TORNADOES TO MEET FORT WORTH TECH FRIDAY

Opening Enrollment of City Schools Tops Previous Years

High School Now Boasts Largest Enrollment Ever

1412 Enroll Opening Day Of New Term

The Lamesa public schools opened last Monday morning with 869 pupils present at the elementary school, 516 were counted and classified at the high school and 28 were enrolled in the colored school for a total of 1412 pupils.

Fifteen other pupils came to report on Tuesday to raise the total to 1427. It is estimated by the school officials that there are many children who have not entered yet. These will appear when recovered from sicknesses in some instances, when decisions as to residences are reached in others, and when the crop gathering season is over in others.

The first day enrollment was 48 pupils higher than the 1938 opening day, but it is expected that the gross enrollment for the school year will pass the 1800 mark established last term.

The most congested conditions prevail in the high school where more pupils are enrolled than at any other time when actual attendance is considered.

Among The Younger Set

Photos By Ash Studio

This week the Courier is happy to present His Majesty, Alvin Ray Smith, as the reigning monarch of all the Younger Set in Dawson County for this week. He is the son of Mr. and Mrs. Montell J. Smith. He was born Sept. 28, 1934. He has brown eyes and blond hair. He likes to play ball.

American Legion Officers Will Be Elected Monday

All Ex-Service Men Invited To Meeting

The Allen Houston Post of the American Legion will hold a meeting on Monday evening, Sept. 18, at 8:00 o'clock at the Legion Hall, for the purpose of electing officers for the ensuing year.

A nominating committee composed of Sam Richardson, chairman, Caryl Baldwin, and J. F. Smith, are expected to report and nominations may be made from the floor.

It is stated by the retiring commander, V. Z. Rogers, that the problems now confronting this nation are so urgent because of their importance that the American Legion is called to renewed activity. There is expected to be many opportunities for service to this nation and to our community which will (Continued on Back Page)

T. J. Stanley, 66, Dies Monday In A Local Hospital

Death Follows Short Illness After Operation

T. J. Stanley, 66, retired Dawson County farmer, passed away in a local hospital Monday morning at 1 o'clock following a short illness.

Mr. Stanley entered the hospital Sunday, September 3rd for surgery, and his condition was thought to be improving, but he took a turn for the worse Sunday night, and despite loving hands, skilled physicians and nurses, he passed to his reward.

Mr. Stanley was a native of Alabama and lived there until 1920, when he came with his family to Dawson County, purchasing a farm in the McCarty community, where he lived and operated it until his retirement in 1938. He completed a new home at 305 North Katherine Street only a few months ago where he and Mrs. Stanley and a daughter lived.

Mr. Stanley was a Christian man and had been a member of the Missionary Baptist Church for many years prior to his death. His friends were numbered by his acquaintances.

Besides his widow he is survived by five daughters and six sons, all of whom were in attendance at the funeral except one daughter who lives in Miami, Florida.

The daughters are Mrs. J. G. Graham, Union Springs, Alabama, Mrs. W. A. Graham, Eclectic, Alabama, Mrs. H. A. Shipp and Mrs. Arline Vismant of Lamesa, and Mrs. Lee Jones of Miami, Florida. The sons are T. J. Jr., Frank, Paul, Herman and Marshal Stanley of Lamesa, and Dewey Stanley of Letulums, California.

Funeral services were held at the First Methodist Church Wednesday morning at 10 o'clock with his former pastor, Rev. W. B. Wage, of Morton, Texas, assisting Rev. Willie Lee, local pastor of the Missionary Baptist Church, in officiating. Interment was made in the Lamesa Cemetery.

Mr. and Mrs. J. D. Braswell were in Christoval over the week end.

Loo Randals Is Feeding Out 1114 Lambs In Northeast Edge Of Town

Dr. Tanner And Cutler Opening Drugless Clinic

To Begin Receiving Patients On Monday

Announcement is made this week by Drs. Myron A. Tanner and Hall W. Cutler, the opening Monday of The Lamesa Drugless Clinic in the Dal-Paso Hotel building on South First Street.

The building has been completely redecorated and partitioned to especially fit the needs of this modern clinic.

With the latest type of laboratory equipment, backed by wide education and experience in their field, The Lamesa Drugless Clinic is said to be one of the best equipped in the State. Their service will include Chiropractic Adjustments, X-Ray Treatments, Physio Therapy, Colonic Therapy, Supplemental Nutrition, Corrective Diet, Steam and Mineral Baths, in which two departments are provided, for both men and women.

Dr. Tanner received his high school education in the Scotts Bluff Nebraska High School. Upon his completion there he took some premed work, later entering Lincoln Chiropractic College at Indianapolis. (Continued on Back Page)

MANY PENS SOLD IN CITY

Bryant Pharmacy, on the northwest corner of the square, reports a phenomenal sale of fountain pens following an ad which ran in the Courier two weeks ago.

A special offer was made for Friday and Saturday only, and special purchases were made of a large supply of these pens. They report practically a clean sell-out of the pens.

The only publicity given this sales event was an ad which ran exclusively in the Courier.

Thus again Courier advertising has gotten the job done for an advertiser. With a circulation that is paid up, signifying that the people want the paper and read it, reports such as this are heard almost every week by the Courier. Courier advertising really pays off.

WARDEN HARRIS ISSUES WARNING TO TRANSIENTS

Transient Must Get Hunting License

Law regarding hunting with a gun: Any person hunting out of the county of his or her residence with a gun, must have in their possession a hunting license. A person to be a resident of a county must actually reside in the county for six months.

This law applies to transit cotton pickers, mechanics, etc. So if you have a bunch of mechanics on your place who wish to hunt rabbits, it will be necessary for them to buy hunting licenses to hunt with a gun. But if they hunt without a hunting license and get fined please do not misrepresent it by telling that the warden stuck your Mexicans for hunting rabbits, when he was not fined for hunting rabbits, but was fined for hunting with a gun without a hunting license.

We have one of the finest crops of quails that we have had in years, so why not protect them? Scientific investigation shows that the transients kill over twice as many quail as all the sports, farmers and ranchers put together. So please warn your cotton pickers to refrain from killing quail during closed season, and it is also a violation to trap any game bird or animal. Also warn him that if he hunts he will have to have a hunting license.

We have had a wonderful spirit of cooperation between the wardens, farmers, ranchers and sports. Farmers and ranchers have fenced off small plots for nesting quail. Highway foremen have put off cutting weeds on the right of way in order not to molest nesting quail. So let us keep the good work going.

T. A. HARRIS, State Game Warden.

New Plymouths Shown By Martin

Martin Motor Company, Lamesa dealers for De Soto and Plymouth automobiles, announce the arrival of the new 1940 Plymouths in their show rooms at the corner of North First and Houston Streets.

There are many improvements in the new models. A wider, lower and roomier body is stressed, as well as many mechanical improvements. Longer lines with an improved luggage carrier, wherein the spare wheel sets in an upright position, partitioned off from the luggage for easier accessibility, are among the other changes noted.

Many people of the section have viewed these new cars.

Golden Tornadoes Take Tahoka Bulldogs Friday In Opening Grid Battle

Last Friday night saw the 1939 football season inaugurated, when Tahoka sent her high school Bulldogs to Lamesa to engage the Golden Tornadoes.

Although the Bulldogs lost, they gave the Tornadoes a run for their money, and during the first half, held the locals scoreless. In fact it seemed that they outplayed the Tornado machine.

Coming back in the second half, the locals seemed to gather steam as they went, and they swept over three touchdowns to win 19 to 0.

Tahoka had one man in the backfield, Max Minor, that received instant recognition from the fans. He smashed his way through the line, around the ends, twisting, and sidestepping, in a beautiful exhibition of ball carrying as he was reeled off on the local field. The Tornadoes succeeded in tag-

SINGING AT WOODY

Announcement has been made this week of the Third Sunday Singing at Woody next Sunday, September 17th, at 3 p. m.

According to those in charge of the affair a cordial welcome is extended to everyone, including old, middle aged and young folks. There will be special numbers which will be interesting to every lover of good music.

LOO RANDALS HAS UNUSUAL PLACE

Above is shown the beautiful two-story home of Mr. and Mrs. Loo Randals, located in the northeast edge of Lamesa. The home contains every modern convenience which is known to modern architecture. Beautiful lawn, flowers, shrubs and trees, make it one of the show places of this section.

Above are Mr. and Mrs. Loo Randals and their little granddaughter, Darlene Sprawls, daughter of Mr. and Mrs. Darwin Sprawls. The picture was taken on the north side of their beautiful home in northeast Lamesa.

