British Ships Go Through Canal Over Egypt Protest

FIRST ARRIVALS FOR DEDICATION

Two members of the Texas Legislature were in the first plane which arrived at Winston Field about 10 o'clock this morning for dedication of the Snyder Gasoline Plant this afternoon. They are Bill Daniel, of Liberty, a brother of Price Daniel, attorney general, and Jeff Woodruff, of Houston, being greeted by Harold Bennett, manager of the Chamber of Commerce here.—(Lee Watson photograph.)

Gasoline Plant Important To Conservation, Culberson Says

Olin Culberson, chairman of the Railroad Commission, today hailed the Snyder Gasoline plant as one of the greatest contributions to oil and gas conservation in the state.

Speaking before a crowd estimated at 1,800, Culberson stated that "Plants like this are just what the Railroad Commission is looking for in its drive to stop waste of Texas oil resources."

Culberson's brief address highlighted colorful ceremonies of dedication for the $8 million gasoline plant, operated by the Sunray Corp. for 90 individual and corporate owners.

"This plant," Culberson continued, "is an outstanding example of individuals and big business working together for conservation."

"That type of unity is what the nation needs today," he added. "If this nation ever loses that cooperative unity, such as is exemplified in this venture, it will dwindle to smallness if not nothingness."

In dedicating the plant, he said he would like to dedicate it both to the spirit of the pioneers who settled this area and to "the financial and mechanical genius combined to build the plant."

Welcoming the hundreds of Scurry County residents, out-of-state industrialists and businessmen, and Sunray Corp. officials on behalf of the Chamber of Commerce, Ralph Geisenhoner said that "Snyder is justly proud today in taking part in the dedication of this fine plant.

"We in Snyder appreciate the fact that this plant adds much to the industrial development of our community.

"The many fine people who have moved to Snyder with the oil and gas industry are not only welcome but are invited and urged to have a part in the planning and working to make Snyder prosperous and a bigger and better place in which to live. This is a real program, and you have a part in it."

James Wiseman, vice president of the Fluor Corp., Los Angeles, builders of the plant, explained how the gasoline plant makes butane, isobutane, propane, and gasoline from the casinghead gas fed to it from 856 wells in a 35,000-acre area of the Kelley - Snyder field.

He pointed out that early this week the plant reached a new record of 450,000 gallons of liquefied petroleum products in one day's production.

The plant might not have been dedicated today, Wiseman stated, had the contracts been let any later. The procurement of materials began just in time to be completed before the war - induced scarcity of steel and other items began to slow construction.

C. H. Wright, president of the Sunray Corp., praised the cooperative venture and the spirit in which 90 owners worked for the success of a single enterprise. The plant, he stated, was well laid out and is being well - managed.

Following Culberson's address, W. W. Valentine, president of the Fullerton Oil Co., Pasadena, Calif. presented the keys of the plant to H. W. Manley, vice president of Sunray, symbolizing Sunray's obligations as manager of the unit.

Before the dedication ceremonies began, a barbecued beef lunch was served to 1,300 persons by the Odessa Chuck Wagon Gang. The meal was served at long tables under a huge marquee.

Both marquee and speaker's platform were erected on the lawn in front of the gasoline plant offices. The drive between the office building and the lawn was lined with flags of all the United Nations.

Luther Williams, public relations director for Sunray, was master of ceremonies. While the Snyder High School band played the national anthem, Boy Scouts raised the United States flag, after which the Rev. Ronald E. Hubbard, pastor of the First Presbyterian Church, made the invocation.

Guests on the platform who were introduced included the speakers and the following Sunray officials, all of Tulsa: C. H. Wright, president; H. O. Harder, Floyd L. Martin, D. R. Snow, E. Howell, M. D. Kirk and H. W. Manley, vice presidents; Dick Fancher, safety director; L. G. Rodgers, superintendent of gas - gasoline department; R. W. Griffith, assistant superintendent, gas - gasoline department; K. J. Maltby; A. V. Murray; and H. G. Teverbaugh.

No. 2 Stewart Completed For 550 Barrels

Charles B. Wrightsman No. 2 Frank Stewart, northwest of the Salt Creek field in Kent County, has been completed for 549.49 barrels of 39 gravity oil on a 22-hour flow.

The new producer is about one and one-quarter miles northwest of the field area and is not listed in the field on the completion report. It is one-quarter of a mile southwest of Wrightsman's No. 1 Stewart, recently completed as a reef producer.

Gas - oil ratio on the test was 477-1. Operator used a one-quarter inch choke in testing. Casing pressure was 560 pounds, tubing pressure 550 pounds. Top of the pay was 6,225 feet.

Drillsite is in section 5, John Rodman survey.

MITCHELL WILDCAT

Richardson & Bass No. 1 J. F. McCabe, Southeast Mitchell County wildcat, has been finaled for an initial potential of 77.90 barrels of oil flowing through perforations at 6,045-6,060 feet.

Fluid on the 24-hour test was five per cent water. Gas - oil ratio was 1,096-1. Gravity of the oil was 42.7 degrees. Using a three-eighth - inch choke, and with packer set in casing, tubing pressure was 300 pounds.

The No. 1 McCabe is in section 5-12-H&TC and about 20 miles southeast of Colorado City.

Stanolind Oil & Gs Co. No. 1 Langley, Mitchell County prospector which has indicated for Clear Fork production, has run rods and is to make a pumping test on the section above plugged - back total depth of 4,585 feet.

BORDEN COUNTY

In Borden County, Stanolind No. 1-A J. B. Dennis is at total depth of 5,200 feet and preparing to core. It is an offset to Spraberry production in Stanolind's No. 1 Miller.

Pure, Snay & Baker No. 1 McKnight, northeast Borden wildcat, is taking a drillstem test at 7,675-7,715 feet.

FAILURE

Seaboard Oil Co. of Delaware and Pan American Production Co. have filed application to plug and abandon the No. 27 T. J. Good in the Good field of Borden County.

The well was removed from the allowable schedule on July 1, 1951, to be worked over and is now reported swabbing 100 per cent salt water. It has been plugged back to 8,230 feet. It is in section 36-33-T&P.

No Squabbling Over Ousting Of Gabrielson

WASHINGTON, Oct. 24. (AP)—Backers of Gen. Dwight D. Eisenhower apparently have agreed not to make any effort to oust Guy C. Gabrielson as chairman of the Republican National Committee.

And evidence accumulated that President Truman may not be ready to pick a successor to William M. Boyle Jr., when the Democratic National Committee meets here next week to accept Boyle's resignation as chairman.

Influential Republicans who are getting ready to launch a movement to draft Eisenhower for the 1952 GOP presidential nomination were reported shying away from any move to replace Gabrielson.

Senator Ives (R-NY), an Eisenhower backer, told reporters he knows of "no concentrated movement" to oust the chairman.

FEAR INTERPRETATION

The Eisenhowere camp seemed to feel that if any such effort were successful in the face of Gabrielson's demonstrated determination to hang on to his job, it would be interpreted as a party admission there was some substance to charges against him.

Gabrielson has denied he did anything wrong in seeking more time for repayment of an RFC loan to Carthage Hydrocol, Inc., a company he represents as president and general counsel. W. Stuart Symington, RFC director, called Gabrielson's activities normal and routine.

Preliminary Plans For Jail Ordered

The county commissioners yesterday afternoon authorized M.C. Butler of the Butler - Brasher Engineering Co., Lubbock, to draw preliminary sketches of a proposed new county jail which they will review Nov. 5.

They also authorized Charles M. Smith of the Central Investment Co. of Texas to make application for the county to issue time warrants with which to construct the project.

The commissioners and the county judge, Edgar Taylor, discussed with Butler and Smith the possibilities of building a new jail.

The commissioners said they would begin looking for a site which they could purchase for this purpose. The discussion favored a two-story brick or stone project costing about $200,000, exclusive of designing fees and cost of site.

If time warrants are issued for the building, no election will be necessary. Otherwise, the county will have to vote bonds.

The application by the Central Investment Co. will be to the Southwestern Investment Banking Voluntary Credit Restraint Committee, which is a quasi - official body which approves or rejects large credit expenditures by cities and counties on public improvements. If the committee rejects it, banks, bond house, and insurance companies are pledged not to advance credit for the project.

Judge Taylor today asked for an exprsesion of opinion from the citizens over the new jail should be built. He said there were two possibilities, one to add a fourth floor to the present courthouse and put the jail there, and the other to build a separate building somewhere near the center of the city.

No sites have been bought, he said, although two offers have been received.

"I would like to know what people think about the relative merits of building the jail on the courthouse, which probably would be the cheapest method, or building it in a separate building," he stated.

Curb, Gutter Work on 37th Gets Impetus

The paving of Thirty - seventh Street was described last night by Mayor F. G. Sears as a project similar to the paving of Avenue S, which was resurfaced by the state, with the only cost to property owners being about $1.50 a foot for curb and gutter.

"In this case," he said, "the county is generously offering to pave Thirty - seventh Street west from the Big Spring highway past the airport, and the only cost to residents along the route out to Towle Place will be the installation of curb and gutter?

Earlier in the evening Edgar Taylor had explained to the meeting a gathering of 90 peroperty owners in additions bordering on Thirty - seventh Street, that the county would pave the street, although it would not be wide enough to qualify for state maintenance.

Ralph Geisenhoner, presiding at the session held at the Humble Camp, appointed Haskell Beard, J. E. Blakey, and Dr. John H. Hamblen as a committee to begin work at once with Mayor Sears in signing up property owners for the curb and gutter contracts.

Geisenhoner also appointed a committee consisting of Paul Keaton, Malven Stevenson, and Edward H. Harte to draw up a proposed charter for a permanent organization of property owners in that neighborhood. The appointments were made after Stevenson suggested that the residents of the area had many other common problems besides the paving of Thirty - seventh Street. He suggested concerted action toward zoning, establishment of speed limits, and building of by-passes.

Besides the property owners those attending included the four county commissioners, who were introduced to the group, and M. E. Stanfield, superintendent of schools. The school system is one of the biggest property owners in the area, having two new school buildings and an administration building there.

