

JUNCTION VS GRANGER SATURDAY 2:30

Eagles Trim Tivy Thanksgiving Day For District Championship

HILL COUNTRY FIREMAN'S ASSOCIATION FORMED AT MEETING HELD IN JUNCTION

Upon the invitation of Fire Chief John M. Hankins of Junction, representatives from Mason, Menard, Sonora and Rocksprings met in Junction Friday evening, November 29, to consider the advisability of a district organization of the Hill Country. A banquet was served to more than forty representatives of the fire departments of the towns mentioned above by the ladies of the First Baptist Church. It was difficult to get the representatives down to work after the banquet as they were so eager to express their appreciation for the wonderful banquet served so acceptably by the ladies.

After the banquet John M. Hankins, fire chief of the Junction Fire Department, acted as master of ceremonies. He made a brief talk, explaining the purpose of the meeting, telling of the organization and work of the local department. Following Mr. Hankins, good talks were made by Oscar Vehle of Menard, Frank Holliday of Sonora, W. F. Day and Will Muller of Rocksprings, Lamar Thaxton, W. B. May and Buddy Greer of Mason and W. B. Buster of Junction. Each speaker favored a district organization and a motion was made that a committee, composed of two men from each town represented, be appointed to make nominations

for officers for the new organization.

The following nominations were made and elected by acclamation: President, John M. Hankins, Junction; vice presidents, Lamar Thaxton, Mason, and Oscar Vehle, Menard; secretary-treasurer, Frank Holliday, Sonora; chaplain, Rev. J. N. Coker, Menard.

Directors: W. H. Franks, Menard; Roy E. Aldwell, Sonora; F. J. Donaldson, Rocksprings; W. B. Buster, Junction; Henderson Doell, Mason; Blair White, Eden.

The officers are ex-officio members of the directorate.

The following visitors were present:

Mason: Buddy Greer, Clyde Huckabay, Lee Smart, Jake Lang, Chas. Wartenbach, Lamar Thaxton, Fred E. Key.

Menard: Ray Vickers, Oscar Vehle, H. Loveless, T. Banks, T. A. Thompson.

Rocksprings: W. F. Day, Slim Bostic, Will Muller and F. J. Donaldson.

Sonora: Frank Holliday.

This organization will be known as the Hill Country Fireman's Association and the next meeting will be held in Menard early in January, 1930, upon the call of the directors. It is hoped that other towns in the Hill Country will come into the organization at the subsequent quarterly meetings.

Overwhelm Powerful Kerrville Eleven 13 To 0

An inspired Junction football team plunged its way to a 13 to 0 win over the Tivy Antlers of Kerrville on the Junction Thanksgiving Day before a crowd of 3,000 spectators. By winning this game from Kerrville, Junction won the championship of District 12.

It would have taken a team with far more football ability than Tivy showed to have stopped the Eagles Thursday. The Eagles made 12 first downs while Tivy made 8. The Antlers did not threaten the Junction goal line a single time throughout the game. Not once did Tivy get within 20 yards of the Eagle goal. On two occasions, the Eagles were in scoring distance but penalties were assessed and the ball was moved back out of scoring distance.

In the second and last quarters Tivy did not make a first down. In the first quarter they pushed across five firsts on a trick play. In the third quarter they made three firsts by the aerial route. But Tivy's passing threat which was supposed to have caused the Eagles much trouble, was completely covered.

In a football way, it was a great day for Dick Coleman. This young fellow who still has the longest part of his high school career in front of him, flashed great form Thursday and was instrumental in the Junction victory. We say this because he circled Tivy's right end for a touchdown in the second quarter. This event filled the Eagles to capacity with fighting spirit and confidence, while it took the heart out of the boys from the Gaudapula. Witt, who called signals, turned in a great game, and had it not been for his aversion to

(Continued on last page)

GROUND IS BROKEN FOR NEW CHURCH

Services of the first Methodist Church were held in the Texan Theater last Sunday as the old building was being moved. Under the direction of John Braley, the old building has been moved, and services will be held in it until the new building is completed.

It is estimated that the new structure will be ready for occupancy in five months if the weather permits.

Ground on the new building was broken this week and work is being pushed forward.

MURF STUDIO MOVES INTO NEW QUARTERS

The Murf Studio has moved to its new quarters and is prepared to do work, according to Mr. J. C. Murf, proprietor.

The exterior of the new building is not yet completed but the interior is fixed and comfortably warm. The new building is constructed of concrete and hollow tile.

Mr. Tom Henderson of Edwards County caught a wolf with the dogs the first of the week. This makes three wolves that he has caught with dogs the past few weeks. The eradication of predatory animals in this section is making good headway.

Mr. and Mrs. Douglas Motley of Ballinger were visitors in Junction Thanksgiving Day. They attended the Junction-Kerrville football game.

AGGIE EX-STUDENTS HAVE BIG BANQUET

Tuesday night at the Fritz Hotel a group of former A. & M. students gathered for a banquet and a get-together meeting. At this banquet J. S. Farmer was elected president of the newly formed club. R. E. Homann was elected secretary and treasurer.

Those present at the banquet were Dr. L. E. Standifer, Astor Wallace, R. E. Homann, J. S. Farmer, A. G. Farmer, Ray Ridenhower, W. C. (Bill) Oliver, Ross Brison, Bob Bissett and Howard Teer.

Mr. Philip Schraub and family of Seguin visited the Chris Schraub family through the Thanksgiving holidays.

Mrs. Alton Childers visited relatives at Mason the past week-end.

CONTRACT IS LET FOR NEW COURT HOUSE

After an hour's deliberation Saturday the Commissioners' Court let the contract for the new Kimble County Court House to E. D. Porter of Junction. Porter's bid was \$81,047. There were twelve firms who placed bids for the job. This figure, which was accepted, is complete and covers everything, according to Judge J. B. Randolph.

The court house will be paid for with county serial warrants not to exceed a thirty year period.

Concrete, stone and brick will be used in the construction of the new building. One of the architectural features of the new court house will be that it will have four faces and a clock will be on each front. The building will be 128 feet long and 70 feet wide. Specifications call for two stories and a basement. It will be steam heated with an oil burner furnace.

Porter, the successful contractor, stated that he would use all home labor in the structure of the building as far as possible.

Actual work on the building will start in about a week. It is understood that the contract called for 150 working days for the completion of the building.

Missionary Society ELECTS NEW OFFICERS

The Woman's Missionary Society of the Methodist Church held its regular business meeting Tuesday afternoon at the parsonage with Mrs. Ada Dockery, president, presiding.

An election of officers for the ensuing year was held in which the following were elected: Mrs. W. M. Taylor, president; Mrs. J. E. Bissett, vice president; Mrs. H. H. Lawler, recording secretary; Mrs. Ada Dockery, corresponding secretary; Mrs. B. B. Ragland, local treasurer; Mrs. Geo. Cavaness, conference treasurer; Mrs. E. R. Borden, sup't. of local work; Mrs. Bookham, sup't. of supplies; Mrs. C. H. House, sup't. of social service; Mrs. M. F. Hill, sup't. of young people and children's work with Mrs. Joe Ramsey as assistant; Mrs. A. E. Bissett, sup't. of mission study; Mrs. Ovie Buster, publicity sup't.; Mrs. S. P. Bennett, the Gibson Auxiliary and Mrs. Sanford Roe, voice agent.

Chamber of Commerce Honors Football Men

After the Junction-Tivy football game Thanksgiving Day, the Kimble County Chamber of Commerce gave the players of both teams a banquet at the Fritz Hotel.

