don't have those really big backs and they are making up for it by running outside more. They also throw the ball quite a bit."

The Eagles use two quarterbacks, depending on the opponent and the game situation. Both are small - Sonny Orona weighs just 130 pounds and Erasmo Acosta just 132.

"Both are both capable," said Tomlin.

Orona has thrown complete 15 of 30 times for 248 yards, a touchdown and two interceptions while Acosta is 15 of 41 for 212 yards, four pickoffs and one TD. Neither has run particularly well. Orona has run 41 times for 42 yards while Acosta has run 16 times for a minus-two yards.

"Their offense is centered around their quarterbacks and they have two good running halfbacks. They also have exceptional receivers," pointed out Tomlin.

Key catchers for the Eagles are tight end Welman Bauer and split end Leon Mosby. Bauer has 10 catches for 126 yards while Mosby has 10 for 185. Pecos' top rushers are Israel Machuca, a 175-pound senior who has 222 yards and three touchdowns on 63 carries, and Elias Payan, who as 194 yards and three touchdowns on 51 totes.

Defensively, the Eagles are allowing only 12.2 points a game, despite having a 3-3 record.

"Their two inside linebackers (Bauer and 160-pound junior Lance Windham) are two of the best in the district. They also have a 200-pound noseguard (6-2 senior Joe Craft) who does a fine job," said Tomlin, who noted the Eagles show a number of different looks. "They get in about four different fronts and we've got to be able to pick that up."

Cats blast Monterey, 40-0

LUBBOCK – Snyder junior varsity rolled to its fifth win of the season here Thursday, flattening Monterey sophomores 40-0.

The Cats, 5-2, will entertain Lubbock Coronado next Thursday in Snyder at 7 o'clock.

"We were able to play everybody on the team and it was just a good, all-around effort," said Coach Albert Lewis. "Monterey was small and our line dominated."

Snyder put the scoreboard in motion in the first quarter when Michael Long crossed the goal line on a 35 yard run. Mitch Page tacked on the conversion.

The Cats added another touchdown with 10 seconds left in the quarter when Joe Martinez ran a punt back 50 yards. The PAT failed.

Snyder scored twice more in the first half to seal the victory early. Midway through the second quarter, Joe Martinez broke loose on a 55-yard scoring run. The point-after try for two failed.

Brad Vincent then tallied for the defense when he scored on a 12-yard pass interception. Alan Holt caught the two-point conversion pass from Dennis Martinez this time.

Snyder's scores in the second half came on a 15-yard run by Long in the third quarter and on a 25-yard scamper by Joe Martinez in the fourth. Page also booted one kick through the uprights.

Snyder accumulated 319 yards offensively and allowed just 81. Joe Martinez led the Cat-backs with 120 yards on 10 carries. Long had 90 on seven and Tony Romero added 44 on five. The squad was three-of-five in passing.

"Our defensive secondary did a real good job. They (Monterey) passed quite a bit and we stopped it," said Lewis.

Monterey was just two-of-15 and was picked off once, by Vincent. Also defensively, Bill Bell and Reggie Price recovered a fumble each.

7th graders win a pair...

Snyder seventh grade football teams took victories over Sweetwater here Thursday evening.

The Gold team won 14-0 to improve its record to 2-4 on the season.

Snyder Gold scored on the first play of the second half when Tracy Braziel broke outside for a 65-yard touchdown run. Braziel also ran over the extra points.

Jay Parker later scored on a 1-yard run. The points-after try was stopped short.

Snyder Black improved its record to 2-3-1 with a 6-0 win over the Colts. Wesley Ray anchored the win with a 6-yard TD run. The try-for-two failed.

The seventh graders will close the season here next Thursday, hosting Big Spring at 5:30 and 7.

...Ditto for eighth graders

The local eighth grade football teams both won here Thursday, tallying wins of 12-6 and 6-0 over Sweetwater.

The Gold team took the 12-6 decision, upping its season record to 4-2.