Pictured above is a part of the flock of lambs which Mr. Randals is feeding at his place near Lamesa. There are 1114 lambs being fattened, besides more than a hundred head of breeding stock, all of which are housed and cared for on the Randals place. Although none of the sheds appear in the above picture, there are enough of them to house every sheep on the place at the same time.

Stanolind Well Acidized And Shot But Authentic Results Still Unknown

Authentic information concerning the Stanolind Oil and Gas Company No. 1 Jeanette B. Raynor discovery well in Eastern Gaines County, is lacking as the Courier goes to press.

It is understood that after the well was treated last week with acid, even though the production was slightly increased, it was deemed necessary to shoot the well.

It is reported in Lamesa that the hole was shot with 615 quarts of nitro-glycerine Tuesday afternoon, but just what results were obtained have not been ascertained here.

In swabbing operations last week, the well produced approximately two hundred barrels per day and it was hoped that this would be greatly increased following acid treatment.

Storage tanks have been built at the well site and everything is in readiness to give the well a thorough test.

With the formation shown in this well, many oil men have predicted that it was a potential producer of several hundred barrels daily, but whether these predictions will prove true or not, remains to be seen, unless information to the contrary is being withheld.

State Designation Now Official On Brownfield Road

Word Is Received In Lamesa This Week

The following letter received this week by Sam Richardson of Lamesa, from Harry Hines, Highway Commissioner, is self explanatory.

This project has long been a cherished dream of road enthusiasts of this section, and it is with a great deal of satisfaction that they realize the fulfillment of that desire.

"The Highway Commission, by Minute No. 14996 ordered that when Dawson County had secured the right-of-way from Lamesa to Welch and had constructed the grading and drainage structures on the seven mile section of highway from Lamesa northwest that this section of the road between Lamesa and the Terry County line would be automatically designated as a state highway.

"Dawson County has secured the (Continued on Back Page)

New Grocery Now Open In Lamesa

The Ideal Food Market announces the opening of their modern food store in the Yates Building on North First Street.

The store is owned by Grover Wilkes, Emmett Peterson and O. C. Speck Messrs. Wilkes and Peterson will be actively engaged in the operation of the business.

Their new store is thirty feet wide and faces the south, which affords them ample ventilation in the summer and a warmer building in the winter. They are stocking with brand new merchandise this week and besides a complete stock of staple and fancy groceries, they will feature fresh meats and vegetables.

Your attention is called to their opening ad in this issue of the Courier.

Strong Cow Town Team Will Test Local's Strength

New Stadium Will Be Dedicated Then

The football fans of this immediate vicinity will with interest Friday night's game between the Lamesa High School Golden Tornadoes and the Technical High School of Fort Worth when they meet on McCollum Field.

Two observers from Conference 3AA were in the stands last Friday night at the game with Tahoka, and one of them, Tom V. Watson, seemed impressed with the possibilities of the Lamesa team. The reaction as reflected in the San Angelo Press was contained in the headlines, "Lamesa Not So Ruf-Ruf." However, by Tuesday, they had learned that the Tahoka team had one of the best ball carriers to be found in the western country and after having received some reports from the Lamesa game they revised their comments in the San Angelo paper. This paper is received by the Lamesa High School.

The games with Fort Worth on Friday night, September 15, and with the 1938 champions of New Mexico, Raton High School, on the night of September 26, will indicate to the fans what they may expect from this year's football squad.

Coaches and boys are working daily in an effort to be prepared for these two games which are regarded to be among the hardest contests to be played here this season.

Each of the visiting teams is coming to Lamesa with a fine record of past performances and according to reports each is expected to stand high in its respective conference.

More interest will likely center about the conference games to be played with Abilene, Odessa, San Angelo, Big Spring and Midland, but it isn't expected that the boys will have to extend themselves any more to achieve a victory or tie a score than against the competition for the next two games. Lamesa's rating by the conference for fan's publicity will likely be indicated by the showing this and next week.

Begin Remodeling Of Collins Store Front This Week

Will Be Among Most Modern In State

A large crew of workmen, under the supervision of Allen and Waller, local builders and designers, began the remodeling of the Collins Dry Goods Company building on the corner of North First and Austin Streets this week.

The old awning will be demolished, and the entire front of the building is being smoothed preparatory to finishing in white Oriental stucco. The top of the wall has also been brought down to a level.

The top will be trimmed in black, which will give the entire front a modernistic touch.

A roll down awning will provide shelter from the sun and can be raised when not in use. Just above the awning will be large protruding letters spelling the name of "Collins", while on either side, molded in glass will be "Men's Wear" on one side and "Ladies Wear" on the other.

It will be recalled that only a few months ago this company had the front of the building modernized by covering all exposed pillars with black glass tile. This however, only came as high as the old awning, and will not be disturbed in the new program, but the upper part will be built in harmony with the lower completed section.

When completed this store building will be one of the most modern to be found in the entire southwest.

ANNOUNCING

It Is With Exceedingly Deep Pleasure That We Announce The Opening Of The

Lamesa Drugless Clinic

In the Dal-Paso Hotel Building on South First Street, Lamesa, Texas

We will open our clinic to the people of Lamesa and surrounding territory next Monday morning, September 18th at 9 a. m. And for the week we offer a special service to the sick and ailing . . . You who have attended our clinics in Lamesa are familiar with the service we give, but now we are even better prepared than ever before, with new and finer equipment, and for this week we will be assisted by a group of expert technicians, which will insure prompt and efficient service to all.

One Of The Best Equipped

With the purchase and installation of the very finest equipment on the markets today, we offer you one of the best equipped offices and clinics in Texas. It is with a great deal of pride and satisfaction that we call your attention to the special equipment which we have installed as a protection for your health. Among the services which we will offer in this new and modern clinic will be

- CHIROPRACTIC ADJUSTMENTS
- X-RAY LABORATORIES
- PHYSIO THERAPY
- COLONIC THERAPY
- SUPPLEMENTAL NUTRITION
- CORRECTIVE DIET
- STEAM AND MINERAL BATHS
In two departments for men and women.

Experts from the different factories have been busy throughout the past several days installing the finest electrical equipment on the market, including among others

- SHORT WAVE DIATHERMY
- POLYSINE GENERATOR
- COLON THERAPY UNIT
- X-RAY EQUIPMENT
- AS WELL AS OTHERS!

During the opening of our clinic these expert technicians will assist us in the operation of the different equipment.

Experienced Technicians

Our personnel consists of Dr. Myron A. Tanner, graduate of Lincoln School of Chiropractic, in Indianapolis, Indiana, who has had wide experience in the practice of his profession, and who is familiar to many people of this section, as he has operated Health Clinics in Lamesa for more than a year in the office of Dr. Hall W. Cutler. Dr. Hall W. Cutler needs no special introduction to the people of this territory, having practiced the profession of Chiropractic in Lamesa for many years. We have both had wide experience in the profession as well as the operation of the instruments which make up our clinic.

Formal Opening

We will hold open house next Monday, Wednesday and Friday, September 18-20-22 from 7 to 9 p. m. at which time we invite every citizen in this territory to come and visit us. We shall be glad to explain to you just what each instrument will do and of course you are not obligated to us in any manner. We are proud of what we have and want you to see it!

 "WHERE YOUR MONEY BUYS MORE"

Alliance has been assured that Bro. Berry Baker will speak on the court house lawn this Saturday at 3:00 o'clock. Brother Baker is well known in Lamesa territory and should receive a good hearing at this time.
 The speaker this past Saturday was Brother R. R. Cumble of Ackery. He brought a helpful message on a prophecy recorded by Ezekiel. Each of these services is vastly worthwhile. You ought to attend them.

REVIVAL IN PROGRESS
 Hear the 18-year old Davis twins evangelist preachers and radio singers of Brownwood, Texas. Services each evening at 8:15 p. m. The Assembly of God Church, Rev. John Wharton, pastor.

PENTECOSTAL CHURCH
 1600 North Second
 Revival now in progress with Elder A. B. Hunt, of Gorman, doing the preaching. Good music and singing. Everyone cordially invited. Services each evening at 8:15.
 Subjects: Friday night, "The Filling of Baptism of the Holy Ghost and Who It Is For." Saturday night, "Baptism by Immersion in the Name of Jesus Christ." Sunday night, "Who Is God?" A hearty welcome to all.
 Elder D. F. Berry, Pastor.