Approximately 84 were present at the banquet. Mr. Conrad T. Holkamp, president of the Kimble County Chamber of Commerce, presided. Hon. C. K. Stevenson, Captain H. W. Rieck, Messrs. Berne, H. A. McDonald, Earl Bowers, Guy C. Moses and Doug. Motley made short addresses after the banquet was finished.

Fritz Hotel Honors Football Players

Members of the Junction football squad, Coach Bowers, Uncle Billie McKee and Superintendent Guy C. Moses were guests of the Fritz Hotel Saturday evening at 7 o'clock at a Mexican dinner, honoring the team and coach. Uncle Billie and Supt. Moses were guests of honor.

Moses and Bowers made after dinner talks. Several members of the football team responded for short talks.

WINNER OF GAME SATURDAY WILL HAVE CHAMPIONSHIP DISTRICTS TWELVE-FIFTEEN

MRS. SUTTON PASSES AWAY SATURDAY

Mrs. Mary Elizabeth Sutton, aged 72, died at her home in Junction Saturday afternoon and was buried in the Junction Cemetery Sunday afternoon at 3 o'clock, the Rev. Milton F. Hill officiating. She died after a lingering illness of several months.

Deceased was born in Tennessee on September 7, 1857. She was a lifelong member of the Methodist Church, and clung to that faith in death. On June 22, 1884, she was married to Robert Sutton in Smithville, Tennessee.

Later this couple moved from Tennessee to Sherman, Texas, and from there they moved to Corsicana. Mr. Sutton died in Corsicana in 1903.

The family then moved to Junction where they resided for 12 years, moving to Junction in 1916.

Mrs. Sutton was a loved character in Junction and made many friends during her life here. The entire community mourns the loss of this good woman.

Deceased is survived by a brother, John Hickerson, Tarkenton; a sister, Mrs. W. J. Barry of Houston; and two children, Mr. James Ross Blanton Sutton and Miss Ina Bernice Sutton. Mrs. Emma Ina Smith, a stepdaughter, who lives in Denison as been at the bedside of Mrs. Sutton for six weeks.

The following out-of-town people were present for the funeral services: Mr. John Hickerson, Tarkenton; C. W. Hickerson, Tarkenton; Ross Sutton, Houston; W. J. Barry, Houston; Mr. and Mrs. Dave Smith, Denison; Mrs. W. D. Randolph, Menard; and Miss Eda Robbins, Menard.

Box Supper Held At Ivy School

More than one hundred people attended the box supper at the Ivy school house last Friday night, according to E. V. Stewart, who, aided by Mr. Henry Bierschwald, acted off the boxes.

Sixty-eight dollars and seventy-five cents were raised on the 25 boxes auctioned off. The highest price for any one box was \$6.76. The second highest price was \$5.00.

Funds received from the supper will be used towards the improvement of the school. New partitions will be placed in the building, and the floors repaired.

Plans are also under way to provide playground equipment. A new system to provide drinking water for the students is also being planned.

Mr. E. V. Stewart made a short address on the subject, "Spirit that must exist in Kimble County if it is to prosper."

CHURCH OF CHRIST

The regular services will be held at the Church of Christ during the week and on next Sunday and in addition to the regular services, a Teachers' Training Class will be held at the church this (Thursday) evening at 6:30 o'clock.

Mr. and Mrs. J. W. Hutt and Mrs. J. U. Goodwin and little son of Rocksprings were Junction visitors Friday afternoon

Granger Has Powerful Offensive Backs and Line That Holds

For the first time in history a Junction High School football team will meet a foreign foe for the championship of two districts.

By virtue of their victory over Kerrville Thanksgiving Day, Junction will meet the Granger Lions of Granger Saturday afternoon at 2:30 p. m. And by virtue of the co-operation and support of the business men and citizens of Kimble County, the Granger Lions will be forced to journey to Junction to play the game, because the call of Junction out of the hills resounded a mightier voice than the denizens from the black land farming belt of Granger could utter.

It may show that King Cotton bows to a superior—wool and mohair. It may mean that Junction is giving better support to its team. But, however it is, the Granger Lions will enter the Hill Country for the first time; they will stealthily enter country that was fashioned by nature for their kind. But they adapt themselves in a day?

It will be a great battle between two great foes. The king of the beasts and the forest will meet the ruler and master of the air, a lion pitted against an eagle in deadly combat.

With Junction and Granger are battling for the championship of districts 12 and 15, two teams will be fighting for the championship of districts 18 and 22. The winner of the game in Junction will meet the winner of this other game for the regional championship.

But the regional looms in the distance with the Granger Lions crouching, waiting to strike.

Prince of the University of Texas and Sikes of Texas Tech comprise the coaching staff of the Granger Lions. Granger's starting line-up for the game Saturday as given by Coach Prince is:

Name	Position	Weight
Dusek	LE	155
Cervenka	LT	132
R. Moore	GL	150
Poa	C	132
Garrin	RG	147
Bird	R	200
Hall	RE	145
Sharp	Q	130
B. Moore	LH	137
Bartosh	RH	152
Kotila	F	150

Granger went through the arid season without having a single defeat registered against them. Only one tie is recorded to mar their record. The results of their games this season are:

Granger 54	Rogers	0
Granger 26	Round Rock	0
Granger 6	Taylor	0
Granger 6	Taylor	0
Granger 6	St. Edw. Preps	0
Granger 55	Hutto	2
Granger 7	Georgetown	7
Granger 22	Bartlett	0
Granger 19	Holland	0
Granger 22	Thorndale	0

217 9

There is no dope to go by in predicting the outcome of the game Saturday. Neither team has met a common foe. There are no scores to compare by. And the football they play in that part of the country is not exactly the style we play here. But as a result of studying the individual players, their abilities

(Continued on last page)

Country Correspondence

IVY ECHOES

(Too late for last week)
School is fine and the work moves as usual. There will be no school Thursday as that is Thanksgiving day.

Mr. Homann visited at the Ivy school Tuesday and gave a very detailed explanation to the 4H Club here relative to the starting of individual projects.

Reuben Lange came up from San Antonio Tuesday to visit home folks and stroll in the woods a while.

Enoch Stevens and family of the Jones ranch, visited at Eden a few days last week. Miss Ila Mae Hight accompanied them on the trip.

London's basket ball boys and girls were out to see us last Friday. They were chaperoned by Miss Jewel Williamson, one of the efficient teachers of the London school. A fine spirit prevailed throughout the games, and we are glad they came. The Ivy girls won their game by a close score of 10 to 8. Ivy boys lost by a score of 4 to 16.

This is exam week and also box supper week. All come to our box supper Friday night.

Mrs. Ray Amberson and daughter, Bonnie Ray, and Mrs. Louie Grobe and little Miss Ruth Grobe visited the Misses Selma and Nettie Grobe at San Antonio the latter part of last week.

D. M. Stewart of the Red Creek community has slipped up to the 6-cylinder Chevrolet class. He has a coupe, purchased through Jack McGonagill, of the Highland Chevrolet Co. of Junction.

Motto: "Duty is the sublime word in the English language."

NORTH LLANO NEWS

(Too late for last week)
Mr. Floyd Little spent Thanksgiving in San Antonio visiting his family, Mrs. Little, Grafton and Reba Nell.

Mrs. Avery Mayes spent the week-end in Menard.

Mrs. Nugent Weaver and Mrs. Ernest Dunbar spent Tuesday at the E. O. Dunbar home.

Mrs. A. L. Mudge and Freddie spent the week-end visiting relatives in Sierra Blanca.

Mr. Ben Hasse was a visitor of Clarence Self Monday.

Miss Nell Doran is visiting in London this week.

Mr. and Mrs. Alex Wood spent Sunday with Mr. and Mrs. Andrew Wood.

Mr. Nugent was a business visitor in Junction Tuesday.