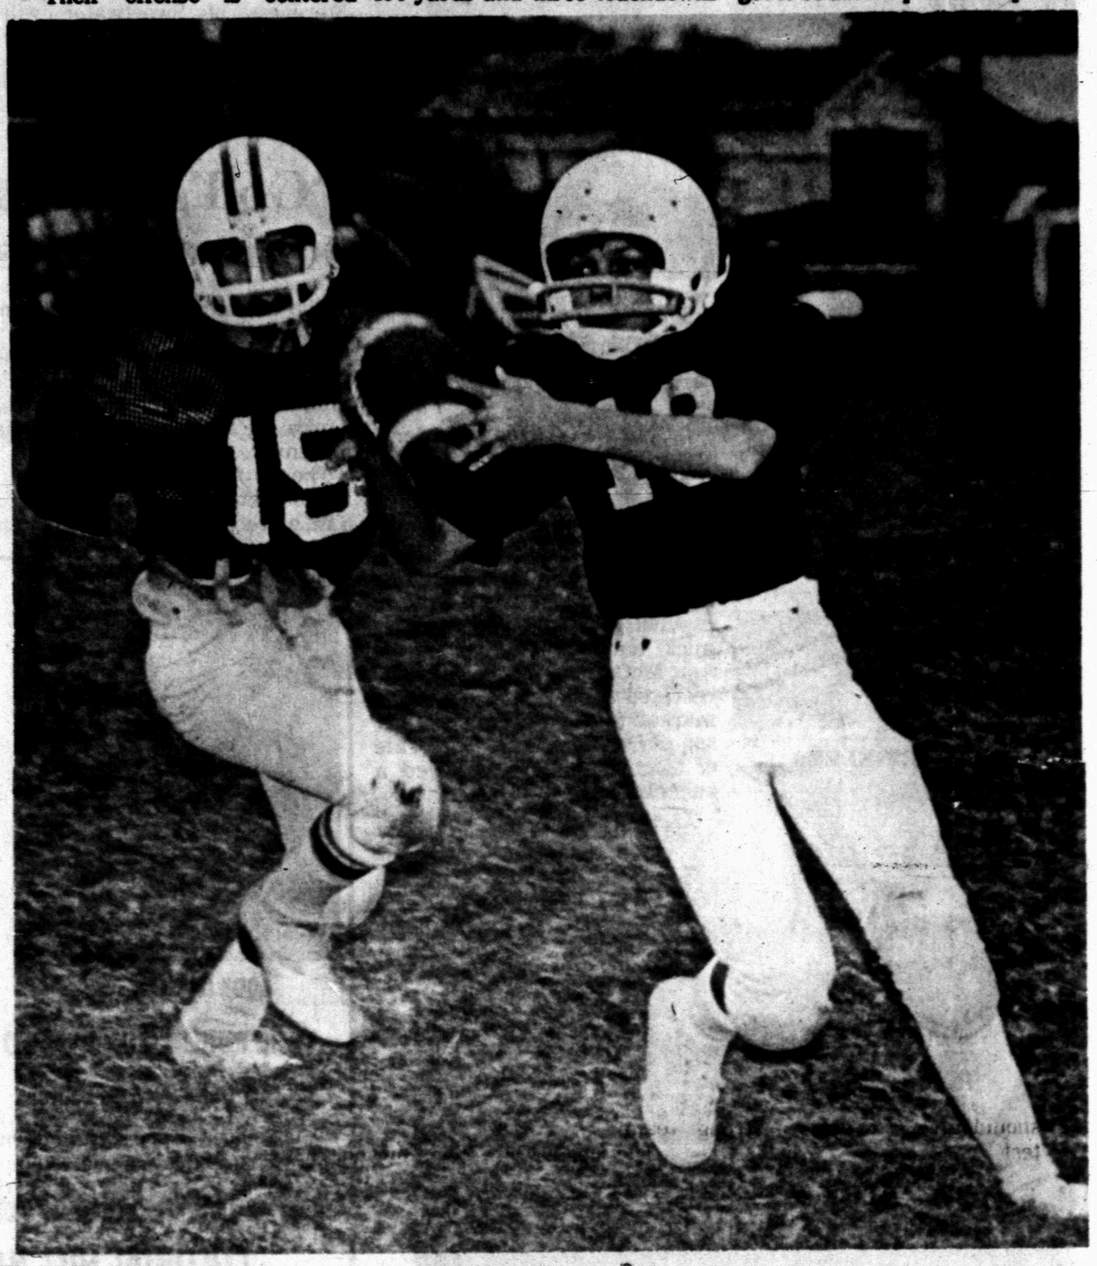

Israel Hinojos scored on a 3-yard run and Roy Gutierrez on a 7-yard run for Snyder. Offensive standouts were Hinojos, Gutierrez and Byron Clay. Key line play was given by Todd Perry, Tim Beauchamp and Tom Marvin.

"This was a very exciting football game," said Coach Roger Goodwin. "It was a great second half performance by our eighth grade Ragin' Tigers. The difference in the game was that we shut down their running game in the second half and controlled the ball."

The Black team got its touchdown on a 50-yard run from Jimmy Taylor. The squad is now 3-0-3.

"Excellent effort was given by Chad Welch, Chip Teague, Chris Casas, Justin Derryberry and Randy Alarcon. This was a complete team effort," said Goodwin. "We are extremely happy with these young men."

Snyder eighth graders are scheduled to play in Big Spring next Thursday at 5 and 7 p.m.

SWC features key shootouts in televised games Saturday

by The Associated Press

What a hoopla homecoming for those wonderfully wacky Horned Frogs of Texas Christian Coach Jim Wacker!

Representatives from six bowls, the Bluebonnet, Fiesta, Sun, Liberty, Peach and Independence, will be on hand for the Saturday morning Southwest Conference joust with the Baylor Bears in Amon Carter Stadium in Fort Worth.

It will be televised at 11:30 a.m. over the SWC network.

And guess who else will be hanging out in Cowtown?

For one, an ABC news team was filming a piece on Wacker.

And Texas Christian graduate author Dan Jenkins, who filmed an interview about the school for the NBC Today Show, was going to stay around for the game.

The oddsmakers have even jumped on the bandwagon making the Horned Frogs a touchdown choice over the Bears.

The 5-1 Frogs are off to their best start in 26 years.

Some 30,000 fans are expected for the game. TCU is 2-1 in the SWC while Baylor is 2-4 overall and 2-2 in league play.

Another game under the red eye of television is No. 3-ranked Texas against No. 14-rated Southern Methodist in Austin at 2:50 p.m.

ABC-TV developed a lukewarm attitude toward the game after Houston upset SMU last week and will show the game in the Southwest area only. The network went with LSU-Notre Dame nationally.

Texas rated a seven-point choice over the Mustangs although the home team hasn't been victorious in this series since 1979.

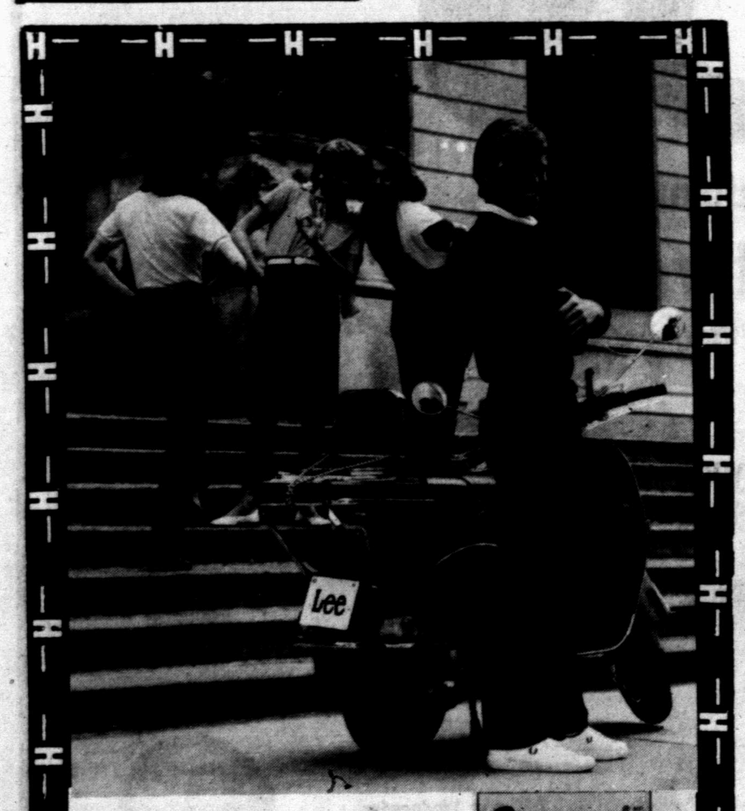

In other SWC games, the league-leading Houston Cougars were field goal underdogs to Arkansas although the game is being played in the Astrodome; Texas A&M was a 17-point pick over the Rice Owls at College Station; and Texas Tech was a thin one-point nod over the Tulsa Hurricane in an intersectional tilt at Lubbock.

TCU has never been overly successful in homecoming games.

In fact, the Frogs have won only one game before the returning alumni in the last 12 years — a 24-17 victory over Texas Tech in 1980.