Fugitive From County Jail Returns Here

One of the five men who escaped from the Scurry County jail Saturday night walked into the city police department late yesterday afternoon and surrendered to Desk Sgt. Marvin Brister, Ray J. Keenan, police chief, said.

He is J. M. Steward, 25, who gave his address as the Weber Trailer Courts here.

The four others are still at large.

"I never had a criminal record, so I decided to come back and get this mess cleared up as quickly as possible," Steward told Bob Davie, district attorney, after his return to custody.

At the time of his escape Steward was being held in county jail on a charge of falsifying a statement to obtain a loan at the Snyder National Bank. He was arrested late Friday afternoon, and escaped with four other men about 10:30 Saturday night.

Steward said in a signed statement made to Davie that the five escapees left Snyder in Steward's car Saturday night after the jailbreak.

"We traveled over rough country roads going north from here toward Oklahoma," he said.

At a place on the Clairemont road about 20 miles north of Snyder, Gilbert Contreras was dropped and the four other continued on their way, Steward stated.

"We stayed off highways and didn't pass through any towns until we got to Hollis, Okla.," he added.

At Hollis, Steward said, he left the other three men, and went to Chillicothe, Tex., where he spent Sunday night.

They spent Saturday night on the road and hid in the Red River bottom most of the day Sunday.

Sheriff's deputies said last night Steward was to be taken to Sweetwater for confinement in the Nolan County jail until he makes bond or is tried.

The four escapees still at large are Wilbur James Williams, 36, Jack Willie Baker, 30, William C. Kidd, 25, and Gilbert Contreras, 27.

Clifford Green's Ankle Fractured in Practice

The Snyder Tigers lost the services of fullback Clifford "Red" Green for the season when he suffered a facture of his left ankle in practice yesterday.

The ankle has been placed in a cast which will probably have to remain in place about six weeks, Dr. Robert F. Wasson said.

NICE PLACE FOR NAP

Aviation Boatswain's mate Jim Yettke, Belleville, Ill., seems unperturbed about sunbathing over cases of ammunition as he relaxes aboard the USS Rendova in Korean waters. The ammunition is for the Marine "Devilcats" squadron operating with the escort carrier.

Election Campaign In Britain Ending With Words For Peace

LONDON, Oct. 24. (AP) — Britain's election campaign ends tonight focussed on two critical issues —the country's place in a world threatened by war, and her bitterly controversial experiment in socialism.

Voters from a registered electorate of 35 million cast their ballots Thursday.

Their choice lies between the conservative party led by Winston Churchill, and the Socialists who came to power in July, 1945. The Liberals, standing about midway between these two is doctrine, have entered too few candidates to form a government. They hope only to constitute a balancing "third force" in the next House of Commons.

BOTH CLAIM VICTORY

Both big contenders forecast victory.

The general belief, however, is that Churchill and the Conservatives will come back to power by more than 35 parliamentary seats and possibly by 60 or more.

This belief is based to a large degree on numerous polls of public opinion, which unanimously favor the Conservatives. Newspapers which support the Socialists have conducted no surveys, or, if they did, have not reported their findings.

In addition, most independent observers expect a Conservative victory this time. They look for the majority of the two million or more Liberal votes in most of the districts where there is no Liberal candidate to be cast for Churchill's party.

Apart from these political technicalities and party maneuverings, two facts are ominously evident. They confront every voter plainly, regardless of his political sophistication or his station in life.

One is that Britain has a bad case of low blood pressure economically. It's getting worse.

The other is that the bonds between Britain and the United States are frayed and working loose.

On the economic question, every Briton tends to translate the general condition into completely personal terms.

Men who have been campaigning through these past three weeks report that questions posed in meetings show equal concern with the issue of foreign relations — especially the possibility of war.

Churchill in his final campaign speech Tuesday placed the emphasis on peace and on relations with the United States.

He said Anglo-American relations have been damaged during the years of Socialist government.

Government Dismisses Case Against Oilman Before Federal Court

TYLER, Oct. 24. (AP) — A federal indictment against Earl R. Ford of Kilgore has been dropped on grounds of insufficient evidence, an attorney for Ford revealed.

The attorney said Tuesday the indictment against Ford was dropped March 17 at government request.

The Kilgore man, a former Texas Road Commission employee, was charged with violating the Connally Oil Act and making false affidavits.

WEATHER

WEST TEXAS — Fair, warmer in Panhandle and South Plains tonight. Thursday partly cloudy turning colder in Panhandle in late afternoon or at night.

EAST TEXAS — Fair tonight and Thursday, warmer Thursday.

Warnings Issued To Cairo Rioters

CAIRO, Oct. 24. (AP)—Guns of British warships covered British merchant ships clearing through the Suez Canal today against orders of the Egyptian government.

The Suez and the Cairo areas were quiet after violent outbursts of anti-British rioting, and the government issued stern warnings against new outbursts.

But tension between the British and the Egyptians quickened. A British naval spokesman in Cairo said Egypt deliberately was "trying to make things difficult" for the British at the canal entrances, Port Said and Suez, and that the Egyptians broke a previous arrangement to clear British ships carrying supplies for Britain's military forces in the Canal one.

BRISTLING DEFENSE

British Navy officials issued a communique saying that as a result the Navy now was issuing clearance certificates stating that Egyptian clearance was withheld "illegally." Thus far, no British ships have been delayed.

The British maintained a bristling armed defense along the Suez Canal. The Cruiser Gambia and the Destroyer Chevron were reported at Port Said. The Destroyer Chequers and the Frigate Cygnet were said to be at Suez. Egypt has ordered the British to get out of Suez and the Anglo-Egyptian Sudan.

The British military announced it had lifted — for a 24-hour period only — the ban on oil tanker and truck traffic between Suez and Cairo.

QUEEN AIDS FAMILIES

The pro-government newspaper Al Balagh quoted Interior Minister Fouad Sergag El Dim as saying all was quiet today and there were no new incidents in the Canal Zone, from which Egypt wants to expel British forces. The Egyptians have scrapped the 1936 Anglo-Egyptian treaty.

Al Balagh said Queen Narriman, King Farouk's recent bride, had given 800 pounds (about $2,300) toward aid for families of Egyptians killed in Canal Zone incidents last week, and that Princesses Fawzia and Faika each gave 500 pounds.

Al Balagh said the Egyptian foreign ministry soon would present a new note to the British embassy protesting "British acts of aggression" in the Canal one. Two such notes already have been handed over.

FIRE ON MOBS

Strong forces of Egyptian police, kept on the alert against mobs for days, fired on unruly crowds in Alexandria Tuesday. They flung tear gas to break up demonstrators who paraded before the Russian legation in Cairo and shouted "give us arms" to fight the British.

Up to mid-day today no resumption of rioting was reported.

One demonstrator was reported killed in Alexandria Tuesday.

Interior Minister Faud Serag El Din Pasha, whose job is to maintain order in the tense and angry country, sternly declared the government will "take the strongest measures against these troublemakers."

An independent Cairo newspaper, Al Ahram, said today the government had ordered the privately-operated Suez Canal Company to bar all ships from the canal unless they had permission to go through from the Egyptian Ports and Lights Administration.

Officials of the company in Cairo said they had no information on the report and were investigating it. Al Ahram said the company rejected the request.

RESTRICTIONS MAINTAINED

Except for the movement of the oil tanker-trucks, the British maintained their tight restructions on rail and road movements in the Suez area.

Egyptian sources at Port Suez said train traffic there still was at a standstill. The British said Tuesday only food trains and two trains daily supplying Egyptian forces east of the canal would be allowed to run.

Road traffic was reported open, but under heavy restrictions enforced by military road blocks studding the zone's roads.

The British have said they would maintain the restrictions until Egyptian harbor pilots and dockworkers cease their boycott of British vessels.

New Jet Fight Reported Again In Korea Sky

U. S. EIGHTH ARMY HEADQUARTERS, Korea, Oct. 24. (AP) — Fifteen Allied tanks again today shot up battered Kumsong on the Central Front as a great jet battle raged across North Korea in the fourth straight day of air fighting.

The Fifth Air Force said one Red jet was shot down and another probably destroyed. One U. S. F-86 Sabre jet was reported lost.

The tanks killed an estimated 85 Chinese and destroyed 24 bunkers in a raid into a valley just west of Kumsong. They returned safely to their lines through Red artillery fire.

Infantrymen slowly mopped up an estimated 120 Chinese fighting a last-ditch defense on a ridgeline southeast of the city, a front line dispatch said. It was the only resistance remaining along this sector.

The Fifth Air Force said between 70 and 150 Russian made MIGs took part in the battle that raged across the entire waist of the Korean peninsula and finally ended northwest of Wonsan on the East Coast.

The new air fight followed Tuesday's scrap in which Allied B-29 Superforts and jets destroyed or damaged 20 Communist Jets when they tried to stop a bombing attack on the Reds' new airfield at Namsi.

This fourth straight day of air fighting broke out when MIGs jumped Sabre jets covering B-29s as they dumped 150 bombs weighing 1,000 pounds each on a 5,000-foot single track ridge at Sunchon in Northwest Korea.

Tanks that rumbled up to the western outskirts of Kumsong brushed aside light resistance and poured more shells into the already charred, smoking city. Several enemy bunkers were destroyed.

Armored elements probing north of Yanggu on the Eastern Front ran into heavy mortar fire in a brief engagement. On that front, west of the Punchbowl, Allied infantrymen repulsed a probing attack.

Casualties In Sharp Increase

WASHINGTON, Oct. 24. (AP) —Announced United States battle casualties in Korea reached 92,997 today, an increase of 2,062 since last week.

The Defense Department's weekly summary based on notifications to families through last Friday reported:

	Week		Total
Killed in Action	13,731	254	13,985
Wounded	64,777	1,758	66,535
Missing	12,427	50	12,477
Total	90,935	1,062	92,997
Battle deaths (x)	15,401	287	15,688
Current Missing (y)	10,708	45	10,753

(X) Includes killed in action, 1,525 fatally wounded and 178 dead, originally reported missing.

(Y) After deducting from gross total 1,373 returned, 173 known captured and 178 known dead.