HIWAY BAPTIST CHURCH
 All services at the Hiway Baptist Church were well attended last Sunday, and particularly was there an unusual interest in the night service when the pastor brought a prophetic message dealing with the present European situation. In the congregation were visitors from Midway, Five Mile, Ackery, Sparenberg and Klondike.
 Next Sunday morning at ten o'clock the Sunday School Superintendent, Howard Moore, will lead all classes in a review of the books of Ezra, Nehemiah and Esther, thereby concluding a one year study of the History of the Kingdom.
 The night services will begin with singing at 7:45, and the sermon at 8:15 sharp, when Rev. Denning will preach on "The Judgment—Will the Child of God Face Judgment?"
 Mr. and Mrs. Aubrey Thompson

If so, When and For What?
 All friends are invited to come bring your Bibles and be on time for the preaching will begin promptly at the time announced.

BATTLE CREEK HEALTH FOODS

For which we are exclusive dealers in Lamesa will be on display in the lobby of the

LAMESA DRUGLESS CLINIC

When they open to the public next Monday morning. Ask the technicians in charge about the qualities of these foods when you visit them.

We carry in stock these health-giving products and invite you to come in and let us explain what they have done for others and what they will do for you!

CONGRATULATIONS

We offer our congratulations to Drs. Tanner and Cutler on the opening of their new clinic, and welcome them as a neighbor.

Hull Bros. Grocery
 PHONE 146 WE DELIVER

Congratulations . . .

We are happy to join in extending our sincere congratulations to Drs. Tanner and Cutler upon the opening of the

Lamesa Drugless Clinic

That our firm was chosen to supply the furniture, floor covering and other appurtenances in their lobby, makes us doubly proud of this new institution.

WOODY
Arlene Drannan

Naomi Davis, Arlene and Thelbert Drannan left Sunday for Abilene where they will attend Abilene Christian College.

Cran Lewis spent Sunday with Pete Cox of Lamesa.

We are glad to relate that Mrs. C. L. Billingsley is improving and will be brought home next week.

Mr. and Mrs. F. C. Drannan and daughter, Aladine, visited relatives in Fisher County, Sunday.

Arlene Drannan spent Friday night with Mrs. Pat Boatright.

Raymond Robinson is visiting relatives in Waco this week.

Miss BeBe Reed spent Friday night with Mrs. Raymond Robinson.

HANCOCK
Jack Meares, Jr.

Sunday school was not so well attended Sunday. There were only 68 present.

Mr. and Mrs. Contrell of Tulsa, Oklahoma, Mr. and Mrs. J. O. Bell of Roby visited in the Fred Bell home last week.

Mrs. W. F. Lisenbee attended the Association meeting at Seminole Tuesday and Wednesday.

Mrs. Carl Johnson who has been visiting relatives here has returned to her home in New Mexico.

C. T. Beckham of Lamesa was a guest of Lynn Ranson Wednesday night and Thursday.

Vanie Miller went to Lubbock Saturday.

Mrs. Ben Dopsen was carried to a Lubbock hospital Saturday night.

The Stephens reunion was held Sunday in the Lubbock park.

Willie Lisenbee of Denver City is visiting his parents, Mr. and Mrs. W. F. Lisenbee this week.

K. Stephens is pretty sick at this time. We hope for him a speedy recovery.

We are glad to hear that Granddad Meares is getting along fine.

Archie McCurry led the Young People's prayer meeting Sunday night and Ralph Ranson led the married peoples.

Mr. and Mrs. Jackson of Leveland visited in the W. V. Evans home, Sunday.

Mr. and Mrs. Ralph Ranson, Miss Mary Bob Harrell and Mr. Vanie Miller were honored last Monday night with a welcoming back to the new school year. There were plenty of music, cookies and punch. About 75 guests were present.

Pals Sunday school class enjoyed a party at the school house Tuesday evening. Games were enjoyed and watermelon was served to about 35 young people.

KEY
Denver Truitt

A large crowd attended the second Sunday singing here Sunday afternoon.

School opened Monday morning. All pupils and teachers were glad to be back in school.

Wilda Badenhamer of Brady is visiting her sister Mrs. Jessie Sam Allen.

Russell Calhoun who has been at Brownfield training for football has returned home.

Mr. and Mrs. Dock Riley who have just completed a new home in this community will move this week.

Mr. and Mrs. Bill Orson and family have returned from a trip to New York.

Mr. and Mrs. T. M. Ellis and family and Mr. and Mrs. Byron Southard and family spent Sunday in Tahoka.

Darlene Riley underwent an appendicitis operation Saturday. She is reported as doing nicely.

A large crowd of young people at-

MIDWAY
Donnalita Love

Sunday school and B. T. U. were well attended Sunday morning and evening.

Add Dean of Anson is here visiting relatives this week.

Mr. and Mrs. S. O. Nowell and son Ferris were in Abilene Saturday where Ferris remained to begin his third year in A. C. C.

Mr. and Mrs. Roy Love and little son, Rodney, and Mrs. W. V. Love visited in Jones and Haskell counties last week.

Mr. and Mrs. Jeff Dean of Fort Worth are visiting his parents, Mr. and Mrs. Claude Dean.

Aubrey Robinson and his sister, Evelyn, visited friends in Stephenville last week. They had the misfortune of wrecking their car while away. The accident was caused by a blowout. Neither he nor his sister were seriously injured although they both received a few scratches.

Mr. and Mrs. S. O. Nowell visited their son Lloyd Nowell of O'Donnell Friday.

Conn L. Taylor of Abilene is here visiting friends.

Mrs. Bill Love, Mrs. W. B. Burleson, Mrs. Clyde Gibson and Mrs. Curtis Woodward were joint hostesses at a bridal shower given in the Bill Love home on Tuesday of last week honoring Mrs. Lloyd Ford. Delicious refreshments of punch and cake were served to some 70 guests.

Many nice and useful gifts were received and many gifts were sent by those who were unable to attend.

Mrs. J. H. Hardesty of Lamesa and her music pupils gave a recital at three o'clock at the Midway Baptist Church, Sunday afternoon. Everyone enjoyed the good music and singing.

SEE how many public benefits brewing has helped create in only five years! How can the brewing industry preserve these benefits for the people and itself?

The answer, brewers realize, lies in with the distribution of their mild, wholesome beverage through responsible retail outlets. Obviously, the brewers can enforce no laws. But they can—and will—cooperate with all law enforcement authorities to the end that retail beer outlets give no offense to anyone.

May we send you a booklet giving interesting facts about beer, and discussing the brewers' self-regulatory program? Address: United Brewers Industrial Foundation, 19 East 40th Street, New York, N. Y.

THE WEEK OF SEPTEMBER 18 HAS BEEN DESIGNATED

Silk Week

SEE THE SPECIAL SILK DISPLAYS AT OUR STORE...

If it's elegance you seek... If it's wear you wish... If it's long run economy that persuades you... You will make no mistake in deciding that your new clothes will be of silk...

THE SECRETS of a good SILK dress:

- Strength that means added wear and added clothes comfort.
- Elasticity without stretching—which means the dress will wear and clean and hold its shape.
- Lightness that seems to impart something of its own buoyancy—will not weigh its wearer down.
- Affinity for dyes that means in the hands of a good dyer, lovely shades whether one's taste is for pastels or brilliant hues.

OUR SILK DRESSES HAVE IT ALL!!!

Magnificent, handsome, stunning, were the adjectives that greeted the SILK BROCADES, SILK SATINS, SILK TAFFETAS, SILK VELVETS, etc., featured by the Paris coutouriers... you will find them all in our piece goods department.

The oft repeated phrase, "fine as silk" clearly reveals the supremacy of that fabric. Most people know there is nothing as fine as silk, but few people realize that a single small thread of silk, such as used in our fine silk hose, is stronger than steel of equal size.

ALLEN HARDWARE CO.

Fine Recording Machine Gift Of Senior Class

The senior class of 1939 left a gift to the high school in the form of a substantial payment on a phonograph record making machine or instrument, listed at \$475. The deficit is \$140 which will be raised this school term.

The instrument was chosen because of its high fidelity in recording voices and instruments, as spoken, sung or played, and because of the great possibilities a record offers to students in hearing themselves for the purpose of making improvements. The presentation was made in a record by and for Bob Smith, president of the class of 1939 before his departure for John Tarlton College, and by the co-class sponsor, Mrs. Ruth McLaughlin. The record of acceptance was made by Supt. V. Z. Ragers. This record will be heard by the student body in the near future.

Provisions have been made for the making of personal records for individuals or groups of persons who may desire them at a very nominal cost. Mrs. McLaughlin will be in charge of the record making. The installation engineer, Mr. Munson, representing the state distributor for RCA Sound Equipment Company, made the local installation, and stated that the Lamesa school system now having an instrument of this type and quality. A few others own simpler and less accurate machines. The instrument is adapted to use with the public address systems in the high and elementary schools and in connection with phonographs at homes of pupils or with those at the schools. Individuals interested in record making for themselves or groups are invited to make inquiry at the high school.