Baylor Coach Grant Teaff said the Frogs are "in a good position for a fine season and a bowl game. They've got a lot of things going their way now. It will be a great challenge to stop them."

Spikers close out fine season...

Snyder playoff hopes are ended

The Tigers played before the largest home crowd of the season here Thursday night but there was little to cheer about as Monahans outdueled the hosts, 15-6, 15-5 in the final regular season volleyball match for both schools.

The loss put an end to Snyder's playoff hopes and left the team in third place in the District 2-4A race with an 11-3 record. Monahans, which completed the loop rounds with a 13-1 mark, earned district championship rights. Pecos, a winner over Sweetwater Thursday, took the runnerup slot with a 12-2 record.

The loss marred an otherwise fine season for first-year coach Penny Bane and the Tiger team she put together.

"It's always hard to end a season on a sour note but I feel like overall the season has been very successful. The girls have done an excellent job, each and every one of them," she said.

"We just never got started. We were cold, there was no offense. Our defense even fell through for us. It's one of those games where you wanted it real bad but you couldn't get it going. Monahans played the best game I've seen them play. They were hot," she added.

The defending district champions ran up a 7-1 lead over the Tigers, who never seemed to get on track all night.

Snyder went through three servers before earning its first point on a ball-handling foul called against the visitors. Monahans then regained the serve and pushed its lead to 10-1.

The Tigers looked as if they might make a comeback move when they got the serve back and Karlene Thompson delivered two aces up the middle, 10-3. Though Snyder eventually made it 10-4, Monahans rallied to take the serve once again and put up three more points for a 13-4 advantage. The Lady Loboes went on to dominate as Snyder had trouble scoring when it found service.

The second game was a repeat of the first. Snyder went through five servers before Allison Adams delivered the hosts' first two points. Monahans, which had four at the time, went on to string out a 9-2 lead, then made it 12-4. The visitors got points number 13 and 15 on ace serves.

For the match, Thompson served up 3 points, Adams and Sabrina Sullivan 2 each and Hope Hernandez, Donna Anderson and Kima McLarty 1 each.

"We'll have five returning players that saw a lot of action and two more that saw some so we'll have seven experienced players coming back. Myself and the girls are looking forward to next year to be the year that everything falls in place and we take it to the top," said Coach Bane. "We'll miss our seniors (Sullivan, Gina Vaughn and Roselia Aguirre) and their leadership and experience. We wish them all the best.

"We'd like to thank our loyal fans and supporters for their support throught the year. They travelled a lot of miles in support of us and we appreciate it and look forward to seeing them next year," added the coach.

Cat girls fall to Monahans

Snyder junior varsity volleyball team concluded its season with a 15-11, 15-8 loss to Monahans here Thursday.

"The girls played real well despite losing," said Coach Penny Bane. "You always feel well when you know you've played well. They have a lot of potential. We'll work on skills in off-season and I think they'll have an excellent team next year. Some will probably be on varsity and some will stay on the junior varsity but wherever they go they will be an asset."

Monica Hinojos served up 6 points for Snyder in the first game while Tammy Williamson had 4 in the second game.

SCRAMBLE -- Allison Adams dives in an attempt to pick up a Monahans' spike as the Tigers took on the Loboes in varsity volleyball action Thursday. Looking on is Karlene Thompson. Monahans won the match, leaving Snyder with a third place finish in the District 2-4A race. Next year, the Tigers return all but three players from the squad. Adams and Thompson will be among the starters returning. (SDN Staff Photo by Bill McClellan)

NBA season set to start

by The Associated Press

No. 1 pick Akeem Olajuwon dominates the spotlight on the National Basketball Association season openers in a nationally televised debut for the Houston Rockets against the Dallas Mavericks Saturday.

He does not, however, have a monopoly on big expectations.

Olajuwon probably takes a back seat in that department to Chicago rookie Michael Jordan, who led the hapless Bulls to a 5-2 preseason record. Chicago hosts the Washington Bullets tonight in one of six season-opening games.

Elsewhere tonight, Atlanta is at New Jersey, Cleveland at Philadelphia, Boston at Detroit, Utah at Seattle and Phoenix at Golden State.

Saturday night's games include Detroit at New York, Philadelphia at Atlanta, New Jersey at Cleveland, Washington at Indiana, Los Angeles Lakers at San Antonio, Portland at Kansas City, Chicago at Milwaukee, Golden State at Denver and the Los Angeles Clippers at Utah.

The Celtics-Pistons matchup pairs two strong teams with revamped starting lineups.

Cleveland is counting on a rookie center, Mel Turpin out of Kentucky.

In SHS Gym...

Dusters open campaign at 8

Western Texas College's Dusters open the 1984-85 basketball season tonight against Chihuahua, Mexico, a team that should give the locals a strong test.

The 8 o'clock game, added to the schedule only recently, will be held at Snyder High School Gym.

Coach Joe Cushing was looking for his Dusters to play well tonight, but saw the contest as a warm-up for the teams' next action - the Wagstaff Classic on Nov. 1, 2 and 3 in Tyler.

"We'll be able to get those first-game jitters out of the way Friday and hopefully be ready to get after it in Tyler," said the coach Thursday morning.

Chihuahua returns three starters from a 22-1 squad and Cushsing expects a tough man-to-man defense from the foreign team.

The Dusters are certainly not without talent of their own, however. They return three full-time and one part-time starter from a team that set a Duster record with 27 wins last year.

Starters tonight will be returning starters Clara Campbell, 6-2; Renvy Evans, 6-0; and Rhonda Hoelting, 5-6. The others include 5-11 Lyndy French, who was one of the first players off the bench last year, and 6-0 Patti Hayes, who saw playing time in most of the Duster games.

There will be no admission charge.

College roundup...

BYU blanks New Mexico

ALBUQUERQUE, N.M. (AP) - It is the nature of Brigham Young's offense that an opposing defense can play respectably and still lose by boxcar figures.

Quarterback Robbie Bosco, the latest in the long line of Brigham Young passing wizards, threw three touchdown passes Thursday night and teamed with bullish fullback Lakei Heimuli to lead the the unbeaten, No. 5 ranked Cougars to a 48-0 Western Athletic Conference football victory over New Mexico.

Despite the lopsided defeat, New Mexico Coach Joe Lee Dunn felt his injury-depleted defensive unit had played about as well as it could against the best passing machine in major college football.

"We didn't play bad defensively," said Dunn. "They sort of outclassed us tonight. We're not in the same league with them."

