Exchange Meets

Lunch Served at Noon—Speaking by Hon. C. O. Drayton

The members of the Perryton Equity Exchange held a very successful meeting at their new warehouse on last Saturday. At noon an excellent lunch and basket dinner was served by the ladies of the Equity. Ice cream was furnished by W. W. McLarty.

Dinner was followed by an address by the National President of the Farmers Equity Union, the Hon. C. O. Drayton of Greenville, Ills. Mr. Drayton's subject was "The Right Education of the Farmer." Mr. Drayton is a very able and interesting speaker and his address was received with marked attention and interest by the members and visitors alike. The aims and object of the Equity Union were presented in clear and simple language readily understood by those present. Eight new members were enrolled during the day. Judge Grigsby delivered a short address which was much appreciated by all present.

The Ochiltree County Herald printed at Perryton, Texas, comes to our exchange table with a new editor at the helm. Paul F. Stewart is now the guiding hand of that county seat weekly.—The Tyronne Observer.

Instead of Lyons & Wagner taking over the Ochiltree County Herald was announced two weeks ago, a change was made the past week by which Paul F. Stewart will become the publisher of that paper. Mr. Stewart is an old newspaper man, a veteran in the game and will henceforth direct the destinies of the town of Perryton from the newspaper point of view.—"Cap" Mitchell, Shattuck Monitor.

Brazell Brothers have sold the subscription list and the good will of the Ochiltree County Herald to the Stewart Printing Company, who will continue publication of the paper with Paul F. Stewart as editor and chief, but with their own outfit, leaving the big plant purchased after the fire last year to go back to the supply and

The Farmers Mercantile Co. have moved their ware house from the old location south of the store room. It is now faced north directly back of the grocery department. The building will be used as the new home of the City Meat Market which had the misfortune to be burned out a few weeks ago.

A WORD FROM YE EDITOR

Everybody realizes that this town needs a newspaper. When we took over this paper we intended to put out a sheet that would be a credit to the community, but we can't do it without the co-operation of everybody. Every man, woman and child must realize the value of printers ink and we know that it is necessary for a newspaper to spread lots of it if they expect to continue in the business.

We have purchased a new linotype and news press which will be here shortly. We also intend to build a new brick building in the very near future. In fact we are here stay and help make Perryton the real city which it is destined to be. And above all we will appreciate advertising and job work from every business house and we won't turn down any

A record breaking crowd was in attendance at the call meeting of October Lodge No. 910 A. F. & A. M. Saturday evening. The degree team from the Beaver, Okla. lodge conferred with the Fellow Craft and J. A. Williams raised to a Master Mason.

NEW UNDERTAKING PARLOR

Bob Wilson has returned from Chicago where he completed a course in Undertaking and Embalming at the Worsham School of Embalming. He is making preparations to open an up-to-date embalming parlor in Perryton. Mr. Wilson is now in Oklahoma City obtaining his Oklahoma Undertakers certificate.

The new town of Perryton on the North Texas & Santa Fe is a real town. On August 22, 1919, the town was opened and since that time it has took on almost the "airs" of a city. It has both water plants, mills, five grain elevators, three banks, modern school buildings and all the lines of business represented.

The Perryton Equity is making great strides forward under the able management of E. N. Puckett. They are now building a new elevator and warehouse. The elevator is to have a capacity of 25,000 bushels of grain and will be of frame construction, the exterior being entirely covered with galvanized iron. The warehouse will have a floor space of 2400 square feet, the floor and 1200 square feet in basement.

On Tuesday of this week the construction of a branch elevator was started by this organization at Farnsworth. The old elevator has been moved from the present site and will be taken to Twitchell.

The officers of the Perryton Equity Exchange Union are J. H. Norwood, President, T. W. Gray, Vice President, F. P. Rogers, Secretary-Treasurer, Directors: J. H. Norwood, C. E. Miller, T. W. Blair, F. P. Rogers, T. W. Gray and P. Apple, E. N. Puckett, Manager.

They have an authorized capital of \$50,000 of which \$30,000 is now paid

The last issue of the Ochiltree Herald came to hand in a very diminutive form but the explanation was simple. The subscription list and good will had been taken over by the Stewart Printing Company and it will be printed on a job press until a larger press can be installed. Brazell Brothers who have been running the paper for two or three years and who suffered the loss of their entire equipment by fire at The Spearman, are the beneficiaries of the new \$15,000 plant recently installed, too heavy for the patronage accorded and it will revert to the firms from which it was purchased, while they will retire from the field. Being newspaper folks they will "come back" of course, and will

SMITH—BOYD

Jesse Boyd, son of Mr. and Mrs. W. R. Boyd, of Lake Ivanhoe, and Miss Bessie Smith, daughter of Mr. and Mrs. W. W. Smith, of the same vicinity, went to Lipscomb last Monday where they procured a license and were joined in the holy bonds of wedlock. The young people are well and favorably known in this vicinity having grown to manhood and womanhood in our midst. Mr. Boyd has been in the employ of the Santa Fe railway for a year or so and is a highly respected young man. Miss Smith is a charming and talented young lady and the many friends of both will be glad to extend the usual congratulations and best wishes to the happy couple.—Shattuck Monitor.