RAINFALL FOR COUNTY

Due to lack of moisture some crops in the Lamesa area are going to be below the estimated yield. Farmers who have had near normal rainfall and have conserved it are assured a fine crop while on other farms where the rainfall has been far below normal or where part of the moisture was lost through run-off the yield is being cut short.

The Soil Conservation Service has ten rain gauges distributed over the Lamesa area, and the chart shows the rainfall by the month for each of the gauges:

Location of Rain Gauge	Jan.	Feb.	March	April	May	June	July	Aug.	Total
Lamesa Camp	3.41	0.00	0.34	0.80	0.88	2.00	1.75	1.43	10.61

Final Changes In School Bus Law Is Explained Here

Some Problems Are Remedied In Change

The rules and regulations of the Legislative committee for the operation of buses over the State during the 1939-40 school year were received Wednesday at the County Superintendent's office and will be final decision for this year it was stated.

The committee ruled that children over seventeen years of age and under twentyone could ride the bus free of charge but that the school officials could not apply for state transportation aid. They also stated that free transportation would be permitted those children living less than two and one-half miles of school, provided, this arrangement does not increase the length of the route and that the bus is not loaded. In other words, the cost of transportation must not be increased because of hauling these children and the Deputy State Superintendent must approve the setup.

It was also stated that teachers, janitors, library workers, cafeteria workers and others connected with the school system may ride the bus free of charge.

As for the children who have transferred from their home district and whose grade is offered at home, the ruling states that they must have the permission of their local board filed with the county board in giving permission to ride and then that the county board must give their permission. These children may then ride the bus provided each child pays his own transportation cost, to the county superintendent, who in turn reports it to the state department of education and then deposits it to the local school account.

South Plains Fair Ready For Opening

Lubbock, Sept. 13—In another ten days or so the 26th annual Panhandle South Plains Fair will be in full swing.

Announcement was made this week by Fair officials of the signing of the contract with Ace Lillard and his Death Defiers to present one of the most sensational and thrilling exhibitions ever staged in the Southwest. This auto thrill show will be held Friday and Saturday afternoon in front of the grandstand.

Fighting with the Grim Reaper every minute of the two hour show, these daredevils will put their cars through routines foreign to this section of the state. Crashing a brick wall, leaping the leap of death, tail spins, ski jumps, mid air crash at 80 miles an hour impact, and many many other breath-taking stunts, will furnish spectators a thrill a second.

Final touches are being put on exhibit buildings as painters finish their work. Trees have been trimmed and the grass cut, all making ready for what promises to be the best fair in the history of the association. The new drinking fountains are now ready for the Fair patrons, young and old, to use.

Wednesday and Thursday will be children's days, so officials announced. Each county and city school superintendent has been notified of their particular day.

Exhibitors are showing a marked increase in the exposition this year. Already more than 30 counties have made reservations for county exhibits and a large number of community exhibits. Individuals have already made reservations for livestock and agricultural exhibits.

Propaganda To Flood Radios

Warning that "propaganda of staggering proportions" may flood America's fifty million radio listeners from both sides of the European front, was today voiced by T. H. Shelby, University of Texas extension dean, for two years holder of a Rockefeller radio research grant.

"Even now, all the broadcasts we are getting are censored by European countries where they originate," he pointed out.

The English government has already taken over complete control of radio broadcasting, he said, while Germany not only controls broadcast radio broadcasting, he said, while casting but listening as well.

Healthy Children Make Good Pupils

Thousands of Texas children, armed with a shiny new pencil case and a book strap, are trudging back to school this month. Fresh hair cuts and new clothes will be evident for the first morning of school and anxious mothers will be making last minute preparations.

But Dosca Hale, specialist in parent education and child development for the A. and M. College Extension Service, points out that there is a deeper readiness than this—the readiness parents have been slowly building throughout the child's infancy and pre-school years.

"If the child is to give the most and get the most from this new school world, he will need the best possible health to work hard and play hard," Miss Hale says. "Parents need now to know the special needs of their own children—especially the amount of food and rest which they require."

The specialist points out that many children start to school every fall with handicaps that could be corrected or greatly improved by proper treatment. Among these handicaps are weak lungs, and hearts, defective eyesight or hearing, diseased tonsils or teeth.

Proper health habits are pointed out as remedies to many of the school child's defects. Order and regularity are as important for a child's well being as are sunshine and good food, Miss Hale believes, and she adds that sound health habits are not developed in an atmosphere of worry, hurry, and strain.

She concludes: "There must be that comradeship between parent and child which maintains order and regularity without too much rigidity and which makes allowance for personal preferences and unusual circumstances."

A. G. WAUGH REPAIRS
The A. G. Waugh Auto Parts Company building is this week being repainted. All of the woodwork along the front, as well as the inside, and the awning have all received fresh coats of paint, which greatly improve the appearance.

Mr. and Mrs. Bill Banta of San Angelo spent the week end here with relatives and friends.

Mr. and Mrs. J. H. Pierce, Elizabeth Duff, Inez DuBose and J. C. Duff were Lubbock visitors Sunday.

Mrs. Harley Winkler of Dickens and Mrs. John Hazelwood of Spur are here visiting in the home of their sister, Mrs. W. S. Robertson.

Dick Mitchell of Midland was a visitor last week in the home of his daughter, Mr. and Mrs. W. S. Robertson and family.

In an enrollment predicted to top the 11,000 mark this year, The University of Texas will count a population ratio of about six men to four women, officials believe.

HIGGINBOTHAM

Mrs. Logan Cozart
Sunday school was very well attended. Every one come next Sunday and bring some one with you. Rev. W. A. House delivered a message in the home of Mr. and Mrs. Lambert of Hagin, Saturday night. A nice crowd was present. Mrs. David Grayson and children of Odessa visited her parents, Mr. and Mrs. W. P. Cozart last week end. She was accompanied home by Preston Cozart.

Delph Pounds and Mr. and Mrs. Reed of Lubbock spent the week end here visiting relatives.

Mr. and Mrs. A. H. Smith and sons, Mrs. W. E. Archer and son of Big Spring, Miss Annabelle Smith of El Paso, Mr. and Mrs. E. L. Cozart visited Mr. and Mrs. T. L. Smith and Owen, Sunday.

Let's not forget to bring our new song books each Sunday night for singing. We are inviting others out to help us sing.

Mr. and Mrs. A. H. Smith and daughter of El Paso were in this community visiting relatives last week.

UNION

Edna Pounds
Claude Dunlap and daughter spent one night last week in the home of Mr. and Mrs. M. M. Debnam.

Several enjoyed the party at Mr. and Mrs. Palmer Baxter's Saturday night.

Miss Juanita Hunt went blind one day last week at school. This community sincerely hopes that she will soon regain her sight.

Delph Pounds of Lubbock spent the week end here with his parents, Mr. and Mrs. J. W. Pounds and sister and family, Mr. and Mrs. M. M. Debnam.

Mr. and Mrs. F. M. Swafford, Mr. and Mrs. Dink Swafford spent Tuesday with Mr. and Mrs. Lucian

Wilson.
Mr. and Mrs. Henry Pounds, J. E. Pounds and Mrs. S. A. Beavers of Lamesa, visited their mother, Mrs. S. A. Pounds, brother and family, Mr. and Mrs. Judge Pounds of Munger, Sunday.

There were several new students who entered school Monday.

Mr. and Mrs. J. E. Debnam, Mr. and Mrs. Henry Holt and children returned home Friday from a weeks visit with relatives in East Texas.

Relatives of Mrs. William Hall that were elected were Elvin Burger of the boys and Misses Nella Kite and Dorothy Calhoun for the girls.

Those visiting Mr. and Mrs. B. A. Cates Sunday were her parents, Mr. and Mrs. J. B. Tuckness and

sister, Mrs. Cora Davis, nephew and niece, Mr. and Mrs. Cecil Chew of Mason County, Mr. and Mrs. Jim Tuckness of New Moore, Mr. and Mrs. Alley Tuckness and daughter of Klondike, Mr. and Mrs. Riley Jolley of Lamesa, Mr. and Mrs. Alvin Cates and family, Mr. and Mrs. Ray Cates and family, Mr. and Mrs. John Webster and daughter of Higginbotham, and Mr. and Mrs. Beckham of Lamesa.