Following is a break down of the casualties by services:

	Last	Increase	New
Army	73,460	1,921	75,381
Navy	1,089	13	1,102
Air Force	820	18	838
Marine Corps	15,566	110	15,676

Near Freezing Today

Snyder's high temperature of 66 degrees yesterday brought with it a breezy reminder of autumn coolness coming. The low of 34 degrees recorded before dawn today was near the frost mark. A 35-degree temperature was recorded at 7:30 this morning.

Buffer Zone First On Agenda For Cease-Fire Talk Tomorrow

MUNSAN, Korea, Oct. 24. (AP)— Allied and Communist negotiators will re-open Korean armistice talks Thursday. They will tackle first the knotty problem of where to establish a buffer zone.

The five-man delegations will meet at Panmunjom, a roadside village six miles east of Red-held Kaesong where the search for a [illegible]

Thursday's meeting is scheduled to begin at 11 a.m. (8 p.m. Wednesday, CST).

Panmunjom is accessible to each side without having to travel through enemy territory. The tiny town now has the appearance of an American carnival. Armistice activities are housed in circus-like tents. Huge colored balloons and searchlights ring the conference area to warn warplanes away from the neutral zone.

Resumption of the conference talks was made possible when the Communists Wednesday ratified security ground rules drafted by U. N. and Communist liaison officers in 12 meetings at Panmunjom since Oct. 10.

NEW DISPUTE SHOWS

The U. N. had approved the ground rules Monday.

An Allied liaison officer said a new dispute cropped up Wednesday. The Communists objected to [illegible] entrance of the negotiations tent. The Communists insisted that the MPs be stationed on the road about 110 yards away. The liaison officer said the guards would be posted at the tent door unless Adm. C. Turner Joy, chief U. N. negotiator yields to the Red demand.

Joy and Gen. Nam Il, 38-year-old North Korean, again head the delegations. There will be two new men on each.

If and when the negotiators agree on a line of demarcation between the U. N and Communist armies, they still face these three tough issues:

TOUGH ISSUES AHEAD

1. How the truce is to be supervised.
2. How to exchange prisoners.
3. What recommendation to make to their respective governments. This includes the Red demand that foreign troops be withdrawn from Korea.

These issues must be settled before there can be an end to the fighting. No one in official position at the U. N. advance headquarters would risk a prediction on how long it might take to reach an armistice. But the general feeling here was that the new effort would be "this time or never."

The Reds broke off negotiations 63 days ago, charging Allied planes strafed Kaesong. The charge was denied. It was followed by a series of Red accusations. All but three were rejected by U. N. investigators.

Variety of Arrangements Acceptable in Flower Show

Flower enthusiasts throughout Scurry County are invited to exhibit their garden products at the "Harvest of Flowers," to be held from 3 to 5 o'clock Monday afternoon at the Country Club.

The amateur show will be presented by the Snyder Garden Club, but any individual or group is invited to prepare arrangements of exhibition-type flower specimens. Miss Myrtle Harrell, vice-president of the sponsoring organization, has announced the schedule for the show to include two divisions, horticulture and flower arrangements, as follows:

DIVISION 1. HORTICULTURE.
Class 1. House plants, blooming. Correctly labeled.
Class 2. House plants, foliage. Correctly labeled.
Class 3. House plant, vine. Correctly labeled.
Class 4. Shrubs, flowering or berry. Correctly named. (Not over 4 feet.)
Class 5. Perennial, any seasonal. Correctly labeled. One bloom or spray. (Carnation, Iris, Snapdragon, Daisy, etc.)
Class 6. Annual, any seasonal. Correctly labeled. One bloom or spray. (Aster, Marigold, Zinnia, Petunia, Cosmos, etc.)
ROSES
Radiance; one bloom (of each color) only.
Class 7. Red, pink, light pink.
Hybrid Teas; one bloom (of each color) only.
Class 8. Red.
Class 9. Pink.
Class 10. Yellow.
Class 11. White or cream.
Class 12. Bicolor or blend.
Class 13. Any color.
Polyanthas and Floribundas. (One stalk or spray only.)
Class 14. Any color.
Climbing roses, spray.
Class 15. Any color.
Roses; any type not listed above; named variety (one bloom or spray).
Class 16. Any color.
CHRYSANTHEMUMS
Large; one bloom only.
Class 17. Any color.
Pompom type; one stalk only.
Class 18. Any color.
Unusual types; one stalk only.
Class 19. Single, spider, feathery types, and other types not listed. Should be labeled as to type.
One bloom only.
Class 20. Decorative type, any color.
Class 21. Ball or show type, any color.
Class 22. Pompom type, any color.
Class 23. Any other type; any color of named variety.
DIVISION II. FLOWER ARRANGEMENT
Class 24. An arrangement of fresh cut plant material in any suitable container incorporating chrysanthemums or dahlias. Accessory permitted.
Class 25. Mass arrangement of Chrysanthemums in any Western type container. (Lamp, pot, skillet, or vases suitable.)
Class 26. Monochromatic arrangement. (Shades and tints of one color.) May mix flowers. Use vegetables and or fruit as accessory.)
Class 27. Small arrangement. Color and scale important; not to exceed 6 inches overall. Must contain miniature flowers.
Class 28. Arrangement suitable for a picnic or outdoor table using tray, platter or one of those fine hanging fruit and vegetables, nuts.
Class 29. As you like it use any container, any flowers. Arrangement must not be over 18 inches high.
Class 30. Mass arrangement of any berry shrub in a suitable container.
Class 31. An asymetrical arrangement of any fall flowers in antique container. Accessory may be used.
Class 32. Educational exhibit on card table by Girl Scouts carrying out theme of show.

Point judging system to be used on arrangements will be as follows: distinction, 20; relation to container, 20; color harmony, 20; proportion, 20; appropriateness of arrangement to schedule, 10; condition, 10.

Horticulture entries will be judged on the following points: color, 25; substance and texture, 20; size according to variety, 20; form, 15, stem, 10; condition, 10.

An exhibitor may have only one entry in one class but may enter as many classes as desired, Miss Harrell said. Further information concerning arrangements may be had by calling her at 268.

Four from Snyder To B&PW District Meet

Four members of the Business & Professional Women's Club attended a dinner meeting of the Sweetwater B&PW group last night at the Bluebonnet Hotel.

Mrs. Minnie Cooper, state president of the organization, was speaker. Mrs. Charles C. Ward, a former state president, was also present.

Those attending from Snyder were Miss Zaida Brown, Miss Vera Periman, Mrs. Carrie Line and Mrs. George Killam.

So-and-So Meeting In John Lynch Home

Mrs. R. J. Kidd was guest speaker at the So-and-So Club meeting yesterday afternoon at the home of Mrs. John Lynch, Jr., 2306 Twenty - ninth Street. The program was on textile painting.

Refreshments were served to Mrs. Marcene Holt, Mrs. Jack Terry, Mrs. Arthur Roberts, Jr., Mrs. Charles R. Lyons, Mrs. Douglas McGlaun, Mrs. H. L. Weeks and Mrs. A. E. Wood. Mrs Howard Crenshaw was a guest.

EVENTS OF WEEK

WEDNESDAY

Leisure Bridge Club, 7:30 p.m., with Mr. and Mrs. Herbert Feather, 3750 Dalton Drive.

THURSDAY

Good Neighbors Club, 2:30 p.m., with Mrs. C. E. Walker, 1002 Twenty - eighth Street.

Thursday Afternoon Bridge Club, 2:30 p.m., with Mrs. J. C. Dorward, 1908 Thirtieth Street.

Chez les Amies Bridge Club, noon, with Mrs. D. S. Bodie, Country Club.

Lydia Sunday School Class, at 9:30 a.m., coffee with Mrs. J. M. Long, 3005 Avenue V.

FRIDAY

Altrurian Club, 3 p.m., with Mrs. W. R. Bell, 2811 Avenue U.

Snyder Book Review Club, 2:30 p.m., Country Club.

Garden Club, 9:30 a.m., the Village.

Seasonless Shirtwaist

2345
SIZES
12 - 44

Pointed collar and cuff detail add distinction to this shirtwaist dress —so do buttons to hip length! Finish with three - quarter or short sleeves in gabardine, wool or rayon.

No. 2345 is cut in sizes 12, 14, 16, 18, 20, 36, 38, 40, 42 and 44. Size 18, 4¾ yds. 39-in.

Send 30c for PATTERN with Name, Address, Style Number, and Size. Address PATTERN BUREAU Snyder Daily News, Box 42, Old Chelsea Station, New York, 11, N. Y.

Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5c per pattern.

Just off the press, the FALL-WINTER FASHION BOOK, presenting advance fall fashions in practical, easy-to-sew pattern designs. An important fashion guide, issued early to help the college girl, the school girl to plan their wardrobes wisely. Patterns for everyone. Price just 30 cents.

REDS AGREE ON 1 POINT ANYWAY

MUNSAN, Korea, Oct. 24 (AP) —Communist negotiators will walk on a smooth floor and enjoy light and heat during the new series of armistice talks — courtesy of the United Nations command.

The Reds supplied the big tent for cease-fire negotiations at Panmunjom. It's the same weather-worn tent in which liaison officers worked out the agreement for reopening the talks.

But the floor was sand and there was neither light for night sessions nor heat. The senior Allied liaison officer offered to make the tent more comfortable.

The Reds accepted — without argument.

PERSONALS

Mr. and Mrs. A. H. Reynolds of the Tide Water camp are being transferred to Odessa.

Mrs. Earl J. Lawson and children, 2605 Avenue Y, and Mrs. Harley Lawson and son spent the week end with Mrs. Earl Lawson's mother, Mrs. Carlee Ford of Hobbs, N.M.

Earl Lawson and Harley Lawson spent the week end fishing at Fort Phantom Hill Lake in Abilene.

Mr. and Mrs. J. S. Lindsay, 605 Thirtieth Street, had as their guests over the week end Mrs. Lindsay's sister and her husband, Mr. and Mrs. B. G. Cobb and daughter of New Braunfels, Tex.

Mr. and Mrs. John C. Medford and son, 1004 Twenty-sixth Street, visited Sunday with Mrs. Medford's sister and family, Mr. and Mrs. E. D. Steele and daughter of Stanton.