Mr. and Mrs. Ernest and son, Edward, spent Sunday with Mr. and Mrs. J. A. Parker at Rosevelt.

Mr. and Mrs. Nugent Weaver spent Sunday with Mr. and Mrs. Oscar Weaver.

Mr. and Mrs. E. O. Dunbar moved into their new house this week.

Mr. Avery Mayes and Clarence Self were business visitors in Menard Tuesday.

IVY ECHOES

The box supper given at the Ivy school on last Friday night was a splendid success. A neat sum of \$70.10 was realized from this sale, which will be of great benefit to our school this term in securing needed equipment. Our school wishes to thank all who assisted in this sale. We hope to conduct our school in such a way that we may prove to all that we merit this assistance. Mr. Henry Biersch-wale and Everett Stewart have our thanks for their faithful efforts as auctioneers.

Lofton Latte of Del Rio visited at Junction and London during the holidays and attended the box supper at Ivy Friday

ward anarchy, a very dangerous condition.

Respect for law and a consideration of and adherence to the will of a majority of the people are the essentials of a Republic, and without such restrictions there can be no Democratic form of government.

It appears to this writer that a disregard for law is increasing and that our elected officials should put forth renewed efforts to enforce all laws. It should make no difference whether an official believes in a law or not, when he takes the oath that inducts him into his official capacity he swears he will put forth every reasonable effort to enforce that law as well as all others, and should he shrink from a whole hearted enforcement of all laws he should be put out and a conscientious man put in his place. All citizens should co-operate with our officers in the enforcement of our laws.

Phillips is to CHANGE BREEDING

Junction.—T. B. Phillips, owner of a 17-section ranch north of Rocksprings and the mayor of Junction, has made an about face in the sheep business and is now boosting the Rambouillet against the Delaine, the sheep that has ruled the Hill Country for years. His change of belief has caused a good deal of discussion on the streets and everywhere Mr. Phillips goes he is likely to encounter a Delaine booster who urges him to continue the Delaine brand. Mr. Phillips' brief for the Rambouillet, the dual purpose, mutton and wool sheep, with good feeder qualities.

"We must go to the Rambouillet in the Hill Country. When I raise anything it is for sale and there is no place to go except the wolf country south of the Southern Pacific unless we have the Rambouillet. We can sell them to the feeders but in all my years of raising Delaine sheep I have never sold a single one of them to a feeder."

J. D. Cowser, a Delaine man, answers: "If the present low price of wool continues then the time is coming as it did in 1921 when the wool buyers will buy the Delaine wool and leave the Rambouillet. The Delaine and the Rambouillet are both Merino sheep and when one speaks of good Rambouillet wool he really has Delaine sheep, for it is easy to breed a Rambouillet into a Delaine and a Delaine into a Rambouillet."

Mr. Phillips answers by saying that if one will check the bank deposits of those who raise Rambouillet that he will find they are heavier than those with the Delaines. He points out that the Rambouillet mutton lambs are all cleaned up while the Delaine lambs have not all been sold.

Mr. Phillips has bought some Rambouillet sheep recently and is running 3,500 sheep on his place, 550 cattle and 1,100 goats. "There is one thing that I would not sell at all and that is my ranch," he says. He began his sheep business while operating the telephone exchange in Junction which he instituted. He is now one of the leading property owners of the Hill Country.

Mr. Phillips thinks that the ranchmen of the southwest will have to raise the money for the capital stock that must be supplied by the southwest, but thinks if the money is raised the co-operative may be a success. He thinks there will be some difficulty in raising the money to meet the demands of the government.

Mr. Phillips has some of the most unusual horses in the country. They are out of an imported Spanish mare and a quarter horse. They are dun with ring legs and a stripe down their backs.—San Angelo Times.

KOTHMANN-MOSELEY

A wedding of wide community interest and which united two of Castell's oldest and best established families was solemnized on Wednesday, November thirteenth, at three o'clock, in the Methodist church of Castell when Miss Ruby Vernelle Moseley became the bride of Mr. Louis Kothmann.

The bride is the only daughter of Mr. T. P. Moseley of Castell and the only granddaughter of Mr. and Mrs. T. H. Moseley of Llano with whom she has made her home since infancy. With the exception of the few years spent in Westmoreland College, San Antonio, she has lived in Llano and Castell all of her life and in both communities she has numerous friends who wish for her every happiness.

The groom is the only son of Mr. and Mrs. Max Kothmann of Castell where he and his family are well and favorably known.

The many friends and relatives of this young couple have extended their congratulations and wish for them a long and bright future of true happiness and devotion.—Llano News.

CARD OF THANKS

We wish to thank each and everyone who assisted in any way during the illness and death of our dear mother and sister, for the lovely floral offering, and especially would we thank Dr. Standifer for his untiring efforts in her behalf.

MRS. MUDGE HONORED
BY EASTERN STAR

Thursday evening the local chapter of the Order of the Eastern Star honored Mrs. A. L. Mudge at their regular meeting.

Mrs. S. A. McDonald led the crowd in giving fifteen raps for Mrs. Mudge, who has been appointed Grand Representative in Texas for the state of Arkansas. "One Thanksgiving Day Out West" was read by Mrs. S. A. McDonald. Mrs. Clay Secrest won the word contest and was awarded with a cherry layer cake, while Mrs. Forrest Weldon was consoled with a miniature turkey. Mrs. Forrest Weldon won the turkey contest and received a layer cake. The booby a little turkey went to Mrs. Charlotte Burt. The Worshy Matron, Mrs. Alton Miller, presented Mrs. Mudge with a beautiful piece of tapestry in behalf of the Chapter. A melody of old fashioned songs brought the interesting meeting to a close. "A brief history of Mrs. Mudge as an Eastern Star member" was the subject of a talk given by Mrs. W. P. Riley.

Pie topped with whipped cream was served with coffee. Those present were Miss Clara Secrest of Hamilton, Mesdames C. R. Stevenson, Jim Massie, A. L. Mudge, Frank Patterson, Dorothy Westmoreland, Cleve Steven, Forrest Weldon, Charlotte Burt, W. P. Riley, J. M. Livingston, S. A. McDonald, Nugent Weaver, Mr. and Mrs. Clay Secrest and Mrs. Alton Miller of Rocksprings and Doeboe Taylor.

Mr. and Mrs. Bill Bissett of San Angelo spent the Thanksgiving season with their grandmother, Mrs. A. E. Bissett.

Misses Clara and Pat Secrest and Mr. Glenn Secrest of Hamilton spent the Thanksgiving season with their brother, Mr. Clay Secrest, and family.

Misses Elizabeth Summers and Ruth Ravell, students of Westmoreland College in San Antonio, spent the Thanksgiving holidays with Miss Summers' parents, Mr. and Mrs. John Phillips.

Mrs. Roy Blackburn, who is living in Austin with her daughter, Nevada, was in Junction during the Thanksgiving holidays.

Mr. and Mrs. Fletcher Sullivan of Flatonia were in Junction Thursday for the ball game, and while here visited with Mrs. R. H. P. Wright until Sunday. Mrs. Wright is Mrs. Sullivan's mother.

MISS CLARA SECREST
HONORED WITH BRIDGE

Friday evening Mesdames Clay Secrest and Dorothy Westmoreland entertained with a bridge in honor of Miss Clara Secrest of Hamilton, Texas, at the Secrest residence.

Colorful autumn leaves were used to decorate the living room. The cunning tallies depicted the famous "gingham dog and calico cat." Clever baskets of sachet in blue, green and yellow tulle were awarded to Mesdames C. R. Stevenson and Ben Wheat of Rocksprings for their skill in the bridge games. A similar gift went to the honoree. A tiny sachet consoled Miss Betty Butland for her ill luck.