Union high school girls organized a pep squad Monday. The leaders that were elected were Elvin Burger of the boys and Misses Nella Kite and Dorothy Calhoun for the girls.

Mrs. W. A. Brown and son and daughter, and Mrs. Lambert Astin and son visited their son and brother, Mr. and Mrs. Floyd Brown of Stanton, Sunday.

Open House Held For College Students

Miss Virginia Lindsey held open house Sunday evening from 6 until 7 o'clock, in honor of several Lamesa young people who will shortly leave for various schools over the country.

The table was beautifully decorated and college pennants formed the centerpiece. Punch and cake were served.

Students honored and the school which they will attend were:

Mary Jo Forrest, S. M. U.; Edwin Forrest, Texas Tech; Thomas Cole, Baylor; Tom Wilkes, Texas U.; Homer Simpson, Texas U.; Jack Alexander, Texas Tech; Mary Louise and Ruth Tinkler, Texas Tech; Marion Key, Texas U.; Jane Boone, W. T. S. C. W.; Martha Lou Martin, T. S. C. W.; Chuck and Earl Jacobs, Texas Tech; Bob Crawley, McAllen Military Academy; Estelle White, Texas Tech; R. B. Snell, Texas U.; Lynell Myers, College of Mines; Jo Nell Flaniken,

Texas Wesleyan; Elizabeth Smith, Trinity U.; Connie King McMurry; Helen Ruth Cope, Virginia Hillard; Hardin Easterwood, Kathleen Webb; Eleanor Simpson, Texas Tech; Shelby Howell, A. & M.; Dixie Kilgore, Texas U.; Hattie Emma and Willie Marie Yates, John Tarilton. College songs were sung throughout the evening.

Jimmie Mitchell Is Honored On Birthday

Jimmie Mitchell was honored on his 12th birthday Thursday afternoon from 4 until 7 o'clock by Mrs. F. R. Mitchell. The guests met at her home at 307 North Third and were carried to the City Park where various games were played. Ice cream and cookies were served to the following guests: Bettye Bourland, Patsy Thigpen, Howard Joe Harrington, Dan Boone, Lorraine Morris, H. L. Crouch, Bennie Thigpen and Gayle Bucklew. Trick and joke books were favors.

SOCIETY EDITOR ILL
Miss Tammy McCarty, Courier Society editor, is ill this week and it is probable that several items which should have appeared are left out. It is hoped that she will be able to again assume her duties by next week and society readers are asked by the publisher to bear with us this week. It was never evident or appreciated just how much work there was connected with the writing of society items until the news editor and the linotype operator took over this week. We don't hardly blame Tammy for getting ill. We might ourselves if we had to continue at this job very long.

Smith Get-Together Last Friday Was Much Fun

Much fun and enthusiasm was displayed at the Smith-get-together last Friday night at the Lamesa Country Club where fifty Smiths of Dawson County met and organized a Smith Association with J. Fred Smith, Pres., Elmo Smith, Vice-Pres., and Mrs. Vertie Smith, Sec't and Treas.

After partaking of a bounteous picnic supper on the lawn—the crowd repaired into Club rooms where an informal meeting was held with J. Fred Smith in charge.

Mrs. Anne Smith (E. R.) Yates led the group in singing the theme song—"The Smiths Are All A Mighty People"—words arranged to the music of "Eyes of Texas" closing with "The Eyes of Texas Are Upon Us". Harvey Smith made an appropriate talk, after which greetings were read from Ross A. Smith of Alvord, a former Lamesan which was greatly appreciated and enjoyed by all.

Then all Smiths told from where they came, and when they came to country.

Several of the Smith "in-laws" were asked to tell "why they ever married a Smith?" (Their answers are not for publication.) This unique meeting closed with many words of appreciation for the organization, and expressions of keen anticipation of the Smith-get-together next year. The following were elected to name place and time for next meeting: Elmo Smith, H. Smith, Mesdames Elizabeth Smith Avriett, Pearl Smith Dement

Honor Bride With Miscellaneous Shower

On last Thursday evening Mesdames J. E. Barron, R. P. Nix, Ross Gibson, Owen C. Taylor, M. C. Lindsey and J. W. McDonald, and Misses Elwanda Gilbert, Estelle Billingsley, Helen Ruth Cope, Mary Mallory Kelly, Lois McBride and Ernestine Gambill complimented Mrs. Casey Costin with a miscellaneous shower at the home of Mrs. J. E. Barron on North First Street.

A mock wedding was carried out during the evening with Miss Bobby Jo Burns as bride, Nolan Cope as groom, and Master Beckham performing the ceremony. The bride wore a green fitted taffeta gown with fingertip veil. She carried a bridal bouquet of sweetheart roses and lilies of the valley tied with tulle.

After the ceremony Mrs. Costin was presented with many lovely gifts by Bobby Jo Burns.

Iced tea and cake were served to about seventy-five guests.

Miss Oppenheimer To Give Book Review

The Beta Sigma Phi Sorority will sponsor Miss Evelyn Oppenheimer, famous young review artist of the Southwest, in a review of "Next to Valour" by John Jennings, at the First Methodist Church, Tuesday night, September 19, at 8:00 o'clock. Admission to the review will be fifty cents.

This season Miss Oppenheimer's tour schedule extends throughout Texas, and into Louisiana, Arkansas, Oklahoma and New Mexico.

Born in Dallas, Miss Oppenheimer took her degree in literature and philosophy at the University of Chicago. She is a member of Phi Beta Kappa. For two years she worked on Chicago newspapers as literary critic and feature story writer before beginning her unique and distinguished career on the lecture platform.

There are many reasons for her great popularity which brings her total audience per season now to over 150,000 men and women. Original in thought, fearlessly frank, brilliantly witty, her personality and technique are something new and imitable in the field of cultural entertainment. What Cornelia Otis Skinner does for the dramatic monologue, what H. V. Kaltenborn and Dorothy Thompson do for current events and politics, Evelyn Oppenheimer does for the book review. As a literary commentator, interpreter and analyst her position and prominence is all the more remarkable in view of her youth.

Many newspapers and authors of books that she has reviewed, acclaim Miss Oppenheimer as being without a peer in her line, and all of which assures a large audience to hear her here next Tuesday.

C. M. Stone of Mangum, Oklahoma, was a Lamesa visitor Monday.

Mary Ellen Tarter Entertains Last Saturday

Miss Mary Ellen Tarter entertained a group of her friends last Saturday afternoon at her home on North Seventh Street.

Outdoor games were enjoyed throughout the evening with refreshments of sandwiches, cookies and punch being served at the conclusion.

Guests were Mary Ruth White, Lotta Bess Baldwin, Gienna Faye Bailey, La Vrae Esmond, Doris Ragsdale, Mary Frances Bartlett, Mary Ellen Tarter, Charles Lee Privitt, Joe Lee Kelly, Jack Phinizy, Marvin Stauder, Kenyon Elliott and Bill Jordan.

Lamesa Study Club Begins Year's Work

The Lamesa Study Club renewed activities for the fall season with a breakfast September 8. Arrangements were made by Mrs. Truman Campbell. A long table was decorated with pottery bowls filled with asters and dahlias. The place cards carried out the theme of late summer flowers.

Mrs. Harp acted as toastmaster and introduced the new president, Mrs. Guy Simpson, also the new members. Mrs. Pratt gave a clever reading and Mrs. Weldon Lindsey sang a selection from the opera "Madam Butterfly".

The yearbook which was issued at this time outlines the following program for the year:

- Sept. 22. A study of noted women in history.
- Oct. 13. Interesting phases of journalism.
- Oct. 27. Health education from a Doctor's standpoint.
- Nov. 10. A department from the Time Magazine.
- Nov. 24. An exhibit and discussion from the Girl Scouts Arts and Crafts.
- Dec. 8. A review of Southern Personalities.
- Dec. 22. A Christmas party for club members will be given at the Club House.
- Jan. 12. Bible Lecture.
- Jan. 26. A discussion of characters and acts from Shakespeare's plays.
- Feb. 9. Short stories.
- Feb. 23. Texas Day—it is hoped to have Texas' outstanding poet as guest speaker on this day.
- March 8. What the housewife should know about advertising.
- March 22. Book Review.
- April 12. Youth at play.
- April 26. There will be questions, answers, and study of Emily Post book of etiquette.
- May 10. Musical program honoring grandmothers.
- May 24. Mrs. Guy Simpson will conduct the "Last Round-up" of the season.

Mrs. T. Campbell Honors Son On Birthday

Mrs. Truman Campbell honored her little son, Sonny, on his fifth birthday last Thursday afternoon at the Lamesa Country Club.