Mr. and Mrs. J. T. Rollins and son, 1902 Coleman Street, visited over the week end in Pilot Point and also attended the A&M and TCU football game Saturday afternoon in Fort Worth.

Mrs. Charles Tyer and daughter, Mrs. W. H. Wadlington of the Texas - New Mexico Pipeline camp visited over the week end with Mrs. Tyer's son, Gene Tyer of Friona, Tex.

Mr. and Mrs. Lester Schraub of the Texas New Mexico Pipeline camp are the parents of a daughter born Monday night in the Colorado City Hospital.

Mr. and Mrs. T. A. Roberts, 2103 Avenue S, visited over the week end with Mrs. Roberts' parents, Mr. and Mrs. C. J. Martin of Loraine.

Guests in the home of Mrs. L. O. Bynum over the week end were Mrs. Bynum's daughter and her husband, Mr. and Mrs. J. W. Jones of Lubbock. Also home over the week end was L. O. Bynum from Canadian.

Mr. and Mrs. Don Bynum of McMurry College, formerly of Snyder, are the parents of an eight pound-one ounce boy, named Donald K. Bynum, Jr. Mr. Bynum is a senior at McMurry and plays end for the Indians. He is a graduate of Snyder High School.

Mr. and Mrs. Obie Elrod and family, 804 Twenty - third Street, had as their guest last week Mr. Elrod's mother, Mrs. J. U. Elrod of Ranger, Tex.

Judge and Mrs. A. A. Payne of Paducah, Tex., visited Sunday with their daughter and family, Mr. and Mrs. J. M. Long, 3005 Avenue V.

Mr. and Mrs. J. J. Dyer, 3608 Avenue U, and Mr. and Mrs. F. M. Miller and daughter, of the Lamesa Highway, were in Houston, Galveston and Corpus Christi last week.

Mr. and Mrs. Glenn Porterfield and daughter of the Clairemont Road spent Sunday with Mrs. Porterfield's parents, Mr. and Mrs. R. E. Dodd of Ralls.

Mrs. W. W. Morgan and sons of the Bootheland addition returned home Friday night after spending five weeks in Weatherford where Mrs. Morgan has been receiving medical treatment.

PERSONALS

Mr. and Mrs. O. P. Tate, Jr., route No. 1, are the parents of a daughter born early Tuesday morning in Snyder Hospital.

Mr. and Mrs. Charles H. Cooper, 3007 Avenue S, are visiting in Carizo Springs, Tex., with Mrs. Cooper's brother, J. L. Magsford.

Mr. and Mrs. J. O. Dodson, 3105 Avenue S, left this morning for Rochester, Minn., where Mr. Dodson will undergo a check - up at the Mayo Clinic.

Mrs. E. E. Wallace, 2911 Avenue V, is visiting her son, Dr. Gardy Wallace, in Lubbock.

Mr. and Mrs. Hugh Boren, Twenty - ninth Street, left yesterday for Arkansas where they will visit for three weeks. They accompanied Dr. and Mrs. J. P. Clark of Ennis who have been visiting the Borens here.

James B. Dunigan of Abilene and Fort Worth visited last week with Mr. and Mrs. Charles Cooper, 3007 Avenue S. Mr. Dunigan is president of Dunigan Tool and Supply Co.

Miss Florance Dunigan attended the Rice - SMU football game in Dallas Saturday. She returned Monday.

Mr. and Mrs. Clyde Sawyer, 2107 Twenty - ninth Street, visited over Sunday with Mr. Sawyer's parents and his brother, Mr. and Mrs. A. L. Sawyer, Sr., and M-Sgt. Billy H. Sawyer, who has recently returned from Korea.

Mrs. L. Gabrel of Odessa visited over the week end with her parents, Mr. and Mrs. Floyd Savage, 3010 Avenue J.

Mr. and Mrs. Leighton Griffin, 3606 Avenue U, had as their guests over the week end Mr. and Mrs. George Cole and family of Lubbock.

Billy Grant of Fort Sill, Okla., spent Saturday night and Sunday with Mr. and Mrs. J. H. Glenn of the Tide-Water Camp.

Mr. and Mrs. James Kincaid, 3789 Dalton Drive, have visiting them this week Mrs. Kincaid's brother, and family, Mr. and Mrs. Richard Myers, Jr., and son of Dallas.

Dave Barrow, Abilene Furniture Man, To Be Buried There Today

Funeral services for Dave Barrow, 66, pioneer Abilene businessman, who died unexpectedly in an Abilene hospital early Tuesday morning, were to be held in Abilene today. He had been hospitalized following a heart ailment last week but had appeared to be improving.

Mr. Barrow and his brother, A. B. Barrow, were partners in the furniture business in Abilene and West Texas for many years. The partnership was dissolved in 1938. A. B. Barrow owns the Barrow Furniture Co. store here, which was opened in February, 1950.

Survivors include four daughters, Mrs. Will Henry Harvey and Mrs. Theo Glasscock of Abilene, Mrs. D. N. Gaither of Lamesa and Nadine Barrow of Kermit, and two sons, Cecil Barrow of Odessa and Dave Barrow, Jr., of Big Spring. His brother, A. B. Barrow, and six sisters also survive.

Trucks Collide Near Ira, Two Men Injured

Two men were injured at Ira yesterday afternoon in a collision of a pickup truck and a truck towing a cable dump semi - trailer loaded with rock.

Willie Mullins Howard, 58, owner of the Howard Grocery in Ira, suffered a minor head injury. He was driving a 1950 Chevrolet pickup.

Joe Williamson of Snyder, driving the 1951 International truck for the Caprock Materials Co., was thrown from the vehicle when it overturned about 150 feet from the point of the collision. He was taken to the Snyder Hospital in a Bolger - Barnes ambulance.

The hospital reported that his condition was satisfactory.

Witnesses said the pickup was traveling across the street which intersects the highway and that the truck and trailer were traveling north. The pickup was spun around in two complete circles, each about 40 feet in diameter, and stopped facing west near the east edge of the pavement. The truck and trailer overturned on the pavement north of the pickup. Its windshield was knocked out, landing in one piece about 10 feet in front of the truck.

A maintenance crew from the state highway department was called to the scene to clear the highway of the rock.

Clay Brothers Waive Hearing

Vernon Clay, 38, and his brother, Will Clay, 45, Snyder Negroes charged yesterday with assault with intent to murder, waived preliminary hearing before W. C. Davidson, justice of peace, yesterday afternoon, and bond was fixed for each of them at $500.

The charges, which followed a fight early Sunday morning, were signed by Frank James, 18-year-old Negro, who pleaded guilty in county court Monday morning to a charge of assaulting Will Clay with a knife. James said his brother, Earnest James, 19, was also involved in the fight.

Frank James told Edgar Taylor, county judge, that Earnest James —who is under a grand jury indictment charging him with robbery by assault—had been released from the jail to receive hospital teatment of a knife injury suffered in a previous fight. Frank said Earnest had been out of jail for about three weeks and had been working on the Colorado River dam project.

Frank James was sentenced Monday to 60 days in jail when he pleaded guilty to the assault charge, but Judge Taylor yesterday allowed him to withdraw the guilty plea and have a trial by jury. Bond was set for him at $250, but he remained in jail today, pending bond.

Earnest James was returned to the jail where he is to await district court trail on the charge of [illegible] charged with the [illegible] $37 from Troy Little, May 4. In the last session of criminal district court, he had been indicted and entered a plea of guilty but stated the amount was $37 rather than $100 as stated in the indictment.

Two Plead Guilty To Drunken Driving Charge

Two men yesterday were fined $98.50 each, including court costs, when they pleaded guilty to charges of driving while intoxicated.

T. B. Lindsey, 48, formerly of Corsicana, was arrested Monday night by police.

Jack Edgar Adams, 37, of Pampa, was arrested by O. O. Dever, deputy sheriff.

Bond has been set at $250 for Cecil Owen Nelson, 52, of Fort Worth, when he pleaded innocent to a charge of driving while under influence of intoxicating liquor.

Greenland is considered the largest island in the world. It covers an area of 827,300 square miles.

Quarterback Club Accepts Constitution

Constitution and by-laws of the Snyder Quarterback Club were adopted by a unanimous vote of all members present in the meeting last night at the high school cafeteria.

The club rules, as prepared by Wayland Holt and approved by the club, provide for one-year terms for officers and committees, a voting quorum of 30 per cent, and annual club dues of $5.

[illegible] are to be held [illegible] on Tuesday until May 1 and monthly from May 1 through Aug. 31, the by-laws state, giving the president power to altar the meeting time and place. Members feel that weekly meetings until May will allow them to remain active through all high school sports seasons.

Membership eligibility was established for all residents of Scurry and surrounding counties. Applications for membership must be made orally at a regular meeting and approved by three - fourths of those present and voting. The membership now stands at 76.

Carl Herod, president of the organization, urged all members to get behind the high school sports programs.

"We can make the Snyder athletic clubs the hub of this area. The only thing it will cost is work," Herod added that many quarterback clubs sponsored invitational track and basketball meets, bought electric scoreboards, and added many things to the sports programs that could not be taken care of by schools.

Members agreed to sell tickets for Thursday's Pee Wee Bowl in Colorado City, a four session tourney for smaller boys from Snyder, Colorado City, Sweetwater and Loraine.

Speedy Moffett, head Tiger coach, and Hal Battles, assistant, both gave reports on the team's opponent for Friday night. Both said Stamford had a better working club [illegible].

Moffett showed members a film on the Snyder - Andrews game played two weeks ago.

College President Takes Post With Bank

BEAUMONT, Oct. 24. (AP) — The First National Bank here Tuesday, announced that Dr. John E. Gray, president of Lamar State College of Technology, has been elected its executive vice-president.

The announcement was made by Bank President L. Paul Tullos.

Dr. Gray will resign his post at the college.

AUTOMATIC GAS RANGE Sale NOW ON!

Cleanliness counts most

To keep her kitchen utensils mirror-bright and her kitchen walls spotless is every homemaker's goal. Ninety-six out of 100 homemakers in this area cook with a Gas range. It is no secret that many of them choose Gas on the basis of cleanliness alone.