Golden glow salmon on lettuce, carrots, chips, potato chips, olives, hot tea and white fruit cake topped with whipped cream were served to Mesdames Betty Butland, Pat Secrest of Hamilton, Tottie Martin, Josephine Urban, Mary Phillips, Mary Hubert, Mesdames C. R. Stevenson, Pierce Hoggett, James Taylor, J. M. Livingston, Ben Wheat of Rocksprings, Fletcher Sullivan of Flatonia, Mattie Patterson, Frank Patterson, Mr. Glenn Secrest of Hamilton, the honoree, Miss Clara Secrest of Hamilton, Mrs. Dorothy Westmoreland and Mr. and Mrs. Clay Secrest.

ENNIS TERRY JETTON
CELEBRATES BIRTHDAY

Monday afternoon Ennis Terry Jetton celebrated his fifth birthday with a party at the residence of his aunt, Mrs. R. H. Loeffler. The living room was gay with Christmas wreaths and holly leaves while a pretty Christmas tree added a festive air to the scene.

After a number of games the gifts were opened after which St. Nicholas arrived and asked the tiny tots what they desired for Christmas and presented them with bags of fruit and candy.

The guests were then invited to the dining room where the table was spread with a Santa Claus cover. In the center of the table the white birthday cake was placed. On it were five green and red birthday candles, fluted green and red crepe paper encircling the cake. Cookies and hot chocolate were served with the birthday cake. Cute little Saint Nicholas plate favors were used.

Mary Jean Martin, Roy Reynolds, Jr., Howard Ragsdill, Ruby Nell Gardner, Amelia Jetton, Katherine Ragsdill, James Smith, Edwina Lowgren, Sidney Thom-

as, Janice and Victor Loeffler and Mesdames Minnie Barnes and B. L. Smith assisted Mrs. Terry Jetton in entertaining.

MR. AND MRS. MORALES
HOSTS AT DINNER

Mr. and Mrs. Dan Morales were hosts at a beautifully appointed Thanksgiving dinner at eight o'clock in the evening of that day.

The table was spread with a handsome linen cloth and presented an attractive picture with its service of hand-painted china, silver and crystal glassware. The hand-amed centerpiece was embroidered in gold and is the handwork of Mrs. Morales' grandmother, who made the dolly after she was seventy years of age. Heaped on the centerpiece were read and yellow autumn leaves. Hors d'oeuvres were served preceding the dinner. On the menu were baked turkey and dressing, peas, carrots, gravy, fruit salad, pumpkin pie with cheese and demi tasse. The plate conundrum favors were tiny turkeys sitting in a miniature tub filled with green mints. An amusing turkey jingle was placed by each favor.

Those present were Misses Jessie Dyer of Fort Worth, Victoria Dry of Winters, Mrs. E. K. Baker of Austin, Mr. and Mrs. M. E. Blackburn and Mes-

Let's pave Junction streets.

srs. John Kennedy of Fort Worth, M. H. Terrell of Austin and John Cowsert and the host and hostess.

MR. AND MRS. BORDEN
ENTERTAIN COUNCIL

Tuesday evening Mr. and Mrs. E. R. Borden entertained the members of the Sunday School Council of the Methodist Church.

Rev. Milton E. Hill presided during the business meeting. At the close of the evening moulded ice cream and chocolate cake were served to Mesdames Mattie Patterson, Clay Secrest, Ada Dockery, Joe Ramsey, Joe Bissett, Ovie Buster, L. E. Standifer, E. A. Bissett, Miss Eleanor Highsmith, Messrs. Henry Bierschwald, Ramsey Randolph and Rev. Milton F. Hill.

MEXICAN BRIDGE PARTY
GIVEN AT FRITZ HOTEL

The Merry Wives and Laf-A-Lot Clubs and a number of friends were entertained Friday afternoon at the Fritz Hotel with a Mexican bridge party by Mesdames C. R. Stevenson and Pierce Hoggett. Mrs. Fletcher Sullivan of Flatonia was the guest of honor on this occasion.

Shrubs bearing red berries were used to decorate the dining room. The Merry Wives' club prize, a Mexican water bottle and cup, went to Mrs. P. Joseph. A similar prize for the Laf-A-Lot club went to Miss Mary Spiller. Miss Clara Secrest of Hamilton won the guests prize, a pretty bird picture. The prize for most slams, a pair of Mexican drawn-work doilies, was won by Mrs. C. T. Holekamp. Miss Virginia Browder of Memphis received the booby, a Mexican sombrero in which cactus

Shop and mail early. 34c

were planted. The tallies carried out the Mexican motif and were packed in a Mexican hat and the prizes were presented in this unique way.

Frijole beans, Mexican rice, chili, tamales, cheese wafers, pineapple and coffee were served to Misses Mary Spiller, Elizabeth Summers, Clara Secrest of Hamilton, Virginia Browder of Memphis, Ruth Ravell of Kerrville, Mary Phillips, Lena Cowsert, Mesdames Roy Spiller, John Martin, Ben Wheat of Rocksprings, R. H. P. Wright, John Phillips, J. M. Livingston, Mattie Patterson, Dorothy Westmoreland, A. S. McDonald, Sam Woodward, H. G. Hubert, A. L. Mudge, Guy Wynne, V. E. Emmons, Carl Wolf, McInnis, J. A. Thompson, Joe Fritz, P. Joseph, Vann Martin, Lucy Motley, J. D. Motley of Ballinger, J. B. Randolph, Bill Bissett of San Angelo, Jack Richardson, Roy King, Hugh Rieck, A. S. Rieck, Brown King of San Angelo, C. W. Atchison, Ray Ridenhower, Clifford Hamer, Milton Carson of Fort Worth, J. R. O'Bryan, Ben Warren, Vic Urban, E. Holekamp, L. E. Standifer, Irvin Jarvis, Frank Patterson, L. D. Borden, Luther McDonald, Jas. Taylor, C. T. Orth, C. T. Holekamp, the honoree and hostesses.

MRS. STANDIFER IS
HOSTESS AT BRIDGE

Mrs. L. E. Standifer was hostess to the Little Bridge Club Wednesday afternoon in honor of Mrs. Vic Urban, a recent bride.

Mrs. Vann Martin made high score and was rewarded with a linen dresser scarf. The second

Shop and mail early. 34c

prize, a linen guest towel, went to Mrs. Rudolph Tatum.

Tuna fish salad, bread and butter sandwiches, saltine wafers, coffee and plum pudding with whipped cream were served to Mesdames Vic Urban, Irvin Jarvis, Clifford Hamer, Pierce Hoggett, Guy Moses, Jack Richardson, Ben Warren, C. R. Stevenson and J. A. Thompson.

BANK EMPLOYEES
HAVE OYSTER SUPPER

Each year five hundred oysters are sent to the Junction State Bank by friends in Galveston. As usual the officers and wives and also the employees of the bank were invited to the residence of Mr. W. P. Riley, president of the bank, who with Mrs. Riley dispensed hospitality on this occasion.

The table was laid with a handsome Maderia cloth and attractive autumn leaf place cards and Thanksgiving favors were used.

Fried oysters, French fried potatoes, a variety of relishes and sauces, fruit jells with whipped cream and coffee composed the menu. Games and music were enjoyed after the dinner.

Misses Tottie Martin, Josephine Urban, Betty Butland, Messrs. Lanan Bissett, Charles Barnes, Louis Jetton, Mr. and Mrs. A. L. Mudge, Mr. and Mrs. C. T. Holekamp and Mrs. Clyde Butland were present.

Mr. and Mrs. A. M. Delavan of San Antonio were Junction visitors during the Thanksgiving holidays. Mrs. Delavan is a sister of Dr. H. E. Wright.