Various outdoor games were enjoyed throughout the afternoon, at the conclusion of which ice cream and cake were served to Jay Treadway, Kay Wiggins, Bill Arnett, Peggy Vaughn, Billy Don Creighton, Bobbie and Junior Jack, Bobby Jo Burns, Donna Jo Alexander, Geraldine and Ernestine Barrett, Kay Collins, Judy Allen, Della Jane Yates, Sammie Mac Hodge, Donna Richards, Virginia Hurt, Frank Taylor, Patsy Ruth Day, Marylynn Lamphere, Donna Jean Caldwell, Louise Morris and the honoree.

Mrs. F. A. Marshall of Eureka, Illinois, is here visiting Mrs. Ed R. Tinsley.

Mrs. Sam Cates Is Honored With Shower

Among the social activities of this week, none was more enjoyed than the miscellaneous shower, given in the beautifully appointed home of Mrs. E. J. Bradley, Jr. in honor of Mrs. Sam Cates, nee Margaret Chumbley.

After greeting the many guests, Mrs. Bradley in a manner bespeaking of her clever originality, provided entertainment consisting of questionnaires pertaining to Dan Cupid. Prizes were awarded to winners, and then presented to the honoree.

After two well read numbers by Mrs. Cleve Austin, Mrs. Cates was led to a table, made beautiful by cut roses from the groom, where she found a heap of artistically wrapped 'prescriptions in pill boxes'—telling where to find the many gifts.

Truly no bride could have shown more happiness than the honoree, who was the recipient of so many lovely gifts.

The refreshment plate, with favors of hand-painted miniature brides, consisted of delicious "Neopolitan delight" and cake.

School Starts At Sparenberg With 238 Pupils

Opening exercises for both the high school and grade school were held in Sparenberg Grammar School Auditorium, Monday, September 11.

There were 143 enrolled in grammar school and about 95 in high school, as well as could be estimated. The total of the faculty members for the entire school are eleven. Five in high school and six in the grades.

The faculty members were aided in their introductory talks by Rev. Noel Bryant, pastor of the Sparenberg Methodist church and Rev. J. W. Arnett, pastor of the Five Mile Baptist church.

Football News
Our first six-man football team consists of: Emer Cole, quarterback; C. A. Price, right half back; Eugene Sealey, left half back; Wilber Burdine, left end; Ritter Holder, center; Charles Tyler, right end. The second team consists of: Edward Grissom, quarterback; Liston Hogg, left half back; Charles Shipley, right half back; Calvin Wood, left end; Leslie Cowart, center; and Tracey Monthey, right end.

Our team will play Union on their field Friday afternoon at 2:30. The boys have been working out since the first of September. Most of them have had a year's experience in six-man football. We expect a successful year.

Pep Squad
The high school girls met and organized a pep squad, Tuesday.

They elected Florence Leonard, senior yell leader, Lavenia Davis, junior leader, Nena Jo Freeman, freshman leader, and Wanda Trice, sophomore leader. Adrian Holder was elected leader of them all. They chose black skirts and yellow blouses for their pep squad suits. They expect real cooperation between the boys and girls.

Agricultural News
The Vocational Agricultural department of the Sparenberg High school began work Monday the 11th with an enrollment of 48 boys. Agriculture is being offered for the ninth, tenth and eleventh grades. All classes are planning supervised projects for the coming year. Mr. Owen is the instructor and is planning the work in such a manner that he can work in an agricultural club, the F. F. A.

Harvey Anderson was elected as Collector for the second year class and Eugene Sealey was elected for the first year class.

The department is planning a grand program in the vocational

FOR FOOTBALL QUEEN

Friends of Miss Jerry White have announced that they will enter her in the contest for Queen of the Tornado Football Club for the season just getting under way. Voting is done by writing the name of your choice on the back of tickets purchased for the next two games. The friends in the Senior Class stated this week that they would appreciate every vote cast for her.

Mr. and Mrs. J. M. Blake and children spent the week end in Lubbock and Levelland.

Farm Notes

Finis Meeks, Jiggs King and Jack Irwin, Dawson County 4-H Club boys, purchased three Hereford calves from Frank Jones last Friday, September 8. These calves have been put on feed for the 1940 Spring Shows.

A series of meetings of landowners has been called by the County Agent. The purpose of the meetings is to discuss the State Soil Conservation Bill passed by the last session of the State Legislature. The meetings will be held at 8 o'clock on the nights as follows:

- Sparenberg, Monday, Sept. 18.
- Midway, Tuesday, Sept. 19.
- McCarthy, Wednesday, Sept. 20.
- Harmony, Thursday, Sept. 21.
- Woody, Monday, Sept. 25.
- Munger, Tuesday, Sept. 26.
- Kiondike, Wednesday, Sept. 27.
- Ackerly, Thursday, Sept. 28.

All meetings will be held at the school houses.

The State Soil Conservation Board has announced that a hearing will be held at 10:00 a. m. on Thursday, October 5th, 1939, in Lamesa for the purpose of determining whether or not an election should be called in Lynn and Dawson Counties to set up a Soil Conservation District. Land owners in Dawson County are urged to attend this hearing and express their wishes in the matter.

Mr. and Mrs. D. E. Collins have returned to their home in Sulphur, Oklahoma, after a visit here with his parents, Mr. and Mrs. W. B. Collins.

Mrs. David Campbell who has been visiting in the home of her son, Mr. and Mrs. Truman Campbell for the past three weeks, has returned to her home at Sulphur Springs.

MARRIAGE LICENSES

L. T. Stephens and Virgil May McNew, September 5.

W. T. Parker and Lera Rushing, September 9.

Woodrow Crow and Rudden Dossey, September 9.

Vernie Barr and Frances Shepard, September 9.

Fay O'Brien and Corine Harp, September 11.

Andrew J. Meadors and Miss Joe Meadows, September 9.

LAMESA VISITORS

Mrs. W. D. Smith and Mrs. N. W. Minnix, of Galt, were shopping in Lamesa Thursday and while here made the Courier office a pleasant visit.

NEW DAUGHTER

Mr. and Mrs. Bob Masters of Pittsburg, Pa., are the proud parents of a baby girl, born August 20th, according to announcements reaching relatives and friends in Lamesa. She has been named Annabella. Mrs. Masters was formerly Miss Gussie Belle Ragsdale of this city.

Miss Thelma Riddle, Mr. and Mrs. G. B. McGuire and daughter, Anne, and Mrs. J. L. Spert spent the week end in Abilene with relatives and friends.

Mr. and Mrs. D. E. Collins have returned to their home in Sulphur, Oklahoma, after a visit here with his parents, Mr. and Mrs. W. B. Collins.

Mrs. David Campbell who has been visiting in the home of her son, Mr. and Mrs. Truman Campbell for the past three weeks, has returned to her home at Sulphur Springs.

Hello Neighbor

Did you know that we have a first class Beauty Shop out on North Bryan St.?

We do not do very good work, but we sure will treat you nice. Drop in some time and have an old fashioned shampoo set. After all, we need the practice!

We do not need the money but we do want to get acquainted. And for our prices, they are awful!

You can't miss us! One block north of high school!

EXA KEY MARIE HOOVER VIOLA CALDWELL

"Pop sure told Mr. Jones"

He says, "Ed, your opinion on politics is swell. And I think you back the right ball teams. But for the life of me, I can't figure out why your house is always so darn cold and drafty. It's getting so Marge and I are afraid to bring the baby over. We're afraid he'll catch cold."

And Mr. Jones yells, "It's those darn coal stoves of mine. They use enough coal to heat three houses like mine, and yet don't even keep mine warm."

So Pop comes back and says, "You need to wake up Ed, and use the modern way to heat your home. Let Sherrod Bros. install a

BUTANE PLANT

and your heating troubles will be over. Not only will you have the convenience of city gas for heating, but you'll have plenty of hot water, lights, automatic food refrigeration, or anything you can get with city gas."

"But," Mr. Jones yells, "that will cost a lot of money to install and operate!"

"That's where you are dead wrong," Pop says. "You'll find that it doesn't cost a great deal to install, and the operating cost is far below what you are paying now!"

His Pop is right, too. Come in today and let us explain just how little this will cost.

Ablene where she will attend McMurry College.

Mr. and Mrs. G. W. Bryson and Mr. and Mrs. J. D. Bryson attended the rodeo at Colorado City, Saturday.

Mr. and Mrs. Ike Lowe of Big Spring spent Sunday with her sister, Mrs. Thurman Baum.

Doyle Chiles of Lubbock visited friends here over the week end. The young people enjoyed a party at Mr. and Mrs. Hardin's Saturday night.