CLEAN! Greasy steam from foods (which comes from all foods) stays inside the pan with "waterless" Gas cooking —doesn't escape to settle on kitchen walls. Only Gas ranges give exact control so necessary for this cleaner-kitchen cooking. Why? Because Gas ranges give you dozens of heats to cook with—not just a few.

CLEAN! Greasy vapors are produced in broiling, too. But a Gas range gives cleaner-kitchen broiling. Why? Because a Gas range broils with the broiler door closed. Greasy vapors are locked in. These locked in vapors rise ...right into the live Gas flame which consumes them.

CLEAN! Today's automatic Gas range burners give pure stainless heat. And when spillovers happen, burners don't smoke up the kitchen by "burning-off" spilled foods. Instead they can be shut off instantly. Spilled foods are cleaned up with soap and water (for which every homemaker agrees, there is no substitute).

of course she has an automatic Gas range

See your Gas Appliance Dealer or Lone Star Gas Company for special Gas range values at Old Stove Round-Up Trade In Sale

LONE STAR GAS COMPANY

All Scurry Parolees Employed And Living Up to Requirements

Good jobs in the community are held by all of the 12 parolees assigned to the Scurry County Voluntary Parole Board Lyman Wren, chairman, said this week. Wren reported all of the parolees are living up to parole requirements.

Wren's report is in conjunction with that of the Texas Department of State, which recently announced the economical and satisfactory functioning of the board on the state level.

John Ben Shepperd, secretary of state, stated that since February 1950 the number of missing parolees has been reduced from 600 to 60. He added that in 1949 there were 11.6 per cent parole violators, compared to only 3.8 per cent in 1950.

Under the parole system, parolees are released from confinement on recommendation by the Board of Pardons and Paroles to the Governor for the granting of clemency. After clemency is granted, a parolee is placed under supervision of local Parole Board members until the expiration of his sentence.

Wren, who has been county chairman since he began working with the board 10 years ago, this week reviewed his experience with parolees.

Occasionally, Wren said, some of the men violate rules, but he pointed out that out of about 100 men he has aided in this county, only three have been sent back to the state penitentiary.

Wren added that about 25 parolees have been assigned to his board this year, but many have been transferred to other boards.

"One thing I'd like everyone to know, Wren said, "is that at one time 32 out of 36 men who came here on parole came from parents who had been separated. That's a pretty good example to show that many become criminally inclined because of their family life."

Included in Wren's and other board members' duties are requiring parolees to report to them periodically, aiding them in securing employment, and helping them with other problems.

Parolees in the state, according to Shepperd, are supervised at the cost of only four and one-half cents daily each, while it costs the Texas Prison System 82 cents a day for each inmate—more than 18 times the amount.

Serving on the county board with Wren are John Stavely at Fluvanna and H. C. Campbell at Hermleigh.

Farmers Add Scrap Metal

The Oct. 15 - Nov. 15 scrap iron and metal drive is in full swing, as reported by Snyder metal dealers.

One local dealer announced today that close to 50 tons of metal had been brought in since the drive began last Monday, adding that the majority who sell the metal are farmers gathering scrap collected over the past few years on farms.

Elsworth Jones, local secretary of the Production and Marketing Administration, said the drive began after the Department of Agriculture called on P.M.A. to help bring the much - needed metal back into circulation.

"Most farms need cleaning up, and most farmers can use the money they can sell the metal for," Jones said. "Some farmers still have horse drawn equipment they no longer use."

Local dealers are buying any kind of metal for about $20 to $25 a ton. They then ship metals out to various firms, who remelt and re-sell them.

No Commodity Credit Loan Applications Have Been Made Here

No applications for Commodity Credit Corp. loans have yet been received from farmers in the county as a result of the poor cotton season, Elsworth Jones, secretary of the Scurry County Production and Marketing Administration, announced today.

Jones said the loans are available and that the county has 13 approved clerks to aid farmers in making loan applications. Approved clerks are at the PMA office, Production Credit Association, West Texas State Bank, and Snyder National Bank.

Loans on cotton, after applications are filed, can be made through the local banks or directly from the Commodity Credit Corp., Jones pointed out, adding that the base loan rate is determined from parity prices.

Farmers may also apply through P.M.A. for loans on cotton seeds, grain sorghums, and storage facilities.

Tough Move For Fat Man Going To Hospital

TORRANCE, Calif., Oct. 24. (AP)—When Eugene Adkins, 29, entered Harbor General Hospital, he had an official escort of five firemen, one policeman, two ambulance attendants — and a laundry truck.

That's what it took to move Adkins' 628 pounds from his Long Beach home to the hospital for an operation, probably today. He is paralyzed from the waist down as a result of an automobile accident.

Real Drama On Opera Stage

NEW YORK, Oct. 24. (AP)—The drama of a real life incident competed with the fiction of an opera at City Center last night.

As the first act of Wagner's "Die Meistersinger" unfolded, one of the performers — Oscar Natzka, the bass playing the roll of "Pogner" — mentioned to workers backstage that he needed a doctor.

Slowly, he edged toward the side of the stage. He managed to sing all but the last two sentences of his part. Then he stumbled into the wings and collapsed.

He was taken to St. Vincent's Hospital where he was reported in fair condition early today. Physicians were giving the 39-year-old singer tests to determine if he had a heart ailment.

When the ambulonce was called, company director Laszlo Halasz stepped to the center of the stage and explained the situation to the audience. The show went on after a half-hour delay.

Called at home, Norman Scott hastened to the theater to finish Natzka's part. An opera company worker, meantime, dashed to the hospital to get the proper costume from Natzka.

Then, the excitement over, the music and fiction resumed.

ELITE GUARD FOR UN NEGOTIATORS

MUNSAN, Korea, Oct. 24. (AP)—An elite security guard of two officers and 15 men will accompany United Nations command negotiators to the armistice talks at Panmunjom.

Military police battalions were instructed to select their outstanding men. At this advance U. N. command base they were outfitted with shiny helmet liners bearing the Eighth Army insignia, green scarves, white gloves and large brass belt buckles.

Under terms of the Panmunjom agreement, each side will provide the same number of guards.

The guards will carry small arms, defined in the agreement as pistols, rifles and carbines.

GRAVEYARD QUIET

DETROIT, Oct. 24. (AP)—The "Graveyard Bar" was tombstone quiet for a while.

A gunman walked in Tuesday and announced that "this is a holdup."

Two patrons and Barmaid Mary Hollowell were locked in a rear room. The bandit took $125 from the cash register and escaped.

Some Rain And Snow In Nation

By The Associated Press

Rain and snow belted wide areas of the country today but it was pleasant October weather in the Atlantic Coast states.

Heavy rainfalls doused the mid-continent. One wet belt extended from the Eastern and Central Great Lakes region southward to Kentucky and Eastern Tennessee. Snow mixed with rain fell in parts of Wisconsin and Northwestern Illinois. Snow also fell in the Northern Rockies and rain hit parts of Northern California and Northern Nevada northwestward to Puget Sound.

Fair and mild weather was reported in the Atlantic Coast States and the Far Southwest. It was fair and cool in the Northern Plains and generally fair with temperatures near normal in other areas.

Temperatures were below freezing in North Central states early today. At the same time it was 74 in Miami, 61 in Los Angeles, and 47 in Chicago.

Elsie, World's Most Famous Bovine On Display at Lubbock

Elsie, famous trademark of the Borden Co., will arrive in Lubbock Friday to be put on exhibit at the newly enlarged Borden plant. Open house will be held at the plant from Friday through Sunday, and all South Plains residents are invited to attend.

Traveling with Elsie will be Elmer, her husband, and Beauregard, her son.

Homecoming Speaker

STEPHENVILLE, Tex., Oct. 24. (AP)—J. S. Bridwell, Wichita Falls oilman and philanthropist, will speak at Homecoming Day, Nov. 9, at Tarleton College.

Here's a delicious snack to serve with coffee or tea: Mix a tablespoon of grated orange rind with two tablespoons of honey and two tablespoons of butter or margarine. Split small hot baking powder biscuits and spread with the honey mixture; sandwich the biscuits together again and serve at once.

Rotten Liquor Death Toll Is Still Going Up After 28 Die

ATLANTA, Oct. 24. (AP)—The toll of liquor poisoning deaths reached 28 early today — and the list of dead is expected to grow.

Twenty-two persons died of methyl alcohol poisoning at Grady Hospital in the wake of weekend sales of a mixture of wood alcohol and water peddled as "good drinking liquor — cheap." Six others died in their homes.

Physicians at the hospital have treated more than 100 persons for the deadly poison, and cases were still coming in today. Of the two dozen victims remaining under hospital care, several were given only a scant chance for recovery.

Twelve Negroes accused of peddling the potion have been jailed on charges of suspicion of manslaughter. Officers are searching for an unidentified white man believed to be the source of supply.

Death struck almost instantly in some cases; in others no ill effects were noticed for as much as 48 hours.

Most of the victims were Negroes. Two white persons succumbed to the poison and three others were treated at Grady, the city's emergency hospital.

One of those treated was a 10-year-old Negro boy.

Those stricken collapsed at home, in the streets and alleys and in automobiles. One woman was found dead in a chair on her back porch. A man told police he bought a drink on a street corner and 30 minutes later was admitted to Grady Hospital — blind.

As casualties neared epidemic proportions and the poisonings became known generally, the hospital was swamped with patients. Hospital Supt. Frank Wilson said about 75 persons who had drunk bootleg liquor became hysterical and rushed in with only imaginary symptoms of wood alcohol poisoning. But more than 100 others showed actual symptoms.

Methyl alcohol often is used to "soup up" racing cars. It can be purchased in 50-gallon lots for about $1.75 a gallon.

L. O. Reagin, 51, one of the Negroes rounded up by police, admitted buying 62 gallons of moonshine from an unidentified white man and reselling it. When he learned it was making drinkers ill, he told officers, he recovered 37 gallons and returned it to the white man. Police said this 37 gallons was put back on the market.