WATCH HOW THE NEW FORD HOLDS THE ROAD

NEW FORD
TUDOR SEDAN

\$500

(F. O. B. Detroit,
plus charge for
freight and delivery.
Bumpers and
spare tire extra.)

The new Ford is a great car to drive because of the way it holds the road even at high speeds.

This roadability is due to the low center of gravity, the semi-elliptic transverse springs, the Houdaille hydraulic two-way shock absorbers, and the low ratio of unsprung weight to sprung weight.

Come in and arrange for a demonstration. You'll find this roadability feature of the new Ford as outstanding as its beauty, speed, comfort, safety, reliability and economy.

Perfect balance is a great thing in a motor car.

Loeffler Motor Co.

WIFE STARTED HIM ON SARGON; LIKE NEW MAN

After putting Sargon to the test in my own case, I can easily understand why so many people are enthusiastic about it. "My health was so bad that I was hardly able at times to

C. J. HOLCOMB

do a day's work. My food disagreed with me. I was bilious and constipated, suffered with headaches and my whole system seemed filled with poisons. My kidneys were weak and I never felt strong and well. My wife persuaded me to try Sargon and now I feel like a brand new man. My stomach is in fine condition, my strength and energy have returned and my kidneys don't bother me like they did. Sargon Pills overcame my constipation and biliousness, my headaches are over and I'm telling all my friends what this wonderful treatment did for me."—C. J. Holcomb, 1501 Missouri Ave., Fort Worth. J. A. Heyman, agent.

TEACHERS

Public education will never be as good as it ought to be so long as most teachers never get outside of their home countries, says Edward A. Filene, Boston merchant and philanthropist. Teachers cannot present a true view of the world to their pupils unless they know something about the world out of their own experience.

That is true for others besides teachers. The only really educated persons are those who have seen other countries besides their own. It is getting easier and easier to do that. A trip to Europe with a week in London and another week in Paris can be had for \$250 from New York. Mr. Filene is working on a plan to reduce this to \$150 for teachers and the next step, he thinks, will be to have such trips made compulsory for every teacher above the primary grades.

NEED GLASSES?

Dr. Jones, the eye man, in Dr. Luehrs' office Friday, December 13. See him about your eyes, headaches and glasses. 34-2c

FULL MEAL FOR A DIME

Having become wealthy operating a restaurant in Budapest, Hungary, Mathias, Woldhut announced that on the 25th anniversary of the date he opened his restaurant he would serve meals at the same prices as on that first day a quarter century ago. The idea was a huge success. Hungry patrons were waiting in line before the restaurant opened in the morning. When the doors were opened the rush was so great police had to be called to keep order, and remained all day. The usual dinner of a salad, soup, fish, two meats and vegetables, dessert, wine and coffee cost the equivalent of 10 cents in American money. No wonder a riot had to be sent in to police headquarters.

WHEAT

The most important news that has come out of Russia is the reported discovery by Russian botanists of a new hybrid grain, a cross between wheat and rye. It is said to combine the food qualities of wheat with the cold resistance of rye and to yield three times as many bushels to the acre as ordinary wheat.

Not all the news that comes out of Russia can be credited, and this may be exaggerated. It must be remembered, however, that Russia gave the world new grains before the war. Durum wheat originated in that country as well as other valuable varieties.

If this latest report is true, this discovery may have revolutionary consequences for the whole world.

PANTS SHE PANTED FOR

The will has just been proved of a man living in a southwest suburb of London who died last November, in which he left to his wife: "One pair of my trousers, free of duty, and carriage paid, as a symbol of what she wanted to wear in my lifetime, but did not."

WHEN FRYING POTATOES, REMEMBER—

If a little flour is sifted over potatoes before dropping them into the pan this will keep the fat from sputtering.

SPEED

Reports from England are that Flight Leader A. H. Orlebar, who flew 368 miles an hour for the Schneider Cup, has achieved a speed of 500 miles an hour in a private trial. At that rate a man could start westward around the world in the latitude of London and never get out from under the sun.

All human progress has arisen from the effort to expand time and compass space. Think that over. With flight at 500 miles an hour possible, space will mean nothing, time everything. Many who read this will live to see airplanes running regularly on some such time-schedule.

INCLUSIVE

Women's faults are many; Men have only two. Everything they say And everything they do.

IDEAL SHEEP COUNTRY

For Lease—12,000 acres of excellent sheep land at 50 cents per acre, well fenced with wolf-proof six-inch mesh fence, with 18-inch apron on the ground. Cross fenced. Seven or eight pastures; water with complete pipe lines. For particulars communicate with G. N. King, 34-3c Barnhart, Texas.

SPRING SOON COMES

Andover, N. J.—"If winter comes, Spring is not far behind," said Browning, and his contention seems to be borne out this year by the beaver. The beaver each year collects enough food and wood to carry him through the winter. This year the beaver has just begun the task generally started in October, thus indicating a very short cold season. The beaver has generally been a good forecast.

SKIMMING JELLY

One housewife finds a clean new vegetable brush the best agent for gathering the scum from jelly as it boils. The refuse clings easily to the brush and no jelly is lost. Of course the brush should be washed frequently during the process. Let's pave Junction streets.

LICKING STAMPS NOT HARMFUL

Licking postage is not as dangerous as it once was, in fact, there is no danger in it at all so far as the "stickum" is concerned. This gum is now made expressly for postage stamps from a tapoca starch. It is a wholesome food and a baby may eat it provided no other foreign matter has come in contact with it after the stamps are printed and the gum applied. That is how solicitous Uncle Sam is of the well-being of nephews and nieces.

ENGINES

The next big improvement in automobiles will be an engine that uses crude oil or distillate instead of gasoline. Heavy-oil engines use cheaper fuel, get two or three times as much power out of a gallon of it, require no complicated electrical sparking apparatus, and have no valves to be re-ground. The motor car of the future will have an engine of that type, driving the front wheels instead of the rear wheels, and will have no gears to shift.

Airplanes will use the cheaper fuel, too. A Diesel type engine flew a plane from Detroit to Washington recently. Elmer Sperry announces that he has perfected such an engine for air use on which he has been working for years. A company has been formed in England to manufacture a heavy-oil automobile engine invented by a Swede, Hesselman.

Sweden, by the way, produces more first-class engineering ability in proportion to population than any other country except, perhaps, Italy. Ericsson, inventor of the screw propeller and builder of the Monitor, was a Swede. So were Alfred Nobel, inventor of dynamite, and De Laval, inventor of the steam turbine and the cream separator.

EDUCATION

The best American I ever knew died the other day. I shall not print his name; he would not have liked the publicity. He probably had never earned as much as \$100 a month, but he sent his four children through college. A Cape Cod fisherman's son, he was a schooner captain in the West Indies trade at eighteen. At seventy-five he was hauling mud and baggage in his old Ford truck, preferring independence to retirement.

Unlettered himself, one of his sons is a professor in a Western university; one is on the Harvard faculty; a daughter is superintendent of a great training school for nurses. "Sorrell and Son," one of the most popular English novels of recent years, has for its theme the sacrifices of a father for his son's education. A new theme in England, but one of the oldest in America.

WHEN CLEANING CLOTHING

A bath towel folded and placed underneath fabric from which spots are to be removed often prevents the formation of a ring when cleaning fluid is applied. Dip a cloth in the fluid, apply briskly to the spot, and rub until dry.

Don't forget to drain the cooling system periodically—at least twice a year. The accumulation of rust particles and dirt will put any system out of business in time.

If you can't be a president of a bank, you might be an excellent cashier.