Billie Hardin left Sunday for Brownwood where he will attend college.

Mrs. Earl Hughes and sons of Forsan spent Sunday here with her parents, Mr. and Mrs. J. L. W. Coleman.

Mr. Pule went to Lubbock Monday on business.

Verne Coleman spent Sunday with his parents.

Mrs. Shelby Reed and son, David Brown, of Henderson, are spending this week with her parents, Mr. and Mrs. A. D. Brown.

Allen White of Fort Bliss visited his mother this week. He was en route to Virginia where he will take up air training.

Mr. and Mrs. Jobb moved this week to Big Spring. We regret losing them from our community but hope them success in their new home.

Mrs. Thurman Baum visited her sisters in Big Spring Monday.

We had a very good crowd at church and Sunday school Sunday. Let's all try to be present again next Sunday.

Miss Beatrice Crow spent the week end in Stanton.

PATRICIA
Fudora Bruce

The Methodist meeting started Friday night. Brother Curry did the preaching until his helper, Brother Berry Baker arrived. Every one came out and enjoy these services. Merle and Eudora Bruce attended the Associational meeting at Seminole, Tuesday.

Mr. and Mrs. Lois Milstead were visitors in Big Spring Wednesday. The Baptist church recently purchased the old teacherage from the school board for a parsonage. Pastor J. J. Gentry and wife will move into it right away.

Mr. and Mrs. Frank Contrell and family moved to Lamesa this week.

Rev. J. J. Gentry, R. T. Hightower, L. O. Milstead, Howard Chapman, J. A. Burton and M. C. Bruce attended the coordination services at New Home church, Sunday afternoon.

Ed Scott and Mrs. Alvin Burton and son of Loving, New Mexico, spent the week end here with their father, J. S. Scott and family.

The members of the Methodist church and friends gave the new-weds, Rev. and Mrs. C. M. Curry a pouncing Thursday night. Everyone reported an enjoyable time.

Opal Chapman who is working in Lamesa spent the week end with her parents Mr. and Mrs. Howard Chapman.

Tom Applegate, Clifford Turnbow, and Mr. Wheeler have just returned from a trip to Ft. Sumner.

Mr. and Mrs. Clarence Stephens of Ropesville visited with his mother, Mrs. Nora Stephens, this week.

Mr. and Mrs. W. C. Holcomb of

Three League took dinner Saturday with Mr. and Mrs. Fred Criswell. B. N. Chaffin who has been working at a gin in El Indio, Texas, returned home Saturday.

Winnie Bee Scott returned home Saturday from a several weeks visit with her sister, Mrs. Alvin Burton, at Loving, New Mexico.

Mrs. A. E. Latson honored her husband with a birthday dinner Sunday. Those who enjoyed the occasion besides the family were Mrs. Mary Usery of Kermit, Mrs. Mabry Watkins of Three Leagues, Mr. Gammathaler and Ross Moore of Klondike, and Mr. and Mrs. Clarence Latson and daughter.

KLONDIKE
Louise Foster

There were seventy-six present in Sunday school at the South Side church Sunday morning. There will be preaching services next Sunday. Everyone is invited to attend.

Several from here attended the Associational meeting in Seminole last Tuesday and Wednesday.

L. A. Duff who has been in Temple for the past two weeks receiving medical treatment, returned to his home here Saturday.

Carl Smith, Lefty and Perry Moss left Monday for Abilene where they will attend school.

Miss Naomi Jean Duff has gone to Lou where she will teach school this coming term.

Mr. and Mrs. C. E. Tacker of Church visited Mrs. Elmo Eoff and children Sunday.

Mr. and Mrs. Woodie Smith visited Mr. and Mrs. Ab Spraberry of Midway Sunday.

SHUMAKE
Gladys Whitmire

Our church building has been completed. It was made from a part of the old school building.

Forty-five were present Sunday morning for Sunday school, a number of others coming in later for preaching services. Rev. Chester Gunn delivered the sermon.

People of our community who are not attending Sunday school elsewhere are invited to be with us next Sunday.

Mrs. Carol Grissom entertained her Sunday school class, the intermediates, with a social last Wednesday evening. After games were played, refreshments were served to the class members and their guests.

George Paynter who has been making his home with Mr. and Mrs. Dall Hall left Monday for Duncan, Oklahoma.

Mr. and Mrs. J. T. Weaver entertained with a birthday dinner Sunday honoring Gladys Whitmire.

Mrs. Albert Williams and children of Lamesa visited in the J. G. Williams home last week.

Mr. and Mrs. W. G. Truitt and family visited friends in Lamesa Sunday.

Bob Renfrew of Bakersfield, Cal. is visiting friends in our community.

Mr. and Mrs. Leon Callahan visited her parents, Mr. and Mrs. H. Richardson, Sunday.

L. J. Wilcox spent Saturday night with Clyde and J. D. Birdwell.

J. D. Houston who was badly burned last week by a gasoline explosion, was able to be present at church Sunday.

A STATEMENT OF

RICHARDSON'S

POLICY

Do Not Be Disturbed Regarding FOOD PRICES & PROFITS

There is at the present time fear and speculation at work. Prices for some commodities have already gone up. Increase in RICHARDSONS retail prices reflect the rise in wholesale cost, over which Richardson has no control.

It is the policy of Richardson's Store to earn only a small profit on each sale. RICHARDSON PLEDGES that during the period of WAR emergency it will not change this policy; and that in the future, as heretofore, it will make every effort through improved methods to reduce distribution costs—the difference between what the FARMER gets and the consumer pays. You will always be able to buy at Richardson's at the lowest prices available any where.

Consumers may assist materially in preventing unwarranted price increase by continuing their purchases on a normal scale. There are adequate food supplies for every American. Hysterical buying which strips retail and wholesale stocks create ARTIFICIAL SCARCITY, which pushes prices to abnormal levels

THE GOVERNMENT WILL CONTROL PRICES. At the present time the government controls large stocks that can be released, and fix prices and quotas if necessary.

RICHARDSON'S STORE pledges its support and full co-operation to the GOVERNMENTAL AGENCIES and with FARMER PRODUCERS in all efforts to stabilize prices.

WE BELIEVE THE PROFITS SHOULD BE TAKEN OUT OF WAR! If war comes to the United States, we pledge the people of Lamesa and Dawson County to work for a UNIVERSAL DRAFT PLAN. Drafting the capital with the man power of our country. We do not believe in making thousands of more millionaires at the cost of millions of young Americans.

I'LL HELP THEM WITH THEIR STUDIES!

Better Sight Lamps Make Studying Easier

Don't expect good grades from children if they don't have suitable surroundings for studying at home. A quiet room, a table and a good light, without glare and distracting shadows make studying and concentration easier.

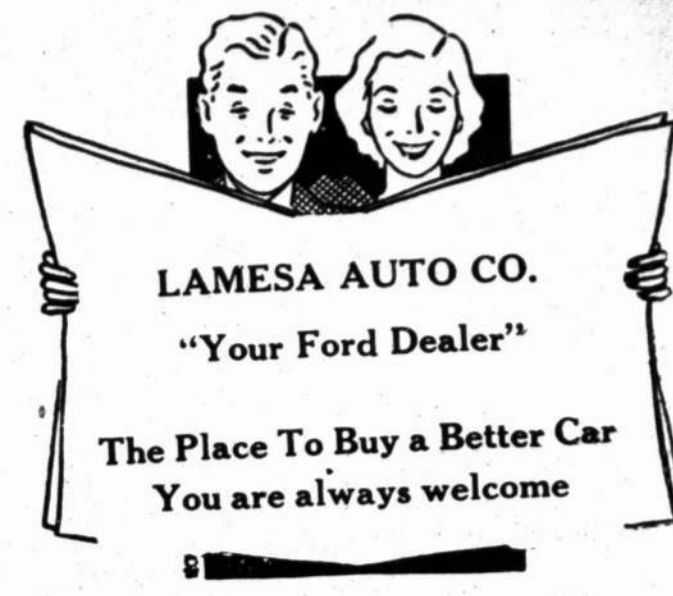

Enjoy Better Light Tonight

After you have arranged a good light for the children who are studying, take a look at the lighting in the rest of your home. Notice the places where you read, sew or do other seeing tasks, and try a stronger light. New style lamps add to the beauty and brightness of your home, and make seeing easier. Once you try improved lighting, you'll wonder how you ever got along with half-light in your home.

under the same principle as used in the trench silo. Besides the ensilage, they expect to feed from 1,000 to 1,200 sacks of cake.