Senate Must Act On Clark

WASHINGTON, Oct. 24. (AP)—Congress will get a chance to decide whether the United States should have a full diplomatic representative at the Vatican, church-state of Roman Catholicism in Italy.

The White House announced Tuesday that President Truman is not going to offer Gen. Mark Clark a recess appointment. Press secretary Joseph Short said "it is more satisfactory to Clark" to await Congress' action.

Mr. Truman sent to the Senate the nomination of Clark to be the first American ambassador to the Vatican last Saturday, just before Congress adjourned until Jan. 8. The Senate must approve ambassadorial appointments.

Meanwhile, the Vatican newspaper Osservatore Romano said the proposed appointment had no "military significance." The paper was denying Communist assertions that selection of Clark for the post indicated a military design.

Soviet General Dies

MOSCOW, Oct. 24. (AP)—The local press reported today the death of Maj. Gen. Nikolai Velikanov, 50, a leading figure in the Soviet border guards. His death, the reports said, followed a long illness.

It's easy to vary the biscuits you make from a biscuit mix. Just add a half cup of finely chopped boiled or baked ham to the regular recipe.

Truck Tax Question

ALBANY, N. Y., Oct. 24. (AP)—A state supreme court justice ruled Tuesday that New York could not collect a new weight-distance tax on big trucks until its constitutionality was determined.

Prince Carl Succumbs

STOCKHOLM, Sweden, Oct. 24. (AP)—Prince Carl of Sweden, for 40 years head of the Swedish Red Cross, died early today. The 90-year-old prince was an uncle of King Gustaf VI and a brother of the late King Gustaf V.

Orange Juice Price Cut

LOS ANGELES, Oct. 24. (AP)—The California Fruit Growers Exchange cut the price of Sunkist frozen concentrated orange juice $2 a case Tuesday.

Reds Give Sentences

LONDON, Oct. 24. (AP)—Tirana radio said Tuesday two of 14 persons accused of spying on Albania for the United States and other nations have been sentenced to death and the others to prison.

California entered the Union in 1850.

Nation-Wide Video Is Brought Closer With New Frequencies

By JACK ADAMS
(For James Marlow)

WASHINGTON, Oct. 24. (AP)—The only thing now holding up additional television service for the country is the matter of making final local assignments of the available channels.

The distribution, to cities and towns throughout the United States, involves a stupendous engineering job if that bug-a-boo of all broadcasting — interference — is to be avoided.

The work should be completed by February. Then the Federal Communications Commission (FCC) will be able to lift the three-year-old freeze on new station grants.

ABOUT 82 CHANNELS

The commission has already decided that about 82 channels will be required to provide "a truly national television system."

To get that number it has gone "away upstairs" in the radio spectrum, into the ultra high frequencies, to create 70 new UHF channels to be added to the 12 very high frequency (VHF) channels now in use.

It proposes to hold out 18 of the new channels as "spares" (for latter allocation), and assign the others finally to large and small communities across the nation.

Preparatory to the final allocations, FCC last March made public a tentative table of proposed local assignments. It made provision for nearly 2,000 stations in about 1,200 communities as compared to the 400 stations in 140 locations that could be accommodated in the current 12-channel setup.

SOME RESERVATIONS

Of the projected 2,000 outlets FCC proposed to reserve about ten per cent exclusively for schools desiring to sponsor non-commercial, educational operations.

The FCC plan was to hold public hearings on the tentative table, but the number of towns, schools and industry groups which asked time for witnesses indicated that if oral testimony were taken, the hearing might last forever.

Hence is was decided to receive comment in writing only: Several hundred thousand words have thus far been filed and those interested have until late November to complete their writeen say-so.

Mostly, these statements seek a more generous allocation of channels than FCC proposed and a larger share in the limited VHF space. The latter demand is based on the fact that VHF is now here and UHF is not.

SEQUENCE OF BRIGHT INCIDENT

This is the first scrimmage play in last Saturday's Drake-Oklahoma A&M football game at Stillwater, Okla., on which John Bright of Drake said his jaw was broken. In the first picture the Drake back (43) watches as a teammate (30) takes the ball after a hand-off from Bright. Charging in (upper left) are Wilbanks (72) and Hubert Cook (55) of the Aggies. In the following three pictures, Cook is seen cutting back to follow the ball carrier while Smith continues toward Bright. Bright was down several minutes after the play. The picture sequence was taken by the Des Moines Register Tribune.

Williamson Moves So. Calif. Into No. 1 Spot, Baylor 2nd

By PAUL B. WILLIAMSON

Oh Joshua, he made the sun and moon to stand still! Last week the ball made high perchers tumble from their perches. The ball didn't bounce; it busted.

From the standpoint of outraged public expectations, last week was one of the most upsetting ones in modern grid history.

Out of 383 games reported to the Williamson System — including 64 from previous weeks — there were 57 "upsets." More than of them were cockeyed upsets. Witness, among others, results like: Boston U. 27, College of Pacific 13; Arkansas 16, Texas 14; Southern California 14, California 7; Evansville 14, Murray State 13; Harvard 22, Army 21; Ole Miss 25, Tulane 6; Indiana 32, Ohio State 10; Rice 28, SMU 7; Virginia 34, VMI 14; TCU 20, Texas A&M 14; and 30 or more others just as incomprehensible in mid-bracket and lesser ranks. It is a mystery that the System batted as high as 84.8 — almost 85.0 —per cent on such a disconcerting week end.

Upsets like those, where everything in line with previous form, comparative scores, and statistics is thrown to the winds and trampled upon, cannot be forecast logically. Any rating system or "line" that would prognisticate such football fatalities correctly would be inherently wrong mathematically.

Digging in the debris of last week's gridiron earthquake found Southern California at the top of the nation's football teams with a rating of 98.2. The Trojans gained the No. 1 spot by tumbling California. Other top claimants dropped lower through off-form performance.

Baylor, about all that's left unblemished in the mighty Southwest, gained position No. 2 in squelching Texas Tech by 40-20.

Georgia Tech rose to No. 3 in squashing Auburn by 27-7. Maryland slipped to No. 4 in letting North Carolina hold them to 14-7.

Michigan State rose a notch to place No. 5 in outlasting Penn State by 32-21.

Among the closely-downed peaches picked by the System were: Dayton 7, Chattanooga 6; Louisiana State 7, Georgia 0; William & Mary 35, North Carolina State 28; Tulsa 27, Marquette 21; Houston 35, Hardin-Simmons 6; and a host of others in all classifications.

WILLIAMSON 1951 RECORD THROUGH OCTOBER 20 REPORTS

	Games	Wins	Ties	Pct.
Week	383	318	8	84.8
Season	1670	1429	16	86.4
Consistency	1670	1646	6	98.9

Ties were ones inconsistent with pre-game Williamson preliminary ratings. Prediction and consistency percentages figured without ties. Consistency means that all teams involved in this season's 1670 games reported to the Williamson System to date are ranked, as consistently as "unfixable upsets" allow, to put winners-over-losers and tying opponents close together. Number at right in rating table is the CURRENT Williamson rating at left is consecutive rank in the nation. Difference in ratings rather than in ranking indicates earned comparison of team strengths. Only games among the leading four-year institutions are listed below and the first 10 Service teams and 10 Junior Colleges in each of those groups. Week's record includes 64 late scores from previous weeks.

New Records Into Books Of Texas League

DALLAS, Oct. 24. (AP)—Twenty-nine new records were written into the Texas League books the past season, among them being three marks on double plays.

The league set a new record for double plays with 2,373 — 98 more than the old record hung up in 1928.

Bob Wilkins of Shreveport started 71 double plays to beat the record of 69 set 25 years ago by Bernie Devivers of Beaumont. Art Mazmanian of Beaumont figured 84 times as pivot man in double plays and that was one more than Lin Storti of Wichita Falls turned in 1930.

All individual records were set in fielding except one. Omer Tolson of San Antonio got five or more hits in nine innings three times during the season to set the long offensive mark.

Clyde Perry, Dallas shortstop, set two fielding records. Perry handled 845 fielding chances at his position and he also set a new record for assists in 154 games or less with 556.

Most of the records were in pitching. James Williams of Shreveport had more wild pitches than ever made before in one season with 23. Tom Gorman of Beaumont pitched 42 consecutive scoreless innings. Rex Barney of Fort Worth walked 16 batters in a single game. Wilmer Mizell of Houston and Bob Turley of San Antonio combined for 31 strike-outs — a new record for two pitchers in nine innings. In the first nine innings of a 10-inning game, April 12, Clarence Berrs of Beaumont made four balks, a new record, and set a two-pitcher record for nine innings with Pete Mazar of Houston, who had two balks.

SPORTS MIRROR

(By The Associated Press)

Today a year ago — Jockey Harold (Red) Keene rode six winners in eight mounts at Sportsman's Park, Chicago.

Five years ago — Chuck Dressen resigned as coach of the Brooklyn Dodgers.

Ten years ago — Pinkey Freddie Hutchinson of the Detroit Tigers enlisted in the Navy.

Twenty years ago — Tackle Richard Sheridan suffered a broken neck in the Yale-Army football game.

SW Conference Gets Lineman Of The Week

NEW YORK, Oct. 24. (AP)—The Southwest Conference, which has been hitting the football headlines regularly this season, came up today with both the defensive and offensive linemen of the week in Bob Griffin, Arkansas center, and Bill Howton, Rice end.

Although each played on both offense and defense nearly the whole game, the voting in this Associated Press lineman poll of the season ranked Griffin tops defensively for his superb play as Arkansas upset Texas. Howton's feat of catching three touchdown passes as Rice upset Southern Methodist earned him offensive laurels.

The honor was particularly gratifying to Griffin, a 230-poupd senior from Frederick, Okla. Last year he was dismissed from the squad in midseason for cutting classes. He was reinstated this season by Coach Otis Douglas.

Against Texas, Griffin played nearly 60 minutes and his defensive work was a big factor in holding Texas to only four first downs. He made tackle after tackle. He was so agile in smashing through the Texas forward wall that on three occasions he downed the Texas quarterback, operating from a T-formation, before the Texas back could hand off the ball.

Said Coach Douglas after the game: "Griffin today had the finest reactions I have ever seen in a college lineman."