THE "WRIGHT" WAY TO HEALTH

LAMPASAS HUNTERS KILL BLACK-TAIL DEER

A great deal of interest was attracted in Mason Tuesday morning with the arrival of a party of Lampasas hunters, who were returning from a hunt in Brewster County. The party were taking back with them five large black tail deer killed in that section. The deer had three, six, eight, seven and ten point horns and the largest of the bunch weighed, it was estimated, fully 175 pounds. The deer were much larger than those found in this region and are colored about like a gray burro.—Mason County News.

OUTDOOR ETHICS CODE

A condensed code of outdoor ethics issued by the Izaak Walton League of America is as follows:

1. Your outdoor manners tell the world what you are when at home.
2. Respect the property of rural residents. Ask before using it.
3. Save fences, close gates and bars, go around planted fields.
4. People livestock, trees and birds were never meant to be target practice backstops.
5. Respect the law. Catch enough legal fish to eat, then quit.
6. Protect public health. Keep springs and streams clean.
7. Clean your camp and don't litter the highways with trash.
8. Finish what you start. Carelessness with fires is cussedness.
9. Leave flocks and shrubs for others to enjoy. Do your share to keep outdoor America beautiful.

THE STATE OF TEXAS.

To the Sheriff or any constable of Kimble County, Texas. Greeting:

You are hereby commanded to cause to be published in some newspaper regularly published in your county, for twenty (20) days, notice in words and figures as follows, to-wit:

No. 264. Estate of Mrs. Maud Francis, deceased.

In the County Court of Kimble County, Texas, February Term, A. D. 1930.

To all persons interested in the estate of Mrs. Maud Francis, deceased:

You will take notice that on and after the expiration of twenty days from the service hereof, Loma Lindsay, who has filed herein for probate the last will and testament of Mrs. Maud Francis, deceased, and an application to be confirmed as Independent Executrix under the provisions of said will, will apply to the Clerk of the County Court of Kimble County, Texas, for a commission to take the answers of the witnesses to said will, who are Ella M. Faulkes and J. A. Wheat, both of whom reside in Baylor County, Texas, to the interrogatories attached to said application, and that a commission will issue on and after the twenty days after the publication of this notice to take the depositions of said witnesses.

Given under my hand and seal of said Court at my office in the town of Junction, this the 26th day of November, A. D. 1929.

U. D. KINDRICK,
Clerk of the County Court.

ANCIENT HISTORY

About sixty years ago the following article appeared in a Boston newspaper:

"A man about forty-six years of age giving the name of Joshua Coppersmith, has been arrested in New York for attempting to extort funds from ignorant and superstitious people by exhibiting a device which he says will convey the human voice any distance over metallic wires so that it will be heard by the listener at the other end. He calls the instrument a 'telephone,' which is obviously intended to imitate the word 'telegraph' and win the confidence of those who know of the success of the latter instrument without understanding the principles on which it is based. 'Well-informed people know that it is impossible to transmit the human voice over the wires as may be done with dots and dashes of the Morse code, and that, were it possible to do so, the thing would be of no practical value. The authorities who apprehended this criminal are to be congratulated, and it is to be hoped that his punishment will be prompt and fitting, that it may serve as an example to other conscienceless schemers who enrich themselves at the expense of their fellow-creatures.'—Exchange.

Reasons For Apprehension

By Albert T. Reid

GOVERNOR TO CALL SPECIAL SESSION IN EARLY JANUARY

Austin.—Governor Dan Moody authorized the statement Saturday that he will call the Forty-first Legislature in special session in "early January," the exact date yet to be set. This is the first definite pronouncement from the Governor as to the convening of the special session. The second Tuesday, January 8, is the tentative date subject to change.

First of all will come the prison relocation issue as presented in the report to be made by the Texas Prison Centralization Commission, a majority of which is recommending that the main prison be placed within 20 miles of Austin and the minority that it be centralized on lands now owned by the prison system, either near Huntsville or on the Imperial Farm in Ft. Bend County.

Retaining the prison on lands now owned will bring an execution of the vote. The Governor strongly favors relocation away from the river lands.

Regulation of Utilities
Regulation of public utilities is another highly controversial subject to come before the special session under the Governor's recommendation that a separate State board be created to regulate the public utilities.

Such regulatory legislation has been debated or blocked in previous sessions of the Moody administration and the Governor is determined to tender it again. In that connection he will discuss the subject next Friday in Galveston in an address to the

city attorneys of Texas, who will be in annual session at that time.

Correction will be made of the Confederate pension law so that the so-called younger widows will receive their portion. An error in the thrice repeated effort of previous sessions deprived the younger widows of their last quarterly stipend and permitted only a very small payment for the coming quarter.

Institutions Impoverished
Heads of the State supported educational institutions recently made a plea to the Governor that they were impoverished by the reduced appropriations and by votes and pleaded that the coming session relieve the situation. Many votes of salaries for positions in the State departments and institutions has also caused pleas for help. It is expected that supplemental appropriations will be made in many instances.

The coming session will have other subjects submitted and will easily last 30 days with more probability of a second 30 days. Since it comes at the threshold of a campaign year there will be much "brewing of politics" during the session. The political orations and discussions are expected to frequently warm up the sessions. New candidates for State office may spring out of the session and medicine will be compounded to help and to hurt candidates already afield. This session promises more heat and color than any special session in years.

SUTTON COUNTY FLEECE TAKES SECOND PRIZE

Sol Mayer's wool fleece from a Rambouillet sheep took second prize at the National Wool Growers' Association convention held in San Angelo last week. The fleece, in exhibition in San Angelo were judged by national wool experts. A fleece from California took first prize.

Mr. Mayer has extensive ranching interests in Sutton and Schleicher counties. He also has interests in Colorado.

Wednesday evening at 1:00 p. m. to 1:30 p. m. in the High School auditorium, the students were entertained by Mr. Herrington, imitating nine different musical instruments. Each student was charged ten cents of which half of the proceeds were given to the V. A. C. boys to help pay expenses for their trip they are planning on taking in the spring to College Station. The program was enjoyed by all who attended. At the close of the program Mr. Herrington wished our boys good luck in the game the following day.

Courage counts a great deal in you life. Cultivate it.

BALD EAGLES FEWER

Juneau, Alaska.—In 1917 a bounty was placed on the bald eagle. Prior to 1927, 70,000 eagles had been killed. The bounty remains. The bald eagle has only one or two young ones a year. So had the passenger pigeon, the last of which died in the Cincinnati Zoological Garden. It seems as though the bald eagle too is well on its way to extermination.

We can't always accept a situation as a matter of course. There was that jolly old soul, for instance, who while on a little jaunt of his own boarded a train.

"Conductor," he asked while in a deep study, "how far is it from San Antonio to Austin?"

"Eighty miles," replied the conductor.

"Well then," still unconvinced, "how far is it from Austin back to San Antonio?"

"I just this minutes told you," said the trainman somewhat impatiently, "that it is eighty miles from San Antonio to Austin and it is of course the same from Austin to San Antonio."

"Oh no you don't," protested the jolly one, "There is no matter of course about it. It's only one week from Christmas to

Two men were talking about horse racing and remarking upon the silly names given to many horses.

"If I kept a race horse, I know what I should call him," said one. "What?" asked the other. "Change of a Dollar." "But that's absurd, isn't it?"

"Is it?" I tell me anything that goes more quickly."

If the starter on your car is not reliable, try to park on a grade. You can then start the car by letting it roll in high.

INTERMEDIATE NOTES

Geography Class
Miss Morris' geography class made booths last week. We are studying the New England States. We were divided into different groups. They were named for the states.

The Connecticut group won the blue ribbon.

Arithmetic Class
We are taking up decimals this week, and we are getting along nicely.

In the Home Room period, Mrs. Grady Kindrick taught us to carve soap. We each brought a bar of soap and a knife. We carved furniture and furnished a house. The house had five rooms and a bath.