The Brigham Young-New Mexico game kicked off a long weekend of college action which features a pair of clashes involving ranked teams.

In a headliner in the Southwest Conference, No. 3 Texas, 4-0-1, hosts No. 14 Southern Methodist, 4-1. At 2-0, Texas shares the league lead with Houston while SMU, 2-1 after a loss to the Cougars last weekend, faces elimination from the chase for the SWC's automatic bid to the Cotton Bowl.

In a major confrontation of Eastern powers, No. 18 West Virginia, 6-1, will be attempting to wipe out three decades of frustration at the hands of No. 19 Penn State, 5-2. The Mountaineers, conquerers of Boston College last week, haven't beaten Penn State since a linebacker named Sam Huff helped subdue the Nittany Lions 21-7 in 1955.

Top-ranked Washington, a fortunate escapee last weekend, puts its 7-0 record on the line against Arizona, the nation's 12th-ranked defensive unit. Washington stayed unbeaten last weekend by edging Oregon 17-10 despite gaining only 109 yards and recording just three first downs.

Second-ranked Oklahoma, a 12-10 survivor against four-touchdown underdog Iowa State last weekend, tries to regain momentum when it visits Kansas. Sooner Coach Barry Switzer is concerned with an ankle injury that has kept quarterback Danny Bradley off the practice field this week.

The Sooners will be trying to keep pace in the Big Eight title chase with No. 4 Nebraska, 6-1, which is at home against Kansas State.

In other games Saturday involving teams ranked in the Top 10, No. 6 Ohio State, 6-1, travels to Wisconsin; No. 7 Louisiana State, 5-0-1, hosts slumping Notre Dame and its troubled coach, Gerry Faust; No. 9 South Carolina, 6-0, is at home against East Carolina, and Colorado calls on No. 10 Oklahoma State, 5-1, which will be trying to stay within a game of the Big Eight leaders.

No. 8 Miami, Fla., 7-2, is idle.

Men scrimmage again Saturday

ABILENE -- Western Texas College took on McMurry's cagers Wednesday and came out looking fine, according to Coach Phil Spradling. The Westerners will return here Saturday to Hardin-Simmons University for scrimmages with Ranger and Kilgore.

"We played some defense finally," grinned Spradling of Wednesday's scrimmage. "It was pretty close overall. We didn't keep score but I think we beat them by about two points. We played mostly against their varsity and I think we held our own against them. We had two players that really stood out and they were Victor Spencer and Lorand White."

The scrimmage was WTC's second with McMurry. The Westerners also open the season with the Indians' junior varsity on Nov. 1 in Snyder. Spradling said that working against McMurry three times would be beneficial.

"The whole team is getting together and starting to get ready for that first game. We're working on different things each time we scrimmage so it's not really like playing them three times. We have 13 games in November that we have to be ready for and we're not going to have too much time to work out inbetween," the coach said.

He noted that McMurry is a physical team and that aspect was a plus for the Westerners.

"It was a real physical game and our guys need to be bumped around because in our conference you really get bumped around a lot. We executed well and really looked better on our man-to-man defense. We're not where we want to be, but we are improving," he added.

Saturday, the Westerners will scrimmage Ranger at 9 a.m. and Kilgore at 5 in the Hardin-Simmons facility.

Cardinal juniors win

HIGHLAND -- Hermleigh junior high completed an undefeated football season here Thursday with a 39-6 victory over Highland and earned the title of district co-champion.

Borden County is the other co-champion. Both teams constructed 3-0-1 loop records. Hermleigh was 5-0-1 for the season; BC finished at 4-1-1.

Daniel Ramey was a contributing factor in four of the Cardinal touchdowns. He scored on TD runs of 50, 15 and 67 yards, and passed 30 yards to Bobby Brown for another score. Ramey also caught a one-point conversion pass from Joe Mireles.

Hermleigh also scored on a 5-yard run by Gary Gunset and a 3-yard run by Andrew Sanchez. Mireles kicked one two-point conversion.

Highland's lone touchdown came on an 18-yard run by Ray Jones.

The Cardinals got fumble recoveries from Mireles, Robert Romero and Charles Martin. Mireles also intercepted a Highland pass.

Leading defensive players were Ramey, who had 20 tackles-assists, Mark Kuss 9, Bobby Brown and Mireles 7 each and Mario Sanchez 6.

Tigers to face diversified offensive scheme in Pecos

PECOS -- When Snyder's Ragin' Tigers visit Pecos here tonight they'll find themselves up against a more diversified team that the Eagles have put together in some time.

The Eagles are passing over one-third of the time, and have two of the top receivers in District 2-4A.

Game time is set for 8 o'clock.

"Pecos is doing a few things differently than they have in the past," said Snyder Coach Dennis Tomlin. "They don't have those really big backs and they are making up for it by running outside more. They also throw the ball quite a bit."

The Eagles use two quarterbacks, depending on the opponent and the game situation. Both are small -- Sonny Orona weighs just 130 pounds and Erasmo Acosta just 132.

"Both are both capable," said Tomlin.