Howton, in helping spark Rice to a surprising triumph over Southern Methodist, caught three touchdown passes for gains of 52, 92 and 22 yards. He played 57 minutes and earned this high praise from SMU Coach Rusty Russell: "Howton's a great end, both on offense and defense."

McKown Adds Much To Team On Offensive

FORT WORTH, Oct. 24. (AP)—Danny Ray McKown, the latest Southwest Conference football sensation, got that way through necessity.

Three other guys had to get hurt before he even became known to Texas Christian University fans.

McKown was the fellow who sparked TCU to its great last quarter rally that scored 20 points and shot down Texas A&M, 20-14, in a jarring upset last week.

But McKown started the season as a defensive player. TCU had three top tailbacks — Gil Bartosh, Malvin Fowler and Danny Powell. Powell hurt a knee the second day of practice. Fowler went out with a reinjured knee in the game with Arkansas. Bartosh also got a badly sprained ankle.

So McKown moved to quarterback on offense because there just wasn't anybody else.

McKown, a 185-pounder from Dumas had performed well on defense against Kansas, Nebraska and Arkansas, intercepting several passes and returning four punts 64 yards.

But it wasn't until the game with scored 33 points — that he became anything more than a name on the program. McKown completed 10 of 17 passes and led TCU to 19 points in the final quarter.

Then came Texas A&M and McKown was the starting quarterback. He also finished it and what a finish! . . . A 49-yard run for a touchdown, a cleverly-executed on-side kick that led to another TCU touchdown and finally a third touchdown in which he smashed over from the Aggie two-yard line after helping drive the ball down there.

Leo Durocher Named Manager Of Year For Leading Giants

NEW YORK, Oct. 24. (AP)—Leo Durocher, whose managerial career hung in the balance four years ago, is baseball's "Manager of the Year" for 1951.

The 45-year-old pilot gained the accolade for leading the New York Giants to the most sensational pennant triumph in National League history.

Durocher won the award in an Associated Press poll conducted among the 187 members of the Baseball Writers' Association of America.

The Giant leader collected 113 votes to breeze ahead of Casey Stengel, manager of the world champion New York Yankees, who was second with 64.

Other pilots who figured in the poll were Al Lopez of Cleveland, Paul Richards of the Chicago White Sox, Jimmy Dykes of the Philadelphia Athletics and Marty Marion of the St. Louis Cardinals.

Durocher, advised of his selection while playing golf near his West Los Angeles winter home said:

"That's great news. It makes me very, very happy. I am very grateful.

"I'm grateful to the New York Giants' team. It was the players who made this possible for me. They came through and played like the champions they are."

Durocher's darkest hour was in 1947 when he was suspended for the season by former Baseball Commissioner A. B. Chandler for "conduct detrimental to baseball."

Durocher returned to the helm of the Brooklyn Dodgers in 1948 but on July 16, in a move that stunned the baseball world, he switched to the New York Giants.

Durocher risked his job when he broke up a slow-running but heavy slugging crew for "my kind of team."

The Giants started slowly in 1950 and again Durocher's job was in jeopardy. But the New Yorkers finished a strong third.

Durocher's 1951 team was favored in many quarters to bring the Polo Grounds its first flag since 1937. But the Giants lost 11 straight during the first month and the outlook was black, indeed.

They trailed Brooklyn by 13½ games as late as Aug. 11 but kept plugging away and finally caught the Dodgers two days before the end of the season. The Giants climaxed their comeback by beating the Dodgers in a playoff for the pennant.

Angelo Player Up In Pioneer

By The Associated Press

Dougal Cameron of San Angelo has taken over the ball-carrying leadership of the Pioneer Conference.

The San Angelo star has carried the ball 51 times for 375 yards — an average of seven yards per carry.

Durwood Watkins of Schreiner is second with 317 yards on 39 runs.

Topping the passers is Bobby Bowmer of Schreiner, who has completed 47 of 91 throw for 792 yards. Second is Tommy Hudspeth of Tarleton with 32 connections in 92 throws for 417 yards.

James Brazell of Schreiner continues as the leading pass-receiver. He has snared 22 throws for 460 yards.

Schreiner is the leading offensive team. The Mountaineers have rolled up 1,967 yards in five games. Schreiner also is the leading team in passing, showing 1,023 yards. Arlington tops in running with 1,141 yards in five games.

Don Bloom, of Arlington leads the scorers. He has made 32 points.

Louis Says He Will Win Friday Night

NEW YORK, Oct. 24. (AP)—Joe Louis thinks he'll knock out Rocky Marciano Friday night at Madison Square Garden.

"He can't fight," said Louis after watching movies of the Marciano-Rex Layne fight.

Umpire Is Moved Up

DALLAS, Oct. 24. (AP)—Texas League officials announced today that it had the contract of Umpire Leonard W. Roberts, 29, from the West Texas-New Mexico League.

Illegal Play Used By TCU

FORT WORTH, Oct. 24. (AP)—Texas Christian's illegal onside kick that brought it a touchdown last week against Texas A&M will not be protested although it figured in the last-quarter rally that won the game for TCU, 20-14.

Coach Ray George of Texas A&M said, when informed that Coach Dutch Meyer of Texas Christian had found the play was illegal when he viewed movies of the game:

"The game is over and done and TCU scored a deserved victory. Missed tackles, not the on-side kickoff play beat us."

George said it was an "honest mistake" on the part of Meyer and Referee Carl Brendt.

What happened was that TCU kicked off from a point between the inbounds line and the sidelines which used to be permissable. But in 1949 the rule was changed to call for the kick-off between the two inbounds lines.

Cotton Bowl Approval

DALLAS, Oct. 24. (AP)—The Cotton Bowl announced Tuesday it has met all provisions of the National Collegiate Athletic Association and that its plan of operation for next year has been approved.

Here's a new snack combination: add a layer of finely shredded green cabbage, that's been mixed with a tangy French dressing, to a plain ham sandwich.

More Kids Bring Out Record Number Of Toys In Stores

By SAM DAWSON

NEW YORK, Oct. 24. (AP)—A record dollar volume of toys are in the stores this year — for a record number of children.

But the shadow of the Korean War and the defense program already lies on the toy departments. There are more plastic and wooden toys this year.

There are still a lot of metal toys in the stores — because the manufacturers speeded up production in the first four months of this year before curbs on metal use become stringent. But the makers of metal toys say they'll be hard put to replace them on re-orders in the future.

Toy prices, on average, are about 10 per cent higher than last Christmas, says William A. Wenner, president of the Toy Manufacturers of the U. S. A. He estimates stores have already ordered $330 million worth of toys, at manufacturers' prices. This is $30 million more than last year.

MORE YOUNGSTERS

But there are a million more youngsters under 14 this year than last, says Melvin Freud, president of the Toy Guidance Council. Santa Claus will have more than 43 million names on his list — thanks to the war and postwar boom in the baby business.

Freud estimates that manufacturers were able to make only about 75 per cent of the demand for metal toys. And Wenner reports that some electric train makers cut down the variety of their cars so as to assure national distribution of the rolling stock they were able to make out of the steel available.

More toys are being imported this year, especially from Germany and the United Kingdom. Importations from Japan are running about the same as last year.

REFLECT TENSIONS

Many of the toys reflect the tension of the times — atomic guns, a gun that smokes when fired, atomic rockets, Geiger counters, and a new game based on inflation.

Space suits are running a race for favor with cowboy outfits. But this year there are more than two million girls believed by the industry to be eager for cowboy outfits. Indian suits are more popular than for several years.

More peaceful are such novelties as a telephone switchboard that rings and buzzes, a beautician's kit for coloring dolls' hair, home permanents for dolls, and an electronic doll that sings, prays and speaks in Spanish, Italian and French-Canadian as well as in English.

Dad might get a lift in his kitchen chores if he buys sister a new toy kit which includes dish rack, garbage pan, mop, brush, wash cloth and all other essentials of efficient dish washing.

As always there's a menace for the entire family. For the first time, the stores will be showing — a miniature bagpipe.

NAMED DEPUTY—William C. Foster, former Economic Cooperation Administrator, is the new Deputy Secretary of Defense. He succeeds Robert A. Lovett in that post.

Winkler Prospector Tops Reef High

Stanolind Oil & Gas Co. No. 1-A S. B. Wight, Southeast Winkler County wildcat projected to 12,500 feet to explore the Ellenburger topped the Pennsylvanian high to two deep dry holes in the adjacent regions.

Both of those failures had some shows of possible production but not enough to make oil wells.

Stanolind No. 1-A Wight topped the Pennsylvanian at 8,010 feet, to give it a datum of minus 5,023 feet on that marker.

That makes it 117 feet high to Santa Fe Oil Co. No. 1 Wheeler, a dry hole five miles to the west, and it correlates 78 feet high to Magnolia Petroleum Co. No. 1 Wheeler, another duster four and one-half miles to the northwest.

It had reached 8,537 feet in lime and was making more hole at last report. Up to now it has not reported having logged any possibilities of production.

Coke Wildcat Plugged In Pennsylvanian

Barron Kidd of Midland has plugged and abandoned his No. 1 A. N. Counts, wildcat in Southwest Coke County, at total depth of 6,998 feet in lime and shale in the Pennsylvanian.

No shows of commercial production and no official tops have been reported.

Location was 12 miles southwest of Robert Lee and in section 15-block Z-D&SE.

It was originally projected to the Ellenburger at about 7,500 feet.

REAL ESTATE M

FARMS & RANCHES M5

For Sale: 120 acres, 70 acres cultivated. 40 acres good pasture. Plenty water; electricity; butane; good cellar. ¼ mile to store and post office. 3 churches, on pavement. Good 5 room house, good outhouses. See or write, Mary Thomas, Cottonwood, Texas.

LEGAL NOTICE

THE STATE OF TEXAS

TO: BESSIE EDDLEMAN, OTHA EDDLEMAN, & J. N. PRINCE, their unknown spouses, the unknown heirs of their unknown spouses, their unknown heirs, and the unknown heirs of their unknown heirs, and all those persons claiming title under them,

GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 26th day of November, A.D., 1951, at or before 10 o'clock A.M., before three special commissioners appointed by the Honorable County Court of Scurry County, at the Court House in Gail, Texas.