The many friends that Mr. Boyd made in this city while engaged in the construction of the Santa Fe Railroad unite in wishing him a long and prosperous life.

In the morning they had races every description.

At noon they had an old fashioned basket dinner, which everybody enjoyed.

After dinner they had a ball game between the Paradise and the Occochee school. When the game ended the score stood 14 to 13 in favor of Paradise.

Everyone reports a good time.

Below we print an essay which was written and read by Miss Violet Hartman at the closing exercises of the Perryton Schools. It reflects credit upon the school and her teacher, Miss Mittie Hill:

The Value of Personal Appearance

Personal appearance is one of the most important points in life. People do not care for slovenly persons. It does not take money to have a good appearance. It is easy to form correct habits, such as dressing neatly and walking correctly. Avoid the bizarre in colors, designs, styles of garments and jewelry. In your dress express youth, both in color and style. Avoid a garb that is cold, gloomy and dismal. Put enthusiasm and sympathy into your manner. Avoid slang and chewing gum in public. What good does constant chewing (like using tobacco and gum too, although gum is not used as a constant chew?) Why it makes your face look drooped and out of shape. One of the main points of "Personal Appearance" is the hands. Dirty hands are despised by everyone. Stooped shoulders is another hindrance to personal appearance. The proper place for your hands when walking is at your sides, swinging your hands is not the very best of manners. There are times, and very frequently, when silence is the thing of tact, of character; the thing to be glad of later. Kind words and acts build us inwardly and come back tenfold outwardly. Be as attractive as you can be physically. Always be neat, dainty and attractive in your dress and appearance. Carelessness and slovenliness must and will offend the refined sensibilities of yourself and your friends. Your natural desire is to develop and cultivate these sentiments. What a mistake to dull and discourage them by being careless. Adopt a system and live up to it scrupulously. So don't you think "Personal Appearance" one of the greatest necessities of life?

OCHILTREE NEWS

School was out Friday. Of course the children are all rejoicing, and looking forward to a rest, which they think is badly needed.

Thursday night the children from the Mears School and the Ochiltree children gave a joint program at the Ochiltree school house. Although it was a stormy night, there was a good crowd present. All the members were excellent, and everyone present declared that any time these teachers and pupils decided to give a program they would be on hand if possible.

J. A. Russell recently returned from Mineral Wells, Texas, and reports his family doing nicely. He says that Mrs. Russell's health has greatly improved since going there.

Plans are being made to move the Russell Store to Spearman as soon as possible. Will Russell will manage the store there. Of course we know it is a good move for Mr. Russell, but nevertheless, we dislike to see the store leave us.

Mr. and Mrs. A. M. Black entertained Saturday night in honor of their guest, Miss Mattie King, of Spearman. All guests were requested to dress "as tacky as possible" from the looks of the crowd, they certainly followed instructions faithfully.

It was decided by vote that Grace Spencer was the "tackiest" girl and Herring Lance the "tackiest" boy. Ginger cake and buttermilk were served at a late hour. The guests departed reluctantly declaring they had enjoyed the "best time in years."

W. V. Jones who lives on the W. H. Stevens place southeast of town was in the Herald office Thursday and ordered his name placed on our subscription list.

Dr. May reports that Mrs. Haskell Holland has been very sick with a severe cold.

We are in receipt of a letter from our former townsman Edgar C. Poer enclosing a subscription to the Herald. And also extending his congratulations and best wishes to the new management of the Herald. Edgar is located at Lamar, Colo., where he is engaged in the drug business. He has a host of friends in this country who wish his continued success.

Dr. May reports Grandma Findlay is improving rapidly.

The small daughter of Bart Holland who has been seriously ill with pneumonia is now out of danger.

Virgil Smith who has been ill with pneumonia is now able to be up and around.

Q. V. Winningham has been on the sick list for the past few days. J. F. Teague has been running his blacksmithing business during his enforced absence.

A. W. Robinson purchased a Dodge Touring car through the Hobbs Auto Co. this week.

Dr. May was in Liberal and Canadian this week on business.

Ed Hall, son of E. Hall of north of town had the misfortune to have a team run away with him Tuesday afternoon. He was thrown from the wagon and one of the wheels running over him. However, Ed was not seriously hurt, but was very badly bruised about the body and face.

A good work shoe at Rifenberg's Store for \$1.98.

Fountain Roach of Colorado Springs Colorado, was here the first of the week looking after his farming interests and visiting old friends.

And not the slightest feeling of arrogance—to the excellent record for safety and the reputation for service which we have established.