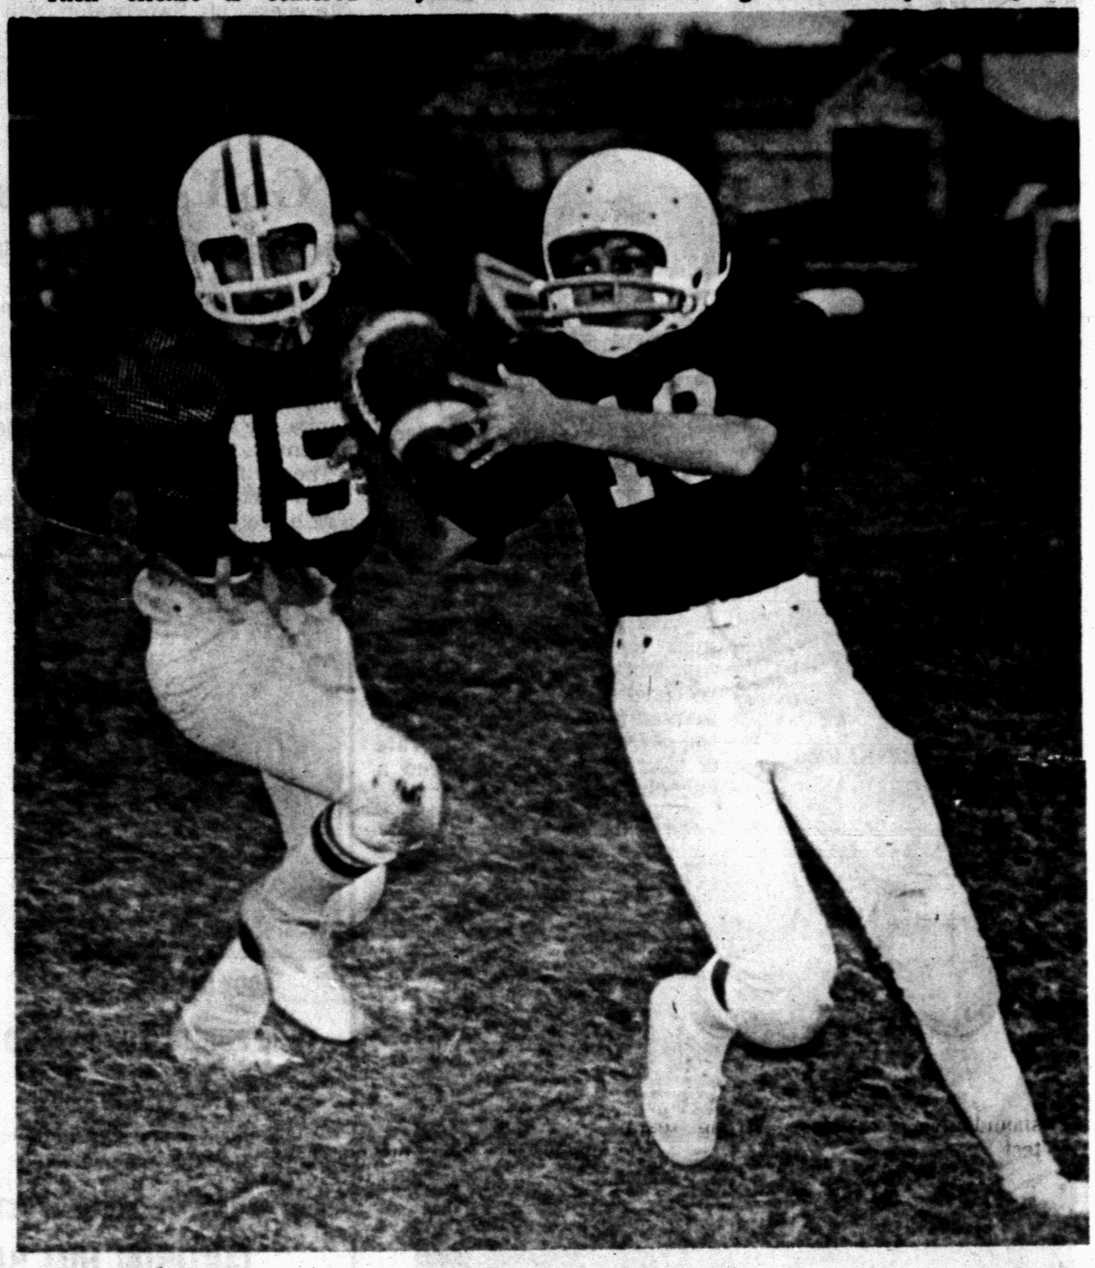

Orona has thrown complete 15 of 30 times for 248 yards, a touchdown and two interceptions while Acosta is 15 of 41 for 212 yards, four pickoffs and one TD. Neither has run particularly well. Orona has run 41 times for 42 yards while Acosta has run 16 times for a minus-two yards.

"Their offense is centered around their quarterbacks and they have two good running halfbacks. They also have exceptional receivers," pointed out Tomlin.

Key catchers for the Eagles are tight end Welman Bauer and split end Leon Mosby. Bauer has 10 catches for 126 yards while Mosby has 10 for 185. Pecos' top rushers are Israel Machuca, a 175-pound senior who has 222 yards and three touchdowns on 63 carries, and Elias Payan, who as 194 yards and three touchdowns on 51 totes.

Defensively, the Eagles are allowing only 12.2 points a game, despite having a 3-3 record.

"Their two inside linebackers (Bauer and 160-pound junior Lance Windham) are two of the best in the district. They also have a 200-pound noseguard (6-2 senior Joe Craft) who does a fine job," said Tomlin, who noted the Eagles show a number of different looks. "They get in about four different fronts and we've got to be able to pick that up."

Cats blast Monterey, 40-0

LUBBOCK – Snyder junior varsity rolled to its fifth win of the season here Thursday, flattening Monterey sophomores 40-0.

The Cats, 5-2, will entertain Lubbock Coronado next Thursday in Snyder at 7 o'clock.

"We were able to play everybody on the team and it was just a good, all-around effort," said Coach Albert Lewis. "Monterey was small and our line dominated."

Snyder put the scoreboard in motion in the first quarter when Michael Long crossed the goal line on a 35 yard run. Mitch Page tacked on the conversion.

The Cats added another touchdown with 10 seconds left in the quarter when Joe Martinez ran a punt back 50 yards. The PAT failed.

Snyder scored twice more in the first half to seal the victory early. Midway through the second quarter, Joe Martinez broke loose on a 55-yard scoring run. The point-after try for two failed.

Brad Vincent then tallied for the defense when he scored on a 12-yard pass interception. Alan Holt caught the two-point conversion pass from Dennis Martinez this time.

Snyder's scores in the second half came on a 15-yard run by Long in the third quarter and on a 25-yard scamper by Joe Martinez in the fourth. Page also booted one kick through the uprights.

Snyder accumulated 319 yards offensively and allowed just 81. Joe Martinez led the Cat-backs with 120 yards on 10 carries. Long had 90 on seven and Tony Romero added 44 on five. The squad was three-of-five in passing.

"Our defensive secondary did a real good job. They (Monterey) passed quite a bit and we stopped it," said Lewis.

Monterey was just two-of-15 and was picked off once, by Vincent. Also defensively, Bill Bell and Reggie Price recovered a fumble each.

Jay Parker later scored on a 1-yard run. The points-after try was stopped short.

Snyder Black improved its record to 2-3-1 with a 6-0 win over the Colts. Wesley Ray anchored the win with a 6-yard TD run. The try-for-two failed.

The seventh graders will close the season here next Thursday, hosting Big Spring at 5:30 and 7.

The local eighth grade football teams both won here Thursday, tallying wins of 12-6 and 6-0 over Sweetwater.

The Gold team took the 12-6 decision, upping its season record to 4-2.

Israel Hinojos scored on a 3-yard run and Roy Gutierrez on a 7-yard run for Snyder. Offensive standouts were Hinojos, Gutierrez and Byron Clay. Key line play was given by Todd Perry, Tim Beauchamp and Tom Marvin.