The Juniors were proud that the Eagles beat Tivy last Thursday, and the thought of winning the District Championship makes us all feel mighty good. We feel like Junction is really on the map now.

It's kinda' hard to settle down and get to work after such a thrilling event. Everybody wants to talk about the game.

Although we are rather late in thanking those to whom thanks are due, we surely do appreciate the History Maps for the tenth grade.

Love is like an apple pie, a little crust and lots of apple sauce.

SENIOR REPORT

Some Senior girls who are in the pep squad attended supper at the football boys' camp Tuesday night.

Some of the Senior girls went to Roosevelt Monday to boost the game between Tivy and Junction.

Junction had two Seniors from San Antonio to visit them Wednesday. LaRue Newby from Brackenridge High School, and Lemuel Jones from T. M. I.

Miss Nevada Blackburn and Mr. Fred Beasley from Texas "U" were in Junction visiting.

The Seniors want their rings so they can show them to everybody.

Leonard: Buckshot, how many days are there in the year?

Buckshot: Well, let's see, there are three hundred and ninety-nine.

Leonard: Wrong.

Buckshot: Well, how many do you say?

Leonard: Well, there are seven (Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, Sunday) and if there are any more, you name 'em.

The Seniors want to help the football boys to win the bidistrict.

NEGRO CAN'T BE FIRED

The present tendency to refuse employment to men beyond middle age has no terrors for John Hyland, a Harlem negro, who has a life job as "superintendent" of the Empire Theater in New York.

John has been an attache of the Empire so long that the memory of man runneth not to the contrary. He was on duty opening doors of carriages for prominent playgoers before John Drew, Maude Adams and Ethel Barrymore became stars.

When limousines took the place of carriages, old John opened limousine doors. Through the years he was the soul of politeness and obliging service. But finally advancing age made it necessary to replace him with a more active man as door opener. And to the credit of a kind-hearted manager let it be said that John was not thrown into the discard. On the contrary, he was promoted to the position of "superintendent" with few duties ordinarily, and none at all if he doesn't feel like working.

Furthermore it was provided that each new lease of the theater contain a clause that John shall retain his job, whether he is able to work or not.

And old John is still as obliging and polite as of yore. To each new manager he explains "Ah goes wid de lease." Exchange.

PARENTS-THINK IT OVER

The future of your son or daughter is of uppermost importance to you. You want them to be a success and enjoy the comforts of life. It's really only a short step from childhood to manhood or womanhood. To the boy or girl it looks like a long step, but almost before they realize it they are thrown into the real world of action where men and women struggle for existence and supremacy. With in the last few years, almost unbelievable changes have been made in business methods, the complexity of which closes the door to the young person who has not been trained for business. One can hardly hope to succeed today without a training in the fundamentals of business. Such training, not only shows one how to do things, but it enables one to think, to judge, and to act intelligently. It is the necessary life that enables one to see things in their true state and to solve problems of business that creates a demand for their services high up. You do not want your son or daughter to have to be content with one of the "blind alley" jobs that lead nowhere and pay nothing. The kind that hold these jobs are leading little cramped lives filled with hardships because they failed to get, or were not encouraged, to take the training they should have had. Men become bank presidents, heads of corporations, railroads, etc., and women climb high in all lines of business because they prepare to do some one thing well. The Byrne Commercial Colleges are schools of opportunities. They give to every student an open field. A few months of Byrne training has placed thousands just like your boy or girl into places of prominence, responsibility and profit. This is a big world, jammed full of opportunities, but it is easier to fail than to succeed. If you will have us train your boy or girl, we will place them in a good position. The opportunity time is now. More people fail from "putting off" than from any other cause. Mail the coupon to one of our four colleges and we will tell you how anyone of our many business courses will place your boy or girl in a pleasant paying position. Byrne Commercial College, Dallas, Houston, San Antonio, Oklahoma City.

REMOVES INK ON LINEN
Mellow tallow poured over an ink stain on linen will remove the spot. When washed in warm water and soap both ink and the grease spot will disappear.
KNOW TEXAS
The Deepwater plant of the Houston Lighting and Power Co. is the largest single generating unit in Texas. It is rated at 100,000 kilowatts.
The Rio Grande Valley is to have what is claimed to be the "largest asparagus farm in the world." With 150 acres already planted, 850 acres more are to be put in this succulent "grass," according to the Donna News. Starting in 1927 the first crop was sold last spring and part of it was the first fresh asparagus on the market in the United States. Some of it brought \$1.45 a pound and the average production was 500 pounds to the acre.
If you go into second gear soon enough, you will seldom have to resort to low to make a steep hill.

A Shawl Worth \$200,000

This Paisley shawl, which has been in the family of Francis Scott Key for centuries, is shown here gracing Debora Key, a descendant of the man who wrote "The Star Spangled Banner." The shawl will find a permanent shrine in the former residence at Frederick, Md., of Chief Justice Roger Brooke Taney of the U. S. Supreme Court, the author of the 1857 Scott decision. Hammond Cary, a banker and collector of Americana, has bought the shawl and will place it with other objects relating to American history. Brides of Key men and daughters of Key men wore this shawl at their weddings.

Eagles Defeat Tivy to Win Championship

(By Carleton Wright)
On Thursday, November 28, the Junction Eagles defeated the Tivy Antlers by a score of 13 to 0.

The Antlers put up a hard fight, but they failed to stop the powerful Eagles. Only once did the Antlers get within scoring distance. This came early in the first half, but as the results of a fumble by Johnson, the ball went to the Eagles, who at once kicked the ball out of their territory.

Coleman made the first touchdown for the Eagles, but Hubbard failed to make the extra point. The second touchdown was made by Witt, and Ragland placed a pretty drop-kick through the goal for the extra point.

As a result of this game the Eagles are District 12 champions. They will meet the Granger eleven Saturday to decide the bi-district championship. The game will be played in Junction.

Harmonica Band Makes Appearance

The Harmonica Band made its second public appearance last week when it played before the Rotary club at the Fritz Hotel. The band, which is under the supervision of Mrs. Grady Kindrick, is composed of pupils in the A section of the sixth grade.

Mrs. Kindrick says that when school began none of these pupils could play at all. Now we know they can and the school is proud of them.

The 6-A class has a new pupil, Martha Hensley. It also lost a good pupil, George Everly.

SPEECH ARTS REPORT

Christine Schraub read a Thanksgiving reading at the Parent-Teachers' Association Monday.

Roberta Ragland served as program announcer on the fourth grade chapel program Thursday, and also read a child dialect.

Mrs. Conde Hardeman was invited to Rocksprings last week to address the Woman's Club there on the Little Theater movement.

Christelle Reid was absent from classes last week. She was in De Leon at the bedside of her grandmother.

New students enrolled in the Speech Arts Department during the past week are: Maud Boone and Jack Denman.

NINTH GRADE NOTES

Two new pupils joined the ninth grade Monday, Exa McElrath, from Coleman, and Emma Hensley from London.

Mrs. Dutton said we were going to have a "workout" in history the next three weeks. We began studying about the American Revolution Tuesday. We also are going to do work on our map books.

Mr. Moses—"What is your worst sin, Kalleta?"

Kalleta—"My vanity. I spend hours before the mirror admiring my beauty."

Mr. Moses—"That is not vanity, that is imagination."

Veola—"Do you play the piano by ear?"

Raymon—"No, I play it with my fingers."

Pep Squad Performs at Game Thursday

The Pep Squad Girls attended the game one hundred per cent strong.

As the boys came on the field, the girls stood up as a sign of loyalty to the Eagles. The girls yelled as they never yelled before, and co-operated closely with each other and their leaders by constantly being on the alert for signals.