The lambs will be shorn next week, according to present plans and with the housing facilities that they have. It is possible to place every sheep on the place in sheds at the same time. The entire place comprises only ten acres and less than one fifth of the plot is devoted to sheep pens and sheds.

Along the front Mr. and Mrs. Randals have a beautiful two story home, completed a few years ago. They have every city convenience and are liberal users of electricity. They have two separate water systems. One is used to supply the household, while the other is used for supplying the stock. The former is electrically operated and is entirely automatic, maintaining the same water pressure at all times. The source of supply is from wells.

In the back there are many out-houses, including a double garage, a small servant house, tractor sheds and barns.

A surface tank, fed from wind-

mills, and surrounded by large shade trees, is one of the show spots of the entire place. Mrs. Randals has all the fishing rights, according to Loo, and believe it or not, she caught a nice mess of catfish only last week. This is not a fish story, as Mr. Randals has placed large fish in the tank, which were caught away from here.

He has his own small tractor which is used for all the work on the place. Two men are employed to take care of the place and look after the livestock.

Mr. and Mrs. Randals have one of the really fine homes of Dawson County and with the beautiful landscaping, including many types of flowers, shrubs and trees, it is really a show place.

CLINIC-

(Continued from Front Page)
is, Indiana, where he graduated with honors. This is considered one of the finest schools in the world, and while he was there 18 foreign countries were represented in the student body.

Upon finishing at Lincoln, he

took the Michigan Board and received his license, and now has reciprocity in fourteen other states. His ability is recognized in his profession and he is outstanding as a diagnostician and dietitian. Many people in this section are acquainted with him as he has been holding monthly clinics here in the office of Dr. Cutler, for more than a year.

Dr. Cutler says of him, "In all my experience, I have never found a man whom I consider any better diagnostician or dietitian than Dr. Tanner. He is not only recognized in this section but over the entire southwestern country, as being a leader in his profession, and I feel that I, as well as the entire population of this area are fortunate in having a man with his ability as a citizen."

During the past year and a half Dr. Tanner has been holding clinics over the southwest, traveling to many cities and towns, and all the while seeking a permanent location. He stated that after covering both large and small towns over several states, he selected Lamesa from the entire group as the place to take up his permanent residence. He stated that he has entertained an ambition for many years to find a place where he could put in the proper equipment to handle every individual patient and to care for the Lamesa Drugless Clinic, he will see that ambition realized.

Dr. Iris V. Tanner, wife of Dr. Tanner, and herself a graduate of the Lincoln School and a practicing Chiropractor, will join the Doctor here shortly and they will take up their permanent residence here. She has a wide reputation in her profession and has practiced in several states.

Dr. Hall W. Culer, is a native Texan, having been born in Augusta, Texas, on a farm that his grandfather filed on before the Civil War and a part of which is still in the hands of an older brother. He received his grade and high school education there.

In January 1920 he entered Carver Chiropractic College at Oklahoma City, and graduated in July 1923. After receiving his diploma from Carver, he took the Oklahoma State examination, receiving his license. He went to Ardmore, Oklahoma, where he practiced his profession until November 1923, at which time he moved to Lamesa. He has lived here and practiced here ever since, with the exception of a short time spent in New Mexico.

Dr. Cutler took the New Mexico examination and received his license. He states that New Mexico is probably one of the most exacting states along this line in the Union and they do not reciprocate

or recognize a license from any other state. Of the hundreds who have taken the examination in the state since the law was enacted in 1916, his license number is 134, which is an indication that many have failed to pass the test. He returned to Lamesa in 1936 and has practiced here since that time.

A special clinic will be conducted next week, beginning Monday morning at 9 a. m. and lasting throughout the week. They will also hold special visiting hours on Monday, Wednesday and Friday evenings from 7 to 9 p. m., at which time the general public is invited to visit their beautiful and efficient clinic. Your attention is called to their large announcement in this issue.

LEGION-

(Continued from Front Page)
come before the Legion in the immediate future. It is desired that our organization may be performed for the ensuing year at the earliest possible moment that the names of the officers may be in the State and National directories and that the Veterans organization in Dawson County may render its services along with the services to be rendered by our comrades over the face of the earth.

HIGHWAY-

(Continued from Front Page)
right-of-way and has completed the grading and drainage structures on the above road from Lamesa to Welch. The description of State Highway No. 137 therefore is as follows:

"From Brownfield via Lamesa and Midland to Rankin, then follow U. S. Highway No. 67 west of Rankin, then from a point on U. S. Highway No. 67 west of Rankin via Iraan to a point on U. S. Highway No. 290 west of Sheffield."

McCarty School Started Monday With 52 Pupils

The McCarty school opened Monday morning, September 11, with an enrollment of fifty-two students. The program opened with the singing of "America", followed by the invocation by Mrs. K. Whitmire. A great school spirit was manifest by everyone. Several parents were present and made very inspiring talks.

Rev. R. C. Guest made the principal address of the morning. His

talk was appreciated by the students, parents, trustees and teachers.

The school desires to thank the school board for having the classrooms repainted. It certainly helps the looks of the building a hundred per cent.

Mrs. B. B. Bullard, retiring president of the McCarty P. T. A. made a splendid talk on the comparison of American schools with the European schools of today. Mrs. G. C. Hardesty has been elected as the P. T. A. president for the coming year and urges all mothers and fathers of the district to become working members of the organization.

The McCarty school extends a hearty welcome to all parents to visit them at any time.

Organize F. F. A. At Union School

The first F. F. A. organization to be composed of Union high school boys got off to a good start this week with the enrollment of thirty six members and the election of officers. They are as follows:

R. B. Wilkerson, president; Lee Dunn, vice president; Almos Neill, secretary; Roscoe Bucklew, treasurer; Curtis McMurtrey, parliamentarian; Hollis Borland, reporter; J. B. Neill, watchdog.

The F. F. A. organization has as its advisor, Mr. J. Logan Green. Meetings will be held at the Union High School once a month.

Lamesa Rotary Club In Meeting

At the regular meeting of the Lamesa Rotary Club last Friday, the program under the direction of Homer St. Claire, featured an address by Rev. David Murray, pastor of the First Presbyterian church in Lamesa. His talk was highly inspirational and thoroughly enjoyed by every member present.

The program also featured several musical selections which were enjoyed by all present. Rotarians J. D. Dyer, V. Z. Rogers and David Murray attended an intractly meeting at Lubbock Tuesday night of this week. They report a wonderful gathering and a most interesting program.

The local club will hold their regular weekly meeting at the Somers Hotel Friday at noon.

Mrs. Jack Ladd has returned from a visit with relatives at Sulphur Springs, Arkansas. She returned by way of Dallas where she bought new merchandise for The Vogue.

Miss Underwood Safe In America

Word was received in Lamesa this week by Mrs. Harlan Harp, of the safe arrival of her niece, Miss Katherine Underwood, in Halifax, aboard the freighter City of Flint.

It will be recalled that Miss Underwood was aboard the torpedoed Athenia which sank at sea several days ago. She was rescued and placed aboard the City of Flint, along with a large number of other American survivors.

Upon their arrival in Halifax, she with four other girls were to have been met by a special plane, sent there by an eastern newspaper, and piloted by Dick Merrill, internationally known aviator, and flown to New York, to be met there by her mother and aunt, Wednesday, but the pilot of the plane refused to chance a landing in his large ship on the small field at Halifax, and returned to New York without having picked up the girls.

The many friends of Mrs. Harp, as well as Miss Underwood here, will be glad to learn of her safe arrival back on American soil following her harrowing experience in which a large number of lives were lost.

Mr. and Mrs. W. H. Hancock

spent the week end visiting in Fort Worth with relatives and friends.

NEEDLES BUILDING

Construction was under way this week on a new building for B. E. Needles Tire and Battery Company in Lamesa.

The new building is being constructed directly north of the Roberts Grocery and Market on South Dallas. The new structure will be 20 by 30 feet and will conform with the outside appearance of the Roberts building.

It is understood that Mr. Needles will open a store in Lamesa upon the completion of the building. He operates a store in Lubbock.

RETURN FROM VISIT

Mrs. Elmer Ireton returned this week from a two weeks visit to her sister, Mrs. L. Butler, in Los Angeles, California. Mrs. Ireton accompanied her sister, Mrs. M. Shaw and children, Dorothy Jean and Geraldine on this trip and returned by way of Boulder Dam and the Grand Canyon.

Mr. and Mrs. Bill Wallace of the Dal-Paso Hotel have just returned from a vacation in South Texas.

Mrs. Ingram Page was a business visitor in Lubbock Saturday.

YOU SAVE