The Black team got its touchdown on a 50-yard run from Jimmy Taylor. The squad is now 3-0-3.

"Excellent effort was given by Chad Welch, Chip Teague, Chris Casas, Justin Derryberry and Randy Alarcon. This was a complete team effort," said Goodwin. "We are extremely happy with these young men."

Snyder eighth graders are scheduled to play in Big Spring next Thursday at 5 and 7 p.m.

Spikers close out fine season...

Snyder playoff hopes are ended

The Tigers played before the largest home crowd of the season here Thursday night but there was little to cheer about as Monahans outdueled the hosts, 15-6, 15-5 in the final regular season volleyball match for both schools.

The loss put an end to Snyder's playoff hopes and left the team in third place in the District 2-4A race with an 11-3 record. Monahans, which completed the loop rounds with a 13-1 mark, earned district championship rights. Pecos, a winner over Sweetwater Thursday, took the runnerup slot with a 12-2 record.

The loss marred an otherwise fine season for first-year coach Penny Bane and the Tiger team she put together.

"It's always hard to end a season on a sour note but I feel like overall the season has been very successful. The girls have done an excellent job, each and every one of them," she said.

"We just never got started. We were cold, there was no offense. Our defense even fell through for us. It's one of those games where you wanted it real bad but you couldn't get it going. Monahans played the best game I've seen them play. They were hot," she added.

The defending district champions ran up a 7-1 lead over the Tigers, who never seemed to get on track all night.

Snyder went through three servers before earning its first point on a ball-handling foul called against the visitors. Monahans then regained the serve and pushed its lead to 10-1.

The Tigers looked as if they might make a comeback move when they got the serve back and Karlene Thompson delivered two aces up the middle, 10-3. Though Snyder eventually made it 10-4, Monahans rallied to take the serve once again and put up three more points for a 13-4 advantage. The Lady Loboes went on to dominate as Snyder had trouble scoring when it found service.

The second game was a repeat of the first. Snyder went through five servers before Allison Adams delivered the hosts' first two points. Monahans, which had four at the time, went on to string out a 9-2 lead, then made it 12-4. The visitors got points number 13 and 15 on ace serves.

For the match, Thompson served up 3 points, Adams and Sabrina Sullivan 2 each and Hope Hernandez, Donna Anderson and Kima McLarty 1 each.

"We'll have five returning players that saw a lot of action and two more that saw some so we'll have seven experienced players coming back. Myself and the girls are looking forward to next year to be the year that everything falls in place and we take it to the top," said Coach Bane. "We'll miss our seniors (Sullivan, Gina Vaughn and Roselia Aguirre) and their leadership and experience. We wish them all the best.

"We'd like to thank our loyal fans and supporters for their support throught the year. They travelled a lot of miles in support of us and we appreciate it and look forward to seeing them next year," added the coach.

Cat girls fall to Monahans

Snyder junior varsity volleyball team concluded its season with a 15-11, 15-8 loss to Monahans here Thursday.

"The girls played real well despite losing," said Coach Penny Bane. "You always feel well when you know you've played well. They have a lot of potential. We'll work on skills in off-season and I think they'll have an excellent team next year. Some will probably be on varsity and some will stay on the junior varsity but wherever they go they will be an asset."

Monica Hinojos served up 6 points for Snyder in the first game while Tammy Williamson had 4 in the second game.

SCRAMBLE -- Allison Adams dives in an attempt to pick up a Monahans' spike as the Tigers took on the Loboes in varsity volleyball action Thursday. Looking on is Karlene Thompson. Monahans won the match, leaving Snyder with a third place finish in the District 2-4A race. Next year, the Tigers return all but three players from the squad. Adams and Thompson will be among the starters returning. (SDN Staff Photo by Bill McClellan)

NBA season set to start

by The Associated Press

No. 1 pick Akeem Olajuwon dominates the spotlight on the National Basketball Association season openers in a nationally televised debut for the Houston Rockets against the Dallas Mavericks Saturday.

He does not, however, have a monopoly on big expectations.

Olajuwon probably takes a back seat in that department to Chicago rookie Michael Jordan, who led the hapless Bulls to a 5-2 preseason record. Chicago hosts the Washington Bullets tonight in one of six season-opening games.

Elsewhere tonight, Atlanta is at New Jersey, Cleveland at Philadelphia, Boston at Detroit, Utah at Seattle and Phoenix at Golden State.

Saturday night's games include Detroit at New York, Philadelphia at Atlanta, New Jersey at Cleveland, Washington at Indiana, Los Angeles Lakers at San Antonio, Portland at Kansas City, Chicago at Milwaukee, Golden State at Denver and the Los Angeles Clippers at Utah.

The Celtics-Pistons matchup pairs two strong teams with revamped starting lineups.

Cleveland is counting on a rookie center, Mel Turpin out of Kentucky.

In SHS Gym...

Dusters open campaign at 8

Western Texas College's Dusters open the 1984-85 basketball season tonight against Chihuahua, Mexico, a team that should give the locals a strong test.

The 8 o'clock game, added to the schedule only recently, will be held at Snyder High School Gym.

Coach Joe Cushing was looking for his Dusters to play well tonight, but saw the contest as a warm-up for the teams' next action - the Wagstaff Classic on Nov. 1, 2 and 3 in Tyler.

"We'll be able to get those first-game jitters out of the way Friday and hopefully be ready to get after it in Tyler," said the coach Thursday morning.

Chihuahua returns three starters from a 22-1 squad and Cushsing expects a tough man-to-man defense from the foreign team.

The Dusters are certainly not without talent of their own, however. They return three full-time and one part-time starter from a team that set a Duster record with 27 wins last year.

Starters tonight will be returning starters Clara Campbell, 6-2; Renvy Evans, 6-0; and Rhonda Hoelting, 5-6. The others include 5-11 Lyndy French, who was one of the first players off the bench last year, and 6-0 Patti Hayes, who saw playing time in most of the Duster games.

There will be no admission charge.

College roundup...

BYU blanks New Mexico

ALBUQUERQUE, N.M. (AP) - It is the nature of Brigham Young's offense that an opposing defense can play respectably and still lose by boxcar figures.

Quarterback Robbie Bosco, the latest in the long line of Brigham Young passing wizards, threw three touchdown passes Thursday night and teamed with bullish fullback Lakei Heimuli to lead the the unbeaten, No. 5 ranked Cougars to a 48-0 Western Athletic Conference football victory over New Mexico.

Despite the lopsided defeat, New Mexico Coach Joe Lee Dunn felt his injury-depleted defensive unit had played about as well as it could against the best passing machine in major college football.