The girls were dressed in their uniforms and wore turkey bells around their ankles. At the half they marched out on the field and formed a "J" for Junction, "H" for High, "S" for School. While they were in "H" formation, they gave three yells in which they waved their black and gold handkerchiefs. At the signal of the leader they ran off the field yelling and waving their handkerchiefs.

The Pep Squad Girls will assist the District Champion Eagles to win Bi-District.

HABITS

We are accustomed, due to our lack of understanding of the true meaning and too long misuse of the word, to think of the word HABIT as something bad.

This is not true. Generally habits are good. Bad habits are the result of man's laziness. They are time savers, for given two ways of a thing, who will not choose the starter. The saving of energy, which would otherwise be wasted, is thus directed to things outside the routine, in short, progress.

The ability of man being able to form good habits shows strength of character and mental strength. Often the formation of good habits done unconsciously, while bad habits are unnatural and must be cultivated to be acquired. They are premeditated and consciously acquired.

Habits, good or bad, once formed, become as much a part of the individual, almost as his name. By them his reputation becomes established and his character may even be determined.

Form the habit of forming good habits.

ENGLISH CLUBS ARE ORGANIZED

Good English clubs have been organized in the 6-A section, and the class has been divided into two divisions, the Owls and the Hawks.

The Owls have elected Lenore Riley for president, Leola Jetton for secretary and Bill Barnes for yell leader.

Aim—Be better speakers and writers.

Colors—Green and white.

Motto—Always busy, work till we're dizzy.

With New York as the starting point and San Francisco the destination, the Owls are using hardest efforts to win. Points of mileage are given for posture, lessons, conduct, etc.

The Owls are now twenty-five miles ahead of the Hawks.

Two new pupils entered the seventh grade—Rosemary Pool and Ruth McElrath.

The literary clubs failed to meet last week, as we were having Thanksgiving holidays. We expect to have more business than usual to attend to at our next meeting.

Junction Trade Notes

(By G. G. Co.)

Christmas turkeys in Junction are selling at 15 cents. The San Antonio market offers only 18 cents. At Taylor, Texas, a resourceful farmer is using his steam pressure cooker and canning his turkeys for future sale. The Bureau of Agricultural Economics in Washington is encouraging sale of half turkeys to small families to relieve the low price situation. The bond and stock market in New York is said to be getting back on its feet with prospects of becoming "in statu quo," which in the language of the street may mean "helluvafix."

The approach of Christmas suggests the mailing of Christmas packages early. Prompt mailing not only helps the Junction office and its clerks but likewise makes it easier for the ones handling the Christmas mail at points of destination.

Seasonable foods in stock: Prepared cranberry sauce, in tins.

Cross & Blackwell's bramble jelly and marmalade; other C. & B. products.

Finest quality currants, muscat raisins, dates, nuts, other fruit cake ingredients. Fancy fruit cake ingredients. Fancy canned pumpkin.

Smoked herring, spiced herring rolls, salt mackerel in kits, codfish in bricks and shredded; anchovies in glass jars; Sour Kraut in kegs for those who like it that way. Gann Grocery Company.

Robert Goodfellow of State Comptroller's Dept. came to Junction for his annual fall hunt which was amply successful, he said. . . . The prize buck of the season, 21 points, was reported hanging in camp Wednesday on the Hamilton-Peasley ranch. . . . Gov't trapper Graves consumed a month's good work Wednesday when he caught a 50-lb. gray timber wolf on the Roy Blackburn South Llano ranch. There is said to be evidence of another wolf in the same vicinity.

C. W. Martin of Coleman, president Martin Brick Co., which they manufacture the finest brick in Texas, was a business visitor to Junction during the week. This was Mr. Martin's first visit to the "Land of Living Waters" and he will come here for his next vacation, he said. The family of L. E. McClath recently arrived from Coleman and are domiciled at McWright's park. Mr. McClath is employed with the Junction Sheet Metal Works.

Spikes Bros. quality brooms, 45c to \$1.00, including ware-house brooms. Gann Grocery Company. Christmas Candles in bulk.

Mr. M. Adams of London marketed white corn (35 bags) in Junction during the week. . . . This spare tire on Weldon Williams' car was stolen Monday night from in front of his place of residence. . . . F. L. Wilson was able to be at his office Wednesday after an illness which he based on pneumonia.

"That's a pretty bad cold you have, old man. What are you doing for it?" "Today I'm doing what Jones told me to do. It's Brown's day tomorrow, and the next is Smith's. If I'm not better by Sunday, I will try your remedy. Just write it down on this card, will you?"

Having "Trimmed Tivy" for the district championship, Junction Eagles will meet Granger Lions in the bi-district championship on the local football field Saturday, the 7th, at 2:30 p. m.

Gann Grocery Company
"Everybody's Store."

Mrs. John Molesworth and Miss Charlotte Molesworth of San Antonio arrived Thursday for a visit with Mr. and Mrs. A. L. Mudge.

Mr. and Mrs. Neal Rhodes and son, Billie Neal, of Breckenridge are visiting Mr. and Mrs. Alfred Wood.

Cars washed and greased right at
32c Powell Motor Company.

Eagles And Tivy

(Continued from page 1)
calling punts when they should be called, we could concede him a perfect game at that position. Johnson of Junction played a good game throughout. It would be useless to attempt to count the number of men Johnson took out of play in that game Thursday. Richardson, Ake and Hubbell turned in excellent games.

Breaks Leg
But the victory Thursday was won by a high price for the Junction team. L. E. Dunbar, one of the most consistent high school ends we have ever seen, received a broken leg in the game. The bone was broken below the knee. Even with the fractured member, Dunbar begged to be allowed to remain and witness the game. It was the first time this year that Dunbar ever had time out called for him. He was a player that could be depended upon consistently, and his loss will be felt by the entire team.

Dietert, Johnston and Brown were all stars for Kerrville. Osborne also turned in a nice game. By defeating Tivy, Junction is champion of district 12 and is eligible to meet winner of district 15 for the championship.

Mr. J. S. Munn and family went to Burnet Saturday where they attended the funeral of Mr. Munn's mother, Mrs. Dan Munn.

V. P. Emmons, local manager of the West Texas Utilities Co., was a business visitor to Abilene Wednesday.

Mr. and Mrs. E. T. Whittle and children of Rocksprings visited the D. T. Whittle family here Sunday.

Mr. J. C. Baylor has had good luck with his hunting. Last week he bagged a big buck and this week brought down a fine gobbler.

Mayor Tom Motley of Miles, spent the Thanksgiving holidays here with his daughter, Mrs. C. W. McCarroll.

Mr. Troy Hocker of Hackberry visited in the home of Mr. and Mrs. D. T. Whittle Sunday.

Miss Etty Barnes of San Antonio has accepted a position with Philip Joseph.

Miss Virginia Van Hook who is attending Baylor College at Belton, Texas, spent Thanksgiving with Mrs. Emil A. Loeffler. Miss Van Hook's home is in San Diego, California.

Miss Bernice Sutton left today for Denison where she will make her home with her sister, Mrs. Dave Smith.

Louis Loeffler and George O'Brien of San Antonio spent last week-end in Alpine.

Dr. and Mrs. J. Fred Burt and children spent the Thanksgiving holidays in San Antonio.

Junction vs Granger

(Continued from page 1)
and summing up the fact that the game will be played on the local field, we predict the score will be 19 to 6.

Mrs. Philip Joseph was a week-end visitor in Mason.

For Sale—30-30 rifle; 4-burner oil heater; white porcelain tables; new plate mirror 3x4; used mirror 18x40 inches, oak frame; 2-wheel trailer; 3 dozen white Leghorn hens and other items. Real bargains.