Said plaintiff's petition was filed on the 8th day of October, 1951.

The file number of said suit being No. 59.

The names of the parties in said suit are: Borden County Rural Highschool District as Plaintiff, and Bessie Eddleman, Otha Eddleman, and J. N. Prince, their unknown spouses, the unknown heirs of their unknown spouse, their unknown heirs and the unknown heirs of their unknown heirs, and all those persons claiming title under them, as Defendants.

The nature of said suit being substantially as follows, to wit:

To condemn and take for the purposes of enlarging and operating the school properties and school system of the Borden County Rural Highschool District, the following described real property, to wit:

(A) Being Lot Known as two acre lot No. Six (6), in Town of Gail in Borden County, Texas, as shown on the plat of said town now on record in the County Clerk's Office, the fee simple owner being P. N. Raymond.

(B) Being Lot known as two acre lot No. Thirty (30), in Town of Gail, Borden County, Texas, as shown on the plat of said town now on record in the County Clerk's Office, and the fee simple owner being C. W. Sherman.

(C) Being Lot Known as Two Acre Lot No. Sixty Seven (67), in Town of Gail, Borden County, Texas, as shown on the plat of said town now on record in the County Clerk's Office, the fee simple owner being G. Smith.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 8th day of October A.D., 1951.

Given under my hand and seal of said Court, at office in Gail, Texas, this the 8th day of October A.D., 1951.

SEAL

Mrs. Jack B. Rogers,
Clerk, County Court,
Borden County, Texas.

Linda Kay Martin

TALK OF THE TOWN

By SUE HOLMES

Eight - year - old Linda Kay Martin, daughter of Mr and Mrs. Craven Martin, 3710 Highland Drive, is somewhat disappointed now that her kitten no longer cares so much for its bottle. "She's been taking her milk from a saucer too much lately," Linda says.

But when the kitten was smaller it took its bottle very much like any other baby, "and she even held the bottle herself," Linda says. To prove this, the little third - grader has pictures clipped from the Western Brand magazine, published by the Western Co., showing the kitten with the bottle gripped in all fours and held high while Linda only furnishes a lap for the kitten to rest in.

She got the kitten from a neighbor, Mrs. Martin said, because the mother cat died shortly after its birth. Linda's only regret is that the cat is growing up too quickly. "She will still take milk from a bottle occasionally, but she won't hold the bottle. And she would rather have it from a saucer."

* * *

Mr. and Mrs. HOMER R. HURST and daughter, MARSHA, who live out at the Humble Camp, were among Snyderites attending the Jose and Amparo Iturbi concert with the Lubbock Symphony last night. The REX MILLERS traveled up Lubbock way, to hear the pianists, too.

* * *

If you are one of those persons who just can't grow pot plants or ivy, Mrs. MABEL GERMAN thinks she's found the solution to your problem.

She is growing colchichums (summer flowering crocus) in gorgeous white, pale lavender, and fuchsia shades. And the wonderful part of it is, they grow without soil or water. Actually the blooms are supposed to appear in Austust and September, but Mrs. German's pet plants are flowering abundantly. Later they'll be planted and foliage will appear.

* * *

Emergency calls to Lubbock have kept Mr. and Mrs. FLOYD BOSTON and Mr. and Mrs. SID WORRELL in a state of anxiety the last two weeks. Mr. Worrell's sister-in-law underwent surgery and needed blood transfusions, so he and Floyd, his son-in-law, have been on hand to supply the needed blood.

* * *

Lunch with the First Lady topped the agenda last Thursday for Mrs. EDITH McKANNA and Mrs. C. T. McLAUGHLIN. The two, who are active in both Democratic and oil circles, flew to New York on business. Returning via Washington, they attended a luncheon at the Democratic Women's Club where they sat at the table adjoining Mrs. Truman.

Mrs. McKanna noted the president's wife wore a simple, tailored gray suit and a blue hat exactly matching her eyes. Guests at the luncheon included 150 top-ranking Democrats, including United States Treasurer Georgia Neese Clark, who entertained Thursday night at a dinner attended by the Snyderites.

Their hosts in Washington were Mr. and Mrs. Ralph Webb Gardner. A leading diplomatic career woman, Mrs. Gardner served on Edwin Pauley's staff when the former ambassador junketed to Russia. Guests at both functions would about furnish the list for the Democratic Who's Who, with Mrs. India Edwards, new vice chairman of women Democrats, being present.

Back in Texas again Saturday, Mrs. McKanna entertained at Dallas' Swank Cipango Club for Pamela Britton, star of the State Fair musical "Guys and Dolls." Guests were 10 Abilene and Midland couples and Mrs. McLaughlin.

Telling us of the whirl of activities, Mrs. McKanna arranged a brown felt bowler atop her busy head and prepared to drive to her Rock Ledge Farm, near Fluvanna, to supervise carpentery work. Attired in a taupe knit dress cinched at the waist with an Indian silver concho belt matching her silver necklace, you'd never guess that a few hours before she had taken care of early morning stock feeding on the farm.

Social Meeting Of Woman's Culture Club

The Woman's Culture Club members held a special social meeting yesterday afternoon at Mrs. A. P. Morris's home, 2707 Avenue V.

The group played forty - two, after which refreshments of sandwiches, ice box pudding and coffee were served. Mrs. Morris had decorated her home with red roses.

Members present were Mrs. J. P. Avary, Mrs. J. W. Clawson, Mrs. Mabel Y. German, Mrs. W. W. Gross, Mrs. Henry Kelley, Mrs. Bernard Longbotham, Mrs. A. C. Martin, Mrs. D. P. Strayhorn, Mrs. Roy Stewart, Mrs. Lois Wilsford, Mrs. J. A. Woodfin and Mrs. H. L. Wren. Guests were Mrs. Bell Bynum, Mrs. L. O. Bynum, Mrs. Nancy Caton and Mrs. J. M. Newton.

Mrs. E. E. Wallace Is Hostess to Club

Mrs. A. J. Towle won high score prize at the Tuesday Afternoon Bridge Club meeting yesterday. Mrs. E. E. Wallace, 2911 Avenue V, was hostess to the group.

Mrs. H. J. Brice won second high, and Mrs. John R. Williams won traveling prize.

Fall flowers were used in the living room, and the hostess served refreshments of pear sundaes, hot cocoa and cookies to the members and five guests who were Mrs. H. G. Towle, Mrs. Joe Stinson, Mrs. L. D. Green, Mrs. Pat Boren and Mrs. W. B. Lee.

Mrs. Johnson Home From Califonia Trip

Mrs. Leon Johnson of the Texas-New Mexico Pipeline Camp returned home Friday from a two months visit with friends and relatives in different parts of California.

Mr. Johnson joined his wife for two weeks of visiting before they returned home. The couple also visited with friends in Houston on the way back home.

GIFTS FROM SNYDER GO OVERSEAS

Christmas will be made merrier for many children all over the world by gifts from the National Future Homemakers of America. Snyder's chapter at high school prepared the more than 100 gifts shown above. The girls, above from left to right, Delona Key, Suzanne Houston, Margie Smith, and Carolyn Noble, represent their class of 117 students. The gifts are to encourage world friendship and establish pen pals for the local girls, Miss Vera Periman, FHA director, said.—(Lee Watson photograph.)

ASK MILDRED

Mail or phone your questions to Mrs. Mildred Sparks, County Home Demonstration Agent, the Courthouse, or to the Daily News.

Can nylon lingerie be washed in my automatic washing machine? Mrs. V. G. McD.

Yes, according to information I have. The lingerie should be placed in a mesh bag so that it will not be damaged by the whirling action of the machine. Water temperature should be set on "warm" or "medium." Never wash the nylon articles in hot water or along with colored clothing.

* * *

I have read that good coffee should be made in a perfectly clean coffee maker. I tried scrubbing my percolator with a steel wool and soap but succeeded only in loosening the greasy coffee film, and besides it makes the coffee taste soapy regardless of how many times I rinse the pot.—Mrs. H.T.T.

Try sprinkling dry baking soda on a damp clean dishcloth. Rub the stain well, rinse and dry. This process deodorizes as well as cleans.

* * *

Is the Braille system used by Americans only? I have never heard of blind foreigners using that system and wondered about it. Miss N.J.E.

No, the system was developed by a Frenchman, Louis Braille, in 1829, and today it has been transcribed into 85 languages.

* * *

What is bisque? I have seen the word on menus and wondered what it was. Mrs. D. B.

A bisque is a rich soup of shellfish, the flesh of birds or rabbits, or cream thickened with a puree. Oyster bisque is one popular form of the dish.

* * *

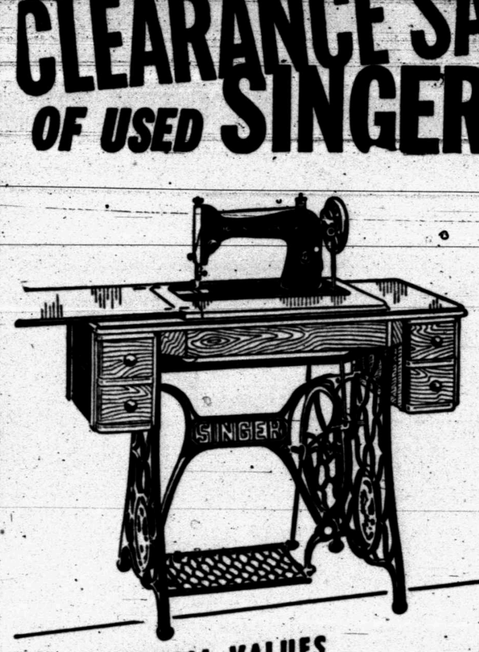

Last weeek I noticed an article in connection with National Macaroni Week. It mentioned vermicelli. I suppose this is a form of macaroni but I would like to know what it is and where it got a name like that. Mrs. T. R.

Yes, vermicelli is a starchy food very much like spaghetti, only in finer strands. The origin of the word is unpleasant but descriptive. It is an Italian word meaning "little worms."