"We didn't play bad defensively," said Dunn. "They sort of outclassed us tonight. We're not in the same league with them."

The Brigham Young-New Mexico game kicked off a long weekend of college action which features a pair of clashes involving ranked teams.

In a headliner in the Southwest Conference, No. 3 Texas, 4-0-1, hosts No. 14 Southern Methodist, 4-1. At 2-0, Texas shares the league lead with Houston while SMU, 2-1 after a loss to the Cougars last weekend, faces elimination from the chase for the SWC's automatic bid to the Cotton Bowl.

In a major confrontation of Eastern powers, No. 18 West Virginia, 6-1, will be attempting to wipe out three decades of frustration at the hands of No. 19 Penn State, 5-2. The Mountaineers, conquerers of Boston College last week, haven't beaten Penn State since a linebacker named Sam Huff helped subdue the Nittany Lions 21-7 in 1955.

Top-ranked Washington, a fortunate escapee last weekend, puts its 7-0 record on the line against Arizona, the nation's 12th-ranked defensive unit. Washington stayed unbeaten last weekend by edging Oregon 17-10 despite gaining only 109 yards and recording just three first downs.

—Second-ranked Oklahoma, a 12-10 survivor against four touchdown underdog Iowa State last weekend, tries to regain momentum when it visits Kansas. Sooner Coach Barry Switzer is concerned with an ankle injury that has kept quarterback Danny Bradley off the practice field this week.

The Sooners will be trying to keep pace in the Big Eight title chase with No. 4 Nebraska, 6-1, which is at home against Kansas State.

In other games Saturday involving teams ranked in the Top 10, No. 6 Ohio State, 6-1, travels to Wisconsin; No. 7 Louisiana State, 5-0-1, hosts slumping Notre Dame and its troubled coach, Gerry Faust; No. 9 South Carolina, 6-0, is at home against East Carolina, and Colorado calls on No. 10 Oklahoma State, 5-1, which will be trying to stay within a game of the Big Eight leaders.

No. 8 Miami, Fla., 7-2, is idle.

Men scrimmage again Saturday

ABILENE -- Western Texas College took on McMurry's cagers Wednesday and came out looking fine, according to Coach Phil Spradling. The Westerners will return here Saturday to Hardin-Simmons University for scrimmages with Ranger and Kilgore.

"We played some defense finally," grinned Spradling of Wednesday's scrimmage. "It was pretty close overall. We didn't keep score but I think we beat them by about two points. We played mostly against their varsity and I think we held our own against them. We had two players that really stood out and they were Victor Spencer and Lorand White."

The scrimmage was WTC's second with McMurry. The Westerners also open the season with the Indians' junior varsity on Nov. 1 in Snyder. Spradling said that working against McMurry three times would be beneficial.

"The whole team is getting together and starting to get ready for that first game. We're working on different things each time we scrimmage so it's not really like playing them three times. We have 13 games in November that we have to be ready for and we're not going to have too much time to work out inbetween," the coach said.

He noted that McMurry is a physical team and that aspect was a plus for the Westerners.

"It was a real physical game and our guys need to be bumped around because in our conference you really get bumped around a lot. We executed well and really looked better on our man-to-man defense. We're not where we want to be, but we are improving," he added.

Saturday, the Westerners will scrimmage Ranger at 9 a.m. and Kilgore at 5 in the Hardin-Simmons facility.

Cardinal juniors win

HIGHLAND -- Hermleigh junior high completed an undefeated football season here Thursday with a 39-6 victory over Highland and earned the title of district co-champion.

Borden County is the other co-champion. Both teams constructed 3-0-1 loop records. Hermleigh was 5-0-1 for the season; BC finished at 4-1-1.

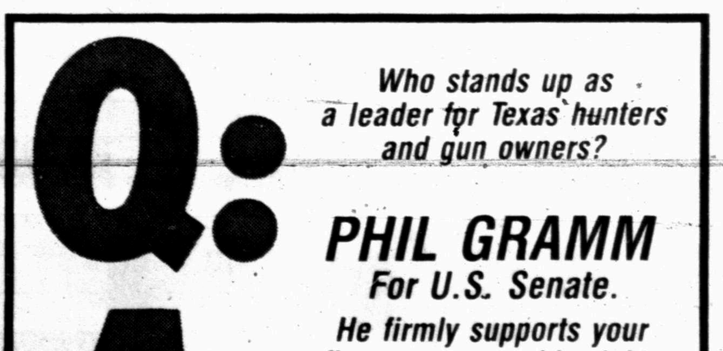

Daniel Ramey was a contributing factor in four of the Cardinal touchdowns. He scored on TD runs of 50, 15 and 67 yards, and passed 30 yards to Bobby Brown for another score. Ramey also caught a one-point conversion pass from Joe Mireles.

Hermleigh also scored on a 5-yard run by Gary Gunset and a 3-yard run by Andrew Sanchez. Mireles kicked one two-point conversion.

Highland's lone touchdown came on an 18-yard run by Ray Jones.

The Cardinals got fumble recoveries from Mireles, Robert Romero and Charles Martin. Mireles also intercepted a Highland pass.

Leading defensive players were Ramey, who had 20 tackles-assists, Mark Kuss 9, Bobby Brown and Mireles 7 each and Mario Sanchez 6.

Dear Abby

Woman Doesn't Have a Clue To Husband's Mysterious Past

By Abigail Van Buren

© 1984 by Universal Press Syndicate

DEAR ABBY: How important is it for a woman to know all about her husband's past? This is the second marriage for both of us. I'm 51 and he's 59, and we're happy as a pair of teen-agers. I've talked and talked about my past, and there is nothing he doesn't know about me.

Him? He hasn't told me anything. When I ask him to tell me more about himself, he says his past is none of my business. He treats me like a queen and gives me everything I want, but don't you think he should tell me if there's anything I ought to know? After all, I am his wife.

LIVING WITH A MYSTERY MAN

DEAR LIVING: If you're happy and being treated like a queen, don't question his past. As his wife, however, you should be made aware of a few facts: Is he wanted by the police? Does he have any large outstanding debts? Does he have any illegitimate children who might come out of the woodwork and say, "Hi, Dad"? Or worse yet, one or more wives?

If he can answer no to all of the above, cover him up; he might catch pneumonia.

* * *

DEAR ABBY: I'm a 23-year-old single, attractive guy. People tell me I'm good-looking, but I have a big problem. I'm very shy around women. I can't seem to get up enough courage to say "Hi" to a woman sitting alone in a bar. I guess I need a little push to break the ice. I have met many neat ladies who have introduced themselves to me.

Abby, this is for every woman in the world: Next time you see a guy you think you'd like to know sitting alone at a bar, don't be afraid to go over and say, "Hi, my name is ( ). What's yours?"

He's probably just as lonely as you are, and it could be the beginning of something wonderful.

LONELY IN MANHASSET, N.Y.

DEAR LONELY: It's worth a try. Even if the guy says, "I'd ask you to join me, but I'm waiting for my wife."

* * *

DEAR ABBY: I'm glad you advised a reader not to let one bad experience sour her on the whole human race. "Mary C. of Oklahoma City" said she had returned a suitcase her truck driver husband found on the highway, and instead of being thanked, she was accused of stealing some valuables from a second suitcase lost at the same time!

I want to share an experience that might help to restore Mary C.'s faith in strangers:

Our son and two of his buddies were on a camping trip that took them into the Northwest. (They were 17 at the time.) Our son left his camera on a picnic table at one of the campsites. A young couple who were camping next to the boys returned the camera to us with a note telling us that they had become friendly with our son and his friends, and the last picture on the roll of film was of them—the young couple.

Abby, our son and his buddies never returned home. All three were killed in a head-on collision in Oregon. Had it not been for the generosity of the young couple who returned our son's camera, we never would have had that precious roll of film—the last pictures to be taken of our son and his friends.

Needless to say, we wrote to tell this couple how priceless their gift turned out to be.

MRS. JONIE W. DANFORD, AURORA, COLO.

Doggett says Gramm did not want truce

FORT WORTH, Texas (AP) — Lloyd Doggett, contending GOP Senate candidate Phil Gramm never meant it when he proposed a truce on negative campaigning, is back on the attack and says Gramm has much to answer for, including lying and switching parties.

"What kind of person would call a truce and then refuse to stick to his word?" Doggett asked Wednesday.

"Now there can be no doubt as to who's responsible for the negative campaign," he said. "It's clear he (Gramm) never intended to call a truce at all."

Doggett told a fund-raising dinner in Fort Worth that Gramm outspent him by a 10-to-one margin on advertising during the summer, much of it negative. Similar ads continued to run despite Gramm's call for the moratorium, Doggett said.

The Democrat said Gramm ads have erroneously portrayed him as being anti-family and pro-gun control. But Doggett said his own "negative" ads have merely used quotations from Gramm.

"As long as Phil keeps running around the state lying about me, I'm going to keep telling the truth about him," Doggett said.

At the Fort Worth fund-raiser, hosted by House Majority Leader Jim Wright, D-Texas, Doggett criticized the Republican congressman's switch from the Democrats to the GOP last year.

"Jim Wright used his prestige to get him (Gramm) a seat on the (House) Budget Committee, and he turned out to be a spy for (Reagan budget director) David Stockman," Doggett said.

Dr. R. Neil Gibson becomes ABFP diplomate

KANSAS CITY, Mo.--Dr. Neil Gibson of Snyder has been named a diplomate of the American Board of Family Practice (ABFP) as a result of passing a certification examination offered by the ABFP. The physician is now certified in the medical speciality of family practice.

The intensive written examination is designed to prove the candidate's ability in the areas of internal medicine, surgery, obstetrics and gynecology, pediatrics, psychiatry and community medicine.

To qualify for the examination a physician must have successfully completed three years of residency training in family practice. There are some 385 such training programs in teaching hospitals and university medical centers across the United States.

ABFP diplomates also must continue to show proof of competence in the field of comprehensive, continuing care of the family by being certified every six years. No other medical specialty requires diplomates to prove competence on a continuing basis.

The latest group of diplomates brings the total number certified to more than 31,000. Most are members of the American Academy of Family Physicians, the national association of family doctors. The academy was the first national medical group to require members to take continuing medical study, and was chiefly responsible for securing specialty status for family practice.

Thunderstorms cause flooding in Houston

HOUSTON (AP) — Thunderstorms dumped more than 9 inches of rain on parts of Houston and already swollen creeks and bayous jumped their banks, flooding roads, stalling vehicles and forcing residents from their waterlogged homes.

One woman was missing and feared drowned after the car she was driving Thursday collided with two other vehicles, then skidded down a embankment and into a muddy bayou, police said.

Jim Green, director of the area Flood Control District, said Thursday's deluge "will rate with one of the most severe storms we've had."

The thunderstorms developed from the same weather system that had been keeping skies overcast and rain in the forecast since Monday.

Weather officials had feared the downpour would continue for another day. But the rain stopped Thursday night and the storm system shifted west toward the Texas Hill Country.

"The worst appears to be over. This may get us out of the woods," said Bob Fields of the National Weather Service's office in Houston.

Flood warnings, however, were extended through the night because the water was slowly receding and drainage systems were filled, Fields said.

On Thursday high water, waist deep in places, forced residents in nothern sections of Houston to board fire department airboats, flatbed trucks or canoes and scurry to higher ground.

"We've got the furniture stacked and are moving it around of the water. We sweep it out one door and it comes in another door," said Pat Fusilier, who lives north of Houston.

In the 24 hours ending at 7 p.m. Thursday, 9.32 inches of rain had fallen, the weather bureau said.

At least 100 homes were hit by the rising waters, said Ray Beall, director of disaster services for the Houston Red Cross Chapter.

"I've got three feet of water in front of my house on the street," said Joe Davis, who lives just north of Houston. "My garage is completely flooded. ... I've got about an inch under my kitchen door."

Red Cross disaster relief workers set up shelters at a church and one high school, officials said. However, the exact number of evacuees was unavailable because many stayed with friends or took refuge in area hotels, said spokesman Bobby Allred.

Law enforcement officers were patrolling the evacuated areas for looters.

Toys sought for Christmas

Supply. For after hours collection a large toolbox is available behind the store, Mrs. Bond said.

Local firemen will also be assisting with restoring and repairing the old toys, she said.

Since the goal is to try and give each needy child a new toy as well as a restored toy, new toys will be purchased with the money donated, Bond explained. Senior citizens will assist 4-H youth with these purchases.

Toys for Tots is an annual tradition in Snyder. For the past two years David Hines has directed the project and the Goodfellows also sponsored the project in past years.

Arrests reported

Snyder police logged eight misdemeanor arrests Thursday evening.

Five local residents were jailed for public intoxication with one each arrested for DWI, disorderly conduct and unpaid local traffic tickets.

Two of the PI suspects were also charged with disorderly conduct while the DWI suspect was also charged with misdemeanor counts of possession of marijuana and driving with a suspended license.
